## McCord-Sealy Rites Said Thursday

Miss Mary Velma McCord, daughter of Mr. and Mrs. J. P. McCord of Coleman, and Mr. Tom R. Sealy of Midland, son of Dr. and Mrs. T. R. Sealy of this city were united in marriage at six o'clock Thursday evening of last week at the First Presbyterian Church in Coleman, with Rev. R. Mathew Lynn, pastor of the church, reading the impressive ring ceremony.

Preceding the ceremony, Mrs. E. E. Simpson of Coleman gave an organ recital. The pre-nuptial solo, "Because," was sung by Mrs. Monroe G. Cheney, also of that city, with Mrs. Simpson playing the organ accompaniment.

As the wedding party entered, Mrs. Simpson played "The Bridal Chorus" by Lohengrin, and "Liebestraum" during the ceremony. She played Mendelssohn's Wedding March for the recessional.

Ushers entered down opposite aisles, which were laid with white rugs, to meet the bride's maids and formed an arch around the altar. J. B. McCord, brother of the bride, served as head usher, and McClellan Woodward of Coleman, Gilbert Harrison and McIlvray Muse of Brownwood, Hubert Turner, and Wilbourn Weaver of Santa Anna served as the other ushers.

Bride's maids were Misses Mary Gladys Sterne of Victoria, Frankie Elliott of Sweetwater, Anne Lee, Alene Beck, Ruth Beaumont of Coleman, and Velma Sealy of Santa Anna.

Miss Lou Clement Tolson of Victoria served as maid of honor. The bride entered with her father, who gave her in marriage, and met the groom and his best man, Dr. Burgess Sealy of Galveston, at the altar.

The altar was an antique marble table, before which the bride's grand parents, the late Dr. and Mrs. G. B. Beaumont, were married. Flanked on both sides by ferns and palms, it was intermingled with lilies and white carnations and lighted by tall candles.

The bride, whose white satin wedding gown, cut with a deep cowl neckline, with a full, floor length skirt draped at the waist line with a pearl buckle, wore the veil worn by her mother when she married, and carried a lace handkerchief made by her grandmother. Her arm bouquet, of tallman rose buds and fern with a shower of lilies of the valley, was outlined with lace.

Following the ceremony, an informal reception was given at the home of the bride's parents for members of the wedding party and out of town guests.

Following the reception, the couple left for a wedding trip, after which they will be at home in Midland, where Mr. Sealy is junior member of the law firm of Stubbeman and Sealy.

Mrs. Sealy is the grand-daughter of pioneer families, and she represents the fourth generation of both paternal and maternal sides of her family to have lived in Coleman.

Following her graduation from Coleman High School, she attended T. C. U., Fort Worth, where she was a member of the orchestra and majored in violin. She then attended Sullins College at Bristol, Virginia for the past two years. In Sullins College, she served as Maid of Honor of Mardi Gras, and was elected Miss Charming and May Queen during her second year.

Mr. Sealy's father, Dr. T. R. Richard Sealy, is founder and owner of the widely known Sealy Hospital and School of Nursing of this city. After graduating from the local high school, he attended A & M College and received his L.L.D. degree from the State University at Austin, where he was rated as a Good Fellow.

For two years employed in the Legal Division of the Highway Department of the State of Texas, he recently became junior member of the law firm of Stubbeman and Sealy in Midland.

Those from here who attended the wedding, other than members of the wedding party, were Dr. and Mrs. T. R. Sealy, S. D. Harper, Misses Elsie Lee and Ruby Harper, Mrs. Emma Kirkpatrick and Misses Maurice and Evelyn Kirkpatrick, and Mr. and Mrs. Archie Hunter and children.

## Santa Anna Fire Dept. Makes Good Record for 1935

The annual report of the Santa Anna Fire Department should be read with interest by every citizen of Santa Anna and vicinity. It is really gratifying to know that Santa Anna suffered no fire losses during the year that was insured property. Following is the report submitted to the City Commission by the Fire Department, at the first meeting of the new year.

Santa Anna, Texas  
Jan. 4th, 1936.

To The Honorable City Commission, City.

Dear Sirs: Herewith annual report covering activities of our Fire Department.

We have a Company of 24 volunteer firemen, and one vacancy at the present, we had 5 or 6 vacancies during the year, and an average, active membership of 23.

At our regular meeting in January, 1935, a goal was set to keep fire loss down to \$2000. Our loss was less than one-fourth of this, \$232.50 of which none was covered by insurance, leaving us a clear record for the year, as far as the insurance rate is concerned. We had an average attendance at our regular meeting of 18, which is held monthly, average of 15 at drill nights, which is also held monthly. We attribute the small loss to the keen interest displayed by the entire Company in keeping down fire loss, and to the pumper truck in extinguishing small fires which might easily cause serious damage, if given a little more time.

We had SIX alarms, average of 15 firemen at fires, ran approximately 42 blocks, strung fifteen joints of hose. We also answered two out of town alarms. One was the R. W. Douglas home about 4 miles southwest of town, the other being the Buffalo school building, which was not damaged very much but was in the making of a serious fire. We believe that these calls answered were appreciated by those interested.

The Fire Department heartily appreciate the wholehearted Co-operation of the present City Commission, and with continued Co-operation of the Commission and the general public, we believe that fire loss can be kept down to a minimum. Our company will be fighting to do all they can.

Yours truly,  
Geo. M. Johnson, Fire Chief.  
The record for 1934 shows a fire loss of \$338. For 1933 it was \$1,900. The 1932 loss was \$16,552. The heavy loss of 1932 has cost the people of Santa Anna several thousand dollars in increased insurance rates, but a considerable reduction in rates is expected in March of this year, based on our good fire record for the past year.

### CARD OF THANKS

Words fail to express our appreciation to our friends who assisted us in caring for our dear mother, Mrs. R. A. Biggs, during her illness and death. We appreciate so much the kindness of the funeral directors. May God bless each one of you in our prayer.

Her Children.

ding, Mr. Sealy entertained at Hotel Coleman with a stag party and had his groomsmen as guests. At the same time, Mr. Sealy's sister, Miss Velma Sealy, entertained at her home in Santa Anna with a dinner for the bridesmaids.

Members of the wedding party were guests Wednesday night when Mr. and Mrs. McCord entertained at their home in Coleman with a rehearsal dinner. At this occasion, Mrs. Sealy presented her bridesmaids with crystal perfume bottles, and Mr. Sealy presented his groomsmen with gold knives.

## Hauptman Given 30 Days Reprieve

The sensational news over the week-end was largely featured from New Jersey, where the governor, Harold G. Hoffman, granted a 30-day reprieve to Bruno Richard Hauptman, sentenced to die in the electric chair last Friday night for the kidnapping and murder of Charles A. Lindbergh, Jr.

It has been known for some time that the New Jersey governor was inclined to be skeptical, but sentiment had it that, after all the higher courts had denied legal interference and the board of pardons had refused to recommend clemency, the governor would not interfere, but he did just the same, and gave the condemned man another thirty days.

The act of the Governor was questioned by the Attorney General, who led in the prosecution of the case, and his resignation was demanded by the people of his state, but no legal steps have yet been taken to override the Governor's action. So far he has signed no good reason for his act, and it may be the ending of his political career, after his present term of office. According to reports, the citizenship of the state of New Jersey are very indignant over the action of their governor and impeachment has been hinted.

MAILING LIST BEING REVISED THIS WEEK

The office force has been busy since closing our subscription drive and contest, trying to get our mailing list straightened out, and think we have just about completed our task.

After this week, sorry to say, a few names will be dropped from the list. We have used every effort possible to get them paid up, and now, since we have so many who are paid up, we can stand any kind of inspection and pass to a creditable showing on circulation, so there is nothing left for us to do but drop those who are several years delinquent.

We have sent you the paper during the depression without bothering you, feeling a trusting that you would appreciate it enough to come in and pay for it, and feel a bit disappointed at your not coming in, but we feel that we have gone far enough, so after this week, those whom we have not heard from with good intentions will be dropped. However, we trust you will come back to us and become bonaide readers again in the near future.

### J. M. SMEDLEY

J. M. Smedley passed away at 7:15 a. m. Friday, after suffering from pneumonia for several days.

Funeral services were held at the residence Saturday afternoon at 2:00 with Rev. R. Elmer Dunham, pastor of the First Baptist Church, assisted by Rev. O. L. Savage of Coleman, in charge.

Jesse Middleton Smedley was born in Clay County, Alabama, on April 7, 1862. He came to Texas in 1887 and was married to Miss Minnie Ellender Lewellen of Temple, Texas, on February 1, 1891. The couple came to Coleman County in 1903, and have since made their home in and around Santa Anna. Before his death, he was a gin operator, and was a member of the L.O.O. F. Lodge.

Funeral bearers were Roger Hunter, Reuben Loftis, Dennis Hays, Sam McCreary, Waldon Holt, and W. I. Mitchell. They also took charge of the floral offerings, due to the severeness of the weather.

He is survived by his wife and four children, Mrs. Leonard Whitehead and Mrs. Leonard Phillips of Santa Anna, Mrs. Frank Mills of Coleman, and Alfred Smedley of Stacy. One daughter, Mrs. Zebble McLeod, is deceased. Ten grandchildren survive, and one great-grandchild.

Interment was made in the Santa Anna cemetery.

Mrs. J. W. Lewis returned home from Midland last week, and was accompanied by her sister, Mrs. Frank Edsall, who will visit here for several days.

Mrs. P. P. Bond and daughter Augusta of Abilene were in Santa Anna Thursday and attended the wedding in Coleman Thursday evening of Miss Mary Velma McCord of Coleman and Tom Sealy of Midland.

## Senate and House Pass Bonus Bill

WASHINGTON, Jan. 22, (AP)—A soldiers' bonus bill, calling for payment of full 1915 maturity value in \$50 bonds reached the White House tonight as the Senate passed it along to a receptive House by a top-heavy majority of 74 to 14.

The majority rolled up for the Democratic-Republican, two billion dollar proposal was easily over a veto. The House already has approved immediate payment by an even greater majority—356 to 59—but without specifying the payment method. Some observers predicted a veto, but even Democratic leaders said it would be overridden.

Speaker Byrnes said the "baby bond" bill will be taken up in the House Wednesday. Bonus leaders predicted House acceptance of the Senate substitute by an overwhelming ballot. A double defeat in the Senate for payment of the World War adjusted service certificates in new currency was expected to influence House supporters of the inflationary Patman bill, vetoed last session, to refrain from pressing this issue.

Only nine Democrats and seven Republicans today voted against Senate passage. Fifty-six Democrats, 15 Republicans, two Farmer-Laborites and the lone Progressive, LaFollette, replied in the affirmative.

The approved measure would authorize appropriation of \$2,237,000,000 and also make available \$254,000,000 in the adjusted service certificate fund to defray the estimated ultimate cost of the bonus of \$2,491,000,000.

Beginning June 15 next, the \$50 bonds and as much cash as would be needed to take care of odd amounts, would be made available to around 3,500,000 bonus holders at local post offices. They could cash the bonds immediately or hold them as an investment. If held, they would draw 3 percent simple annual interest for nine years. If redeemed the first year no interest would be paid.

Sponsors of the bill claim the demands on the treasury the first year would not exceed \$1,250,000,000 on the theory that thousands of veterans—500,000 of them have not borrowed on their certificates—would hold their "baby" bonds as a nest egg.

Opponents contended it would cost the government \$1,000,000,000 more than it promised to pay in 1925, and that the move may place the nation's credit in a dangerous position.

Only one amendment was approved by the Senate and that was offered by Harrison. This alteration wrote in penalties of \$1,000 and five years' imprisonment for any fraud in obtaining the bonds. Application of the penalties to violators of regulations was stricken on motion of Senator Borah (R-Ida) who called that "too severe."

### LOCAL MAN FOR COUNTY CLERK

Added to our announcement column this week will be found the name of Carroll Kingsbery, who is a candidate for the office of County Clerk.

Mr. Kingsbery is another native son of Coleman county, and the public will note from his announcement, found elsewhere in this paper, that he is a graduate of the Santa Anna High School, also of Howard Payne College, and is well qualified to fill the office requirements of the office he is seeking. His education, business experience and other sterling qualities, make him worthy of consideration, and he will appreciate any favors you see fit to throw his way.

He is a son of the late Col. H. W. Kingsbery, a pioneer sheriff and Tax Collector of Coleman county, who numbered his friends by his acquaintances, and possesses many of the good qualities of his father.

Mr. Kingsbery will make a personal campaign during the ensuing months and further place his claims before you.

## King George V Of Great Britain Dies Monday

(Copyright, 1936, By The Associated Press)

SANDRINGHAM, Eng., Jan. 21.—(Tuesday).—Great Britain's beloved King George died peacefully last night just before midnight.

The Prince of Wales, his 41-year-old bachelor son, automatically became king of the world's largest empire.

The kindly, 70-year-old George V was unconscious at the end. Queen Mary, the Prince of Wales and other members of royal family and the Archbishop of Canterbury were at the bedside when he died at 11:55 p. m., (5:55 p. m., central standard time.)

A sudden four-day illness caused his majesty's death. He suffered an attack of bronchial catarrh, accompanied by heart weakness.

Weeping, the queen was led away by her oldest son—the new king—and the chamber was darkened. Later today the monarch's body will be taken to Sandringham church and then removed to London to lie in state in Westminster Abbey for final tribute from the public which loved him so well.

Parliament was called into session this afternoon. The new king will return to London later today. He remained until early hours of the morning consulting his brothers about the funeral arrangements.

Wales became the first bachelor to be king of Britain in 176 years. On his arrival in London he will attend a meeting of the accession council, at which the Archbishop of Canterbury and the home secretary, Sir John Simon, also will be present.

He indicated he would adopt the title "King Edward VIII" through a message he sent to the Lord Mayor of London announcing his father's death. His grandfather, who died in 1910 and was succeeded by George, was Edward VII.

A bulletin by King George's three noted physicians said: "Death came peacefully to the king at 11:55 p. m. Monday in the presence of her majesty, the queen, the Prince of Wales, the Duke of York, the Princess Royal, the Duke and Duchess of Kent."

It was signed "Williams, Hewett and Dawson."

Brief illness  
It was only Friday afternoon that the public learned the king was confined to his room with a cold. A first bulletin issued on the king's condition that night disclosed he had suffered an attack of bronchial catarrh, accompanied by heart weakness.

His strength slowly ebbed and his heart action slowed down. The king died peacefully without pain.

Knowing the end was near, the royal family remained up throughout the long evening. Just before midnight the doctors realized death was imminent and hurriedly summoned Queen Mary, the Prince of Wales and the other members of the royal family.

It was the 26th year of George's reign through an eventful period of world history during which he won the love and respect of 450,000,000 subjects.

### Wales Is King

At the moment of his death the popular Prince of Wales automatically became king although many formalities must be gone through. He is the first bachelor to ascend the throne of Britain in 176 years.

His death came as a shock because the information of a council of state Monday gave the British people hope that it would be merely a prolonged illness and that recovery was possible.

The king's last official act was the signature of a document transferring most of his authority and duties to a council of state at a privy council held at 12:15 p. m. Monday.

The king had just passed triumphantly through the year of the silver jubilee celebration and had spent Christmas with his family at Sandringham House, his favorite country home.

Jubilee a Strain  
The strain of the jubilee's affairs and the death early in December of his sister, Princess Victoria, hastened the end.

News of the death was immediately flashed to the far cor-

The Lions Club is fostering the party, and will have competent help in charge of the house at the proper time. The date is Thursday, January 30, 1936, the hour is 7:30 p. m. General Admission, 25c.

### MRS. J. S. HUDSON DIES AT COLEMAN

COLEMAN, Jan. 20.—Funeral for Mrs. Nancy Hudson, 63, wife of J. S. Hudson of Coleman, was held Tuesday afternoon at 2:30 o'clock at Talpa, with Rev. Kelly Barnett officiating.

Mrs. Hudson died at the home of a daughter, Mrs. E. L. Kelley, Monday morning at 5:45 o'clock. Death was caused by a stroke of apoplexy after an illness of three weeks.

Born August 15, 1872, near Russellville, Ala., Mrs. Hudson moved to Coleman in 1917. She had been an active worker in the Baptist church until recently.

Survivors are her husband, a son, F. E. Hudson of Ballinger, and five daughters, Mrs. Carl Williams of Santa Anna, Mrs. E. L. Kelley and Mrs. Odie Johnson of Coleman, Mrs. Mary Maxwell and Mrs. Hubert Stokes of Talpa.

Out of town relatives attending the funeral, other than her six children and their families, were Mrs. Jess Humphrey and children, Roy and Jessie Mae, D. A. and A. S. Hudson, all of Hillsboro, and Mrs. Jim Cross of Burket.

Mr. and Mrs. Hudson lived in the Live Oak and Liberty communities several years ago, and had many friends in and around Santa Anna. Those from here who attended the funeral were Mr. and Mrs. Tom Newman, Mrs. H. W. Kingsbery, Mr. and Mrs. Louis Newman, Mr. and Mrs. Virgil Newman, Mr. and Mrs. Curtis Collins, Mr. and Mrs. Bob Douglas, Walter Ferguson and Tucker Newman.

Funeral arrangements were under the direction of J. E. Stevens company.

### Pay Your Poll Tax

There is only one more week left in which to pay your poll tax for 1935 and be a qualified voter this year. 1936 is a great year for elections. Everything from president to constable is to be elected this year, and each citizen will want to vote.

Be sure to pay your poll tax before February 1st. You can pay a poll tax without paying your property tax. You lose nothing by paying your poll tax now for you will have to pay them sooner or later, and after February 1st you are disqualified as a voter for this year. We trust this is made plain and will be heeded by every voter.

Misses Richle Ripley and Mary Ruth Taylor of Blum visited in the D. W. Nickens home Sunday and Monday.

Members of the empire on which "the sun never sets" and to British ships at sea.

King George's last wish was granted—he had always hoped his last hours would be spent in quiet and peaceful Sandringham House.

The bulletin announcing his death was immediately posted at "Jubilee Gate" immediately outside the house. It was read in complete silence by a group of villagers, who bowed their heads and then, tears in their eyes, walked slowly homeward along the dark lanes.

SNOW AND COLD NORTH WIND VISITS HERE

A driving snow storm visited this section Saturday, causing a considerable drop in the temperature. Some state the mercury dropped 60 degrees in 24 hours, beginning early Friday night, going from 72 down to 12. This was a variation of 4 degrees more than this winter booked. Our records show a drop from 70 to 14, a change of 56 degrees, and that was enough for us.

Considerable damage was reported in places, however the damages were light in these parts. Alabama, Florida and Louisiana report freak tornado disturbances, several people losing their lives and there was considerable property damage in various sections. Some damage was done to livestock in the panhandle plains country, but the moisture was appreciated. The snow was too light here to put out much moisture. Hog killing was the order of the day Monday, likely followed up for other days.

Methodist Quarterly Conference

The first quarterly conference of the new church year for Santa Anna Methodist Church was held last Tuesday night at the church. Dr. J. T. McClure, Presiding Elder of the Brownwood District presided and Hardy

The reports were optimistic showing net gains in membership and attendance, all quotas more than met for all the special offerings for the first quarter, and all District and local salaries and current expenses paid in full to date. New plans were announced for larger activities by the various departments.

Three committees were elected as follows: Committee on Super Annuate Endowment: W. A. Standley, chairman; Clyde Dean, Loyd Burris, G. F. Barlett, and Ben T. Vinson.

Committee on Christian Literature: Mrs. Sherman Gehrett, chairman; Mrs. E. V. Day, Mrs. Everett Kirkpatrick.

J. O. Y. BAPTIST CLASS ENTERTAINS

The J. O. Y. Sunday School Class of the Baptist Church, which is composed of young couples and other young people, had its monthly class Social and business meeting Monday evening in the dining room of the church. The affair was called a "Dixie Party" for the birthday of Robert E. Lee and was a refigthing of the whole Civil War. Sides were drawn by blue and gray ribbons, and the battles began. The first was in the nature of a volley ball contest, but was played over a solid screen with an inflated balloon to be blown back and forth. In this the "Yankees" won by default, as the "Rebels" ran out of ammunition before the blowing was over. A football contest with about the same set-up resulted in another Yankee victory. But in the only Naval battle of the war, the fight between the Ironclad Virginia, and the Turreted Monitor, the Rebels won a complete and sweeping victory, thru the superb leadership of Miss Mattie Ella McCreary.

Turning to the lighter side of the war, an Ante Bellum Belle dressing contest was staged with "Funny Pages" furnishing the material for the costume. An imported judge, (Shall we say "Carpet Bagger?") gave the decision to Mr. Hamm, who was elegantly gotten up without a doubt, but the Rebels thought the judge must have entirely overlooked the nice "Bussel" their candidate was clad in, to say nothing of the gay plume which waved from her hat.

The last game of the evening was the mating of a "Nigger" by everyone present, for the slave market. These were made from vanilla-colored jelly-beans and very black licorice gum. All sorts of results were obtained, but the "Creation" of Miss Olga Hill was declared the winner, and she received a handsome colored child in a peanut shell, completely surrounded by nice white cotton.

Refreshments of Chicken Salad Sandwiches, Angel Food Cake and Coconut cake, and

unpitted olives were served to all the members and guests present. After a tribute to Lee, and the adoption of a goal of 24 for attendance Sunday, the guests departed for home, happily even if a little tired physically by fighting a whole war in one evening.

LIBERTY H. D. CLUB

The Liberty Home Demonstration Club met with Mrs. W. F. Holt Thursday afternoon to begin the new year's work. The meeting opened with every one repeating the club pledge. The roll call was answered with ways to make the home a safer place in which to live.

Mrs. Weldon Holt, president, had charge of the business session. A report of the County Council Meeting was given by Mrs. Holt as Mrs. J. W. Taylor, the council member, was unable to attend.

The year book was discussed by the program committee so members could better understand what is expected at each meeting. A book was given to each member with the date of each meeting, names of those on program, and the place of the meeting.

Each member drew names for "best friends" for the year. Refreshments were served to eighteen members and three visitors.

The next meeting of the club will be Janua y 30, at the home of Mrs. Jewell Duggins. The program will be on "Winter Care of Shrubs."

FOR COUNTY JUDGE

Judge John O. Harris authorizes his name to be added to our announcement column this week for re-election, to succeed himself to the office of County Judge, Coleman county.

Judge Harris is serving his first term in office as County Judge, and is not likely to have an opponent. He requests that we mention recent action of the Commissioners court, refunding \$57,000 outstanding 5 1/2 percent bonds in precinct No. 2, into a \$50,000 bond bearing 4 1/2 percent interest rate, a saving of about \$500.00 annually.

The Judge states the county is working to procure as much WPA money as possible. He wishes to thank the citizens of Santa Anna and vicinity for the support given him in past elections, and promises if re-elected to continue to serve you to the best of his ability.

FOR COUNTY CLERK

In placing before you my announcement as a candidate for the office of County Clerk, I wish to state briefly my qualifications for this office.

I was born and reared in Coleman county, completing High School at Santa Anna, after which I had two years in Howard Payne College, graduating from there in a general business course, and specializing in banking.

I held a position with the First National Bank of Santa Anna, but volunteered my services in the World War, serving at Camp Standley and Camp Gentry. I was connected with the White Mercantile company of Norwood, Colorado, and also the Pampa Gas company, Pampa, Texas. In both positions I had considerable experience in serving the public.

I feel that I am thoroughly qualified and competent in every respect to fill the office with efficiency and to your satisfaction.

I will appreciate your support and influence during the campaign and your vote at the polls in July.

FOR COUNTY CLERK

Al Hintner of Talpa today authorized this newspaper to announce his candidacy for the position of County Clerk.

Mr. Hintner states that he believes that, through his business experience and business education, he is fully capable of efficiently filling the position to which he aspires.

He was born near Santa Anna in 1905 and moved to Talpa in 1907 where he has lived ever since, and later attended Talpa high school, where he graduated in 1922.

Later, in 1923, he attended Oranigh's Business College at Abilene. For the past three years he has been in business or himself at Talpa and during that time has been assessing taxes in his home precinct. Also Mr. Hintner has had experience in the assessor-collector's office here.

Mr. Hintner expects to make a thorough canvass of the county and he stated today that he

will appreciate the support and influence of the people of this county.

FOR CONSTABLE

Added to our announcement column this week will be found the name of W. A. (Bill) Shields, who is a candidate for Constable, precinct No. 7.

Mr. Shields is a native of this county, and has lived most all his 45 years in this part of the state. He has had some experience in the enforcement work, and promises, if elected, to enforce the law without prejudice or favor, insofar as his ability justifies.

Mr. Shields expects to make a personal campaign to place his claims before you and will appreciate any favors you see fit to turn his way.

THE MOUNTAINEER

A STARTER OR A FINISHER? How well those two terms go together; a starter and a finisher! One naturally thinks of the other when he thinks of one.

What is a starter—a beginner? Just before a race those who are to run in it are nervous. They are to be the starters! Just before the race begins, their nerves are at the highest tension. The gun fires, and they're off! Everyone is putting forth best efforts to win. But some grow weary and drop out. Some drop out even before they reach the half way mark. Some get almost to the end. What about you? You have reached the half-way mark of another school year. Are you growing weary? Do you want to be just a beginner—a starter? Or is it your desire to be a starter AND a finisher?

SAHS REV. DUNHAM SPEAKS IN CHAPEL THURSDAY

Rev. Dunham spoke to the student body for the first time Thursday, January 16. He made a very interesting talk. His text was taken from I Thessalonians 4:11 "And that ye study to be quiet, and to do your own business, and to work with your own hands, as we commanded you." The text was very appropriate as it was examination time. It gave the pupils, as a whole, the right attitude toward doing their own work and a new determination to make their own on their examinations.

SAHS "Los Montaneses Espanoles" Give Chapel Program

Los Montaneses Espanoles Club, under the direction of their sponsor, Miss Harvey, entertained with a chapel program Tuesday morning, January 14.

The program began by all the members of the club, who were dressed in Spanish costumes, singing the club song, "Cuando Reunimos." A play, "verbos," was presented by three Spanish students, Annelie Shield, Ruth Conley, and Emma John Blare. The Spanish Trio, Ruby Lee Price, Doris Spencer, and Ma Lee Combs, sang "La Moneornadora" and "Me Gustan Todos." Jokes were told in Spanish by the club president, Marilyn Baxter, and they were translated by E. W. Polk. A Spanish dance was given by the trio. Annelie Shield told a story, "El Nino Lloro por los Tres Cabritos." The entire club sang several songs.
