Fire Department Asks Cooperation On Shingle Roofs

During recent months it has been learned that Santa Anna can get the fire insurance key rate lowered a maximum of four percent by getting an official count of all buildings in Santa Anna outside the fire zone, and if no more than a certain percent has shingle roofs. The local fire department has made their first preliminary count and find that the town can now qualify for three percent, and if 32 buildings that now have shingle roofs were either torn down or re-roofed with composition or sheet iron, the town could apply for the entire four percent credit.

All buildings are included in this count. This includes dog houses, vacant houses, chicken houses, out houses, barns and any other type of building that has a roof on it, regardless of how small it is.

It would seem that 32 of these buildings could be torn down or re-roofed with a non-combustible type material in order to get the full four percent credit.

Fire Department officials indicate the official count of buildings will be made in about three weeks. They ask the cooperation of persons having types of buildings that can easily be re-roofed or torn down. It does not matter whether these buildings are insured or not. They must be counted as long as they are inside the city limits and outside the fire zone, which runs

from North Third Street east on Wallis Avenue to North Lee St. This is the main part of the business district of the town.

Members of the fire department know where all these buildings are. It would be appreciated if you would notify Add T. Walker, City Fire Marshal, when and if you make a change in the roofs of any building.

Lions Club Light Bulb Sale To Be Thursday, Oct. 30

Thursday, Oct. 30, is the date set for the Lions Club light bulb sale. To be held in the afternoon hours, just about every member of the organization will help in making a house-to-house canvass.

The bulbs to be sold are now on display in the old Payne Variety building, first door west of the Blue Hardware Co. Packed in each sack is four 75-watt bulbs and five 100-watt bulbs. This "Bag-O-Bulbs" will be sold for \$2.00. The club has 200 bags to sell. Anyone interested in purchasing 150-watt bulbs may do so while the sale is in progress. Just ask the ones who call on you for the 150-watt bulbs. They will be sold individually for 27 cents each.

On Saturday, Nov. 1, the people of the rural areas will be asked to purchase a "Bag-O-Bulbs". The Lions Club will have all their bulbs in the building where they are now and while you are in town, you are invited to drop by and purchase the bulbs you will need for the winter months.

North Side Baptist To Begin Revival Meeting Sunday

A revival meeting will begin at the North Side Baptist Church Sunday morning, Oct. 26, and continue through the following Sunday, Nov. 2. The pastor, the Rev. J. S. Sheppard, will be the evangelist for the week meeting.

Services will be held twice daily. Morning services will be held at 10:00 a. m. and evening services will be held at 7:00 p. m. Song services will be conducted by Luther McCrary and James Perry.

The Rev. Sheppard has just recently accepted the pastorate of the church. He, along with all the members of the church, extend a cordial invitation to all to attend every service.

Christmas Opening Set For Friday, December 5th

The Community Chamber of Commerce announces the annual Christmas Opening for Santa Anna has been set for Friday, Dec. 5th. Included in the day's activities will be the annual Lions Club Pancake Sale, the Christmas Parade and many other features.

Other announcements concerning the Christmas Opening will be made as plans develop.

Brother Of Ben Yarborough Buried Tuesday Morning

Funeral services for D. B. (Doc) Yarborough, 70, were held in the Davis-Morris chapel in Brownwood at 10 a. m. Tuesday. Yarborough died in a Brownwood hospital about 11 a. m. Sunday. He became ill on Tuesday of last week.

He was a member of the Bangs Baptist Church, a Mason and Shriner. He was one of the family of Yarboroughs to establish the Yarborough Bros. Coffee Co., of Corpus Christi. He took an interest in public affairs and was widely read. Born in San Saba County, Oct. 3, 1888, near Richland Springs.

Survivors include his wife of Bangs; two sons, Lt. Cmdr. W. H. Yarborough of Keyport, Wash., and F. R. Yarborough of Corpus Christi; two daughters, Mrs. T. L. Duncan of Mission and Mrs. W. L. Nickolous of Houston; two brothers, Ben Yarborough of Santa Anna and J. S. Yarborough of Fort Worth; two sisters, Mrs. Erma Sanford of Harlingen and Mrs. Maggie Lindsey of Fort Worth; and eight grandchildren.

Burial was in the Eastlawn Memorial Park in Brownwood.

DR. R. V. MAYFIELD TAKES OVER DR. A. M. FISHER'S PRACTICE

Dr. R. V. Mayfield of Inglesides, Texas, has moved to Coleman and has taken over the office and practice of Dr. A. M. Fischer, who recently moved to Austin. Dr. Mayfield opened his office Monday, Oct. 20th.

Mountaineers Go To Goldthwaite Friday Night

The Mountaineers will travel to Goldthwaite Friday night for their second conference game of the season. Last week the Mountaineers lost their first conference game to the rugged Mason Cowpunchers 26-2, in a very exciting game.

Goldthwaite has lost five of their six games this year. Their only win was a 16-14 win over Class AA DeLeon. They have lost to Hamilton, San Saba, Cross Plains, McGregor and last week lost to Llano by a 29-0 score.

The only actual comparison with the Mountaineers is the game with Cross Plains. The Mountaineers won over Cross Plains 8-6 and Cross Plains won over Goldthwaite 8-0, which would apparently make the local boys the favorite by about one touchdown.

We feel the Mountaineers have a good opportunity of winning this game. But it will not be an easy victory if they do win. In order to win the game, the Mountaineers are going to have to play 48 minutes of good hard football, and never relax for one minute.

In all probability, this will be Goldthwaite's only chance to win a conference game, and you can bet they are going to be out there doing their best. It will also be the Goldthwaite Homecoming Game, and of course the Eagles are going to make their best effort before their ex-students.

The game will begin at 7:30 p. m. A large crowd of Mountaineer supporters are expected to follow the Mountaineers.

Juniors Take 30-6 Win Over May Tuesday Night

The Junior Mountaineers took their second win for the season over the Junior May Tigers Tuesday night by a 30-6 score. Coach A. D. Donham said he played every boy he had out during the course of the game.

The May score came on a kickoff return against his second team boys.

The local boys won their first game from May by a 28-12 score. Next Tuesday night the local juniors will entertain the Blauvelt Junior Tigers on the local field. The game will begin at 7:30 p. m.

First Baptists Enjoy Good Attendance At Sunday Service

The First Baptist Church had an unusually high attendance of 203 in Sunday school Sunday morning to highlight the first day of its Stewardship Campaign. The church is using the "Forward Program of Church Finance" in preparation for the next year's work.

Some features of the five-week program are special Sunday school lessons, testimonies, and a church loyalty dinner.

A weekly church newspaper is being sent to the church's 197 families as a part of the special emphasis. The paper is being printed by The Santa Anna News with a special two-page design developed for the church.

Mrs. John Bray returned home Saturday from Gainesville, Tex.

Mrs. Rose Bass, Mrs. Carmen Donham, Mrs. Blanche Grantham and Mrs. Lillian Herndon were in Comanche Sunday afternoon attending a tea honoring Mrs. Ella Sator, Deputy Grand Matron of District 3, Section 5, order of Eastern Star. The tea was given in the home of Mrs. Thelma Dudley.

Mr. and Mrs. W. S. Stacy attended church in Bangs Sunday morning. After church services they gathered with other members of his family at the home of Curtis Stacy for a family get-together.

Mr. and Mrs. Jess Griffith, Mrs. A. E. Campbell, Mrs. Bertha Dean and E. M. Niell were visitors in the Charley Williams home at Comanche Sunday afternoon. Mrs. Williams is the former Mrs. J. F. Simmons.

Band To Give Half-Time Show With Goldthwaite

The Santa Anna Band will travel to Goldthwaite this weekend for the Santa Anna-Goldthwaite football game. They will be guests of the Goldthwaite Band members. The local band students will go in pairs into their homes for supper. Afterwards, they will put on a joint half-time show at the ball game. The local band director is James A. Mallow, the Goldthwaite band director is Mrs. Allen Moreland.

This joint half-time activity has been an annual affair for the past three years. The students are thus afforded an opportunity to learn from each other, to practice good school spirit and to gain a broader friendship among themselves.

The band will leave Santa Anna at 2:30 Friday afternoon. On Saturday, Oct. 25, the band will go to Brownwood to participate in the Howard Payne College Homecoming activities. They will be the guests of the college at the Howard Payne-Lamar Tech football game, and should return home by around 6:00 p. m.

Other fall activities of the band include a stage band concert in assembly at the high school at 2:00 p. m. Tuesday, Oct. 28. The public is invited; Nov. 8, stage band and concert band plays for the Santa Anna Ex-Student Homecoming; Nov. 29, the band will enter the Abilene Christmas parade; Dec. 6, Marching contest at Winters.

Delta Omicron To Sponsor Game Party Saturday

The Delta Omicron Sorority is sponsoring a game party in the school cafeteria Saturday, Oct. 25, beginning at 7:00 p. m. Proceeds from the party will be used for their district project for the year.

Admission will be 50 cents and tickets are now on sale by members of the sorority. Door prizes will be awarded and cake or pie and coffee will be served. Whole cakes and pies will be on sale. Various games, such as dominoes, bridge, forty-two, pinochle and canasta, will be played.

The district project for the year is the Peaceful Valley Home for Retarded Children at Bangs. This home houses 14 children, several of whom are mongoloid. The others are mentally retarded. A mongoloid is a malformation in which the child has slanting eyes, a large tongue and a broad, short skull. Such children are often imbeciles.

It is a blessing to those visiting the home to hear the matron, Mrs. Harris, say: "To me none of these children have a deformity."

There are four non-paying children in the home. It costs \$900 per year for one child. It is the purpose of the sorority to defray the cost of keeping one child for a year, and more if possible to raise the money.

The sorority cordially invites you to take part in their game party Saturday night and in the other activities they have planned through the fall and winter.

Tax Collector To Be Here All Day Friday

John Skelton, County Tax Assessor-Collector, will be at the Santa Anna National Bank all day Friday, Oct. 24, for the purpose of collecting state and county taxes in this area. Skelton states he would appreciate all the citizens of this part of the county taking advantage of this opportunity to get your taxes paid.

All state and county taxes paid in October are subject to a discount of 3 percent.

* Mrs. Eva Conley of Temple visited friends here Sunday and attended the Golden Wedding Anniversary of Mr. and Mrs. J. L. Burden in Coleman. She returned home Sunday night.

The 1958 Precinct No. 2 Community Chest drive has gone over the goal set and there is still several persons in town to be contacted, along with reports from the Coleman County Telephone Cooperative and the Buffalo Community. The report on Tuesday morning showed a total of \$3,074.76 had been contributed and it was expected that about \$100 more should be raised locally, plus the Buffalo Community drive.

Total raised in Santa Anna was \$2,118.55 and in the rural areas \$951.21. Contributions by areas were as follows:

First Baptists To Host District 16 Convention

The First Baptist Church will be host to the District 16 Baptist Convention Monday and Tuesday, Oct. 27 and 28. About 500 Baptists from 12 counties in the Central Texas area are expected to attend the two-day meeting. Visitors will be here from San Angelo, Brady, San Saba, Goldthwaite, Hamilton and Dallas. The group will represent 220 churches with 35,000 members.

The first session will convene at 5:00 p. m. Monday. It will feature nine special conferences on various areas of church organization. Monday night the keynote address will be brought by Dr. J. Woodrow Fuller, Associate Executive Secretary of the Baptist General Convention of Texas. Dr. Fuller has just returned from a world missions tour and will mention highlights of his trip. He is expected to have a special report on conditions in the Middle East as well as in Formosa and the Orient.

Sessions on Tuesday will begin at 9:45 a. m.; 1:45 p. m. and 7:00 p. m. Dr. James Basden, pastor of the First Baptist Church in Brownwood, will open each session with a Bible Study period. Others who will bring messages during the day's program will be Dr. E. L. Carnett, president of Buckner Menovencences; Dr. E. S. James, editor of the Baptist Standard; and Dr. H. A. Haswell,

all of Dallas. The Howard Payne College A Cappella Choir will sing Tuesday morning.

Dr. C. W. McCullough, a former missionary to South America, and presently pastor of the First Baptist Church in Brady, will deliver the annual convention sermon to close the Tuesday morning session.

An outstanding Christian businessman and a University president will highlight the closing session of the Convention on Tuesday night. Dr. W. R. White, President of Baylor University in Waco, will deliver an address. Dr. White served as pastor of the Rockwood Baptist Church a number of years ago.

Mr. C. C. Kelley, a businessman from White Deer, Texas, will also speak on the evening's program. Mr. Kelley is the president of the Texas Baptist Brotherhood. A familiar figure who will also speak Tuesday night will be Levi Price, pastor of the First Baptist Church in Monahans. Mr. Price is well-known in this area, having served as pastor of the First Baptist Church in Coleman.

J. Travis Gibson of Brownwood, President of the District Convention, and M. Ted Cotten of Coleman, will preside during the meetings. Dr. Clifford Nelson of Brownwood is District Missions Secretary.

The convention will be preceded Monday morning and afternoon by the meeting of the Woman's Missionary Union of District 16. Mrs. Joe Brosig of Paint Rock is president of this group. The ladies of the First Baptist Church are helping in the arrangements for this meeting. The local ladies will serve lunch at the church Monday for most of the group. The district officers and those who will appear on the program will be guests of the First Baptist Church at a dinner Monday in the dining room of the Tex-Anna Coffee Shop.

Maurice Smith, pastor of the church, has announced that several committees from the church are working on the arrangements for the Convention. Those on the committees are:

Registration: Mmes. John Brown, Ford Barnes, D. R. Hill, Charlie Bruce, Roy Henderson and W. S. Stacy.

Homes: Mrs. Joe Mathews and Elgean Harris.

Ushers: Emzy Brown and J. L. Boggus.

Arrangements: Mrs. J. W. Griffin, Mrs. W. S. Stacy and William Brown.

Meals: W. F. Barnes and Mrs. W. V. Priddy.

Cities To See

The Town Too Tough To Die

Scenes from Tombstone, Arizona

Western fans everywhere will recognize that "The Town Too Tough To Die" refers to Tombstone, Arizona. Tombstone obtained its unusual name from its founder, Ed Schieffelin, who was told that all he would find in his prospecting there would be his tombstone, meaning the Indians would kill him. Late in 1877, he made his discovery of silver and named the location "Tombstone."

One of the mightiest cities between El Paso and San Francisco, Tombstone is overflowing with history. The annual Hellsore, held in October, features re-enactments of the famous gunfights and other bits of Tombstone's history.

"The Town Too Tough To Die" became a slogan due to Tombstone's survival of reverses which have befallen many of the western mining camps and cities. A Restoration Commission is working to preserve and restore the landmarks of which the town is famous.

Tombstone is a community with many homes, beautiful and high class hotels, a city-owned hospital, municipally owned utilities and airport.

Nestled on a mesa between the Huachuca and Dragon Mountains in southeastern Arizona, 30 miles from the Mexican border, Tombstone is famous for its health giving climate.

Hellorado Days call to attention such historical spots and events as The Crystal Palace; the Bird Cage Theatre; the O.K. Corral; the Earp-Clanton feud; and of course, Boothill Graveyard.

Landmarks of the last frontier include Tombstone City Hall, built in 1882; the Epitaph Office, oldest continuously published newspaper in Arizona; and Scheffelin Hall, built in 1881, one of the largest adobe structures in the United States. At one time it was the most famous theatre between El Paso and San Francisco. The Old Cochise County Court House, built in 1882, one of the most magnificent structures on the Western frontier, and the center of legal history during the early days of the territory.

Next to dental neglect, visual inefficiency is the most prevalent problem among American school children.

Fifty years ago the 12 southern states had four wood-pulp mills with a combined capacity of 50,000 short tons, which was then 2 per cent of the national pulp output for paper making. Today, 67 southern pulp mills can produce some 13 million short tons, 67 per cent of national capacity.

A colliery in South Africa, supplying a new oil-from-coal plant, recently put into service a conveyor belt nearly a mile and a quarter in length, the longest conveyor to be found on the African continent. The belt carries coal from mine to distillation plant.

U.S. Navy researchers have revealed that explosions from sparks can be caused just as easily by tools made of "non-sparking" materials such as copper.

QUESTIONS AND ANSWERS

Q. Why can't I keep on earning any amount I want to and receive my social security benefit payments at the same time after I am 65?

A. The purpose of the old-age payment under social security is to replace partially the loss or decrease in earnings when an old person retires. In this way it is similar to other retirement systems, like civil service, teacher retirement, railroad retirement, etc.

Q. I have a woman hired at my place of business, but she objects to my holding out social security from her wages. She says it will never do her any good. What must I do?

A. You have two alternatives. You must either deduct the social security tax from her wages, or you can choose not to if you will pay her part of the tax along with the amount you also pay as an employer. You should also suggest that she get complete information from the Social Security Office as to how and when social security might benefit her in the future; there is a good chance that she has some misunderstandings about it.

FOR AND ABOUT TEENAGERS

By C. D. Smith

An Education Is Worth Some Effort

"I am in the 10th grade (same as last year) in high school and don't think I will ever be able to finish," writes a Southern teenager, who adds: "I want to quit school and go to work but my parents won't let me. Don't you think I would be better off working, if the type of work I do doesn't take much education?"

You might be satisfied with yourself for a time if you left school without getting your diploma. But some time, and most likely before very long, you would regret the fact that you did not complete your high school education.

There are, of course, many successful men in American business who never completed high school.

In many cases, public education was not available to them. The education they were able to give themselves and the knowledge they gained through reading books, newspapers and periodicals—coupled with a strong inner drive for success—led these men to achievements.

You may not need a high school education for the job you have in mind. But, time has a way of changing things. Someday the job may not be there and you'll have to look elsewhere. Other opportunities that appeal to you may come along. And the fact that you never completed your high school education will always stand as a mark against you.

You can finish high school if you put forth the effort. Tell yourself that your chosen occupation, whatever it may be, calls for a high school diploma—then work for that diploma just as you would work for that job.

If you have a teenage problem you want to discuss, for an observation to make, address your letter to FOR AND ABOUT TEENAGERS, NATIONAL WEEKLY NEWSPAPER SERVICE, FRANKFORD, KY.

**From The
City**

BY MRS. A. L. ODER
Well, here it is time again for my letter to The News.

This is Sunday afternoon and after a good dinner, I am lay. We are having beautiful weather. Yesterday was pretty and sunshine all day and thus for today is like it. We have not had many two full sunshiny days together since I came here.

I am getting along just fine and getting lots of mail from Santa Anna, also from old girlhood friends. I am all agog over the prospects of a get-together of old cronies, sometime soon at Winfield, La. They write they are just waiting for me to get well enough for the trip. Think I am well enough right now. All were reared in Atlanta, Texas. My sister-in-law living there, a widow, will be going I suppose, and another sister of the family where we will meet, lives in Dallas. Think I can go with one or the other for the trip. Don't think I have seen some of the girls for 50 years.

We attended a Laymens Service this morning at the church. I usually attend. First attended Sunday School and had a very fine lesson on John's Baptism. The older women are in this class and the attendance never anything extra was not up to par. I could sympathize with the teacher, as I teach the same age group at home, and our attendance is not anything to write home about.

There was a fine attendance of men and they put on a complete and reverent service. The pastor was attending the International Convention of Christian Church in St. Louis. I attended this same convention in St. Louis in 1904, and attended the World's Fair being held there.

I know there are a good many people formerly of Santa Anna, now living in Austin. I try to get them over the phone but it is not always easy. Mrs. Dora Bell of Dallas, visited here recently with her son-in-law and daughter. Mr. and Mrs. Nowlin Myers. She called me and we had a pleasant talk over the phone. Says she takes The News and reads this column.

The Austin Plan is a very interesting booklet, and there are greater expectations for the future. At present the Capitol Grounds occupy only 26 acres.

District News**

Your District is cooperating with Howard Payne College and the Middle Colorado Watershed Association of Districts in sponsoring a Range Management Contest for 4-H and FFA chapters. November 8th at 9:30 a. m. registration begins with the contest slated to start at 10 a. m. on the White Ranch near Mercury on the Brownwood-Brady highway.

Howard Payne College has awarded a scholarship to the high scoring individual and other appropriate recognition has been given outstanding teams in the Range Management Contest in the past. County agents and vocational agriculture teachers who are unable to go with their teams can arrange to send them by district supervisors or other responsible persons. It is not necessary for teams to be coached to a high efficiency as the contest is designed to give valuable training in addition to the awards that are offered.

Maintaining terraces is seasonal now. Many farms have been observed where terrace systems have been plowed to build up the terraces in the normal plowing operations to prepare a seedbed or in the regular tillage operations. Other fields have been observed where the entire system was blown in on land which results in a lower effective weight of the terrace. It is considered safe. Terrace maintenance has been reported on the farms of Buddy Neff, C. N. Davenport and Raleigh Neff recently.

W. W. West reports he has 12 acres of native blue stem grass mixture from which he expects to harvest the seed. The grass planting, made on a sandy loam field, is 13 years old and has made good production throughout the drought years. The success of the grass planting surviving through extreme drought is attributed to good care and management practiced by Mr. West. The mixture contains Indian grass, sideoats and hairy grama, little bluestem and weeping lovegrass.

C. L. and Austin Saunders who farm in the White Chapel community report successful establishment of 115 acres of sorghum alnum grass in a late planting on conservation reserve land.

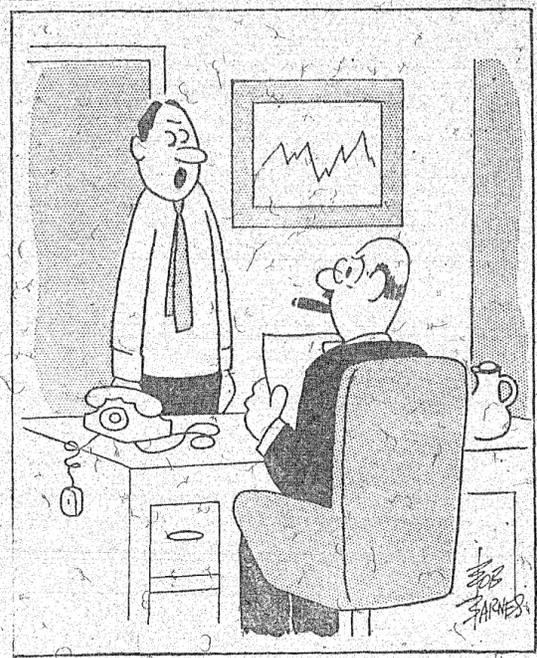

Many state services are now in rented space away from the Capitol area. With the prospect of office space tripling in need in 25 years, the Capitol area Master Plan would increase the Capitol Grounds to 95 acres during that time or sooner.

I was glad to note that the Community Chest was nearing its goal. I was glad to have a small part in it.

Every Sunday afternoon we have a long interesting ride and I am more and more impressed with Austin's beauty and room for expansion. These rides usually wind up with a supper at the hosts home. Sunday afternoon Mr. and Mrs. Myrl Lichtenwalter came for a visit with us and Floyd took the guests and Velma and me on a long ride and I saw many interesting places I had not seen before. We enjoyed hamburgers, Fritos, cookies, fruit and coffee when we got home.

I still love Santa Anna and long to see you folks, and I hope it won't be long until I do. Hope to get some yard work done at my home this week. Don't know when those in charge plan to have our Louisiana gathering.

LAFF OF THE WEEK

"Would you care to turn a disgruntled employee into a satisfied one, at the very slight cost of two dollars a week?"

Sorghum grasses are adapted to planting when sufficient moisture is available in the soil any time during the planting season. Mr. Saunders believes that all warm season grasses should be planted before spring rain season begins and after spring warm-up sets in.

**4-H Club Girls To
Hold Achievement
Day November 15**

A 4-H Achievement Exhibit of 1957-1958 4-H work (Sept. 1957-Sept. 1958) will be held for Coleman County 4-H Club girls Saturday, Nov. 15, in the Junior High Luchroom at Coleman.

All 4-H girls may bring articles to be judged. The girls will enter one of three divisions: 9-19 year old girls; 11-12 year old girls; and 13-21 year old girls.

Each girl may enter one article, completed in the past year, in each class of her division. These should be brought to the north double door of the Junior High Luchroom between 3:00 a. m. and 9:00 a. m. Nov. 15, to be registered. With each article the girl is to bring a 3 1/2 x 5 recipe card with her name, age, name of the 4-H Club, and name of the article printed on one side. Can-

District MYF Meeting Held At Trickham

On Monday night, Oct. 20, the Cokesbury Sub-District of the Brownwood District Methodist Youth Fellowship, met at the

Trickham Church. There were 145 present.

Johnny Dodd, Sub-District and District President, of Brownwood, was master of ceremonies. The singing of "I Must Tell Jesus," "Standing on the Promises," and "Where He Leads I Will Follow," was led by Jackie Ruth of Brownwood. Stanley and Sherrill James of Trickham, sang "Rock of Ages."

The message was delivered by Curtis Davis of Brownwood. His topic was "Youth For Christ." A short business meeting followed, conducted by Johnny Dodds. The winners of the attendance banners were: First, Trickham, with 27 present; Second, First Methodist of Brownwood with 23 present. Rev. C. D. Wooten of Brownwood announced the next meeting would be held at Bangs.

Following the business meeting, refreshments of cold drinks and cookies were served by mothers of the Trickham MYF. Weldon Haynes is president of the Trickham MYF and Mr. and Mrs. Grady McIver are the sponsors.

District Epsilon Sigma Alpha Meeting In Coleman Sunday

District VII of Epsilon Sigma Alpha Sorority met Sunday, Oct. 19, with Delta Iota chapter, Coleman, as hostess. The coffee and luncheon were held in Conger's Club Room. Special guests at the meeting were the International Council President, Eugenia Sapp and International Corresponding Secretary, Jean Beasley, both of Austin.

Forty-three members attended, representing chapters from Brownwood, Stephenville, Comanche, San Angelo, Santa Anna and Coleman. The District voted to accept The Peaceful Valley Home for Retarded Children in Bangs as the district project for 1958-59.

Those attending from Santa Anna were Mrs. Coyita Bowker, Mrs. Ruby Markland, Mrs. Wanda Campbell, Mrs. Alice Horne and Patricia Davis.

George Washington's first employer was Lord Fairfax, whose lands he surveyed.

Arizona is known as the Valentine state.

Hayden Goodgion Receives Acclaim For Suggestion

Hayden W. Goodgion, son of Mr. and Mrs. Homer Goodgion of Santa Anna and superintendent of the Denison, Texas Public Schools, recently came up with an idea of presenting varsity letters to outstanding scholars, in a fashion similar to letters presented to outstanding athletes. Apparently the idea took hold, and has received national acclaim during recent weeks. Hayden wrote President Eisenhower concerning the idea and received a very nice letter from him concerning the matter. Hayden states he has received many letters from various sources and that Life magazine has requested permission to get pictures and NBC has asked permission to telecast the presentation of the first awards.

The letter from President Eisenhower reads as follows:
THE WHITE HOUSE WASHINGTON
October 8, 1958

Dear Mr. Goodgion:
Thank you for your note of October second. I am much interested in the plan developed by you to award varsity letters to outstanding scholars, in a fashion similar to that by which varsity letters are awarded to outstanding athletes. The idea so intrigues me that I am sending a copy of your letter and its enclosure along to the Secretary of Health, Education and Welfare for his information; he is, as perhaps you know, Dr. Arthur Flemming, former President of Ohio Wesleyan University.

Needless to say, I have a particular pride in the city of my birth, and I congratulate all of you who are striving to put academic achievement in the high spot it rightfully deserves.

With best wishes,
Sincerely,
Dwight D. Eisenhower

Eastern Star Has Regular Meeting Monday Night

The Santa Anna Chapter No. 247, order of Eastern Star, held its regular meeting Monday, Oct. 20 at 7:30 p. m. in the Masonic Hall.

Mrs. Willie J. Bostick, Worthy Matron, and Jack Bostick, Worthy Patron, presided.

Plans for the school, to be held in Coleman Nov. 12, were discussed. Mrs. Carmen Donham, Drill Chairman, gave the group some instructions.

The hall was decorated by Mrs. Blanche Grantham, with yellow roses and white chrysanthemums.

After the meeting the members retired to the dining room, where delicious refreshments of chicken salad sandwiches, potato chips, angel food cake topped with whipped cream and apricots, and orange punch, making a pretty Halloween plate, were served.

An arrangement of Zennias decorated the table, laid with a white cloth.

Twenty members were present to enjoy the hostess social hour by Mrs. Louise Moore and Mrs. Fannie Gober.

The closest presidential race every run occurred in 1876 between Rutherford B. Hayes and Samuel Tilden.

Tom Thumb (Charles Sherwood Stratton) was born in 1838 at Bridgeport, Conn. He died in 1883.

NEXT THEATRE OF WAR REV. ROBERT H. HARPER

IN THE dim past men fought with rocks and clubs. Except for the sack and burning of cities, which necessarily brought cruelty and death to the aged, helpless mothers and speechless babes, war was waged by men against other men. Now war has been brought to the doorsteps of men and destruction is rained from the skies upon every living thing beneath. The skies have been turned into a battleground and now skilled warriors will shoot a missile a thousand miles or more to destroy its doomed objective.

The exploit of Nautilus has dimmed that of the Sputnik and brought men to think of a submarine that rises from the icy depths to bring destruction upon a shore hitherto deemed almost inaccessible and secure.

The geography of my boyhood, had a spot marked "Lockwood and Brainerd's farthest north." Later men reached the Pole over the ice. Then they flew over it. Now they have sailed under the ice about it.

Where will be the theatre of the next war? Armageddon, the prophetic name of the last battle, is in the Near East. Men there and in the West and around the world had better heed the spiritual.

About Your HEALTH

A weekly public service feature from HENRY A. HOLLE, M. D. Commissioner of Health

Air is the most important one commodity for the existence of man. He can go for weeks without food, a very few days without water, hours without protection from the elements, but only a few minutes without his most precious commodity—air.

The importance of clean air is indicated by the fact that Governor Daniel has set aside this week, October 19-23, as "Cleaner Air Week."

This is an excellent period for all of us to evaluate the air cleanliness of our communities and if it is not all that it should be to in turn evaluate the efforts the community is making to control the air cleanliness for us.

Are you as an individual citizen satisfied with your community's air standard?

A number of communities throughout Texas are happily enjoying the benefits of good clean air without effort to control it. Unfortunately, many other communities are not so blessed and are therefore concerned with the cleanliness of the air over their communities.

It isn't only the big industrial cities that have difficulties. Any Texas town that has any kind of industry, including cotton gins, may have a problem without realizing it. Should there be a problem, it certainly would be well to take inventory of the efforts your community is making in your behalf regarding cleaner air.

Already there is much study and effort being done in Texas to evaluate and remedy some of the air pollution problems.

The State Department of Health has completed its part in a national air pollution appraisal. The report of the complete findings is being readied.

Cooperating in the national air sampling network are eight stations in Texas at Dallas, Houston, Port Lavaca, Austin, Waco, San Antonio, Fort Worth and El Paso.

Dallas and Houston operate on a permanent basis while the rest serve only one year in three, however, some operate every other year.

These air samples are analyzed for dust and other solid materials, and beta ray radiation activity. In addition the State and local departments of health cooperate with the Atomic Energy Commission in sampling atom bomb fallout, with the aid of the U. S. Public Health Service.

Some cities have their own separate programs for studying air pollution and several cities and counties have active air pollution committees trying to conduct their own separate surveys.

Every cleaner air program needs the individual support of all its citizens.

T. E. L. Class Met Oct. 14 With Mrs. Katie Evans

The T. E. L. Sunday School Class of the First Baptist Church began its new year Tuesday, Oct. 14, with an all day meeting in the home of Mrs. Katie Evans. The meeting was for business and a period of social entertainment.

After a bountiful covered luncheon, the business session was opened with a prayer and devotions by Mrs. Rodelia Gray. The president, Mrs. Lena Moore, presided.

It was voted to visit some shut in during the next regular meeting, which will be held with the class teacher, Mrs. Dovie Chapman, on Nov. 25.

Those attending other than the above mentioned, were: members, Mmes. Vera Ashmore, Bessie Upton, Annie Howington, and Blanche Newman; associate members, Mmes. Claudia Boggus, Lizzie Brown, and Virgil Newman; and two visitors, Mrs. Bud Evans and Mrs. Lloyd Price.

CITY LIGHTS BECKON FIRE ANT

The pain-in-the-neck pest of the century, the vicious little imported fire ant, has evidently charted new worlds to conquer, and two of Texas' major cities—Houston and San Antonio—are among the first top prizes in the fire ant's line of fire.

Both Houston and San Antonio have been found to be infested in varying degrees by the native South American fire ant, whose sting is extremely painful and whose stone-hard earth mounds play havoc with the landscape.

To combat this unwelcome intrusion, both cities, assisted by Texas and U. S. Departments of Agriculture and local and county officials, have begun to take definite steps toward eradication.

In Houston, where more than 20,000 acres are infested, a cooperative city-county program has been inaugurated which will provide for ground treatment in various sections of the city. Aerial application of insecticides in Houston is prohibited by city ordinance.

In addition to direct preventive and eradication efforts in sections of the city, treatment and inspection of Houston plant nurseries by Texas Department of Agriculture inspectors has practically eliminated these potential fire-ant hide-aways from the area of concern.

Although no definite plan of action against the fire ant has been formulated for San Antonio, county officials have funds scheduled to be matched by city funds for treatment of private property in the city. A committee is now being organized to initiate the program, which will likely be similar to that planned for Houston.

One of the greatest matters of concern in the eradication plan is that connected with eliminating risk of contamination and poisoning in the treatment of private property with the necessary ant-destroying chemicals. In this respect, fullest precaution possible has been taken in selection of the chemical—granular heptachlor—and in prescribing instructions to be followed by persons living in areas to be treated.

A sample of these instructions include: prior to treatment, close windows and doors, cover or turn upside down water and feed containers for animals and pets, cover all leafy vegetables, preferably with plastic, remove fish from open ponds and cover ponds with plastic, cover open cisterns; after treatment, sprinkle lawns and gardens with water thoroughly, but prevent children and pets from drinking from puddles which might form, wash all garden vegetables thoroughly before eating, keep dairy cattle from grazing in treated area for a period of 30 days, and keep children from playing in treated area for several days.

Mountaineers Drop First Conference Game To Mason

The Mountaineers dropped their first conference game to the Mason Cowpunchers Friday night by a 2-26 score. Mason scored twice in the first period, once in the second period, once in the third period and near the end of the game tackled Donald Ray in the Mountaineer end zone for a safety and two points. They did not make any of their extra point attempts, and they tried all three methods, running, passing and kicking. The Mountaineers scored their two points in the last play of the fourth period, when they tackled one of the Mason backs in their end zone for a safety.

The Mountaineers got their choice on the loss of the coin and chose to receive. A short kick gave them the ball on their 26-yard line with a runback to their 41-yard line. On the first play Ray picked up a first down on the Mason 41-yard line. Pembroke gained two yards, then lost two, then Ray gained 7 yards, then picked up another first down on the Mason 29-yard line. A 5-yard penalty on the next play moved the line to a 6-yard gain plus the five yard penalty and two plays later they fumbled with Mason recovering on their 35-yard line. On their first play from scrimmage, Mason lost 4 yards, then picked up a first down on the Mountaineer 47-yard line. A lone pass was good for 30 yards and put the ball on the Mountaineer 9-yard line. On the next play Keller went all the way. The try for extra point failed.

Mason kicked to the Mountaineer 21-yard line with a 5-yard runback. After two plays Mason was penalized 15 yards, then the Mountaineers lost five yards and could not gain it back. They punted to the Mason 24-yard line and Wilson took the ball and went the entire distance for the TD. The try for extra point failed.

Mason kicked to the Mountaineer 15-yard line and the ball was returned to their 36-yard line. Three downs failed to gain ten yards and the Mountaineers punted to the Mason 24-yard line with a 4-yard runback. Three plays failed to gain but three yards for the Cowpunchers and they punted to the Santa Anna 37-yard line. On second down the Mountaineers fumbled and Mason recovered on their 43-yard line. Mason run one play and fumbled with the Mountaineers recovering on the Mountaineer 49-yard line. The Mountaineers picked up a first down early in the second quarter on a 4th down attempt. Mason was penalized 5 yards on the next play, then the Mountaineers fumbled and lost yardage back to their 42-yard line with Mason recovering. Mason picked up a first down on the Mountaineer 16-yard line, gained one yard, then lost back to their 27-yard line.

Mason kicked to the Mountaineer 15-yard line and the ball was returned to their 36-yard line. Three downs failed to gain ten yards and the Mountaineers punted to the Mason 24-yard line with a 4-yard runback. Three plays failed to gain but three yards for the Cowpunchers and they punted to the Santa Anna 37-yard line. On second down the Mountaineers fumbled and Mason recovered on their 43-yard line. Mason run one play and fumbled with the Mountaineers recovering on the Mountaineer 49-yard line. The Mountaineers picked up a first down early in the second quarter on a 4th down attempt. Mason was penalized 5 yards on the next play, then the Mountaineers fumbled and lost yardage back to their 42-yard line with Mason recovering. Mason picked up a first down on the Mountaineer 16-yard line, gained one yard, then lost back to their 27-yard line.

Beginning the third period, the Mountaineers kicked to Mason on the 12-yard line and they run the ball back to their 35-yard line. It only took them six plays to go the remaining distance of 65 yards for the TD. The try for extra point failed.

The Punchers kicked to the Mountaineer 14-yard line and the runback went to the Mountaineer 32-yard line. Failing to

gain enough yardage, the Mountaineers punted to the Mason 26-yard line with no runback. Mason picked up a first down, lost about 5 yards, then punted to the Santa Anna 21-yard line with no runback. Falling again to make a first down, the Mountaineers punted to the Mason 34-yard line with no runback. On third down, Ray intercepted a Mason pass on the Mountaineer 49-yard line and returned the ball to the Mason 36-yard line. A 5-yard penalty cost the Mountaineers, then one play gained a yard, then the Mountaineers received a 15-yard penalty and Ray got off his best punt of the season, to the Mason 1-foot line, for a total of 54 yards.

On the first play of the fourth quarter, the Punchers were tackled in their end zone for the Mountaineer's only 2 points. The Mountaineers took the kickoff on their 35-yard line and returned the ball to the Mason 41-yard line. One play gained 3 yards, then a long pass was intercepted on the Mason 16-yard line. Mason made three yards in three downs and punted to the Mountaineer 47-yard line. The Mountaineers run the ball back to the Mason 49-yard line, got a 5-yard penalty, attempted a pass, lost 2 more yards, then gained 12 yards on a pass completion, but it was not enough for the first down and the ball went over. Mason made three first downs, making short yardage each time, down to the Santa Anna 10-yard line where the ball went over on downs. On the next play Ray was attempting to pass, couldn't find anyone open and faded back into his own end zone and was tackled there, giving the Cowpunchers their 2 points. The Mountaineers punted to the Mason 34-yard line and the ball was run back to the Mountaineer 41-yard line. A 15-yard penalty against the Mountaineers gave Mason the ball on the Mountaineer 26-yard line. A loss of two yards for the Mason boys resulted on the next play, then they passed to the Mountaineer 9-yard line. A loss of 8 yards on the next play set them back on the Mountaineer 17-yard line. They tried two passes as the game ended.

The Mountaineer line played a good defensive game, with good help from the line backers. The penalty and fumble in the early part of the game stopped a drive that could possibly have amounted to a score and a considerable difference in the outcome of the game.

MR. AND MRS. JOHN L. BURDEN

J. L. Burden's Observe Golden Wedding Sunday

Mr. and Mrs. John L. Burden of Houston observed their Golden Wedding Anniversary Sunday, Oct. 19. Their son, Mr. and Mrs. John William Burden of Abilene, honored the Burden's with an open house from 3 to 6 p. m. in the Hospitality Room of the First Coleman National Bank in Coleman.

John L. Burden was born in Milam County, the son of W. C. and Laura Nelson Burden. His wife, the former Annie M. Boardman, the daughter of J. W. and Nettie Switzer Boardman, was born in Cook County. Both Mr. and Mrs. Burden were reared in Coleman County, where they resided until moving to Houston in 1941.

In the receiving line at the occasion were Mr. and Mrs. Burden, Mr. and Mrs. John William Burden and their children.

The table was laid with a gold net cloth over gold taffeta and centered with a crystal bowl, holding floating mums and lighted flower floats with the top layer of the Anniversary Cake on a stand above and flanked with crystal candelabra.

Mrs. Roy McClure, Mrs. Mary Boardman, Mrs. L. M. Brown and Mrs. C. L. Boardman served anniversary cake and gold punch to eighty guests.

Mrs. R. J. Boardman and Mrs. W. H. Burden presided at the registry where the guests registered in a golden anniversary book. Golden mums formed a bouquet for the table.

Those attending from Santa Anna were: Mr. and Mrs. C. L. Boardman, Mr. and Mrs. W. H. Burden, Mr. and Mrs. Clifton Switzer, Mr. A. E. Switzer, Mr. and Mrs. Dick Baugh and Nancy Lee, Mrs. W. E. Vanderford, Mrs. Mattie F. Everett and Mrs. Roy Stockard.

Other guests attending were from Coleman, Houston, Odessa, San Angelo, Elgin, Lubbock, Lamesa, Talpa, Colorado City, Abilene, Wichita Falls, Bangs, Temple, Miles, Seminole, Altus, Okla., and Lawton, Okla.

A galleon was a large, unwieldy ship formerly used by the Spanish.

Today's MEDITATION

from The World's Most Widely Used Devotional Guide

The Upper Room

© THE UPPER ROOM, NASHVILLE, TENNESSEE

Read 1 Corinthians 10:9-13.

God is faithful, who will not suffer you to be tempted above that ye are able; but with will the temptation also make a way to escape, that ye may be able to bear it. (1 Corinthians 10:13.)

In different parts of the world, folks have the same trials. Let us not think, then, that we are singled out by fate as the bearers of trials uncommon to man. Any resentment will vanish if we remember that there is a fellowship of people carrying the same load as we do.

It is good to remember also that God is not a mere spectator of our trials. We have the rich assurance that God is our reliable Friend. A great missionary spent seven long years on the field before winning a single convert. During that time his wife died. With his own hands he dug the grave and laid her body in it. He himself read the funeral service. Later he wrote, "I was not alone, for Jesus Christ was there."

In our trials God makes a way out, so that we may be able to bear them. Jesus Christ is with us in all our trials. Therefore we can lift up our hearts.

PRAYER

O Lord, our reliable Friend, help us this day to face life gallantly. In the sure knowledge that Thou wilt sustain us in even the bitterest trial, we put our trust in Thee; through Jesus Christ our Lord. Amen.

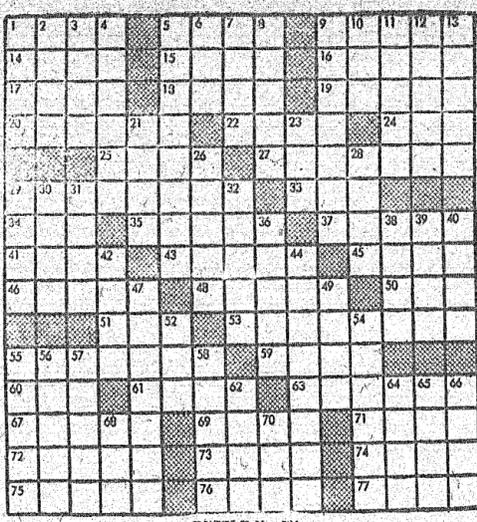

THOUGHT FOR THE DAY

God will never leave me or forsake me.
—Hedley W. Plunkett (Erie)

Mr. and Mrs. D. O. Sholar, Mr. and Mrs. Bryan Blevins, Mr. and Mrs. C. W. Chance, Dana and Karon of San Angelo, and Mr. and Mrs. John Gregg, Darlene, Juanell and John Wayford enjoyed a dove barbecue at Hords Creek Lake Sunday.

Mr. and Mrs. Wayne Horton, Stephenie, Timothy and Jennifer of Houston, visited the past week with her parents, Mr. and Mrs. W. R. Mulroy. Mr. Horton left for Houston on Sunday and Mrs. Horton and children remained for a longer visit.

You watch your bright-haired boy turn in a twinkling from rowdy horseplay to tender cherishing of an injured bird.

How humbly proud you are of such evidence that your son is growing—in all directions!

And how you want for him a world where there are no barriers to his development as a free and independent American.

There are many ways you can help assure this sort of world for him. One very important way is to be on the watch for ideas that could deprive him of his right to freedom and independence.

The idea, for instance, that "government should run such and such a business, a service, an institution." Even though it has been shown that the more things government runs, the less freedom there is for the individual.

When you hear people talking like that, point out that when you take independence away from anybody, you undermine the freedom of everybody.

Very much aware of this threat are the independent electric companies, because government already runs part of the electric business. And powerful people are pressing government to take over more.

Homecoming For Former Students Set For Nov. 7 and 8

The annual Homecoming of Ex-Students of Santa Anna Schools will be held on Friday and Saturday, Nov. 7 and 8. The first part of the two-day affair will be the football game between the Mountaineers and the Burnet Bulldogs.

Registration will begin at 9:00 a. m. Saturday morning and continue through most of the day. A coffee will be held in the lunchroom beginning at 9:00 a. m. honoring all the classes ending in "8", and all the former students are invited to be present at the coffee.

The annual business meeting will be held at 3:00 p. m. in the high school auditorium. At this time Dr. W. Burgess Sealy of Fort Worth, a member of the Class of 1927, will be honored as the Ex-Student of the Year. The annual barbecue will be held at 5:00 p. m. This year barbecue will be the only meat served. However, if you do not eat barbecue, you are invited to bring your own meal and enjoyed the occasion with other ex-students.

Saturday night a variety program will be presented in the high school auditorium at 7:00 p. m. The annual dance will be held in the National Guard Armory beginning at 8:30 p. m. All local former students are urged to make every effort to get them here for the occasion.

The committee for the coffee, honoring classes ending in "8", is as follows:

Decorations: Mrs. Ross Kelley, Mrs. Pierre Rowe and Mrs. Charlie Moseley; preparations, Mrs. James D. Rice, Mrs. Billy Campbell and Mrs. Arlie Welch; serving, Mrs. Tom Kingsbery, Mrs. Myra Flint, Mrs. Norval Wylie, Mrs. Dick Baugh, Mrs. Billy Joe Harvey, Mrs. Byrl Sparkman, Mrs. Tom Bryan and Mrs. James Eubank; hostesses, Mrs. L. 20TH CENTURY CLUB HAS REGULAR MEETING

The 20th Century Club met in their regular social meeting Friday, Oct. 17 at 2:00 p. m. in the home of Mrs. Charles Bengé. Six members were present.

Because of the lack of members present, the location of the next meeting was not decided. It will be announced at a later date.

Refreshments were served to those present.

Needlecraft Club Met With Mrs. Brown

Mrs. John Brown was hostess to the Needlecraft Club in her home Thursday, Oct. 16.

The living room was attractively decorated with Halloween motifs. The group enjoyed looking at the many beautiful quilts made by Mrs. Brown's mother and grandmother.

Ten members were served pumpkin pie and punch. Miniature candy pumpkins were used for plate favors.
