Mountain Echoes

By Barbara Kingsbery

Mistakes in the newspaper are easily made and hopefully overlooked by the readers. It's always comforting to know that the NEWS is not the only one to make errors.

The May 4, 1972 issue of the Crystal City SENTINEL had the following paragraph:

John Walker will represent La Pryor in the Public Speaking Contest with a speech entitled "Whom Controls Beef Prices."

How's that for influence from our little neighboring community!

bk

Howard L. Welch of Fort Worth was in the NEWS office last week inquiring about real estate here. He is considering moving to Santa Anna after he sells his Fort Worth property.

Mr. Welch, who recently received his 50-year pin from the typographical union, started his printing career with the NEWS in 1915 while still in high school. Although more recently a postal employee, Mr. Welch has maintained his affiliation with the printers union.

bk

There is one up-standing local citizen who contends the appearance of a turtle is a sure sign of rain. He has expounded his theory to all his friends for a long time.

After drinking coffee and visiting with friends recently at a local cafe, the gentlemen returned to his pickup in the parking lot and found a huge turtle waddling around in the back.

We hope he saves the turtle for the hot, dry summer which we usually expect!

The City Library is now open each weekday with the help of the Neighborhood Youth Corps program. Local readers and any others interested are urged to use the library. Many new books are available free of charge.

Read the "City Library" column in this issue of the NEWS for more information.

XYZ MEETING NEXT TUESDAY TO END YEAR

The final meeting of the XYZ club for the year will be at 2 P.M. on June 13, at the Community Center of the Mountain City Apartments.

Mrs. John Hart is the retiring president. Officers will be elected at the meeting and there are several items of business which will be discussed. The question of summer meetings is to be decided, as is the merger with the American Association of Retired Persons.

All members of the XYZ are requested to be present.

LUBBOCK VISITORS

Mr. and Mrs. Arnold Richards spent Saturday night with his mother, Mrs. C. H. Richards and daughters. They were on their way to Waco, where their oldest son, Ronald, is to attend an eight-weeks session in physics. He will be a senior at Coronado High School in Lubbock in the fall.

Other Sunday visitors in the Richards home were Elder and Mrs. Afton Richards of Ralls.

RONDOE HORTON RESIGNING FROM DEPUTY SHERIFF POST

Rondoe Horton is presently resigning his position as Deputy Sheriff, it was announced Monday by Mayor Thomas Wristen, who expressed regret at Mr. Horton's resignation and appreciation for his past work as deputy sheriff.

The City Council will meet at 7 p.m. on Thursday, June 8, and at that time will discuss plans for a replacement for Mr. Horton. It is possible to get assistance through the Council of Governments in sending men through a school of law enforcement, at the close of which they will receive official certification in police work. This is an advantage for ambitious young men, and offers a great future in law enforcement.

Crisco Trophy Awarded May 25

Sandra Hosch, daughter of Mr. and Mrs. Charles Hosch was awarded the Crisco Trophy for her outstanding work in homemaking and the Future Homemakers of America Chapter at Santa Anna High School's annual Awards Day, Thursday, May 25th in an assembly program.

The gold trophy was presented to Miss Hosch, a junior at Santa Anna High School, by the principal, Mr. Floyd Marshall. In presenting the Crisco Trophy, Mr. Marshall congratulated Sandra on the excellence she has shown in her work and said he "felt certain her achievement in homemaking would be a lasting inspiration to other students."

Sandra is First Vice-President of Area VI FHA and president of the Santa Anna FHA Chapter for 1972-1973. She will assist in the Brown County FHA workshop as chairman of the Program Planning section, which will be held Wednesday, June 14th, in the Homemaking Department of Brownwood Senior High School. On Thursday, June 15th, Sandra will attend and participate in the Area IV In-Service Leadership Training Workshop for area officers. The meeting will be held in the Homemaking Department of Brownwood Senior High School under the supervision of Mrs. Sammie Tate Pittman, Area IV Supervisor. Resource people from the vocational division of the Texas Education Agency, Austin, will also be participating. At the meeting plans will be formulated for the Area IV FHA Meeting for the spring of 1973.

On July 10-13th, Sandra will attend and participate in the National FHA Meeting to be held in Los Angeles, California. She will be one of the Texas delegates.

Carol Kingsbery, feature twirler of the Santa Anna Mountaineer Band, received a Division I rating in the University Interscholastic League state twirling contest at Austin last Monday. She was awarded a large gold medal upon being given the superior rating for solo twirling.

The state contest is limited to twirlers who have received Division I ratings in regional contests. Twirlers from schools of all classifications—AAAA through B—are judged together. An estimated 200 twirlers from over the state

Anyone interested in becoming an officer of the law should meet with the City Council Thursday night.

Mr. Horton plans to remain here and continue his stock-farming operation north of town.

Many From SAHS Are Qualified For Honor Roll

Twenty-six students, over twenty percent of those enrolled, qualified for the term honor roll at Santa Anna High School according to a report from principal Floyd Marshall. To qualify for the list a student must have a certain number of grade points and no grade of C or below.

Senior students led the list with the following: Deborah Aldridge, Judy Brusenhan, Betty Chaney, Linda Dean, Raul Guerrero, Tommy Lewis, Lonnie Lowry, Sharon Loyd, Jay Lynn Moseley, Sherrie McIver, Suwanee Smith, Mark Wise.

Junior students on the honor roll were these: Janice Armstrong, Leann Bryan, Julie Eubank, David Horner, Carol Kingsbery, Terry Loyd, Janice Martin, Cynthia Rolfe, Lucinda Smith.

Sophomores on the list were the following: Serena Bryan, Regina Cupps, Lane Guthrie, Susan Newman. Only one freshman, Judy Cupps, qualified for the honor list.

335 Votes Cast In Demo Run-off Election June 3

Santa Anna voters went right along with the state winners in the Second Primary last Saturday, with a total of 335 votes being cast.

Dolph Briscoe received 202 votes, Mrs. Farenthold 73. Barefoot Sanders had a total of 218 while Ralph Yarbrough got 111. For Lieutenant Governor, Hobby received 186 to Connally's 148, while Comptroller Robert S. Calvert drew 169 to Wilson's 161.

HERE FOR SUMMER

David Brooks of Crane is visiting in Santa Anna with Mr. and Mrs. Alfred Hill. He will spend the summer vacation with his aunt and uncle.

State UIL Superior Rating Given SAHS Feature Twirler

Carol Kingsbery, feature twirler of the Santa Anna Mountaineer Band, received a Division I rating in the University Interscholastic League state twirling contest at Austin last Monday. She was awarded a large gold medal upon being given the superior rating for solo twirling.

The state contest is limited to twirlers who have received Division I ratings in regional contests. Twirlers from schools of all classifications—AAAA through B—are judged together. An estimated 200 twirlers from over the state

were participating in the contest.

The daughter of Mr. and Mrs. Tom Kingsbery, Carol will be a senior student at SAHS next fall. She was twirler and drum major of the junior high pep squad and was a twirler as a sophomore before being chosen feature twirler. She is a twirling student of Mary Jane Gilley of Brownwood and has attended summer twirling camps for a number of years.

The Monday contest was held on the South Mall at the Texas University tower building.

A NEW SIGN has been installed at the Kate Mathews Memorial Park in downtown Santa Anna. A project of the Mountain City Garden Club, the park was named for the charter president of the organization and is on property formerly owned by the Mathews family. The attractive site is often referred to as the "Little City Park."

Garden Club's Memorial Park Adds To City Beautification

From rugged ragweed to a place of beauty is the milestone of the Mountain City Garden Club for the Kate Mathews Memorial Park on Wallis Avenue in downtown Santa Anna.

About three years ago, the local garden club began its search for a new project to go along with its rose garden and other improvements at the Santa Anna Cemetery.

Its selection was a weed patch between the Joe C. Mathews building and the Herring service station. And the work was begun.

The Mathews family donated the land to the club.

It was first prepared and sowed with Bermuda grass seeds. Afterward, shrubs were planted against the north side, then non-bearing mulberry trees across the west, one donated by the Civic Improvement Club.

In January 1969, an Arbor Day program was held there with Mrs. C. D. Bruce as the guest speaker. Each person present took turns on the shovel until a tree was planted.

Since then, other shrubs have been donated and planted by the club members. Each fall now there is a bright array of pyracantha along the east brick wall with bidoms which are rated as a good indication that winter is not far away.

The park also has a concrete table and benches for picnickers.

A member of the garden club, Mrs. C. M. Moseley, presented the park with a bird bath, and Mr. and Mrs. Vernon Herring assumed the responsibilities of watering the vegetation after the City of Santa Anna piped in a water supply.

Bright red pots of flowers now hang from a wrought iron stand in the center of the park.

This year the city has grveled the space between the sidewalk and the street. Mr. and Mrs. Ford Barnes donated some wrought iron furniture. Mrs. Lee Mobley in California heard of the project and responded with a donation of a 1935-36 club yearbook.

In the spring, the club constructed a brick planter with a wrought iron marker to go with it.

Always busy, the Mountain City Garden Club has a flower show each year and sometimes a fall show is included. They have cared for the planter boxes at Ranger Park Inn, made table arrangements and carry gifts to the guests each Christmas and on other holidays.

The membership has also donated to the cancer, heart and local cemetery, association drives and has worked toward the development of the Santa Anna Community Civic Center.

The club held a Valentine luncheon after the annual fall festival dinner and Christmas Bazaar. The club decorates a downtown window each year for which they have won a prize.

And they continue planning for future projects.

W. F. Cawyer Elected President Of Santa Anna AARP Organization

A local chapter of a national organization, American Association of Retired People, was organized in Santa Anna last week. Jerry Johnson, state vice president, and Mrs. Patsy Fowler, assistant state director, were here to assist with the organization.

The local group will be known as the Chisholm Trail Chapter of AARP of Santa Anna.

ESA Bike Ride Slated June 16

Santa Anna bicycle riders will have an opportunity to take part in a bike ride on Friday, June 16. Sponsored by the Santa Anna and Coleman Epsilon Sigma Alpha sorority chapters, the 15.4 mile ride will be round-trip between the two towns, with local bike riders to start and finish at Gilbreath's Fruit Stand, and Coleman riders to start and end at May Agri-Business Feed Elevator, formerly F&G Feed Store.

All bike riders are to secure sponsors and solicit pledges prior to the ride. Prizes will be awarded the first to finish, oldest to finish, youngest to finish, most sponsors, and most money.

Proceeds from the county-wide bike ride will go to the ESA International project to benefit the St. Jude Children's Research Hospital in Memphis, Tenn. The local ride is in conjunction with a nationwide "Million Dollar Bike Ride" from coast to coast which will start in Washington, D. C. on July 3. Riders will primarily be college students from around the U. S. The nationwide bike ride is tentatively scheduled to pass through Coleman on August 2.

Applications for the local bike ride may be obtained at Bowen Drug in Coleman and at Countywide Insurance Co. and Phillips Drug in Santa Anna. Everyone interested is invited to participate.

Swim Program For Local Kids Starts June 19

The annual summer "Learn to Swim" program will be held for Santa Anna children during the last two weeks of this month. The lessons for non-swimmers are to start Monday, June 19, and continue through Friday, June 30.

Mrs. Charles Hosch is chairman of the swimming committee of the Summer Recreation Organization and is coordinating plans for the two-week session.

Children participating in the program must be non-swimmers who have attended school one year or more. They will be taken to the Coleman pool by bus each day for the lessons with the exact schedule to be announced next week.

SA Bands Visit Six Flags Park

The Santa Anna school bands were in Six Flags Over Texas on May 30, going by school bus. Mr. and Mrs. Max Eubank, Mr. and Mrs. Aubrey Edwards and Mrs. Elgean Harris accompanied the group, which returned to Santa Anna about 1 a.m. on Wednesday.

The students found the highlights to be the rides and shops in Six Flags, while the adults report that the landscaping and thousands of shrubs and flowers make the place more attractive each year.

known as the Chisholm Trail Chapter of AARP of Santa Anna.

Also attending the meeting were people from Amarillo and Odessa who are officers and directors of the state organization.

Mayor Thomas Wristen gave the welcome at the luncheon meeting. Fifty-four people from Santa Anna, Bangs and Trickham were present for the meeting.

Elected officers of the local chapter were W. F. Cawyer, president; J. A. Harris, vice president; Mrs. Henry Newman, secretary; and Mrs. Norval Wyle, treasurer.

The local group will have its monthly meetings on the third Monday of each month. Each meeting will be a covered dish luncheon and all people 55 years of age and over are invited to attend.

At the June 19 meeting the president of the Abilene AARP chapter will be guest speaker.

In addition to the social aspects of the club, there are other benefits available to its members as well as to the local community. The organization is not church orientated nor is it affiliated with any political party. It is strictly for the benefit of retired citizens. Membership in the national organization totals more than three million.

Coleman Program Available For S. A. Swimmers

Santa Anna children are invited to participate in the Coleman Summer Recreation Program swimming classes, it has been announced here. Although the three-week session began Monday, swimmers may still join the group for the remaining time.

Classes for beginner and advanced beginner swimmers are taught from 11 to 12 each day at the Coleman pool. Intermediate and advanced classes are from 12 noon to 1:00 p.m.

The cost of the lessons is 25 cents a day. Santa Anna swimmers interested in taking part would have to arrange their own transportation.

At the close of the three-week session, classes in junior and senior life saving will be taught. Young people planning to enroll in these courses are recommended to take the advanced swimming lessons in preparation for the life saving course.

Since the Santa Anna swimming program will be for non-swimmers only, others in the community are especially invited to participate with the Coleman groups. Mrs. Ross Jones is in charge of the Coleman swimming program and may be contacted for more information.

L-LEAGUE WINS AGAIN

The Little League Mets won both their games during the past week, defeating the Yankees on May 30 and the Senators on June 2. Games during the next week for the local team will be a 6:00 p.m. home game with the Giants Friday night, and a game at Coleman with the Dodgers next Tuesday night, June 13.

The Pee Wee Owls will host the Orioles tonight at 6:00.

The Bears and the Cats, two minor league teams, both have games on Thursday night and Monday night. The senior Little League Orioles also play tonight and next Monday.

In Our Opinion

By W. T. HAYS

A GROUP OF BLACKS calling themselves the "Congressional Black Caucus," gave an ultimatum to the Democratic party last Thursday under the threat of deserting the party if their demands were not met. The demand, drawn up by a 13-member caucus claimed to speak for 20 million or more Blacks in the United States, and said without them the Democrats cannot win in November.

Their demand, if it were met, and the Democrats came to power in November, would create a virtual utopia for the Blacks and others who depend on welfare for their living.

It included full employment, a guaranteed annual income, national health insurance, an immediate end to the Vietnam war, and the appointment of Negroes to top government and federal judgeships, among many other things.

They don't ask much, do they?

As many observers have pointed out, such welfare state giveaways in the past have proven to be a greater drain than the economy can stand, and have proved to be plenty of incentive for the Blacks and others who gladly depend on welfare for their livelihood to not bother to look for employment. They had much rather let the Whites do the work and use their tax dollars for their living.

The guaranteed annual wage is obviously an unworkable idea as far as our economy is concerned. There is no way that the government can guarantee anybody an annual wage for not working. Under such a plan it wouldn't be long until there would be more people sitting down on their behinds and drawing the wage than there would be working. Figures used in discussing the idea in the past are more than some working people make today. If they could draw it without working, then why work?

As for national health insurance, the inception of Medicare are Medicaid for the elderly has caused such an increase in the workload of doctors until it is almost impossible to see one, and when and if one does get appointment, the doctor just has time for the briefest diagnosis. If it is something out of the ordinary then theirs is a lost-cause, because the physician doesn't have time to study the case nor do research as to the cause and cure.

As far as top government jobs and judgeships, those who have received such appointment have proved to be radical in their thinking with an ultra-liberal ideology bordering on Communism, and the majority of the people of this country do not go along with that. If a Black is qualified and unbiased, then he might rate such an appointment, but so far there have been none to this writer's knowledge which would fit the qualifications.

If the Democrats could come up with a real candidate for President, they could defeat President Nixon in November regardless of Black support, but so far they have very little indications that they will. McGovern, Humphrey nor even Kennedy can defeat Nixon in the general election, and they can mark it on their calendar that this is so.

People will sit back and criticize President Nixon, but when the time comes, they will vote for him in preference to the ultra liberal Democratic contenders.

Last week on television contenders Humphrey and McGovern were on a special program of Meet the Press, which would have caused the fathers of our country to turn over in their graves. Some of their ideas were so far out that any middle-of-the-road or conservative citizen cringed when they gave them. It was a repeat performance of the Roman government before the fall of the Roman empire. If their ideas were carried out this country would be bankrupt in short order. Just give, give, give to the undeserving and take, take, take from the industrious.

This writer is frustrated and confused by the direction some of the so-called leaders in this country are taking. What the outcome will be is everyone's guess. But, from our viewpoint, it can be nothing but bad if the trend isn't reversed.

STATE Capital NEWS
By BILL BOYKIN

Austin — Forecast for the State Democratic Convention at San Antonio June 13 grows steadily stormier.

Agriculture Commissioner John C. White, who already had announced as a candidate for convention chairman against Roy Orr of De Soto, the state Democratic executive committee chairman, received backing of National Committeewoman Mrs. Carrin Patman, Ganado.

Mrs. Patman accused Orr of "wrecking the party" and predicted a "disastrous blood letting" at San Antonio if he presides. She said Orr won't abide by the party rules he helped write himself, and that giving him the convention gavel would "sabotage chances of the Texas delegation's being seated at the July 10 national convention."

Supporters of Sen. George McGovern for president agreed Orr should not be chairman and that White is a "fair man." However, they contended, an endorsement on their part would be "premature."

Also under fire is makeup of the convention credentials committee named by Orr. Critics claim it isn't representative of presidential preferences and age and ethnic groups.

Orr earlier fired back that "liberals" are trying to take over and run the show, and he isn't going to permit it if he can help it.

Some observers have calculated that convention delegate spread is actually pretty close, with backers of McGovern, Gov. George Wallace and Sen. Hubert Humphrey all claiming a sizeable chunk of the votes. To gain as much strength as McGovern and Wallace on the 130-vote Texas delegation to the national convention, Humphrey would have to pick up most of the uncommitted delegates.

Republicans see only harmony for their state convention in Galveston June 13. They are even scheduling beach parties. **AUTO RATE CUT SEEN** — The State Board of Insurance will meet July 24 for its annual hearing on auto insurance rates, and Chairman Larry Teaver thinks a reduction is in order.

A 23 per cent increase approved last year was blocked by a presidential wage-price freeze. Rates have been in effect since Jan. 1, 1971, when a 14 per cent boost was approved. There has been no reduction since a fractional cut in 1967.

Teaver said profits from underwriting nationally are at an all-time high, as are investment profits of auto insurance companies. He plans to submit a "personal injury protection" proposal to the Board as a substitute for no-fault auto insurance. The Teaver recommendation includes liberalized medical benefits on a no-fault basis, income replacement and life insurance instead of uninsured motorists and medical payments coverage.

Conceivably, Teaver could be out of a job before the July hearing. The Legislature convenes in special session June 14, and Teaver's appointment to the Board is pending in the Senate.

DRAFT PLANS TOLD — About 400 men from Texas are expected to be inducted into military service during the month of July, although no

quota yet has been assigned the state.

State Selective Service Headquarters has announced that young men with lottery numbers of 50 or lower in the year's first priority selection group will get their induction orders next month.

Those with numbers of 90 or lower may get pre-induction physical examinations during July.

Col. Melvin Glantz, state director of Selective Service, said 30 days' notice is planned for all induction orders.

COURTS SPEAK — Farmers can sue cattle feedlot operators for damages due to offensive odors even if they don't live on their land, the State Supreme Court held.

To properly assess whether movies are obscene, judges and juries must see the entire films, the Court of Criminal Appeals ruled.

A 300-year prison sentence assessed a Wichita County man for selling heroin was reversed because he didn't get a court-appointed attorney until the day of trial.

A federal district court ordered the State to make payments to Wichita County for aid to families with dependent children, even though it lacks control over welfare personnel employment there.

SMITH SEEKS FUNDS — Gov. Preston Smith went to Washington in search of federal matching funds for social services to welfare beneficiaries.

He said the federal government now pays states \$3 for every \$1 they spend on social services, but the White House's proposed new rules would prevent Texas and other states from considering work by some agencies.

An aide to the governor said the state is not getting federal matching money for counseling, family planning and home-making assistance to the needy. **COLLEGE FUNDS AVAILABLE** — More than \$13.2 million is now available on a formula basis for 17 universities to construct buildings, Comptroller Robert S. Calvert announced.

Calvert said these sums are available to the following institutions:

University of Texas at Arlington, \$635,198; Texas Southern \$233,087; University of Houston, \$1.15 million; Texas Woman's University, \$225,596; Texas A.&I., \$803,969; Texas Tech, \$723,226; Lamar, \$1 million; Midwestern, \$205,822; Pan American, \$586,169; East Texas State, \$614,673; North Texas State, \$1.1 million; Stephen F. Austin, \$1.6 million; West Texas State, 289,710; Angelo State, \$396,203; Sam Houston, \$1.3 million; Southwest Teyas State, \$2 million and Sul Ross, \$109,952.

AG OPINIONS — Atty. Gen. Crawford C. Martin held the state's 1970 contract to purchase 3,965 acres of Mustang Island at \$4.2 million for a park is a binding obligation. Opponents on the Parks and Wildlife commission insisted the Commission can still revoke the contract, although Martin indicated the state may be liable for a lawsuit if that happens.

In another recent opinion, Martin held the Parks and Wildlife Department cannot contract for sale of water to a private individual whose property adjoins a state park.

A Grand Prairie man had sought a permit to tap the water line in Eisenhower State Park.

DANIEL CLAIMS SPEAKER-SHIP — Rep. Price Daniel Jr. of Liberty claims 85 firm votes for speaker of the House of Representatives next year.

Present Speaker Rayford Price of Palestine faced a strong runoff challenge for reelection in his home district.

Daniel said he would not be a party to any movement to oust Price as speaker during the June special session.

ETHICS BILL PLANNED — A House committee on rules scheduled a June 8 meeting to write an ethics bill requiring full financial disclosure by members of the legislature, the governor and lieutenant governor.

Rep. Guy Floyd of San Antonio said the committee will offer reform rules to the special session. Floyd said he envisions an ethics bill requiring reporting of stock and land transactions annually as well as all income sources.

SHORT SNORTS

Retired teacher of the year award went to Mrs. Billie Smith Bolin of San Angelo.

The index of estimated Texas personal income declined one percentage point in April, according to University of Texas researchers.

Two hundred and 33 of the 254 counties have been paid more than \$1.5 million by the state for issuing voter registration certificates for the 12 months ending January 31.

A new state bank application at Presidio (First Presidio Bank) has been filed with banking authorities.

The Lower Rio Grande Valley asked for \$14.4 million in highway improvements, largely to strengthen its tourist industry.

Thirty-two applications for permits to sell \$43.3 million in securities have been filed with the State Securities Board.

David Tobin Snowden, 18, of San Antonio was named Texas' Outstanding Teenager for 1972.

Maryland has the only state flag bearing a coat of arms.

Trickham News

By Mrs. Oscar Boenicke

An old timer of our community, Tom Bingham, 87 years of age, died suddenly at his home in Brownwood Tuesday night, apparently after a heart attack.

Services were held at 3 p.m. in the Union Church at Trickham with burial in the Trickham Cemetery, directed by Wright - Morelock Funeral Home of Brownwood. Rev. Chester Wilkerson and Howell Martin had charge of the service.

Mr. Bingham was born and raised in the Trickham community. He met and married Dorthulla Kimbrell in Concho County in 1908. They raised

their family in the Trickham community. They moved to Eden in 1943 and then to Brownwood in 1967. He was a retired farmer.

Survivors include his wife, four daughters, Carrie Ruth Davis of Ranger, Edith Ausmus of Houston, Juanita Pearce of Kearney, Ariz., and Lucile Jones of Brownwood; two sons, J. R. Bingham of San Angelo and Dick Bingham of Eden; two half sisters, Mrs. Albert Stoepfeler of San Angelo and Mrs. Arthur Jackson of Sterling City; 12 grandchildren, 17 great-grandchildren and three great-great-grandchildren.

Pallbearers were Rankin McIver, Grady McIver, G. K. Stearns, Felton Martin, Jesse Earl York and Ray Jones from Brownwood. The rest were from Trickham.

Visitors with the Walter Stacys after the funeral were his two sisters, Lula Hancock and Tavy Ford, and Brother Wilkerson and Russle James. Sunday evening the Grady McIvers, and Sunday night the Oscar Boenickes visited them.

Visitors with the Bernice McIvers Sunday evening were their daughter and girls, Mrs. Melvin Storm and Betty and Ann of Brownwood, and Roy and Inez Miller of Coleman.

Our minister of the First Christian Church of Santa Anna, Bill and Nann Taylor and Nancy were dinner guests with Oscar and I Sunday. It was Nann's birthday so she had birthday dinner with us.

Rev. Travis Gipson of Lake Brownwood, the Baptist minister, preached here Sunday morning and night.

Sherrie McIver and Janice Martin will be going with the 4-H group to A&M Tuesday to enter the State Share the Fun Contest.

Mr. and Mrs. Earl Lindley of Menard visited his sister and husband, the Bond Featherstons, Sunday afternoon, and Lou Featherston of Brownwood went to the Boatwright reunion at Abilene over the weekend, and she came by the Bond Featherstons Sunday evening on her way home.

Mr. and Mrs. Dwight Hudson of Santa Anna visited with the Terry McIvers at the Grady McIver home Saturday night and Sherrie McIver visited them Monday morning.

Mrs. J. Y. Seward of Brownwood and her niece, Jayne Garmon of Fort Worth, visited the Oscar Boenickes Monday morning.

Did you ever have your school-age youngster tell you at 8 o'clock on a rainy night or at 7:30 on even a sunny morning that he has to wear a certain shirt to school and it's dirty? No problem if there is a clothes dryer on the premises.

Fair or foul weather friend, night owl and day laborer, a clothes dryer is at the ready. In a world filled with time and labor savers and conveniences it surely stands out. And of course, man-made fibers, permanent press and automatic washers and dryers were made for each other.

As simple to use as putting in clothes, closing a door, turning a dial and pushing a button, there are still some good sound questions asked about dryers and their use.

Do I have to buy the most deluxe dryer to get a permanent press cycle? No. Almost all new dryers are equipped to handle fabrics with this finish. The same cycle takes

Wiley a little Sunday night. She is the former Mary V. Burney.

Mrs. Linda Lamkin of Brownwood gave a demonstration on "Fashion 220" at the home of Mrs. Fred Haynes Friday night. A large crowd attended.

Mr. and Mrs. S. M. Fellers family was here last weekend for the senior graduation at Santa Anna. Linda Dean, his granddaughter, graduated this year, so they also visited in the Fellers home. Also Mary Kathrine's son is a graduate at Fort Worth and Mr. Fellers went with his daughter, Mrs. Rodney Dean of Santa Anna, for it over the weekend.

Ann Martin, the daughter of the Felton Martins, went back to Texas Tech at Lubbock this summer to college. The Quilting Club won't meet this Tuesday as we had a fifth Tuesday last month. We will meet the second Tuesday at the community center in the afternoon.

the very best possible care of man-made fibers.

How can I keep permanent press clothes from wrinkling in the dryers? Be sure they have a cool water rinse before the final spin in washing. The permanent press dryer cycle continues to tumble clothes after the heat shuts off so they are completely cooled when tumbling stops. For the best possible results remove them from the dryer right away.

Why do sheets—even permanent pressed ones—come out of the dryer wrinkled? Probably because of over-drying. Fabric naturally has some moisture content and over-drying removes it leaving the fabric harsh and wrinkled. Sheets should be removed from the dryer while slightly damp then, immediately folded and smoothed and placed on top of the dryer or some other flat surface to completely dry.

When only a few items are dried why do they all come out wrinkled? One or two items do not tumble well and may bunch or cling to the dryer drum. If the dryer load is very small, add a dry terry towel or two to balance the load and absorb moisture.

Does a clothes dryer have to be vented to the outdoors? Venting to the outside is highly recommended for any clothes dryer—gas or electric. It exhausts moisture laden air to the outdoors so that it does not condense on walls and floor.

Will a dryer yellow clothes? No. Yellowing develops because of improper laundry procedures—not enough or too much soap or detergent, overload in the washer, water not hot enough, poor rinsing, can be among the reasons. The heat of any dryer, or of an iron, may cause discoloring if good laundry procedures are not practiced.

THE CITY LIBRARY

The Santa Anna Public Library is a place of activity as the annual full-time summer schedule got underway Monday. Juanita Valdez, SAHS junior student, is serving as summer librarian under the direction of Mrs. Edwin Hipsher, Juanita, daughter of Mr. and Mrs. Steve Valdez of Rockwood, is working under the federal Neighborhood Youth Corps program which has provided summer employment for a number of high school students for several years.

The local library is now open from 9:00 a.m. to 12 noon and 1:00 to 4:00 p.m. each weekday.

A large group of new youth books have arrived from the Brownwood Public Library and another group of new books from the Abilene Public Library. These books will remain here in circulation for several months, then be returned to their respective libraries.

Everyone in the community is urged to take advantage of the free public library. The summer schedule is also a convenience for local readers.

A group of youth books, all stories about horses, include the following:

Benary-Isbert: Rowan Farm Berrisford: Red Rocket Mystery Horse
Gray: Blue Ribbon Summer Khoyer: Claudia's Five-Dollar Horse
Lyons: Bluegrass Champion

Lyons: Golden Sovereign

Some of the newer fiction books include "Man On A Rope" and "Uninvited Guest" by Cox; "The Corioli Affair" by Deasy; "Topaz" by Uris; and "The Nightengale" by Turnbull.

Another new arrival is reviewed briefly as follows:

THE VANISHED JET

By James Blish

Many people were distressed when the United States' new experimental Sub-Orbit-

al Transport failed to land as scheduled at the Paris Air Show. But for fifteen-year-old Stan Dorman, the news had special and terrible significance: his parents were aboard the plane.

Though Stan's father, Attache for Air to the Department of State, had groused about the plane's being rushed through testing in order to be flown to the air show, Stan was sure Mr. Dorman would never have consented to fly in it (and take Mrs. Dorman with him) if he had not been convinced it was safe. So what could have happened? Radar had been confused, but indications were that the ship had exploded on re-entry to the atmosphere or gone into unplanned orbit. In either case, chances for survival of the passengers looked hopeless.

Convinced that what goes up may very likely come down, and making use of some accidentally collected clues, Stan decides to find out what happened—with hair-raising and sometimes hilarious results. Ingenuity, knowledge of Arabic, and the resources of the U. S. Treasury aid Stan and his unlikely companion, Lt. Fax, in their pursuit of the vanished jet.

James Blish is best known for his science fiction adventures, but he is also the author of novels, plays, and half a dozen books for young people. He was winner of the Hugo Award for his science-fiction novel, "A Case of Conscience," and has been vice president of the Science Fiction Writers of America since its founding.

New Feed Plant Is Being Built By Swift & Co.

Swift Dairy and Poultry Co. is constructing an automated feed plant in Brownwood, it was announced last week by Charles K. Olcott, president.

The facility will have an annual capacity of 150,000 tons or a two shift basis. Features of the new facility will include automatic punch card batching and mixing systems for maximum quality control of all products, and the latest safety and environmental controls.

The plant is being constructed in Brownwood Industrial Park and is scheduled for completion by Nov. 1, 1972. Houston H. Wedeman will manage the new facility, which will replace the present mill.

Mr. Olcott said the plant will manufacture a complete line of livestock and poultry feeds, in addition to granular and block mineral products, protein supplement blocks and range cubes.

He said that Swift's basic goal in constructing the plant is to provide its growing markets in West Central Texas and Eastern New Mexico with the finest quality feed products and the best service available.

Eastern Star Installation Held At Masonic Hall On Monday Night

Mrs. Montie L. Guthrie was installed as worthy matron of the Santa Anna Eastern Star chapter on Monday night in a closed meeting at the Masonic Hall. Jack Bostick was installed as worthy patron.

Mrs. Bostick, a deputy grand matron of District 3, Section 5, Jack Bostick, member of the Masonic ambassador committee, and Mrs. Hubert Lane of Bangs, member of the visitation committee, were introduced.

Mrs. Roy West introduced the installing officers who included E. W. Balke, installing officer; Mrs. R. W. Balke, installing marshal; Mrs. Verna Newman, installing chaplain; Mrs. Bill Weeks, secretary; Montie Guthrie, installing warder; and Mrs. Willie Martin, installing sentinel.

Other new officers installed besides the matron and patron included Mrs. West, associate matron; Mrs. Cliff Herndon, secretary; Mrs. Blanche Grantham, treasurer; Mrs. Edna Henderson, conductress; Mrs. J. T. Avants, associate conductress; Mrs.

Eostick, chaplain; Mrs. Zuda Henderson, marshal; Mrs. Mae McDonald, organist; Mrs. Verna Newman, Ruth; Mrs. Richard Bass, Esther, and Richard Bass, sentinel. Other officers in the local chapter will be installed at a later date.

Mrs. Guthrie spoke on her emblem, "The Praying Hands." Her theme for the year is friendship, and her chosen flower is the red rose. The chosen scripture is Mark 13:30-31.

At the close of the installation service the group assembled in the fellowship hall where Mrs. Guthrie and Mrs. West served coffee, punch and cookies. The table was laid with a white cutwork cloth and centered with an arrangement of spring flowers.

Pictures of praying hands and red roses, painted by Mrs. Guthrie, were used as decorations throughout the hall.

Eastern Star members attended from chapters in Winters, Bangs and Prestwick, Scotland.

TERRI CALLOWAY

Wedding Date Set August 4

Mr. and Mrs. Sherman Calloway of Denver City have announced the engagement and approaching marriage of their daughter, Terri Lyn, to Charles Wallace, son of Mr. and Mrs. Morris Wallace of Jal, New Mexico.

Miss Calloway is a 1972 graduate of Denver City High School. The prospective bridegroom is a 1971 graduate of Jal High School and is presently in the Air Force stationed in San Antonio.

The couple will be wed August 4 at the Church of Christ in Denver City and will make their home in San Antonio.

Charles is the grandson of Mr. and Mrs. E. E. McClintock, Mrs. Dock Wallace and the late Mr. Wallace.

Final Meeting Held On Friday By Garden Club

Mrs. Arthur Casey was hostess for the final meeting of the year of the Mountain City Garden Club when the group met last Friday, June 2. Members were entertained with a brunch following the business meeting.

Mrs. Casey, president of the club, read the club history from its organization through 1966. Past presidents recognized at the meeting were Mmes. L. O. Garrett, Hardy Blue, C. M. Moseley, Richard Horner and Mrs. Hallie Bivins of Brownwood.

Mrs. John Womack and Mrs. W. F. Cawyer were appointed to attend a yearbook workshop in Abilene.

Officers re-elected for the coming year were Mrs. Casey, president; Mrs. Moseley, vice president; Mrs. Jess Howard, secretary; Mrs. Elton McDonald, treasurer; Mrs. Hardy Blue, librarian; and Mrs. Bert Turney, reporter.

Members present for the meeting included the ones mentioned and also Mmes. Tom Stewardson, Hubert Speck, Mable Burrage, Eddie Geer, Melvin Lamb, J. J. Horner, J. C. Mathews, Alma McNutt, W. B. Sparkman and A. C. Sparks.

MR. HOWINGTON ILL Bert Howington, 95, Santa Anna's oldest citizen, was hospitalized at Ranger Park Hospital Tuesday. He is not thought to be seriously ill and was resting well soon after being admitted.

Lullaby Shower For Mrs. Hudson Held On June 3

Mrs. Dwight Hudson was honored with a lullaby shower on Saturday, June 3, at the Annex of the United Methodist Church.

Mrs. Cliff Herndon greeted the guests. Mrs. Hudson, her mother, Mrs. Dexter Jewell, and her husband's mother, Mrs. T. J. Hudson of Coleman, were at the door, as were her sisters and brother, Janice, Dianne and Allen Jewell, also of Coleman.

Miss Laurie Shambeck registered the guests in a white baby book, a gift of the hostesses. The register table had a white ruffled cloth and had a magnolia blossom in a milk-glass container.

The refreshment table was laid with white lace over white. The center arrangement was a miniature baby buggy of white lace frosting, containing a figurine with flower-covered blanket, all made of cake and icing, surrounded with lace fern and pink hydrangea.

The tiny cakes were moulded baby faces with lacy bonnets of pale blue; the mints were shaped like booties with pink flower trim, and these were served with pink punch by Mrs. Terry McIver of Brady. Crystal appointments were used. Others in the houseparty were Mrs. Louis Shambeck, Mrs. Blanche Grantham, Miss Jacqueline Loyd, and Miss Jana Shamback. Mrs. Harry Crews was also a hostess.

Sales Reported On Coleman Co. Savings Bonds

During April there were new purchases of Series E and H United States Savings Bonds amounting to \$4,231, according to Robert I. Bowen, chairman of the Coleman County Savings Bonds Committee. Sales for the first four months of 1972 totaled \$55,460 . . . 46 per cent of the 1972 goal of \$120,000.

Texas sales during the month were \$17,331,291—while year-to-date purchases totaled \$74,258,429 for 37 per cent of the 1972 goal of \$202.3 million.

National sales of E and H Savings Bonds amounting to \$502 Million were reported for April—8.4 per cent above the 1971 sales of \$463 million. Sales for the four-month period totaled \$2,142 million—40 per cent of the national goal of \$5.3 billion.

HOMEMAKING GIRLS, ADULTS BUSY WITH SUMMER PROGRAMS

The summer homemaking program at Santa Anna High School is well underway. Fourteen girls began their work June first making plans for the summer. They will be doing redecorating in the homemaking department. This work will be done in re-finishing and recovering of chairs and other furniture in the high school offices.

Individual projects will be carried out at home. Some of the projects planned are: home improvement (redecorating various rooms at home); home management, (includes planning and preparation of family meals and shopping for family groceries, also care

of the home); child care, which includes work with children in vacation Bible school and in the recreation program, and baby sitting; self-improvement; clothing selection, care and construction; consumer education—learning to earn and manage their own money and studying buying practices; lawn improvement; community work, (working with senior citizens of the community and at the Rest Care Home); care of home gardens and preservation of foods grown.

The summer program also includes in-service leadership training workshops for youth. (Locally—Monday, June 5th, and in Brown County—Wednesday, June 14th, for local officers of Brown County FHA Chapters, Santa Anna Chapter assisting), and an area in-service workshop on Thursday, June 15th at Brownwood High School with Santa Anna officers attending.

The adult phase or program will be given from Monday, June 19th through Friday, June 23rd, in the homemaking department under direction of the local home-making teacher. Work will be on "Basic Techniques in Sewing" and other topics as requested. Approximately ten women have indicated an interest in the adult program.

Cawyer Reunion Held In S-Anna Last Weekend

On Friday of last week the Cawyers began to arrive in Santa Anna, and by Sunday they were here from city, town and country. The Community Civic Center was leased for the weekend reunion.

On Sunday morning the family group assembled at the North Side Church of Christ. Six of the men took part in the service which was led by W. F. Cawyer, minister of the church. It was Mr. Cawyer's joy and pleasure to preach to the family and others.

After the services the group returned to the center for a covered dish dinner. The group disbanded about mid-afternoon after voting to return to Santa Anna on the first weekend in June, 1973, for another reunion.

The Cawyer family originated in Germany with two young men coming to America about 1780. They settled in South Carolina, then migrated to Illinois and Missouri, and some to Texas. The John B. Cawyer family, the father of W. F. Cawyer, came to McCulloch County in September, 1904, following a brother who had come there in 1895 and was a large land holder there.

Among the Cawyers are found doctors, ranchers, farmers, bankers, druggists, and businessmen of almost every profession. There have also been a number of preachers in the family.

1905 Graduation Recalled Here By Mrs. Culver

Mrs. Maggie Culver has reminded us that it was 67 years ago on June 2, 1905, that the graduating class of Santa Anna received their diplomas, with G. W. McDonald as superintendent.

Of the three boys, Marvin Bell and Roy Pearson became lawyers and Will Pearce a preacher. The nine girls were Maggie Woodruff, Connie Erwin, Kitty Grady, Mamie Banister, Era Weaver, Dovie Polk, Mattie Hunter, Lila Burk and Grace Mitchell. All of them became teachers except Era Weaver and Grace Mitchell.

Rockwood 4-H Clothing Group Met On Monday

The Rockwood 4-H Club Clothing Group met on Monday afternoon, June 5, in the Charles Greenlee home. Mrs. Greenlee is adult leader for the group.

Members present discussed plans for sewing projects this month and were told the date of the county dress review which will be on Thursday, June 29.

Those enrolled in the junior group and attending the meeting included Sherry Scarborough, Denise Blair, Cindy Greenlee, Kim Stewardson and Kim Bray. Junior leaders present who will also enter the senior division were Leann Bryan and Serena Bryan.

The Rockwood group will have two more meetings before the June 29 review.

William Jennings Bryan ran for president four times.

He drives the Texas way

What do Ed McMahon, Bob Lilly, Bob Hayes, Phyllis Diller, The Carpenters, The Lettermen and Charley Pride have in common?

They all "Drive Friendly." And they're telling Texans of their own personal ways of driving friendly on a new series of radio public service announcements now being distributed to more than 400 stations by the Texas Office of Traffic Safety Administration.

In one of the announcements, Ed McMahon, Johnny Carson's food-and-

Ed McMahon

drink-loving sidekick on the "Tonight" show, admits that he does "enjoy a nip every once in a while." "But," he says, "I never drink when I'm going to have to do the driving home. If you plan to drink, let someone else drive. That's just one more way to 'Drive Friendly'—the Texas way."

The entertainers and athletes on this new record, which is third in the series, join a long list of state and national personalities who support the Governor's traffic safety program.

20 Years Ago In The News

The following stories are from the May 23, 1952 issue of the NEWS:

Valedictorian of the SAHS class of 1952 is Miss Annette Johnson, daughter of Mr. and Mrs. George Johnson. Her average for four years in high school is 92.2. Class salutatorian is Miss Frances McClellan, daughter of Mr. and Mrs. J. W. McClellan. Her four-year grade average is 92.1.

Teddy Gene Clifton is president of the senior class of 1951-52. He is the son of Mr. and Mrs. R. L. Clifton of the Cleveland Community.

The senior class will render a program with the theme "The World Calls to Youth" rather than have a principal speaker for the evening. Parts on the program will be given by JoAnn Morris, Bobby Stewart, Ollie Fellers, Billy Ray Robbins, and Venita Joy Allison.

James A. Harris, principal of Santa Anna Ward School, announces the eighth grade graduation will be Thursday, May 22. Wes Wise, with an average of 97.53, is valedictorian. Ruth Milligan, with an average of 97.20, is salutatorian of the class.

Other members of the graduating class are James Allen, Christine Barnes, Duane Bivins, Kenneth Bryan, JoBeth Cooper, Tommy Hale, Barbara House, Murl Dean Leonard, Carol McClellan, Olivia McIntire, John David Morris.

Maxine Moss, James Perry, Martha Ray, Wendell Rehm, Hilary Rutherford, Elizabeth Smith, Davy Simpson, James Steward, Betty Vinson, Pauline Voss, Lillian Wallace and Carolyn Woods.

Good rains covered the central Texas area over the weekend, with from two to four inches being reported in this area. Santa Anna received 2.90 inches.

Dry, hot winds for several days before the rains fell had almost stopped all farm operations that had been going full strong since the rains a few weeks before. A lot of young crops, just beginning to come up, were starting to suffer from the drought again.

Mrs. W. F. Rutherford entertained with a party at her home Saturday, May 17, honoring her son, Don, on his eighth birthday.

Twenty-one guests attended.

The last six weeks honor roll for the Rockwood schools is announced as follows:

First Grade: Carolyn Ann Williams, Mickey Steward and Sherron Cooper.
Second Grade: Bettye Straughan, Louise Cooper.
Third Grade: Mary Rehm, LaQuinn Cooper, Peggy McIntire.

Fourth Grade: Dixie Deal.
Fifth Grade: Ludy Jane Crutcher, Melvin Avants, Dahlia Davis, Vita Rehm and Billy Matt McIntire.

Mr. and Mrs. Barney Le-wellen took their daughter, Geraldine, to Abilene Sunday where she enrolled in Draughan's Business College.

ASC News . . .

by Joe K. Taylor

Set-aside payments will begin promptly with the beginning of the fiscal year on July 1 for farm program participants who have made early certification of compliance in the 1972 feed grain, cotton, and wheat set-aside programs.

During July, approximately ninety percent of the one thousand county farmers enrolled in the set-aside farm programs probably will receive payment checks, according to an estimate by Rankin McIver, Chairman of the County Agricultural Stabilization and Conservation (ASC) Committee.

Farm program payments are dependent upon producer certification, McIver pointed out. "Early certification means an early payment," he said. "However, no one should make certification until he knows he is in compliance."

When a farmer certifies compliance, he reports the exact acreage of his set-aside land and program crops and designates the location of his set-aside acreage on a photocopy of his farmland. He also certifies that he has complied and will continue to comply with all program regulations. Certification is made at the ASCS County Office.

As soon as a farmer certifies, ASCS begins processing for his program payments. Payments cannot be made before July 1 but the law provides they must be made as soon as possible thereafter.

Also as soon as a farmer certifies, his farm is subject to spot-check for compliance. A number of farms in the county are chosen at random each year for spot-checking.

While commenting that early certification means early payment, the ASC Committee Chairman also said that accurate certification is essential. Once a farmer has made acreage adjustments, and a mistake can mean loss of some or all of his program payment.

Final certification date in Coleman County is July 3. Some three hundred county farm program participants have already certified, Rankin reported.

He is hopeful that the number of early payments this year will exceed last year, when eighty percent of the total earned by Coleman county farmers had been made by August 1.

"However, it all depends on how soon farmers come in to the ASCS County Office to make certification. Judging by last year, if a farmer certifies by June 20, he will receive payment during the first ten days in July. After that, the time between certification and payment will range from two to three weeks," said McIver.

Farmer certification is the essential step preceding set-aside payments to producers participating in the U. S. Department of Agriculture, 1972 set-aside programs for corn, grain sorghum, barley, wheat, and cotton, according to Rankin McIver, local farm program official.

He urged farmers who have questions about certification to call or come to their county office of the Agricultural Stabilization and Conserva-

tion Service (ASCS). "It's important that a farmer know exactly what he is certifying before he signs his name," said McIver, County Committeeman.

Final certification date this year is July 3, but certification may be made as soon as a farmer has his program crops planted and knows he is in compliance with the programs.

As soon as a producer certifies, the County ASCS office begins processing the data for payment which will be made soon after July 1.

"While it speeds payments to get certifications in early, producers should also remember that mistakes can be costly. Once certification is made, no acreage adjustments can be made. A farmer has to be in compliance with program regulations when he certifies. That's why we're urging producers to call or come in now if they're not sure about what is required for certification," McIver said.

When a producer certifies, he reports exactly what acreage he has in set-aside land and what acreage he has in the program crops he signed up for. He also certifies he has complied with all program regulations and will continue to comply throughout the year.

An error in certification can result in loss of some or all of the set-aside payment. Spot checks are made each year on farms participating in the programs.

ATTEND SYNOD MEET

Rev. Bill Weeks, pastor of the United Presbyterian Church, and Raymond Balke attended the State of Texas Synod in San Antonio this week. The meeting, which had nearly a thousand delegates, had sessions from Tuesday through Thursday.

The Santa Anna men will return tonight (Thursday).

SPEND WEEKEND HERE

Mrs. Billie Ruth Van Huss and daughter, Tanya, and a girlfriend, Renee, and Mrs. Van Huss' grandson, Keith, all of Houston, visited in Santa Anna during the weekend with her mother, Mrs. Jewel Owen. Also here for the weekend was a son, Bennie C. Estes, and wife Helen of San Antonio.

SUNDAY VISITORS

Mrs. Dorothy Thompson of Dallas and her aunt, Mrs. Frances Adams of Brownwood, were Sunday visitors in Santa Anna with Mrs. Henry Newman and her sisters.

Maine is bordered by only one other state.

PENSKE On Performance

In an attempt to consolidate our racing efforts the Penske team will pursue only two major crowns in 1972. We will go after the USAC Marlboro Championship and the Sports Car Club of America's Canadian-American Challenge Cup.

The Can-Am series, as it is called, is the fastest-growing event of its kind in the world. The cars are dual-seater, enclosed-wheel machines with engines of 700 horsepower capable of 220 miles per hour. During the past three or four seasons McLaren cars have completely dominated the competition. But Mark Donohue and I feel that our entry for 1972 may give the bright-orange McLaren a run for the flag.

The car is a turbocharged Porsche, developed by the famed German factory with the assistance of Mark. He recently spent several weeks dissecting the car's suspension while the factory engineers concentrated on horsepower output. Despite a language barrier, Mark and the German craftsmen share a mutual respect for their unique talents.

Today's Tip
Many drivers possess mechanical talent, if they would only attempt simple repairs. With an absolute minimum of tools a tuneup can be performed on most vehicles.

Child's Safety Starts At Home

College Station — "Ninety-five per cent of accidental poisonings occur while children are supposedly under adult supervision," said Mrs. Doris Myers, home management specialist for the Texas Agricultural Extension Service.

More than half a million different kinds of medicines, cleaning aids and other household substances tempt children's curiosities and often cause poisoning.

"The key to halting these poisonings is a continuing plan of prevention in the home," the Texas A & M University employee said. "First, don't store bleach, detergent, drain cleaner or other hazardous substances under the kitchen sink or any other place accessible to small children.

"And don't keep bug killers, medicines or other dangerous items next to food."

Paint, insecticide, turpentine, alcohol or other such substances may be mistaken for something to drink when poured into bottles or similar-type containers.

"Just because something looks, smells or tastes horrible to you doesn't mean that a child won't eat or drink enough of it to poison him," Mrs. Myers said.

The specialist said that a child's sense of smell and taste aren't as developed as an adult's. He can't read or recognize the signs of poison, and just one taste can kill him.

SANTA ANNA NEWS

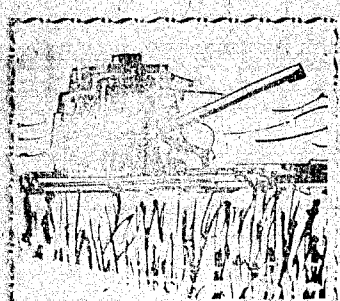

Makes a Big Difference in Your Life

People who lead vital, dynamic lives mesh their thinking and activities into the whirring gears of today's social, economic and political machinery.

To stay in gear, they need all the help and information they can get. Most of it they get from newspapers . . . the only news medium which puts information in their hands in a retainable form to be read and digested when they need it and have time for it.

To be of genuine importance to people, newspapers must be free. No peoples are free where the press is gagged. So, it makes a big difference in people's lives whether or not their newspapers are free.

Round-up time is here again. It is that time of year when 4-H'ers from all over the state convene at Texas A&M University at College Station for three days of contests, activities and banquets. The Nine-Teens, the local District 7 4-H Share-the-Fun winners, will, along with 10 other county 4-H'ers, go to A&M to hopefully bring back a state title. The state 4-H food show will begin on Tuesday morning. It will be open to the public at 2:15 p.m. that afternoon. Ginger Rogers will be participating in that contest. The county group will return home this afternoon.

RR
Screwworms are on a tear. According to a release from Texas A&M University this week, a record number of 1,563 cases were confirmed for the week of May 27. That compares with 730 cases the previous week and 600 two weeks earlier. The sterile fly program is again in full swing. The eradication program headquarters are in Mission, Texas.

RR
The Texas Polled Hereford Year was in Hamilton this past Sunday night for a directors meeting. They are in the process of making plans for the 50th Anniversary Show to be held in conjunction with the Fort Worth Fat Stock Show this next year. The Annual Polled Hereford Show is the world's largest breed show and this Golden Anniversary Show is expected to be the largest in the history of the shows.

According to the Dockery brothers, the cats are still making in. But the wheat crop for our area is coming in at a good rate. Most of the cats tested are ranging anywhere along the scale from heavy to light.

Mr. John Tracy from Carlsbad, New Mexico, on Monday picked up a bull that he is leasing from the Jim Gills. Mr. Tracy has one of the nation's top firms for performance testing.

RR
The monthly meeting of the Breeder-Feeder directors and wives will be held on Tuesday, June 20, at the Recreation Building of the Rodeo Grounds. Hosts and hostesses for the meeting will be: Mrs. Vernon Bullard, chairman; Mr. and Mrs. O. W. Mayfield; Walter Smith, C. M. Huckabee, John Sprinkles, Dale Herring, S. C. Edmondson. Don't forget that July is the regular membership meeting.

FIRST BAPTIST VBS
The Vacation Bible School at the First Baptist Church began Monday with an enrollment of approximately 75. Classes are being held each afternoon this week from 1:30 to 4:00 p.m. The commencement program for the school will be held Sunday evening at 7:00 at the church auditorium. Parents of all children enrolled and others interested are invited to attend.

Tom Bingham 87 Buried Thursday At Trickham

Funeral services were held Thursday for Tom Bingham, 87, a Trickham native who died Tuesday, May 30, in Brownwood. Brial was in the Trickham cemetery with a Brownwood funeral home in charge of arrangements. Born April 14, 1885, he had lived at Trickham for many years where he was a blacksmith and justice of the peace. He moved to Eden where he resided until moving to Brownwood in 1967. He married Mary Kimbrell December 28, 1908 in Eden. He was a Methodist.

Estes Reunion Held On Sunday At Rockwood

The descendants of the late Mr. and Mrs. J. A. Estes held their 30th annual family reunion Sunday, June 4, at the Rockwood Community Center.

During the business session Donnie Estes of Brownwood was re-elected president of the group. Others named were Cecil Day of Coleman, vice president, and Sue Smith of Bovina, secretary-treasurer. A memorial service in memory of the late Matt Estes was held.

Some 100 relatives and nine visitors were registered. Listed were Drury Estes of Ranger Park Inn, Sam and Leffel of Rockwood, Boss Estes of Fort Worth, William Estes of Coleman, Mrs. Sam Alexander of San Angelo, Mrs. Flora Thomas of Millsap and Mrs. Mertie Hester of Bovina and Mrs. Matt Estes with all of their children, grandchildren and great-grandchildren. The oldest was Drury and the youngest was Jennifer Thornton, four months, of Azle.

Towns represented were Bovina, Houston, Fort Worth, San Antonio, Brownwood, San Angelo, Lubbock, Coleman, Santa Anna, Austin, Springfield, Rockwall, Arlington, Sweetwater, Millsap, Manor, Weatherford, Duncanville, Bangs and Rockwood.

Mr. Estes (1860-1960) and Mrs. Estes (1868-1953) brought their family to Texas from Tennessee in 1891, settling near Waco. The family came to Coleman County about 1895. The trip from Waco took 12 days in two covered wagons. They scraped snow off the ground for places for their beds. They moved to the Estes homeplace, north of Rockwood, in 1900.
