#### Camp Fund To Train Steers Bristow Announces Site. Facilities Already

Available Gordon "Oble" Bristow, coach of

the Big Spring high school Steer for the coming year, Saturday ex pressed enthusiasm as he instituted a drive to obtain funds with which a training camp for the school boy gridsters will be operated. A site for the camp has already been obtained, and over fifty boy have signified their intentions making the trip

Bristow Saturday night told a Herald reporter that the camp sit was ready with a complete outlay including tables, cook shock, playing field and other conveniences. short distance southwest of

Carlsbad. "We have the camp and every Fia, claims to have set a new thing. We are ready to go into hard world's record for delayed parawork of making a football team for Hig Spring All we need now is for 500 feet and dropped 13. the people of Big Spring to con fore pulling the ripcord. tribute enough to make this postible. It is up to them."

Ruth-Gehrig 'Teams to conduct a drive throughout the week for funds and contributions will be organized Monday, according to Bristow. If the necessary amount is raised, the gridsters will make the trip, and if not—they must stay home minus a good stretch of pre-season conditioning, he said. If the amount is raised. tioning, he said. If the camp is held

it will open August 18.

Bristow goes to Texon today to take part in a golf meet between Big Spring and that city, but he Yankee Pair Possesses Five will return in time to start the work Monday.

#### Wheat Price Controlled By Farm Board, Says Will Rogers, The More Is Bought The Lower The Price Was

By Will Rogers Well and I know by just what I where you had a thing to do with at in the payers. Here under the a fiven the day they expeted has weathout and bear doing nothing by the true board in scatted go-but reading and taking some pills ing dean and no notice how dust and fixing to talk the Elector out of they board it went down factor-oute more grab Good doll of libbs Well there you was. You hadone have gone under the Austroneers but in this years wheat and, ow nations since I had equinable thought or asked but mess of all you both private and Natarie it and if you had, you know that, of Germany get a Moraterium they would lose in my one it in the Big Informational Paristes got order to take away since one clow's their guaranteed. Taxpayers got an pairful especially us. You like with a sec-sement and the Fariners that they would primps and or their other assessment and the Fariners that they would primps around these

other assessment and the Fairners that they would perhaps ander the got exactly what everybody had nee wear plan put in more wheat have producing they would get than ever before because they and have producing they would get than ever before because they are the first wheat. But we supposed to know how to vales any are told than indirectly this good thing else that we did Germany will trickle. Now the Argentine had a bumper to get through the words and crop. They had their last years crop mortakes.

Courney here is the thing where into consideration that every coun the Farin Fe and it right. I haven try both big and latte that haven heard that in so long that it samed herefolies called wheat. Knowing me when I wrope it down. They they were at the mercy of these few fold the Farmers NOT to plant so big powers, have encouraged raismuch wheat, they said they was ingail that their bills could. Italy goin got be a big supply this fall, and England raise a 1 timers than and you knew yourself that they they used foo not near enough but hadent sold last years crop. So I is allocounts up, kinder string with the Farm Board. Now then here is the Farm Board in that. You know the Farmers with their millions of bushels Grandont use their own heads a whole aries full of private wheat. The

dont use their own heads a whole aries full of private wheat. The lot Some of em dont even use any worst depression in years. Now bodys.
