Mountaineers **Show Good Form** In Last Game

Mountaineers The showed surprisingly good form Friday night as they entertained the Mason Cowpunchers on the local field for the last game of the season. Although they lost the game by a 7-27 score, the game was a good one and Mason was well aware the Mountaineers were out to win this one. Mason scored one touchdown in each quarter. The Mountaineers TD came in the second period. Three of the Mason TDs came on miscues by the Mountaineers. THE GAME

W ise fatners know that, next to love, the greatest gift they can give their families is security. And financial security is built on systematic savings!

What's the easiest, safest way to save? As millions of Americans have discovered, it's the Payroll Savings Plan offered to you by your employer.

Through this plan your money is saved for you before you get a chance to spend it. All you do is sign the authorization card in the payroll office where you work. Sign up for the amount you want. Then, each payday, that money is put into your account. When there's enough, a Savings Bond is bought in your name and given to you. And Savings Bonds now earn more interest than

ever before. Every Series E Savings Bond purchased since February 1, 1957 earns 31/4 % when held to maturity. It matures faster, too — in only eight years and 11 months. And it earns higher interest in the

earlier years. So why not give the whole family an extra Christmas gift this, year? Sign up today for the Payroll Savings Plan where you work!

Read Acts 1:1-8.

Ye shall receive power...ye hall be witnesses unto me. hall (Acts. 1:8.)

It has been said that if one places a goose on the floor and draws a chalk circle around it, not even food can cause the goose to cross the line,

Because of the chalk mark of lear, many Christians will not witness for Christ. They are silent when an unclean story is told, fear to speak to a non-Christian. They are moral cowards.

During the war, an English battalion had a popular chaplain. He thought it wise to pretend he did not hear what was being said at times.

One day he was replaced. One night the new chaplain was at a dinner in the officers' mess. The colonel expressed himself, as usual, in colorful language. The new chaplain was soon on his feet. (Pardon me, sir, but you would expect a man to do his duty. It is my duty to tell you that your language is an offense both to God and man." There was an awful silence.

Then the colonel spoke, "The man's right.' The morale of a community can be changed when even one

person has courage to witness for Christ. PRAYER

Help us, O Lord, to be willing to receive the power of the Holy Spirit in order to witness for Thee. We pray in the name of Jesus, who taught us to pray, Our Father who art in heaven . . Amen."

THOUGHT FOR THE DAY

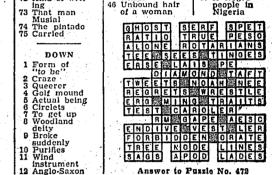

God will give us courage if we

ask Him. -R. G. Crawford
