BY THE EDITOR

The citizens of Santa Anna are urged to get in the mood for a large city-wide Clean-up, Paint-up, Fix-up program. The directors of the Community Chamber of Commerce voted last December to sponsor the program, and plans are being made for it to get underway soon. Every effort will be made to get all the buildings in the business district to get a face-lifting, along with as many residents as possible. Also residents will be urged to put out shrubbery and flowers.

The Mountain City Garden Club is cooperating with the Community C of C on the program, and a number of committees have already been at work. A large amount of literature has been received and complete plans will be announced in the near future.

Committees working now are: Bill Griffin, representing the Chamber of Commerce; Ford Barnes, representing the City of Santa Anna; Mrs. C. M. Moseley, representing the Garden Club; Cullen N. Perry, representing the schools; and W. R. Mulroy, representing the Lions Club. The Garden Club has suggested the following to be used in at least a part of the program: The City Flower is to be the Red Rose; the City Shrub is the Crepe Myrtle; and the City Tree is the Pecan. Everyone is urged to use a part of the above as a part of their redecorating program.

## Basketball Results

Results of basketball games played during the past week involving Santa Anna students are as follows:

**Friday, Feb. 5**  
The high school boys and girls went to Burnet for a conference game. In the first game the girls won over the Burnet girls by a score of 50 to 20. High point girl was Mary Rehm with 21 points.

The boys lost their game by a score of 64 to 40. Local high point boy was J. C. Bible with 12 points.

**Tuesday Night**  
The Goldthwaite teams came to Santa Anna Tuesday night for a return of the games played there recently. In the first game the Goldthwaite Freshmen team won over the Santa Anna Freshmen by a score of 20 to 11. Larry Wardlow was the local high point boy with 6 points.

In the conference games, the Santa Anna girls won over the Goldthwaite girls by a score of 54 to 44. Mary Rehm was high point girl with 22 points and Gayla McIver was second with 21 points.

In the boys game, the Goldthwaite boys won by a score of 54 to 33. Travis Buse was local high point boy with 10 points.

Friday night will end the conference season of basketball this year. The Llano teams will play in the Santa Anna gym.

## Mrs. John Baugh To Be Buried At Cleveland

Funeral services for Mrs. John Baugh, are scheduled to be held at the Cleveland Methodist Church about 2:00 p. m. Thursday, Feb. 11. Burial will be in the Cleveland Cemetery. Mrs. Baugh died in the Cogdell Memorial Hospital in Snyder Monday morning, after a long illness.

Alice Alma Williams was born in Santa Anna, November 16, 1895. She and John Baugh were married in Santa Anna, March 21, 1914, and made their home in this area most of their married life. About four years ago they moved to Snyder, where he was a construction worker. He retired about a year ago. Mrs. Baugh had been in ill health for more than a year.

The body arrived in Santa Anna about noon Wednesday and stayed at the Hosch Funeral Home until Thursday afternoon. Nephews are scheduled to be pallbearers. Rev. Robert M. Owens, pastor of the Snyder Methodist Church, will officiate.

Survivors include her husband; four daughters, Mrs. Irene Rickey of Farmington, N. M., Mrs. Loraine Smart of Cheyenne, Wyo., Mrs. Wilma Smith of Dermott and Mrs. Joyce Devoll of Snyder; two sons, Raymond Baugh, stationed in Alaska and unable to attend the services, and Elroy B. Baugh, stationed at Fort Riley, Kansas; five sisters, Mrs. Lillie Tucker of Santa Anna, Mrs. Bessie Goodgion of Brady, Mrs. Floy Haynes and Mrs. Georgia Spencer, both of San Angelo, and Mrs. J. B. Weathers of Santa Anna; three brothers, Emil Williams of Pampa, Loren Williams of Brownwood and Roland Williams of Grand Prairie.

## Stage Band To Visit Cross Plains Friday

The Santa Anna "Skyliners" Mountaineer Stage Band, will present a program of popular music to the student body at Cross Plains, Friday, Feb. 12 at 2:00 p. m. Each year the Santa Anna and Cross Plains stage bands exchange programs prior to the Stage Band Festival, held in Brownwood each February.

The Cross Plains group plans to return the program on Wednesday, Feb. 17, around 1:00 p. m. The public is invited and encouraged to attend. Mr. Roland Howell is director of the Cross Plains group. James Mallow is director of the local group.

## Walter L. Gipson In Race for County Sheriff

Walter L. Gipson, a native of the Goldsboro area of Coleman County, this week authorized The News to announce he is a candidate for the office of Sheriff of Coleman County.

Gipson said he would have his formal statement at a later date.

## Mrs. J. M. Weathers Buried Saturday

Funeral services were held at the Assembly of God Church in Santa Anna at 4:00 p. m. Sunday for Mrs. J. M. Weathers, 79, who died in a San Angelo hospital early Saturday morning. Mrs. Weathers died at the home of a son in San Angelo, early Saturday morning.

The Rev. D. C. Jones, pastor, officiated. Burial was in the Santa Anna Cemetery.

Although Mrs. Weathers had suffered with a heart condition for a number of years, her death was rather sudden. She suffered a case of influenza recently, but seemed to be feeling pretty good the day before her death.

Mrs. Weathers was born November 23, 1880 in Mills County. She had been a resident of Santa Anna for the past 55 years.

Pallbearers were Jess Upchurch, Calvin Campbell, N. C. Baker, Roy Blanton, Walter Newman and Roy West.

Survivors include four sons, Clyde of Cisco, J. B. of Santa Anna, Lester of Pampa and Elwayne of San Angelo; two daughters, Mrs. B. N. Lane of Cisco and Mrs. A. J. Courtney of Abilene; two brothers, Tom Nichols of Albuquerque, N. M., and John of Lubbock; four sisters, Mrs. R. E. Head of Eastland, Mrs. Charley Carnes of Brownwood, Mrs. Pearl Doggett of Austin and Mrs. Clemmie Venable of Goldthwaite; nine grandchildren and 11 great-grandchildren.

Stevens Funeral Home of Coleman had charge of arrangements.

## Funeral for Ben H. Herring Tues.

Funeral services for Ben H. Herring were held at the First Christian Church Tuesday, February 9 at 3:30 p. m. The Rev. Norman Conner, pastor of the First Christian Church in Abilene, officiated. Burial was in the Santa Anna Cemetery.

Mr. Herring was born July 19, 1893 in Hill County, Texas. He was married to the former Bernice Casey, July 25, 1915. He had been a resident of Santa Anna for 60 years, and was a member of the Baptist Church. A farmer by occupation, he had been retired for sometime. He had been in ill health for about two years, and during that time Mr. and Mrs. Herring made their home with a daughter in Abilene. He died at 7:00 a. m. Monday in the home of his daughter, Mrs. Danny D. Bryan.

Pallbearers were Luther McCrary, Johnnie Bryan, Jess Griffith, Neely Evans, John Perry and Hilburn Henderson.

Survivors include his wife, two sons, Vernon and Casey, both of Santa Anna; one daughter, Mrs. Bryan of Abilene; three brothers, Rex of Brownwood, Mark of Harlingen and B. W. of Fort Morgan, Colo.; two sisters, Mrs. G. L. Stewart and Miss Ima Herring, both of Weatherford; and ten grandchildren.

Stevens Funeral Home of Coleman was in charge of arrangements.

## 2ND SUNDAY SINGING TO BE HELD SUNDAY

The Second Sunday Singing group will hold their regular singing at the North Side Baptist Church Sunday, Feb. 14, from 2 to 4 p. m. Everyone is invited to attend.

## Lee Henderson Buried Monday

Funeral services for Lee Henderson, 76, were held at the First Methodist Church Monday, February 8 at 4:00 p. m. Henderson died in the Santa Anna Hospital at 7:30 p. m. Saturday, Feb. 6.

The Rev. Ray Elliott, pastor, officiated, assisted by the Rev. Cecil Smith, a former pastor. Burial was in the Santa Anna Cemetery.

Henderson was a retired farmer. He had lived on the H. O. Norris farm for about 15 years. He was born January 31, 1884.

Survivors include five sons, J. D. of Big Springs, C. L. of Lake View, Oregon, Ira of Big Lake and Homer and Elmer of Santa Anna; two daughters, Miss Velma Henderson and Miss Odessa Henderson, both of Santa Anna; three brothers, Nathan, Wes and Ted, all of Big Spring; two sisters, Mrs. Minnie Smith of Abilene and Mrs. Emma Franklin of Lamesa; and two grandchildren.

Stevens Funeral Home of Coleman was in charge of arrangements.

## Brother of Local Men Found Dead In Coleman Sun.

M. G. Smith, 79, a brother of Bob and Lee Smith of Santa Anna, was found dead early Sunday morning, near 5th Avenue and 7th Street in Coleman. Mr. Smith had left his home on West 7th Street early Saturday evening and was reported missing about 12:45 a. m. Sunday. The police found his body about 1:00 a. m. The time of his death was set about 8:00 p. m. due to a heart attack.

Born January 27, 1881 in Alabama, he had been a resident of the county for 55 years. He was a retired farmer.

Survivors include his wife, one son, Ben, of Kermit; eight daughters, Mrs. Claude Bowers, Mrs. Bob Kenney and Mrs. M. W. Hollingsworth, all of Coleman, Mrs. Bert Bowers of Buchanan, Texas, Mrs. Jesse Bowers and Mrs. Janie Hoover, both of Kermit, Mrs. Raymond Moore and Mrs. Maxine Rogers, both of Anson; four brothers, Bob and Lee Smith of Santa Anna, Ed Smith of Crews and Jim Smith of Belton; three sisters, Mrs. Annie Jackson of Coleman, Mrs. Joe Elliott and Mrs. Beulah Gibbs, both of San Angelo; 38 grandchildren and 33 great-grandchildren.

Funeral services were held at 2:00 p. m. Monday in the Stevens Memorial Chapel in Coleman with burial in the Coleman Cemetery. The Rev. Paul Smith, pastor of the Coleman Concho Baptist Church, officiated.

## Barney Lewellen's Attend Reunion

Mr. and Mrs. Barney Lewellen attended a reunion of the late W. L. Alford children Sunday at Tahoka. The largely-attended affair was held in the home of her brother, Truett Alford.

Seven of the ten living children were present for the occasion. They were T. D. Alford of Odessa, Gordon Alford of Yakima, Washington, Bill Alford of Rochester, Texas, Mrs. C. D. (Fannie) Crump of Lubbock, Mrs. Bryan (Velma) Armstead, Truett and Mrs. Lewellen. Two sisters, Mrs. Fred (Daisy) Law and Mrs. Jodie E. (Eura) Copeland of Alvin, and Virgil Alford of Yuma, Arizona, were unable to attend.

**ATTENDS CONVENTION**  
Mr. and Mrs. James Mallow recently attended the Texas Music Educator's Convention-Clinic in Austin. Highlight of the convention was the grand concert presented by some 550 student musicians from all over the state.

The 550 students make up the All-State Band, Orchestra and Chorus.

Mr. and Mrs. Calvin Campbell and children and Mrs. Zada Dixon of Lubbock, were weekend visitors with Mr. and Mrs. Luther McCrary and family.

Mrs. J. W. Upton of Dallas, a niece of Henry Leverett, visited with him Monday and Tuesday of last week. Mr. Leverett, an employee of The News, spent two weeks in the hospital and a week at home recuperating from the flu. He returned to work the first of this week.

Mrs. Mace Blanton, Mrs. J. W. Taylor and Mrs. Sue Walker visited Mr. and Mrs. Henry Gregg in Rising Star Sunday afternoon.

## Guard Units Receive Good Inspection Ratings

All National Guard Units of the Second Battle Group, 142nd Infantry, have received excellent or superior ratings for the annual general federal inspections, conducted in December, 1959, at each unit armory by Fourth Army inspectors.

Two units — Headquarters Company at Brownwood and Company D at Coleman — received superior ratings. All other units — Company C, Abilene; Company E, split unit of Stephenville and Lampasas; Combat Support Company, Santa Anna and Brady; Company A, Stamford and Snyder, and Company B, Ballinger and Sweetwater — received excellent ratings.

Battle Group Commander is Colonel Ralph M. Krieger of Abilene.

The Coleman unit, Company B under the old organization but now Company D, received a superior rating for the second year in a row. This unit, which has long since recorded top National Guard achievements, now operates in a new armory. It is commanded by Captain Harold E. Pittard.

Five officers, one warrant and 49 enlisted men recorded perfect drill attendance last year in the Coleman unit, which is 90 members strong. The unit recorded a noteworthy attendance percentage of 94 during the calendar year 1959, for enlisted men, and 100 percent for officers.

At Brownwood, where three units functioned under the old set-up, another superior rating was hoisted in the Second Battle Group's headquarters unit. Commanded by Captain Russell A. Weller Jr., the unit has a total membership of 183, including 167 enlisted men, 24 officers and two warrant officers. The unit recorded 90.2 percent attendance last year for enlisted men, and 94.8 percent for officers.

At Combat Support Company, which headquarters in Santa Anna but maintains a platoon in Brady, the inspecting officer commented that "examination of records, questioning of personnel, and observations during inspection indicated that physical and personal qualifications and morale were high."

Commanded by First Lieutenant Billy J. Harvey, Santa Anna, the unit has a total strength of 140. Attendance percentage for officers for last year hit 90.2; for enlisted men, 90.4.

All units of the Battle Group will attend annual summer training at North Fort Hood, Texas, for two weeks — June 26 through July 10, 1960.

## Mrs. Helen Pearson Speaks to Sorority On Natl. Foundation

Mrs. Helen Pearson of Abilene, representative of the National Foundation, (formerly known as the National Foundation for Infantile Paralysis), spoke to the Delta Omicron Sorority at their regular meeting Monday night. Mrs. Pearson gave an account of the new activities of the Foundation. She stated:

The Salk Vaccine is now a little over 90% effective, but it is not known what the effect will be 10 or 20 years from now. Some 25% of the nation's children under 5 years of age have not received even one shot of the Salk Vaccine and some 45 to 50% of all the people in the U. S. have not taken advantage of the vaccine. The Foundation is seeking a "one shot" vaccine that will prove effective, and their hopes rest at the present time on the Sabin Vaccine, which is now in the testing stages in Russia, Mexico City and Argentina. It could not be effectively tested in the U. S. because of so many who have received the Salk Vaccine. Hopes of the Foundation are that the Sabin Vaccine can be effective by administering 1/2 teaspoon of liquid orally, and that will be all necessary.

She said arthritis was selected by the Foundation because it is the largest and most costly disease in both children and adults. Six check points have been established for patients, but only rontgenoid arthritis patients under age 19 and who are hardship cases are being accepted at this time because of the limited patient aid funds.

Birth defects were chosen by the National Foundation for research because there was no established foundation to seek the cause of birth defects. The Foundation is also limited on treatment of these patients.

## School Board Election to be Held Sat., April 2

The annual election of members to the Board of Trustees of the Santa Anna Independent School District will be held Saturday, April 2. Polling place will be at the City Hall in Santa Anna.

Those wishing their names to be printed on the Official Ballot must file their names with the County Judge, the Board Secretary, Mrs. Catherine Markland, or with the School Superintendent no later than Wednesday, March 2. The law requires all applications for names on the ballot to be filed not less than 30 days before the election, and that ballots must be printed and in the hands of the County Clerk 20 days before the election, in order that absentee voting may be possible.

Board members whose terms expire this year are William R. Brown and Oscar Boenicke. Mr. Boenicke, of Trickham, has served on the board since May, 1954, having been elected that year. He has been re-elected once, each term for a 3-year period. Mr. Brown has served on the board since August 2, 1955, having been appointed to fill the unexpired term of Tony Rehm, who resigned. Brown has also been elected to serve a term of his own.

Other members of the board are Add T. Walker, President; Brown and Oscar Boenicke, Mr. Boenicke, of Trickham, has served on the board since May, 1954, having been elected that year. ## World Traveler To be in Coleman February 27.

Miss Helen Poe, noted world traveler and lecturer, will be the principal speaker at a program sponsored by the local chapter of Delta Kappa Gamma, February 27 in the Coleman High School Auditorium. The program will begin at 7:30 p. m.

Miss Poe has appeared for the group several times during the past few years. This year she will speak on "Mr. K's Satellites." Last summer she visited such countries as Yugoslavia, Rumania, Hungary and Poland. She is a graduate of Southern Methodist University of Dallas, and has traveled extensively throughout the world.

Tickets to the program may be purchased from the following teachers: Mrs. Beulah Sparkman, Mrs. Gertrude Martin, Mrs. Ruth Dodson, Mrs. Harry Crews, Mrs. Maud Harris and a former teacher, Mrs. Maud Evans.

Proceeds from the program are used by the sorority for a scholarship each year. The girl selected this year to receive the scholarship is a Santa Anna girl, Miss Jean Smith.

## Band Boosters Receive Donation Of \$100

A check in the amount of \$100 was received by the Band Boosters the past week from A. L. Evans, a grocery store operator at Big Lake, Texas. The \$100 contribution was to be applied to the Band Uniform Fund, and leaves a balance being owed on the new uniforms of only \$50.00.

Mr. Evans is a former student of Santa Anna High School, graduating with the Class of 1935. The organization wishes to publicly express their appreciation for his generous donation.

## \$586 Raised in Annual March Of Dimes Drive

A total of \$586.95 was raised during the annual March of Dimes drive for the 1960 campaign. Most of the money was raised during the Mother's March, held Monday night of last week.

The Delta Omicron Sorority was responsible for raising the greater part of the money. Their total received from the Mother's March amounted to \$456.90. They also raised a total of \$35.30 in their Snatch Coffee. The coin containers from the local business houses netted \$26.85.

The remainder of the money was contributed by a few individuals and several social clubs.

Your local director has not been notified just how the money will be divided with the National Foundation as yet. However, we assume it will be divided the same way it has been the past two years. That is one-third of the money goes into the Medical Aid Fund of the National Foundation, the other two-thirds is divided equally between the local Foundation and the National Foundation, with the National Foundation's part to be used in research for polio and the other crippling diseases of children now being undertaken by the National Foundation.

John C. Gregg, your local director, and the ladies of the Delta Omicron Sorority, would like to express appreciation to all who helped to make the drive a success by your contributions, and to all the ladies who helped so faithfully in the Mother's March.

We might say the drive is now completed. However, if there is anyone who has been missed on the drive and you would like to contribute, you are still invited to do so. The money will not be divided until sometime in March. In the meantime you are invited to take your contributions to the Santa Anna National Bank or leave them at The News office.

## Lots of Dust And High Winds

One of the most severe dust and wind storms to strike this area in a number of years, hit here Tuesday afternoon and lasted well into the night. The storm covered the entire state of Texas and several other states.

Some wind was recorded as high as over 100 miles per hour and the red dirt dropped visibility to almost zero. Considerable damage was reported in a large number of areas, and three deaths were attributed to the storm.

So far as we know, not much damage resulted in the Santa Anna area. There is no way of measuring the wind speed here, but we would guess it reached at least 50 miles per hour on occasions.

### FHA Home Loans Available in Small Towns

The Voluntary Home Mortgage Credit Program is still able to place qualified FHA loans in small towns and for members of the minority group in general, said C. J. Hermann, Executive Secretary of the VHMCP Region V office, headquartered in Dallas, Texas. Region V comprises the states of Arkansas, Kansas, Louisiana, Missouri, New Mexico, Oklahoma, and Texas.

Mr. Hermann stated that although general mortgage con-

ditions are not favorable, the lending institutions participating in this private industry-sponsored program are still making funds available for FHA loans in the smaller towns.

Hermann also stated that in many instances better service is obtainable for FHA loans due to the FHA's Certified Agency Program. Under this Program the local approved mortgage lender relieves the FHA of certain details, which has the effect of expediting the completion of the loans. Hermann said that in many instances the long delay waiting for FHA appraisers and inspectors is eliminated as local fee appraisers and inspectors may now do the work.

VHMCP does not make loans, but simply serves as a clearing house without charge, in an endeavor to assist qualified borrowers to obtain an FHA loan. Mr. Hermann explained. The program is only operative in the smaller towns and for members of minority groups.

To date over 40,000 families have been assisted by this program, to obtain loans aggregating over \$400,000,000.00.

Any individual who desires the assistance of VHMCP may contact the Regional Office at 1114 Commerce Street, Dallas, Texas, and request the necessary forms.

It's well to forget the past, because the future will give you plenty to worry about.

### J. W. (Bill) Moore Makes Statement in Representative Race

TO THE VOTERS OF THE 77TH DISTRICT:

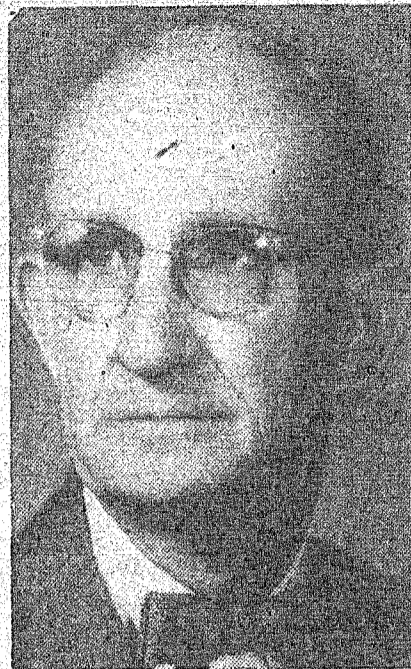

"At this time, I wish to announce to the voters of Coke, Runnels, Concho and Coleman Counties that I will be a candidate for your state representative of the 77th District in the democratic primaries.

In the beginning I wish to state that I am not a politician—just a business man. I feel that the time has come when business men are needed in our state government and for that reason alone I am making this race.

During my many years in West Texas and this district I have operated wholesale produce houses, cotton gins, grain elevators and feed houses and even had a short experience in the entertainment field in professional baseball. In recent years my time has been taken up with farming and ranching. I have also served my town of Ballinger as its mayor for 1 1/2 years, a position which I still hold.

I feel that I know the needs of both the rural and city folks from a first-hand experience. Most of my business career, especially in produce, ginning, grain and feed business has given me a close contact with the farmers and ranchmen of this immediate district. As a long time city official I feel that I received an education in the needs of our towns in regard to water, schools, new industry, paving, sewerage and a general program of modern progress.

With this background, I know that I can represent the people of this district with a real understanding of their needs based on a sound business legislative program.

J. W. (Bill) MOORE

I have always felt that our schools and the opportunity for education of all our youth is one of the most important things in every community. I will always fight for better schools and would like to improve our teacher's positions until the jobs would attract the best talent in the land.

My church has always meant much to me and I have always tried to support it with my talents and my money.

I am not just asking the voters of the district for a job. I have all I can look after at the present. Encouraged by my fine friends in the counties of the district, I feel that I can render a service that is needed at this time. I have no alliances or obligations with any clique or group and will always be free to vote my convictions in all legislative matters.

As I said in the beginning, I am not a politician or speech maker and will have to depend upon my friends for help in making a campaign in the four counties. Of course I want to see as many people as possible during the next three months, but in this first announcement I ask that you give me your careful consideration for the office I seek.

Respectfully,  
J. W. (Bill) Moore

### Some Benefits May Be Stopped if Income Reports Not Made

Approximately 775 Central Texas VA beneficiaries will have their pension benefits terminated P. J. Mims, Manager VA Regional Office, Waco, announced today. This action is necessary because they have not yet returned income questionnaire forms mailed them with the checks they received on January 1, 1960.

All disabled veterans and widows and children of deceased veterans who receive monthly non-service-connected pensions from the VA are required to report annually the amount of their income for the past year as well as their expected income for the coming year. This income questionnaire report is due in VA Regional Offices by the end of January each year.

For those who have not yet submitted their income questionnaires, it is possible that they can still get the check due them on March 1 without delay provided they immediately send in the required income questionnaire form to the VA Regional Office, Mims said.

Mr. and Mrs. Joe Baker Sr. spent from Friday to Monday in Midland with their son, Mr. and Mrs. Joe Baker Jr.

### IRS Makes Good Promise Toward Blue Ribbon Service

Internal Revenue is making steady progress towards a "Blue Ribbon" service, Ellis Campbell, Jr., Dallas District Director, reported today. Mr. Campbell explained, "The Blue Ribbon Program became necessary to stem the loss of highly competent and well-trained personnel from the Service. Industry was offering our more competent employees higher salaries than the Government could meet."

For example, at the beginning of 1955, the Dallas District had 160 revenue officers. By the end of 1955, we had lost 39, or 24 percent, of these trained men. The Blue Ribbon Program was designed to give competent Service personnel better opportunities within the Government.

The Blue Ribbon Plan is a simple one. It consists of (1) competing with industry for competent college graduates by going to the colleges and telling the young women and men of the opportunities in the IRS, (2) providing an outstanding training program for IRS employees. This enables competent employees to take on more difficult work earlier, and to advance to higher pay. And finally (3) operating IRS with fewer but more skilled employees.

"We have been delighted with the success of our Blue Ribbon Program," stated Campbell. "We know that we must give the millions of taxpayers that pay their tax voluntarily the most competent tax law enforcement possible. Most taxpayers pay their taxes voluntarily and expect others to do the same. They want a fair and just administration of our tax laws by competent employees."

"The Blue Ribbon Program is helping the IRS do just that. Our Internal Revenue Agents are producing substantially more through the incentives provided by the program. The same can be said for our Revenue Officers. During the past

year we have been able to reduce unpaid accounts by a considerable amount. We have accomplished these gains with 10 percent less permanent people."

Campbell concluded, "We believe that the Blue Ribbon Program will help the IRS continue to be an organization of which our nation's taxpayers can be justly proud."

## New Pension Law And It's Effects On Vets, Dependents

PART V

(How will it affect me? Many thousands of veterans and their dependents are asking this about the new pension law recently enacted by Congress. The Santa Anna News asked the Veterans Administration for answers to basic questions about this complex legislation. Here are the answers in the last five installments.)

Q. If a veteran or a widow receiving a pension begins to receive additional income or acquires additional property, must this be reported to the VA?

A. Yes it must be reported to the VA promptly. Any increase in annual income must be reported to the VA under the present law. Under the new law any material increase in the size of the pensioner's estate must also be reported.

Q. What about a change in the number of dependents?

A. A change in the number of dependents must also be reported promptly to the VA.

Q. Is there anything besides the amount of income, the size of estate, and the number of dependents that will affect the amount of pension paid to a veteran under the new system?

A. Yes. Under the new system the pension of a veteran hospital-

ized or maintained by the VA will be reduced to \$30 a month after two full calendar months of care. If the veteran has a wife or child, the amount of his pension in excess of \$30 may be paid to his dependents.

Q. Will the veteran who receives an additional \$70 for regular aid and attendance also be reduced to a pension of \$30 a month if he is hospitalized or domiciled by the VA?

A. Yes, unless he is receiving care or treatment for leprosy.

Q. If I am receiving a pension at present but I think it will be to my advantage to transfer to the new system next July 1, what should I do?

A. Nothing right now. After the VA has sent you all the information necessary for you to determine which system will be best for you, the VA will send you a form to fill out indicating your decision to transfer from the old system to the new. You will receive this form about March 1, well in advance of the deadline, next July 1. You may delay exercising your option to change systems, and you may make the change any time in the future. But once you change to the new system, you cannot return to the old system again.

Q. If I am not now on the pension rolls because I am not eligible under the present law, but I will become eligible under the new system, what should I do?

A. You may get the necessary assistance and application from any VA office and apply for a pension. A VA contact representative will be glad to help you.

## About Your HEALTH

A weekly public service feature from the Texas State Department of Health. HENRY A. WOLFE, M.D., Consultant of Health

State health authorities are taking a long look at a vital amendment to the federal food, drug and cosmetic law which becomes effective in its entirety less than a month from today—March 6.

The amendment puts on manufacturers and producers the burden of proving that chemical additives to foods and drinks are safe from human consumption. Formerly the government, through its Food and Drug Administration, had to prove additives were injurious to health before the courts would issue cease and desist orders.

The use of additives to alter the taste or appearance or preservative qualities of foods has assumed major proportions over the years. Controlling the practice is an extremely involved process. The story will have to be told in several installments. Let's begin with why a food and drug law is necessary in the first place.

Don't be misled into thinking

the snowy white color of flour in your canister is natural. It may have been bleached with nitroperoxide, nitrous oxide or chlorine. Flour absorbs such chemicals like a sponge absorbs water and becomes almost instantly white.

Those luscious red tomatoes, those delectable-looking green peas and that juicy roast may have been chemically treated to give them that mouth-watering appearance.

Food processors know most shoppers buy on appearance, other things being equal. And, since there are additives available to enhance food flavor and color and texture, processors naturally use them to full advantage. There is nothing unwholesome or illegal in the practice when done in conformity with the laws governing pure foods and drink.

There are four classes of sub-

stances used to color foods: mineral dye, vegetable dyes, aniline or coal-tar dyes and ethylene for ripening and coloring. Those dyes specifically permitted by law are harmless but since they create artificial appearance it is well for the public to realize their use is in vogue now as never before.

Coal-tar dyes are inexpensive, and since they create brilliant pigments in foods they have largely replaced mineral and vegetable dyes. They are used extensively in sausage, confections, jellies and jams, meats and flavoring extracts.

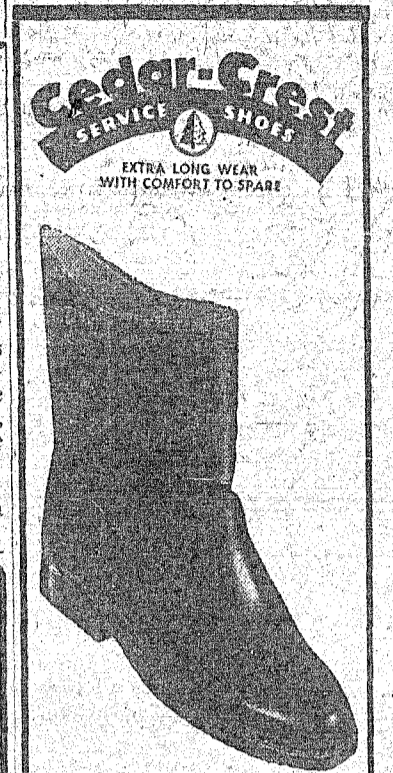

Most of these products, while not adding to food quality, are defended on grounds that they make foods more appetizing. The danger arises when additives are used to obscure inferior products, or when additives themselves are potentially hazardous.

The federal food and drug law amendment is wholesome in its implication of public health protection. After March 6, before the product is offered for sale, additives users will have to prove their safety.

Judge nothing before the time, until the Lord come, who both will bring to light the hidden things of darkness, and will make manifest the counsels of the hearts. (1 Corinthians 4:5.)

We would be slower to judge others if we paused to remember how little we know of them. I may see a moral defect in my neighbor and judge him on that basis alone. But I may be blind to some virtue in him which I do not possess.

In our church some years ago was a very troublesome member. But when I heard him pray, my heart went out to him. I knew he was fighting a hard battle with his temperament. I wondered what would have happened to me if I had had his unfortunate upbringing and was subject to his temptations.

We are nearer the spirit and teaching of Jesus when we refrain from passing faultfinding judgment upon others. In the story of the Pharisee and the publican, our Lord teaches us that by dwelling upon the weaknesses of others we generate even greater weaknesses in ourselves.

**PRAYER:**  
Grant unto us, O Lord, to know the weaknesses of our own lives and the tenderness of Thy love. So may we be filled with compassion for those who seem least to merit it. May, they, being assured of our love, never doubt Thy love for them; through Jesus Christ our Lord. Amen.

### Pension Eligibility To be Alike After New Law, July 1st

Pension eligibility requirements based on the war service of a veteran become alike for widows and children of World War I and II and the Korean conflict after June 30, 1960, the VA pointed out today.

The VA explained that at the present time pensions are granted to widows and children of World War II and the Korean conflict only if the veteran had a definitely ascertainable service-connected disability at the time of his death.

No such restriction is at present placed on the widows or children of deceased World War I veterans.

The new pension law, going into effect July 1, 1960, removes this restriction and places widows and children of World War II and the Korean conflict on the same basis as World War I dependents in this regard, the VA said.

This "equalization clause" of the new pension system is expected to add approximately 200,000 widows and orphans to the pension rolls, the VA estimates.

**YWA Met With Barbara Allen**

The Young Women's Auxiliary of the First Baptist Church met with Barbara Allen Wednesday evening, Feb. 3 at 6 o'clock. Clois Cullins gave the devotional. The scripture reading was Mark 10: 23-27. This was followed by the group singing, "Take My Life."

Miss Cullins was also in charge of the program, "Panama and Progress." Sonja Dunn closed the program with a prayer.

During the business meeting, registration fees were collected from the girls who are planning to attend the YWA House Party at Hardin-Simmons University the last of the month. Two new members, Neva Cornett and Sandra DeSha, were welcomed into the organization.

Refreshments of cake, hot chocolate and a variety of candies were served by the hostess.

Those present not mentioned above were: Carole Campbell, Peggy Hawkins, Lula Hawkins, Reta Ing, Frances Biggs, Ellen Lewis, Janice Smith, Alice Love-lady, Ruth Radle, Mrs. Dorothy Harris and Mrs. Maurice Mallow.

**Needlecraft Club Met With Mrs. Guthrie Feb. 4th**

The Needlecraft Club met with Mrs. Hattie Guthrie at 3:00 p. m. Thursday, February 4th. Thirteen members were present.

Mrs. Scott requested to be dropped from the club membership, and it was granted, with the understanding that if she ever wished to come back she would be welcome, and she was also invited to visit the club anytime. The club also voted to accept the membership of Mrs. Todd back into the membership.

The club voted to contribute \$5.00 to the March of Dimes, the motion being made by Mrs. Upton and seconded by Mrs. Todd.

Refreshments were served to Meses Bartlett, Curry, Upton, Pettit, Merritt, Stiles, John Brown, Dillingham, Todd, Chapman, Haynes and Miss Jettie Kirkpatrick and the hostess.

Mrs. Curtis Bryan and Mrs. Hilton Wise served punch from a green crystal bowl, with a Valentine decorated heart cake and heart shaped sandwiches, potato chips and nuts to the following: Mrs. Parker, Mrs. Johnny Steward, Mrs. Ray Caldwell, Mrs. F. E. McCreary, Mrs. A. L. King, Mrs. John Hunter, Mrs. Henry Smith, Mrs. Bill Bryan, Mrs. Evan Wise, Mrs. Jack Cooper, Mike Sheffield and Serena Bryan, who was celebrating her fourth birthday.

**Bilbrey's to Observe 60th Wedding Anniversary**

Mr. and Mrs. L. R. Bilbrey of Santa Anna will observe their 60th wedding anniversary Sunday, February 14, in their home at the corner of South 4th Street and Willis Avenue. All friends and relatives are cordially invited to visit them between the hours of 2 to 5 p. m.

Mr. and Mrs. Bilbrey are both natives of Mason County. They were married in Mason County, February 11, 1900, and moved to Coleman County 34 years ago. They have lived in Santa Anna since 1945.

The Bilbrey's have seven children, two of whom have died. The other five plan to be here for the observance. They are Odis of Santa Anna, Beulah McKinzie of Spur, Zola Kirkendall of Midland, Leota Shaw of San Saba, and Hermelee Wilson of San Antonio.

The Bilbrey's have 26 grandchildren, 27 great-grandchildren and one great-great grandchild.

Sunday visitors in the John Gregg home were Mr. and Mrs. Bryan Blevins and Mr. and Mrs. D. O. Sholar of San Angelo and Mr. and Mrs. Scott Cole and Gary and Pat of Coleman.

Mrs. John Perry Saturday were Mrs. Silas Wagner, Mrs. Iona Moore, Mrs. James Ford and boys, Miss Dixie Deal, Mr. and Mrs. James Perry and Brenda and Robert Perry of Austin.

Mrs. Eva Nell Benges' home was the bright spot for Mrs. Leon Day of Coleman, the former Patsy Clifton, last Wednesday afternoon, when a miscellaneous shower was given in her honor. She received many nice gifts. The hostesses, Mrs. Dick Baugh, Mrs. Sylvia Herring, Mrs. Ruth Hibbetts, Mrs. Ann Bryan

and Frances and Mrs. Alton Benges served pink cake squares, minis, party nuts and pink punch from a white punch bowl. Some 35 guests called.

We are sorry to learn of the death of Mr. Ben Herring. Mr. and Mrs. Herring lived in our community before moving to Abilene with their daughter, Mrs. Danny Bryan. Our sympathy goes out to the family.

Those having dinner with Mrs. Jewell Clifton and family Sunday were Mrs. Harold Dean Clifton and Mr. and Mrs. Leon Day.

Dr. Henner spoke briefly to the group, then introduced Dr. J. Philip Rehngren, a new member of the staff of the Santa Anna Clinic. Dr. Rehngren spoke to the group on inoculations needed for pre-school children.

The business meeting was presided over by Mrs. Ray Swindell, president. Mrs. Odom's Fourth and Fifth Grade room won the attendance award for the meeting.

**30 Die, 42 Hurt In Gun Accidents**

Austin — There were 30 hunting deaths reported during 1959, according to information compiled by the fiscal director of the Game and Fish Commission. During the year there was a total of 72 shooting accidents. Of the 72 accidents, 34 were caused by the individual affected, and 38 by other persons.

This is a part of the report made by the Game and Fish Commission each year to the National Rifle Association. It is made up of reports sent in by game wardens from over the State, and may not include all the shooting accidents of the year, according to the director.

Mr. and Mrs. Roy Horne and family spent the weekend in Waco, visiting friends and relatives.

Mr. and Mrs. J. B. Jones and Mildred of Bishop, spent the weekend with her mother, Mrs. J. J. Gregg. Mr. Jones also visited a nephew, Paul Jones and family in Coleman.

Bobby Fuller and Mrs. Ora Hunter are in Dallas this week, visiting and attending to business.

**Sorority Hears Discussion on Natl. Foundation Monday**

The Delta Omicron chapter of Epsilon Sigma Alpha met in regular session Monday, February 8. Mrs. Allyn Gill, president, presided over the business. Plans were made for the annual style show to be given March 27 at the Grade School Cafeteria. Charlotte Moseley was named overall chairman and other committees were appointed.

Mrs. Ken Bowker introduced Mrs. Helen Pearson, of Abilene, the guest speaker. Mrs. Pearson, representative of the National Foundation stressed the work and the future aims of the

Foundation.

The Foundation has not given up polio, but broadened their research work to include arthritis and birth defects.

Arthritis was selected because it is the largest crippling disease and the most costly in both children and adults. The interest in birth defects arose because there were no research programs in existence.

Members present were Mrs. Ken Bowker, Mrs. Billy Campbell, Mrs. James Dockery, Mrs. Allyn Gill, Mrs. Montie Guthrie, Mrs. Roy Henderson, Mrs. Ruby Markland, Mrs. Jake McCreary, Mrs. Burgess Stewardson, Mrs. Jim Rutherford, Mrs. Tenneson Grand, Miss Patricia Davis and Charlotte Moseley.

Guests included Mrs. Ouida Dunsworth of Brownwood, Mrs. Tom Kingsberry, Mrs. Temple Fivestash and Mrs. Roy Horne.

# State Capitol NEWS

Austin, Tex. — Here we go again! It seems as if a segment of Texas history is repeating itself as the state and numerous gas companies go to court to decide the constitutionality of a new gas tax.

Some 80 gas companies have filed suit asking the court to declare invalid the natural gas severance beneficiary tax passed by the Legislature last summer. Six of the suits are set for trial beginning Feb. 15.

They will be tried in the same Austin district court in which the contest over the old gas gathering was begun. This tax law was passed by the Legislature in 1951 and eventually declared unconstitutional by the U. S. Supreme Court.

Gas companies are attacking the new severance beneficiary tax on much the same grounds they did the gathering tax. They contend it is in violation of interstate commerce laws.

Passage of the severance tax came after one of the hardest battles of the stormy six month session. It places a 1.5 percent levy on the pipelines on the grounds that they benefit from the taking out of the gas.

Revenue-wise, the gas tax represents a rather modest portion of the overall tax program passed in 1959. It was estimated it would bring in about \$15,000,000 of an overall \$185,000,000.

### SHORT BALLOT

In the 12 races for statewide office this year, there will be only 22 candidates.

Six state officials are seeking re-election unopposed.

Some years ago, there were almost as many candidates in the governor's race alone as there are now for all the statewide offices. In those days the filing fee was only \$100. Today's price is killing off the competition.

Filing fees today are 5 percent of annual salary, which runs \$1,250 for governor, \$1,125 for U.

S. senator, \$600 for lieutenant governor, etc.

### WATCH THAT 'FLU'

If you're one of those lucky Texans who hasn't yet been hit by influenza, State Health Commissioner J. E. Peavy has advice for you.

"Don't take any chances."

In several cities the flu has reached epidemic proportions. Dallas reported the highest flu-caused death toll since the 1918 siege.

Dr. Peavy said flu ordinarily lasts only three to five days but must be taken seriously because of the possibility of complications such as pneumonia.

He advised against self-treatment and urged victims to go to bed and call a doctor at the outset.

### P-TA ENDORSES SESSION

Some 85 percent of local P-TA leaders in Texas favor a special session to raise teachers' salaries, according to a report made to Gov. Price Daniel.

Mrs. T. W. Whaley of Kosse, president of the Texas Congress of Parents and Teachers, told the governor that executive committee members of 563 local P-TA units were polled.

She said, 8,155 favored a special session, 847 were undecided and 563 were against it. There were no suggestions as to how to pay the bill.

Governor Daniel has held off calling a special session pending the development of enough public and legislative support to carry it through to success.

### POLL TAX ASSAILED

Next Texas Legislature may be called upon to vote on whether the U. S. Constitution should be amended to outlaw the poll tax.

U. S. Senate has voted out a proposed amendment to void the tax. It goes next to the House, which has passed such a measure five times before.

If the House passes it, it will then have to be ratified within seven years by the legislatures of three-fourths of the states.

Texas is one of five states which still have a poll tax. Others are Virginia, Mississippi, Alabama and Arkansas.

### LICENSE PLATES ON SALE

Texas drivers have from now until midnight, April 1, to get new license plates for their cars.

State Highway Engineer Dewitt C. Greer predicts that nearly 5,000,000 cars will be registered this year. This adds up to some long lines April 1 unless a lot of people buy early.

Greer emphasized the importance of each vehicle owner's registering his car or truck in his home county. When he goes to register, each owner should take his certificate of title and last year registration receipt.

### CITY-COUNTY STUDY

Texas Commission on City and County Government plans to send a questionnaire to city and county officials and other interested persons on the possibility of combining some city and county functions.

Aim, according to the Commission, would not be to combine city and county governments, but to find ways to economize by eliminating duplicating services.

Seventeen Texas counties, it was pointed out, have 55 percent of the state's population. It is in these areas that city and county problems tend to overlap.

### PRICE FIXING CHARGED

Atty. Gen. Will Wilson has charged a Wisconsin manufacturer of drafting equipment with fixing the prices of goods sold to the state.

Suit was filed in an Austin district court against the Hamilton Manufacturing Co., of Two Rivers, Wisconsin.

Wilson contends the company, through "suggestions" to its distributors, set the prices on more than 200 different items totaling \$100,000.00.

### Cleaning an ELECTRIC RANGE is child's play

Oven cleaning is truly "child's play" in this smart new 1960 electric range. Some of the models are equipped with pull-out ovens. This mother-daughter team can wipe clean any part of the oven, even the back walls, without stretching or straining. And that's only part of the convenience story. Surface heating units tilt up out of the way and porcelain drip bowls go to the sink for washing. Most switch knobs on the back panel are removable, glass surface can be wiped clean in seconds. Ease of cleaning is just one of the advantages of an Electric Range. You will also like the fully automatic features and the "always the same" heat of the surface units — No flame to go up and down. And so economical — Go see your Electric Appliances Dealer. He'll tell you the change is to Electric Cooking.

MRS. OTTIS ALTON TAYLOR

Candlelight magnified bridal colors of peacock blue and white when Miss Eleanor Jane Turner became the bride of Ottis Alton Taylor in a ceremony read at Memphis Avenue Church of Christ in Lubbock.

A. Hugh Clark of Caprock Church of Christ read the double ring service. The bride is the daughter of Mr. and Mrs. Haskell Turner, 626 40th St., Lubbock, and the bridegroom is the son of Mrs. O. A. Pierce of San Angelo and A. B. Taylor of Santa Anna.

When the bride's father escorted her to the altar and presented her in marriage, she was wearing a gown of imported Chantilly lace over tulle and taffeta. Fashioned with a portrait neckline embroidered with clusters of pearls and petal-point sleeves, the bodice of her gown was graced with a white tulle cummerbund lined with pearls and caught in floating panels at center back.

Her billowing skirt was embellished by alternating pleated ruffles of lace and tulle and cascaded to a chapel train.

A half hat of taffeta appliqued with lace and entwined in strands of pearls caught her fingertip veil of silk illusion.

She carried a white Bible arrangement of stephanotis blossoms surrounding an orchid.

Bridal attendants were Mrs. Joe McQueary, matron of honor, Miss Jannet Richardson and Roxane Thompson.

Mike Binkley was best man and groomsmen were Maurice Mullins of San Angelo and Gene Calvert, Jimmy Turner, brother of the bride, and Richard Daniel ushered and lighted candles.

Penny Denison, cousin of the bride, was flower girl, and Terry Denison, cousin of the bride, was ring bearer.

Wedding guests attended a reception in the home of the bride's aunt, Mrs. H. G. Denison.

The bride traveled in a beige jersey dress with bronze patent accessories. The couple will make their home at 1611 10th St., Lubbock.

Mrs. Taylor graduated from Monterey High School and attended a business college. She is now employed by Southwestern Public Service Company.

Taylor graduated from Santa Anna High School and attended a business college in Abilene, the Bible Training School in Amarillo and Lubbock Christian College. He is employed by a man's store and preaching part time at a Lubbock Church of Christ.

Claud Reid of Albuquerque, N. M., and Everett Kirkpatrick of Amarillo visited with Mrs. J. J. Kirkpatrick last week.

**Vets Use Dividends To Guard Against Loss of Policies**

More than a million veterans who have GI life insurance, policies are using their regular annual dividends to guard against the loss of their insurance. P. J. Mims, manager of the VA regional office in Waco said today.

The VA recently announced that \$253,500,000 in dividends would be paid during 1960 to more than five million veterans and servicemen who hold participating GI insurance.

GI policyholders may have these annual dividends held — with — interest by the agency as a credit to pay premiums monthly if the policyholders fail to pay them before the end of the 31-day grace period.

This procedure is followed automatically if the policyholder does not request other disposition of his annual dividends, Mims explained, but the policyholder had two other options.

He may use his annual dividends to pay policy premiums in advance, or he may request the VA to pay his dividends in cash.

Holders of permanent plan policies have a third option. They may authorize the VA to hold annual dividends on deposit with interest and subject to withdrawal on request. If not withdrawn, the money and accrued interest will increase the value of the policy, Mims added.

A policyholder who wishes to change his dividend option, should write to the VA district office which services his policy, making sure to include his insurance number and to state his new option.

**Coke County Pays Bounty For Rattles**

Austin — Coke County paid \$3,921 in bounty to rattlesnake hunters in 1959, according to Warden Raymond Taylor, stationed in that county. Some 5,824 snakes were captured.

Bounties were paid as rattles were deposited at the County Clerk's office. Each hunter had to prove that the snakes were taken in Coke County.

Only 87 sets of rattles were turned in the first month. However, this number increased during the spring and summer, as snakes began coming out of their dens.

The biggest increase came later during the winter months, when hunters captured large numbers of snakes in their dens. Many individuals have become snake-hunting professionals. Taylor reports that one hunter collected some \$736.50 in snake bounties from October through December. This same hunter found and killed 62 rattlers under one rock. He took 253 sets of rattles one day, and 251 sets on another occasion.

To drive the snakes out of their dens during the cold weather, the hunters sprayed the dens with gasoline. As the snakes crawled from the dens for fresh air, hunters chopped off their heads with sharp hoes.

The Coke County Commissioners Court voted last February to pay a 50 cent per snake bounty for a year. County officials have indicated that they may pay it again this year.

**640 Acre Lake At Waxahachie Produces Fish**

Austin — Lake Waxahachie, a new addition to Texas' chain of manmade lakes, already is producing 3 to 5-pound blacks, 1 to 2½-pound crappies, and 1½ to 3-pound channel cats, according to John I. Gerganess, game warden at Grand Prairie.

The new 640 acre lake was completed and filled in 1957, and is located on South Prong Creek in Ellis County south of Waxahachie. It is controlled by that city.

Shortly after the lake's completion, the Game and Fish Commission stocked it with 60,000 black bass. Sometime later, an additional 50,000 blacks were released.

Because of the protection provided by the people of Ellis County and Waxahachie, the fish had a chance to grow unmolested. On April 1, 1958, the lake was opened to fishing and immediately produced some nice strings-of-bass.

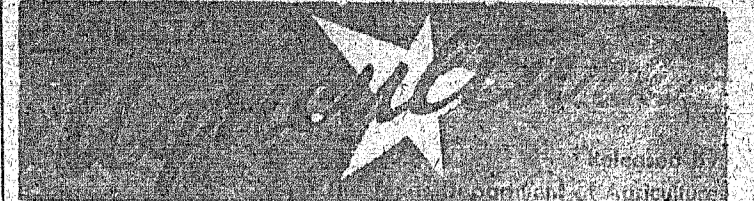

A lake officer and patrol boat help to promote and enforce the water safety laws on the lake. Such facilities as a cafe, boat rentals, bait houses, picnic grounds, and stores have been established for the service and convenience of fishermen and campers.

The South Prong Creek and Chambers Creek watersheds provide a constant supply of water for the newly constructed lake.

Besides being headquarters for some top-rate bass angling, it offers some exciting fall duck hunting.

Mrs. Martin West of Fort Worth spent the weekend with her mother, Mrs. Ura Dillingham.

**CERTIFIED SEED PROGRAM EXPANDS**

Expansion of the Texas Certified Seed Program is such that it has prompted the Texas Department of Agriculture to plan a new seed laboratory for East Texas, construction of which will begin in Tyler about March 15.

Texas has now taken the lead from California as the nation's top producing state for certified seeds. Texas acreage dedicated to the production of certified seed is now in the neighborhood of 200,000 acres, while California's certified seed acreage has dropped about 16,000 acres, from 178,296 acres to 161,297 acres.

The Texas Certified Seed Program is a voluntary program. Farmers or individuals apply voluntarily for inspection of their acreage and they must meet all of the requirements necessary for the Foundation

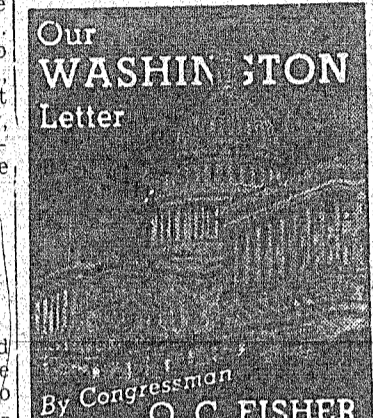

**Registration and Certification Classification**

The Texas Department of Agriculture used some 55 inspectors in 1959, who inspected around 200,000 acres of 20 different field crops consisting of 190 different varieties. An average of 2½ inspections was made on each field, and in 1959 the department issued more than 250,000 Foundation and Registered tags and more than 2,000,000 Certified tags.

This service is paid for by those making application for certification, without cost to the taxpayers of the State. In 1959, the department took in a total of \$193,48 for services rendered to seed-producers and spent \$181,781 to provide these services and certifications.

A field upon which application for inspection is made must show evidence of good management. The Texas Department of Agriculture approved inspectors must inspect for isolation varietal purity, other crop diseases, weed and noxious weeds. The field must meet high standards for each of these factors. Seed eligible under the Certification Program must pass high laboratory standards for purity, other crop seed inert matter, weed seed, noxious weed seed and germination.

The Texas Department of Agriculture inspector draws official seed samples from tagged Foundation, Registered and Certified seed for testing by the department's seed laboratories as a further means of checking to see that such meets with seed certification standards.

THE NAVAL ACADEMY will get the lion's share of academy talent from the 21st district this year, with three principal appointments to be made. The Military Academy has one vacancy for this district, and there is one for the Air Force Academy at Colorado Springs.

Nominees for the Naval Academy are as follows: Principals, Richard Edwin Goolsby of Brownwood, Wm. A. Griffiths, III, of San Angelo, and Robert D. Jones of Lampasas. Alternates include Louis G. Lee of Maverick, Robert V. Branson of San Angelo, Bill Donowho of Mullin, Joe Terrell of Brownwood, Charles R. Carter and Charles R. Bryan of San Angelo, Richard Curtis Gleaton of Brady and Jacob William Mohr, Jr. of Rochelle.

Jack Larry Rabb of Robert Lee got the nomination for the one vacancy at West Point, with John Simpson of San Angelo, Richard Gleaton of Brady and John H. Trolinger of San Angelo as alternates.

The coveted Air Force vacancy, Jim Richmond of Blauvelt, Brown County, has been nominated, and the 10 alternates who go into a competing pool under the Air Force Academy method, are as follows:

Jay Michael Brown of Mason, William Irvin Chambers of Del Rio, Larry Bill Cummins of Uvalde, Gary Yates Dickison of Del Rio, Waymon Glen Garner of Brownwood, Charles Warner Hummel, Jr. of Kerrville, Gordon Lee McCullough of Coleman, Gerald Henry McDonald of San Angelo, Charles Newlin of Brady, and John William Tompkins of Lampasas.

**TAX-MAN, SAM SEZ:**

In country towns everybody knows the Postmaster is Uncle Sam. (He just doesn't wear whiskers and striped pants. Most country Postmasters carry tax forms to take care of uncle's business. In the big cities, however, taxpayers went to the Internal Revenue office, wrote a letter, or called on the phone to get the returns. Our city cousins have been happy to find a tax table in the postal sub-station this year. Maybe the tax forms business has gone suburbia. Our country post offices have carried income-tax forms during the filing season for years.
