NUMBER 39

Last Call For Cigarette Funds

For several weeks containers have been placed in the business houses of Santa Anna for donation to buy cigarettes for the soldiers. About \$63.00 was collected in August and the containers placed back for another month. The next collection will be made Wednesday, September 29th, as we must turn in the names and cash before October 1st.

The funds must be in the hands of the manufacturers by shortly after the 1st, as they must be wrapped, addressed and put in the mails by October 15.

We purpose to send each soldier from this territory, in overseas service, at least one or more carton of cigarettes for a Christmas package, and if you have not already done so, please call at this office and give us the correct name and address of your soldier sons, husbands, brothers or sweetheart and we will turn their names in to be remembered. Be sure and attend to this soon, as we are making up the list now.

Red Cross Activities

During the past week the Red Cross has made 755 sponges. The size was 4 1/2 x 8 which is the size sponges we will be making for some time to come. The number of workers present—25. The hours worked total 75 1/2. We need more people to come and work more hours and make sponges. Since the new size dressing works up much more slowly we shall need extra help to get our quota out on time. Come and do your part.

Supervisors present were: Mrs. Jack Woodward, Mrs. Harry Cabon, Mrs. Stafford Baxter and Mrs. Crum.

Workers present: Mrs. J. R. Gipson, Mrs. Archie Hunter, Mrs. L. O. Garrett, Mrs. L. G. Bobo, Mamie Turner, Mrs. O. L. Cheaney, Mrs. J. C. Morris, Mrs. D. P. Wheatly, Mrs. C. V. Drennan, Mrs. Jim Daniell, Mrs. Will Mills, Mrs. Tom Hays, Mrs. E. H. Wylie, Mrs. Kilmer, and Mrs. Ross Kelley.

Army wives present: Mrs. L. G. Blackburn, Mrs. F. E. Reilly, Mrs. George Schulz, Mrs. T. J. Synoracki and Mrs. G. W. Taylor.

Talk Bonds And Buy Bonds

In this issue of the News will be found several advertisements giving information about the 3rd War Loan Drive, intended to create a further interest in the sale of bonds to pay expenses of the war. It is not a matter of what one thinks of the wartime expenses, but a matter of getting the job done so our boys can return to their homes, and the sooner they complete the job the more of them will get to return home. The longer we have to fight the more of our boys will be casualties of the bloody conflict.

If we knew what to say that would serve the desired effect and bring in the results, God knows we would say it, but the proper words may not be found in our vocabulary.

We are entering the third week of the drive, and have passed the One Hundred Thousand Dollar mark, but that is a long ways from the goal of \$175,000, the quota set for Santa Anna.

We know the money is here, and the Government is not asking those who have it for a do-

Special Request

We are very anxious to procure the correct name and address of each and every soldier from these parts in overseas service.

We have a cigarette fund collected sufficient to send every soldier in overseas service from this territory a large carton of cigarettes for a Christmas gift, and we want the correct name and address of every soldier in overseas service regardless of who he is. Will you please attend to this at once. If inconvenient to call, mail them to us or send them by a neighbor to the Santa Anna News.

Pvt. Clinton Hagar of Kelly Field spent the week-end in Santa Anna with his parents, Mr. and Mrs. J. D. Hagar. Clifford Hagar of Fort Sill, Okla., also spent the weekend here with his wife and parents, Mr. and Mrs. J. D. Hagar.

George England, who is working in Galveston, spent the week-end here with his family.

Service Cafe Leads In Bond Sales First Week

The Service Cafe was awarded the banner for first place as being the most outstanding in their efforts for the sale of bonds in the first week of the 3rd War Loan Drive, according to the judges decision made this week and the banner has been ordered placed in their place of business as a token of honor and appreciation by the general committee. The Griffin Hatchery took second place and the Phillips Drug store third place.

The committee will announce the winner for the second week after the close of business Thursday, and the banner will be placed according to the decision of the committee.

Cpl. Julian R. Kelley was home on a few days furlough last week. Cpl. Kelley has recently been transferred from Chanute Field in Illinois to the Kearn Field in Utah. Apparently, Cpl. Kelley is in good physique.

MAIL GIFT PACKAGES TO SOLDIERS OVERSEAS BEFORE OCTOBER 15—The period from September 15 to October 15 has been designated as Christmas mail month when gifts may be mailed to American soldiers overseas without presentation of a request from the soldier. Packages should be indorsed "Christmas Gift Parcel" and limited to five pounds in weight, 15 inches in length and 36 inches in length and girth combined. Wrap securely and address legibly with full name, grade, Army serial number, service organization and unit, APO number of the addressee and the post office through which parcels are to be routed. Postage must be fully prepaid. Do not send perishable matter.

RULES FOR MAILING CHRISTMAS PACKAGES TO SOLDIERS OVERSEAS

TIME OF MAILING—Gift packages may be mailed to American soldiers overseas without presentation of a request from the soldier during the period from September 15 to October 15.

SIZE AND WEIGHT—Packages must not exceed five pounds in weight, 15 inches in length and 36 inches in length and girth combined.

LIMITATIONS—Only one such package will be accepted for mailing by or on behalf of the same person or concern to the same addressee during any one week. It should be indorsed "Christmas Gift Parcel". Perishable matter will not be accepted.

ADDRESSING—Write legibly and give full name, Army serial number, service organization and unit, APO number of addressee and the post office through which parcels are to be routed.

PREPARATION—It is absolutely necessary that articles be packed in substantial boxes or containers and that various gifts in a combination be securely fitted. Pointed or sharp-edged instruments should be protected. Candies in thin pasteboard boxes should be enclosed in wood, metal or corrugated pasteboard.

POSTAGE—The rate on parcels of fourth class matter (exceeding eight ounces) is the zone rate applicable from post offices where mailed to the post office in care of which parcel is addressed. The third class rate of one and one-half cents for each two ounces applies to package not exceeding eight ounces. Parcels containing only books are acceptable at the special rate of three cents a pound. Inscriptions such as "Merry Christmas" or "Don't Open Until Christmas" may be placed on the covering but should not interfere with the address.

(Another chapter in the story "Working for Victory on the Santa Fe")

Women at Work for a Railroad at War

America needs millions of women to take over war jobs... to stay with those jobs... to help speed the day when our fighting men will return victorious!

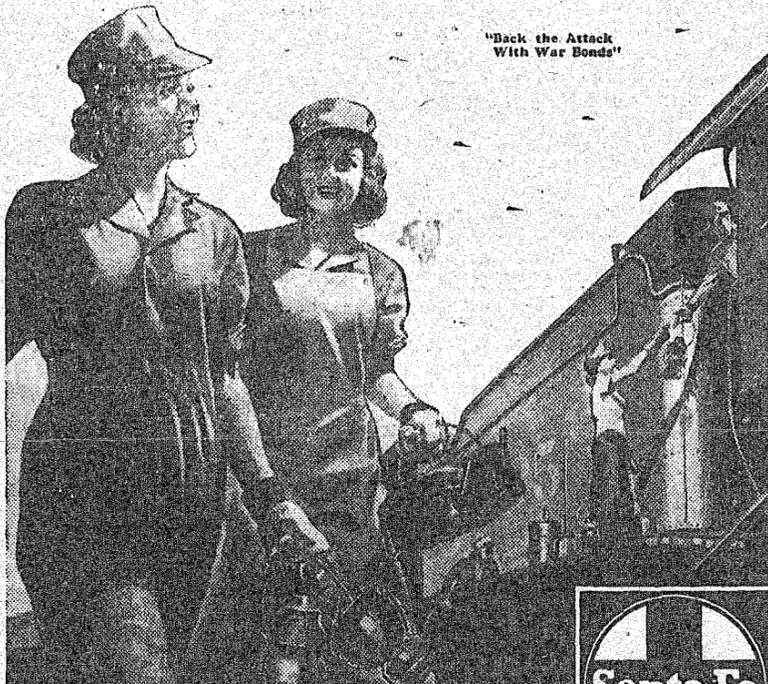

Santa Fe women are answering this call all along the line.

Right now thousands of Santa Fe women are doing war-vital work to "keep 'em rolling." Many are pitching into "unglamorous" jobs... greasing engines, operating turntables, wielding shovels, working in blacksmith shops,

and cleaning roller bearings. They take pride in their work, too!

Many of these women have husbands, sweethearts, brothers or sons in the armed forces. Many came to work to replace a Santa Fe relative who had been called into service. Others took jobs because they knew womanpower must step in when manpower goes to war.

★ We of the Santa Fe salute these women who know that what they are doing is vital to Victory!

ONE OF AMERICA'S RAILROADS—ALL UNITED FOR VICTORY

"Sorry—I'VE DONE ALL I CAN"

Don't tell that to the Invasion Troops!

AMERICA is proud of the way you answered her call for help. In the First and Second War Loan Drives you opened your hearts—and your purses—and invested generously.

But this is no time to say, "Sorry, I've done all I can."

Not when our troops are smashing ahead.

Not when the cry from every front is for more tanks . . . more guns . . . more planes to strike the knockout blow.

Today, everyone who possibly can, must invest in *at least* one extra \$100 War Bond. More if you possibly can. That's in addition to your regular War Bond subscriptions.

A big job? Yes! But INVASION is a big job, too! And that's what the 3rd War Loan is for—INVASION!

And it's for your loved ones, too . . . for the sons and brothers, sweethearts and husbands who are doing the fighting.

Can you look into your heart and say to them, "I've done all I can"?

Can you tell *that* to the Invasion Troops?

Of course you can't! No true American could! So NOW . . . when America needs your help as it never has in all history . . . make up your mind to do MORE in September. Invest in the safest way in the world! Invest out of current income, out of idle or accumulated funds. Back the invasion with at least one extra \$100 War Bond this month.

MORTUARY

J. D. Williamson, Sr.

Funeral services were held
at the home eight miles south-
west of Santa Anna Monday
afternoon for John Davis Wil-
liamson, 71, who passed away
Sunday morning. Rev. S. R.
Smith conducted the funeral
with Hosch Funeral Home in
charge.

John Davis Williamson was
born January 12, 1872 at Rock-
dale, Milam County, Texas, and
died September 19, 1943 at his
home, age 71 years, 8 months and
7 days. He was married to Miss
Nancy Louise Starr, October 1892,
who preceded him in death five
years, passing to her reward
August 15, 1938. To them were
born six children, five of whom
survive. Two sons, Oscar of An-
gleton, Texas, and J. D., Jr., with
whom the deceased was living at
the time of his death. Three
daughters, Mrs. Pauline Simpson
of Coleman, Mrs. Nettie Griffin
of Fort Worth and Mrs. Hettie
Scarborough of Coleman. He is
also survived by six grandchild-
ren. One daughter, Buna Drew
also preceded him in death.

The Williamson family came
to Coleman county and settled
on the farm, where he died, in
1900, at which time, Oscar was
the only child.

Pallbearers were: Otis Bivins,
George Richardson, S. H. Dug-
gins, Ozro Eubanks, Wallace
Wester, Will Howard and Elton
McDonald.

Flower ladies were Misses
Velma Cruger, Mabel Phillips,
Glenda Madge Smith, Udell
Windham, Dorothy Windham,
Mrs. Elton McDonald and Mrs.
Otis Bivins.

Interment was made in the
Santa Anna cemetery beside his
deceased companion.

Mrs. O. C. Holland

Funeral services were held
Saturday afternoon at the First
Baptist Church for Mrs. O. C.
Holland, who passed away at the
Overall Memorial Hospital in
Coleman Wednesday.

Mrs. Anna Laura McIntire
Holland was born in Caldwell
county, Texas, March 1, 1902
and came to Coleman county
with her parents, Mr. and Mrs.
B. F. McIntire, at the age of four.
She was married to Oran Curtis
Holland December 28, 1919.

Eleven children were born to
this union. Six sons, Harvey R.
Holland and Curtis E. Holland,
in overseas service in the U. S.
Army. At home are Roy E., Don-
nie E., Johnnie Mac and Ben
Robert; five daughters, Mrs. Gar-
land Morgan, Burkett, at home,
Annie Ruth, Madie Ada, Doris
Jean and Grace Lois; one grand-
child, Roberta Ann Morgan. The
above children together with the
husband survive. She also is sur-
vived by her parents, Mr. and
Mrs. B. F. McIntire of Shield, and
several brothers and sisters,
nieces and nephews. She was
converted and joined the Bap-
tist church at the age of 16.

Pallbearers were, Elmo Eubank,
R. A. Milligan, Kinch McClain,
Bill Archer, Mr. Lowe and John
Stewardson.

Flower ladies were, Mrs. Lowe,
Bobbie Jean Fuller, June How-
ington, Maxine Ferguson, Ruth
Curry, Bettye Lou Gilliam, Reta

Jean Watson, Vada Dell Gober,
and Bonnie B. Terry.

Funeral services were conduct-
ed by Rev. S. R. Smith with
Hosch directing. Interment was
made in the Santa Anna ceme-
tery.

R. W. Douglass

Funeral services were held at
the First Baptist church Tuesday
afternoon for R. W. Douglass,
who passed away at a hospital
in Brownwood early Monday
morning.

Robert Walter Douglass was
born August 29, 1879, in the state
of Tennessee. He came to Bell
County, Texas, in 1900 with his
parents, Mr. and Mrs. W. B.
Douglass. He was married to Miss
Mamie Wood in 1904 and came
to Santa Anna in 1907 where
they have lived since, living at
their present home about twenty
years. He joined the Baptist
church in 1904 and was a mem-
ber of the First Baptist church
in Santa Anna when he died.

He is survived by his widow,
one sister and four brothers, a
number of nieces and nephews
and a host of friends to mourn
his passing. His pastor, Rev. S. R.
Smith was in charge of the fun-
eral service, with the J. E.
Stevens Funeral Home of Cole-
man in charge.

List of pallbearers and flower
ladies were selected from among
friends of the family but not
turned over to us for publication.
Interment was made in the
Santa Anna cemetery.

Letter just received from the
Texas Salvage Committee, re-
garding the Hosiery Collection
Program, contains the following:

To the women of America, the
volunteer workers on our Salvage
Committees, and to the mer-
chants, newspapers, radios, thea-
tres and other organizations who
have done such remarkable jobs,
we extend, on behalf of our arm-
ed forces, sincere thanks for
making available material so
critically needed."

S. W. Cooper, general County
Chairman, has been advised to
close the campaign by September
30 and ship immediately; Miss
Hipp, salvage chairman for this
special work and her fine group
of co-workers have done an ex-
cellent piece of work and all in-
dividuals, merchants and others
are urged to make the final
"sweep" a thorough one and
have all this material made
available for shipment not later
than Sept. 30. Mrs. S. R. Hale,
transportation chairman for the
general committee, has been very
thorough in her work and, with
full cooperation of the public the
final shipment shall be made
promptly. This is another "home
front" battle won. Thanks to all
who have made contribution in
any way. Especially do we thank
the press for its fine cooperation
without this valuable support
the campaign certainly would
not have been the success that
it was.

TWO FIRES THIS WEEK

The Fire Department was call-
ed across the street Sunday
morning to extinguish a fire in
a residence that belongs to
Mayor Geor. M. Johnson. Mon-
day night the fire fighters were
called to the South part of town
where a small residence that be-
longed to Nat Conley was a fire.
The latter was reported destroy-
ed.

ARRIVES

After a long drawn out process
of time and effort, B. A. Parker,
owner of the Parker Auto Supply
Store, succeeded in getting his
equipment for the recapping of
automobile tires, and is now busy
turning out the much needed
and demanded work.

Parker's announcement will be
found elsewhere in this issue of
the News, to which your atten-
tion is directed for further in-
formation. This is an added in-
dustry to Santa Anna that has
been in the planning and offing
for several months, and accord-
ing to Mr. Parker, he now has
the latest and best equipment
installed and is ready for busi-
ness in a big way.

Twenty Santa Anna club members organized at the first meeting of the Santa Anna 4-H Club boys met last Monday with more than twenty members present. The county agent explained the purpose and the object of the 4-H Club work and gave out record books and other material to the members. Howard Chaney was present and explained the Lions Pasture grasses to the club. He afterwards discussed various types of grasses giving the values. The election of officers followed and those listed below were selected by the club.

President, Robert Henderson; Vice-President, Freddie Slate; Secretary-Treasurer, Bobby Hewlett.

The club voted to have ten cents a month dues and to meet regularly at the school house. Much interest was shown in the Rifle Club and plans were made to establish a rifle range near the school.

Autumn Arrives September 23
Autumn will begin in the northern hemisphere and spring in the southern hemisphere at 6.12 p.m., Eastern Wartime, Sept. 23, the U. S. Naval Observatory announced.

Burlap Bag Quotas Removed
Quotas on farmers and packers purchases of new burlap bags for packing certain agricultural products have been removed for the balance of 1943. "Certain agricultural products" includes, but is not limited to, beans, cotton, feed, flour, meal, fruits, potatoes, vegetables, and tobacco. The restriction on the bag sizes permitted for certain commodities has been relaxed to allow an additional size for each of two types of seed. A one-half bushel bag is allowed for hybrid seed corn, a 3 bushel-bag, for cottonseed. These are in addition to the sizes previously permitted.

No. Dates On Kerosene Coupons
Persons who use small amounts of kerosene for domestic cooking and lighting may get renewal rations for periods longer than the six months formerly permitted. This provision of a recent OPA amendment is to reduce the number of renewal applications by the consumer and the amount of paper work performed by the rationing board. The amendment provides that rations issued for domestic cooking and lighting no longer will bear dates of issuance and expiration, and coupons may be used as long as they last. The rationing board may issue the ration for any period up to a year from date of application. The maximum ration allowed for do-

mestic cooking has been increased to 30 gallons a month for the first seven persons. It was formerly 24 gallons for six or seven persons.

Approval For Use Of Gutters
Approval for use of gutters, spouting, conductor pipes, and fittings in dwellings of two stories or less must be obtained from the War Production Board under a recent amendment to Order M-126. Formerly this approval could be obtained thru the National Housing Agency.

Prices Set For Dry Beans
Sales of dry edible beans, 1943 crop, to the Food Distribution Administration, to other country shippers, and to other governmental agencies designated in Food Distribution Order No. 45 can be made at either of two sets of prices—maximum prices established for the commodity or support prices set for specified classes last April by the War Food Administration. OPA emphasized that all other sales must be made at or below maximum prices established in Maximum Price Regulation No. 270.

Restrict Dry Onion Shipment
To insure orderly distribution for the short available supply of dry onions to the armed forces and civilians, all shipments in excess of 100 pounds in the 12 principal onion producing states have been put on a permit basis by the Office of Defense Transportation and the Interstate

Commerce Commission. Dry onion movements by common, contract, or private motor carriers and by rail common and contract carriers are subject to permits issued by the War Food Administration. Applications for permits should be made to local WFA representatives in the principal onion producing areas—California, Colorado, Idaho, Indiana, Michigan, Minnesota, New York, Nevada, North Dakota, Oregon, Utah, and Washington.

Sugar To Save Bees
Beekeepers who are facing loss of their bees because of lack of sufficient natural food, may obtain additional sugar allotments if they are registered with OPA as industrial users. The supplemental allotment is limited to a maximum of 15 pounds per bee colony per year. Applications should be made in person or by mail to the local rationing board.

Cabbage Seed Ceiling Prices
Ceiling prices for 1942 cabbage seed have been made the same as for the 1943 crop, according to a recent OPA amendment.

Shrimp Prices Cut
Consumer prices for fresh shrimp may be 40 to 50 percent less because of a recent OPA amendment setting prices in accord with the 1942 average prices for shrimp.

Housing Down Payments Cut
Down payment required to buy housing in rent-controlled areas has been reduced from 33 1-3 per-

cent. OPA amended the regulation because of easing the housing situation.

Gasoline For School Buses
School buses in districts where school authorities have delayed in filing necessary applications or have failed to reorganize routes in accordance with the school bus conservation policy may get temporary gasoline allotments. The Office of Defense Transportation authorized this action so that school children would not lack school transportation.

Report Good Wheat Crop in Italy
In spite of the war, the Italian wheat crop this year is believed to have been as large or even larger than the pre-war average, according to the Office of Foreign Agricultural Relations of the Department of Agriculture. The 1943 crop may have amounted to as much as 280 million bu. That estimate compares with unofficial estimates of 269 million bushels last year.

I will have a day or night nursery in my home beginning Monday Sept. 27. All mothers that want to do war work or local work should see me. Mrs. T. L. Cave.

San Angelo Mother Awarded Son's Congressional Medal Of Honor

The Congressional Medal of Honor, highest award the Nation confers on its heroic sons, was presented at San Angelo Tuesday morning to the mother of First Lt. Jack W. Mathis, 20, of San Angelo, who died at his bombsight last March 18.

Mathis, first Texan to be accorded the pre-eminent award in World War II, was killed over Vegesack, Germany, March 18. After receiving a mortal wound, he discharged his bombs and closed his bomb bay doors.

The Medal of Honor and the Order of the Purple Heart and Oak Leaf Cluster to Mathis' Air Medal was presented to the hero's mother, Mrs. Avis Mathis of San Angelo, by Maj. Gen. Barton K. Yount, commanding general of the Army Air Forces Training Command, at a ceremony starting at 10:30 a.m. at Goodfellow Field, San Angelo.

General Yount was accompanied by several members of his Fort Worth staff.

Lt. Mathis bent over his bombsight, making final adjustments for his attack on the great German submarine yards, shellfire crashed into the nose of his Fortress, filled his right side with fragments and almost tore his arm off. The force of the burst buried him nine feet into the nose passageway.

Nevertheless, he pulled himself back to the bombsight and with his uninjured left hand completed the operation that sent the bombs away. His crew, accustomed to his triumphant "Bombs away!" heard on the interphones only a faint "Bombs . . ." His voice failed. He was dead.

They found him slumped over his left hand near the bomb bay control switch, which, as a final act, he had swung to the closed position.

The dramatic story of his devotion to duty unto death had hardly been told, when his brother, Lt. Rhude Mark Mathis Jr., 24, also a bombardier, asked for and received permission to take his brother's place at the bombsight of the "Duchess." From that seat he bombed the Focke-Wulf plant at Bremen April 17.

Mark later transferred to the Flying Fortress "FDR" and was missing in action May 14, after a raid on Kiel, Germany.

AMERICAN NAVY MIGHTIEST IN HISTORY

WASHINGTON, Sept. 20. (AP)—Industrial America's outpouring of ships, planes and munitions for the navy has built up the mightiest sea-air power in the world—a gigantic fleet operating around the globe.

A navy inventory disclosed today that the fleet now includes 14,072 vessels, 613 of them warships. In 1940 the navy had only 1076 vessels, of which 383 were fighting craft.

The air arm, described as "the most powerful naval air force in the world" now has more than 18,000 planes of all types, compared with 1744 on hand three years ago.

During July, 1943, the navy received almost 1200 completed vessels and close to 2000 planes, the report said. By contract, in the same month three years ago, five newly completed vessels and 23 new planes were delivered.

"No naval construction program of comparable size and speed has ever been accomplished by any other nation," the navy said.

"Ability to build this huge new naval force—and to continue to build at the present rate—is one of the foundation stones of our military strategy.

"It underlies our amphibious attacks in the Pacific, the Atlantic and the Mediterranean. It protests our long, exterior supply routes running across thousands of miles of ocean.

"Most important, it makes feasible a strategy of attack, with all the risks it implies, Ability to build—or, if necessary, to rebuild—on this scale is one of the basic advantages which the American navy holds over fleets of all other nations."

The tonnage of fighting ships—battleships, aircraft carriers, cruisers, destroyers, destroyer escorts and submarines—was 20 times greater in the first six months of this year than in the first half year of the defense preparedness program.

The navy said 333 new fighting ships have been completed since July, 1940, at a cost of \$3,000,000,000 but the greatest addition has been in landing craft that carry troops ashore on invasions. The navy said 12,964 new landing boats, costing \$1,000,000,000 have been delivered.

Fifty-eight warships were lost and 129 transferred to other nations or converted to noncombat use during the period.

Election of officers for Soil Conservation Supervisors of the Central Colorado Soil Conservation District will be held at 2 p.m. Tuesday, October 5th at the following places:

Rockwood, Filling Station, B. B. Fowler, supervisor; Talpa, Bank building, Andy Broyles, supervisor; Eula, school house, Vance Stevenson, supervisor; Echo, school house, Sam DeBusk, supervisor; Lawn, City Hall, M. A. Paterson, supervisor.

All land owners are eligible for a vote in this election and they are urged to attend the election meeting if they are to accomplish the purpose for which the Soil Conservation District was created. The Extension Service has the responsibility of the educational work in the district. Much publicity is being given to these meetings in hopes that the importance of the election will be felt by the land owners. Others cooperating with the program of the district include: Soil Conservation Service, AAA, Farm Security Personnel, Vocational Agriculture Teachers and others.

The soil conservation districts law provides a democratic procedure which places the entire responsibility of operations on the land owners, and if the program is to function in a successful and satisfactory manner, the land owners must participate in all of its operations and especially in the selection of district supervisors. The effort must be made to secure the most repre-

sentative attendance at all designated points within each subdivision within the district.

CUMMINGS NEW SANITARY COMMISSIONER

D. O. Hawkins has resigned his place as Sanitary Commissioner and Poundmaster, after several years of service and Mac Cummings took over the place Monday of this week.

Farm labor recruiter to help secure cotton pickers, Mr. J. D. Branlett of the U. S. Employment who had been working on Farm Labor for a number of years, was recently in San Patricio county. He is on the job helping to secure cotton pickers for Coleman county. Mr. Branlett is working through the county Agents office and helping with the Farm Labor Production of the A&M Extension Service.

Many requests are being received at the County Agents Office for cotton pickers and the needs are being supplied as quickly as possible. The farmers are urged to remember this request with the Farm Labor Club so that many will receive the benefits of the service.

"A LUNCH-BOX FULL Isn't Enough!"
for a **DEFENSE WORKER**

» » It might satisfy—but just any hastily packed box of food won't give the strength that defense workers need and *must* have!

» » It's those invisible little particles called "Vitamins" which have to be in that lunch box if I'm to have the "Fighting Food" that's necessary these days.

» » Those precious food elements grow in fresh fruits and vegetables; they put the goodness into meats; but they have to be protected.

» » The food in my lunch box is cooked on an electric range and stored with electric refrigeration before be-

ing combined tastefully and correctly into well-planned lunches.

» » The electric industry, under business management, anticipated the needs of defense workers years ago—in advance of the present emergency. They went to work to build—in order to supply the power for appliances which make possible the preparation and preservation of food—so necessary on both the fighting and home fronts.

This one's going to hurt!

INVASION COMES HIGH—in blood and money.

Part of the cost must be paid with human life. That means deep and lasting hurt for many and many an American family.

Part of the cost must be paid in cash... this September. And *that's* going to hurt, too!

The 3rd War Loan Is Here!

To pay for invasion—to get the money to keep our fighting machine going—you, and every man or woman in America, are asked to invest in at least one extra \$100 Bond in September.

\$100 EXTRA, mind you—for *everybody!*

No man or woman can hold back. No man or woman can point to his Payroll buying and say, "They don't mean me!" No man or woman can say, "I'm already lending 10% or 12% or 20%—I'm doing enough!"

Sure—it's going to hurt. It's going to take more than spare cash this time—more than just money that might have gone for fun. It's going

to take money we have tucked away. It's going to take part of the money we've been living on—money that might have meant extra shoes or clothes or food! Money that might have gone for *anything* that we can get along without.

Sure—it'll be tough to dig up that extra money. But we've got to do it—and *we will.*

We'll do it partly because of the look that would come over the faces of our fighting men

if we should fail. We'll do it partly because the cheapest, easiest way out of this whole rotten business is for everybody to chip in all he can and help end it quick. We'll do it partly because there's no finer, *safer* investment in the world today than a U. S. War Bond.

But mostly, we'll do it because America is right smack in the middle of the biggest, deadliest, dirtiest war in history.

And we're Americans.

nation, instead, it is merely a loan and will be repaid with interest. If you have the proper feeling at heart for our fellow Americans, deprived of the privileges of home and loved ones, further deprived of the opportunities of our American way of living, giving up their all, their lives if need be, to preserve the liberties and privileges of the American home and way of living, surely we cannot deny them the use of our money with which to purchase needed food, clothing, ammunition and other equipment to fight the battles for us.

Lets not let them down, instead, lets go all out for victory and supply their every need so long as our help is needed. It's either buy bonds or good-bye liberty. Back the attack with bonds.

Over two-thirds of the Fifteen Billion has been raised, a few states have already raised their quota, but Texas is less than halfway over, and we have more men in the service according to our population, than any other state in the Union, and have received the benefit of more funds for training fields, camps and other war expenditures than has any other state. We cannot afford to fall down on our quota and let our fighting men down. Think it over and then act.

WARD SCHOOL P. T. A.

The Ward School P.T.A. Association held their regular meeting Tuesday, Sept. 21, 3:30 p.m. at the Ward school.

Mrs. Roy Stockard presented her resignation as chairman and Mrs. England automatically became chairman upon the acceptance of Mrs. Stockard's resignation. Other officers: Advice chairman is to be elected at the next meeting; Secretary, Miss Alma Lovelady; Treasurer, Mrs. Richard Bass; Committee Chairman—Program, Mrs. Virgil Priddy; Membership, Mrs. Preston Bailey; Publicity and Publication, Mrs. T. L. Cave; Finance and Parliamentarian are to be appointed at the next meeting.

A committee was appointed consisting of Mr. J. W. Burgett, Mrs. Ira Haney and Mrs. Chas. Bruce to investigate the possibilities of the P.T.A. sponsoring the lunch room this year.

Mr. Byrne was present and urged all that could to buy as many War Bonds as possible. Mr. Burgett gave the facts and figures on what might be accomplished toward a lunch program.

There were twenty two present. One hundred percent paid dues. We insist that all mothers attend the next meeting and take an active part in the P.T.A. work. Mrs. Turner's room won the banner by having highest percent of mothers present.

Mrs. E. D. McDonald's resignation was accepted by the group as secretary-treasurer and Mrs. Richard Bass was elected to serve
