## Mountain Echoes

By  
Barbara  
Kingsbery

They don't 'wrap' the goalposts anymore. I don't know when the custom was discontinued, but the goalposts at the football field are no longer draped for each game in crepe paper the colors of the opposing teams.

What other customs have disappeared with the passing years? Do youngsters still climb the Mountain every Saturday, or are they glued to television cartoons?

A rare treat in my day was taking the family car to school and chaffering friends -- who could afford it -- downtown to the Service Cafe for lunch. Now the school parking lot is overflowing with custom pickups and sports cars that are the usual mode of transportation for the students.

There may have been fewer luxuries and opportunities a generation or so ago, but life could not be more fun than in those past years!

## Welcome to Homecoming Gayla M. Sellers Named Graduate of Class of 1931 "Coming Home Queen" Is "Ex-Student of Year"

Gayla McIver Sellers of Cleburne, a 1961 graduate of Santa Anna High School, will be honored as 'Coming Home Queen' at the 1981 Ex-Student Homecoming. She will be presented at the halftime ceremonies of the Friday night football game, and introduced at the Saturday program.

Mrs. Sellers is the daughter of Mr. and Mrs. Grady McIver of Trickham.

In addition to her academic work at Santa Anna High School, Gayla was a four-year member of the girls basketball team that advanced to Regional play in 1961. She was to the All District team that year.

After graduation from SAHS, she enrolled at McMurry College in Abilene. After one year in college, she married the late Rev. Bruce Hornell, a student pastor serving the Rockwood, Cleveland and Trickham United Methodist Churches.

Gayla delayed her education and was supportive of her husband as he pastored various churches in the Central Texas Conference and earned his degree at TWC and worked on his Master of Divinity degree at TCU.

In an attempt to rescue a family from flood waters near Rio Vista, Hornell lost his life in service to others. Following his untimely and tragic death, Gayla and her two small children, Lori and Allen, moved back to Trickham where she enrolled in Howard Payne University and completed her degree in English and Speech. After graduation she accepted a teaching position with the Oglesby ISD. While teaching

there she married Rev. J. W. Sellers and moved to Waco.

In 1978 Gayla resumed teaching at Mexia as a reading teacher and later in English. While living in Mexia she earned her Masters Degree as a reading specialist from Sam Houston State University in Huntsville.

Gayla and her family now reside in Cleburne where she is a sixth grade reading teacher in the Joshua ISD, and her husband is pastor of St. Mark United Methodist Church. The family now includes Lori, a junior at Cleburne High School; Allen, an eighth grade student; Jorge-Wert Sellers, a second grade student and Ruby Sellers, a first grade student in Joshua Elementary School.

In addition, Gayla is a member of the St. Mark Church United Methodist Women, Association of Professional Teachers and International Reading Association.

Charles Richard (Bookie) Turner, a member of the Santa Anna Class of 1931, will be honored as 'Ex-Student of the Year' at the 1981 Homecoming. He will take part in the Friday afternoon parade and be introduced at the halftime activities at the Friday night football game.

Mr. Turner, now of Roswell, New Mexico, will be presented at the Saturday morning program.

The youngest son of the late Mr. and Mrs. Fred W. Turner, he was nicknamed 'Bookie' by his sister Elizabeth and known by that name all his life.

At Santa Anna High School, Turner was captain of the Mountaineer football team his senior year.

After working one year, he enrolled in Texas Tech College and later transferred to Oklahoma University, receiving his degree in geology in 1939.

While attending O.U. he worked each summer in Hobbs, N. M. for Halliburton Oil Co., continuing with the company after graduation, including one year in Cuba.

In May 1942 Mr. Turner entered the armed services, taking basic training at Fort Leonardwood, Missouri. He attended aerial photography school at Ft. Belvoir, to Camp Maxie at Paris, Texas, and in 1944 to special school at Texas Tech. He

was commissioned as a lieutenant upon completion of Officers Candidate School, making the highest grade in his class. He spent 14 months in New Guinea as a 1st Lt. before returning to the United States in 1946.

While working in Hobbs, N. M. Turner met and married Mildred Golden in 1942. They made their home in Hobbs until 1964, moving to Roswell.

Mr. Turner is an independent oil and gas producer. He and his wife are parents of two sons, Charles Richard (Dick) and Philip William. They also have a grandson, Russell Edward (Rus-ty).

For our weather this Monday evening: Cloudy and looks like rain.

By Billie Wheatley

There are a lot of things I don't need, but I've decided the thing I don't need the most is for some so-called expert to prove that I am not normal.

True, it doesn't speak well for my mentality that I got involved with the test in the first place. I may not be normal, but I'm sure not dumb enough to answer 'yes' to a bunch of questions that will confirm the fact. Anyhow, some questions can not be answered with a simple yes or no.

- I have virtually no appetite: For anything with less than 500 calories per teaspoon.

- I suffer from feelings of great inferiority: Only once! Nailed myself up in the grain bin and then found I hadn't unlatched the escape hatch. It was dark.

- I feel everything is hopeless: You better believe it! Nobody knew where I was, and the grain bin wasn't mouseproof.

- I think of suicide as the easiest way out: When the safety plug blew out of the pressure pan and redecorated the kitchen with red beans, I came close to running away from home. But suicide!

- I regularly awaken in the middle of my sleep: Anybody but an expert could see the trouble here. Don't pay the phone bill!

- My memory is not what it used to be: Yes it is! Couldn't remember then, can't remember now!

- My attention span is very poor: No way! How do you think I found that quail nest with seventeen eggs in it? Experts!

- What I formerly did with great ease, I now find requires great effort to do: I wouldn't know! Trying to touch my toes with my fingertips is one of the vices I gave up.

- I feel constant stress and anxiety: Only for a few days. I finally got some smart and strangled the wind chimes with my headscarf.

- I feel like I'm living in a nightmare: Can't argue with

that! Same old re-run. No rain, no rain.

I'm afraid people will think I'm behaving in a peculiar way: What's peculiar? Doesn't everybody carry plastic jugs everywhere they go?

- I don't like being me: When I spend half a day in the kitchen messing up every pan in the place in order to impress the boarders, and then have some lowlife snurl up his nose and gasp 'What's That?' 7-6-78

## Class of 1931 Plans 50th Reunion Saturday

(From the May 29, 1931 issue of the NEWS)

The final program for the class of 1931 was truly an inspiration proving that: 'A thing of beauty is a joy forever'.

As the melody of 'Rendezvous' was played by Miss Lula Jo Harvey the processional began, led by William Earl Ragsdale and A. G. Weaver, the president and vice president of the class for the

past two years. William Earl gave the salutatory address and A. G. Weaver and Fred Faulkner shared the valedictory honor.

Mary Harriett Simpson sang 'Somewhere a Voice is Calling' in her own sweet way.

Dr. E. B. Surface of Abilene was introduced as speaker on the subject 'What is Truth.' His mastery of thought and sincerity

of purpose lifted us into realms of joyful meditation.

M. W. DuBois Sr., president of the School Board, presented diplomas to the 45 class members. During the presentation of diplomas, 'Melody in F' was played softly.

Supt. Scarbrough led the oath of allegiance, thus assuring this community's sincere support along all worthwhile enterprises.

Rev. M. L. Womack pronounced the benediction.

### SENIOR PLAY

The Senior Class of 1931 presented a regular side splitting comedy in 'A Henpecked Hero' April 28. The play was under the direction of Mrs. J. C. Scarbrough who carefully selected the parts and capably coached the performance.

The cast included Irene Mc-

# 30-Plus-One Reunion Planned

## Class of 1950 Sets Gathering Saturday

(The following stories are from the May 1950 issues of the NEWS)

### SENIOR CLASS HISTORY

In September 1939, a scared bunch of little boys and girls gathered around the door of the Ward School building and waited expectantly for the doors to open.

For all their little lives, these children had been waiting both fearfully and happily for this day. Some of those children who are seniors today and will graduate on May 23 are David Hunter, Duane Moredock, Shirley Matthews, Patsey Baucom and Richard Shield.

Another group of scared, but acting very nonchalant, boys and girls were at the same school house door waiting for it to open. Because of the crowded conditions they picked a few of the (smarter?) ones and put them in the high first - out of that group the ones who are seniors today are Margaret McCaughan, Julia Ann Bailey, Patricia David,

Charlie Joe Harris, Don Woodruff, Helen Day, Martha Priddy, and Billy Joe Scott. Later these two classes were combined.

During our second, third and fourth grades nothing important happened. We were in the fifth grade when something did - two new students came to us, Joe Hal England from Mukewater School and Pauline Little, our class secretary-to-be, from Leadville, Colo.

In the sixth grade we were

joined by another boy, Albus Little from Leadville, Colo.

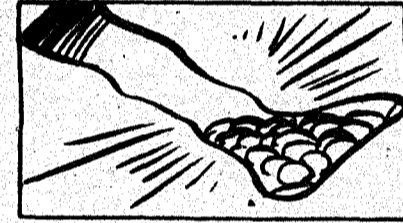

In the seventh grade we were joined by Wanda Bilbrey from Brown Ranch, Alwyn Brandon from Merkel, Lea Mitchell from Trickham, Freida Brooks from Roby and Craig Douglas, who was destined to be our Senior Class President, came to us from the Plainview School. Kathryn Hibbetts from Cleveland and Eddie Edmondson from Trickham. At about this time we were really important people.

In the fall of 1946, a group of larger, but still scared, boys and girls gathered at a school house door waiting for it to open. This time it was the High School door, and we were FRESHMEN! Think of that! Here we were joined by James Milligan, Glen Scarborough and Billy Ray Weathers from Shields, R. L. Mackey of Albany, Rene Stewart from Rockwood, Lois Haynes from Trickham and Junior Cruger.

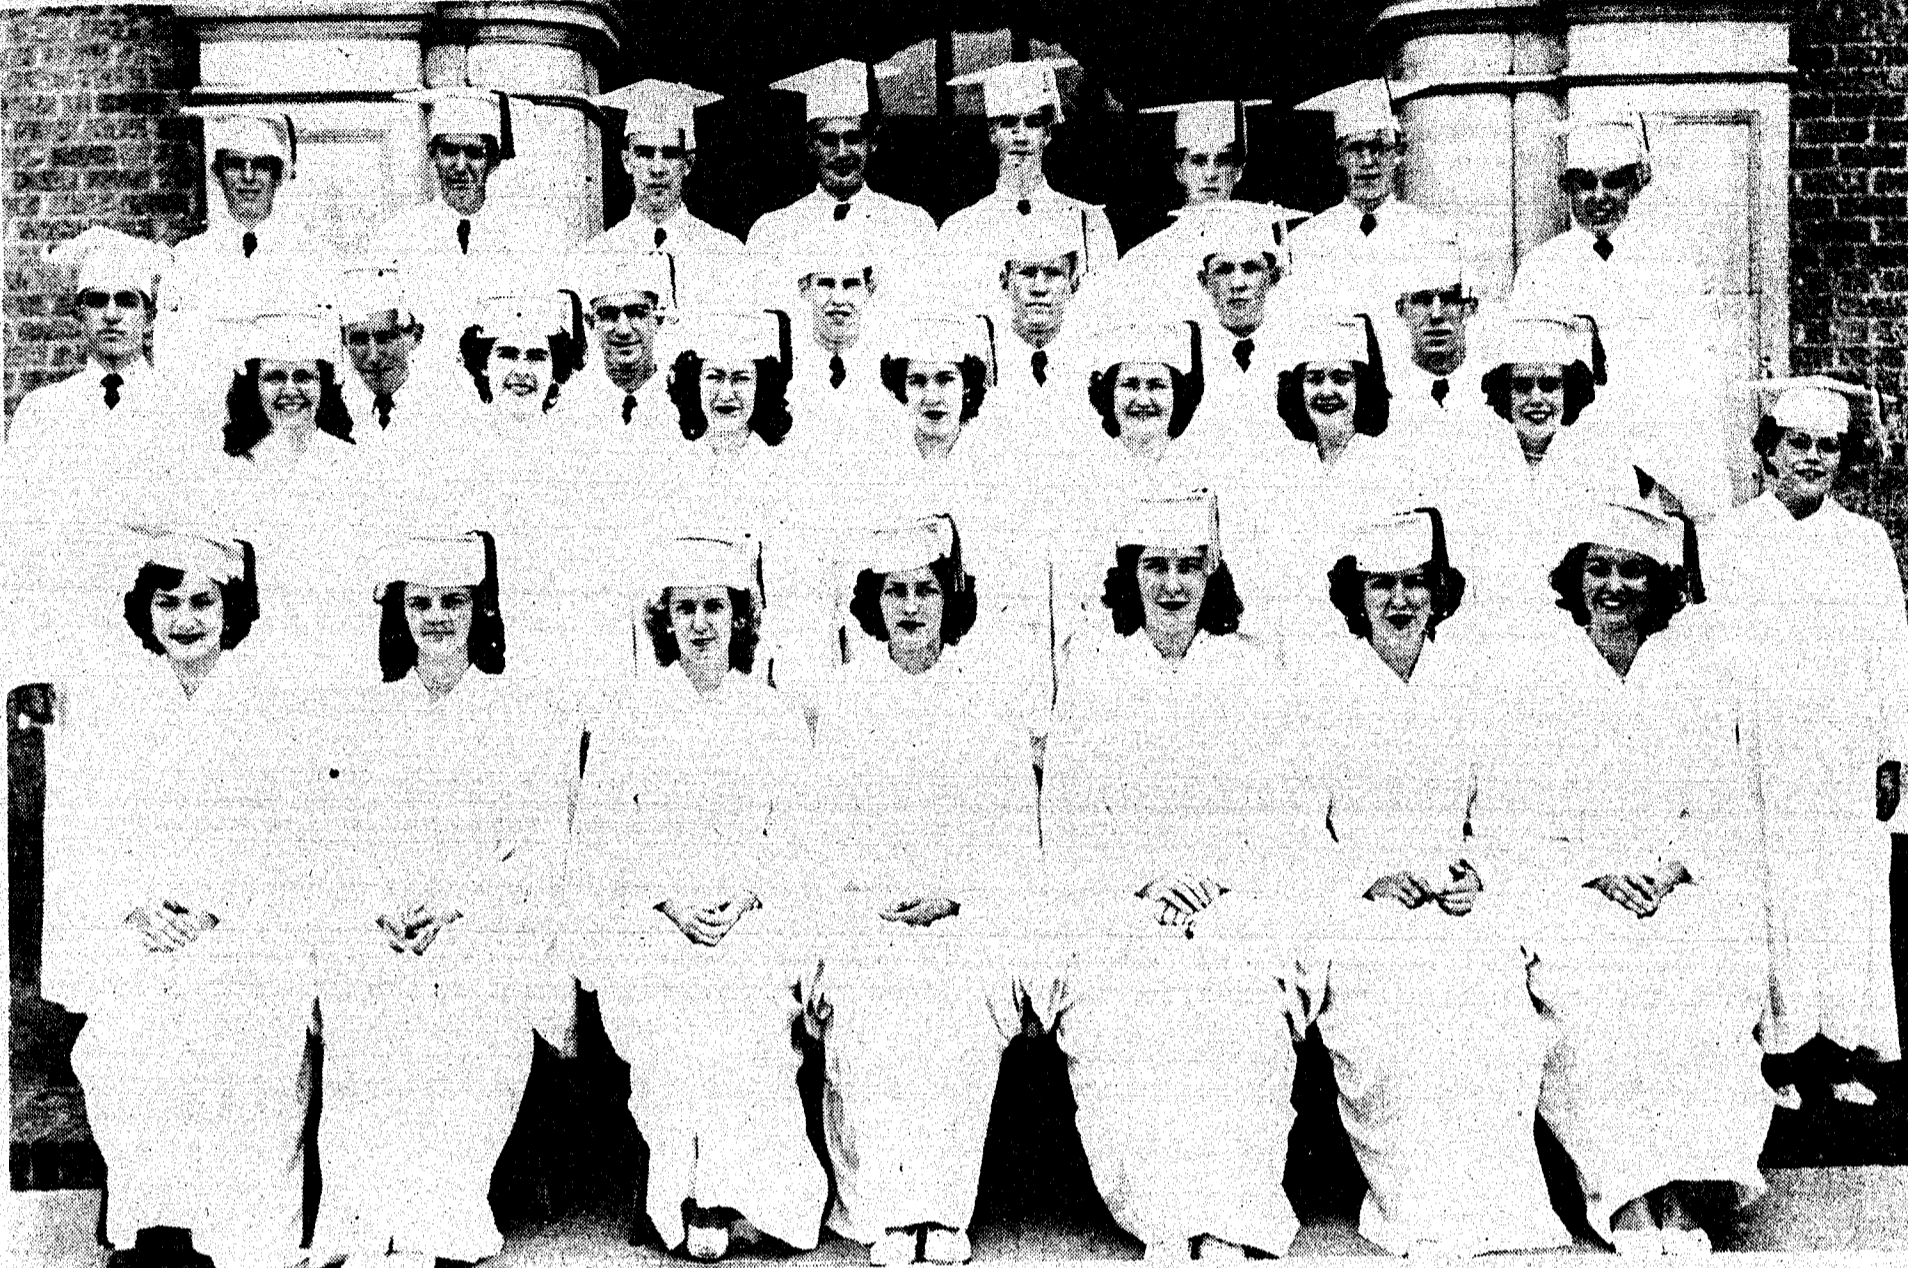

While we were sophomores we were joined by Joe Sealy Price from Coleman. He was the last to join our class that now numbers 31.

Now after 12 years later, What? Next year some of us will be going to college, some will work at various jobs and a few (lucky) ones will be getting married. In several years some of us may even be famous, but come what may we will always remember the good old days at dear old Santa Anna High School.

## Bulldogs Win 22-13 Over SA Mountaineers

The Santa Anna Mountaineers took another loss Friday night, going down 22 - 13 under the Eden Bulldogs. The game was the district opener for the two teams.

Santa Anna took the opening kick-off and moved to the goal line early in the first quarter, and

Ernest DeLeon scored on a two-yard dive with over seven minutes left in the quarter. The PAT was good, with the Mountaineers ahead 7-0.

The Bulldogs scored their first touchdown later in the quarter, a pass play on the fourth down. Eden had a two-point

conversion to go ahead 8 - 7.

The Bulldogs extended their lead to 15 - 7 just before the halftime.

In the third quarter, another Eden pass put them ahead still farther, and the PAT added the final score for the Bulldogs.

DeLeon made his second TD in the final quarter for the last Mountaineer score. From that point on it was defensive ball.

The Mountaineers had the majority of the rushing yardage in the game, but the Bulldogs completed eight of 12 passes to lead in that category.

The Mountaineers will meet the Miles Bulldogs Friday night at 7:30 p.m. for the Homecoming game. The Miles team are 4-2 for the season and won over the Irion County team 35 - 0 last Friday night.

### VISIT IN SAN ANGELO

## Cable TV Rate Hike Approved By C-Council

Patrick Hosch, Mayor Pro-tem, led the Thursday, October 8, meeting of City Council in the absence of Mayor Edd Hartman. All Councilmen were present for the session at City Hall.

The Council voted to exempt residents outside the City Limits from the \$5 monthly sur-charge as they are already paying one and one-half times the water rate each month.

The Brownwood Cable TV Company was granted an increase in monthly charge in Santa Anna. The increase will be \$1.75 per month, with the base cost for the service to increase from \$7 per month to \$8.75. The City will begin collecting a three-percent franchise tax from the Company.

A group of Campfire Girls met with the Council asking permission to place small trash containers in the downtown area. Permission was granted.

Council members discussed the problem of stray dogs in town, and the hiring of a dog catcher. The Humane Society will be

contacted for information on regulations.

It was announced that the garbage truck being leased by the City has mechanical problems and is not in operation. City residents are again required to put garbage in bags as the only a pickup truck is being used on the routes at the present time.

A called meeting was set for Monday, October 26, at 6:30 p.m. to plan the payment of bills and financial arrangements. The next regular session will be Thursday, November 5, also at 6:30 p.m.

## Rejoice in the Rich Treasures of Grace

And thou shalt rejoice in every good thing which the Lord thy God hath given unto thee, and unto thine house, thou, and the Levite, and the stranger that is among you. Deut. 26:11.

Thanksgiving and praise should be expressed to God for temporal blessings and for whatever comforts He bestows upon us. God would have every family that He is preparing to inhabit the eternal mansions above, give glory to Him for the rich treasures of His grace. Were children, in the home life, educated and trained to be grateful to the Giver of all good things, we would see an element of heavenly grace manifest in our families. Cheerfulness would be seen in the home life, and coming from such homes, the youth would bring a spirit of respect and reverence with them into the schoolroom, and into the church. There would be an attendance in the sanctuary where God meets with His people, a reverence for all the ordinances of His worship, and grateful praise and thanksgiving would be offered for all the gifts of His providence....

Every temporal blessing would be received with gratitude, and every spiritual blessing become doubly precious because the perception of each member of the household had become sanctified by the Word of truth. The Lord Jesus is very near to those who thus appreciate His gracious gifts, tracing all their good things back to the benevolent, loving, care-taking God, and recognizing Him as the great Fountain of all comfort and consolation, the inexhaustible Source of grace.

If we would give more expression to our faith, rejoice more in the blessings that we know we have -- the great mercy and love of God -- we should have more faith and greater joy. No tongue can express, no finite mind can conceive, the blessing that results from appreciating the goodness and love of God. Even on earth we may have joy as a wellspring, never failing, because fed by the streams that flow from the throne of God.

### Rainy Weather Halts Ginning

The weekend rains halted the cotton harvest for a few days, but until the rain came, a total of 97 bales of cotton were ginned during the week.

J. T. Avants, manager, said the cotton is of good quality, but the price is much lower than last year. Cotton is currently bringing approximately 50 cents per pound, compared to up to 80 cents last year.

Unless there is more rain and damp weather, the harvest should continue by mid-week.
