For the third year in a row Santa Anna Schools have shown an increase in enrollment. The increase is about 25 students per year -- a healthy sign for the town and community.

It has also been noted that the end-of-school enrollment has been larger than the first week's total each year.

bk

The local school is 'big business' in the community, employing 42 people. The budget this year will be larger than at any time in the school's history.

bk

Montie Lester Guthrie IV is a third grade student in the Santa Anna Elementary School. The young man is the fourth generation of the same name to attend school here during a span of 62 years, starting with his great-grandfather, the late M. L. Guthrie Sr., who was a student here beginning in 1905.

No doubt there have been other four-generation students, but probably not with the same name.

bk

Local folks are watching with interest the move of a Santa Anna landmark. The former Nona Woodruff home on Wallis Avenue is to be moved this week to a new location on Avenue A.

Rumors have it that a service station-convenience store will be built at the location.

## 'Back To School' Promotion Scheduled Here Friday

Santa Anna Chamber of Commerce is sponsoring a big 'Back to School' promotion in Santa Anna Friday, September 2, for people in the Santa Anna area. Many local businesses and merchants are cooperating with the event and offering special sales and bargains in their stores this weekend.

## ISD Enrollment Tops '76 Total

The Santa Anna Schools show an increase of 20 to 25 students over the early enrollment figures last year. Total enrolled in the two schools on the first day Friday was 394 students. Of that figure, 125 were on the high school roster, an increase of about 10 over last year.

School Secretary Judy Hartman said a few more students are expected by the end of the week or following Labor Day weekend. Enrollment figures by classes will be available next week.

## Town, School Set Labor Day Holiday

Monday, September 5, will be a holiday in Santa Anna in observance of Labor Day. Most local businesses will be closed for the day and there will be no window or rural mail service at the Santa Anna Post Office.

Monday will also be a holiday for the local schools, according to Ken Bowker, Principal.

## COG Approves Water Project

West Central Texas Council of Governments has given approval for the proposed Santa Anna City Water Project. The COG approval is needed for any FHA grant application approval.

Santa Anna Mayor Glen Copeland said the preliminary application for the large project has been approved and forms received for the final grant application.

The nearly two million dollar project is to upgrade and improve the city water department, from the pumping station at Lake Brownwood to the city water lines; the construction is pending the federal grant and local approval.

Mayor Copeland said all is progressing normally with the application, and word of the final approval is expected in a few weeks.

## Football Season Opens Here

### SAHS To Host Bangs Friday; Jayvee Schedule Cancelled

The Santa Anna Mountaineers will open the 1977 football season Friday night when they host the Bangs Dragons, the neighboring Class A foes. Game time at Mountaineer Stadium is 8 p.m.

Coach Anthony Strother's team will be seeking revenge for last year's 0-25 defeat by the Dragons. The Bangs team lacks the experience of the 1976 squad with only eight returning lettermen, but has shown strength in their scrimmage sessions with Wall and Mason. Santa Anna is fielding 16 lettermen.

Santa Anna has been named as the probable champions of Class 6-B West Zone, the title going last year to Eden. Other teams in the zone are Richland Springs, Bronte, Irion County and Miles. District play begins October 7.

Among the lettermen on the 1977 team are Freddy Fellers, E. J. Bible, Mike Pritchard, Mike Pape, Mike Warnock, Bobby Permenter, Jody Brusenhan, Wallace Collins, Terry Day, Joe Dean Early, Joe Joe Morris, Leon Baker, Tony Malaer, Tommy Harris, Bruce Pape and Mike Ballard.

Others on the varsity team are Jerry Don Culpepper, Jimmy Young, Dick Smith, Duane Warnock, Rusty Buzzard, Mike Salazar, Joe Malaer, Robert Barton, Ricky Perry, Jimmy Clifton, Robbie Young, Curtis

Fellers, Jerry Malaer and Doug Hall.

Managers of the SAHS team are Wayne Kuykendall, Chris Hufford, Charles Hall and Ronnie Hall. Team captains will be named by Friday night.

Due to injuries and dropouts the Junior Varsity schedule has been dropped and the 30 players will be included on the varsity roster. Also cancelled was the first game of the Junior High schedule with Bangs, planned for tonight. The Bangs JHS team started workouts on Wednesday and the Santa Anna JHS team has had only one week of practice.

In the scrimmage session with Abilene Christian High School Friday night, Strother was very pleased with the improvement over the previous week. The Mountaineers scored four times and held the visitors to zero during the session. Standouts on defense were Mike Pape, Bobby Permenter, Freddy Fellers, Terry Day, Mike Ballard and Joe Dean Early. Those looking good on offense were Jody Brusenhan, Duane Warnock, Permenter, Early, Pape and Joe Joe Morris.

Coach Strother says the enthusiasm and interest of the 1977 team is exceptional and he is expecting a good game Friday night with the Dragons. Assisting Strother with the coaching are Bruce Smith and Barry Miles.

LANE DENTON  
Congressional Candidate

### Waco Candidate Visits S-Anna

Former State Representative Lane Denton of Waco was in Santa Anna last week visiting friends and supporters and seeking their counsel regarding his possible candidacy for the United States Congress. Although Denton has filed notice of his intention to seek the 11th District seat with the Clerk of the U. S. House of Representatives, no formal announcement will be made until after a complete tour of the 19 counties in the Congressional District.

"I believe the six years of hard work and experience in the Texas House of Representatives, my recent service on President Carter's Task Force, my maturity and knowledge of how the U. S. Congress operates will enable me to continue strong representation for the 11th Congressional District," Denton said.

Denton is from a pioneer Texas family with relatives who served in Texas Battle for Independence. He is a former public school teacher and administrator. Lane and his wife, Betty, grew up on farms in the rural areas of McClennan County and now live near Waco with their eight-year-old daughter. The Dentons own and operate a 100 acre farm and raise Holstein cattle.

During the past several weeks Denton has visited many of the 19 counties and most of the urban and rural cities and towns in the district that includes part of Coleman County.

## Years Ago In The NEWS

The following stories are from the August 15, 1924 issue of the NEWS:

Last Saturday Deputy Sheriff George Bobo of Trickham was tipped off regarding a whiskey making outfit near Trickham, and went out in search. Mr. Bobo and Mr. Lee Vaughn discovered the still on Mr. Vaughn's ranch, in the Trickham Community, and placed under arrest two Mexicans, who, we understand, pled guilty to operating the wildcat distillery, however they were not present when the still was found. Fire broke out from some unknown origin, and burned off several hundred acres of grass, and when a search was made for the origin of the fire, the still was found in operation, but no one present.

The News is in receipt of an announcement of the marriage of Spencer Ernest Weaver on August 9th, to Miss Lucretia Davis of Houston. The announcement further states they will be at home in Coleman after September 15. The groom is one of the finest young men this county has ever produced, and he has a number of friends who will join the News in extending congratulations and best wishes for his success in piloting the wedded stream of life.

W. N. Wilson living on the J. W. Kirkpatrick farm near Waldrop is the owner of a Red Duroc sow, which farrowed a litter of 18 pigs recently, and saved more than a dozen of the litter. This sounds a little exaggerated, but nothing is

impossible in Coleman County.

FOR SALE—8 room house, large lot good section of Santa Anna, gas, water and lights \$2600. One hundred acre farm on pike, new house, five miles from town \$45 an acre.

STRAYED from J. H. Cherry farm Monday night, two small mouse colored mules. George Wilson.

#### CLEVELAND NEWS:

This community is still in need of rain.

Several from here attended church at Trickham Sunday.

Jack Hunter and wife, Bill Hibbetts and wife spent Saturday with Mr. and Mrs. Bruce Hibbetts.

Announcement was made today by the West Texas Telephone Company that D. J. Johnson, general superintendent of that company, had tendered his resignation effective about September 1 and would go to Santa Anna where he has purchased the local telephone company exchange and will operate it as manager (Brownwood Bulletin).

I have a few more desirable places for young girls who wish to come into private homes where they become one of the family and do housework for their lodging during the next school term. If interested, contact me, B. T. Withers, Sup. School.

## Grass Fires In Area Keep VFD 'On the Go'

Santa Anna Volunteer Firemen have been busy during the past week with grass fires in the community.

Tuesday night of last week the firemen extinguished a fire on the Max Eubank place west of Santa Anna. Very little damage was done to the pasture located adjacent to the Valera Highway where the fire was thought to have been started from the electric transmission line.

Several fires have been reported in the Liberty Community in recent days, one on Thursday where about 20 acres of pasture burned on the Wallace place operated by Donnie Neff. On Saturday about 100 acres of grassland burned on the Lucas place in the same area. The cause of the fires is not known.

VFD members and trucks were called to Mozelle Saturday where a fire burned grassland on the Pete Skelton place. The blaze was

under control when the local firemen arrived.

Area people are urged to use caution while the grass and pastures are so dry. Firemen are also concerned about the frequency of the grass fires and ask landowners to watch carefully for arsonists and report any suspicious actions.

## COUPLE ENTERTAINED

The Santa Anna Seventh-day Adventist Church gave a farewell supper and party for Drs. John and Remedy Cabansag, who are in the process of moving to Baird where they will be connected with the hospital there.

## VISIT RELATIVES

Mr. and Mrs. John Barker of Grand Prairie visited over the weekend with his parents and brother, the O. C. and Wayne Barker families.

**HEALTH TIPS** 

Is your belt getting tighter? Are last year's clothes hard to zip? If so, you may be on the way to more pounds than you need. Instead of just wishing for a slimmer you, try reducing. The best diet plan takes more backbone than wishbone. The formula is simple; eat less, exercise more. Plan to lose no more than two pounds a week. Consult your physician if you are more than 10 pounds overweight. Avoid crash or fad diets; they can hurt rather than help.
