## AA Championship Hopes Crushed; Mules Down 16-2

by JAY SPAIN

The number one ranked Dalhart Wolves, getting most of the breaks, squeezed passed the Mighty Mules, Thursday in Regional AA playoffs at Buffalo Stadium in Canyon.

The Wolves won the toss and elected to receive and from their 30 yard line started a drive which ended with John Colquitt running over for a touchdown with eight minutes and 17 seconds left in the first quarter. The kick for extra point was wide.

The Mules receiving on their 18 yard line pushed to the Dalhart 40 where a bad center pushed the Mules back to their 31 before the ball went over on downs.

The big Mule line settled down and Dalhart could move only to the 24 before the ball went over on downs. With the Mules offense still not clicking, after three plays the Mules had to punt to the Dalhart 22 yard line.

The Wolves with the aid of one penalty pushed to the Muleshoe 40 before having to punt which the Mules took on their own 20 yard line. After two plays the Mules fumbled and it was recovered by Dalhart on the Muleshoe 23. Two plays later the Wolves moved to the Mules' three yard line and with a first down and only three yards to paydirt the big defensive line tightened their belts and would not let the Wolves move any closer than the six inch line before the ball went over on downs.

The Mules took over and with the aid of a 15 yard penalty moved to the Dalhart 38 yard line before the half ran out.

As the second half started Muleshoe took the kickoff on the 36 yard line. A 15 yard penalty moved it back to the 21 yard line. Three plays later, the Mules had to punt which the Wolves took on their own 36 yard line.

The Wolves then started to move but could push no closer to the goal than the Muleshoe 20 yard line and on the fourth down Dwight Clifton kicked a field goal which was good and the score read 9-0.

The Mules received a kick on the 20 yard line and drove to the Dalhart 34 before fumbling. Dalhart ran into a solid wall and punted from their 40 yard line. The punt was blocked and covered by Muleshoe on the Dalhart 28 yard line. A fifteen yard penalty against the Mules moved it back to the 43 yard line. The Mules moved to the 36 before punting into the end zone. Dalhart moving from the 20 yard line,

## Relatives Of Residents Aboard Missing Plane

About 30 planes in New Mexico and Arizona searched mountainous areas of the two states in a hunt for a missing private plane and its four occupants, Mr. and Mrs. Gale McCoy and two of their children. Mrs. McCoy is a niece to Mrs. A. C. Bray and a cousin of Mrs. Horace Blackburn, both of Muleshoe.

Mrs. Bray and Mrs. Blackburn left immediately after being notified of the missing craft and are in Amarillo with the parents of Mrs. McCoy, Mr. and Mrs. Hoyt Palmer.

Missing since Monday, the plane was piloted by McCoy and was enroute from Amarillo to Gila Bend, Arizona where the couple make their home.

## Library Group To Organize

A meeting sponsored by the Muleshoe Chamber of Commerce, the Muleshoe Study Club and other organizations and persons interested in Bailey County library facilities, had been scheduled for Monday. It will be held in the American Legion Hall at 8 p.m.

To be held for the purpose of forming a "Friends of the Library" committee, the meeting will be open to all interested in the problem on library facilities in the county — pro or con.

It is being held in an attempt to find out grass root thinking on the subject — Do the citizens of Bailey County want a library?

The committee will act as an advisory group and to promote interest in better library facilities here, according to Roy Davis, Chamber of Commerce manager.

Davis further stated that the committee would not govern the proposed library or take over work currently being done by the Muleshoe Study Club, but rather act in an advisory capacity with all interested bodies.

During the meeting, purposes of the new organization will be discussed in detail and officers will be elected and committees appointed.

Mrs. Gil Lamb, chairman of library trustees currently, the moving factor behind the proposed new library, said "We're finally moving on this problem and hope to do something concrete in the near future. I hope all persons and groups interested in improving our library facilities will attend the meeting."

A spot telephone survey of local residents, businessmen, and city and county officials shows an overwhelming realization that Bailey County does need such a facility now.

Mrs. Charles Alsop, local businesswoman and housewife, stated, "We definitely need a good public library now. I believe one of the reasons is our children. I've heard that the current Freshman class has the highest I. Q. in Muleshoe School history. What a terrible waste it will be if these people are not given every possible chance of success. A library will contribute to that chance."

Mrs. Lynn Stevens, wife of Rev. Lynn Stevens, stated, "very definitely yes. We do need a library very badly. Every place we've ever been has had a library and I personally miss the opportunities offered by libraries very much."

Woody Lambert, businessman and city councilman, "Yes, personally I'd like to see Muleshoe have a public library, but it's really up to the people. If they want one, they should have one."

Irvin St Clair, businessman and city councilman, "... I really can't answer that because I'd never use it myself. However, if the people want a library all they have to do is let us know and they'll have it."

Thurman White, businessman, "Yes, I think we need a library. I'm not sure how large, but we do need one."

Mrs. Don Murray, wife of the pastor of the First Baptist Church, "Every community needs a library. Our current facilities at the schools are not adequate to serve the needs of the community."

The above are only a few of the comments received from business, religious, and social leaders as well as housewives and working men in Muleshoe. Out of 25 calls only one was adverse to public library in Muleshoe. His comments will be covered at length in a future article.

## Twelve Area Delegates Assist in Forming 1963-64 Farmers' Union National Policy

The 60th Annual Convention of the Texas Farmers Union in Lubbock, November 22 and 23 was cut short by the death of President Kennedy Friday. Most convention events were cancelled, including a scheduled appearance by Senator Ralph Yarborough.

However, convention delegates, in a business meeting approved a 1964 program for the farm organization.

Convention delegates from this area were: Leon Smith, Jr., president of Parmer County Farmers Union; Mr. and Mrs. W. M. (Sam) Bradley, secretary - treasurer; Wyle M. Bullock, Shirley Smith, Sidney Dell Bullock, Debra Ann Bullock, Freeman Davis, Mr. and Mrs. H. W. Carpenter.

From Lazbuddie: Lavenia Davis and Toni Ellen Smith.

Cotton resolutions expressed objections to two features in the cotton bill presently before the House, (H. R. 6196). One provision in the bill would inject a "choice" provision, which is a departure from existing law under which a national minimum acreage allotment is established on the basis of historic plantings. The second objection was to a feature which would authorize the reduction of price supports be several cents per pound over a three-year period, thereby reducing producer income.

Delegates supported a program which would permit cotton to be priced in the market place with direct payments to producers, and recognized the need for making U. S. cotton and U. S. textile mills competitive with foreign cotton and mills. Delegates called for a program of payments to producers at 90 percent of parity and for more market research which would work toward bringing the price of cotton to 100 percent of parity for family farm producers.

In other resolutions, the convention supported rural electric cooperatives and urged a congressional investigation of the activities of power monopolies to destroy REA's; and opposed any increase in interest rates for REA loans.

Called for expansion of domestic family farm allotments of sugar beets.

Supported the sale of surplus wheat for cash to the Soviet Union.

## Lazbuddie Women Return From Twelve-Day Tour of Ten States

Myrtle Steinbock and her mother, Mrs. Annie Vaughn, returned Sunday from a tour, by car, of the southeastern states.

Leaving here, they went to Frederick, Okla. on the first day and spent the night with Mrs. Vaughn's son and family, Mr. and Mrs. Walter R. Vaughn and James.

James accompanied the Lazbuddie women on the trip.

Hot Springs, Ark., Tennessee, North Carolina, and South Carolina were especially beautiful at this fall season, reports the travelers.

The Great Smoky Mountains was covered with three inches of snow, but were still very colorful.

Okefenokee swamps seen from a motor boat was a strange and exciting experience for the West Texans.

Seen along the boat route through Cypress trees and swamp undergrowth were old abandoned stills, used by the by-gone moonshiners.

A large Zoo is maintained on the grounds. Alligators, bob cats, bears, deer, turkey, ducks and

other animals and fowl found in and near the swamps are seen there.

Arriving at St. Augustine, Fla., the old Spanish Fort Castillo San Marcos, overlooking Matanzas Bay was interesting. The oldest school is the United States and Ripley's "Believe It or Not Museum," were interesting historical reminders.

Miami Beach, Fla., was enjoyed especially because of the balmy weather as well as Italian Palazzo "Vizcaya" giving one the feeling of being in Europe.

This castle was left to become a museum by the late bachelor, James Deering, McCormick Deering Farm Machinery Co. Formal gardens, statues, fountains, castle in Italian in renaissance

Baroque tradition has beauty as well as educational enjoyment.

In Saratoga, Fla., the Venetian mansion of the late John and Mabel Ringling, the circus magnates, was visited . . . also the Circus Hall of Fame and the Italian Theatre which was dismantled in Italy, shipped here and rebuilt on the grounds back of

the museum.

Over fifty original paintings of early Flemish, Florentine, Dutch, Neapolitan, Roman, Venetian, Spanish, and Scottish School of Painting were especially enjoyed.

Mr. Goodwin of The Ringling Art Class was commenting to his class of about 50 students on the techniques of the Old Masters.

The everglades in Florida was another strange sight for the travelers eyes.

Lonely and silent, even though many white egrets and birds of many species were seen along the canal beside the highway.

From Saratoga, the tour continued through Tallahassee, Fla., Montgomery, Ala., Meridian and Jackson, Miss. They spent two days and nights visiting with a niece and cousin, Mr. and Mrs. Martin Blough, Brandon, Miss. who are former residents of Lazbuddie community. The old State

Capitol, now a museum and a dart gallery and Vicksburg National Military Park and Cemetery was visited.

The route through the states of Louisiana was through Monroe and Shreveport the into Texas.

The group traveled a new route to them, going through Marshall, Minola, Greenville, Donita Falls and then back into h state of Oklahoma where they again spent the night with the Waiter Vaughns.

The trip on home completed their tour of ten states in 12 days and they found it much cooler here than "way down south."

Members and guests of the Progressive Homes Club held their annual Thanksgiving dinner and 42 party at 7:30 p.m. Tuesday.

Held in Paul's Restaurant those attending were: Mr. and Mrs. Ray Black, Mr. and Mrs. Felton Harper, Mr. and Mrs. Arthur Ryan, Mr. and Mrs. J. E. Embry, Mr. and Mrs. Leon Lewis, Mrs. Lola Bryant, and Mrs. Robert Dunn.

The 42 party was held in the home of Mr. and Mrs. Louie Norwood following the dinner.

LAMBS SPEND BUSY HOLIDAY WEEKEND

Magann Lamb and Sarah Antrobus, students at West Texas University, spent the past week here with the Gilbert Lambs.

They attended the Thanksgiving Day football game at Canyon, then Mrs. Lamb and the young ladies went to Tahoka Friday afternoon on business.

They all left Muleshoe Saturday afternoon and spent the night in Amarillo where Lamb is guest speaker today at the San Jacinto Methodist Church. Rev. Luther Kirk is pastor of the church.

## Jerry Haskins Named Alternate For District

Jerry Don Haskins, son of Mr. and Mrs. George Haskins, has been notified that he was chosen as alternate from the George White District for the "Report To The State." This is slated to be held February 6-13.

A Levelland boy was chosen and in the event he is unable to attend, Jerry Don will represent the George White District, composed of Levelland, Littlefield, Morton and Muleshoe areas.

The selection was made by a District Committee in Littlefield.

Those selected from each district were required to be 14 years old, have the Eagle Award, Church Award, Public Speaking Badge, and others. He also had to write an autobiography of himself.

There will be one boy from each district chosen and they will go to Austin at the beginning of Boy Scout week and will see the Governor of Texas.

## 'The Lion's Cub' To Be Presented

Amarillo Little Theatre will present "The Lion's Cub" at 8:15 p.m. the nights of December 4, 5, 6, 7. The Theatre is located in Wolflin Village, 2019 Civic Circle.

Dr. C. E. Colgate as exhumed from history and breathed life into Elizabeth I of England. By the machinations of a true playwright's hand, she emerges as a figure of charm and forcefulness, spirited yet poignant.

The play encompasses a part of the Tudor period blanketed with intrigue. It gives scope and concentration to the conflict between Elizabeth, the child of Anne Boleyn, and Mary, the child of Catherine of Aragon; the daughter of Henry VIII.

Although Elizabeth pledged her loyalty to Mary as her kinswoman and queen, she nevertheless has inward reservations concerning Mary's dogmatic faith which she has imposed on all who would not be branded heretic and penalized to genuflect at the headman's block.

With Mary's whimsical sense of justice, the arch trickery of the Spaniard Renard, and the Lord Chancellor's deceit and mockery an innocent Elizabeth is banished to a country place and virtual imprisonment. She remains there with only her small household staff to comfort and advise her while, unknown to her, her followers plot to bring her to the throne. Her plight is only worsened, and she is sent to the Tower of London to the very cell from whence her ill-fated mother was summoned to her execution.

The young Elizabeth would seem a lost figure, but with a valiant heart and deft wit she abides and endures.

"I may not be a lioness, my Lord, But mark you this: I am a lion's cub."

In an age when to survive was a miracle in itself, to succeed to the throne of England was an almost unbelievable destiny.

BUSINESS MEN LAND

Plainview businessmen and Senator Andy Rogers, Childress, were in Muleshoe on business Friday.

Flying in were H. E. Nail, co-owner of Maggard-Nail Motor Co. of the Bellanca, John Kirschoff, Plainview area farmer and owner of land around Muleshoe.

Charlie Young, executive vice-president of the Plainview Chamber of Commerce and Senator Rogers. These four were met here by M. B. Hood, Plainview mayor and Riley Armstrong, business developer, Plainview.

Nail said they flew from Plainview to Childress, picked Senator Rogers up and flew on to Muleshoe.

Nail said: "I am greatly impressed with the Muleshoe airport, the facilities available, and the courtesy shown by the management. I have flown a lot and landed at many airports and you people here sure have something to be proud of out there."

CROSS COUNTRY CHECK

Mark Grimsley really got the chance to prove his flying skill Thursday on a dual cross country flight. Instructor Morgan Locker said Grimsley came through with flying colors as he encountered terrific head winds on the last leg of flight from Roswell, N. M. back to Muleshoe. Winds ranged from 40 to 50 mph aloft.

Grimsley plotted his flight path from Muleshoe to Hobbs and filed a flight plan with Texico VOR and flew by radio and navigation. At the Hobbs airport Grimsley trained in communications exercises from a tower to tower and landing at a plane controlled airport.

While there, Grimsley filed a

flight plan for the second leg of the trip to Roswell. There they landed and visited for a time with pilots at Callan Airport.

Flying by pilotage and dead reckoning from there back to Muleshoe, Grimsley "done exceedingly well in coping with the head wind and staying right on course."

WIND DAMAGE

Thursday's high wind caused considerable damage to sheet metal on site of new hangars being constructed at Muleshoe airport. The pieces were strewn over a wide area and estimated damage reports are not yet complete.

## Double Ring Vows Pledged In First Methodist Church Chapel

Double ring wedding vows were exchanged by Miss Sandra Jean Harris and Bobby Lee Eason at 7:30 p.m. Thursday in the sanctuary of the First Methodist Church, Muleshoe. The Rev. J. Frank Peery officiated.

Parents of the couple are Mr. and Mrs. Earl O. Harris and Mr. and Mrs. E. F. Eason all of Muleshoe.

The bride, given in marriage by her father, wore a floor-length gown of white satin with flower appliques descending the fitted bodice and the slight bell shaped skirt. Pearls accented the appliques which were also on the long pearl-point sleeves. The controlled skirt extended into a chapel train. The crown-veil of interposed English silk illusion was attached to a crown of self-material white roses. The bride carried a cascade bouquet of gardenias and pom poms.

Miss Wanda Harris, sister of the bride, was maid of honor. Bridesmaids were Miss Sandra Daniel and Miss Daye Janderson. The attendants were alically attired in dresses of sateneu with pretzel waist and long sleeves. They wore a bouquet of pom poms.

James Shepherd served as man and groomsmen were Eason and Glen Eason. Son of the groom, David Boyd, served as usher, and the best man served as the usher.

The flower girl was Wampler and the ring bearer was Jimmy Summerall. Candelabras were lit by the bride and groom.

Miss Sould Bass, friend of the bride, accompanied Mrs. Jandy Peery, the songs "Whither Thou Goest," "Because," and "The Lady's First" and the traditional wedding music.

Following the ceremony a reception was given in the ball room of the church.

The bride plans a honeymoon for traveling her first honeymoon in New Mexico. They can expect one more celebration this holiday season.

The bride and groom returned from Muleshoe, Dec. 29 and are a typical new bride and groom. They are respectively at Texas 100 2 couple will reside at 201 2 Place (rear) in Lubbock.

4-H State Award Winners Gain Club Congress Trip

A 16-year-old girl who has known heartbreak and three other Texas teen-agers are part of the Texas delegation to the 42nd National 4-H Club Congress in Chicago held the first week after Thanksgiving.

The four, awarded expense-paid trips as state winners, are Donna Doughty, 16, of Roanoke; Monty Blakemore, 18, of Celeste; Walter McCullough, 15, of Comanche; and Sandra White, 17, of Greenville, poultry.

Miss Doughty, the dairy winner, said she was heartbroken when five of her prize-winning dairy cattle were killed in a fire that destroyed the family's calf barn.

Before the barn fire, Miss Doughty had won 256 ribbons, four plaques, four trophies and 15 certificates in dairy competition. She is now trying to rebuild a registered Holstein dairy herd.

Oliver Corporation is sponsoring her trip. She got her parents, Mr. and Mrs. E. O. (Jack) Doughty, so interested in dairying that her father quit the auto business and started a dairy. He has since closed it because of ill health.

Blakemore, the safety winner, developed a respect for safety after he was involved in two accidents. At the age of 10 he suffered a broken arm when a tractor he was cranking by hand "kicked" the crank as it started up.

Two years ago he was shaken up when another car rammed into one driven by his mother as she was turning into the family driveway.

Blakemore, the son of Mr. and Mrs. E. M. Blakemore, is the guest in Chicago of General Motors. He took samples of his hometown's water supply to assist municipal officials in a rural community improvement contest.

McCullough, the garden winner, has carried on a special 4-H project in growing experimental tomatoes for the last four years.

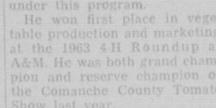

Seed is provided by the Texas A&M University experimental farm. Several new varieties of tomatoes have been introduced

Celery 'Roses' Salad Triumph

Associated Press Food Editor American ingenuity has created some delightful salads with Roquefort cheese.

One of the most interesting of these is made by stuffing celery ribs with a cream cheese and Roquefort cheese mixture. The stuffed ribs are put back in place to re-form the celery bunch and then sliced to make "roses."

When you want a really interesting salad for a company meal, do try this. The stuffed celery may be prepared several hours ahead and stored in the refrigerator. At serving time, you have only to slice and arrange.

The amount of Roquefort called for in this celery stuffing make a robust-flavored concoction, so two — or at the most three — of the rounds will suffice for each serving.

We offered this salad after a main course of roast beef because the Roquefort and the meat "marry well. But the salad would also be good after veal or chicken.

Another popular salad: cream romaine lettuce, sliced orange rounds and paper-thin onion rings and serve with Roquefort dressing.

The dressing may be made by seasoned oil-and-vinegar, or to mayonnaise. If you use the latter, you may wish to thin the dressing with buttermilk. Or you can use a combination of mayonnaise and sour cream and then add the cheese.

ROQUEFORT CELERY ROSES 1 large bunch of celery 1 package (3 ounces) cream cheese 1-4 pound Roquefort cheese 1 teaspoon Worcestershire sauce

Remove outer stalks from celery. Cut stem and from celery hearts, separate stalks from hearts. Cut stalks from stalks. Wash celery in cold water; dry thoroughly — this is important — on paper toweling. Have cream cheese and Roquefort cheese at room temperature; beat with smooth. Spread cavities of celery stalks with the cheese mixture, leveling off. Replace stuffed stalks as close as possible to re-form the original shape of the bunch. Wrap tightly in waxed wrapping. Chill for several hours.

At serving time arrange lettuce on lettuce and sliced tomatoes on lettuce. Cut celery into 1-4 inch thick rounds and place on tomato slices. Makes 8 to 12 servings.

Tiny Pecan Pies are a Four-Flavor Hit

A great way to make an impressive dessert is with this recipe for miniature pecan pies. You can stick to the basic pecan mixture, but more fun is to add a bit of this or that for a variety of pies, such as Pineapple Pecan Pies, Fruit Pecan Pies and Chocolate Pecan Pies, then let guests choose one of each or the one that appeals most.

Pastry for 2 crust pies 2 eggs, slightly beaten 1/2 cup dark corn syrup 1/2 teaspoon salt 1/2 teaspoon vanilla 1/4 cup sugar 1/4 cup finely chopped pecans

Mix pastry; roll to 1/4 inch thickness on lightly floured board. Cut into 1 1/2 inch circles and use to line 24 individual tart shells or muffin pans (2 inches x 1 inch). Flute edges as desired.

Mix eggs, corn syrup, salt, vanilla and sugar together. Stir in pecans. Spoon about 1 tablespoonful into each unbaked shell. Bake in 400 degree F. (350) oven 25 to 30 minutes. Remove from pans and cool on rack. Makes 24.

Pineapple Pecan Pies: Follow recipe for Pecan Pies, lining 32 shells with pastry, placing a scant teaspoon drained crushed pineapple in each and then covering pineapple with 2 teaspoons pecan filling. Makes 32.

Fruit Pecan Pies: Follow recipe for Pecan Pies, lining 30 shells with pastry, placing a scant teaspoon chopped candied fruit in each and then covering fruit with 2 teaspoons pecan filling. Makes 30.

Chocolate Pecan Pies: Follow recipe for Pecan Pies, lining 32 shells with pastry and adding 1/2 cup fortified chocolate flavored syrup to pecan filling. Makes 32.

Story Has Happy Ending

By GORDON TAIT

BRISBANE, Australia (AP) — The year was 1901 and in the little town of Palmwoods, 63 miles north of Brisbane, Ethel Barber, 18, was engaged to 23-year-old William Deans.

Ethel's father thought she was too young to be engaged, and took Ethel and her mother out to Sydney.

A few years later Ethel married Henry Powell and raised seven children in Sydney. William also married and lived in Brisbane.

The other day, Mrs. Powell, four years widowed, and on holiday at Redcliffe, a Brisbane holiday resort, sat on a bench on the waterfront.

An elderly man came up and the former Ethel Barber says: "He asked me if I'd mind if he joined me, and he didn't look so bad old time at all, so I said yes."

"And we got talking about this and that, and he mentioned Palmwoods. I told him I used to live there, and he said he'd like to know if I happened to know anyone called Ethel Barber."

"So I said, 'I'm Ethel Barber.' Then he told me he was William Deans, brother of us could believe it."

Two weeks later, William Deans, 80, and Ethel Barber, 88, were married at the Redcliffe Presbyterian Church. She wore a navy and white silk frock, he a new charcoal gray suit.

After the ceremony, he put an arm around his bride, and said: "This just shows that every story has a happy ending."

Miss Deans said: "My children in Sydney can hardly wait for us to get down to see them. They are so happy for us."

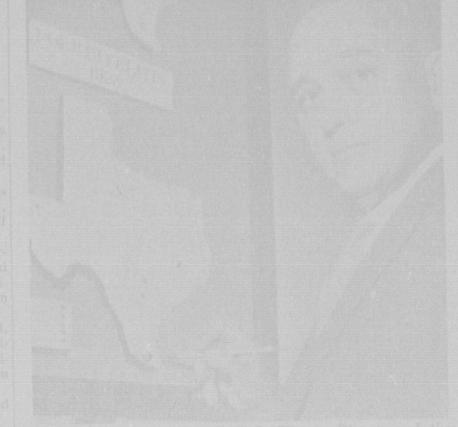

"They plan to live in Sydney here the new Mrs. Deans has three grand-grandchildren."

Platform Accepted By Texas Congress of Parent-Teachers

A platform was proposed and accepted by the Texas Congress of Parents and Teachers at the recent State Convention.

The platform reads as follows: "For more than fifty years the Texas Congress of Parents and Teachers has stressed certain basic principles for action. We have endeavored to raise the standards of home life, support public education, strengthen our faith in God, and stimulate community responsibility in order that we might make contribution to the advancement of the spiritual, educational, social, political and economic welfare of all citizens in our democracy."

Therefore, We the P-TA pledge ourselves anew to the support of the program and principles contained in this platform.

IN THE HOME "We the P-TA believe that the home can give to youth the strength that is our Nation's greatness, by providing wholesome environment, building sturdy bodies and healthy personalities; developing creative and cooperative family living and stressing the importance of developing strong spiritual values."

IN THE SCHOOL "We the P-TA believe that the school can perpetuate the American way of life through a program of public education... fitted to the abilities, interests, and need for each person and of the society in which he lives, by continuing to evaluate and adjust curriculum, emphasizing the worth and dignity of all essential work, encouraging a program of joint lay and professional activities for an intelligent understanding of schools."

IN THE COMMUNITY "We the P-TA believe that the community can create a climate conducive to moral and intellectual excellence for all its citizens, by working together to develop intelligent leadership, promoting

SUCKER SIGNALS

There is no sadder person than one who has been victimized by a phony deal. Unfortunately, once the buyer has signed an order or contract, little can be done to get him off the hook. "But I didn't realize..." are words often heard by investors who are usually unable to help at that point.

Despite the complete disavowal of "investor" (or the buyer/borrower) by ethical mechanics, there are still some businessmen that thrive on high profit deals. Buyers are contacted by "three" men, over the telephone or by "come on" advertisements. These contracts all refer to many claims and a high percentage approach.

One can avoid such "sucker" deals by being sure, first, of meeting with a reputable, established mechanic, and, second, of making sure in reading the ad, that there are certain "sucker" signals that should alert the alarm bell. Here are a few:

"Buy now or lose the chance!" "You have been specially selected!"

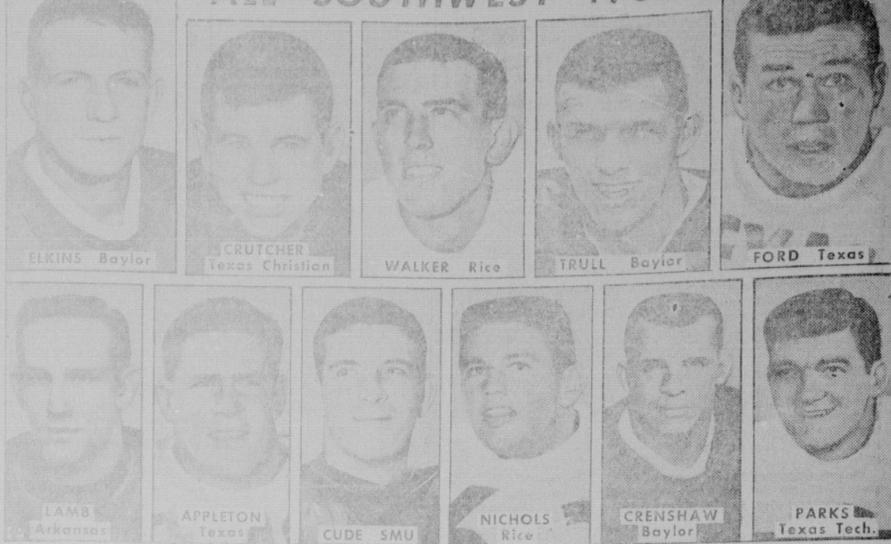

"We only do legal work!" "We can save you money!" "You're absolutely free!"

These signals do not necessarily indicate a bad deal, but they are frequently used by phony promoters. So read carefully, and get information from a mechanic you know, or from a friend.

Remember, in this world of high business competition, one seldom gets anything for nothing. One who has signed an order, even if the law may not be able to help you, is another who has made a deal, unless the seller is doing something illegal, the law may want to help him to enforce the deal that you made. So watch the signals and look before you leap — or sign!

(This newsletter, prepared by the State Bar of Texas, is written to inform — not to advise. No person should ever apply or accept any law without the aid of an attorney who is fully advised concerning the facts involved, because a slight variation in facts may change the application of the law.)

## Deer Crop Estimated Up Over Last Year

MIDLAND, Nov. 28. — The deer hunting season is in full swing and hunters are reminded that they may have a large supply of the screwworm eradication program underway in the southwest. Early reaction from sportsmen indicates that wild game is more plentiful than it has been in years. Estimates of 10 to 15 percent increase in the deer crop have been made.

A number of factors have been credited for the increase in deer populations with the screwworm eradication program mostly finished. Some wildlife experts have stated that in half a year the screwworm has almost entirely the flesh of at least three out of every ten fawns each year. The eradication program seeks to eliminate the screwworm through release of millions of sterile males that have been sexually sterilized by being subjected to atomic radiation. The sterile males mate with native fertile females and no offspring are produced. Sportsmen helped finance the program through their contributions last year.

While the screwworm appears to be on its way to extinction, the heavier infestations of the insect probably being directed to areas with the highest populations of deer.

Hunters are encouraged by program officials to bring sightings of infested deer to the attention of land owners so that the cases can be reported to eradication workers. Infestations in wildfowl are even more critical to the program than those in farm animals.

### High School Girls Enter Competition

Boys will be banned for fifty minutes Tuesday, while senior girls in Muleshoe, Bula and Maple High Schools join in the only national scholarship competition exclusively for girls, according to Ralph Stevenson, Muleshoe High principal.

The event is the written knowledge and attitude examination of the tenth anniversary Betty Crocker Search for the American Homemaker of Tomorrow. Prizes range from attractive pins to scholarships totaling \$110,000.

For achieving the highest score in her school on the test, one senior girl in each school will be named that school's Homemaker of Tomorrow. She will receive an award pin, and her paper will be entered in competition with other school winners in the state. The highest-ranking girl in each state will receive a \$1,500 scholarship and her school will be awarded a set of the Encyclopaedia Britannica. The state runner-up will be given a \$500 educational grant.

Next spring, State Betty Crocker Homemakers of Tomorrow, each accompanied by a school advisor, will make an expense-paid educational tour to Colonial Williamsburg, Va., Washington, D. C., and New York City.

The trip will culminate with the naming of the 1964 Betty Crocker All-American Homemaker of Tomorrow on the basis of original test scores of state winners and personal observation and interviews during the tour. Her scholarship will be raised to \$5,000. Three national runners-up will be awarded \$4,000, \$3,000 and \$2,000 scholarships respectively.

Right wingman Gordie Howe of the Detroit Red Wings is in his 18th National Hockey League season. He is 35 and has been the league's most valuable player six times.

Mickey Mantle batted .314 in 65 games last season. He hit 415 right-handed and .252 left-handed.

Tom Tresh of the Yankees hit .269 last season. He hit .305 right-handed and .245 left-handed.

the idea of controls as long as they are fairly administered and will result in higher net farm income. As farmers we feel justified in asking for the share of the fruits of a growing economy to which we are entitled. Farmers have contributed to an improved standard of living for all Americans through their efficiency and we are proud enough of our rightful place in the economic spectrum with business and labor. It is easy to say that a "return to the free market" will solve our farm problems. But our previous experience with this so-called free market has proved disastrous to farmers.

### Hail Holiday Guests with a "Wassail Buffet"

A festive toast to friends in a bright season is an age-old Christmas Eve and New Year's custom. "Wassail" is the word for it... meaning "be hale or whole"... and a wassail bowl of spicy punch makes a traditional and warm-hearted centerpiece for a holiday refreshments table.

A "wassail buffet" styled by Marian Marsh of Oneida Table Planning Service is covered by green spruce boughs accented with red-painted nuts. The table-top is then crowned with a majestic Colonial Suite punch-nog set—new in elegant Heirloom silverplate. The impressive 16-pint silver bowl on its wide tray is filled with Christmas-red "Peppermint Punch." Floating ice blocks have ornamental red and green cherries. And even the long punch ladle is decorated for the occasion.

The small silver cups of the punch set are complemented by the addition of silver refreshments plates, red napkins and gleaming modern silverplated flatware in Community's new "Flight" pattern. (Silver demitasse spoons are dandy stirring "muddlers.") It's an easy, gracious way to serve a crowd!

For red "Peppermint Punch," Marian Marsh combines 2 quarts each of sweetened cranberry juice, strong tea, gingerale and lemon-lime soda. A dash of grenadine is added, and peppermint extract to taste. (Peppermint tea may also be substituted for the regular tea.) Makes 16 pints.

The cherry-dotted blocks of ice are frozen in large square plastic refrigerator containers. These are filled and frozen bit by bit so that the ice is decorated throughout.

**Champ's Pointers Will Help Improve Your Bowling**

By BILL BUNETTA

More and more of the better bowlers are working to perfect their stance.

Does this sound strange? Maybe at first, but when you stop to think how important it is for a golfer to address the ball properly, or for a baseball player to find the right batting stance and keep it, then it seems only natural for the bowler to find the proper stance so that it becomes automatic.

First you must locate the spot that is exactly right for you. If you use the four-step delivery employed by the professionals, then take four normal strides back, starting at a point a few inches from the foul line.

Add another half step for the slide and you should have your spot. Now the stance. Hold the ball between your waist and shoulders, preferably close to the waist and a bit to the right. The reason for holding the ball to the right is to keep it from brushing your hip as the ball descends.

Many bowlers now hold the ball so that their little fingers touch under the ball. Doing this distributes the weight evenly, keeps you in balance. Finally, your elbow must be tucked in close to the side and the knees bent.

From this kind of stance it is easy to move right into the pushaway, which is the first step in the four-step delivery.

The pushaway is a short shuffling step taken with the right foot. At the same time the bowler takes the step, he gets the ball in motion, moving it outward perhaps six inches to a foot. The entire movement should be synchronized, smooth and natural.

In bowling it's the ball and not the bowler that does the work.

You get the ball working for you by using the pendulum swing which imitates the motion of the pendulum in a grandfather's clock.

The pendulum arm swing begins on the second step. This is a shuffling step, longer than the first step, and is taken on the

left foot. At the moment the ball begins to descend, the left hand is taken away from the left side of the ball. At the end of this step the ball has reached a point about even with the right knee.

As the ball begins to ascend, still in the pendulum arc, it is straight and close to the body. By the end of the third step, taken on the right foot, the ball has reached its peak in the backswing. It is now somewhere near shoulder height and ready to begin its descent into the release.

Some people wonder why they keep hearing that the ball should go no higher than shoulder level. The reason is this: If the shoulders are parallel to the foul line, the arm cannot swing farther back than shoulder height. The only way it can go higher is if the arm "opens up," that is, swings back and to the right. If it does this, then the ball will no longer be in a straight line and the chances are that you will be rolling or throwing an erratic ball.

Keep those shoulders straight, and you're bound to roll a good ball in the exact direction you desire.

The final point of the delivery comes on the fourth step, which ends in a left-foot slide to a point

a few inches this side of the foul line. While the slide is on, the arm is competing the downswing toward the pins.

The thumb should leave the ball first. A split second later, the fingers leave. This is vital for the fingers, in leaving the ball,

should touch down six inches to cause the ball to spin. This is called life, and it has the same effect as stuff put on a pitched ball.

If the bowler fails to give the ball life, he ends up with a lifeless ball that will not carry the pins.

The kind of a ball he delivers, be it a hook or a straight ball, is determined here, too. If his hand has been in a "shake hands" position with the thumb pointed around the 10 o'clock position, he will roll a devastating hook. If the thumb is at 12 o'clock and the fingers behind the ball, he'll roll the straight ball which is "safe" but lacks the punch of the hook.

How about spares? Roll the same way as you would for strikes. Don't change your position or the speed of the ball. Consistency pays off because more spares mean higher scores.

One tip, though. Give yourself the advantage of the angle when shooting spares. If the pins are on the far left, move over to the right. If they're off center a bit to the right, move a few boards to the left. In other words, try to cover the alley diagonally.

**FIRST FLYERS** — Ten ducks, the first flying types to occupy the new Clear Lake site for the Manned Spacecraft Center, swim in one of three reflection pools back of the nine-story administration building. Construction men put the ducks in the pools and food then bread and grain. The 1,600-acre site on the old West Ranch swarms with rabbits after dark. Watchmen have spotted several deer among the Live Oaks on the site. Construction at the center, 25 miles southeast of Houston has reached 80 percent completion. (AP Photo)

**ADORABLE**—Preferred attire for the night before Christmas (and thereafter): rose-printed cotton knit pajamas. Styled with a smocked top, they have stretch leotards with pom-pom-trimmed feet in the matching print. By Gibbs.

Buffalo's post-season roster contains the names of 15 players who were with the New York Mets.

### LAZBUDDIE NEWS

By MRS. C. A. WATSON

Congratulations to John Gulley, son of Mr. and Mrs. Davis Gulley, for being named Gold Star 4-H Club winner in the meeting held recently at Hub. John, a freshman in the Lazbuddie School has been a member of 4-H three years. His projects have included soil and water conservation, community improvement, electricity, and field crops. John has won first in district on two demonstrations and second in one. He has presented demonstrations on all projects except on field crops. Achievement award winners at the meeting Lazbuddie were: Katie and Dale Blackstone, Garry Foster, Sheila Vaughn, Danny Miller, Timmie and Steven Foster, Bobby Redwine, Cheryl Ramage, Ann Blackstone, Jill Mimms, Kathy Coker, Judy Koelzer and James Gulley. John Gulley was honored among other county Gold Star winners at the Banquet in Amarillo on Nov. 16th.

The Lazbuddie school dismissed classes Friday shortly after hearing of the death of the president. The flag was lowered half mast immediately on hearing the news. The teachers and the high school students went to the basement where Coach Walton led them in prayer. The school was not held Monday due to the day of mourning, prescribed by the president. The school will dismiss Wednesday afternoon for the Thanksgiving holidays.

D. A. Tarter, 84, a long time resident of Lazbuddie died at his home at 12:30 Thursday a.m. Tarter had been ill for several months. Funeral services for D. A. Tarter were held Friday at 2:30 p.m. in the First Baptist Church with the pastor Rev. Calvin Beach officiating. Burial was in the Memorial Park at Muleshoe. Surviving Tarter from Lazbuddie are his wife, Gertie, two daughters, Mrs. Clarence Mason, Mrs. Alton Morris and a son William together with several grandchildren.

The Lazbuddie H. D. Club meets with Mrs. Harvey Blackstone Monday afternoon. The program will be the discussion of Christmas plans.

School dismissed Monday to observe the day as prescribed by President Johnson. The Lazbuddie school will dismiss Wednesday afternoon for the Thanksgiving holidays.

Classes will resume the following Monday.

Lazbuddie folks were well represented at the Denver City-Football game at Muleshoe Friday night.

Mr. and Mrs. Albert Fuller and children, Mr. and Mrs. Ethridge and children and Mr. and Mrs. Bob Robins and children plan to spend the Thanksgiving holidays in Brown county with friends and relatives.

Scotty Windham returned Thursday from Tuscola, Texas where he has been at the bedside of his mother. Windham's mother has been in very poor condition.

Eugene Houston, Amarillo Junior College was home with his parents, the Raymond Houstons the past weekend.

Mrs. James Harvey and children were in Lubbock Friday to visit her mother, Mrs. R. L. Curtis.

Mrs. Lena Menefee had as guest Sunday, her grandchildren, the N. O. Wrights, Plainview.

Rev. N. O. Wright was guest speaker at the First Baptist Church in Lazbuddie. His subject was on TANE.

Other visitors in the Menefee home Sunday were Mr. and Mrs. Juel Treider and Mr. and Mrs. Larry Treider and children.

Mrs. Menefee visited Thursday night of last week in Hereford with Mr. and Mrs. Sam Long and children. Mrs. Long is Mrs. Menefee's daughter.

### Team Will Fire Nov. 23

Texas Techs Army ROTC rifle team takes road this weekend for a Saturday (Nov. 23) match against the University of Houston at Ft. Hood.

Team members who will fire against the Cougars are Autry L. Bardin, freshman, 11706 Strand, Dallas; Edwin B. Cox, freshman, 501 W. 7th St., Muleshoe; Samuel K. Kairi, freshman, 5615 Polard, El Paso; Robert C. Marberry, Lubbock freshman; Norman O. Ness, freshman, 1858 Fuller, Dallas; and Spike Salmon, Lubbock sophomore.

The match with Houston will be the sixth in Southwest Conference Rifle Association competition for the Tech sextet.

PASS — Kenny Heathington takes the line which carved through the Mules. The air in an attempt to go over the Dalhart pass was incomplete.

### Two Bailey 4-Hers Will Be Honored

SOUTH Plains 4-H youth will be in the spotlight Monday night in Lubbock. Thirty-nine young leaders of tomorrow will be honored at the annual Extension District 2 Gold Star Banquet. Sharon Hutton, J. K. Adams and Joe Adams have been named Bailey County, gold star winners for outstanding 4-H Club work.

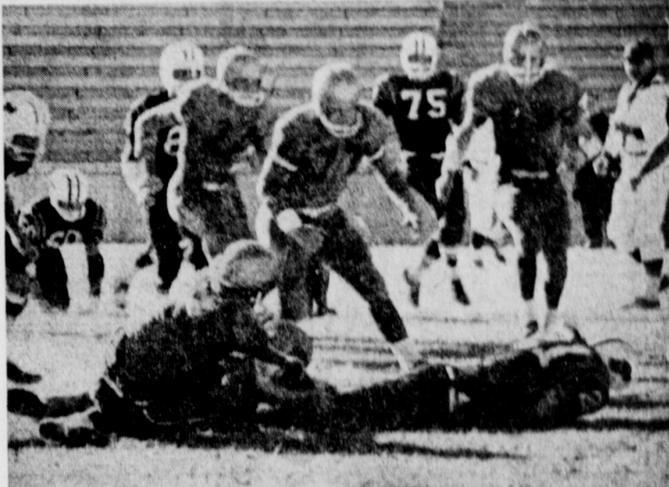

Welton H. Jones, district agricultural agent and Mrs. Aubrey W. Russell, district home demonstration agent, both located in Lubbock, say around 350 guests are expected for the gala event. It will be held in the First Methodist Church of Lubbock. They also pointed out the Extension Service, again this year

as in the past, has as banquet co-sponsor the 12 rural electric cooperatives operating in Extension District 2.

Principal speaker at the Gold Star Banquet will be Texas Attorney General Waggoner Carr — a South Plains native, according to J. K. Adams, county agent.

DUMPED — Scott Oliver being dumped by seemingly immovable Dalhart line stopped Dalhart on an attempted line buck. The kicking mule in his tracks.

STOPPED — It took two Mustangs but only inches from the goal-line, never-the-less they stopped Scott Oliver

## Letters To Santa

Dear Santa Claus:  
 I want a Timex watch, a Tam-  
 my doll and some clothes. I  
 would like to have a boy doll  
 too. I would like Tammys night-  
 clothes and slippers. Also I would  
 like to have a carrying case and  
 I would like a bicycle.  
 Bonnie wants a Charmin Chatty  
 doll with blonde hair, also a  
 Cinderella costume.  
 Debbie wants a Fashion Queen  
 doll and clothes, a transistor ra-  
 dio, jewel box and a mouse trap  
 game.  
 Love,  
 Debbie Sain, Beckye Sain and  
 Bonnie Sain.  
 P.S. We will be at our house this  
 year.

**VIETNAM STUDY CONTINUES**  
 Defense authorities reported a  
 "moderate favorable trend in the  
 morale and determination" of  
 Vietnamese troops in the short  
 time since the overthrow of the  
 regime of President Ngo Dinh  
 Diem.

There is no basis for judgement  
 on whether the ousting of the  
 the complex of the war to sup-  
 press Communist guerrillas. They  
 expect some results by Easter.

Iowa's Fred Riddle set a Big  
 Ten record when he threw five  
 touchdown passes in the game  
 against Indiana this season.

visited through information obtain-  
 ed from authorities on county  
 histories.

 Presidents of the Republic of  
 Texas are pictured in the histor-  
 ical section.

Agricultural information has  
 been completely revised, with the  
 help of authorities of Texas A&M  
 the U. S. Department of Agricul-  
 ture and others. For this and  
 other sections, several thousand Tex-  
 ans have supplied information  
 and photographs, according to  
 Walter B. Moore, editor.

Election returns, the text of the  
 Constitution of Texas with amend-  
 ments adopted through 1962, a list  
 of wet and dry counties, maps of  
 Texas Senatorial, Representative  
 and Congressional Districts,  
 lists of state, county and munic-  
 ipal officials, and other informa-  
 tion are found in the discussion  
 of politics and elections.

Water, soils, plant life, weath-  
 er, wild life, minerals, employ-  
 ment and labor, manufacturing,  
 service industries, and hundreds  
 of other topics are summarized  
 in the 688 pages.

 publication, more than 400 illus-  
 trations, including a 4-color photo-  
 graph of the Alamo on the cover,  
 are expected to make the publica-  
 tion popular as a gift item for  
 individuals and business firms.

## Player-Piano Makes Comeback

The news from this year's music convention in Chicago is the  
 full-fledged revival of the player-piano after a silence of almost  
 30 years.  
 With two more manufacturers joining the trend to players by  
 unveiling new models, the public now can choose between eight  
 different modern player-pianos.

Last year more players were  
 sold than in any year since the  
 heyday of the 1920's, when  
 players outsold standard pianos,  
 and sales are continuing on the  
 upswing.  
 Even noted composer Morton  
 Gould recently struck a positive  
 note for the modern player.  
 "It's not only a lively centerpiece  
 of active entertainment for the  
 whole family," he pointed out,  
 but it's "a definite aid to learn-  
 ing."  
 Today's stylish players are a  
 far cry from the bulky uprights  
 of yesteryear. Some models  
 measure less than four feet  
 across, and refinements make it

possible to add individual inter-  
 pretation to the playing of each  
 roll. Another advantage is that  
 modern players can also be  
 played manually.  
 Although some new players  
 are exclusively electrically  
 powered, many of the leading  
 makes may be foot powered as  
 well, for three-way play. Ac-  
 cording to one manufacturer,  
 "Pumping is an important part  
 of the fun since it lets you take  
 an active part in producing live  
 music."  
 But no matter how it's used,  
 thousands of families are dis-  
 covering that a player-piano  
 means fun for everyone.

**IN THIS WORLD**  
 AS IF BY ACCIDENT  
 WE FIND OUR BLESSINGS...  
 1/2 BILLION POUNDS, OR 250,000  
 TONS OF THOMPSON SEEDLESS  
 GRAPES IN STORES TODAY COME FROM  
 DESCENDANTS OF A SINGLE ODD-BALL  
 VINE, SOLD BY MISTAKE...

IT ALL HAPPENED ABOUT 80 YEARS  
 AGO WHEN WILLIAM THOMPSON,  
 OF YUBA CITY, CALIFORNIA,  
 FOUND FOUR STRANGE ROOTINGS  
 AMONG NEW VINES HE HAD  
 IMPORTED FROM EUROPE. WHEN PLANTED,  
 ONLY ONE SURVIVED, BUT IT BORE SUCH  
 LARGE CLUSTERS OF SWEET, COMPLETELY  
 SEEDLESS FRUIT, THOMPSON GAVE IT  
 HIS NAME.

GRAPE GROW-  
 ING IS OLDER  
 THAN KNOWN  
 HISTORY...  
 Fossilized VINES,  
 LEAVES AND SEEDS  
 OF MIOCENE  
 DEPOSITS ARE LIKE  
 TODAY'S GRAPES.

THOMPSON GRAPES ARE BIGGER  
 TODAY DUE TO IMPROVED VITICULTURE  
 TECHNOLOGY...  
 ONE TRICK IS TO GIRDLE THE VINE  
 BY CUTTING AND PEELING A THIN  
 RING OF BARK FROM THE BASE  
 AFTER BERRIES ARE SET. IT  
 PREVENTS THE SAP FROM RETURN-  
 ING TO THE ROOTS... RESULTS,  
 BIGGER, SWEETER GRAPES.

# Sudan News

By MRS. EVELYN M. SCOTT  
Mr. and Mrs. R. D. Nix were in Denton the first of the week to be with her sister, Mrs. H. E. Nix, who underwent surgery there.

Mr. and Mrs. Hal Cardwell were in Lubbock last week to visit her nephew, Harold C. Martin, who is confined to a Lubbock hospital after undergoing surgery.

The Wesleyan Service Guild of the First Methodist Church met Tuesday evening, Nov. 19, in the home of Mrs. James Wallace.

Mrs. S. D. Hay gave the invocation and members answered roll call with items of interest. Bringing the devotional was Mrs. Bil Curry.

"Christian Issues in Southern Asia" was the study for the evening when those giving parts were: Mrs. Nel Gentry who reported on "Nepal"; Mrs. O. L. Shannon, Pakistan; Mrs. Frank Weir, "Ceylon"; "India and Burma" Mrs. C. W. Rosson.

Mrs. F. M. Smith, president, presided at the business meeting. The Guild benediction was repeated in unison.

The next meeting of the group will be the Christmas program held in the home of Mrs. Frank Weir when members are to bring gifts for shut-ins.

Others present were Mrs. C. M. Sparkman, Mrs. Herb Potter, Mrs. Marvin Tollett, Mrs. Mary Bowman, Miss Bertha Vereen, Miss Esther James.

Paula Chishom, daughter of Mr. and Mrs. Paul Chishom and member of the Sophomore class, was named most beautiful in Sudan High School at a contest held Thursday night at the schools.

Danny Martin, Freshman, son of Mr. and Mrs. Adrian Martin, was named most handsome.

Also revealed as Mr. and Miss Hornet during the evening's program were Pat Brown and Linda Williams.

Candidates for the Most Beautiful and Most Handsome contest from each class were Seniors, Kandy Miller, Dyanne Curry, Pat Brown, Danny Allen, Juniors, Sharon Beauchamp, Kay Baker, Paul Gordon, Robert Williamson; Sophomores, Mary Wood, Paula Chishom, Al Alexander, Marcu Cantu; Freshman, Karen Miller, Nancy Nix, Danny Martin, Corley Baker.

The presentation of school personalities was made and those named were Cutest couple, Danny Masten, Donna Parrish; Wittiest, Kathy Barnett, D. W. Muller; Friendliest, Linda Williams, Robert Williamson; Smile Sweethearts, Kandy Miller and Pat Brown; Most Courteous, Linda Williams, Mike Fisher; Most Intelligent, Rue Jean Hancock, Mike Fisher; Most Versatile, Candace Mudgett, Pat Brown; FFA Sweetheart, Kay Baker; FHA Sweetheart, Danny Masten; Pep King, Danny Allen; Football Sweetheart, Linda Williams; Band Sweetheart, Dyanne Curry; Class Favorites Patricia McCurry, Donnie Ford; Juniors, Lynda Logan, Paul Gordon; sophomores, Paula

Chishom, Rickie Humphreys, Freshman, Sheila Baker, Larry Morgan.

Wedding vows were exchanged in a double ring ceremony by Miss Paula Jo McClellan and Eddy Mack Beard at 8 p.m. Friday in the home of the bride's aunt and uncle, Mr. and Mrs. Fritz Heine in Austin.

The bride is the daughter of Mr. and Mrs. Albert H. McClellan of Austin. The bridegroom's parents are Mr. and Mrs. Noel Lumpkin of Sudan.

Rev. John Grant, uncle of the bride, officiated for the services. Given in marriage by her father the bride wore a white embroidered street length taffeta dress and a white veil. She carried a white orchid atop a white bible.

Anita Patton of Austin was Maid of Honor and wore a yellow brocade taffeta dress with yellow accessories and a bronze mum corsage.

Best man was Donnie Shannon of Sudan.

Following the ceremony a reception was held in the home of Mr. and Mrs. Heine.

Mrs. Ballard is attending the Capitol Beauty School in Austin. Her husband is a graduate of Sudan High School and served in the Air Force receiving his discharge in July.

They will make their home in Austin where he is employed with the Industrial Instrument company.

Mr. and Mrs. Noel Lumpkin were in O'Donnell Sunday to visit her grandmother on the occasion of her 89th birthday.

Mr. and Mrs. Weldon Bradley of Dimmitt visited last week in the home of Mr. and Mrs. Jinks Dent.

Mrs. Noel Lumpkin was in Austin last week to attend the wedding of her son Mackie Ballard to Paula Jo McClellan of Austin.

Accompanying her to Austin was Donnie Shannon who was a member of the wedding party. While there they visited in the home of Mrs. Lumpkin's other son, the Marvin Ballards.

Mr. and Mrs. Mack Ballard of Austin spent the holidays in the home of his parents, Mr. and Mrs. Noel Lumpkin.

Susan Parker was the honoree for a party on the occasion of her sixth birthday Thursday afternoon when the event was held in the home of her parents, Mr. and Mrs. Glen Cardwell.

The circus theme was used for party decorations and the pink birthday cake was shaped in the form of an elephant. Balloons, and whistles were party favors.

Guests were Yvonne Ford, Brenda Aills, Randy Scott, Nelda, Caroline, Lance and Jana Carpenter, Jackie and Jimmy Williams, Douglas Rowan. Out-of-town guests included Mrs. James K. Fisher of Lubbock, grandmother of the honoree, and Chris Fisher.

## New Chianti Paperware Pattern Sets Menu and Mood

Saturday Night spaghetti suppers, as popular with grown-ups as pizzas are with teen-agers, can now be served up with the built-in mood of a Continental cafe. Simply use a brand new paperware pattern, appropriately called Chianti.

Marketed under the Bondware label, this red-and-white checked pattern, warmly reminiscent of gay cafe tablecloths, provides a colorful setting for many informal occasions: supper with family friends; Sunday brunch parties; stop-by-after-choir-practice night; Bowling Night Buffet, for a few. It also makes a gay setting for children's parties.

The coating of a layer of plastic, smoothly bonded to the paper, has done much to give paperware a new and glowing life indoors. Plastic-coated paperware products now are suitable for serving casseroles, stews, gravies and sauces.

The Chianti pattern joins two other new Bondware patterns: Blue Delft, a fresh blue-and-white floral pattern, and Bar-B-Que, a modern stylized design in sharp relief. All plates are available in the 9-inch size. All are products of Continental Can Company and are sold nationally at prices comparable to similar competitive products.

Here, Chianti sets the scene for a Saturday Night supper with friends—informal, colorful and friendly. A wide-noodle version of the Italian lasagne looks tempting on plastic-coated paper plates. Wicker placemats are used to under-

score the informal feeling of the occasion. Hot coffee is an appropriate accompaniment to the meal which is finished off with spicy baked pears, a la leaning tower.

### MENU

- Little Italy Lasagne
- Tossed Green Salad
- Thin Bread Sticks
- Leaning Tower Pears

**Little Italy Lasagne**  
8 ounces wide noodles  
1 pound ground beef  
1/2 cup chopped onion  
1 tablespoon cooking oil  
3 cups favorite spaghetti sauce, without meat  
8 ounces cottage cheese  
1/2 pound Mozzarella, thinly sliced  
Grated Parmesan

Cook noodles, following package directions. Meanwhile, brown beef and onion in oil. Drain off dripping. Add spaghetti sauce. Arrange half the drained noodles in shallow baking dish. Spoon on half the cottage cheese, evenly distributed; pour on half the sauce; top with half of Mozzarella slices. Repeat layers. Sprinkle top with Parmesan. Bake in moderate oven (375°F.) 30 minutes. Makes 6 to 8 servings.

**TEXAS SIZE** — Most everything has been known to grow to a true Texas size at one time or another, and now the sweet potato. Like the fabled story of the beanstalk, there was just no stopping it until it measured 19 inches around and 15 inches long. Mrs. O. E. Briles of Houston, is the gardener with the really green thumb, or was it a potato thumb. (AP Photo)
