Stenholm Announces Candidacy

Charles W. Stenholm has announced that he will be a candidate for a 5th term as the representative from the 17th Congressional District of Texas. Accompanied by his wife, Cindy, Stenholm expressed appreciation for support from friends through the years. He also assured the group that he is cautiously optimistic regarding the economic future of the country.

"If we can influence 218 votes in the House of Representatives for more legislation to get our fiscal house in order and muster the political courage to continue on this course, this nation will be vibrant and productive," Stenholm said.

Repeating his promise to stay in close contact with the vast district of thirty-five counties, he urged everyone to take full advantage of our freedoms and opportunities as citizens of this great nation by participating in the political process.

Stenholm concluded by saying, "I am thankful that I can face each decision that arises with confidence that you are behind me. I really believe that these past years of experience in Congress make it possible for me to serve the 17th Congressional District and our country in a better way than ever before."

Charles W. Stenholm

Chamber of Commerce Reports.....

Monday, January 20 was the date for the annual membership meeting for the Santa Anna Chamber of Commerce. An enthusiastic group met at the Lions club building to make plans for future activities and for their annual membership drive.

Several reports were made, including financial, past presidents and the presidents agenda for the year.

Plans were made for the Second Annual Banquet which will be held March 1 at 7 p.m. in the School Cafeteria. The Patriotic theme for the banquet is "This Town Is Your Town—This Town Is My Town". Mary Ann Hartman is chairperson for the banquet and says the ten-

UIL Realignment

The University Interscholastic League this year used October enrollment figures as the first step in realigning high school football and basketball districts, which were announced last Thursday.

In the past, the UIL has used a two-year average enrollment, which is not as up-to-date.

Next, the UIL athletic staff determined the number of schools needed for 32 districts in Class 5A. This figure is normally between 245 and 255.

This year there are 251 schools in Class 5A. After determining Class 5A schools, the UIL determined the number of schools for 16 districts in 4A, normally 140 to 150. This year the 4A figure is 148 schools. Thirty-two districts were also drawn up for 3A, which had 215 schools, and 2A, which had 217.

Class A consists of the "schools with insufficient average daily membership to fill the other conferences," according to the UIL. This year Class A had 313 schools.

In realigning districts, the UIL says it considers distance and travel conditions but makes no attempt to "perpetuate old rivalries."

February 7 is the deadline for a school to file a written appeal of a district assignment. Hearings before the State Conference and

District Assignment Review Board are set for Feb. 12, and schools will be informed in writing of the board's decision.

Feb. 17 is the last day to submit to the director of the UIL a written request to take an appeal to the State Executive Committee. The committee will consider the written appeals Feb. 18. There will be no oral presentation.

The UIL says no athletic contracts may be made until the executive committee approves the conferences and district assignments.

According to the UIL's Constitution and contest rules, "A school may be disqualified for district honors for up to two years in the sport for contracting with other (Texas) schools prior to the finalizing of the reclassification and realignment" by all UIL appeal committees.

District meetings to set district schedules are set for Feb. 19.

Santa Anna will be in District 8, Class A Football this next year along with Baird, Blanket, Evant, Gorman, Lometa, Rising Star, and Rochelle.

Santa Anna will be in District 24, Class A Basketball this next year along with Brookesmith, Mozelle, Novice, and Talpa Talpa-Centennial.

City Council To Meet

The Santa Anna City Council will meet in regular session on Thursday, February 6 at 7:00 p.m. at the Mountain City Center.

On the agenda for the meeting is (1) Call to order, (2) Reading of minutes, (3) Bob Neville with the Brownwood TV Cable, (4) Emergen-

cy Management, (5) Old business, (6) New business, (7) Accounts Payable, and (8) Adjournment.

All interested citizens of the community are encouraged to attend the city council meetings and to give their input to the meetings.

Police Chief Charged With Arson Says Charges Are False

Put on Suspension

Felony arson charges have been filed in the Coleman justice of the peace office against Santa Anna Police Chief Bill Allen and another man, according to Coleman Peace Justice Emory Rider.

The suspects are charged with setting a fire at a Santa Anna residence on January 19, at approximately 8:25 p.m. The blaze caused no injuries but destroyed a bedroom and bathroom and damaged the frame of the home.

Assistant Criminal District Attorney James Eldson of Abilene confirmed that an ongoing investigation is being conducted by the district attorney's office, which issued warrants for Allen and William Sheridan Watson on Wednesday afternoon of last week. The 42nd District Attorney's Office in Abilene is conducting an ongoing investigation of the fire and other unsolved fires here in Santa Anna. In addition to the district attorney's office and the Coleman County Sheriff's Department,

an Abilene arson investigator is involved in the investigation.

Santa Anna Fire Marshall Jimmy Eisenhower confirmed that diesel fuel had apparently been poured on the house and that firemen had reported a strong smell of diesel fumes when fighting the fire.

Allen has stated that the felony arson charge brought against him is "totally false" and a "trumped up charge."

Allen, who was arrested Thursday morning and then posted a \$25,000 bond on the charge, said he and Watson were both at home on the other side of town when the blaze was reported.

Allen has been suspended without pay until his name can be cleared. He was hired as a policeman on the Santa Anna force in October 1984 and succeeded Russ Ellis as police chief after the city council voted not to rehire Ellis last April. A second police officer for the city has not been hired since that time.

Allen said the person whose home was burned January 19 has been in the Texas Department of Corrections four times on drug charges.

Watson is an oil field construction worker in Santa Anna, according to the police chief.

TEHC Meets

ROCKWOOD--The Extension Homemakers Club met at the Community Center, Tuesday, January 28, with Bettie Duus presiding. Sadie Bryan read the minutes of the previous meeting and gave the treasurer's report; Agnes Taylor, Agent, was absent due to illness. Berna Fowler read the poem "Which Kind Are You." Minnie Bray brought the Council report.

After a meeting of plans, discussion and fellowship, Bettie Duus and Sadie Bryan served a refreshment plate to the above mentioned and Pebble Ellis, Wilma Williams, Billie Weatherby, Gladys Hunter, Ella Gray and Isabelle McCutcheon.

ny Kellar.

The Chamber is currently involved in its annual membership drive. Individual memberships are available at \$12 and business memberships are \$60 and may be paid in installments if desired.

Rain!!!

Rain! "What is rain?" several people have asked. Well, we found out what rain is on Sunday and early Monday morning, February 2nd and 3rd. Santa Anna received 1.1-1.6 inch of rain, this according to our weather watcher, Mr. R. W. Dalke. Rockwood and Trichham both received 3/4 to 4 inches of rain during the same time period.

Self Culture Club, 3:00 p.m.

Self Culture Club To Meet

Mrs. Carmen Donham will be hostess for the Self Culture Club meeting at her home on Wednesday, February 12. Co-hostess will be Mrs. Joe C. Barnes. The meeting will be at 3:00 p.m.

To continue the year's study of Texas, members will answer roll call with an interesting name from the Texas map. The program will include topics on the Big Thicket of East Texas and Texas Caverns, by Mrs. Barnes, and a presentation on Big Bend National Park and Palo Duro State Park by Bettie Henderson.

Members of the club are reminded of the meeting and invited to attend.

Weekend Visitors

Weekend visitors with Mrs. Milford Harris were Mr. and Mrs. Glenn McNeil of Dallas; Howard McNeil and a friend, Sue White of Plano; Mr. and Mrs. Tom Nixon and children of Coleman and Mr. and Mrs. Elgean Harris.

Pamela Miller--Richard Garrett United In Marriage

Pamela Miller Garrett

Pamela Jeane Miller and Richard Lewis Garrett exchanged wedding vows in the Manchaca Baptist Church in Austin at 7:00 p.m. on Saturday, January 25, 1986. The Reverend Tom Gautier officiated for the double-ring ceremony.

Parents of the couple are Dr. and Ms. Damon J. Miller and Ms. Lewis Garrett of Austin. The bride is the granddaughter of Ms. O. V. Mitchell of Trichham and Ms. W. C. Miller of Brownwood.

The alter was decorated with greenery accented by candelabras on either side. The pews were marked with white satin bows.

The bride, given in marriage by her parents, was escorted to the alter by her father. The bride wore a traditional gown of white satin with a cathedral-length train. The bodice featured a Sabrina neckline and

deep-vee plunging back. It was covered with beaded Alceon lace which also trailed down the romantic tapered sleeves. Matching beaded Alceon lace appliques were sprinkled down the train and along the hemline of the satin skirt. Her white walking-length veil was trimmed with a rolled, finished edge. White silk flowers and pearl sprays accented the delicate floral-wreath style veil. The bride carried a bouquet of white silk roses interspersed with small blue flowers backed with lace and tied with satin ribbons.

Ms. Laura Drew, organist, played wedding selections and accompanied Ms. Jennifer Wilks as she sang "The Promise" and "The Lord's Prayer."

Angela Cabiya, sister of the bride, served as Matron-of-Honor. Her gown was teal satin polyester with off-shoulder, puffed sleeves, accented by matching flower rosettes. The drop waistline was trimmed with tiny seed pearls and completed with a matching bow and rosette at the back. She carried a bouquet of blue and white silk flowers with ribbons of the same colors.

Jay Finley of Abilene served as best man. Ushers were Phillip Garrett, brother of the groom, J. Miller, brother of the bride, Garland Lasseter, Harry McGee, Guy Carroll, Russ Shirley and Jeff Crozier. Candles were lighted by J. Miller and Russ Shirley. Christopher Cabiya of Austin,

wearing a tuxedo tailored in the same style as those worn by the ushers, served as his aunt's ring bearer. Lindsey Curb of Post, Texas, second cousin of the bride, served as flower-girl. She carried a small basket of silk flowers of different shades of blue. Her dress was of the same design and color as the Matron-of-Honor.

Following the wedding ceremony, a reception and dance was held at the Manchaca V.F.W. The bride and groom's tables were joined and covered with a white lace cloth. The white three-tiered column cake, accented with tiny blue silk flowers, was topped with miniature doves and bells. The groom's chocolate cake was decorated with grape clusters made of chocolate malt balls. Punch was served from a crystal punch bowl and coffee was served from a silver coffee service.

Serving the punch and bride's cake were Jennie Curb, cousin of the bride, Rhonda Lee and Connie Dunn. Leslie Mitchell, Lisa Sands and Sandy Garrett served the coffee and groom's cake.

The couple will reside in Austin. The bride is a graduate of Crockett High School in Austin and Southwest Texas State University at San Marcos. She is employed as an elementary teacher by the Austin Independent School District. The groom is a graduate of Crockett High School in Austin. He graduated from Blinn Junior College and attended the University of Texas at Austin. He is manager of the AMFAC Supply Company of Austin.

Fire Aux. Meets

The Santa Anna Fire Auxiliary met Monday, February 3 for its regular monthly meeting with President Gail Horner presiding. Other members present were Edith Dodson, Syble Huggins, Donna Bradley, Janette Strickland and new member, Rita Day.

Before the meeting a Mexican Style Supper was enjoyed by Firemen and their families. Those there were Mr. and Mrs. Dale Bradley, Ross, Misty and Heather and guest, Ray Jones; Mr. and Mrs. Clint Day and Amy; Mr. and Mrs. Dickie Horner, Brandi and Briana; Mr. and Mrs. Freddie Dodson; Mr. and Mrs. Donald Strickland; Mr. and Mrs. Lee Ray Huggins; David Huggins and Gary Cannon.

The next regular meeting will be March 3rd.

Visit At Brownwood

Hazel McCrary, Ruby Howard and Fannie Gilbert visited Mrs. Selma Hassorodt in Brownwood last week. Also Hazel and Fannie visited Mrs. Zuda Henderson at Holiday Hills Nursing Home in Coleman on Saturday.

Thoughts From Our Pastors

By Stephen Ramsdell

Pastor of First United Methodist Church

EDITOR'S NOTE: Local Pastors have been contacted to take turns writing a weekly devotion for the News and our readers.

There are many, many voices in our world. All of them shouting out for our undivided attention. However, there is only one voice that cries out with the sound of many waters. There is only one voice that can reach the dead. Look at the Gospels and see the power of this voice. This voice speaks and it is done. This voice says "let there be light" and light there is. This voice shouts out to a demon "come out of the man" and the spirit comes. This voice calls out to a furious storm "Peace be still" and there is calm. This voice moves into the grave and calls "Lazarus come forth" and the dead man lives again. Truly there can be no doubt when this voice speaks.

Have you ever listened to this voice? Sometimes the voice is still and small like a far away song blown on the wind. Sometimes the wonder of this voice comes to us on a terrible day as a whisper saying, "There is still hope." Sometimes the voice comes to us like the blast of a bomb. Sometimes we hear him as a battle cry. Sometimes the voice is gentle and sometimes the voice is undoubtedly a voice of power. The voice calls out to us saying, "Awake thou that sleepest and arise from the dead and Christ shall give thee light," "Come weary soul, come unto me and rest," and "Rise up o man of God." But, however we hear it the

voice tells of a new life. "The dead shall hear the voice of the son of God and they that hear shall live." We can know through the power of this voice that the aimless life can live again, the dead will live again and the dead church can live again.

Do you know what it means to live again? Can you understand this Gift of Life that only Jesus Christ can offer. His promise is for us. He tells us we can believe the Promise that, "I was blind and now I see." "I was dead and behold I live." Do you believe that Jesus has that power? Or is it possible you are like Nicodemus, holding on to a question that cannot be answered. Could you be saying, "How can these things be?" Could you be saying, "It would be nice if it were true!" But the answer is still right before you. "The dead shall hear the voice of the Son of God." "For as the father hath life in Himself so hath He given to the Son to have life in Himself."

Can you see how Jesus gives us the answer? He can make you live by living in you. For it is in His life that we find our answer. We can ask about the great things we could do if Thomas Edison lived in us. But that is impossible. But it is possible to imagine the great person we could be if Jesus Christ were in us. For on that promise you can say with Paul, "I Live, yet not I but Christ liveth in me." We can hear the voice of Jesus and know that the "Hour cometh and now is, when the dead shall hear the voice of the son of God, and they that hear shall live."

Eastern Star Honors Masonic Lodge

The Santa Anna Chapter No. 247, Order of the Eastern Star honored the Masonic Mountain Lodge No. 661 with a fried chicken dinner at 6 p.m. on Monday, February 3, 1986. Forty-two members and guests were served.

At 7:30 p.m. the Eastern Star met for their monthly meeting with Carmen Donham, Worthy Matron and M. L. Guthrie, Jr., Worthy Patron conducting the business session. J. Lee Farmer, Marshall protem, presented the flag of our Country in the East. Sickness and Distress chairman, Viona West, reported that Myrtle Burden is now out of the hospital.

Billie Guthrie presented the program in honor of the Masons with a history of the Masonic Lodge in the State of Texas. The organization of February 11, 1838 was destined to failure due to the hostilities with the Mexican Government. Dr. Anson Jones carried the charter through the battle at San Jacinto. In October, 1837, the Lodge was re-opened in Houston, Texas. The Oldest Lodge in the World: Mother Kilwinning No. Zero, Kilwinning, Scotland. The Oldest Lodge in the U.S.A.: St. John's Lodge, Boston, Mass., 1733.

The meeting adjourned with the retiring of the flag of our Country.

Don't Let Your Children Burn!

(EDITOR'S NOTE: This is the fourth in a five-part weekly series by Dr. Gary S. Nelson, safety engineer with the Texas Agriculture Extension Service, designed to help parents teach their children and themselves how to survive a house fire.)

Children must practice fire escape and fire protection techniques if they are expected to react correctly in an emergency. The following is the last of six "fire drills" offered in this series designed to teach children how to survive a fire.

The drill called "Man the Hoses" teaches some principles of fire fighting. Every fireman knows how to put out a fire, and your children can learn elementary firefighting techniques. Although a child will never fight fire extensively, his quick action could save his life or your house.

Start a small paper or wood fire in the backyard—in a box, barbecue pit or trash burner—where you can control it. Show youngsters how to put it out with a bucket of water or a hose. A coarse spray nozzle is better than a steady stream. If you own a fire extinguisher, and you should, have everyone learn to use it. A practice session is worth the cost of a refill, for an extinguisher is useless unless you know how to work it.

Warn children never to throw water on an electrical fire because of the shock hazard or on a grease

fire because it may spatter, spreading the flames. Only an extinguisher designed for electrical fires will work on electricity. To squelch small grease fires, put a lid on the flaming pan or throw on several handfuls of baking soda (never flour; it may explode). For ordinary combustibles such as wood, paper and cloth, water is the surest extinguishing agent.

Teach children exactly what to do if their clothing catches on fire. Let them pretend they are on fire and have them roll up in a blanket, rug, large towel or the quickest thing available to smother the flames. Emphasize that they should never run if clothes are burning because the breeze fans the flames.

In the fifth and last part in this series, a final "rookie" examination will be offered to determine whether your children qualify as "firemen."

Birthday Party Held

Bro. Dan Moffett, pastor of Northside Baptist Church surprised his wife, Peggy, with a birthday party at Mountain Center Friday night. There were twenty-two guests, who all brought gifts for the honoree. Birthday cake, cookies, soft drinks and coffee were served. All enjoyed a happy time of games and fellowship.

At the end of the third quarter Santa Anna had 54 points and Mozelle had 44 points. At the end of the game Santa Anna had 70 points and Mozelle had 56.

Scoring for Santa Anna was Reece McIver, 33; Shelby Tuttle, 18; Bobby Pritchard, 9; James Hartman, 4; Russell Williams, Jerry Wells and Johnny Kirven, 2 each.

CHECK YOUR FILTER

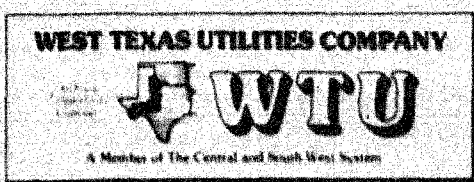

A Clean Filter Will Help You To Save Money In Home Energy Bills.

The purpose of a filter in your heating or air conditioning air blower is to help catch dust and dirt before it can enter your unit. In time, the filter will accumulate dust and dirt. If it gets clogged, your filter won't be able to do the cleaning job it is supposed to and your unit will use more electricity.

To avoid damage to your unit and to save energy and money, be sure your filter is clean. Permanent types can be cleaned according to manufacturer's instructions. Non-permanent filters should be replaced.

West Texas Utilities recommends checking the filter in your heating unit once every 30 days to help keep your system in top operating condition.

For additional conservation tips contact your local WTU office.

Remember REDDY Supplies the energy— but only YOU can use it wisely!

WHON NEWS
By Mrs. Tom Rutherford

We are so very glad to report we received a million dollar rain Sunday night and seemingly was most of the night falling. My gauge had 4 inches. We all give thanks for the good rain. We were really in need of the moisture. The Taylors received over 4 inches. Others received a less amount. Amon Ott reports 4 inches on Massy ranch.

We are glad to report Mrs. Graham Fitzpatrick is improving and doing reasonable well. She was back to the doctors in Brownwood Friday.

Mrs. Jamie Morris was in Santa Anna last Tuesday and while there she visited with Mr. and Mrs. Dub and Nell Proctor.

Mr. and Mrs. Darwin Lovelady of Santa Anna and Doris Ruth Stearnes

of Brownwood went to Austin over a week back to visit Mr. and Mrs. Roy Smith and their son, Mr. and Mrs. Noble Smith. Mrs. Roy Smith, who makes her home in a nursing home, was a patient in the hospital. Also the son, Noble Smith had to have more surgery and was also a patient in the hospital. Mr. Darwin Lovelady remained in Austin for several days to be with his uncle and look after his needs for several days until all were better.

Mr. Floyd Morris was in Coleman on Friday and visited briefly with Mr. and Mrs. William Perkins.

Loucille Sorrells of Coleman has visited with Mrs. Darwin Lovelady recently.

Mrs. Juanita Minica of Santa Anna visited with her son, Mr. and Mrs. A. L. Minica at Blanket on Sunday.

Mrs. Floyd Morris visited with Mrs. Imogene Fitzpatrick on Wednesday afternoon and enroute home stopped and visited with me briefly.

I was in Coleman Monday after-

noon and visited with Mrs. Hilary Rutherford and granddaughter, Denea Boatright.

Mr. and Mrs. Douglas Avant of Brady were looking after their property in Rockwood Sunday. Also drove to the Avant Farm at Whon. Then they drove to Santa Anna and enjoyed supper with his mother, Mrs. Pearl Avant.

Mr. and Mrs. Floyd Morris and their grandchildren, Jeffery and Jennifer Morris visited on Sunday with Mr. and Mrs. Elwayne Perkins and daughter, Christi in the Owen Community.

Mr. Hilary Rutherford of Coleman, Mr. Loyd Rutherford and son, Todd, were with me on Saturday working cattle.

Mr. and Mrs. Darwin Lovelady were guests of their son, Mr. and

Mrs. Randel Lovelady and girls in Brownwood during the past week.

Mr. and Mrs. Dale Vinson, Mr. Dusty Vinson of Ft. Worth, Susan Berry and daughter, K. K. Valdez and Roby Vinson of San Angelo were guests of their grandmother, Mrs. Nettie Vinson during the past week and over the weekend.

Mr. Rocky Rutherford of Coleman was out here assisting Mr. Amon Ott working cattle on the ranch a few days the past week.

TO BE PUBLISHED: February 6, 1986
NOTICE TO PUBLIC OF NO SIGNIFICANT EFFECT ON THE ENVIRONMENT
AND NOTICE TO PUBLIC OF REQUEST FOR RELEASE OF FUNDS

City of Santa Anna, Texas
P. O. Box 188
Santa Anna, Texas 76878
(915) 348-3403

TO ALL INTERESTED AGENCIES, GROUPS AND PERSONS:

On or about February 17, 1986, the above-named City of Santa Anna will request the Texas Department of Community Affairs to release Federal funds under Title 1 of the Housing and Community Development Act of 1974 as amended, to be used for the following project:

ACTIVITY	TEXAS COMMUNITY DEVELOPMENT PROGRAM
Acquisition	Contract No. S705690
Solid Waste Disposal	
Project to be located in Coleman County, Texas. A more detailed description of the project and a map showing the specific locations of the proposed improvements is available for public examination at City Hall, Avenue B and Second Street.	

Finding of No Significant Impact

It has been determined that such request for release of funds will not constitute an action significantly affecting the quality of the human environment and accordingly the above-named City of Santa Anna has decided not to prepare an Environmental Impact Statement under the National Environmental Policy Act of 1969.

The Reasons for such decision not to prepare such Statement are as follows:

Funds will be used to purchase equipment for the operation of the City's sanitary landfill and to purchase approximately 10 acres of land adjacent to the existing sanitary landfill for expansion of this facility. The location and operation of the expanded facility will be consistent with the present use of that site with a minimal change in use and size. Application will be submitted to Texas Department of Health for a permit to operate the proposed expanded facility. The Landfill Facility will be operated within the capacity and tolerance level of this permit once it is issued by TDH.

An Environmental Assessment respecting the within project has been made by the above-named City of Santa Anna which documents the environmental review of the project and more fully sets forth the reasons why such Statement is not required. This Environmental Assessment is on file at the above address and is available for public examination and copying upon request in the office of the City Secretary between the hours of 8:00 a.m. and 5:00 p.m., Monday through Friday.

Public Comments on Finding

All interested agencies, groups and persons disagreeing with this decision are invited to submit written comments for consideration by the City of Santa Anna, to the office of the undersigned. Such written comments should be received at City Hall on or before February 14, 1986. All such comments so received will be considered and the City of Santa Anna, will not request the release of Federal funds or take any administrative action on the within project prior to the date specified in the preceding sentence.

Release of Funds

The City of Santa Anna will undertake the project described above with Community Development funds from the Texas Department of Community Affairs under Title 1 of the Housing and Community Development Act of 1974. The City of Santa Anna is certifying to TDCA that the City of Santa Anna and Joe Guerrero in his official capacity as Mayor consent to accept the jurisdiction of the Federal courts if an action is brought to enforce responsibilities in relation to environmental assessments, decision making and action; and that these responsibilities have been satisfied. The legal effect of the certification is that upon its approval the City of Santa Anna may use the Texas Community Development Program funds and TDCA will have satisfied its responsibilities under the National Environmental Policy Act of 1969.

Objections to State Release of Funds

Texas Department of Community Affairs will accept an objection to its approval only if it is on one of the following basis: (a) that the certification was not in fact executed by the certifying officer or other officer of applicant approved by TDCA; or (b) that applicant's environmental review record for the project indicates omission of a required decision finding or step applicable to the project in the environmental review process. Objections must be prepared and submitted in accordance with the required procedure (24 CFR Part 58.75) and may be addressed to Texas Community Development Program; Texas Department of Community Affairs, 8317 Cross Park Drive, P. O. Box 13166, Capitol Station, Austin, Texas 78711.

Objections to the release of funds on basis other than those stated above will not be considered by TDCA. No objection received after March 6, 1986 will be considered by TDCA. The Chief Executive Officer of the City of Santa Anna is Joe Guerrero, Mayor.

Statement Of Nondiscrimination

"COLEMAN COUNTY TELEPHONE COOP, INC. has filed with the Federal Government a Compliance Assurance in which it assures the Rural Electrification administration that it will comply fully with all requirements of Title VI of the Civil Rights Act of 1964 and the Rules and Regulations of the Department of Agriculture issued thereunder, to the end that no person in the United States shall, on the ground of race, color or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination in the conduct of its program and the operation of its facilities. Under this Assurance, this organization is committed not to discriminate against any person on the ground of race, color or national origin in its policies and practices relating to applications for service or any other policies and practices relating to mistreatment of beneficiaries and participants including rates, conditions and extension of service, use of any of its facilities, attendance at and participation in any meetings of beneficiaries and participants in the conduct of the operation of this organization."

"Any person who believes himself, or any specific class of individuals, to be subjected by this organization to discrimination prohibited by Title VI of the Act and the Rules and Regulations issued thereunder may, by himself or a representative, file with the Secretary of Agriculture, Washington, D.C. 20250, or this organization, or all, a written complaint. Such complaint must be filed not later than 180 days after the alleged discrimination, or by such later date to which the Secretary of Agriculture or the Rural Electrification Administration extends the time for filing. Identity of complaints will be kept confidential except to the extent necessary to carry out the purpose of the Rules and Regulations."
