Greetings for the new year to all our patrons. We at the NEWS office are trying to get back to the usual schedule following a week's vacation.

A week in Colorado did not prepare me for the cold weather that we met on our return Monday night. The below-zero temperatures in Colorado did not seem as cold as the 10-15 degree weather we have had early this week.

A thin layer of sleet and ice apparently brought Santa Anna and central Texas to a near-standstill at the weekend, but left very little moisture to benefit pastures and grainfields.

School was postponed Tuesday because of the hazardous road conditions, then cancelled again Wednesday when water pipes in the elementary school building burst and flooded the cafeteria area.

Many residents were having plumbing problems following the long cold spell and extreme temperatures.

Taffy Rutherford Wins Awards In Gymnastic Events

Taffy Rutherford, daughter of Pat Rutherford, has successfully competed in her first gymnastic competition. She was awarded first place ribbon in bars, a grand champion medal in tumbling, and a champion medal in beam.

There were 35 girls competing in ages four to eight years of age. Each girl participated in each event.

Taffy, a former student at the Santa Anna elementary school, is the granddaughter of Mr. and Mrs. W. S. Cole of Center and Mr. and Mrs. Jim Rutherford of Rockwood.

Madkins Funeral Held Wednesday

Funeral services were held Wednesday, January 3, at New Hope Baptist Church in Santa Anna for Mattie Madkins, a long-time resident of Santa Anna. She died January 1 at Ranger Park Hospital.

Holman Funeral Service of Brownwood was in charge of arrangements and interment was in Santa Anna Cemetery.

A more complete obituary will be included in the next issue.

KIM STEWARDSON

The wedding will be February 3 at the United Presbyterian Church in Santa Anna. Friends and relatives are invited to attend the ceremony.

Dear Santa,

We just want to thank you from the bottom of our hearts for coming by Christmas Eve. We don't know who you are, we just know a kind, jolly Santa came to complete our children's happiness.

You will never know what it meant to us and our children. We appreciate the gifts you brought, but even more we appreciate your presence and what it did to restore our faith in God and man. To the children, your presence renewed their belief in Santa and deepened their love for Jesus.

You see, they had just got their daddy home from the hospital and they felt all alone prior to that time. Then you came along and showed them someone out there really cares. They thanked Jesus that night and asked that He give you a safe journey home.

To us, it strengthened our faith and belief that there is still a lot good in this world. We are pleased to live in Santa Anna because the people here really make us feel a part of the community. We never knew how much everyone cared until now.

All the time my husband spent in the hospital, everyone sent cards, food, flowers and made telephone calls. We love and appreciate everyone for all they did to make our Christmas a perfect Christmas.

Love,
The Mike Luera family

They also visited in Brownwood with his folks.

Mr. and Mrs. C. E. Wise spent the holidays with Mr. and Mrs. Jimmy Lovelace and boys. Shannon and Tallion Taylor spent several days with their grandparents, and Mr. and Mrs. Charles Taylor were luncheon guests of the Wises on New Year's Day. Others visiting in the Wise home were Jim Wright and son of Haltom City.

Once again we hope all have a good 1979, a happy new year.

Thanks to Mr. and Mrs. W. T. Hays for their nice gift to me, and to the Coleman paper for their nice gift.

For our weather this Monday: Sure cold. Supposed to get down around three degrees by what news I see on TV.
