THE AMERICAN WAY

WITH WHAT PURPOSE?

By Rosalie M. Gordon

Washington, as well as other parts of the country, has been rife with talk about a "Kennedy Dynasty." The dictionary definition of a dynasty is "a race or succession of kings of the same line or family, or their continued lordship." No one has to be told that such a thing is the exact opposite of the American form of government.

Of course, there is nothing evil in itself — in fact it can be a very good thing — for members of the same family to dedicate themselves to public service. But there are two points about this so-called dynasty-building which are causing serious head-shaking. One objective is purely political — the great difficulty in countering the ambitions of a supposedly dynastic family when one of its members occupies the White House.

CONCEPT OF GOVERNMENT

The other point is much more basic. Serious-minded Washington observers are not so much troubled about the proliferation of the Kennedy family in places of power. Their worry arises from the threat to the fundamentals of our system when all this is put in the framework of an attitude of mind which is perceived on the part of the New Frontiersmen. As an example they point to the President's remark in a political speech in which he said that what the country needs to "move forward" is a Democratic House and a Democratic Senate. This aroused a good deal of amusement because the President, of course, has had a Democratic Congress ever since he took office. As the N. Y. "Daily News" asked pointedly, if somewhat irreverently: "What, for the love o' Mike, have you got, Jack?" But the President's demand did reveal that what he seems to want is not a Democratic Congress — he already has that — but a compliant Congress, compliant to the wishes of the Executive. He seemed to think the business of the Congress is to do what the President wants. Naturally, this added fuel to the flames of the dynasty-building charge, because to many it indicated that the New Frontiersmen do not understand or would like to abdicate a basic principle of our form of government — the separation of powers designed to prevent tyranny by an Executive who can make the Congress do his bidding. The Senate represents the states of the American Union. The House represents directly the people who elect its members. Neither body represents the President.

OTHER EXAMPLES

Unfortunately, this remark of the President's was not a single instance of mere campaign oratory. Last March, for example, at a press conference the President said "There is no sense of senators representing five million people, sitting next to a senator representing 10,000 people." It was indeed strange that a man who had sat in the U. S. Senate seemed unaware of the fact that the Founders deliberately set up the Senate to represent each state as a state, leaving the House to represent the people directly according to their numbers. That's why there are two senators from each state, regardless of its population.

CONSTITUTION

Coming on top of all this, an address by the President to 5,000 college students did nothing to ease the worry over the intentions of the New Frontier. No one knows whether the ideas in that speech were the President's or those of his liberal-leftist advisers. But its obvious purpose was to tell these students that the Constitution of the United States is old hat. The President said the Constitution "was written for an entirely different period of our nation's history. It was written under entirely different conditions." Whether the New Frontiersmen know it or not, the Constitution consists of a set of truths, principles and guidelines which do not change no matter how conditions change. Its purpose was to keep us free. Do the New Frontiersmen want to rewrite the Constitution without benefit of legal amendment — and with what purpose in mind?

Mrs. Rosa Bass Appointed Deputy Grand Matron

MRS. ROSA BASS

Mrs. Rosa Bass of Santa Anna was recently appointed as Deputy Grand Matron of District 3, Section 5, Grand Chapter of Texas, Order of Eastern Star. She was appointed by Mrs. Thelma McReynolds of Dallas, Worthy Grand Matron of Texas.

Mrs. Bass will be installed during the "Resplendent Light Installation", to be held in the Sam Houston Memorial Coliseum in Houston Thursday, November 1st. She was accompanied to Houston by her husband, Dick Bass.

The section Mrs. Bass will represent includes Santa Anna, Coleman, Brownwood, Bangs, Blanket, Zephyr, Comanche, Cross Plains and Indian Creek.

Her official visit will be made with the local chapter in a called meeting Saturday night, November 3, at 7:30 p. m. at the Masonic Hall.

Among others installed at the same time as Mrs. Bass were Mrs. Thelma McReynolds of Dallas, Worthy Grand Matron; Hal Burnett of Alpine, Worthy Grand Patron; Mrs. Molly Goodpasture of Brownfield, Associate Grand Matron; Mrs. Amy Gobel of Waco, Grand Conductress, and a number of others.

Mrs. Bass also represented the local chapter at the meeting held in Houston Tuesday, Wednesday and Thursday.

Mrs. Bass also represented the local chapter at the meeting held in Houston Tuesday, Wednesday and Thursday.

Mrs. Fern Hoke has just returned from a two weeks visit with Mr. and Mrs. Hal Ragsdale at Ossining, New York. She also enjoyed several sightseeing tours in New York City. Mrs. Ralph Brisbane and sons, David, Dwight and John, of Woodstown, New Jersey, also visited in the Ragsdale home. Mrs. Brisbane is the former Joan McClellan and Mrs. Ragsdale is the former Sharon Hoke. The two girls had not seen each other in several years.

Mountaineers To Travel To Burnet For Big Game

The game scheduled Friday night between the Santa Anna Mountaineers and the Burnet Bulldogs is the most important game of the conference so far as the Mountaineers are concerned and at the present time so far as Burnet is concerned. Actually, it is a game that likely will decide the championship of District 9-A.

The Mountaineers are going to be faced with the tremendous odds against them. Several weeks ago the local team lost the services of Frank Valdez, a good man on the line or in the back field. It is not likely that he will be in physical condition to participate in the game this week. The past Friday night we lost the services of three other dependable men. First, Bill Horne, another good man in the backfield or on the line, got an ankle hurt early in the game and will not be in condition for the game this week. In the second period Gary Sudderth suffered an injury to his face and mouth that will likely keep him out of the lineup this week. Late in the second period Terry Blanton suffered a pulled muscle in his leg that removes him from the lineup this week. Injuries are going to severely handicap the Mountaineers Friday night.

Burnet has a good team — one that has given up only 31 points during eight games this season. During this time they have scored 182 points and lost only one game. They lost to San Saba by a 7-3 score and have won over Llano 10-6; Fredericksburg 21-0; Round Rock 33-0; Bangs 38-0; Early 32-12; Goldthwaite 19-6; and Marble Falls 26-0.

If the Mountaineers were at full strength, it might be possible they would have a slim chance of winning the game. But even then, they would have to be at their very best. With four of the starting line up out of the game, chances look rather dim for the Mountaineers.

It's a long trip to Burnet, but a good crowd of Santa Anna fans would be a big help to the Mountaineers.

High School News To Appear In Paper Each Week

Beginning this week a portion of The News will be devoted to the Beta Club of the Santa Anna High School. The Club, composed of nine members of the high school who are outstanding students, will assemble and write news items from the school each week.

During recent years we have had many requests for something along this line, from a number of our subscribers. However, previously we had not been able to turn the job over to any organization who would accept the responsibility each week.

We are proud to donate a portion of The News each week to the Beta Club and hope they will make good use of the opportunity to keep citizens of this area informed of the activities of the school. Judging from the items appearing in their first effort, they are going to do just that.

We hope you as readers of The News, will let the young people know that you also appreciate their effort.

Dep. Grand Matron To Visit Local Chapter Saturday

The Santa Anna Chapter No. 247, Order of Eastern Star, will have a called meeting Saturday, November 3, at 7:30 p. m. Purpose of the meeting is for the official visit of the Deputy Grand Matron of District 3, Section 5, Mrs. Rosa Bass. This will be Mrs. Bass' first official visit.

Mrs. Fannie Bryan and Rev. and Mrs. H. H. Barnett will be host and hostesses for the meeting. All members are requested to be present.

Mrs. Bubba DeSha, Sandra and Joyce and Mrs. Truitt Davis, visited their mother, Mrs. Baker, in Grand Prairie over the weekend.

City is Moving Street and Water Departments

The City of Santa Anna recently sold the lot just south of the City Hall to the Coleman County Telephone Cooperative and is now in the process of moving the Water and Street Department to the two buildings located just west of the post office.

Sealed bids are being ask this week on the tin building that has served as a warehouse and garage for the city equipment for a number of years.

The two buildings in the west part of town are presently undergoing considerable improvements and when completed will have nice new fronts on them. One of the buildings will be used for storage of the city light equipment and the other will be used as a supply house for city uses. The buildings will be connected with the City Hall by private telephone lines.

Some remodeling is also to be done at the City Hall. The small storage room located on the east of the City Hall will become the storage place for the third fire truck, now being stored in the tin building. Plans call for the door to be enlarged and fixed in the same manner as the entrance to the present location of the fire trucks.

The City Water Superintendent will have an office in one of the buildings at the new location.

The telephone cooperative plans to build a completely new building on the lot purchased from the city.

Called Meeting of Quarterback Club

A. D. Bowen, secretary and treasurer of the Santa Anna Quarterback Club, announces a called meeting will be held at the high school Thursday, November 1, at 7:00 p. m.

Bowen said the organization has some very important business that must be taken care of and urged all members to be present.

Eighth Grade Officers Elected

The members of the Eighth Grade Class meet soon after school started and elected officers for the year, as follows: President, Carlton Watson; Vice President, Pat Boyet; Secretary and Treasurer, Susanna Hayes; Reporter, Ronnie Hartman.

Class sponsors are Mrs. Ruth Dodson and Mr. Don Davis. Jean Robnett and Billy Don Cupps were chosen to represent the Eighth Grade at the Halloween Carnival.

Services For Sam Grant Held Tuesday

E. R. (Sam) Grant, 53, of Fort Worth and a former resident of Santa Anna, died Sunday night in Fort Worth. A bank guard, Mr. Grant had lived in Fort Worth about 10 years.

Funeral services were held at the First Baptist Church at 2:30 p. m. Tuesday, with the pastor, Raymond Jones, officiating, assisted by Rev. H. H. Barnett, pastor of the First Methodist Church. Burial was in the Santa Anna Cemetery, under the direction of Hosh Funeral Home.

Mr. Grant was born December 2, 1908 at Rockwood. He was a member of the Baptist Church.

Survivors include his wife; two sons, Gene Rice of Sands Spring, Okla. and Kenneth Grant of Washington, D. C.; three sisters, Mrs. Robert Stearns and Mrs. Walter Stacy of Trickham and Mrs. Joe Haynes of Roanoke, Texas; and two grandchildren.

Pallbearers were M. R. Simmons, Roy West, Ben Vinson, Milton House, Jack Cooper and Cliff Herndon.

PTA To Meet Wednesday, Nov. 7

Mrs. Dorothy Harris, president of the Santa Anna Parent-Teachers Association, announces the regular monthly meeting will be held at the Ward School Cafeteria at 2:30 p. m. Wednesday, November 7. The program will be presented by Miss Ruth Odom's Fourth Grade on Thanksgiving.

There will also be a guest speaker present who will discuss the Eye Bank. All interested persons are invited to attend.

Tickets To Circus Go On Sale Here

Admission tickets to the Sells Bros. Circus, to be in Santa Anna Monday, November 5, went on sale this week at a number of local business places. The circus is being sponsored here by the Fire Department and they will receive a percentage of the proceeds to be used in their annual Christmas program.

Advance ticket sale is stressed by the firemen. They receive a much larger percentage of the proceeds of the advance sale than they do the sale at the gate.

The tickets are presently on sale at the Santa Anna Insurance Agency, Hartman Plumbing & Electrical Co., C. R. Owen Service Station, Eye Burden Mobil Service Station and The Santa Anna News.

The circus will move into Santa Anna early Monday morning and will be ready for their first performance by mid-afternoon. Performances will be presented at 4:30 p. m. and 8:00 p. m. at the Little League Ball Park in the southeast part of town. The show will be presented rain or shine.

General Election To Be Held Tuesday, Nov. 6th

The General Election will be held throughout the State of Texas Tuesday, November 6. All voting boxes in this area will be open from 8:00 a. m. to 7:00 p. m. Every qualified voter should go to the polls and express an opinion. There are a number of important questions at stake, such as the 14 proposed amendments to the State Constitution, as well as the election of a governor and all the state, district and half of the county offices.

Listed on the ballot will be all the state Democratic and Republican nominees for offices, as well as a few Constitution Party nominees and a place for write-in candidates for all offices. In order to have your ballot counted you must vote for only one persons for each office, with all other candidates for that office being marked out.

You may vote the straight Democratic ticket, or the straight Republican ticket, or if you desire you may split your vote.

Regardless of how you vote — go to the polls and express your opinion.

Ward School Honor Roll

James A. Harris, principal of the Santa Anna Ward School, announces the following students as being on the honor roll for the first six weeks period.

4th Grade: Nancy Lee Baugh, Janna England, Donna Greer, Cindy Hartman, Pamela Herring, Janice Rider, Gail Robnett, Billy Gay Rutherford, Jim See, Nivi Dell Stiles and Ruth Ann Walker.

5th Grade: Cynthia England, Sue Kingsbery, Elizabeth Ann Martin, Boots Walker, Pascal Hosh and Shelia Loyd.

6th Grade: Leta Pollock, Clela Pollock, Judy McIntire, Eddie Paul Voss, Johnnie Haynes and Jimmy Eubank.

7th Grade: Carolyn Rowe, Karen Dean, Dickie Horner, Mike England, Mike Estes and Bob Rutherford.

8th Grade: Loretta Broadway, Beth Irick, Carlton Griffin, Donnie Campbell, Norma Eubank, Susanna Hays, Marguerite Horner, Barrett Markland, Sonja Neff, Leanna Polock and Jean Robnett.

Tony Owen Gets First \$25.00 In Certificates

Tony Owen, young son of Mr. and Mrs. Ray Owen, was present when his name was called for the first \$25.00 in merchandise coupons, given by local merchants participating in the Fall and Christmas program.

Another \$25.00 in certificates will be given away at 8:00 p. m. Saturday, November 3rd. The program will be held at the Lions Club room on main street.

Reserved Seats For Burnet Game On Sale Here

Supt. Cullen N. Perry said all seats at the Burnet-Santa Anna football game, to be played Friday night in Burnet, would be reserved and the prices would be just a little higher than has been the custom here.

All seats will be reserved. Adult admission will be \$1.25 and student admission will be 50 cents. The admission tickets will go on sale in Santa Anna Thursday afternoon and may be purchased at the high school office or at Phillips Drug. No general admission tickets will be sold.

Mr. Perry said school would be dismissed Friday afternoon at 2:30 p. m. The football boys will leave by chartered bus at 2:00 p. m. and the band will leave by school bus at 4:00 p. m.

Mr. Perry said the Burnet school officials called and talked to him Tuesday afternoon about the admission prices. They have charged the same prices for the past several years and do not want to go back to the regular prices. Each school has the "privilege" of setting their prices with the agreement of the visiting school.

All who go to the game are urged to purchase your tickets before you leave here. Tickets assigned to Santa Anna will be on the visitors side of the field only.

1963 Wheat Program Begins

The sign-up for voluntary diversion of 1963 wheat land has begun.

The new farm law, passed this year by Congress, provides wheat diversion and additional price-support payments. These are in addition to, and supplement, the marketing quotas and price support already in effect for the 1963 wheat crop.

The Chairman of the Coleman County Agricultural Stabilization and Conservation Committee, Vernon Bullard, said today that wheat farmers of this area may qualify for diversion payments by taking out of production at least 20 percent of their wheat acreage. Special provisions apply to small farms.

Total price support available to growers taking part in the 1963 wheat stabilization program — who also are in compliance with their farm allotment — will be the local price support loan rate, based on a national average of \$1.82 per bushel, multiplied by the amount of the 1963 crop wheat you produce and place under the loan or purchase agreement, "plus" an extra payment of 18 cents per bushel on the normal production of your farm's 1963 wheat acreage.

Mr. Bullard emphasized more detailed information is available at the ASCS county office. He urged wheat farmers to come in and discuss their farm plans for the coming year.

State Capital NEWS

Austin — Attorney General Will Wilson issued an opinion that the Constitution Party of Texas cannot nominate members for district offices at its state convention.

But the opinion came a bit late. Election ballots already have been printed, and the tardy nominations are listed.

Secretary of State P. Frank Lake made the request for an opinion on Constitutional Party nomination procedure in September. The "third party" didn't release its list of nominations until early summer, whereas Republicans and Democrats had to comply with a law that says candidates must announce by the second Monday of February.

According to Wilson, the same law applies to the Constitutional Party.

HIGH COST OF LEARNING

Tuition for Texas' 20 state universities and colleges may be doubled by the time members of the 1964 high school graduating classes are ready to enroll.

Texas Commission on Higher Education decided to ask the Legislature to double tuition — from \$50 to \$100 a semester — and increase appropriations by

55 per cent during 1964-65.

Commission approved a \$4,000,000 boost in the previously recommended biennial budget of \$162,000,000; agreed to raise college presidents' salaries; and ordered its staff to look into the elimination of remedial writing and reading and tours from college curriculums.

Request for more money came after it was noted that this fall's enrollment of 110,000 students in 19 colleges was an increase of 9 per cent over last year, and the "war babies" will soon be knocking at the doors.

DEFICIT RISES

Deficit in the State's General Revenue Fund increased by almost \$13,000,000 during mid-October, according to a report from State Treasurer Jesse James.

On October 9, the State was in the red to the tune of \$41,250,349. By October 24, the deficit was \$54,074,283.

MAP PROJECT PUSHED

Absence of topographic maps of the entire state may be holding us back in the nationwide race for new industries.

At a meeting of the Texas Mapping Advisory Committee,

Harry Clark, director of the Texas Industrial Commission, said that topographic maps are very necessary to industries considering sites here. Chairman John J. Vandertulp said the maps are essential to industrial and agricultural planning.

Topographic maps are those that show the physical features of a region in minute detail.

When a mapping program of 73 counties is completed, Texas will be half-mapped.

ATTRACTIVE NUISANCES

State Health Department officials issued a warning against the use of arsenious acid containers for water bottles.

Field engineers recently found about 40 of the one-gallon size containers along the highway in Collin County. One had about one and one-half ounces of arsenic left in it — enough to kill more than 100 people.

Death of three members of a Josephine farm family was attributed to accidental poisoning caused by drinking water out of a container which had been used for cotton defoliation.

"These plastic bottles are attractive nuisances . . . and deadly," an official said.

RADIATION DETECTION PLAN

An officer of the Texas Department of Public Safety soon should be able to help out at the scene of a radiation accident or incident anywhere in the State in about 30 minutes. Col. Homer Garrison Jr. announced.

A stepped-up training program in radiation detection which began on October 29 is expected to provide enough trained men to handle any emergency.

Officers who have completed the course already are driving vehicles equipped with a Geiger Counter to measure very low amounts of radiation, a mid-range survey meter, and a high-

range meter.

Men also carry personal "Dosimeters" on their persons so they periodically can determine the amount of radiation they have been subjected to during the survey of an area in which radio-active spillage has occurred. Department's also helping to train members of city police departments, sheriffs' departments, rescue squads and other groups.

HIGHWAY HOME HELP

Property owners and tenants who become displaced by Interstate Highway right-of-way acquisition now are entitled to help from district engineers of the State Highway Department.

In compliance with the 1962 Federal Aid Highway Act, people who must give up their homes or property because of right-of-way acquisition can get relocation assistance.

Assistance will include listings of available rental and sale properties, referrals to services such as local housing bureaus and chambers of commerce, and similar advisory aid.

MOST SCENIC

Two Texas highways are finalists in Parade Magazine's Scenic Highway Award contest, and rank among the 20 "most scenic" in the U. S.

One is Interstate Highway 45, "The Way of the Pines," which runs through a wooded area southeast of Huntsville. The other is a section of F. M. Road 170, "El Camino del Rio," which traverses rough country along the Rio Grande between Lajitas and Redford.

A-G RULINGS

Sen. Louis Crump of San Saba asked the attorney general whether newspaper publication of a new State Constitution would be required before one could be adopted. "It would not," says Wilson.

A male juvenile, between 10 and 17, or a female juvenile, between 10 and 18, cannot be tried in a county court for negligent homicide in the second degree, Wellington County Attorney R. L. Templeton was informed.

A county court cannot commit a person to a mental hospital for any longer than 90 days.

A school district which does not teach high school grades cannot cancel or annul the transfer of one of its resident scholars to school district which

provides high school grades.

JOB TRAINING OFFERED

A plan to discourage high school "drop-outs" and retain adult workers was implemented when the Texas Employment Commission and the Texas Education Agency appointed an advisory committee to assist in carrying out the terms of the 1962 Manpower Development and Training Act.

Act, which became effective on August 1, was designed to provide occupational training in skills which can be learned in 52 weeks. Adult students who show satisfactory progress may be entitled to unemployment compensation while attending classes.

State Vocational Agency will arrange for facilities and instructors for local schools, but training will be under the complete direction of local educational systems.

Training programs for household appliance repairmen and for auto mechanics already are in operation, the former in Corpus Christi and the latter in El Paso.

CODE REVISIONS

Texas State Bar officers and directors have selected revisions in the Code of Criminal Procedure as number one on its 12-point legislative program for

1963.

Bar president Leon Jaworski said "There is particular need for criminal procedure reforms in our State."

Other proposals will include a statute regulating the execution of bail bonds in Texas, a Uniform Commercial Code, a Uniform Arbitration Act, and amendments to the Texas Securities Act.

Bar also will purpose a constitutional amendment calling for the local option abolition of justice of the peace courts and replacing them with courts of record.

Legislature also will be asked to repeal acts of its last regular session making jury findings, instead of court findings, conclusive in custody cases.

Attend church regularly.

It's Time For ... EYE CARE

Dr. Newton K. Wesley
20/20 VISION

Contrary to popular opinion, 20/20 vision does not always mean good eyesight. 20/20 refers to central vision—the ability to see at 20 feet the normal letter which most people can see at that distance. One could have lost side vision and still have 20/20, so this does not give us the complete story of the eyes.

Wesley

What about the muscles and how they function? Does each eye work well independently? How about the vision when the two eyes are teamed together? Do they work well? You will notice the optometrist or the ophthalmologist makes you see double when he examines your eyes. This is to determine how each eye works alone.

What about near vision? Do you see normally at near? What about the effect of close work on your eyes? Do you work with comfort and efficiency? Or do you have strain when you do close work? The National Eye Research Foundation recommends an eye examination every six months. By observing this rule, we can be sure our eyes are getting the best care we can give them. If any disease is present, it may be checked in its early stages.

The ability to see is a rare and precious possession. See to it that you do not neglect it.

"Orphan" May Have One Parent and Get Educational Benefits

An "orphan" may have one parent alive and still be eligible for educational assistance under the War Orphans Education program administered by the Veterans Administration.

P. J. Mims, manager of the VA Regional Office in Waco pointed this out today to dispel some confusion existing due to the usual understanding that an orphan has lost both parents.

The War Orphan Education Program was established by Congress to give assistance to those children whose veteran-parent's death was the result of disease or injury incurred or aggravated in the line of duty in active service.

Full information on any phase of this program may be obtained from any VA office.

Vets Urged To Keep Beneficiaries Up To Date

About six out of ten veterans holding GI insurance plan to change beneficiaries or optional payment choices but keep putting it off—sometimes until it's too late.

At least this was indicated in a recent questionnaire survey by the Veterans Administration, P. J. Mims, manager of the VA Regional Office in Waco said today.

Because of this failure to keep the VA informed of changes necessary to reflect the births,

marriages, deaths or divorces that occur over the years, their insurance proceeds may not be paid to the individual nor in the manner the veteran would wish, Mims warned.

The VA manager pointed out that VA has no alternative but to pay the insurance proceeds to the beneficiary of record in the VA files even though changes in family status cause the designation made years ago to be out of harmony with the veteran's present wishes.

Mims strongly urged all veterans holding GI policies to make certain that up-to-date beneficiary designations and payment methods are on file with the VA.

Circle Observes Week of Prayer

The Nitia Daniell Circle of the First Methodist Church met at the church Monday evening, Oct. 29, for the Week of Prayer and Self Denial. Mrs. Pauline Barnett was program leader.

She began the meeting with a song by the group, "This is My Father's World." Her scriptures were Ps. 106; Matt. 5:41-48; John 5:16-17; James 5:16-24; Luke 9:23-24. Another song was sung, "We've A Story to Tell." Articles on the program were discussed by Mrs. Martha Belle Thompson, Mrs. Lucille Dean, Mrs. Avis Hays, Mrs. Margaret Crews, Mrs. Cliff Herndon and Mrs. Wilma Welch.

After the Self Denial offering was taken, Mrs. Mildred Gallo-way dismissed the group with a prayer.

The social hour was enjoyed by Mmes. Hallis Williams, Dovie Chapman, J. L. Boggus, Gladys Brown, Lizzie Brown Keetie Haynes, Byrd Arnold, T. N. Evans, Lora Rollins, W. S. Stacy, Carrie Thomas, L. R. Bilbery, Lula Newman, Maud Smith, Eunice Gregg and Misses Lillie Hosch and Wanda Duggins.

Self Culture Club Program on Botany

A program on botany was given when the Self Culture Club met in the home of Mrs. Preston Bailey last Friday.

Mrs. Bailey told of the life and studies of Audubon, the French ornithologist who collected and painted more than 300 American birds.

Mrs. J. W. Taylor told of the early travels of Charles Darwin on the five-year voyage of the Beagle around the coast of South America, collecting and classifying the plants there.

Mrs. C. D. Bruce spoke of Linnaeus, the great Swedish scientist known as the Father of Botany.

Mrs. Charles Allen was welcomed as a new member, and Miss Jettie Kirkpatrick reported on the District workshop at Comanche, which she and Mrs.

Mountaineers Take 26-16 Win Over Copperas Cove

The Mountaineers played one good quarter Friday night, then managed to hold on to their lead and come out the victors in their third conference game. They downed the Copperas Cove Bulldogs 26-16.

During the first period Randy Brown went through the middle of the Bulldog line for a 65-yard run and a touchdown, but it was called back on a backfield in motion penalty. This seemed to take the sap out of the boys for the entire quarter. McIver intercepted a pass on the Bulldog 37 in the first period and the Mounties drove to the 1-yard line, fumbled and lost the ball. The second period was all the Mountaineers' as they scored three times and were on the Bulldog 12-yard line as the half ended. The third period was just about an exchange of punts until the Bulldogs got off a 58-yard quick-kick, putting the Mounties on the 11-yard line. Cobaugh, Simmons and Brown moved up field pretty good, then Simmons connected with a pass to Cobaugh for 11 yards and Brown moved the ball to the 50-yard line. Dockery took a pitchout and went wide around left end, dodging and shaking off would-be tacklers, and went the entire 50 yards to score. The final quarter was just about all Copperas Cove as the Mountaineers never made a first down and the Bulldogs scored two times.

THE GAME

The Bulldogs took the kickoff on the 20 and returned 9 yards, then lost 3 yards but made a first down on the next play. They continued their drive, with the help of a Mountaineer 5-yard penalty, to the Mountaineer 33-yard line. The Mounties took over, gained 2 yards, then Brown went the 65 yards for the TD that was called back and the Mounties were penalized 5 yards. They gained to the 41 and Stewardson got off a good punt that went into the end zone. The Bulldogs were penalized 5 yards on the first play, then gained to the 25. McIver intercepted a pass on the 27 and the Mounties powered their way to the Bulldog 1-yard line, but fumbled with the Bulldogs recovering on their 4-yard line. The Bulldogs drove out to their 17, then punted to their 31-yard line as the quarter ended.

Simmons took the ball on a keeper and went wide around left end and was being trailed by Brown. As Simmons was tackled Brown took a lateral and went on to the Bulldog 15-yard line. Dockery lost 2 yards and Simmons passed to Stewardson for 10 yards. Cobaugh drove to the 1-yard line and Brown went through guard for the TD. Simmons passed to Stewardson for the 2 extra points.

The Bulldogs took the kickoff on their 16-yard line and drove to the Mountaineer 47-yard line. Brown took their punt on his 16-yard line and returned to his 46-yard line. Sudderth drove to the 50, Dockery went to the 37, then Dockery went through left tackle for the remaining 37 yards. Try for extra point by kicking failed.

The Bulldogs took the kickoff on their 15 and drove to the Mountaineer 49-yard line and gave up the ball on a 4th down attempt. It took the Mountaineers four plays to go the 51 yards, with Brown going the last 34 yards on a screen pass. Kick for the extra point was no good and the Mountaineers led 20-0.

The Bulldogs took the kickoff on their 21 and returned to the 37. They tried a long pass that failed to connect, then tried a second one and Simmons intercepted it on about the 37 and went to the Mountaineer 45. A 15-yard penalty put the Mounties back on their 30 and as the half ended the Mounties were knocking on the TD door again, being on the Bulldog 12-yard line.

The Mountaineers took the kickoff but could not gain and punted to the Bulldog 36-yard line. The Bulldogs drove to the Mountie 35, but lost back to the 39 on fourth down. The Mounties drove to the Bulldog 40 and a 15-yard penalty put them back on their 45. Failing to gain, the Mounties punted to the Bulldog 14-yard line. The Bulldogs drove out to their 31 and got off an excellent quick-kick on third down that was good for 58 yards, putting the Mounties back on their own 11-yard line. On the sixth play, Dockery went the 50 yards for the TD and the try for extra point failed again.

The Bulldogs did not get a return on the kickoff, taking the ball on their 28-yard line. As the quarter ended they had gained to the 31-yard line.

The Bulldogs gained to the 34 and punted to the Mountaineer 30, with a return to the 34. Failing to gain but 5 yards, the Mounties punted to the Bulldog 8-yard line. The Bulldogs drove to their 44 and punted to the Mountie 30. The Mounties drove to their 38 and punted to the Bulldog 31. The Bulldogs gained

5, then tried a pass that was intercepted by Rider on the 49-yard line. Simmons attempted a pass to Rider that was intercepted by Copperas Cove and returned to the Mountie 36-yard line. In five plays the Bulldogs went over from 4 yards out, then made two extra points through the line.

The Bulldogs recovered their on-side kick on the 49-yard line and with two good passes and a 14-yard run, the Bulldogs scored again and made the two extra points, making the score 26-16.

The Bulldogs again tried the on-side kick but the Mounties finally recovered the ball on their 36-yard line. The Mounties lost 3 yards, then in an effort to score once more, they tried their screen pass, but it failed to connect. Simmons then decided to just run the clock out and the game ended with the Mounties on their own 34-yard line.

ROUND-UP FOOTBALL

The Mountaineers managed to keep a good second quarter score in good standing Friday night to defeat the Copperas Cove Bulldogs 26-16, in a fortunate win. The Bulldogs are a fast, spirited team and although fairly light, managed to push the Mountaineers back pretty well throughout the game.

The win gave the Mountaineers a 5-2 season record and a 2-1 conference record. The Bulldogs now have a 2-6 season record and a 1-3 conference record.

The Burnet Bulldogs took their fourth straight district win Friday night by defeating the Marble Falls Mustangs 28-0 in a very easy victory. The Burnet boys made 20 first downs and gained 351 yards rushing, plus 30 yards by the air ways. Marble Falls made only 3 first downs and gained a total of 52 yards rushing and 17 yards passing. Halfback Dudley Kinsey and QB Jesse Perkins scored twice each and Perkins kicked two extra points.

The Burnet drives were 79, 54, 85 and 55 yards. No doubt but what the Bulldogs could have scored a number of other times had they been determined to, by making 351 yards on the ground. The Bulldogs have now defeated Marble Falls, Goldthwaite, Early and Bangs in their bid for the district crown. Only Santa Anna and Copperas Cove remain on their list and there is little doubt as to the outcome of both these games.

The Bangs Dragons foiled the Goldthwaite Eagles' Homecoming Friday night and completely knocked the Eagles out of contention for any part of the district title, by downing them 18-16 in a surprising upset. The Dragons were predicted to be the dark horse in the conference at the beginning of the season — and no doubt the Eagles think they are. The Eagles were without the services of L. V. Benningfield, one of the top halfbacks in the district. He was injured in the first quarter of the Burnet game the previous week and reports are that he will be out for the remainder of the season. Benningfield suffered a shoulder injury.

The Eagles scored twice in the second period. The Dragons scored a TD in the second, third and fourth periods.

The Eagles now have a 2-2 conference record, which practically eliminates them from any part of the conference title. They still have Marble Falls and Early to play.

The Dragons also lost two conference games. They still have to play Marble Falls, Copperas Cove and Santa Anna.

BETA CLUB SPONSORS PAPER ARTICLES

The Santa Anna Beta Club is proud to be the sponsor of the Santa Anna High School news. The school news was published several years ago and we decided it would be a good idea to institute the program again.

The school news will be published weekly in The Santa Anna News. The articles will be written by members of the Beta Club or reporters of the classes and other clubs.

We hope to have a complete coverage of all important events at SAHS plus a few other items of general interest that will help the public to better understand our school.

The Beta Club would like to thank Mr. Gregg and the rest of his staff for allowing us to use their newspaper space. We would also like to thank them for their help and suggestions.

The Beta Club is a national organization for high school honor students. It was founded to develop initiative and leadership and to reward merit and achievement.

So far the Santa Anna Beta Club consists of nine members: Barbara Baucom, Pat White, Frances Davenport, Lawanda Horner, Karen McCluskey, Les Guthrie, Jerry Ellis, Sherman Stearns and Clayton Jackson. We are now working to increase our membership and hope to build a successful club.

THE HONOR ROLL

The following students made the High School Honor Roll for the first six weeks of this school year.

The seniors are: Carole Campbell, Linda Evans, Tommy Stewardson, Carolyn Carpenter, Pete Simmons, Arlene Welch, Clayton Jackson, Ruth Ann Starnes, Sue Pittard, Sherman Starnes, Margaret Mobley and Peggy Hawkins.

Seven juniors on the honor roll are: Donnie Neff, Glenn Gilbreath, Sandra Davis, Linda Simmons, Jerry Ellis, Leland Williams and Edwinna McCarrell.

The six sophomores on the honor roll are: Les Guthrie, Geneva Taylor, Linda Robinett, Patricia White, Barbara Baucom and Karen McCluskey.

Freshmen that made the honor roll are: Lois Simmons, Gary Rider, Eugene Davenport, Ronnie McCarrell, John Hensley, Stanley McSwain, Anita Ellis, Melba Keeney, Mary Haynes, Virginia Voss and Linda McPature.

HALLOWEEN CARNIVAL AND CORONATION

The Junior Class presented the annual Halloween Carnival and Coronation Saturday night, October 27. The Carnival began at 5 p. m. in the gymnasium and featured such things as the spook house, cake walk, bingo, fishing, fortune telling, guessing games and many others.

The coronation started at 7:30 p. m. in the auditorium. Sandra Davis, junior, was crowned Halloween Queen. She was escorted by Glenn Gilbreath, president of

the Junior Class.

There were five couples representing clubs in the high school at the coronation. The Librarian's Club was represented by Margie Fleming, escorted by Stanley James. Representing the FFA and FHA were Jo Ann Wallace and Tinker Dockery. The band was represented by Glenda Vineyard and Donnie Neff. Lawanda Horner and Sherman Stearns represented the Beta Club. The Annual Staff was represented by Arlene Welch and Larry Fowler.

Other representatives were Leslie McCreary, escorted by Danny Walker, first grade; Donna Raspberry, escorted by Bobby Hull, Mrs. Dean's second grade; Jana Eubank, escorted by Rocky Dean, Mrs. Harris' second grade; Sherrill McIver, escorted by Niell Fitzpatrick, third grade; Billie Gay Rutherford, escorted by Rodney Dean, fourth grade; Boots Walker, escorted by Dale Hicks, fifth grade; Leta Pollock, escorted by Ray Valdez, sixth grade; Sherry Thompson, escorted by Dickie Horner, seventh grade; Jean Robinett, escorted by Billy Don Cupps, eighth grade; Anita Ellis, escorted by Gary Rider, freshman; Barbara Baucom, escorted by Tommy Hays, sophomore; and Linda Evans, escorted by Danny Wylie, senior. Terry McIver was master of ceremonies. The Coronation March was played by Frances Davenport.

Entertainment for the Queen was provided by Leanna Pollock, Beth Erick, Susanna Hays and Lorretta Broadway; Ruth Ann Walker; Marguerite Horner and Beth Erick; Carole Campbell and Arlene Welch.

Television, it is said, has turned the family circle into a semi-circle.

BUY YOUR ANNUAL!

The Annual Staff announced Monday, October 31, the start of the sale of 1963 yearbooks. The annuals cost \$3.50 this year. This increase in price is due to an increase in size of the 1963 annuals. The extra fifty cents will pay for this enlargement.

Sales will close on November 30. The staff urges everyone to buy their annuals now. Don't be left without an annual!

BETA CLUB MEETINGS

On Sept. 24 the Beta Club members met during their lunch hour for their first meeting of the school term. Sherman Stearns, president, presided. The purpose was to discuss the coming year and the committee work. The members carried the motion to have their meetings the third Monday night of each month. Les Guthrie was appointed as program chairman.

On Oct. 1 the club had their second meeting, held during the fifth period. Purpose was to discuss new membership and projects. Projects' chairman, Patricia White, reported the money-making projects were to be a car wash and a book review. The members are looking forward to a very exciting and eventful year.

The first regular meeting of the year was held Oct. 15 in the Community Room of the Santa Anna National Bank. The meeting was opened by Sherman Stearns, president. Minutes were read by Karen McCluskey. The president read the constitution and by-laws.

Frances Davenport was appointed as pledge captain and Patricia White and Clayton Jackson were appointed to help her. We dispensed with the program and adjourned.

After the meeting, we enjoyed refreshments furnished by Clayton Jackson and Sherman Stearns.

Larry Fowler: "That's a queer pair of socks you have on, Tommy — one red and the other green."

Tommy Stewardson: "Yes, and I've got another pair like it at home."

STUDENT COUNCIL MEETS

The Student Council met Oct. 24 and elected Virginia Voss as their representative to the Hall-owen Coronation.

The group met Oct. 25 and looked at some school handbooks. A proposed list of the contents of a school handbook for this school was made.

The next regular meeting will be Thursday, Nov. 1

Tommy Stewardson is our president this year.

STATE FAIR

On October 20 the FHA and FFA attended the State Fair in Dallas. It was a new experience for some; others had been before, but those that had been before noticed quite a lot of changes.

Everyone took a turn down the midway. Some tried to win teddy bears, but only ended up with an empty wallet. Most of them preferred to get "all shook up" on the rides, such as the roller coaster and all other hair-raisers. However, a few, thinking of culture, visited exhibits, museums and important buildings. Everyone reported a good time, except for being very tired.

We all stopped at the Blue Star restaurant on the way home. Everyone filled up for a cold, long ride home. We got into Santa Anna about 3:00 a. m. Sunday.

STOCK SHOWS

The Santa Anna FFA has attended two major stock shows so far this year. We have placed a good many lambs in both Waco and Dallas.

In the Waco show we won about \$170, probably more than any other 4-H or FFA boys there. We had four of the five top places in the fine wool class. The FFA Chapter had 1st, 4th and 5th. A 4-H lamb placed second. We also had several of the other twenty places. The chapter also placed very well in the cross-bred and Southdown class.

At the State Fair of Texas, we did very well for as many lambs as were there. Lambs were there from all over Texas.

We placed one FFA lamb in the top ten and one 4-H lamb was also in the top ten of the fine wools. Several lambs were placed in the rest of the class.

In the Corriedale class our chapter placed in several of the higher places. The Suffolk-cross class had four Santa Anna lambs in it.

The Hampshire-cross class saw some Santa Anna lambs placed.

All the boys who have attended the shows have had a great

deal of fun, especially at the State Fair in Dallas. They also have made a good deal of money while they had fun.

GENERAL NEWS

Several new students have been added to the student body and two new teachers to the faculty of Santa Anna High School.

The new students are: Jack Powell, freshman, age 14, moving to Santa Anna from Bangs and John Powell, age 15, sophomore, also moving from Bangs. The juniors have had three new members to come in. They are: Joyce Townsley, age 16, moving here from Dimmitt, Texas; Charles Allen, 16, coming from the American School in Mexico; and Jimmy Taylor, 16, moving from Abilene.

Our new teachers are Mrs. Gloria Chandler, formerly of Roma, Texas, and Mr. M. T. Camp, from Ballinger, Texas. Mrs. Chandler is teaching English II, III and IV and speech. Mr. Camp is the band director and teaches in the elementary school.

We, the students and faculty, want to extend to each a cordial welcome.

CHUCKLES

Mr. Bowen: "Pete, name three animals peculiar to the Arctic region."

Pete Simmons: "Lion, Tiger, monkey."

Mr. Bowen: "What makes you think that?"

Pete: "Because it would be peculiar if they were there."

Bill Horne: "I am a little stiff from bowling."

Terry McIver: "Shake hands, friend — I know that town well."

Mr. Smith: "You are the laziest boy in the world. Is there anything you're quick at?"

Gary Rider: "Yes, I get tired awful fast."

Mrs. Neff: "Sit down, Donnie, and tell your sister a story."

Donnie: "Can't sit down, Mother, I just told Daddy a story."

Mr. Perry: "Earla, did you whisper today?"

Earla Buse: "Yes sir, wunst."

Mr. Perry: "Sherry, should Earla have said wunst?"

Sherry Drake: "No sir, she should have said twict."

Jo Ann Wallace: "Barton is playing hookey from correspondence school."

Sue Pittard: "How does he do that?"

Jo Ann: "He mails them empty envelopes."

It's easy to entertain most people; all you have to do is listen to them.

County Buys \$44,485 in Bonds During September

Mr. Robert I. Bowen Jr., Chairman of the Coleman County Savings Bonds Committee has announced that Savings Bond sales in Coleman County totaled \$44,485 during September.

Texas Savings Bond sales for the first nine months of 1962 totaled \$111,734,186. This figure represents 67.7% of the state's 1962 goal of \$165.1 million.

"I have been happy to note that sales of Series E Savings Bonds in the \$25, \$50 \$100 and \$200 denominations continue to rise. These are the bonds purchased primarily by employees who buy bonds on the Payroll Savings plan. This simple plan for buying bonds offers thousands of employees an opportunity to save for their own and for their country's security. If employers in this area are interested in further information about the Payroll Savings plan they may write the Savings Bonds Division, Room 500, 702 Jackson Street, Dallas 2, Texas, and complete information and free materials will be furnished them." Chairman Bowen concluded.

Vets Urged To Protect Family Documents

Save and protect those basic family documents such as birth and marriage certificates, the Veterans Administration advises veterans and their dependents.

Loss or misplacement of such evidence is one of the main causes of delay in administering veterans' claims. P. J. Mims, manager of the VA Regional Office in Waco, says:

Included among these essential records are military discharge papers, death certificates, divorce decrees, and guardianship or child custody evidence.

The basic records are needed to support claims for disability or death compensation and pension, veteran burial benefits, and similar claims, Mims said.
