## FIRST BALE OF 1958 COTTON

OTIS M. JACKSON, center above, receives a premium of \$195 from W. Ford Barnes, secretary-manager of the Santa Anna Community Chamber of Commerce. Pictured on the right is Pierre Rowe, manager of the Santa Anna Co-op Gin, where the 526-lb. bale of cotton was ginned last Thursday. Jackson has farmed in the Plainview Community, 5 miles southwest of Santa Anna for the past 38 years and this is his first time to produce the first bale. The premium was contributed by 42 local merchants and professional men.

## Football Season To Start Friday Night

The Fall football season will get underway Friday night at 8:00 o'clock when the Santa Anna Mountaineers journey to Comanche for the opening game of the season. Comanche is a Class AA school and is a pre-season pick for 6th place in the state in Class AA. They are bound to have a powerful team this year.

The Mountaineers have been working out daily since August 25 on a two workouts per day schedule, until school began on Tuesday. Most of the boys are getting in good shape and their football knowledge is progressing nicely. The boys are expected to make a good showing at Comanche Friday night.

It seems reserve strength is going to be the big difficulty with the Mountaineers this year,

as they have only 24 boys coming out at the present time. Several of those who started have already dropped out.

Everyone is urged to make the trip to Comanche Friday night and give the boys the big boost they need. The presence of a large number of boosters is always a big help to the boys.

Coach Jack Rucker said his probable starting lineup Friday night would be as follows:

L. End	Buddy Wylie
L. Tackle	Melvin Avants
L. Guard	Clinton Horne
Center	Jimmy Niell
R. Guard	Max Price
R. Tackle	Arlen Allen
R. End	Don McCullough
Quarterback	Van Aldridge
L. Hackback	Donald Ray
R. Halfback	Bill Jennings
Fullback	Lowell Pembroke

## Control Of Rats and Mice Urged By State Health Department In Texas

(Editor's note: The following article, from the State Health Department, seems very appropriate at this time, as a large number of citizens of this area tell us they have never seen rodents as bad as they are now. And when cold weather starts, more of them will seek shelter in homes and office buildings. For the benefit of all concerned, we urge everyone to read and adhere to the following article.)

A man in La Pryor in Southwest Texas reports finding 64 dead cotton rats in a single night on the lawn of his home, apparently killed by his dogs. In Crystal City the cantaloupe crop has been severely damaged by rats.

From Austin comes reports of rats in back yards where none have been seen before, and of mice in suburban homes. In Abilene and Wichita Falls increases in rat and mice population have

been noted. Farmers southwest of San Antonio have experienced serious losses to small grains, peanuts and tomatoes due to rodent depredations.

What's behind these unusually high rodent populations? It is impossible to give a definite answer, but State Health Department and Fish and Wildlife Service investigators feel increased rainfall had a lot to do with it.

Rains caused dense vegetation growth where rats and mice could take cover and raise young, safely hidden from natural enemies. Also, farm crops have been good, providing a ready source of food.

State and local health departments have made intensive field investigations, and laboratory tests have been made on live and dead specimens of rats and mice. This conclusion has been reached:

There is no evidence at this time of a specific threat to public health. At present the problem seems to be more of an economic and nuisance nature.

While this conclusion is reassuring, it does not mean rodent-borne disease outbreaks are impossible. Rodents can serve as reservoirs for various diseases transmissible to humans, and are hosts to a variety of disease-carrying parasites such as fleas.

Here are some things homeowners can do to control rats and mice around their property:

Search for and close up all portals of entry. One Austin man looked for days for an opening into his house large enough to admit mice. He finally found it — a half-inch space around the pilot control on the floor furnace. A piece of hardware cloth or steel wool make good blocks for places like this.

Set traps and practice home and premise sanitation. Get rid of tall grass, stacked lumber or anything else that might harbor rodents. Bites of rodents or their fleas should be reported to local health authorities.

These are strictly preventative measures and do not imply the existence of rodent-borne diseases in epidemic proportions. State Health Department field

## C. H. Richards Buried Here Sunday Afternoon

Funeral services for Charles Henry Richards, 76, were held in the Stevens Funeral Home Chapel in Coleman Sunday, August 31, at 2:00 p. m. Mr. Richards died in the Santa Anna Hospital at 9:40 p. m. Friday, August 29, after an illness of several months. He had been in failing health for several years.

Ministers officiating were Elder C. L. Jarrett of South Plains, Elder Bethel Jeffery of Eldorado and Elder C. T. Nowlin of Quemado, Texas. Burial was in the Santa Anna Cemetery.

Born in Hood County May 6, 1882, Mr. Richards was married to Miss Mattie Hammrick in Erath County August 24, 1902. He was a minister of the Primitive Baptist denomination and for many years pastored the Mountain View Baptist Church in Santa Anna. He also served as minister for churches at Eldorado, Lampasas, Stephenville and Fort Worth. He and family moved to Santa Anna in 1931 from Eldorado and have made their home here since. The local Primitive Baptist church was dissolved several years ago, but Elder Richards continued to make his home here while pastoring the other churches.

Survivors include the wife of Santa Anna; one son, Arnold R. Richards of Lubbock; three daughters, Mrs. Hampie Butchec of El Paso, Mrs. Edrie Barnard of O'Brien and Ellen Richards of Santa Anna; two brothers, S. H. Richards of Rule and A. J. Richards of Stephenville; one sister, Mrs. Gustava Miller of Knox City; and two half-sisters, Ila Marie Davis of Hollis, Okla., and Sally Burress of Abernathy; four grandchildren and five great-grandchildren.

Pallbearers were Ben Vinson, Eddie Paul Voss, Ray Owen, Jack Mabley, Add Walker and Arlie Welch.

Relatives here from out of town were: Mr. and Mrs. J. D. Richards and Mrs. Dora Richards of Stephenville; Mrs. Gustava Miller of Knox City; Mr. and Mrs. Frank Davis and daughter of Hollis, Okla.; Mr. and Mrs. Darrell Burress and son of Abernathy; Alton Richards of Antton; Mr. and Mrs. Alton Richards and children of Rule; Mr. and Mrs. G. K. Haile and Jim of Slaton; Mr. and Mrs. George Beazie and children of Carrizo Springs; and Mr. and Mrs. Ward D. Spain and Oliver of Abilene.

Friends were here from Dallas, Stephenville, Eldorado, San Angelo, Floydada, South Plains, Quemado, Knox City, O'Brien and several other places.

## Auto Inspection For 1958-59 Now Underway

September 1 marked the beginning of a new motor vehicle inspection period for more than four million vehicle owners in Texas, according to the Texas Department of Public Safety.

Inspection stations throughout the state opened their doors for the inspection period that runs through April 15, 1959. There are more than 4300 stations in the state which have been authorized to check automobiles and trucks.

In announcing the opening date, Col. Homer Garrison Jr., director of the Texas Department of Public Safety, suggested that Texas residents have their trucks and automobiles inspected at the beginning of each period. This, he said, would save motorists considerable time and inconvenience annually accompanying long waiting lines at the inspection deadline.

Mr. and Mrs. Darwin Hamrick and daughter of San Marcos visited over the weekend with her father, Mr. and Mrs. Blossom Owen. Other visitors last week with the Owens were Mr. and Mrs. T. A. Snipes of Dallas and Mrs. Babe Gilliam and daughters, Daria and Denise, of San Antonio.

Mrs. Oran Henderson and Ora Beth of Snyder, brought Miss Bettie Blue home, after a two weeks visit with them. They visited here with her parents, Mr. and Mrs. Hardy Blue.

Investigations and laboratory studies will continue wherever indicated.

## Labor Day Holiday Is Violent Weekend In This Area

Although no violent deaths have been reported during the Labor Day weekend, a number of violent incidents took place during the three day period.

Saturday morning the local Fire Department was called out to put out a brush fire near the home of Mrs. A. R. Brown on Avenue B. No damage was reported.

About 4:00 p. m. Saturday afternoon Leroy Pollock was going east on Wallis Avenue and collided with Mrs. Dorothy Jeffcoat's car, which was parked in front of her home, between 4th and 5th Streets. Pollock's 1951 Studebaker was damaged about \$45.00 and Mrs. Jeffcoat's 1950 Chevrolet was damaged about \$85.00 worth. The right front fender of the Pollock car hit the right front of the Jeffcoat car.

No charges were filed.

About 6:20 p. m. Saturday a 1957 Chevrolet traveling west on Highway 67-84 collided with the rear of the 1955 Ford belonging to Key Bradley, about 2 miles east of Santa Anna. The Bradley car was turned over by the impact at least one time. It was considered a total loss. The Chevrolet sustained heavy damage to the front of the car.

Fausto M. Meza, 49, and Jesus C. Medina, 43, of Fort Worth were in the Chevrolet and both received numerous injuries. In the Bradley car were Mr. Bradley and two daughters and two sons-in-law. Mr. and Mrs. Jim Williams and Mr. and Mrs. Daniel Gray. All were taken to the Santa Anna Hospital for treatment. Early this week Mr. Bradley and the two Medina men were still in the hospital.

Charges were filed against Meza for being drunk and against Medina for assault with a motor vehicle.

Sometime between 3:00 and 9:00 p. m. a 1953 Ford 1/2-ton pickup belonging to Marion Ford of Trickham, was stolen from the Santa Anna Tile Company parking lot. The pickup was recovered in San Angelo Monday morning.

Early Sunday morning, about 4:00 a. m. several men apparently jumped on Garland Smith of San Angelo for no good reason, and beat him up pretty badly, but not enough to send him to the hospital. The affray took place at the Truck Harbor in the west edge of town. Smith, the manager of the Truck Harbor and Sheriff's Department, filed charges against the men and one was fined a total of \$208, another was fined \$44.50.

## Highways 67-84 To Have Shoulders Widened In Area

A contract for 19.9 miles of construction on U. S. Highway 84 and 67 in Coleman County has been awarded to a Waco firm, it was announced in Austin this week by the State Highway Commission.

G. C. McBride, Inc., submitted the low bid of \$187,942.55 on the project. Construction of asphaltic concrete pavement, flexible base and surface on shoulders located from Santa Anna to the Brown County Line; from 0.6 miles east of Valera to 3.6 miles east; from 4.2 miles east of Valera to Santa Anna is expected to take 280 working days, according to Robert J. Milligan, District Highway Engineer at Brownwood. The awarding of the contract to this firm is subject to the concurrence of the Bureau of Public Roads.

Erle C. Mayo, Resident Engineer at Coleman will be in active charge of the project while under construction.

## Quarterback Club To Meet Mon. Night

A very important meeting of the Santa Anna Quarterback Club will be held Monday night, Sept. 8, at 7:30 p. m. in the high school auditorium. Every member of the organization is urged to be present.

A number of the activities of the club will be discussed and things they will do during the football season will be worked out. If you are a member of the organization, or interested in its functions, you are invited to be present.

Mr. and Mrs. R. W. Erwin of Fort Worth, were weekend visitors with her parents, Mr. and Mrs. Joe Baker.

## Jr. Mountaineers Open Season Tues. Night At Bangs

Football activities for the Ward School will get underway Tuesday night, Sept. 9, when the local junior boys journey to Bangs for their opening game. Coach A. D. Donham has 37 boys coming out for football this year and he said he would apparently have three teams. The boys are divided up with 14 from the 8th Grade, 14 from the 7th Grade and 9 from the 6th Grade. Boys under the 6th Grade do not come out for football.

Bangs is usually one of the toughest teams the local juniors have during the season. It is hoped that a good crowd will follow the little boys and give them your support.

Eighth Grade boys are: Randy Brown, Lynn Dockery, Pete Simmons, Stanley Williams, Lynn Luster, John Dillingham, Barton Goodwin, Tony Stewardson, Larry Fowler, Donnie Henderson, Larry Wardlow, Lynn Rice, Travis Allen and Bob Boyel.

Seventh Graders are: Billy McCrary, Terry Bianton, Wade Rehm, Bobby Morgan, Terry Meyer, Bill Horne, Norman Anderson, Bill Wristen, Gary Suddeth, Stanley Hartman, Billy Haynes, Mac Boyel, S. D. Fellers and Bobby Clifton.

Sixth Graders are: Nelson Perry, Joe Wise, John Gregg, Donald Makuta, Les Guthrie, David Cooper, Frank Valdez, Larry Avants and Nikki Johnson.

## Social Security Benefits To Be Increase In Feb.

The more than 17,000 persons in the district now receiving social security checks will get an automatic increase of about 7% on the checks to be mailed out early in February, according to R. R. Tuley Jr., district manager. There is no need for any of them to write or call at their social security office to get that increase.

However, Tuley says, "I know there are several hundred others in this district who will need to talk with social security representatives in order to get benefits started to them. For the quickest and most efficient way to start that action, he suggests that a card of letter be written to him at P. O. Box 5163, Abilene, briefly outlining the situation below which applies to a particular individual or family:

1. Certain dependents of persons now receiving disability insurance payments can now qualify for monthly benefits. These are wives at age 62, dependent husbands at age 65, and unmarried children under 18 and 19.

2. Persons who are disability claimants (either for benefits or the freeze) were previously denied only because they did not have 1 1/2 years of social security credits in the 3-year period just before becoming disabled.

3. Disabled adult children whose claims were previously denied solely because they were not receiving at least one-half of their support from the retired or deceased parent.

4. Dependent parents whose claims or inquiries were previously denied only because the deceased son or daughter was survived by a widow, widower or child who could possibly be entitled to benefits.

5. Anyone whose social security checks were stopped because of marriage, if he or she married a person who was also receiving social security checks.

Tuley suggests interested persons first write his office about possible benefits so that a mutually convenient interview time may be arranged, either at his office or with a representative of his office on one of his future visits to this county.

For more detailed information on the above changes, Tuley invites readers to write him for a copy of free Leaflet No. 1958-1. Those wanting just the changes in the disability provisions should ask for Leaflet No. 1958-2.

## WCSA TO HOLD BAKE SALE SATURDAY

The Woman's Society of the First Methodist Church will hold a Bake Sale at Piggly Wiggly Saturday, Sept. 6, beginning at 9:00 a. m.

## 437 Students Register In Both Schools

Supt. Cullen N. Perry said 437 students registered in both the local schools by Tuesday morning. Some others are expected to register this week. Of the number, 290 are in the elementary school and 147 are in high school. By grades the enrollment is: Twelfth Grade, 30; Eleventh Grade, 28; Tenth Grade, 58; Ninth Grade, 31; Eighth Grade, 39; Seventh Grade, 49; Sixth Grade, 38; Fifth Grade, 35; Fourth Grade, 37; Third Grade, 30; Second Grade, 32; and First Grade, 30.

The pupil-teacher ratio in the elementary grades is 24.2 to 1 and in the high school the ratio is 21 to 1. However, there are some classes overloaded and some not too heavy. Perry said some changes would be made in the teaching assignments this week to relieve the overload.

## Family Nights To Be New Feature of P-TA

On Monday evening Sept. 15, a new series of family programs will be initiated by the local Parent-Teacher Association. This will be a program similar to programs being used in other nearby cities, and will begin with an open house.

The P-TA realizes that it is through well-rounded education that citizens and leaders of tomorrow can be prepared for the stern demands of this new era. Topic for study in the new program will be "Education is Life in the Making".

To further this cause, all the citizens of the area should work together. It is hoped that the family night programs will prove rewarding to all concerned.

Beginning with the first program, from 7:00 to 7:45 p. m., all school rooms will be open for inspection and each teacher will be in their home rooms to meet with parents and friends.

After visiting the rooms, parents are invited to take the younger children to the nursery, where an attendant will be in charge. Children in the elementary grades will be entertained with a film in the grade school cafeteria.

All adults and high school students will assemble in the high school auditorium at 8:00 p. m. Dr. Joe Rushing of Howard Payne College will be the speaker for the evening.

Mr. and Mrs. Ernest Wright and Carolyn Judy and Amy of Abilene, visited Sunday night and Monday with his mother, Mrs. Dovie Wright. Mrs. Wright returned home with them for a short visit.

Boy Davis left last week for Texas City, where he will begin his position this week as band director. He will also teach in the Knox City schools.

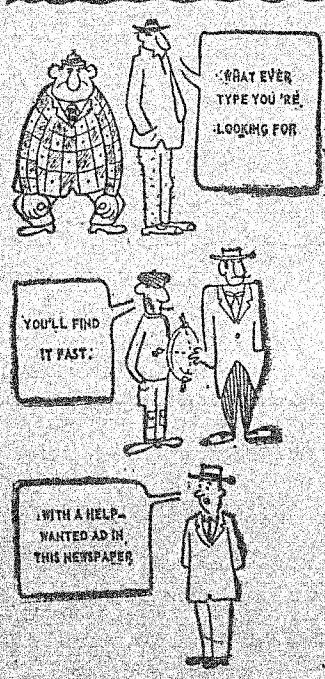

Mr. and Mrs. Eugene Gillam of Coleman and Mrs. V. E. Penny visited her brother, L. E. Russell in a San Angelo hospital this week and found him much improved.

**Former Postmaster Retires From Sunday School Teaching**  
 From The Dallas Morning News  
 Ceremonies marking the retirement of M. J. Norrell as the teacher of a First Methodist Church Sunday school class for almost a quarter of a century were held Sunday, Aug. 24. Some 225 members and former

members of the class presented a \$1,500 check to the Norrell Foundation, an endowment established at Southern Methodist University in 1947 in honor of Mr. and Mrs. Norrell.

Telegrams of appreciation of Norrell's long service to the class, beginning in 1934, were received from Mayor Robert Thornton and Dr. Robert E. Goodrich Jr., minister of the First Methodist. Several years ago he received a scroll bearing the names of more than 1,000 members and former members of the class.

Secretary of the Dallas Chamber of Commerce, Norrell has been active in civic, business and religious activities since 1919.

He helped to organize the Dallas Wholesale Merchants Association, serving as its first manager, and the Texas Bank and Trust Company, where he was the first president.

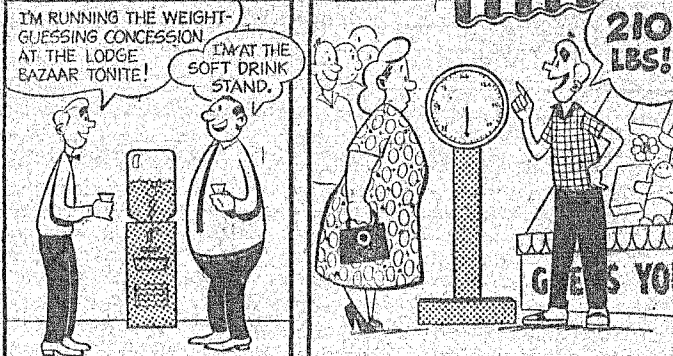

The septuagenarian retired as head of the Magnolia Petroleum Company's industrial relations department in 1947.

Mr. Norrell was Postmaster at Santa Anna during World War I and left in 1919, going to Dallas. Mrs. Norrell is the former Nell Ramsour of Santa Anna.

GO TO CHURCH SUNDAY.

Mr. and Mrs. Tommy Dyer of Coleman announce the birth of a son, Charles Wayne, Saturday, August 30, in the Coleman Hospital. The baby was born at 7:10 a. m. and weighed 7 pounds and 9 ounces. Mrs. Dyer is the former Kay Owen.

Grandparents are Mr. and Mrs. Ray Owen of Santa Anna and Mr. and Mrs. Frank Dyer of Coleman.

**BROTHER OF MRS. L. O. GARRETT DIES**

M. W. Taylor, a native of Bell County and a brother of Mrs. L. O. Garrett of Santa Anna, died August 24. He was 82 years old and had been afflicted for several years. He died in a Temple rest nursing home. The pastor of the Temple Christian Church, of which he was a member, conducted the services. Survivors include one son and two sisters.

Dr. and Mrs. A. B. Strozier accompanied Dr. and Mrs. Garrett to Temple to attend the services.

**QUESTIONS AND ANSWERS**

**Question** — I am a widow 40 years old. I have been receiving monthly payments for myself and my daughter, who will be 18 next month. She has been disabled since birth. Will our payments end when she is 18?

**Answer** — If the disability can be proved, the payments will continue. Your part of the payment will not be due, however, if there is any month in which she is not in your care.

**Question** — My aged father lives with me and receives social security checks. He is too ill to endorse his checks. Is it all right for me to sign his name on them?

**Answer** — To do so would be strictly illegal. You should see us to apply for payments on his behalf, and if your application is approved, the checks will be made in your name for his use and benefit.

Mrs. Frances Everett, Mrs. Hildegard Everett and Mrs. Emily Cross of Eastland left Saturday for a ten-day stay in Oklahoma City.

Mrs. Tommie McDonnell and daughters, Darlene and Dean of Plains, Texas, visited recently with her parents, Mr. and Mrs. Barney Lewellen.

Mrs. Norval Wylie and sons were in Fort Worth for the Labor Day weekend, visiting her sister, Mrs. Basil Gilmore and family.

 Read Psalm 27:1-7.  
 One thing have I desired of the Lord, that will I seek after; that I may dwell in the house of the Lord all the days of my life. (Psalm 27:4)  
 At first sight this seems a strange request, even to a devout Christian. What does this verse of Scripture mean? Does it mean that the temple is a kind of hotel where he can live all the time? Or is it the cry of a man who longs for a cloistered life?  
 Neither! The psalmist is thinking of the Temple in Jerusalem as the symbol of the highest things in life. He is expressing the desire that all he has learned from worship in the Temple may be retained in the ordinary affairs of living.  
 It is as though he had a picture in his mind of oriental hospitality, in which the sheik is the friend of the traveler, giving him refreshment after the day's journey and rest before resuming his journey. That is how he thinks of the Temple.  
 Our Sunday worship should be able to stand the test of Monday morning.  
**PRAYER**  
 O God, our Father in heaven, teach us to worship Thee in such a way that it may be a means of strength and blessing in all we undertake. May the calm and peace of Thy house be present with us this day in whatever we may do and wherever we may go. In the Master's name. Amen.

**WISHES**

We wish to express our appreciation to each and everyone for the kindness, thoughtfulness and expressions of sympathy during the illness and death of our father. Especially do we wish Dr. Kollwitz, Dr. Tryon and the entire staff of the Santa Anna Hospital to know how much their patience and constant vigil in the last days helped us through the most trying experience of our lives.

We wish to acknowledge individually the food brought and sent, but we failed to get all the names, so will each of you take this as an expression of our gratitude for your help. We hope that we may be able at some time to return in a small measure some of these kindnesses.

May God bless each of you.

**10 CLUES TO CANCER**

**Clue No. 9, Radioactive Isotopes**

A great search is on to find chemicals which are taken up exclusively or preferentially by cancers. If the search is successful, it might result in a cure for several kinds of cancer. The chemicals could be implanted with radioactive isotopes, and, in this form, they would act as guided missiles which would burn out cancers wherever they are in the body.

So far, this kind of research has met with only limited success. Some - but not all - patients with thyroid cancer can be helped with radioactive iodine which goes largely to thyroid and thyroid cancers. And in a few diseases in which the too-rapidly multiplying blood cells take up phosphorus, radioactive phosphorus has been used to arrest the diseases.

The quest for other radioactive "chemicals" for other kinds of cancer continues.

**Colorful Colorado Springs**

Colorado Springs, Colo.

Crisp, invigorating mountain air, abundant sunshine, a fine year-round climate, and the many wonderful attractions of the Pikes Peak Region have made the beautiful city of Colorado Springs a spot well-remembered by thousands of visitors to the West.

Colorado Springs boasted a population of 45,472 in 1950, and jumped to an estimated 85,000 at the start of 1958. The population is certain to take another jump this Fall with the opening of the new Air Force Academy seven miles north of the city. The Academy is expected to be a community of some 12,000 persons, with a maximum of 2,640 cadet students.

More than 1,500,000 persons visit Colorado Springs annually and these visitors spend over \$60,000,000 in the Pikes Peak region.

What lures all these visitors? Some of the most beautiful scenery in the world, for one thing - mountain trails, scenic canyons and bluffs. Pike's Peak, of course, is the headliner, and visitors drive up the 23-mile auto highway or take the cog railway to the top of this 14,110 ft. high "world in the sky." Probably the second scenic attraction is the Garden of the Gods, 770.53 acres of picturesque scenery.

The tireless visitors will never run out of things to see. There is also Cave of the Winds, a mile of passageways adorned with stalac-

tites, stalagmites, crystal, calcite and flowering alabaster formations; Manitou Cliff Dwellings, where the homes and kivas and sacred towers of a prehistoric aboriginal civilization offer a glimpse into the ageless past; Seven Falls, plunging down a 300-foot course; Ghost Town; Petrified Forests; Cripple Creek, once the richest gold camp the world ever saw.

Entertainment and sports facilities are plentiful. Fishing is for Colorado mountain trout. A variety of slopes challenge the skiing ability, some 12 miles up the Pike's Peak highway. National attractions are the Pikes Peak Auto Race and the Pikes Peak or Bust Rodeo.

**ACROSS the DESK**  
ideas from other editors

From The Tallahassee Tribune, Tallahassee, Alabama: We wish President Earl Mann of the Atlanta Crackers would quit trying to make a freak show out of the national pastime of baseball.

We are already upset with this fellow because of the many times his team has beaten Cousin Eddie Glennon's Barons out of the Southern League pennant. And now he wants to put into effect the "Mann Plan" by which a batter would strike out on two strikes or walk on three balls. As a matter of fact, Mr. Mann had his Crackers try it out in a five inning exhibition game with the Memphis Chicks last week.

Now wars, pestilence, famine, floods and fires may come and go without disturbing the dyed-in-the-wool baseball fan too much. But when Mr. Mann goes to monkeying around with baseball as such, he has quit preaching and gone to meddling.

This new fangled idea of his could be compared to having Caruso sing "You Ain't Nothin' But A Hound Dog." It could be compared to changing the nursery rhymes to where the moon jumped over the cow.

Mr. Mann (not to be confused with our town's "Cash" Mann, who is a real and authorized musician) says his idea would stream-

line the game and increase spectator appeal, but in our opinion it would bury baseball without embalming.

If by winning so many pennants Mr. Mann has become bored with the game as it is and if it is a circus he wants, we suggest that he write Ringling Brothers at Sarasota, Florida.

From the Shamokin, Citizen, Shamokin, Pennsylvania: "Who is the winner?" asks the Industrial News Review in commenting on the big slice Uncle Sam took from Elfrida Von Nardoff, temporary possessor of \$220,500.

"After the tax collectors skimmed the cream from her earnings she was left about 50,000 forty-eight cent dollars. That's the price of big wars, big centralized government and piecemeal acceptance of the socialistic philosophy which saddles us with 'welfare state.'"

Admiring Elfrida's erudition, we cannot but feel that she was well paid for her stint on TV, even at 50,000 forty-eight cent dollars. If the sponsor considers the huge awarding as an advertising expense, it is reducing the amount of its corporate income taxes. Money that ordinarily would have gone directly to the government now goes to the revenue man indirectly through a TV winner of a fabulous amount.

### Cupps - Covey Vows Exchanged Aug. 23

The Church of Christ in Bangs was the scene of the wedding of Miss Carolyn Cupps and Mr. Ernest Anderson Covey on Aug. 23. Mrs. Covey is the daughter of the Cleveland Community and Mr. Covey is the son of Mr. and Mrs. Fred Covey of Bangs.

Carl Spain, minister, read the double ring ceremony before an arch highlighted by blue wedding bells, greenery and white gladiolas, flanked by arrangements of carnations.

Mrs. McBrown and Frances McBrown sang "I Love You Truly", and "For You Alone".

Given in marriage by her father, the bride was wearing a floor length taffeta dress with a V neckline and lace yoke. She had a fingertip veil of illusion and carried an orchid a-top a white Bible.

Miss Patsy Cupps, sister of the bride, was maid of honor. Miss Mary Beth Sikes, cousin of the groom, served as bridesmaid. Both carried arm bouquets of blue and yellow carnations and wore dresses of blue and yellow taffeta.

George Beakley Jr., served as best man. Steve Genz of Houston and Max Giddins served as candlelighters and ushers.

For her daughter's wedding, Mrs. Cupps wore a navy blue dress with white accessories. Mrs. Covey wore a navy blue lace dress. Both wore white corsages.

Following the ceremony a reception was held in the Home-making Cottage. The refreshment table was laid with a lace cloth over blue.

Virginia Sikes, Sue King and

Carol Lee Campbell served the cake and punch. The white four-tiered cake was decorated with blue wedding bells.

For going away, the bride wore a light green taffeta street dress with white accessories.

Following a short wedding trip the couple will be at home in Abilene, where the groom is a senior student at ACC. The bride is employed there also. She is a graduate of Santa Anna High School and he is a graduate of Bangs High School.

### Tommy Sands To Appear At Prison Rodeo In October

Huntsville (Spl) — A surprise announcement disclosed that another great personality — Tommy Sands — has been added to the list of entertainment stars to be featured at the 27th annual Texas Prison Rodeo.

Sands, the star of stage, screen TV and recording, will appear as a guest performer during the final performance of the rodeo Sunday, October 26 in the prison's million-dollar stadium at Huntsville.

"We believe the addition to Sands of such names as Richard Boone, Dale Robertson, Ward Bond and Robert Culp will give this year's rodeo a star-studded cast that should pack the 30,000-seat stadium each Sunday in October," remarked H. H. Coffield of Rockdale, chairman of the Texas Board of Corrections.

Sands, the 21-year-old golden-voiced celebrity, whose versatility has endeared him to the hearts of millions, both young and old, in accepting an invitation to make a benefit appearance at the prison rodeo, said, "If it will help the inmates of the prison system, I certainly want to do my part."

Chairman Coffield pointed out that net proceeds from ticket sales are placed in the prisoners' welfare fund in order to supply services not furnished by state appropriations.

Reserved seat tickets, at \$2.40 or \$4.40 each, may be purchased by writing Prison Rodeo Ticket Office, Huntsville, Texas, enclosing check or money order.

LABOR DAY

THE coming of another Labor Day reminded us of the unending conflict between Capital and Labor. We may at least cherish the hope that the ideal of service may approach the real in the hearts of those who employ and those who are employed. We certainly could not take the side of either one—employer and employee—if both are engaged in the greed of gain.

The relation of Capital and Labor should be marked by the genuine service the capitalist and the laborer are giving a community of citizens and the people of the country at large.

Capital and Labor are mutually dependent upon themselves in the work of the everyday in carrying on of the diverse activities that are necessary to our comfort and well-being. Vast capital can furnish the means for great works, but without human toil and skill not a wheel will be turned.

May there grow such a sympathetic understanding between Capital and Labor that they may render a wholesome service throughout our Country.

THIS WEEK'S RECIPE

Dutch Lettuce  
(Serves 6)

- 1 pound leaf lettuce
  - 2 cups cold boiled potatoes, diced
  - 3 thick slices bacon
  - 2 cup vinegar
  - 2 hard-cooked eggs, diced
- Shred lettuce and mix lightly with potatoes. Cut bacon in squares and fry until crisp. Sprinkle over lettuce. Mix vinegar with bacon fat and pour over salad. Garnish with eggs.

### TAX-MAN SAM SEZ:

People who get divorces often have income tax trouble as a result of the divorce. Texas is a community property state. The husband and wife each owns one half of the salaries the other one earns up to the date of the divorce. They each own one half of the expense and deductions for tax rate purposes up to the date of the divorce. When the man and wife agree to go their separate ways, they should remember that each will owe income tax on all community income up to the date of the divorce. Settling income tax problems at the time you settle the other community property affairs can save time and trouble.

### Christian Woman's Fellowship Met With Mrs. A. L. Oder

The Christian Woman's Fellowship of the First Christian Church met Wednesday afternoon, Aug. 27, in the home of Mrs. A. L. Oder.

Mrs. Charles Bengel, the new president, was in charge. The hostess' old time organ was used for the singing.

Mrs. Norval Wylie brought the interesting missionary lesson. The country being studied was Jamaica, which this year is celebrating its centennial of missionary effort among Christian Churches. There is much activity. One layman has baptized a hundred or more converts during the year.

During the business session, it was agreed to join in the old clothes drive for foreign countries. Most churches cooperate in this work.

A good offering for missions was received and some plans for future work were discussed.

The hostess served spice layer cake with thick white icing, with a variety of cold drinks. The splendid cake was made by Helen Gregg, here from San Antonio, and Juanell Mercer. The cake received many compliments from those participating.

Others at the meeting beside the above mentioned, were: Mrs. Oscar Boenicke, Mrs. May Sharp, Mrs. C. J. Deer, Mrs. J. R. Gipson, Mrs. George Richardson and Mrs. E. H. Wylie.

### ROCKWOOD WSCS HAS PRINTED PROGRAM

Opening hymn, "I Am Thine, O Lord", was used at the Woman's Society of Christian Service at the Rockwood Methodist Church Monday afternoon. Mrs. Tom Bryan was at the piano and Mrs. Jack Bostick was the song leader.

Mrs. M. A. Richardson gave the devotional, closing with the hymn, "A Charge To Keep, I Have". Theme was, "My Life in the March of Missions". Mrs. Bostick and Mrs. Bryan gave a dialogue, "Between a Deaconess and Her Niece". Mrs. John Hunter presented a talk, "The Way Which Thou Shalt Go". Mrs. Richardson led the prayer. After the discussion, Mrs. J. T. Avants conducted a brief business session.

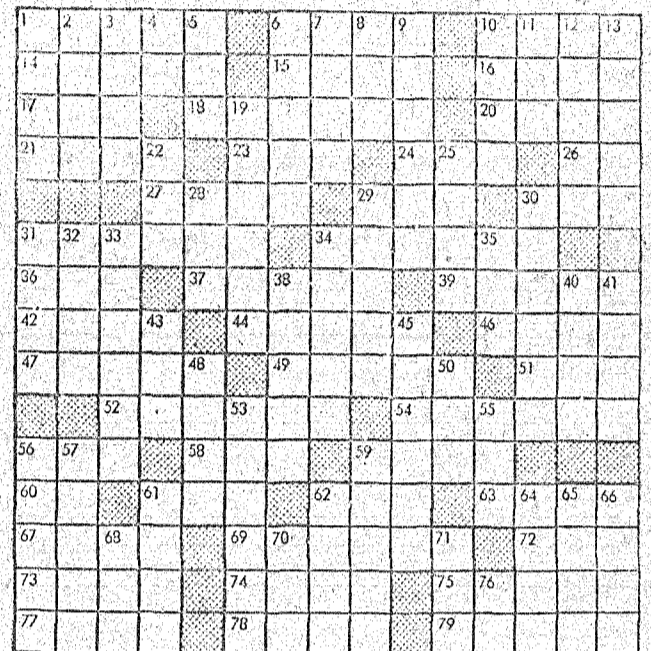

The Rev. Mr. Tickner gave the closing prayer. Present were Mrs. Bryan, Mrs. Bostick, Mrs. Richardson, Mrs. J. C. Ferguson, Mrs. J. W. Tickner, Mrs. J. A. Hunter, Mrs. Avants, Mrs. John Hunter and the Rev. J. W. Tickner.

**Best Baked Limas**  
(Serves 4)

- 3 cups cooked large dry limas
  - 1 8-ounce can tomato sauce
  - 2 cup soured cream
  - 1 tablespoon grated onion
  - 2 teaspoon salt
  - Pepper to taste
  - 1 tablespoon brown sugar
  - 1/2 cup crumbled crisp bacon
- Place limas in baking dish. Combine tomato sauce, soured cream, grated onion, salt, pepper and brown sugar. Pour over beans, mixing lightly. Top with bacon. Bake in a moderate (350° F.) oven for 30 to 35 minutes.

Much of the loose dirt on upholstery can be taken off by rubbing a damp sponge over it. This is also excellent treatment if you have a dog or cat which gets its hair on furniture. This sponge treatment may also be used on rugs.

Use masking tape on small sized rugs to make a room-sized rug which can be taken apart readily for laundering.

**"I REMEMBER"**  
BY THE OLD TIMERS

From Mrs. Mae B. Clepper, Apollo, Pennsylvania: I remember, by startling contrast, what life was like in these United States at the beginning of this Twentieth Century, especially in the small towns.

In our town there were no very rich nor very poor—excepting for the dozen or so families that lived across the tracks in a row of drab, weatherbeaten wooden houses. Just how they managed to subsist nobody knew or cared. I remember that some of the widows with children went out to work by the day, washing, ironing and cleaning for fifty cents a day.

When I was sent to the store for groceries and other household items, the prices, incredible it now seems, were "dear" enough to make a mother flinch a pound; a pound of sugar was ten cents; a pound of butter, fifteen cents; a pound of corned beef, fifteen cents; a pound of round steak, fifty cents; chuck or round steak, three pounds for twenty-five cents; chicken, large hen, twenty-five cents per hen. Milk was sold right from the producer who kept cows at the town's edge (and we went for it ourselves), and was five cents a quart. Everybody baked their own bread and I can't remember, as a young person, ever seeing a bakery or "bakers' bread."

There were no school buses and children walked two miles into town to get to school. There were no public parks, playgrounds or libraries; when a girl had a "date" they had no place to go but to take a long walk to the cemetery. There were no movies, no "comic" books, no radios or television sets. But I never heard of a girl having an illegitimate baby in our town. There were good books available from our own, our teachers' and our ministers' libraries, for the "classics" from which our ambitions were fired and our IQ's nurtured.
