

Panel Selects Five Queen Finalists

Five finalists in Tech's Homecoming Queen contest were chosen Sunday from a list of 22 candidates by a panel of Tech Vets and Double-T members.

The five finalists are Lucinda Birtciel, Eva Garza, Donell Phillips, Revis Jordan and Shirley DuPriest.

Tech's third Homecoming queen will be named in a campus-wide election Wednesday, Oct. 31.

The queen will represent Tech at all of the official Homecoming activities. She will be crowned at a pep rally on Nov. 2 and will be

presented during half-time activities of the Tech-Oklahoma A&M game, Nov. 3.

The panel of judges selecting the finalists was made up of 15 members from both the Tech Vets and the Double-T Assn. Miss Mickey Whisnett, of Jesse Lee's Fashion School in Lubbock assisted the panel of judges.

Each of the 22 girls was interviewed individually by the judges who selected the five finalists on the basis of personality, beauty, and appearance.

Questions asked the candidates

were: If you were given a million dollars and had to spend it within six months, how would you spend it? What is your major and why did you choose it? What characteristics should the ideal man have?

Lucinda Birtciel is a senior home economics student from Levelland. She was nominated by Kappa Kappa Gamma.

Eva Garza, senior business administration major from Kermit, was nominated by Phi Gamma Nu. Miss Garza was a finalist in last year's contest.

Donell Phillips, senior secretarial administration major from Plainview, was nominated by Delta Delta Delta.

The only junior finalist, Revis Jordan, is a foods and nutrition major from Lubbock. She was nominated by West Hall.

Another finalist in last year's

contest, Shirley DuPriest, is a senior speech therapy and education major from Waco. She was nominated by Kappa Alpha Theta.

This year's queen will be Tech's third homecoming queen. Previous queens have been Sandra Shook in 1955 and Suzanne Matteson in 1954.

Vol. 32 Lubbock, Texas, Tuesday, October 23, 1956 No. 15

Evans Opens Willson Series

"You can't divorce fact from faith nor God from geography."

That's what Dr. Louis Hadley Evans of Hollywood, Calif., told more than 1,600 Techsians at the first of the 1956 Willson Lectures yesterday at Lubbock Municipal Auditorium. Dr. Evans is minister-at-large for the Board of National Missions of the Presbyterian Church, USA, and is the first man ever to deliver the Willson Lectures for a third time at Tech.

"Scientists Crave Religion" "Scientists are hungry for religious truths as never before," Dr. Evans declared. "Sixty-one percent of the scientists currently listed in Who's Who in America are members of some Protestant church. This is a new high. A scientist recently told me his Ph.D. degree would stand for 'phenomenally dumb' if he couldn't grasp

the truths that I speak of."

Behavior Depends On Beliefs "If you think there is a moral God in the universe, you have to change your life. The more you believe the more you have to believe. The liberating elements in education have made men like drifting balloons, tied to nothing."

Dr. Evans went on to tell of a son who was turning away from God because he was "gulping academic alfalfa too fast"—faster than he could digest it. The father came to Dr. Evans for advice on how to make his son see his mistake, admitting he wasn't capable of "discussing religion." The noted preacher told the father, who was a farmer, that it was "much more important to raise sons than sows and daughters than dollars." What good is accomplished when a father is successful in material goods but not even capable of talking over the things of God with his own son?

Willsons Introduced Dr. E. N. Jones, Tech president, introduced Dr. Evans and Mr. and Mrs. J. M. Willson of Floydada who have sponsored the lectures on science and religion since 1946. Dr. Morris Wallace, Tech education department head, gave the in-

roduction.

At noon Dr. Evans was a guest at a lunch in the Student Union with Dr. and Mrs. Jones and Mr. and Mrs. Willson. At 6:30 last night he addressed the YWCA banquet in Memorial Hall of First Methodist Church, and at 10 p.m. a bull session was held in Doak Hall.

Lectures Continue Tonight The Willson Lectures continue at 7:30 tonight, tomorrow night, and Thursday night in the Student Union Ballroom. Tonight's discussion will have as its topic "Your Vocation—A Living or a Life." Tomorrow night's subject will be "Your World—Christ or Chaos," and Thursday night Dr. Evans will conclude the series with "Your Marriage—Duel or Duet."

Freshman Reports Due By Oct. 29

Freshmen Progress reports will be mailed out to parents by the end of this week according to the Registrar's office. Freshmen students will also receive copies of their reports by Oct. 29. Teacher's reports were due in the Registrar's office yesterday afternoon.

Air Force Cadets List Sweethearts

Seven coeds have been named 1956-57 Air Force ROTC sweethearts by Air cadets. They are Ruth Swanland, Linda Shile, Donna Pearson, Carolyn Baggett, Barbara McKean, Mary Catherine Birkelbach, and Betty Ann Hall.

Diane Wilson, in being elected Miss Top Flight at the AFROTC Ball last spring, serves as both Sabre Flight sweetheart and Wing sweetheart. Miss Wilson, a sophomore from Ballinger, is a member of Kappa Alpha Theta sorority.

Sweetheart of the 821st Group is Ruth Swanland, freshman from Houston who is double majoring in English and secretarial administration.

Linda Shile, sophomore P. E. major from Amarillo, is sweetheart of the 822nd Group. A Delta Delta pledge, she is a transfer student from Oklahoma A&M.

Band sweetheart is Donna Pearson, freshman home economics student from Amarillo. She is pledging Kappa Alpha Theta sorority.

Carolyn Baggett, freshman from Sweetwater is sweetheart of Squadron "A". She is majoring in advertising art and design.

Squadron "B" sweetheart is Barbara McKean, business administration freshman from Odessa. She is a Gamma Phi Beta Pledge.

Mary Catherine Birkelbach, sophomore foreign languages major from El Paso, is Squadron "C" sweetheart. A member of Kappa Kappa Gamma, she also was an air-force sweetheart and Sun Bowl Princess last year.

Squadron "D" sweetheart is Betty Ann Hall, freshman home economics student from Eden. She was a majorette three years in high school.

As AFROTC sweethearts, the girls march every Thursday with their respective units.

'To Yo Za' Oriental Group Begins '56 Artists Course

Exotic music, costumes and dances will highlight To Yo Za "Theatre of the Far East," opening attraction for the Tech Artists Course series scheduled Friday at 8:15 p. m. in Lubbock Auditorium.

Valued at half-million dollars, the ornate wardrobe of the performers is to enhance the weird music and dances of the Orient.

Masks, wigs, scarves, bells and swords are also included in the elaborate setting. Many of the costumes are gifts from an Indian maharaja.

Dances and acts will depict culture of India, China, Japan and other countries of the Far East.

Four Caucasians make up the complete cast, featuring Petra Chan, Forrest Coggan, Jarret Green and James Barnett, noted performers in the fields of dancing and music.

Three days after the To Yo Za performance, Nadine Connor, noted metropolitan opera soprano, is scheduled for an appearance in the Auditorium.

Miss Connor is well known to all radio and television audiences for her appearances on "The Railroad Hour," and "The Voice of Firestone." She has been responsible for many costumes in opera, believing that costumes should be designed for the individual performer.

Judging Team Wins In Kansas City Meet

Tech's livestock team placed first in beef cattle judging, fourth in hog judging and an overall tenth in collegiate judging at the American Royal Livestock Exposition in Kansas City Sunday.

Monroe Henderson garnered high individual honors in hog judging. Don Brothers was second in individual awards in beef cattle and the whole Tech squad was among the high ten in beef cattle classing.

Stanley Anderson, associate professor of animal husbandry, is coach of the livestock team which left the campus Wednesday and returns to Tech Thursday. Other team members are: Monty Griffin, Charles Probandt, Clarence Smith and Troy Jones.

Vote Amendment Three—For Tech!

On the Nov. 6 state and national election ballot, right along with Ike and Adlai, will be a proposal that directly affects the building and expansion program of Texas Tech for the next 20 years.

This proposal, which is going under the name of "amendment three," is primarily a broadening of permanent university fund investments to allow more income for building in the state college system.

With more funds available, the allocation of money will be reshuffled to benefit all state supported colleges without any increase in taxes.

Texas Tech stands to gain more than 2 million dollars from the change. At present, Tech shares in the five cent ad valorem state tax program with thirteen other schools, but with the proposed change, only eleven other schools will be included in the same program with Tech. Allocation of funds will be based on enrollment of the schools.

Techsians who are qualified to vote should support the amendment directly, while those under 21, or those who didn't pay poll tax, can use influence to push the proposed amendment into a reality.

Why not mention the amendment and its advantages to your friends who are eligible to vote? And in that next letter home, suggest that mom and dad support the proposal.

The amendment won't completely solve Tech's building problems by any means, but it will be progress in the right direction in preventing Tech's becoming a "standing room only" institution in future years. —Ross Short

COLLEGE GRAPEVINE

By SUE MOORE
Toreador Exchange Editor
Maybe Tech should take a lesson from Louisiana State University students.

From the *Daily Reveille* in Baton Rouge, Louisiana—The students at LSU don't drive cars to school anymore, they ride bicycles. There are still a few "squares" who drive cars, but for the most part, students and faculty alike cycle to and from classes. This has really solved the parking problem!—Anyway it's good exercise.

From the *Brand* at Hardin-Simmons University—

"Joe was dead, and Jim called on the widow to express his sympathy.

"Joe and I were mighty close friends," Jim said, "Isn't there something I could have to remember him by?"

Tearfully she raised her eyes and whispered softly:
"Would I do?"

According to the *New Mexico Lobo*, students at the University of New Mexico are really in for a treat. It seems as though their SUB is sponsoring the Woody Herman band for Nov. 2, 1956. The admission price has not been set, but it really will be a lot of fun. As you know, Woody Herman's band is playing for our Homecoming.

Students at Abilene Christian College really are eligible for the boasters column! This past week the famous Bobby Morrow, junior student at ACC, left for Melbourne, Australia, to take part in the Olympics. The students from ACC formed a great reception for Bobby as he left Thursday. All we can say is—Good luck Bobby!

Interns Honored

Three Tech students who interned on Texas newspapers last summer were honored by a banquet in Ft. Worth Friday night. The interns were chosen by the Texas Daily News Assn. from the different colleges around the state.

Those attending were: Ross Short, Toreador editor, who worked on the Wichita Falls Record News; Cathy Dickinson, issue editor for the Friday Toreador, who worked on the Houston Chronicle and Helene Edwards, La Ventana business manager, who worked on the Amarillo Globe News. Prof. W. E. Garrett, head of the journalism department, accompanied the group to Ft. Worth.

The banquet, which was held at the Worth Hotel, was sponsored by Sigma Delta Chi, national

journalism honor fraternity, of Ft. Worth.

The program consisted of each intern speaking on the work he did last summer. After the banquet guests were taken on a tour of the Star Telegram newspaper plant.

LOCK YOUR CARS

More than twice as many faculty and staff members are exposed to car theft as are students.

This was revealed in a survey Thursday on campus which showed 70 out of 100 staff cars left unlocked, against 33 out of 100 student cars.

The same survey showed male students to be more cautious than the girls. Out of 100 cars checked in boys' parking lots 60 were locked; whereas out of the 100 checked in girls' lots only 49 were locked.

Coeds Practicing For Washbowl Tilt

Football workouts have started in preparation for the annual Washbowl Game between upper-class dorm women and Drane Hall freshmen.

The game this year has been scheduled at 6:45 p.m., Tuesday, Nov. 6 in Jones Stadium. Game time has been set at an early time to enable freshmen women to be in the dorm by 8:30.

Girls interested in playing football must have written permission from their parents to the dean of women in order to be eligible to play in the game.

Casa Linda residents are serving as business manager. Knapp Hall is in charge of ticket sales and Horn of publicity. Halftime activities will be planned by Drane Hall.

Tickets will be sold for 25 cents each and proceeds will go to charity.

The Women's Interdorm Council is sponsoring the game.

Student To Relate Travel Experiences

Colored slides of Norway, Sweden and Denmark will be shown at Tech Union Sunday, Nov. 11 as the highlight of a travel talk by Marguerite Winder, senior from Gruver.

Miss Winder will relate her experiences of the Brownell tour of Europe which she made last summer by bus.

The World Traveler committee will sponsor the talk to be given at 7 p.m. in Room A of the Union. Refreshments will be served after the talk.

Officers Elected

La Verne Dierschke, senior from San Angelo, was elected president of Pi Omega Pi, national business education fraternity for women, in its first fall meeting Thursday.

Jerry Denton, senior from Childress, was named secretary, and Claudie Carpenter, senior from Dimmitt, reporter.

Dean of Business Administration George G. Heather opened the meeting with a short speech.

Following meetings will be held at noon on the second Thursday of each month.

Jimmie Nelson Is Elected Mister Executive

Jimmie W. Nelson, Tulla junior, was elected "Mr. Executive" Saturday night at the second annual Phi Gamma Nu office party. Runners-up were: Weldon Taylor, Larry Rice, Buford Duff and Bob Miller. To qualify for the title, the contestants must be a business major.

Last year's executive, Dane Grant, made the presentation of a gold cup with "Mr. Executive" engraved on it. Each of the runners-up received cuff links.

The Sultans of Swing played for the dance in the Student Union Ballroom. Approximately 100 attended. All business administration students and faculty were invited.

Town Girls Meet

Town Girls, an organization of women students who live off campus, will meet at noon Wednesday in the Union workroom.

Women students not residing in the dormitories and living in Lubbock are invited to attend the meeting, according to Martha Mack, vice president.

The Town Girls club is designed

Rodeo Association Schedules Dance

A two and one-half year ban on social activities will be lifted next month for Tech's Rodeo Assn. when they sponsor an all campus western dance.

The school dance, the first for the group since May, 1955, will be held in the old rec hall on Nov. 23. Hoyle Nix, band leader from Big Spring, will provide music for the dance.

The 142 members of the Assn. will also share sponsorship of the monthly Union Hospitality Hour with Delta Delta Delta sorority and the Optimates, a club for Latin students. The Hospitality Hour will be held from 2-3:30 p.m. Tuesday, Oct. 30. The hour helps better faculty-students relationships.

The Rodeo Assn. meets the first and third Thursday of each month at 7:30 p.m. in the Aggie Auditorium. Students who are interested in becoming members still have a chance to join, according

to encourage an interest in campus activities and to provide a channel of communication between the administration, AWS and the club.

to President Bill Nance.

Other Rodeo Assn. officers are: vice pres, Tom Nelf, senior from Colorado City; Sec., Sylvia Young, senior from Graham and treasurer, Peggy Donnell, sophomore from Elliasville. Board of Directors are: Donnell Echols, chairman, sophomore from Lamesa; Bill Phinizy, senior from Lamesa; Jim Cloyd, senior from Canadian; Bill Baker, senior from Rock Springs and Brandon McReynolds, junior from Andrews. The group sponsor is Roy L. Neeley, prof. of Animal Husbandry.

Hill's Injury Dampens Hopes

Red Raider hopes for their first victory of the season over the Arizona Wildcats were slightly dampened last week when quarterback Buddy Hill suffered a recurrence of an old knee injury.

The knee injury is expected to keep the Raider's number one quarterback sidelined against the Wildcats Saturday. Don Williams is expected to move back to signal caller for the game. Williams had been shifted to halfback for the West Texas State game.

Also on the injured list are guards Floyd Hood and Ray Howard and fullback Charles Dixon. Hood and Howard, both injured against West Texas, should be ready for the contest. Dixon, however, will see little action due to a shoulder separation.

Coach DeWitt Weaver sent his charges through hard scrimmages last week and will do more of the same this week. Weaver, back from watching Arizona dump New

Mexico 26-12, reports that the Wildcats will really be ready for Tech this year.

The Wildcats boast a top notch defensive unit led by all-conference lineman Paul Hatcher and Ed Brown, and tackles Jack Davis, a transfer from Oklahoma, and Alan Polley.

Quarterback Ralph Hunsaker is currently leading the Border Conference in total offense and is second in the nation in that category. Hunsaker has a stable of fine backs to call on including Art Luppino, who has just set a new national record for rushing.

The wing-T attack of Coach Warren Woodson has posted a record of three wins and three losses thus far this season and will be looking for their second victory over Tech in the series of the two clubs. Their first and only victory came in 1935 by a score of 7-6. In the overall series the Raiders have won 14 times, lost once and tied once.

Action Begins In Intramural League

Yesterday's action in the Independent League of the intramural football program found the Sub edging Baptist Student Union 6-0; Wesley winning a 1-0 forfeit from the Tech Vets and the Burnetts squeezing past, Phi Mu Alpha 7-6.

Intramural action got underway Sunday with Phi Gamma Delta, Kappa Sigma, Phi Kappa Psi and Pi Kappa Alpha gaining opening victories in the Fraternity League.

Tomorrow afternoon at 5 p.m. second round Fraternity play will pit Phi Gamma against Sigma Alpha Epsilon, Sigma Nu and Pi Kappa Alpha, Phi Kappa Psi and Phi Delta Theta and Sigma Chi vs. Kappa Sigma.

Sunday's Results:

Phi Gamma 6, Phi Delta 0; Kappa Sig 21, Sigma Uu 0; Phi Kappa Psi 7; Sigma Chi 0 and Pi Kappa Alpha 19, Alpha Tau Omega 0.

Cagers Continue Drills This Week

Texas Tech's basketball teams, both varsity and freshman, continue their workouts this week in the Municipal Coliseum.

Both the varsity and freshman teams have only six more weeks of preparation before their opening games in the Coliseum, Dec. 3. Coach Eugene Gibson, whose freshman team this year will be one of the school's largest in its history, stated that the week was spent in working on fundamentals.

The Tech varsity, which is also one of the largest in recent years, is composed of seven returning lettermen and eight freshman numeral winners. The returning lettermen are Logan Cummings, Royce Elam, Sterling Gibson, Earl Redwine, Harry Scaling, Ned Underwood, and Bobby Wilson.

The sophomores who won numerals as freshmen last year are Don Apple, Tom Johnson, Leon Hill, Chuck Key, Charlie Lynch, Gerald Myers, Sidney Seligman and Wade Wolfe. Of this group, Hill at 6-6, is the tallest member on the squad.

On the freshman side of the ledger, some of the boys who will be expected to carry a large share of the load are Pat Noakes, Dale McKeehan, James Wiley, Gene Arrington, Robert Echols, Bill Pfluger, Durward Hart, Preston Davis, Jerry Selfridge and Bert Williams.

PE CLUB TO MEET

An organizational meeting of the Men's Physical Education Major-Minor Club will be held next Tuesday, Oct. 30 at 7 p.m. in Room 219 of the Administration Building.

The meeting will be the second of the year for the club, Doug Terry, publicity chairman, said.

THOUGHTS FOR TODAY \$1.98
I met a man with a rather large head
Who looked at me and finally said:
"If ever you're caught
Without any thought
And you think that you ought
To be thinking a thought,
Buy one from me before it's too late.
'Thoughts for today, only

"A reasonable price," I said and bought
The following brainy, thoughtful thought!

FAINT PLEASURE AIN'T PLEASURE!
