THE
AMERICAN
WAY

DON'T STOP NOW,
MR. PRESIDENT!

By Harry Browne

The nation cheered when President Kennedy initiated the blockade on offensive weapons headed for Cuba. For most Americans, the feeling was one of "at last!" For it had indeed been a long time coming.

Now that the administration has pointed its biggest guns toward communism, there may be a tendency on our part to relax, to assume that the situation is now well in hand. Nothing could be further from the truth.

As a matter of fact, the President's commendable action was just the beginning. We must recognize — and deal frankly with — the limits within which our government has acted. We must look ahead to the further action necessary to bring an end to the Communist beachhead in Cuba.

Now Defensive

For our first step was clearly and completely defensive. It was designed for one purpose alone — to prevent a "further" build-up of "offensive" Cuban military capacity. There is nothing inherent in this first step to bring about the downfall of the Castro regime — nor even to eliminate the offensive capacity that had already been installed.

So — although we are certainly headed in the right direction — we must make sure we don't stop here. For if we go no farther, we will be telling the world — and especially the Cuban people — that we are not trying to "eliminate" the Communists from Cuba; but instead only attempting to "defend" ourselves against a possible attack.

To The Offensive

We must now move forward toward freedom for Cuba. It is a responsibility we can not shirk under any circumstances, even if we "are" only interested in defending ourselves. For as long as the Communists sit in that strategic spot, we will be involved in one defensive measure after another. Communists never stop their aggressive tactics.

We hope therefore that the President will very quickly make it clear there is more to come. We hope he will point out that Cuba could not — even under ordinary circumstances — survive for 30 days once we isolate it completely from the outside world. And that under a Communist dictatorship it is even more dependent upon others to keep alive.

We hope he will then give the Cuban people unmistakable encouragement by "quarantining" the island completely. We hope he will go on to voice encouragement to the Cuban people to overthrow the Communist invaders. He should, of course, assure them we will be to it that no Soviet troops invade their country — as happened in Hungary.

Public Demand

The unanimity of support the President received for his step forward is proof not only that the American people "want" this policy — but also that they helped bring about that first step. Make no mistake: it was the steady, unceasing demand by the American people — in an section year atmosphere — that brought us this far. We should reward those candidates who have heretofore stood for this strong policy by electing them to office. And it is certainly the responsibility of all of us to continue to encourage the President onward to the important steps ahead.

Mr. President, you're doing fine. But please don't stop now! (Editor's Note: Harry Browne is the Editor of "American Progress" Magazine, and Managing Editor of American Way Features, Inc.)

Beta Club To Sponsor Gospelaires Here November 15

The Beta Club of the Santa Anna High School will sponsor the Gospelaires Quartet in Santa Anna Thursday, November 15. The program will begin at 7:30 p. m. in the high school auditorium. Prices of admission will be 45 cents for students and 75 cents for adults. The club's part of the proceeds will be used on their projects. Advance tickets are now on sale by members of the club.

Typewriter paper at the Santa Anna News.

Type II Oral Polio Vaccine On Sunday

Type II Sabin Oral Polio Vaccine will be administered throughout Coleman County on Sunday, November 11. The same procedure will be followed as when Type I was administered a few weeks ago.

Type II is recommended for all ages, children and adults alike. Those who did not take the first vaccine are urged to take the Type II vaccine and then make arrangements to take Type I later. This may be done through your doctor.

The vaccine will be given at the Armory building in Santa Anna between the hours of 1:00 and 6:00 p. m. Local doctors and nurses will be on hand to oversee and help with the vaccine.

The cost of the vaccine will be about the same as the first series, 25 cents per vaccine. Everyone is urged to contribute 25 cents if possible and if you are unable to make the contribution, you are still urged to take the vaccine. More than enough money was contributed the first time to pay for all the vaccine used. So, do not fail to take the vaccine for fear it will not be paid for.

Community Chest Drive Short

The annual Precinct No. 2 Community Chest Drive is, several hundred dollars short of the \$3,000 goal at the present time. Some rural communities have not reported and a number of Santa Anna folks have not contributed.

The Santa Anna goal of \$2,000 is short \$422.85 at this writing. There is a few business places yet to make their contributions and a number of local citizens who have not contributed.

Those who have not contributed are urged to contact Elgean Harris or W. Ford Barnes, or leave your contributions at the Santa Anna National Bank.

The overall picture of the rural area is also short \$368.25. When, Leedy, Liberty and Plainview have not made their reports yet. Other areas reported the following amounts: Mayo, \$85.00; Cleveland, \$35.50; Buffalo, \$74.00; Rockwood, \$218.00; Trickham, \$120.25; Shield, \$11.50; and Red Bank, \$17.50. The goal for the rural area is \$1,000.

Services For Mrs. Mattie Dillinger Held Friday, Nov. 2

Funeral services for Mrs. Mattie Stephenson Dillinger, 78, a former resident of Santa Anna, were held at the Robert Massie Funeral Chapel in San Angelo at 9:00 a. m. Friday, November 2. Rev. Charles Hannan, associate pastor of the San Angelo First Christian Church, officiated. Burial was at 5:00 p. m. in the Terrell City Cemetery, with the Rev. Taylor Henley, director of religious activities and public relations for Baptist Memorials Hospital, officiating.

Mrs. Dillinger died at 6:20 a. m. Thursday in the Baptist Memorials Hospital in San Angelo. She was born June 19, 1884 in Kaufman County and lived in Dallas until 1927. She came to Santa Anna in 1927 and made her home here until about 14 years ago when she moved to San Angelo. She was a member of the First Christian Church.

Survivors include a daughter, Mrs. Mary D. Behrend of San Angelo and one grandson, Mark Behrend of the home. She was an aunt of Mrs. O. L. Cheaney of Santa Anna and Mrs. Jodie Baker of Breckenridge. The Cheaneys and Bakers attended the services.

Mr. and Mrs. Clyde Broom of Brownwood visited in the home of Mrs. J. J. Gregg Sunday afternoon.

Mr. and Mrs. J. A. Bauser of Fort Worth visited recently with his grandparents, the A. A. Bertrands.

Mr. and Mrs. Dale Bertrand and children of Houston, visited last week with Mr. and Mrs. A. A. Bertrand.

Mrs. Joe Richter and daughter, Pamela, of Burnet, visited the A. A. Bertrands last weekend.

Hints Offered On Care of Game After The Kill

College Station — What kind of reception do you receive, "Mr. Hunter," when you take home your bag of game? Does your wife throw up her hands in disgust?

If she does, says Ed Cooper, extension wildlife specialist, the fault may rest with the hunter. The mishandling of game after the kill often makes impossible a tasty preparation job in the kitchen, and the putting of meat on the family table as you would like it.

Immediate and proper bleeding of game animals is most important in improving meat flavor, points out Cooper. The same is true, he adds, for ducks and geese and most other game species. This will do much, Cooper says, to remove the strong gamey flavor which some people dislike.

The specialist recommends field dressing immediately after the kill especially if the weather is relatively warm. The sooner the animal is dressed the better for immediate dressing means fewer chances for meat spoilage or undesirable flavor or odor.

Keep the game clean, advises Cooper. Avoid letting hair, feathers, dirt or other trash or debris come into contact with the meat. Before the blood dries, wipe the body cavity clean with either a dry or slightly moistened cloth rather than by washing with water, explains the specialist.

If the weather is warm, game should be put into cold storage as soon as possible. If it is held just above freezing for several days, the meat will become more tender and have less of the "gamey" flavor. A deer, adds Cooper, should be aged in cold storage much the same as the carcass of a beef animal. Omit the aging process, he says, and your wife will have good reason for hoping you don't bag a deer this year.

Cooper suggests that hunters contact their local county extension office for a copy of B-987, "Game Care and Cooking." Copies are also available from the Agricultural Information Office, College Station, Texas. It's chuckful of helpful hints for hunters and wild game cooks.

Express Thanks By Obeying All Traffic Regulations

Every school child knows that "30 days hath November," but here's a bit of factual information especially addressed to motorists by J. O. Musick, General Manager of the Texas Safety Association.

Traffic deaths on America's streets and highways in the month of November, 1961, totaled 3,530, according to the National Safety Council, Chicago. This is an average of a little over 117 fatalities per day in the United States.

"November is a good month, with golden sunsets, exciting weekend gridiron games, pleasant evenings by the fireplace, and family reunions for Thanksgiving Day," the safety director observed.

"But these happy events are overshadowed by the somber specter of death for those relatives and friends who must mourn the loss of a loved one killed in an accident," he added.

"I urge every motorist in Texas to express his thanks for the driving privilege by obeying traffic laws; because when laws are obeyed traffic deaths go down."

2ND SUNDAY SINGING

The regular Second Sunday Singing will be held at the Assembly of God Church Sunday, Nov. 11, from 2:00 to 4:00 p. m. Everyone is invited to attend.

A number of out-of-town singers are expected this week.

PLEGGED TO SORORITY

Miss Sue Garrett, daughter of Mr. and Mrs. R. L. Garrett of Santa Anna, a freshman student at Southwestern University in Georgetown, has pledged the Gamma Zeta Chapter of the Delta Zeta Sorority.

Attend church regularly.

John B. Connally Elected Governor In General Election

Democrat John B. Connally of Fort Worth, was elected Governor of Texas at the General Election held Tuesday of this week. His Republican opponent failed to upset the Democratic Party in Texas by a substantial number of votes.

Connally also carried Coleman County, which was some sort of an upset, as the general feeling was that Cox would carry the county. Cox did carry the Santa Anna box by 28 votes.

It will be several days before the complete count is made, but Connally has a sufficient number to know he has won the race.

Connally polled 1495 votes in the county and Cox polled 1226. In Santa Anna Cox polled 228 and Connally an even 200 votes. Republican Des Barry was the only Republican to carry Coleman County. He led Joe Pool of Dallas about 250 votes for the Congressman-at-Large seat.

Of the 14 proposed amendments, only two carried in the county, No. 2 and No. 7.

A total of 472 votes were cast in Santa Anna. Of all the opposed races, Preston Smith received the most votes for Lieutenant Governor, 262, with his opponent receiving 197 votes. Only one of the proposed amendments carried in Santa Anna and that was No. 2, with 190 votes for and 126 against. Santa Anna cast 145 votes for and 155 against No. 7.

Jr. Mountaineers Complete Season Tuesday Night

The Junior Mountaineers completed their 1962 football season Tuesday night at Mason, and tied the young Cowpunchers 0-0 in a very exciting game. The game was played on a very muddy field. The Mason caretaker had not been informed there was to be a game there Tuesday night and he watered the field most of the day.

The Juniors ended the season with a 3-4-1 record. They are coached by Don W. Davis, who is also an assistant high school coach.

Coach Davis said the game previously scheduled with Jim Ned had been cancelled at their request. The local boys will begin their basketball workouts as soon as possible.

The first Junior basketball game is scheduled to be played at May Thursday evening, Nov. 15.

Mrs. E. K. Thompson Buried in Coleman Wednesday, Nov. 7th

Funeral services for Mrs. E. K. Thompson, a former resident of Santa Anna, were held at 3:00 p. m. Wednesday at the First Methodist Church in Coleman. Mrs. Thompson died in the Coleman Hospital Monday evening. Burial was in the Coleman Cemetery.

Mrs. Thompson was born near Athens, Texas, January 19, 1878 and had lived in Coleman County most of her life. She moved with her parents to the Trickham area as a small child. She was a member of the first graduating class of the Santa Anna High School in 1898 and taught in the Santa Anna schools in the early 1900's. She served as county treasurer and county tax collector. She was a member of the Methodist Church.

Survivors include two daughters, Mrs. Roy Golston of Tyler and Mrs. Ralston Haun of Coleman; one brother, James Gardner of Fort Worth; one sister, Alma Gardner of Los Angeles, Calif.; four grandchildren and nine great-grandchildren.

DAUGHTER BORN TO TOMMY LANES

A daughter was born to Mr. and Mrs. Tommy Lane Saturday, Nov. 3, at 8:00 p. m. in a Temple Hospital. The Lanes live near Temple, at Little River. Weight was 8 pounds, 15 ounces. She has been named Anna Lynn.

Grandparents are Mr. and Mrs. Jim Lovelady of Santa Anna and Mrs. Frank Gary of Buckholt.

GO TO CHURCH SUNDAY.

Tinker Dockery Suffers Brain Concussion Friday

Tinker Dockery, outstanding fullback for the Santa Anna Mountaineers, suffered a brain concussion in the Santa Anna-Burnet game last Friday night. He will be out for the remainder of the season. At this time it does not appear that he will suffer any longlasting ill effects, but his condition has not been definitely determined.

The injury occurred in the first half of the game, but it is not known just when it happened, possibly in the first quarter. He continued to play until the half-time and the doctor said it would be alright for him to continue to play in the last half. However, after a few plays in the last half he was taken out of the game.

Dockery has been outstanding as a fullback for the Mountaineers on offense. His defensive play has been as good or better than anyone else on the team. He will be sorely missed in the next two games, with

Bangs this Friday night and Early the following week.

Coach Smith said Brown would be moved from righthalf to fullback this week. Gary Sudderth will be started at Brown's position and Freddie Colbaugh will start at left half.

Still suffering from other injuries, the Mountaineers are going to be up against it again this week. Blanton is still out and Bill Horne will be operating from the left end position. Horne has an ankle injury and will not be at his best. Frank Valdez, who has been out for several weeks, will start at the right guard position.

The Mountaineers will entertain the Bangs Dragons on the local field at 8:00 p. m. Friday night. The Dragons have a good passing attack and are expected to make good use of it this week.

This will be the last home game for the Mountaineers this season.

Rev. Raymond Jones In Mission Program

The Rev. Raymond Jones, pastor of the First Church, will leave Saturday for Amarillo, where he will attend a School of Missions through Thursday of next week.

Rev. Jones will speak six times in six different churches in the Amarillo area, discussing the state mission program of the Southern Baptist Convention. Rev. Jones said home, state and foreign missions would be taught in the school.

Lions Club To Continue Light Bulb Sale

The Santa Anna Lions Club decided at their regular weekly meeting to continue the light bulb sale for the next several days. Every member of the club said they would make an effort to sell at least two more bags of bulbs. At present the club has sold \$1,300 worth and hopes to increase that amount to more than \$1,400 before next week.

There is some talk that it might be possible to get the Tail Twister out of town for a time if the \$1,400 goal is reached, possibly on a one-way trip to Europe or somewhere.

The same teams are still competing against each other, with Allyn Gill heading one team and Elgean Harris heading the other. At present Harris' team is leading, but it could change if the Gill team get out and puts forth the effort to bring forth the change.

It was also decided at the Tuesday meeting that the losing club would eat hamburgers at one of the meals, with the winning team enjoying the regular meal.

There are a number of families who have not purchased light bulbs as yet, especially in the rural areas. It is hoped that all households will purchase at least one bag of bulbs within the next few days. The bags contain five 100-watt bulbs and three 75-watt bulbs, but these can be changed to meet the satisfaction of the customer.

Happy Birthday

"Happy Birthday" to all who have birthdays during the next week. Below are listed the birthdays we have this week.

Winners of Fire Prevention Posters Named

The winners of the annual fire prevention poster contest, sponsored by the Santa Anna Volunteer Fire Department, was announced early this week. A contest was held in each class of the Elementary School and a \$1.00 prize was awarded to each of the three top posters. No first, second and third places were designated.

The winners are as follows:

Mrs. Perry's First Grade, Mike Tindol, Carla Bowen and Debbie Harris; Mrs. Dean's First and Second Grade, Donna Rasberry, Dannie Wheatley and Barbara Dias; Mrs. Harris' Second Grade, Stacy Dockery, David Horner and Kathy Estes; Mrs. Crews' Third Grade, Neil Fitzpatrick, Bobby Tindol and Kith Gary; Miss Odum's Fourth Grade, Jim See, Gail Robinett and Nancy Baugh; Mrs. J. A. Harris' Fifth Grade, Sheila Loyd, Glenda Gilbreath and Pascal Hosh; Mrs. Martin's Sixth Grade, Emily Wells, Karen Goodjohn and Clea Pollock; Mrs. Davenport's Seventh Grade, Mike Makuta, Ted Ford and Davis Beal; Mrs. Dodson's and Mr. Davis' Eighth Grades, Pat Boyet, Marty Donhan and Bill Martin.

Junior Class To Sponsor Chili Supper Friday Nite

The Junior Class of the Santa Anna High School will sponsor a chili supper in the Grade School Cafeteria Friday evening, just before the Bangs-Santa Anna football game. They will serve all the chili you want, along with beans, onions, crackers, catsup and tea or coffee for 75 cents a person. Pie will also be available at 15 cents per slice extra. Serving will begin at 5:30 p. m.

The Junior Class has heavy expenses during the year and must sponsor a number of activities in order to pay all their expenses. All the proceeds will go to the class treasury. The class urges you to come and eat your evening meal with them, then attend the ball game.

Mrs. Turney Smith Gets \$25.00 In Certificates

Mrs. Turney Smith was present at the drawing Saturday afternoon when her name was called for the second \$25.00 in merchandise certificates, given by the Santa Anna merchants participating in the annual Fall and Christmas program. The certificates are spendable just like real money at any of the stores listed on the back of the coupons.

Another name will be called this Saturday at 3:00 p. m. for the third \$25.00 in certificates. The program is held at the Lions Club room on main street.

GO TO CHURCH SUNDAY.

S.A.H.S. VIEWS THE WORLD

By Sherman Stearns
This is the way the students of SAHS view the world. This is the way tomorrow's leaders see the world's troubles.

CUBA The students are almost unanimous in their support of President Kennedy's actions in regard to Mr. Castro's Cuba. They believe that the blockade was the only action left to the President, unless it was to invade Cuba, if he was to continue to rule a powerful United States. If the missile bases had been allowed to be completed the balance of power would have shifted to the Russians. To maintain the status quo, which to most students is an ugly word, these bases had to be destroyed or moved out of Cuba. Some students believed that the United States should have invaded Cuba and thrown out Castro and communism. Among the student body there

was some fear that the President's actions might start a nuclear war, but nearly all the students agreed that the President was right in his actions. SAHS was glad to see the United States take the initiative, for once, in world affairs. SAHS supports the President in Cuba!
INDIA SAHS views with irony the war between Red China and India. It seems strange indeed that India should be invaded by its good friends to the north, Red China. India, the country that fought for Red China's admission to the United Nations, fighting for its very life against these same Red Chinese.

The students believe that the government is right in supplying guns and other weapons of war to the Indians. The United States can only hope that the Communists do not invade the interior of India and that our aid does not arrive too late, as it did in China's civil war. Has

this invasion changed India's view of communism? It should have!

BERLIN The students believe that Berlin will become a trouble spot in the near future. SAHS students hope that the United States and her allies stand firm and that they will not allow themselves to be pushed or tricked out of West Berlin. SAHS students hope that, somehow, the United States will also take the initiative in Berlin.

These are our views. Are they greatly different from yours?

STUDENTS GO TO COLEMAN

On Monday, Nov. 5, the high school student body and faculty went by bus to the Coleman High School to hear Dr. Jauncey, a native Australian who has been in this country only a short time, speak on the subject, "Field of American Heritage." It was very inspirational and informative.

On Monday night the Coleman County Teachers went to Brownwood to hear Dr. Jauncey speak.

THANKS TO MERCHANTS

Thanks go to all the merchants for helping our Halloween Carnival to be a success. Without your cooperation and participation our carnival would not have been possible. We would also like to express our appreciation to the mothers for their donations and work.

NEW ENCYCLOPEDIAS

The library is the proud possessor of the brand new 1963 editions of the Compton's and World Book Encyclopedias. Each student has access to them. These books add much to the attractiveness of our library. Mr. Bowen is sponsor of the library.

FRESHMEN TAKE APPTITUDE TESTS

The freshmen are looking forward to the completion of their aptitude tests on Wednesday, Nov. 7. We hope they are having interesting discussions about these tests. Mr. P. V. Pearce is the school cooperative counselor.

Mr. Pearce appeared to be holding up bravely Monday, after receiving the birth announcement of his fourth grandchild.

STUDENT COUNCIL

The Student Council sponsored an assembly program, "The Psychology of a Clown," Friday, Nov. 2. The program was very entertaining, as well as educational. We enjoyed the program very much.

ENGLISH STUDENTS GO TO BROWNWOOD

Thursday night, Nov. 1, the English II, III and IV classes went to Howard Payne to see the "Taming of the Shrew." Mrs. Chandler, English teacher, went with us.

"The Taming of the Shrew" was a Shakespearean play about a woman who was known as Katherine the shrew. It told how her husband courted her and then how he made her into an obedient wife. The play was enjoyed by everyone who went.

CHEERLEADERS SELL RIBBONS

Each week the Cheerleaders sell ribbons to the student body to advertise the coming football game. These ribbons cost only a dime. It encourages the football boys to see us wearing our ribbons. This week the ribbons say, "Beat the Bangs Dragons."

NEW EQUIPMENT

Mr. Tindol reports the arrival of some much-needed equipment for the science lab. The students have been busy unpacking lately. The lab is now equipped for sixty chemistry students.

Also under the NDEA Program we have received material for Grade School and High School Math Classes.

PEP RALLY

Each Friday before a football game the students gather in the gym for a pep rally. This is under the direction of Donna Walker, head cheerleader. Other cheerleaders are Sandra Davis, Sharon Glibreath, Linda Horner and Karen McCluskey. Vickie Smith is the mascot.

The students join together in several yells and the band, under the direction of Ruth Ann Walker, drum major, plays. Different ones are asked to speak to the group concerning the game. Last week Mrs. Billie Guthrie, representing the business people of Santa Anna, spoke to the students. We believe the pep rallies have a lot to do with the spirit we have on game night.

CHILDREN'S NAMES OMITTED LAST WEEK

Last week the children's names were omitted from the Halloween Carnival procession. Carrying the Queen's train were Miss Donna James and Miss Dianne Manning. Carrying the scepter and crown were Miss Tammy Ellis and Miss Sandra Harris. Royal Footmen for the Queen were Master Scott Bowker and Master Larry Benton.

FIRE PREVENTION WEEK

The students have been thinking about fire prevention recently. The juniors and freshmen have written fire prevention themes. Each year the firemen of Santa Anna award three prizes to each group on the basis of content.

We have had some fire drills to train us to get out of the building quickly in case of a fire.

TEACHERS TO FORT WORTH

On Saturday, Nov. 10, several of the Santa Anna teachers will be in Fort Worth to attend the Texas Classroom Teachers Meeting.

GO TO CHURCH SUNDAY.

SENIORS SEE GRADUATION ANNOUNCEMENTS

Mr. Armour from Balfour Co. met with the seniors and their sponsors, Mr. Tindol and Mr. Pettit, to show several kinds of graduation announcements. This made the seniors think that graduation time is only months away.

ASSEMBLY PROGRAM

Tommy Stewardson, student council president, opened the Monday morning assembly with the Pledge to the Flag and the singing of "America". Announcements were made by students and teachers. Rev. Raymond Jones, pastor of the First Baptist Church, spoke to the students. We always look forward to our speakers and appreciate our pastors for coming. We noticed Bro. Rucker in the audience.

CHILI SUPPER

There will be a Chili supper Friday night, November 9, 1962 from 5:30 to 7:30 at the Grade School Cafeteria, sponsored by the Junior Class. They will serve all the chili you want, beans, onions, crackers, ketchup and iced tea or coffee for 75 cents. Pie will be served extra at 15 cents per slice.

Eat out before the game. Don't leave your house in a rush with dirty dishes left behind.

GOSPELAIRES TO COME HERE

The Beta Club is sponsoring the Gospelaires. They will be at the High School auditorium at 7:30, Thursday, November 15. Admission will be 45 cents for students and 75 cents for adults. The proceeds will go to the Beta Club for future projects. We invite each and everyone to this program. We know you will enjoy it.

joy it very much. Advance tickets are now on sale.

FFA BOYS SELL PEANUTS AT GAME

Each Friday night the FFA boys sell peanuts to the football fans. This is one of the money-making projects the boys have. Buy a sack of peanuts at the Bangs game.

FOOTBALL GAME

Friday night, all the Mountaineers and most of the townspeople of Santa Anna really felt depressed.

The Mountaineers fought their best to win the game against the Bulldogs, but the Bulldogs outnumbered us.

Bill Horne was not at his best because of the ankle that was hurt in the Copperas Cove game; Terry Blanton did not get to play because of his knee, which was hurt also in the Copperas Cove game.

At the half, the score being 14-0, the team really wanted to come back to win the game so they could win district, but they could not go.

Tinker Dockery was knocked out on his feet the first quarter. This also set the Mountaineers back. Although we did play a good game, it was not quite good enough.

NEW COUNTER ADDED

Mr. Perry's office added a new counter this week. It is to provide more storage space and privacy in the office. Also, it will aid Mrs. Tindol, the school secretary, with her ledgers.

Wade Rehm: Did you hear about the big fight?

Sandra Davis: "No, what was it?"

Wade: "Our cat licked his paw."

Here, in the very heart of the Nation's largest sheep-producing area, a famous packer has established a lamb processing plant.

Any new industry contributes to the economy. But a new industry which processes a product of the area is doubly important.

We are convinced that this is a growing trend. It has become an important part of our continuing efforts to inform America's business leaders about our industrial advantages.

It is another reason why we say that we face GROWTH UNLIMITED here in the Center of the Southwest.

It's Time For... EYE CARE

Dr. Newton K. Wesley

FACTS ABOUT THE EYES

When one thinks about the eyes, he thinks of them as very sensitive. But, actually we have learned the eye is not as sensitive as we thought, and consequently, many eye problems occur without prior warning. This is why we stress the importance of regular eye examinations. According to the National Eye Research Foundation, this should be done every six months.

Wesley

One's eyes appear darker or lighter from grey, blue, etc., to the very dark black eyes, due to the amount of pigment which determines the amount of coloring in the eye.

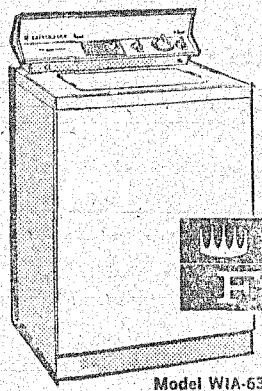

Eyes can be made darker through the use of contact lenses, but not lighter unless you use a cosmetic lens which is one where the pupil is left clear and the outside portion of the iris, or colored section, is actually painted in. This does not restrict the pupil size and the field of vision, but it is not recommended unless it is for a specific purpose such as acting. This is done only with the consent and knowledge of your eye doctor, however.

Farm Bill Effect On Cattle Industry To Be Discussed

A discussion of the effect of the farm bill on the cattle industry will be one of the primary features of the Second Annual Southwestern Cattle Feeding Conference, in the Driscoll Hotel at Corpus Christi, Texas, Dec. 5.

Leading the discussion will be Ray Bowden, Executive Secretary, Texas Grain and Feed Association.

Bowden's talk will be one of several outlining the implications of government action on the cattle industry. John Pierce, Deputy Director, Livestock Division, USDA, will bring conference visitors up-to-date on dual grading, and Dr. T. R. Timm, head, Agricultural Economics and Sociology, Texas A&M, will report on the effect of the European Common Market on the U. S. cattle industry.

The one day Cattle Feeding Conference is expected to draw more than 500 visitors. Last year the First Annual Cattle Feeding Conference at Lubbock drew visitors from eight states and Old Mexico.

The Conference is sponsored by the Cattle Feeders Division of the Texas and Southwestern Cattle Raisers Association. A meeting of Cattle Feeders Division members is scheduled in the Driscoll Hotel at 3:00 p. m., Tuesday, Dec. 4, the day preceding the Conference. This meeting is open to the public, and all cattle feeders are especially invited.

The Texas and Southwestern Cattle Raisers Association Board of Directors will meet in the Driscoll Hotel also, with the general session set for 9:00 A. M., Thursday, Dec. 6.

Post Office To Help Count Area Livestock

Rural mail carriers from the Santa Anna Post Office will leave some livestock survey cards along their routes beginning November 16.

Information reported on these cards is used to set the yearly inventory of livestock and poultry on Texas farms," Postmaster Lee Strother explained.

Rural carriers distribute the cards at random in boxes along their routes.

"This means that not every box will get a card," Mr. Strother said. "For this reason, it's important for everyone who gets a card to return it filled out so that USDA can get a true sample of the State's Livestock holdings."

Carriers assisting with the survey are: M. L. Guthrie Jr., on Route One and Two.

Facts and figures secured in this survey are the basis for the Texas and National pig crop report and inventories of livestock and poultry on farms as of the first of the year. Stockmen and many others use this information in making business decisions.

Survey results will be widely distributed through Texas Crop and Livestock Reporting Service releases, newspapers, farm magazines, radio and television.

Plentiful Foods Point To Thanksgiving Month Abundance

College Station — An abundance of farm-produced foods this fall emphasizes one of the many things for which we Americans can be thankful, reminds the Texas Agricultural Extension Service.

Eleven items will be particularly abundant this Thanksgiving month. They make up the official November list of plentiful foods, as determined by the Agricultural Marketing Service in cooperation with producers, processors and the food trade.

Turkeys and cranberries, two traditional Thanksgiving Day features, head the list, along with frozen orange juice.

Also expected to be in supply that exceeds normal trade needs are broiler-fryers, apples, shortening, grapes, pears, potatoes, Maine sardines, and dry beans and peas.

A record-large cranberry crop is being harvested this year. There'll be enough to fill 1.4 million barrels, or 30 percent more than average; 13 percent more than last year.

Turkey supplies may be down nearly 10 percent from last year's burdensome record. Stocks in storage are substantial. Prices are expected to be some higher than last season's extremely low levels, but still economical.

1963 Upland Cotton Allotment And Quota Announced

College Station, — The U. S. Department of Agriculture announced on October 15 a national marketing quota of 14,367,000 bales and a national acreage allotment of 16 million acres for the 1963 upland cotton crop. December 11 was set as the date for grower referendum on the 1963 marketing quotas.

The announcement also said an additional 310,000 acres would be available as a national reserve to be used for establishing minimum farm allotments. It was further stated that it is not anticipated that this will be the final national acreage authorized for 1963 since new legislation is to be recommended to Congress by the President.

The 16-million acre allotment is the maximum permitted under present law in view of the present supply-demand situation. It appears that more than a million bales will be added to the carryover and increase it to 8.7 million bales by August 1, 1963.

The President has announced that he will recommend legislation to remove the inequity in

the present two-price cotton system and has requested the USDA to make recommendations to him as to the means for accomplishing that purpose. This legislation would increase the domestic use of U. S. cotton and may also contain other provisions which would permit increases in the acreage to be planted.

In the December 11 referendum, a two-thirds majority of those voting is needed to make marketing quotas effective on the 1963 upland cotton crop. Extra long staple growers will vote on the same day on marketing quotas for their type cotton. If marketing quotas are approved, price support to cooperating growers will be available at a level to be announced by the Secretary. It can range from 65 to 90% of parity. The parity price of cotton is now 39.51 cents per pound.

If marketing quotas are not approved for the 1963 upland crop, acreage allotments will remain in effect and price support at 50 percent of parity will be available to cooperators.

Details on the allotments and referendum are available from local ASCS offices.

Attend church regularly.

MRS. BRUCE HORNELL

Gayla McIver, Rev. Bruce Hornell Marry Recently

Miss Gayla McIver, daughter of Mr. and Mrs. Grady McIver of Trickham, was married to the Rev. A. Bruce Hornell Saturday, Oct. 20, at 10:00 a. m. in the home of the bride's parents. Rev. Lloyd Coker, pastor of the St. Paul's Methodist Church in Cleburne, read the double-ring ceremony.

Rev. Hornell is the son of Mrs. Bernice Hornell and the late E. A. Hornell of Mansfield, Texas. The home was decorated with an arrangement of fall flowers consisting of bronze chrysanthemums and gladiolas and a white column between two candelabras. Two white columns holding candles stood at either

end of a kneeling altar, cushioned with white satin. Mrs. Gertrude Martin played wedding selections as a prelude to the ceremony.

Given in marriage by her father, the bride wore a street length dress of white brocade, round neck, short sleeves, bell skirt, shoulder-length veil, short white gloves, white gold cross drop, a gift of the groom. Her bouquet was white pompon mums with green centers on a white Bible with green ribbons. The Matron of Honor was Judy Upham, student at McMurry College. She wore a cocoa colored dress with bell skirt, short sleeves, short white gloves and a small hat with short white veil.

William Nevil of Mansfield served as best man.

A reception was held in the home immediately following the ceremony. The centerpiece was bronze chrysanthemums and gladiolas. The cake was in the shape of an open Bible with scripture from Ruth 1:16 written on the pages. Fall flowers and colors decorated the sides.

In the houseparty were Miss Mary Ford, Mrs. Reva McClughlin, Miss Sabrina McIver and Miss Sherrille Lee McIver.

The couple left immediately on a short wedding trip to San Antonio. The bride's travel ensemble consisted of an off-white two-piece suit with mink trimmed hat, matching brown patent shoes and bag.

The couple are living in the Methodist parsonage at Rockwood. He is pastoring the Rockwood Methodist Charge, consisting of Rockwood, Trickham, and Cleveland.

The bride is a graduate of Santa Anna High School and attended McMurry College where she was a member of the

TIP social club. The groom graduated from Mansfield High School, attended TWC in Fort Worth last year and is now attending Howard Payne College in Brownwood.

The immediate families and close friends were the only ones attending the wedding.

Deputy Grand Matron Visits Local OES Chapter Sat.

A called meeting of the Santa Anna Chapter No. 247, Order of Eastern Star, was held in the Masonic Hall at 7:30 p. m. Saturday, Nov. 3. Purpose of the meeting was for the Deputy Grand Matron to pay her official visit to the chapter.

The meeting was opened in regular form by Mrs. Billie Guthrie, Worthy Matron, assisted by Montie Guthrie, Worthy Patron. Arrangements of yellow mums were used throughout the hall for decorations.

Mrs. Bass was presented, escorted to the East and introduced.

She gave Mrs. Thelma McReynolds' instructions for the year. Mrs. McReynolds is the Worthy Grand Matron of Texas.

Her theme is "Resplendent Light." The chosen scripture is John 8:12, "I am the light of the world; he that followeth me shall not walk in darkness, but have the light of life."

Mrs. McReynolds' motto is: "Walk in the light and thou shalt see my path"; emblem, lighted candle; colors, ruby red, pure white, lustrous gold; flowers, red and white carnations; goals, security and serenity; song "Stepping in the Light."

After some discussion on the instructions, the chapter closed with the retiring march. Miss Joyce Smith, Associate Matron, presented Mrs. Bass with four pieces of her chosen pottery, a gift from the chapter.

Eighteen members and one visitor assembled in the Fellowship Hall, where Rev. and Mrs. H. H. Barnett and Mrs. Fannie Bryan served refreshments of candle light cookies — a white frosted cookie with tiny white mint candle in red holders, with tiny red carnations near by — white mints, salted nuts, tea and coffee. The table was laid with bright red cotton cloth overlaid with net. A large red carnation arrangement in crystal bowl flanked by two tall white tapers was used in the center of the table.

Dorcas Sunday School Class Meeting

The Dorcas Sunday School Class of the First Baptist Church, met in the home of Mrs. Dan Tindol Thursday, Nov. 1, for their regular class meeting and social gathering. Mrs. Melvin Lamb gave the devotional and Mrs. Claude Langford led in prayer.

Mrs. Glenn McClure, class president, opened the business meeting. The class decided to have a Christmas dinner at the church annex on the first Thursday in December, inviting the husbands. They also planned a Christmas tree and gift exchange, with the gifts not to exceed \$1.00 in price.

Refreshments of cookies, mints, coffee and cold drinks were served by Mrs. Pete Rutherford and Mrs. Tindol to: Mmes. Carmen Donham, Glenn McClure, Fred Hicks, Claude Langford, Dee Yancy, Katherine Horner, Norman Hosch, Vernon Rowe, and Bobby and Mike Tindol.

Shower To Honor Mr. and Mrs. Bruce Hornell Saturday

The Rockwood Community will honor Rev. and Mrs. Bruce Hornell with a miscellaneous shower at the Community Center at 2:30 p. m. Saturday, November 10th. Everyone has a cordial invitation to attend.

Council of Church Women Meeting

The First Christian Church was host to the Santa Anna Council of Church Women in their regular Fifth Monday meeting, held October 29th. Rev. Fumbles Cost Mountaineers Title Hopes, Burnet Wins 34-0

The Mountaineers fumbled the ball Friday night as if they were a bunch of rookies in their first game. There is little doubt but what the fumbles cost them the game and their opportunity to become representatives of the district. Final score of the game was Burnet 34, Santa Anna 0.

One other item that was very much in favor of the Burnet Bulldogs was the three officials. We do not ordinarily say much about officials, as they have a tough job and are bound to make mistakes — but these officials continued to make the same (mistakes?) all night long, and that was giving the Bulldogs anywhere from one-half yard to 3 1/2 yards on nearly every down and on one occasion gave them about 3 1/2 yards, which was enough to make a first down on a fourth down try, and put the Bulldogs just 6 inches from the Mountaineer goal line. Officials should never show any kind of favoritism to any team, but apparently they are bound to do so at times.

The Mountaineers were also suffering the loss of the full services of Blanton, Horne, Valdez and Sudderth and during the game Tinker Dockery was apparently injured, but continued to play.

The local lads moved the ball only fairly well on two occasions but never got closer to the Bulldog goal line than the Bulldog 37-yard line.

THE GAME

The Mounties took the kickoff and lost 4 yards on the return attempt. On the first play from scrimmage Dockery gained 7 yards then fumbled with Burnet recovering on the Santa Anna 20-yard line. The Bulldogs made a first down on the Mountaineer 9, but the Mounties stiffened their defense and held for downs and took possession of the ball on their 3-yard line. Dockery picked up a yard, then almost broke into the clear and went to the 16-yard line. Cough picked up a yard, then Brown drove out to the 23. Cough almost broke into the clear and likely would have gone all the way if he had had his jersey tucked in his pants, as he was caught by the jersey tail by the last man in his path and went to the 40-yard line. Three plays put the ball on the 49-yard line and a fourth-down try gave the Bulldogs the ball on the Mountaineer 45-yard line, a loss of 4 yards. The Bulldogs did not take long in making their first TD, going the last 19 yards on a pass, then kicked the extra point, making the score 7-0. On the kickoff the Mounties got a 5 yard return, but could gain only 2 yards in three tries and punted to the Bulldog 20, with a return to the Bulldog 36 and as the quarter ended the Bulldogs were on their 29.

The Bulldogs failed to gain a first down and punted to the Mountaineer 20, with a return to the 26, where another fumble occurred and the Bulldogs recovered. The Bulldogs made a first down on the Mountie 11 and the Mountaineers put up a stiff defense again, but here is where the officials gave the Bulldogs 3 1/2 yards, giving them a first down on the Mountaineer 6-inch line. It just took one play for the Bulldogs to score. They kicked the extra point.

The Mountaineers took a short kickoff and returned 4 yards, to their 41-yard line. On the first play they fumbled again with Burnet recovering on the 43-yard line. However, Burnet could not gain a first down and the ball went over on the Mountie 36-yard line. The Mounties gained 9 yards, were penalized 15 yards and gained a part of that back then punted to the Bulldog 23-yard line, with a return to the 23-yard line. The Bulldogs drove to the 39, were penalized back to the 24, failed to gain and punted to the Mountaineer 33-yard line and the Mounties fumbled again with Burnet recovering. The Bulldogs completed a pass for 5, lost 9 yards, then gained to the 29. The Mountaineers received their second 15-yard penalty that put the Bulldogs on the Mountie 22-yard line. The Bulldogs were penalized 5, then drove to the Mountaineer 1-yard line as the half ended.

The Bulldogs took the kickoff and got a 11-yard return to their 46-yard line. It took them 11 ground plays to cross the goal line the third time, but they missed their kick attempt at the extra point. The Mounties took the kickoff and got a 10-yard return to their 26-yard line. Brown moved to the Burnet 46 and Cough drove to the 36, then Brown gained a yard, but the drive fizzled out and Burnet took over on their 37-yard line. They gained 7 yards and punted to the Mountaineer 19-yard line with no return. The Mounties gained to their 26 and punted to the Burnet 42 as the quarter ended.

The Bulldogs drove to the Mountaineer 18 before losing

the ball on downs. On the first play from scrimmage the Mountaineers fumbled again with the Bulldogs recovering on the 19. They drove to the 11, lost back to the 16, then completed a pass for the 16 yards and their 4th TD. Try for 2 extra points failed. The Bulldogs tried an on-side kick, but the Mounties got the ball on their 49-yard line. On the first play a long pass was intercepted by Burnet. The Bulldogs gained 3 yards, then lost 13 on a completed pass, failed to gain and punted to the Mountaineer 22 with no return. The Mountaineers lost back to their 10 and punted to the Burnet 43. The Bulldogs returned the punt to the Mountaineer 20. One pass play was all the Bulldogs needed to score again and this time they made their 2 extra points, with six seconds remaining in the game.

Brown took the kickoff on his 23-yard line and returned to the 47 as the game ended.

FOOTBALL ROUND-UP

The Burnet Bulldogs settled the District 9-A championship race Friday night by pouncing the Mountaineers 34-0 while Goldthwaite was winning over Early 22-20 in the other game that might have had a bearing on the outcome. Now all the teams in the conference have lost at least two games except Burnet and they have only one more game on their schedule. The Bulldogs have a perfect conference record thus far and have only Copperas Cove remaining on their regular schedule. There is little doubt but what they will win over Copperas Cove. Even if Copperas Cove were to win over Burnet, it would not affect the District title.

The Bulldogs took advantage of Mountaineer miscues to take a 14-0 halftime lead, then built it to a 20-0 lead going into the fourth period. The Mountaineers might as well have not even been in the game so far as the fourth period was concerned. Goldthwaite came back after suffering an upset last week to win over Early by a 22-20 score. The Eagles scored 8 points in the second period and 14 points in the fourth period. Early took an 8-0 lead in the first period, then in the third period took a 14-8 lead. They scored 6 points in the fourth period, but the Eagles managed to make the two extra points on one TD and kept the Longhorns from making theirs, to keep the game from turning into a tie. Early now has a 2-2 record and Goldthwaite has a 3-2 record. Goldthwaite has one remaining game, with Marble Falls, and Early has Santa Anna and Marble Falls yet to play.

The Bangs Dragons took a 20-0 win over Marble Falls Friday night to bring their district record up to 2-2 and keep the Mustangs in the cellar with no wins for the season. The Dragons scored 14 points in the first period, then 6 points in the final period. The Dragons first score came when they recovered a Mustang fumble in the end zone. The second TD was the climax of a 77-yard drive. The Dragons had a 75-yard pass and run play nullified by an infraction, then went on to score their final TD on a 5-yard pass play. When the game ended, Marble Falls was on the Dragon 1-yard line.

Bangs still is faced with playing Santa Anna and Copperas Cove before their season is completed.
