## Mountain Echoes

By

Now that our Volunteer Fire Department has some full-fledged women members we must hereafter refer to the group as "firepersons", not firemen. Several local women, long-time members of the VFD Auxiliary, are educated in the art of truck operation and fire fighting, and now on call for local fires.

One thing for certain the winter of '76 and '77 will long be remembered. It's been COLD, and many of us have suffered with icy feet and frozen water systems.

One happy thought, spring is just two months away!

Richard Chaffin is back at home and getting along fine from his recent surgery. Needless to say, one of his first stops upon arriving home was the downtown coffee shop!

Kenneth Bowker was appointed Tail Twister of the Lions Club during the absence of Richard Chaffin. Despite Bowker's insistence that he is doing a good job, some of the club members disagree and have been harassing him to the point of stealing Bowker's favorite pipe.

One advantage is apparent to me: Bowker has made a bargain rate for the ten-cent fines, charging three for a quarter!

## Rural Fire Truck Is Now Operable

Rural residents in the community can breathe a little easier now. The Santa Anna Volunteer Fire Department made necessary repairs on the old Ford fire truck so that it is operable for rural fire calls.

The pump on the truck had been ailing for several months, and necessary repairs were made Monday night so that the truck, containing a 400-gallon water tank, can make calls outside the city limit.

For the past three weeks the new fire truck was the only one in operating condition and restricted by state regulations to remain in town at all times. Work is progressing well on the large water tank for the old Dodge truck and when completed will give three vehicles in operable condition for the local department.

The department is eager to maintain vehicles and equipment and with the recent fires in town everyone is aware of the necessity of a well-equipped department.

## SAHS Girls Take District Lead

### Susan Newman Scores High In Contest

The first-- and only-- girl on the Texas A&M University Meats Judging team, Susan Newman, was high point individual on the team at the American National Stock Show and judging contests at Denver, Colorado last week. Susan also led the Aggie team to second place in the contest and received an award as second high individual in the entire contest.

A junior student at A&M, Susan qualified for the judging team that will represent A&M at several contests this spring and next year.

The next contest for the 13 member team will be in Fort Worth later this month.

Susan, the daughter of Mr. and Mrs. Tom Newman, is an animal science major at A&M where she has been named to the distinguished student list each semester since enrolling in the fall of 1974.

## Arson Suspected In Pickup Fire

A late model Chevrolet pickup belonging to Leon Harvey Drilling Co. of Graham was heavily damaged Sunday morning when the interior of the vehicle burned as it was parked at the Sant Anna Motel. Santa Anna Volunteer Firepersons answered the call at 3:15 a.m. at the Motel parking lot. The blaze was soon extinguished.

Bill Roach, an employee of the Harvey Company, reported some items missing from the pickup and Sheriff's Department officials are investigating the fire and suspect arson in he case.

Roach is staying at the local motel while the Harvey Company is drilling in this area.

## City Sales Tax Received in SA

State Comptroller Bob Bullock mailed city sales tax rebate checks last week which included the refund to the City of Santa Anna.

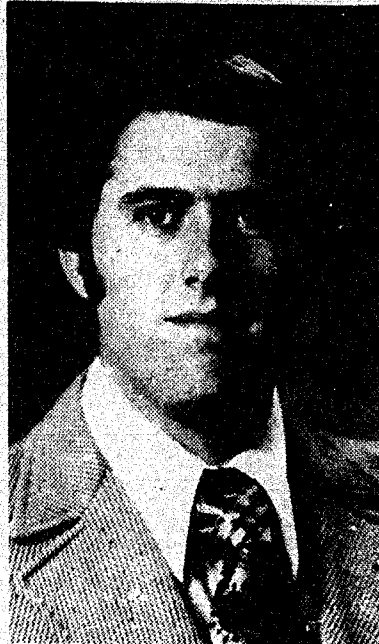

The January tax refund, payment of the one-cent city sales tax, amounted to \$745.04.

The city sales tax is collected with the four-cent state sales tax, then refunded to the cities on a monthly or quarterly basis.

## Echo Jamboree

The monthly Echo Musical Jamboree will be held Saturday night, January 22, at the Echo Community Center. The concession stand will open at 6 p.m. with sandwiches, desserts and drinks and music will start about 6:30 p.m.

Everyone in the area is invited to be on hand for the family entertainment and to visit with friends and neighbors.

PASCAL J. HOSCH  
... Ass't. Trust Officer

## SA Native Is Bank Officer

Pascal Hosch, son of Mr. and Mrs. Pat Hosch, has been named assistant trust officer and head teller at First Coleman National Bank in Coleman. The new appointment was made at the meeting of the Board of Directors Wednesday, January 12. Hosch has been with First Coleman National since last spring.

A graduate of Santa Anna High School, he received his bachelor and masters degrees from Texas A&M University, completing requirements for the masters degree in agri-business and banking last month. Part of the graduate program was a six-month internship with the bank.

Mr. Hosch and his wife, Joyce, and daughter Jill reside in Coleman where he is a member of Breeder Feeder Association. He served as secretary of the Coleman County Youth Stock Show this month. Mrs. Hosch is a teacher in the Brownwood schools.

## Cash Is Taken In Burglary Last Thursday

Investigation is underway on a burglary at Burden Mobil Service Station Thursday night. The burglary occurred between the time the station closed at 6:15 p.m. and 19 p.m.

Nightwatchman Jim Lovelady reported the burglary when he discovered a broken window at the station as he went on duty Thursday night. H. A. (Sy) Burden owner of the station was called to the scene and reported over \$200 in cash taken in the burglary. Checks were scattered in the downtown street as the culprit discarded them upon leaving the scene.

Sheriff H. F. Fenton and his deputies are making the investigation.

## Hi. School Basketball Teams Winning in District Games

The Santa Anna girls basketball team took undisputed lead of the District when they defeated the Brookesmith team last week and ended the first round of district action with a perfect tally. The girls also won over Rochelle in the second round action making a 8-0 district record.

In the Lohn game Friday, January 7, the girls won by a 57-47 score with Gaye Harvey scoring 26 points and Rhonda Rhoades scoring 20. On Tuesday night of last week they defeated Brookesmith 44-31 with Rhonda leading with 24 points and Gays scoring 16.

Last Friday night at Rochelle the girls mauled their opponents 69-37 with Rhonda and Gaye having 28 and 27 points respectively.

Regardless of the results for the remainder of the season, the girls have cinched a play-off for the district title. However they are seeking the second round championship and district crown without a play-off.

The SAHS boys have also won several games and now stand 4-3

in the district and 10-8 for the season.

At Lohn Terry Day scored 20 points and Mike Warnock scored 18 to defeat the opponents 74-57. In the Brookesmith game Santa Anna won with a score of 61-24 with Mike Warnock scoring 15 points and eight points each from Mike Warnock, Terry Day, Joe Joe Morris, E. J. Bible and Joe Dean Early.

At Rochelle Friday night Santa Anna won 68-35 with Warnock scoring 29 points and Day 14.

The Junior Varsity boys team is undefeated this season winning 51-23 over Lohn, and 68-29 over Rochelle. In the Lohn game Tommy Harris scored 13 and Don Eubank 12. At Rochelle Mike Pape and Eubank led with 15 points each followed by Harris with 14.

The Jayvees stand 11-0 for the season.

The Mountaineers played here Tuesday night with the novice teams and will travel to Mozelle Friday night for 7 p.m. games. On Tuesday, January 25, they will host the Richland Springs teams.

## Local Rural Mail Carrier Receives District Award

M. L. Guthrie, Jr., an employee of the Santa Anna Post Office Department for the past 26 years, was presented the Driver of the Month Safety Award last week. The award is for the month of December, 1976, and was presented by the Postmaster John C. Gregg in behalf of the San Antoni District of the United States Postal Service.

Mr. Guthrie was selected as the driver of the month for the Abilene Sectional Center area during the first week of January. A safe driver is selected each month from the 111 towns and cities in the Abilene Sectional Center. This award enables the safe drivers to be nominated for the National Safe Driver of the Year Award.

Guthrie entered the Postal Services as a substitute clerk. In March 1961 he was transferred to the Rural Carrier position he now holds. Since that time he has been driving the 81 mile route six days each week and has never had an accident during this period.

The U. S. Postal Service has a continuing safety program underway. Each week all offices in the area have safety programs for the employees. Under this program every aspect of safety is considered. Of course safe driving is a major part of the program, as well as safety in lifting and walking.

Clyde E. Grant, Sectional Center Manager and Postmaster of Abilene, also sent Mr. Guthrie his congratulations for his

accomplishments while participating in the Driver of the Month Award 76 Program.

## SAHS STUDENTS EARN PRAISE

Santa Anna High School students showed their concern and interest in their friends and the community when they organized a fund drive for the Willis Morris family last week. The Morris home and all the contents were destroyed in a fire Tuesday morning.

The students collected money from the four classes and faculty members and purchased clothing for the school children and also made a cash donation to the family to show their concern.

Principal Ken Bowker praised the young people for their thoughtfulness and initiative in the project.

**GRANT RECEIVED**—Iralee Brooks, manager of Sears-Roebuck of Brownwood, presents Dr. Roger L. Brooks, Howard Payne University president, with a \$1300 grant for the university. Grants will be donated to 36 colleges and universities in Texas this week by the Sears-Roebuck Foundation.

## HPU Receives Grant From Sears-Roebuck Foundation

Grants totaling more than \$71000 are being distributed to 36 privately supported colleges and universities in Texas this week by the Sears-Roebuck Foundation, a spokesman said today.

In the Brownwood area, Howard Payne University received grants totaling \$1300.

We are pleased and grateful for this kind and generous donation," said Dr. Roger L. Brooks, HPU president. "James Franklin, Roy Simmons and other members of the 1977 Sustaining Fund team join me in thanking the Sears-Roebuck Foundation for its contribution."

Texas college and universities

are among almost 1,000 private accredited two- and four-year institutions across the country which are sharing in \$1,250,000 in Sears Foundation funds for the 1976-77 academic year. Funds are unrestricted and may be used as the colleges and universities deem necessary.

In addition to its unrestricted grant program, the Sears-Roebuck Foundation each year conducts a variety of special-purpose programs in elementary, secondary, higher, and continuing education. Altogether, the Foundation had expenditures of over \$2,500,000 in 1976 for its education activities.

## Focus on Employment

If you are looking for a job, you might begin by going to your local TEC office since the Texas Employment Commission handles job vacancies for many area employers. During 1976 the Brownwood TEC office recorded job openings for approximately 70 percent of all area businesses that employ twenty or more persons.

At this time, the Brownwood TEC is recruiting qualified applicants for the following jobs: **CEMENT MASON**--Experienced cement finisher needed for nine-month job on out-of-town building project, journeyman experience, but not license required. Hours are 7 a.m. to 4 p.m. Monday through Friday, and pay is \$8.25 per hour.

**TEACHER**--Requires bachelor's degree and teaching certificate with at least fifteen hours college credit in business. Hours are 8:30 a.m. to 3:30 p.m. Monday through Thursday.

**IN COLEMAN**--Jobs listed for janitor and for nurse aide. Both positions pay \$2.30 per hour. The nurse aide will work 7 a.m. to 3 p.m., four days on and two days off, weekend work required. No experience is necessary, the employer will train.

**NEAR LAKE BROWNWOOD**--Carpenter helper for about one and one-half months work at \$2.70 per hour.

**REGISTERED NURSE**--For nursing home facility.

If you are interested in any of these openings, apply in person at the Texas Employment Commission, 209 Fisk Avenue Brownwood Texas or call (915) 646-1591.

## The Consumer Alert

by John L. Hill  
Attorney General

AUSTIN—Businesses can be consumers, too, our Consumer Protection Division attorneys point out. And they can have some special types of consumer problems that individual consumers never have to face.

As a matter of fact, sometimes unscrupulous "con artists" and other fraudulent operators concentrate their energies solely on trying to take advantage of business persons. They figure that with the usual flow of billings and payments a business handles routinely, some dollars diverted their way will never be missed.

Some Texas business communities recently have experienced a wave of specialized frauds aimed at "conning" them into paying for products or services never received or items which were received although they had never been ordered.

One ploy is to call a secretary, office manager, or clerk to offer "discounted" prices on office products, such as toner for copying machines. Lawyers in our Consumer Protection Division have learned that one approach is to say that a customer in the same city had cancelled an order for the product, but that it was already in shipment. "In order to save the expense of having it returned to the home office," the caller says he is authorized to sell it at a "reduced price."

Or the caller may indicate that the person will receive a special bonus, such as a television, if an order is placed. Our attorneys say that what the caller usually wants to do is acquire a name and address to use for "authorization" before sending the product. Even if no order is placed, the product may be sent anyway, and the company billed.

The Better Business Bureau reports that some unscrupulous sales persons intentionally bypass persons

in authority and talk instead with a janitor or maintenance person. In these cases, the seller offers a small, inexpensive gift to the janitor for his time, in order to show him a line of office maintenance goods. In order to get the gift, the janitor has to sign a receipt. Later, the company is sent a shipment of office goods based on the signature "authorization" on the gift receipt.

Businesses not only in Texas but across the nation have been plagued by solicitations disguised as invoices for listings in teletype directories, international business directories, advertisements in newspapers or magazines, and similar publications.

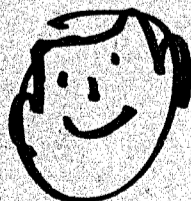

The Texas Deceptive Trade Practices-Consumer Protection Act offers protection from false, deceptive, or misleading business practices for business consumers as well as individuals. Contact the Attorney General's Consumer Protection Division in Austin, Dallas, Houston, San Antonio, El Paso, McAllen, or Lubbock if you think you have been victimized in ways similar to the above.

You can often prevent such abuses from occurring, however, simply by designating one individual to authorize all invoices, company contributions, advertising, or other purchases before payment. The BBB also suggests that you advise all employees to refer requests for contributions or authorizations for purchases to this person.

In addition, the U.S. Postal Service now requires that all solicitations must be labeled as such, along with the note that the recipient is not obligated to pay unless the offer is accepted. If your business receives solicitations designed to look like due bills which do not carry this information, you should report them to your local Postal Inspection Service's Fraud Inspector.

Our most valuable assets aren't in the vault.

By Mrs. Oscar Boenicke

Services were held here Sunday morning. The speaker was Chuck Bradford, student minister from Howard Payne University, who spoke on TANE drug and alcohol Sunday morning at 11 p.m.

The ones that attended an Avon Party at the Joe Hammonds home Saturday evening Jan. 15 were Annie Lou Vaughn, Carrie Stacy, Oma Lee Dockery, Russiie James, Leona Henderson, Mary Boenicke, Thelma Fleming, Evaline Herring, Daisy McClatchy, Gertrude Martin, and Dorothy Wells and the Hostesses Leta and Brenda Hammonds.

Some of us left at 3 p.m. and went to the Cemetery for the burial of George Page. He was brought from Gustine here.

George Page, 66, Rt. 1 Gustine services were at 1 p.m. Saturday in the First Baptist Church in Gustin, with Rev. A. J. Quinn and Rev. Calvin Gray officiating. Burial in the Trickham Cemetery.

George was born in Coleman County Jan. 21, 1910. He died at 8:40 a.m. Wednesday in Stephenville Hospital after a short illness.

He married Cora Shelton Dec. 4, 1932.

Survivors include his wife, Cora, of Gustine; one son George A. Page of Brigham City, Utah; and three daughters, Mrs. Elmer Garlity of Eldorado, Mrs. Jimmy Allen of Houston and Mrs. Charles Beaty of Waco; two brothers Leon Page of Perry Ga. and Carol Page of Nashville, Ark.; and 12 grandchildren and two great-grandchildren and a host of cousins and friends.

George and Cora Page will be missed at our annual Cemetery meeting each year. Harrell Funeral Home of Dublin had charge of his funeral.

Mr. and Mrs. J. E. York visited Mr. and Mrs. Edgar Cole and Mr. and Mrs. Charles York in Brownwood Saturday afternoon and night.

Visitors with the J. E. Yorks last week were Winnie Haynes and Oma Lee Dockery.

Friday evening Bond and Lillie Featherston visited Ethel Mathews and Lou Featherston and Ed and Gladis Featherston. They were all doing pretty good.

The ones that visited in the Fred Haynes home after the George Page burial were Mr. and Mrs. Melvin Bowden of Brownwood, Jerald Bowden of College Station, Mr. and Mrs. Cecil Bowden of Cherokee, Mr. and Mrs. Carol Page from Arkansas, Neson Ryan of Coleman, Sye Burden of Santa Anna, Mrs. George Page of Gustine, Mr. and Mrs. Elmer Garlitz and family from Eldorado, Mr. and Mrs. Jimmy Allen of Houston, and Mr. and Mrs. Charles Beaty of Waco. They all had cake and coffee and

went by the cemetery after the grave was filled to take pictures of flowers.

Other visitors last week in the Fred Haynes home were Oma Lee Dockery and G. K. Stearns, Leona and Hilburn Hendrson and Jim Linebery of Bangs.

Saturday Florence Stearns went to Cross Cut to visit R. C. and Ann Stearns at their farm. They came home with her and spent the night and Sunday, R. C. visited the Gordon Stearns Sunday morning.

The Oscar Boenicke attended services Sunday morning and visited at Bangs with Oscar's sisiter and daughter, Laura Harris and Kathleen and Jeff Fitzgerald. So glad Kathleen is doing good now, her health has been bad awhile.

Pat Jr. McShan and Chris Mays of Brownwood visited Russiie James Saturday evening and had supper with her. This Monday night Russiie and her sister, Yevive Cole of Brownwood, are attending the Knife and Fork Club at Brownwood and Russiie will spend the night with Yevive.

Sunday Talmage and La Verne McClatchy took his parents, the C. T. McClatchys to San Angelo for Frank and Grace Newman's 50th Wedding Anniversary Celebration. Also Wiley and Carrie McClatchy attended from here. The Newmans had all their children and grandchildren with them. Congratulations to them, hope they have many more happy years together.

Earlene Dockery, Rodney and Wesley and Annie Lou Vaughn, also Tayna and Alex DeLeon had dinner at Lake Coleman at Mr. and Mrs. Sonny Johnson's. Also Mrs. Tom Johnson of Coleman. They were celebrating Toyna and Rodney's birthdays, also Mrs. Tom Johnson has a birthday this Monday. They all enjoyed looking at films which were made of the family while they were young. Also had gift exchange.

The Santa Anna and Bangs AARP group met Monday, Jan. 17, at the Methodist annex at Santa Anna at noon for a covered dish luncheon. 54 present and all that were there payed their dues. There are 98 on roll, we are having new members along. Six who had birthdays this month were at the birthday table, Mrs. Audrey Holt made the birthday cake in shape of a horse shoe. It was very pretty. The President, Horace Shofner, had charge of the meeting. Lucile Wylie had charge of the program and several told funny things that happened in their lives.

The next meeting will be at the Bangs Community Center, Feb. 21.

Mary Lea Mitchell and her brother, J. B. Griffin, spent the weekend at Post with her daughter and family, Lea and Loyd Mock, Jennie and James.

Rodney Guthrie spent Saturday

night with Annie Lou Vaughn. He helped her feed her cows and went to church with her.

Grady and Genia McIver visited the rankin McIvers and the Bernice McIvers Sunday evening.

We ae still having some cold weather, but it is winter now so we might as well look for colder weather the moisture we got last week was good on the grain and will help everything.

## Rep. Lynn Nabers On Committees For Legislature

Rep. Lynn Nabers of Brownwood has been named chairman of the Criminal Jurisprudence Committee by Speaker of the House Bill Clayton. Nabers, in his fifth term, will also serve on the House Administration Committee and the Financial Institutions Committee.  
 He is one of 11 members of the Criminal Jurisprudence Committee who will consider all matters concerning prohibitions, standards and penalties under criminal law. The committee will also consider all matters relating to criminal procedure in the Texas courts, proposals for revision of the Penal Code of Texas and legislation pertaining to the Board of pardons and Paroles.  
 Clayton, who moved Nabers from the chairmanship of the Health and Welfare Committee to the new assignment, said he did so because Nabers had "proven to be a capable chairman who could handle any assignment."  
 The House Administration Committee has jurisdiction over the administrative operation of the House and the General House fund.  
 The Financial Institutions Committee has jurisdiction over all matters pertaining to banking, savings and loan associations, credit unions and the State Finance Commission.

## Local Church Aids in Relief Here, Abroad

Seventh-day Adventists gave more than 17 million pieces of clothing and \$9 million in cash through its community services program in the last recorded year, according to report sent through Mrs. John Hart, director of the Santa Anna Seventh-day Adventist Church.  
 Statistics for 1975 showed a 21 percent increase in articles of clothing and a 30 percent jump in cash and food contributions over 1974.  
 Mrs. Hart reported that the world Adventist Church helped 11.7 million persons in one form or another during 1975. Nearly all Adventist Churches have Community Service Centers or "Dorcas Welfare" societies affiliated with their congregations for the purpose of helping needy. In 1975 there were 11,104 such centers.  
 The Santa Anna-Coleman Church distributed 4,325 garments, besides about 300 pounds of clothing sent to the Adventist warehouse in Watsonville, California, during 1976. 393 hours of labor went into this work. Also 26 pieces of bedding were given as well as 56 miscellaneous articles. There were 122 persons helped.  
 Anyone needing help from the Community Services Center or wishing to donate good, clean clothing, bedding or other articles should contact Mrs. Hart or Mrs. Barker in Santa Anna or Mrs. Vioda Fields, 625-5174 or Veda Pearl Quinn, 625-2374 in Coleman. Bedding and even some furniture will be appreciated and will fill real needs.

## Roses Planted At Cemetery By Garden Club

Mrs. Bob Wille presided at the Friday, January 7, meeting of Mountain City Garden Club when the group met at City Library Clubroom. Two new members, Mrs. Clarence Smith and Mrs. J. C. Seratte, were welcomed into the club.  
 A report was given on the cemetery where 77 rose bushes were planted by the club along the boulevard at the entrance. J. T. Avants, Jim Daniell and two employees of Santa Anna Co-op Gin donated their labor to plant the roses.  
 It was voted to plant a tree at Kate Mathews Memorial Park on Arbor Day.  
 During the program a discussion was held on planting and soil preparation during the month of January.  
 Others present for the meeting were Mmes. Arthur Casey, Alma McNutt, Jess Howard and Bert Turney.  
 The next meeting of the club is Friday, February 4.

## Dove Season Ended Sunday

The winter hunting season for mourning doves ended Sunday after being underway since January 1. No reports on the dove harvest have been made in the Coleman County area, however doves were said to be plentiful in areas with un-harvested sorghum fields or other cover.  
 Four Central Texas men, two from Goldthwaite and two from Comanche, found dove hunting almost too good early in the season. The four hunters were in possession of 247 doves over the limit and were fined a total of \$700 following their apprehension by game wardens.  
 The men were hunting in Mills County at a baited feed lot surrounded by empty shells and doves. According to the game wardens, doves were in a shaving kit, plastic bags, in a 10-gallon drum and in a pile.  
 The case involved the greatest number of doves in the 15 years Royis Tucker had been a game warden.

## Talpa, Mozelle Are Winners Of JHS Tournament

The Talpa boys team and Mozelle girls team won the championship at the Santa Anna Junior High basketball tournament last weekend. The Talpa boys defeated the Santa Anna JHS boys 39-26 in the championship game Saturday night. Duane Warnock was leading scorer for the local team with eight points.

Santa Anna defeated the Richland Springs team in the first round of play Thursday, then won over Blanket on Friday.

Winning consolation trophy in the boys bracket was Richland Springs which won over Mozelle.

The Mozelle girls defeated Ballinger girls 36-27 for the championship trophy, and Brookesmith girls took the consolation prize when they won over Talpa 32-21.

The Santa Anna girls won their first game over the Richland Springs girls, then lost to the Ballinger team on Friday.

Also in the tourney were junior varsity teams from JHS which lost to their opponents in the first two rounds of play.

## Games Planned With Talpa JHS

The Santa Anna Junior High boys basketball team won over the Novice boys Monday night at Perry Gymnasium. Danny Guerrero scored 18 points and Duane Warnock scored 16 to lead the Junior Mounties to the 41-33 victory.

The local girls lost to the tall Novice girls by a 40 to 19 score. Leading the local girls were Gayla Pritchard with 10 and Lori Herring with four points.

The JHS teams will travel to Talpa Monday, January 24, for a series of games starting with PeeWee games, followed by the JHS girls and boys games. The sixth grade teams will play at 4 p.m. and 5:15 p.m. with the regular games starting at 6:30.

## Wanted by the FBI: Clerical Employees

The Dallas Office of the FBI, through its Special Agent in Charge, Mr. Theodore L. Gunderson, has announced it is in need of clerical employees to fill the positions of Clerk, Typist, and Stenographer at Bureau Headquarters in Washington, D. C. these positions present an excellent opportunity for all young people, male or female, including minorities, who are at least 16 years of age, United States citizens, and have at least a high school education, provided they can pass a rigid investigation of loyalty, reputation and character, and are in good physical condition. No previous experience is required.

The entrance salary for a Clerk is \$6,572 (GS-2) per year with a raise in thirty to ninety days to \$7,408 (GS-3) per year, if their work is satisfactory. A twenty

word spelling test must be passed to qualify for the Clerk position.

A Typist starts at \$7,408 (GS-3) per year. Applicants for the Typist position must pass a five minute typing test at the rate of 40 words per minute and a twenty word spelling test.

As openings occur, applicants for the Clerk and Typist positions who are interested, are considered for the Fingerprint Clerk position which starts at \$7,408 (GS-3) per year. Successful candidates are considered for promotion to \$8,316 (GS-4) per year after six months; to \$9,303 (GS-5) per year after one year; and to \$10,370 (GS-6) per year after two years experience in fingerprint work.

A Stenographer starts at \$8,316 (GS-4) per year. To qualify for the Stenographer position applicants must pass a three minute dictation test at the rate of eighty words per minute; pass a five minute typing test at the rate of forty words per minute; pass a twenty word spelling test; and a twenty word vocabulary test.

The FBI is only interested in above average young men and women. Many FBI clerical employees continue their college education on a part-time basis in the Washington, D.C., area while working at these full time clerical jobs. Young men and women who possess a four year college degree from an accredited college and who have been employed in a clerical capacity with the FBI for three years and meet all other requirements may then be considered for the Special Agent position at a starting salary of \$15,524 (GS-10) plus overtime of \$3,881 per year.

The FBI provides counseling services to its new employees to assist them with housing, transportation, and other needs. If close friends or young married couples apply at the same time and are found acceptable, every effort is made to afford them appointments on the same date.

The FBI does not come under Civil Service in that the FBI has its own application form, tests, investigates and hires its own employees rather than draw them from a Civil Service list or register.

An application and detailed information may be obtained by calling or writing the Special Agent in Charge, FBI, 200 Mercantile Continental Building, Dallas, Texas, 75201, telephone Area Code 214-741-1851, or by contacting the nearest FBI office whose telephone number will be listed in the front of your telephone directory.

Completed applications should be sent to the above address as processing of such applications can be instituted as much as six months prior to an individual's availability. Upon receipt of a completed application, the interested applicant will be contacted and arrangements made for personal interview and appropriate tests at a time and place convenient to the applicant.

Vacancies for the positions of Clerk, Typist, and Stenographer frequently exist in the Dallas Office for which interested and qualified applicants may also be considered.

The many benefits of working for the FBI such as annual leave, sick leave, health and life insurance, and retirement benefits should be thoroughly considered when choosing a career.

## Mohair Council To Meet in San Angelo

The Mohair Council of America will conduct its annual membership and directors meeting at 10 a.m. Thursday, Jan. 27 at the LaQuinta Motor Inn in San Angelo.

Highlighting the one-day meeting will be the election of directors, officers, discussion of the world mohair market situation, and a report on the first year's collections by the new Texas Mohair Producers Board.

Jim Heath of Austin, textile industry development program coordinator for the Texas Industrial Commission, will be featured speaker. Heath has been active in seeking new textile industry for Texas for a number of years, particularly since Texas produces most of the nation's natural fiber but manufactures few finished products of these fibers.

A special feature of the membership meeting will be the premiere showing of a slide presentation on the mohair industry produced by the Soil Conservation Service in cooperation with the Mohair Council. The presentation was prepared as an educational film for use by civic groups, schools, colleges and others.

The final business session will be highlighted by the election of officers. Directors will elect a new president to succeed James T. Hunt of Sonora, who is completing his third term as the council's chief executive.

Hunt is only the second person to serve as an officer in all positions, having first been elected as secretary-treasurer in 1970.

Serving this past year with Hunt were Sid Harkins of Sanderson, vice president; and Bob Childress of Ozona, secretary-treasurer.

In addition to regular business, directors and members will hear reports on plans for the International Mohair Association meeting to be held next June in San Antonio, which will draw leading mohair importers, manufacturers and processors from all over the world. Also expected to draw much interest will be a year-end report on activities of the Texas Mohair Producers Board, formed in March, 1976, by referendum when mohair producers in 54 Texas counties voted in favor of setting up a 2.5 cents per pound checkoff for mohair sold each year. The board administers the checkoff program.

"It is our sincere hope that every producer who can will attend this important meeting and help the new officers map out a strong promotion program for the future," Hunt said.

### Pork to be Plentiful

Pork is expected to be plentiful in supermarkets throughout the state in January, according to Agriculture Commissioner John C. White. Production rates during the first month of 1977 are likely to continue seasonally large and average about 22-24 per cent above the unusually low level of a year ago.

## Selecting a Nursing Home? Plan Ahead

Finding a nursing home which provides the services and atmosphere a person's needs and prefers takes time and effort, as well as information, Mrs. Vivian Blair, family life education specialist aging, says.

"Considering that a nursing home becomes a person's home and community for as long as he remains there explains how necessary and worthwhile the search can be.

"It helps to plan ahead for the future of older members of your family as well as your own later years. Advance planning makes one better able to locate the right nursing home care at the right price—or to find suitable alternatives to nursing home care. It also enables one to accept the decision to enter a nursing home in the event it becomes necessary," she said.

Mrs. Blair is with the Texas Agricultural Extension Service, The Texas A&M University System.

Explore the alternatives to nursing home care in your community or area. There are increasing services available such as visiting nurses, homemakers and home health aides. These services enable a person to remain in his own home longer, she pointed out.

"When an older person needs help with dressing, shopping, meal preparation and personal chores, and when these needs cannot be filled by his family or community services, then

nursing home care could be needed. It is also needed when the older person requires medical attention which the family cannot provide at home or when keeping him at home severely upsets family life.

"The decision should be discussed among family members—including the patient. Consult your physician. Always consider the patient's needs and preferences. After all, his lifestyle may be changed. Everyone, regardless of age or degree of health, has a right to influence his own fate. Consider family needs. No one needs to feel guilty about a loved one moving into a nursing home if all alternatives and consequences have been carefully weighed and if the nursing home is chosen with care," she said.

The specialist pointed out that contrary to general belief, only five per cent of all people 65 years of age or older reside in nursing homes or similar institutions. But if you live to be 65, there is one chance in five that you will die in a nursing home.

The average distance between neighboring galaxies is about a million light years.

Mr. and Mrs. Allen (Joe) Hawkins have announced the arrival of a baby daughter, Lauren Suzanne, born December 23. The baby weighed seven pounds, 11 ounces upon arrival at Bethesda Naval Hospital, Bethesda, Maryland.

The little girl is also welcomed by a sister, Stephanie, who will be five years old in March. Maternal grandmother is Mrs. Louise Avants of Coleman. Mrs. Hawkins will be remembered here as the former Patricia Beard.

### Richard Zabels Have Baby Boy

Mr. and Mrs. Richard Zabel of Bangs announce the birth of a son at the Brownwood Hospital, Friday, January 14. The boy weighed seven pounds, three ounces and was named Bradley Scott. He has a little sister, Melissa Dawn, 2 years old. Grandparents are Mr. and Mrs. Charles L. Zabel and Mrs. Billy McIntire all of Rockwood.

### Pecan Production Dives By Near Three-Fourths

AUSTIN--With Texas pecan growers facing the most dismal harvest in 14 years, Agriculture Commissioner John C. White reports that some producers have sustained complete losses of their 1976 crops.

A 74 per cent drop is being forecast for Texas pecans in comparison to last year's crop with the Texas Crop and Livestock Reporting Service estimating total 1976 production at only 18 million pounds.

"In pecan production, every other year a large crop develops. Because the 1975 crop was 68 million pounds, we were expecting around 30 to 40 million pounds this year," White explained.

However, a plague of poor growing conditions, including insects and diseases, have contributed to the small harvest throughout the season.

At the same time, harvesting has also been slowed due to sleet and rain throughout much of Texas.

"The only bright side to the poor pecan crop is the good prices being paid for

the pecans which are available. Improved varieties are bringing from 75 to 97 cents a pound, while natives are in the 65-70 cent a pound range," White said.

Nationally, production is expected to be down 59 per cent from last year's crop.

### Cemetery Assn.

#### To Hold Meeting

The annual membership meeting of Santa Anna Cemetery Association will be held Thursday, January 27, at the Telephone Cooperative building. The business meeting will start at 7 p.m.

A report will be given on the past year's work at the City Cemetery and new officers and directors chosen for the coming year. A good attendance is urged at the meeting next week.

### Nurses Group

#### To Meet Here

Sub District 1, District 15, Texas Nurses Association will meet in Santa Anna Thursday, January 20, at the Health Activities Center at Ranger Park Complex. Mrs. Georgia Hughes, vice president of the organization, will also serve as program chairman for the meeting.

Program topic will be "The Advantages of Membership in the Association." All registered nurses in the area are urged to be on hand for the meeting and take part in the three-county group.

### Prices Published

AUSTIN--Information concerning prices received as well as paid by Texas farmers is now available in a recently issued publication, Agriculture Commissioner John C. White has announced.

Included in the publication are the average prices received by farmers for major Texas crops and livestock from 1960 to June, 1976, generally at the point of first sale.

Prices paid by farmers are shown for 303 production and living items in 1974 and 1975.

The free publication is available by writing the Texas Department of Agriculture, P.O. Box 12847, Austin, Texas 78711.

## Years Ago In The NEWS

The following stories are from the February 1935 issues of the NEWS:

Mr. and Mrs. W. W. Holland, formerly of the Plainview community, now living out on Route 3 out of Coleman were among the pleasant callers at this office Monday. Mr. Holland stated his grain crop was badly damaged by the recent freeze. Thanks for the fine box of canned goods which paid Mr. Holland's subscription up into spring of 1936.

FROM THE SAHS "MOUNTAINNER"

Ninety-two is the exact count of the windows in Santa Anna High School.

These windows are used for ventilation as well as for observation. And are they used for seein' things? Of course, the mountain is very pretty when one catches a view of it from a second-story window but there are plenty of happenings on the campus to attract one's attention.

Students find many uses for the windows. Books sail out now and then. Although it is not a common occurrence, one could descent to the ground by a window.

Friday, January 25, the girls met with their coach, Miss Hays, in the Home Making Department to organize a baseball team for this year. Louise Oakes was elected captain.

The team is composed of the following: Louise Oakes, Doris Rollins, Elizabeth Morris, Ruth Laverne Irick, Martha Bell Bharvey, Gene Revel, Margaret McDonald, Mary Todd, Gene Adams, Augusta Bond, Juanita Self, Eva Dean Bledsoe, Gale Collier and Lenora Golston.

When the Santa Anna High Basketeers met the Coleman Quintet in the Buaffalo High Gym Tuesday evening, it was extremely doubtful about which way the game would go.

The game went Coleman's way for about the first five minutes, with their scoring 11 points to none for the local team. But Santa Anna rallied and scored tentimes to lead 18-17 at halftime.

Coleman won the game 28-27. See was high point man with 12 points. The starting line-up was Wallace, center; See and Burney, forwards; Price and Cheaney, guards.

Regardless of the fine rains that soaked the fields with plenty of moisture filled surface tanks to overflowing and affixed a redemption smile on the face of most every farmer, stock raiser business man in the county, there is one main item that has not been reckoned with yet. We have reference to the water situation in Santa Anna.

At the time the present lake was built, people were led to believe that the water problem had been solved pmanently for Santa Anna, but a few years experience has taught us that the problem has been slightly or otherwise, overestimated.

We can probably hold our own, but Santa Anna can never go forward without adequate water supply.

### Friday is Arbor Day

Arbor Day coming up Jan. 21 signals the time for Texans to beautify home landscapes and communities by planting trees.

"Trees have long been appreciated for their beauty and by-products such as lumber and cooling shade. But trees have proved they are worth much more," says Everett Janne, a landscape horticulturist for the Texas Agricultural Extension service. "Majestic oaks, pecans, cedars, pines and elms are being used to combat noise and air pollution and as protection from erosion.

"Our ancestors realized the permanent beauty of trees and their value to each coming generation. Such a thought should be kept in mind when planting a tree this Arbor Day," says the Texas A&M University System specialist.

The tree to be planted should be selected for the climate the soil of the area, emphasizes Janne.

## 1040 Taxpayers Ask IRS

This column of questions and answers on federal tax matters is provided by the local office of the U.S. Internal Revenue Service and is published as a public service to taxpayers. The column answers questions most frequently asked by taxpayers.

Usually, the package is presented by an IRS representative with a complete explanation either at an IRS office, at the taxpayer's place of business, or at the taxpayer's home.

**Q. Several homeowners in my neighborhood applied for a grant from the city under our community development plan to enable them to restore their homes. Is there tax due for money received for this purpose?**

**A.** Payments or grants made to further legislatively funded benefit programs for promotion of general welfare, such as grants to low-income homeowners for the restoration of their homes, are not a part of gross income, but considered general welfare in nature and nontaxable. For more details contact the local agency responsible for your community development plan.

**Q. I visited an IRS office, and re-**

**quested an application for an employer identification number because I'm starting a new business. While there, I was given some information in the form of a kit concerning the tax obligations related to my type of business. Is this a special procedure of the IRS?**

**A.** More than likely you received a set of materials called Your Business Tax Kit, Publication 454, that is compiled for each new businessperson who applies for an employer identification number. It is a routine but important procedure for the IRS to provide individual tax information to people starting a new business because each individual may require different tax information.

**Q. Robbers broke into my home and stole several personal items valued at \$550. The items were not insured. How much of this loss can I claim as a deduction on my Federal income tax return?**

**A.** A loss you endure due to theft of property held for personal use may be claimed as an itemized deduction on your Federal income tax return. However, such a loss is deductible only to the extent that it exceeds \$100. This \$100 limitation applies to each instance of theft.

In addition, if requested by the IRS, you must be able to prove that you sustained a loss.

For more detailed information, see IRS Publication 547, Tax Information on Disasters, Casualty Losses and Thefts, available at IRS offices.

### More Rainfall; '76 Total Given

Santa Anna received rainfall last week, a total of .75 inch at the official gauge in town.

Moisture of an inch or more was reported around the community, a great benefit to fields and pastures. The rainfall rain was received Wednesday night and Thursday, January 12 and 13.

The only other moisture recorded this month and year was .10 inch received from the sleet that fell Sunday, January 2.

Rainfall for the year of 1976 totaled 25.4 inches according to R. W. Balke, rainfall reporter. October was the wettest month with five inches, and December had the least moisture with only .35 inch reported.

### All Aliens Must Register

Joe F. Staley of the San Antonio Immigration and Naturalization Service has again reminded all aliens to report their addresses during January.

Cards with which to make the reports are available at Post Offices and offices of the Immigration and Naturalization Service throughout the country. The reports must have a 13c stamp affixed to the card.

Parents or guardians are required to submit reports for alien children under 14 years of age.

Mr. Staley urges all aliens to report before the end of January, as willful failure to do so may lead to serious penalties.
