MOUNTAINEERS TO PLAY HOSTS TO LLANO 'JACKETS' FRIDAY NIGHT

The local Mountaineers will play hosts to the Llano Yellowjackets on the local field Friday evening, October 31, beginning at 7:30 p. m. This will be the third conference game for the Mountaineers and the second for Llano.

Two weeks ago Llano handed the Goldthwaite Eagles a 29-0 defeat in the first conference game for both teams. Last week the Mountaineers took the Eagles to the cleaners to the tune of 46-12, and could have made the score much more one-sided had they really wanted to.

This writer did not actually see any of the Llano group that was present at the Santa Anna-Goldthwaite game, but there were several of them present. They were interested in just what the Mountaineers have—and they found out. This week the Yellowjackets are going to be working hard to defend the Mountaineer offense. They are

going to be putting forth every effort to contain the Mountaineers and win the game.

However, the Mountaineers will be the favorite in the game and should win by at least two TDs. But they are not going to have any easy time doing it.

Llano has a record for the season of four wins and three losses. Other than Goldthwaite, Menard is the only team both Santa Anna and Llano has played. Llano won from Menard by a 6-2 score, while Santa Anna won over Menard 14-0 on a wet field.

Predicted to end the season in the cellar, the Mountaineers have showed considerable progress during the last several games. According to results of games played by Llano and Burnet, the Mountaineers should end the season in second place. This would mean winning the game Friday night from Llano and then winning the following week from Burnet.

Let's all be at both games and help cheer the Mountaineers on to the victory they are working so hard for.

Two Teams Win Over May Teams Tuesday Night

Two Ward School games were played at Mountaineer Stadium Tuesday night with the local boys winning both games. The Pee Wee game (boys weighing less than 100 pounds) was played first and the local boys won by a score of 6-0.

The score came in the first period when Norman Anderson, Santa Anna tackle, recovered a May fumble in the end zone for the TD.

In the regular Junior Mountaineer game, the local boys won by a score of 30-0. Coach A. D. Donham said he played his first string boys about the first three minutes of the game, then put in his second string boys. Then he played his first string boys about three minutes in the third period and run in his second string again. Donham said he does not care about running up a big score against his opposition, and also wanted to give his team for next year as much experience as possible.

Two games are scheduled for next Tuesday night, Nov. 4. The Early Juniors plan to bring their A and B teams and play two games. This is not to be a Pee Wee game. The B team game will be played first, then the regular game.

The Juniors have a perfect record thus far in the season, by winning seven straight games. They have Early, Goldthwaite and Bangs still remaining to be played this season.

BENNIE C. ESTES RECEIVES COMMENDATION FOR OUTSTANDING DUTY

Master Sergeant Bennie C. Estes, son of Mrs. O. B. Owen, recently received a commendation from the commanding general of the 32nd Airborne Division at Fort Erag, N. C., for his outstanding duty and commendable military service while serving as the Re-enlistment NCO for Heacy Mortar Battery of the 504th Airborne Division. He received the highest percentage, 75 percent, of re-enlistments for the month of September.

Band Wins First Place Trophy At Brownwood Sat.

The Santa Anna Mountaineer Band was presented the best playing trophy for high school bands in the Howard Payne College Parade Saturday, Oct. 25, at Brownwood. Following the parade, the band members were guests of the college at the homecoming football game, between HPC and Lamar Tech.

It was a busy weekend for the band. On Friday afternoon they were guests of the Goldthwaite band members and during the half-time activities participated with the Goldthwaite band in a joint program. Chaperons on both trips were Mr. and Mrs. James Mallow, Mrs. Add Walker and the Rev. Ray Elliott. Supt. Cullen Perry also accompanied the band on Saturday.

During the half-time activities at the football game this week, the band will crown the football and band sweethearts. The identity of these two girls will remain a secret until they are revealed during the ceremony.

The Junior Band members were issued uniforms the first of the week in order that they might have their pictures made on Thursday in their uniforms. All band students will have their pictures taken on Thursday, along with all the other students in both schools.

Plans are being made for the Junior Band to march in the annual Christmas Opening Parade on December 5th. However, Mr. Mallow said they must meet certain requirements before that date.

Baptist Convention Held Here On Monday, Tuesday

The First Baptist Church was host for the District Sixteen Baptist Convention last Monday and Tuesday. About 325 out of town guests attended the two-day meeting. Among the featured speakers was Mrs. Grayson Tension, a missionary to Brazil. Dr. W. R. White, president of Baylor University, brought the closing address for the group.

Maurice Smith, pastor of the church, said that several Santa Anna people helped with arrangements for the meeting. In behalf of the District Convention, he was asked to express appreciation to the church members and to others in the community for the gracious reception given the visitors. The local cafes were especially helpful in making special arrangements for serving the group.

Rev. J. Travis Gibson of Brownwood was elected President of the District and M. Ted Cotten of Coleman was elected Vice-President. Maurice Smith was elected as director of Sunday School promotion.

Mrs. Annie Munger returned home Sunday, after a week visit in Brownwood with her daughter, Mr. and Mrs. Jim Williams.

Frank Denton and daughter, El Preda, of Saxton, Mo., are visiting this week with the Purdy family.

To Ex-Students of Santa Anna Public Schools

As you probably know by now the annual Homecoming is to be held on Friday and Saturday, November 7th and 8th. Every effort has been made to contact every ex-student of our school. If you did not receive one of our invitation cards please consider this as a personal invitation to you. We realize that many of you attended Santa Anna schools for only a short time and consequently are not on our mailing list. Our Homecoming is for every ex-student and his or her family, regardless of the length of attendance.

This year the response to the invitations has been lagging. We realize that there are always more exes present than the returned cards indicate. However, there has been a tremendous effort, at considerable expense, to make this year's event larger and more entertaining. Extra attractions and higher postal rates have caused a rise in our expenses. Plans have been made to have more food for the barbecue supper than ever before to be sure that every person has all he can eat. We are planning for a large attendance.

If you are an ex-student of our school, we urge you to make every effort to attend at least part of the activities. Write your relatives and friends who are exes and encourage them to come. We simply must have a good attendance if our homecoming is to continue each year. Those who have attended in the past have always expressed to the officers what a fine thing our homecoming has become. We want to keep it that way; but we must have your attendance and support.

We are looking forward to seeing each of you on November 7th and 8th and will be doing everything possible to see that you have a wonderful time.

RAT POISON IS HERE

Ford Barnes, manager of the Community Chamber of Commerce, reports all the rat poison ordered when the Rat Control program was sponsored here recently, has arrived. All those who signed up to get the poison are requested to contact him for their supply.

The poison has already been put in lots of homes and business establishments, and is beginning to have its effect. The rats and mice sure enjoy eating the poison, and when they eat it for four days, that is all.

For the next several weeks business houses will likely smell of dead rats, but it cannot be helped if we are to get rid of the rodents that are causing so much disturbance at homes and in town.

Every resident should cooperate in the program, and plan to keep the poison out until next spring. If the cooperation is 100 percent, this area can be rid of the pests.

Mr. and Mrs. Tom Robin and children, Joan and Walter, of Houston, were here for a visit with relatives recently. Mr. Robin returned home on Sunday. Mrs. Robin and the children remained for a longer visit.

Judy Ann Luedtke of Madison, Wis., granddaughter of Mr. and Mrs. R. P. Earnhart, fell recently and broke her hand.

Mrs. Joe Baker visited a few days last week with her daughter and family in Fort Worth.

Mr. and Mrs. Jack Woodward of El Paso, are here visiting relatives and friends. They plan to stay several weeks.

Mr. and Mrs. Ira Hudler of Monahans recently visited with her mother, Mrs. M. D. Eubank and family.

Mrs. Henry Bolton of Brownwood, visited Sunday with her sister, Mrs. Frances Everett.

Annual Christmas Program For Santa Anna Underway

The annual Christmas Program, sponsored by the Santa Anna merchants got underway Monday morning, with most of the local merchants giving tickets with purchases made in their stores. A large number of prizes will be given away on Christmas Eve.

An additional program has been added this year. Beginning Saturday, Nov. 15, \$25.00 in certificates will be given each Saturday and on Christmas Eve. If the person whose name is called on each of the Saturdays is not present, the money will be added to the \$25.00 to be given away the following week. On Christmas Eve at 10:00 a. m. any carry-over certificates will be added to an additional \$25.00 in certificates and names will be called until the money is given away. The regular Christmas Eve program will begin at 3:00 p. m.

All the local merchants participating in the program will be glad to explain to each just how the program works. You are invited to visit the merchants and find out first hand about the entire program.

Local merchants participating in the program this year are:

L. A. Welch Garage, Mathews Motor Co., Lela's Beauty Shop, Blue Hardware Co., Bailey Lumber Co., McKee Cleaners, Harvey Grocery, Vinson Grocery, Hosch Brothers, Piggly Wiggly, Phillips Drug, Ladies Shop, Clover Grill, and Grammer's.

Santa Anna Co-op Gin, Coleman Gas Company, Blossom Mobil Station, Talley Sinclair Station, Stephens Beauty Shop, The Santa Anna News, Moore's Variety Store, Lewellen Feed & Seed, Purdy Mercantile Co., Modern Way Laundry, Griffin Turkey Farm, and Parker Auto Supply.

O. A. Etheredge, Texaco Consignee; C. F. Campbell, Gulf Consignee; Coleman Co. Telephone Co-op, Western Auto Associate Store, Ayers Truck Garage Station, James & Son Gulf Station, Santa Anna National Bank, Abernathy Texaco Station, Santa Anna Beauty Shop, C. R. Owen Gulf Station, Harrington Gulf Station, West Texas Utilities Co. and Autrey Humble Station.

Lions Club Light Bulb Sale Ready

The Santa Anna Lions Club will have their Light Bulb Sale Thursday afternoon of this week. Teams of men from the club will canvass the entire town beginning at 1:30 p. m. and working until the town is covered.

Two or three teams have been assigned to each zone in town and they will work out of the old Payne Variety Building, where the "Bags-O-Bulbs" have been on display for the past several days.

Each bag contains four 75-watt bulbs and will be sold for \$2.00 per bag. Anyone wanting 150-watt bulbs is invited to ask the Lions Club members to get you the larger ones. They will be sold for 27 cents each, on an individual basis.

Money derived from the sale of the bulbs will go into the Lions Club Welfare Fund, to purchase glasses for needy children and help in various other Lions Club projects.

On Saturday, light bulbs will be sold from the old Payne building and from a stand in front of Piggly Wiggly grocery store. All rural citizens are requested to make your purchases for the winter months during this time, and anyone that may be missed in the house-to-house canvass is also invited to purchase bulbs from one of these locations.

General Election To Be Held Over Nation Tues., Nov. 4

The General Election will be held throughout the State and Nation Tuesday, Nov. 4th. All the usual voting places will be open from 8:00 a. m. to 7:00 p. m. Every qualified voter is urged to go to the polls and cast your vote for the ones you want to represent you in offices from the precinct level to U. S. Senator, for the next two years.

Also on the ballot will be nine proposed amendments to the State Constitution. These proposals have been discussed in previous issues of The News. We hope each of you know and understand the proposals and how you are going to vote on them.

Services For Mrs. Raymond Close Held Wednesday

Funeral services for Mrs. Raymond Close, 56, were held in the First Baptist Church at 2:30 p. m. Wednesday, Oct. 28. Mrs. Close died in the Santa Anna Hospital at 7:45 a. m. Tuesday, Oct. 28, after an illness of over a year.

Lapha Hair was born in Williamson County June 22, 1902 and came to Coleman County with her parents in 1919. The Hair family has lived in the vicinity of Santa Anna since that time. She was married to Raymond Close December 22, 1939 in Santa Anna. Since that time the Close family has made their home on his farm north of town. She was a member of the First Baptist Church.

Rev. Maurice Smith, pastor of the First Baptist Church, and Rev. J. S. Sheppard, pastor of the North Side Baptist Church, officiated. Burial was in the Santa Anna Cemetery under the direction of Hosch Funeral Home.

Survivors include the husband, Raymond Close of Santa Anna; two daughters, Mrs. Betty Sue Palmer of Minneapolis, Indiana, and June May Close of Santa Anna; one son, Gene Ray Close of Santa Anna; her father, H. V. Hair of Santa Anna; and two grandchildren.

Gene Ray and June May are both members of the Junior Class of the Santa Anna High School. Gene is the center on the football team. All the members of the Junior Class and the football team attended the services in a body.

Pallbearers were Luther McCrary, Buster Woodard, Roy West, Jasper McClellan, Glynn McClure and Carl Autrey. Flower bearers were Mrs. Luther McCrary, Mrs. Buster Woodard, Mrs. Roy West, Mrs. Jasper McClellan, Mrs. Glynn McClure and Mrs. Ed Schrader.

Mrs. James Spillman of Sherman visited over the weekend with her parents, Mr. and Mrs. M. L. Guthrie Sr. and other relatives.

Turkey Shoot Sunday Afternoon

The Junior Chamber of Commerce is sponsoring a turkey shoot Sunday afternoon, Nov. 2, at 2:00 p. m. at the gravel pit on the Tom Hays place, on the north side of the West Mountain. Provisions will be made for shooting shot guns, 22 rifles and high-powered rifles.

The group plans to have signs erected on the Coleman Highway and on the Farm-to-Market road through the gap of the mountain, directing traffic to the location. Plans are also being made to hold another turkey shoot on Sunday, Nov. 9th, in the same location.

Roy Payne, who had been visiting in Santa Anna with his parents, Mr. and Mrs. W. L. Payne, left Saturday for Las Vegas, Nev., where he is stationed with the Navy.

Their TRICK is to TREAT

UNICEF To Sponsor "Trick or Treat" Thursday Evening

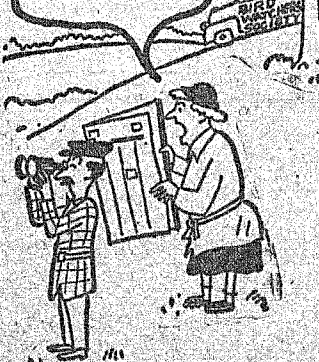

The Rev. Ray Elliott, pastor of the First Methodist Church, has been named chairman of the local UNICEF drive. UNICEF stands for United Nations Children's Fund, and is dedicated to the welfare of children all over the world, and is helping to provide necessary medical supplies and food to help governments assure a healthy, productive future for millions of children each year. The program last year benefited more than 45 million children in more than 100 countries, through mass disease control programs.

American children participate in this program on Halloween. This year the program will be held on Thursday evening, October 30, beginning at 6:30 p. m. All children participating in the program will wear a lapel badge of orange cardboard and will have quart milk bottles with an orange band around it, printed in black letters, "Trick Or Treat" UNICEF.

All children participating in the drive are requested to be at the school house before 6:30 p. m. All the parents of the town who might supervise the drive are also urged to be there.

When the children call at your homes, they will ask for a trick or treat, and ask you to contribute money for the project.

More Than Million See Higher Education Features at Fair

Features which made up the Higher Education Project of the 1958 State Fair of Texas were seen by more than a million persons, Project Executive Director Roy J. Cates of Austin said today.

Seventy-two colleges partici-

pated in planning the Higher Education Project, and 44 colleges and universities were represented by performing groups.

A total of 3,088 faculty members and students actively participated in the Project during the Fair's 16-day run.

Official attendance count of persons viewing one or more of the six major Project exhibits was 988,797. Attendance at the 127 Project performances totaled 50,405.

"With the multitude of attractions offered by the 1958 State Fair, all of us connected with higher education believe it is significant that the public sought out the story of our institutions of higher learning," Cates said.

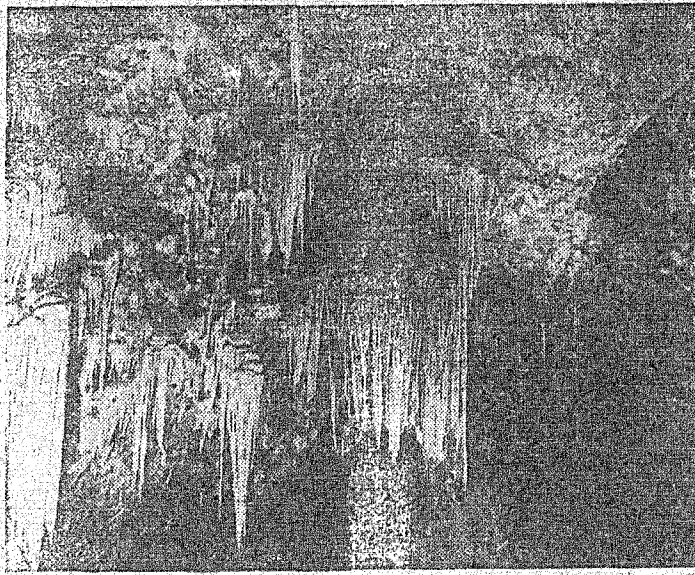

"We are delighted that the public found interest in the story we tried to tell, and we are indebted to the schools throughout Texas who helped make a success of the Higher Education Project."

The six major Project exhibits and attendance at each were the Body Bank housed in the Dallas Health and Science Museum, 221,297; the Top Talent in Texas Colleges art exhibit in the Dallas Museum of Fine Arts, 30,000; the Story of Higher Education in Texas at the Higher Education Center, 30,000.

Also, the Schools of Architecture exhibit in the Dallas Garden Center, 7,500; the university presses exhibit in the Electric Building, 500,000; and the salute to schools of business in the Gas Building, 200,000.

The Project also included 75 performances in the arena theatre of the Higher Education Center, 33 in the Garden Center Auditorium, and 19 special events in such locations as the

The cave onyx draperies shown above were photographed in a national park located in the semidesert country of southeastern New Mexico in the rugged foothills of the Guadalupe Mountains.

The cave, for which the park is named, is of unusual magnitude and size, is one of the most popular tourist spots in the United States.

While many miles of passages have been explored, development has been limited to the 750-foot and 825-foot levels reached by trail from the natural entrance and by elevator. An extension of the lower level may be seen at the "Jumping-Off Place" in the Big Room. Extending eastward from the lunchroom is an unopened passage which has been explored to a depth of 1,100 feet. Lower unopened levels may exist.

The National Park was established by Congress in 1930 with 700 acres, now contains 45,846.59 acres of federal lands, including caves of scenic or archeological interest which have not yet been developed. The place: Carlsbad Caverns National Park.

Salutes to the Project by private industry included those by Humble Oil and Refining Co., the American Petroleum Institute, the Lone Star Gas Company, and the Dallas Power and Light Company.

Cates credited the cooperation of State Fair officials with a large part of the Project's success, saying, "everyone connected with the State Fair's official family gave invaluable assistance and advice in telling higher education's story."

SEVENTH GRADE NEWS

The seventh grade candidate for duchess in the Halloween Carnival has won a victory over the eighth grade.

The winner is Karen Jones. Her escort will be Terry McGiver.

The seventh grade dug very deep into their pockets and brought out \$13.00 and a victory. We are very proud of Karen and Terry.

140 Grads Enrolled In TV Teacher Recruitment Program

One hundred and forty college graduates have enrolled in the 1958-59 Project for Teacher Recruitment and Education by Television, J. W. Edgar, Commissioner of Education, reported today.

The deadline for applications to be received by the 47 participating Texas colleges and universities is November 15, by which time the enrollment is expected to compare favorably with the 543 who enrolled last year.

Any graduate of a 4-year accredited college is eligible to enroll. Each participant is required to complete a telecourse, which includes viewing 26 "Texas Curriculum Studies" programs, reading a textbook and taking a mid-term and final examination.

The television programs are presented as a public service by 18 Texas television stations, fourteen of which already opened the series. Stations at Abilene, El Paso, San Angelo, and Westlaco will present the first program on Saturday, October 25. "Texas Curriculum Studies" is the same series of programs which will be viewed throughout the year by more than 16,000 ex-

perienced teachers and superintendents in a state-wide project aimed at curriculum study and school improvement.

After completing the telecourse, the participant will be issued a Texas teaching permit valid for the year, 1959-60 and renewable for two additional years. A participant in this Project also may teach during the present school year if a position is offered him.

Full information about program schedules and procedures for enrollment is available from Lee Wilborn, Texas Education Agency, Austin 11, Texas.

Read Acts 10:9-20

(Peter) saw heaven opened, and a certain vessel descending unto him, ... wherein were all manner of four-footed beasts of the earth, and wild beasts, and creeping things, and fowls of the air. (Acts 10:11,12.)

What an amazing vision Peter saw! This was a vision of the heathen world waiting to be won to Christ.

As it was to Peter, to us also these things look unclean, unapproachable. The animal-like life, the sinful nature, the materialistic spirit, the proud and arrogant walk of men possess no attractiveness. We want to stand apart from them, to run away from them. But the voice from heaven insists: "What God has cleansed, you must not call common."

A healthy church has the hunger for winning souls and the ability to assimilate the souls she has won. Alexander Vinet, a Christian thinker, has said, "The Church lives on the spoil it takes

from the world daily." Evangelization is the condition of the existence and continuance of the Church. It is its nourishment.

PRAYER: Heavenly Father, Thou hast prepared the table. Thou hast accomplished the salvation. Thou dost cleanse man of his sin, defilement, and corruption. Give us the desire to bring others to Christ and add them to His Church. In His name we pray. Amen.

THOUGHT FOR THE DAY
A living church is an evangelizing church.

Recapturing the serenity of a time, long ago

Sometimes on a quiet street of a sequestered village, one can sense the tranquility of yesteryear's simple life and sturdy virtues. Today's pace is faster, its problems more complex, but the virtue of thrift, so esteemed by our forebears, can still contribute most importantly to our peace of mind. Systematic saving remains today as always, the keystone of happy, contented living.

About Your HEALTH

A weekly public service feature from the Texas State Department of Health. HENRY A. HOLLE, M. D., Commissioner of Health.

While there is no indication at this time of widespread attacks of influenza this fall and winter, there undoubtedly will be some cases of the illness as colder weather approaches. Vaccination against it is a prudent measure for certain groups and individuals.

Principal targets for vaccination should be groups wishing to guard against absenteeism in their professions and occupations, and those to whom the disease might be an added health risk.

There are now ample supplies of influenza vaccine of the type containing immunizing materials against the important strains of influenza, including the Asian strain.

Last year at this time Texas was braced for an expected epidemic of Asian 'flu, so called because it had first been diagnosed in Hong Kong. The first cases were reported in April in that Oriental city, and a brief five months later Texas had been thoroughly "seeded" with the virus.

There is no expectation of a similar outbreak this fall. However, since vaccination is the only way cases of the illness might be avoided, both the State Health Department and the U. S. Public Health Service recommend the procedure for select groups for whom 'flu might be especially risky.

It is wise to keep in mind that even mild influenza can be disabling for four or five days, and followed by a period of lassitude and weakness. Influenza is always unpredictable. Cases are frequently complicated by bacterial infections. Even when uncomplicated, the illness may have a particularly dangerous impact on persons suffering from heart ailments and other chronic diseases.

Vulnerable groups, for whom vaccinations should be considered include:

1. Hospital staffs whose services are necessary to the care of the sick.

2. Persons living in close proximity where influenza could spread rapidly, such as institutions.

3. Industrial or service groups, large or small, in occupations where the sudden absence of a sizeable part of the force would create disruption of the work.

4. Individual patients or groups who have a special risk, such as the aged, the chronically ill, and pregnant women. Practicing physicians should be the judges of whether or not to vaccinate vulnerable persons in this group.

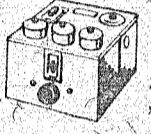

Any plan to vaccinate people in any of these select categories should be started now, in advance of cold weather.

County Judges and Commissioners Oppose No. 4

The Texas County Judges and Commissioners Association in their annual convention held this year in Dallas, Texas, unanimously went on record by resolution opposing Constitutional Amendment Number 4. This amendment, if passed by the voters of this state, would require certain district, county and precinct office holders having more than one year remaining on their term of office to resign immediately upon announcing for another office.

It was the feeling of the delegates present that this amendment is arbitrary, discriminatory and unfair to certain elected officials. By wording of the amendment only District Attorneys, District Clerks, County and Precinct officials would have to resign before seeking another office. Yet at the same time without resigning a U. S. Senator could run for Governor or any other office. A District Judge could run for Court of Civil Appeals or Criminal Appeals, or for the Supreme Court or for any other office without resigning.

Opposition to this amendment was voiced by officials from all over the state. "No one should be denied the right to seek public office or to be penalized so as to make running impossible" said a prominent Dallas District Judge in addressing the convention. "Two years ago I was opposed for reelection by a Judge of the County Court at law who was running on his off year. It is true that it would have been nice not to have had opposition but it would have been unfair to have made him resign before seeking my office."

Passage of this amendment would deal a severe blow to those in the judiciary who are now in office as Justice of the Peace, Place 1 and those who are County Judges and Judges of the County Court at Law. Men who now hold the office of Justice of the Peace Place 1 and who have attempted to prepare themselves for the jobs of County Judge and County Court at Law in most instances will be forced to resign before asking for promotion. The same will be true for County Judges and Judges of the County Court at Law who wish to be promoted to the District Court even though they have prepared themselves by years of service in the lower courts. The higher courts of this state are filled with men who earned their posi-

tions of judicial prominence after many long years of preparation in the lower courts. The late James P. Alexander began his judicial career as Justice of the Peace and after long and distinguished service died as Chief Justice of our Texas Supreme Court. Passage of this amendment would discourage any man from seeking the experience of service in the lower courts of our state.

The passage of this amendment would be in direct conflict with the theory now prevailing relative to our federal judiciary, which is that eligibility for appointment to the United States Supreme Court should be limited to those who had prior experience as court judges.

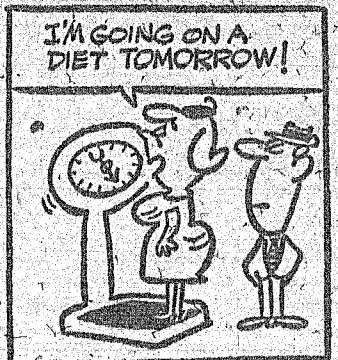

Whatever logic there may be in this amendment relative to preventing ambitious office holders from running on their off years for higher offices is negated by reason of the fact that this amendment does not provide an exception when the incumbent of the higher office is seeking reelection. If an amendment such as this one is desirable at all, it should be defeated as it is now written and give the state legislature an opportunity to present a new amendment with this exception included and make the provisions applicable to all elective public officials. One official stated that he was not much opposed to the basic theory of the amendment as he was to the fact that the amendment as now proposed would not be applicable to those holding higher office but only to precinct, county and certain district officials.

The Association went on record favoring Constitutional Amendment Number 1. This Amendment provides for annual sessions of the State Legislature and for the compensation of its members.

Also favored by the Association was the passing of Amendment Number 2. This amendment would permit counties, after approval by the voters of the county, to extend retirement, disability and death compensation coverage to elective officials. The present law makes coverage for appointive officers and employees permissible. The amendment would simply extend the coverage to elective officials and raise the ceiling on contributions made by the county and by the participating officials or employees.

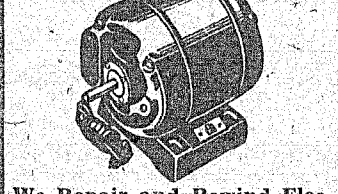

Mrs. Kenneth Knowles of Arlington, Va., left Tuesday, after a visit of several weeks with her mother, Mrs. T. R. Sealy.

CRISIS IN THE TEXAS POULTRY INDUSTRY

In these days of high production costs, you don't need a crystal ball to know that a grower who has to sell his poultry at 15 cents a pound isn't making any profit.

Neither is the buyer or processor who buys these birds and then must compete with lower priced poultry from other states on the dressed market. So the Texas Poultry Industry is faced with that old Agricultural Bug-A-Boo — overproduction in the south, coupled with a decreased demand for poultry.

Just a few years ago, Texas growers were receiving as much as 34 to 36 cents a pound for live poultry. Our production capacity this week with her brother, Mr. and Mrs. Bill Mulroy. Another sister, Mrs. L. B. Campbell, came for her on Monday and took her to Abilene for a visit.

Mr. and Mrs. Coy Brooke and Mrs. Ellis Densman, Denny and Brenda, visited in Spur Friday with the C. F. Walker family and attended the Spur-Slaton football game. Freddie Walker is the quarterback for the Spur team.

Mr. and Mrs. Wallace McKee and family were in Austin Sunday and visited with two of Mr. McKee's brothers, Mr. and Mrs. Aubrey McKee and J. W. McKee of Corpus Christi.

Linda Riley, student at the University of Texas, Austin, was at home over the weekend with her parents, Mr. and Mrs. Jim Riley.

Thomas M. Hays of Dallas, was home over the weekend with relatives and friends.

Mr. and Mrs. Leon Yancy of Fort Worth, were visitors Saturday afternoon with Mr. and Mrs. Calvin Fuller and Bobby.

Mrs. Mildred Cammack visited the past weekend in Midland, with her sister, Mr. and Mrs. J. A. Robbins.

Mrs. Bill Merriman and sons of Coleman visited Saturday with her parents, Mr. and Mrs. Barney Lewellen.

Mr. and Mrs. Bill Mulroy kept the children of Mr. and Mrs. Wayne Horton last week, while the Hortons visited in the Ozark Mountains.

Mrs. Mary Rose Mulroy of New Orleans, La., has been visiting

Husbands that have jobs that conflicted with the serving hour were sent refreshment plates, to enjoy later.

Those present for the enjoyable occasion were: Mr. and Mrs. Howard Norris, Mr. and Mrs. Henry Pittard, Mr. and Mrs. John Field, Mr. and Mrs. Billy Gray, Mr. and Mrs. Roy Stockard, John Penny, Mrs. Nora Goen, Mr. and Mrs. Olin Strange.

Home Demonstration members or any other interested person wishing to take lessons in sewing (tailoring) is invited to be present at the Liberty Community Center Wednesday, Nov. 5, for an all day meeting. Mrs. Bessie Parker, County Home Demonstration Agent, will be present to give instructions in tailoring clothes.

Dinner Sunday Honors Birthday And Anniversary

A birthday and anniversary dinner was held in the home of Mr. and Mrs. Earl Irick Sr. Sunday in honor of Mrs. J. D. Whetstone's 83rd birthday and the 65th wedding anniversary of Mr. and Mrs. Whetstone.

Those present for the enjoyable occasion were: Mr. and Mrs. Tom Bryan of Rockwood, Mr. and Mrs. Charles Jetton, Lisa and Mike Bruner of Coleman, Mr. Mark Davis and Patricia, Mrs. Winifred Stark and Brice, Mr. and Mrs. Earl Irick Jr., all of Santa Anna, and Don Davis of Knox City.

Mrs. Whetstone's twin sister, Mrs. E. F. Miller, Mrs. Jim Lovelady and Janette visited the group in the afternoon.

Self Culture Club Met With Miss Kirkpatrick Friday

The regular meeting of the Self Culture Club was held with Miss Dora Kirkpatrick Friday, Oct. 25. There were 16 members and five visitors present.

Miss Eudora Hawkins of Abilene, had the program for the afternoon. She spoke on "Safety" and showed several slides.

Other visitors were Mrs. Ernest Allen, Mrs. Gibbs, Mrs. B. S. Purcell and Mrs. R. D. Kirkpatrick. All present enjoyed viewing the new home of the Kirkpatrick sisters.

Refreshments of coffee and German chocolate cake was served.

Miss Jettie Kirkpatrick was welcomed as a new member in the organization.

Mrs. Carson Horner and children and Mr. and Mrs. J. J. Horner spent the weekend in Odessa with Mr. and Mrs. Bailey Horner and family.

Miss Mary Rose Mulroy of New Orleans, La., has been visiting

was not equal to our state and competition from other broiler growing areas was not a serious market factor.

More recently—and particularly in the past year—Georgia, Arkansas and Mississippi have increased their production by leaps and bounds. Our own has also increased but not to the same extent. The competition for out-of-state markets is now a deadly serious matter.

At one time, Texas poultry men could expect to receive 1 to 2 cents more for their birds on the market than farmers in Georgia and Arkansas. Our local markets were nearby and convenient. We could also ship dressed birds to California because we were closer, giving us the advantage of cheaper transportation costs.

But today, if our market price for poultry is even 1 cent higher for three or four days, we find that other broiler states will ship their birds to western markets at a lower competitive price—and even move into Texas and capture our local outlets.

Cutting back poultry production to raise the price in Texas is no solution if other states continue to place more and more baby chicks on the farm. The neighboring states will merely move into our market outlets to fill the vacuum.

The only thing we can hope for is more efficient poultry production in Texas—and a slightly better market price. Fortunately, the supply picture is subject to rapid change in the poultry industry. And prices are quick to rise when poultry becomes short.

But it becomes increasingly apparent that we must strive for lower production costs if Texas is to remain a major factor in the broiler business.

Chat and Stitch Club Met With Mrs. H. L. Zachary Friday

Mrs. Louis Zachary was hostess to the Chat and Stitch Club in her home Friday, October 24. The living room and dining room were attractively decorated in the Halloween motif. Many fresh and dried arrangements were used.

Mrs. Pat Gilmore and son of Mobile, Ala., and ten members of the club were served refreshments of sandwiches, toasted pecans, olives, potato chips and orange punch.

The next meeting will be with Mrs. Arthur Casey on Thursday, Nov. 14.

Mountaineers Sound Warning To District Foes

The Mountaineers sounded a warning to their two remaining district foes Friday night that they are on the prowl, and are out to take second place in district competition this year. The Mountaineers handed the Goldthwaite Eagles a 46-12 defeat in their second conference game at Goldthwaite.

Outstanding throughout the game was the power plays through the line by Lowell Pembroke and the excellent pass receiving of Van Aldridge. All the boys on the line did a good job of opening holes for the ball carriers.

FIRST QUARTER

The Mountaineers chose to receive and took the ball on their 31-yard line. Aldridge returned the ball to the Mountaineer 44-yard line. Three plays failed to gain a first down and the Mountaineers punted to the Eagle 14-yard line with a seven yard return. The Eagles attempted a pass on second down and Aldridge intercepted the ball on the Eagle 27-yard line and returned it to the 22-yard line. Four downs gave the Mountaineers a first down on the Eagle 5-yard line and it took the Mountaineers four more downs to cross the goal line with Ray going the last three yards. Ray ran the ball over for the extra two points.

The Mountaineers kicked to the Eagle 16-yard line and the ball was returned to the Eagle 30-yard line. Three downs failed to gain a first down and the Eagles punted to the Mountaineer 26-yard line. The ball was fumbled and bounded around back up field to the 44-yard line where it was recovered by the Mountaineers. Pembroke picked up yardage to the 50-yard line then on a fumble, lost back to the 46-yard line. On the next play Jennings took a hand-off on a reverse, cut wide around left end and went the 56 yards for the TD. The try for extra points was missed.

The Mountaineers kicked to the Eagle 15-yard line and the ball was returned to their 34-yard line. Three downs failed to gain but three yards and the Eagles punted to the Mountaineer 25-yard line. Aldridge returned the ball to the Mountaineer 32-yard line. A pass failed to click, then the Mountaineers lost 3 yards and Ray quick-kicked to the Eagle 18-yard line as the quarter ended.

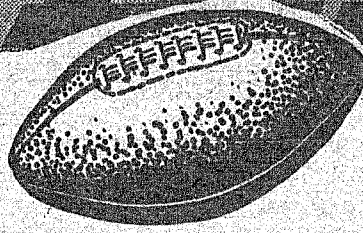

SECOND QUARTER

The Eagles failed to gain a first down and punted, but the Mountaineers received a 15-yard penalty for unnecessary roughness, which gave the Eagles a first down. Another series of downs failed to gain but four yards and the Eagles punted to the Mountaineer 21-yard line and Jennings returned the ball to his 32-yard line. Pembroke then a fumble, four yards caused Ray to lose 12 yards, a pass was incomplete, then a loss of another yard put the Mountaineers back on their 30-yard line. A blocked punt gave the Eagles the ball on the Mountaineer 24-yard line. Just barely making a first down on the Mountaineer 14-yard line in four downs, the Eagles scored on third down with Gerry Head going over from the Mountaineer 9-yard line. Their try for extra points failed.

The Eagles kicked to the Mountaineer 22-yard line and the ball was returned to their 31-yard line. Ray and Pembroke picked up a first down, then a fumble gave the Eagles the ball on the Mountaineer 39-yard line. The Eagles picked up a first down on the 29-yard line, then four downs failed to gain 10 more yards and the ball went over. The Mountaineers picked up a first down, then received

Treat Your Teenager As An Individual

"Why don't you be like that?" How often do parents make this foolish remark to their teenage children as they point to some other teenager who has done something to merit a bit of public attention?

This is the type of remark that goes much better unsaid. The average teenager has little ambition to be "like" anyone in his own age group. He may

have an idol, or someone that he desires to emulate, but it is always someone older than himself.

And, too, being "like" somebody is not an easy task. The teenager is an individual—much more an individual in many instances than grownups who fall right in line—and, further, the teenager wants to feel that he is an individual personality.

Some teenagers have talent aplenty and know how to make the most of it. Others have talent that must be developed and, rather than criticism, they need help and understanding from their parents if this development is to be rich and full.

When some parents say, "Why don't you be like that?"—they actually mean, "Why don't you participate in the same type of things. I believe you could do well, too." But, to the teenager, the interpretation is different. To him, the question is a rebuke or an indication that he is a "failure" so early in his young life.

It is not in the nature of some teenagers to just "wade through" from one accomplishment to another. Yet all of them like to be a part of some activity and to share in any success. Suggestions and guidance will help them. Criticism and comparison with others only makes them feel resentful. And, are we grownups much too different?

If you have a teenage problem you want to discuss, or an observation to make, address your letter to FOR AND ABOUT TEENAGERS, NATIONAL WEEKLY NEWSPAPER SERVICE, FRANKFORT, KY.

QUESTIONS AND ANSWERS

Q. I am unmarried and live with my 63-year-old parents, whom I support. I have been told there are family benefits under social security. What would they get if I retire or if I should die?

A. There will be nothing paid to your parents in the event of your retirement. In the event of your death, however, they may be eligible for monthly survivor payments, since you are the chief support of your parents.

Q. My earnings have dropped off. I would like to "freeze" my social security account so that when I reach 65 the lower earnings will not lower my monthly average on the basis of which I understand my social security benefits will be figured. Is this possible?

A. No. Your social security account may be "frozen" only if you become severely disabled to the extent that you cannot do any kind of substantial gainful work.

TSA Manager Warns Parents-Children Of Halloween Dangers

"Halloween is Friday night and the traffic goblins will get you if you don't watch out!"

This isn't a humorous phrase, but a deadly serious warning from J. O. Musick, General Manager of the Texas Safety Association.

"I believe in goblins," Musick said today, as he discussed the dangers that lurk along Texas streets and highways on Halloween. "But I'm not talking about the kind of goblins that bring scared squeals from the youngsters. The ones I fear are the traffic goblins who victimize unwary boys and girls as they go about their 'trick or treating' on Halloween."

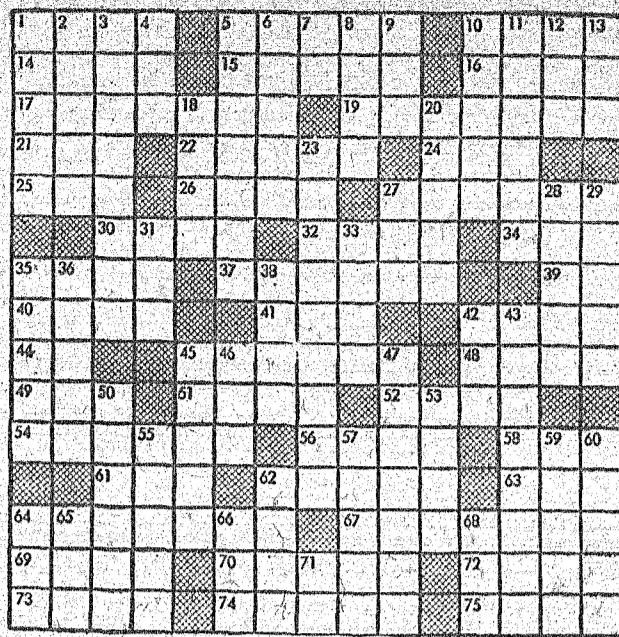

Musick pointed out that youngsters are likely to forget safety rules in the excitement of scaring and being scared on this spooky night. They forget that they may have on dark clothing, which makes them difficult to see, and blinded by masks they frequently make sudden dashes into busy streets.

"It would help prevent tragedies," he said, "if parents would try to get their children to take off masks when they go outdoors. And if they would provide their sons and daughters with light-colored or reflectorized costumes."

"The best way to keep the kids safe," Musick said, "is to keep them off the streets altogether. This isn't easy, but if parents plan home or community parties, it can be done."

He urged all parents to band together to see that sufficient parties and gatherings are provided in their communities to keep the youngsters entertained, thus offering them little inducement to go roaming the streets.

another 15-yard penalty back to their 24-yard line and had gained to their 39-yard line as the first half ended.

THIRD PERIOD

The Mountaineers kicked to the Eagle 1-yard line and they returned the ball to their 11-yard line. A fumble on the next play gave the Mountaineers the ball on the Eagle 12-yard line. On four tries by Pembroke, he went over from two yards out. Ray went wide around left end for the two extra points.

The Mountaineers kicked to the Eagle 20-yard line and they returned to the 39-yard line. Failing to gain, the Eagles punt to the Mountaineer 28-yard line and Jennings returned the ball to the 36-yard line. After picking up a first down, Jennings took the same hand-off as before and went all the way (49-yards) but the play was called back and the Mountaineers penalized 15-yards, back to their 36-yard line. Ray gained 4 yards, Pembroke 2 then Pembroke picked up a first down on the Eagle 44-yard line. On the next play Ray dropped his famous short pass into Aldridge's arms and Aldridge broke into the clear momentarily, got to the Eagle 18-yard line before being caught. Ray carried two times, Jennings once, then Pembroke 10-yards to the Eagle 2-yard line and Aldridge carried over. Ray went through the line for the two extra points.

The Mountaineers kicked to the Eagle 19-yard line and the ball was returned to their 42-yard line. On second down Horne intercepted a pass on the Mountaineer 45-yard line. Ray passed to Aldridge again for 14 yards and a first down. Then Ray

dropped a long pass in Avants arms on about the 12-yard line and Avants went on to score. Ray run the extra points over.

The Mountaineers kicked to the Eagle 16-yard line and the ball was returned to their 39-yard line. A 15-yard penalty put the Eagles back on their 25-yard line. They gained a first down on their 45-yard line and as the quarter ended they gained to the Mountaineer 47-yard line.

FOURTH QUARTER

Taking a long chance, the Eagles tried a fourth down attempt that failed to gain and the Mountaineers took the ball on their 46-yard line. Apparently deciding to take things a little easy, the Mountaineers started a passing attack. Two passes failed to click, then a short one was good for seven yards. Ray picked up 16 yards on the ground, then attempting another pass Ray was swamped behind the line of scrimmage for a loss back to his 45-yard line. A quick-kick went into the end zone and gave the Eagles the ball on their 20-yard line. They picked up a first down on their 32-yard line, then completed a pass to their 47-yard line. On the next play Aldridge intercepted a short jump pass on the Mountaineer 48-yard line and returned the ball to the Eagle 46-yard line. Still using the pass attack, three attempts had lost a total of three yards. With fourth down and needing 13-yards, Ray dropped a long pass into the arms of Buddy Wylie on the 15-yard line and Wylie crossed the goal line standing up, the play covering a good 49 yards. Ray passed to Jennings for the extra points.

The Mountaineers kicked to the Eagle 20-yard line and they returned the ball to their 42-

yard line. A ground play and a pass completion put the ball on the Eagle 46-yard line. A 15-yard penalty against the Mountaineers gave the Eagles a first down on the Mountaineer 41-yard line. In three tries, the Eagles drove to the Mountaineer 6-yard line. A 15-yard penalty put them back on the 21-yard line, then a 15-yard penalty against the Mountaineers put the Eagles back on the 6, from where they scored on the first try, with Del Barrette going the distance. Their try for extra points failed.

The Eagles kicked to the Mountaineer 20-yard line and Ray returned the ball to the Eagle 44-yard line. Ray passed to Aldridge for 12 yards. Coach Rucker pulled Max Price off the line and run him at tailback the last four downs. Price carried three times, picking up 12 yards.

PTA To Meet Next Wednesday At School Lunchroom

The Santa Anna PTA will meet next week, on Wednesday, Nov. 5, at 2:30 p. m. in the Ward School Cafeteria.

Every member is urged to be present and each room chairman is reminded to have someone to teach in their room at that time.

The organization has 80 members registered and membership cards will be issued as soon as they are received, which should be sometime in November. The \$5.00 room prize for getting the most PTA members will be presented in January.

The program for the meeting will be a film on education, entitled "Secure The Blessings", with a narration by Mrs. Perry. Coffee and tea will be served by the Hospitality Committee.

The PTA president, Mrs. John Hensley, expressed appreciation in behalf of the organization, for the big success of the Fun Carnival and Bazaar, to Mrs. Roy Horne, her committee and all who had any part in the event. The children, parents, teachers, administrators, school and whole community will benefit from the proceeds.

A part of the proceeds will be used to install a room-to-room campaign in the ward school. The organization is also sending the vice president, Mrs. Ray Swindell, to the 49th annual convention of the Texas Congress of Parents and Teachers, to be held in El Paso Nov. 12-14. The theme of the convention will be "Education is Life in the Making."

Former Santa Annan Has "Yankee" Problems

Special To The News
SUPERIOR, Wis.—Can a native Texan serve in good faith on a "Yankee" committee organizing a Civil War centennial celebration?

That's the question Southern faculty members are asking President Jim Dan Hill at Wisconsin State College here.

Hill, who came from Texas to teach history in Wisconsin more than 30 years ago, has been named an associate member of the Wisconsin Civil War Centennial Celebration Committee by Governor Vernon W. Thomson.

Fellow Southerners on the faculty have been threatening to run up the Confederate flag and hold a coffee-shop kangaroo court. The charges? "Texas Treason," of course, unless the college president can offer evidence that he is serving on the committee as a "Confederate spy."

Hill, whose grandfathers both served in the Confederate Army, is author of "The Texas Navy" and a Civil War naval action book, "Sea Dogs of the Sixties." He is a native of Santa Anna, Texas, and a graduate of Baylor University, Waco.

Dr. Hill has been president of the local state college since 1931. He retired last year as commander of the Wisconsin National Guard with the rank of major general.

Mr. and Mrs. Louis Glasson and children of Coleman visited Friday night in the Bob Garrett home.
