

"Not Equals" Mac Insists

TOKYO, Sunday, Sept. 16 (AP)—General MacArthur clamped a tight censorship on Japan's news industry today, declaring the empire was no equal of the allies but "a defeated enemy which has not yet demonstrated a right to a place among civilized nations."

All but a few of the top sabre-rattling militarists on his wanted list of suspected war criminals were in custody. Those detained included Lt. Gen. Masaharu Homma, held accountable for Bataan's terrible "death march."

Jose Laurel, puppet president of the Philippines, his son and Benigno Aquino, head of the puppet Filipino assembly, were arrested by U.S. army authorities at the health resort of Nara near Osaka and taken to Yokohama.

Meanwhile, most strategic centers of all four home islands were marked for occupation by October in a stepped-up schedule testifying to the smooth spread of U.S. military power across the fallen nation.

MacArthur showed the Japanese the steel fist in his policy of occupation yesterday when the nation's news leaders were assembled to be told that 100 percent censorship was effective at once.

"General MacArthur desires it to be understood that the Allied powers do not regard Japan as an equal in any way," Col. Donald Hoover, chief of censorship, told the Japanese newsmen.

"The supreme commander will dictate orders to the Japanese government. He will not negotiate with it."

The Japanese were informed they had demonstrated they could not be entrusted with "the latitude" provided under the first, benign censorship MacArthur imposed.

"Domel was suspended yesterday at 5:29 p. m. for the dissemination of news disturbing to the public tranquility," Hoover continued.

Domel went back into operation but with censors at its elbow and with its operations limited strictly to Japan. Censors will move into Japanese newspaper offices and radio stations.

The Japanese still were entranced with the main burden of rounding up the men MacArthur wants for questioning, but the Americans may take over if at least three high on the list are not quickly produced.

They are Shigenori Togo, foreign minister at the time of Pearl Harbor; Taketora Ogata, named as a Black Dragon terrorist who holds ministerial rank as secretary of the present cabinet, and Vice Adm. Ken Terashima, "Pearl Harbor" cabinet minister of communications.

The Japanese yesterday turned over a batch of smaller fry, including Dr. Tokuda, suspected of performing experiments on Allied prisoners of war that caused some to die.

But the biggest fish walked in unassisted and gave themselves up to the Japanese police at Yokohama.

They were the hulking Homma and Lt. Gen. Shigenori Kuroda, his successor in the Philippines, both badly wanted by MacArthur. They later were taken by U. S. troops to Yokohama prison and locked up.

With them and locked up at the same time were two other top suspects, Col. Kingoro Hashimoto, suspected Black Dragon leader who ordered the bombing of the U. S. gunboat Panay in 1937, and Yoshitaka Ueda, named as a secret leader of the Imperialistic geopolitical bureau.

Togo, the leader as war-time (See M'ARTHUR, Pg. 11, Col. 2)

Reviewing The Big Spring - Week -

Joe Pickle

And what of the rumors concerning the Big Spring Bomber School? Status quo. At least that is what the Central Flying Training command says. Seemingly, some change is in the making, but what it will be and when—or if it will be at all—is a favorite topic for conjecture.

A good crowd turned out for the opening football game and an even larger one should be on hand to see Cisco here Friday at 8:30 p. m. The Lobos will furnish stronger opposition for the improved Steers.

School officials have expressed thanks to the Big Spring Athletic association, and properly, so. The association not only financed a conditioning camp (and the results showed up Friday night), but its members also sold about \$1,000 of season tickets. Also on the schools "thank you" list was the city for sprinkling the parking area.

The futility of breaking jail has been demonstrated to two of three who succeeded in fleeing the jail here Monday. A third prisoner is expected to be picked up before long. In addition to their previous woes, these men doubtless will

(See WEEK, Pg. 11, Col. 33)

KISS OF FREEDOM—Pfc. Frederick M. Fullerton of Taylor, Tex., tastes the fruits of freedom as he kisses Army Nurse Lt. Margaret Terepka (hometown not given) in Yokohama after his release from a Jap prison camp. It was his first kiss in five years. Passing through the railroad station of the city Fullerton caught sight of the American girl and kissed her. This photo was taken by Charles P. Gorry, AP Photographer with the wartime still picture pool. (AP Wirephoto).

Two Jailbreakers Back In Custody

Two of the three men who escaped from the Howard county jail Monday were back in jail here Saturday evening.

Recaptured were Jesse Coy Kimbrough, 20, who engineered the break, and Bob Martin, 20, who accompanied Felix Dominguez, 20, and Kimbrough.

Worm Damage Severe In County

Bollworm damage has been severe in at least three communities of the county, reports indicated Saturday.

The Fairview area appears to be hardest hit with late cotton damaged sharply. In several fields, lush appearing cotton is almost devoid of bolls.

Some fields in the R-Bar community have been damaged severely, and in the Vincent section late cotton has suffered from the worms. Otherwise the picture is spotted.

Typhus Reported In Spite Of Clean-Up

Even though the sanitary clean up campaign is progressing well, two additional cases of typhus were reported here this week health officials say.

The city was advised by Sam Landrum, state sanitarian, from Austin to begin spraying at once all standing water within the city limits. He is there conferring with health officials. Landrum also stated that all mosquitoes must be killed at once.

Work on alleys is still in progress and re-dusting of DDT in stock lots is also being done.

General Motors Faces Walkout Or Raise In Pay

Automobile Workers To Strike Unless Wages Increased One-Third

DETROIT, Sept. 15 (AP)—The United Automobile Workers (CIO) threatened today to strike all General Motors' factories to support its demands for a 30 per cent wage increase.

To spark an industry-wide drive for the increase, the union set aside \$4,000,000. General Motors was selected for the start of the campaign with the others of the automobile industry's big three—Chrysler and Ford—to follow.

The turbulent reconversion scene in the vast automotive industry shaped up thus:

1—The UAW announced it would petition for the strike vote in 135 General Motors plants if the corporation does not meet the wage demand. Such a walkout would affect more than 300,000 workers.

2—The union said Chrysler workers would ballot Sept. 23 to decide whether they also would petition for a strike vote later. This would involve from 80,000 to 100,000 employees.

3—The Ford Motor Company's big plants were almost completely closed as the corporation declared it could not continue work because of strikes against suppliers of parts. About 50,000 workers were affected directly, and 75,000 indirectly.

General Motors, employing 325,000 persons and largest producer of the car industry, was singled out by the union as the most strategic spot to launch the wage drive.

The auto workers union, which has contracts with all major producers of the industry, has outlined a plan to strike each company separately in an effort to enforce the 30 per cent wage demand.

Thus the union would exploit the competitive position of one company at a time.

Plans of the UAW-CIO to throw \$4,000,000 into the campaign were disclosed by George F. Addes, secretary-treasurer.

The union said it was anxious to bargain with General Motors but that so far the corporation had made no counter offer to the wage boost demand.

A strike vote would be taken under the Smith-Connally act.

Donations Climbing For Bible Course

Contributions to the high school Bible class fund had gone past \$1,170 Saturday with receipt of two more checks for the cause.

One was for \$25 from Mrs. Dora Roberts and another for \$10 from Mrs. H. E. Dunning. During the week a substantial number of checks and cash contributions were received. Meanwhile, several churches set up plans for contributing on a monthly basis toward a sustaining fund for the class. Gifts may be sent to or left with Joe Pickle, treasurer, at The Herald.

RETURN FROM ABILENE

County Commissioners Thad Hale, Earl Hull and J. E. Brown returned Saturday from Abilene where they attended the meeting of the West Texas County Judges and Commissioners association. They reported approximately 400 were registered for the gathering.

'DEATH MARCH' HOMMA GIVES UP, LOCKED UP IN ARMY JAIL

By MORRIS LANDSBERG
TOKYO, Sept. 15 (AP)—Lt. Gen. Masaharu Homma of Bataan "death march" infamy and three other suspected war criminals surrendered to U.S. army authorities tonight and were locked up in Yokohama prison.

The notorious commander of Japan's Philippines invasion professed "surprise" to find his name on General MacArthur's list of possible war guilty who may be forced to face courts martial.

With Homma were Lt. Gen. Shigenori Kuroda, his successor in the Philippines, and two others of MacArthur's "wanted" list:

Col. Kingoro Hashimoto, a Black Dragon Society leader who ordered the bombing of the U.S. gunboat Panay in 1937, and Yoshitaka Ueda, suspected secret leader of the Imperialistic Geo-Political bureau.

Shadows were lengthening over the three-story new concrete prison on the edge of Yokohama when Homma led the three others past steel-helmeted American MP guards.

But in an interview Homma said he was ready to "take full responsibility" for the acts of his subordinates.

Fire Rages During Violent Hurricane

PRESIDENT LEAVES FOR VISIT HOME—President Truman (right) waves as he boards the "Sacred Cow," the special presidential plane, for a trip to his Independence, Mo., home. He is accompanied by Sen. Alben W. Barkley (D-Ky) (left), and Mrs. Truman and Rep. Noble J. Gregory (D-Ky). (AP Wirephoto).

War Staff Shakeup Near

By ERNEST B. VACCARO
KANSAS CITY, Sept. 15 (AP)—President Truman said flatly today he would tell reporters all about rumored changes in the war department at his press conference next Tuesday in Washington.

He made the statement shortly after he had told an informal press conference he could give a better answer to any question relating to that department upon his return to the capital.

There have been persistent rumors that Henry L. Stimson, secretary of war, is anxious to retire and that his departure

would be followed by that of Gen. George C. Marshall, chief of staff.

Leaving his office in the federal building, the president was told his answers concerning the war department had occasioned considerable excitement among reporters.

Mr. Truman replied that he hadn't told them anything specific but that he would tell them all about it next Tuesday.

The president, however, made it clear that he has not decided upon his choice for the supreme court vacancy.

Mr. Truman, reporting to reporters at his offices in the federal building on earlier calls on his mother, his barber, a former haberdashery store proprietor, also disclosed:

(1) That he will look into labor disturbances at Detroit on his return to Washington but that he has no intimate knowledge of the situation at the present time.

(2) That he has no knowledge concerning published reports that Major General Patrick J. Hurley, enroute home from China, wants to resign his post as ambassador to that country.

Elliott's Story Is Pieced Together

By FRANCIS M. LE MAY
WASHINGTON, Sept. 15 (AP)—Brig. Gen. Elliott Roosevelt told government investigators he borrowed over \$600,000 to build a Texas radio network.

He said he never knew how Jesse Jones, former commerce secretary, settled his huge debts until he read about it in the papers.

The house ways and means committee today completed reading the 200-page statement of the late president's second son. It expects to make a decision on his inquiry next week.

Elliott, now 35, is leaving the army with his future employment unannounced. Ways and means committee and his statement indicates he is "broke."

Throughout the account of his business life, young Roosevelt hammers at one point—that the influence of his father, the president, never was used to promote his financial affairs.

From many sources, young Roosevelt's own account can be pieced together for the first time, as follows:

In 1933, when 28 years old, Elliott was president of Hearst Radio, which owned stations in Texas. Elliott and two other men formed a corporation, known as Texas State Network to buy the company.

His uncle, Hall Roosevelt, told Elliott that John Hartford, head of the grocery store chain, often made loans to young men starting out in business and sent Elliott to see Hartford in New York.

Hartford asked Elliott whether it would be embarrassing for President Roosevelt if he made the loan. Elliott suggested that Hartford telephone his father, then at Warm Springs.

The president later told Elliott, according to the son's story, that he told Hartford if he wished to loan money to Elliott he must do it on the merits, that his children were independent to conduct their affairs as they wished.

Hartford loaned \$200,000 to Elliott, taking stock in the Texas State Network as security.

Then, a few weeks following, David Baird, a New York insurance broker, loaned Elliott \$50,000, taking stock as collateral. Baird stipulated that the network take a \$100,000 life insurance policy upon Elliott, which was done.

Texas State Network was losing money in 1938 and 1939. Elliott with the owners of state radio stations over the country decided to start a larger network. Baird loaned Elliott another \$70,000 for this venture, taking stock as security. In 1939, Elliott repaid Baird \$10,000 on the Texas State

loan. At the end of 1939 Elliott owed Baird \$110,000.

The larger network failed and was put into receivership within a year of its organization. Baird ultimately received about \$30,000 upon the liquidation.

Texas State Network continued to lose money and borrowed money from Texas banks, running up to \$283,000. The notes were guaranteed personally by Elliott.

The president advised Elliott to discuss his affairs with Jesse Jones, saying that in view of Jones' familiarity with the radio business and knowledge of Texas he might be able to suggest a course of action.

Jones presented a statement of Elliott's financial condition to Hartford and Baird. Hartford set \$4,000 and Baird for \$500.

Jones never told Elliott what he paid to Hartford and Baird, young Roosevelt's story said, although Elliott's lawyer attempted to get the information. Elliott was out of the country on military duty.

LEASES FLOOR SPACE

Franklin Stores reportedly has executed a 10 year lease with the local Masonic lodges for the ground floor space of the temple at Third and Main. The lease covers a period from Jan. 1, 1946 to Dec. 31, 1955 and the consideration is said to approximately \$500 per month.

HOUSE REPUBLICANS WANT TO FORCE DRAFT END, DISCHARGES

By WILLIAM F. ARBOGAST
WASHINGTON, Sept. 15 (AP)—House republicans are mounting a drive to force congress to do something about ending the draft and getting men out of uniform faster.

And they expect a lot of help from the democrats in tackling what promises to be one of the hottest issues in many years.

Dissatisfied with failure of the house military committee to do something to speed up discharges, republicans under the prodding of Rep. A. L. Miller of Nebraska are drafting a discharge petition to force a showdown.

A discharge petition is a procedure by which legislation bottled up in committees can be brought to the floor for a vote if 218 members request it in writing.

Marijuana Ring In City Broken Up By Officers

A marijuana ring was broken up by police Friday, said A. G. Mitchell, chief of police, and one subject is being held in city jail for federal authorities. Mitchell reported 500 marijuana cigarettes were confiscated.

Police have been working on the case over a period of six months and pressure was put on it more recently because of the numerous trouble makers in the "flats" section. Police consider the marijuana as the chief cause for the fights, attempts to murder, etc.

The cigarettes were known to have been sold to a number of Latin-American youths for 50 cents a single cigarette, said the chief.

NEPHEWS LIBERATED

Harvie Clay has received word that two of his nephews, Pvt. Melvin Clay and Pvt. Frank Clay, sons of J. B. Clay of Jacksboro, have been liberated from Japanese prison camps. Joe Frank is reported enroute home and Melvin is being hospitalized. They were with the 131st field artillery on Java. Of the 66 Jack county boys in the "lost battalion," 48 have been liberated, 12 reported dead in prison and six unaccounted for.

Over 200 Said Injured At Blimp Base

MIAMI, Fla., Sept. 15 (AP)—Over 200 persons were reported injured tonight in a fire at the Richmond navy blimp base as a violent tropical hurricane that reached a peak velocity of 143 m.p.h. swept inland across the Florida keys.

Hurricane warnings were ordered hoisted over all of peninsula Florida, 50,000 persons were driven to seek emergency shelter in south Florida alone, and at least one death was reported.

Flames whipped by the great winds threatened to destroy the giant navy blimp hangars at Richmond, 30 miles from Miami, which were described by the navy as the world's largest single-arch wooden constructed hangars.

Ambulances were called to Miami's municipally-owned Jackson Memorial hospital to remove 70 pregnancy cases to make room for injured from the blimp base.

Mercury vehicles that sped to the Richmond lighter-than-air station carried 200 units of plasma, and 75 additional units were rushed there later. An emergency call was sent to Red Cross officials in Washington for 250 additional units to be sped here by plane.

The extent of the disaster at the blimp base was kept hidden by ripped communications, flooded roads and washed out bridges.

The Red Cross reported that the blimp base fire was caused by an explosion of undetermined origin while heavy winds roared outside. Six doctors reached the scene to treat victims, and some injured already have entered the naval dispensary at Miami.

Wooden structures at Homestead, 40 miles south of Miami, were badly damaged by the storm, the Red Cross said, but no injuries have been reported.

Three hundred enlisted men from the Miami air base at Opa Locka were dispatched as rescue workers and fire fighters to Richmond.

Another fire sprang up on the northwest fringe of downtown Miami, destroying a furniture factory and a tile-manufacturing plant and casting a great red glow against the rain-wiped skies.

Relief workers went into the Florida keys as the core of the storm raged over the Everglades in a curving northward movement. Hundreds of homes were reported damaged in the keys, where the hurricane reached an officially recorded velocity of 143 m.p.h. at Crysport Light, 40 miles south of Miami.

Winds of 99 m.p.h. roared over Miami itself but damage was held to a minimum by the tightly boarded up city.

An unconfirmed report said \$7,000,000 worth of navy and private planes, shipped from the Miami area to the hurricane-proof Richmond blimp base, were endangered by the fire there.

At 8 p. m. the winds in Miami had ebbed to 68 m.p.h. The highest unofficially reported winds at West Palm Beach were about 60 m.p.h.

Full hurricane warnings were (See STORM, Pg. 11, Col. 5)

Daily Oil Allowable Increases For Week

AUSTIN, Sept. 15 (AP)—The railroad commission today announced the total average daily allowable crude oil production in Texas last week increased 3,908 barrels daily over the previous week.

The commission meanwhile had under consideration the request of operators for additional peacetime reduction of allowable production as indicated at yesterday's statewide prorating hearing. They indicated that the October oil order, setting up the basis for production that month, would probably be issued sometime next week.

Average daily allowable for last week was 1,987,468 barrels, 3,908 barrels over this week.

The total number of wells this week was 102,938, an increase of 51 wells over the 102,887 figure for last week.

The commission today also reported a total of 4,904 drilling applications for the year to date as compared with 4,894 for the same period last year. There were 142 applications for the week ending today.

Sixty oil well completions this week brings the year's total to 2,810 as compared with 2,483 for last year. One wildcat drilled brings the year's total to 100 as compared with 125 for the same period in 1944.

'March Of Death' In Attraction At Ritz

Revealing intimately and vividly the heroic resistance of the Filipino peoples to Jap domination, "Back to Bataan" stars John Wayne in one of the year's most unusual and gripping screen offerings at the Ritz theatre today and tomorrow.

Wayne has the role of Colonel Madden who, shortly before the fall of Bataan, is ordered into the hills to organize guerrilla groups among the natives. The role, like all the principal ones in the film, is based on a real-life character, an American officer whose name cannot now be revealed but who was sent out by General MacArthur to do very much the job Madden accomplishes in the picture.

Working with a spinster school teacher and a little group of loyal Filipinos, Madden builds up a crude but effective organization that harasses Jap forces, dynamites the invaders' supplies and communications, and keeps General Homma and his slant-eyed soldiers in a continual turmoil.

TOUGH SPOT—John Wayne as the captain of Filipino guerrilla troops on Bataan, has many hair raising adventures such as this in "Back to Bataan", playing at the Ritz today and tomorrow.

How the guerrillas play an important part in the Leyte landing by blocking the roads along which the Japs must pass to repel the American assault, provides the stirring climax of Robert Fellows' production for RKO Radio. A vivid recreation of the infamous "March of Death" of the Bataan survivors, and of the Rangers' receding during rescue of the American prisoners in Cabanatuan, offer additional thrills to theatre patrons.

Excitement Of Turf In State's Technicolor Hit

The thrills of "Kentucky" with the magnificence of "Maryland." That's the essence of the unanimous preview acclaim coming out of Hollywood on 20th Century-Fox's new Technicolor hit "Home In Indiana," the film based on the famous Saturday Evening Post serial, "The Phantom Filly," by George Agnew Chamberlain, and opening today at the new State theatre.

Featuring Walter Brennan, Lon McCallister, Jeanne Crain, Charlotte Greenwood, June Haver and an outstanding supporting cast, 20th Century-Fox's monumental trilogy of films depicting the exciting drama and romance of one of America's great traditions is brought to a triumphant climax with "Home In Indiana."

Historical Events Chronicled In News Reels For Weekend

Historic events are chronicled in motion pictures in news reels set for weekend showing at the Ritz and Lyric theatre. At the Ritz, the RKO offering shows actual scenes of the formal surrender of Japan. Arrival of the Japanese delegation, the address by Gen. MacArthur and the signing of the surrender pact are pictured aboard the USS Missouri. In addition there are scenes of the devastations caused by fire bombs on Tokyo; of the release of U.S. prisoners, including the rescue of Gen. Jonathan Wainwright.

Texas Experiments With Glass Bead Road Markers, "Color" Highways Seen

By PAUL BOLTON
Herald Special Writer

All our highway signs one day may be made out of glass beads. They're being used, experimentally, in Austin in a test of the highway department to devise a highway sign which is readily readable at night; and highway department maintenance engineers say all the comment has been favorable.

The only criticism so far is that the signs are not large enough. They're the standard-sized highway markers, used because they were the only metal-based markers available.

The glass beads come in cloth-like rolls, of different colors. The glass cloth is cut to the size and shape of the metal backing, and the letters and numerals on the sign are cut out, with a contrasting color inset just as inlaid linoleum is made. At night, these beads pick up the reflection of automobile headlights.

Within the next month or so a decision will be reached on whether this type of marker is worth the cost, which is somewhat higher than a straight paint job. If they're deemed successful, a larger sign will be made and then the signs will become standard equipment for marking highways in all cities of the state.

Incidentally, this is strictly a Texas idea. Engineers do not know of any other state experimenting with these night signs.

And it's anticipated that some

day a highway may be popularly known by its color. For instance No. 81 in Austin is now the Red and White Highway.

There was some talk recently about Rep. Wright Patman of Texas running for governor. He denied it in Washington interviews. And now, friends of Patman who have visited him recently in Washington say that his sights are set on the senatorial race when O'Daniel is up for reelection.

There's a hearing set for the last of this month—Sept. 27—which natural gas people are going to watch with interest. It is important as the first of its kind; it may prove even more important depending upon how fully the hearing develops.

The last Texas legislature rewrote the state's natural gas tax law, which is one of the most confused and confusing on the law books. And because of this seemingly insoluble confusion there was written into the new law, a provision giving the comptroller of public accounts broad discretion to determine market value.

The way he is to determine it, in case of a difference of opinion, is to call a hearing, at which all interested parties, including the comptroller, could present evidence on market value.

The first hearing will be on some production of the Sinclair Prairie company, produced during June of this year. The comptroller suggested that the values reported on this gas were too low in some cases and the company then asked for a formal hearing under the new law. The gas involved was produced by the company, and the tax payment made by it as produced.

How much significance the hearing has depends upon the detail of the conference—whether it is fully developed, or whether it merely becomes a "conference" of the parties. Gas is taxed on a percentage-of-value basis, hence the industry's wide interest in the hearing.

American Faith In Italy Said Justified

NEW YORK, Sept. 15 (AP)—American faith that Italy would repudiate fascism and return to democracy has been "largely justified," Acting Secretary of State Dean G. Acheson told the Mazzini Society today.

In a message read to the Italian-American organization's national convention, Acheson said the allies look forward to Italy's becoming a member of the United Nations.

SUBSTANCE IS TOPIC
"Substance" is the subject of the lesson-sermon which will be read in the Church of Christ, Scientist, this Sunday, with the Golden Text found in Hebrews 11:1. A passage from "Science and Health" on page 468 will be included.

The star sapphire is said to be next to the diamond in hardness. Biggest Postwar Problem: Who goes back to the kitchen?

Soap is scarce. Save even the smallest scraps. Place them in the packet of one of the new sponges which are excellent for washing woodwork, tubs, sinks and dishes.

WHO AM I?
If you don't know— you should. I sell what you need— **PROTECTION**. See me before you call the fire department.

Chinese Advises Not To Retain Hirohito

LONDON, Sept. 15 (AP)—Chen Yuan, a leading Chinese educator, said today that Emperor Hirohito "must not be used as an instrument in controlling Japan."

Worship of the emperor is the foundation of Japan's educational system, "the most complete preparation in existence for war," Chen said.

If the emperor is retained, the educator added, "there will always lurk the danger of his falling into the clutches of some unscrupulous clique and being used as an instrument of evil."

Kitchen scissors are preferred to a knife for such jobs as dicing celery, green peppers, or parsley. They also trim fish easier and cube meat quicker.

SHIP SILHOUETTES—Units of the British fleet steam through Sydney Heads, early this year. Left to right, a cruiser and aircraft carriers HMS Indomitable and Illustrious.

CHECKING LISTS—Commander Harold E. Stassen, of the staff of Admiral William F. Halsey, commander of the Third Fleet, is given a list of Allied prisoners of war at Nissan Mill Camp No. 2 by two Japanese officers.

Navy Told Postwar Pickings Slimmer

WASHINGTON, Sept. 15 (AP)—The navy, like many a war worker, learned today that pickings in peacetime may be much leaner.

This was underlined by two White House developments:

1. President Truman was reported to have told Secretary of the Navy Forrestal, Chairman Walsh (D-Mass.) of the senate naval committee and others that the postwar navy will just have to stand in line henceforth when it comes to appropriations.

2. Mr. Truman recommended cutbacks amounting to \$11,518,301,253 in current appropriations and authorizations for the navy, and also of \$5,306,252,674 of unspent balances from appropriations for prior years.

Livestock

FORT WORTH, Sept. 15 (AP)—(USDA)—Cattle no receipts compared close last week: Medium and good beef steers and yearlings steady, low grade 25-50 lower, bulls 25-50 off, slaughter calves firm. Week's top: Beef steers and yearlings 15.75, cows 12.15, practical top fat calves 13.00; medium beef cows 8.75-10.25, good 10.75-11.50; good and choice killing calves 12.00-13.00.

Hogs: No receipts compared with week ago: Steady on all weights. Good hard choice lbs. up 14.55. Sows 13.80.

Sheep no receipts. Compared with week ago: Spring lambs and good aged sheep strong to 25 higher, cull to medium aged sheep 25-50 higher, yearlings 25 or more higher. Week's tops: Spring lambs 12.50, yearlings 10.50, aged sheep 5.50. Bulk prices: Medium and good spring lambs 11.00-12.50, medium and good yearlings 9.50-10.50, good ewes and aged wethers 5.25 and 5.50, cull to medium aged sheep 4.00-4.75.

OPEN TO LEASING

WASHINGTON, Sept. 15 (AP)—The interior department today opened to public leasing for mineral exploration more than 1,350,000 acres of public land on the Utah-Colorado border.

The land is near the recently developed Rangeley oil field in Colorado.

Quick-freezing garden products to insure a horn of plenty the year around is important in these days of rationing. Up-to-the-minute hints on freezing can be found in the new Emergency Food Commission leaflet, "Primer on Freezing Vegetables." Address request to Fernow Hall, Cornell University, Ithaca, New York.

"WHAT DO YOU HAVE LEFT WHEN YOUR HEALTH IS GONE?"

Often a check up which be as often as twice a year will reveal some little trouble that can be corrected if you will follow the directions of your physician.

TWO NATIONS TO HONOR HERO ON MEXICAN INDEPENDENCE

MISSION, Sept. 15 (AP)—Leaders from both sides of the border join here tomorrow to pay homage to Sgt. Jose Lopez, Congressional Medal of Honor winner and son of a Mexican soldier who gave his life in battle years before World War II.

Lopez, native of Mission and resident of Brownsville, will be paid tribute by Gov. Coke R. Stevenson of Texas, Gov. Hugo Pedro Gonzalez of Tamaulipas and representatives of the Mexican state of Oaxaca, where the sergeant's parents were born.

Here with the governors will be Brig. Gen. Arthur B. Knickerbocker, adjutant general of Texas, and officials from Mexico City and Victoria, capital of Tamaulipas.

There will be a parade through downtown Mission, past homes of modest Latin Americans from whose ranks Lopez rose to heroism in the U.S. army. The parade will lead to the high school athletic field, where addresses by the visiting officials will highlight the program.

Lopez was born in Mission in 1910, son of Mr. and Mrs. Cayetano Lopez, who migrated to the U.S. several years earlier from Oaxaca. Jose was a few months old when his father went back across the Rio Grande and volunteered under Francisco Madero, leader of the revolution which overthrew the Porfirio Diaz regime.

His father lost his life in that campaign and when Jose was nine years old his mother died. The young orphan lived with an aunt at Brownsville and learned to work in valley farm fields. A boxing promoter talked him into becoming a prize-fighter. He won about half of his 45 bouts.

Then he turned to the merchant marine and made several voyages around the world. He was on a merchant vessel bound from Pearl Harbor for San Francisco when Pearl Harbor was attacked. When he went ashore he asked his draft board for permission to enlist.

Attached to the Second division, Lopez went ashore in Normandy as a machinegunner. He won the Purple Heart for wounds at St. Lo. Later he added the Bronze Star.

Then came the battle of the Bulge. Lopez's machinegun was on the company right flank when the envelopment started.

Lopez got 10 Germans in his sights and cut them down. A German tank fired on him. He ignored it and machinegunned 25 more Germans trying to turn his flank. More Germans advanced from the right. He moved to the right rear of the sector.

A German 88 shell blew him out of his hole. He fired on. At a third position he fired until his ammunition gave out.

Then, said his citation, he again picked up his gun and fell back with the small group after displaying "gallantry and intrepidity in which he killed at least 100 of the enemy" and was almost solely responsible for allowing the company to withdraw and give other forces coming up support in time to build a line that repelled the Germans.

In addition to the Congressional Medal of Honor Lopez holds Mexico's Medal of Merit, first class, highest award a Mexican soldier can win. From Pres. Manuel Avila Camacho during a recent tour of Mexico he received the republic's "Favorite Son of Mexico" medal, an honor conferred on only five other persons.

Texas Observes Holiday Of Southern Neighbor

By The Associated Press
Most Texas cities will celebrate another nation's holiday today—Mexico's independence day.

Several began the observance yesterday, holding two-day celebrations. The 135th anniversary of Mexican freedom will be highlighted at Mission where Governor Coke Stevenson of Texas and Governor Pedro Gonzalez of Tamaulipas will honor a Latin-American Congressional Medal of Honor winner.

He is Sgt. Jose Lopez of Brownsville, whose father gave his life in battle long before World War II. Joining the two governors will be other representatives of Texas and Tamaulipas, and from the State of Oaxaca, where the sergeant's parents were born.

Brig. Gen. Arthur B. Knickerbocker, adjutant general of Texas, and officials from Mexico City and Victoria, capital of Tamaulipas, will be present. Another Latin-American Congressional Medal of Honor winner will be honored in Houston—Sgt. Marcario Garcia of Sugar Land.

Houston's celebration began yesterday (Saturday). Several thousand attended a celebration in Dallas yesterday. The first meeting of the newly-formed Latin-American American Legion post was held.

Laredo climaxes a two-day celebration today. The Texas city has joined Nuevo Laredo across the border in dances, parades, speeches, bazaars and other events. Galveston's estimated 3,000 Latin Americans are expected to join either Alvin or Texas City in festivals today.

Amarillo holds a two-day celebration sponsored by Our Lady of the Guadalupe parish. (From Manila came a dispatch saying the 201st Mexican Fighter Squadron, which trained in Texas, began a two-day celebration of Mexican independence day. It is stationed at Clark Field, Manila. Added reasons for the celebration: All members have received blanket promotions and expect to head for home soon.)

Other survivors include two grandchildren, Helen Elizabeth McCoy and James Louis McCoy; two brothers, J. A. Alexander, and H. F. Alexander, Borger; and one sister, Mrs. Ira C. Mann, Alton, Okla.

Rites will be in charge of the Rev. P. D. O'Brien, and the body will be taken overland to Ada, Okla., for interment. Graveside services there will be in charge of the Masonic order. Pallbearers here will be George Melear, Lonnie Coker, J. A. Coffey, Eugene Hutchings, Tipton Page, R. G. Kelly, S. H. Garrison and A. C. Petty.

The body will lie in state at the Nalley Funeral home until time for services.

SHREVEPORT, La., Sept. 15 (AP)—William T. Connor, 83, prominent East Texas merchant and financier died today in a local sanitarium following a long illness. A resident of Daingerfield, Tex., all his life, he had been in business there about 63 years.

Connor carried on business transactions in north Louisiana and throughout Texas during his career.

Aviation committee of Big Spring chamber of commerce will meet for breakfast at 8 a. m. Tuesday at the Settles hotel. The session was called by Dr. P. W. Malone, chairman.

Big Spring druggists will meet Monday morning at the chamber of commerce to discuss the probability of holding the West Texas Pharmaceutical convention here in March.

Unheralded Air Show As Carrier Returns

SEATTLE, Sept. 15 (AP)—It was 4:30 o'clock last Wednesday and Seattle was being treated to a sudden and unheralded air show as 107 dive bombers, fighters and torpedo planes roared in from the west.

Among the thousands craning their necks was Mrs. Harry W. Wood.

"Some carrier must be back from the war," she reasoned. "Of course, I couldn't be that lucky. Still... It might be the Essex."

Mrs. Wood climbed into the family car and started for Sand Point Naval Air Station where the planes were landing.

Aboard one of the planes of the four-squadron air group setting to earth was Lt. Comdr. Harry W. Wood, 25, executive officer of a fighting-bomber squadron, home after 29 months in the Pacific.

He dashed for an exit gate, tossed to the winds the dignity of a two-and-a-half-striper and started hitch-hiking along Sand Point way.

Along came Virginia Wood and the first—and only—hitch-hiker she picked up on that drive was you guessed it—her husband!

As the Essex had steamed toward Puget Sound—still 300 miles out—she had launched the planes of Air Group 83 one of the navy's greatest carrier-based units. Members believe they hold a carrier record of the longest, unbroken period of combat—51 days of continuous warfare.

Commander Wood's home-coming was rivaled by that of Lt. Jack Shumway. He was circling to land, receiving landing instructions from the control tower. He was a long way from home—which is Amherst, Mass.

Suddenly the voice from the tower took on a new timbre. Matter of fact it sounded sort of shaky and wavering and familiar, too.

It was the voice of his wife, a signalman, 1st class, in the Waves, only recently transferred to Sand Point and ordered to direct her husband's home-coming landing!

The flyers had stirring tales to tell of the 288-Japanese planes destroyed in the air, the 107 destroyed on the ground, and the additional 121 "probables" bagged in the air and on the ground; of the sinking and damaging of 265,000 tons of enemy warships and 77,000 tons of merchantmen. The sinkings included the Cruiser Yamato and four destroyers in the East China Sea last spring.

The Essex steamed 62,310 miles in the 158 days Air Group 83 was aboard. During that time Air Group 83 bagged 11 Jap planes and damaged 16 others. The planes flew 9,982 sorties, aggregating more than 39,500 hours, in which they made 10,658 landings on the Essex.

Ens. M. M. Traux, 22, of Fort Worth, Texas, set one of the war's top records, colleagues said, when he shot down six planes in three and a half minutes during the great aerial battle last April 6 near Okinawa. Essex planes shot down a total of 69 enemy planes that day and lost but one plane and one pilot.

Iron Lung Futile In Effort To Save Odessa Polio Case

Use of the iron lung was futile in an effort to save the life of Billy Jack Settles, 14 year old son of Mr. and Mrs. Jack Settles of Odessa, who died here at 3:15 p. m. Saturday in a local hospital.

The boy was stricken with polio Wednesday and brought to Big Spring for treatment. The body was carried overland by a Nalley ambulance.

Rix Funeral Home of Odessa is in charge of the services set for 3 p. m. Sunday in the Manual Baptist church. Burial will be in Clisco Monday afternoon.

ELIGIBLE SCHOOLS LISTED
AUSTIN, Sept. 16 (AP)—The official roster of 103 high schools eligible to participate in class AA interscholastic league football in the 1945 season was announced today by Rodney J. Kidd, athletic director.

This compared with 105 schools last year.

LEAVING—The Rev. Ivy Bohannon will preach his last sermons as pastor of the Church of the Nazarene here today before leaving to assume his duties as pastor at San Benito on Sept. 23. The Rev. Bohannon has been here three years and during that time the dedicatory services for the debt free church were held, the parsonage remodeled and paid for, and the work of the church kept at a good level. Sermon topics for morning and evening are "Holiness—The Experience and the Life" and "Preparedness." The Rev. W. R. McClure, Sweetwater, will arrive here during the week to assume duties of the local pastorate.

Once Reported Dead, Local Man Liberated

Harry Ford Toney, 22, "the man who came back to life"—has been liberated from a Japanese prison camp.

Mrs. Jewell Ford Broach, 311 N. Scurry street, learned Friday afternoon from the US Navy that her son, a torpedoman, third class, was reported officially back in American hands.

It was a particularly joyous occasion for Mrs. Broach, for little more than a year ago she had been informed he was presumed to be dead.

Toney, who entered service on Oct. 30, 1942 at Salinas, Calif., was aboard the USS Sculpin, a submarine reported overdue and presumed lost as of Jan. 14, 1944.

On Good Friday of last year, Mrs. Broach was informed by the navy that he was considered dead. His citations and other effects were returned to her at that time.

But when Easter morning came, it brought a message from the navy that Toney was a Japanese prisoner. She had no further word until she received a letter Dec. 20, 1944. Date and name of the camp was erased, but it was in

Widespread Pardons Granted In Mexico

MEXICO CITY, Sept. 15 (AP)—Widespread pardons are effective today for hundreds of prisoners by order of President Avila Camacho as part of tomorrow's 135th anniversary of independence from Spain.

Criminals convicted of shameful or unpatriotic offenses are excepted. Only those with good records and "not harmful to society" will be affected.

Pardons are given to those with two-year sentences who have served one-fourth their time. Those serving longer terms will get less reductions.

Regional Veteran Offices Planned

WASHINGTON, Sept. 15 (AP)—The Veterans Administration plans to speed handling of veterans affairs through a system of regional offices.

Gen. Omar N. Bradley announced yesterday he will name assistant administrators to head up 13 branch offices in areas roughly paralleling existing civil service districts.

A branch office will be established at Dallas.

Prospects For Crops Same As Month Ago

AUSTIN, Sept. 15 (AP)—The United States department of agriculture reported small losses in crop prospects from a month ago except for the 4,000,000 bushel loss to the rice crop caused by the recent tropical storm.

There were also some losses of cotton and corn in the storm belt but improvements in other districts offset these. Prospects for peanuts declined somewhat during the month, due to continued dry weather in southern areas. Wild hay production was off slightly and the pecan crop 40-50%.

Private Breger Abroad By Dave Breger

"Wonder what this bird is, with the ostrich feathers!"

Devereux Denies Asking For More

TOKYO, Sept. 14 (AP)—Lt. Col. James P. Devereux denies that he ever sent the famous radio message "Send us more Japs" as his heroic little marine garrison was being overwhelmed on Wake Island in December, 1941.

Devereux was quoted by members of an air evacuation group who visited his prison camp in the mountains of northern Hokkaido island Tuesday.

Now in command of the camp, Devereux told them, "the first thing I'd like to get on the record is that we did not send out such a radio message."

"We had all and more Japs than we could handle right then. There were just too many of them for us to hold off any longer."

Sgt. Al Martin of Rosnoke, Va., and Topeka, Kans., who was in the rescue party, said Devereux did tell them he had to give the "cease fire" order three times before his weary and outnumbered marines would quit the hopeless struggle.

Nation's Second Highest Decoration Awarded Posthumously To Capt. Cissna

The nation's second highest decoration has been awarded posthumously to Capt. Arnold J. Cissna, 22, who died in a heroic stand in Luxembourg in December, 1944.

Mrs. Gladys M. Cissna, who lives with their daughter, Beverly Jo, 2, at Forsan, has been informed of the decoration. She is the former Gladys Cardwell.

The citation for the DSC is for "extraordinary heroism in connection with military operations against an armed enemy in Luxembourg on Dec. 24, 1944."

"As Capt. Cissna's company was moving through Bilsdorf, Luxembourg, they were fired upon by hostile troops. Inspiring his men by his personal example of heroism, Capt. Cissna led a platoon in an attack upon the town, but as the bitter fighting progressed, he realized that his forces were greatly outnumbered and that it would

be necessary to withdraw.

"When the enemy launched a vicious counterattack shortly afterwards, he courageously elected to remain behind to cover the withdrawal of his men and fought alone until he was killed. Capt. Cissna's intrepid leadership and supreme devotion to duty are in keeping with the highest traditions of the military service." The citation was signed by Maj. Gen. Edward F. Witsell, and the decoration has been forwarded to this service command for presentation.

A previous report to Mrs. Cissna concerning the details of her husband's death told how they had warded off several enemy attacks and had inflicted heavy casualties on the enemy. The larger part of his force was able to withdraw.

He was the son of Mrs. A. B. Cissna of Weleetka, Okla., and has one brother, Roy Cissna, in service in the Merchant Marine. Capt. Cissna entered service Sept. 18, 1940. He had been in the national guard since 1939. He and Mrs. Cissna were married here Nov. 27, 1942 and he went overseas on June 21, 1944.

AUTHOR—Paul Moss, Odessa attorney, has authored another book, "The Book Was Free," which has recently been released by the publishers, Dorrance & Co. of Philadelphia. The story is rich in folklore and deals with Peter Pickens, an honest, Potrock mountain lad. It is a second novel by Moss laid in the same mountainous section.

The ruby syndicalises ardent passion.

Girl Scouts To Have First Year Of Peacetime Work

Leaders, Meeting Dates Announced By Council Head

For the first time since their organization in 1942, the Big Spring Girl Scouts are launching a year of activity devoid of war projects.

During the first three years of its existence the Girl Scouts have assumed the responsibility of collecting hundreds of pounds of waste fats, packing overseas kits for the Red Cross, and collecting and distributing magazines to men on troop trains.

Hampered by the fact that due to so many wartime activities leaders in adequate numbers were not available, many plans for Girl Scouting could not be carried through. However, at the present time big plans are in the offing to straighten leadership problems out, since local women will now have more time to devote to such programs.

During the war years approximately 100 girls were given the opportunity to enter scouting, and many of the leaders stuck with their troops despite the rush of wartime living.

Mrs. J. B. Mull, organization chairman, announced Saturday that the various troops will meet for the first time this school year during this week. She added that all meetings will be open to give the girls an opportunity to come into scouting if they want to.

The schedule for meetings includes Troop One meets Friday at 4 p. m. at the First Methodist

church with Mrs. M. S. Toops as leader and Mrs. H. W. Smith as assistant; Troop Two has no leader; Troop Three, a senior troop, will have its initial meeting at the high school Monday at 4:30 p. m.; Troop Four, led by Mrs. R. L. Pritchett, will meet at East Fourth Street Baptist church, Thursday at 4:30 p. m. Mrs. C. Y. Clink scales will be assistant leader; Troop Five will meet at Wesley Methodist church at 4:30 p. m. Friday; Troop Six will have Mrs. Walt Fleming as leader; at First Methodist church, Wednesday at 5 p. m.

Troop Eight has no leader; Mrs. M. S. Toops will lead Troop Nine at the Salvation Army, Thursday at 4 p. m., with Mrs. J. A. Green as assistant; Troop 10 has no leader, meets at West Ward; Troop 11 has disbanded; Troop 12, the negro troop, meets at Lakeview school with Mrs. Inez Brown.

Brownie troops which also begin their meetings are Troop 16 which will meet at the First-Presbyterian church Tuesday at 4 p. m. with Mrs. Dan Penn as leader and Mrs. Dee Davis as assistant; Troop 17, led by Mrs. J. E. Hogan, with Mrs. Larson Lloyd as assistant, will meet Thursday at the First Baptist church at 4 p. m.

Troop 18 meets at West Ward school, and has 14 girls registered, but has no leader; Mrs. L. D. Jenkins will meet with Troop 19 Thursday at 4 p. m. at the First Baptist church; Troop 20 will meet in the home of Mrs. Bill Early, troop leader, Friday at 4 p. m.; Troop 21, a Mexican troop, has no leader; Troop 22 will meet Wednesday at 3:45 at the Wesley Methodist church with leader Mrs. O. C. Henson, and assistant leader Mrs.

Merle Creighton; Troop 23 will meet with Mrs. M. F. Ray at the West Ward school Wednesday at 3:30 p. m.

A meeting of Girl Scout leaders and council members has been called for Tuesday at 4 p. m. at the school tax office. Mrs. W. J. McAdams, president of the council, urged Saturday that every member of the council and every leader attend the first meeting of the season. At that time plans for the future work of the Girl Scouts will be set up.

Cauble, Duncan To Go To Hokkaido, Japan

«Billy» Jack Cauble, S 2/C, son of Mr. and Mrs. Ladd Cauble, and Pat Duncan, son of David C. Duncan, are together aboard the USS Bayfield. Cauble recently wrote his parents that his group will be stationed at Hokkaido, Japan.

Future Of USO To Be Discussed At Council Meet

The future of the USO, both its club here and those all over the nation, will be discussed at the meeting of the USO staff and council Monday night, Howard Bell, director of the USO, said Saturday. Donald H. Hogan, associate regional USO executive from the El Paso office, will direct the discussions on the purpose at future outlook for USO organizations.

Bell explained that a point to be brought up will be the spending of money which will be raised in the drive for funds this fall. He reminded that there will still be clubs in operation in territories out of the United States for the boys in the occupation armies.

Bell said that the USO would use all of its forces to make the return to civilian life as easy as possible for the service personnel. «As long as there is a need for the USO club in Big Spring, we will be here to serve», Bell declared.

Richbourg, Stallings Repeat Marriage Vows

MRS. A. B. STALLINGS

Rev. O'Brien Reads Wedding Ceremony In Bride's Home

Pearl Richbourg, daughter of Rev. B. G. Richbourg of Jasper, Ala., was married in a single ring ceremony to Lt. A. B. Stallings of Breckenridge. The vows were read by Rev. P. D. O'Brien before an improvised altar formed of baskets of red roses Saturday morning.

The bride wore a dressmaker suit of gold colored gabardine, with which she wore a pale blue blouse fashioned with a high neckline tied with a bow. Her accessories were black, and her black felt sailor hat was designed with black lattice work of felt in the back with flowers formed of pale blue feathers. She wore an orchid. Ruby Harris attended the bride as maid of honor, and wore a light blue dress. Her corsage was of talisman roses and Chinese lilies. Lt. Phil Haupt served as best man.

Mrs. Stallings was graduated from Big Spring high school and attended Draughon's business college in Fort Worth. Lt. Stallings is a graduate of Breckenridge high school and attended N.T.S.T.C. at Denton. After receiving his commission at Midland air field, he went overseas and made more than 70 missions both in the European and Pacific theaters.

Following the ceremony guests, who included only intimate friends, were served coffee and individual heart-shaped cakes. The table was covered with a lace cloth and a centerpiece of variegated fall flowers was used.

Immediately following the ceremony the couple left on a wedding trip to Ruidosa, N. M. On their return, Lt. and Mrs. Stallings will make their home temporarily in Big Spring.

Mrs. Keaton P-TA Head At College Heights School

Mrs. H. G. Keaton was named to fill the vacancy in the presidential chair of the College Heights Parent-Teachers association left by the resignation of Mrs. G. T. Hall.

Mrs. R. Y. Cluid resigned her position as treasurer, and Mrs. Robert Satterwhite will take her place.

Mrs. Z. W. Boykin is vice-president and Mrs. John L. Dibrell is secretary.

Committee chairmen are: Program, Mrs. Bill Early; membership, Mrs. R. F. Blum; budget and finance, Mrs. W. P. Edwards; publicity, Mrs. George White; publications and room mothers, Mrs. Charles Staggs; war activities, Mrs. H. C. Smith and Mrs. W. R. Dawes; health and summer roundup, Mrs. H. P. Wooten; safety, Mrs. T. J. Williamson; and radio, W. R. Dawes.

At the first meeting of the fall season a short business discussion was held, at which the beautification of the playground and the children's library plans were made. Arrangements were completed for two Girl Scouts to keep P-TA members' children during the meetings. Plans were also made for the Halloween carnival.

Mrs. G. L. Hardin's room was winner of the prize for having the most mothers present.

Present were Mrs. Charles Staggs, Mrs. John L. Dibrell, Mrs. H. P. Wooten, Mrs. George White, Mrs. Bill Early, Mrs. R. F. Blum, Mrs. Z. M. Boykin, Mrs. H. G. Keaton, Mrs. R. C. LeFever, Mrs. Vernon Kyle, Mrs. Conn Isaacs, Mrs. John E. Freeman, Frank C. Shea, Mrs. Clayton McCarty, Mrs. W. D. Rowland, Mrs. L. C. Sanders, Mrs. Effie McWhirter.

Mrs. Garland Sanders, Mrs. D. I. Boone, Mrs. R. E. Porter, Mrs. R. L. Trapnell, Mrs. Artie Williams, Mrs. M. P. Denton, Mrs. R. A. Dickens, Mrs. Grady McCrary, Mrs. Troy Little, Miss Betty Collins, Mrs. James H. Jennings, Mrs. G. L. Hardin, Mrs. Martelle McDonald, Mrs. Lucian A. Jones, Mrs. Henry Covert, Miss Neal Cummings, Mrs. V. V. Strahan, Mrs. Will P. Edwards, Mrs. Ada C. Harrison, Mrs. Bob Satterwhite, Mrs. J. E. Brigham, Mrs. S. W. Smith and Mrs. A. B. Mays. The next meeting will be held October 11.

Kiwani Queens Lunch At Settles With Mrs. Coffey, Smith Hostesses

The Kiwani Queens met Thursday at the Settles for luncheon, with Mrs. J. A. Coffey and Mrs. S. M. Smith as hostesses.

Those attending were Mrs. Charles Abele, Mrs. M. M. Thorp, Mrs. W. D. Berry, Mrs. J. W. Elrod, Mrs. L. E. Hutchins, Mrs. H. W. Smith, Mrs. E. A. Dahse of Waco, Mrs. S. M. Smith, Mrs. Jack Roden, Mrs. B. E. Freeman, Mrs. Thomas J. Coffey and Mrs. Robert Stripling.

The next meeting will be held October 11.

Sinks and Mrs. Frank R. Dudley. Following the reception, the couple left for Big Spring for a 30-day leave.

THE LADY AND THE LEOPARD: This is Sally Victor's sensational sculptured turban in gold felt with stenciled leopard trim and huge shoulder-strap bag.

E. L. Bynums Announce Daughter Wed To Marine Corporal On August 20

Mr. and Mrs. E. L. Bynum have announced the marriage of their daughter, Margaret Del Magee, Y 1-c, U.S. Navy, to Cpl. Lou E. Doyle, US Marine Corps.

The double ring ceremony was performed on August 20 in the home of Mrs. Frank M. Cooper of Oklahoma City. Rev. Frank R. Dudley read the marriage vows before an altar banked with baskets of white gladioli, palms and fern.

The bride wore a belg street

length dress with brown and blue accessories. Her corsage was an orchid. For something old and borrowed she carried a white linen handkerchief which belongs to Mrs. Cooper. Something blue was her hat which had a shoulder length veil and a halo of blue feathers. A slender gold link bracelet, a gift from the bridegroom, was the traditional something new.

Marjorie V. Mullins, Y 2/C, U. S. Navy, maid of honor, wore her white dress uniform. Mrs. Bynum, mother of the bride, wore an aqua printed street length dress with black accessories. She wore a gardenia corsage.

Best man was Mr. Yeager, a friend of the family.

Mrs. Doyle graduated from Big Spring high school in 1939, and attended West Texas State college, Canyon, until Spring, 1942. She was employed by the Wilson Glider school at Lamesa until her enlistment in the Navy in April, 1943. Her present duty station is Naval Air Station, Norman, Okla.

Cpl. Doyle was graduated from high school in Washington, D. C., and attended West Texas State college until his enlistment in the Marine Corps in 1942. For the past 31 months he has served overseas in the Pacific theater of war with the First marine division. After his rehabilitation leave, he will report to Parris Island, S. C., for further duty.

A reception was held in the Cooper home immediately following the ceremony. The table was laid with a cloth of lace, centered with an arrangement of mixed gladioli and fern. The three-tiered wedding cake was topped with a miniature bride and bridegroom. Marjorie Mullins presided at the refreshment table.

Attending the wedding were Jessie Wheelers, Y 1/C; Dortha Davis, Y 3/C; Helen Woodward, Y 3/C; Cpl. Kenneth O. Leverton, Mrs. Ira Rice, Sr., Mrs. Cooper and Carol Lee, Mrs. Yeager, Miss Lee

Parks-Anderson Wedding Solemnized Thursday, Dr. Lindley Officiates

Doraine Anderson, daughter of O. A. Anderson of Watertown, S. D., was married Thursday evening to Roy W. Parks, son of Mr. and Mrs. J. H. Parks of Big Spring, in the chapel at Texas Christian University. The ceremony was performed by Dr. R. B. Lindley.

Mrs. Parks wore a street-length tailored dress of moss green gabardine, styled with a high neckline, with buttons extending to the hemline. Her accessories were black and she wore white gloves. Her carriage was an or hid.

The ceremony was followed with a wedding dinner at the Adolphus hotel in Dallas.

Mrs. Parks attended Watertown high school and was employed at Gowen Field, Ida., for two years. Parks was graduated from Big Spring high school and attended Texas Technological college for three years, where he was a member of the Centaur club. He was employed for two years at the State National bank in Big Spring, and has been in the army for three and a half years.

The couple will be at home in Boise, Idaho, where Parks is stationed.

MRS. ROY PARKS

Canadian Marries Colorado Officer At Post Chapel

Married in a single ring ceremony at the post chapel Saturday afternoon, Marilyn Middleton, daughter of Mrs. H. A. Middleton of Toronto, Ontario, Canada, became the bride of Lt. Stanley Floreth of Byers, Colo. The marriage vows were read by Chaplain Francis Baldwin.

The bride wore a simple white afternoon frock designed with a V-neckline and cap sleeves, with which she wore long white gloves. Her accessories were white and she wore a small, white, calot-type hat with black veiling. She wore a corsage of red roses.

Acting as maid of honor was Jean McIntosh, also of Toronto, who wore a dress of robin's egg blue silk jersey. Her hat matched the dress, and had a fuchsia feather, accented in color by fuchsia gloves. Her flowers were a corsage of talisman roses.

Mrs. Floreth attended high school in Toronto. Lt. Floreth was graduated from Byers high school, and before his entry into the U. S. Air Corps, was a member of the WCAAF stationed in Toronto. He has served six months overseas, being stationed in England.

Attending the ceremony was Mrs. Floreth's mother, Mrs. H. A. Middleton of Toronto.

The couple will make their home here during the time that Lt. Floreth is stationed at Big Spring Bombardier school, and eventually they will make their home in Denver, Colo.

Cosden Chatter

By JACK Y. SMITH
We wish to welcome Catherine N. Swortwood and Marguerite P. Hood as new office employees. Mrs. Swortwood is a stenographer in our credit department and Mrs. Hood is a bookkeeper in our credit department.

Mr. and Mrs. Otto Peters, Jr., are the proud parents of a new son, Michael Dorward Peters, born Tuesday, Sept. 11, 1945, weighing 7 pounds and 3 ounces. Cigars and candy certainly were prominent around the office Wednesday.

A card of appreciation for our floral offering to "Khaki" has been received from the Fuller family.

In a recent letter from Leemon Bostick, he tells us that he had just received an issue of the "Chatter" and that he, as well as all of his buddies, enjoys every issue. He now has a new address. It is: Leemon Bostick, P. O. Box 20, U.S.S. Perry (D.D. 883), c/o Fleet Post-office, New York, N. Y.

R. L. Tollett left Friday evening to attend the regular monthly meeting of directors in New York City and will also handle company business in Washington and Chicago.

A/S LeRoy Jones, former accountant, was a visitor in the office Friday, while home on his first leave.

Sammy Moreland was called to Alvarado Friday due to the death of his brother. We wish to extend our sympathy to Mr. Moreland and family in their time of sorrow.

E. B. McCormick has been out of the office for the past week as he is on his vacation.

Palmer M. Smith, a former employee who has been in the army, was in the office Friday, and he now has his discharge. Palmer states that he will be ready to go back to work for Cosden after he has had a short rest.

It may be a little early to be getting the Christmas spirit but we have our servicemen's Christmas packages wrapped and ready for mailing to those overseas. We are holding them up a short while longer in hopes that some more of them will get home before we get them mailed.

MISS AMERICA—Bess Myerson of New York City is crowned "Miss America 1945" by Venus Ramey of Washington, D. C., "Miss America of 1944," at finals of the beauty pageant.

Parents Hear From Liberated Prisoner

Mr. and Mrs. J. L. Baldock, who first learned of the release of their son, Cpl. Earl F. Baldock, from a Jap prison camp through a story published in The Herald Thursday, received a postcard from him him Saturday afternoon.

It was written from Saigon, Thailand, and dated August 21, possibly when he was released.

In the card, the first communication with his home since last January and only the fourth since his imprisonment, Cpl. Baldock wrote:

"I am well and doing fine. How is everyone at home? Tell everyone at home hello. I hope to be home soon."

This is the first card his parents have received which carried their Big Spring address, indicating that at last he has had some word from them. Formerly the family lived in Decatur, where Cpl. Baldock enlisted in the army in November, 1941, for two years service in Java, in the unit which subsequently became known as the "lost battalion."

Air Medal Awarded To Former Resident

FORT SILL, Okla., Sept. 15—A field artillery liaison pilot, Lt. Hensley D. Clayton, Dublin, Tex., who flew his "grasshopper" plane over St. Lo, France, in spite of serious flak wounds, was awarded the Air Medal at a review on the Old Post parade ground this week by Maj. Gen. Louis E. Hibbs, commandant of the field artillery school at Fort Sill.

Lt. Clayton, son of Mr. and Mrs. E. C. Clayton, Dublin, later was awarded the Silver Star for gallantry in action over St. Lo. Official presentation of the Silver Star has not been made yet.

Lt. Clayton was an employee in the United States department of agriculture with the Soil Conservation Service in Big Spring before he entered the service early in 1942.

CARRYING EXPLOSIVES—Four POW's carry "ammo" onto a barge at Bremerhaven, Germany, where the 17th port unit, is dumping the explosives barges into the North Sea. More than 1,000 tons of enemy explosives were destroyed by this method.

Big Five Said To Plan To Take Italy's Empire

By JOHN A. PARRIS, JR.

LONDON, Sept. 15 (AP)—A responsible source said tonight the big five council of foreign ministers had decided tentatively to divest Italy of her colonial empire and to adopt a trusteeship arrangement giving ultimate independence to Italian colonies.

The informant said the council had accepted the American view calling for an international trusteeship of the colonies "in conformity with the United Nations charter."

The official communique issued earlier said the foreign ministers had referred the Italian colonial question to the council's deputies with instructions to make the "fullest possible use of the plan proposed by the American delegation."

This development on the Italian peace settlement followed earlier reports that Turkey had sent the council a note suggesting international control of the bases leading to the Dardanelles, strategic link between the Mediterranean and the Black Sea, and of vital interest to Russia.

While the council in a communique issued after the fourth day's meeting, stressed the American plan, it also told the deputies to take into consideration views of the other delegations.

The council said the deputies were asked to submit recommendations two weeks before a date to be agreed upon later—of a second session of the foreign ministers.

This indicated the council has decided it will be unable to complete the draft of the Italian treaty for several weeks, or perhaps months.

Russia's influence was strengthened further in the council with a decision to add Poland, Ukraine and White Russia to the list of countries invited to submit views in writing, if they wish, on the Italian peace settlement.

TASTING FOOD—Gen. Omar Bradley, newly appointed veterans administration chief, samples food in the main kitchen at the veterans hospital, Northport, L. I. Alice E. Griffith, chief dietitian, is shown at left.

Koreans Cannot Be Appeased In Hatred By Ousting Two Japanese

By JAMES D. WHITE, Associated Press Staff Writer

SAN FRANCISCO, Sept. 15 (AP)—Koreans are pleased that American occupation authorities have sacked a couple of their most obnoxious Japanese administrators, the governor-general and the chief of police.

But this can be only a temporary stopper to the dammed-up hatred for Japan which saturates Korean thinking. This hatred comes from having had the Japanese in their hair for more than half a millennium.

Before Columbus discovered America, Japanese pirates, outfitted by feudal lords, plundered the Korean coast. In the late 1500s along came Hideyoshi, the Japanese war lord who conquered and unified his own country. He tried to go through Korea in the first Japanese attempt to conquer China.

After seven years fighting, the Koreans finally beat back Hideyoshi's invaders.

Hideyoshi died, and his successor, Iyeyasu, tried diplomacy. He wanted to reestablish relations with Korea so he could trade with China. The Korean king replied: "... Korea has... rejected (Japanese) proposals because both the government and the people have felt Korea should neither maintain her existence under the same skies with Japan nor disgracefully associate with a nation having the standards and practices of Japan."

But the king agreed to resume relations.

Pearl Harbor Probe May Call MacArthur

WASHINGTON, Sept. 15 (AP)—Gen. Douglas MacArthur may be asked to testify in the congressional investigation of Pearl Harbor.

"This new turn developed today as five senators and five house members arranged to meet, probably Tuesday, to organize a three months inquiry into America's greatest military defeat."

Senator Brewster (R-Me) said that if the investigation touches on conditions in the Philippines at the time of the Japanese assault on Hawaii, he will urge that General MacArthur be called to the stand.

Whaleva Fish Story--Whale Washed Ashore

ROCKPORT, Sept. 15 (AP)—"Globecephala ventriosus," said Dr. Gordon Gunter.

That was after the expedition had whizzed up in its jeep to see a very black whale on a very white beach scoured clean by the recent gulf hurricane.

Clyde Townsend happened to mention that he had found a live whale in the shallow water at St. Joseph's Island, and had hauled it ashore with a truck.

So a whale-hunting party which included two Texas marine biologists was formed. Gunter, a University of Texas research associate, was one of them. Joel Hedgpeth, who is doing work for the state of Texas, was the other.

Clyde was in town on Thursday. He manages the Sid Richardson ranch on the island, which is between the Gulf of Mexico and Aransas Bay on the Texas coast. "Find the jeep," said Clyde. "That's the only way you can make it down the beach to the whale."

The biologists, with Capt. Pope Lawrence of the state department of health in Austin, and his wife, piled into R. R. Rice's boat for a five-mile trip across the bay.

A cowboy, in blue jeans and Stetson, was handling his cowpunching from the jeep. Working cattle, he could go on the island anywhere a horse could go, and figured he got there before a horse could have worked up a lather. The party borrowed the jeep.

It leaped and bounded with the expedition over sand dunes and when it hit the damp sand of the beach thought it was on a race track.

It wasn't a whale of a whale. Young. Probably two years old, said Gunter. Length 12 feet, 10 inches. Weight about 1,000 pounds. Adults of the species are from 14 to 28 feet long.

"Globecephala ventriosus," meaning globe head, for a very black whale with a globe head. Some folks call it black fish or pilot whale.

A check of references by the party showed globe head usually migrate in large schools from Greenland and the coast of Norway to the Cape of Good Hope and from Japan south to New Zealand and east to Peru.

He seldom appears on the Atlantic coast of the United States. The whale hunters found no description mentioning his being found in the Gulf of Mexico.

Clyde had found the whale a week before. There was theorizing he must have got lost in the hurricane.

Police are investigating a burglary at L & L Housing.

CALL FOR TAX REPEAL
WASHINGTON, Sept. 15 (AP)—Directors of the U. S. chamber of commerce called today for repeal of the excess profits tax, reductions in individual taxes and termination of government price controls.

USES Helps Vets To Find Employment

How can a serviceman get a job?

The United States Employment Service has the answer for a lot of them, and has already helped thousands find their occupations.

For instance, there was a man medically discharged from the Seabees because of a nervous condition. After two years in the South Pacific, he discovered he could not return to his former civilian work as an assistant civil engineer due to his condition. Uncertain and worried about his future he consulted a USES veteran counselor who suggested a sales position with a field equipment company. Hesitant in following this kind of work, he consented to try the job only for thirty days. Sixty days later the veteran was happily situated, adjusted, and drawing \$600 a month combined salary and commission.

Often the USES requires time to develop exactly the right job a disabled veteran can do. In counseling, the USES tries to find out exactly what the veteran wants to do, what he can give to a job, and what is expected of the job itself.

The USES has hundreds of such case histories of disabled veterans placed in worthwhile jobs. Veterans may apply to their local USES office, 105 1/2 E. 2nd.

USES Helps Vets To Find Employment

Man Drives Off With Two New Tires On Car

The owner of Miller Tire Company told police Friday that a man in a black Lincoln car drove off without paying for two tires that he had put on his car. Police located the car but were unable to catch the driver.

A number of calls were answered but not many arrests were made. Several persons were picked up for drunkenness and three arrested for unlawful train riding. Seven traffic tickets were issued Friday.

Police are investigating a burglary at L & L Housing.

Japs Report Probe Of Totalitarianism

SAN FRANCISCO, Sept. 15 (AP)

The Japanese Domei news agency in a domestic broadcast today said a committee of the house of representatives had taken over "political investigation" functions of the former totalitarian political organization in Japan.

The totalitarian organization, the Great Japan Political Society, was officially dissolved yesterday. The domestic dispatch said a committee including Toshio Shimada, speaker of the house, and 31 others was appointed today to take over duties of the association.

The political society was inaugurated March 30, 1944, ostensibly to unite all political opinions and to create harmonious agreement between Premier Koiso's government and the people.

It replaced the Imperial Rule Assistance Political Society, (IRAPS) which had been Japan's sole political party for the previous three years.

Last Aug. 18, after Japan's capitulation, the great Japan Political Society announced its decision to disband but declared it would begin anew with absolutely new general principles and ideals.

Shimada, former minister of ag-

Naturally—And Where Else?

Yes, Where Else Would You Post A Letter Than A Mailbox?

The answer is simple; we all accept the mailbox as the place to post our letters. This common object has become second nature with us because it is specifically for the purpose it serves.

Your Bank Specializes, Too

Just as surely as the mailbox is the place to post letters, so is the bank the institution best equipped to help you with financial problems. Our entire history of service in this community is based upon the thought that trained, experienced officials are the best sources of assistance. Like a family doctor, they are concerned with your personal interests; yet every matter discussed is in strict confidence. Whether you seek advice on investments or wish to make a worthy loan, your banker is your financial friend.

Colorado City Post Officers Installed

COLORADO CITY, Sept. 15 — Three young veterans of World War II were formally installed as officers in the Oren C. Hooker post of the American Legion here Tuesday night when the post met in a business and educational session. A veteran of World War I, Dr. Harry A. Logsdon, was in charge of the installation.

Ken Eastin is new post commander; Charles Lambeth, veteran of both wars, vice-commander; Myrt Cathcart, second vice-commander; Ace Phillips, third vice-commander; Jimmie Harrison, returned gunner and engineer, adjutant; John Williams, post finance officer; Herb Walding, chaplain; Joe Y. Fraser, historian; George Bryant, World War II veteran, sergeant-at-arms; John Worrall, post service officer.

The Legion post went on record as favoring the employment of a full-time service officer for Mitchell county to be employed by commissioners' court and to give all possible assistance to the approximately 3,000 Mitchell veterans.

SIGNS OF PROTEST—Mothers and children form a picket line outside the government nursery in Chicago to protest its closing. Some of the small pickets rode their tricycles. Others brought their pets along for company.

Argentina Reimposes Outgoing News Ban

BUENOS AIRES, Sept. 15 (AP)—Argentina reimposed censorship in at least one instance on outgoing news dispatches today, despite a government decree issued Aug. 17 lifting the censorship ban.

A dispatch filed early today by the Associated Press, telling of differences between Rear Admiral Hector Vernengo Lima, chief of the Argentine naval staff, and Commodore Bartolome De La Colina, secretary of aeronautics, was rejected by the communications office on "superior authority." After the dispatch had been changed in part, the office accepted it.

Don't fret over those fruit and vegetable stains on your hands after canning. They'll come off with lemon juice or a bit of cuticle remover.

HIGH JUMPER—Alan Oliver, "boy wonder" rider, takes a tricky hurdle during the popular sport of horse jumping at the White City stadium, bringing Londoners the thrills usually reserved for the provinces.

No Cheering When Pacific Wounded Arrive In States

SEATTLE, Sept. 15 (AP)—There was no sky-larking, no cheering, no celebrating today, as 2,196 officers and men—many of them wounded—disembarked from the naval transport Jean Lafitte, after a voyage from the western Pacific.

Master Sgt. Joseph D. Tyler of Chehalis, Wash., walked slowly off the ship. He looked up, once, into the rain; climbed into a Fort Lawton truck and waited quietly. Not once did he smile. The only thing he said was, "I want to go home."

Master Sgt. Tyler has been fighting from Attu to Okinawa.

Most of the soldiers had been overseas three years or more. Some were from the 7th and 40th divisions; the 13th and 15th army air forces. Red Cross workers fed them milk and doughnuts—it was the first fresh milk in two years for several hundred of the army castles.

Many of the naval contingent were from warships which had

been sunk by enemy action. They included survivors of the destroyer Callaghan when a Kamikaze plane hit it at midnight last July 29, killing 49 and wounding 72.

Radarman Joe Albert of Yakima and Prosser, Wash., was on the Callaghan. "I jumped into the water and in about two hours I was picked up. But all I could think of were the men who never got off," he said.

Nearly every one aboard the transport wants to return to civilian life.

A half-pound of dehydrated cabbages makes four pounds to be used for slaw or cooking.

Mirrors Of Austin—NINE-JUDGE COURT — IN DEED OR IN NEW AMENDMENT ONLY

Texas now has a nine-judge Supreme Court. Those who watch the court will soon know whether that's in fact or merely in name.

When the constitutional amendment election was upcoming, lawyers over the state in speeches told how Texas was paying the salaries of nine judges; but that actually two judges could overrule seven when they voted in chambers on disputed problems.

Because only the three members elected by the people had a vote. The six commissioners could argue, but on the showdown their voice was ineffectual. Hence two elected judges could prevail over one elected judge and all six commissioners.

Now what goes on in the judges' chambers is the deepest of secrets, but a few reports do trickle out. And those reports say that in at least two cases it wouldn't be surprising to see the new supreme court overrule the old supreme court in the early future.

These two cases (among many others) are now pending on rehearing—that is, the court has delivered its opinion, but the losing side asked for rehearing, for another shot. These motions for re-

hearing hadn't been disposed of publicly prior to the constitutional amendment's adoption; and unless the opinions on rehearing had been actually agreed upon before that date (although not announced) then there's a possibility that the new court may show its temper. Those two cases are:

The so-called compensation case, O. G. Glenn and the Petroleum Casualty Company versus Industrial Accident Board, Commissioner C. S. Slatton wrote one opinion in this case. Then, on rehearing, Judge Gordon Simpson wrote another, which overruled Slatton's.

The second pending rehearing which has attracted considerable attention is the LCRA case. It is known that this decision was hotly debated in the court's chambers.

Those are the two big cases which lawyers will be watching for the supreme court to decide.

Mitchell County To Plan Flood Control

COLORADO CITY, Sept. 15 — Mitchell county commissioners court has asked S. J. Treadway, district engineer of the Texas state highway department at Abilene, and his corps to assist with plans toward solving one of the county's flood-threat problems, according to County Judge A. F. King.

Waters of Morgan creek, west of Colorado City, frequently flood both the highway between here and Big Spring and farms in the Westbrook area. A plan to divert water which after heavy rains surges south across the highway is to be worked out and considered by commissioners. The water will be diverted north and back into Morgan creek, the judge said.

BIG NEWS FOR MOTORISTS

NEW IMPROVED PEACETIME QUALITY

HIGHER COSDEN OCTANE

HIGHER OCTANE THAN BEFORE THE WAR

COSDEN HIGHER OCTANE AND COSDEN PREMIUM ETHYL GASOLINES

BETTER THAN THEY WERE BEFORE THE WAR!

The war has brought out many wonderful scientific discoveries and improvements in things for peacetime living—and not the least of these is the remarkable advances made in the quality of Cosden Higher Octane and Premium Cosden Ethyl Gasolines. — These two fine gasolines are now being made from stocks formerly used in Aviation Gasoline for the Government, but due to cancellations they are now available for these new Cosden motor fuels. — This means a lot to YOU, Mr. Motor Car Owner! — It means Cosden Higher Octane and Cosden Ethyl Gasolines are today far superior to any gasoline Cosden ever manufactured before the war! — So—drive in at your neighborhood Cosden Service Station at the sign of the Cosden Traffic Cop, tomorrow, and say "Fill 'er up!" — you'll notice the difference the first mile you drive.

Steers Crash Tahoka Line For 37 Points

Led by Hugh Cochron, veteran-halfback playing his last season for the Steers, Big Spring overwhelmed the Tahoka Bulldogs Friday night in the season's opener, 37-0.

A substantially improved bunch of Steers alternately sparkled and looked ragged in their initial test, for Tahoka did not put up much resistance.

DISTRICT 3-AA TEAMS SERVE NOTICE COMPETITION ROUGH

District 3-AA, for the past two years about the roughest in the state, hasn't tamed any.

Odessa sounded a fearful warning Friday evening by crushing the Lubbock Westerners, 26-7. San Angelo gave notice that the Bobcats are still to be figured in the chase by edging out the potent Denison Yellowjackets, 6-0 at Angelo. Sweetwater tripped Stephenville, 6-0, and Big Spring eased along to a 37-0 victory over Tahoka. Levelland held Lamesa to scoreless tie.

From the moment Partridge re-

covered a fumble on the Lubbock 17-yard line early in the game, Odessa was in command of the situation. Five plays sent J. W. Thompson over for the score. Thompson intercepted George Brewer's pass a few minutes later and ran 11 3/4 yards for a counter. Odessa recovered another fumble on Lubbock's 37 before the first half was over and drove to the two from whence Thompson went over. Byron Townsend intercepted a Lubbock pass in the third, running it from his 26 to the Lubbock's 15. Thompson passed to Jug Taylor for the score.

The Westerner's stopped another Broncho drive on the 10 in the final quarter and drove 99 yards to count with Don Austin reversing from the four. It was the first time Odessa had beaten Lubbock and 6,500 were on hand to see the job well done.

Dwain Dodson, only returning starter for San Angelo, climaxed an 83-yard drive in the second by going over from the one. He scored again in the fourth, but a penalty nullified it. Angelo piled up 15 first downs to seven for Denison, made 211 yards rushing to 99 for the visitors, and gained 76 yards passing to 40 for Denison.

Doyle Feagan passed 21 yards to Fisher Mays, who stepped off another 17 yards to give Sweetwater a fourth quarter touchdown and victory over Stephenville, which had penetrated to the Mustang's four in the opening quarter. A 50-yard pass gain for Stephenville in the fourth was cut back to the Mustang 40 on an out-of-bounds decision.

Fumbles cost the Lamesa Golden Tornadoes sorely. Neither Lamesa or Levelland threatened seriously during the game.

Big Spring victory over Tahoka did not tell much because the visiting Bulldogs were crippled, and at full strength, probably would not have proven too much opposition.

SIX-MAN GRID SCHEDULE SET TO OPEN FRIDAY

Garden City will be host Friday to Courtney in a non-conference tilt that will open play in the district No. 6 Six-Man Football league.

Forsan tangles with Coahoma, a north zone partner, the following Friday to open district competition.

District heads Thursday at Forsan bracketed Forsan, Coahoma, and Courtney in the north zone, and Garden City, Sterling City and Water Valley in the south zone. The schedule calls for a double round-robin with zone winners meeting for the championship on Nov. 18.

Only intra-zone games have bearing on the standings.

At the meeting were O. T. Jones and A. L. Davis, Sterling City; J. L. Carroll and Leon Young, Water Valley; Gordon Griggs and C. G. Parsons, Garden City; M. R. Turner, John H. Albers, G. T. Gutherie, Coahoma; H. H. Deck, Courtney; Dan McRae and Joe T. Holladay, Forsan.

The schedule, (*) conference: Sept. 21—Courtney at Garden City.

Sept. 28—Forsan at Coahoma*; Sterling City at Water Valley*.

Oct. 5—Courtney at Forsan*; Sterling City at Garden City*.

Oct. 12—Coahoma at Courtney*.

Oct. 19—Water Valley at Forsan*.

Oct. 26—Coahoma at Forsan*; Garden City at Courtney, Water Valley at Sterling City*.

Nov. 2—Forsan at Courtney*.

Nov. 9—Courtney at Coahoma*.

Nov. 16—Championship play-off between north and south zones.

Wolves Clip Kermit Team

COLORADO CITY, Sept. 15—Scoring once in each quarter, the Colorado City Wolves took the opening game of their football season by defeating Kermit's Yellow Jackets 26-7 on Cantrill Field here Friday night.

Rodney Tiller, Wolf left half, made three of the four tallies. Richard Thomas, fullback, went over for the other six points. The Wolves faltered on two conversions tries.

Kermit's lone count in the game came three minutes before the final whistle when M. E. Thompson ran back a Wolf kickoff 70 yards for a touchdown, and added the extra point by rushing. Colorado City made 13 first downs to two for Kermit. The Wolf line stood out in defensive play all evening.

EX-SENATOR DIES

WASHINGTON, Sept. 15 (AP)—Clyde L. Herring, 66, former democratic senator from Iowa, died here today in his hotel apartment of a heart ailment.

Expecting a Baby?

Mother's Friend massaging preparation helps bring ease and comfort to expectant mothers.

MOTHER'S FRIEND, an emollient, is useful in all conditions where a bland, mild anodyne massage medium in skin lubrication is desired. One condition in which women for more than 70 years have used it is an application for massaging the body during pregnancy... it helps keep the skin soft and pliable... thus avoiding unnecessary discomfort due to dryness and tightness. It refreshes and tones the skin. An ideal massage application for the numb, tingling or burning sensations of the skin... for the tired back muscles or cramp-like pains in the legs. Quickly absorbed. Delightful to use. Highly praised by users, many doctors and nurses. Millions of bottles sold. Just ask any druggist for Mother's Friend—the skin emollient and lubricant. Do try it.

Mother's Friend

Golden Bears Hit Blackland Eleven Terrific Wallop

WACO, Sept. 15 (AP)—Baylor University's Golden Bears returned to the gridiron wars with a bang here this afternoon, trampling the Blackland Army Air Field Eagles 40 to 0. A crowd of 4,000 saw the game in municipal stadium.

Baylor racked up 256 yards on the ground and 82 yards through the air and scored in every period. The Baylor line was like a wall and the Flyers lost a minus 13 yards from the line of scrimmage for the afternoon's play.

Sammy Pierce, Vernon high school star, made Baylor's first score as he took a hand-off from Jack Price and ran 46 yards for a touchdown.

Pierce also chalked up another gain of 55 yards that led to another score. Billy Kimbrough of South Park (Beaumont) carried it over.

Ray Comer of Beaumont intercepted an Eagle pass off his shoe tops and sped 79 yards for a touchdown.

Bobby Marrs of Lamar of Houston scored another touchdown and showed some nifty running. George Sims of Seymour also crossed into paydirt, from the Eagles' two yard line.

Ray Painter, star southpaw pitcher from Gatesville high school fired a pass to the La Vega, Tex., speedster, Stoney Cotton, who ran it over.

Price's attempted conversion was blocked but Bobby Griffin, former star of Garland high school, picked it up and ran around end for the conversion.

Price kicked three other conversions.

The game was the first for a Southwest conference team this year.

Baylor coaches sent in second, third and fourth string linemen, but the Eagles couldn't get through.

Cubs Clinging To Lead Over Cards

CHICAGO, Sept. 15 (AP)—The league-leading Chicago Cubs clung tenaciously to their three and a half game margin over the St. Louis Cardinals today as they divided a unique 10-inning "double-header" with their benefactors of the moment, Brooklyn's Dodgers.

The Dodgers, who twice defeated the Cardinals last night, registered a long-anticipated victory, 12-5, in a one-inning continuation of a game suspended in the eighth on July 20, but in the real business of the day the Cubs triumphed, 7-6.

The Cards have a chance to whittle Chicago's margin to three games when they meet Philadelphia at St. Louis tonight.

It looked for a while as if the Dodgers would continue their spoiler role against the flag contenders when Pitcher Hank Borowy failed to finish in the regular contest for the first time in 11 starts since the Cubs mysteriously whisked him away from the New York Yankees.

PITTSBURGH, Sept. 1 (AP)—The New York Giants raked three Pittsburgh pitchers for 12 hits including a home run by Roy Zimmerman with one on to defeat the Pirates 9-5 in the opener of their five-game series today.

CINCINNATI, Sept. 15 (AP)—The Cincinnati Reds took one hour and 14 minutes to shutout the Boston Braves 2-0 behind the four-hit pitching of Ed Heusser. Hank Sauer hit a homer for Cincinnati in the sixth.

Pros, Amateurs To Meet In Boat Races

Both professional and amateur rowers are to compete in speed boat races set for 2 p. m. today on Lake Sweetwater.

Nine races will be staged at 20 minute intervals, each race being for five miles. The starts will be from the municipal pier. Total purse for the events is \$500.

The Standings

NEW YORK, Sept. 15 (AP)—Major league standings including all day games of Sept. 15:			
American League			
Teams	W.	L.	Pct.

Chicago 7, Brooklyn 6; completing postponed game, Brooklyn 12, Chicago 5.			
Cincinnati 2, Boston 0.			
New York 9, Pittsburgh 5.			

SAMMY SNEAD HOT IN LEAD OF PACK AT SOUTHERN HILLS MEET

TULSA, Okla., Sept. 15 (AP)—Sammy Snead, getting warmer as the second round wore on, bagged an eagle and three birdies at Southern Hills today for a sub-par 67 to forge far ahead in the \$10,000 Southwest invitation golf tournament.

Byron Nelson, Toledo, O., winner of 17 tournaments this year, recovered from a first round slump and shot a 69, two under par, with five birdies, to step into a second place tie with Ky Laffoon and a medal score of 142 behind Snead's 135. Snead's 67 was four under par.

Laffoon, Miami, Okla., collected five birdies for a 69 and a total of 142.

Vic Ghezzi, Deal, N. J., who teed off first round 69, dropped to third with a 74 for 143, matching Herman Barron, White Plains, N. Y.

Tied for fourth at 145 were Ben Hogan, Hershey, Pa., Jim Gaunt, Oklahoma City, and John Bulla, Atlanta, Ga.

The 32 professionals and three amateurs will make a day of it tomorrow to wind up a 72-hole gring for benefit of army hospitals at Chickasha and Okmulgee, Okla.

Detroit Knocks Out Senators In Doubleheader

WASHINGTON, Sept. 15 (AP)—The Detroit Tigers dealt the Washington Senators a terrific one-two punch today by beating them in both ends of a double header 7 to 4 and 7 to 3.

The double defeat dropped the Senators two and one half games behind the Tigers in the American league pennant race.

Even if they win the three remaining games of the current series, the Senators will be at a disadvantage because of the fever games Detroit has lost during the season.

In Sunday's doubleheader, the Tigers will pitch Al Benton and Hal Newhouse against Roger Wolff and John Niggeling for the Senators.

Bennett Story Dies Of Attack

Bennett Story, 63, engineer for the Southern Ice company, died at 6 a. m. Saturday of heart attack.

He suffered an attack at 2 a. m. and was rushed to a local hospital.

Born Sept. 9, 1882 at Williams, Ia., Mr. Story had been with Southern Ice for 27 years and had made his residence here since 1937 with exception of short periods while doing work at other points.

Services will be held Monday at the First Baptist church with burial in the city cemetery. The Rev. P. D. O'Brien, his pastor, will officiate.

Survivors include his wife; one son, 1st Lt. J. Barker Story, who was to have been married Saturday at Love Field, Dallas, where he is stationed; and one sister, Mrs. Ida F. Rizer, Fairfield, Ia. Other relatives to be here for services include three of Mrs. Story's sisters, Mrs. Jennie Duke, Hugo Okla., Mrs. G. F. Lowry, Oklahoma City, and Mrs. Roy Burnside Shawnee, Okla.

The body will lie in state at Nalley Funeral home until time for services. Pallbearers will be George Melear, Ben Cole, Manley Cook, Paul Morris, J. A. Coffey, E. W. Burleson, R. Richardson, Roy Cornelison and Guy Combs.

4-H Club Boys To Show Pigs At Fair

Howard county 4-H club boys will exhibit pigs in the West Texas Fair at Abilene, County Agent Durward Lewter said Saturday. Plans are to take one Hampshire and six Duroc gilts and one Duroc boar.

Lewter also announced the dates of the club boy pig show here for Oct. 23. The event will be combined with the Sears pig contest, he said. He anticipated some 30 entries of gilts, barrows and boars.

PLEADS GUILTY

Marvin Thompson entered a plea of guilty in county court Saturday to a charge of driving while intoxicated and was fined \$50 and costs and had his drivers license suspended for six months.

SHIELD YOUR FAMILY in the CRITICAL YEARS

IN families where there are small children, there is nothing so important as to keep that family together under the constant care of the mother until the youngest child has had an opportunity at least to complete High School. This is the formative period—these are the critical years.

If you should die during this period, the Jefferson Standard Family Protector Plan will carry your family through. And if you live, this plan will give you continuous protection and an income for the retirement years. You owe it to your family to investigate the Family Protector Plan. For complete details at no cost, write or phone today.

Cosden Junks Well Showing Sulphur Water

Cosden, et al No. 1 R. C. Scott, section 64-29, W&NW, was being abandoned Saturday after encountering sulphur water at 3,445 feet. It had no shows below the Yates.

In eastern Howard county, Hickock & Reynolds No. 1 Read was below 2,450 feet in lime. The test, several miles north of nearest production in Howard-Glasscock area, is located in section 16-30-1n, T&P.

Lico No. 1 R. L. Powell, outpost from the Snyder area, had installed new motor with hole bottomed at 1,065 feet. It is in section 48-30-1n, T&P.

Continental No. 1 Douglass, deep test in northeastern Martin county, was drilling at 6,897 feet in lime. It is in section 33-34-2n, T&P. Continental No. 18-A Settles, section 135-29, W&NW, was completed at 2,570 feet for an initial production of 86 barrels natural. Continental located its No. 10-S Settles, a shallow test in the northeast quarter of section 133-29, W&NW. The deep test, Continental No. 1-D Settles, section 133-29, W&NW, was shut in awaiting orders.

CLEARING NAHA HARBOR — Three U. S. Navy men discuss methods for raising a sunken Jap freighter (right) as they start clearing harbor at Naha, Okinawa.

Cole Bros. Circus Is Coming To Town

Cole Bros. combined circus will show here the afternoon and evening of Friday, Sept. 28, it has been announced.

Tents will be pitched on the Read show grounds on W. 3rd street. The show, requiring 35 railway cars to transport, has a personnel of more than 350 performers and upwards of 700 in all.

There are more than a dozen cages in the menagerie and some 18 elephants, booked for the "elephant ballet," a variety of animal and other novelty acts, clowns, aerialists, etc.

Locker Company To Have More Boxes

An additional 400 locker boxes will become available Monday at the Big Spring Locker company, Marvin Sewell, head of the concern, said Saturday.

All tests on the new unit have been completed.

Addition of the boxes gives the plant a total of 1,214 making it one of the largest in the entire state. In addition, the concern operates an abattoir and has a chilling and aging room capable of handling 100 carcasses, two port rooms and one general storage room besides the locker vaults.

Welfare Board Seeks Ruling On New Amendment

AUSTIN, Sept. 15 (AP) — The state board of public welfare today authorized Executive Director John H. Winters to ask the attorney general to rule on whether or not the recently adopted welfare constitutional amendment is self-enacting, or whether it requires further legislative action.

Hubert Johnson of Waco, on whose motion the authorization was voted, said it was his impression that many old age pension recipients felt that adoption of the amendment would result in an immediate increase in payments.

The amendment placed a ceiling of \$35,000,000 annually on what the state may spend for public welfare, and changed the operation of the welfare program in other respects. It increased from 14 to 16 years the maximum age of children eligible for assistance; removed the ceiling of \$1,500,000 annual on state spending to aid dependent children; and raised from \$15 to \$20 a month the maximum state grant for old age assistance.

Winters told the board that there is not enough money in sight now to make any increase.

Winters said that the amendment has been tentatively approved by the federal social security board. Old age assistance is made up of both state and federal money.

Storm

(Continued from Page 1)

displayed from Palm Beach around the southern Florida coast to Tampa and at 5:45 p. m. storm warnings were ordered up along the east coast to Fernandina, near the Georgia state line, and St. Marks on the west coast south of Tallahassee.

Eighty-nine mile winds roared through Miami and Miami Beach, smashing plate glass, carrying away colorful beach cabanas, lifting roofs off a few buildings, overturning automobiles and flooding deserted Collins Avenue, along the oceanfront.

Grave fears that south Florida's multi-million dollar grapefruit, orange, lime and avocado crops would be destroyed were expressed. Many fruit trees were uprooted. A number of Miami's streets were blocked by fallen trees.

The police department halted all traffic over the three causeways connecting Miami and Miami Beach to prevent motorists from being blown into Biscayne Bay. During the great Miami hurricane of 1926 when 327 persons died and 6,327 were injured, many of the dead were lost by venturing out on the causeways as the storm center passed giving a treacherous lull.

All public buildings including schools, police stations, post offices and motion picture theaters were thrown open as emergency storm shelters in virtually every south Florida city. Hundreds were under cover in them, some late arrivals bedraggled and soaking wet.

More than 1,000 Red Cross workers were on the job, some in dangerous spots. Gene Hall of Miami, a letter carrier and Red Cross volunteer, carried an emergency radio transmitter into the storm at Key Largo.

"Coconuts were yanked off trees and flew through the air like footballs in forward passes," he reported. "Water covers the overseas highway on Key Largo. I located one family covering in the storm after most of their house blew away."

Only One Survives Crash Of ATC Plane

KANSAS CITY, Sept. 15 (AP) — Only one of twenty-one homebound European war veterans, passengers aboard a military air transport plane which crashed early today, remained alive tonight — and his condition was critical.

A crew of three died in the craft which crashed and burned only a few seconds after it took off from Fairfax airport.

M'Arthur Iron Lung Flown To Aid Of Lamesa Vet

(Continued from Page 1)

premier of all these men, was recovering from a botched attempt at suicide. Most of his principal henchmen either were in American hands or were suicides.

MacArthur's headquarters announced a revised occupation schedule which for the first time mentioned the southern island of Shikoku and called for a speedier movement into Japan's principal cities and ports.

An advance party of Marines was moving in today (Saturday, U. S. time) at Nagasaki, atom-bombed city on the western shores of Kyushu.

The naval base of Sasebo farther north will be occupied beginning Sept. 22. Three days later American troops will march into Osaka, second greatest city in Japan.

Other American forces will land on the northernmost island of Hokkaido Sept. 26, a day ahead of schedule, occupying Hokkaido's second city of Sapporo. The port of Otaru to the north will be taken over Oct. 4.

Local Farm Boards Advised Of Cotton Picking Ceilings

Official cotton picking and pulling prices have been announced by D. A. Adams, executive officer of the Texas USDA war board, local farm leaders were advised Saturday.

The ceiling prices recommended by the state office and approved by OPA are: \$2.25 cwt for clean, picked cotton and \$1.25 cwt for pulled or snapped cotton. The ceiling order for services of crew leaders were adopted as recommended, 25 cwt for hauls to 15 miles and 30 cwt for hauls over 15 miles.

Saturday P. D. Hudson, who will serve the district of Howard, Mitchell, Fisher, Scurry, Jones, Martin and Midland counties, on wage ceiling matters, conferred Saturday with community committees concerning the mechanics of the program. Hudson pointed out that inspections by committees could determine adjustments for certain fields which are skippy, etc.

Ceilings were imposed as of Sept. 14.

The Week

(Continued from Page 1)

find more time to serve for their escapade.

Dawson county estimates a gross of more than \$600,000 from its blackeye pea harvest this year. While Howard county made no such showing, the pea crop here was worth many thousands of dollars.

The high school Bible class fund is steadily growing and if all who said they intend to give just sit down and make out and mail those checks, the job can be finished in short order.

One of the biggest obstacles in the path of the Howard County Free Library is that the reading clientele has about "read out the crop" of books in stock. Some new books are being added constantly, but it would be a worthy project for one or more organizations to help finance more books for the young, but popular institution.

Big Spring people are clean-up conscious now. Not only has there been a general response to appeals to cut weeds and tidy places, but the majority of people are improving tops for garbage cans and getting approved cans as fast as they become available.

Some progress is being made in bettering the traffic situation, but there is still entirely too much speeding and reckless driving going on. We need liberal doses of safety education at home and at school. It may save us from being sorry.

Weather Forecast

Dept. of Commerce Weather Bureau

BIG SPRING AND VICINITY: Fair with moderate temperatures Sunday.

WEST TEXAS: Fair with moderate temperatures Sunday. Monday partly cloudy, scattered showers and cooler in Panhandle and South Plains.

LOUISIANA and EAST TEXAS: Fair Sunday and Monday. Rising temperatures. Gentle to moderate northeast to east winds on the coast.

Last Rites Planned For G. J. M'Masters

Last rites will be said at the Eberley-Curry chapel at 4 p. m. today for George J. M'Masters, who died at the veterans hospital in Amarillo Friday night.

He was born Feb. 11, 1886 and was a veteran. Rev. George Julian, pastor of the St. Thomas Catholic church, will be in charge of rites and the Veterans of Foreign Wars will officiate at the graveside. VFW officials asked members to be at the chapel at 3 p. m.

He is survived by his wife, Mrs. G. J. M'Masters, 1908 Main, and his father, T. E. M'Masters, Wyoming. Other relatives include his mother-in-law, Mrs. W. W. Harris, 1004 Wood; Mr. and Mrs. Jess T. Thornton, Jr., 1004 Wood; and three brothers-in-law, Millard Harris, San Diego, Calif.; Grady Harris, El Paso; and Woodrow Harris, Pensacola, Fla.

Burial will be in the city cemetery and pallbearers will be from the VFW post.

MINISTER — Einar Gerhardsen (above), former Norwegian resistance leader, is now prime minister of Norway.

Singers Attend Meet Honoring Old Members

Several Big Spring singers have gone to Stephenville for the state singing convention, devoted this year to honoring the old-time, retired members of the organization.

Among those who went from here were Paul Attaway, N. F. King, who for several years headed the Tri-County Singing convention, Mr. Burroughs and Mrs. Lena Greer. The convention at Stephenville lasts through today.

STORMPROOF COTTON

Ches Anderson has some storm-proof cotton that will do until something better comes along. In proof of it, he brought a stalk from his field six miles west of here to the office of the county agent. It had approximately 120 bolls and forms on it with many of the bolls open.

Meat Still Scarce

CHICAGO, Sept. 15 (AP)—The American Meat Institute reported today that although a nationwide survey of meat dealers showed 'substantial improvement' over last month, beef, veal and lamb were still scarce in some areas and most pork items were short in all areas.
MAY NEVER RECOVER
KUNMING, China, Sept. 15 (AP)—Maj. Eugene C. Jacobs, a surgeon in the U.S. 14th Infantry who was liberated recently at Mukden, said today many Americans never would recover from illnesses caused and aggravated by more than three years of starvation in Japanese prison camps.

MEN'S WEAR OF CHARACTER

Try and Stop Me

DAILY STORY FROM THE BEST-SELLING BOOK By BENNETT CERF

THE learned but unworlly head of the department devoted to the study of comparative religions at Harvard university invariably asked the same question on every final examination: "Who, in chronological order, were the Kings of Israel?"

Students came to count on this procedure as a sacred institution and prepared accordingly. Some crabby misanthrope tattered and, one precedent-shattering spring, the professor confounded his class by changing the question to: "Who were the major prophets and who were the minor prophets?"

The class sat dumbfounded and all but one member slunk out of the room without writing a word. This sole survivor scribbled furiously and deposited his paper with the air of a conqueror. "Far be it from me," he had written, "to distinguish between these revered gentlemen, but it occurred to me that you might like to have a chronological list of the Kings of Israel."

Morris Ernst has resurrected the story of the attorney who journeyed to California to try an important case, promising to wire his partner the moment a decision was announced. At long last the wire came and it read, "Justice has triumphed." The partner wired back, "Appeal at once."

West Ector Test Swabs Devonian

By JOHN B. BREWER

SAN ANGELO, Sept. 15—Swabbing and flowing of oil lightly from the Devonian by Sinclair Prairie No. 1 Jessie May Williamson, Ellenburger failure 2-1-2 miles north and slightly west of the TXL triple-pay field in west central Ector county, was the principal West Texas oil development this week. Three-eighths mile northwest and southeast extensions to Devonian production in the TXL field were completed, stretching the area to four miles. Mid-Continent Petroleum Corp., effected a short extension to the Fullerton 8,500 (Devonian) field in Andrews county.

Featured wildcat locations were those for the first scheduled Ellenburger tests in the South Cowden and Harper pools in Ector county.

Sinclair Prairie No. 1 Williamson in Ector was being shut in to pressure up then opened in testing open hole between 7,877 and plugged back depth of 8,052 feet. It had been washed with 600 gallons of mud acid. After being shut in 24 hours, the prospect flowed 42.17 barrels of pipeline oil in 12 hours.

No. 1 Williamson encountered sulphur water in the Ellenburger, in drilling to 9,923 feet and, after plugging back, cemented 7-inch casing at 7,877 feet. It entered the Devonian at 7,883 feet, 4,545 feet below sea level. Location is near the C SE SW 40-45-1s-T&P. The nearest Devonian producer in the TXL field, Atlantic No. 1-C TXL, was finished early in the week with a daily flowing potential of 884 barrels of oil from 7,950 to 8,088 feet. Located in the C SE NW 7-45-1s-T&P, it extended production three-eighths mile northwest from Amerada No. 1 TXL, which is a diagonal northwest offset to the Shell and Cities Service Devonian discovery.

Phillips No. 1-D TXL, moving TXL Devonian production three-eighths mile southwest, was finished with a daily flowing potential of 1,050 barrels from a perforated section at 7,871 to 7,920 feet. It is in the C NW NW 33-45-1s-T&P. Standoind prepared to start No. 1 Eva B. Kayser, slated 11,000-foot wildcat on the southwest side of the South Cowden pool in Ector county, where "production is from the Grayburg slightly below 4,000 feet. Location is the C SW SW 34-43-2s-T&P, five miles southwest of Odessa. Cities Service has an interest in the lease but Standoind will drill the test and will have operation if production is developed.

Cities Service's No. 1 J. E. Parker, proposed 10,500-foot wildcat on the west side of the Harper pool, will be in the C SE NE 20-44-2s-T&P. L. H. Weptz assigned a half interest in leases on 1,280 acres for the deep exploration. Mid-Continent No. 4-11 University in Andrews county, C SW NE 29-13-U, half mile south of the firm's Fullerton 8500 discovery, registered a natural daily flowing potential of 1-

210.8 barrels of oil from 8,460 to 8,626 feet.

With Ellenburger production developed, Shell and Texaco No. 1 Ratliff & Bedford, southwestern Andrews county wildcat C NW NE 4-73-psl, was testing the top of the Devonian after treating perforated section between 8,777 and 8,950 feet with 500 gallons of acid. Dual completion will be attempted.

Magnolia staked No. 1-A E. P. Cowden, slated 9,000-foot west offset to Magnolia and Humble No. 1 E. P. Cowden, opener of Andrews county's latest Devonian field, C NE SW 7-A55-psl. Continuing to test a perforated section from 7,900-80 feet, the discovery flowed 93.15 barrels of oil in 24 hours through a 19/64ths inch tubing choke with gas-oil ratio 1,686-1.

Bidding for Devonian production in northwestern Gaines county, Amerada No. 1-A Dr. E. H. Jones, C NW NE 3-A6-psl, recovered 2,880 feet of oil cut one to six per cent by water, 998 feet of oil cut by drilling mud and 4,110 feet of salt water on a 38-hour drill-stem test through casing perforations between 11,422 and 11,428 feet.

Honolulu spudded No. 24 Frazier, slated 8,500-foot test for Clear Fork lime pay on the southeast side of the Slaughter field, in southwestern Hockley county, in section 10-X-psl.

Skelly staked location for No. 1 Dorothy L. Slaughter, northwest offset to Texas Gulf Production Co. No. 1 Allie Slaughter and others, San Andres lime strike in southeastern Cochran county. Activity spurted in the Garza (San Andres lime) field in Garza county with the staking of four locations by Alex McCutcheon and two by the Comanche Corp., all on the Post estate. Applications were for permits to drill 3,000 to 3,500 feet.

Robert M. Payne No. 1 H. C. McLain, Pecos county wildcat C E N 7-2-H&TC, four miles east of the Abell Permian lime field, recovered sulphur water on a drill-stem test of the Ellenburger from 5,242 to 5,322 feet and shutdown for orders.

INSTALL MEMBERS

COLORADO CITY, Sept. 15 (AP) New officers for the Texas Epsilon Beta chapter of the Beta Sigma Phi sorority for young business women, were installed here this week at formal ceremonies in the Crawford hotel dining room, Colorado City. Nine pledges to the organization were also installed.

ENTERTAIN GUESTS

COLORADO CITY, Sept. 15—Opening the new club year's work, the members of the Colorado City Business and Professional Women's club entertained a number of prospective members with a dinner party Tuesday evening in the Crawford hotel dining room.

To remove paper that sticks to your table top, moisten it with a little oliveoil.

Crop Prospects Good In Mitchell County

COLORADO CITY, Sept. 15—Crop prospects in Mitchell county are good, County Agent Ted Roensch said this week. Pulling of the cotton crop has begun. Roensch estimates the acreage of cotton at 40,000 acres with a possible 15,000 to 20,000 bales coming up.

"Early feed looks good," the agent said, "and is being harvested. Late feed looks fair and could use a rain. In fact we'll have to have a rain to make a bumper late feed crop."

Peak of the harvest season here is expected Oct. 1 when additional migratory labor will be needed to gather both cotton and feed. A limited number of seasonal workers is needed in the county now.

Range cattle and range conditions are "good for this time of year," Roensch stated. No sale of stock or sheep has been recently reported.
