NUMBER 40

THE AMERICAN WAY

ARE THEY TRYING TO TELL US SOMETHING?

By Harry Browne

(Editor's Note: Harry Browne is the Associate Editor of American Progress Magazine, and Managing Editor of American Way Features, Inc.)

You know, of course, that the Russians invented baseball. At least that's what they've told us. They also tell us that they invented the airplane, the typewriter, electricity, atomic energy, and the Charleston.

Normally, we wouldn't pay any attention to such nonsense. But our government has made it quite clear that we are supposed to accept the Communists' statements at face value. When the Reds say something, it's the gospel truth.

"Space Flights"

For instance, recently the Soviets told us again that they had put men into orbit around the earth and brought them back safely. They didn't allow any western observers to view the takeoff or landing; nor did they allow impartial scientists to examine the equipment. They just told us. And we believed them.

Our government, our wire services, our foreign observers as much as said, "If they say it, it must be so!"

Okay—if that's the way the game is to be played, let's play. If trusting the Communists to tell the truth is the policy, there are some Communist statements we'd like to submit for consideration. Let's take these statements at face value:

Lenin said: "Treaties are like pie-crusts, made to be broken." This indicates that there is absolutely no reason to negotiate with the Communists about anything—disarmament, test bans, Berlin, Laos, etc. In fact, they've broken 50 of 52 major agreements made with us since the war. If we believe the Communists, why continue to negotiate—or have any dealings whatsoever with them?

Stalin

Stalin said: "Sincere diplomacy is no more possible than dry water or iron wood." If that's the case, why don't we send their "diplomats" home?

And what about the foreign aid to Tito program? In 1946, Mr. Tito remarked: "The capitalist forces constitute our natural enemy despite the fact that they helped us to defeat their most dangerous representative. It may happen that we shall again decide to make use of their aid, but always with the sole aim of accelerating their final ruin." Should we be sending jet planes and money to a man who talks like that?

Khrushchev

And one more: A chubby Ukrainian not too long ago pointed out that the Red flag would someday fly over the U. S. This is the same fellow who said, "We will bury you." Since it's now national policy to believe him, maybe we should put our guard up.

Maybe now we will pay attention to some of these statements. Maybe now our government will do what's necessary—call a halt to all dealings with the Communists and isolate them from the rest of the world.

We will bury you—accelerate their final ruin—made to be broken. Do you think they're trying to tell us something?

Charter Bus Planned To Marble Falls Ball Game

Members of the Santa Anna Jaycees are planning to charter buses for local people to go to the Marble Falls game, if enough are interested in making the trip this way.

Cost for each person riding the bus the approximately 275 miles round trip will be \$4.95. If the bus is filled, it's a long way to Marble Falls and would be much safer traveling by bus, rather than by private auto. And for the price, it is estimated that unless you carry four or more persons in your car, you can go cheaper by bus.

Those who might be interested in going to the game by bus are requested to call the telephone office (FIB-3124) and give them your name and the number you expect to go with you. This should be done within the next few days in order that arrangements can be made for the bus.

Carbon paper and sales parts at the News office.

Mrs. Emma Speck Selected "Coming Home Queen"

Mrs. Adrian Speck, the former Emma Kate Parsons, was selected by the Executive Board of the Ex-Students Association as the "Coming Home Queen" of the 1962 Homecoming. This is the first year a queen has been selected from among the ex-students.

For several years former students have wondered why a "Homecoming Queen" was selected from among the high school students and no queen was selected from the ex-students. The Homecoming is a project of the Student Council and they use the "Homecoming Queen" as a method of making money for their activity expenses.

This year the Executive Board decided to select a "Coming Home Queen." After considerable deliberation, they decided to go back to the class of 20 years ago and list all the girls of the class. Then a secret ballot would be taken, with a certain number being dropped on each ballot, until the queen was selected. Thus, Mrs. Speck was selected by secret ballot. Next runner up was Mrs. Marguerit (Bruce) Robbins of Houston.

Mrs. Speck is the daughter of Mr. Louis Parsons and the late Mr. Parsons, formerly of Santa Anna. Emma Kate was married to Adrian Speck August 25, 1942 and they are making their home in Dallas, where Adrian is an attorney. They have one daughter, Melanie Ann, age 9 months. Adrian attended SMU at Dallas, where he received his degree. Emma Kate worked for a number of years as a secretary for an oil company.

She was secretary of her Freshman Class and was Freshman Duchess at the Halloween Carnival. As a Freshman she was a member of the Pep Squad, the Homemaking Club and played baseball.

As a Sophomore Emma Kate was Duchess of the Scribbler's Club and president of the Homemaking II Class. She was first baseman on the team that won the county meet. She was also flag bearer of the band.

Her Junior year she was class treasurer and Band Duchess. She was assistant Drum Major and participated in the Interscholastic League One-Act Play and several other Speech Club plays. Emma Kate was vice president of her Senior Class and was also vice president and society editor of the Press Club. She was head Drum Major and Senior Class Duchess at the Halloween Carnival. She was elected to "Who's Who in Santa Anna High School."

The "Coming Home Queen" will be presented during the half-time activities at the Santa Anna-Goldthwaite game Friday evening.

High School Class Officers Announced

Roy B. Mathews, principal of the Santa Anna High School, announces the election of the following students as class officers for the new school year:

Seniors: President, Pete Simmons; Vice President, Clayton Jackson; Secretary and Treasurer, Arlene Welch; Reporter, Sue Pittard; Parliamentarian, Linda Evans; Prophet, Larry Fowler; Historian, Donna Walker and Student Council Representatives, Larry Wardlow and Ruth Ann Starnes.

Juniors: President, Glen Gilbreath; Vice President, Wade Rehm; Secretary and Treasurer, Sandra Davis; Reporter, Earla Buse; Parliamentarian, Linda Pittard; Student Council, Wanda James and Jerry Ellis.

Sophomores: President, Tommy Hays; Vice President, Linda Horner; Secretary and Treasurer, LaWanda Horner; Parliamentarian, Les Guthrie; Reporter, Ruth Ann Walker; Student Council, Donald Makuta and Karen McCluskey.

Freshmen: President, Gary Rider; Vice President, Freddie Colbaugh; Secretary and Treasurer, Anita Ellis; Historian-Reporter, Warren Wallace; Parliamentarian, Linda Abernathy; Student Council, Virginia Voss and Roger Beard.

Presbyterians To Begin Revival Meeting Sunday

The First United Presbyterian Church of Santa Anna is planning to begin a revival meeting Sunday, Oct. 7 at 7:30 p. m. The meeting will continue through Sunday, Oct. 14. Services will be held each evening at 7:30 except Saturday. Sunday services will be at 11:00 a. m. and 7:30 p. m.

The evangelist for the meeting will be the Rev. Charles L. Bounds of Dallas, an uncle of Dr. Ben H. Moore, local pastor, who has served the Santa Anna church for the past 19 years. Dr. Moore's grandfather, two cousins and this uncle, on his mother's side of the family, have been Methodist ministers.

Rev. Bounds is a member of the North Texas Conference of the Methodist Church. He has continued in evangelistic work since his official retirement from the pastorate. During this period he has been instrumental in the organization of four Methodist Churches in and around Dallas.

There will be no regular morning preaching services during the week. However, at ten o'clock each morning Mrs. Charles L. Bounds will lead a group of women in a prayer study. She has had a wide experience in this type of work at Methodist Evangelistic Conferences in many places over the country. All women of the Santa Anna area are invited to attend this Prayer Study hour.

A most cordial invitation is extended by the pastor and members of the Presbyterian Church to all the people of Santa Anna, both in and out of the churches, to come and participate in this series of Revival Services.

JUNIOR HIGH GAME SET FOR THURSDAY NIGHT

The Santa Anna Junior High game scheduled for Tuesday night was postponed until Thursday night, due to the sudden death of T. K. Martin, Band Director of the Santa Anna Schools.

The game is scheduled to be played on the local field at 7:30 p. m. between the Santa Anna Juniors and the Bangs Juniors.

Harry M. Oder Family Killed In Auto Accident Sat.

The wife and two children of Harry M. Oder were killed in an auto accident near Baird Saturday morning. Harry was seriously injured, but at this time appears to be improving nicely.

Harry was born and raised in Santa Anna, the son of the late Rev. and Mrs. A. L. Oder. Mrs. Oder was from Anson.

Funeral services were held Monday afternoon for the three members of the family. Burial was in the Anson Cemetery.

The family had been residents of Abilene since 1948. He worked as a Postal employee and Mrs. Oder was a teacher in the Austin Elementary School in Abilene.

Rodney Dean Hits Cow Returning From Clyde Friday Night

The Rodney Dean family of Rockwood were shaken up and suffered numerous bruises about four miles south of Baird late Friday night when their station wagon hit a cow. Several other cows were on the right of way.

The Deans had been to the Santa Anna-Clyde football game and were returning home. The cow ran in front of the car and was hit dead center with the front of the vehicle. The cow was killed instantly. Damage to the Dean car was heavy.

The accident was investigated by the Highway Patrol and Sheriff's office out of Baird.

Barbecue For 76th District Masons

The Coleman Masonic Lodge will sponsor a barbecue supper and all Masons and their families of the 76th Masonic district are invited to attend.

The barbecue will be at the Coleman City Park Saturday, October 6 at 6:00 p. m.

Miss Juanell Mercer of Tarleton State College, spent the weekend with her parents, Mr. and Mrs. John Gregg and John Wayford.

10th Annual Homecoming Set For Friday & Saturday

T. K. Martin Dies Suddenly Monday Morning

Thomas Kenneth Martin, 53, band director for the Santa Anna Schools, died after a two-day illness at 7:45 a. m. Monday. He had been in the Medical Arts Hospital in Brownwood since early Saturday morning.

Mr. Martin accompanied his band students to the Santa Anna-Clyde football game Friday night and put on an excellent half-time performance. He became ill early Saturday and by 7:00 a. m. was suffering from a very high fever. He was rushed to the Brownwood hospital where he continued to be very ill for the next two days. Cause of his death was not determined.

Funeral services were held at the First Methodist Church at 4:00 p. m. Tuesday, with two former pastors, Rev. Ray Elliott and Rev. Carroll Thompson, officiating. Burial was in the Santa Anna Cemetery, under the direction of Hesch Funeral Home. Masonic graveside rites were conducted at the cemetery.

Mr. Martin was born December 10, 1908 in Lorraine, Texas, the son of an early day physician. He attended the Lorraine schools and McMurry College in Abilene. After returning to McMurry several times, he received his bachelor's degree in 1948. He returned later for graduate work and received his master's degree from Southern College of Fine Arts in August, 1960.

Mr. Martin taught school at Hermleigh and Cross Plains before coming to Santa Anna the first time about the end of World War II. From here he went to Wingo for several years, then returned here in the fall of 1960. He was just beginning his third year here.

He was married to the former Marian Eeds April 7, 1931 in Santa Anna. He was a member of the Methodist Church and the Masonic Lodge.

Survivors include his wife and one daughter, Margie, both of the home; and two brothers, C. N. Martin of Lorraine and R. D. Martin of Abilene. A son preceded him in death about 15 years ago.

Pallbearers were O. L. Cheaney, W. F. Lowe, Clifford Lowe, Roy Mathews, Raymond Dunn, Glen Pope, T. J. McCaughan and Sparks Whetstone.

Both the Santa Anna Schools were dismissed for the day on Tuesday.

CORRECTION

Last week in the article concerning the organization of the Rockwood 4-H Club, we stated Davey Deal was elected vice president of the organization. The name should have been Davey Deal. We are happy to make the correction.

GO TO CHURCH SUNDAY.

Homecoming Game To Be First District Game For Mountaineers, 8:00 P. M. Fri.

The conference season for District 9-A gets underway this weekend with six of the seven teams to see district action. For the Mountaineers it will be one of the three tough conference games.

The Mountaineers will host the Goldthwaite Eagles on the local field. The game is scheduled to begin at 8:00 p. m. Admission prices will be the same as for the previous games, \$1.00 for adults and 25 cents for students not participating in some of the school's activities.

The Eagles have a very impressive record this year. They have scored a total of 118 points and given up only 28 in winning three games and losing one. Their only loss was to Class AA San Saba in the first game of the season, in a driving rain storm. Since that time they have run up very impressive scores over all their opponents, Class AA Dublin, Class A Evant and Class AA Comanche. They seem to have a very well balanced attack that is capable of moving the ball and defending their own goal line.

The Mountaineers have also built up a very impressive record during their past three

ed to attend and register. Also, beginning at 9:00 a. m. to 12:00 noon, a coffee will be held in the lunchroom, honoring all classes ending in "2". Most of the afternoon will be free for friends and classmates to visit and for classes to hold their reunions.

The annual business meeting will be held at 4:45 p. m. when James N. Land, Class of 1912, will be honored as the Ex-Student of the Year. The Class of 1912 is planning a reunion during the afternoon and it appears all living members of the class will be present.

The annual barbecue supper will be served at 5:15 p. m. on the school campus or in the lunchroom. The evening program includes a Variety Show at 7:00 p. m. in the high school auditorium. The annual Homecoming dance will be held in the National Guard Armory beginning at 8:00 p. m.

Mrs. Barbara (Bruce) Kingsberry is president of the association. Other officers are Lyndon Haynes, First Vice President; Joyce Smith, Second Vice President; Lucile Wylie, Secretary and treasurer. Directors are O. L. Oakes, Wanda Campbell and L. M. Guthrie.

Jack B. Horne State Winner In 4-H Award Contest

Jack E. Horne, son of Mr. and Mrs. C. M. Huckabee of Coleman, has been named by the State 4-H Record Judging Committee as state winner in the 4-H Santa Fe Awards.

The state award is an educational trip to the 41st National 4-H Club Congress to be held in Chicago, November 25-29. The Texas delegation will leave Dallas on Nov. 23 and return Dec. 1.

Jack was first a county winner. Later he was a district winner and finally a member of the blue ribbon group for the entire state.

He has compiled an outstanding record on work he has completed in leadership, achievement, demonstrations and project activities.

During the past six years Jack has become widely known as a steer feeder. He has exhibited steers at Coleman, Odessa, Fort Worth, San Antonio and Houston. He won the lightweight hereford class at San Antonio the past year. He has won the Coleman County championship in the steer division and has won showmanship honors twice. Jack presently has six steers on feed for the spring livestock shows.

In addition to his livestock projects, he has won recognition in demonstration work. Jack was a member of the first place district beef cattle method demonstration team. The team went on the State 4-H Roundup, where they placed fifth.

He has served as an officer the past three years in the Coleman County-Wide Club and the county 4-H club.

ORAL VACCINE DRIVE SUCCESS

The first effort to get everyone in the area to take the first of three inoculations against polio was very successful Sunday afternoon when 1189 persons went to the local Armory building and took the Type I Sabin Oral Vaccine. Everyone connected with the effort was well pleased with the number taking the polio vaccine.

It was a smaller number than would have taken the vaccine had it been held at the first appointed time, but at the time it was thought it was being held up for a good reason. It is hoped that every person in the area will make an effort to take the vaccine.

Type III and II are scheduled to be administered at later dates.

Doctors, nurses, members of the Delta Omicron and Lions Club were all working together in an effort to get everyone vaccinated.

A total of \$340.00 in contributions was received, which was just a little more than enough to pay for the vaccine. Workers said a god many persons went through the line that were unable to contribute, but others who contributed more than their 25 cents each took care of the situation.

Happy Birthday

"Happy Birthday" to all who have birthdays during the next week. Below are listed the birthdays we have this week.

- OCTOBER 5**
Patsy (Moore) Pollock
Roy Joe Harvey
Mrs. D. T. Granad
George O. Wells
Mrs. C. T. Moore
Mrs. Curtis Bryan
Lewis M. Guthrie
Benny Guerrero
- OCTOBER 6**
Mrs. Emmulene York
Jimmy Hutcherson, Dumas
Beth Irick
Mrs. Idella Wristen
Agnes Newman, Portales, N.M.
- OCTOBER 7**
Linda McIntire
J. A. Fleming
Carolyn Carpenter
- OCTOBER 8**
Melvin Pollock
Mrs. Henry Goodwin
Mrs. Tom Rutherford
- OCTOBER 9**
Mrs. Dee Yancy
Celia Ann King
- OCTOBER 10**
Cindy England
Betty Jewell Lee
- OCTOBER 11**
Mrs. Lillie Cole
Dorethea Carpenter

Would you like for your name to be published on your birthday? If so, please be sure to let us know when it is. Next week we will publish names of those having birthdays between October 12th and October 18th.

State Capitol NEWS

Austin—Jack Cox and John Connally crossed paths on the campaign ground in Austin - and they waved at each other.

Connally was talking to the County Treasures Association convention. He stepped out on the hotel balcony to watch Cox riding in a parade put on by Youth for Cox.

Inside the hotel, Connally was urging the county treasures to pitch in and help support the Democratic ticket, else there might be Republican candidates for county treasurer next time.

Outside, Cox was urging youngsters to pitch in and help him change Texas to a two-party state.

OFFICE SPACE

Some of the legislators who get elected on November 6 will have office space at the Capitol. But some won't.

For two years now, space formerly occupied by State agencies has been in the process of conversion to offices for the 150

members of the House of Representatives. A few were occupied during the 1961 session.

Rep. Will Smith of Beaumont, chairman of the House Rules Committee, had the chore of assigning offices, with not enough to go around.

Finally he hit upon a solution. He has 90 offices ready. So he and the Speaker-to-be, Byron Tunnell of Tyler, agreed to assign the 90 offices to the representatives who will be returning.

There are 92 incumbents, including two Republicans, in the Nov. 6 election. One is Speaker-to-be Tunnell, who not only will have an office, but also an apartment.

If all incumbents but one are elected, there will be just enough offices for each old member to have one.

The 60 or so freshmen members will have to do what all representatives have done in the past—use their desks in the House chamber as their offices.

When the John H. Reagen State Office Building is completed next year, the Board of Pardons and Paroles and the Department of Agriculture will be moved out of the Capitol, leaving space for the other 60 representatives to have private offices.

COURT PHOTOS

Junior Bar Association directors urged the State Bar judicial section to leave it to individual trial judges whether to allow news photographers to take pictures in their courtrooms.

This is contrary to the views of the American Bar Association, which thinks courtroom photography should be outlawed.

The upcoming Annual Conference of Texas Judges will vote on whether to adopt the American Bar's proposed ban on full news coverage of trials.

JINGLE BELLS

If you have business with a state agency in December, better not plan your trip around Christmas.

Board of Control announced the official Christmas holiday period will be December 24 through December 26. Since December 22 and December 23 are Saturday and Sunday, this means state offices will be closed five days for Christmas, which falls on Tuesday this year.

Legislature allows a three-working-day Christmas holiday.

LICENSING BOARDS

House Committee on Licensing and Examining began a series of hearings in the Capitol, seeking ways to improve their operations and procedures. First questioned were representatives of the Board of Law Examiners, Board of Morticians, Real Estate Commission and Board of Examiners of Basic Sciences.

Rep. Will Smith of Beaumont, committee chairman, was much interested in the extent of reciprocity practiced with other states. Rep. Sam Collins of Newberry, new chairman, asked the witnesses what they thought about having a central licensing agency. Some thought much of the idea.

Dr. Buller of Fort Worth, chairman of the bar examiners, said he had heard no complaints about the operation of his board. Phillip R. Overton of Austin, attorney for the morticians, forecast legislation next year dealing with the group's rules and regulations.

L. D. Ransom, executive secretary of the Real Estate Commission, said he would ask the next Legislature to make it a criminal offense to violate real estate laws.

INDUSTRIAL SAFETY

Tidewater Oil Company's J. K. Holder of Houston has been given a Civil Defense award for outstanding accomplishment in industrial safety preparedness. Governor Price Daniel made the presentation.

Holder is disaster planning co-

ordinator for the company's southern division. He designed an emergency procedures portfolio for the division's 1,150 employees.

SCHOOL PRAYERS

Public schools in Texas are not prohibited from allowing prayers to be said or passages from the Bible to be read (as a result of the U. S. supreme Court decision in the Engel vs. Vitale case), so long as the State or a political subdivision does not prescribe or approve the prayer or religious activity.

So said Attorney General Will Wilson in a legal opinion requested by J. W. Edgar, Texas Commissioner of Education.

CROOKED HOLES

What may be the final session of the House General Investigating Committee's look into the East Texas oil scandal was held in Austin. Mainly, it was to allow production and drilling men for 14 major companies to declare under oath that their companies do not have any illegally deviated wells. It also gave the East Texas Salt Water Disposal Company a chance to defend itself.

Investigators got detailed lectures on the fluid mechanics of the big East Texas field. Stressed was how daily injection of some 450,000 barrels of salt water a—back into the vast water-bearing formation—drives the oil to the surface.

Officials of the company hotly denied that the disposal company, set up in 1942 as a cooperative venture to get rid of salt water which was polluting the Sabine River, is hurting the rights of individual landowners by its operations, as had been charged.

The hearing also gave Chairman William J. Murray Jr. of the

Railroad Commission a chance to testify that the Department of Public Safety has found no evidence to link Commission employees to the scandal, other than those former employees Murray asked the state police to investigate last March.

Legislators on the committee seem certain to recommend changes in the law as a means of providing surer punishment for those who violate Commission regulations, or who swear to falsehoods.

Also likely to come out of the investigation is a recommendation for revision of the marginal well law. This law makes a well capable of producing only 19 barrels a day a more valuable well than one flowing 1,000 bar-

rels a day. The 19-barrel well is allowed to produce without shut-down days, while the better well can produce only 20 barrels a day for eight days a month. Many agreed this was unfair.

LIBRARIAN HONORED

Doris Connerly, retiring director of the Legislature Reference Library in the Capitol, was honored by Governor Daniel and others at State Capitol ceremonies. Governor Daniel presented a resolution of the Texas Library and Historical Commission thanking Miss Connerly for 34 years of service to legislators, the public and the press.

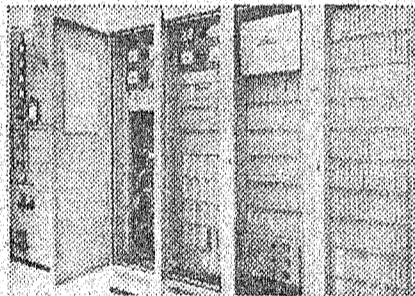

Members of Congress are not eligible to serve in the electoral college.

WELCOME EX-STUDENTS to your annual HOMECOMING

We are happy to know you are going to meet your old school chums and other friends again. Our best wishes for a pleasant visit.

Mrs. Erin Day, Owner and Operator.

CONTROL ROOM W.T.U. OAK CREEK PLANT

DATA LOGGER

CONTROL!

ELECTRONIC SCANNING SYSTEM

Every minute of every hour of every day the "data logger" at the WTU Oak Creek plant scans the condition of all electrical and mechanical equipment. From the tiniest malfunction to a major emergency is noted and timed on the recorder to the left. The recorder on the right types the daily log.

The electronic scanning system, or brain, at Oak Creek is a major factor in helping to locate trouble whenever the data logger indicates something is wrong. The scanner also serves as a good news panel to say "all is well." It's just part of WTU's equipment complex... HELPING YOU LIVE BETTER ELECTRICALLY.

By MRS. TOM RUTHERFORD

MRS. ANN BRYAN TO FLY TO FAIRBANKS, ALASKA

Mrs. Floyd Morris was shopping in Brownwood last Friday. While there she visited with Mrs. Ann Bryan (formerly of our community). Mrs. Bryan plans to leave Brownwood early Thursday by plane to visit her mother, Mr. and Mrs. V. G. Wooley in Fairbanks, Alaska. Mrs. Bryan states that with no trouble she will arrive in Alaska Thursday afternoon. We are sorry to hear her mother isn't feeling so well.

Randel Lovelady spent Saturday night with Guy and Alta Lovelady in Santa Anna. His parents, Mr. and Mrs. Darwin Lovelady, and Mr. Oscar Lovelady joined them Sunday and were dinner guests.

Mr. Sammie Shields returned home Sunday, following a weeks visit in Cross Plains with Mr. and Mrs. Dave Shields and boys and Mr. and Mrs. Walter Strickland.

Mr. and Mrs. Douglas Avants and children of Brady visited Mr. and Mrs. Aaron Avants Sunday. We are sorry to report Mr. Babe

Gardner of Brady, formerly of Whon, a patient in the Brady Hospital. Mrs. Gardner has had major surgery in Shannon Hospital in San Angelo.

Tom Durden of Santa Anna spent Sunday night with Freddie Colbaugh.

Jamie Lee Morris was a week end guest with his brother, Mr. and Mrs. John David Morris in Coleman.

Mr. and Mrs. Darwin Lovelady visited Sunday afternoon with Mr. and Mrs. Nick Buse in Santa Anna.

Mr. D. T. Perkins visited during the past week with his sons, Mr. and Mrs. Richie Perkins and family and Mr. and Mrs. William Perkins and family in Coleman.

Mr. and Mrs. Floyd Morris and Mr. D. T. Perkins visited with Mr. and Mrs. Dennis Kelley in Santa Anna Sunday afternoon.

Mr. and Mrs. Etoile Cozart of San Angelo were looking over their farm here during the week end.

Mark Turney of Santa Anna visited his grandparents during the past week, Mr. and Mrs. Bert Turney. The Turneys were in Santa Anna Sunday and Mark returned home.

Mr. Tom Rutherford and daughter, Linda, were in Brown-

wood Saturday morning. While there we visited my grandmother, Mrs. Annie Smith, who is feeling very well.

Shields News

By MRS. E. S. JONES

Sunday visitors with Mr. and Mrs. George Stewardson were her brother, Lewis Evans and sister, Mrs. Frances Everett of Santa Anna. These three are the surviving children of the late Mr. and Mrs. Geo. S. Evans and their eleven children. Other relatives visiting with them were Mr. Homer Burden, Mr. and Mrs. F. B. Hill, Mr. J. B. Howington and Mrs. Maud Evans, all of Santa Anna. On Wednesday visitors were Dr. Ben Oliver of Waco and Mr. and Mrs. Everett Lee of San Angelo.

Mr. and Mrs. G. C. McDonald and G. C. Jr., spent Monday and Tuesday in San Antonio with Mr. McDonald's mother and sister, Nadine Bynum and with the A. F. (Mutt) Murrell family.

Mr. and Mrs. Ted Stewardson attended the quarterly meeting of the Sheep & Goat Raisers Association at Fort Stockton.

Bert Fowler was dismissed from the Coleman Hospital Saturday. He is at home now and doing alright.

Word was received today (Monday) of the death of Mrs. Callie Reed, a former resident of our community.

Dr. Ben Oliver of Waco spent Monday and Tuesday nights with Mr. and Mrs. R. A. Milligan. Tuesday morning they visited with Mr. and Mrs. B. L. Murrell and Mrs. Sallie McCulloch at Doole.

Visitors this week with Mr. and Mrs. Troy Fitzhugh were Mr. and Mrs. Truett Hipsher and Caroline of Echo and Francene McClure.

Several attended the Santa Anna and Clyde football game at Clyde Friday night.

Mrs. Dempsey Lindsey of Idabel, Okla., visited during the week with her cousin, Mrs. Emma D. McClain.

Mr. and Mrs. George Dunn and Chleo and Mr. Dave Shamblin of Coleman spent Sunday with Mr. and Mrs. Otis Bivins.

Wednesday Mrs. Roy Bledsoe and Mrs. E. S. Jones visited with Mr. and Mrs. B. L. Murrell and Mrs. Sallie McCulloch at Doole and with Mr. and Mrs. Sam Squires at Gouldbusk.

Mr. Lewis Newman of San Angelo visited with friends of our community Saturday and Sunday.

Rev. ROBERT H. HARPER
OCTOBER

OCTOBER, with its autumn leaves, the anniversary on the 19th of the ending of the Revolutionary War in 1781, the purchase of the vast territory of Alaska which has recently become a State of the Union larger than Texas, the first trans-Pacific flight in 1931, and the annual observance of Halloween is a month to remember great things in our history.

"In the ancient mystical letters of the Ephesians," wrote Marcus Aurelius, "there was an item that a man should always have in his

JUST A THOUGHT:
While there is nothing we can do to change the past, we should not forget the lessons we have learned as we tackle the problems of today and tomorrow.

mind someone of the ancient worthies." And so it is with great eras and mighty events in our history. For there is much truth in the words chiseled on a building in Washington—WHAT IS PAST IS PROLOGUE.

Let us be grateful enough and wise enough to realize and acknowledge that we are what we are in our great Country because of the principles and deeds of our fathers who came to the New World to find a place where they could worship God according to the dictates of their own conscience and live their lives by the high ideals of life they held.

We believe that the ideals they held and the principles they declared partook of the eternal and are applicable to us today.

Red Foley To Be Featured At Prison Rodeo

Huntsville — An added feature attraction at the opening of the 31st Annual Texas Prison Rodeo here Sunday, October 7 will be Red Foley, veteran recording artist. It was announced by H. H. Coffield, Rockdale, chairman of the Texas Board of Corrections. Foley, who undertakes a dramatic

acting role in television this fall, will share the opening rodeo spotlight with Rex "Mr. Cowboy" Allen, and his horse, KoKo.

Back in 1930 Foley became one of the stars of the "National Barn Dance" and during the years he has been a constant mainstay in the entertainment world.

The celebrated entertainer originated the "Jubilee" in his hometown of Springfield, Mo., where he discovered much new talent including the famous Brenda Lee.

Foley himself now possesses the only lifetime contract ever issued by a record company which was given him on his 20th anniversary as a Decca artist.

Among the greatest favorites of his fans are "Peace in the Valley," "Steal Away," and "Just a Closer Walk With Thee."

In addition to Foley and Allen, the rodeo will feature thrilling inmate contests, plus a host of variety specialties to round out a fast-moving two-hour show.

The rodeo is held each Sunday in October with net proceeds from ticket sales earmarked for inmate rehabilitation.

Common Market Addresses Highlight Of Cattle Conference

A highlight of the 1962 Cattle Feeding Conference will be an address by Dr. T. R. Timm, "The Cattle Industry and the Common Market."

Dr. Timm recently returned from Europe where he studied the Common Market with special emphasis on Agriculture. Dr. Timm, who is head of the Agricultural Economics and Sociology Department at Texas A & M College, is one of the nation's leading agricultural economists. His analysis of the Common Market picture will be of interest to all cattlemen.

The conference which is scheduled for Wednesday, December 5, in Corpus Christi at the Driscoll Hotel is sponsored by the Cattle Feeders Division of the Texas and Southwestern Cattle Raisers Association. Lloyd Bergsma, director of the Cattle Feeders Committee, said, "Many inquiries are being received regarding the 1962 Cattle Feeding Conference."

Stapling machines at the News Office.

His heart is as big as all outdoors. He's 52 feet high, tall as a four-story building. His smile is a yard wide. His chest measures 31 feet — his waist, 23 feet — his biceps, 7 feet 8 inches. His hand is three feet across. His boots are 7 feet 7 inches high. His head is 8 feet from chin to top. His boots are size 70, his jeans size 270, his shirt size 90, his hat 75-gallon. His name is Big Tex. He's symbol of the nation's largest annual exposition, The State Fair of Texas, October 6 through 21 in Dallas.

OIL AND WATER

Everyone knows that oil and water won't mix. But two such departments may be combined by the next legislature.

There is growing talk in the Capitol of an effort to reorganize the state's oil and gas regulatory agency.

One movement on foot would transfer administration from the Railroad Commission to the recently reorganized Texas Water Commission, which already deals with oil and gas pollution of the state's rivers and streams.

FOR POLIO ACTION

Texas Medical Association has joined with the State Department of Health in urging community-wide oral polio vaccine programs.

Both groups state that Sabin oral vaccine Type I and II are fully licensed and effective for infants and children.

More than 70 percent of the paralytic cases in Texas through September 15 occurred among persons who had received no Salk polio vaccination, says the Health Department.

However, polio cases are slackening off. Only two of the five cases

Cattle Feeding Conference Set For Corpus Christi

National authorities will bring visiting cattlemen up-to-date on latest developments in livestock industry circles at the Second Annual Cattle Feeding Conference in Corpus Christi, Dec. 5.

The Conference is sponsored by the Cattle Feeders Division of the Texas and Southwestern Cattle Raisers Association.

G. Cameron Duncan of San Antonio, chairman of the TSC-RA cattle feeders committee, said the conference is being specifically planned to present latest information in all phases of the cattle feeding industry.

Among the featured speakers will be C. W. McMillian, executive vice-president, American National Cattlemen's Association.

reported last week were paralytic.

THE REACH FOR POWER

Everybody wants it, but not many persons use it well. Very few who possess it know its dan-

gers and pitfalls well enough, yet people distrust it most when it belongs to others. It has corrupted kings and magistrates who have possessed it. Even the mighty have been consumed by it. They often become its victims, along with the ruled and the oppressed. Democracies are born when people wrest it from princes and dictators to establish popular government. Republics try to safeguard it through representation and free

elections. Citizens of free societies fear it. This thing is power. It is related to money, for one is not long separated from the other. Each seeks the other. This can be seen in the tremendous accumulation of power in the federal government, power which has accompanied vast outlays of tax money. It can be said that the executive branch of our government is the world's biggest business, in terms of power and money involved. (The term business, however, is hardly appropriate to describe a non-productive organization which nearly always operates on deficits.)

The Big Reach

A total budget approaching \$100 billion only begins to tell the story of federal power. Other multi-billion funds and aid programs are in its care. Some 5.2 million employees (civilian and military) are on its payrolls. It maintains 2,283 agencies for conducting its programs and scatters billions of dollars all around the world. It owns real estate more than 2½ times the size of Texas. Its debt ceiling apparently knows no limit, having been recently raised to \$308 billion to permit more borrowing for more spending. This Administration has sent to Congress more than 200 requests for action involving money and credit.

With its great spending, lending, and contracting authority, the federal government is more powerful than any single segment of business. These powers are feared generally by business, especially since that awesome demonstration of power last April during the steel crisis. That display of federal power involved economic pressures and government orders as well as police power. Was this not the same reach for power that despots have shown through the centuries?

Toward Nationalization?

Was it a calculated step toward nationalization of industry, to bring still more power to the central government? As one reviews the steel episode, it is difficult to see how that display of power can be explained except as part of a general reach for power that tends more and more to take industry under the wing of government. The economic facts did not justify the decisions made by the White House at that time. It is no secret that some government officials are ready to shove any sick or crippled industries another step toward nationalization. Steel was, and is, an industry in trouble. Over a ten-year

period in which prices were raised 50 percent, hourly employment costs rose 88.7%, so that profits came down 20.7 per cent on each dollar of sales. Faced with competition from abroad, steel needs desperately to invest in modern plants and new machinery. But who wants to lend to an industry that is not allowed to make profits? The industry has been operating at little more than half its capacity, and profits have been impossible for some of the companies. Several of the very largest producers have had to pay out more money in dividends than they earned.

Power Can Ruin U. S.

The attempt of U. S. Steel to test the market last April, with an increase amounting to less than three-tenths of a cent per pound, was denounced by the Administration as a threat to the welfare and security of the nation. Steel still faces the same problems. If it can keep down its costs of making steel, it can weather the crisis. But if and when it believes the market justifies it, steel producers ought to ask the public, not the government, for price relief. There is not one law against business determining the fair prices it will ask. The market determines

whether it can do so.

Congress has given no power to the executive branch to control prices. Yet it reaches for power to control private industry. Each example of power leads to demands for more, until the ultimate in government power is reached in "socialization" or "nationalization" of industry. Such a goal is not in this nation's best interests and is a sure road to decay and ruin. Power, whether granted by Congress or assumed gradually without legal basis, can take away all freedoms, and make America no longer a land of opportunity.

The Federalists and the Republicans were the first two major political parties.

Terry B. Sanders Transferred To Argentina

Terry B. Sanders, Jr., a veteran in the foreign service of the United States, will be the new Director of the Agency for International Development Mission in Argentina. Mr. Sanders took the oath from Teodoro Moscoso, U. S. Coordinator of the Alliance for Progress, in a State Department ceremony at noon Sept. 24. Besides heading the AID Mission, Mr. Sanders will be responsible for economic affairs for the Embassy in Buenos Aires.

A foreign service officer for the past 22 years, Mr. Sanders has most recently been counselor for political affairs of the Embassy in Rome and before that was Deputy Chief of Mission in Rangoon Embassy. He has served on four continents. In addition to serving in the Far East and Europe, Mr. Sanders has held posts in both North and South America. He speaks Spanish fluently. During World War II, he was third secretary of the Embassy in London and subsequently held positions in Spain and Canada.

After graduating from Yale with the class of 1939, he received his master's degree the following year from the Fletcher School of Law and Diplomacy. Mr. Sanders' educational background also includes a one-year assignment to the National War College, 1938-39, and detached duty to study economics at the University of Michigan during the academic year 1951-52.

Mr. Sanders was born in Memphis, Tennessee, on November 13, 1917. He is married to the former Elizabeth Barnes of Santa Anna, Texas and they have two sons. His family will accompany him when he leaves Washington next month to take up his new duties in Argentina. Mr. Sanders is replacing Albin W. Patterson, long-time foreign-aid official who has been Mission Director in various Latin American countries serving since November 1958 in Buenos Aires.

Hand punches at the News office.

MRS. R. E. TUCKER SERVICE MONDAY

Mrs. R. E. Tucker, a longtime resident of Santa Anna, died in McPherson, Kan. Saturday while visiting a daughter.

Funeral was held at 10:00 a. m. Monday at the Sacred Heart Catholic Church in Coleman, with the Rev. Leopold Bujnowski, priest in charge, officiating. Burial was in the Santa Anna Cemetery under the direction of Stevens Funeral Home. Rosary was said Sunday night.

Mrs. Tucker was born Dec. 14, 1890 in Santa Anna and was married here on May 4, 1913, to E. R. Tucker. She spent her entire life in the Santa Anna area. She was a member of the Catholic Church.

Survivors are 3 sons, Arthur of San Antonio, Roy E. of Midland and George W. of Greenville, S. C.; two daughters, Miss Inez Tucker of Santa Anna and Mrs. Sarah Sybil Williams of McPherson, Kan.; four sisters, Mrs. Bessie Goodgion of Brady, Mrs. Floy Haynes of Gustine, Mrs. Georgia Spencer of San Angelo and Mrs. Deon Weathers of Santa Anna; three brothers, Loren L. Williams of Brownwood, Emil D. Williams of Pampa and Roland Williams of Grand Prairie; 14 grandchildren and a number of nieces and nephews.

Weekend visitors in the L. R. Bibrey home were their granddaughter, Miss Lovann Goodman from New York, here to finish her senior year in Texas; Mr. and Mrs. Frank Shaw of San Sabá; Mrs. B. J. Wilson and daughter, Janice, of San Antonio.

Visitors with Mrs. Shorty Ellis during the weekend were her daughter, Mrs. Irene Buckley of Marietta, Okla., and a daughter-in-law, Mrs. John Ellis and daughter, Judy, of San Diego, Calif.

Attend church regularly.

It's Time For... EYE CARE

Dr. Newton K. Wesley
FACTS ABOUT THE EYES

When one thinks about the eyes, he thinks of them as very sensitive. But, actually we have learned the eye is not as sensitive as we thought, and consequently, many eye problems occur without prior warning. This is why we stress the importance of regular eye examinations. According to the National Eye Research Foundation, this should be done every six months.

Wesley

One's eyes appear darker or lighter from grey, blue, etc., to the very dark black eyes, due to the amount of pigment which determines the amount of coloring in the eye.

Eyes can be made darker through the use of contact lenses, but not lighter unless you use a cosmetic lens which is one where the pupil is left clear and the outside portion of the iris, or colored section, is actually painted in. This does not restrict the pupil size and the field of vision, but it is not recommended unless it is for a specific purpose such as acting. This is done only with the consent and knowledge of your eye doctor, however.

Lorraine Collyns, Bill Jack Harris Plan December Wedding In Midland Church

Lorraine Collyns

Midland — Mr. and Mrs. W. H. Collyns of Midland announce the engagement of their daughter, Theresa Lorraine, to Mr. Billie Jack Harris, son of Mr. and Mrs. Milford Harris, of Santa Anna.

Miss Collyns is a graduate of Midland High School and attended North Texas State University. She was graduated from the American Airlines Stewardess College at Fort Worth and presently is a flight stewardess for American, based in Dallas.

Mr. Harris is a graduate of Howard Payne University and now is associated with the Hughes Tool Company at Snyder.

The wedding will be held December 1 in the First Presbyterian Church of Midland.

ENGAGEMENT ANNOUNCED

Mr. and Mrs. Willie O. Barkmeyer of Coleman, announce the engagement and approaching marriage of their daughter, Barbara, to Tommy R. Pollock, son of Mr. and Mrs. M. R. Pollock of Santa Anna. The bride-elect attended Coleman High School. The prospective bridegroom is a 1961 graduate of Santa Anna High School. He is employed by Perry Bros. Inc., and is the assistant manager of their store in Center.

The marriage date has been set for October 18, at 7:00 p. m. at the Concho Baptist Church in Coleman with Rev. Paul Smith officiating. Following the ceremony the couple will leave for East Texas, where they will make their home.

Sorority "Kick-Off" Social Held Monday In Bowker Home

The Delta Omicron Chapter of Epsilon Sigma Alpha held their "Kick-Off" social at the home of Mrs. Kenneth Bowker Monday evening, October 1.

Mrs. Bowker was dressed as the football coach and co-hostesses were Mrs. Felton Martin, as the water boy; Mrs. Burgess Stewardson and Mrs. Billy Campbell, the cheer leaders; Mrs. Delburn Rice, the football player; Mrs. Roy England, the referee; Mrs. Rodney Dean, Mrs. Jake McCreary and Mrs. Jim Rutherford, the cheering section.

Various football parlor games were played with hot dogs, potato chips, cup cakes and drinks being served during the half-time activities. The games continued and pop corn was served during a "time-out."

Others attending were Mmes. Ruby Markland, Elgean Harris, Tenneson Granad, Allyn Gill, Montie Guthrie, Billy Haas, John Pricer, Jerry Clark, Graham Fitzpatrick, Rayma Lee Allen and Charlotte Moseley and Patricia Davis.

Sunday visitors in the C. E. McCarrell home were: Otis and Donald Trull, Mrs. C. J. Smith and Mr. and Mrs. John Kinsey of Coleman, Mr. and Mrs. W. F. Trull of Adamsville and Mr. and Mrs. Ross Dobbins, Mark, Vickie, Sue and Billy Jack of Glen Cove.

TROY EVANS RITES HELD THURSDAY

Funeral services for Troy Evans, 67, of Coleman, were held at 3:30 p. m. Thursday of last week in the Stevens Memorial Chapel in Coleman with the Rev. Archie Phillips officiating. Burial was in the Santa Anna Cemetery under the direction of the Stevens Funeral Home.

Mr. Evans died in the Coleman Hospital on Tuesday, after a lengthy illness. He was born June 17, 1895 in Mills County and was married to Cora Lee Martin in Santa Anna February 1, 1933. He spent most of his life in the county and had lived in Coleman since 1944.

He was a retired city employee and a member of the North Coleman Baptist Church.

Survivors include his wife; four daughters, Mrs. Mary Ann Jackson of Ballinger, Mrs. Edith Rose Evans of Quanah, Mrs. Violet Alcorn of Grand Falls and Mrs. Anna Bell Gray of Coleman; two sons, Lorenzo Evans of Camarillo, Calif., and Billy Gene Evans of Monahans; five sisters, Mrs. Minnie Dugins of Brownwood, Mrs. Willie Copeland of Three Rivers, Mrs. Addie Fuller, Mrs. Annie Mae Powell, both of Santa Anna and Mrs. Lavern Aldridge of San Angelo; five brothers, Bud Evans of Santa Anna, John Evans of Odessa, Bob Evans of Bridgeport, Jim of Tulsa, Okla. and Dan of Austin; several grandchildren and several great-grandchildren.

Thad C. Caton Rites Held In Portland, Oregon

Funeral services were held in Portland, Oregon Tuesday, Sept. 25, at 2:30 p. m. for Thad Collins Caton, who died Friday, Sept. 21 at Medical Center Hospital in Portland.

Mr. Caton was born in Santa Anna October 18, 1900. He left here as a young man and had been a resident of Portland since 1943.

He was an accountant for the Portland Stevedoring Co. for more than 17 years.

He is survived by his wife of Portland. Local survivors are two sisters, Mrs. Emzy Brown and Mrs. Lester Newman, and an uncle, Curtis Collins, all of Santa Anna.

Hints On Fall Care For Lawns Outlined

Beautiful lawns just don't happen, but are the result of carefully made and carried out plans. A fall application of a complete fertilizer made 30 days before the first expected frost is suggested by E. M. Trew, extension pasture specialist, as a part of the lawn care program.

Such an application, he says, will keep the grass green longer in the fall and give it an earlier start next spring. Too, when lawn grasses go into the winter in a healthy, vigorous condition, winter and springs weeds have less chance to grow and are less of a problem.

But don't wait too long to

make the application, advises Trew, for summer grasses pushed into lush growth by late fertilization may be damaged by a hard freeze. Also, applying the fertilizer too late prevents the grass from making full use of it before going dormant.

The specialist suggests using a fertilizer with a 2-1-1 or 1-1-1 ratio at a rate to supply two pounds of actual nitrogen for each 1,000 square feet of lawn. Twenty pounds of 10-5-5 or 10-10-10 or 25 pounds of 8-8-8 will provide this amount of nitrogen, he says. Though some soils do not need potash, Trew says its use is good insurance and the cost is small. The results may be very good.

He suggests dividing the fertilizer into two equal parts — apply half — then spread the remainder at right angles to the first application. This will help insure even distribution, he said.

After the fertilizer has been applied, the lawn should be irrigated. If the soil is dry, apply

enough water to soak it to a depth of six inches or better until the moisture meets. If the soil is wet, just wash the plant food from the grass, explains Trew. Moisture is necessary for dissolving the fertilizer and making it available for use by the grass.

Mrs. J. I. Galloway of Sour Lake is here visiting her son and wife, Mr. and Mrs. Chester Galloway.

TSCRA Meets In Wichita Falls

Cattlemen attending the quarterly board of directors meeting of the Texas and Southwestern Cattle Raisers Association in Wichita Falls, Sept. 23, reaffirmed their stand in favor of freedom of the individual.

They passed the following resolution: "Whereas, marketing of cattle and other livestock

through the individual producer's discretion has provided the consuming public with high quality meat products at reasonable cost, therefore, be it resolved that the TSCRA vigorously opposes actions and methods by any organization to create false market supplies and prices."

The cattlemen also were brought up to date on the latest developments in the screwworm eradication program for the Southwest. C. G. Scruggs of Dallas, president of the Southwest Animal Health Research Foundation, said the SAHRF needs \$1,300,000 in voluntary contributions to complete its screwworm eradication budget for the year. He said a campaign will begin in all counties Oct. 14 so that every livestock producer will have an opportunity to invest in this program.

Santa Anna Mountaineers Take Thrilling Win Over Clyde Friday, 24-22

The Mountaineers took a thriller from the Clyde Bulldogs Friday night by a close 24-22 score. Only the margin of a safety, scored by the Mountaineers early in the fourth period, separated the two teams when the final gun sounded.

The first period was scoreless with neither team getting close to the goal line. In the second period the Mountaineers continued a drive started in the first period and went 64 yards the hard way to score, with Randy Brown making the last yard on a wide end sweep. Freddie Colbaugh went wide for the 2 extra points. The Bulldogs scored in the same period after taking over the ball on the Santa Anna 24-yard line when the Mountaineers got mixed up on the down. They made their extra points, to make the half time score 3-8.

The Mountaineers drove 60 yards in the third period and scored with Brown going the last 6 yards wide around left end. Tinker Dockery went through right tackle for the 2 extra points. After the kickoff the Bulldogs drove to the Mountaineer 39 and punted to the 18. On the next play the Mounties fumbled and Clyde recovered on the Santa Anna 14. It took just two plays for the Bulldogs to score. Then they made their extra points, making the score 16-16 at the end of the third period. As the period ended the Mountaineers were driving to the Bulldog goal line again and were on the 16. The Bulldogs intercepted a pass on the first play of the fourth period on their 3-yard line. On the next play Frank Valdez and another Santa Anna boy tackled the Bulldog quarterback in the end zone for the safety and the 2-point victory margin. Later in the period the Mountaineers scored again but failed to make the extra points. Then Clyde returned the kickoff 73 yards, to the Mountaineer 7-yard line and would have scored if it had not been for Bill Horne, who managed to force the runner out of bounds on the 7. However, the Bulldogs scored two plays later with 2 seconds left in the game. They did not make their extra points and Simmons let the clock run out just after the kickoff.

It is doubtful if Horne knew he could run as fast as he did, as the man he forced out of bounds was Alton Branman, reputed to be one of the fastest men in this area of the state. Determination has a lot to do with it and Horne was determined as he came at him from an angle.

The Mountaineers were still committing numerous infractions of the rules, causing them to be penalized six times for a total of 80 yards, plus numerous more yards in gains that were wiped out by the penalties.

The first quarter was mostly exchanging punts. Each team made only one first down each. After the second period score, when the Mountaineers made two first downs, the local boys could not move enough to make another first down. Clyde made four first downs in the second period, two on their 24-yard TD drive and two on two long passes completed early in the period. In the third period the Mountaineers made two first downs and the Bulldogs made only one. In the fourth period the Mountaineers made five first downs and Clyde made only one. Both teams tumbled and lost the ball three times each.

FOOTBALL ROUND-UP

The Mountaineers took their third win in a thriller Friday night as they managed to get in the lead and either stay tied or in the lead through the final three periods of the game. They won over a tough Class A foe, the Clyde Bulldogs, 24-22.

As in the past two games, the heavy penalties hurt the Mountaineers on several occasions.

Brown led the scoring with three touchdowns. Dockery and Colbaugh made two extra points each and Frank Valdez and another Mountaineer brought the Mountaineers the 2-point victory edge when they tackled the Clyde quarterback in the end zone for a safety.

The Early Longhorns kept their perfect record in tact Friday night by trouncing the Hico Tigers 37-8. This makes Early a 4-0 season record thus far. The 190-pound fullback, Ken Lankin, led the parade with four TDs on runs of 2, 1, 24 and 1 yards. QB Newberry passed to end Gary Williams for another TD. Williams kicked 3 extra points. Lankin run across 2 and Newberry passed to end Mike Bennett for another. The Longhorns scored in the first, third and fourth periods.

Copperas Cove took their third defeat of the season at the hands of Reichler of Waco, 30-6. The defending champion's quarterback went 15 yards in the third period for the only Bulldog tally. Reichler scored one TD in each quarter but missed the extra points in the fourth period.

The Bangs Dragons did not have a game this week. Thus, they remained the same with two wins and one loss.

The Goldthwaite Eagles swarmed all over the Class AA Comanche Indians to the tune of 40-8 for their third big win of the season. Halfback Benningfield scored three times on runs of 43, 23 and 16 yards and rolled up 205 yards rushing in 15 carries. The Eagles have lost only one game, a close 2-8 game to Class AA San Saba. They won over Dublin 30-12 and Evant 44-0, added to their 40-8 win Friday night.

The Burnet Bulldogs came through with their third win of the season by romping all over Round Rock 33-0. Burnet has suffered one loss this season and that was a close 7-3 defeat at the hands of Class AA San Saba.

Marble Falls took their third straight loss of the season at the hands of Johnson City, 29-6. The Mustangs of Marble Falls have scored only 12 points this season and have given up 94 points.

Teenagers Should Date Within Their Own Age Group

THE WEEK'S LETTER: "I am a boy of 16 and I am fed up with these 13-year old girls and boys feeling mistreated because their parents won't let them go riding around in cars or go out on dates with older boys. I can tell you from experience that it is no fun going with somebody three years younger—because they cannot go out on dates and their parents are always "keeping a close eye" on their little daughter. It is strictly not any fun. But, I don't hold it against the parents. They have

the responsibility of bringing up their child right. So, I just want to tell you older boys that, if you're smart, you'll keep away from girls who are too young."

OUR REPLY: Thanks, Bill. And, take our word for it, things are pretty much the same everywhere as they are in Missouri. Parents have a responsibility to their children and most of them accept this responsibility. This makes it pretty tough for a 16 year old boy to date a girl who is

three years younger. Sometimes an older boy may encourage the girl to "slip out" on dates or deceive her parents in some way. Without exception, this leads to "getting caught" and to much more trouble than it is worth. As an example, suppose the girl is injured in an automobile accident caused by the boy's carelessness. This lad is in double trouble. The girl's parents are not likely to go easy on him since their daughter was out with him against their wishes. It's a big chance to take just for a date.

This column has repeatedly supported the idea that teenagers should stay within their own age group. These formative, important years should not be spent with friends who are too young or too old. As we grow older, age differences become less and less important. In teen times, two years is sometimes too much, three years is a mighty big spread.

If you have a teenage problem you want to discuss, or an observation to make, address your letter to FOR AND ABOUT TEENAGERS, NATIONAL WEEKLY NEWSPAPER SERVICE, FRANKFORT, KY.

ROCKWOOD WSCS REGULAR MEETING

Mrs. R. L. Wiginton of Brownwood, President of the Brownwood District of the Woman's Society of Christian Service and Mrs. W. A. Davis of Brownwood, District Treasurer, were guests of the Rockwood WSCS at the Methodist Church on Monday afternoon. Mrs. Wiginton gave a report on the Assembly of the Women's Division she had recently attended at Atlantic City, N. J., where some 13,000 women were present, representing 20 countries.

The meeting opened with group singing, "The Kingdom is Coming." Mrs. M. A. Richardson gave the scripture reading and led the Lord's Prayer. Mrs. John Hunter introduced the guests.

Cookies and coffee were served to Mes. Marcus Johnson, Aubrey McSwain, Tom Bryan, Cecil Richardson, Leffel Estes, Fox Johnson, A. L. Crutcher, John Hunter and the guests.

ROCKWOOD WMS SOCIAL MEETING

The harvest theme was carried out at the social meeting of the Woman's Missionary Society at the Rockwood Community Center Monday. Mrs. Claud Box and Mrs. Jim Rutherford were hostesses. The table was centered with a basket of fruit when gifts were presented to Mrs. Evan Wise, Mrs. Bill Steward and Mrs. Jack Cooper, who were observing birthdays. Mrs. Box and Mrs. Joe Wise directed recreation. Mrs. F. E. McCreary presided during the business meeting.

Pumpkin pie, whipped cream and Cokes were served to Mes. McCreary, Matt Estes, Ray Caldwell, Henry Smith, Bill Bryan, Evan Wise, Claud Box, R. J. Deal, Joe Wise, A. L. King, Jack Cooper, Jim Rutherford and Hilton Wise.

FEWER PASSENGER TRAINS

Missouri Pacific has asked the Railroad Commission to let it drop another pair of passenger trains. This time it is Trains Nos. 47 and 48 between Palestine and Houston. Hearing was set for November 13 at Houston.

PUZZLE NO. 723

GO TO CHURCH SUNDAY.

Our WASHINGTON Letter

By Congressman O. C. FISHER

ate proceeded to strike out the amendment. About the same time, a dispatch from London announced: "British Government has no present plans to ask Parliament for legislation to control shipping of Soviet cargoes to Cuba in British vessels, the Foreign Office said today."

At the same time West Germany reported steps were being taken to shut off that country's shipping trade to Cuba.

While this hassle is going on, a Soviet-Castro announcement says the Russians are to build a "fishing" port at Havana. This has every appearance of a smokescreen. Normally Soviet fishing grounds in this hemisphere have been limited up to now to the North Atlantic, rarely touching the Caribbean. Most Russian trawlers are semi-military, elaborately equipped with radar and devices to keep tab on Cape Canaveral Polaris missile launchings and other tests carried on there.

A Cuban fishing port can readily accommodate Red Submarines and Red torpedo boats, thus becoming a sort of Soviet naval base. This would threaten the Panama Canal and vital inter-American shipping lanes.

This is a brazen move not only to ridicule the Monroe Doctrine but also to provide a foothold from which the Russians could launch a war of subversion and indirect aggression against the Americas.

This threat is not limited to the U. S. A. It involves the entire free world. And this brings to mind recent words of President Kennedy: "If at any time the Communist buildup in Cuba were to endanger or interfere with our security in any way—then this country will do whatever must be done."

The Congress last week adopted a resolution supporting this position. It is the voice of America. It is high time that we demand that our allies line up behind us, cut out the shipping trade with Cuba, and face up to a grave menace. And the time is overdue for firm and positive action by Uncle Sam, either with the help of our allies or unilaterally. Our problem becomes more difficult by the hour.

SCREWORM FUNDS NEEDED

Texas Animal Health Commission will ask the Legislature for \$1,500,000 as an emergency fund to continue the fight against screwworms.

It will request another \$1,500,000 to make up the state's one-fourth of the \$12,000,000 program, with stockmen putting up \$3,000,000 and the Federal government \$6,000,000.

ANTI-AMENDMENT

A statewide group opposing the most controversial of the 14 proposed Constitutional Amendments is mapping its fight in Austin, with the help of Governor Daniel.

Under fire is the amendment which would empower the Legislature to require trial de novo in appeals from decisions of administrative agencies and executive departments of the state or political subdivisions.

STATE EMPLOYS 58,300

Latest figures compiled by State Officials for the Texas Almanac show fifty-eight thousand persons working for the State of Texas.

Per capita, the State of Texas functions with 65 employees for each 10,000 citizens. That is well below the 79 employee average for all states.

Texas is, in fact, among the lowest states. Some have nearly twice as many employees, per capita, as Texas.

110 COMMERCIAL AVE. — COLEMAN, TEXAS

Rockwood News

By MRS. JOHN C. HUNTER

The second annual Homecoming of the Rockwood Community is planned for Sunday, October 7, at the Community Center. Committee on arrangements is Mrs. Bill Bryan, Mrs. Henry Smith, Mrs. Hilton Wise, Mrs. Jack Cooper and Mrs. R. J. Deal. Miss June Calhoon of Coleman visited Friday to Sunday with Miss Ludy Jane Crutcher. On Saturday night Mr. and Mrs. A. L. King were guests in the Crutcher home and enjoyed ice cream and music, celebrating Mrs. King's birthday.

Recent guests with Mrs. Crutcher were Mrs. J. A. Hunter, Mrs. M. D. Bryan, Mrs. Mena Shuford and Mrs. Kate McIlvain.

Mr. and Mrs. Sherman Heilman spent Sunday in Coleman with Mr. and Mrs. John Fulbright and boys.

Mr. and Mrs. Bailey Hardy and Pete of San Saba spent Saturday with Mr. and Mrs. C. F. Nevans.

George Rutherford was admitted to the Santa Anna Hospital Sunday, seriously ill.

Mrs. Lee McMillan is a patient in the Santa Anna Hospital. Mr. McMillan is at McCloskey V. A. Hospital in Temple for a check-up.

Mrs. N. J. Buttry is still very ill in the Santa Anna Hospital. Her daughter, Mrs. Bill Rehm is with them at this writing.

Mr. and Mrs. Jack Cooper met Mr. and Mrs. Charles Sheffield and Mike of Midland at Bronte Friday and brought Mike for the week. LaQuinn Cooper and Fran Higgins, students at Tarleton College, spent the weekend with home folks.

Mr. and Mrs. Monte Robicheaux and Kelley of Fort Worth, spent the weekend with Mr. and Mrs. Tony Rehan and Wade. Mrs. Robicheaux and Kelley remained for the week. Mary Rehm of Tarleton College was home for the

weekend. Mrs. Jim West and Cleve of Midland spent Saturday night with Mr. and Mrs. M. A. Richardson.

Last Wednesday Miss Ludy Jane Crutcher visited Grandmother Crutcher in Coleman and with Mrs. N. J. Buttry in the Santa Anna Hospital. She visited Mrs. McDonald and Dorothy on Thursday. Mrs. Crutcher visited Mrs. J. A. Hodges and children and Grandmother Crutcher in Coleman on Friday. She and Ludy Jane again visited Mrs. Buttry, Mrs. Lee McMillan and Mrs. Harris at the hospital.

John Hunter was dismissed from the Brownwood hospital last Tuesday. He appreciated the flowers and cards. One card was addressed to "Mr. and Mrs." with a note saying, "If he is ill enough to be in the hospital, I know you are sick too." How right she was! Since Mr. Hunter was hospitalized with Phlebitis he especially appreciated the can of Flea powder presented by his pastor, Bruce Hornell.

Mr. and Mrs. Drury Estes, Mrs. Sherman Heilman and Mrs. Ray Caldwell visited recently with Mrs. Bob Johnson in Coleman.

Mr. and Mrs. Ralph Steward and Jimmy of Athens spent Friday night and Saturday with Mr. and Mrs. John X. Steward. Mr. and Mrs. Doug Avants and children of Brady were Sunday supper guests.

Mr. and Mrs. C. N. Davenport and Mrs. Myrtle Mosier of Coleman were Sunday guests with Mrs. Lee Miller.

Mr. and Mrs. Boss Estes and Mike took Gordon home and spent the weekend with Mr. and Mrs. Weldon Estes in San Angelo. The Rev. Douglas Estes is visiting in the Weldon Estes home a few days. Mr. and Mrs. Tom Bowers, Cora and Miss Belle Bowers of Coleman, Mr. and Mrs. Sam Estes, Mrs. Leffel Estes and Mrs. Cecil Day were recent guests in the Boss Estes home. Mrs. Bill Bryan was at Temple

Sunday to Wednesday of last week at the bedside of her father, L. G. Tucker. He is at home in Killean and is improving at this time.

Judy Bryan, a student at North Texas State University in Denton, was home for the weekend. Mr. and Mrs. Jerry McAlister of Coleman were Sunday dinner guests and Mr. and Mrs. Frank Edwards and baby of Brady were supper guests.

Recent visitors at the hospital with Mrs. Buttry have been the Rev. Bruce Hornell, Mr. and Mrs. Dick Deal, Mr. and Mrs. Woodrow Estes and girls, Miss Alta Lovelady, Mrs. L. L. Bryan, Mable Campbell, Mr. and Mrs. Leroy Casey and children, Rev. H. H. Barnett, Mrs. Lee McMillan, Mrs. Drury Estes, Mrs. A. L. Crutcher and Ludy Jane, Rev. Raymond Jones, Mr. and Mrs. Johnny Steward, Mr. and Mrs. Earl Cozart, Mr. and Mrs. Matt Estes, Mrs. Kate McIlvain, Mrs. Aubrey McSwain, Mr. and Mrs. A. L. King, Boss Estes, Rev. W. B. Morton, Mrs. Mena Shuford.

Rev. Bruce Hornell preached at the Methodist Church at both Sunday services. He was a dinner guest with Mr. and Mrs. Fox Johnson. Miss Bernice Johnson was also a dinner guest. Other callers were Jerry Johnson, Mr. and Mrs. Kenneth Brusenhan and Mrs. Kate McIlvain.

Garland McSwain of Dallas was home Tuesday and Wednesday. Mrs. McIlvain was a Sunday dinner guest with the McSwains and they went to Santa Anna for the Sabin Vaccine and visited friends in the hospital.

The Rev. Jan Daehert filled the pulpit at the Baptist Church at the Sunday services and was a dinner guest with Mr. and Mrs. James Steward and Jamie Kay.

Mr. and Mrs. Leroy Casey, Jerry Carl and Lana of San Angelo visited during the weekend with Mr. and Mrs. Carl Buttry.

Sunday guests with Mr. and Mrs. R. L. Steward were Mr. and Mrs. Polk Lankford of Abilene and Reed Steward of Lohn.

Visiting Sunday with Mrs. Mena Shuford were Mrs. Epha Bowers of Coleman, Mrs. Leffel Estes and Mrs. Cecil Day of Coleman.

Mr. and Mrs. Ercell Ellis of Valera and Dillard Ellis spent Sunday and Monday with Mrs. Dena Ellis at Colorado City and report her some improved.

Weekend guests with Mr. and Mrs. A. L. King were Mr. and Mrs. Gerald Sitterle and girls of Alice and Minnie Sitterle of Victoria.

A week ago Mrs. King visited with Mrs. Hyatt Modre, Mrs. Rosa Belle Heilman and Mrs. Lee Miller. The Kings visited Mr. and Mrs. Willie King in Coleman. This past Sunday they visited the Carl Ashmores and with Mrs. Fred Turner and her guests, Mrs. Artie Mae Crump and Miss Sammie Stewardson of Coleman.

Mrs. Tom Bryan spent Tuesday to Friday of last week in San Angelo with the E. D. Black family. She went to Brownwood Monday to spend a few days with her sister, Mrs. Winifred Stark and to be with her niece, Mrs. Charles Jetton, who had surgery Tuesday.

Mrs. C. F. Nevans went to San

Angelo Tuesday for a few days in their home there.

Mr. and Mrs. Sam Estes and Kelley of Sweetwater visited last week with Mrs. Moore and Mrs. Rosa Belle Heilman. Edwin Fowler of Coleman visited Sunday afternoon.

Mr. and Mrs. Paul Riddle of Coleman were Sunday afternoon guests with Mr. and Mrs. Claud Box. Mrs. Riddle and Mrs. Box visited with Mrs. Lon Gray.

Don Hunter, a student in HPC in Brownwood, was home Monday night. Mr. and Mrs. Tommy Briscoe and children of Waldrip were also guests.

Tuesday morning — We are told Mr. McMillan came home last night and Mrs. McMillan will be dismissed from the hospital today. Mrs. Buttry will probably be dismissed also.

Mr. and Mrs. Matt Estes went to Bovina Friday to visit Mr. and Mrs. Herman Estes and Mr. and Mrs. Vernon Estes. They took Billy Matt McIntire to work at the gin. They visited with Mr. and Mrs. Donnie Estes at Abilene.

Recent guests with Mr. and Mrs. Drury Estes were Mrs. Dee Mankins and Gaylon of Coleman and Mrs. June Thompson and Mike of Dallas.

About Your Health

Austin — For 16 million Americans the days between now and mid-January are the golden days of the hunt, perhaps the most avidly anticipated season on the sporting calendar.

It's a satisfying time with man in quiet communion with a bountiful nature.

Before it ends, an estimate 1,100,000 hopeful Texans—young and old of both sexes, skilled and unskilled—will have taken to the field in eager expectation.

Fleet morning doves are present targets of a thousand guns by virtue of a 60-day north zone season which opened September 1 and runs through October 30. The south zone opens September 25 through November 23.

Duck season in Texas this year runs from December 6 through

December 30. For deer and turkey it begins November 16 and lasts until December 31. Quail shooting becomes legal December 1 until January 16.

In all instances, date variations and game bags are subject to county laws.

With such concentrated shooting activity, particularly when novice gun-handlers are involved, it is obvious that the chances of accidental injury or death jump drastically.

Twenty-two hunting enthusiasts of varying ages met untimely deaths during last year's season, either killed by their own hand or by others. Reports of their deaths tell a grim story of errors in judgement or outright carelessness.

Four hunters virtually com-

mitted suicide by climbing through fences with guns in hand, in defiance of countless words of caution against such a practice.

Three were killed when they stumbled or fell while walking wooded trails with their weapons loaded and cocked.

Two others were shot to death in accidents resulting from falls from trees. Another hunter was killed while a companion was handing him a loaded gun.

Four were killed in accidents involving the carrying of loaded guns in automobiles.

The remaining eight were killed as a result of being mistaken for game, or while unloading or otherwise mishandling firearms.

There will be additional deaths as this year's season progresses. The final toll can only be influenced by the common sense of the hunters themselves.

(A feature of the Health Education Division, Texas State Department of Health.)

blank back through the mail with instructions and information pertaining to the hunt.

The areas on which hunts will take place and the dates are as follows: KERR AREA: in Kerr County near Kerrville, Nov. 16-25 and Nov. 28-Dec. 7. 400 permits will be issued. ANGELINA AREA: in Sabine and Cherokee Counties Nov. 16-20 and Nov. 24-28. 800 permits will be issued. BLACK GAP: in Brewster County near the Big Bend National Park, Dec. 1-14 with 500 permits. SIERRA DIABLO: in Hudspeth and Culberson Counties near Van Horn, Dec. 1-14, with 100 permits. ENGELING AREA: in Anderson County, Nov. 16-21, Nov. 26-Dec. 1 and Dec. 6-11, with 360 permits to be issued.

BLACK GAP QUAIL HUNT SET FOR NOVEMBER

Austin—The Texas Game and Commission is now accepting requests for applications to hunt scaled (blue) quail on the Black Gap Wildlife Management Area near the Big Bend National Park in Brewster County. There will be two 2-day hunts with 80 permits to be issued for both hunts, or 40 permits per hunt.

The hunting dates are Nov. 15 and 16 and Nov. 18 and 19. These will be all day hunts and hunters will be allowed to kill 12 quail each day. All details of the hunt will be included in the application packet which will be mailed to each individual sending in a request. The deadline for receipt of the application in the Austin office will be 8 a. m. Oct. 31, so get it in the mail now. A postcard will be sufficient.

GO TO CHURCH SUNDAY.

The News, Santa Anna, Texas, October 5, 1962

SEED-BED PREPARATION FOR GRASS

Have you been thinking about planting that old steep, rocky and unproductive field of yours to permanent grass next spring? If so, just as for cotton or any other crop, you will need the proper type seed-bed. It is even more important to have a proper seed-bed for grass due to the smallness of the seed.

The seed-bed should be firm, not loose, to allow shallow planting of these small seed. A firm seed-bed is also important from a moisture relationship. Firm soil will not dry as rapidly in the upper inch as a loose soil due to there being less air space. An ideal seed-bed for grass might be one such as prepared for small grain in September, leaving it fallow until late March when it should be cut out lightly with a tandem disk. You would then be ready to plant grass.

If your soil is bad to form a crust it may be necessary to grow a dead-litter crop and either mow or schred it, leaving

all litter on the soil surface. Plant your grass in this litter the following spring and control weed competition by spray or mowing as needed.

Texas Personal Income At Record High In 1961

Personal income, the most comprehensive gauge of consumer purchasing power available on a state basis, totaled \$414 billion for the country as a whole in 1961, a rise of \$15 billion, or 4 percent over 1960, according to Harry C. Meyers, Manager of the Dallas Field of the U. S. Department of Commerce.

Nationally, per capita income last year amounted to \$2,263 or 2 percent above the previous record of \$2,215 attained in 1960, Mr. Meyers stated.

In Texas, the rise in personal income was up 6 percent in 1961 over 1960, against the rise for the nation of 4 percent. Total personal income for Texas in 1961 was \$19.5 billion, up a billion dollars, from \$18.5 billion in 1960.

Evening Worship (8:00)	84
Training Union (7:00)	65

The church extends a cordial invitation to all Homecoming visitors to attend services Sunday morning. All visitors will be recognized.

NORTH SIDE BAPTIST CHURCH	
Enrollment	81
Sunday School (10:00)	64
Morning Worship (11:00)	70
B. T. S. (7:00)	27
Evening Worship (7:45)	36

The evening message will be the third of a series on the Seven Dispensations of Time.

Ford Barnes Family Visits In San Antonio

Mr. and Mrs. Ford Barnes accompanied by their daughter and her son, Christie Sanders, drove to San Antonio Friday afternoon, where Mr. Sanders, who flew into San Antonio Saturday from Washington, D. C., joined them.

They were all guests of Dr. and Mrs. James Q. Barnes until Tuesday, when the Sanders family took a plane to Buenos Aires, Argentina. Mr. Sanders will be Minister of Economics for the American Government in our Embassy there.

The Sanders spent the summer in Santa Anna, coming here from Rome, Italy, where during the past year he served our government as Chief of the Political Division.

Mr. Sanders spoke several times to different organizations while in Santa Anna and appeared on television on two occasions in San Antonio.

Carbon paper and sales pads at the News office.
