## Guy Allen World Champion Steer Roper

Guy Allen Youngest Steer Roper To Win Title

### Santa Anna Roper Wins PRCA Title At Laramie, Wyo.

Guy Allen, 19-year-old professional steer roper, is bringing the World Champion Steer Roping title to Santa Anna after winning the championship in Laramie, Wyoming last weekend. Guy placed third in the average at the Steer Roping Finals which gave him the most money at the two-day event and the 1977 title. Vying for the championship were the top 15 steer ropers in the Professional Cowboys Association circuit.

Guy placed first in two of the ten go-arounds, second in two, and fourth in another for the top money of the event. Runner-up for the world title was Charlie Lynn of Oklahoma. Among other top ropers in the finals was Guy's father, James R. Allen, a consistent winner in the steer roping event for several years and a former winner of the finals average.

In the two-day roping on ten steers, Guy placed third; James Allen was fourth in the average that was won by Olin Young of Peralta, N. M. Only six ropers caught all ten steers to compete for the average money. Guy was the last roper in the contest and won the championship with one and two-tenths seconds to spare.

Going into the finals ranked eighth, Guy had just this month qualified for the 'rope-off' by being a top winner at Lovington, N. M. in mid-August and later winning at Ogallala, Nebraska.

The world championship title brings a trophy saddle and belt buckle given by the Cowboy Hall of Fame in Oklahoma City, plus a plaque and the large share of the finals purse.

Guy is also expected to snare in the Winston Rodeo Awards that are given annually to the professional rodeo champions. The solid silver engraved buckle will be presented at the Rodeo Finals in Oklahoma City in December and the saddle will be

presented in Denver, Colorado in February.

From Laramie the Allens went to Pendleton, Oregon where father and son will start the 1978 steer roping competition at the big Pendleton Round-up that lasts through Sunday. The two local ropers will head back to Santa Anna after the Pendleton show and Guy will return to Ranger Junior College where he is enrolled as a freshman student and is a member of the Rodeo Team.

A spring graduate of Santa Anna High School, Guy was a member of the varsity basketball team, and track team and active in other school organizations. He has been rodeoing since a small child, advancing from the junior rodeo circuit to amateur and professional status. He has roped in the PRCA shows for three years, qualifying for the finals for the first time this year.

On hand for the Roping Finals in Laramie were Mrs. James Allen, Tony and Becky, and Orville Allen, Guy's grandfather. Guy is the grandson of Mrs. Lee Tatum of Santa Anna.

### Mountain Echoes

By  
Barbara  
Kingsbery

Fame and fortune have come to our little town via one personable, unassuming young man, Guy Allen, who was Sunday crowned 1977 World Champion Steer Roper at Laramie, Wyoming.

A world championship of any kind is worthy of note, but take something as exacting as roping a steer and competing with the top 15 ropers from literally thousands, makes the title very impressive.

bk

Guy's mother, Ann Allen, phoned me Sunday night to announce the good news, but word also filtered back to our community from an unusual source.

Kenneth Haynes, a Santa Anna native now living in San Antonio, was driving through Laramie Sunday afternoon enroute home from a business and vacation trip to California and the Northwest. While stopped in Laramie he heard a loud speaker announcement of the new World Champion Roper, Guy Allen of Santa Anna, Texas.

Kenneth soon phoned his parents, Mr. and Mrs. Clyde Haynes of near Trickham, to inquire about the new champion and tell them the news!

### Retired THD Engineer Ex-Student of the Year

Doretha Casey Gilmore of Mobile, Alabama, a 1947 graduate of SAHS, is the 'Coming Home Queen'. She will be presented at halftime at the Friday night football game.

The schedule includes a parade Friday, October 14, at 2:30 p.m. with R. C. Smith as parade marshal. All clubs and organizations are requested to have entries in the parade, and classes from years ending in '7' are especially urged to take part.

A pep rally will be held at Perry Gymnasium following the parade, and the Homecoming football game with Bronte will begin at 7:30 p.m. that evening.

Saturday activities will begin with registration at high school with Lois Shields Harper in charge, and a coffee at the school cafeteria from 9 to 10:30 with Debbie Horton Dean as chairman.

The 10:30 business meeting will include the election of

officers and the presentation of the Ex-Student of the Year. A short variety program will conclude the session followed by a buffet dinner at the school cafeteria.

The homecoming dance will start at 9 p.m. with the site to be announced.

Classes of 1927, 1937, 1947, 1952 and the first official high school band are planning reunions Saturday, October 15.

All former students and teachers are reminded of the homecoming and invited to take part in any or all of the activities.

### New Coordinator Named For Committee on Aging

Mrs. Bessie Pallett has been named local Coordinator for the Agency on Aging of West Central Texas Council of Governments. She has begun work with the program upon the resignation of Mrs. Verna Newman.

The monthly game party for senior citizens was cancelled through September but will be resumed next month.

### Bank To Close Each Saturday Starting Oct. 1

The Santa Anna National Bank will be closed all day each Saturday, effective October 1. The announcement came Tuesday after a meeting of the Board of Directors of the Bank.

The local bank is the only one in the area that has maintained business hours on Saturday, being open from 9 to 12 each Saturday. However the Directors decided to discontinue the half-day opening and have asked patrons to note the change that will begin October 1.

Mrs. Pallett is at the Chamber of Commerce office several mornings each week to tend to the duties. A committee of local people is in charge of the program with John Gordon as chairman.

# Bears Defeat Mounties

## Baird Wins Defensive Game Over Santa Anna Team 8-0

The Santa Anna Mountaineers lost their game to the Baird Bears at Baird Friday night by a 8-0 score. The game was a defensive one with the Mountaineers holding the big Bears to only one touchdown and the Bears keeping the Mounties to only 31 yards total offense.

The Baird score came in the third quarter when Chris Vestal scored on a eight-yard run. The point after kick failed but the play was penalized and on the following try for extra point, Danny Stovall went over for two.

The game was plagued by fumbles with Baird losing five and the Mounties losing three.

Coach Anthony Strother praised the defensive unit for their work Friday night and cited Mike Warnock, Joe Joe Morris, Freddy Fellers and Joe Dean Early for their outstanding playing. Bobby Permenter was outstanding for his punting, averaging 40 yards for the eight punts. Others in the defensive unit were commended also.

## Officers Chosen For DECA Club

The boys and girls in Distributive Education class met September 8, and elected officers for the Santa Anna High School Chapter of Distributive Education Clubs of America. The following officers were elected: President - Wallace Collins; Vice President - Mike Warnock;

Treasurer - Tracy Duus; Secretary - Terry Day; Parliamentarian - Mike Pritchard; and Reporter - Phillip Johnson.

Tracy Duus is manager of D. E. C. A. Candy Store.

Freddy Fellers suffered separated ribs in the game and will probably be out of the game Friday night at Goldthwaite. Jerry Don Colquhoun, injured in the first game of the season, will probably see very little action with the Eagles this week.

The game at Goldthwaite will begin at 8 p.m. and should be a very good game. The Eagles have lost their first two games this season to Cleburne and are expected to be defeated here. The Mountaineers will meet this season and another challenge to the Santa Anna defense unit.

## Hunting Free At Corps Lakes With Permits

National Hunting and fishing Day will be celebrated on Corps of Engineers' lakes and throughout the Nation September 24. Hunters and finshermen are welcome to hunt and fish on lake projects in the Fort Worth District the year around. Only Canyon Lake is closed to hunting.

Hunting is still free on Corps lakes but has to be regulated for safety reasons. Rifles, pistols and shotguns with slugs are prohibited on most Corps of Engineers' lakes.

Duck hunters are cautioned that a permit is necessary before they build a duck blind on Corps of Engineers' lakes. Project offices will not accept applications for duck blinds before October 1-3. Proctor Lake will accept applications beginning on October 3.

Dove and quail hunters are free to hunt Corps' lake areas where they are not posted "No Hunting". Some projects require hunters to obtain a free permit before hunting. Hords Creek Lake near Coleman requires free permits for all kinds of hunting.

State regulations govern hunting seasons, bag limits and species, but there are Corps of Engineers' exceptions for individual projects. One general exception to State regulations is the District wide prohibition against trapping, or capturing live animals. Sportsmen are urged to inquire about hunting regulations at the office of projects before hunting. Project offices are open on weekdays between 7:30 and 4:30 but may be closed on weekends.
