## Greenlee Teacher Of Month

The Santa Anna Lions Club has initiated a program in which they will honor a Teacher of the Month. The teacher will be selected by the school administrators and will be presented a plaque by the Lions Club.

The first teacher chosen for this recognition is Sharon Greenlee. Sharon is a third grade teacher with the Santa Anna Independent School District. She has been employed nineteen years by the school district. Six of these years she worked as a teacher aide and the last thirteen years has been as a classroom teacher.

Sharon is a member of the Association of Texas Professional Educators and Delta Kappa Gamma.

As a member of the Santa

Sharon Greenlee

Anna District Planning Committee and the chairperson of the Campus Planning Committee. Mrs. Greenlee was

instrumental in helping prepare the district and campus in Site-Based Decision Making Plans for the school.

Mrs. Greenlee also serves as the coordinator of the Elementary Gifted/Talented Program.

She is married to Charles Greenlee and the mother of two children and grandmother of one. Sharon and her husband are residents of the Rockwood community where they engage in farming and ranching.

When asked why she choose the teaching profession, Mrs. Greenlee said that she realized while working as a teachers aide how much satisfaction she received from watching the children grow in the learning process. It was then that she decided to return to college to obtain her teaching degree.

## Firemen Receive Special Training

Six firemen from the Santa Anna Volunteer Fire Department were in Abilene recently to learn some real life fire lessons at the annual Abilene Fire School.

Those participating from the local fire department were Marty and Nikki Donham, David Huggins, Donald Carter, Cynthia and Wayne Philpot.

Classes included conventional lecture classes as well as field coursework that included a

petroleum transport pit, a butane/propane pit, a burn house, a commercial gas meter burn paid and fire extinguisher pad.

The burn house attracted the great number of students. Groups of 10-12 fire fighters entered the flame and smoke engulfed cinderblock house which was ignited every fifteen minutes to extinguish a potentially dangerous situation that happens some place everyday. Although there were no bodies in

the house to attempt to save, the fire fighters went into the house as if they were to save a life.

The burn house and oil spill projects were not as crucial to many of the volunteer fire departments as were efforts to safely extinguish propane/butane fires and the uses of fire extinguishers.

Fire Marshall Onie Carroll of Brownwood worked with the commercial gas meter burn paid instructing students in how to safely shut down the fuel to the meter.

At the fire extinguisher project the firemen used extinguishers on simulated fires.

Fire departments attending the school will use all or part of the knowledge they learned in fighting fires in their area.

## Having Trouble Finding NEWS Office And Police Station?

Seems some are still not aware that the Santa Anna News and the Police Station have both moved in recent months. Some, even though they know of the moves, are confused about who is where.

The Santa Anna News moved from the North Second Street location in July. We are now located at 609 Wallis Avenue, directly across the street from the drug store.

After the Santa Anna News vacated the North Second Street

office, Chief of Police Carlos Torres moved to that location from the City warehouse building at 719 Wallis. This move was made in order to help meet state regulations for police stations.

Thoroughly confused? To make it short and simple:

The Santa Anna News is now located at 609 Wallis - across the street from the drug store.

The Police Office is at 214 North Second - across the street from Coleman County Telephone.

## Local Child Receiving Rabies Treatment

According to Dr. Kathy Pearce, local veterinarian, a Santa Anna youngster was bitten last week by a rabid cat and is now undergoing treatment.

Parents are advised to caution children to not play with stray cats or other warm blooded animals.

You are also advised to see that your pet's vaccination program is current.

## NEWS Office Closed Thurs, Friday Of This Week

The Santa Anna News office will be closed Thursday and Friday of this week for a short staff vacation.

News articles may be mailed to Box 399 or left in the mail box on the door. If the mail box is full and you don't care to take the trouble to mail them, you can leave articles and Football Frenzy entries at the Village Ice Cream Shoppe. A box will be provided there.

We will be open Monday.

## Library Renovation Continues

With the help of a recent generous contribution from Mr. and Mrs. Dick Longbrake, renovation work is once again underway at the library building on Wallis Ave.

Volunteer workers constructed interior wall framework this past Saturday. The workers were Les Guthrie; David and Betty Key; Jim and Alice Anna Spillman. City workers helped in getting the materials to the site.

Volunteers will work again this next Saturday finishing the wall framework and begin work on a new ramp to meet requirements for the physically impaired.

The work done to date on the library has been financed thru

donations from many people, all of which have been greatly appreciated. Supplies and fixtures have also been donated. Much of the labor has been donated.

Ceiling tile was contributed by an Assembly of God church in Midland. Mr. and Mrs. Murlin Morris brought the tile to Santa Anna for the library project. Mrs. Morris' parents are members of the contributing church and were aware of the library's need. Gridwork for installing the tile is still needed and insulation is needed for the back wall. A new back wall had been constructed earlier and a back entrance made for the use of library patrons not wishing to park on

Wallis Ave. The back entrance will be particularly convenient for youngsters.

The Kohler Co. of Brownwood has donated bathroom fixtures suitable for the physically impaired.

Financial contributions toward the renovation are still needed and volunteer labor will also be appreciated for this community project.

Contact David Key, Les Guthrie or Jim Spillman to volunteer your services.

Contributions may be given to Jim Spillman or deposited to an account at Santa Anna National Bank.

## Mountaineers Beat Buffaloes 28-0 Baird Here Friday Night

The Mountaineers came home from Cross Plains last Friday with another victory under their belts. They defeated the Buffaloes in a 28-0 shutout, improving their season record to 2-1. The Mountaineer defense held Cross Plains to only six first downs

and 123 yards rushing in 25 tries.

Paul Morris started the Mountaineer scoring by intercepting a pass and returning the ball for 27 yards and a TD on the second play from scrimmage. Vicente Frausto added two more points.

Morris scored again on Santa Anna's next possession, this time with a 52-yard run.

In the second quarter Frausto passed to Glen Donham for 28 yards and a TD, then to Cody Martin for a 24 yard TD play. Morris tacked on two points

## Rob Cheaney Tops The Picks

Rob Cheaney has been declared the winner of Mountaineer Football Frenzy for week three of the contest. Rob guessed 15 of the 19 games correctly. He actually tied with Harvey Shipp of Brownwood who also picked 15 games correctly, but Cheaney was closer to the tie breaker score with 41 total points while Shipp guessed 42. Cheaney missed on the Brownwood-Belton game; Bronte-Water Valley; Coleman-Eldorado; and Cleveland-Raders. He guessed

the tie breaker at 27-14 in favor of Santa Anna. Mr. Ship missed on Texas Tech-Oregon; Bronte-Water Valley; Coleman-Eldorado; and Cleveland-Raiders. He picked Santa Anna to win by 35-7 in the tie breaker.

The game that all but one entry picked wrong was that of Cleveland Browns and Raiders. Evidently the Raiders were supposed to win that one, but the Browns pulled an upset. Coleman and Eldorado also fooled a lot of people with most entries picking Coleman to win that one.

- Scores from last week's contest games are as follows:
- Santa Anna 28-Cross Plains 0
  - Menard 26-Bangs 21
  - Panther Creek 48-Rochelle 0
  - Junction 49-Irion County 0
  - Eden 21-Rocksprings 6
  - Water Valley 22-Bronte 19
  - Eldorado 29-Coleman 6
  - Sterling City 25-Miles 0
  - Brownwood 28-Belton 3
  - San Saba 34-Early 6
  - A&M 26-Missouri 13
  - HPU 34-McMurry 19
  - Baylor 45-Utah St. 10
  - Oregon 16-Texas Tech 13
  - U. of Houston 31-Illionis 13
  - Oilers 23-Kansas City 20
  - Browns 28-Raiders 16
  - Miami 26-L.A. Rams 10
  - Dallas 31-Phoenix 20

See page 4 for this week's games. The NEWS staff is taking Thursday and Friday of this week off. You may leave your entries at the Village Ice Cream Shop if you prefer not to mail them.

## Children's Story Time Discontinued

The children's story-time held at the library in recent weeks has been discontinued for the time being.

Library board members have been conducting the story time. They say if enough parents make requests, the story time will again be started.

## Mystery Skelton Is That Of Big Canine

The Santa Anna News had been informed about three weeks ago of a skeleton found near Lovelady Crossing on Home Creek in Southeast Coleman County. When contacting the Sheriff's office about the finding, we were told it was being investigated and no report could be issued until the investigation was completed.

Last week an expert in Dallas confirmed that the skeleton was that of a large canine type animal and was quite old.

Two fishermen had spotted the skeleton and called the sheriff's office. Sheriff Wade Turner and Deputy Mike Bower were involved in the investigation after Bowers excavated the skeleton from a bank of the creek.

## Audit Shows City In Good Financial Shape

Mayor Gale Brock called the regular meeting of the Santa Anna City Council to order on September 15, 1992 in at the Coleman County Telephone Coop. meeting room.

Present for the meeting were Councilmen Karen Morris, Jim Spillman and Tom Hays. Others present included Rev. D. C. McNeal, Pearl Wilson, Collier Watson, Barbara Kingsbery, Carlos Torres, Derriel Warnock and Alys Pelton.

Rev. D. C. McNeal gave the invocation.

After the minutes were read and approved, the Rev. McNeal invited the council to a fellowship of the new church on September 26. He also reported that things were progressing with the church and community garden.

The police report was reviewed by the council and Chief of Police Carlos Torres.

Mr. Collier Watson presented the council with the audit for the 1991-92 year. Mr. Watson reported that all-in-all, the City had a good year financially. Technically the City neither made money nor lost money, just broke even. The General Fund Revenues were \$140,990.61 and expenditures were \$146,233.60 making a total loss of \$4,864.61. The Utility Fund Revenues were \$382,476.58 and expenditures were \$369,305.67 for

an operating income of \$13,170.91 but a net loss of \$33,483.19. Depreciation from the Utility Fund was \$97,348.00. The cash flow statement showed that the City made \$4,571.17 in the Utility Fund for the year. Councilman Jim Spillman made a motion that the audit be accepted as presented with Councilwoman Karen Morris seconding such motion.

Superintendent of Operations Derriel Warnock told the council that the sewer farm was complete. An extension has been filed to put a building around the control panels to prevent vandalism appears that some money will be left over. The Texas Water Commission has informed Warnock that a flow recorder must also be installed. The permit for the sewer farm did not originally require the flow recorder.

Warnock reported that Rusty Wells will be working at the water plant due to the passing of Water Superintendent Tommy Blanton. The City has been working at the water plant in order to meet regulations.

Warnock also reported to the Council that work will begin on the streets when everything is completed at the sewer farm.

Freddie Dodson of the Fire Department had requested that Warnock present the council with a

quote on a new fire truck. The truck would be from a 1980 to 1985 model with all new equipment from the cab back. The cost would be anywhere from \$32,000 to \$35,000 depending on the year model of the truck. This matter was tabled until a later time.

A motion was made and passed to pay the accounts payable.

## Baptists Plan Fall Round-up Sunday, Will Hear Well Known Gospel Singer

A widely known gospel singer will be at Santa Anna First Baptist Church on Sunday, September 27, to take part in "Fall Round-up Sunday" for high attendance. LaDonna Gatlin Johnson of Tyler will present special music during the 10:45 morning worship service and give a concert of gospel music at 1:30 p.m. that afternoon.

A native of Odessa, Mrs. Johnson has performed since early childhood with her brothers, nationally known now as the Gatlin Brothers. She continued her singing career with the family group until her marriage when she and her husband returned to Texas and performed with Dallas Holm and Praise. She postponed her musical career to be a full time homemaker and mother, only recently returning as a soloist on a part time basis,

traveling throughout the United States as family schedules permit.

From Santa Anna, Mrs. Johnson will travel to Houston for another performance on Monday night. She will be visiting here with her parents, Curley and Billie Gatlin, who have recently moved to their ranch west of Santa Anna. They have owned the property since 1981, but are now permanent residents of the community.

In addition to the special music and concert Sunday, a fellowship dinner will be served at the Christian Life Center at noon for members and guests. There will be no evening service at the regular hour on Sunday.

Everyone in the area is invited to attend either or both services Sunday to hear and meeting the visiting singer.

Willard Allen is one thankful man that he did not receive serious injury in a recent harrowing experience. Seems he was stretching fence wire when the come-a-long got away from him and entangled his hand and trapping him there for several hours. Someone finally happened by and notice his predicament. Additional help was called and after a considerable length of time he was set free with hands and finger intact and without serious injury.

## Appraisal Board Adopts Budget for 1993 Year

Collier Watson, CPA, presented the annual audit report for the Coleman County Appraisal District when the Board of Directors met in regular session Monday, September 14, at the District Office in Coleman. The group heard a favorable report that showed no irregularities for the 1991 year.

Routine business was on the agenda, with Chief Appraiser Bill Jones presenting the monthly financial report and collection reports. The county group has had taxes totaling almost \$34,000 was collected during the month of August, down from the same period last year. The yearly collection to date is over three and one-half million dollars, also less than at this time in 1991. The percentage of collection is about the same as last year.

It was decided to postpone the October meeting to combine with the following month, to be held on Monday, November 9.

In a budget hearing preceding the meeting, no visitors were present and the 1993 budget was adopted and signed, totaling \$249,975.00 for the operating of the office for the coming year, slightly higher than the current year's budget.

Present for the session were Barbara Kingsbery, chairman, Jack Knox, Dwight Nanny, D. G. Allen and Max Horne.

### Alice Anna Spillman

This newspaper regularly features a salute to special people in town or someone who has made a special contribution to the community. Today's column will be devoted to a man whose helping hand has given the library new life.

In 1986 the library board began a campaign of fund raising. The city had received a building for a new library home. Since there there have been book sales, open houses, a quilt raffle, bake sales, a Frontier Day museum, food sales, a fishing derby, building model collection box and personal contacts. Total income replaced the roof, a back wall, built a back entry porch, and bought some used lights and bath equipment. There was enough money in the bank account to either build wall framework or work on the ceiling. The Library board looked forward to years of hard work and fund raising events.

Our community is blessed with a gentleman who time and again has come to the rescue of worthy projects. Mr. A. D. Longbrake provided funds enough for the library to advance to heating and lighting stage. Can you imagine the years of fund raising that Mr. Longbrake has saved? Imogene Powers and I were students of Eunice Wheeler Longbrake. She was the kind of a teacher who people loved. She gave so much extra and made history, geography and the world understandable for 4th graders. We remember when she and Mr. Longbrake were married. Miss Wheeler even prepared her pupils for her name change. We thought it was all very glamorous.

The years have proved that Miss Wheeler chose the perfect life partner. Together they have given a very special gift to the children of this and future generations. This library board will make every effort to pass along our admiration and appreciation.

Take a peek in the building and see the wall frame work that went up Saturday.

For Tommy Blanton from Mr. and Mrs. Edd Hartman, Mr. and Mrs. D. S. Baugh, Joe Wallace, Ina Williams, Velda Mills and Mr. and Mrs. Derrell Warnock.

## Porcelain Art Club Begins New Year With Guest Artist

The Heart of Texas Porcelain Art Club will meet Saturday, September 26 at the Adams Street Community Center. This will be the first meeting of the new year. The club meets from 9:00 a.m. until 12:00 noon on the fourth Saturday of each month.

The guest artist this month will be Mrs. Betty Jameson from Graham. She has been china painting for fifteen years and has students from Graham and the surrounding area. Mrs. Jameson is a certified master teacher and has studied under Margaret Winborn, Paula Hosmer, Ann Zitterkoph, Kay Grey, Annette Krum and Jan Fegley.

She is a member of the State Federation of P.A.C., a past and present board member, a present board member of the China Painting Teachers of Texas. She has been a regional board member of the International Porcelain Art Teachers and is presently an officer of the Palo Pinto County P.A.C.

She has conducted demonstrations in the Montague County P.A.C., Wichita Falls P.A.C., Porcelain Art League of Abilene, Lost Valley P.A.C., Palo Pinto County P.A.C., and at the State Convention for the past four years. She also enjoys demonstrating A-B-C Plates, Dutch Children, Mother and Child or Children, "Bessie Pease Gutman" Children, and Maude Humphrey Children.

Mrs. Jameson will be demonstrating children at the workshop Saturday.

She enjoys painting on porcelain and also restoring antique porcelain and collecting antiques.

Besides her porcelain art painting, she is busy working with the hospital auxiliary, the Bloodmobile, democratic precinct chairman, division chairman Young County Fair and her church work.

If you are interested in china painting, you are invited to join the demonstration on Saturday.

## Guthries Attend "Mo-Ranch Days of the Scots" Near Kerrville

By Billie Guthrie

Mo-Ranch is located 23 miles north-west of Kerrville in rugged Texas Hill Country on the Guadalupe River. The 434 acre tract and improvements were purchased by the Presbyterian Mo-Ranch Assembly.

The mission of the Presbyterian Mo-Ranch is to provide a special place and an enriching program in a living, Christian environment to enable people to grow in God through Jesus Christ.

Mr. and Mrs. M. L. Guthrie, Jr. attended the fourth annual "Mo-Ranch Days of the Scots" September 11, 12 and 13, 1992. The entire program enlightened our lives both spiritually and educationally.

Registration and sign up for three of the Scottish studies seminars began at 4:00 p.m. Friday. Dinner was served in the King Dining Hall at 6:00 with the Scottish Country Ball at 8:30 in the Main Auditorium. These dances are similar to our country square dancing being accompanied by bag-pipes and accordion.

The seminars on Saturday included Bernard Aspinwall, "The Making of the Modern Scottish Identity"; Scott Baird, "The Guid Scots Tongue and the South"; Douglas Brackenridge, "John Knox-The Thundering Scot"; Brian Levack, "Hunting Witches in 17th and 18th Century Scotland"; and Ralph Graham, "Robert Burns: His Life and Work".

Bernard Aspinwall is the University of Glasgow professor of United States History, being here in the States promoting the university and soliciting students for studies in Scotland. His seminar was most interesting, starting with Scots identity from the beginning to the present time. They are seeking ways to stop "dwelling on past glories and move to modern activities and achievements".

Douglas Brackenridge, a graduate of the University of Glasgow and Presbyterian pastor from San Antonio, was very informative on the life and works of John Knox, the father of Presbyterianism. John Knox had a comprehensive view of the church, ecumenical and international.

Ralph Graham, also a graduate of the University of Glasgow is the pastor of a Presbyterian church in Kerrville. He was this year's coordinator of the "Days of the Scots" gathering. Dr. Graham impressed the audience with his knowledge of the life and works of the poet Robert Burns. During the reading of the poems Dr. Graham emphasized the poem with

## Delta Omicron Begins Year With Discussion Of Upcoming Math-A-Thon At SAISD

The Delta Omicron Chapter of ESA held their first meeting of the new year with President Susie Voss presiding.

Items covered during this meeting included the September 20 Leadership Seminar to be hosted by the local chapter and the upcoming Math-A-Thon scheduled to begin on September 28 for grades 1-6 at Santa Anna Elementary.

After the business meeting, members of the chapter gave pledges an overview of ESA outlining the purpose and activities of the organization. It was also noted that the local chapter is celebrating its 40th year this month.

Deanne Simons was hostess for the meeting held on September 14 at 6:30 p.m. at the Coleman County Telephone Coop.

Present were Susie Voss, Bernadine Watson, Deanne Simons, Gayle Stewardson, Lois Harper, Debbie Wheatley, Patti Musick, Coyita Bowker, Luann Bird, Karen Morris and pledges Lana and Daria Dodgen.

appropriate gestures and song. Robert Burns was a very controversial person being characterized as a "ploughman" and as being "in love with love".

Saturday afternoon the picnic area was crowded with people observing the Scottish Dance Competition and a variety of Scots entertain-

ment, including St. Thomas Highland Dancers, Silver Thistle Band, pipes and drums, Claymhor, Austin Scots Country Dancers and country band, Carter Whitney and his sheep dog demonstration, San Antonio pipes and drums, 93rd. Sutherland Military Unit, and Ed Miller, vocal artist on Scottish folk songs.

Open air bar-b-que on the picnic grounds followed by Ceilidh at 7:30 in the Main Auditorium which consisted of the various entertainment groups, pipes and drums, Scottish dancers, bands and audience participation in singing Scottish folk songs. The highlight of Ceilidh was the pipes and drum rendition of "Amazing Grace".

Sunday morning we climbed the hill to the "Chapel on The Hill", overlooking Mo-Ranch and the Guadalupe River, for "Kirkin' O' the Tartans". Dr. Douglas Brackenridge's sermon from Ephesians 1:15-23 was titled "Order and Ardor--The Lifeblood of the Kirk".

Baugh and Jimmy Row who stopped the Buffaloes in their tracks. The defense held the Buffaloes out of the end zone in a tough goal line stand just before the first half ended, ending with a quarterback sack by Kevin Morris.

Paul Morris racked up 174 yards in 23 carries and Billy Wayne Thomas rushed for 78 yards on 21 carries. Morris has a total of 504 yards on 70 carries in three games.

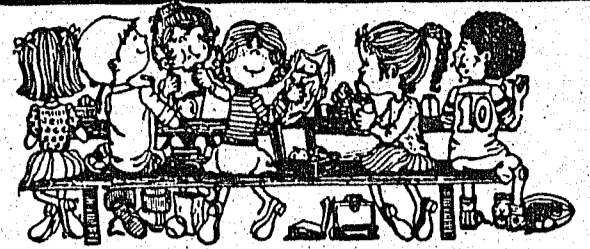

The Mountaineers face an undefeated Baird team here Friday at 8:00. Coach Smith reports it may be tough going due to the fact that Rusty Fleeman and Wesley Dockery are both being treated for

ankle injuries and another lineman, Don Salcido has a knee injury that could possibly end his football season.

## SAHS JV Defeats B'wood Freshmen

The SAHS junior varsity team defeated Brownwood Freshmen 30-0 in Bronwood last Thursday. They will play at Baird this Thursday evening starting at 7:30. Several games have been changed since the schedule previously published in the NEWS. Some schools are bowing out due to not having enough players for a Junior Varsity team. Coaches Robinett and Kimball say they will have to try to keep us informed week by week on games yet to be played.

Junior High was defeated by Cross Plains last Thursday and is scheduled to play at Baird Thursday evening at 6:00.

# Rockwood News

By Billie Gay Abernathy

Our community was saddened this week by the loss of Howard Pearson. Pearson had lived in Rockwood for many years and at one time was a teacher at the Rockwood schools. Our sympathy is extended to his wife, Coleta and sons as we know he will be missed by many.

Elec and Rose Cooper were guests of Carrol and Nelda Hodges of Santa Anna on Friday, as the Hodges hosted a get-together of old friends and classmates. Lots of good food and visiting was enjoyed by all. Mr. and Mrs. Ronnie Cooper, Cari, Caci, Cory, Colt and Cade of Coryell City visited Saturday and Sunday. Denny and Louise Densman of Brady joined the bunch for Sunday dinner.

Recent visitors with Lawrence Jr. and Nell Brusenhan have been Mr. and Mrs. Bailly Hull and Freddie Polk of Brady.

Hunter Wise enjoyed attending the West Texas Fair with Mike and Tanya Barker and Blaine on Friday night. Mr. and Mrs. Lewis Barker visited Hank and Darla Wise and sons on Saturday afternoon.

Nathan Wise of Santa Anna spent Saturday night in the home of his grandparents, Joe and Fay Wise. Mr. and Mrs. Doug Schrader visited with the Wises during the week.

Mr. and Mrs. Mickey Davidson, Trent and Tyler of Big Lake and Mrs. Sharon Lee, J. J. and Jenna of Clyde were weekend visitors of Jake and Sammie McCreary.

Claudia Rutherford attended the

Santa Anna Junior High football game on Thursday to watch grandson Tim Abernathy in action. Bob Rutherford of Brownwood was a drop by visitor in her home on Sunday.

Mr. and Mrs. Jimmie Hafner and children were in Abilene on Saturday to attend the West Texas Fair and Rodeo and visited with Jennifer Rutherford. Gay Abernathy and Tony visited with the family on Sunday afternoon.

Mrs. Sandra Wilson attended homecoming activities at Coleman over the weekend. She attended the Friday night football game and enjoyed her 30th class reunion on Saturday at the Coleman Park. Sunday visitors in the Wilson home were Fredna Horton of Santa Anna, Frankie Mathews, Frances McAlister, Dana and Darlene McElrath, all of Coleman and Bob Rutherford of Brownwood as a drop in visitor.

# Oct. 3 Is Fair Day CLASSIFIED 348-3545

The Coleman County Fair is set for Saturday, October 3 in downtown Coleman.

This year's event will run from 10 a.m. to 5:30 p.m. and will feature a variety of activities including food booths, arts and crafts, flea market, sidewalk sales, games, weightlifting contest, exhibits, grandparents brag, car show, live music, pet show, square dancing and street dancing.

The Miss Coleman County beauty pageant will be conducted at 1:30 that day. Renea McMillan is chairman of the event. Any girl enrolled in a Coleman County high school is eligible to enter. Entry forms available at Coleman Chamber of Commerce. Deadline is Friday, Sept. 25.

## They're looking for a few dark houses.

The fact is, burglars love darkness. It makes them all but invisible. And there's no reason why we should make their crimes easier to commit.

You can make them think long and hard about burglarizing your home with a Guard-Lite from West Texas Utilities.

For pennies a day, you can give them what they hate - A well lit home. At the same time it's a convenient way to give yourself what you want most - peace of mind.

Call West Texas Utilities for more information about leasing a Guard-Lite.

### Ranger Park Inn

By Dorothy York

Thursday was our monthly birthday party. Those residents celebrating birthdays for the month of September are Ethleen Stewart, Vera Dorris and Alberto Stamper. Mr. Dalton Thomas well known singer and musician from Brownwood entertained for the residents. Mrs. Delores Thomas assisted with the refreshments for the ladies auxiliary of the Santa Anna Volunteer Department.

We want to remind everyone they are welcome to come each Thursday evening and join our residents in listening to the country music group. If you like good country western music remember you are welcome.

Our residents are getting ready for our senior olympics to be held at Ranger Park October 23. Come watch our residents and visiting nursing homes compete for trophies and a day full of fun.

We want to welcome Christine Sanders and Preston Davis back after a length stay in the hospital. We are all very glad they are back with us and felling better. We missed them both.

Alberto Stamper was visited by Delia, Stephanie and Kalham Salazar, Robert Salas and Ida Perry.

Mary Jo Lovell was visited by Tommie and Taylor Jenkins, Louis Strength, Gladys Slayton, Linda and Jerry Ashier, Helen and Dolph Ashmore, Mack Ashmore, Rachel Ashmore, and Ila Todd.

Preston Davis was visited by L. E. Coy, Mary Davis and Tom Davis.

Lela Hays was visited by Edd Hartman, Ruby Hartman, Wes and June Says, Ruth Ann and Nathan and Nell Myers.

Vauda Hill was visited by the Rev. Don Elrod.

We cannot fail in following nature. — Montaigne

He reported a very nice day enjoying seeing and being with friends of yesteryear.

Mr. Leon Carter was with his sister Lorene Black in Brownwood on Sunday.

Mr. S. D. Fellers of Santa Anna visited with Mr. Loyd Rutherford Sunday morning.

I talked with my daughter Lynda Wheeler of La Grange Sunday. All doing very well. Like we are here, need rain. They seem to get more rain than we do here but like here doesn't stay with them. Also talked with a son, Thomas Ray in New Hampshire Saturday night. All is well there.

Mr. and Mrs. Don and Julie Fitzpatrick of Abilene and Julie's parents, visited with Mr. Graham Fitzpatrick Sunday afternoon.

We are sorry to report Mrs. Wanda (Don) Bible had the misfortune of getting her face, neck and arms burned over the weekend, when she was trying to light the stove. She told me this morning was rather painful but no deep burns and has not been too painful after the doctor applied medicine. Visitors in the Bible home on Sunday were Wanda and Winnie Pierce and sister Beverly and Tammy and Gary Creed, all of Blum.

### Hand-me-down Dens May Last Centuries

A badger's den is constructed to endure the test of time.

"Their dens, which are also called setts, may be used by different badgers for centuries," said Ray Sutton, wildlife manager of the International Wildlife Park in Grand Prairie, Tex.

A typical den is no more than 6 1/2 feet below ground.
