Bibles Schools Start Monday

Tri-Church

Children ages 3-12 years old are all invited to Vacation Bible School during the week of July 6-10. Host churches for the event are First Methodist, First Presbyterian, and Seventh Day Adventist. VBS will be held from 9:00 until 12:00 noon each morning at the Methodist Church.

Everyone wants to be a winner, and the 1992 theme, Team Up with Jesus, will challenge students to be the best they can be. They'll study bible lessons about real people like Zaccheus, Peter and John who became "all-star" winners by following Jesus' own example. They'll have time for music, crafts, recreation, refreshments, puppet skits and much more. Please plan to be part of all the fun.

Vacation Bible School will begin the celebration by sponsoring a float in the Coleman Rodeo Parade on Saturday, July 4 at 5:00 p.m. Floats will line up at 4:15 on Saturday at the south end of Commercial Street (near the Dairy Queen) in Coleman. Children who would like to participate are asked to come dressed for their favorite sports event (baseball, football, tennis, etc.). Anyone wishing to help with the set-up of the float should be at South Commercial at 3:00 p.m. on Saturday.

The VBS closing program will be held at the Methodist Church on Sunday, July 12 at 7:00 p.m. Everyone is invited to join the celebration of VBS week and to enjoy cookies and homemade ice cream with the children.

First Baptist

The First Baptist Church will be having their summer Vacation Bible School starting Monday, July 6-10. Children ages 3 years to 6th grade are encouraged to come and experience the Fantastic Journey starting each morning at 8:30 a.m. Children need to be picked up at 11:30 a.m.

Our journey will include activities such as: games, crafts, bible study, music, worship, and refreshments. Each day will provide a new exciting journey, so join us every day.

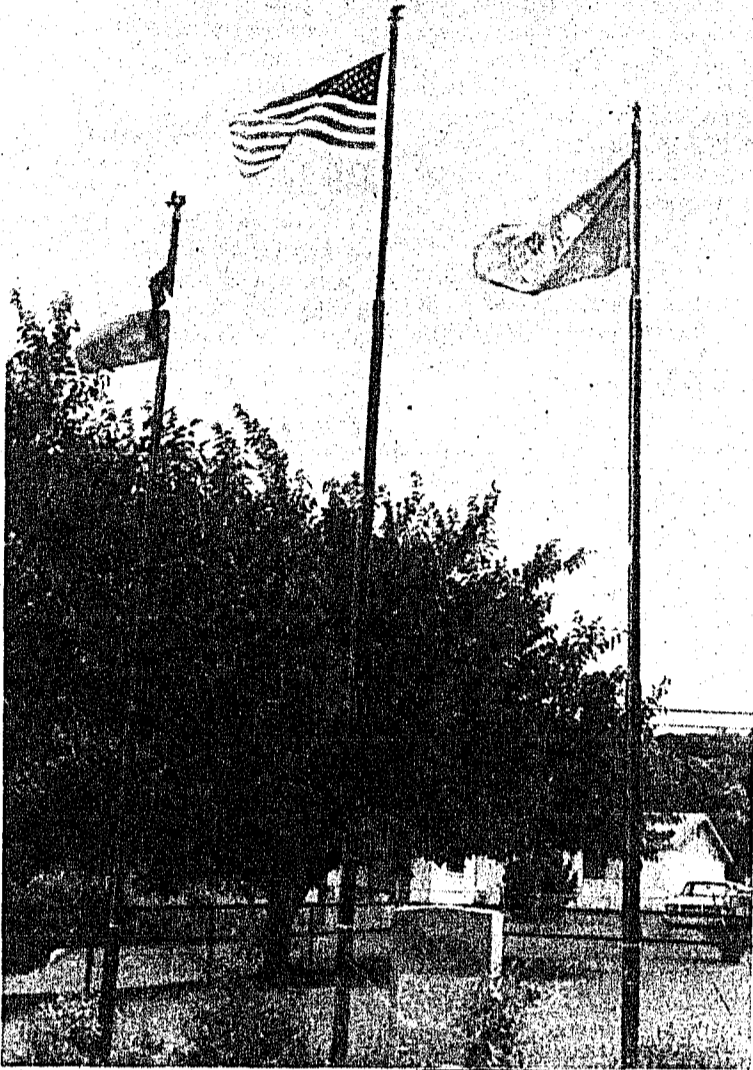

Family night will be held at the church Sunday, July 12, at 6 p.m. At this time parents and family will be able to see first hand what their children have learned and accomplished throughout the week.

Ex-Students Asking For Program Suggestions

SAHS Ex-Student Association has scheduled Homecoming for October 9 and 10.

Ex-Student president, Deborah Long, is welcoming suggestions for the format of the business meeting that is traditionally held on Saturday morning of the Homecoming weekend.

One suggestion has been that some ex-students might wear their old school uniforms, such as cheerleading outfits, band uniforms, football, basketball, etc., for a style

show. If you have a school uniform such as has been suggested, please contact Deborah.

A parade is planned for Friday afternoon. The Mountaineers will play Miles for the Friday night football game. The popular Homecoming Hospitality room will be open again on Friday and Saturday.

Those with suggestions may write to Deborah at Rt. 1, Box 13B, Gouldbusk, Texas 76845.

Hospital Tax Gets Nod

Coleman County voters Tuesday approved the formation of a hospital tax district that will allow Coleman County Medical Center to remain open. Funds will also be provided to subsidize an ambulance service.

The unofficial count was 1,670 in favor of the tax district and 1,275 against. As a result of the election, the tax district will be able to levy a tax of 24 cents per \$100 valuation. Taxes will be collected beginning in October.

When asked what the hospital would operate on until taxes can be collected, Martin replied that the board can borrow money against the

expected taxes and also said that Medicare funds had begun to be received, which will also help to tide them over. Martin emphasized that any money borrowed would be the very least they could manage on until tax money starts coming in.

Santa Anna voted 252 for and 46 against the tax district. Other communities voting against the tax were Talpa, Novice, Gouldbusk, Glen Cove, Voss, and Rockwood.

John Martin, interim administrator for the hospital said after hearing the results of the voting, "It's a great day for the citizens of Coleman County." He added, "as soon as the county

commissioners appoint the new board, which has already been named, the board will organize and hire employees, since it is a new entity." The new board will serve until May of 1993 and then Coleman County voters will elect a new board with staggered terms.

"Establishing an ambulance service will be our first priority," Martin said. It is possible the group can work out an arrangement with Medivac, and it might be that they seek some other source.

During the past year the hospital was temporarily closed and changed

Close Call For Local Pastor

Jasper and Jean McClellan have just returned from a trip to a Presbyterian Laity Conference in Pennsylvania. Jasper considers himself very lucky to be able to return at all.

The second night of their trip the couple stopped at a nice motel with a lovely view of Little Rock, Ark. After stopping under the portico to register in the office and unload their baggage, Jasper saw Jean and the luggage safely to their room. He then returned to move the car around to the guest parking area. As he was getting out of the car in the parking area a young man approached and ask for his money. The man became very belligerent

and vulgar after being told his potential robbery victim was carrying no money. He pulled a gun and asked again. Jasper, with reflex action, reached for the gun and it went off grazing his abdomen and striking a key chain on which he carried a Swiss pocket knife which was later found shattered in the car.

The would be robber then ran and took off in a vehicle in which an accomplice apparently waited.

Jasper got back into his car and drove back around to the portico where he sounded the horn loudly until the night clerk came to see what the problem was. He called an

What words could express our feelings upon receiving three beautiful paintings? Hopefully Mr. Luther May understands what joy his gift will bring to so many people. Thank you for the very special gift.

One of the paintings is an autumn scene from New Hampshire and Luther was the artist. Jim and I would love to own this because it reminds us so much of Ohio.

The second painting is from Pennsylvania and shows boats and the shoreline. It is the dark style of the Hudson River School of Art. There is such a contrast in this and the golden sunshine of the autumn scene.

The smaller painting is a view of the sea at sunset.

If you remember, Pat DeWitt has given a painting of an American Indian Adobe village. This makes an excellent study of America through landscapes. Our sincere thanks to friends who wish to share. Now if we can just get the walls to hang the collection!

Later we will have a picture of these paintings.

Gwen Walker answered the call for a paperback rack. We haven't figured how to make it hold paperbacks, but will be perfect for newspapers and magazines in the new library. Gwen also left a book, but

Methodist University. Tom married the former Cathryn Louise Miller in Dallas on February 14, 1945 and they enjoyed 47 years of marriage. He was a devoted member of Gaston Oaks Baptist Church since 1945, serving on various committees. Mr. Gray was an investment broker.

Survivors include his wife, Mrs. Cathryn Gray of Dallas; three daughters, Jeanne (Mrs. James) Crumley, III of Arlington, Nena (Mrs. Ken) Boyd of Irving and Christina (Mrs. Donnie) Henderson of Coleman; and six grandchildren.

Pallbearers were Rodney Henderson, Jason Crumley, John Paul Crumley, Jay Thomas Crumley, James Crumley, Ken Boyd and Donnie Henderson.

The young couple brought fresh shrimp and the trimmings for a family feast on Saturday evening when Othal Warnock joined the group for the meal and visiting.

Mrs. John Guthrie donated a copy of her favorite book, *The Greatest Story Ever Told* by Fulton Oursler. This is the story of the life of Jesus that in the 1940's was presented by Goodyear each Sunday night in half hour segments. The book belonged to Mrs. Willie Blevins and is given in her memory.

The West Texas Utility Company provides a new Texas Almanac each year. They have delivered the 1992-93 issue.

KTXS-TV in Abilene is providing some awards for all the Summer Reading Clubs in all Big Country towns. They are making a TV appeal to their audience for contributions of books. We will be included in the appeal, so have provided a box in the library. How could they know that you are always generous with books. There is always a need for western, science fiction and mystery paperbacks or childrens books, especially the easy to read type.

A complimentary copy of a new newspaper came in last week. It is called *Texas People and Places*. There are 12 pages of events taking place in Texas this summer. If you are planning a vacation, come see what's happening at that time in your chosen place. There are articles on food, people and places. You can get a subscription for 12 issues.

People who come in to the library for the first time are always surprised at the number of books in our small space. Come check it out for yourself.

Pesticide Training To Be Conducted In Coleman July 7

By: Kerry Shropshire, CEA-AG
The Coleman County Farm Bureau and the Coleman County Extension Office will be sponsoring a Private Pesticide Training on Tuesday, July 7 in the Coleman County State Bank Club Room (3rd floor). This meeting will begin with a breakfast starting at 7:00 a.m.

Information to be presented is designed to help those individuals which already hold a Private Applicator License/Certificate to gain needed credits (will be worth 2 CEU Credits). In addition to the 2 CEU credits there will be 1/2 credit given in Intergrated Pest Management, which is a required category.

C.E.U. Credits are needed by all individuals holding a Private Applicator License-Certificate if they want to renew that license. This means that anyone that holds a Private Applicator License/Certificate must collect 15 CEU credits before December 31, 1994 if they want to continue to buy restricted use chemicals. These pesticides are normally used in the farm or orchard situations. Many of our Coleman County producers have these certificates which are

Madd Says "Keep It A Safe Summer" It's Working!

When a young child reaches for the handle of a pan full of hot grease we slap his hand and say "NO!" What does he do? Cries, screams, hollers, throws a "temper tantrum", etc. but under absolutely no circumstances will we as parents let him pull on that handle and dump that hot grease on himself. Why? Because it will scare him for life! Some people in Coleman County are throwing "temper tantrums" at the MADD, Coleman County Chapter as evidenced in the picture, but it is a good sign because after you slap a child's hand and he throws a temper tantrum (maybe several times) then slowly but surely he learns that it is not acceptable to pull that hot grease down upon himself. It is just as unacceptable to drink and drive. Injuries and death to our children are high enough and by saying "NO!" we are trying to keep people from scarring and killing any more of them. It must be working because the tantrums are being seen.

The MADD Coleman County Chapter will have a booth with baked goods, drinks, items will be given away for a donation, and membership and donation information at the first Saturday Rodeo Celebration July 4. Come by and show your support with a simple word of encouragement to let us know you agree with our purpose. Discouragement is our worst enemy and we need to know we have support.

Section 1. ANNUAL MEETING. The annual meeting of members shall be held at such time, during the month of July as the board of directors may direct and such meeting shall be held at such place in the Cooperative service area, as shall be designated in the notice of the meeting for the purpose of electing directors, passing upon reports covering the previous fiscal year and transacting such other business as may come before the meeting. If the election of directors shall not be held on the day designated herein for any annual meeting, or at any adjournment thereof, the board of directors shall cause the election to be held at a special meeting of the members as soon thereafter as conveniently may be. Failure to hold the annual meeting at the designated time shall not work a forfeiture or dissolution of the Cooperative.

SECTION 2. SPECIAL MEETINGS. Special meetings of the members may be called by the president, by the board of directors, or by a majority thereof or upon a written request signed by at least ten per centum (10%) of all members and it shall thereupon be the duty of the secretary to cause a notice of such meeting to be given as hereinafter provided. Special meetings of the members may be held at any place within the County of Coleman in the State of Texas specified in the notice of the special meeting, or elsewhere within the area served by the Cooperative as may be designated by the board of directors.

SECTION 3. NOTICE OF MEMBERS' MEETING. Written or printed notice stating the place, day, and hour of the meeting and, in case of a special meeting, the purpose or purposes for which the meeting is called, shall be delivered not less than ten (10) days nor more than twenty (20) days before the date of the meeting, either personally or by mail, by or at the direction of the secretary, or by the persons calling the meeting, to each member; provided, however, that with respect to all

meetings at which directors are to be elected such notice shall be so delivered not less than ten (10) days nor more than fourteen (14) days before the date of the meeting. If mailed, such notice shall be deemed to be delivered when deposited in the United States mail addressed to the member at his address as it appears on the records of the Cooperative, with postage thereon prepaid. The failure of any member to receive notice of an annual or special meeting of the members shall not invalidate any action which may be taken by the members at such meeting.

SECTION 4. QUORUM. As long as the total number of members does not exceed one thousand (1,000) at least fifteen per centum (15%) of the total present in person shall constitute a quorum for the transaction of business at all meetings of the members. In case the total number of members shall exceed one thousand (1,000) then at least one hundred fifty (150) of the members present shall constitute a quorum for the transaction of business at all meetings of the members. If less than a quorum is present at any meeting, a majority of those present in person may adjourn the meeting from time to time without further notice.

SECTION 5. VOTING. Each member shall be entitled to one (1) vote and no more upon each matter submitted to a vote at a meeting of the members. At all meetings of the members at which a quorum is present all questions shall be decided by a vote of a majority of the members voting thereon in person or by mail, except as otherwise provided by law, the articles of incorporation, or the Cooperative, or these bylaws. If a husband and wife hold a joint membership they shall jointly be entitled to one (1) vote and no more upon each matter submitted to a vote at a meeting of the members.

SECTION 6. VOTING BY MAIL. In addition to the method of voting for directors of the Cooperative as provided by the existing bylaws and by a member being present and vot-

ing in person, each member shall be and is hereby permitted to vote by mail for directors of this association. At the time notices of members' meetings are given as provided by Article II of these bylaws, and with a notice of members' annual meeting, or any postponement thereof, there shall be sent to each member either personally or by mail a ballot which shall contain the names of all members who have been nominated as candidates for directors with a statement of the number to be elected and with appropriate instructions to the member to vote for such members; EACH MEMBER SHALL BE INSTRUCTED AFTER VOTING FOR THE REQUIRED NUMBER TO SIGN SAID BALLOT AND RETURN THE BALLOT TO THE COOPERATIVE AT ITS OFFICE PRIOR TO THE DATE OF SAID MEETING. Said ballots when so received shall be retained and placed in a locked ballot box until the date of the members' meeting at which time shall be delivered to the inspectors of election and counted together with the votes cast in person at such members' meeting. The directors who receive a plurality of the vote shall be elected. Drawing by lot shall resolve, when necessary, any tie votes.

SECTION 7. ORDER OF BUSINESS. The order of business at the annual meeting of the members, and so far as possible at all other meetings of the members, shall be essentially as follows:

1. Report the existence of a quorum.
2. Reading of the notice of the meeting and proof of the due publication of mailing thereof, or the waiver or waivers of notice of the meeting, as the case may be.
3. Reading of unapproved minutes of previous meetings of the members and the taking of necessary action thereon.
4. Presentation and consideration of, and acting upon, reports of officers, directors, and committees.

emergency medical unit and Rev. McClellan was taken to a hospital for treatment but released that same night. Thankfully he was not badly injured and the couple continued on their trip the next day, visiting with friends on the way before attending the conference.

Jean reports that they did get a free night's lodging at the motel. (For what was left of the night after their harrowing experience).

Before leaving on their trip, they had asked their congregation to pray for their safe travel, never dreaming that the prayers would be sustaining them through such an ordeal.

Everyone is grateful they are back in Santa Anna, safe and sound!
