MAY PLENTIFUL FOODS LIST ON THE SHORT SIDE

College Station — The smallest plentiful foods list in a decade has been announced by the U. S. Department of Agriculture for May. Only two general food categories are in heavy enough supply to make the May list — dairy products and spring vegetables.

The announcement points out that there is a special reason for featuring milk and other dairy foods during May. Current production is running ahead of last year's record levels and output is expected to increase around one billion pounds. Too, prices are at seasonal lows and favorable to heavy consumption.

The unusual cold in Florida and other southern areas the past winter delayed many vegetables, and forced others to be replanted. Therefore, crops usually harvested in March and April will be reaching markets in May, along with those from areas normally producing for May markets.

METHODIST MEN'S NIGHT WELL ATTENDED

Men's night was observed in its once a month session, in the basement of the First Methodist Church Thursday night of last week. Women of the church were invited and they furnished salads and desserts. The men furnished the other parts of the evening meal.

Dr. Ben H. Moore, pastor of the Presbyterian Church, spoke on, "Unidentified Flying Objects." About 65 persons attended.

Regular first Monday social was planned with Mrs. A. L. King to be hostess at the Community Center, Monday, May 5.

Members present were Mrs. Bryan, Mrs. A. L. King, Mrs. Evan Wise and Mrs. Matt Estes.

FORMER ROCKWOOD MAN SUFFERS HEART ATTACK

Wilbert McCarrell, 54, of Eunice, New Mexico, was buried Saturday at 4 p. m. in Eunice. Mr. McCarrell was alone at the time of his death. His wife was at Electra with Mr. McCarrell's sister, whose husband was ill.

Death was supposedly due to a heart attack. He had been dead about 20 hours when friends investigated when he didn't go to work.

Mr. McCarrell is survived by his wife, a daughter and a son, who is in the Armed Services in Tokyo, Japan. Mr. McCarrell was reared in Rockwood. His sister, Mrs. John Kemp of Rockwood, attended the services.

Mr. and Mrs. W. R. Mulroy attended funeral services Saturday morning for Chester Cherry at the First Baptist Church in Ballinger. Mr. Cherry was formerly a longtime superintendent for construction of the West

Texas Utilities Co., and was well known in Santa Anna. He had retired and was in falling health for several years. The funeral was largely attended. His wife survives. After the services Mr. and Mrs. Mulroy went to Abilene and visited awhile with friends and relatives there.

Mrs. Grace Kemp went to Eunice, N. M., last Thursday night because of the death of a brother, Wilbert McCarrell, 54, on Wednesday night, of a heart attack. Funeral services were held in the First Baptist Church at Eunice at 2 p. m. Saturday. Mrs. Kemp arrived home Sunday morning.

Chat and Stitch Club Met With Mrs. J. J. Horner on Friday

All members of the Chat and Stitch Club and one guest, Mrs. Elton McDonald, were entertained Friday afternoon in the home of Mrs. J. J. Horner.

Arrangements of iris and blue bonnets were used throughout the home for the occasion.

Games of forty-two were enjoyed by the group and dainty refreshments of German Chocolate Cake, sandwiches, olives, potato chips, hot chocolate and coffee were served.

The next meeting will be on May 9th with Mrs. J. E. Howard as hostess in her home.

On May 7th all members plan to go to Weatherford, where they will go through the Chandor Gardens. They plan to take sack lunches.

Engagement of Miss Mills Announced

Mr. and Mrs. C. G. (Buck) Mills announce the engagement and approaching marriage of their daughter, Carlene, to Mr. Jerry Templin of Baytown, son of Jess Templin of Fort Worth and Ollie Templin of Stephenville.

The marriage vows are scheduled to be exchanged May 30 at 8:00 p. m. in the North Side Church of Christ. The minister, Jack Horton, will read the ceremony.

Miss Mills is a graduate of the Santa Anna High School and has been employed by the Southwestern States Telephone Co. in Brownwood for the past three years. Mr. Templin is a graduate of Brownwood High School and is employed by the Texas Natural Gas Co., in Baytown.

Friends and relatives of the couple are invited to attend the wedding.

Delta Omicron Chapter Observes Jeweled Pin Meeting

The home of Mrs. H. L. Markland was the setting for the Jewel Pin Ceremony held April 21, at 7:30 p. m. The ritual table was covered with a yellow cloth and set with yellow flowers with the ceremonial bowl in the center. The ESA banner decked the side of the cloth. President Wanda Campbell read the ceremony of the Jewels to the following: Marjorie Huff, Trudy Kollwitz, Betty Rucker, Betty Martin, Betty Henderson, Claudia Rutherford.

She was assisted by Vice President Besse Gill. Following this Mrs. Campbell held the installation of officers.

New officers installed were: President, Patricia Davis; Vice President, Charlotte Moseley; Secretary, Gayle Stewardson; Treasurer, Coyita Bowker; Educational Director, Ruby Markland.

The refreshment table was

centered with yellow iris. A white cloth was used with silver service. Various cheese dips with crackers and chips, salted pecans, blue-iced cake squares topped the ESA in yellow, coffee and soft drinks were served to the guests.

Those present were the hostess, Ruby Markland; co-hostess, Coyita Bowker; Maurice Mallow, Gayle Stewardson, Patricia Davis, Billie Guthrie, Charlotte Moseley, Theola Stewardson, Dilly Dockery, Wanda Campbell, Claudia Rutherford, Sammie McCreary, Betty Henderson, Lorene Rice, Betty Martin, Betty Rucker, Marjorie Huff, Trudy Kollwitz, Besse Gill, Alice Horne and Sylvia Herring.

ESA Founders Day To Be Observed Here Thursday Morning

Observance of Founder's Day of Epsilon Sigma Alpha, will be held in the Community Room of the Santa Anna National Bank from 10:00 to 11:00 a. m. Thursday, May 1st.

Coffee and cookies will be served to all members of the Delta Omicron Chapter.

The hostess for the occasion will be the following new members: Betty Henderson, Betty Rucker, Betty Martin, Claudia Rutherford, Trudy Kollwitz and Marjorie Huff.

Self Culture Club Met At Library For Regular Meeting

The Self Culture Club had a very interesting and well attended meeting Friday afternoon in the City Library.

The Club helped to sponsor the establishing of the library and continues to sponsor it. The library contains hundreds of books available to the reading public.

The meeting opened with Mrs. Cullen Perry, president, in the chair. An innovation was voted in that each member will be responsible for a program for the coming club year.

The trip to the Chandor Gardens at Weatherford was discussed and a date will be announced later.

Mental Health was the topic for discussion, and was splendidly done by those taking part.

Miss Bettie Blue asked Rev. Frank L. Turner to take her place on the program. He spoke on, "Aid of Religion in Mental Health." Others on the program were: Mrs. Nona Woodruff, who discussed, "Methods in Treating Mental Disorders"; and Mrs. Tom Kingsbery had, "Mental Health Begins in Childhood" for her subject.

Mental illnesses have been on the increase for several decades. In some places half the hospital beds are occupied by mental patients. These people are sick and we should not speak of them as being crazy. Some great minds are making a study of mental health and progress is being made.

Members present were glad to see a very splendid dining table with extra leaves, a gift from Mrs. Stafford Baxter of San Antonio, formerly a longtime resident of Santa Anna.

Present besides the above mentioned, were: Mrs. Frank L. Turner, Jr., Mrs. Norval Wylie, Mrs. Charles Ing, Mrs. Sam Collier, Mrs. Jodie Mathews, Mrs. W. B. Sparkman, Mrs. Howell Martin, Mrs. J. L. Harris, Mrs. A. L. Oder and Misses Bettie Blue, Alta Lovelady and Dora Kirkpatrick.

Mrs. Kingsbery will be hostess for the next meeting on May 9.

Liberty H. D. C. Changes Meeting Day To Wednesday

The Liberty Home Demonstration Club met in their community building Wednesday afternoon of last week, April 23rd.

The meetings have recently been changed from Tuesday afternoon to Wednesday. Meeting days are the second and fourth Wednesdays.

Mrs. J. F. Goen was hostess and served cookies and punch as refreshments, to the nine attending.

Masons Take Visitors To See Supported Homes In Arlington

Members of the local Masonic Lodge, some of their wives and several members of the Eastern Star left Santa Anna about 7:15 a. m. Sunday morning by chartered bus to visit homes supported by the organizations. Those making the trip were: Mr. and Mrs. Earl Hardy, Mr. and Mrs. J. M. House and Bobby, Mr. and Mrs. Ben Vinson, Mr. and Mrs. O. B. Owen, Mr. and Mrs. M. R. Simmons, Mr. and Mrs. H. W. Gray, Mr. and Mrs. Cliff Herridon, Mrs. Blanche Grantham, Mrs. Frances Everett, Mrs. Fred Rollins, Cleburn Riley of Coleman, Mr. and Mrs. L. R. Barnes, Mr. and Mrs. M. C. Herring, Mr. and Mrs. O. G. Hoover, Mr. and Mrs. Glen Jameson, Mrs. Gussie Wise, Mrs. Alderson, Jim Riply and Thomas Lyons.

The Orphan's Home was the first stop, and the group was met in front of the administration building by Mr. Williams, who made a short talk of welcome and assigned a little girl as guide for the women and a little boy for the men. They were taken to the dining room for a delicious lunch. They were served by a group of boys as the older girls were away on a trip. They then went to the auditorium where Mr. Williams made a nice talk and introduced some of the staff and children.

A little girl about six years old sang two songs. Then the group was divided into three smaller groups with a boy as guide for each group. They visited the print shop, kitchen, boys and girls dorms and the hospital. There was lots of big trees and green grass along the sidewalks. Next they went by bus to the Eastern Star Home, where they were having Homecoming. A great crowd was there. They visited around and were served punch and cookies.

The next stop was the Old Folks Home, where both men and women live. A guide showed them over the three stories. The most interesting thing was the big kitchen with the huge pots and pans, mixers and churn, the huge refrigerator with butter and other home-grown products.

In all the homes, the dining rooms were a beautiful sight and there were many rooms with comfortable chairs, divans, and televisions. The children and old folks were really enjoying the TV sets. It was surprising the number of beautifully furnished bedrooms, living rooms, dining rooms and dozens of other rooms. The children and old folks all seemed very happy and well cared for.

Mr. and Mrs. V. B. Parsons of Brownwood have a new baby boy that weighed 7 lbs., 12 oz. at birth. He has been named Ricky Myrl. The new baby has two brothers, Kenneth and Troy. Grandparents are Mr. and Mrs. F. A. Parsons of Santa Anna and Mr. and Mrs. Harris Goodglon of Brady. Mr. and Mrs. F. A. Parsons and Mr. and Mrs. Doyle Wright visited Sunday in the V. B. Parsons home.

David Neal, who has been working in Louisiana for some time, returned home Monday and plans to stay. His friends are glad to have him back.

Mr. and Mrs. Glen Copeland went to Brownwood Tuesday and brought his father, Joe Copeland, home from a hospital there, where he had been a patient since Sunday morning. He will be a bed patient at home for several days.

The building at the Pat Earnhart home that was formerly used for a laundry, has been torn down and the material is being used to build two nice rooms onto their home. When completed, the improvements will add much to their home.

HOW EGG PRICES ARE DETERMINED

The chicken egg, probably the most universal of all foods, is a part of everybody's diet in one form or another. Eggs are produced, bought and sold practically everywhere, and yet the business of pricing eggs is an unexact science in which many gauges are used, although not all of them accurate.

Ultimately, of course, egg prices like all free commodity prices, are determined by cost of production and handling and supply and demand. In day to day pricing it is impossible, however, to know just how much influence factors such as sentiment, rumors, connivance, personalities, weather conditions, human judgment, faith, hope and perhaps even forced charity, are involved in arriving at egg prices.

Who Should Determine Prices

The people most directly affected by egg prices are the same people who should establish these prices. They are the people who produce, buy, sell and consume eggs. In order that these individuals involved in egg marketing know how to make the intelligent price decisions which are required of them, they must have the most factual and up to date information possible.

Market information agencies such as the Texas Market News Service, a section of the Texas Department of Agriculture, whose job is to report conditions and prices on certain commodities, can do a great deal toward removing mysteries concerned with marketing.

Their job (or our job, as it is) is to report information, carefully received and evaluated as an aid for the buyer and seller in determining their own prices. The important thing to remember is that the Market News Service does not function to determine prices but to report the prices which have been paid, after such payment has been validated.

The Texas Egg Report

Very recently, egg price reporting was established in five separate areas of Texas production. — Lubbock-South Plains area, Dallas-Fort Worth area, East Texas area, Houston area, South-South Central Texas area and the Corpus Christi-Rio Grande Valley area. Prices and conditions from these areas are reported and published twice weekly, both through press and radio and through a mailed bulletin available free of charge on request.

The Texas report is as welcome and valuable to the Texas egg industry as it is new. Texas egg market prices should be determined by Texas egg market conditions, and it is our hope to accurately and thoroughly report these conditions.

Anyone desiring to receive Texas Egg Market News Service in printed form is welcomed to write John C. White, Commissioner, Texas Department of Agriculture, Austin, Texas.

Fred Shields was seriously injured late Monday afternoon when a tractor he was operating, turned over on him in the south part of town. Dee Yancy was the first to him and helped to get him out from under the tractor. He was taken to the hospital, where it seemed he would be several days. He had no broken bones, but received severe injuries.

Chap Eeds was moved to his home Thursday of last week, after a two weeks stay in the Santa Anna Hospital, where he had surgery. He is reported to be getting along real well. The Eeds' daughter, Mrs. T. K. Martin and Margie of Wingate, visited with them Monday. Another daughter, Mrs. Donovan Hoover of Santa Fe, N. M., was here while Mr. Eeds was in the hospital. His sister, Miss Alice Eeds of Brownwood, continues to visit with them.

Mark Davis and Patricia, Mrs. Fern Hoke, Mrs. J. W. McClellan and Donnie Simmons went to Merkel Sunday night, where they heard the McMurry Band present their religious program in the Methodist Church. Melvin Pollock sang "The Holy City", Sharon Hoke sang soprano in the quartette. Don Davis played a trombone solo and Carol McClellan played the bassoon and participated in the band chorus.

Miss Ann Maddox and her mother of Coleman, visited a while Sunday afternoon with Mrs. Ann Kulp. The visitors took Mrs. Kulp and Mrs. G. B. Barlett for a drive over town.

About Your HEALTH

A weekly public service feature from the Texas State Department of Health. HENRY A. HOLLE, M. D., Commissioner of Health

With the coming of the atomic age and all of its benefits to mankind, also comes new problems and hazards.

All of us recognize the hazard faced from enemy action in dispersing radio-active contaminants over wide areas, and with continuing information released by various authorities, everyone is coming to realize the many other dangers of excessive radiation.

Through continuous educa-

tional activities the State Department of Health is in the forefront in safeguarding Texas citizens against the dangers of careless and unnecessary use of isotopes, x-rays and other radio-active substances.

The cooperation on the part of industrial and medical users in the employment of proper procedures and safety devices has been commendable.

The Department does not attempt to regulate the use of x-rays used in the healing arts. But improvements in radiological techniques in the use of x-ray equipment, installation of cones, filters, shields, more sensitive films, accurate focusing, and shorter exposure time has decreased the amount of radiation to both the examiner and the examinee. Also the indiscriminate use of shoe-fitting fluoroscope has been controlled.

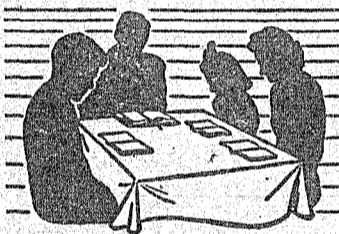

Too, there is a diminishing need for use of x-rays in area-wide mass surveys, formerly justified when tuberculosis was more widely prevalent. Today such surveys are directed only to exposed groups or to those who have been previously screened through the use of tuberculin tests.

However, this watchful attitude does not mean that all radiation should be avoided. The State Department of Health continues to publicize the fact that anyone who hesitates to accept diagnostic or therapeutic x-rays properly recommended by a qualified physician is needlessly jeopardizing his health without justification.

Diagnostic x-rays, the use of radioactive iodine in thyroid studies, fluoroscopy for gastric disorders, radioactive sodium for heart studies, and the use of radioactive phosphorus in the treatment of blood cancer, are valuable aids which have reduced suffering and contributed to the study and treatment of disease.

Health and medical authorities are ever alert to the benefits and dangers of radiation. Knowing this should put Texans at ease and prevent radiation hysteria.

Today's MEDITATION from The World's Most Widely Used Devotional Guide

The Upper Room - THE UPPER ROOM, NASHVILLE, TENNESSEE

Read Luke 17:5-10. Serve the Lord with gladness: come before his presence with singing. (Psalm 100:2.)

Time, talent, and treasure are the heavenly gifts to human beings. No day should pass without our thanking God for those signs of His mercy and love. It is right to dedicate these gifts to the Lord. How many hours of the day do we spend for Christ and in His service?

When we surrender to Him our talents, we get His blessing. If we give Him our treasure with glad hearts, He gives us great joy. Blessed are those who say daily, "Everything for Jesus."

Esther, a girl of six, heard in Sunday School that true Christians sacrifice all they have to the Lord. On the floor she put a big plate. On it she put her best-loved treasures: her doll, her picture book, her money box. At last she stood on it herself and said, "Here you have me, dear Lord, with all I possess."

PRAYER

Dear Lord, we dedicate to Thee all our time, our talents, our treasure. We know Thou hast given us these gifts and Thou dost rightly expect a real sacrifice from us. Christ has done all for us on the cross; so we want to do all for Him. In His name. Amen.

THOUGHT FOR THE DAY
 Blessed are we if we say daily, "Everything for Jesus" and act accordingly.

UNWILLING TO WORK

Recession? Jobs Going Wanting In Valley Area

Austin — Unemployment or no unemployment, most people this side of the Rio Grande aren't willing to bend their backs to pull onions at 50 cents an hour.

So say Texas farmers. Their crops are going to rot in the fields, they add, if the U. S. Labor Department doesn't relax restrictions on importing Mexican nationals.

Spokesmen for organized labor have demanded a ban on importing labor because of climbing unemployment. But farmers say that idle aircraft mechanics, no matter how numerous, are no help in getting the crops in. According to the farmers, abundant rainfall gives promise of the best harvest in years—if they can get field hands.

Labor Dept. has put a limit of 26,500 braceros to be used in Texas during April and May. It's about one-fifth the number used this time last year. Rio Grande Valley growers say they could use the whole bunch in their area.

Texas Employment Commission says there are already about 26,500 here; hence, no more imports.

Under Labor Dept. regulations, workers cannot be imported until the TEC certifies the jobs cannot be filled with American citizens. Valley growers recently asked for braceros to harvest vegetables. TEC certified to a shortage of workers in the area and, even after a state-

wide canvass, was unable to fill the demand.

But the federal suggested recruiting in other states before bringing in Mexicans.

Farm groups protested to every regulatory official in reach.

Texas crop and weather conditions are such, they say, that when they need laborers, they need them then and there. Neither, they point out, do they have time or money to run all over the country looking for workers.

Though federal officials catch the brunt of their criticism, farmers put part of the blame for their labor problems in the increasingly fastidious nature of Mrs. Housewife. She won't have dirty old carrot tops any more, say the farmers. She wants clean, topped carrots — packaged in plastic. It means more work.

Mrs. D. A. Seale got moved to her home in the south part of town Monday, from the Santa Anna Hospital, where she had surgery last Friday. A3c Wilbur Seale, of Wilmer, Minn., AFB, came early last week to be with the home folks and is on leave until May 10th.

Ben Herring, who has not been well for a long time, is reported to be improving at his home on the Trickham Road. The Herring's daughter, Mr. and Mrs. Danny Bryan and two sons, Mike and Ronnie, of Abilene, visited with them at the week end. Casey Herring and family of the Cross Roads Community visited with them on Sunday.

School Night Dates Pose Tricky Problem

How big is the problem between teenagers and parents about dating on school nights?

It is not as big, I am inclined to believe, as I thought before talking to a number of high school teenagers.

Most of the teenagers thought they should be allowed a few school-night dates if it did not in-

terfere with their studies and reasonable hours are kept. The parents were in agreement.

Most of the teenagers said their school-night dates were for school activities, such as basketball games and club meetings, and very few for movies or other types of dates.

Several teenagers reported they

didn't actually approve of school-night dates because it interfered with studying and getting enough sleep. Besides, they reported, it's much more fun to go out during the weekend when they don't have to think about the next day's school problems.

All of the parents report they stress the point of no week-night dating unless the studying is done. Of course a parent can't always keep a close check on this. The number of dates on week-nights is also limited by most parents.

Parents report it is much easier to refuse teenagers in the first two grades of high school the privilege of dating school nights than it is older boys and girls who are Juniors and Seniors.

It's good to know most parents and teenagers can work out a satisfactory solution to this problem.

If you have a teenage problem you want discussed, or an observation to make, address your letter to FOR AND ABOUT TEENAGERS, NATIONAL WEEKLY NEWSPAPER SERVICE, FRANKFURT, KY.

(SEAL)

ORDER FOR ADDITIONAL AD VALOREM TAX ELECTION
HOUSE BILL 107, 51ST LEGISLATURE, REGULAR SESSION, 1949.

THE STATE OF TEXAS
COUNTY OF COLEMAN
On this the 14th day of April, 1958, the Commissioners' Court of Coleman County, Texas, convened in regular session at the regular meeting place thereof, at the Courthouse in Coleman, Texas, with the following members of the Court present, to-wit: L. Emet Walker, County Judge; Kay Anderson, Commissioner Precinct No. 1; W. C. Holt, Commissioner Precinct No. 2; W. W. Skelton, Commissioner Precinct No. 3; Ralph Brown, Commissioner Precinct No. 4; Lee F. Craig, County Clerk; and the following absent: none, constituting a quorum, and among other proceedings passed the following order:

WHEREAS, this Court has investigated the submission to the resident property taxpaying qualified voters the question of submitting to said voters the proposition of voting additional ad valorem tax as provided by House Bill No. 107, Acts of the 51st Legislature, Regular Session, 1949, and this Court after said investigation is of the opinion that it would be beneficial to this county to call said election.

THEREFORE, BE IT ORDERED BY THE COMMISSIONERS' COURT OF COLEMAN COUNTY, TEXAS:

That an election be held in said County on the 17th day of May, 1958, which date is sufficient to allow the posting and publishing of notices of said election as herein provided at which election the following proposition shall be submitted to the resident property taxpaying qualified voters of said county for their action there-

upon:

PROPOSITION
To determine whether or not said county shall be authorized to levy, assess, and collect ad valorem taxes upon all property within said county, except the first \$3,000.00 valuation of residential homesteads, not to exceed 30 cents on each \$100.00 valuation in addition to all other ad valorem taxes authorized by the Constitution of the State of Texas, provided the revenue therefrom shall be used for the construction and maintenance of Farm-To-Market and lateral roads, or for flood control, either or both, as the Commissioners' Court of said County may determine as provided in House Bill No. 107, Acts, 51st Legislature, Regular Session, 1949.

That said election shall be held at the following places in said county and the following named persons are hereby appointed Presiding Judges for said election:

"EASY DOES IT"
BY HELEN HALE

ALWAYS attack household odors at the source. For example, avoid stale cigarette odor by emptying ashtrays often as well as the wastebaskets into which you empty them. Keep garbage cans clean by washing with soap and water. Spray with a deodorant.

Mildew odors in the basement can be reduced by the use of a dehumidifier. Always hang damp

THIS WEEK'S RECIPE
Molded Gingerale Salad
(Serves 4-6)

1 1/2 cup gingerale
1 package lemon-flavored gelatin
1/2 cup cubed canned pineapple
1/2 cup pitted light cherries
1/4 cup broken nuts
1/4 cup maraschino cherries, halved

Heat 1 cup gingerale and pour over gelatin. Stir until dissolved. Add remaining gingerale (cool). Chill until thickened, then fold in remaining fruit and nuts. Pour into molds and chill until set. Unmold in lettuce cups and mayonnaise thinned with pineapple juice and whipped cream.

clothes outside, as well as mops and cleaning cloths.

Wet bath toys can be hung in a hammock placed in hanging position between the faucets of the bath tub.

For children's shoes you can't have anything better than plastic vegetable bags, edged in a bright-colored tape. Label the bags with nail polish, using child's initials or name and hang on child's closet door.

Sponge a combination of chlorine bleach and water onto bread boards and let stand 15 minutes, then rinse in clear water. This will lighten the board as well as remove stains.

Buffing attachment which fits on an electric mixer does a quick job of buffing silverware to a high shine.

Rev. and Mrs. Frank L. Turner of Fort Worth, came Sunday for a visit through the week with their son, Rev. and Mrs. Frank L. Turner, Jr. and the boys Ralph and Gary. They came to help the boys celebrate their birthdays this week. The elder Turner preached for his son Sunday night.
