Girls Track, Tennis Meet In Austin This Weekend

Three Santa Anna girls will be in Austin this weekend for the State UIL Track and Tennis meet.

Juliann Jones and Karen Wetsel are entered in the tennis doubles competition and will meet the Thrall High School team in the preliminary round Friday morning.

Miss Jones, daughter of Mr. and Mrs. William E. Jones, competed at the state meet last year with Lori Smith in the doubles event. Karen, the daughter of Mr. and Mrs. Charles Wetsel, is making her first appearance at the elite tournament. The two girls were winners of the Region II championship in Abilene, defeating teams from Cross Plains, Paint Rock and Byers before advancing to the finals where they won over the Blum team 6-0, 6-3. Their team mates, Holly Smith and Robin Hartman, doubles, and Janis Weathers, singles, also participated in the regional meet but were eliminated in the second round of play.

Patricia Jackson, a senior at SAHS, is the only local entry in the State Track Meet, competing in long jump and triple

jump. She placed first in long jump at the regional meet with 16'7/8", and also qualified in the triple jump event by winning second in regional competition with a jump of 35'4/8". She is ranked among the top in the two events and expected to place well.

The track and field events will be held Friday and Saturday, with eight entries in each of the events. Patricia will compete in the long jump event Friday and in triple jump Saturday.

McCreary Winner Of Pct. 2 Election

Precinct Two Commissioner Jake McCreary received the approval of the voters for another term last Saturday, defeating his opponent, Bruce Estes, by a 334 to 64 margin. The Precinct Two County Commissioner race was the only local or county contest on the ballot in the Democratic Primary.

At Santa Anna there were 244 voters at the polls, and less than 25 percent of registered voters cast ballots in the county.

In other voting, Coleman County voters generally followed the statewide trends, and in the State Representative election gave Comanche attorney Jim Parker a slight lead over Brownwood attorney Lee Haney as Parker won the nomination. He will face Republican nominee Gary Logan of Bangs in the November general election.

Over 75 people cast votes in the Republican primary in Coleman, the only voting box in the county for that party.

County officials returned to office included Gale Allen Brock, Precinct Two Justice of the Peace. Montie Guthrie III was elected Democratic Precinct Chairman.

Drilling Rig, Trailer Destroyed in Friday Fire

A drilling rig owned by K & W Drilling Co. of Coleman was destroyed Friday by a fire that started from a welding rig at the site.

According to reports of the incident, the rig was drilling on the Hot Springs Ranch on Home Creek, formerly the Frank Crum place, when fire spread from grass at the location to a goose-neck trailer, and then to the rig.

The Santa Anna Volunteer Fire Department was called to the site, but the fire was out of control and the rig in flames. The Coleman VFD also was called, but the Santa Anna firemen remained to keep the

blaze under control and from spreading to the pasture at the scene.

Tanks of fuel exploded in the blaze, and dark smoke could be seen from miles around.

Tommy Watson of Coleman is a co-owner of the rig, and reports had the loss estimated at nearly one million dollars.

Anyone wanting help with their advertising should call our office if Patty does not get by on the regular rounds.

Our community received more fine rain during the weekend. About one inch was reported in most of the area, with up to two inches in the Trickham area.

Our country has seldom looked better, with wildflowers in bloom along every road.

Many farmers are predicting a good grain harvest -- if there is no hail, rust, insect infestation, etc. The good rains will also be beneficial for other crops and most of all for the pastures.

Trip to State UIL Literary Meet Lost With a Flip of Coin

The flip of a coin can sometimes bring good fortune to folks, but a Santa Anna High School girl feels otherwise.

Robbie Clifton, a recent winner in the Regional spelling contest, lost her place in the State UIL competition with the toss of a coin and did not get to take part in the contest.

In the regional meet, Robbie and another student tied for second place, and two additional "spell-offs" failed to break the tie. The contest director, after

the third attempt failed to confirm a winner, announced that both girls could enter the state meet. However at a later time coin was tossed and the other girl named to the state contest.

Robbie qualified for the state spelling contest last year and won fourth place. The SAHS junior student will be ready for the 1983 event and making an effort to be at the top of the competition.

Robbie is the daughter of Mr. and Mrs. Don Clifton.

WHAT IS A COMPLETE PHYSICAL?
Too often people will go to a physician and call this visit a complete physical check-up. They are only fooling themselves. To do any good you must schedule a thorough examination.

WHAT SHOULD IT INCLUDE?
X-rays, blood tests, urine analysis, cardiogram, etc., as well as a physical examination of the body are all necessary. For a woman, it should include a Pap test and for middle-aged and older it should include some of the more extensive diagnostic tests.

WHAT WILL IT DO?
When you take this type of exam the chances are the physician will be able to spot a potential disease in its early stages when it is easier to treat and cure. Most likely, he will find you in good health and give you great peace of mind.

HOW OFTEN SHOULD YOU TAKE A PHYSICAL?
You should take a complete physical such as described above at least every two years. After 40 it should be once every year. If you have a chronic illness your doctor might want to look you over more often. Let him be the judge.

WHEN YOU ARE ILL.
Should your physician find something wrong, he now has many modern medicines available to treat you. We carry a complete stock for your regular or emergency needs.

ESA Events Held

The annual "Traffic Jam" for St. Jude's Children's Hospital in Memphis, Tenn. was held in Santa Anna Saturday, sponsored by the Delta Omicron Chapter, Epsilon Sigma Alpha. Members of the group were in the downtown area during the day seeking donations for the fund.

Over \$577 was collected and will be sent with funds from other ESA chapters in the nation to benefit the research hospital.

Following the event downtown, members of the sorority met at the Methodist Church annex for a "Coke Party"

hosted by Patti Musick. Those present were Sharon Goodwin, Susie Voss, Kathy Alexander, Bernidine Watson, Gail Stewardson and Lois Ann Harper.

In another recent fund raising project, \$50 of gasoline was given to Angela Hernandez. Proceeds from the event will be used to defray expenses of local members to the State ESA Convention in Amarillo May 20.

Members and their husbands planning to attend the meeting are Coyita and Ken Bowker, Bernidine and Bill Watson, Patti and Rodney Musick, Donna and Dale Bradley, Pam and David Morgan, Debbie and Roddy Dean and Susie Voss.

Local Exhibitor Wins Award At Show

Mrs. Nowlin (Nell) Myers was an exhibitor in the recent crafts show held in Market Hall in Dallas, entering items in two divisions of the show.

In the Christmas division, her nativity scene was judged best of the show, and in the point system received a red ribbon. There was no blue ribbon winner in the division. The 13-piece set was scitoto mold done in pastel chalk, a unique medium for ceramics.

There were more than 1900 entries in the show, from porcelain to hand-thrown pottery.

The show is the largest held in

the southwest, with booths from 225 distributors from 23 states.

Mrs. Myers has won many awards with her ceramics, having shown frequently in Fort Worth and Dallas as well as other shows in the area.

The first printed book known is a copy of the Diamond Sutra, a Buddhist scripture from the 16th century.

Granddaughter Of S-Annans Honor Student

Shirley McClure Bush, the granddaughter of Mr. and Mrs. Glenn McClure, is among the top 25 students in the 1982 graduating class at Abilene High School. Announcement of the honor students was made at the school Monday.

Shirley attended the Mozelle School until her marriage last summer, enrolling at AHS as a senior. She is also employed in the Credit Department a Sears in Abilene.

In making the announcement of the honor students at Abilene High, it was noted that there was less than one grade point difference between the valedictorian and the other 24 honor students in the class.
