

## Delegates Convene In Drive

Delegates from Texas colleges and universities will kick off a fund drive in Lubbock for higher education with a large banquet Monday in the Tech Union.

More than 300 delegates will be here to inaugurate the College Loyalty Alumni Support Program (CLASP).

CLASP is a cooperative effort by local alumni of colleges and universities—private, denominational and public—joining forces to strengthen higher education in Texas and the Southwest by assisting their alma maters in a concentrated fund drive.

EX-STUDENTS of the participating colleges and universities in Lubbock will organize themselves on behalf of their institutions, and will solicit their fellow alumni during a two-week period. There will be no pooling of funds. Each college receives gifts only for its own purposes and through its own alumni solicitors.

CLASP has four objectives: (1) To dramatize the values and needs of higher education, (2) To increase the number of alumni donors and dollars for each of the participating schools, (3) To demonstrate that private and public institutions can work together on a common problem and (4) To stimulate a healthy spirit of competition among the local alumni of each institution.

THE FIRST cooperative alumni giving program in Texas was begun in Abilene in 1961.

### Deadline Extended

Deadline for submitting applications for Board of Student Organizations positions was extended to 10 a.m. today by Ken Snider, BSO president. Applications for the offices of president, vice president, recording secretary, treasurer and corresponding secretary may be secured at the Dean of Student Life Office.

## For Second Day

### Newman Clubs Convene Here

The 19th Annual Texoma Province Newman Club Convention goes into its second day with breakfast at 8 a.m. today and meetings from 8:30 a.m. until 9 p.m.

Scheduled from 9 p.m. until midnight is a dance featuring the Dunbar Combo.

Dean James Allen of Tech and Lubbock Mayor Jack Strong will extend a welcome to approximately 110 delegates.

"The Newmanite and the Christian Revolution" will be the theme of the three-day meet, with Tech's Newman Club as host.

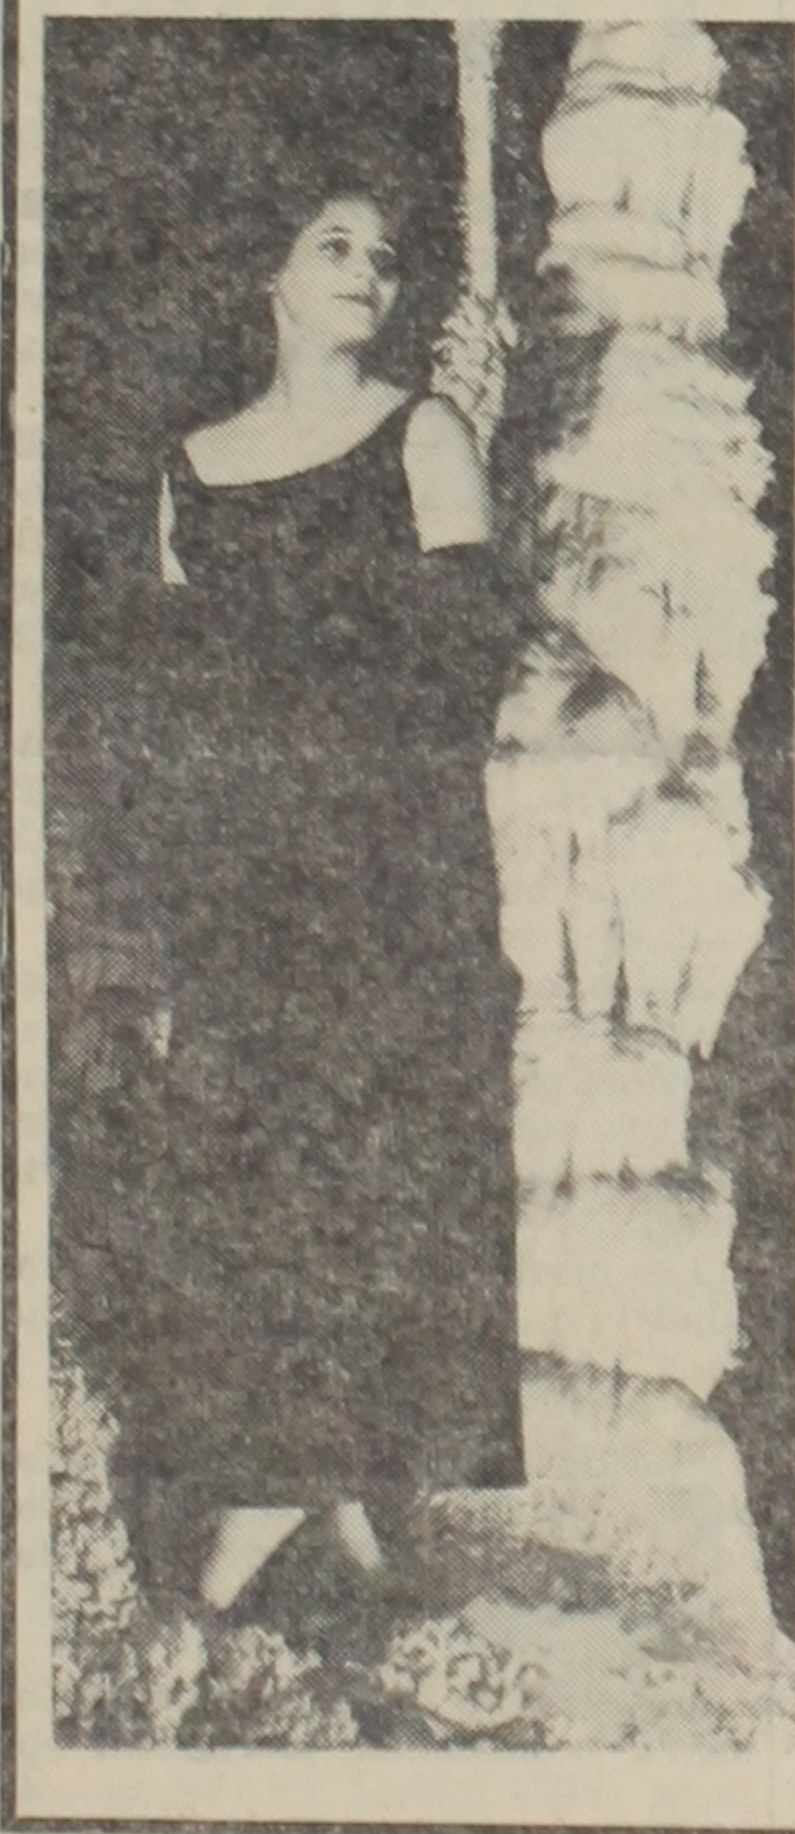

Notable speakers at the convention will include the Most Rev. Lawrence DeFalco, Bishop of Amarillo, and Rev. Ernan MacMullin, instructor of science and theology at Notre Dame University.

National Newman Club President

Julius Gilbertson also will attend, according to Mike Malley, Tech Newman Club president.

Sunday a special mass for the delegates will be said at the Catholic Student Center, 2302 Broadway. Newly elected Province officers will be installed during the mass, and the Tech Newman Club will serve refreshments afterward.

The Texoma Province consists of all the colleges and universities in the state of Oklahoma and the Northern portion of Texas. Some of the larger schools to be represented, other than Tech, are West Texas State University; Southern Methodist University; the University of Oklahoma; Oklahoma State University; North Texas State University; and Texas Western University.

### La Ventana's Beauties Go Underground

The La Ventana Miss Mademoiselle beauties went underground early this week, posing for full page shots for the 1964 annual among the natural rock formations in the Carlsbad, N.M., Caverns. Miss Mademoiselle, Beth Gibson, and the nine finalists for the title added a warm touch to the already breath-taking background provided by nature. Photography was directed by Cal Wayne Moore, Vernon Smith and Leo Waltz. Mary Marshall, finalist, gives a preview of the final photographic results, which will appear in the annual.

## Toward Cuba

# LBJ Issues New Moves

WASHINGTON (AP)—President Johnson directed Friday night that the Guantanamo naval base be made permanently self-sufficient in water supply. And a Defense Department spokesman said Cuban water will not be used even if it is made available.

This was the main part of Friday's U.S. response to Prime Minister Fidel Castro's action Thursday in cutting off water supplies piped into the base from a Cuban river.

In announcing the cutoff, Castro said it would continue until the release of Cubans being held in Florida on charges of fishing illegally in that state's waters. The U.S. order obviously wipes out this bargaining point for the bearded Communist leader.

In addition to the water directive, Johnson ordered further economic steps against the Red Cuban regime, including a reduction in the flow of dollars from Cubans employed at Guantanamo.

The White House statement declared Prime Minister Fidel Castro broke an agreement Thursday when he cut off the Cuban water supply to Guantanamo. It termed this "reckless and irresponsible conduct" and added "the consequences of further provocations by Castro should be carefully weighed by all nations."

In announcing the cutoff, the Communist Cuban ruler said the pipeline would remain shut down until the release of 29 Cuban fishermen seized off Florida Sunday and now awaiting trial on charges of fishing illegally in that state's waters.

## Placement Service Sets Senior Filing

All seniors planning to graduate in May must file with the Tech Placement Service before March 10 as a graduation requirement.

The Personnel Information Forms must be completed and filed by all seniors at the Placement Service located in the West Engineering Bldg.

### PHOTOGRAPHS NEEDED

Two glossy print photographs should accompany the forms, along with references including persons who have instructed seniors in their major and minor fields, according to Angela Malouf, assistant director of placement.

Educational records, occupational experience, personal activities and outside interests are listed in the personnel form to give prospective employers an over-all picture of employee applicants, Miss Malouf said.

Professional personnel sheets may be purchased by completing a request and paying \$6.50 at the cashier's window in the Administration Bldg. One-hundred sheets, with the applicants picture and background information, are left with employers after personal interviews.

### GOOD 50 YEARS

Miss Malouf explained, "Seniors can use the forms now or 50 years from now. If they ever want to change jobs, we need to know what job and geographical location they prefer, so we can send them job listings in the specified area in return."

She urged all juniors to turn in the placement service sheets for processing before next fall. "It is to their advantage to file personnel forms now as they will be available for use at a much earlier date than if they wait until their senior year."

Seniors who do not complete and file the forms will not be allowed to graduate in May.

## Beat Beatles Invade U.S.

NEW YORK (AP) Britain's off-beat Beatles invaded America Friday as more than 2,000 young fans screamed themselves hoarse by way of welcome.

"We want beatniks! We want beatniks!" the teen-agers shouted as the English singing quartet walked off a transatlantic airliner at Kennedy Airport.

The teen-agers had begun arriving at the airport early in the day, hours in advance of the Beatles' arrival.

The quartet flew here for a series of public appearances, which will serve as their debut in this country. They will perform on television as well as make public appearances.

Three of the boys play guitars and the fourth whams away on drums.

# Water Conference Airs Area Issues

More than 150 people attended the second annual West Texas Water Conference, which met Friday in the Student Union Building. The conference, designed to emphasize the specific water problems of West Texas and discuss solutions, was sponsored by Texas Tech and 29 cooperating agencies and organizations.

Duane Crawford, assistant professor of petroleum engineering at Tech, was chairman of the final session covering legal, legislative and other aspects.

# Local Comedies Contrast In Subject And Humor

By LANE CROCKETT  
Toreador Fine Arts Editor

Two first run comedies are now playing in the Lubbock theaters. The first of these is the Gleason-McQueen attempt "Soldier in the Rain."

**THIS RATHER** ho-hum comedy offers Steve McQueen as a regular country bumpkin and Gleason as an overweight sergeant, not exactly on the up and up.

Tuesday Weld appears sporadically as an 18½ year old Lolita, with a crush on his bigness Gleason. Miss Weld plays an illiterate high school student, which suitably fits her acting capabilities.

**McQUEEN** portrays an undermined supply sergeant with a case of over ambitiousness. McQueen has seen better roles. At the death of his old dog Donald, actor McQueen comes dangerously close to the point of absurdity with his stricken grief.

Jackie Gleason proved he was an actor in the pool room flick "The Hustler," and proves in "Soldier in the Rain" that he can become bored. In fact, Gleason acts and looks so bored with the whole thing, that one expects him to just walk off the set.

**AFTER A** few half-hearted attempts at comedy, the picture turns serious—too serious to balance out with the first half of the picture.

What's left to say except—come on in out of the rain!

Doris Day moved into the Village theater with her newest offer "Move Over Darling."

This film is a tampered with version of the old Cary Grant-Irene Dunn vehicle "My Favorite Wife." The new version stars box office queen Doris Day, James Garner, Polly Bergen and old time funny woman Thelma Ritter.

**THE MOVIE** is in the same vein as the other Day pictures—

"The Thrill of It All," "That Touch of Mink" and "Lover, Come Back." Whether usual or not "Move Over Darling" still offers family entertainment.

Miss Day plays Garner's first wife, who suddenly reappears after being marooned on an island with Chuck Connors for six years, only to find that she has been officially declared dead.

**GARNER IN** the meantime has acquired a new wife in the form of slinky Polly Bergen, who has mental problems, especially her psychiatrist.

Garner's momma is Thelma Ritter, who turns in her expected funny characterization.

With this plot, one can imagine how a comedy of this type can be wildly funny.

What's left to say except—Viva la Day!

## Auditions Scheduled

Tech students will be given an opportunity to audition for roles in the Six Flags Over Texas third annual Campus Revue. Tryouts for the musical variety show will be Sunday, March 15, in the Tech Union from 2-5 p.m.

Talent scouts and members of the Campus Revue selection committee from Six Flags will be visiting various colleges and universities, Tech included, in their quest for top collegiate talent in the Southwest. Last year's Campus Revue featured 26 performers from 14 colleges and universities.

## Why Can't You Remember

A noted publisher in Chicago reports there is a simple technique for acquiring a powerful memory which can pay you real dividends in both business and social advancement and works like magic to give you added poise, necessary self-confidence and greater popularity.

According to this publisher, many people do not realize how much they could influence others simply by remembering accurately everything they see, hear, or read. Whether in business, at social functions or even in casual conversations with new acquaintances, there are ways in which you can dominate each situation by your ability to remember.

To acquaint the readers of this paper with the easy-to-follow rules for developing skill in remembering anything you choose to remember, the publishers have printed full details of their self-training methods in a new book, "Adventures in Memory," which will be mailed free to anyone who requests it. No obligation. Simply send your request to: Memory Studies, 835 Diversey Parkway, Dept. 9961, Chicago 14, Ill. A postcard will do.

# Raiders Meet Ponies Today

By **MIKE WALL**  
Toreador Sports Editor

Coach Gene Gibson's Red Raiders move into Dallas today at 2 p.m. in a game that could go a long way in establishing the final standings in the torrid Southwest Conference race.

Both the Red Raiders and Southern Methodist's Mustangs stand 4-1 in SWC play and are fighting to keep from losing another game that would virtually put them out of contention with the league leading Aggies from A&M.

After the pasting that the Tech team gave Texas Christian Tuesday, sophomore Dub Malaise had boosted his SWC scoring average to 18.6, enough to lead all Raiders in that department. Malaise hit his season high and the team high for the year with his 28 points in the game at Fort Worth.

Malaise will be one of the Raiders' main hopes in the televised game, as will big Harold Denney. Denney continues to dominate Tech rebounding, pulling them from the backboard at the rate of 10.1 per game. Denney also hit his conference play high of 25 points against the hapless Frogs.

Other Tech starters will be Tom

Patty, Norman Reuther and Glen Hallum. Patty isn't high in either rebounding or scoring, but his 15.4 scoring average and seven rebounds per game average continue to provide the steady backup power for the Raiders.

Sophomore Norman Reuther is another Raider with whom the Ponies may have trouble. Although he is the Raiders' fourth high scorer, he is still in the double figures with 14.6 points per game and is the second leading rebounder with 10 per game. He can also provide the scoring punch for the Raiders on occasions, as his 27 points in the Texas game attests.

Fifth starter for the Tech group will be Glen Hallum, also in double figures with a 10 point average and 34 rebounds through the first five SWC games.

Tech's main worry comes from

Pony Gene Elmore. In SMU's two two free throws in the final seven point victory over Texas, Elmore's seconds of the Texas game for the lead all scorers with 28 points. SMU margin of victory.

Another SMU starter, Jim Brockman, is another major Raider warrior, as he was the player who sank Hank Wendorf, who also hit six. Other SMU starters will be Jim Smith, who hit against Texas, and

## Two Tech Athletes Suspended

Two Tech athletes were dropped from athletic scholarships for disciplinary measures involving two separate incidents.

John Carrell, starting tackle for the Tech football team last season, was dropped from scholarship for "disciplinary measures" said Polk Robison, Tech athletic director. Robison did not elaborate.

Tech Pres. R. C. Goodwin said Carrell, a junior from Lovington, N.M., had also been suspended from school.

Freshman basketball player, Jimmy Fullerton was removed from scholarship after an incident involving a parking sticker.

Fullerton, freshman from Lubbock, was removed from scholarship prior to the Picadors loss to the San Angelo College Rams Wednesday.
