## Plans Set For Annual Stock Show January 21

### Leon Bartlett's Grave Found By Major Rex Golston

Manila, P. I. Dec. 29, 1945

Dear Mr. and Mrs. Ed Bartlett,  
The records which were lost due to the Jap occupation of Luzon are now complete in Leon's case. Leon was killed on the night of December 10, 1941, and buried Dec. 12, 1941 in a steel casket in the Fort McKinley Cemetery, which is about 4 miles from Nicholas Field. This is the record that was found when the body was exhumed in November.

The reinterment was 28 Nov. 1945 in United States Armed Forces Cemetery, Manila No. 2, Luzon, P. I., Grave 483, Row 4, Plot 2.

All casualties of World War II buried in Fort McKinley are being removed to the Manila Cemetery No. 2. This is a beautiful new cemetery on a hill with colorful trees and well kept lawns. I have taken pictures of the cemetery and will send them as soon as possible.

The above information has already been sent to the Graves Registration Service in Washington and no doubt will reach you soon.

If I can be of any service to you please call on me.

Sincerely,  
Rex Golston, Jr.

### Truman to Ask Full Year Extension of Price Control

WASHINGTON, Jan. 14. (AP)—Word went out to the reconvening Congress today that President Truman will ask a full year's extension of price control. That would carry the act to June 30, 1947, and first reaction among returning Senators is that Mr. Truman will get his request, possibly in modified form.

In his fireside chat January 3, the President declared price and rent controls will have to be maintained "for many months to come."

A Senator with White House contacts said a full year's extension would be asked, possibly in Mr. Truman's State of the Union message which is to be read next Thursday.

Senator Overton (D-La.) commented:

"I will support a full year's extension. Actually, it may have to be retained two or three years."

Senator McClellan (D-Ark.) said he was "not unalterably opposed" to continuing the controls in modified form for another year, but he added:

"I do think Congress has got to modify the overall powers in the act."

The pioneer picture published last week, furnished by E. E. Polk of Brady, was made by the late J. B. Chambers, according to information reaching us this week. The picture caused quite a lot of comment, but must to have been quite a surprise to some of the men in the group. Anyway, it was a timely scene, and was appreciated by some.

A telephone call from Burton Gregg Monday night in San Antonio stated he had received his discharge from the Seabees and that he would be home sometime Friday.

### Recruiting Drive Ahead Of Schedule

With enlistments already exceeding 50,000 men, the Southwest has stood far ahead of its original schedule in the current recruiting drive for the U. S. Regular Army, 1st Lt. William H. Foster, Brownwood Recruiting Officer, declared today.

"Our previous goal was 70,000 enlistments by next June 30 for the Eighth Service Command area, of which Texas is a major portion," Lt. Foster said. "As a result of extraordinary response in this area we have already realized slightly more than 71 per cent of our original quota."

While the current recruiting drive has been underway for less than five months, an all-time record of 400,000 is expected for the entire nation when the final reports are completed, according to a War Department announcement in Washington this week.

"The Army's manpower requirements, however, still exceed the number we have recruited," Lt. Foster pointed out. "So far voluntary enlistments are furnishing only a fraction of the needs of the service both abroad and at home."

"But the Southwest is being well-represented in the new peacetime Army. We hope to surpass our quota by many thousands of men," Lt. Foster said.

The liberalized G. I. Bill of Rights, offering unprecedented education opportunities, was listed by Lt. Foster as one of the determining factors in enlistment of so many young men.

Thousands of others, he said, are enlisting or re-enlisting for personal security. In a great number of cases men earn more above living costs than the average industrial worker.

Reports from Washington indicate the increasing intensity of the Army's recruiting campaign. From August 16 through September 30 enlistments totaled 12,093, then swelled to 64,772 through October and 184,480 during the month of November, December figures are not yet complete, Lt. Foster said.

### Tanker Blows Up In Manila

MANILA, Jan. 14 (AP)—A tanker blew up in Manila harbor tonight and waterfront observers feared loss of life was heavy.

The explosion occurred at 9:45 p. m. and threw a brilliant glare over the entire harbor.

A military policeman aboard another vessel, the Robert D. Carey, said the tanker was anchored about 2,000 yards out in the harbor.

"I saw a bright flame silhouetting another vessel nearby," said the M. P., Pvt. Archie D. Geddes, "and within a fraction of a second the tanker was completely enveloped in flames."

"Then a column of smoke and debris shot up a thousand feet. Then I heard very loud explosions which lasted for five minutes."

"I am sure that many of those aboard must have been killed."

A fire boat rushed to the scene and an hour later it appeared that the remaining fire was being brought under control.

Capt. Frank McCreary, Jr., former football coach of the High School here, has returned to the U. S. from about 26 months in the Pacific and is visiting his parents at Rockwood.

### Our 4-H and FFA Club Boys Deserve Praise

The members of the 4-H Club and FFA Club need the praise and encouragement of the business people of Santa Anna and the livestock raisers throughout the country, for their work in helping to improve the breeding and feeding of cattle, sheep and hogs in our territory.

The improvement in the grades and quality of livestock since the advent of the boys club work is very noticeable. Those boys could find sports and other amusements to take up their time; something that had no future so far as commercial life and profits are concerned, but, instead, they are proving their interest in the future of the country and their own future, by competing with each other and the adult producers of the country, by studying and practicing the breeding and feeding of livestock for better quality and more profitable livestock.

Give the boys a word of encouragement and try to raise their ambitions to press onward and upward to bigger and better achievements. They deserve the friendly hand of us all.

### Unlicensed Drivers Figure In Accidents

AUSTIN.—Unlicensed drivers are figuring in 24 per cent of the fatal collisions in Texas, Director Homer Garrison of the Department of Public Safety said today.

A survey covering 415 "fatal drivers," all residents of Texas, showed that 104 either never had licenses or had permitted their licenses to expire.

"Driver licensing suffered during the war from public apathy and inadequate law enforcement," Garrison commented. "Now it's time for everybody to get back on the ball. I hope the people will cooperate voluntarily."

"We don't want to wage a drastic statewide campaign against unlicensed drivers, and we haven't the manpower to do it without neglecting other important work, but increasing traffic fatalities may force us to."

### Fire Dept. Elects Officers For 1946

The Santa Anna Volunteer Fire Department met at a regular meeting January 8, 1946 for the purpose of electing officers for the coming year. All members were present for the election of officers.

Officers are as follows: President, W. B. (Bill) Griffin; Chief, L. A. Welch; Asst. Chief, B. E. Unsell; Secretary, Eddie Paul Voss; Chaplain, Rev. E. H. Wylie; Captains, D. H. Moore and O. B. Owens.

No further business, meeting adjourns.

### Annual W O W Supper

All members of Mountain Camp No. 43, Woodmen of the World, and also members of the Woodmen Circle are requested to meet in the Woodmen Hall Saturday night, January 9th for the annual social and turkey supper. Bring your families and join us in a pleasant meeting.

Joe B. Flores, Clerk  
E. L. Todd

### Lost Boys Reach House and Are Brought Home

Daily Bulletin  
Four Brownwood Boy Scouts who went on a camping expedition Friday night and got lost Saturday, found their way to a house at Regency at 4 a. m. Sunday and were brought home late Sunday morning.

Meanwhile, searchers spent Saturday night and up to 1 p. m. Sunday, hunting for the boys on the 120,000 acre Camp Bowie reservation and adjacent areas.

The boys were brought in by Henry Egger, who owns a store at Regency. They were warmed and put to bed at Egger's house when they arrived there at 4 a. m., after wandering for many hours through the night.

The boys were Billy Wyley, Jimmie Mayes, Eugene Coffee and Kenneth Jackson, ages 14 and 15, all members of Troop 1, Brownwood.

The four boys wound up on the Colorado River, Mills county, after leaving their car Saturday at Elkins, in Brown county. Logan McKinzie, fifth member of the party, remained with the car and was found Saturday.

### Commission Issues Proration Order

AUSTIN, Jan. 14—(AP)—A statewide proration order calculated to result in daily production of 2,126,504 barrels of crude in Texas during February was issued today by the railroad commission.

The commission said it would make no change in permissive production for the balance of January, but that demand for production of more sweet crudes would be met by increasing the allowable production up to the maximum efficiency rate in certain gulf coast fields, and in West Texas fields producing from the Ellenberger formation.

Approximately 77,000 barrels daily of the increase will come from the Gulf Coast area, and 6,203 barrels daily from the West Texas areas, said chairman Olin Culbertson of the commission.

Mr. and Mrs. James A. Clark are here visiting her mother, Mrs. Vera Shield. They arrived home last Thursday night and after a few days visit they will go to Detroit to make their home. Mr. Clark has recently received his discharge from the Army.

### District 9A Football Schedule Announced

Now is the time for us to be thinking of our football team for the next year. We have the men obtainable to produce a district winner this year and if we will all support it with all we have it can be done.

Soon the spring training will begin and the boys will be getting the feel of a football again. Lets all resolve now to be better supporters of our boys this year and then really stay with them.

The District Conference Schedule has been announced and we have three games here. This of course does not include the non-conference games that are to be decided on later.

The 9A schedule follows:  
Sept. 20—Lake View in Winters.

Oct. 4—Lake View in Ballinger  
Oct. 18—Brady in Lake View, Winters in Santa Anna.

Oct. 25—Ballinger in Santa Anna. Coleman in Winters.

Nov. 1—Brady in Ballinger. Coleman in Lake View.

Nov. 8—Coleman in Ballinger. Brady in Winters. Santa Anna in Lake View.

Nov. 15—Santa Anna in Brady  
Nov. 22—Winters in Ballinger. Coleman in Brady.

Nov. 29—Coleman in Santa Anna.

W. E. Whitten of Brady is chairman of the executive committee, Joe Forester of Ballinger secretary, Terrell Graves of Coleman executive committee with P. H. Davidson of Lake View and D. D. Byrnes of Santa Anna alternates.

### New G. I. Bill Order Issued

WASHINGTON, D. C.—Orders to have all of The American Legion-sponsored amendments to the G. I. Bill of Rights in full force and effect by March 28 have been laid down for all his staff by Omar N. Bradley, administrator of veterans' affairs.

The date conforms to the 90-day deadline set by Congress for putting the changes into effect following their approval by President Harry S. Truman, the nation's No. 1 Legionnaire.

"Some of the changes have already been put into effect but others must wait upon new regulations and for new forms and procedures," General Bradley said.

"We need not wait to raise the loan guarantee from a maximum of \$2,000 to a maximum of \$4,000 and we are not waiting. We are also wiping out the 25-year age factor in educational requirements immediately, making loans on approval of VA appraisers, paying the increased subsistence allowances of \$90 and \$65 a month; and we are granting benefits to Americans who fought in allied forces."

The two major benefits which the VA may not be able to put into effect until March 28 are inclusion of correspondence schools under the educational title of the bill and approval of business loans for working capital and operations, General Bradley said.

Kenneth Vance of Shield and George Green of Buffalo went to Brownwood Thursday to appear before the Kiwanis Club, to give a grass demonstration, using different varieties of grass collected from over Coleman county.

Next Monday, January 21st, is the date set for the 1946 annual 4-H Club and FFA Club Stock Show.

**Department A**  
21 entries in the Club Boys Baby Beef Department, as follows:

#### Senior Wet Lot

Pat McClatchey  
Maurice Kingsbery  
J. L. Stewardson  
Willard Allen  
Boyd Stewardson (2)  
Burgess Stewardson (2)

#### Junior Wet Lot

Pat McClatchey  
Boyd Stewardson  
Fiern Bengt  
Willard Allen  
Burgess Stewardson

#### Dry Lot

Tommy Newman  
Maurice Kingsbery  
Bob Stafford  
Harvey Dodson  
Jerry Buse  
J. L. Stewardson  
Duane Callaway  
Ken Martin

**Department B**  
Twenty-five entries are ready for the Boys Fat Mutton Show, as follows:

#### Cross-Bred—

(Delaine-Southdown)

J. L. Stewardson (4)  
Boyd Stewardson (3)  
Burgess Stewardson (3)  
Billy Jo Robinett (2)

#### Cross-Bred—

(Corriedale-Fine Wool)

Wayne Stewardson (3)

#### Under One Year Age

Wayne Stewardson  
Scarborough Boys (2)

#### Department E

Boys Breeding Swine Show

Two entries will be made in this department.

Darwin Watson  
James Neal Williams

#### Department A

All first places will get a prize of \$10, Second places \$7.50, Third places \$5.00, Fourth places \$4.00, Fifth places \$3.00, Sixth places \$2.00, Seventh and Eighth places \$1.00 each.  
Grand Champion \$10.00; Reserve Champs, \$5.00.

#### Department B

All first places get a \$5.00 prize, Second place \$4.00, Third place \$3.00, Fourth place \$2.00, All others \$1.00.

Grand champ \$5.00, Reserve champ \$3.00.

#### Miscellaneous

All Adult entries will be judged and given ribbons. This feature should be crowded with good entries.

The 4-H Club and FFA Club members are doing a great work, demonstrating what can be done with good cattle, sheep and hogs, and deserve much credit for their energetic work. Give them all the encouragement you can.

## Too Many Die Of Pneumonia

Austin, Texas, Jan. 14—According to Dr. Geo. W. Cox, State Health Officer, pneumonia caused over 1,934 deaths during the first ten months of the past year in Texas, a reduction over the previous year but still too high. It is more prevalent during the winter and spring months.

Pneumonia is usually caused by a germ called the pneumococcus, which many of us have lurking in our throats ready to start trouble when our resistance to it is lowered. We can keep up our resistance by avoiding undue fatigue and avoiding unnecessary exposure

to extreme weather conditions. When we go out into the cold, additional wraps should be worn sufficient to protect us. Keeping the temperature of our homes as low as is consistent with comfort will greatly lessen the difficulties encountered in adjusting ourselves to the cold when we go out.

Another method of prevention in pneumonia is not to neglect a cold, for the common cold often results in pneumonia when neglected. A person with a severe cold should stay at home, and call his physician for advice if temperature persists or the cold lingers on. He should follow his physician's advice until the cold has disappeared.

The successful treatment of a pneumonia case often depends upon starting treatment very

early. That is why a physician should be called at once when pneumonia is suspected. A patient may really have beginning pneumonia when he thinks it is only a cold. If the physician's advice is sought, he will have an opportunity to start treatment early if pneumonia occurs in such cases.

## Double Funeral For Hill Twins

Funeral services were held at the Methodist Church Sunday afternoon for the premature born twins of Mr. and Mrs. Oscar Hill. The twins were born October 30, 1945, at the Sealy Hospital, where they were nurtured in an incubator for several weeks before carrying them to a baby specialist in Dallas. Upon returning from Dallas, they were placed in the incubator, and all that was humanly possible was done to develop them to maturity, but all efforts failed, and little Carolyn Sue died Friday night. The twin brother, little Ronnie Carroll, died just before noon Saturday.

The tiny bodies were prepared for burial and placed in a double casket by Hosch Funeral Directors, and following the funeral, they were laid to rest in the Santa Anna cemetery, with the pastor, Rev. J. D. F. Williams, conducting the services with Hosch directing.

Survivors are the grieving parents, Mr. and Mrs. Oscar Hill, and one two-year old brother, and a number of uncles, aunts, and other close relatives.

## R. Harris Funeral Held Tuesday

Funeral services for Robert Harris, Jr., 71, retired, were held at the Cleveland church Tuesday afternoon, with the Methodist pastor, Rev. R. A. Pape, conducting the service.

Mr. Harris was born September 12, 1874 in Fayette County, Texas. He was married to Alice Belle Winters, September 13, 1898. The family came to Coleman county in 1919, and have lived here since. Twelve children were born to them, nine of whom survive, as follows: Mrs. M. S. Brown, Flatonia, Texas; Mrs. Nolan Baugh, Slaton, Texas; Mrs. Lola L. Roberson, Bellingham, Wash.; Mrs. M. W. Woods, McFarland, California; Lura Harris, Wichita Falls, Texas; Herd Harris, Santa Anna; Cone R. Harris, Shreveport, La.; and Hazel Ruth Harris, Abilene, Texas. Mrs. Harris died in 1926. One son, Woodrow Wilson Harris was killed in service, and two daughters also preceded him in death. Ten grandchildren and one great grandchild survive.

Mr. Harris was in Coleman last Friday afternoon, suffered a heart attack and fell on the streets. He was picked up and carried to the hospital, where he died Friday night without regaining consciousness. The body was brought here Saturday and prepared for burial by Hosch Furniture and Undertaking Co. The body was held out until Tuesday to give time for out-of-town children to come in. Following the funeral, the body was buried in the Cleveland cemetery.

Flower ladies were friends of the family.

Pall Bearers were O. L. Cheaney, Sam Collier, Clinton Lowe, C. W. Stephenson, L. G. Bobo and George Green.

AUSTIN, Texas—The University of Texas was \$500,000 richer in machinery and equipment this week, with the acquisition of government machinery from the Mabry Ordnance Shop in Austin.

Transfer of the equipment culminated negotiations between J. Neils Thompson, University coordinator of surplus property acquisition, and Army officials.

The equipment ranges from hammers, chisels and screwdrivers to lathes, drill presses, piston grinding machines, air compressors, and crankshaft grinders. Much of it will be used to replace obsolete machinery in the mechanical engineering department, Mr. Thompson said, but many items are also suitable for use in other shops on the campus.

## County Has Huge Job Ahead On Home Repair

More than \$733,000 is expected to be spent during the next five years by Coleman County home owners on remodeling and repair work.

The year 1946 promises to inaugurate one of the greatest eras in American history for home repairs and modernization, according to estimates released by the Tile Council of America. "Few developments will contribute more to employment and general prosperity in any community," according to R. E. Jordan, chairman of the Council's Residential Construction Committee.

Because of lack of materials and manpower during the war, majority of the county's 5,865 dwelling units are in need of some kind of repair or remodeling work. Kitchen improvements and modernization of bathrooms installation of tiled showers and in some homes addition of a second bath top the nation's list of most wanted major improvements, Jordan said.

Outside paint jobs are needed on more than 50 per cent of homes, and addition of rooms and construction of porches also rank high in remodeling plans, according to the report. New roofing and heating plants are required by many dwellings.

Home owners in Texas will spend an estimated \$226,215,000 and those of the nation more than \$5,500,000,000 for major repairs in the next five years, according to Jordan. Ample funds, at low interest charges, are available for such work through commercial banks, savings and loan associations, credit unions and mutual savings banks, he pointed out.

The State of Delaware has only three counties.

If we had the language to express ourself and get by with it in the mail, we would be tempted to write an article about the strike situation throughout the industrial centers of the country but since we would have to use words and phrases that might not be permissible, we will refrain and let the world take its course.

**AN ORDINANCE** Regulating the Moving, Hauling and Transportation of Buildings, Houses and Structures Over The Public Streets Of The City Of Santa Anna, and Providing For A Permit and Bond, and Fixing A Penalty For Violation.

**BE IT ORDAINED**, by the City Commission of the City of Santa Anna, Texas, by unanimous vote, all members present and voting, that the following ordinance be adopted and after its publication shall become a part of the ordinances of the City of Santa Anna, and be in full force and effect.

**SECTION 1:** That after the effective date of this ordinance, it shall be unlawful for any person, firm, or corporation, to move, haul or transport over, across or along any Street or Alley within the City limits of the town of Santa Anna, on any vehicle or truck, any building, house or structure to be used as a dwelling or business house, without having first obtained a permit and filed a bond with the City Secretary of City of Santa Anna, Texas, as hereinafter provided.

**SECTION 2:** Any person, persons, firm or corporation desiring to haul, move or transport any building, house or structure, over or across any Street within the City limits of Santa Anna, shall make and file with the City Secretary an application in writing, giving the name and address of the person so applying, and the location to or from which, he proposes or wishes to move any such building, house or structure, and the route over which he desires to transport the same, and the City Secretary shall issue such permit on forms furnished by the City, on the filing with the City Secretary of a bond duly executed by the applicant and two solvent sureties in the sum of Five Hundred

(\$500.00) Dollars, payable to the City of Santa Anna, Texas, conditioned that such person, persons, firm or corporation, will pay to the City of Santa Anna, all cost and damages caused to any street, streets, curb or sidewalk in the transporting and moving of said building, house or structure. Further provided that said bond shall be approved by the Mayor of the City of Santa Anna prior to the issuance of any permit by the City Secretary.

**SECTION 3:** Any person, firm or corporation who violates, refuses or fails to comply with any provision of this ordinance, shall be guilty of a misdemeanor, and upon conviction shall be punished by a fine not exceeding \$100.

**SECTION 4:** If any section, paragraph, subdivision, clause, phrase or provision of this ordinance shall be adjudged invalid or shall be held unconstitutional, the same shall not affect the validity of this ordinance as a whole, or any part or provision thereof, other than the part of such provision so decided to be invalid.

Passed, adopted and approved and ordered published in the Santa Anna News, a newspaper published in City of Santa Anna, Texas, as provided by law, this 4th day of Jan. 1946.

George Johnson  
Mayor of City of Santa Anna, Texas.

Miss Jettie Kirkpatrick  
Attest: City Secy.

Mr. and Mrs. Thomas M. Hays arrived last week from Jacksonville, Fla., where Thomas received his discharge as an Ensign in the Naval Air Force branch of the U. S. Army. The young couple will make their home here until fall when Thomas purposes to enter college somewhere to further complete his higher education.

**Geo. F. Montgomery Buried Thursday**

Elder C. H. Richards was called to Coleman last Thursday to conduct the funeral of Geo. F. Montgomery, 85, who passed away at his home in Coleman Tuesday.

Deceased is survived by one son, Alvin Montgomery of California; four daughters, Mrs. W. D. Bartlett, Mrs. David Martin, both of California; Mrs. Mamie Cartson of Houston and Mrs. Mary Lykins of Coleman; one brother, William Montgomery of Lawn.

Services were held in the Wright Funeral Chapel and interment made in the Coleman cemetery.

Let the News print it.

**GARDEN REMINDERS**

Book of the month is the seed catalogue—study them to see what you want to plant next Spring.

Spraying trees and shrubs should be done before the buds begin to form.

Pruning Trees—study the architecture of your trees and prune out such branches as are going in the wrong direction, as well as those that are diseased or dead.

Hardwood cuttings of shrubs may be planted out. Most any of them will root, however, the

deciduous shrubs and large leaf evergreens root best.

If you still have narcissus bulbs, they will bloom nicely if planted out.

Don't forget our best friends, the birds. Put out suet, nut meats or pie crust for them during the cold weather.

v

Mr. and Mrs. W. E. Vanderford were called to Winters Saturday where their daughter, Mrs. Warren Aldridge underwent major surgery. They were accompanied by their daughter, Mrs. Rip Mayo of Coleman. Last report Mrs. Aldridge was doing nicely.

Elgean Shield spent several days in New York last week, where he successfully arranged further finances for his drilling operations in this community. Mr. Shield's second well will be on the Holt farm east of the E. L. Woodward estate, four miles east of Santa Anna. Two producers were recently completed and are now in production on the Woodward tract, drilled by A. W. Gregg of Houston. Mr. Gregg plans to drill other wells in the vicinity.

Twenty-nine states have a Washington county.

**NOTICE... Tax Payers**

For the convenience of the tax payers in Santa Anna and trade territory, a representative of this office will be in Santa Anna at the Bank to collect taxes, on Thursday, January 24.

By recent legislation the status of some voters has been changed. World War I Veterans who by reason of a 40 percent, or more, disability have here-to-fore been exempt from the payment of a poll tax will now have to pay the \$1.00 State School Poll before being eligible to vote. This ruling also applies to those who have been exempt from poll tax payment by reason of certain physical handicaps. Veterans of World War II who received their discharge within a period of 18 months prior to the elections this year will be eligible to vote without a poll tax receipt. No exemption certificate will be required so far as we know.

Announcements Political

The following candidates have paid the announcement fee for the entire term of the 1946 campaign, and this column will run continuously throughout the term. All candidates in this column have announced their candidacy subject to the action of the Democratic primaries in July and August of this year.

- For County Judge: Leman Brown, Re-election; For District Clerk: T. H. (Sticks) Corder; For Sheriff: George Robey, Re-election; For Commissioners, Precinct 2: J. W. Fulton, Henry W. Simmons, Carl B. Ashmore, Re-election; For County Clerk: George M. Smith, Re-election; For Supt. County Schools: D. E. Lovelless, Re-election; For Tax Assessor-Collector: Al Hintner, Re-election

Gouldsbush News

Mrs. A. W. Crye

This community is having a wonderful rain and a little snow which will be so helpful for the grain.

A large crowd enjoyed the singing convention at the Congregational Methodist Church Sunday afternoon.

Rev. H. A. Hall of Valera preached at the Methodist Church Sunday morning.

We rejoice with Mr. and Mrs. Bill Terry upon the return of their son, John, from the Army.

The young people were happy Friday night when the Mozelle High School basketball team beat the team from Eden High School.

Visitors in the Claud Slone home Sunday were Mr. and Mrs. J. W. Row, Dennis Garrett and family, Mr. and Mrs. Lester McMillan and daughter, Mrs. Myers and Doris.

Rose Slone visited here with relatives over the weekend.

Marvin Priddy and wife of Brownwood and John Priddy and wife of Dallas visited in the Bob Garrett home last week.

Dewitt Priddy has gone to Camp Wallace hoping to receive a discharge from the Army. He was among those faithful boys who did such grand service overseas.

Friends are glad to hear of the improved condition of Mrs. Bob Harding who has been for some time in the hospital at San Angelo.

David Row visited relatives in San Angelo last week.

Today was supposed to be H. D. C. day at Mrs. Slacks but the weather is too bad.

Whon News

Mrs. Tom Rutherford

Everyone has been contented to stay home for almost all the past week and enjoy the wonderful rain that has been falling. Due to muddy roads not very much traveling in our community.

There was no school at Whon Monday due to rain.

Elvis Ray Cozart, who is attending A and M College, spent Saturday night and Sunday with his parents, Mr. and Mrs.

Etol Cozart, Mr. and Mrs. Joe Will Fowler of Brooksmith visited Mr. and Mrs. Earl Cozart Sunday.

Mr. and Mrs. Homer Schulze and son visited friends at Salt Gap Sunday.

L. D. Richardson was operated on at the Santa Anna hospital Friday. We are glad at this time he is reported doing very well.

Ima Smith spent Saturday night with Corine Benge.

Mr. and Mrs. Charles Benge and children visited Mr. and Mrs. Dick Deal Sunday afternoon.

A large crowd attended PTA social at the school house Friday night.

Mr. and Mrs. George Rutherford visited with Mr. and Mrs. Jim Carter Sunday afternoon.

F. Y. C. Dell Balch of the U. S. Navy, whose home is in Houston visited in the Etoll Cozart home during the past week.

Attendance was good at the Nazarene Church Sunday. Rev. Hill preached both morning and night. If you are not in Sunday School anywhere else you are always invited to this church. Sorry to say we still have people in our community who do not attend church and Sunday school no place. Try to find a place in either church for Sunday services.

There will be a social at the school house Saturday night, Jan. 19 sponsored by the Baptist Sunday School for everyone in the community. The new pastor of the church will have charge. Everyone is invited to attend and come as a hobo with your sandwich, and enjoy the social entertainment. Every one is invited.

Corine Benge spent Sunday with Ima Smith.

Mr. and Mrs. Buster Wallace took their baby to Brownwood to the doctor Friday. She has been rather sick with the flu. She is better at this writing.

Virgil Tennyson had to register for the Army Monday.

Mr. and Mrs. Dick Deal received a card from their son, Jodie who is serving in the Navy, last Thursday saying homeward bound. Of course, they don't know when he will arrive home but they are anxiously awaiting his return—the shortest time seeming too long.

Mukewater News

Mrs. Casey Herring

Some of the news is late for last week. We didn't get the news in last week due to rain and sickness.

Mr. and Mrs. Silas Wagner, Patsy and F. B. spent Sunday with Mr. and Mrs. J. C. Perry and boys.

Mr. and Mrs. James Ford of Trickham took supper with Silas Wagner and family Sunday.

Misses Kathleen and Eva Nell Hibbetts spent New Years Eve night with Betty Joyce and Viola Wagner. Betty Joyce and Kathleen spent New Years Day with Mr. and Mrs. Clark Miller.

Mr. and Mrs. Casey Herring, Charlene and Kenneth spent the day in the E. R. Cupps home Tuesday.

Mr. and Mrs. A. H. Dean, Ruth, Rodney and Roy were Sunday night visitors of the Casey Herring family. The men went fox hunting.

Mrs. Ovella Williams visited Mrs. Dorothy Wallace and baby, Jo Ann Wednesday.

Mr. and Mrs. Vernon Campbell and baby visited Mr. and Mrs. Bruce Hibbetts and family Monday night.

Rodney and Ruth Dean visited with Mr. and Mrs. J. R. Haynes Saturday night.

Mr. and Mrs. Fred Haynes and family visited with Mr. and Mrs. J. R. Haynes and family.

Darrell Downs visited Mr. and Mrs. Dale Nolan Sunday. They enjoyed a show.

Misses Betty Joyce and Viola Wagner spent Sunday with Eva Nell and Kathleen Hibbetts.

Trickham News

By Mrs. Beula Kingston

After several weeks of absence from writing my news column, I will again try to send in the news, but remember if I do you will each one have to help me out, as you know I am not yet taking chances on being out much. Thanks to Mrs. Carrie Stacy, who has sent in news the past weeks. Mrs. Shield, Oscar and Mary

visited Mr. and Mrs. Otto Lange and Mrs. Will Featherston Sunday afternoon.

Visitors in the Walter Stacy home Sunday were O. T. and Sue (who have been staying in Santa Anna for some time), Mr. and Mrs. Sam Grant and Houston Grant of Rockwood, Joe Stacy and family and Mrs. Zona Stacy.

Mrs. Howell Martin received a telephone call Sunday saying her grandmother, Mrs. Toby of near Comanche, had passed away. Mr. and Mrs. Martin and family left early Monday morning for the funeral. Friends here of Mrs. Martin's extend sympathy to her. Mrs. Harry Laughlin is teaching in Mrs. Gertrude's place today.

Pfc. Johnnie Wells, son of Mrs. John Wells, returned home one day last week from the Pacific Theater of war. He received an honorable discharge from the Army.

Mr. and Mrs. Gus Fiveash and two children, a sister of Mrs. Fiveash and her husband, whose names I failed to get, are here from California visiting his sisters, Mrs. Leta Price and Mrs. Bessie Downs and their families.

Mr. and Mrs. Bill Hiedbrier are spending a few days in San Antonio.

Mrs. Will Featherston was brought home Saturday from the hospital where she had been for a few days taking treatment for the flu. Glad to hear she is improving.

Mr. Otto Lange has been ill, but is better now.

Mr. and Mrs. Anton Boenicke and Mr. and Mrs. Carl Harris of Mt. View community visited Mr. and Mrs. Oscar Boenicke Friday night.

There were not very many out for Sunday school and church Sunday—weather was so cold. If conditions in our nation ever become normal again, maybe we can build a church house that will be more comfortable in cold weather. Brother Wylie, who has been so faithful to always be here, filled his regular appointment. His daughter, Mrs. Kathryn Pettr, brought him down here.

Mr. and Mrs. Oscar Boenicke and Mrs. Shield visited Mr. and Mrs. A. J. Martin Sunday night. Mrs. Zona Stacy and Mrs. Clara James visited Mrs. Beula Kingston Friday.

Morris Price and Gene Bevins of Ozona are here on a visit.

Mr. and Mrs. Oscar Boenicke, Mrs. Shield, Mr. and Mrs. Charlie Thopson visited in the home of Mr. and Mrs. Otto Lange and Mrs. Will Featherston Sunday afternoon.

Mr. Marvin Whitley attended the funeral of the Hill twins at Santa Anna Sunday afternoon.

Mrs. L. E. Page spent Saturday with Mr. and Mrs. Roy Tucker, Mr. and Mrs. Tucker had all their children home again. Roy Earl, who has received his discharge; G. W., who is home on a 30-day leave and who has reenlisted again; Sybil, who is taking cadet nursing at San Antonio; and Inez, who is now nursing in the Santa Anna hospital.

Mr. and Mrs. Harry Wilson and Mrs. Laughlin and Gray visited in the Roy Laughlin home Sunday night.

James Gray Laughlin, recently discharged from the Navy and is now at home with his family in Brownwood, spent a short time here with his parents and other relatives one day last week.

Mr. D. L. Lovelless of Coleman was a business visitor in Santa Anna Tuesday.

Mrs. Jack Gregg of Brownwood visited in Santa Anna a short time Monday.

Miss Hazel Genz of Houston visited with her parents, Mr. and Mrs. A. E. Genz.

O. W. Pettjohn is in Dallas this week looking for merchandise for his hardware store.

After 19 months in the ETO, Capt. W. C. Mills arrived home last Sunday for a two-day visit with his family, Mrs. W. C. Mills and son, Billy, also his parents, Mr. and Mrs. W. L. Mills.

Homer Hill and family of Iran were here over the weekend, coming to Santa Anna to attend the funeral of the twin babies of Mr. and Mrs. Oscar Hill, who were buried Sunday afternoon.

Geo. Smith Asks For Re-election As County Clerk

Geo. M. Smith, county clerk of Coleman county, has authorized the Santa Anna News to announce his candidacy for re-election, subject to the action of the Democratic party primary. His announcement follows:

"I hereby take this opportunity of announcing to the good people of Coleman county that I am a candidate for re-election to the office of County Clerk. I trust that I have given you the service that you would reasonably expect of any public official."

"My record has been made, and I have served to the best of my ability. I trust it has met your approval. If so, your vote and influence in support of my candidacy for re-election will be greatly appreciated. Realizing the many duties and responsibilities the office carries with it, I have tried to perform these duties in a manner satisfactory to all concerned, and as to just how well I have done the job is to be decided by each and every one who casts a ballot in the July primary."

"Your liberal support in the past is deeply appreciated, and if you feel justified in re-electing me as your county clerk, I will do my best to merit your confidence and goodwill. Again I say thank you for all past favors."

Mother Burris' 85th Birthday

In spite of the bad weather Monday Mother Burris had a real nice birthday. She has made Santa Anna her home for forty-two years and enjoys her many friends, who live in and around Santa Anna and Coleman.

She had as her guests Mrs. Velo and daughter, Elsie and son, Wilson, who has just returned from overseas. Mrs. Velo has the same birthday as Mother Burris. She also brought the beautiful birthday cake with 85 candles and "Happy Birthday" on it.

She received several nice gifts, birthday cards and phone calls wishing her many returns of the day.

Brusenhan

T. J. Lindleys Celebrate Golden Wedding Anniversary

Mr. and Mrs. T. J. Lindley of Santa Anna celebrated their golden wedding anniversary Sunday, Jan. 13th by inviting friends and family to their home for dinner.

Those present during the day were Mrs. Zetha Thomas of Santa, Mr. and Mrs. Wm. Bransford of San Angelo, Mr. and Mrs. Homer McClatchey of Eldorado, Mrs. J. E. Featherston, Miss Lou Featherston, Mr. John Featherston, Mr. and Mrs. Bond Featherston, Mr. and Mrs. James D. Rice and Lynn of Trickham, Mr. Edd McClatchey, Mr. and Mrs. Avery Steward of Bangs.

W. B. Wilson, recently discharged from the Army and now living in Dallas visited here the first of the week.

VISIT The 4-H Club and FFA Livestock Show MONDAY JANUARY 21, 1946 RED CHAIN ALCOMO is the foundation Of Many a Successful Feeding Program

Successful cattlemen use ALCOMO to help keep their breeding stock in good condition... club boys use ALCOMO to help condition their calves or lambs for the show ring. ALCOMO is an ideal ration for horses and mules.

THE OLE' WEATHERMAN

"Into Each Life Some Rain Must Fall." For the student body of S.A.H.S. that is a pleasing time. When it rains it pours but not at S.A.H.S. for the kids are unable to run and the buses stay at home which is o.k. Then the petition starts and everybody jots down their name and of all things it is unanimous. Of course the faculty does not mind as they feel sorry for us hard working students. (With our mouths instead of minds.) After having seven long periods in one morning we're off for places unknown, but wait—surely you forgot something—Oh, yeah! you forgot those encyclopedias they call books.

To Whom It May Concern: And this concerns every student in Santa Anna High School and everyone interested in teenagers. What Santa Anna needs is a canteen where teen-agers could go on Friday and Saturday nights for good clean fun. The students in High School want it, the different clubs of Santa Anna want it but everyone seems to be waiting for some one else to start it. Other towns have such organizations, so why can't we?

It would be a teen-age organization with students of High School being officers, committee chairmen, and making rules. The Student Council is the logical place to start it. The Council members should elect or appoint a set of temporary officers from the student body. Late, after the club is well under way, all members of it would take part in an election of officers who would serve a certain length of time; six months or a year. The Council would appoint capable students on committees such as Finance, Refreshment, Entertainment, Decoration, and Music and all the officers and committee members would get together and make rules themselves.

We can get the backing of the Lions Club, the Self Culture Club, P. T. A. and other adult organizations in Santa Anna. There are several vacant buildings that could be rented, and decorated to be attractive places.

Naturally we will need money. There are a number of people in Santa Anna who would donate from \$5.00 to \$20.00 to the canteen. Then there should be membership dues of about \$1.00 a year. Each member would get a membership card which he would have to show to get into the canteen. If a member did anything against the rules, the membership card would be temporarily taken away from him.

There are plenty of responsible, popular adults who would not mind being host and hostess at the canteen once in awhile to help keep order and direct games.

For entertainment we could have dancing, table games, table tennis, reading and once in a while special features such as a song by members who are good singers, tap dances, special dances, etc. Then if we needed money later for something spe-

cial, the members could put on amateur theatricals, invite every body and charge admission.

The naming of the club would not be difficult. Teen Town, Caper Club, Swing Inn, Oasis, Harmony Hangout, The Kid Barn, and The Big Top, with decorations to carry out the name are only a few suggestions.

The details could be attended to later when the club was organized but we want the canteen now. This school year is about half over, but we can get the canteen almost at once if everyone will pitch in and help, so come on Student Council, start the ball rolling and let's get a teen canteen.

PRESS CLUB NEWS

The Press Club met in the auditorium January 10 with W. H. Blake trying to call the meeting to order. (It was almost impossible.) It was decided that we would postpone the initiation party until Friday, January 18 because there are going to be class parties January 1th, the original date set for the initiation party. It will be at the Ranger Park building.

The motion was made that each member pay 50 cents a year dues, but it was left until the next meeting to decide.

SENIOR NEWS

The Seniors had a class meeting Monday, January 7th and decided to wear black and gold tassels on the caps at graduation.

In a class meeting Thursday afternoon we voted to have a skating party at Brownwood Friday night with the other classes.

The Seniors play committee is also working on a suitable play and we hope that we may soon start practicing it. When this play comes along don't forget to come, each and everyone of you.

THE NAMELESS DRAMA Chapter III

Joe Graingle, the ace detective and the police stood stunned. There lay Ray McClain, motionless, on the floor, and the smell of chloroform hung in the air. The four policemen stumbled outside, choking, but Graingle advanced fearlessly into the room where Ray lay. Ray's heart was beating feebly and by shrewd deduction, Graingle came to the conclusion that Ray was still alive.

Joe carried the boy outside to where the policemen stood, discussing the robbery of Coleman's biggest jewelry store the night before. Naturally Ben Crawford was the chief suspect as he was the only person missing at that time.

The policemen put Ray in the car and rushed away but Graingle stayed to look around. Tying his handkerchief over his mouth and nose, he went back into the shack. He went to where Ray had lain. There on the floor lay a 14 carat diamond. Joe picked it up. It was the famous What-yamacallit diamond that had been stolen the night before.

Suddenly, as Joe stood looking at the diamond, he heard a step behind him. Before he could turn something hit the back of his head and everything went black. (Continued Next Week)  
 Don't fail to miss Chapter 4 of this exciting, gripping mystery in the Mountaineer next week.

CAN YOU TOP THIS

Sarah Frances and Howard Lee's "fights."  
 Ires Kirk's flowers in her hair.  
 Mavice and Webb going together.  
 Vance going with Evelyn Bruce last Friday night.

LOVELORN COLUMN

Santa Anna High  
 January 16, 1946  
 Dear Soothing Syrup,  
 Gosh, oh gee, what am I going to do? My girl, is making eyes at a Senior. I have told her I love her and I never forget her birthday, but she just doesn't seem to really care for me.  
 She is the only girl in my life and how empty it will be without her. Can you help me, Soothing Syrup? I'll be your faithful servant for ever if you will.  
 Hopefully yours,  
 "Stumped"  
 Santa Anna High  
 January 17, 1946  
 Dear "Stumped,"  
 Your letter really worried me. I can't understand how a girl could resist your attentions but then some girls are funny.  
 You say she is the only girl in your life. Well, I wonder. Surely there is some girl who appeals to you and perhaps she wouldn't have such roving eyes.  
 Don't worry about it, I'm sure everything will work out all right. If you have more trouble please let me know and I'll try to help you.  
 Sincerely yours,  
 Soothing Syrup

A TEEN-AGE BILL OF RIGHTS taken from "The New York Times"

1. The right to let childhood be forgotten.
2. The right to say, about his own life.
3. The right to make mistakes.
4. The right to have rules explained, not just imposed.
5. The right to have fun and companions.
6. The right to question ideas.
7. The right to be at the romantic age.
8. The right to a fair chance and opportunity.
9. The right to professional help whenever necessary.
10. The right to form a philosophy of life.

GOSSIP

Isn't it wonderful, marvelous, lovely, heavenly, divine, and all that—why I should say it is. What? Why the gossip column, of course.  
 What's the matter with Jean Rowe and King? Could it be

Jackie Watkins?

How is our new romance between Odell Woods and Tommie Newman coming along? Seems Earl Jean is trying again, too.

Say Jerry B., who's the new "hero?" It just couldn't be Arthur D. could it? How about Junior C.?

And talking about Arthur D. has the old case between he and Carlyn Ray started again—but wasn't she at the skating party in Brownwood and wasn't he there too, and weren't they both "stag?"

We hear Mary Nell P. is jealous but who of and what for? Tell us more, but quick!

Margaret Van Dyke is carrying around someone's picture and it seems to be true love, too. Have we got our wires crossed or did we see Glen Pope bring her to school and did we see her with Johnny Musick? The young lady in question is none other than Dorothy Harrell.

Audrey Robbins, have you been going with Maeri Heilman? Well, well, something new has been added.  
 Doris Wright going "civilian," who would believe it? Seems she and Billy Day are having fun the 6th period.  
 Who's James Hipp? (As if we didn't know.) He ate supper Sunday night with Hazel Cupps. Did we, or did we not, see Mary L. with Charles Hale Saturday? Nice work, Leady!

Everyone was at Brownwood Friday nite. Wayne, Dónelta and Carlyn, W.H. and Nell R., Pat G. and Artie Jean, Wanda H. and Ed Bostick, Sarah Frances and Howard Lee.

What seems to be wrong with Mavice and Webb, Willard and Neil, Ray Mc and Mary Lois, James and Ruby, Vance and Reba, Ray Dean and Jeanette? What's the matter boys wouldn't they go with you, or did you ask them?

Say, who were the two nice looking gentlemen Mavice and Norma were sporting Saturday nite?

Where were Betty Ann and Bob and Wanda Price and Boyd S. Friday nite? Not at Brownwood, were they?

Please keep the good old gossip coming in and help us clear up these mysteries.

**"Hey, Ref—aren't you out of bounds?"**

In basketball or business, Americans expect fair play all down the line. In basketball, the referee is there to see that the game is played according to the rules. But he's not a player.

In business, the referee is the government, which establishes regulations for fair practices.

But when government goes beyond governing and into business and competes with its own tax paying citizens, the American tradition of fair play is set aside. The referee then becomes a player, and he takes advantages that are denied to all the other players in the game.

Take government-owned or subsidized electric power systems, for example. They pay no taxes. When they need money, they call on our U. S. Treasury funds and get it at little or no interest. If they have losses, through political management, why worry? You, as a taxpayer, will have to take care of that.

Business-managed power systems, on the other hand, do not have these special government privileges. They pay their full share of taxes, pay fair interest on any loans.

It is a tribute to American self-reliance that tax-paying, self-supporting companies supply over four-fifths of the tremendous amount of electricity used in this country.

The same forethought and experience which furnished the required electric power to win a global war will continue to assure America dependable—and cheap—electric service for a postwar world. And businessmen can do the job better than bureaucrats.

**THE 'LAWS' OF A PEOPLE**

**LESSON TEXT**—Exodus 20:1-17.  
**GOLDEN TEXT**—I will delight myself in thy commandments, which I have loved.—Psalm 119:47.

Law is necessary to order. Basic laws have been laid down by God for the orderly administration of His universe.

Physical laws are of great importance, but of even deeper significance are the moral and spiritual laws which control the human life. There is in the world a moral law a distinction between right and wrong—which man may ignore only to his own sorrow, and which he cannot abrogate or destroy. All laws of men which are true and right are founded on this underlying moral law, and they are in reality simply a development and interpretation of "God's Code of Morals"—the Ten Commandments.

These fundamental laws were given to Israel at Mount Sinai, but they speak to us with remarkable freshness and directness. They merit more extensive study than we can give them in this limited space; but we can note their broad outlines and certain practical applications. There are two divisions—one concerns man in his relation to God, and the other in his relation to men. We have:

I. A Right View of God (vv. 1-11).  
The first and most important question to be asked regarding any law is, "By whom was it established?" Legislation by an unauthorized person or organization has no power over others. Who gave the Ten Commandments? Verse 1 tells us "God spake all these words."

Men may sneer at theology as being outmoded, but the fact is that Christian doctrine is the only safe foundation for Christian character.  
1. Whom to Worship (vv. 2-5). There can be but one true God, and He alone is to be worshipped. He is a personal being, ready to enter into communion with each one of us. No image or likeness can take His place. Bowing down before idols, no matter what they may be called, is expressly forbidden by God.

2. How to Worship (vv. 6, 7). We are to love Him and to keep His commandments. There is to be no sham about this, for no matter how sweet and pious may be the praise and prayer of man, he has taken the Lord's name in vain unless he keeps the Lord's commandments by holy living.  
3. When to Worship (vv. 8-11). God has ordained that man should not incessantly bear the burden of toil. He is to have a day of rest and a time for worship, undisturbed by the duties and responsibilities of daily labor.

America needs a mighty stirring up about the desecration of the Lord's day. The stalwarts of the last generation fought a valiant battle against a rising tide of secularism and worldly pleasure. Now no one seems to care. Do you? "Six days shalt thou labor." Give God one day out of seven.

II. A Right View of Man (vv. 12-17).  
To be right with God means that we will also be right with our fellow-man. Conversely, the man who is manifestly wrong in his relation to his fellow-man is either not right with God at all, or he is not living out his Christian life in practice. This should show in:

1. Family Life (v. 12). The fifth commandment has to do with the relation between child and parent. There is a plain and direct command that father and mother should be honored. Only in respect and obedience to parents can the child possibly find true and proper development.

Parents who have permitted children to go astray during the war years will need to stress anew the God-required obedience to their authority.

2. Physical Life (vv. 13, 14). God is interested in our bodies. Already we have noted His provision for a day of rest each week. Now we are reminded of the sanctity of human life. "Thou shalt not kill," and remember there are many other ways to kill a man other than shooting him.

Let us be sure that we are not a party to the destruction of anyone's life either by reason of carelessness or greed.

Note the emphasis on adultery. Moral uncleanness, which is so awfully common in our day, is one of the most effective methods of destroying the best even while de-

**Swing of Southwest Farm Markets**

Price trends on most southwest farm products were lower during the second week of January, according to USDA's Production and Marketing Administration. Principal exception was grain, which continued very strong with most prices at the ceiling. Feed supplies are far below trade needs. Hay prices held steady.

Cotton strengthened late in the week following earlier declines in moderately active spot markets. Friday's prices lost some of the midweek gain, and closed about unchanged from a week ago. Sales in the ten designated markets totaled 101,200 bales compared with only 58,400 in the preceding week and 127,400 a year ago.

Domestic wool markets were more active as inquiries increased partly as a result of uncertainty as to availability of desirable foreign offerings.

The spread of prices on citrus fruit was narrowed to bring top prices in line with the ceiling which was resumed on January 4. South Texas vegetables held about steady although demand ranged from slow to only fair. Beets closed dull at \$1 to \$1.25 per half crate f.o.b. Lower Rio Grande Valley loading points. Cabbage was firm at 85 cents to \$1.05 per fifty pound sack; carrots about steady at \$2.50 to \$2.75 per crate. Shortage of cars reduced movement of spinach from the Winter Garden-Eagle Pass area and also continued to affect movement of sweet potatoes in Louisiana and of onions and Irish potatoes in the San Luis Valley of Colorado.

Egg markets were variable. In some areas of Texas, Kansas, and Colorado supplies are beginning to exceed the demand, but in most southwest markets there is still no surplus and some sections are deficit. This is especially the case around Albuquerque and New Orleans. Prices are holding up well except for the required reductions as ceilings decline.

Poultry offerings were moderate and in some cases exceeded the demand. Price trends were generally steady in the Southwest although some northern markets were easy to weak.

Southwest cattle markets were generally lower as receipts increased following the Christmas and New Year's holidays. Declines fell mostly in the 25 to 50 cent bracket, with some sales still about steady. Fort Worth quoted beef steers and yearlings as high as \$16.75 but common and medium grades sold from \$10 to \$13.50. Canner cows realized \$5 to \$7 per hundred lbs.

Hogs regained most of the preceding week's loss although a few easy spots still prevailed. For instance, pigs were down 50 cents to a dollar at Fort Worth and \$1 to \$1.25 at San Antonio, and light weight butchers were down 15 to 25 cents at San Antonio.

Sheep and lamb markets in Texas and Oklahoma were steady to 25 and 50 cents higher for the week. Wichita declined 25 to 50 cents on lambs, but held steady on ewes. Denver also worked lower during the week.

however small if an infected rabbit is handled without gloves." As a further safeguard, Dr. Cox said rabbit meat should be cooked very thoroughly so as to destroy any disease producing germs that may be present. This means that it would be cooked at a boiling temperature for at least 20 minutes before cooking it to your individual taste.

Upland, Ark., with its population of four, is believed to be the smallest incorporated city in the United States.

AUSTIN—Capt. J. O. Musick, head of the Texas Highway Patrol's safety section, has been notified of his election as secretary-treasurer of the Traffic Education Association, a national safety organization.

Santa Fe System carloadings for week ending January 12, 1946 were 24,560 compared with 24,776 for same week in 1945. Cars received from connections totaled 9,258 compared with 12,429 for same week in 1945. Total cars moved were 33,818.

**News Items From Texas University**

Austin, Jan. 14—Rats from the farmers' barn can carry typhus-bearing fleas, as well as cats and dogs, state health department officials reported recently at a meeting of the Sanitary Engineering and Public Health Council of Texas, in a session at the University of Texas.

Dusting rat-infected buildings with DDT, then using the new 1080 poisoning a week later has proved very effective in programs now being carried on by the State Department, Dr. J. V. Irons, sanitary engineer, said.

Fly control by the use of DDT was also discussed at the conference and improved methods of rat-proofing, trapping, and in using fumigants were discussed as necessary researches.

AUSTIN—Capt. J. O. Musick, head of the Texas Highway Patrol's safety section, has been notified of his election as secretary-treasurer of the Traffic Education Association, a national safety organization.

grading and desling the soul with sin.

3. Social Life (vv. 16-17). "Thou shalt not steal"—and remember any dishonest appropriation of what does not belong to you is stealing, call it what you will. And "false witness"—how it has honeycombed our very civilization! Not a little of it is found within the church, more shame upon us! Lastly we come to "covetousness"—which has been called one of the "respectable sins of nice people." It is subtle and often hidden. Let us root it out of our own lives by God's grace.

### 36th Div. Reunion This Weekend

BROWNWOOD—Reactivation of the 36th Division Association is scheduled as one of the principal activities in business sessions of the outfit's three-day reunion here January 19, 20 and 21.

The 36th Division Association as it existed after World War I has been more or less dormant since the National Guard outfit was impressed into Federal service for a second time on November 25, 1940.

It is contemplated that the Association will be re-formed, elect officers, and adopt rules that will take into membership veterans who were with the Division in World War II.

Veterans of both World Wars who served in the Division are authorized and urged to attend the reunion, first held since the end of the last war. Those eligible to participate in the business sessions will be members of the Division between these dates: April 26, 1917 and November 11, 1918; and November 23, 1940, and December, 1945, all dates inclusive.

A program has been worked out by a citizen group of Brown-

wood and committee from the division, of which H. Miller Ainsworth of Luling is chairman.

A preliminary meeting will be held January 19 at 10 am. in the Brownwood Municipal Auditorium. In the afternoon at two o'clock will be a parade. It is contemplated the Division will march by regiments, battalions and companies. For that reason all 36th Divisioners are urged to register immediately upon arrival at booths to be located in town and also at Camp Bowie in order that they may learn where their outfit will form.

Sunday morning will be given over to memorial services in Brownwood churches with former chaplains of the Division conducting the services.

The State Park at Lake Brownwood will be dedicated to the Division in a ceremony commencing at three o'clock Sunday afternoon. Governor Coke R. Stevenson will make the presentation while Major General Fred L. Walker, who led the Division overseas and into its first combat, will accept.

Business sessions are scheduled for Monday, January 21.

Varied types of entertainment are being arranged by Brownwood citizens to be interspersed in the more serious side of the program. Some of the features

will be dances. Urging all enlisted men, warrant officers and officers to attend, Ainsworth said: "This is your Division meeting, and plans that have been made up to now were worked out so that an expression can be had from you as what your wishes may be for your association."

Answering inquiries as to whether or not the uniform may be worn, Ainsworth said the matter was optional as far as the parade is concerned for Army regulations specify it may be worn on special events. The parade meets that requirement, he said.

Facilities of Camp Bowie, where the Division assembled for its initial training after federal mobilization on November 25, 1940, have been opened to the veterans to prevent any housing shortage. Billets at the camp will be available for those who do NOT bring their wives—after all accommodations in Brownwood have been taken. Costs will be nominal and only for the laundry service. Meals also will be available at the camp at a nominal cost.

Reservations may be made by writing to the Hotel Brownwood, Brownwood, Texas. The staff there is arranging all billets, whether they be in the city or in the camp.

It was pointed out by Ainsworth that individual or special invitations are NOT being issued and that the only form of invitation is that being disseminated through the press.

### Shields 4-H Club Has Meeting

Francis Brusenhan, president of the Shields 4-H Girls' club, presided over the meeting January 9. Mrs. George Stewardson, community sponsor, and Mrs. Welton Holt, teacher sponsor, and the Co. Home Dem. Agent, Miss Jewell Hipp, were present for the meeting. Miss Hipp gave a demonstration on making "Head Bands," "Are You Growing Gracefully," a test given the 4-H girls by the Agent included questions on Adaptability, Courtesy, Dependability, Self Control, Tact, Sincerity, and Personal Appearance. The club discussed Points on Raising Baby Chicks. At the next meeting to be on January 23, the Poultry Sponsor will have a demonstration on poultry products.

Names of girls completing sewing boxes are: Joyce Weathers, Francis Brusenhan, Ann Tatum, Margaret West, Lanetta Watson, Jo West, Ruth Milligan, Beverly Gilbreath, and Bernice Tomme.

### Hydraulic Easy Chair

One of the first of the new peace-time improvements in farming is a hydraulic, easy-ride tractor seat—next best thing, farmers say, to farming from a rocking chair on the front porch.

Production of the new tractor seat was started the day after VJ-Day in the same plant used to produce more than 200,000 seats for Army tanks and other military vehicles.

So far, 10,000 farmers in all parts of the country have installed this equipment which smooths out the jolts and bumps by means of a patented combination of two-way, direct action hydraulic shock absorber, variable rated coil spring and sway bar.

One of the new owners, C. J. Heller, midwestern farmer, is shown above just after purchasing the seat from the Monroe Auto Equipment Company, Monroe, Mich., the designer and producer.

### Loveless Announces For Supt. Of County Schools

To My Many Friends and Voters of Coleman County:

I would like to take this means of announcing my candidacy for the office of County School Superintendent of Coleman County, I am now serving in this capacity through the courtesy of an appointment by the Honorable Commissioners' Court (and the aid of friends, who helped me secure the appointment by contacting the said Court. For all of this help, I am very grateful.

I now have six months of experience in this work and like the work very much, and certainly will appreciate your vote and support in helping me to retain the position which I now hold.

Before taking over my present job as your County School Superintendent, I served in the capacity as principal of the West Ward School in Coleman for twelve years, and then as superintendent of the Noyce Rural-Aid School, for five years. This gives me seventeen years of experience in the field of instruction and administration in the schools of the county. In the way of training for my profession, I hold a Bachelors Degree from North Texas State Teachers College, majoring in school administration and business economics. Also, I have completed all the work necessary for a Masters Degree, except writing the thesis, at Hardin-Simmons University, majoring in school administration.

In closing may I assure you people of Coleman County that your support, influence, and vote will be greatly appreciated.

D. E. LOVELESS,  
Supt. Coleman County Schools

C. H. Bigham and family came in Monday from Delano, California for a visit with Mrs. Bigham's mother, Mrs. W. L. Baugh, and other relatives. Mr. Bigham reports having encountered some severe weather enroute, especially through the Arizona section.

# Russell Hale Takes A Bride

Fresno, California  
January 7, 1946

Dear Mr. Gregg:

Last Saturday I attended the wedding of one of my former students. Since he is a young man whom Santa Anna can claim as its own and has many friends there, you will be interested in what I can tell you about the occasion.

Miss Clementine Moore and C. Russell Hale were united in marriage Saturday afternoon, January 5, 1946, at one o'clock at the St. Paul's Church, Washington and Bronson Avenues in Los Angeles, California.

The bride and groom went to Mexico City on their honeymoon and will be at home in Pasadena for a short while after their return before they go to South America to make their home.

Russell was graduated from the Stanford University School of Engineering in 1939 and has been employed by the United Geophysical Company since that time in Brazil and returned to the United States a little more than a year ago to head the foreign operations of that company.

Russell's mother of Abilene, Texas, and his aunt, Mrs. Tripp, were in Los Angeles for the wedding.

Russell is another of my former students of whom I am very proud—and of whom Santa Anna should be very proud. He is the only one of those "youngsters" who are very dear to me whose college graduation and wedding I have been privileged to attend. Wesley and I went to Palo Alto for his graduation in

1939, so we were pleased when he invited us—and our young daughter, Susan, to another important occasion in his life.

Perhaps I should have mentioned in the article above that Russell graduated from Santa Anna High School with the class of 1934 and had the highest scholastic average among the boys.

Mr. Gregg, I have read the Santa Anna News during the war, for my brother, Lee, has been faithful in forwarding copies to me. It has been very unhappy to read of the deaths of such fine boys as Jimmie, Willis, Jesse.

And I have been proud, too, of the work done by such boys as Eddie Vaughn Mills. It is hard to think of them as grown men, for I can picture them only as boys.

I read in a recent copy of the paper that Frances is at home now. Please tell her that I am proud of the work that she has done and give her my very best.

Sincerely,  
Olivia Land Carrell  
Thanks Miss Olivia for the nice letter and write-up of Russell's marriage.—J. J. G.

Lt. Frances A. Gregg, A.N.C. returned to Fort Sam Houston Tuesday after spending a sixty days leave from the Army here with her parents after returning to the States from Manila, in the Philippine Islands. She greatly enjoyed a few weeks rest and recuperation following her long stay and hard work in the South Pacific theater of war. She has elected to stay in the Army for another two years, since the demand is so great for nurses in the various hospitals where our soldier wounded are being treated. She doesn't know where she will be assigned, but it will be some place in the United States.

Mrs. Jack Stanfield and little daughter returned from Albertville, Ala. this week expecting to make this their home in the future. The party will live in the home with her parents, Mr. and Mrs. Colman Holt, until the husband arrives, later in the month.

Miss Jewell Hipp, County Home Demonstration Agent, will meet with the H. D. Club here January 18th, at 2:30 p. m. at the home of Mrs. Claud Conley. This is the beginning of a new year, and we hope all members will attend. Visitors are welcome.

—Reporter

Lt. Z. F. Payne, Jr. arrived home Tuesday night for a short visit with his parents, Mr. and Mrs. Z. F. Payne. He has recently been returned from the Pacific theater where he spent almost 4 years in the China area. Lt. Payne, USN, is now stationed on the west coast and expects to receive a regular leave sometime in March.

Mr. and Mrs. Loyd Burris were at market in Dallas the first of this week.

Mr. and Mrs. Clarence Laws visited his mother, Mrs. J. B. Laws in Glen Cove Sunday.

Rev. J. W. Burgett visited in Denton on business this week. Mrs. Burgett went as far as Weatherford with him and then returned with him.

Mr. and Mrs. J. B. Jones have moved from Taft, Texas to their old home back at Ingleside, Tex.

**TOO LATE TO CLASSIFY:**  
If Pauline Nancy Burton will call at this office you may recover a lost article.

Mrs. Jack Shield of Odessa spent the weekend here with his family. Mrs. Shield took him back to his work and she returned here Wednesday.
