By MRS. TOM RUTHERFORD

Rain is the chief topic for discussion in our community. We received over 7 inches of rain. But we are so thankful we had no flooding waters. Even Camp Creek to Rockwood never became impassible.

Mr. and Mrs. Roy England spent last Wednesday night in Fort Worth. They were in Fort Worth attending memorial services for the son of a friend on Thursday.

Mark and Becky Turney spent the weekend with their grandparents, Mr. and Mrs. Bert Turney. Their parents, Mr. and Mrs. Rex Turney came for them Monday spending the day.

Mr. and Mrs. Hilary Rutherford of Brownwood were Sunday visitors with his parents. Hilary left Monday for Dripping Springs, where he will be employed briefly. His wife is with her parents at Rockwood.

Mr. and Mrs. Darwin Lovelady and Randell and Edmond Switzer spent Sunday with Mr. and Mrs. Thomas Switzer and children.

Mr. and Mrs. Jodie Deal were weekend guests with his parents, Mr. and Mrs. Dick Deal and Dixie.

We extend our deepest sympathy to our neighboring friends over the death of Mrs. A. N. McSwane, who passed away Sunday morning in the Santa Anna Hospital. Several from this community attended memorial services in Rockwood for her Monday afternoon.

Frances Bryan spent the weekend with Patsy Clifton.

Mr. and Mrs. Wright spent Monday night with their son, Mr. and Mrs. Graham Fitzpatrick and children.

Mr. and Mrs. Walter Yancy and children spent the weekend with relatives in Fort Worth. They returned home Monday.

4-H CLUB HAS REGULAR MEETING

The Santa Anna 4-H Club met Thursday night in the Community Room of the Santa Anna National Bank. The ass't. agents discussed making the 4-H record books. After the discussion, they had slides on the 4-H books.

Later a recreation period was led by Lawanda Horner, Bill Horne and Donnie Henderson. There were 50 members attending this meeting.

J. G. Williamson and daughter, Sherri of Fort Worth, and Mr. and Mrs. Walter Lee and sons, Joe and Guy, of Midland, spent the weekend with their mother, Mrs. Lura Williamson.

Mrs. W. T. Wheatley returned to her home in Storey, Ark., Monday, after a two weeks visit here with friends and relatives.

PRESENTING FOR 1960... BUICK'S ALL-TIME BEST

THE TURBINE DRIVE BUICK '60

A car with major advances in transmission, suspension, brakes, and engines which are Buick's alone today. A solid, substantial car • A car of superb comfort, quiet, reliability • A car you should drive soon

New comfort, quietness, and quality

Doors that open wider—easier to get in and out. Family-size interior. Seats that are higher, more deeply cushioned, and repositioned to provide more room for feet and legs. Perhaps the quietest running car in America due to Buick's high use of insulation and torque-tube drive. Buick's quality control program comes to a peak in the Turbine Drive Buick '60.

New interior decor and convenience

An entirely new "Mirromagic" instrument panel. It lets the driver see speed, gas gauge, and other necessary readings at a glance in a mirror he tilts to suit his own eye level. And a new exclusive safety option—the Twilight Sentinel®—that turns headlights on automatically at sunset... off automatically at sunrise. All-new colors and fabrics. Richer appointments. *At slight extra cost.

Outstanding performance with economy

1. Buick's Exclusive Turbine Drive Transmission† is jet-smooth, responds faster, more economically than ever. No gears ever shift while the car is in motion. 2. Buick's Exclusive Air-Flo Aluminum Drum Brakes—found on no other American car. Fin-cooled drums front and rear for faster cooling. Fast cooling means safer stopping, longer brake life.

Slotted wheels pass a current of air from under the car constantly over the brakes for added cooling efficiency. (Wheels are 15" size which gives you up to 1/3 more tire life.)

3. Buick's exclusive Wildcat Engines give high efficiency with high economy. (An optional new LeSabre Engine is designed to give Buick performance on regular grade fuel.)

†Optional at extra cost on LeSabre, standard on Invicta and Electra.

USDA'S OCTOBER PLENTIFULS PROVIDE

HEAP OF GOOD EATING

College Station — There is a heap of good fall eating in the U. S. Department of Agriculture's October list of plentiful foods, reports the Texas Agricultural Extension Service, College Station.

Pork and cheese head the list, this month, according to USDA's Agricultural Marketing Service, that keeps a constant tab on availability of specific foods.

Other October plentifuls for Texas are: small-size turkeys, 100-pound onions, almonds, pumpkins, sweet potatoes, shrimp, blueberries, broiler-fryers, and lead. Supplies of still other plentifuls are plentiful in local areas. In-season plentiful foods usually are available at lower prices, so consumers will be ahead by watching for featured items.

Growers of the state are cooperating with promotion efforts of the industry. USDA, newspapers and radio and TV stations on no less than six special events that feature plentiful foods in October.

Pork, with the third-largest pig crop in history available, will be emphasized from October 1-10. All kinds of cheese will be featured all month in October Cheese Festival; Rice Harvest Festival, "EGGtober" and Shrimp will also run from October 1 through October 31; National Apple Week is scheduled for Oct. 15-24; and the nationwide Fish'n Seafood Parade will advance from Oct. 19 to 25.

TEXAS TOPS ALL STATES IN 1958 NET FARM INCOME

College Station — Texas farmers realized a net income of \$1,001.5 million from farming in 1958, \$474.6 million more than in 1957. Estimates prepared by the Agricultural Marketing Service show that Texas ranks 1st among the states in realized net farm income.

Realized net is the income farm operators have to spend after paying their production expenses.

Average realized net income per farm in Texas amounted to \$3,430 in 1958, compared with \$1,774 in the preceding year. The Texas farm operators ranked 17th among the states in realized net income per farm.

Farm operators in Texas built up inventories of crops and livestock in 1958 by \$46.4 million. When realized net income is adjusted to allow for the change in inventories, the total net farm income of Texas operators was \$1,047.9 million. It was \$719.1 million in 1957.

McClintock - Haynes Vows Exchanged Here September 30

MRS. LYNDON HAYNES

Miss LaVelle McClintock, a senior in Santa Anna High School and a daughter of Mr. and Mrs. E. E. McClintock, became the bride of Lyndon Haynes Wednesday, September 30 at 3:00 p. m. at the North Side Church of Christ, Jack Horton, minister of the church, read the double-ring ceremony.

Mr. Haynes is a son of Mr. and Mrs. J. R. Haynes of Santa Anna.

Given in marriage by her father, the bride wore a street length dress of white taffeta, bouffant style. She carried a white Bible topped with white carnations. Mrs. Haynes also wore a pearl necklace for something old, for something new it was a trousseau, the white Bible was borrowed, and the traditional blue garter.

Mrs. Bobby McCullough, a friend of the bride, was matron of honor and wore a white sheath with a white carnation corsage. Both mothers were dressed in blue and wore white carnation corsages.

Kenneth Harris, a school friend, served as best man.

After a short wedding trip, the couple are making their home at 307 North 4th Street. Mrs. Haynes plans to continue her high school education and is employed at Phillips Drug Co. Mr. Haynes is employed at the Santa Anna Tile Co.

Boat Dealers And Owners Urged To Get Licenses Now

Austin — The starter button on the state's new motor boat registration law was pressed Sept. 30 as the Texas Highway Department issued the first dealer's license, TX1000AA, to Bill Gaston Boats and Motors in Austin.

State Highway Engineer D. C. Greer urged the estimated 1,700 boat dealers in Texas to apply for the \$25 license right away, in order to get ready for the individual boat-owner registration which will begin about November 1. Both individual and dealer licenses will be good until March 31, 1963.

"By applying for the dealer's

Lions Crippled Children's Camp November Feature

The Lions Clubs of Texas will draw special attention during November to their camp for crippled children which has given 4,284 handicapped youngsters a summer full of fun since it was created.

Special programs will be held by each club to honor the Texas Lions League for Crippled Children, which was founded 10 years ago to give the blind and mute, deaf and crippled children a camp of their own.

The camp was opened in 1953 and now it serves 720 handicapped youngsters with two weeks crammed with camping fun each summer.

Located in Kerrville, the unique camp has attracted nationwide publicity with its program of free camping activities for the handicapped between the ages of 7 and 16.

The camp is now in use the year around. For the past three years, the camp has been used during the other months as a training center for the adult blind. It is one of thirteen such centers in the nation.

The camp, which represents an investment of more than \$600,000 in 16 buildings on 504 hillside acres, is supported by Lions and their friends through dues, gifts, endowments and special projects.

Forty-eight guns, one for each state, constitutes a national salute.

license now. Texans in the boat-selling business will have ample time to get their facsimile cardboard tags printed. Dealers should apply to the Motor Vehicle Division, Texas Highway Department, Austin, for a Certificate of Number, which is the boat dealer's license number. The Double A suffix to the license signifies that it is a dealer's license. He can use this number on all of his boats, printing a cardboard facsimile of the number which will be good for ten days after the boat is purchased. The individual boat owner applies for registration during this ten-day period.

"We are using the same process we have used for car registration. When an individual purchases a boat after November 1, he can get a registration blank from the dealer. The owner then mails the application, along with proof of ownership and certified check or money order, direct to the Motor Vehicle Division, Texas Highway Department, Austin. He will then receive his own specific license number to paint on or attach to his boat. There will be no actual license plate issued. The owner is responsible for seeing that his boat carries the license number on both sides of the bow. On all boats under 26 feet in length, each digit and letter must be a minimum of three inches high.

Greer stated that a registration of more than 212,000 individual owned boats was expected.

A nephew of Mrs. Seth Risinger, Dougherty Miller and son, Barry of Austin visited with her recently.

Mr. and Mrs. C. A. Scarborough and Mrs. Clifford Stephenson visited from Saturday until Monday with their son and daughter, Mr. and Mrs. Charles Scarborough at Enid, Okla. Those going saw a lot of rain, but made the trip safely.

Dick Todd visited a sister at Trinidad over the weekend.

Eugene White, Jackie Dillingham and Joe Riley, all students at McMurry College in Abilene, were with home folks over the weekend. Linda Riley, a student at Texas University in Austin, was also at home for the weekend.

According to law, a minimum of three persons can create a riot.

Jean Stewardson - Bill McClellan
Married In France Sunday, Sept. 27

Mrs. Jasper W. McClellan Jr.

Miss Clara Jean Stewardson, daughter of Mr. and Mrs. George Stewardson, Jr., of Santa Anna, was married to Aic Jasper W. McClellan Jr., on Sunday, September 27 at 4:00 p. m. in the Riviera Chapel at Toul, in northeast France.

Aic McClellan is the son of Mr. and Mrs. J. W. McClellan of Santa Anna, and has been stationed in France for the past several months. Mrs. McClellan went by plane to France recently for the ceremony.

Given in marriage by Sgt. Roy Blanton, the bride wore a white slipper satin and Aleneon lace dress of original design, fashioned with an empire bodice of lace and high neckline of lace, bound in the satin.

The long fitted sleeves were tapered to points over the hands and fastened with tiny satin-covered buttons at the wrists. A bias satin band and tailored bow circled the empire waistline. The full satin skirt was fitted in princess lines in front and the wide unpressed pleats across the back were from a pointed waistline, forming a chapel length train, with tiny satin-covered buttons from the neckline to below the waistline.

Her fingertip length veil of white tulle was attached to a headband of seed pearls.

The bride was carrying white roses atop a white Bible, a gift of the First Baptist Church of Santa Anna. She had the traditional something old, something new, something borrowed, something blue, and a penny in her shoe.

Her jewelry was a seed pearl necklace and mother of pearl earrings.

The maid of honor, Miss Marian Paulsen, wore a blue dress of satin sheen, fashioned with a full street length skirt and a lace bodice. She wore a fitted jacket with three-quarter length sleeves, and carried a bouquet of pink carnations.

The best man was Airman David Lougeneker. The organist was Mrs. Bill DeMoss, who played the traditional wedding marches and accompanied Airman Jack Morgan as he sang "Seal Us, O Holy Spirit."

The double-ring ceremony was performed by Chaplain Earl Parker.

A reception followed the ceremony with Mrs. Earl Parker as hostess and Mrs. James Anderson, Mrs. Travis Lange and Mrs. James Thomas assisting.

HONORED WITH TEAS

Miss Stewardson was honored with two courtesies shortly before she departed for France.

During the Sunday evening services, Sept. 6, at the First Baptist Church, the YWA honored her with the "White Bible Ceremony." After the evening service, the group hosted an informal reception in the church annex.

The home of Mrs. Ford Barnes was the scene of a personal gift tea on Thursday evening, Sept. 10. Co-hostesses were Mmes. Elgean Harris, Carl Benton, A. D. Donham Jr., James Mallow and Doyle Evans. The honoree received many beautiful gifts.

The bride's chosen colors of green and white were carried out in decorations and refreshments at both courtesies.

20TH CENTURY CLUB
REGULAR MEETING

The 20th Century Club met in the home of Mrs. Warren Aldridge Friday, Oct. 2. During the business meeting it was voted to give a donation to the Community Chest drive.

During the program, Mrs. A. L. Oder read a poem, "The Golden Years."

Refreshments of apple pie topped with whipped cream and coffee was served to the six members present.

The next meeting will be a special meeting, to be held in

TAX-MAN SAM SEZ:

The Dallas District office of the Internal Revenue Service has regular dealings, too regular as far as some of the taxpayers are concerned, with 2,000,000 people every year. More than 700,000 refund checks are prepared and mailed to taxpayers principally on income taxes during the year. This year, as in the past years, there are still

several thousand taxpayers that the Internal Revenue Service cannot locate because they have moved and forgot to give Internal Revenue Service their new address. If you are due a refund and have not received your check, it would probably be a good idea to write Internal Revenue Service, 2101 Pacific Avenue, Dallas, Texas, giving the exact name and address on your tax return, your present address and the amount of refund due.

They will be almost as happy to send your check as you are to receive it.

Mrs. Lela Camp and her son, Lauran of San Antonio and Mrs. Martha Owen, of McAllen visited here during last week with their sister, Mrs. Clara Gilbreath and members of her family.

Mountaineers Suffer Fifth Defeat Friday

The Cross Plains Buffalos run rough-shod over the Mountaineers Friday night to defeat the local boys to the tune of 34-0. The Mountaineers never crossed the 50-yard line but one time in the first period when they drove to the Buffalo 33-yard line, only to lose the ball on a fumble.

Eddie Hartman, stellar defensive man and quarterback for the Mountaineers was injured early last week in practice, and was unable to participate in the game. There is little doubt but what he would have made the difference in the game. We feel that had Hartman been in the line-up as he has in the previous games, the score would have at least been much more equal. To be honest about it, we feel the Mountaineers could have won the game.

We do not mean to take anything away from Voss and Simmons, who played the quarterback position. We are sure they did their best, and both are being groomed for the position in years to come. Simmons is a freshman and has had no experience at the position, but has the capability of learning fast. Voss was injured in the Albany game and had not been suited out since until Tuesday of last week. On Wednesday he played a little contact ball for the first time. So, the Mountaineers were just up against a hard problem, and there was nothing they could do about it.

And in all probability Hartman will miss the next two games, which are with Bangs and Mason.

The Buffaloes kicked to the Mountaineers and they never could get out of the deep zone, as a 15-yard penalty put them on their 12-yard line at the beginning of the game. Midway in the quarter a short punt died on the Mountaineer 44-yard line. From there the Buffs drove over in six plays. They made the 2 extra points.

The Mountaineers took the kickoff and returned to their 49-yard line, two pass completions gave them a first down, and a Buff 15-yard penalty put the Mountaineers on the Buff 33-yard line. On the next play a fumble cost the Mountaineers the game. The Buffs drove to the Mountaineer 35-yard line, then 23 yards back to their 33-yard line and punted to the Mountaineer 24-yard line on the second play in the second period. The Mountaineers lost back to their 19-yard line and punted to their 39-yard line. The Buffs gained a first down, then a 15-

yard penalty put them back on the Mountaineer 34-yard line. Failing to gain, the Mountaineers took over on their 29-yard line. One ground play and a pass was good for the second and last first down the Mountaineers made. Failing to gain, Stewardson got off the best punt of the season for the Mountaineers, a 55-yard punt that went out of bounds on the Buffs 3-yard line. The half ended with the Buffs on their 41-yard line.

The Mountaineers kicked to the Buffs 14-yard line and they returned the ball to their 36-yard line. The Buffs drove to the Mountaineers 35-yard line, a 15-yard penalty from the point of foul, put them back on the Mountaineer 46-yard line. One pass attempt failed, then Merrill connected with Scott for a pass and run play that went all the way. Try for extra points failed.

Following the kickoff, the Mountaineers failed to gain and punted to their 44-yard line. Cross Plains drove to the Mountaineer 16-yard line, then lost back to the Mountaineers 26 and fumbled with the Mountaineers recovering. Failing to gain, the Mountaineers punted to the Buffalo 38-yard line. The ball was returned to their 43-yard line. In three plays the Buffs went all the way again, but failed on the extra point try.

On the first try in the fourth period the Mountaineers punted to the Buff 38-yard line with a return to the Mountaineer 49-yard line. After making a first down, the Buffs failed to gain a second and the Mountaineers took over on their 29-yard line. Failing to gain, the Mountaineers punted to the Buff 36-yard line. The Buffaloes failed to gain a first and punted to the Mountaineer 12-yard line. A loss put the Mountaineers back inside their 5-yard line and they punted out to their 39-yard line. On the first play, the Buffs went all the way, but failed on the extra point try.

On the next try the Mountaineers failed to gain and the Buffs took over on the Mountaineer 36-yard line. They went over again in short order and made the extra point try. There was just time for the kickoff and the game ended.

FOOTBALL ROUNDUP				
Bangs pushed their winning record this season to four straight Saturday night at the Early Homecoming and in a driving rain most of the time, when they defeated the Early				

Longhorns by a 12-0 score. Early was picked to win, but the heavy onslaught of the Dragons took the Longhorns to defeat. Bangs more than likely will win their Class B title this year as a result of this game. They have four wins against no losses.

Mason scored 33 points Friday night while defeating San Saba 33-28 in a battle of two unbeaten teams. Mason scored in every quarter and San Saba scored 6 points in the third period, then 22 in the final period. Mason

now has a 5-0 record. Goldthwaite scored in the final period to make the score 6-31 in a game with the McGregor Bulldogs. McGregor scored in the first three periods, then coasted in the final period. Goldthwaite now has a 2-3 record. Their wins were over Evant and Cross Plains.

Llano held a 13-13 tie with Georgetown at half-time, then lost to the Eagles by 8 points scored in the third period. Final

score was 21-13. Llano now has a 1-4 record. They won over Junction and have lost to Menard, San Saba, Fredericksburg and Georgetown.

Burnet continued in the undefeated ranks by defeating Lampasas 40-6 Friday night. The Bulldogs scored 6 points in each of the first three periods, then scored 22 points in the final period. Two of the last period TD's came on intercepted passes. Burnet now has a 5-0 record.

Hunter Mistakes Of Dobbin for Wild Turkey

As you pointed out last week, it is important that the hunter see his target clearly, and it is obvious that he does not when we consider the 3,500 hunters annually shot by their companions, not to mention the unnecessary yearly loss of domestic animals when Bateye mistakes of Dobbin for a wild turkey.

Weather conditions affect visibility. Cloudiness and dawn or dusk light cause difficult seeing for even the best eyes. If the eyes are in poor shape to begin with the difficulties increase proportionately.

The too-common practice of leaving the glasses home while hunting is another hazard if the hunter wears his glasses constantly in other activities. While hunting, rain or dust collect on the glasses and he thinks he can see better without them. The inconvenience of cleaning glasses, however, is small compared to the possibility of being involved in an accident.

To prevent glasses from steaming or being "polka-dotted" with rain drops clean them well with soap suds and water—rinse and dry thoroughly. Then take dry soap and rub it on both lens surfaces, take a perfectly dry cloth and polish briskly. Now rain drops will run off the glass leaving a wet but clear surface.

Do you see red? Most hunters wear a bright red cap and shirt. But what effect do these have on a hunter who is Color Blind? Statistics show that from

2% to 5% of the male population is color blind. This means that of the approximate 7 million men who apply for hunting licenses at least 2% that's 140,000 hunters, would be unable to recognize a bright red cap or jacket if they saw it! So, a better choice for safety's sake, are the new bright yellow hunting tops.

If you are wearing bifocals, there is a good chance you have trouble seeing your gun sights clearly, especially the rear sight. This is a problem in rifle shooting since a fine bead must be taken on the game whereas shot gun shooting is more a matter of pointing, leading, and firing. I'm sorry to say that there is no remedy for this blurring of rifle sight so far as glasses are concerned. If you have this type of trouble be sure your distance vision is sharp, then get acquainted with a good scope or peep sight. Open sights are no longer for you.

If you have safety glasses for your work and the prescription is up to date then you probably have a first class ready made hunting glass. Your optometrist can tell you in a few moments whether or not you can effectively put them to this use. The safety lenses are tough enough to stop stray shot-gun pellets without trouble. The frames are designed for hard use. If properly adjusted, they will stick to your face like bubble gum to your shoe.

Keep that shootin' eye in perfect shape and you will Be Sure Of Your Target.

Read Romans 5:1-8.
Christ died for the ungodly.
(Romans 5:6.)
Blaspheming God at a street meeting, an atheist turned to the crowd and said, "If there is a God, I challenge Him to strike me dead in five minutes."
Breathless silence reigned as the seconds ticked off. After five minutes the scoffer said, sneeringly: "See, there is no God, or He would have killed me. The five minutes are up."
An old lady asked him, "Have you children?"
"Yes, I have a son."
"Well," she said, "if your son gave you a knife and asked you to kill him, would you do it?"
"Why, no," he said.
"And why not?"
"Because I love him too much."
Then the old lady said to him, "God loves you too much to accept your foolish challenge. He wants you to be saved — not lost."
We can understand a love which loves those who also love. But "Christ died for the ungodly." We can hardly understand this. How can we fathom the love of God who gave His Son to save us? Oh, the forbearance, the long-suffering, the patience of God!

PRAYER:
Dear Father, may the love of Thy Son so fill our hearts that this day we may be like Him. As He gave, so may we give; as He loved us, so may we love others. We pray in the name of Jesus Christ our Saviour. Amen.

THOUGHT FOR THE DAY
I cannot understand the love of Christ, but I will accept Him and let His love rule in my heart.

94-Year-Old Mrs. Stacy Recalls Life As Pioneer
Mrs. Morgan J. Stacy, who remembers traveling in a covered wagon and selling rubber-tired buggies, recently celebrated her 94th birthday.

She was born Lula Green Taylor Sept. 14, 1865, in Fayetteville and was married Aug. 27, 1884, to Morgan Jesse Stacy.
They traveled from Flatonia to Lampasas by train and made the rest of the journey to Coleman in a two-horse covered wagon.

At a time in 1887, when fertile land could be bought for 25 cents an acre, the Stacys opened a general mercantile business

and Post Office in Lohn. Antelope poamed the open prairies, she said, and hilltops were swarming with coyotes.

The Stacy's second business venture was at Brown Town, McCulloch County, where they operated a post office named "Stacy" located on the famous 80,000-acre OHD Ranch. The couple sold many rubber-tired buggies, and Mrs. Stacy recalls that ranchmen came in their wagons from many miles around to buy barrels of beans, sugar, salt and coffee.

Mr. Stacy, who was one of the first directors and stockholders in Amicable Life Insurance Co. of Waco, died in Santa Anna in 1931.

Since that time, Mrs. Stacy has made her home in Ballinger

with two daughters, Mrs. Una V. Doane and Mrs. Wanda Kolb. Doane and Mrs. Wanda Kolb have a son, Talmage Stacy, lives in San Angelo, and another son, who died in 1952.

Friends called on the 94-year-old woman on her birthday, including members of First Presbyterian Church U. S. A.
Mrs. Stacy has been bedridden for the past few years. Always deeply religious, her philosophy for a long and happy life is "Take your burdens to the Lord and leave them there. Regardless of what may happen in your life, remember that God will take care of you."

Mr. and Mrs. Sam Grant and Kenneth of Fort Worth, spent the weekend with her parents, Mr. and Mrs. Sam Rutherford. Kenneth has recently been discharged from the Navy. He plans to re-enlist within the next few days.

Mrs. Rufus Farris, Mrs. Albert Lee Dyer and Christi Denise of San Angelo visited Monday with Mr. and Mrs. Cal Fuller Sr., Mr. and Mrs. Cal Fuller Jr., and Bobby.

**Saturday Fire
Damage Is Light**

Damage was comparatively light in a fire Saturday afternoon, when circumstances are considered. A heavy rain was falling, and had been falling most of the day. Mr. and Mrs. Donald Strickland and children left Friday evening to visit in Moran.

About 3:30 p. m. one of the Norval Wylie boys discovered smoke boiling from the house in which the Stricklands live on South Houston Street. This is the Ola Niell house.

The quick response by the Fire Department saved most of the house and contents. Apparently the fire started in the television set, which was unplugged. Cause of the fire was undetermined.

It burned a hole in the front room wall, burned the paper and a few items of furniture. The building loss was covered by insurance, but no insurance was carried on the furniture.

The Stricklands were on their way home during the time, and arrived here about an hour after the fire was extinguished.
