"He Profits Most Who Serves Best"

Pleasant-Wellborn Wedding of Sept. 17 Revealed This Week

Miss Grace Pleasant, manager of the Simmons University Book store, and D. A. Wellborn, district manager of the Security Life Insurance company, were married Sunday, Sept. 17, at Hamlin, with Rev. Henry Littleton, pastor of the First Baptist church, there officiating.

Mr. and Mrs. Wellborn are both former Simmons students. The bride is the daughter of Mrs. A. M. Pleasant of Cisco, who was hostess of Smith Hall last year. Mr. Wellborn is the son of Mrs. Wellborn of 2616 Pine Street.

Mrs. Wellborn, who was graduated from Simmons in 1923, was working on her Master's degree at the time of her marriage. While in school here she was a member of the Oratorical and Debating society, the women's quartet, the choral club, and the dramatic club. During her senior year, she was placed in charge of the book store, and in 1930 was a member of the university English staff. For the past several years she has been manager of the bookstore. The couple are making their home at 1450 North 15th street. —Simmons University Brand.

LIBERTY H. D. C.

Our Club met with Mrs. C. A. Curry and Miss LaRue Curry last Thursday, with almost all the members present. Miss Brent was unable to meet with us. The time was spent in piecing quilts of various patterns and in gay conversation.

The next meeting will be with Mrs. J. M. Duggins on October 19. Visitors are always welcome.

Mr. dear friend, clear your mind of can't.—Johnson.

More Cotton Checks Arrive

Farmers who have borrowed money from our government are receiving their cotton checks regardless of whether they have or have not paid their loans. Fifty-one checks were received by county agent C. V. Robinson Tuesday morning, and notification cards have been sent out. Others will be sent out as fast as the checks arrive.

Mr. H. J. Johnson will be in Coleman only on Tuesday and Wednesday of each week. Since he will have to endorse the checks, it will be a matter of convenience for those farmers who have loans to call for their checks on those days.

FOURTH GRADE STUDENTS ENTERTAINED

Saturday afternoon Mr. and Mrs. Jim Robin entertained some of the classmates of their little son, Tom Robin with a play party. Each little girl had her doll, and the boys played banker, garage, and deliveryman with miniature cars, guns, and paper money.

Refreshments consisting of cake, punch, candy and fruit were served in five courses in tea-party style, with miniature plates, knives, and forks used. The following merry children reported an enjoyable afternoon: Mary Field Mathews, Bobbie Cheaney, Rebecca Jane Harris, Thomas Myron Hays, Ruth Lovelady, Mary Kathryn Williamson, and Tom Robin, all classmates, and little Joanne Baker.

CARD OF THANKS

We wish to thank our friends for their help, kindness and sympathy during the sickness and death of Aunt Matt Jones. Her Relatives.

Man Who Won and Lost Dies

VINITA, Okla., Oct. 5 (AP).—Marie Woodson, the "man who won and lost," died early today at the state hospital for the insane here after long days of intense suffering.

The case of the former newsman, who came to the hospital more than two years ago from Tulsa for mental disorder occasioned by dipsomania, attracted wide attention when he wrote a brilliant book from the viewpoint of an inmate. Woodson later recovered and was released.

Some weeks ago, however, he suffered an arm injury and disease shattered his health. He returned to the hospital and, realizing he had but a short time to live, sent a letter to a Tulsa friend admitting the fate in sight but giving a "cheery farewell."

Cleveland News

Mr. and Mrs. Carl Mills and Miss Ruth Marie Moore were guests in the Hugh Phillips home Sunday.

Mr. and Mrs. L. P. Jennings and Mr. and Mrs. W. H. Perry enjoyed a birthday dinner in the Robert Perry home Sunday. Guests of Mr. and Mrs. Bud Kelley Saturday night were Mr. and Mrs. Jim Lovelace, Misses Ruth Moore and Shirley Blanton and Messrs. Edwin Moore and Sidney Blanton.

Mr. and Mrs. Jim Lovelace visited in Bangs Sunday.

Mr. and Mrs. M. F. Blanton and family visited Mrs. Blanton's mother, Mrs. Clem Scott, of Lawn, who is seriously ill, Sunday. They were accompanied by Mrs. S. L. Blanton and Mr. Wiley Blanton of Santa Anna.

Mr. and Mrs. Johnnie Mullis were business visitors in Coleman Friday.

Miss Zwella Box was the guest of Miss Ruth Moore Wednesday. Mr. and Mrs. Dave Nichols entertained the young folks with a party Thursday night.

Mr. and Mrs. M. F. Blanton and daughter Myrtle visited in the Will Holt home Monday.

Miss Carolyn Davis visited in the Dave Nichols home last week.

Mr. and Mrs. Joe Griffis visited in the Bud Kelley home Friday night.

METHODIST MEETING AT CLEVELAND

Rev. Chester Wilkinson will do the preaching in a Revival Meeting to begin at the Methodist Church at Cleveland next Sunday, October 15. The meeting will probably close on the fourth Sunday.

Services will be held twice daily, beginning at 10 a. m. and 7 p. m. The public is most cordially invited to attend each service.

SEALY STUDYING IN CHICAGO

Dr. T. R. Sealy left Saturday to attend the American College of Surgeons in Chicago. He will be there for about two weeks before returning to his home here.

CHRISTIAN REVIVAL

At the time of going to press, no decision has been reached as to when the Revival Meeting in progress at the First Christian Church will close. Miss Annabel Lee, Evangelist, is doing the preaching, and interest is increasing daily.

Miss Lee has asked that all who are interested keep in touch with the services, and attend the baptismal services which will be held the afternoon following the closing night service.

Mrs. D. J. Johnson and Mrs. L. Gene Hensley left Thursday for Dallas.

Mr. and Mrs. S. D. Harper are spending this week on their ranch at Eldorado.

Close out furniture bargains Saturday, Oct. 14. Bank Hotel.

School Board Adopts Delinquent Tax Collection Plan

At a called meeting of the Board of Education October 4th, the following plan was unanimously adopted by which delinquent school taxes in the Santa Anna Independent school district may be paid. The plan has a two-fold purpose, first, to encourage payment of delinquent taxes so that our schools will be able to meet their obligations, and second, to make the burden as light upon those indebted to the school district as possible.

The plan provides that any delinquent tax payer may become a beneficiary of the plan if he pays as much as 20 per cent of his total delinquency by November 15, 1933 with all penalties and accrued interest waived to date. The unpaid balance will draw interest at 5 per cent. Those not taking advantage of this plan will suffer the full interest and penalties accrued in conformity with the law governing delinquent taxes.

The second installment of the total delinquency will be due July 1, 1934 at which time not less than 20 per cent of the original total delinquency must be paid. The third installment will be payable November 15, 1934, the fourth installment, July 1, 1935, and the fifth installment, November 15, 1935, at each of which dates not less than 20 per cent of the original delinquency must be paid in order for one to continue to be a beneficiary of the easy-payment plan. The unpaid balance at each paying date continues to draw 5 per cent interest. Any one failing to make the payment at any of these dates loses the privilege of the plan and the old penalty and interest become operative.

This plan has been adopted by the Coleman Independent school district and it is hoped that our people will welcome this easy payment plan and take advantage of it. Those who are able should strive to pay more than the minimum 20 per cent, as the district is badly in need of funds since it has outstanding vouchers for the past three years. With all co-operating, we shall be able to pull out of these straits.

This year's taxes will go delinquent regularly, February 1, 1934 if not paid by that date. State funds for this school year will not be coming in before January, and those who can are urged to pay their 1933 taxes as early as possible to enable the district to make at least part-payment on its obligations. Cards will be mailed out to delinquents stating years and amounts delinquent.

HOGS BEING CURED IN VAULTS

Many farmers have placed hogs in the vault at the Coleman Poultry and Egg Company in Coleman during the past two weeks. Sixty hogs, averaging two hundred pounds each, are being cured to replenish the winter food supplies of their owners.

No more hogs will have time to cure before the turkey season begins, states C. V. Robinson, County Farm Agent.

SANTA ANNA COUPLE ELOPES

Wednesday evening, shortly after Mr. and Mrs. W. E. Baxter arrived at the First Christian Church to attend the evening service, they discovered their daughter, Miss Dorothy, was missing, and started an investigation.

Upon arrival at home they found her traveling bag and most of her clothing were missing, and a note relating the news to her parents that she and her sweetheart, of long standing, H. B. Thompson, had decided to elope and get married.

Thursday morning a telegram was received from San Angelo, stating the young couple were married and headed for San Antonio.

No further details could be had in time for publication in this paper. The splendid young couple had been going together for several years, and their marriage was not unexpected, however, it came as a great shock to Mr. and Mrs. Baxter for the couple to pull such a romance.

Mr. Thompson is an employee of the West Texas Utilities Company, and Miss Baxter is the only daughter of former mayor and Mrs. W. E. Baxter.

No man can justly censure or condemn another, because indeed no man truly knows another.—Sir T. Browne.

Information to Wheat Growers

The Wheat Growers who expect to sign Government Contracts in regard to wheat acreage will have to sign the contract or get in touch with the county agent, C. V. Robinson before October 14.

He also states that 15 acres under the Government Contract will be a better money crop than 25 or 30 acres without a contract. In the contract the government guarantees a comparative price on 54 per cent of the farmers average annual production. Comparative price on farm products means the average price of the product for a number of years. A dollar under the government contract will purchase as much as the factory dollar. The government is putting the protective tariff only on the domestic consumption of wheat and cotton in the United States.

Whon News

Grass in this end of the county is pretty short, due to the continued dry weather, and George Hunter, our official weather prophet, is looking for a hard winter. However, the dry weather is worth something—it is helping the cotton farmers to get their crop out.

Rev. Herschel Weedon of Brownwood filled the pulpit at the Baptist Church Sunday morning and night.

Ida Herring was painfully injured and Harold Kinney escaped with slight cuts and bruises when Harold's car turned over just south of Whon last Wednesday night. Ida received treatment in Coleman for a few days and is now convalescing in the home of her grandparents, Mr. and Mrs. M. R. Cheatham.

Mrs. Jimmy Gill spent most of her past week-end with her sister, Ruth Davis of Santa Anna, who was bitten by a rattlesnake last Thursday evening.

Only two Whon farmers have signed wheat reduction contracts, but several more are expected before the deadline Saturday night.

E. W. McNutt has returned to his home in Goldthwaite after a visit with relatives in the community.

WILBURN DUBOIS, JR. RECEIVES PROMOTION

The promotion list of Texas A. & M. College shows that Wilburn DuBois, Jr. has, for the second consecutive year, been honored with a promotion to corporal in Battery D, Field Artillery. It is quite a distinction for a student to hold this position for two years, but Mr. DuBois has the scholastic achievements and military ability that merits the promotion.

GLENN LEE GILL

Whereas the great Architect of the Universe, according to his divine plan, called from labor to refreshment, our beloved brother, Glenn Lee Gill, and we, fraternally bow in humble submission to the inevitable decree.

Brother Gill was a member of Rockwood Lodge No. 1121, A.F. & A.M., and a P. M. of this lodge. He died at Brownwood, Texas August 29, 1933. His earthly remains were laid to rest in Santa Anna Cemetery August 30, 1933 by Rockwood Masonic lodge, assisted by Santa Anna, Coleman and Brownwood lodges.

Resolved, that Rockwood lodge extend to the widow and baby girl, also his parents and brothers our kindest and heartfelt sympathies, and trust that the mother may in due time, explain all to the fatherless child. G. E. Abernathy, F. H. Snodgrass, and J. C. Ferguson, Committee.

MORTUARY

Miss Mattie Fleming Jones, 33 years past, passed away last Saturday morning at the home of her nephew, Ewell Jones, in the Shield community, and was buried in the cemetery there Saturday.

According to data furnished this office, Miss Jones was born April 20, 1848 at Tupelo, Miss. She came to Texas with her parents at the age of four, and settled in Robertson county, where she grew to womanhood, and lived the greater part of her life. She came to Coleman county about thirteen years ago, and lived with her nephew most of the time.

Miss Jones lived a quiet and reserved life, made many friends and was a commendable character. Her parents preceded her in death several years.

Rev. Edmond Early of Brownwood conducted the funeral services, Hosch Brothers with the Santa Anna Furniture & Undertaking Company in charge.

Out of town relatives here for the funeral were Mrs. J.J. Jones, Earl Jones and Mrs. Ollie Logan of Rosebud, Texas; Mr. and Mrs. Ray Tallent, J.J. Kemendo and daughter, Bessie, John Raymond and Sheridan Tallent of Dallas; Mr. and Mrs. Ben Dillingham and family, Mr. and Mrs. John Smaley and family, Mrs. W.L. Jones and children, Mr. and Mrs. John Mahew of Albany.

Do you suppose wealthy people ever enjoy anything as much as a poor family enjoys an evening on the front porch after the day's work is done?

Why hasn't some Tin-Pan-Alley genius written a nice jazzy tune called "The Blue Eagle Blues."

Assailed by the scandal and the tongue of strife, his only answer was a blameless life—Cowper.

ACREAGE REDDUCTION RECOMMENDED BY STATE

College Station — "That a new land utilization policy is in the making in Texas as a result of farm relief activities is evident by the confusion that exists about what can and cannot be done with retired cotton and wheat acres," declares H. H. Williamson, vice-director and state agent in the Extension Service at Texas A and M College. "The intent of the Administration seems to be to drastically reduce the total cultivated acres of surplus crops in the United States," he says. "It is not just a matter of shifting production from cotton or wheat to something else, but to eliminate these acres entirely from crop production unless it can be shown they are needed for producing a living at home or for preventing soil erosion or for enriching the soil."

"Texas is in need of more good pastures, both temporary small grain and sudan pastures, and permanent pastures sown to legumes and grasses," Mr. Williamson points out. "As far as retired acres of wheat or cotton are concerned, the temporary pastures can only be sown on this land to the extent of providing pasture for livestock needed for the family living, according to the Administration."

"It is permissible to make permanent pasture out of retired acres but in so doing a farmer may count these acres as retired for one year only. In other words, as soon as the pasture gets to the grazing stage it cannot count as retired acreage unless it can be shown that it is used only for livestock needed for the family living. If the pasture is more extensive than this the farmer must reach out and retire an equivalent acreage from other crops the second year, if he is under contract with the Government at that time."

"All this goes to show," says Mr. Williamson, "that the Agricultural Adjustment Administration is bent on taking more and more cultivated acres out of competitive production as rapidly as possible until surpluses are wiped out. The main directions in which the acreage retirement may lead without contract violation are in crops to produce a living at home, in re-forestation, in soil improvement crops

to be turned under, in temporary soil-holding crops to check erosion, and for one year at least, in permanent pastures in the territory of 30 inches or more of rainfall looks to be a sound development in the long run," he concludes.

RESOLUTIONS OF RESPECT

Whereas God, in His infinite wisdom, has seen fit to remove from our midst our esteemed brother and beloved friend, G. L. Gill, and

Whereas G. L. Gill was considered by us one of the most worthy and deserving members of the Coleman County Baptist Training Service since its organization, being always ready to serve anywhere at any time, and worthy of every trust placed in him, and did everything possible at all times for the betterment of the Association and its membership, and for the Youth in the County in General, and

Whereas we did appreciate him for his wise counsel and friendly advice; and

Whereas he was always a loyal, true, and honorable Christian citizen, and lovable and respected husband and father, son and brother;

Therefore be it resolved that in the passing of Glenn Lee Gill the Coleman County Baptist Association has lost one of its best and most highly respected members; the Associational B.T.S. has lost one whose place will not soon be so successfully and admirably filled; his family has sustained an irreparable loss; and Heaven has gained a jewel of supreme value;

Furthermore be it resolved that we sympathize with and extend our sympathy to his bereaved wife, daughter, parents, brothers, and other relatives, and commend them to the care of the Omnipotent Giver of all Good, in whom our honored brother trusted and abided so fully. May the God in whom Glenn had implicit faith be your Comforter, and His Holy Spirit guide you until He sees fit to call you from the walks of life and then re-unite you as an unbroken circle in the Home prepared around the Great White Throne for the redeemed family of God.

Furthermore be it resolved that a copy of these resolutions be furnished his family; that a copy be preserved in the records of this Association; and that a copy be furnished each newspaper published in the County and the Brownwood Bulletin for publication if they so desire.

Respectfully submitted by P.F. Squyres, Queenie Gregg, and G. C. Winstead, Committee.

W. C. T. U.

The Woman's Christian Temperance Union met with Mrs. Barlett last Wednesday. There was a good attendance of members and visitors. Mrs. G. A. Morgan led the devotions, bringing a good lesson on co-operation. Interesting papers were read by Mrs. Nettie Mitchell, Mrs. J. F. Goen and Miss Josie Baxter. Mesdames Barlett, Morgan, Oder and Goen sang "Texas as Land." Mrs. Mitchell gave some beautiful piano numbers.

The hostess, assisted by her daughter, Miss Georgia Frances, served cake and hot coffee as refreshments. The house was beautifully decorated throughout with cut flowers and pot plants.

The next meeting will be Wednesday, November 1st in the C. P. Church, and the subject will be World Peace, one of the major objectives of the W.C.T.U. Everybody invited.

Teacher: Now Rex, can you tell me what letter this is? Rex: No, ma'am. Teacher: You can't? Why surely you know what comes after I don't you? Rex: Yes, ma'am, sister Lenora's young man.

GOLDSWAIKE LADY HONOR GUEST AT PARTY HERE

Mr. and Mrs. W. T. Wheatly entertained a number of relatives and friends last Saturday with a noon dinner party, honoring Mr. Goldswaike's aunt, Mrs. Ella Cook of Goldthwaite.

Those present besides the Wheatly family were Mr. and Mrs. Dan Wheatly and son George Daniel, Jr. of the Love Hill community; Mrs. Walter Johnson and son Kelly of Brownwood; Mrs. Martin West and daughter Zera Jo of Rockwood; Mabrey Cook and sons Milton and Robert of Goldthwaite; Mr. and Mrs. John Dillingham and sons, Richard, Edward and Jack of Shield; Mrs. A. D. Wheatly of Shield; Mrs. Bill Johnson of Brownwood and Miss Queenie Gregg.

A fine dinner was served and the afternoon spent in singing, playing social games and general conversation. A general good time was reported.

PRESS DAY AT STATE FAIR

The editor, wife and daughter, Miss Eris, "Chevled" over to Dallas last week to attend the opening of the State Fair, it being designated as Press Day, and all editors and their families over the state were invited. The Fair Association always extends an invitation to the press gang to spend one day during the Fair as their guests, and the Chamber of Commerce treats to a luncheon.

This year the editor was accompanied by Mrs. Gregg for the first time in our married life, to the State Fair. Dallas was the first city she was ever in, and when she got there she "couldn't see the town for the houses."

Dinner was served at noon Saturday to all the editors and their families present, which numbered several hundred. Local guests, committees and friends, including such distinguished guest as Senator Tom Connally, numbered 630. Mrs. Gregg complimented the cook by stating that Mrs. Adolphus was some cook, to cook dinner for all that crowd and serve it warm.

"The Fair is great. We believe the exhibits are better than ever, but the attendance appeared to be light. The concessions and attractions are numerous, the livestock and agricultural exhibits are wonderful. The educational features of the State Fair are great. It should be an inspiration to any one to visit the State Fair and see what is being done in our great state. We could write a book on the State Fair and never tell one-half the story. It is worth the trip to see the many attractions and exhibits on display at the State Fair. All Texas should be interested in the State Fair, and as many as can, should attend."

The trip to Dallas was very economical to the editor in that we have relatives living in Dallas and were out no hotel bills. Thirty-nine gallons of gas and one quart of oil was the greatest expense of the trip.

MRS. W. B. SMITH

Mrs. Retty Bell Smith was born in Milam County December 4, 1865, and died October 5, 1933. Funeral services were conducted Saturday afternoon by Rev. J. R. McCorkle and interment made in the Cleveland Cemetery beside her husband, who preceded her in death by about two months.

The couple were married fifty-three years ago and have lived in Coleman County since 1899. Ten children, thirty-eight grand-children, and forty-eight great-grandchildren survive her. The children are as follows: Mrs. Lavanda French of Bangs, Henry Smith of Whon, Ben Smith of Whon, Elder Smith of San Angelo, Lee Smith of Bangs, Mrs. Letha Shield of Santa Anna, Felix Smith of Bangs, Mrs. Belle Faulkner of Coleman, and Arthur Smith of Whon.

Active pall bearers were the following grandsons: Morgan French, Howard Smith, Wylie French, D. Smith, Henry Smith, Edward Leonard, Carr Smith and George Thacker. Mitcham Undertakers were in charge of arrangements.

Let Your Light So Shine

Add a candle to a room full of candles and the light is not appreciably increased but brings in a 200-watt tungsten and the candles become dull and yellow.

The world is full of people who give out only a candle glow, and that is why the opportunities for those of the electric light type are so promising. There is a great shortage of students in schools of all kinds. This means that the uneducated boy or girl will be just another candle added to a world already full of candles; it also means that those who have the good judgment to equip themselves with the proper type of education will be comparable to the electric light in the room filled with candles.

For more than thirty years our school has been bending its efforts to convert the human candle into the human electric light bulb—taking youngsters out of the mediocre class and raising their earning power and placing them on the road to a successful business career. How well we have succeeded is testified to by more than fifty thousand office workers distributed all over the English speaking world, many of whom are at the head of large business enterprises. What we have assisted others to do we will be glad to do for you.

May we send you our annual describing the work we are doing? Its free.

WE ARE NOT BORN TO HAPPINESS

I have come to the conclusion that people of a former generation had something which we lack. I wonder what it may be.

We cannot blame our failure and their success on the fact that we have subways, motor cars and radios and are in a greater fever to go places and do things than they were.

We were born to work and sorrow and to win through somehow, and in the difficult process happiness came.

These people had something we lack. When I say "We," Yes Sir! I mean all of us, rich and poor all over the world.

They did not have paper, know how to read, or use the alphabet like we, so they wrote through the medium of figures drawn on the dry skin of a deer.

Under the new schedule a division is made of the large class. Now everyone has to stay awake to answer the many questions Miss Land is prepared to ask each day.

TODAY'S RADIO PROGRAM

Tune in on Station SAHS and hear: "I Like to be All Mixed Up," Sung by Bess Inez Shield.

"Oh! Gee," Sung by any student reflecting upon exams. "Girls, We're Not Yelling," Sung by Louise Wilsford.

"We Want a Touchdown; We're Going to Get One," Sung by Pep Squad. "Don't Ever be a School Teacher," A reading by Miss Land.

"I've Got To Get My English," (?) Sung by Madge Phillips. "Don't Let Your Eyes Wander," Sung by Mrs. Pieratt in geometry.

HIGH SCHOOL GETS A NEW TEACHER

Mr. William M. Green was elected last Wednesday night at a Board of Trustees Meeting.

Mr. Green will teach the General Science Class which was formerly taught by Miss Olivia Land. He will teach the Freshmen and Sophomore English and also Sponsor the boys physical training.

The student body extends to Mr. Green a hearty welcome to our school.

Spanish II

Spanish II students have had some very entrancing reading lessons the past week. One of them was about the Indian Post-office.

They did not have paper, know how to read, or use the alphabet like we, so they wrote through the medium of figures drawn on the dry skin of a deer.

Under the new schedule a division is made of the large class. Now everyone has to stay awake to answer the many questions Miss Land is prepared to ask each day.

SCRIBBLERS

Scribblers are very enticing to me. For they bear an air of harmony.

You can't help but fancy them. You can't help but desire. The blessings that are theirs— Even their faults you feign admire.

They write such funny things, and then They write that you might comprehend A few cherished lines that they can glean.

But you and I read in between We have to stop and think and get The thought they mean, or we'll forget.

These great long words that would measure a mile, When you get through pronouncing them, you'd surely want to smile.

Nevertheless, 'tis a task and true; There's nothing lost, but a gain or two. Scribblers know this, and I've heard it said, "Don't be a fretter, but a scribbler instead."

You just scribble and scribble away. If you're down-hearted, blue this beautiful day Scribblers tell me it's a good antidote.

If you're carelessly drifting toward a gloomy boat. You never see Scribblers looking moody and sad— Scribbling's too much of a fascinating tad.

SENIOR SELECT MEMBERS AND INVITATION CARDS

A representative of the Stafford Engraving Company of Fort Worth showed the seniors several samples of class rings Monday morning.

Although the price of gold has advanced, the rings will be the same price as listed in the contract made with the company two years ago.

Three invitation cards were likewise selected by the same committee and submitted to the class. From his group one was selected.

A NEW SCHEDULE IS INTRODUCED

A new schedule for the chronology of the courses has been worked out by Superintendent Scarborough, Mr. Lock and the new teacher, Mr. Green.

This new schedule was necessary because of the increased number of students in the school. With this method some of the classes have been divided, and a few students have had to take up new courses.

This change enables both teachers and students to have more convenience in the arrangement of study halls.

JUNIOR NEWS

The class hopes that Ruth Davis, who was bitten by a rattlesnake last week, will soon be back at school with them.

Juniors made a profit of \$9.80 from the sale of candy, chewing gum, and Cocoa Cola at the game between Santa Anna and Coleman last Friday.

One was privileged to buy almost any sort of candy or chewing gum one wanted.

The following juniors generously volunteered to miss the game in order to be salesmen and salesladies: Oran Mullis, Jesse Brown, Faye Routh, Bess Inez Shield, Sylvia Ann Everett, Iva Brannan, Mary Bradford, Beth Barnes, Verna Loyce Rutherford and Evelyn Kirkpatrick.

EXAMINATIONS ARE HELD

Examinations—those ever-dreaded tests of one's mental capacity, were held Thursday afternoon and Friday.

The key to a successful examination, as Superintendent Scarborough says, is preparedness. Also one should have the determined attitude. "I can beat the ingenuity of the teacher."

These tests are the means of completing grades for each course for the six weeks and for the listing of names for the honor roll.

UNDERSTOOD THAT:

Faye Routh is a very fascinating person—especially to les?

Richard Dillingham. The Mountaineers are fighters! Some real support is expected in the game with Winters' Blizzards today.

Lazy students will now begin studying harder. Billy Baxter: What's the idea, J.D., standing on one foot like that? J.D. Pieratte: Really old chap. I was going somewhere, but I forgot where I was going.

Mrs. Brown: Babies are not sold by the pound, my dear. Annie Lee: Then why do they always weigh them as soon as they are born? Maxie (to mother) One night while you were away, I heard a burglar. You should have seen me going down stairs three steps at a time.

J.D. Pieratte: Really old chap. I was going somewhere, but I forgot where I was going. Hello Jay, old top, new car? No, old car, new top! Maxie (to mother) One night while you were away, I heard a burglar. You should have seen me going down stairs three steps at a time.

Rockwood School

The Rockwood School opened the 1933-34 term September 11, 1933. The opening program was attended by a large crowd of parents and patrons. Supt. E. L. Allison had charge of the program and made a nice introductory address and introduced all the teachers. County Supt. John L. Beard was present and made a talk explaining the new State Aid Law and called upon the patrons to cooperate with 100 per cent support.

The Rockwood School has one more teacher than ever before and has the largest enrollment in the history of the school. About 200 pupils have enrolled to date and several more will enter in just a few days. It is expected that the enrollment will go above 225 this year. Application has been made for classification to affiliate the High School this year and the physical equipment and arrangements have been approved by Deputy State Superintendent O. L. Davis who visited the school last week. The teachers are making application for affiliation in the full 16 units this year and from the quality of work exhibited this first month, it is very likely the school will be fully accredited at the end of the year.

This will enable any student who graduates from the Rockwood School to enter any college or university without examinations. In going to the trouble and expense of affiliation, the Rockwood School is accomplishing one of the greatest needs of the day. This school is endeavoring to give the rural girls and boys the same educational advantages as the girls and boys of the towns and cities. In addition to asking for affiliation this year, the school has a fine program of activities planned for the year. The school will enter every possible contest in the Interscholastic League and it is pretty certain that other schools will learn of the work of this school through points carried off at the meets this year. They have a large group of pupils in a Choral Club and a Glee Club. The faculty is carrying out the recommendation of the State Department of Education with all pupils in supervised play and lunch hour. The campus has been beautified and the improvements are sanitary. The Senior class has 24 members and if nothing happens about this number will finish next Spring. That is the largest class in the history of the school and good number for any small High School. Rockwood is to be congratulated upon this nice large Senior Class. Every pupil seems to be interested in the work of the school and Mr. Allison thinks he has the hardest working teachers and pupils in the country. He stated that he had never seen better work and better cooperation.

Mr. E. L. Allison heads the faculty as Superintendent and teaches Spanish and History. Mr. Allison is a graduate of the Southwestern University at Georgetown where he taught Education three Summers. He is a veteran school man with many years experience. He served several years as teacher and principal in Rural Schools and was Superintendent at Cherokee, Bertram, and Menard. Mr. Allison affiliated two of these schools and added credits to the other. His work has met with such unusual success that the people have responded with new buildings in several of the places where he has taught.

Miss Annie Mae Mauldin is the Principal and teacher of Mathematics and has charge of the girls pep squad. She is a former student in the Southwest Texas State Teachers College at San Marcos and has had some additional work in California. She taught several years in the Menard High School where her work was inspected and approved by the State Department of Education. Miss Mauldin is an outstanding teacher and knows how to complete the work for affiliation. Rockwood is fortunate in being able to secure her services as a teacher.

Miss Mary Talbot of Brownwood is the English teacher in High School and teaches Public School Music in the Grades. Miss Talbot is a graduate of Howard Payne College and taught Physical Education in that institution one year. She also taught Physical Education and Public School Music in the Baylor College of Belton, Texas. Under her direction, the Glee Club and Choral Club both have made a wonderful start. Besides the A. B. Degree and the experience, Miss Talbot has, she has been granted a Special Music Certificate from the State Department of Education.

The Coach of Athletics is Mr. Clyde Dean who also teaches science in the high school. Mr.

Dean has his A. B. Degree from Howard Payne College. During his Senior year, Mr. Dean lettered in football, basketball and track. He played quarterback on the championship Yellow Jacket Team last year. Mr. Dean was an assistant instructor in the Howard Payne Academy. He has started football at Rockwood and his team has already won one game and lost one. This is a real good start for a beginning team and everyone expects Rockwood to be on the map in Athletics this year.

Miss Myrtle Tate of Talpa teaches in the Elementary Grades and has charge of the Junior boys physical education. Miss Tate will complete work for her degree in the Southwest Texas State Teachers College of San Marcos next Summer. She is highly regarded as a very successful teacher and her work at Rockwood has been appreciated by the patrons of the school.

Miss Marie Gregory of Talpa is another teacher in the Elementary Grades and has charge of the Junior Girls Physical Education. Miss Gregory is a graduate of the John Tarleton College of Stephenville and is well known as one of the very best teachers in this country. Her work has been very acceptable and Rockwood will be fortunate in keeping her on the faculty.

Mrs. Carrie Hart is one of the Primary teachers. She is a graduate of the Denton Normal College and is doing work toward the completion of her degree from Howard Payne College each Summer. Mrs. Hart has done very successful teaching in some of the large School Systems of Texas. Her work at Rockwood has been unusually successful.

The Beginners are in charge of Miss Myrtle McGregor. She is a graduate of the Denton Normal College and is recognized as one of the finest Primary Teachers in this country. Miss McGregor has made special study in Primary Methods and the pupils of the Rockwood School are given the correct start.

Rockwood also has a veteran School Board. Many of the members have served in that capacity for many years. Mr. C. K. Black is President. Mr. Uless Maness is the Secretary. F. E. McCreary, a former president is a member. Fox Johnson also a former President, is a member. Roy Stafford, a former Secretary, is a member and the other two members are E. B. Blackwell and Doyle Woodward. This board is entirely satisfied with the progress of the school and their unanimous

belief is that they are going to have an accredited High School at the end of this year.

The Parent Teachers Association has organized for the year. Mrs. F. E. McCreary was elected President and Miss Myrtle Tate Secretary. Committees have been appointed to make plans for the year and the organization has pledged its support of the program of the school. Rockwood has had a well organized hard working Parent-Teachers Association for several years and they have determined to make this years work the best of all.

In the work for affiliation, the School Board has added \$200.00 worth of library books and about that much in Science Laboratory equipment. The faculty is making the library up to date by installing a complete system of cataloging of the books.

The School Board, the Teachers, the Parent-Teachers Association, and the patrons and citizenship of the community are all cooperating for the success of the School. Rockwood School is serving a large portion of the county and the people of the entire county wish it every possible success in the program it is undertaking.

Baptist Church

We have made no report through the press for several weeks on account of the pastor's absence while in the Seminary. The work goes fairly well. Next Sunday, October 15, we are planning a "Fellowship Day" at which time we hope to have the largest attendance of the members of the Church we have had for many years. A personal letter is being mailed to those who were not in service past two Sundays, but I am taking this method of urging you to attend this service.

We will have an all-day meeting, beginning at 10 a. m. in the main auditorium. Singing, preaching, prayer, praise, testimony, confession of sin, and fellowship will compose the morning service. Great congregational and choir singing in afternoon with many special numbers. We will observe the Lord's Supper at the night hour. Let each and every member of this Church who reads this come with a prayerful heart for a great day of blessings from the hand of Our Father.

Your Pastor,
HAL C. WINGO.

Bangs Man Dies Here

Jim Sheffield died here Thursday morning, and was brought here from his home in the Bangs community for medical examination. The condition was found to be such that an operation was not advisable, and he was placed in the Parsons home for rest and treatment. The remains were taken in charge by Hosh Bros prepared for burial and carried to Bangs Thursday afternoon.

MRS. FLOYD LACKEY

Death after her two years of illness relieved the suffering of Mrs. Floyd Lackey Sunday morning about six o'clock. Funeral services were conducted from the First Baptist Church here, of which she has been a member for several years Monday afternoon at 3:30 o'clock. The pastor, Rev. Hal C. Wingo, was assisted in the services by Rev. G. A. Morgan, pastor of the local Methodist Church. Interment was in the Cemetery here.

Lora May Harnes was born April 15, 1914, the daughter of Mr. and Mrs. J. A. Harnes of Rockdale. Her father died several years ago and she moved with her mother to Santa Anna in 1926. She was married to Floyd Lackey of this city May 31, 1931, and has made her home here since.

Survivors include the husband, mother, Mrs. R. H. Quinn, grandmothers, Mrs. J. W. Harris of this city, and Mrs. S. L. Harnes of Rochester, Texas, four brothers, Luther, and J.T. Harnes, Howard and Jim Quinn, three sisters, Emily and Florence Harnes and Ethel Quinn, all of Coleman, and uncles, J.E. Harnes and R.L. Dyer, both of Rockdale.

Mitcham undertakers were in charge of arrangements.

Relatives and friends here from Coleman for the funeral were Mrs. C. R. McHorse, Mrs. Johnnie Hensley, Mr. and Mrs. Bill McHorse, Mr. and Mrs. Steve Yancy and J.W. Quinn.

Full Bearers were Lester Newman, Tucker Newman, Calvin Campbell, Jewell Hill, and Samuel Everett, and Will McHorse of Coleman.

Metaphorically speaking a recent editorial writer says: "The President has torn the mask from that European war debt kite."

Over portals of a cemetery in Florida is this: "Anytime so universal as death must be a blessing."

A Telephone Is a Great Convenience in the Home

If you should wake at night and the crackle of flames tell you your home was on fire, what would you give for a telephone?

When sudden sickness or an accident befalls some member of your family and aid is needed quickly — How about a telephone?

Isn't it worth a lot to know that you can lift the receiver of your telephone and call a friend, order your groceries, summon a doctor, or make any emergency call at any hour, day or night, rain or shine? The cost is moderate, the value is all you wish to make.

Get in touch with the business office and let us install a telephone in your home.
