## Mountain Echoes

By  
Barbara  
Kingsbery

The weather in our community has been better than was forecast -- no ice or snow for several days and sunshine from time to time.

The moisture Monday was only considered a trace at the official gauge. Total rainfall for the month of January was 1.10 inches.

bk

Everyone is watching with interest as the Santa Anna boys basketball team continues their very successful season. The Mountaineers are still undefeated in district play with their regular schedule to end Friday of next week. The final home games of the season will be Tuesday, February 6, with the teams from Brookesmith. Game time is 7 p.m.

bk

Although Tuesday noon has long been our deadline for news, we were flexible enough to include most news stories that came in later in the day.

With the new typesetter in Bangs, I must be in that office each Tuesday afternoon to set type, so it will be necessary to enforce the noon deadline.

Of course, in case of an emergency or some vital story, you may call me at the Bangs office and we will try to include your news in the current issue.

## City Tax Collection Progressing Well

City taxes have been collected from October through January, and according to City Secretary Mary Lou Jones, the collection has been very good to date. Last week less than \$8,000 of the total \$34,000 assessed for the city was yet to be collected.

## Santa Anna Teams Win Games With Rochelle High Cagers

The Santa Anna High School basketball teams won their games with the Rochelle teams last week, the boys winning by a 59 - 25 score, and the girls winning 36 - 15.

The Mountaineers stand at 21 - 4 for the season and are leading the District competition.

The local girls have had a good season but are now second in the district race, with Novice in the lead for the district title.

Last week the boys earned their 21st victory by out-scoring the Rochelle team 59 - 25. Terry

Day led the scoring with 12 points.

The girls won 36 - 15 with Gayla Pritchard leading with 12 points. One of the starters on the team, Lori Herring, is side-lined for the rest of the season with a knee injury suffered in a recent game.

The Santa Anna teams will be at Lohn Friday night, and on Tuesday, February 6, have the final home game with the Brooksmith teams at Perry Gymnasium at 7 p.m. The final games on the district schedule are Friday, February 9.

## School Calendar Is Revised To Make Up Days

The 1979 school calendar has been revised to make up time lost during the bad weather. School was dismissed three days since Christmas due to icy roads and for repairs of damage caused by the freezing weather.

Local students will end the second quarter of school on Friday, February 23. Monday and Tuesday, February 26 and 27, will be In-service Training for local faculty members and holidays for students. Teachers and staff members will be in Bronte on both days.

According to Judy Hartman, school secretary, the February holidays will be the only days off for the remainder of the school term as no holidays are planned at Easter this year.

Although school students had three days away from classes due to the bad weather, faculty members used one of the days for a workday, saving an additional school day for the local system.

Mrs. James Eubank was admitted to Brownwood Community Hospital Tuesday and is scheduled for surgery Friday.

# Ranger Park Inn News

Mrs. Carrie McCarrell is "Resident of the Month" at Ranger Park Inn, chosen for the honor by the staff at the nursing home. She has been a resident there on several occasions, coming most recently in November of last year.

She was born August 3, 1888 in Missouri, the daughter of the late Mr. and Mrs. W. F. McBride. There were five sisters and three brothers in the family, and she is the only one still living. The family moved from Missouri to Denton county in 1905.

December 13, 1906 she married Charlie McCarrell. The couple were married while sitting in their buggy with an ordained minister, M. Pool, officiating at the ceremony.

The McCarrells moved to Coleman County in 1908 where they lived at Gouldbusk and later moved to Rockwood in 1919. She has been a housewife and helped her husband in the fields besides the usual farm chores of milking the cows, churning butter, raising a garden and chickens. She especially enjoyed growing flowers and always had them in her yard. Mr. McCarrell died in 1956.

Children of the couple are a daughter, Goldie Milburger, who was born on the couple's second wedding anniversary, and a son, Harold McCarrell. Both still live at Rockwood.

The January birthday party was held last Friday afternoon with a large group of residents and guests attending. Those honored were Lee Smith, Arthur Spitzer and Fannie Guthrie.

Thanks to Mrs. A. D. Longbrake and Mrs. Earl Chapman for having such a lovely party.

Those in the hospital this week from the nursing home are Nyla Simmons, John Wood and Avery Winn. We are so glad to have May Sharp and Alice West back after a stay in the hospital.

Thanks to Ann Stues for popping corn for Friday. The residents enjoyed watching the movie "Bernice Bobs Her Hair" and eating hood pop corn. We enjoyed having Mrs. Velda Mills visit with us during the movie.

# Whon News

By Mrs. Tom Rutherford

As for the weather this cold Monday night, it is cloudy, misty and cold. No ice, no snow, but no rain either, which we really feel the need of. Probably when the rain does come, we will be in need of moisture and will be patiently waiting for rain.

We are glad to report Tom Vinson is still improving following surgery. He is still restricted to doing and going as he likes, but is feeling better daily. Mrs. Vinson made a business trip to Abilene Friday. Mr. and Mrs. Danny Valdez and daughter K.K. of Abilene were weekend guests with the Vinsons.

Mr. and Mrs. William Perkins of Coleman were guests of his sister, Mr. and Mrs. Floyd Morris on Monday.

Mrs. Darwin Lovelady of Santa Anna were supper guests with her sister, Mr. and Mrs. Lon Minica, in Brownwood on Thursday night.

Mr. and Mrs. Buster Wynn of Coleman visited with his sister, Mrs. Pearl Avants and Mrs. Fannie Alsup, in Santa Anna Sunday afternoon. They were accompanied by Mrs. Joe Grant of Coleman.

Mr. and Mrs. Elec Cooper of Rockwood and Mr. and Mrs. Darwin Lovelady of Santa Anna were weekend guests with Mr. and Mrs. Alton Davis of Snyder. They visited with Mr. and Mrs. Alfred Cooper and also with Mr. Cooper in the rest home in Snyder while there. Glad to hear Mr. Cooper was able to go home awhile on Sunday although his condition is poorly.

Mr. and Mrs. John David Morris of Santa Anna and Jamie Lee Morris were Saturday visitors with their parents, Mr. and Mrs. Floyd Morris. The ladies were shopping in Brownwood Saturday afternoon.

Mr. and Mrs. Neil Fitzpatrick of Blackwell were weekend guests of his parents, Mr. and Mrs. Graham Fitzpatrick. We are sorry to report Mrs. Graham Fitzpatrick is still not feeling so well.

We are sorry to hear Mrs. Riley McFarlin's brother, Mr. Riley Myrl Smith of Palestine, Texas is very ill at this time. He has been dismissed from the hospital and is home but his condition remains very serious.

Mrs. Maud Lovelady of Santa Anna was Thursday dinner guest of Mr. and Mrs. Darwin Lovealdy in Santa Anna.

We had a nice telephone visit with our daughter, Mrs. Rick (Lynda) Wheeler in Pasadena Sunday afternoon. She reports they have had lots of rain there. And also it has been cold there.

Mr. and Mrs. Floyd Morris visited with Mr. Morris' brother,

Mr. C. H. Morris, in the Heart of Texas Hospital in Brady Thursday and also with Mrs. Morris' sister, Mrs. Ola Bell Morris, who has been recently dismissed from the hospital and is muchly improved.

Mr. and Mrs. Bert Fowler visited with Mr. and Mrs. Tom Vinson Saturday afternoon.

Tom and I had a nice short visit with Mr. and Mrs. Burke of

Millersview, in the road Sunday afternoon. We were enroute from feeding the cows and Mr. and Mrs. Burke were enroute on south of us to feed their cows in the pasture near the River.

Mr. and Mrs. Floyd Morris had a nice telephone visit with their son, Mr. and Mrs. Joe Floyd Morris and children of Camp May, Sunday afternoon.

Mr. and Mrs. Bill (Bryan) of Rockwood visited with Mr. and Mrs. Tom Vinson Saturday night. Mr. Ben Vinson and Mr. Bean Radle of Santa Anna were guests in the Vinson home all during the week.

Our deepest sympathy to the

bereaved over the death of Mr. Dee Smith of Iraan, Texas. Mr. Smith passed away around 10 a.m. Wednesday, January 24, in the Iraan Hospital. He was buried Thursday afternoon at 2:30 in the Iraan Cemetery. Mr. Smith was in failing health for quite awhile, but he was critically ill only a short time.

Mr. Dee Smith was the son of the late Mr. and Mrs. Ben Smith who made their home in the Whon Community for a number of years. He is survived by his wife, one son, two sisters, and four brothers, and many other relatives and friends. A local survivor is a sister, Letha Martin

of Santa Anna. Our thoughts are with the bereaved.

Mrs. Maud Lovelady of Santa Anna had a nice telephone visit with her son, Howard Lee Lovelady from the state of Iowa Sunday. Mr. and Mrs. Howard Lovelady and daughters are moving from Chicago to Iowa. Only Howard Lee has moved so far due to the extremely bad weather there. As soon as the weather will cooperate, their home in Chicago will sell and they will all be living in Iowa.

## C. E. Bradford Is Chosen For Adventist Post

Washington, D. C. --The Seventh-day Adventist Church has chosen Charles E. Bradford to head its North American Division. He is the first black man to hold the post.

Bradford is currently associate secretary of the General Conference of Seventh-day Adventists, the church's world headquarters, with a responsibility for North America. In his new job he will replace Neal Wilson, who took office as president of the world church on January 4.

## Rural Census Is Underway

Final preparations are underway at the Bureau of the Census, U. S. Department of Commerce, for the next Census of Agriculture which will begin in January to canvass farm and ranch activities across the Nation for the calendar 1978. Every household which conducts agricultural operations will receive its form in the mail at the turn of the year.

Report forms for the 1978 census have been drastically reduced from the 22 pages of the last farm census. In this census, 21st in a series that started in 1840, most farm and ranch operators will receive a four-page form in the mail, while some will receive a five-page version.

On the report form, each farmer or rancher will need answer only questions that apply to his or her operation. The form is arranged so that individual questions or sections dealing with crops and livestock not produced can be skipped.

The overall time required by farmers to complete the form has been reduced an estimated one-third.

Completed forms should be mailed back as soon as possible in January in the confidential, postage-paid envelopes provided. Estimates are acceptable and should be reported in the absence of firm records.

The 53-year-old Bradford said on his election that he didn't feel it should be viewed in the context of race. "I was one of several men qualified for the position," he said, "and I wouldn't have been disappointed if I had not been asked." He asked the members of the General Conference Committee, who elected him unanimously, for their prayers for support.

Walter W. Fordham, retired leader of the Regional (Black) Department of the Church, said after today's election that "all members of the church will triumph together" regardless of race.

Bradford will lead the 550,000 Seventh-day Adventists in the United States and Canada, approximately one-fifth of whom are black. Church membership worldwide stands at just over three million.

Bradford's official title is vice-president of the General Conference. He has held various executive and pastoral offices in the denomination. He holds a B. A. degree from Oakwood College in Huntsville, Alabama and was ordained to the Adventist ministry in 1950.

## Sophisticated Poachers Nabbed After Long Vigil

AUSTIN-- Poachers sometimes will go to great lengths to shoot a deer illegally and escape detection.

But as three poachers in Edwards County discovered recently, game wardens also will go to great lengths to catch them.

At 10:30 one evening in late December, Texas parks and Wildlife Department Warden Roger Long of Rocksprings saw a shot fired from a van into a pasture alongside Highway 674. The van left the scene, and Long searched the area where the shot was fired, discovering a six-point buck.

Long then parked his car a short distance away and started a

seven-hour vigil. Just before daylight, the van returned and a man carrying a briefcase jumped out and headed for the deer.

Shortly afterward, the van came back by and picked up the man, and Long stopped the vehicle. They still had not picked up the deer carcass, but the briefcase containing a knife, gloves and coveralls added extra evidence to an already clear-cut case.

Long discovered the field-dressed buck and the trio paid a total of \$619.50 in fines and costs for their night's efforts.

Long said most road hunters just shoot a deer and throw the carcass in their vehicle rather than engaging in so much furtive clothes-changing and other maneuvers to avoid detection. But that, Long figures, just made the arrest that much more satisfying.

Some used to consider it bad luck for women to look at trumpets.

Some people used to believe that staring at candles would strengthen the eyes.

## Dorcas Meeting Held Recently

The Dorcas Sunday School Class of First Baptist Church met Thursday, January 18, at the church annex for the monthly session. Mrs. Harold Brown, president, led the business meeting.

Minutes of the previous meeting and the treasurer's report were read by Mrs. W. F. Rutherford. Mrs. B. A. Parker gave the program on "Women of the Bible."

Mrs. Richard Horner was hostess for the meeting and served refreshments of chips, dips, cookies, punch, and tea. Those present were the ones mentioned and also Mmes. M. R. Pollock, W. L. Payne, William Brown, Pearl Wilson, Billy Barnes, Bill French, E. B. Drake and one visitor, Brandi Horner.

The affair of Lexington in Massachusetts was the beginning of a country on its way to become an independent nation.

By showing courage against the redcoats, the minutemen gave an example to the people in later years, not to give up but to stand up and fight for what they believe in.

During the period of 1775 to 1781 there was a deep courage in just about everyone.

If there was a similar case today I wonder if enough people would have the courage to do what was done before.

### CAMPFIRE GIRLS TO MEET

The Campfire Girls did not meet on Monday of this week due to the cold weather. Their meetings will be held Monday, February 5 at the usual hours, and all girls in the group are urged to be present.

Facts from a pro on driving to survive.

Q. Is there a good general rule on when to replace old tires?—N.M., Waco

A. Tires wear out at different rates, depending on quality, road conditions, and driver habits. Some tires have built-in "wear bars" which appear as smooth bands across the face of the tire when only 1/16-inch of tread remains. You can measure the tread yourself. If no ruler is handy, just take out a Lincoln head penny; hold it by the neck side (head pointing down) and insert it into the groove between the treads. If the top of Abe's head shows, the tread is probably worn below the danger line. You should also check with tire dealers and mechanics.

Q. Do tractor and farm vehicles require license plates?—D.B., Midland

A. No. According to Texas law, tractors and other farm vehicles do not have to display a license plate if they are operated only temporarily on the highways—such as when driving from one field to another. The farm's pick-up, being a regular road vehicle, needs a license.
