SANTA ANNA, COLEMAN COUNTY, TEXAS, FRIDAY, APRIL 18, 1958

NUMBER 16

Centennial Plans Progressing Nicely

Plans for the Coleman County Centennial are progressing very nicely and it looks as if there will be about a 10-day observance throughout the county.

The first day is planned for July 4 with Mrs. Wylie Gillespie as chairman for the day. Plans call for an old-settlers reunion and old fiddler's contest to be held at the Coleman City Park. Many other features for the day are being planned. All will center around the Camp Colorado Replica in the park. Cecil Horne is chairman of a committee for a street dance to be held in Coleman the night of July 5th.

It seems that a beard-growing contest has developed, but so far not much information is available. This contest is for all those who want to grow a beard. It is not necessary for all men to grow them.

The week of July 6-12 is the week of the Coleman Rodeo and

most of that week will be used for some kinds of centennial observance. Events are being planned so as not to conflict with the time of the rodeo.

The second day of the rodeo parade will be float day for the Centennial. Every community in the county is urged to have a float in the parade and any organization who desires to may also enter a float.

Mrs. David Mercer was appointed chairman of the finance committee. Just what will be used in the way of buttons, bows, ties, etc., has not been decided, but likely will be at a meeting of the steering committee on Thursday afternoon, April 17.

Plans are underway for the old Santa Fe passenger train, the Cyrus K. Holliday, to be in Santa Anna and Coleman during a part of the observance. No word has been received from the Santa Fe officials on the train.

Jimmy Henderson Injured In Auto Accident Sunday

Jimmy Henderson, 15-year-old son of Mr. and Mrs. Charlie Henderson of Coleman and a grandson of Mrs. Payne Henderson, Sr., was injured in a one-car accident about 10:00 a. m. Sunday just west of the east Coleman County line on Highway 67-84.

Young Henderson was driving a 1957 Ford convertible, and traveling east toward Bangs. He apparently lost control of the car when reaching for the glove compartment of the car. The auto left the road, skidded and hit a mesquite tree on the right side of the road, according to the officer investigating the accident.

Henderson was reported to be "resting very well" on Monday. He is reported to have suffered a fractured second vertebrae. He is in the Brownwood Memorial Hospital.

Damage to the car was estimated at \$3,000.

Mother of Mrs. Elgin Talley Dies At Locker Sunday

Mrs. Ollie Pearl McGary of Locker was buried in the cemetery there Monday afternoon, after services in the Locker Baptist Church. She was found dead in her bed at 5:00 a. m. Sunday. The doctor thought she had been dead about two hours.

She was 77 years old. Survivors include the husband, five sons, two daughters, one of which is Mrs. Lena (E. F.) Talley of Santa Anna, one sister, two brothers, 22 grandchildren and 27 great-grandchildren.

Mrs. Talley went to Locker Monday morning and returned home after the funeral service. Mr. Talley wasn't able to go.

Mrs. George Richardson left Saturday morning with her grandson, Mr. and Mrs. Darrell Richardson and Kathy, from Abilene. They were to visit several days in San Antonio and Seguin with relatives.

Ag Students Observe Local Department

Mr. Dwain Cannon, a resident of Coleman, and Mr. Howard Davis of Brownwood, are spending this week in the Santa Anna High School Vocational Agriculture Department, observing the teaching methods of A. D. Pettit.

Both men are Juniors at Texas A & M College and are majoring in Agricultural Education. The Agriculture Education Department at the college is headed by Dr. E. V. Walton. The course requires each Junior student to spend one week in the fall and one week in the spring observing a high school vocational agriculture program.

Only through the cooperation of the superintendent, Cullen N. Perry and the high school principal, Mr. Roy Mathews, could this program be carried on.

Santa Anna is one of some thirty schools selected for this program, because of their outstanding vocational agriculture department.

N. A. Collier Dies Suddenly Wednesday Morn

N. A. (Ave) Collier, about 70, suffered a heart attack at the breakfast table in his home in San Antonio Wednesday and died immediately. Funeral services are scheduled to be held in Sweetwater on Thursday afternoon. He was born in Giddings, Texas and married in Santa Anna.

Ave Collier is a brother of Sam Collier of Santa Anna. Mrs. Ave Collier is the former Letha Barnes, sister of W. Ford Barnes of Santa Anna.

Other survivors include a brother, Walter Collier, and six sisters, Mrs. Blanche Grantham, Mrs. Ella Stiles and Mrs. Joe Baker of Santa Anna, Mrs. Will Hall of Fort Worth, Mrs. Price Rice of Hamilton and Mrs. Edgar Hall of Albuquerque, N. M.; and one daughter. A son preceded him in death.

The Ave Collier's had lived in Sweetwater for a number of years and were living with their daughter in San Antonio at the time of death.

Heavy Fines Collected For Traffic Violations

Earl Irick, Sr., Justice of the Peace, reports he has collected \$1,052.00 in his court during the past month for traffic violations in this area.

Irick said most of the fines had been paid as the result of traffic tickets for speeding, but other violations were also included in the group.

Use the News want ads. They get results

ility for operating and maintaining the structures. It is believed that \$200 per year per structure would be more than ample assurance of ability to keep the dams maintained.

CHANGE OF HORSE?

Blossom's Service Station Robbed Wednesday Night

The Blossom & Jewell Gulf Service Station in the east part of Santa Anna was broken into and robbed last Wednesday night. Entrance was gained to the station by prying the window out of the men's rest room. Considerable damage was done to the window frame and to the cigarette machine in the station.

Blossom Owen said he lost about \$5.00 to \$6.00 in pennies that was left in the cash register and some \$18.00 was taken from the cigarette machine. A tire tool was also taken from the station.

Brenda Densman, daughter of Mr. and Mrs. Ellis Densman, was in the station the afternoon before and left her little hand purse containing about 20 cents. Mrs. Owen had put it in the desk for the girl to come and get the next day. The 20 cents was also taken from the purse.

Apparently money was the only thing wanted, as nothing else was missing from the station. As best as could be determined they did not even take a pack of cigarettes from the machine after wrecking it.

The robbery apparently happened about midnight, as Mrs. Sid Knox, a near neighbor, said she heard some noise there about that time.

Another service station was robbed the same night in Zephyr, 12 miles southeast of Brownwood.

Blossom said they overlooked the larger part of the money that had been left in the station. It was laying in plain sight.

When a service station is robbed here, it is usually Blossom's brother's station, the Ray Owen Service Station. Has the robbers changed horses?

101-Year Old Father Of Mrs. Frank Crum Dies In Temple

Funeral services were held in the Belton Church of Christ at 2:30 p. m. Monday for W. H. Stubblefield, who died in a hospital at Temple at 4:40 a. m. Sunday. He was born in 1857 in Tennessee and came to Texas in 1890. He operated oil mills at Temple, Cameron and Bowie prior to his retirement to his farm at Belton in 1912.

He had been a member of the Church of Christ for more than 90 years. The Belton Church honored him with a reception on his 100th birthday, which was attended by hundreds of Central Texas neighbors and friends.

He was 101 years of age at the time of death. Burial was in the Belton Cemetery.

Survivors include one son and four daughters, one of which is Mrs. R. F. Crum of Santa Anna. Four grandchildren and five great-grandchildren also survive.

GO TO CHURCH SUNDAY.

Managers Needed For Summer Baseball Program; Eight Week Schedule

Managers for both Little League and Pony League age boys are urgently needed if the Santa Anna Quarterback Club is to have their regular summer program for the boys of this area. Thus far, only two managers have been secured in each age bracket. At least two more are needed for the older boys and three for the younger boys.

An attempt is being made to form a team of each age bracket at Rockwood and get a manager there for the teams. The other managers must be located in or around Santa Anna if the program is to continue.

Present plans call for five teams of boys in the age bracket 8 to 12 years and four teams in the age bracket 13 through 16 years. If the managers are not available, the age brackets may have to be changed and not have so many teams.

The schedule this year calls for games to be played on three nights a week: Tuesday, Thursday and Friday nights. The schedule will begin Tuesday, June 3 and be completed Friday, July 25th. Under present plans any boy who will be 8 years of age on or before August 1, 1958, is eligible to play.

Jack Horton and Bill Day have indicated they would each manage a team of the older boys; Roy Mathews and Ray Swindell and Buddy Benghe, have indicated they would manage a team of the younger boys. If you would consider the job of managing a team in either age group you are urged to contact A. D. Donham as soon as possible.

At the Monday night meeting of the Quarterback Club, Earl Hardy was elected president, Charles Wristen was elected vice president and A. D. Donham was re-elected secretary-treasurer. Add T. Walker, outgoing president, automatically

became a member of the board of directors for one year. Ellis Densman was elected a director for a three year term.

Roy West, W. R. Buse and George England were elected as the three-man Commission of Baseball. A. D. Donham was employed as the supervisor for the summer program. Reynold Buse was granted the concession rights for the summer.

A special meeting of the club was called for Monday night, April 28, at the baseball diamond, for the purpose of getting the field ready for play. Every person interested in the summer program is urged to be there at 6:30 p. m. with hoe and rake and other necessary equipment to get the field ready for play. The group will work under the lights and refreshments will be served.

It seems that interest is lagging in the program. Out of 140 invitations to attend the Quarterback Club meeting Monday night, only 14 were present. The organization cannot function properly if this lack of interest continues. Every parent should show an interest in this program, as it is designed for the benefit of your boys. The membership drive is now in progress and this year, for the first time, men and women are invited to join. A man and wife may join for \$5.00 or either may join for \$3.00.

You are urged to show an interest in this program by being present at the baseball diamond Monday, April 28, at 6:30 p. m. and by attending the regular monthly meetings.

New Telephone Directories Being Printed

New telephone directories for the Coleman County Telephone Cooperative are in the process of being printed at this time. Listed in the new directory will be all the Santa Anna Exchange listings, plus the new dial listings on the Mozelle, Reekwood and Trickham exchanges. Also in the directory will be a Yellow Page Section containing advertising and all business listings on the Coleman County Telephone Co-op exchange, plus a number of toll call listings from nearby towns.

The directories are due to be completed about the middle of May.

Allyn Gill, manager of the Telephone Co-op, urges everyone who is interested in a change in their present listing or a new listing in the directory to contact the business office as soon as possible. In order for any change to be made, the business office must be notified not later than April 23rd.

Garden Club To Have Pilgrimage Friday, April 18th

The Mountain City Garden Club announces a pilgrimage on Friday, April 18th.

They will meet at the City Hall at 9:00 a. m. and from there will visit yards of members. They will go to the home of the president, Mrs. Arthur Casey, which will conclude the pilgrimage. A sack lunch will be served.

An out of town speaker will speak and show films in the early afternoon.

Happy Birthday

"Happy Birthday" to all who have birthdays during the next week. Below are listed the birthdays we have this week.

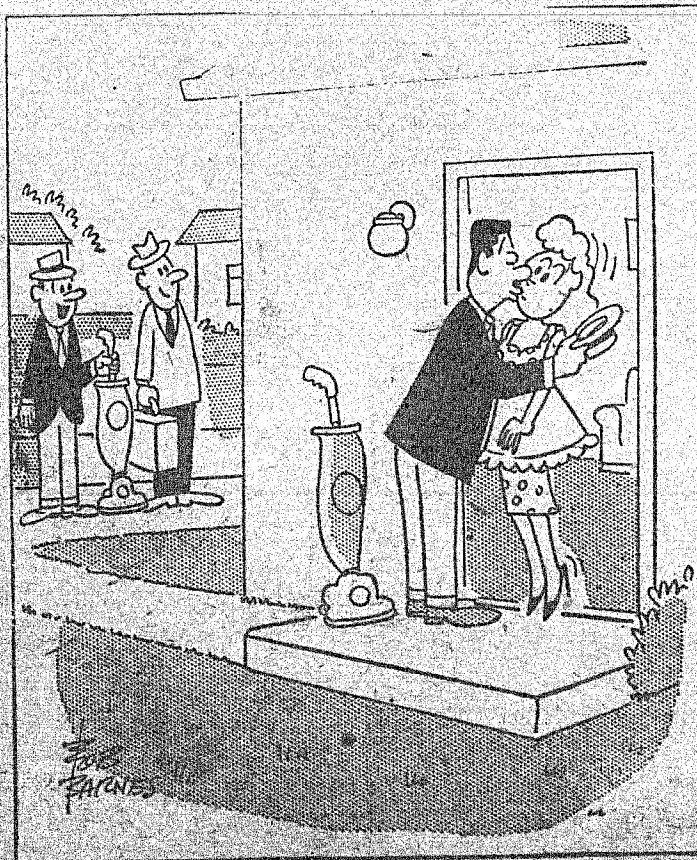

APRIL 20
Bobby Fuller

APRIL 23
Mrs. Glynda Myrl Pricer
Mrs. Bob Garrett
Dr. Fred E. Kollwitz

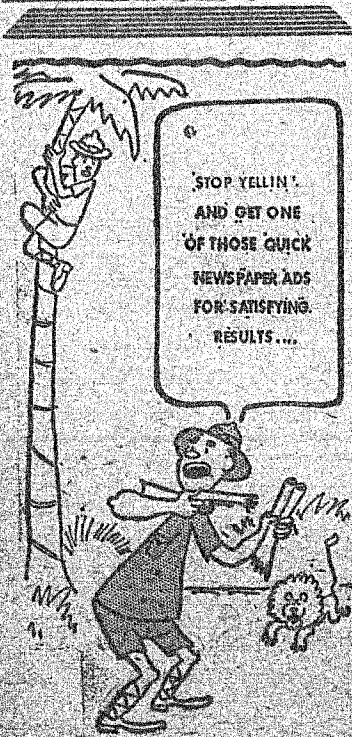

APRIL 24
Judy Ann Wright

Would you like your name to be published on your birthday? If so, please be sure to let us know when it is. Next week we will publish names of those having birthdays between April 25th and May 1st.

Telephone - Red 59

Mr. and Mrs. Warren Aldridge and son, Van, went to Jal, N. M. Saturday and visited there over the weekend with their son, Warren, Jr. and family. Two other sons living in that area visited with them on Sunday.

Frances McClellan and Allan Pierce of Austin, visited over the weekend with her parents, Mr. and Mrs. J. W. McClellan.

Mr. and Mrs. A. H. Howard and daughter, Helen, of Levelland, visited here with his brothers, Jess, John and Will, during last week.

Bill Burden of Lubbock came Saturday morning and spent the day with his parents, Mr. and Mrs. Homer Burden.

William Sheffield, Jr. of Odessa and his mother, Mrs. Daphne Sheffield of Brownwood, visited with Mrs. J. E. Howard Saturday.

YOUNG WRANGLER . . . 16-month-old Mike Hines Jr. is dwarfed (but not scared) by 1,850 lb. champion Hereford bull, entrant in Las Vegas Helderado Pageant.

About Your HEALTH

A weekly public service feature from the Texas State Department of Health. HENRY A. HOLLE, M. D. Commissioner of Health

Only by constant fighting has mankind been able to hold his precarious own against the insect hordes that bite and sting him, destroy his food and clothing and home; and sometimes inflict horrible death.

Well over a million different insect species have been described from throughout the world, and the list continues to grow at the rate of 6-7,000 new species discovered every year. This country is inhabited by approximately 600 injurious species. Some of these are proven vectors of human diseases.

The vast majority of insects

are neutral or indifferent where man is concerned, apparently content to let humanity go its way and demanding the same privilege. Others are highly beneficial, feeding on noxious weeds or troublesome insects, or pollinating crops. At least 50 different seed and fruit crops would be barren without insect pollinizers.

On the other hand, to fix a price tag on depredations of harmful insect varieties, you have to re-gear your thinking or risk getting lost in a maze of zeros. Just counting field crops and stored grains, they wreck an estimated \$4 billion worth of hayoc every year in the United States alone.

Flies, fleas and mosquitoes were, and still are, behind some of the most calamitous scourges the human race has ever faced, including plague, malaria, yellow fever, encephalitis, typhus, dengue fever and filariasis.

Against this constant threat to human health and welfare, mankind has developed powerful insecticidal sprays and powders. Using them with sensible safety precautions, literally thousands upon thousands of areas of previously untenable land have been opened for human habitation. Their use has also resulted in a marked decrease in the incidence of insect-born diseases of man and his domestic animals.

The fact that most insecticides are toxic for humans as well as for insects has caused some apprehension. It is true that people who are in close contact with poisonous agents or use them carelessly do run real

Our WASHINGTON Letter
By Congressman **C. FISHER**

In the name of emergency, spending measures have already been enacted at this session and others are proposed which may increase the public debt by as much as \$10 billion. The amount depends on what happens in Congress during the next few weeks.

The emergency housing bill, enacted into law, is probably about the soundest of these anti-recession measures, but it is admittedly inflationary and expensive.

A proposal that Uncle Sam advance a vast sum to the States to use in extending by 13 weeks unemployment payments is viewed by many, including

risks. But there is no concrete evidence to suggest the general population is being insidiously poisoned.

New insecticides are introduced only after extensive experimentation has shown they can meet exacting federal and state requirements. Each label carries detailed instructions for using the product safely. The burden of following those instructions rests with the user.

Insecticides, despite their great value as weapons against insects, are not sufficient by themselves. They should be used to supplement — not supplant — other control activities, the most important of which is proper personal and community sanitation.

myself, as unsound and should not be undertaken, even in the name of emergency. It would simply prolong the day of reckoning, and deviates from the basic principle upon which such unemployment payments are based.

A recent \$1.8 billion emergency highway bill, which will cause some construction to be speeded up which would otherwise be done a little later anyhow, marks a sharp reversal of the pay-as-you-go principle which prompted many of us to vote for the big Interstate Highway System measure in 1956, now just getting under way.

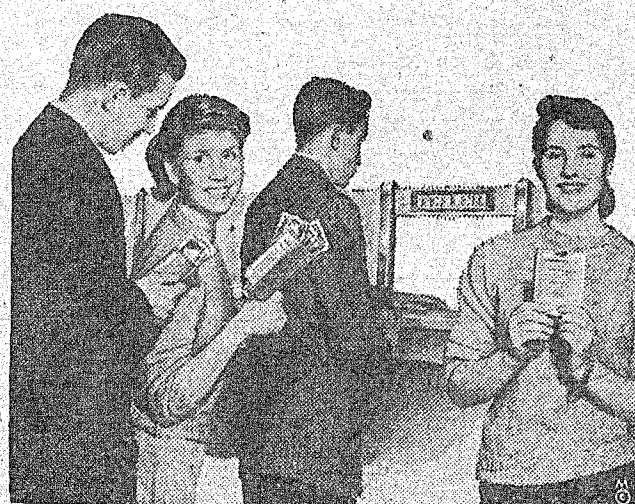

While some emergency legislation is helpful, certainly the panic-approach should be avoided. Accelerated construction works on watershed and river harbor projects, which are engineeringly sound, are being pushed in the Congress. But with scores of expensive remedies, with a dash of politics often added to the prescription, being proposed, it is a good time to remind ourselves that many sins are committed in the name of emergency.

THAT SMILING Russian Ambassador, Mr. Menshikov, is overlooking no bet in his efforts to sell the idea that the present Russian regime is moderate and peace-minded. I received from the Ambassador the other day a copy of Mr. Krushchev's letter to Mr. Eisenhower and also a copy of the Soviet resolution announcing unilateral cessation of atomic and hydrogen weapon tests. What he didn't relay was the fact that the Russians has just completed a whole series of such tests immediately before telling the world of their pious decision to forego more tests.

Mrs. Ella Stiles returned home Sunday from a ten day visit with her daughter, Ann Stiles, still a patient in the Santa Fe Hospital at Albuquerque, N. M. She is getting along fine.

The most precious gift you can give a son

From that first wonderful day when he drops your guiding hand to walk alone—unsteady, unsure, but on his own—his goal is independence.

And this is yours to give—even as he falters and clings, then manfully struggles on. You want so much to help him. And your heart nearly bursts with pride one day when you know he's now "his own man." How fervently you pray that no one—ever—will take away this hard-won freedom to be himself.

There's one way you may not have thought of to help him continue to enjoy the independence he's achieved.

Be on the watch for ideas that could deprive him of it—the idea, for example, that "government should run such and such—a business, a service, an institution." You have only to remember the people in socialist nations to know that when government controls more and more things, there is less and less freedom and independence for the individual!

You can use your woman-power to discourage this idea that "the government should run it." When you hear people talk that way, point out that the loss of anybody's independence is a threat to everybody's freedom.

Very much aware of this danger are the independent electric light and power companies, because government already runs part of the electric business, and powerful people are pressing it to take over more.

HOME SWEET HOME

Two Santa Annans Elected To Offices In District Sorority Meet

The quarterly meeting of District VII of Epsilon Sigma Alpha was held Sunday, April 13 in San Angelo with the Theta Alpha chapter as hostess.

After the registration and coffee hour, a smorgasbord luncheon was served in the ball room of the Town House Hotel. Thirty-three members from Brownwood, Coleman, Ozona, San Angelo, Santa Anna, and Stephenville were present.

The appropriate theme of "April Showers bring May Flowers" was used for table decorations. The invitations being in the form of rain drops, name cards being umbrellas, place cards being cups of flowers and the head table being centered with a garden of spring flowers.

The president of District VII, Greta Isabell of Ozona, conducted the business meeting. The film on Cystic Fibrosis has arrived and will be shown in each town representing District VII. An "Outstanding E.S.A'er" was chosen from District VII. Mrs. Emmalou Brink was chosen with runner ups being Colita Morris of Brownwood and Mrs. Dilly Dockery of Santa Anna.

New officers were elected for the coming year, as follows: President, Aileen Kent of San Angelo; Vice President, Coyita Bowker of Santa Anna; Recording Secretary, Wanda Campbell of Santa Anna; Treasurer, Virginia Cason of Brownwood; Coordinator, Nikki Ratliff of Ozona.

The meeting adjourned and the next district meeting will be held in July with the Santa Anna Chapter as hostess.

Those attending from Santa Anna were: Mrs. Ken Bowker, Mrs. Montie Guthrie, Mrs. Bill Campbell and Mrs. H. L. Markland. Mrs. James Dockery and Stacy returned from a weeks visit with her mother in Ozona, after attending the meeting.

Chat and Stitch Club Met With Brownwood Member on Friday

Mrs. Eddie Geer was hostess to the Chat and Stitch Club at her home in Brownwood Friday, April 11. Games of Forty-two were enjoyed by the members and one guest.

The hostess served angel food cake and strawberry ice cream to Mrs. Ivy Levi, a guest, and the following members: Mmes. Ethel Bobo, Arthur Casey, Alice Horner, L. O. Garrett, Edgar Shelton, Nona Rowe, Raney Howard, H. L. Zachary and the hostess.

The next meeting will be April 25th with Mrs. Alice Horner.

Eastern Star To Hold Memorial Program Mon. Night

The Santa Anna Chapter No. 247, Order of the Eastern Star, will meet in a regular meeting April 21, at 7:30 p. m. in the Masonic Hall.

A memorial program entitled, "Believest Thou This", will be presented.

All members are requested to be present.

Mr. and Mrs. A. D. Donham and Mrs. Frances Everett will have charge of the social hour.

BAPTIST JUNIORS HAS WIENER ROAST

The Junior Department of the First Baptist Church met last Thursday evening on the lawn of Rev. and Mrs. Maurice Smith for a wiener roast.

Twenty members of the department were present for the occasion. All went home at 6:15 p. m.

Mr. and Mrs. Robert Perry returned to their home in Dallas Monday afternoon, after a week-end visit here with her father, Tellie Allison.

4-H CLUB NEWS

The Senior 4-H Club met April 9th in the Eighth Grade room. Mrs. Goen showed us how to make Prest Pudding.

We tasted the pudding. We also had cookies and a pineapple juice refreshment. There was 10 present.

—Reporter

Stan and Ronnie Howard of Coleman visited here several days during last week with the grandparents, Mr. and Mrs. Jess Howard, while their mother was recovering from recent surgery. Donna Sue Howard visited here on Thursday night and Friday of last week.

TODAY'S Meditation

THE WORLD'S MOST WIDELY USED DEVOTIONAL GUIDE

Read Philippians 4:1-8. This is the day which the Lord hath made; we will rejoice and be glad in it. (Psalm 118:24.)

George Muller of Britol, England, has been described as "one poor man who, dependent on the help of God only in answer to prayer, built five large Orphan Homes and took into his family over ten thousand orphans and expended for their good nearly a million pounds." One might imagine that a man with such vast responsibilities would

be heavily burdened. Yet George Miller wrote, "I see... that the first great and primary business of life to which I ought to attend every day is to have my soul happy in the Lord." Soul-happiness requires complete certainty of the present availability of the goodness of God.

Many of us go about in a gray state of feeling, neither seriously worried nor yet really happy. We can emerge from the gray mist by lifting our thought above it into the certainty that God is in charge, and all is well.

PRAYER

Dear Father, enable us this day to feel Thy living presence and to know beyond doubt that Thou knowest our need, hearest our call, and art abundantly answering. Fill us with perfect trust in Thee. We ask it in the name of Christ, who came that our joy might be full. Amen.

THOUGHT FOR THE DAY

God is here, and all is well. —Margaret Sheldon (British West Indies)

Mr. and Mrs. Floyd Goodgion and family of Clovis, N. M., were here at the weekend, visiting with his parents, Mr. and Mrs. Homer Goodgion. The visitors and his mother attended the Cemetery Association meeting in Trickham Sunday. Mr. Goodgion was sick and not able to attend.

Self Culture Club Hears Discussion On Bible Topics

The Self Culture Club met in regular session Friday, April 11, with Mrs. Norval Wylie as hostess in her home.

"Religions of the World" was the topic for the afternoon and a Bible quotation was roll call response.

Mrs. Hardy Blue did real well in substituting for Mrs. J. L. Harris on "Religions of the World." "Children of the Bible" was Miss Alta Lovelady's subject and her paper was extra well prepared. "Plants of the Bible" was discussed by Mrs. A. L. Odeer. Many now are planting trees, plants and flowers mentioned in the Bible as a sort of hobby.

The coming Centennial and the club's part in it was discussed.

The hostess served lemon cream cake and coffee as refreshments.

Others present not mentioned above were: Mmes. Frank Turner, Jr., Tom Kingsbery, C. L. Eeds, Sam Collier, Otis Bivins, Hardy Blue, Preston Bailey, W. B. Sparkman, Nona Woodruff, Cullen Perry, J. A. Harris and Misses Bettie Blue and Dora Kirkpatrick.

Mmes. Wylie, Bailey, Sparkman and Woodruff have been appointed program committee for the coming year.

Jesse Goen, on a two weeks vacation, came from Austin and on Saturday, he and his mother, Mrs. Nora Goen, left for California, to visit with Johnny Goen and family and other relatives.

REWARD PRESENTATION — J. A. Walker, Sierra Blanca ranchman, right, accepts \$500 reward check from T. A. Kincaid Jr., Ozona, president of the Texas Sheep & Goat Raisers' Assn. here Friday. Evidence given by Walker was credited with the arrest and final conviction of two persons charged with stealing a goat from the Adolf Stieler ranch near Sierra Blanca. This was the first reward given by the TSGRA in recent years. (Staff photo by Houton)

Whon News

By MRS. TOM RUTHERFORD

Rev. and Mrs. Eugene Traylor and son of Coleman were here for services at the Baptist Church Sunday morning and were dinner guests of Mr. and Mrs. Darwin Lovelady and Randall. Night services were dismissed.

Mrs. Alma Forehand returned to her home in Bangs Thursday night after visiting Mr. and Mrs. Earl Cozart for nearly two weeks.

We had a wonderful rain Sunday. Made the farmers smile again. Since the ground was getting dry.

Mr. and Mrs. Otis Switzer spent several days the past week with his sister, Mr. and Mrs. Walter Yancy and children, and brother, Mr. and Mrs. Thomas Switzer and children. Thursday night Mr. and Mrs. Walter Yancy entertained in their home with a party honoring the young couple. A large crowd attended. Mr. and Mrs. Otis Switzer were married on Easter Sunday in Texas City.

I am sorry I failed to say "Thanks" to Mr. and Mrs. Curtis Collins for sending the candy suckers to the Whon Picnic to be distributed among the children. The children really enjoyed the candy and "Thanks" to Mr. and Mrs. Collins.

Saturday night Mr. and Mrs. Nick Buse and Earla, Mr. and Mrs. Grehm Fitzpatrick, Cheryl, Don and Neill, Mr. and Mrs. Darwin Lovelady and Randall, Mr. and Mrs. Lee Abernathy, Ricky and Lynda, took a picnic supper and visited with Mr. and Mrs. Eugene Traylor and son in Coleman. All reported a wonderful visit.

Tom Rutherford and son, Hilary Allyn, were transacting business in Coleman Thursday.

Shields News

By Mrs. E. S. Jones

Mrs. Roy Bledsoe went to Lubbock Monday to be with her daughter, Mrs. Doyle Isaacs, who had an emergency appendectomy and to care for her two-month old granddaughter.

Mr. and Mrs. Dale Watkins of McCamey spent Sunday with Mr. and Mrs. George Cobb.

Mrs. Herman Gilbreath and Glenn, Mrs. Elton Jones and Karen and Chrystene Carpenter attended the Interscholastic League contest at Gouldsburg on Saturday.

Mr. and Mrs. A. D. Eppler and children visited Sunday with the J. R. Lane family at Hardin.

Mr. Homer Vercher recently had surgery in Scott and White Hospital at Temple and is now at the home of his sister, Mrs. Roy Wilson in Coleman and improving.

Mrs. Bert Fowler and Larry visited Saturday with Mr. and Mrs. Hyatt Moore, Mrs. James Townsend and her mother, Mrs. Davis at Rockwood.

Everyone is invited to attend the supper Saturday night, April 19th at the Community Center.

Carolyn Carpenter, Leta Faye McClure and Karen Jones spent Sunday with Mrs. E. S. Jones. Afternoon visitors were Mr. and Mrs. Dan Irvin of Rosebud.

Mrs. George Cobb visited Wednesday with her mother, Mrs. Jim Watkins at Okra. Mrs. Watkins is moving to San Angelo in the near future.

Yvonne, Glendon and Georgia Eppler visited Sunday with Mrs. Ura Dillingham.

Mrs. Clyde Vance of Amarillo visited this week with relatives and friends in our community.

Mr. and Mrs. Frank Chamberlain of Abilene visited Sunday with her mother, Mrs. Hays.

FIRE ANT QUARANTINE HITS TEXAS

The vicious little imported fire ant, infamous for its painful bite and destructive habits, is the target of a new federal quarantine in eight states, including Texas.

Six Texas counties will be "blocked off" due to the federal order, in an effort to prevent the further spread of the pest into farm and ranch country. Beginning May 6th, movement of plants, soil and other carrying agents of the ant will be closely supervised in the infested areas.

Many East Texas farmers already are acquainted with the fire ant, a native of South America who has also recently become an "unwanted alien" in parts of Alabama, Arkansas, Florida, Georgia, Louisiana, Mississippi, and South Carolina. Texas counties under quarantine will include Hardin, Jasper, Jefferson, Newton, Orange and Tyler.

In these counties, the fire ant has made a name for itself as a pest harmful to crops, livestock and humans. It often attacks small animals, ground-nesting birds, poultry and newborn calves and pigs. Its fiery sting can bring death to these young farm animals and make the farmer's work painful, and often impossible. The hard mounds of dirt, sometimes as high as 18 inches and two feet across, cause damage to machinery.

The quarantine order will cause some unavoidable difficulty, especially to nurserymen whose property is infested. Any business whose main activity involves transportation of growing plants, is affected by the order.

Nurserymen are urged to inspect their property carefully before the quarantine becomes effective. Texas Department of Agriculture inspectors are available to help eradicate the pest. If a nursery is found to be free of the insect before the federal quarantine is imposed, then some of the regulatory problems will be simplified. An infested property will have to treat its plants to kill the ant before shipment is permitted.

Details of the federal quarantine order are available from: John C. White, Commissioner of Agriculture, Austin, Texas.

TAX-MAN SAM SEZ:

Now that April 15 is over and done it would be mighty nice to forget this tax business until next year. However, as the old saying goes, death and taxes are certain. If you calmly rock in your rocking chair on the front porch and don't keep tax records, you are going to pay out of your own pocket come next April 15. It pays to think about the tax consequences of all your business transactions throughout the year and it especially pays to make tracks in the form of a record of where you went during the year for tax figuring purposes next spring.

DR. FEBBLE PURCELL CHIROPRACTOR Phone 9-4831 - 407 Llano St. COLEMAN, TEXAS

Miss Effie Copeland came from Austin recently and brought her mother, Mrs. J. T. Copeland, and they visited two days with their sister and daughter, Mrs. Orville Allen. Mrs. Copeland is a wheel chair patient, but getting along very well.

Mrs. Dink Payne left last Friday afternoon on a trip to Phoenix, Arizona, to visit her oldest son, J. W. Payne. Another son, Mr. and Mrs. Jimmy Payne of San Antonio, came and took her. Returning they will come back through Bloomfield, N. M., and visit Mrs. Payne's daughter, Mr. and Mrs. Tommy Priddy and family.

Mrs. Marlon Ford of Trickham was taken to Abilene early Monday morning, in a Hosh ambulance, for a check up on surgery recently performed. One leg and her hip are in a cast. She received serious injuries several years ago in a auto accident. She was brought back to her home Monday evening.

Mr. and Mrs. Clifford Stephenson spent the weekend in Dallas, visiting with their daughter, Mrs. Gerald Pruitt and family. It rained on them all the way home.

"The next one's gonna be a Ruud Alcoa Alloy"

Red-rust is the enemy of all water heaters. It means rusty, discolored water for washing and other uses... and eventually expensive replacement costs.

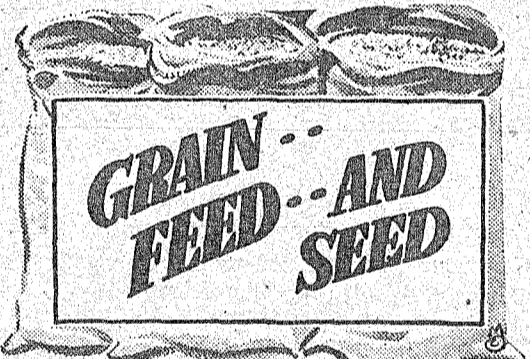

You can avoid this when you own a Ruud Alcoa Alloy automatic GAS Water Heater because its tank is made of Alcoa Alloy that cannot red-rust! You get all the crystal-clear hot water you need for every household use... even the continuous operation of your automatic washer.

You get these other features, too!

- Costs less to own and operate
• Uses GAS... fastest automatic fuel
• Optional two temperature assembly
• Selective temperatures up to 180°
• Ruud 10 year warranty
• Long, trouble-free service
... and many others

Answer to Puzzle No. 483

What's Your Definition of 'Going Steady'?

A Florida teenager recently explained, or rather defined, going steady as understood by high school students in that great state. The young lady said: "If you go steady, you're with your boy friend all the time. He picks you up in the morning and you stay together all day."

She explained that a boy going steady does not go out with other boys. "A steady just doesn't do that."

If this is a general rule throughout the country, then I can't believe there is much going steady. It would mean the boys would have to renounce the thought of ever dancing with more than one girl at a party, or speaking to another girl in class, or going to a movie or drinking a coke with a bunch of boys.

That's asking almost the impossible to be with one girl all day long.

As an observer it seems to me teenager would soon become bored with such restricted company.

So, young man, if you thought you were going steady you may have been wrong all the time, if all you are doing is seeing your cutie every night, making dates with no other female, and letting her wear your ring or pin as a token of your constant affection.

It would be interesting to know the definition of going steady in other sections of the country, as compared with our Florida lass.

If you have a teenage problem you want to discuss, or an observation to make, address your letter to FOR AND ABOUT TEENAGERS, NATIONAL WEEKLY NEWSPAPER SERVICE, FRANKFORD, KY.

Trickham News

BY MRS. ANNA YORK

Although it rained all day, there was more than 100 out for the annual Cemetery Association Sunday. It would be impossible to list the names of everyone, but we had visitors from Colorado City, Fort Worth, New Mexico, Brownwood, Santa Anna, Bangs, Rising Star, Midland, Coleman and Plainview.

Miss Myrtle Beard of Brownwood spent the weekend with Mr. and Mrs. Wylie McClatchey.

Mr. and Mrs. Doman Miller and Pamela of Stephenville, and Miss Lea Mitchell of Post, spent the weekend with their parents, Mr. and Mrs. Buck Mitchell.

Miss Lou Featherston of Plainview, visited briefly with the Mitchells also.

Mrs. Marion Ford went to Abilene Monday for a check-up on her leg. Mrs. Ford is feeling fine, but will be in a cast for six more weeks.

Mrs. Jane Flores McCreary of Santa Anna and Mrs. Zona Stacy were dinner guests of Mrs. Beula Kingston Sunday.

Mr. and Mrs. Charlie Tompson of Brownwood visited Mr. and Mrs. H. B. James and family on Sunday.

The latest report on J. R. Haynes, who was working on a barn and fell off last week, injuring his back and hips, is suffering quite a lot and will remain in the hospital for several days. We hope he will soon be feeling better.

Mr. and Mrs. Royce McIver and Sabrina of Coleman visited his parents, Mr. and Mrs. Grady McIver and family on Sunday. Royce left for Kermit Monday, where he is to be employed.

Mr. and Mrs. Otis Calcote and Stanley of Fort Worth, spent the weekend with their parents, Mr. and Mrs. Leston Cozart and Mr. and Mrs. Robert Stearns and Frances.

Mr. and Mrs. Joe Williams of Colorado City and Mr. and Mrs. J. Y. Steward of East Texas, visited over the weekend with the lady's sister, Mr. and Mrs. Marvin Whitley.

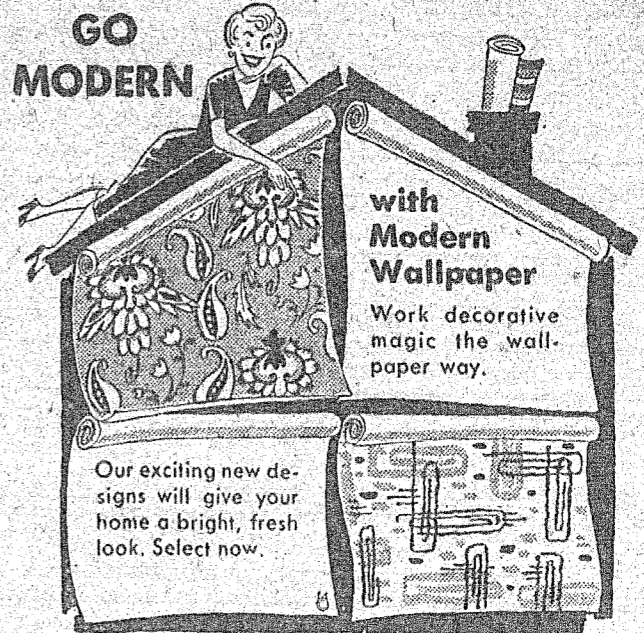

Mr. Ben Hardin of Menard visited his sister, Mrs. Clara Haynes, on Monday.

Billie Haynes spent Sunday night with Terry McIver.

Charlotte Ann Oakes, daughter of Mr. and Mrs. Lenton Oakes, is convalescing from recent heart surgery in a Houston hospital. Suffering from a heart ailment all her life, Charlotte Ann is now believed to be in the way to normal health. The surgeon performing the operation was the celebrated Dr. Cooley. The Oakes family hope to bring her home to Brownwood next Sunday.

Mr. and Mrs. J. E. Porter, who have been living with her parents, Mr. and Mrs. Johnny Steward at Rockwood, moved last week to what is remembered as a Baxter Apartment in South Santa Anna. Mr. Porter has some pasture lands leased near Rockwood.

Mr. and Mrs. Sam Rutherford, Mrs. Dalton Davis and Sandra were in Fort Worth at the weekend, visiting in the home of other members of the family, Mr. and Mrs. Sam Grant.

SCANNING THE NEWS

DESPITE the President's recent remarks that, in his opinion, the recession had reached, or was very close to, the bottom... many Washington observers feel that no proposals have yet been submitted that will bring any appreciable upturn in the economy for many months.

And, despite the Administration's reluctant attitude toward tax cut legislation, many observers feel that such legislation is certain to come unless the economic picture gets considerably brighter before the coming summer.

There are ample proposals on both sides of the political fence as to what should be done to get things rolling again. Principal shortcoming of practically all proposals, however, is the time that it takes for them to make themselves felt throughout the economy.

Both Congress and the Administration appear convinced that the expansion of public works activities will definitely spark the economy—but, apparently, not to any appreciable degree until next year.

Everyone prefers to see an immediate economic pickup. With elections slated for next fall, both Congress and the White House would like to be able to claim credit for putting the economy back on an upward beam.

A bright feature of the business situation is the sound condition of the unemployment compensation systems in nearly all the states.

Despite the increased unemployment, the state can borrow from a \$200 million loan fund. This in turn could be replenished from the

Federal Treasury under existing law.

So far, the volume of benefit exhaustions is not large. In any event, state legislators close to the scene could take quick and effective action.

The bulk of the unemployment increase since last July 1 is limited to eight states—Massachusetts, New York, New Jersey, Pennsylvania, Ohio, Michigan, Illinois and California, according to the National Chamber of Commerce.

Have we been doing anything about our "scientific manpower" problem? Here are some facts from recent Senate Labor Committee education hearings:

—There has been an increase of 80 per cent in the number of college-trained engineers in the last six years.

—Almost three college-age youngsters in 10 now attend college. In Russia, the figure is one in 10 and in Western and Central Europe it's one in 20.

Since 1954 when the FBI assumed investigative jurisdiction of criminal violations under the National Housing Act, some 800 persons and firms have been sentenced for criminal fraud in housing cases. The greatest number of offenses occurred in the Federal Housing Administration Title I home modernization program where unscrupulous modernization dealers and fast talking salesmen known in the trade as "suede shoe boys" ruthlessly victimized small homeowners.

where they were joined by Mrs. Octavia Timmins.

The Rev. Jimmy Ford, pastor, preached at the Baptist Church at the Sunday morning service. He and Mrs. Ford were dinner guests of Mr. and Mrs. Jack Cooper and LaQuinn.

Mr. and Mrs. Joe Hays of Waldrip visited one day last week with Mrs. Mena Shuford.

Mr. and Mrs. D. A. Maples of Denver City visited Saturday to Wednesday with Mr. and Mrs. J. A. Hunter and Don. They, with Mrs. Hunter visited relatives in Brownwood Monday.

Mr. and Mrs. Sealy Bryan and Mary Ann of Coleman visited in the M. D. Bryan home Monday.

Mrs. Elton Halmon, Jerry Carl, Lana Kay and Dwight Smith of San Angelo spent last weekend with Mr. and Mrs. Carl Bittry. They, with Mrs. Buttry spent Easter Sunday with Mr. and Mrs. W. C. McMillan and family in Brady.

Mr. and Mrs. Billy McIntire and Tommy spent the weekend in Fort Worth with Mr. and Mrs. James Thornton.

Local girls attending scholastic meet at Goldthwaite Saturday were Peggy McIntire, who placed 3rd in her division in spelling and Betty Straughan, who placed first.

Mrs. Collis Crutcher and Miss Ludy Jane Crutcher entered the Santa Anna Hospital Tuesday for tonsillectomies.

Trinidad, the most southerly of the West Indies, is closer to New York than to New Orleans. The Caribbean resort, roughly the size of Delaware, is 2,057 miles from New Orleans, 1,939 miles from New York.

Nickel, which was first isolated as an element only in 1751, has been found to be present in significant amounts in certain bronze tools and implements made almost 6,000 years ago.

Among the smallest political bodies in the world are Vatican City (630 inhabitants in 1948), Andorra (5,000), Monaco (22,000), Liechtenstein (14,000), and San Marino (13,000).

Lake Superior is the world's largest fresh-water lake. It is 603 feet above sea level. Its waters drain into the Atlantic through Lake Huron, Erie, and Ontario, and the St. Lawrence River.

available to eligible growers in the commercial area (Texas is in this area) will not be less than the minimum support to be announced later. Individual farm marketing quotas will be the normal or actual production, which ever is larger, from the farm acreage allotment.

Growers in the commercial area who plant within their allotments will be eligible for price supports on their entire production. Those who exceed their farm allotments will be subject to marketing quotas penalties if they have more than 15 acres of wheat for harvest or have not signed applications for exemption under the feed wheat provision permitting 30 acres or less to be used exclusively for feed on the farm.

If marketing quotas are disapproved, there will be no restrictions on wheat marketings. Acreage allotments will remain in effect as a condition of eligibility for price support at the 50 percent of parity rate. In the referendum for 1958 crop wheat, 86.2 percent of the farmers voting favored quotas.

Texas share of the national allotment for 1959 has been set at 4,099,094 acres. The 1958 allotment was 4,164,302 acres.

If marketing quotas are approved by wheat producers in the June 20 referendum, the national average support price

VOTE ON WHEAT MARKETING QUOTAS SET FOR JUNE 20TH

College Station — Secretary of Agriculture Ezra T. Benson has proclaimed marketing quotas on the 1959 crop of wheat; proclaimed a national wheat acreage allotment of 55 million acres, the minimum permitted by law; set June 20 as the date for a grower referendum in which growers will approve or disapprove quotas and announced that the minimum national average support price for 1959 production will be determined before the June 20 referendum.

This is the sixth successive proclamation on marketing quotas, and is required because the present wheat supply is 57 percent above the marketing quota level. It is also the fifth consecutive year that the 55 million acre minimum allotment has been applicable.

Texas share of the national allotment for 1959 has been set at 4,099,094 acres. The 1958 allotment was 4,164,302 acres.

Good Attendance At Trickham Cemetery Meeting

BY MRS. A. I. ODER

Notwithstanding the continuing rains and mud, last weekend the attendance at the annual Trickham Cemetery Association meeting was real good last Sunday. The gathering, held in the Union Church, drew an attendance of quite a number from a distance, as well as those living near.

All the features were carried out about as planned.

Mr. and Mrs. Walter Stacy and Mrs. Bill Heibrier, sang a special with Mrs. Albert Cole at the piano. Familiar songs were sung and prayers offered.

The Rev. Howell Martin of Trickham preached the sermon, which was very appropriate. Subject was "Memories of the Past to Build for the Future". The people around Trickham, one of the oldest communities in this part of the state, have many worthwhile memories.

At the close of the morning service, the regular meeting of the Association was held. Bernice McIver, Vice President, and Master of Ceremonies, was in charge. Mrs. Minnie L. Wilson, Secretary and Treasurer, read the minutes of last year's meeting and gave a good financial report, and the burials of the year.

Because of the rains and weeds, more money has been spent lately on keeping the cemetery clean and some good equipment has been purchased.

Oscar Boenicke, president of the Board, Lise Lancaster and Albert Cole who had served for two years, were all unanimously elected for another term.

When the meeting was over, all adjourned to their nice and well equipped school house, now used for social purposes, where a great dinner was served. This included lots of baked chicken and dressing, and a variety of other good meats, salads and vegetables, pies and cakes, of most every kind and plenty of coffee and iced tea.

It was all splendidly arranged for self service.

More than 30 years ago I got acquainted with the culinary skill of the women around Trickham. Since my husband's death 21 year ago, I have not been to Trickham so much. He preached there for 13 years or more, one Sunday each month, and is buried there, and I expect to be.

I am indebted for my trip to Trickham to Mr. and Mrs. Elmer Haynes, whose daughter Mattie, came from Midland and took us to the meeting in her nice car.

SECRETARY'S REPORT

The Board of Directors met four times last year. At the first meeting Bernice McIver was re-elected Vice President, Mrs. Wilson was re-elected Secretary-Treasurer.

Maps have been brought up to date on new graves since the meeting last April.

Bernie Johnson, Oct. 27, 1957.
Mrs. R. S. Stearns, Dec. 13, 1957.

Elmer Mullis, Feb. 21, 1958.
Will Haynes, Feb. 23, 1958.

This makes 625 graves in the cemetery.

A new mower was purchased which cost \$120.47.

It has been hard to find any one to work the cemetery. Robert Stearns has worked since February. Besides having a lot more hoeing and mowing, due to our fine rains, we have had so many graves to sink and had to be filled in. All this was done free.

The Secretary sent out 322 financial statements and 332 notices of this meeting, one going to Billy Shield in Scotland and one to Rosemary Seeber Brown, Vancouver, British Columbia, Canada. Also notices were printed in four newspapers and on three radio stations.

Books were balanced December 15, 1957 to keep from having to work Christmas week, getting the statements out. January 1, 1958 I still had the same balance of \$639.54. Gifts of money in 1957 amounted to \$200.75. Our expenses were \$317.38, a loss of \$116.63. Since Jan. 1, 1958 we have received and deposited \$21.00 and paid out \$139.00 with a few bills yet to be paid. Our balance now is \$521.54.

Our duplicating machine is out of order and we have Mr. Perry and Mrs. Mallow at the Santa Anna High School to thank for running off all these cards for us.

We send notices to eight states: Texas, California, New Mexico, Arkansas, Georgia, Kansas, Arizona, Oklahoma.

There are five members of the Board of Directors: Oscar Boenicke, President; Bernice McIver, Vice President; Mrs. Minnie Wilson, Secretary - Treasurer; Lise Lancaster and Albert Cole.
