Cortez, Casanova Receive Bicycles At Program

Vacation Bible School for the First United Methodist Church is scheduled Monday, May 30, through Friday, June 3, according to the church.

VBS hours are from 9 a.m.-12:30 a.m. and are for children three years through the sixth grade.

Theme this year is "Jesus, Our Friend and Teacher."

Students of the Week for Watson Junior High School are Jackie Thomas, sixth grade; Joe Hernandez, seventh grade; and Mita Bhakta, eighth grade.

Teacher of the Week was Giager Caldwell, Special Education at WJHS.

The Muleshoe Muleskinners, accompanied by some out of town trailriders, left the Boy Scout grounds Saturday morning for a weekend trail ride to the Muleshoe National Wild Life Refuge.

They expect to return to Muleshoe sometime during the holiday weekend.

Bailey County EMS will sponsor a youth dance on Saturday, June 4, at the American Legion Hall in Muleshoe.

Scotty Snipes of Clovis will be presenting the music for the 8 p.m.-midnight dance.

Area youth are invited to attend the dance.

Because of some volunteers, the roof of West Plains Medical Center has been replaced.

A new roof was built over the existing roof after discovery of severe leaks which were causing extensive damage to the interior of the hospital.

Although the materials for the new roof were sold to the hospital at cost, donations are still needed to pay for the materials.

If you would like to make a donation to the West Plains Medical Center Improvement Fund, go by 215 South First, or make your donation to the fund at Muleshoe State Bank.

Swimming lessons will be given at the Muleshoe Country Club pool beginning June 6, with new classes starting every two weeks.

Library Sets '88 Program For Readers

Muleshoe Librarian Anne Camp has announced the annual Summer Reading Program for the Muleshoe Area Library.

This year's theme is "Trailblazers, Stargazers" and is for all children, kindergarten through fifth grade.

Registration will begin Wednesday, June 1, at 10:30 a.m., and will continue on through the program, which ends with an Awards Day on July 6.

Mrs. Camp said a parent must accompany small children, kindergarten through third grade, to register so the program can be explained to them, and they can help their child get the most out of the program.

Each child who participates will get a certificate, and when they have read 12 books, they will get to "Go For It," -- draw a ticket from a box for any one of the many treats that have been donated for prizes.

The, the child may stop the program for the summer, or continue to read and report books, to receive other awards and prizes. At the end of the program, the highest readers in each age group will receive a special T-shirt.

This summer program is sponsored jointly by the Texas State Library, and the Friends of the Muleshoe Library, who furnish the material and prizes given.

"All children of the area are invited to join and participate, along with their other summer activities, and find reading is fun!" concluded Mrs. Camp.

Swimming Pool

Opens For Season

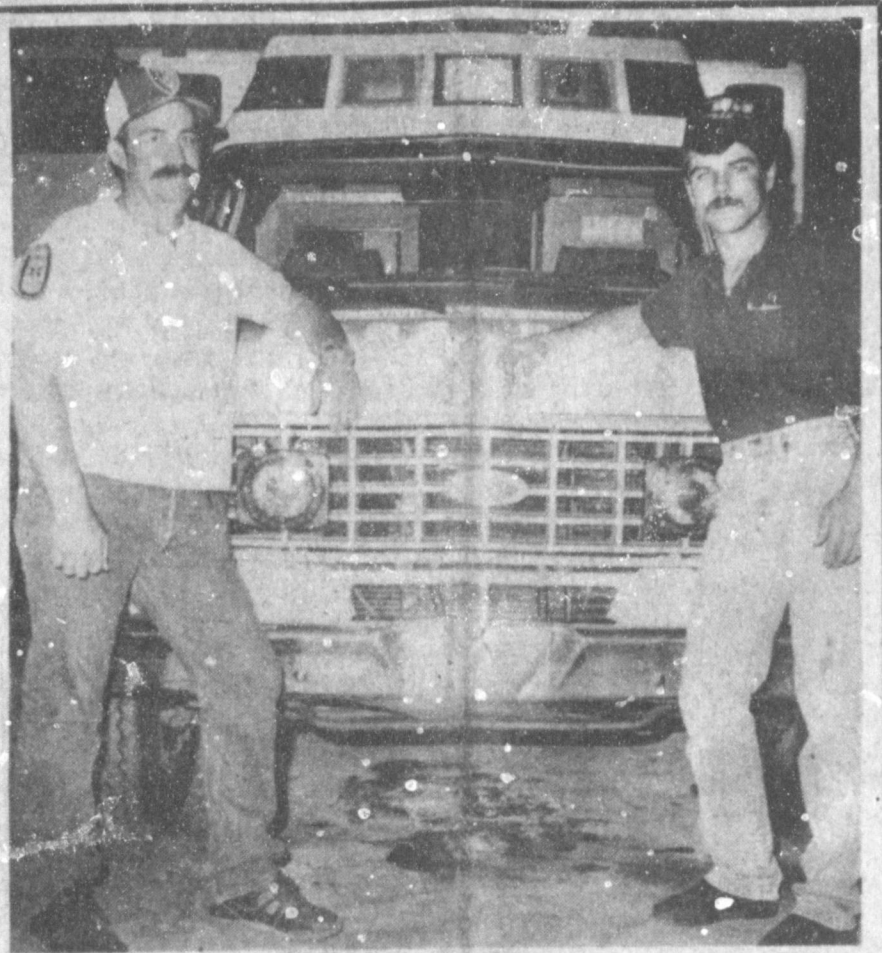

Bobbie Dunham, who operates the City Swimming Pool, said weather permitting, the pool will open for the summer at 1 p.m. on Wednesday, June 1.

Pool hours will be 1-6:30 p.m., except for Sunday, when the pool will be open 2-6 p.m.

Cost is \$1.50 per person, or \$30 for a season ticket.

Mrs. Dunham said to book parties, call 272-3091, or contact someone at the swimming pool office.

Swimming lesson schedules will be announced at a later date.

MODEST LOCAL EMTS CREDITED WITH SAVING TWO LIVES—Although Wayne Wauson, left, and Jackey Wayne Burris, both members of the Bailey County EMS and Bailey County Ambulance Service were reluctant to discuss it, they are credited with saving lives of two Lubbock men Sunday morning. Wauson, his wife, Mary and Burris, rescued the duo after their boat sank in very rough waters on White River Lake. Just another incident to prove that the Bailey County EMS is always active and on their toes--anywhere. (Journal photo)

Local EMT Duo To The Rescue

What started out to be a fishing trip for two Muleshoe families turned into something quite different last Sunday morning.

Wayne and Mary Wauson and their two sons, and Jackey Wayne and Stacy Burris and their daughter and son left Muleshoe early last Sunday morning for White River Lake, east of Lubbock and near Crosbyton.

At the time they left Muleshoe, little wind was blowing, and when they put their boat into the water and boarded it around 8 a.m. Sunday, the wind was just beginning to "kick up a little."

As the wind gained, Wauson started trying to get his boat back to the landing when everything started happening.

There were only 6-7 vehicles in the parking lot at the lake, and Wauson was just pulling into a cove for a windbreak, when his wife noticed that a boat about 300 yards behind them had sunk in

the high waves. She excitedly told the men "They sank," and Wauson immediately put Stacy Burris and the four children on the shore.

Men in the parking lot were beginning to yell that a boat had sunk when he turned around to make his way back to where two men were bobbing up and down with the waves.

No other boats were nearby. "I came back out hookin' it," said Wauson, "but had to slow down when I hit rough water."

They circled and verified that only the two men were in the boat, then dragged the two water-logged men into their boat.

Both Burris and Wauson said they were wishing they actually could "Walk On Water" as they saw the two men bobbing up and down in the very deep waves. "I know what it means to want to walk on water," grinned Burris. "Those guys had sunk that boat in 50-foot water."

Thursday afternoon, the annual awards ceremony was held for students at DeShazo Elementary School. After the pledge to the flag, Joe Cearley, principal, headed off the program with a recognition of staff, the awards program got underway.

Two students were recognized for their outstanding work through the year. They were given their choice of a boys' or girls' bicycle. Receiving the bicycles were Jose Cortez and Rachael Casanova.

Other awards were as follows:

MAIF Will Re-Structure On Thursday

The Muleshoe Chamber of Commerce and Agriculture will host a reorganizational meeting of the Muleshoe Area Industrial Foundation on Thursday, June 2, at 7:30 p.m. in the City Council meeting room of the city hall.

All area citizens and interested community leaders are urged to attend this very important meeting, says Toni Eagle, CoC manager.

She said the Chamber has committed Muleshoe to the FIT program and this newly organized group is needed to assist in this project.

FIT is 'Final Industry Target.' Southwestern Public Service Company commissioned an extensive study of its service area and the resources that it possesses.

The resources were then matched with industries to see which industries 'FIT' with the region.

These industries are being targeted for possible location or expansion in the region. SPS is assisting all interested towns with the FIT program.

The newly organized Industrial Foundation will plan action and follow through with prospects who inquire about Muleshoe.

Ms. Eagle said, "Only with the power of support will this project benefit Muleshoe."

The Very Real, Personable George Washington

GEORGE WASHINGTON (AND HIS VERY OWN CHERRY TREE)

(Editor's note: This week, *The Journal* shows how the expression, "George Washington Slept Here" really has meaning for the Muleshoe area. Come along -- let's meet George Washington -- Muleshoe's own version.)

Not only has George Washington 'slept here' he is in fact, sleeping in Muleshoe, and has been for the past 30 years.

He first got the attention of Muleshoe when he spent 1956-57 and 1957-58 as head coach and athletic director of the Lazbuddie Schools.

He was approached by then head coach Wayne Mantooth, to move to Muleshoe as a coach.

At the time, Washington had decided to only coach for a couple of more years, then opt for the more stable physical education department. (Coaches tend to move around an awful lot, he said).

So, the native of Quitaque, where he was born December 21,

1925, made the move to Muleshoe -- a move he says he has never regretted.

Back when he was a youngster, he moved with his family to the Bula area, and he resided there with them until they moved to Bowie when he was five years of age. Then it was on to Oklahoma where he attended school from the age of seven.

While he was attending Cameron State Junior College at Lawton, Okla. he was on the team that played Compton Junior College in the Junior Rose Bowl at Pasadena on December 13, 1949. He played offensive center and defensive linebacker at the time.

Then, he finished his regular college work at Panhandle A&M at Goodwell, Okla. where he served as Tri-Captain of his football team in his senior year.

Prior to his college years, he served in the U. S. Navy during World War II.

After his college years, started

his coaching and teaching years.

He first spent two years coaching in Guymon, Okla. before going to Wakita, Okla. north of Enid for one year, then one year as athletic director at Wayne, Okla. However, the Wayne school did not have a football program, so he moved to Lazbuddie, then on to Muleshoe.

One of his fondest memories is of a local man who was a coach when he first moved to Muleshoe and later served for a number of years as a school principal.

Bill Taylor was coaching for Wayne Mantooth when George Washington moved to Muleshoe and he remembers, "Bill Taylor was an outstanding coach. One heck of a nice fellow."

"He had the interest of the boys at heart, and did everything he could to help them, both in the classroom and on the field."

"He's one man who has contributed tremendously to this community."

Not only was George Wash-

ington known as a coach at Muleshoe High School, he also taught science and history.

When first out of college, he started off teaching history, and when he retired from Muleshoe High School a couple of years ago, he was still teaching history -- American History.

"We've had a lot of good kids in Muleshoe," he said, "I can't think of any bad ones."

Reminiscing, "You see them come and go -- you help them with what you can. Kids I had in school were excellent," he said, "both on the football field and off."

"Some were in football, basketball and track, and they always gave the best they had in whatever they were doing."

He has missed coaching, and has continued to miss coaching and teaching since the day he retired in 1986 -- but he does some substitute teaching now and then, just to keep up with

Sales Tax Check Shows An 'Upswing'

State Comptroller Bob Bullock sent checks totaling \$120.7 million to 1,041 cities and 81 counties that levy local option sales taxes for their latest payment.

"The economy of Texas is recovering," Bullock said, "and the consumer confidence is reflected in the rebates going to local governments."

City sales tax rebates totaled \$111.4 million.

Bullock also sent checks totaling \$9.3 million to the counties which have approved a half-percent county sales tax.

Muleshoe's latest payment was \$22,812.74, an increase of 9.71 percent over the \$20,793.42 received at the same time a year ago. To date, payments for Muleshoe are \$90,953.81, an increase for the year of 17.25 percent, as payments this time in 1987 totaled \$77,571.33.

Morton has shown a whopping 65.94 percent increase in payments. Their net payment this period was \$7,129.87 and was \$4,296.78 for the same period a year ago. For their year, their payments have increased 37.28 percent. Total payments at this time a year ago were \$19,727.90, up to their current total of \$27,083.11.

In Lamb County, Littlefield shows an increase for the year of 4.80 percent. Their total payments a year ago were \$105,135.34 and are \$110,180.87 at this time in 1988. Their net payment for this period is \$31,576.65, up by 22.33 percent over the \$25,812.46 of a year ago.

Friona, in Parmer County, is down in receipts for the year, by 3.48 percent. Their total at this time last year was \$42,012.11 and is \$40,550.19 at this time this year. Friona does reflect an increase in monthly receipts. This month, they received a total of \$13,513.67, up by 23.35 percent over the \$11,036.26 this time in 1987.

The largest allocation this month went to Houston -- \$19 million.

El Paso County received the biggest county allocation -- \$1.3 million.

The Comptroller's office also sent checks totaling \$50 million to the state's six metropolitan transit authorities.

May's checks represent taxes collected by monthly filers in March and quarterly filers for the first quarter that were reported to the Comptroller's office by April 21.

regular weekly meeting of the Kiwanis Club at the Old Corral.

Guests were Jon Keith Turner, Charles Martin, Glen Morris and Zanna Huckaby.

Sue Haire and Zanna Huckaby had just gotten back to Muleshoe, just in time to attend the Kiwanis meeting. It seems they, along with a group of graduating

seniors, went to Lubbock to the Texas Tech Student Center for an all-night party after graduation. They said they had a good time!

President Max Crittenden called the meeting to order and Nick Bamert led the club in the pledge to the flag, with Jim Lutz giving the invocation.

Don Clapp must not have found a friend at the Game Reserve, as he was not present to give the friendship coin to someone.

Results in the three teams in the attendance and membership drive was given. Team No. One, headed by Keith Turner had 119 points; Team No. Two, headed by Jim Lutz, had 69 points and Team No. Three, headed by R. A. Bradley, had 116 points.

Merlyn Neel had the program. It was a video tape about what to do about the telephone scam artists or boiler room operations.

These people are trained and very good at selling you something that you just can't get this cheap anywhere else, or they can invest your money in something that will double your money each year. Just too good to be true.

Anytime something is too good to be true, it is just that. They also want to get your credit card numbers on purchases -- this is just money in their pockets to them.

Beware!! Know who you are talking to and don't be tricked into giving these people your money.

Girl's End Basketball Season

When it was all over, the Farmer's Co-op Gin girls' basketball team, coached by Rea Morris, Joey Heathington and Suzanne Johnson, took first place for the season.

**Ambassadors,
Ambassadorettes
To Be Chosen**

Toni Eagle, manager of the Muleshoe CofC, said late last week, "once again, it is time for the Muleshoe Chamber of Commerce and Agriculture to choose the new Ambassadors and Ambassadorettes to fill the positions being vacated by the graduates of 1988.

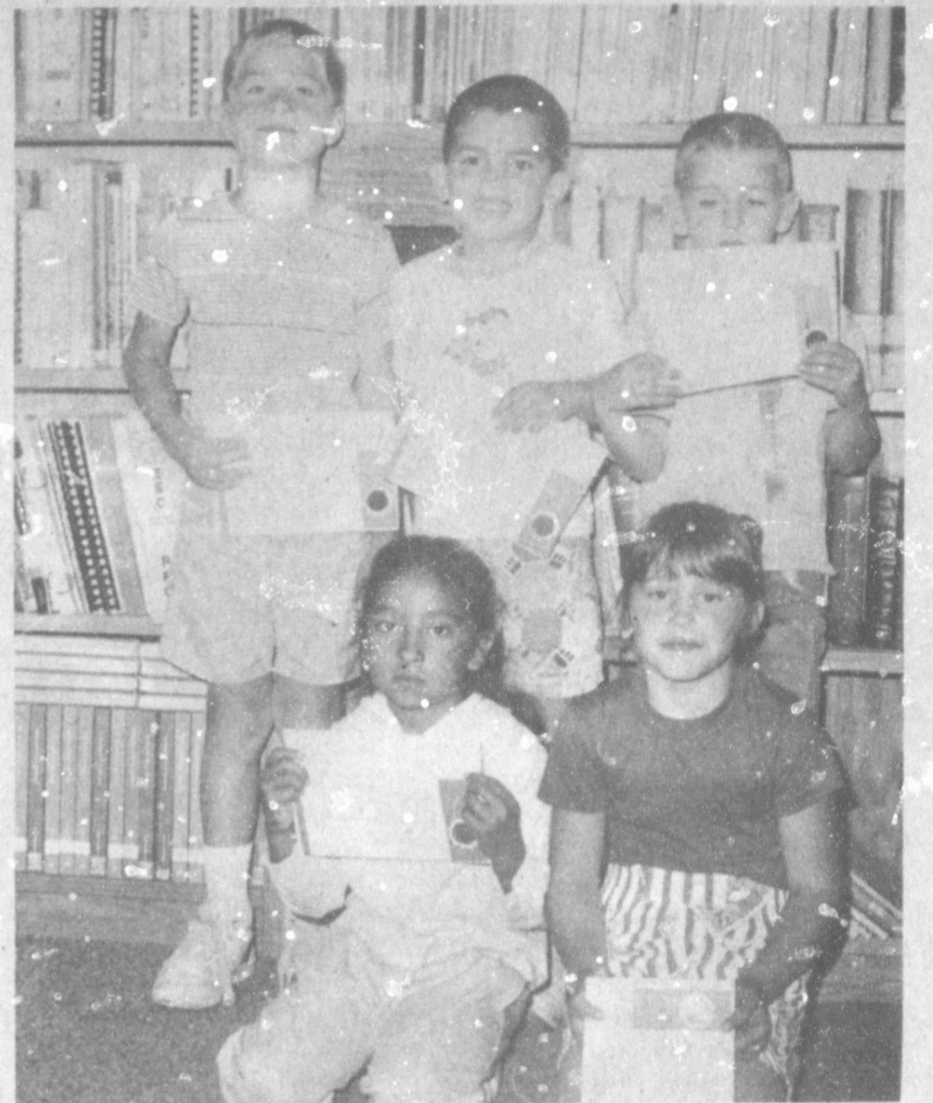

"This is strictly on a voluntary basis and is open to males and females. Only students who will be juniors in the 1988-89 school year will be considered."

Ambassadors and Ambassadorettes serve at many functions. They help during parades and represent Muleshoe, the Chamber, and Muleshoe youth.

Graduating Ambassadors and Ambassadorettes are Johnny Garcia, Sergio Gonzales, Scotty Spies, Elizabeth Posadas, Deborah Lackey and Sue Haire.

Holdover Ambassadorettes are Selina Gonzales, Justine Hanes and Shelly Berry.

"If you are interested in being an Ambassador or Ambassadorette of Muleshoe," said Mrs. Eagle, "or you know of someone who might be interested, call the Chamber office at 272-4248 to set up an appointment."

MONEY TALK

By Charles Carlson
Dow Theory Forecasts
Electric utilities—once regarded as "widow and orphan" stocks due to their safety characteristics—are no longer the safe haven they once were.

Indeed, the bankruptcy filing by Public Service Company of New Hampshire—the first for a major public utility since the Depression—underscores the growing risks of the group.

The factor having the most impact on the industry is the rising tide of consumer advocacy across the country. Regulators are taking a harder look at construction costs and are making shareholders pay for mismanagement and overruns. Environmental concerns, such as the acid rain issue and the piling up of spent nuclear fuel, have hurt the group as well.

There are still a number of high-quality issues in the field that have avoided the industry problems and are well placed for growth in dividends and stock prices. Investors should concentrate on those firms with sound financial positions and locations in growing

**Remembering those who have paid
the ultimate price...**

Since Civil War times it has been a national tradition to remember American servicemen who have laid down their lives for our freedom.

Here at First Bank we believe it fitting and proper to salute these brave men and women, and thank their families, as Memorial Day draws nearer.

And, for those of us who remain, let us always remember that freedom isn't free.

We will be closed Monday, May 30th in observance of Memorial Day.

MHS Students Prepare For European Trip

Teenagers and adults who are going to Europe under the auspices of American Institute for Foreign Study met Sunday, May 22 in the home of Stacy McElroy for a final meeting before departing on June 6.

Johanna Wrinkle handed out flight schedules, revised itinerary, and telephone chain at the beginning of the meeting. Plans for the last few days of preparation were discussed as well as how the travelers would "survive" the first two days with jet lag. The group then looked at the list of extra tours that they would take, among which includes a trip up the Eiffel Tower and a disco in Amsterdam. Travelers were then given their roommate assignments and "buddy checks."

Due to the length of the discussion and a chance to see some slides by Kristine Miller of Lazbuddie of her trip to Europe, the individual students did not do their reports on the sights in England that they will see. Before the travelers get to England they will report to the group of the awesome sights yet to be seen in England.

A semester test over the spring activities over the five countries of Holland, Germany, Switzerland, France, and England was then given. Stacy McElroy scored the highest, with Debbie Brown and Amber Green tying for second.

Prior to the meeting AIFS flight bags were distributed, plus *In Europe* and a Travel Journal. *In Europe* is an informative book that the travelers will take with them as it explains so much about the countries to be visited. The journal will be helpful as it also has maps of the major cities in Europe.

The Travelers will pick up their airline tickets June 3 at the home

of Johanna Wrinkle. They are to meet Monday morning at 5 as they will leave Lubbock at 8 a.m. for the beginning of the long-awaited "European Overview."

Winners of door prizes were Debbie Brown, Wendy Green, Chris Young, Terry Young and Ruth Riley.

Refreshments were served by Lisa McElroy, assisted by Lanelle Skaggs to the following: Mandy Collins, Debbie Brown, Amber Green, Wendy Green, Jeff Hicks, Kevin King, Pat King, Scott Miller, Pam Miller, Angel Pearson and Norene Pearson.

Also Ruth Riley, Heath Scott, Cary Skaggs, Lanelle Skaggs, Tonya Simmacher, Amy Turner, Janelle Turner, Chris Young, Terry Young, Shirley Hicks, Diane Brown, Kristine Miller, Johanna Wrinkle and Stacy McElroy.

American Institute for Foreign Study not only sponsors students tours but foreign exchange students who wish to spend either a summer or full year in another country. If anyone has a child that would like to participate in such a program, you are asked to contact Johanna Wrinkle at 272-3673 for further information.

Garden Spot Of The Week Begins Soon

Muleshoe Jennyslippers (Women's Division of the Chamber of Commerce and Agriculture) held their regular brown bag luncheon at noon Tuesday in the library. Donna Kirk called the business meeting to order and Ellen Ladd read the minutes of the previous meeting. A treasurer's report was given by Norma Bruce.

Jerry Hailey of the Muleshoe Chamber of Commerce was a special guest. He ask the Jennyslippers for their help on the 4th of July parade. After a lengthy discussion, the Jennyslippers voted to help with this project. It was announced that the parade will be at 11 a.m. on the fourth. Theme for the parade will be "The American Way".

Mrs. Bruce conducted a review of the by-laws revisions. The group will vote on these revisions at the next meeting. Bids were opened from Perry's and Ben Franklin's for the Easter Eggs for the 1989, Easter Egg Hunt. Ben Franklin's received the bid.

It was voted to have a garden spot of the week, through the summer months. During the next meeting, a committee to judge these garden spots will be chosen. Each committee will serve two weeks. Residents will be asked to call the CoC office no later than noon each Wednesday, if they either have or know of a garden to be judged. A sign will be placed next to the garden designating it as "Garden Spot of the Week."

The Jennyslippers voted to purchase a page in the Bailey County History Book for Memorial Day. This page will be in honor of all men and women from Bailey County who have or are presently serving their country in the Armed Forces.

Doris Wedel volunteered to be in charge of the noon meal for the

June 14 meeting. The brown bag luncheon, June 28 will be held at the Old Depot, if possible.

A report was given on the last skating sponsored by the Jennyslippers and also a report on the Walk-A-Thon.

OUTSTANDING STUDENT— Outstanding College Students of America has announced that Kimberly A. Roubinek has been selected as a new member because of outstanding merit and accomplishment as an American college student. Bridal Shower Honors

Miss Lisa Mount

The Gwyn Room in the Old Depot was the scene of a bridal shower Wednesday, May 25 at 2 p.m. honoring Lisa Mount. Pat Angeley and Ann Mount greeted the guests who were registered

by Theresa Barrett.

Pat Angeley served coffee, tea, cake and fresh fruit from crystal and silver appointments.

The serving table was covered with a country blue cotton sheen table cloth and accented with a special decorated cake, two hearts intertwined with the bride and groom's names inscribed on the hearts.

The honoree's corsage consisted of ivory roses.

The hostesses gift was a porch swing. Hostesses for the occasion included: Ann Mount, Theresa Barrett, Liz Tipps, Pat Angeley, Judy McDaniel, Linda Williams, Judy Cox, Debbie Williams and Angle Jones.

Golden Gleams

Prayer should be the key of the morning and the lock of the night. —Owen Feltham.

A good prayer, though often used, is still fresh and fair in the ears and eyes of Heaven. —Thomas Fuller.

Work as if you were to live 100 years; pray as if you were to die tomorrow. —Benjamin Franklin.

More things are wrought by prayer Than this world dreams of. —Alfred Tennyson.

TOPS CLUB

TOPS Club chapter No. 34 met at 6:30 p.m. Thursday in the Heritage Thrift Shop. Laverne James called the meeting to order with a prayer. The TOPS pledge was recited and the fellowship song sung.

Orvdie Burris called the roll with 13 members answering with the amount they had lost or gained. Minutes of the previous meeting were read by Thresia Davis, and they were approved as read.

Ernestine Steinbock was named best loser for the week. Runners-up were Laverne James, first; and Ruth Clements, second.

All members pledged to lose a set amount of weight by Dec. 31.

Nan Gatlin finished her KIW and is now a KOPS.

The meeting was closed with the singing of the goodnight song.

Mrs. J.D. Bayless

Becky Cress of Green Acres Washington, Anna Bell Cress from Fruitland, Washington and Dolly Lehabas from Deer Park, Washington cousins of Mrs. Mamie Adams came for her to take her on a three week trip for her 86th birthday. They spent the first night in Bonham where they visited her brother, G.C. Jaymes and Mrs. Edwards. Then they drove to North Carolina where they visited the Frank Wises' and other relatives at Nebo, N.C., and Logston, N.C. They also went to the cemetery where Mrs.

Adams grandfather, great grandfather and great great grandfathers were buried. They went sight seeing to the South mountains, Blue Ridge mountains, Smokey mountains, and Park Way, and to Lake James where there were 550 acres for a state park. They enjoyed picnics and visited relatives at Falston, N.C. They brought her home Thursday, 19th, she had a wonderful trip. ***
Visiting Mr. and Mrs. Elwood Autry recently was Mrs. Mitch Autry and children from Lazbuddie. ***
Brittany and Monty Kirby of Three Way spent the weekend with their grandparents, Mr. and Mrs. Goldman Stroud.

We would like to express our sincere appreciation to everyone for the cards, visits, prayers, food, flowers and kindness shown during the loss of our mother and grandmother, Paublita Morales.
Sincerely,

what's happening with the kids and in the schools.

He didn't just sit down and fold his hands, though.

When he moved his family to Muleshoe, his daughter, Lana, now Lana Lewis of Lubbock, and mother of his grandson, Dustin, was just getting ready to start school. "I came to Muleshoe with the intention of building a home and staying," said Coach Washington. "And, that's just what I did."

His son, Mark, resides in Muleshoe. Coach Washington's wife, Lois, who he is very proud to say became his bride almost 40 years ago, is still working as secretary to Bob Graves, principal at Watson Junior High School.

He says they were married on June 26, 1948 at Frederick, Oklahoma.

For many years, Coach Washington was known for his 'Board of Education,' and many people were recipients of his special 'Boards of Education.' He cut them out in the woodworking shop, shaped, sanded and painted them, and they were either sold, or auctioned off to help make money for the junior class to sponsor the junior-senior banquet.

Sandy Noble helped Washington cut out and form the special 'boards' which were painted white with black lettering, in keeping with the Muleshoe High School colors.

In years past, Washington did a lot of tree-trimming around

town, but has slowed down with some of that activity now.

He proudly shows off some of his woodworking displayed in his home, such as turning bowls on a lathe, book shelves and plaques.

He was proud to be a part of the winning football teams of the early '60's and has many plaques and honors displayed in the study in his home.

He has been honored by being featured in the annual twice during his 28 years with the Muleshoe School system, and served as senior sponsor several times, and was junior sponsor for many years.

And, how does George Washington sum up his many years in Muleshoe?

"I'm spending my time now working in my yard, with my roses and trees.

"I miss teaching. You don't put 34 years in teaching, retire, and don't miss it.

"I miss the youngsters, I miss the activities and try to attend as much as I can the activities of the school now."

During his years in Muleshoe, George Washington gained the respect of the youngsters -- who he kept in line with a firm, compassionate hand -- and the adults -- who were all treated on the same level.

George Washington's bottom line is this "I don't regret a time I've spent with kids. It was all good time. They've been good to me, and I miss each and every one of them."

EMT Duo

Con't. From Page 1

Both the young men, from Lubbock, were wearing life jackets, and one had an extra life jacket: hugged to his chest.

It was difficult to drag the fully clothed, water logged men into the boat, said Wauson and Burris, recounting how they had to strain to pull them over the edge of their boat and to safety.

After being let out on the shore, Stacy Burris had notified a game warden, and he showed up in a boat to assist.

As the two men were already in the boat with Wayne and Mary Wauson and Jackey Burris, the game warden attempted to pick up some of the floating debris from the sunken boat -- such as gas can, tackle equipment and other equipment.

The game warden thanked Burris and Wauson for their assistance, and returned to the shore, as did the Muleshoe trio with their extra passengers.

After getting settled down a bit, the Muleshoe group went to the crappie house and spent the rest of the day fishing from there, catching some 35-40 crappie.

Both men disclaim saving the Lubbock duo's lives, but, with the very high winds, and deep

waves, combined with cold water and shock, who knows how it would have turned out without them being right there.

It's just another example of the caring attitude of the Bailey County Emergency Medical Services. Both Wauson and Burris are active members of that group, with Wauson being Volunteer Crew Chief for the local EMTs who serve on the Bailey County Ambulance Service.

Their advice? "If the wind's blowing, keep your (self) in the crappie house, fishing from there."

THANKS GUYS-- for a life-saving job -- well done as can be expected from the local EMS.

Computer Camp

Scheduled Here

Computers are exciting!! And, learning to use them opens a door to ever-widening areas of entertainment and information, according to Georgia Pena.

She says this is the philosophy that prompted the Muleshoe Independent School District to offer two Summer Computer Camps in July.

These camps will provide students an opportunity to extend their knowledge of computer use. They will work with text processing, graphic utilities, and other software packages. Activities will be individualized, designed for the student with no previous computer knowledge, as well as those with computer experience.

Computer Camp I will be July 5-16. Participants will explore a variety of software packages. They will practice text-writing skills in a variety of activities; and they will create and edit graphics using available software.

Computer Camp II will be July 18-29. It is open to students who have either completed Computer Camp I, or who have some knowledge of computers and text processing. Participants will manipulate information in a prepared data base, compile data bases of historical or geographical information, and produce an illustrated book of facts, using textwriting, data base, and graphic utilities.

Sudan High School Holds Athletic Banquet

By Evelyn Ritchie
Some 76 athletes of Sudan High School were honored Monday night at the All-Sports Banquet held in the school cafeteria. They were praised by their coaches of each sport and Superintendent Willie McAlpin summed-it-up by saying that each of the students were very

important in the total team picture of a successful athletic program at the school. Prior to the meal, the invocation was given by Jayson Vincent.

Coach Mike Martin began the awards program by highlighting all the honors won by the Hornets this school year. Several girls were outstanding on the district, regional and state levels, especially four senior girls who were named to the Texas Coaches Association Academic All-State. Kathy Powell, Shannon Peck, Darlene Henley and Melissa Nix were among 30 state-wide receiving this honor. Coach Martin was assisted by Coach Doug Jones.

Coach Royce McAdams began the boys presentation by giving special honor to the seniors for their leadership. He also issued a

special thanks to Son Qualls for his 41 years of service and dedication to SHS. Following several 'humorous' stories, he presented awards to 15 freshman boys. Jeremy Miller received the coveted GATA award. This is an extra achievement award presented to one boy in each class.

Coach Ed Henley presented the sophomore class when Kyle Maxfield was honored as a state participant in track and Justin Holley as a regional track qualifier. James Richards received the GATA award.

Eleven Junior boys received plaques with Elliott King and David McDaniel having participated in the State track meet, Angel Garza received the GATA award. Coach Henley presented the awards, assisted by David Quisenberry.

Coach Quisenberry also assisted McAdams in presenting the nine graduating seniors. Several of them received district, regional and state honors with Jimmy Glascock receiving the

GATA award and Michael Bartley received the honor of receiving a special academic state football award, one of 10 given in class A schools.

During the special awards Mr. and Mrs. Alan Beale was given an award for being Outstanding Boosters by the Booster Club. Members of the Booster Club also presented gifts to the coaches and Son Qualls. Mrs. Cynthia King received gifts as cheerleaders sponsor. Glen Cardwell and Edwin Harper were awarded certifications of appreciation for service on the Board of Trustees.

Highlighting the awards program was the naming of Hustling Hornets. This boy and girl are named by their teammates as best personifying the spirit of SHS in ability and sportsmanship. Named as Hustling Hornette was Shannon Peck. Receiving the honor of Hustling Hornet was Anthony Williams.

Receiving the \$500.00 scholarship awards presented by Boost-

er Club president Rodney Maxfield, were Shannon Peck and Jimmy Glascock.

The benediction was given by Kathy Powell.

GREEN THUMB

EVERYONE IN THE CHURCH THE CHURCH IN EVERYONE

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Coleman Adv. Ser.

GREEN THUMB... is the way of describing those that have a way with plant life. The ones, who are so gifted, will tell you that to be successful with plants, you must see that they have plenty of water. God knows too, that a soul must be watered in order for it to mature and grow.

"...and thou shalt be like a watered garden, and like a spring of water, whose waters fail not." Isaiah 58:11

Sudan News

By: Evelyn Ritchie

The Morning Group of the Sudan Methodist Women met Monday, May 16 for their last meeting until September with Anna Black as hostesses.

Rhonda Minyard gave the opening prayer and Laverne Harper presented the study of Nehemiah, Chapters 8-10.

Those present were Mary Olds, Laverne Harper, Rhoda Minyard, Nell Lane, Ruth Newman, Hazel Gaston, Bertha Vereen, Thelma May, Gil Rogers, and Anna Black.

Sonja King of Lubbock recently passed the registry exam and will add MT (ASCP) to her little of MT (AMT)--Medical Technologist (American Medical Technologist).

Sonja is Co-Ag, Serology and Urinalysis Supervisor in the lab at St. Mary's Hospital in Lubbock.

Sonja is a graduate of Texas Tech University with a Bachelor of Science Degree in Biology. She is married to Neil King and the mother of three children, Diedre, Courtney and Nathan. She is

the daughter of Mr. and Mrs. Dale Newsom, Sudan and granddaughter of Polly Hargrove, Sudan.

The 1988 OCSA is pleased to announce that Julie Kay Serratt has been selected as a new member of merit and accomplishment as an American College Student of 1988.

Julie is the granddaughter of Louzell Serratt, Sudan.

Anita Kay White of Corpus Christi has been here this past week to be with her parents, Mr. and Mrs. Son Whitmire, when her father underwent bypass surgery, and another surgery later. She also visited with Mr. and Mrs. Ed White, her mother and father-in-law.

Mr. and Mrs. Gil Rogers visited Saturday with Seva Ray in a Lubbock hospital.

Julie Serratt, granddaughter of Louzell Serratt, was in an automobile accident on May 12 when she was going home from Denton. She is in the hospital with a broken hip.

Monica, Ernie and Stephanie Minyard of Colorado City are spending this weekend with their grandmother, Rhoda Minyard.

Ginia Nichols has returned

home after a visit of several days in Winters with Mr. and Mrs. Jiggs Nichols.

Marvin and Mary Tollett went to Denton Friday where they met Mr. and Mrs. Ray Shafer of Beaumont, Mrs. Geoff Kimbell of Marietta, Ga. and Raymond Shafer at San Antonio. They attended graduation exercises at Texas Womens University Saturday when Raymond received a Bachelor of Science degree in Occupational Therapy. He was the only boy in a class of 252 graduates. The Tolletts also visited in Lubbock with the Burck Tollett family enroute home.

Louzell Serratt has been visiting recently in Bangs with Rev. and Mrs. Eddie Freeman, in Coleman with a sister-in-law, Lorene Brown, in Brownwood with Jessie Jordan, and in Hico with Mr. and Mrs. Melvin Serratt with boys.

Health Service Schedules Free Pressure Clinics

Blood pressure is the force of the blood against the walls of the arteries and veins through which it is being pumped by the heart.

High blood pressure (hypertension) is the condition that exists when the heart pumps harder than it should to circulate the blood.

The hypertension threshold recommended by the Joint National Committee on Detection, Evaluation, and Treatment of High Blood Pressure in 1984, for an average-sized adult, is a reading of 140/90 mmHg.

If high blood pressure is not treated, the heart may continue to work harder and harder, eventually becoming enlarged. The high pressure may result in damage to the eyes, heart, brain,

or kidneys.

In about 10 percent of patients, high blood pressure is found to be a symptom of an underlying problem, such as a kidney disease, tumor, or congenital defect. This is known as secondary hypertension.

If the underlying problem is corrected, the blood pressure usually returns to normal. In 90 percent of patients, the reason for high blood pressure is unknown. It is known however, that being overweight or using a great deal of salt, can contribute to the problem.

South Plains Health Provider Organization, Inc. will be providing free high blood pressure screening in all of its clinics. Personnel will be available to screen, at the workplace those businesses and industries whose employees would like to be screened.

For more information on the

community health services provided by SPHPO, call the director of Health Services at 293-8561.

NEW TORCH TWIN-PACK HERBICIDE

Cuts it when others can't.

CUTS OUT CARRYOVER.
 TORCH Twin-Pack Herbicide meets the special needs of rotational corn and sorghum growers. TORCH brand won't damage your crops this season or your rotation crops next season. That's because it's specifically designed to do the job and then break down, leaving your field safe for rotational crop planting next year.

CUTS OUT THE COMPETITION.
 TORCH is the post-emergence herbicide specifically designed to cut down over 20 broadleaves in corn and sorghum. It controls the tough weeds like velvetleaf, cocklebur, and pigweed. And its powerful combination of bromoxynil and atrazine works like no single pre- or post-emergent herbicide can.

CUTS THE COST OF BROADLEAF CONTROL.
 TORCH Twin-Pack Herbicide gives you more than effective broadleaf control, it gives you economical weed control, too. That's because it's a part of a complete cost effective weed control plan. And TORCH is easy to use. Treat for grasses first then let TORCH cut down broadleaves when they come up. TORCH brand can save you money because, unlike pre-emergence herbicides, you don't have to treat every acre. Just treat the acres with a broadleaf problem. No matter how you look at it, TORCH can cut it when others can't.

CUTS CROP DAMAGE.
 TORCH Twin-Pack Herbicide is strong, but only on broadleaves. Its bromoxynil controls many species of phenoxy- and triazine-resistant weeds and its low concentration of atrazine controls the partially emerged weeds. TORCH does all this without the crop damage phenoxy and dicamba can cause. And it won't drift to adjoining crops either. TORCH is the herbicide designed for the special needs of corn and sorghum.

Word of Advice
Woman's Club Speaker:
"And, ladies, don't turn away the wanderer seeking food at your door. It's only then that wives will know what a relief it is to see a man eat a meal without finding fault with the food."

HOW TWEET IT IS--Causing a brief flurry of excitement Thursday afternoon, this large bus showed up on the parking lot of the local Dairy Queen. Yes, it was indeed Conway Twitty, and his band, on their way to Nevada. Although Twitty did not meet with the press, his band confirmed that he was aboard his 'Twitty City' bus as designated on the front. The distinctive 'Twitty Bird' on the side, complete with guitar, was a giveaway. (Journal Photo)
