SANTA ANNA, COLEMAN COUNTY, TEXAS, FEBRUARY 3, 1972

NUMBER 5

Mountain Echoes

By Barbara Kingsbery

Hijackings and skyjackings are no laughing matter during this day and age. One local man can assure you it's not funny at all.

Frank Gillespie, a director of the local telephone cooperative, accompanied Thomas and Idella Wristen to Florida for a national convention last month and stopped off en route to visit with a brother.

He joked about not flying—he had no desire to go to Cuba—so he took the train to Miami Beach, meeting the Wristens there for the convention.

Mr. Gillespie, in boots and typical western hat, boarded the train as planned, but the trip was not without excitement.

A man, apparently mentally unstable, stalked through the train armed with a shotgun and pistol. At one point the armed man stopped and looked at Gillespie but moved on without saying a word.

Train crewmen moved passengers from one car to another and finally locked the armed man in an empty car until he could be subdued.

We wonder if Mr. Gillespie will take a plane on his next trip, or perhaps just stay at home!

bk

Game Warden Roy Winburne was in the NEWS office this week requesting us to remind local people of the newly required boat registration. All boats with any type of motor used on public waters must have an official state registration this year.

Registration forms are available at the County Tax Assessor - Collector's office at the Court House and they should be completed as soon as possible—or at least before the boat is used. The registration is for a two-year period.

bk

Boats used only on private stock tanks or flood control ponds do not need to be registered, Winburne said.

bk

Work is continuing on the new vocational agriculture building this week after being idle for about a week.

Although all plans and procedures had been checked before the construction began, work was halted while technicalities on school district financing was investigated.

Some pessimistic souls suggested several uses for the nice big concrete slab in case the building was not needed.

The final portion of the floor will be completed when the weather is warmer, and actual work on the structure should begin in a few weeks.

Party Planned For Local Man On 95th B'Day

J. B. Howington will be honored with a party Saturday, Feb. 5, in honor of his 95th birthday. The party will be held at the community center of the Mountain City Apartments from 2:00 to 4:00 p. m. All relatives and friends are invited to attend.

Mr. Howington is still active and resides alone at the downtown apartment complex.

Entries Sought Before March 1 For REA Event

Expense paid trips to the nation's capitol city will be awarded winners of an oratorical contest was announced this week by C. L. Newton, manager of Coleman County Electric Cooperative.

Contest is open to any boy or girl at least 16 years of age but not 18 years of age prior to Sep. 1, 1972, Mr. Newton said. Winners will join winners of similar contests sponsored by other electric cooperatives, across Texas on the sixth annual Texas Electric Cooperatives Government-in-Action Youth Tour to Washington, D. C. All expenses of the 12-day trip beginning June 9, will be paid by Coleman County Electric Cooperative.

Each entrant will be required to give a five to eight minute talk on the subject "Why Are We Here," and answer 1 or more of 50 questions asked by the judges.

The oratorical contest will be judged on the basis of (1) knowledge of subject - 40 per cent; (2) speaking ability - 30 per cent; (3) poise - 10 per cent; (4) personality - 10 per cent, and (5) appearance - 10 per cent.

Interested young people may obtain an official entry blank from their school or the offices of Coleman County Electric Cooperative. The deadline for submitting entries will be March 1, 1972.

As participants in the Texas Electric Cooperatives Youth Tour, local contest winners will travel by chartered bus to Washington, D. C., where they will spend four days visiting places of historical interest and seeing the nation's government in action. On Wednesday, June 14th, the Texas group will meet more than 1,000 students from other states for a program sponsored by the National Rural Electric Cooperative Association and the Rural Electrification Administration. The program will feature presentations by officials of these organizations and other Washington personalities and possibly the Presidential staff.

The eventful day will end with a chartered cruise down the Potomac River which will include entertainment and refreshments.

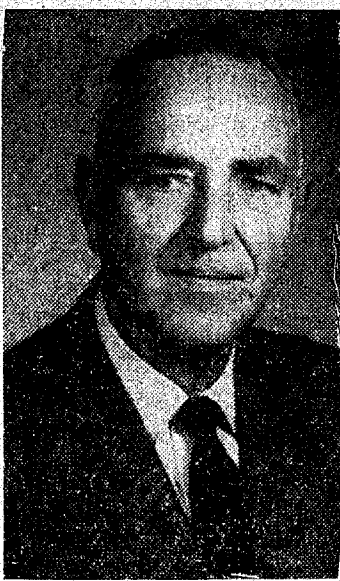

Also included on the 12-day agenda will be visits to the following: George Washington's Mount Vernon home, Arlington National Cemetery, the U. S. House and Senate, the U. S. Department of Agriculture, the Smithsonian Institute, the Lincoln Memorial and other places of interest.

Jimmy Benton, SAHS senior student, was one of the Coleman County winners last year who made the trip to Washington, D. C.

Meeting Friday Of Garden Club At City Library

Mrs. H. L. Zachary and Mrs. C. M. Moseley will be hostesses for the Friday, February 4, meeting of the Mountain City Garden Club. The group will meet at the clubroom of the City Library building at 3:00 p. m.

Theme for the meeting will be "Selecting Horticulture for the Show." Mrs. Arthur Casey and Mrs. Zachary will present the program and there will be an exchange of horticultural cuttings. Slides belonging to Mrs. Malcolm Cole of Brownwood and Mrs. John Hunter will be shown. All members of the group are urged to be present.

WILLIAM O. BREEDLOVE
District Judge Candidate

B'Wood Attorney Seeks Election As Dist. Judge

William O. Breedlove, Brown County Attorney, has announced his candidacy for 35th District Judge in the coming Democratic primary. Breedlove, who has served at the county post since 1963, also served as Brown County Judge from 1952-1958.

The District includes Coleman, Brown and McCulloch Counties.

Breedlove's statement for candidacy is given elsewhere in the NEWS.

Two-Car Mishap At Intersection Injures Woman

Extensive damage was done to the Louis M. Guthrie automobile in a two-car accident early Tuesday afternoon. The Guthrie car, a 1966 Ford, was in collision with a 1965 Plymouth sedan driven by Rosa Salazar.

The accident occurred as Mrs. Salazar was traveling east on Willis Street, and Mr. Guthrie was driving south on South First Street.

Highway Patrolman Al Chambers estimated \$500 damage to the Guthrie car and \$350 to the Salazar vehicle.

Mrs. Salazar was taken to the Ranger Park Hospital for emergency treatment following the accident.

Revival Meeting At S. A. Church Ends On Sunday

Revival services are continuing this week at the Santa Anna Assembly of God Church with services being held at 7:00 p. m. each evening through Sunday, Feb. 6. Roger and Mary Morgan of Odessa are conducting the services which include special music at each service. The Sunday morning worship service will be at 11:00 a. m.

Everyone in the community is invited to attend the services and hear the talented musicians, and gospel preaching.

Bangs School Vo-Ag Teacher Injured In Vehicle Accident

C. H. Sargent, Bangs High School vocational agriculture teacher, was critically injured in a vehicle accident at Stephenville last Saturday. Sargent was enroute to Fort Worth and alone in his pickup truck when the collision occurred on an ice-slick overpass. The lone occupant of the other vehicle was also injured in the mishap.

Local Students To Be Visited By "Uncle Sam"

Santa Anna school students will have a special program Thursday when West Texas' Uncle Sam makes a visit here. Mr. Lois Dunlap of Abilene is associated with "Uncle Sam In Action" and has put on Americanism programs before thousands of Abilene and West Texas students and organizations.

In October of 1970, Mr. Dunlap was asked to present a program on Americanism in one of the Abilene schools. In thinking of a way to put emphasis on the program, he came up with the idea of wearing an Uncle Sam costume. That very first day he gave five programs to schools in Abilene. Since that time he has given programs to school students, 4-H Clubs, scouts, and almost every kind of civic and service club and organization.

The program is designed with a positive approach, and its sole purpose is to teach and promote Americanism, patriotism and good citizenship to every facet of our society.

Because of the many requests for the program it has been implemented into a full-time endeavor.

Dunlap will speak to the junior high and high school classes from 9:00 to 9:30 a. m. this morning. Grades one through six will have a separate program beginning at 9:45 a. m. Dunlap also plans to visit in the different classrooms during the day.

The public is invited to attend either of the two programs today. There is no admission charge.

Play-off Game Being Planned For Fem Cagers

The Santa Anna High School basketball teams will end the scheduled season this week with Friday night games at Mozelle.

The Santa Anna girls still have a glimmer of hope for the District 17-B title as they are tied 4-1 with the Talpa Centennial girls for the first-half championship, and a victory in the play-off game would make a tie for the championship. Talpa - Centennial is presently leader for the second half after winning over Santa Anna in the second round of district play. In the first half, Santa Anna defeated Tal-Cen, then lost to the Novice girls.

Mozelle is holding the District 17-B boys title, having won all their district games this season. Talpa-Centennial is second in the district and the Santa Anna boys are third.

School officials and coaches from Santa Anna and Talpa - Centennial are expected to set a place and date for the girls' play-off game this week.

Judge Dibrell Has Announced For Re-election

District Judge Joe Dibrell has announced this week that he will be a candidate for re-election to the three-county post.

A Coleman native, Dibrell served as Coleman County Attorney before being elected to the District position.

A statement to the voters is in this issue of the NEWS.

Omar Bureson Announces For Re-election

Congressman Omar Bureson, who represents the 17th District of Texas in the United States House of Representatives, has announced for re-election. He has filed for a place on the ballot in the Democratic Primary Election on May 6, 1972.

Bureson was elected to the 80th Congress from the 17th District and has been re-elected to each succeeding Congress. He is a member of the Ways and Means Committee, considered to be the most powerful and prestigious in the House.

Coleman County is still a part of the 17th District after a delay was called on the last week's federal judges' redistricting which would have placed Coleman County in another Congressional District.

SNOW MONDAY BLANKETS AREA

"Blue Monday" turned into white Monday this week as a heavy snowfall began in Santa Anna at about 3:00 p. m. By 5:00 p. m. the town and surrounding area was completely covered with from four to six inches of snow.

The temperature was above freezing until late Monday night and then fell to just under 30 degrees.

A heavy fog covered the area early Tuesday morning but the sun was shining by mid-morning and the snow quickly melting.

Local farmers and ranchers are pleased to have the moisture on their fields and pastures, especially on the small grain which was damaged by recent freezing weather.

LOCAL GIRL IS HOSPITALIZED AT HENDRICKS

Michelle Cozart, 14-year-old daughter of Mrs. Janice Cozart, is getting along well at Hendricks Hospital in Abilene while being treated for viral encephalomyelitis. The disease was the after-affect of common measles which she had in a mild form last week. Michelle, an eighth grade student, was admitted to Hendricks Hospital on Thursday of last week.

Mrs. Cozart's two younger daughters, Cindy and Suzette, are staying with their aunt and uncle, Mr. and Mrs. Calvin Campbell. Michelle is expected to be in the hospital for another week.

Santa Anna VFD To Meet Monday

A monthly meeting of the Santa Anna Volunteer Fire Department and the Ladies Auxiliary will be held at the Fire Hall on Monday night, Feb. 7. Members of the two groups are urged to be present beginning at 7:00 p. m.

FOUR VEHICLES ARE DAMAGED ON ICY OVERPASS LAST FRIDAY

An ice-coated overpass at the west edge of Santa Anna was the scene of a four-vehicle pile-up on Friday of last week. The series of accidents occurred at about 10:55 a. m. as a slow drizzle fell in the community.

A 1967 Chevrolet pickup driven by Billy Joe Kuykendall of Santa Anna was struck from the rear by a 1970 Chevrolet pickup driven by John W. Washburn of El Paso. The two damaged pickups blocked a 1967 Ford car in its lane of traffic on the overpass.

Within minutes of the first accident, the Washburn pickup was struck by a 1970 Pontiac driven by William Chesnut of Midland. The impact of the second crash knocked the Washburn vehicle into the

Kuykendall vehicle which in turn struck the parked Ford sedan broadside. Mrs. Eloise McDonald of Robert Lee was driver of the Ford.

There were no serious injuries in the mishaps but damage to the four vehicles ranged from \$750 to \$1250.

Highway Patrolman Al Chambers and Deputy Sheriff Ron Hooton investigated the accidents.

VFD Gives Aid At Three Fires

The Santa Anna Volunteer Fire Department answered three calls during the past week, two in Santa Anna and one rural fire.

On Tuesday of last week a fire of undetermined origin destroyed a frame storage shed at the Buddy Benge home on Avenue B. The dense smoke covered the neighborhood during the fire but the firemen with two trucks kept the blaze under control and there was no damage to the Benge house or neighboring homes. The fire occurred at approximately 5:30 p. m.

A blaze at the West Texas Utilities Co. substation on Willis Street and South Third was extinguished Wednesday night. A crossarm on one of the poles burned with no other damage. A ladder truck was used to control the fire.

A grass fire at the edge of Valera last Wednesday was extinguished with the help of Santa Anna and Talpa firemen. The fire was along the highway and was controlled without much damage.

Barnes Rally Slated Tonight In Brownwood

Ray Price, one of the top country western entertainers, will be featured at the Thursday night (tonight) Ben Barnes Home County Rally to be held in the Brownwood Coliseum at 7:30 p. m. Other entertainment will be provided by high school bands from the surrounding area.

The rally tonight officially opens the statewide campaign of Lt. Governor Ben Barnes who is a candidate for Governor.

Persons from a 43-county area have been invited to attend the rally. There is no admission charge and everyone is invited to attend.

FBC Directory Being Planned

A pictorial directory of the members of the First Baptist Church has been planned and a photographer is scheduled to be at the church later this month.

Pictures will be made of family groups or individuals and be included in the directory. There is no charge for the photography but copies of the pictures will be available to anyone wishing to have them.

Non-resident members of the church are invited to be included in the directory if they can have their pictures made on the scheduled dates. Appointments from 1:00 to 7:00 p. m. Saturday and 1:00 to 6:00 p. m. Sunday, Feb. 19 and 20, may be made by calling the church office. It is hoped that all resident members and Sunday School members will be included in the directory.

JANUARY MOISTURE

January rainfall in Santa Anna totaled .95 of an inch according to Ray Owen, official rain gauge. The moisture came at two times, .60 on January 4 and .35 in from the January 31 snowfall.

The official rain gauge is at the east edge of Santa Anna.

In Our Opinion

By W. T. HAYS

THERE COMES A TIME in the life of any nation when decisions concerning its future determine whether it shall live or die.

In the United States we are facing some decisions, some domestic and some international in scope, that are going to determine our fate.

Once considered a military power, which was the greatest deterrent to our enemies wanting to tangle with us, the United States has shown a gradual dissipation of military might during the last decade. At the same time, Russia has continued to build up her military strength at a point where it dominates the world.

According to "Jaynes Weapons Systems," a British armament reporting service that has for 50 years been recognized as the most accurate in the world, the USSR is now outstripping the West in the production of sophisticated weapons. Also the Soviet navy is now considered the "super navy" of a super power. Right now they could destroy virtually all US land-based ICBMs in a surprise first attack and at the same time their missile submarines could destroy most US manned bombers before they could become airborne.

This fact is obvious to many House and Senate members, but a group of liberals who are playing into the hands of the Communist countries still are trying to keep military expenditures down. They are still pushing a compromise in the arms race, but it is evident that Soviets will agree to nothing that would not leave them in superior position.

At the present time it would take at least eight years to produce a bomber to replace the aging B-52's and five years to come up with a missile program that would match the Reds.

Cong. Edward Hebert, chairman of the House Armed Services Committee, notes that, although the Soviet Union is essentially a land nation with no usable year-round ports, she is building an all-ocean navy obviously determined to become "mistress of the seas." She is building the mightiest and biggest navy in the world and deploying fleets in all oceans and seas. At the same time, most US navy ships are over 20 years old and obsolete. Yet we have plans for a 100-mile-an-hour navy, but there has been no production. The USA is becoming a sitting duck for superior Soviet weaponry.

At the same time, instead of spending money on the upgrading of our military, we are spending money all over the world aiding other nations. This could well be used at home.

The liberals who take the soft attitude on the continued growth of Russia's armed might, try to explain it away by saying that Russia is arming for self defense because they have Red China to deal with, as well as being afraid of US intentions. But the Russians are no fools, they know the history of the United States and know that we are not an aggressive nation. They also know we want no part of Russia or any Asian nation, and they are going to take advantage of the situation. They want us to lose our capacity to defend ourselves while they build a massive striking force. As for Red China, compared to Russia, they are a primitive nation and would be no more than a flea on the Russian bear.

Unless America is willing to rebuild their force to the point of being a deterrent to attack, we might well face the fact that the day will come when the Soviets will destroy us.

STATE **Capital NEWS**
By BILL BOYKIN

Austin — One adverse federal court decision after another fuels the feud between Gov. Preston Smith and Lt. Gov. Ben Barnes.

Smith was quick to blame on Barnes the failure of a 1971 filing fee statute which threatens to force a special legislative session.

While that issue was still raging, another Dallas three-judge court struck down the legislature's congressional redistricting plan. Once more, Smith accused the lieutenant governor of "reluctance" and "inaction" on redistricting.

When a third court frowned on House of Representatives redistricting in major counties as done by a board Barnes served on, Smith once more leveled at the lieutenant governor of "immature action" and lack of leadership. Single-member districts were ordered for Bexar and Dallas counties.

Sen. J. P. Word of Meridian, speaking in Barnes' defense, said Smith offered the legislature no leadership, himself and reminded that the governor could have vetoed the congressional redistricting measure if he didn't like it.

Meanwhile, Atty. Gen. Crawford Martin succeeded in getting a temporary postponement of the congressional redistricting order. The U. S. Supreme Court agreed to delay the new plan pending appeal.

U. S. Sen. Lloyd Bentsen, who intervened as a friend of the court in support of the stay, said congressional candidates for this year, at least, can run in the districts given them by the legislature.

That would be a relief for Congressmen Graham Purcell of Wichita Falls and Omar Burleson of Anson; Jim Wright of Fort Worth and Ray Roberts of McKinney and O. C. Fisher of San Angelo and Abraham Kazen of Laredo who had been pitted against each other in the federal district court plan.

If he has to call a special session on primary election financing, said Smith, he will expect "those responsible for creating this problem" to come up with "workable alternatives."

GOVERNOR'S POLL TAKEN — Dolph Briscoe won another editor's poll last week at the Mid-winter meeting of the Texas Press Association. Editors were asked first who they thought would carry their county — if the vote were taken on that date (January 24). Forty-eight editors responded to the poll with this vote: Briscoe, 18; Preston Smith, 13; Ben Barnes, 12; Barnes-Briscoe tie, 2 and three undecided.

They were asked: "How will you vote in the 1972 Governor's race?" This was the result: Briscoe, 28; Smith, 6; Barnes, 5; Grover, 1; and undecided, 8.

CRIME FIGHT PROPOSED — The governor's Criminal Justice Council promises a legislative drive for laws to help stamp out organized crime in the state.

Mafia-type operations have been noted in Texas by the President's Commission on Law Enforcement and Administration of Justice and other investigators, the Council's new 1972 plan points out.

Further, states the council, many bets on sports events are being taken by bookie shops with national "confederation" affiliation.

This legislation was recommended:

- Power for the attorney general to bring suit in criminal cases.
- Subpoena power in a statewide grand jury or crime prevention council.

- Permission for electronic surveillance (including wire-tapping).

The Council proposes to spend about \$1 million of its projected \$25 million 1972 allocations for action against organized crime.

INSURANCE HEARING SET — The State Board of Insurance set a February 15 hearing on insurance premium rates, broader damage coverage, and higher liability limits for coastal and beach areas, under the new Catastrophe Pool Act.

Due for consideration is a deductible on beach dwellings of two per cent of the amount insured, with a minimum deductible of \$250 and elimination of percentage deductible on beach commercial risks substituting a \$500 flat figure. The Board also proposes to consider adoption of building specifications for high risk coastal areas.

The Board will also consider hiking coverage limits to \$1 million on beach dwellings and \$5 million on commercial risks. Under the present pool, wind-storm damage is limited to \$100,000 on a beach home and \$500,000 on a commercial venture such as a marina or hotel.

insurance for its retired employees.

- The 1971 rules adopted by the Texas State Board of Dental Examiners are valid.
- Dallas Independent School District trustees cannot alter the method of electing members to provide that six be elected by votes of their single districts.
- Good Neighbor Commission members are not authorized reimbursement for use of private airplanes on official business out of state.
- The Industrial Accident Board has jurisdiction over industrial injuries to employees of the City of Bryan.
- A \$5,000 legislative appropriation to Elm Creek Water Control District is valid, and the governor has no authority to veto a portion of an appropriation.

COURTS SPEAK — A candidate for state senator must live in his district only one year before the date of the general election, the State Supreme Court held.

Overruling the Austin Court of Civil Appeals, the High Court found legal the University of Texas' acquiring 280 acres of its UT-Permian Basin campus site at Odessa through donation of park land acquired with county bond funds.

The Court of Criminal Appeals relaxed rules on admissibility of gory pictures in murder trials, holding, in effect, that use of photographs is largely up to the trial judge's discretion where it is "competent, material and relevant to the issue on trial."

APPOINTMENTS — James F. Ray of Arlington was selected executive director of the Commission on Intergovernmental Relations.

Governor Smith named 10 more members of the Texas Criminal Justice Council. They are Mrs. Gladys M. Mangum of Clyde, Sidney L. Sadler of Pecos, D. V. Flores of Houston, Jim Lindsey of Del Rio, M. M. Vickers of Brownsville, Joe T. Morrow of Honey Grove, Vernon B. Rucker of Killeen, George M. Newman of Waco, Dr. John T. Holbrook of Bryan and Michael G. Reily of Corrigan. Dr. Wallace Larson of San Antonio is the new president of Texas Veterinary Medical Association.

Ralph Yarborough designated Clifton L. Holmes of Killeen as his assistant statewide campaign manager and director of organization.

Board will hold hearings February 7-11 in Baytown on reduction of municipal and industrial wastes into Houston Ship Channel.

Discharges must be reduced to the level permitted by the U.S. Environmental Protection Agency following a Galveston Bay shellfish conference. The federal rule requires reduction of oxygen-depleting substances dumped into the channel to 35,000 pounds a day by 1975. About 100,000 pounds daily is the present level.

SHORT SNORTS
Texas building — 24 per cent over 1970 — set an all-time record last year.

The Moody Foundation of Galveston approved grants totalling more than \$5 million to 120 programs and projects in 1971.

Governor Smith told the Senate finance committee the federal government must assume 100 per cent of welfare and medical aid costs.

Nolan Robnett of Austin is a Democratic candidate for state treasurer.

Tom McElroy, of Dallas entered the Republican governor's primary. GOP leaders say they want a wide-open gubernatorial race.

Planning offices for the 1972 national governors' conference in Houston opened at the headquarters Shamrock Hilton Hotel in Houston last week.

CHILD BREAKS ARM

Juliann Jones, daughter of Mr. and Mrs. William Jones of Gouldbusk, sustained a broken arm in a playground accident at the Santa Anna Elementary School on last Thursday. The little girl is a third grade student and her mother is a teacher in the local junior high.

Rockwood News

By Mrs. John Hunter

Mrs. Bill Bryan will host the social of the Baptist Women Monday, Feb. 7, at the Community Center, at 2:30 p. m.

Ernest Brusenhan of Coleman was a Tuesday dinner guest of Mr. and Mrs. Kenneth Brusenhan, all attending funeral services for the Wise brothers.

Mrs. John Kemp visited with Mrs. C. H. McCarrell and family Saturday enroute to San Antonio, also coming back home Monday.

Recent visitors with Mrs. Kate McIlvain were Mrs. Jack McSwane, Mrs. Jack McCreary, Mrs. Aubrey McSwain, Mrs. Lon Gray and Mrs. F. E. McCreary.

Miss Judy Bryan, Mrs. Pat McAllister and Dee Dee of Dallas spent Monday to Wednesday with their parents, Mr. and Mrs. Bill Bryan, coming for services for their uncles. Mr. and Mrs. Carl Shaw of Bunchanan Dam were Tuesday guests, also attending funeral services.

Mrs. Bill Steward thanks all the many friends for the food brought to her home and the many kindnesses.

Mrs. Joe Wise and Mrs. Beulah Unger were in Brady Saturday visiting their mother, Mrs. E. M. Tisdal, who was marking her birthday anniversary.

Mrs. F. E. McCreary was admitted to the Brady hospital last Tuesday. Mr. and Mrs. Frank McCreary, Jr. of Palestine spent the weekend with her. Mr. and Mrs. Glen Jones of Waco were Sunday visitors.

Sunday dinner guests of Mrs. Lon Gray were the Rev.

John Lindsay, Mr. and Mrs. Bill Bryan and Serena. After lunch Mrs. Gray and the Rev. Mr. Lindsey visited Mr. and Mrs. Joe Wise and with Mrs. McCreary in the Brady hospital.

Joe Wise was a patient in the Brady Hospital Sunday to Tuesday.

Visiting with Mr. and Mrs. Claud Box and attending the funeral services were Mr. and Mrs. Bob Floyd of Dallas, Mr. and Mrs. Joe Box of Abilene, Mr. and Mrs. Paul Riddle of Coleman, Mr. and Mrs. Elton Cheatham of Boerne and the Rev. and Mrs. Donnie Melton and children of DeLeon, and Mrs. Vera Lovelady of Brownwood.

Dr. and Mrs. Ross Owens of San Antonio visited Miss Lennie Box recently.

I'm sorry, your reporter is down with laryngitis; hope to have all of the news next week.

TUESDAY SURGERY

Mrs. Ernest Roberts had major surgery Tuesday morning in the Coleman hospital. According to a sister, Mrs. Arthur Talley. Mrs. Roberts was getting along as well as could be expected.

Aunt Sarah, I love you.

Remember my 10th birthday, when you gave me that funny piece of green paper and everybody made such a fuss over it. (Except me.) Frankly, it was a pretty disappointing present for a kid. I couldn't eat it, couldn't play with it, couldn't wear it—and Mom took it away from me practically the minute I got it.

And every birthday after that (and Christmas, too), you gave me another one of those Bonds, you called them. I thought you were pretty gooney!

At least, I never had to guess what I was going to get from good old reliable Aunt Sarah.

And what I got was good old reliable U.S. Savings Bonds.

What I didn't realize then was that you gave me a gift of security for the future. Thanks to you and those Bonds, I had extra funds for college. And they helped when I bought my first new car.

Next week, I'm giving my nephew, Harry, his first U.S. Savings Bond. I know the kid is gonna think I'm some kind of nut. But, someday...

Bonds are safe. If lost, stolen, or destroyed, we replace them. When needed, they can be cashed at your bank. Tax may be deferred until redemption. And always remember: Bonds are a proud way to save.

Take stock in America.
Now Bonds pay a bonus at maturity.

LOCAL GIRLS AMONG WINNERS AT COUNTY 4-H FOOD SHOW

"Foods for Special Occasions" theme set the mood for Coleman County's 1972 4-H Food Show. Thirty 4-H'ers prepared food and set tables to carry through the festive theme. Lorna Clevenger, Angela Ferguson, Leann Bryan, and Ginger Rodgers took the high honors of the day which will take them to district food competition in Sweetwater on Feb. 5.

4-H'ers were divided into the four food groups, meat, fruit and vegetable, bread and cereal, and milk within the junior and senior divisions. 4-H'ers showing in the junior division were ages 9 through 13 and senior division aged 14 through 18.

Each girl was judged on the appearance and taste of her food, attractiveness of her table, her knowledge of food and nutrition, and completeness of her record book.

Blue ribbon winners were: Cindy Greenlee, Cara Blackmon, Lorna Clevenger, Les-

lie Barr, Robin Barron, Sheila Burrow, Melissa Hoffpauir, Sherri Scarborough, Sarah Jamison, Leslie Newman, Lorna Rutherford, Sandra Tisdale, Kristi Barron, Angela Ferguson, Leann Bryan, and Ginger Rodgers.

Red ribbon winners: Pam Vineyard, Monica Stephens, Sandra McDonald, Ray Ann Skelton, Kayla Cavanaugh.

White ribbon winners: Marchetta Templeton, Janet Wilkinson, Rita Renshaw, Mary Rendon, Teresa Johnson, Tracy Duus, Dahlia DeLeon, Jody Barkemeyer, and Becky Rendon.

Jr. Second alternate to district, high point in the fruit and vegetable group was Cindy Greenlee. First Jr. alternate to district and high point winner in the meat group was Kristi Barron. First alternate to district in the Sr. division was Becky Rendon. Each alternate received a Gladiola Six Flags Cookbook plus a Gladiola product certificate.

Highpoint in Jr. Milk Group Lorna Clevenger and Leann Bryan in Sr. Fruit and Vegetable will attend district and they also received a Gladiola Six Flags Cookbook, a Gladiola Product Certificate plus a 4-H Foods Medal.

Overall high pointers of the Jr. and Sr. Division, Angela Ferguson and Ginger Rodgers, received a 4-H Food Medal plus a Typically Texas Cookbook compliments of the

HD Club Meeting Held At R'Wood Last Wednesday

The Rockwood Home Demonstration Club met Wednesday, Jan. 26, at 2 p. m. in the Community Center, with Mrs. Jack McSwain and Mrs. Bill Bryan as hostesses.

Mrs. Bert Fowler, president, presided. Mrs. McSwain gave the thought for the day. Mrs. Bill Bryan, secretary-treasurer, gave the financial report and read minutes of the previous meeting. It was voted to place a memorial book in the center. The H. D. Club and Quilting Club voted a cash donation to the cemetery fund in memory of Hilton Wise. A report on the stock show was given by Mrs. Fowler and the Family Night was planned.

Mrs. Bill Nevans directed the Arbor Day program; participating were Mmes. Roland Duus, Bert Turney, Lon Gray, Charles Greenlee, Jack Cooper, and R. J. Deal.

The Valentine motif was used in decorations with the refreshment table covered with lace cloth over red, centered with an arrangement of red roses. Heart shaped chicken sandwiches, heart cookies, red mints, coffee and tea were served to Mmes. Duus, Nevans, McSwain, Gray, Deal, John Womack, John Hunter, Marcus Johnson, John Perry, Bert Fowler, Bert Turney, Bill Bryan, Wayne Bray, Charles Greenlee, Jack Cooper and Johnnie Steward.

1972 STATE TRAVEL MAPS AVAILABLE

Gleaming new stretches of interstate highways, more miles of four-lane divided facilities, several new lakes and a new National park make this year's 1972 Official Highway Travel Map better than ever.

The free map, published by the Texas Highway Department, is a perennial favorite with Texas motorists. Projections for 1972 call for distribution as high as 1.4 million.

This year's map includes the addition of Lake Fairfield in Freestone County and Decker Lake in Travis County. Lake Palestine, located in Henderson, Smith, Cherokee and Anderson Counties, has been on the map for several years. This year, however, the water impoundment has been enlarged considerably.

The new map reflects construction, realignment and improvement of many types of highway facilities in the State maintained system.

The publication shows that about 130 miles of Interstate highways have been added to the state's highway network. Texas now has 2,922 miles of Interstate highways open to traffic. When the national Interstate system is complete, Texas will have 3,176 miles of IH routes.

The map shows that several important gaps in the State's Interstate system have been closed. These include:

- A 40-mile segment of IH 30 between Dallas and Texarkana.
- A 32-mile segment of IH 45 between Streetman and Eufaula, completing IH 45 between Dallas and Galveston.
- Ten mile and 31-mile segments of IH 20 between Abilene and Fort Worth.

The '72 map shows that some 265 miles of divided highways have been added to the state system. This gives Texas 5,695 miles of four-lane divided facilities. Four-lane divided highways are an important safety measure in an effort to cut down on head-on accidents.

The new map will reflect a new U. S. Highway 380 designation from Greenville in Hunt County, westward to near Old Glory in Stonewall County. In addition, the map will show the new boundaries of the Guadalupe Mountain National Park located in Hudspeth and Culberson Counties.

Visitors will find expert assistance in planning travels in Texas at 11 tourist information bureaus operated by the Highway Department, including the Roy Bean Visitor Center and Cactus Garden at Langtry and in the Capitol

Meeting Slated Of FHA Chapter Monday Night

The Future Homemakers of America chapter of Santa Anna High School will meet at the school auditorium next Monday night, Feb. 7. All members of the group are urged to be present for the monthly meeting, beginning at 7:00 p. m.

WACO VISITORS

Mr. and Mrs. Glenn Smith, Fran and Jan, of Waco visited in Santa Anna with his parents, Mr. and Mrs. Richard Smith, on Friday. Glenn had a business meeting in San Angelo Friday night and Saturday, and they all went from here to Melvin for a visit with her parents, Mr. and Mrs. Chester Engdahl.

YOUTH NIGHT AT FBC

The regular first-Sunday youth night program will be held at the First Baptist Church Sunday night, Feb. 6. The service will begin at 6:00 p. m.

All young people in the community are invited to be present.

Following the service there will be youth fellowship at the church annex.

STILL IN HOSPITAL

H. A. (Sy) Burden is still in the Ranger Park Hospital but reported to be improving. He was admitted about ten days ago.

Bridal Shower Held Saturday For New Bride

Mrs. Johnny Williams, the former Miss Kathy Patton, was honored with a bridal shower on Saturday, Jan. 29, at the Shields Community Center.

Greeting guests were the honoree and her mother, Mrs. Cleo Brooks, and Mrs. Grady Williams, mother of the bridegroom.

The tea table was laid with a white lace cloth and centered with an arrangement of pink roses. Punch and cake were served from crystal appointments, carrying out the honoree's chosen colors of pink and white. Mrs. Jesse Fryar and Mrs. Donald Williams served.

Gifts were opened and displayed.

Other hostesses were Mmes. Jesse Williams, Bert Fowler, E. S. Jones and George Wheatley.

The new Mr. and Mrs. Williams were married in Coleman on January 14 and are living in Coleman.

STILL IN HOSPITAL

H. A. (Sy) Burden is still in the Ranger Park Hospital but reported to be improving. He was admitted about ten days ago.

ACC Professor Gives Program At Church Meet

The ladies of the Seventh-day Adventist Church were host group for the Monday afternoon meeting of the Santa Anna Church Women. The meeting was held at the United Presbyterian Church beginning at 3:00 p. m.

Mrs. C. P. Wenzel gave the opening devotional.

Dr. Neil Lightfoot, professor of Bible at Abilene Christian College, was the guest speaker and showed colored slides.

At the close of the program refreshments of punch and assorted cookies were served. The refreshment table in the fellowship hall was covered with a white linen cloth cross-stitched in blue. A long arrangement of red roses and candles carried out the Valentine motif.

About 35 people were present for the quarterly meeting.

Travel Program Will Be Given At Study Club

Mrs. H. D. Speck and Mrs. Opal Stockard will be hostesses for the meeting of the Self Culture Club next Wednesday, Feb. 9. The meeting will be held at the Mountain City Apartments community center beginning at 3:00 p. m.

A travel program will be presented by Mmes. Norman Walters, John Womack and Hardy Blue.

All members of the club are invited to be present.

Image Improves For Armadillo

The humble armadillo has made great strides toward public acceptance in the past few years.

Adopted by various cults as a sort of hard-shelled mascot, the nine-banded armadillo seems to embody a "back to the earth" philosophy championed by many Americans—particularly the young.

Armadillos are quiet, docile, clean and ecologically non-destructive. That is, unless the ecology of your garden or flowerbed attracts the armadillo in his nocturnal foraging.

However, Texas Parks and Wildlife Department officials say that even in this age of armadillo awareness some quail hunters still shoot armadillos on sight because they believe they eat quail eggs.

This is not so, say biologists who have examined the content of hundreds of armadillo stomachs. The 'dillos live almost entirely on insects.

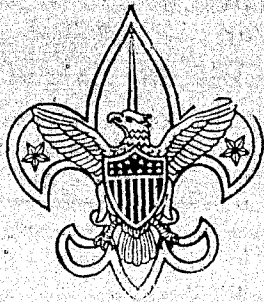

At a traffic intersection, the U. S. Mail truck has the right of way over all other vehicles, at all times.

Boy Scout News

Cub Scout leaders from the Chisholm Trail southern district will be in Santa Anna Thursday night (tonight) for a special leader training session.

Jess Sheets, scouting executive from Abilene, will be present for the session as well as other Cub Scout leaders from the central-Texas area.

The meeting will begin at 7:30 p. m. at the Lions Club building and is open to anyone interested.

Scoutmaster Allyn Early took a group of boys to Brownwood on Monday night, Jan. 27, to visit with Troop 43 at their regular meeting.

Santa Anna Scouts watched the Brownwood group as they conducted their meeting and exchanged ideas on projects and activities.

Local boys attending were Allen Jones, Joe Guerrero, Terry Day, Tommy Harris and Joe Dean Early.

The Santa Anna Boy Scouts meet every other Tuesday night at the Scout House at Ranger Park. Any boy not enrolled in the organization is invited to join the group.

IN VETERANS HOSPITAL
Jesse Oakes is still in the Veterans Hospital in Big Spring where he has been a patient for several weeks. Mrs. Oakes visited with him Monday and reported he was doing as well as could be expected.

The Oakes' son, Jesse, Jr., of Corpus Christi, is to have back surgery on Thursday (today) in Corpus Christi.

EPPLER KIN ILL
Mrs. A. D. Eppler is at the bedside of a sister-in-law, Mrs. Bobby Leach of Hamilton, who is in a Waco hospital. Mrs. Leach had surgery Saturday after being very ill for over a week.

Accent On Health

A few years ago in Texas, emergency ambulance service was more or less a haphazard affair. Some communities and rural areas provided excellent coverage, but others provided only minimum equipment, or less, and attendants with little or no emergency medical training.

Then the Texas State Department of Health moved to increase quality and quantity of training and equipment, and the professionalism of emergency medical care personnel rose in Texas.

"Emergency ambulance care in Texas has improved considerably in the past few years and is continuing to improve," said Charles E. King, Director of Civil Defense and Traffic Safety, Texas State Department of Health. "The State Health Department is now responsible for assisting communities in the establishment and improvement of emergency medical care facilities, the training of ambulance personnel, and the maintenance of a State Registry, which encourages emergency medical care personnel to acquire and

maintain a high level of proficiency." The importance of properly trained ambulance attendants is evident from a study by the American College of Surgeons which reveals some 20,000 persons die each year because of inadequate care prior to reaching a hospital. Some 25,000 persons are permanently disabled as a result of improper handling.

After conducting a State survey to determine the need to upgrade the skills of ambulance personnel across the State, the State Health Department established an Emergency Care Attendant program designed to take the classroom as near to the student as possible. The first course was held in San Angelo in 1968. Now courses are offered which involve up to 72 hours of intensive and specialized training.

As of the first of 1972, these training schools have been attended by 9,585 student, with 6,766 of those successfully completing the course. Some 89 schools have been conducted across the State with students representing 556 Texas towns and cities, thus providing many of those communities with their first highly trained emergency care personnel.

The methods and curriculum used in the Emergency Care Attendant school are applied, but magnified, in the Emergency Medical Technician School, a totally different training program of a more intense nature. The first such course was held in Austin in 1970, with six courses conducted in Houston since that time, three in Fort Worth, one in Amarillo and one in Dallas. Some 408 persons have enrolled in these schools with 330 graduating.

Houston and Fort Worth now require by law all ambulance attendants to have completed Emergency Medical Technician training and be certified by the State Health Department.

VEHICLE SMASHED
A mobil van, owned by a Winters man, was reported to be demolished early Thursday morning when the vehicle turned over east of Santa Anna.

The new vehicle, being driven to Fort Worth, was in the mishap on the slick highway near the Bill Day place in the Liberty community. No one was injured in the accident.

MR. NEWMAN ILL
Henry Newman is expected to return home about mid-week from San Angelo where he had surgery last Thursday. He is getting along well and will be convalescing at home a few days.

VISITING RELATIVES
Mrs. Ruth McCrary of Sweetwater is visiting this week in the Jim Lovelady home. She is also visiting her sister, Mrs. Lovelady, who is now a patient in Ranger Park Hospital.

WEEKEND VISITORS
Mr. and Mrs. Martin L. Autrey and sons of San Angelo spent the weekend in Santa Anna with his parents, Mr. and Mrs. Carl Autrey. They returned home Sunday afternoon.

ATTEND FUNERAL
Mr. and Mrs. Lonnie Bledsoe and Mrs. J. B. Weathers attended the funeral of their brother-in-law, J. J. Hefferman, at Eldorado, on Wednesday, Jan. 26. Mrs. Weathers' son, Boyd Copple, also attended.

A public service feature of the American Bar Association and the State Bar of Texas. Written by Will Bernard.

The court decided that the professor had no grounds for complaint. The court said he could not, simply by stating facts out loud, gain monopoly on those facts for himself.

Other courts have agreed that a professor does not lose his common law copyright merely by delivering lectures to his students. By the same token, a minister probably retains rights in his sermons after delivering them to his congregation.

However, a copyright generally protects only the mode of expression, not the information itself. For example: A professor of medicine complained in court that a new book contained certain details about surgery that he had described in his lectures.

But it turned out that the book did not use the professor's language at all—and used his data only in combination with material taken from other sources.

Scene: a college classroom. The professor is delivering a lecture on philosophy. Most of his listeners are paying only intermittent attention to his pearls of wisdom.

But one alert young man is zealously taking down every word. For he has a great idea. He will gather the lectures together, publish them in book form, and then sell them to students who are less energetic than he is.

Could the professor block the young man's project if he so desired? This question arose not long ago when a professor actually did go to court against a classroom copycat. He claimed that publication of the lectures would violate his "common law copyright."

The defendant retorted that the professor had lost the copyright by uttering his words in public, thereby making them "free for all."

But the court sided with the professor and granted him an injunction. The court pointed out that he had spoken not to the general public, for general use, but to a limited group for limited use.

Cancer Meeting Set Next Friday

The American Cancer Society will hold a one-day crusade meeting in San Angelo next Friday at the El Patio Motel, they announced this week. Volunteers from 16 county units from District 4 will attend and will be provided valuable training to the society's crusade leadership. L. E. (Lefty) Ross, a member of the Texas Division from Quanah will be the guest speaker.

F. L. (Steve) Stephens will preside at the meeting, which will include a morning session and luncheon session. A panel presentation on the "why and how" of the society's annual education and fund-raising drive will be presented.

Attending from the Coleman County Unit will be Jack Minatra, president; Glynn Mitchell, vice president; Glynn Thomas, crusade chairman; Emzy Brown, vice crusade chairman from Santa Anna; Terrel Graves, service chairman and F. W. (Dink) Taylor, advance gifts chairman.

HERE FROM CLYDE
Mr. and Mrs. John W. Gregg of Clyde spent Friday night and Saturday in Santa Anna with his parents, Mr. and Mrs. John C. Gregg. Her parents, Mr. and Mrs. Wayne Bray, Debbie and Kim, of Rockwood, were Saturday dinner guests in the Gregg home.

BOUGHT BARTLETT HOME
Mr. and Mrs. Gus A. Morgan and sons will be moving to the Ed Bartlett home on Bowie Avenue. They purchased the house recently and will be moving from their present residence on North Lee Street, the home of the late Mrs. R. B. Archer.

Whon News

By Mrs. Tom Rutherford

Our little community is receiving their portion of the bad weather. It has snowed here since around 3 o'clock, and Monday night the ground is well covered and very cold. From reports this type of weather covers a vast territory. Old man Winter is here tonight.

Guests in the Darwin Lovelady home in Santa Anna on Sunday afternoon were Mrs. Vera Lovelady and Mrs. Doris Stearnes of Brownwood, and Mrs. Stearnes' daughter, Mrs. Jack Joiner, and Mrs. Joiner's daughter, Mrs. Linda Moss and baby of Fort Worth.

Mrs. Floyd Morris states her daughter-in-law, Mrs. Jamie Lee Morris and baby, were dismissed from the Hospital at Brownwood the first of the past week, and are at their home in the Trickham Community and doing fine. Mrs. Morris has been in their home during the past week assisting with the mother and baby care.

Don Fitzpatrick of John Tarleton College was at home with home folks over the past weekend. Don wasn't feeling so well when leaving Sunday afternoon. Mrs. Fitzpatrick called him on Sunday night and he was home and feeling very well. We hope not the flu.

Mrs. Darwin Lovelady visited Monday afternoon briefly with her sister, Mrs. Elvia

McDaniel, in Brownwood. Little Miss Michelle Bullion spent last week with her grandparents, the Graham Fitzpatricks, while her mother was recovering from an attack of the flu. Mrs. Bullion came for Michelle Saturday and called her mother on Sunday that Mr. Jacky Bullion was in bed with the flu. The Bullions live in Lampasas.

Mr. and Mrs. Joe Floyd Morris of Gainesville spent the weekend with his parents, the Floyd Morrises, and making acquaintance with the new niece, the daughter of Mr. and Mrs. Jamie Lee Morris.

Mr. Darwin Lovelady visited his father, Mr. Oscar Lovelady, in the Holiday Hill Nursing Home in Coleman on Sunday. Although Oscar is not feeling as well as we wish he was, he is feeling very well and enjoys his family's visits.

Mr. and Mrs. John David Morris of Coleman spent the weekend, Monday and Tuesday night with his parents, the Floyd Morrises.

Mr. and Mrs. Etoile Cozart of San Angelo were on their farm here during the weekend.

Mrs. Graham Fitzpatrick and granddaughter, Michelle visited with Mrs. Fitzpatrick's parents, Mr. and Mrs. Tim Snowden, of Lohn Wednesday.

Richard Cupps spent Saturday night and Sunday with Randel Lovelady in Santa Anna.

Mr. and Mrs. Aaron Avants were transacting business in Coleman and Santa Anna last Wednesday.

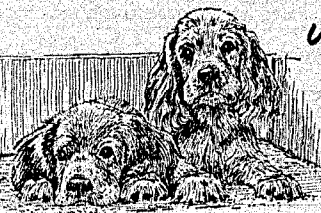

We, as others we presume, are wondering of the ground hog will see his shadow on Wednesday, Feb. 2. Time will tell.

a Dog's Life

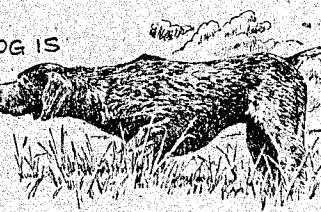

DROP-OUTS
MORE DOGS SEEM TO STRAY FROM HOME WHEN THE BAROMETRIC PRESSURE IS FALLING. DOGS ALSO QUARREL MORE AMONG THEMSELVES BEFORE A SIEGE OF BAD WEATHER.

USEFUL PRESENT
INDOOR-OUTDOOR CARPETING MAKES AN EXCELLENT COVERING FOR THE BOTTOM OF A WHELPING BOX. IT IS RESILIENT AGAINST SCRATCHING AND GIVES PUPPIES SECURE FOOTING. EASY TO WASH AND KEEP CLEAN, TOO.

FEEDING TIP
MAKE SURE YOUR DOG IS GETTING HIS QUOTA OF THE SUNSHINE VITAMIN D DURING THE COLD WEATHER MONTHS BY FEEDING HIM A REGULAR DIET OF QUALITY PREPARED DOG FOOD.

CHALK DUST

by Carol Kingsbery Sandra Hosch

We've heard of cold storage lockers, but for our books? Now really, isn't that a little ridiculous? Until we get a better (?) heating system or move our school to Florida for the winter, any donations of insulated underwear, thermo socks, or wool mittens would really be appreciated.

Meanwhile, please use the back door.

Local FPA members are in

team will end their season this Friday, while the girls will have a play-off game with the Talpa girls to decide the winner of the first half of district play. If Santa Anna wins the play-off game and the first half they will play Talpa (who won the second half) again to determine the district championship.

Sounds complicated, doesn't it? Well girls, good luck, anyway.

Ricky Jones had hard luck with his show chickens. In the recent electrical failure the lights went off for several hours in the brooder one cold night. Twenty of Ricky's 25 hybrid Cornish pullets died. Too bad, Ricky, try rabbits next time!

Fort Worth this week at the stock show. Good luck to all exhibitors.

Basketball season is coming! Does anybody around here to a close at SAHS. The boys know who Lane Guthrie is?

Trickham News

By Mrs. Oscar Boenicke

Some of the good news this week is Billy Don Haynes returned home from Vietnam Thursday. He has his discharge from the service so he is out now. He and Janie and Justin had supper with his parents, the Fred Haynes, Friday night.

Del Ray Stacy spent the weekend here, was in and out visiting his parents, the Walter Stacys. Margie Sullivan, their daughter from San Antonio, is visiting a few days with them, and Sunday afternoon she took them by the Brownwood Community Hospital to see about Lula Hancock's husband. He is pretty sick. Then they went to Abilene to visit O. T. and Sue Stacy. They had supper with them and visited awhile and returned home Sunday night.

Mrs. Edna Laughlin and Albert and Nova Cole and Daisy McClatchy went to San Angelo to visit Una Cole in St. Johns Hospital. They found her doing very well under her condition.

Mr. and Mrs. Howard Cravens of Stonewall visited her

sister and husband, Lillie and Bond Featherston, Wednesday night and Thursday.

Mr. and Mrs. Elgene Rice and family visited the Delbert Rices Saturday night. Also Sherry Rice and Jimmy visited and they all had dinner Sunday with Mr. and Mrs. Frank Rice near Brooksmith.

Mr. and Mrs. Grady McIver visited at Bangs with Aunt Pearl Ford at the Twilight Nursing Home and with Homer and Jewell Schulze and Fay Whitley on Sunday evening. Terry and Orabeth McIver and Reece of Brady visited the Grady McIvers on Saturday.

The Oscar Boenicke's visited at Brownwood Care Center Sunday afternoon with Dollie Martin and some of her family, and Mrs. Will Parker. We came back by Bangs and visited Aunt Pearl Ford. She seems some better, she talked to both of us better than usual.

Lou Vaughn visited her sister and husband, Mary Ola and Elmer Woods, at Bangs Sunday evening.

Mrs. Jack Dockery visited the Ray Dockery family at Rockwood Saturday evening.

Mr. and Mrs. Wayne Whitley of Big Lake and Mrs. Rosa Henderson of Santa Anna visited the Hilburn Hendersons Friday night. Monday evening her mother, Mrs. Tal McClatchy, and Sus Stearns visited them.

Mr. and Mrs. Grady McIver and Sherrie McIver attended a special program by David Wilkerson of New York, the author of the book "The Cross and the Switchblade," Wednesday night at Brownwood. They reported to be very good and well received by the young people. One hundred and fifty made their commitment that night that were having troubles with dope and other problems.

We had a good surprise on Monday evening and night, a beautiful three-inch snow, the most we have had in several years. It will be good on the grain.

A person normally has 12 pairs of ribs.

PHILLIPS DRUG

608 Wallis Ave.

31 Years Ago In The News

The following stories are from the February, 1941, issues of the NEWS:

The Santa Anna Ward School lunch program has nine employees. The lunch room serves from 4,200 to 4,500 lunches per month. Eighty per cent of the pupils in attendance at the ward school eat in the lunch room.

The pupils are very orderly in the lunchroom and receive training that will be of benefit in later life.

The Santa Anna Home Demonstration Club met in the

home of Mrs. J. C. Morris. Mrs. Morris and Mrs. W. E. Vanderford gave the program on brooding, feeding and diseases of chickens and how to make brooders.

Members were Meses. Fred Rollins, Roy Stockard, A. D. Leach, J. K. Harris, Halle Bissett, Joe Harvey, Seth Ringer and Jesse Moore.

Miss Agnes Hays, a former teacher of home economics at Santa Anna High School, has been elected to fill the vacancy made by the resignation of Mrs. Jewell Hill, pre-

sent home economics teacher.

Miss Hays taught for six years in the high school here and since that time has been employed as home demonstration agent of Houston County.

Last week several Santa Anna High School ex-students visited at school. They were Todd Oakes, H. W. Norris and O. L. Cheaney, Jr.

Todd graduated in 1936. The others were members of the 1940 class.

Education will lag in the two-room Cotton School on the Morris ranch in Coleman County for 10 days beginning March 7 because the teacher, Miss Joe Morris, is going to be a ranch girl guest at the world-famed rodeo in Fort Worth. The 25 pupils at the school say they are going to the stock show, too.

Word has been received by Mrs. T. R. Sealy that her son, Dr. Burgess Sealy, has been promoted to first assistant in surgery at Mayo Clinic, Rochester, Minn.

The boys of Santa Anna High School have begun their training for the track meet, which will be held in Coleman on March 22.

The boys who are training are as follows: senior track: J. K. McClain, Wayne Whitely, Richard Horner, Adrian Speck, Robert Dunn, James Avants, Roy England; Floyd Shelton, and Walter Yancy.

The boys out for junior track are Bobby Henderson, Bobby Halmon and Harold Cupps. Their coaches are Mr. McDonald and Mr. Hunter.

Santa Anna FFA Ag-News

by Jimmy Benton

The Fort Worth Fat Stock Show is now underway. It was kicked off with a parade last Friday and will last through the middle of this month.

We have much help at any livestock show and we would like to thank Ronnie Daniel for hauling the hogs to Fort Worth. Also our thanks to Tom Newman and Montie Guthrie for carrying the lambs. Were it not for this big help many of our exhibits

SOUND ADVICE

Student Hearing Tests Vital

The number of school districts offering hearing tests for school children has increased significantly in recent years, but such programs are not yet universal. For this reason, parents of each school-age child should insure the child receives a hearing test at least once per year, according to the Beltone Crusade for Hearing Conservation.

The crusade, sponsored by Chicago-based Beltone Electronics Corporation, world leader in hearing aids and electronic hearing test instruments, is designed to make persons aware of the vital need to protect their hearing ability.

Crusade officials stress that frequently the hard-of-hearing child is not aware of his handicap. Parents and teachers also often fail to recognize the child's problem. Because such youngsters are being forced to compete in the classroom under a serious handicap, they often are inattentive, surly, preoccupied, disobedient or withdrawn from classroom and family activities. In some instances they are considered just plain dumb.

When teachers or parents are unaware of a child's hearing impairment, they are apt to try to solve the child's scholastic or behavioral problems through measures that are both time consuming and useless. In many instances such measures can actually be harmful to the youngster. This is why, crusade officials explained, they encourage each parent of a school-age child to insure the youngster has a hearing screening test during the current academic year—either by a medical ear specialist, at a hearing clinic, or by a hearing aid dealer.

would never get to the shows. FFA

We would like to thank the Coleman County Telephone Co-op, Inc., for the \$15.00 they donated to defray the food expenses. FFA

We are sorry to hear that Mr. C. H. Sargent, Bangs FFA advisor, was injured in an accident in Stephenville last weekend. Our thoughts and prayers are with him and his family. Mr. Sargent is well known and respected in FFA circles. FFA

The recent snow was extremely wet and should be very good for those poor oats. After all that they have been through, we tend to wonder if they will make it or if something else will happen. (Keep those fingers crossed!) FFA

Thought for the week: "The Lord prefers common-looking people. That is the reason He makes so many of them." (Abraham Lincoln) FFA

See ya'll next week with more AG-News!

HONOR ROLL ADDITION

The name of Rebecca Rendon was left off the high school honor roll as published in last week's NEWS. Rebecca is a junior student and qualified for the six-weeks list.

Also omitted from the list last week were the names of David Horner, junior, and Serena Bryan, sophomore, who qualified for both the six-weeks and semester honor rolls.

ASC News . . .

by Joe K. Taylor

All producers who received any government money from

programs operated by the ASC County Committee will receive Form CCC-182 reporting all the payments that a producer has received.

Only approximately one-half of these forms have been printed and mailed to producers. Difficulty was encountered in obtaining a sufficient supply of forms by the data processing center which prints and mails these forms.

It is expected that the remainder of these forms will be printed and distributed by Feb. 11, 1972.

Wheat farmers who are interested in giving additional diverted acreage under the wheat program are advised that the eligibility of a producer to enter into this program would be farmers who have planted wheat in excess of their allotment and also in excess of one-half of their feed base provided a substitution is being made.

These producers who are interested should not destroy this wheat prior to April 1.

After program sign up has been completed, all wheat producers signed under this additional set-aside acreage will be checked to determine that the wheat acreage given is an average of the wheat on the farm.

The County Committee is checking the feasibility of the control of mesquite by a new chemical Tordon which is expected to be released for aerial spraying of mesquite. When additional information is received, all farmers and ranchers will be notified. It is expected the cost of this treatment will be greater than the cost of aerial spraying of 2, 4, 5-T.

Thirty-three years usually constitute a generation.

Bridge over troubled waters.

It's easy to forget that emergencies do happen. And when there is a crisis, you'll need a nest egg to fall back on.

The Payroll Savings Plan is one of the easiest ways to make sure you've something saved for when you need money fast. When you participate in the Payroll Savings Plan where you work, an amount you designate will be set aside from each paycheck and invested in U.S. Savings Bonds. It's an effortless way to build up a reserve.

And now there's a bonus interest rate on all U.S. Savings Bonds—for E Bonds, 5 1/4% when held to maturity of 5 years, 10 months (4% the first year). That extra 1/4%, payable as a bonus at maturity, applies to all

Bonds issued since June 1, 1970 . . . with a comparable improvement for all older Bonds.

Let's hope there are no troubled waters in your future. But remember, emergencies don't always happen to the other guys.

Bonds are safe. If lost, stolen, or destroyed, we replace them. When needed, they can be cashed at your bank. Tax may be deferred until redemption. And always remember, Bonds are a proud way to save.

Take stock in America.

Now Bonds pay a bonus at maturity.

W. O. Breedlove Announces For District Judge

In announcing my candidacy for 35th District Judge I seek to offer all of the people an around the clock, seven day a week, full time District Judge. If elected I will be on the job in one of the Court-houses each working day to assure that all cases can be disposed of as soon as practical, and as a working judge I hope to provide a court where the police and law enforcement officers can expect as fair and courteous treatment as the accused receives, well knowing that the court believes in a strict enforcement of the laws against drug and dope pushers.

As a Working Judge I will not seek assignment to try cases outside of the 35th Judicial District but wish to assure all of the people that on each working day I will be in one of the three county court-houses (based on the proportion amount of cases handled in each county), not just to dispose of the matters of concern to the attorneys, but to remain in the office the rest of the day for the purpose of counseling with all who wish to come and discuss their problems and answering any questions I possibly can so long as I do not disqualify myself on any case that might be heard in my court. This service always has been, and always will be free and one which I feel each of you have a right to demand and expect.

William O. Breedlove has served as Brown County Judge for 15 years and as Brown County Attorney for one year, he is a member of the Brown County Bar, The State Bar of Texas, and is licensed to practice before the Supreme Court of the United States. He is a member of the First Baptist Church of Brownwood, a member of the Board of Directors of the Central Texas Mental Health-Mental Retardation Center, of the Brownwood Public Library, of the West Central Texas Council of Governments, and Central Texas Opportunity which serves six counties including McCulloch, Coleman and Brown Counties.

Judge Breedlove served on the original steering committee, to help the Brownwood Community Hospital become a reality, and was unwavering in his determination that the hospital would not have taxing authority but instead would be the joint cooperative effort of all the surrounding communities, and he still serves as legal advisor to the Executive Board of Directors of the Hospital. After 5 1/2 years of active duty with the Air Force during World War II, Judge Breedlove continued in the Air Force Reserve until his completion of more than 20 years of service.

If I can serve as your District Judge on a people to people basis my greatest ambitions will have been realized.

Former S-Annan Mendel Pool, 56, Buried Monday

Mendel Pool, 56, of Coleman died Saturday, Jan. 29, in the Coleman hospital after a short illness. Funeral services were held Monday in Coleman with burial in the Coleman cemetery.

Born in Mercury in 1915, he had been a county resident since 1941, moving from Santa Anna to Coleman.

He had been employed with the Texas Highway Department for 34 years.

Survivors include his wife; one son; two sisters; and two grandchildren.

License Tags On Sale Here Through March

Santa Anna vehicle owners can begin purchasing their 1972 vehicle license tags. Mrs. Billie Guthrie at the Santa Anna Insurance Agency received her supply of license tags on Monday and began the sale on Tuesday, Feb. 1.

Texas motorists have received their renewal forms in the mail and should have them when they make the purchase. If you did not receive the registration form in the mail, the vehicle title and last year's registration receipt are needed to purchase the new license tags.

The 1972 tags are off-white with green numerals. The ones sold in Santa Anna begin with letters and numbers DNV-10.

Also available here are license tags for farm trucks, commercial vehicles and farm and commercial trailers. Over 900 license tags of all classifications are sold in Santa Anna each year.

Deadline for purchase and installation of the new tags is Saturday, April 1.

Man Known Here Buried Thursday

Funeral services were held in Del Rio last Thursday for Paul B. Twyman, 67, a former Santa Anna resident. Mr. Twyman died in a Del Rio hospital on Wednesday, Jan. 26, after a long illness.

Twyman, a nephew of Mrs. Dan Blake of Santa Anna, attended school here and moved to Del Rio in 1932 where he owned and operated a beauty shop. He later added a uniform shop.

Born in 1905 in Rosebud, his mother was the former Mrs. Irma Krupa. He was one of the organizers of the San Felipe Country Club at Del Rio and was an active worker in the Texas Beauticians and Cosmetologists organization.

Survivors include his wife of Del Rio, and an aunt, Mrs. Blake.

Mr. and Mrs. Dan Blake and their son and daughter, W. H. Blake and Mrs. Emma John Helm of Fort Worth, attended the funeral service in Del Rio Thursday.

SUNDAY VISITORS
Mr. and Mrs. Steve Johnson of Keller visited Sunday afternoon in Santa Anna with his grandmother, Mrs. A. E. McCarrell. With the Johnsons were two friends of Fort Worth.

Telephone Bank Stock Bought By Local Group

Over \$100,000 in class C stock in the Rural Telephone Bank was subscribed to by some 86 member systems of the National Telephone Cooperative Association at the recent Annual Meeting of the Association in Miami Beach, Fla.

James D. O'Connor, newly elected president of the association said the purchases "show how strongly the nation's telephone coops believe in the bank and in what it can accomplish."

Each share of the class C stock costs \$1000 and carries full voting privileges. Only stockholders may vote in the second and subsequent elections for Bank Board directors.

Presenting a \$1,000 check to purchase a share of stock from the Coleman County Telephone Cooperative was manager Thomas Wristen and director Frank Gillespie. In presenting the check to Telephone Bank Governor David C. Hamly, Wristen cited his pleasure in being a part of an agency which strives to bring modern telephone services to areas such as Santa Anna.

Presently the bank has over \$150,000 in stock subscribed by borrowers and \$30 million in stock subscribed by the Federal Government.

The first bank loans were made Jan. 21 in Washington, D. C. to five telephone cooperatives.

David C. Fullarton, executive vice president of NTCA, who attended the loan ceremony, hailed the initial loans as "marking a new day for rural telephony."

WIDELY KNOWN CALLER SLATED AT S.A. DANCE

Gary Shoemaker, a nationally known square dance caller, will be in Santa Anna Thursday night (tonight) to call a square dance in the Community Civic Center. Mr. Shoemaker was one of the two callers chosen for the Governor's Inaugural square dance in Austin last year.

Dancing will begin at 8:00 p. m. and all square dancers in the area are invited to attend. Spectators are also welcome to attend.

The Mountaineer Squares club is sponsoring the dance tonight.

OVERNIGHT GUEST
Texas Tech student Sue Kingsbery spent Friday night with her parents, Mr. and Mrs. Tom Kingsbery and Carol. She was able to make the short visit between games at Tarleton State College women's basketball tournament last weekend.

The Tech team, of which Sue is co-captain, won their first game before being defeated by West Texas University.

METHODIST PASTOR DIES
Rev. Thomas Granger, a former pastor of the Bangs and Winters Methodist Churches, died after a three-week illness and was buried at Weatherford on January 21. Rev. Granger was a former band director and was widely-known for his musical talent. He had conducted a revival at the local Methodist Church many years ago and will be remembered here by many people.

Joe B. Dibrell Seeks Re-election As Judge for 35th Judicial District

Judge Joe Dibrell, Presiding Judge of the 35th Judicial District Court of Texas has announced that he will seek re-election for another term that begins January 1, 1973.

Judge Dibrell had the following statement to make to the citizens residing within Brown-Coleman and McCulloch Counties:

"The crucial test for a free people is their ability to live under a system of laws that is fair to the individual citizen and to the general public alike. It is the responsibility of a Judge to see that the laws are justly administered in each individual case presented to him for ultimate decision. For the past several years as your District Judge it has been my privilege and responsibility to exercise the awesome powers placed by our system of government with the State District Courts. It has been and continues to be a very humbling experience to know that my decision affects the life, liberty and property of people coming before the court for just verdicts and decisions."

"I have attempted to decide each case on its own merits and to administer the laws with justice. I am constantly reminded of the admonition of an early American Jurist who said, 'If judges would make their decisions just, they should behold neither plaintiff, defendant nor pleader, but only the cause itself.'"

"In addition to the regular duties of presiding over civil and felony criminal cases, I have the responsibility of presiding over the Juvenile Court of Brown County. Also the Legislature has seen fit to expand the jurisdiction of the District Judges by placing condemnation cases and contested probate matters in the District Courts.

"However, the task of presiding has been made easier by the splendid practice of the attorneys before the court, and the cooperation of responsible citizens who are called for jury duty from time to time. In 1968, I reported to you that in the trial of over 3,000 cases I had been reversed only four times. With the additional trials and cases load since 1968, I can report that I have not been reversed since that time.

"This cooperation of the attorneys and citizens has enabled me to keep the court calendars in the 35th District current and to give any case a jury trial within a maximum time of three months. It has enabled me not only to fulfill my duties as Judge of the 35th District Court, but in addition, to assist other District Courts in the State.

"Initially, the citizens of Brown, Coleman and McCulloch Counties gave me the privilege of presiding over their 35th District Court based on my general background and my promise to become a dedicated judicial servant. Now with my judicial experience as your District Judge as well, I sincerely ask you to continue this trust by supporting me for re-election as your District Judge."

Judge Dibrell has attended numerous seminars and conferences in which judges and lawyers are given an opportunity to keep abreast of new developments affecting their

VISITS HERE
Mrs. Leonard Mataryja of Dallas spent several days last week with her mother, Mrs. Bert Turney. She returned to her home on Saturday afternoon.
