SANTA ANNA, COLEMAN COUNTY, TEXAS, FRIDAY, SEPTEMBER 4, 1959

NUMBER 36

\$1169 Paid In Fines In Justice Court in August

W. Earl Irick, Justice of the Peace, reports a total of \$1,169.40 was paid in fines in his court during the month of August. These fines were assessed for speeding, loud mufflers, one drunk, parking on pavement, driving on the wrong side of the road, two were fined for not having a safety inspection sticker on their windshield, and running stop signs.

One man paid a fine of \$130.50 for speeding 115 miles per hour and another man paid a fine of \$140.50 for speeding at the rate of 120 miles per hour.

Judge Irick issued a warning to all drivers that every effort is being made to control the traffic situation in this area, and that he is cooperating fully with the law enforcement officers. The fines listed as paid above would seem to indicate the Judge meant what he said. All drivers are requested to take the warning seriously.

Good Rain Follows Storm Sunday Night

Sunday was reported to be the hottest day thus far during the summer months, with temperatures reaching about the 110 degree mark in Santa Anna. This is an unofficial reading, but we have no official gauge here.

Early in the evening a tremendous buildup of thunderheads was noted to the north of here, and about midnight it moved in with one of the most spectacular displays of lightning that has been seen in this area in many years. In fact, some old-timers say they have never seen anything like it. Considerable lightning was noted throughout the area Tuesday night, after another day when the temperature soared well up over the 100 degree mark.

Rainfall Sunday night amounted to 1.20-inch in the official gauge at the Coleman Gas Company office. The amount that fell Tuesday night was little more than a trace, making the total for both nights 1.30-inches.

So far as we can find out, both rains were pretty general over this area, and will be of great benefit to farmers and ranchers. Pastures are drying up fast, and the cotton and other late crops were badly in need of moisture.

The weather continues to be very hot, and will likely be so for several days yet. However, there is still that touch of fall in the air.

BAND NEWS

New Beginning Band students thus far this year are as follows: Larry Williams, Karen Dean, Paula Copeland, Harvey Curry, Sherry Thompson, Rachel Trinidad, Steve Valdez, Dickie Horner, Mike England, Marguerite Horner and Wanelleda Blount.

James Mallow, Band Director, says that any student can be considered a beginner regardless of grade level, provided it can be worked into the student's schedule. For some reason, Mallow says, it has become traditional that if a student does not start in the 4th or 5th grade, he does not start. Nothing could be further from the truth. Older students are encouraged to start but should start at the beginning of the year.

The Stage Band has moved its rehearsal time to 4:15 each Monday afternoon after school. This was done to accommodate those students and parents who live considerable distance from school. Stage Band is progressing very nicely and will be continued in the Music Program provided all students attend rehearsals.

In the near future a Band Handbook will be issued containing information concerning the functions and duties of the band members.

Mrs. Clara Gilbreath returned home Sunday from a visit of nearly two months with her son, Floyd and family, at Gulfport, Miss. Floyd and wife and their two children brought her home and are visiting with her through the week.

Pat Bryan Is Coleman County Farm B. Queen

PATRICIA ANN BRYAN

Patricia Ann Bryan, a brown-eyed brunette farm girl from the Rockwood Community was selected as the Coleman County Farm Bureau Queen for 1959 last Thursday night. She won over 10 other contestants.

The contest was held in the recreation building at the Coleman Rodeo Grounds. Judges were Mr. and Mrs. Harry Holt of Abilene and Mr. and Mrs. Jack Lacy of Lampassas.

Some 300 Farm Bureau members and their families saw Cecil Harnes, president of the Coleman Farm Bureau, place the Queen's crown on Miss Bryan.

She is the daughter of Mr. and Mrs. B. B. Bryan and will be a sophomore student at the University of Texas this fall.

Miss Bryan will represent the Farm Bureau in the District Queen Contest to be held in Stephenville, Sept. 5.

Runnerup in the contest was Miss Janice Winslet of the Gouldbusk Community. She is the daughter of Mr. and Mrs. S. C. Winslet.

B. J. Gist, state director of district 7, presented Miss Joan Gardner a \$250 scholarship to the college of her choice for her accomplishments during the eight years she has been a member of Coleman County 4-H clubs. She is a graduate of Coleman High School and the daughter of Mr. and Mrs. Roy Gardner.

Miss Bryan was selected sweetheart of the Kappa Psi Fraternity during her freshman year at the University of Texas.

Jr. Mountaineers To Open Season Tuesday Night

The Junior Mountaineers will open the fall season Tuesday night when they journey to Rising Star for a conference engagement with the Junior Wildcats. This will be the first time these two teams have played each other in several years.

Coach A. D. Donham said he has 12 returning lettermen from last year's team. Eleven of these boys will likely compose the starting line-up, but several of them will not play in the same positions they lettered in last year. There are about 35 boys reporting for practice from the Sixth, Seventh and Eighth Grades.

Donham estimated his team average at 130 pounds. A new conference was organized in this area after the football season last year. All the coaches contributed to a fund to purchase a trophy for the first place winner. Teams in the conference are: Santa Anna, Rising Star, May, Early, Blanket and Bangs.

Each team will play a conference schedule of five games, and the Junior Mountaineers have three other games scheduled, with Mason, Jim Ned and Goldthwaite.

Everyone is invited to support the Junior Mountaineers, as well as the Senior Mountaineers. They all need, and will appreciate your support.

Mr. and Mrs. Noble Wheat of Grand Prairie visited Saturday with Mrs. J. W. Taylor, Mrs. Mace Blanton and Mrs. Sue Walker.

Mr. and Mrs. Joe McClain of Waco are visiting Mrs. Ruby Markland.

Football Season To Get Underway Friday Night On The Local Field

A touch of fall has been in the air the past few days, and naturally with fall comes football. And the season for the Santa Anna Mountaineers will get underway Friday night on the local field when the Mountaineers play hosts to Class AA Comanche Indians.

The game will begin at 8 p. m. Admission prices will be \$1.00 for adults and 25 cents for students. Reserve seat tickets will also be on sale at the gate Friday night. The reserved seats entitle the owner to a seat near the 50-yard line of his selection, and are good admission to all the home games with the exception of the Bronco game, which was scheduled after the tickets were printed.

Although the Mountaineers will be light and inexperienced this year, they need and want your support. It will mean a lot to the boys and the new coaches.

The new coaches, R. C. Smith, Head Coach and Douglas McArthur, Assistant Coach, seem to be very well pleased with the progress the boys are making. They realize the boys do not have any experience, and the largest number of boys come from the sophomore class. Three boys coming out for practice have one letter and one boy has two letters. One year lettermen are: Don McCullough, Jimmy Blanton and Jimmy Neil, all juniors. Bryl Fellers, a senior, is the 2-year letterman.

The list of boys coming out show seven freshmen, 10 sophomores, nine juniors and five seniors.

Coach Smith said his probable starting lineup Friday night will be composed of Milton Drake at left end, J. C. Bible at left tackle, Dayton Jackson at left guard, Don Williams at center, Jimmy Blanton at right guard, Bryl Fellers at right tackle, Don McCullough at right end, Eddie Hartman at quarterback, Randy Brown at right half, Steven Voss at left half and Tink Dockery at full back.

Comanche will have Walker and Terrell at ends, Collin and Gregory at tackles, McKinzie and Johnson at guards, Loudermilk at center, Todd at quarterback, Brooks and Perkins at half backs and Gleaton at full back. The Indians have an average team weight of 164 pounds, with the line averaging 171 pounds and the backfield averaging 150 pounds. They have one 200 pound boy and a 210 pound boy at the tackle slots, and their fullback weighs in at 180 pounds.

The Mountaineers average 148 pounds for the team. The line average is 153 pounds with the backfield averaging 142 pounds.

Following is a list of boys by classification that are coming out for football. They are listed by name, position, then weight.

FRESHMEN
Tommy Stewardson E & B 150
Donnie Henderson E 135
Linvel (Tink) Dockery B 147
Pete Simmons B 130
John Dillingham G 140
Danny Wylie G 125

Mrs. Eva Conley of Temple, came Tuesday for a few days visit with friends in Santa Anna.

Mr. and Mrs. Jack Cheaney and family of Shreveport, La., will arrive Saturday for a visit with his parents, Mr. and Mrs. O. L. Cheaney.

Status of School Counselor Explained

During the 1959-60 school year and for the first time under the Texas School Foundation Program the Santa Anna schools will enjoy the services of an educational counselor. Some questions have been asked regarding this position and some misleading information has been given regarding the position. The correct information regarding this service follows:

The Counselor is in a cooperative program through the County Superintendent's Office with Mozelle, Talpa-Centennial, and Novice participating in the program with the Santa Anna Schools.

Under the school foundation program a county with a total of 40 or more classroom teacher units in all schools outside of any single school unit of more than 40 classroom teacher units may combine into a cooperative agreement for a counselor or supervisor and the state will pay the entire salary of that individual. Under this agreement the county school board employs the counselor and the salary is paid through the county superintendent's office. The money is sent to the separate school districts based proportionally on the number of classroom teacher units in each district, then this money is transferred by each of the schools to the county administration fund in order to combine salary payments in one office. This money can be used only for a properly certified supervisor or counselor, and this individual cannot be assigned to teaching duties. This individual does not replace any teacher nor can a teacher be employed in his place.

For a number of years in the past the Santa Anna Schools have participated in the cooperative program and both an itinerant teacher and a supervisor were employed. The County School Board assigned to Santa Anna Schools the itinerant teacher on full-time duty and the Santa Anna School Board employed the band director in this place. This procedure was proper for the position only. Financially this arrangement is operated exactly as does the presently used position of counselor. The services of the supervisor or counselor were not used by the county schools; therefore, the county board assigned him to the Coleman City Schools and this position has been there for several years. A decrease in classroom teacher units in the county has caused loss of the itinerant teacher unit, therefore the counselor-supervisor unit has been requested by the other county schools. The counselor position is not new in Coleman County; he is merely assigned to new locations by request of the school boards of Novice, Talpa-Centennial, Mozelle and Santa Anna. Those schools have always had priority on this service although the place was not used by them.

It is planned that the educational counselor shall work primarily with Grades 7 through 12 in the Santa Anna Schools. He will have charge of the standardized testing program, educational guidance activities which will encompass extensive vocational guidance, and will direct the use of tests which have been selected to be given under the State Testing Program in cooperation with the program established under the National Defense Education Act. As the benefits of this program are realized it is expected that the public will appreciate their value in steering the student through his school career and adapting his studies to his abilities and aptitudes. The counselor, Mr. Paul V. Pearce, now resides in Santa Anna and will work in Santa Anna Schools 9 of each 20 school days; he will work other cooperating schools during the other eleven days. He will be pleased to confer with parents on the days he is working in the local schools. His office is on the second floor of the high school building.

Vice President Of Poultry Assn.

W. B. GRIFFIN

W. B. "Bill" Griffin of Santa Anna was elected First Vice President of the Texas Poultry Improvement Association for the coming year recently. The annual meeting of the association was held in Dallas, August 18-20.

Other officers are: President, C. D. Calhoun, Tyler; 2nd Vice President, W. Ben Wilson, Clyde; Executive Secretary-Treasurer, T. A. Hensarling, Stephenville.

Attending the convention from Santa Anna were Mr. and Mrs. Griffin, Mr. and Mrs. Kenneth Bowker and Tom Stewardson. Attendance for the meeting was in excess of 600 persons.

Dr. Tryon And Family Move To California Monday

Doctor and Mrs. William Tryon and family left Santa Anna early Monday morning to make their home in the southern part of California, in a town called Montalvo. It is a short distance from Los Angeles.

Dr. Tryon was offered a position there about two weeks ago with several other doctors with whom he attended medical school. At first he decided to stay here, then when requested to give a definite answer over the weekend, he made his decision, and took the new position.

Arrangements were made for Dr. Charles Mason Henner, a former doctor here to return to Santa Anna until another doctor could be placed here. Dr. Henner arrived Sunday and relieved Dr. Tryon. Dr. Tryon and family departed early Monday morning.

Dr. Henner states he is in the process of building a new hospital and clinic near Dallas, and during the interim he was able to come here to fill this clinic until another doctor could be placed here.

Dr. Henner said the Conference of Seventh-day Adventists will place two other doctors in Santa Anna in the near future. He did not know just how long it would take for the placement of the new doctors, but he will remain in Santa Anna until at least one of the new doctors arrives, and until both arrive, if time permits.

Dr. Henner's family is living in Waco at the present time.

Co-sponsored Football Advertisement Begins This Week

On Page 6 of this newspaper you will find a large advertisement, co-sponsored by a number of local business and professional men. This is an annual advertisement. You are urged to watch this advertisement for information concerning coming football games, as to their time, place to be played and the results of each game.

We also urge you to support the ones whose names appear on the advertisement as sponsors. They are interested in the school and athletic events connected with the school.

ANOTHER BIG PEAR

Mrs. Hattie McKown, who lives in the old Gregg home in the southeast part of town, presented your editor with a nice large pear Wednesday morning. The pear weighed 13 ounces and measured 7 1/4 inches around. She said the tree produced about 2 bushels of pears.

Mrs. Ira Hudler of Monahans is visiting her mother, Mrs. M. D. Eubank and Mrs. Mildred Galloway.

415 Students Registered In Both Schools

A total of 415 students had registered in the Santa Anna School, Wednesday morning. Of this number 230 were registered in the elementary school and 135 in the high school. Elementary school registration is about the same as it was at the beginning of last year, and is 25 short of what the registration was at the close of school.

In the high school registration at the beginning of school was 149 students, but had dropped to 135 at the end of school. The registration this year is the same number that was registered at the close of school.

There is a number of school age children in the Santa Anna School district that have not registered as yet. Just what their intentions are is not known.

Registration by classes is as follows: First Grade, 35; Second Grade, 30; Third Grade, 31; Fourth Grade, 31; Fifth Grade, 39; Sixth Grade, 30; Seventh Grade, 37; and Eighth Grade, 47.

Registration by classes in the high school by classes is: Seniors, 25; Juniors, 36; Sophomores, 37; and Freshmen, 37.

Monday To Be Local Holiday

Monday, September 7, will be observed as a holiday by all the local merchants and the Santa Anna Schools. The holiday will be in observance of Labor Day.

This is one of six days during the year picked by Santa Anna merchants to observe as a holiday. A check with most merchants on Monday indicates all the local business establishments will remain closed all day.

You are urged to keep this in mind, and make preparations for the day.

Lions Soap Sale Set For Thursday

The Lions Club soap sale will be held Thursday afternoon of this week. The sale is scheduled to get underway about 4:00 p. m. and will continue on through the evening until every house in town has been canvassed.

A good quality soap, there are 6 bath size bars packed to a box and will sell for \$1.00 each. The soap will make an ideal gift, and is excellent for household use.

Everyone is urged to purchase as many boxes as you might need in the near future. All the profits from the sale will go into the Lions Club Activity Fund, and will be used on some of the worthy projects sponsored by the club.

Happy Birthday

"Happy Birthday" to all who have birthdays during the next week. Below are listed the birthdays we have this week.

- SEPTEMBER 4
J. Hays Dixon
- SEPTEMBER 5
Mrs. Wilma Welch
Mrs. Elmer Hardy
Linda Robinett
Karol Pittard
Mrs. Ann Kulp
- SEPTEMBER 6
Leanna Pollock
Joe Harvey
Mrs. Floyd Morris
- SEPTEMBER 7
W. B. "Bill" Griffin
Randell Dean Pricer
- SEPTEMBER 8
Vernon Penny
- SEPTEMBER 9
Mrs. H. L. Todd, Snyder
- SEPTEMBER 10
Mrs. Earl Irick, Sr.
Mrs. Christene Smith

Would you like for your name to be published on your birthday? If so, please be sure to let us know when it is. Next week we will publish names of those having birthdays between September 11th and September 17th.

Cleveland News

By MRS. MANLEY F. BLANTON

Visiting recently with Mr. and Mrs. John Howard and Mrs. Jewell Powers were Mrs. Myrtle Small and Mr. and Mrs. Buddy Small of Witchita Falls. They visited in our home on Wednesday.

Mr. and Mrs. Frank Cox and children of Plainview spent Saturday night with Mr. and Mrs. Elmer Cupps. Sunday they visited in Brownwood with relatives.

Mrs. Sue Walker and Mrs. Mace Blanton of Santa Anna visited with Mr. and Mrs. Manley Blanton Friday evening.

Mr. and Mrs. Kenneth Sikes announce the arrival of a new baby boy. They are spending a few days with Mr. and Mrs. Charlie Fleming.

Mr. and Mrs. R. V. Cupps have a new baby boy. He was born in a Brownwood hospital. All are doing fine.

Mr. and Mrs. Clarence Wise and daughter of Santa Anna attended church at Cleveland Sunday.

Mr. and Mrs. J. D. Howard and daughter have been visiting with Mr. and Mrs. Howard. Saturday Mr. and Mrs. Tom Howard and children of Lometa visited in the Howard home.

Mr. and Mrs. Elmer Cupps were bedtime visitors Saturday night with Mr. and Mrs. Charlie Fleming.

Mr. and Mrs. John Howard spent the past weekend in Fort Worth with Mr. and Mrs. Joe Marrow.

Mrs. C. T. Moore visited Friday with Mrs. Tommie Jamison in Coleman.

Visiting Sunday with Mrs. Jewell Powers were Mr. and Mrs. Elgene Gilliam and children of Coleman, Mr. and Mrs. Vernon Peny, Patsy and baby, and Mr. and Mrs. Sammie Joe Powers.

Mr. and Mrs. Teddy Clifton and sons of Andrews and Mr. and Mrs. Harold Clifton of Mc-

amey spent the weekend with their mother, Mrs. Jewell Clifton. Patsy Clifton, who has been working in Andrews for some time, came home to enter school on Monday.

Mr. and Mrs. John Howard visited Sunday in Santa Anna with Mr. and Mrs. Jess Howard. Hill Blanton of Owen visited in our home on Thursday.

Mr. and Mrs. Roy Henderson and daughters recently visited with Mr. and Mrs. John Howard.

Mr. and Mrs. Lonnie Woodard of Pecos came by Monday. They had been visiting their daughter in Waco.

Shields News

By Mrs. E. S. Jones

Mr. Richard Dillingham went to San Antonio, Monday to resume his work as Science teacher in Harlandale school where he has taught the past three years.

Mr. Edgar Shelton had surgery in the Coleman Hospital Saturday morning and is doing alright.

Julie Milligan of Gainville is spending the week with her grandparents, Mr. and Mrs. D. S. Milligan.

The human heart rests about eight-tenths of a second between each contraction.

Jack Dempsey held the heavyweight boxing crown for seven years.

About Your HEALTH

A weekly public service feature from the Texas State Department of Health.

The most widely anticipated hour on Texas' sporting calendar arrived last Tuesday precisely at high noon. It marked the opening of the fall hunting season.

Before it ends in mid-January, an estimated 400,000 hopeful hunters — including young and old of both sexes, skilled and unskilled — will have taken to field in eager expectation.

Wily mourning doves are targets of a thousand guns by virtue of a 50-day north zone season that begins September 1. The south zone opens October 1.

Duck season runs from November 13 to January 1. For deer and turkey it begins November 16 and lasts until December 31, with date variations depending on county law. Quail shooting becomes legal December 1 until January 16.

It's a satisfying time, with man in quiet communion with a bountiful nature. But all too often an ominous note creeps into the happy symphony.

Thirty-seven hunting enthusiasts ranging in age from 12 to 65 won't be going out this year. And for the very best reasons: They're dead...killed by their own hand or by others during last year's season.

Four hunters killed themselves in attempting to clean or repair loaded guns. Six others virtually committed suicide by crawling through fences with gun in hand.

In other deaths the victims were mistaken for game, or made errors in judgment while unloading guns, or stalking game or otherwise mishandling weapons.

A 12-year old lad, a novice deer hunter, was killed instantly when his dotting father—carrying a "ready" rifle—tripped over a log and accidentally discharged the weapon.

And in another incident the situation was almost exactly reversed. A boy tripped on a wooded trail. His father was felled with a bullet in his back.

Be smart this year and follow these basic rules of gun safety:

Never mix fire water with fire power, and never point a gun at anything you don't intend to shoot. Remember that only a knucklehead would pull

a gun through a fence. The safe way is to put it over first, making sure it is standing steady before you climb through.

Keep the safety catch ON until you get ready to shoot, and be positive you actually see what you're shooting at.

Remember, too, that guns are death traps for curious children. Unload yours before you get home.

New Pay Scale For Patrolmen Begins

Austin — The Texas Department of Public Safety announced today a higher pay scale for DPS patrolmen will go into effect September 1.

Col. Homer Garrison, Jr., Director, said the pay of beginning patrolmen will be increased from the present \$300 per month to \$325 during the time they are in training at the Department's Law Enforcement Academy at Austin. It will be raised to \$350 per month during their period of on-the-job training in the field.

Upon completion of the full training period, patrolmen's pay will range between \$365 and \$388 per month, depending upon their assignment.

Garrison said the pay raise was made possible as a result of an increased appropriation made available for this purpose by the recently-adjourned Texas Legislature.

At the same time, he announced that men between the ages of 21 and 35 interested in becoming patrolmen should have their applications filed by the deadline of September 7.

He said competitive examinations will be given over the state September 15, 16 and 17 to fill approximately 80 vacancies in the Department's four uniformed services — the Highway Patrol, License and Weight, Drivers License and Motor Vehicle Inspection.

"This is an opportunity for

qualified young men to become a part of one of the most respected organizations of its kind in the Nation, and at the same time occupy an essential position in our society," Garrison added.

Qualifications call for a high school education or the equivalent, sound physical condition, height not under five feet, eight

inches nor over six feet, four inches, and weight not less than two nor more than three pounds per inch of height. Among the benefits enjoyed by DPS patrolmen are training with pay, job security, advancement opportunities, vacations with pay and a retirement system. Uniforms and job equipment are furnished.

Issued and given under my hand and the seal of said court at Coleman, Texas, this 13th day of August, A. D. 1959.

Attest: G. A. Hensley, Clerk, District Court, Coleman County, Texas.

THE STATE OF TEXAS COUNTY OF COLEMAN SHERIFF'S SALE

WHEREAS, on the 6th day of August, 1959, in Cause No. 8335-B, in the District Court of Coleman County, Texas, wherein in City of Santa Anna, County of Coleman, State of Texas and Santa Anna Independent School District were Plaintiff, Impleaded Party Defendants, recovered judgment against Dan F. Wristen, Defendant, for taxes, penalty, interest and cost against the hereinafter described property, and for foreclosure of the Plaintiff City of Santa Anna paying lien for \$694.00.

WHEREAS, on the 6th day of August, 1959, by virtue of said judgments and the mandates thereof the Clerk of the above mentioned District Court of said county did cause to be issued an Order of Sale commanding me as Sheriff of said county to seize, levy upon, and sell in the manner and form as required by law the hereinafter described property:

WHEREAS, by virtue of said judgment and said Order of Sale and the mandates thereof I did on the 12th day of August, 1959, seize and levy upon as the property of the above defendant the following described property, situated in Coleman County, Texas, to-wit:

(Said description showing the number of acres, original survey, locality in county, and name by which said property is most generally known.)

FIRST TRACT: BEGINNING at the N. W. corner of Block 1, G. C. & S. F. Addition to the Town of Santa Anna in Coleman County, Texas; THENCE East 220 ft.; THENCE South 159 feet; THENCE West 220 ft.; THENCE North 159 ft. to the place of beginning.

SECOND TRACT: BEGINNING 159 feet S. of the N. E. corner Block 1, G. C. & S. F. Addition to the Town of Santa Anna in Coleman County, Texas; THENCE South 65 feet; THENCE West 73 feet; THENCE North 65 feet; THENCE East 73 feet to the place of beginning.

And I will on the first Tuesday in the month of October, 1959, the same being the 6th day of said month, proceed to sell all the right, title, and interest of the Defendant in and to said property at the Court House door of said county in the city

New Vehicle Safety Inspection Stickers Now Available

Austin - The Texas Department of Public Safety announced the new 1960 motor vehicle inspection stickers are available to Texas motorists beginning Tuesday, September 1.

Col. Homer Garrison, Jr., Director, recommended that Texas have their vehicles inspected early in the new inspection period which extends from September 1 to April 15, 1960.

"In the vast majority of cases," Garrison said, "this program has become a very minor inconvenience and expense to the motor vehicle owner - provided he moves early to comply with the law."

Contract Let For Rebuilding Coleman To Burkett Road

A contract for 15.2 miles of construction on State Highway 206 in Coleman County has been awarded to a Fort Worth firm.

W. O. Pophrey - Farguhar, has submitted the low bid of \$775,352 on the project. Construction of grading, structures, flexible bases and two-course surface treatment from 0.3 mile northeast of U. S. Highway 84 to 0.6 mile northeast of Burkett is expected to take 400 working days, according to Robert J. Milligan, District Highway Engineer at Brownwood.

Erle C. Mayo, Resident Engineer of Coleman will be in active charge of the project while it is under construction.

Wool Producers To Vote In September

College Station - Sheep producers will have the opportunity to vote in September in a nation-wide referendum on the question of continuing to finance a market development program for wool and lambs.

The program of advertising, promotion and related activities is carried out under an agreement with the American Sheep Producers Council, he says. It is financed by deductions from wool incentive payments earned by growers under the national wool program.

The agreement has been in effect since the 1955 marketing year, and if approved in the September referendum, will be continued for another three years. Favorable vote of producers having two-thirds of the volume of production represented in the referendum is required for approval, states Wooten.

Under the new agreement, deductions may not exceed the rates that have been in effect under the original agreement of 1 cent per pound for shorn wool and five cents per hundredweight for lambs.

To make it as easy as possible for all growers to participate, the referendum will extend over the entire month of September. Wooten said ballots will be mailed to producers from the county ASC office before September 1 and may be voted and returned through September 30.

The referendum relates only to the wool and lamb market development program. The economist added that it will not affect the continuation of the payment program under the three-year extension of the wool act last summer.

Mr. and Mrs. Floyd Herring brought their daughter, Janice, by and they visited awhile Monday morning with Mrs. A. L. Oder. Janice was being taken to Lubbock to enroll at Texas Tech. Mr. Herring planned to visit with his mother, near Lubbock.

or town of Coleman between the hours of 10:00 a. m. and 4:00 p. m. to the highest bidder for cash, provided, however, that none of said property shall be sold to the owner of said property directly or indirectly or to anyone having an interest therein or to any party other than a taxing unit which is a party to this suit for less than the amount of the adjudged value of said property or the aggregate amount of judgments against said property in said suit, which ever is lower, subject also to the right of the Defendant to redeem same in the time and manner provided by law and subject also to the right of the Defendant to have said property divided and sold in less divisions than the whole.

DATED at Coleman, Texas, this 12th day of August, 1959.

Humble To Furnish Radio/TV Coverage Of S. W. C. Football

The most comprehensive coverage of football ever attempted in the Southwest will be broadcast and telecast this season by Humble Oil & Refining Co.

The Humble coverage includes live telecasting of a major college football game each Saturday afternoon, 89 radio broadcasts and 11 telecasts of videotape recordings of Southwest Conference games.

Humble will co-sponsor the National Broadcasting Company's live telecasts of football games as permitted by the NCAA, and will sponsor three live telecasts of Southwest Conference games, a total of 13. All games played by seven Southwest Conference members, Texas Western University, the University of New Mexico, Arizona State University and the University of Arizona will be broadcast over the radio.

Announcers and broadcast supervisors will travel thousands of miles to the site of each game to bring the on-the-scene descriptions. One announcer will even travel to Honolulu where he will describe the University of Hawaii-Arizona State University game to fans some 3,000 miles away in the Grand Canyon State.

More than 180 radio and TV stations will be used to cover over a hundred urban and rural areas in cities and towns in the Southwest. The leased lines, coaxial cable, microwave and overseas broadcasting systems required would be enough to stretch two-thirds of the way to the moon.

To originate football broadcasts, Humble has a staff of 23 topnotch announcers, many with years of experience. Kern Tips of Houston, head of the staff, has been describing games for 24 years; Ves Box and Eddie Barker of Dallas and Dave Russell of Beaumont have been on the circuit more than 10 years. These announcers are thoroughly trained to give good accounts of the games. Each year they attend a seminar conducted by Tips and a Southwest Conference football coach. At the seminar they discuss new rule changes and all types of play likely to be seen during the

Farm or Ranch Capital Should Give Fair Return

College Station - How is your farm and ranch business doing? Here are some ideas from Tom E. Prater, extension farm management specialist, which may help you determine where you stand.

Recent research indicates that one item often overlooked by farmers and ranchers is the allocation of a charge for the money tied up in capital investment. Prater says you should consider the fact that money is worth money and that capital investment in your farm or ranch operation should be earning you as fair a return as a person owning property or an investor, and that you should make a fair charge for the capital.

One way to determine this is to charge interest on the money tied up in your operation and compare it with the interest return you would receive from United States Savings Bonds, stocks, other bonds or other business opportunities. Consideration should also be given the risk factor.

Another way to figure interest in land investments is to charge a fair rental price to yourself for using your land. Prater adds that these charges will give you a guide for determining whether or not you are getting the most for your money.

Amendment Permits Veterans To Continue Higher Education

Schools, colleges, and universities throughout the Waco Regional Area have been advised of a recent amendment to the Korean Education Program, stated Wm. S. Bryant, Acting Manager of the Veterans Administration Regional Office in Waco.

The amendment permits veterans to continue their training in a second phase of a program when the first phase is prerequisite to or generally required before entrance into the second phase. This may be done without the veteran being charged with a change of program which in the past has prevented some from undertaking a second or advanced phase of training under the GI bill. Veterans who have previously been denied training under these circumstances may reapply if further training is desired.

Additional information can be obtained at any VA office. Contact representatives are at the following locations: Brownwood, 207 Brown Street and Waco, 121 South 6th Street.

Generals Lee and Grant fought on the same side in the Mexican war.

upcoming season. Incidentally, these announcers "talk a lot of words" about football. Alec Chesser of Houston, Tips' color announcer for a number of years, once did some figuring. He estimated that Tips speaks some 264,000 words about football over the air each season.

What do listeners think about the football coverage? One year Humble asked for an opinion. Cards and letters poured in by the thousands to give a resounding endorsement.

In fact, a recent survey showed that on a busy football weekend, well over 1.5 million people tune in to the radio or television broadcasts. This same survey says that most men will tell you that they listen to at least one or two games a season, and that about 40 percent listen on at least half of the Saturdays.

When the season starts September 19, football fans in the Southwest know - if they can't go to the games - Humble will bring the games to them!

Dr. Moore Tells Church Women About Flying Saucers

Dr. Ben H. Moore was the principal speaker when the Santa Anna Council of Church Women met at the First Christian Church, Monday afternoon. Dr. Moore told of attending a Space Ship Convention recently in Los Angeles, Calif. The meeting was largely attended. It was reported to The News that the minister told of flying saucers coming to our country, and that he had seen people from other planets. Civilization is very much advanced on some other planets, according to the report.

The talk was very interesting and very thought provoking. After the talk the speaker was asked many questions concerning the topic.

The meeting opened with Mrs. P. V. Pearce, a new member of the church at the piano. After the opening song, Mrs. A. L. Oder offered prayer. Mrs. Preston Bailey led the devotional. White flowers decorated the pulpit and lectern.

Dr. Moore was introduced by Mrs. L. O. Garrett, president of the Council. The business meeting was dispensed for this meeting.

After the talk, the meeting adjourned to the church annex where refreshments of sherbet, punch, white cake squares with green decorations, and matching minis were served.

The annex was decorated with large zinnias.

Nitia Daniell Circle Regular Meeting

The Nitia Daniell Circle of the First Methodist Church met in regular session Tuesday, Sept. 1, at 7:30 p. m. in the Community Room of the Santa Anna National Bank. Mrs. Hettie Scarborough and Mrs. Eva Nell Bengue were co-hostesses.

The meeting was opened with a prayer by the president, Mrs. Mildred Galloway. Mrs. Avis Hays gave the devotional. A dramatic dialogue, "Alive in Such an Age" was presented by Mrs. Martha Thompson and Mrs. Lucille Dean.

During the business meeting a new project was discussed and adopted.

Delicious refreshments of home-made ice cream and German chocolate cake were served by the hostesses to those mentioned and Mrs. Wilma Welch, Frances Elliott, Lillian Herndon and Miss Pauline Eubank.

BOBBY RANSBERGER MARRIES

Mr. and Mrs. Tom Rushing received word last week from a son, Bobby Ransberger, that he and Miss Sharon Guptill of Oregon, were married August 8 at Reno, Nevada.

Bobby is in the Navy and was stationed at Pearl Harbor for 22 months. He is now stationed at San Diego, Calif.

Children are a great deal more apt to follow your lead than the way you point.

Parkers Honored On 49th Anniversary

Mr. and Mrs. S. S. Winger, formerly of Pennsylvania, entertained Mr. and Mrs. Bill Parker on their 49th wedding anniversary with an informal gathering in the Coleman City Park, August 26.

Mr. and Mrs. Parker were married in Clovis, N. M. in 1910. Mr. Parker has been a resident of Santa Anna since birth.

There were 14 invited guests. Out of town visitors were Mrs. Laura Williamson of Fort Worth, Mr. and Mrs. Dock Moredock and two grandchildren of Houston.

The Parkers received several nice gifts and everyone wished them many more years of happy married life.

GRANDDAUGHTER OF MRS. ALEXANDER TO MARRY

Invitations have been received here to attend a wedding in Amarillo Friday night, Sept. 4. Miss Janice Whitley, a granddaughter of Mrs. Della Alexander, will exchange vows with Mr. Jimmy Meeks.

The bride-to-be is a former resident of Santa Anna and is a student nurse in an Amarillo hospital. She has one year of training.

The groom-to-be is a graduate of Amarillo High School.

The wedding and reception will be held in the Summit Baptist Church in Amarillo.

ROCKWOOD WMS REGULAR MEETING

Christian witnessing was the topic of the Mission Study when the Woman's Missionary Society met at the Rockwood Baptist Church, Monday afternoon for a study program. Mrs. Lon Gray gave the opening prayer.

Members present were Mrs. Matt Estes, Mrs. Junior Brusenhan, Mrs. L. L. Bryan, Mrs. Lawrence Brusenhan, Mrs. B. E. Bryan, Mrs. Lon Gray, Mrs. A. L. King, Mrs. Ray Caldwell, Mrs. Goldie Milberger and Mrs. Henry Smith.

SURPRISE PARTY FOR F. A. PARSONS

Mr. and Mrs. F. A. Parsons were honored Thursday evening of last week with a surprise ice cream party. Twenty-three members of the family were present to enjoy the evening.

Ice cream, cookies, and cup cakes were served to: Mr. and Mrs. Parsons, Mr. and Mrs. Doyle Wright and children and Mr. and Mrs. Nevy Parsons, all of Santa Anna; Mrs. Alfred Lappe and boys, Mr. and Mrs. Newell Parsons and boys, and Mr. and Mrs. Norrell Parsons and children, all of Brownwood.

Mr. and Mrs. Preston Richardson, Judy and Donna, of Temple, visited her grandmother, Mrs. Ann Kulp, Monday and helped to observe her birthday.

Mr. and Mrs. Edward Roesch of Henrietta have returned home after spending their vacation with her mother, Mrs. J. W. Taylor.

Today's MEDITATION from The World's Most Widely Used Devotional Guide

The Upper Room

THE UPPER ROOM, NASHVILLE, TENNESSEE

Read Luke 12:6-12.

"Therefore do not be anxious about tomorrow, for tomorrow will be anxious for itself. Let the day's own trouble be sufficient for the day." (Matthew 6:34. RSV.)

It is my belief that sometimes we face experiences when we are literally forced to turn faith.

I can recall sitting in a hospital corridor when my child was hospitalized. I kept repeating to myself words from Joshua Liebman's book PEACE OF MIND. He said, "When we grow afraid of life and death, let us know that we can never travel beyond the arms of the Divine."

I realized then that I was entrusting my loved one not only to the care of conscientious doctors and nurses, but also to the care of God. As I sat waiting, I thought how tragic indeed must be the terror of a worried mother who knows not Christ.

"You have launched the ship. Now all you can do is pray for good sailing." Such is the advice an old doctor gives to parents when their children must leave the security of home.

How desolate must parents be if they have not learned to pray! Those who entrust themselves and their loved ones to Christ will not fail in life's tests. They are sustained by faith in God's care and guidance.

PRAYER:

O God, grant us grace to put our whole trust in Thee. Help us to learn from the lilies of the field and the birds of the air the Saviour's lesson in faith. In His blessed name we pray. Amen.

THOUGHT FOR THE DAY

Today I will entrust my life to Christ and claim the release He gives from fear.

— Irene Craig Neil (Canada)

Miss Blanche Boyd returned recently from Silver City, N. M., and San Diego, Calif., where she visited friends. She accompanied a former Santa Anna resident whose father, T. E. Campbell, was once editor of The Santa Anna News. Mrs. Effie Livelar of Mississippi.

Guests with Mrs. Frances Everett on Sunday were all her brothers and sisters: Mrs. J. E. Bolton of Brownwood; Mr. Lewis Evans and wife and Mr. and Mrs. Everett Lee of San Angelo; Mr. and Mrs. Bill Burden and daughters, a nephew, of Lubbock; Mr. and Mrs. George Stewardson and Jean, Mr. and Mrs. Bert Howington and Mr. and Mrs. Charles Evans, all of Santa Anna.

Mr. and Mrs. R. C. Perry and her father, Telle Allison, returned home Friday from Bristol, Pa., where they visited the Perry's daughter, Fleda. Mrs. John Asta and Mr. Asta. They made trips to New York City and spent three days at Seaside, New Jersey, a summer resort on the coast. They crossed the Delaware where Washington did and saw the burial ground of his soldiers.

Mr. and Mrs. Jinks Aldridge and son, Vaden, returned to their home in Kermit, Tuesday, after several days visiting with his parents, Mr. and Mrs. Warren Aldridge and with her parents, Mr. and Mrs. Elze in Belton.

Visitors Sunday with Mrs. Kate Holmes were Rev. and Mrs. D. C. Jones and children, Rickey and Dianan of Burkett. Rev. Jones is the new pastor of the Assembly of God Church. Other visitors were Mr. and Mrs. Cecil King and girls of Brownwood and Mr. and Mrs. Jack Powers of Midland. Mrs. Powers is a sister of Mrs. Holmes. The group visited Mr. and Mrs. A. L. Hill and Mrs. Sarah Powers.

Nester DeLeon, Sam Collier and Tom Todd were in Federal Court in San Angelo on Tuesday.

Mr. and Mrs. Archie Dean Hunter and family of Dallas, Harper Hunter of Midland, Mr. and Mrs. David Hunter and family of Abilene, were weekend guests with their mother, Mrs. Ora Hunter.

Mr. and Mrs. Bill Burden and daughters, Jennie and Linda Kay, of Lubbock, spent the weekend with his parents, Mr. and Mrs. Homer Burden.

Man who is willing to make the best of it, seldom gets the worst of it.

Contract Let On Farm Road South From Valera

A contract for 0.7 miles of construction on FM Road 566 in Coleman County has been awarded to a Abilene firm. It was announced in Austin this week by the State Highway Commission.

T. M. Jr. and Don Brown submitted the low bid of \$40,893 on the project. Construction of grading, structures, base and surfacing from U. S. Highway 67 in Valera, south across Home Creek, to a junction with present pavement is expected to take 100 working days, according to Robert J. Milligan, District Highway Engineer at Brownwood.

Erle C. Mayo, Resident Engineer at Coleman will be in active charge of the project while it is under construction.

PORK HEADS USDA'S SEPTEMBER LIST OF PLENTIFUL FOODS

College Station — Pork stands out among foods expected to be plentiful at Texas markets in September.

The spring pig crop was 12 percent larger than a year ago and heavy fall marketings probably will start earlier than usual this year. Pork prices are expected to be lower.

That's the report from the Agricultural Marketing Service, Dallas, the branch of the U. S. Department of Agriculture that determines each month which foods are in greater-than-normal supply.

A vast array of fresh fruits and late-summer vegetables, many from Texas farms, also are listed as plentiful foods this month. Pears, grapes, lemons and limes and onions deserve special mention. Pear production is expected to run 10 percent more than average; grapes, 13 percent more than average.

Small, consumer-size turkeys should be abundant throughout the state. Peanut butter and milk complete the September list.

Shoppers usually can reduce the money spent for groceries by serving plentiful, in-season foods often. County home demonstration agents can give additional information on the day-to-day availability of locally grown produce.

William Tell was a Swiss patriot who lived in the 14th century.

Norway, Sweden, Denmark and Iceland comprise the Scandinavian countries.

French is the official diplomatic language of the world.

One quintillion is written 1,000,000,000,000,000.

Mrs. Hardy Glascock of Cisco, Mrs. Evelyn Vanderford of Lueders, and Miss Jewell Haynie of Truscott, were dinner guests in the W. E. Vanderford home on Wednesday. Mrs. Glascock visited in the afternoon with Mrs. John Lowe.

Mr. and Mrs. T. A. Mills and Mrs. W. C. Spencer of Abilene spent the weekend in Rock-springs with Mr. and Mrs. John R. Banjster.

Mrs. O. C. Moss, niece of Mrs. Charles Greer of Fort Stockton, came recently and they visited in Big Sandy with a sister of Mrs. Moss and with friends in Shreveport, La.

YOUR EYES and VISION
By A. L. SPERRY, O.D.
Director Public Education
Texas Optometric Association

Safety Lenses Can Save Child's Eye

In past columns we have discussed many aspects of children's vision, its care and correction. Let us take just a little time to discuss the usual glasses themselves—the frequent product of all the eye doctor's calculating, and especially the MOST IMPORTANT part of the prescription: the lens.

Any pair of children's glasses should have SAFETY LENSES. These can be of either excellent opthalmic plastic lenses now available, or safety hardened glass lenses. These are not as thick and heavy as industrial type safety lenses, but will withstand very hard impact and treatment. Every organization and authority having to do with public safety will stress the value of this feature.

Just in the past year we know of two of our own child patients who have had eyes saved by this type of lens from either complete destruction or serious damage. One was shot in the eye with a rock from a companion's slingshot. Another struck in the eye with a hard hit baseball. Neither suffered any eye damage thanks to the foresight of wise parents who approved the small extra initial cost of these lenses and later thanked their stars they had.

We can all be happy that the old round gold rim frames and round flesh colored plastic frames of some years back have largely disappeared. Frames for the kids are now "just like Daddy's and Momma's". In some cases, I think, too much like Daddy's and Momma's. Some construction features undesirable on adult frames are undesirable on children's frames. More about this a little later.

An infinite variety of colors

and shapes exist to flatter every shining little nose and sweet Mom's approval. Some little boys' frames even have tie clasps, or metallic colored plastic and designed for Sunday and dress-up occasions. There are "little girls' frames with matching hair berets or charming bows. All these little extra touches go far toward protecting the child from early eye trouble. An aviator or a "sport" style device may need to be basic from the appearance of a suitable child's frame should be of the sturdy all plastic construction. Parents will usually agree that the kids are just normally harder on their wearing "apparatus" than adults. We do not advise frames with adjustable nose pads for children because the little gold arms to which the nose pads are attached usually get squashed within a few days and the lenses thus droop into an abnormal position changing the effect of the lenses. Also all the weight of the glasses rests just on these small pads and on young, soft-boned noses this is not good practice. Much better to have the "saddle bridge" type nose piece available on most solid plastic frames.

The temples (earpieces) should be thick plastic at the hinge where most breakage occurs and taper back to a hook AROUND the back of the ear (called a "riding bow" temple), not just the slight angle down (skull type) temple found on most adult frames.

Even with the best and sturdiest frames expect to take the child in frequently for adjusting and minor repairs because "kids will be kids."

WASHINGTON AND SMALL BUSINESS

Some in Washington predict there will always be, from now on out, several million unemployed in the United States.

And unless government policies are changed, this seems like a very safe prediction.

On one hand government keeps driving taxes up, setting new minimum wage scales, and on the other hand, it is permitting cheap labor goods to flood into the nation and even subsidizing the food bill of those lands that are doing the flooding.

For example, recently the U. S. government sold the Japanese government, from surplus stores bought at the taxpayers expense, over 11 million pounds of dry skim milk at a price of 3 1/2¢ per pound. The average price of this product to the American housewife is around the 40 cent mark.

In the meantime, with wages rates running as low as 7 cents per hour, the Japanese taking advantage of constant U. S. protective tariff slashes, are really making hay.

It is estimated that a third of all the nails now used in this country come from Japan. On the West Coast, domestic pipe manufacturers are practically forced out of business due to lower Japanese imports of gas and water piping.

Last year over 10 million pounds of Japanese made brass goods were shipped into this country. In fact, there is hardly an American industry that is not being damaged by flood of Jap products made with cheap labor.

In addition, just recently the government gave the big Jap auto trust a \$42 million contract for trucks and spare parts. Taxpayers in Detroit will undoubtedly cheer that the news that a part of their taxes are going to support a foreign competitor with U. S. government orders.

And that's not all. Last year, Japan received from the American give away dollars about a million and a half every month on the basis they need economic assistance.

In addition, Japan can buy U. S. wheat and flour for a far lower price than the American consumer can buy it.

Perhaps the big Japanese cartel operators thank their lucky stars that their nation never succeeded in invading America, because they are probably getting more out of the U. S. the way things are now.

When everything is added up . . . free gifts, foodstuffs at far less than the cost of production, plus entry into the U. S. market on an almost unlimited basis, the Nipponese are really making quite a haul.

And it is also easy to see why the Japanese cartelist can pay such very low wages. With this country giving his free, or practically free food, why should he worry about rising living costs of his workers?

There appears to be something extremely silly in all this. But it seems impossible in Washington to find anyone who can give a logical reason for all this.

The standard reply now of a bureaucrat when confronted for an explanation of a situation such as this is a mere statement, "This conforms to American policy." Of course, no one knows what is meant by the policy.

Rockwood News

By MRS. JOHN C. HUNTER

Congratulations to Pat Bryan who was chosen Coleman Farm Bureau Queen, Thursday night. F. E. McCreary was admitted to the Brady Hospital, Sunday afternoon.

Mrs. A. N. McSwane was dismissed Friday from the M. D. Anderson Hospital in Houston. She went to the home of her daughter, Mrs. Dan Mills, in Lockhart. Mr. and Mrs. Jack McSwane went for her Saturday and returned home Sunday.

Mr. and Mrs. T. E. Horton of Austin spent the weekend with Mr. and Mrs. Johnny Steward. They brought Johnny Wayne and Denise to meet their parents, the Olin Hortons of Midland.

Mr. and Mrs. W. C. McMillan of Brady visited the Carl Buttrys Sunday afternoon. Mr. and Mrs. Blütry visited Mrs. Roy Blackwell Sunday evening.

Mr. and Mrs. Tom Bryan visited last Wednesday and Thursday in San Angelo with the E. D. Black family. Elaine came home with them for a visit before school.

Earl Maness of Mission, Kan., spent Monday to Thursday with Mr. and Mrs. Uless Maness. All of them visited Wednesday in Brownwood with Mrs. Ara Ripley and Mr. and Mrs. Billy Maness, who have recently moved into their new home.

Mrs. Era Blackwell visited Monday night with her father, George Ryan, at Santa Anna. A brother, Nelson Ryan of Graham, was also a guest.

Lowell Maxey of Abilene spent Friday night with Mr. and Mrs. John Hunter.

Mr. and Mrs. Harold Straughan and Bettie went to McCampy Saturday where he will be employed during ginning season.

Mrs. J. A. Hunter and Don were Thursday to Sunday guests with Mr. and Mrs. Tony Glass and children in Austin.

Mr. and Mrs. Robert Burson of McGregor visited Monday to Tuesday in the Drury Estes home. Other recent guests were Mr. and Mrs. Dee Maukin

and Gaylon of Coleman, Mrs. Ray Caldwell, Mrs. Kate McIlvain and Mrs. Lawrence Brusenan.

Bruce Estes of Rockwall spent the weekend with the Lefell Estes family. Other guests during the week were Mrs. Cecil Day and children of Coleman, Mrs. Coy Day of San Angelo, Mr. and Mrs. Alec Connor and Bill of Rising Star, Mr. and Mrs. Gene Boatright and family of San Antonio, Mr. and Mrs. Orville Slate of Gouldbusk and Mr. and Mrs. James Estes and girls.

Last week from Sunday to Tuesday, Mr. and Mrs. C. W. Hunter of Shamrock were the guests of Mr. and Mrs. Curtis Bryan and Leann. Mrs. Charles Hunter, Rocky and Tim of Coleman were Friday guests. Mr. and Mrs. Carl James, Randy, Charles and Lynn of Abilene visited Friday night and Saturday.

Mr. and Mrs. Wayne Bray, Frankie and Debbie of Waldrip, and the Curtis Bryans spent Sunday with Mr. and Mrs. Frank Bryan.

Mrs. Kate McIlvain spent Sunday night with Mrs. Roy Blackwell.

Glenn Blackwell and Ray Steward of Terminal were weekend business visitors.

Mr. and Mrs. Jack Bostick, Mrs. E. C. Simon and Mrs. J. C. Ferguson of Coleman visited Sunday afternoon with Mr. and Mrs. Uless Maness and Mr. and Mrs. Drury Estes.

Mr. and Mrs. Lonzo Moore of Brady and Mr. and Mrs. Charlie Moore of Coleman visited Sunday afternoon with Mr. and Mrs. Hyatt Moore.

Mr. and Mrs. Tony Rehm and family accompanied Bobbie to Fort Worth and spent the weekend with Mr. and Mrs. John Henry Rutherford and Mr. and Mrs. Earl McGee. Bobbie will teach in the Fort Worth public school system.

Mr. and Mrs. Clyde Box and Jan Breedlove of San Angelo and Cadet Don Box of Colorado Springs, Colo., visited last Wednesday with Miss Linnie Box.

Mr. and Mrs. Bill Mueller and children of Houston came Saturday to visit Mr. and Mrs. Evan Wise. Mr. and Mrs. A. N. Box of San Angelo were also

Saturday guests.

Mr. and Mrs. Dink Snyder of Early visited Friday afternoon with Mrs. J. W. Wise.

Mr. and Mrs. Elec Cooper and children and Mr. and Mrs. Junior Brusenan and girls and Stanley McSwane went to the Brady Park Sunday afternoon for an outing.

Mr. and Mrs. A. L. Sebesta and Lindy of Houston visited Monday to Friday with Mr. and Mrs. Ray Caldwell, also with Mr. and Mrs. R. L. Steward.

Mr. and Mrs. Lee McMillan were Sunday guests of the L. D. Crutcher family in Bangs.

Money Reminders For Veterans Going To School This Fall

Three "money" reminders to the half-million veterans planning to train this fall under the Korean GI Bill were issued today by the Veterans Administration.

First, veteran - students were

reminded to take along enough money of their own to tide them over their first two months of GI training. It takes that long, under the law, for veteran's first monthly GI allowance check to reach him.

VA's second reminder has to do with monthly certifications of classroom attendance. These should be signed by the veteran and a representative of his school, and sent to VA promptly after each month of training completed. Late certifications

invariably means late checks, VA said.

The third VA reminder is for veteran-students who want to get part-time jobs after school. There's no limit on the amount of money GI students may earn outside of class. In fact, they need not even report outside earnings to VA.

The only "ceiling" applies to veterans training on-the-job. In their case, if earnings rise above a certain level, GI allowances will be reduced, VA said.

and children visited Mr. and Mrs. Cecil Ellis and family Wednesday night.

Mr. Charlie Avants, Marty and Lynn spent Saturday night with Mr. and Mrs. Bruce Hibbetts.

Mr. and Mrs. Cecil Corkhan of Brownwood and Mr. and Mrs. Teddy Clifton and boys visited Mrs. Jewell Clifton over the weekend.

Jerry and Anita Ellis spent Friday and Saturday with Mr. and Mrs. J. C. Wells at Lake Buchanan.

Mr. and Mrs. John Perry visited with Mrs. Silas Wagner in her new home in Santa Anna, Sunday. Mrs. Joyce Cupps and children and Mr. and Mrs. S. C. Wagner and boys also visited over the weekend.

Mr. and Mrs. Cecil Ellis and Tammy visited Mr. and Mrs. Earl Ellis, Saturday.

Mr. and Mrs. James Perry and Brenda visited Mr. and Mrs. John Perry Sunday.

Dana Evans visited from Friday to Saturday with his grandparents, Mr. and Mrs. John Haynes.

Mrs. John Naron and baby daughter, Janera Lee and J. T. spent last week with her mother, Mrs. Dixie Cupps.

Visitors in the Cupps home during the week were Mrs. Kenneth Sikes and Rodney of Brownwood, Miss Margie Fleming, Mrs. Clark Miller, Mrs. Johnny Naron, Mr. and Mrs. Clarence Fisher and children, Mr. and Mrs. Raymond Naron and Mrs. Richardson, all of Brownwood, Mrs. Charlene Schulle and children of Coleman and Mrs. Dick Baugh and girls.

Mr. Charlie Avants, Marty and Lynn spent a few days with Mr. and Mrs. Alton Bengel last week.

QUESTIONS AND ANSWERS

Q: I am a woman who will reach 62 in September 1959. How many quarters of social security credit do I need?

A: For retirement you either need 17 quarters in all, or credit for all the quarters but four after 1954. Under the second requirement, you could be eligible with only 14 quarters.

Q: I have worked three years under social security but have become completely disabled. Can I draw disability payments?

A: No. You must have worked for 20 calendar quarters (5 years) out of the last 10 years before becoming disabled. Also, you must be at least 50 years old and under 65.

Q: When moving to another state or town, is it necessary to contact an office there in order to have social security checks mailed to the new address?

A: It is necessary to advise the Social Security Administration of the new address. Preferably, this should be done before moving to avoid interruption in receipt of checks. A postal card form for this purpose is furnished everyone who files a claim. These cards, addressed to Social Security Payment Center, can be obtained from any social security office.

Whon News

By MRS. TOM RUTHERFORD

We received a nice shower Sunday night about midnight. Lots of high wind. There was only about 4 tenths of an inch, but it was needed.

Mr. and Mrs. Babe Gardiner were visitors with Mr. and Mrs. Nick Buse and Earla, Monday afternoon.

We are sorry to report Ronnie Switzer had the misfortune of breaking his leg below the knee. Ronnie was rushed to the Memorial Hospital in Brownwood, where he stayed Tuesday night. At this writing he is reported as doing fine. But will be unable to attend school for a while. This is his first year to be in school. Ronnie is the son of Mr. and Mrs. Thomas Switzer.

Mr. and Mrs. Hilary Rutherford of Brownwood were Sunday visitors with his parents, the Tom Rutherfords.

Mr. and Mrs. Nick Buse and Earla attended the memorial service for Mr. Jesse Walker in Lamesa, Saturday afternoon.

Mr. and Mrs. Babe Gardiner were supper guests with Mr. and Mrs. Earl Cozart, Monday night.

Mrs. Rex Turney, Mark and Becky of Santa Anna spent Monday afternoon with Mr. and Mrs. Bert Turney.

Mr. and Mrs. Simms Johnson and baby daughter of Fort Worth were looking over their place here Friday and visited briefly with the Tom Rutherfords.

Mr. and Mrs. Nick Buse and Earla were supper guests Saturday night with Mr. and Mrs. Cleburne Shofner and children of Spangburg, Texas.

Mr. and Mrs. Graham Fitzpatrick and children were Sunday guests with her parents, Mr. and Mrs. Snowden of Doole.

Mrs. Gardiner received a good report from her doctor in Brady, Saturday. Having suffered a broken hip over 4 months ago, Mrs. Gardiner is now able to get around some without her crutches. Friends of Mrs. Gardiner will be very glad to hear this report, it was thought that she would never be able to walk again.

Mr. and Mrs. Nick Buse and Earla spent Saturday night with Mr. and Mrs. Oley Shofner in Lamesa, Saturday night.

Mrs. T. L. Snowden and children of Brady visited Mrs. Graham Fitzpatrick and children Thursday.

Mr. and Mrs. Earl Cozart took her daughter, Mrs. Joe Will Fowler and boys to the San Angelo airport Saturday afternoon where they boarded a Continental Air Line to their home in Kansas City, Mo., after a weeks visit here.

Mr. and Mrs. Nick Buse and Earla attended the Homecoming events at Concord Sunday.

Mrs. Dave Shields and boys spent the weekend with relatives in Cross Plains.

Mr. and Mrs. Babe Gardiner and Mr. and Mrs. Earl Cozart visited with Mrs. Bob Johnson in Coleman, Sunday afternoon. Mrs. Johnson returned home Sunday after two weeks visit in Dallas with her daughter.

The school bus started rolling our community with 29 passengers when arriving at school.

One Million "Prints" Now On File

Austin - A milestone in modern-day Texas criminology was reached today as the Texas Department of Public Safety filed its one-millionth criminal fingerprint record.

Fingerprint card number 1,000,000 was that of a 15-year-old Dawson County negro boy who was arrested for theft and later released.

Veteran fingerprint expert J. H. Singletary of the DPS Division of Identification and

Criminal Records performed the chore of stamping the historic, round number on the card.

Collection on criminal fingerprints began on August 10, 1935, with the establishment of the Bureau of Identification.

LOST, STOLEN OR DESTROYED

Each of us has either lost a prized possession or wondered what we would do if we did suffer such a loss.

Workers who are 65 years of age or over (women age 62 or over) may be suffering a loss of benefits if they do not know the meaning of retirement as it pertains to the social security law.

Retirement, as defined in the social security law, does not mean that you must be completely inactive, but rather that you are:

1. Working for wages or self-employment income of not over \$2,080.00; or,

2. You are age 72 or over (in which case amount of earnings has no effect regardless of how much you earn).

Individuals who earn over \$2,080.00 in a year may still draw their social security benefits for any month in which they neither earn over \$100 nor render substantial services in self-employment, regardless of their total earnings during the year.

If you have reached retirement age and have not as yet checked with the Abilene social security district office, you should contact them for an explanation of your individual case. You will be advised as to which income is included in your earnings and whether or not you will lose monthly payments by not making application for your benefits at that time.

Personnel of the Social Security Administration would like to know that everyone in their district is receiving all of the benefits to which they are entitled; however, this cannot be accomplished if you do not contact them for advice on your own account.

It is up to you to see that you are not the loser.

Edison invented the flash light in 1914.

Henry Wadsworth Longfellow is the only American whose bust is in Westminster Abby in England.

Petty Dictator

This boy walks all over his parents. Since he was a baby, he got what he wanted by showing bad temper.

When he is away from home this boy is a model of good conduct. He knows he can't treat others the way he treats his parents... not if he wants to be popular.

There is a lot of difference between being hard and tough with children and being firm. This boy doesn't respect his parents because they are too lenient. A quiet, strong atmosphere in this home would work wonders.

Some people think that the easiest way to make a mountain out of a molehill is to add a wasp nest to the White House in 1851.

WCID Guarantees Easements On Mukewater Project

The directors of Coleman County Water Control and Improvement District No. 1 guaranteed the easements on all ten of the proposed flood retarding projects on the Mukewater Watershed at a meeting Monday with the directors of the Soil Conservation Service. The meeting was held Monday morning in the courthouse.

The WCID requested the SCS to begin construction on the projects as soon as possible.

There are still a number of minor technicalities to be completed before advertisements for bids on the projects can be requested. Present plans call for advertisement for the first bids to be offered around the first of February, with construction to begin about March 1.

The Soil Conservation Service was assured that all easements, not presently cleared will be cleared by July 1, 1960, or that proceedings will be initiated at that time to clear them.

One of the yellow buttons on the Land Ownership Map of the Mukewater Project was removed early this week, indicating progress is being made. There will likely be two other buttons removed during the week, stated Marvin A. Daniel of the SCS.

The map of the land owners of the Mukewater Watershed still hangs on the office wall at The News. There has been a large number of interested persons viewed the map during the past several days. Anyone who might be interested in the project is invited to drop by and inspect it. There are ten yellow thumb tacks on the map, indicating places where easements have not been cleared as yet.

20th Century Club To Meet Friday

All members of the 20th Century Club are urged to attend the regular club meeting, to be held Friday, Sept. 5 at 2:00 p. m. with Mrs. W. E. Vanderford. The club has some business to attend to, and refreshments will be served.

On Saturday night the club observed their annual Family Night, with some 15 members and their families meeting in the Coleman City Park at 7:00 p. m. Refreshments of sandwiches, pickles, potato chips, cake, cookies and cold drinks were served.

Everyone had a very enjoyable evening.
