D. E. Loveless In Austin

D. E. Loveless, county school superintendent, was in Austin this week in interest of the small schools and studying procedure for establishing a vocational school for veterans here. A new ruling by the State Department of Education to the effect that a two-teacher school may teach only seven grades and hold its accreditation has been announced. Supt. Loveless opposes this change and is seeking a change back to the old ruling, which allows two teachers to teach eight grades. Loveless pointed out that by being allowed to teach the eight grades a school with two teachers may operate a complete elementary school within the district without having to split up and send the eighth graders away from home. There are nine two-teacher schools in Coleman County and probably every one will need the eighth grade in order to make their teacher-load for two teachers. If they fail to make the teacher-load they would become a one-teacher school with six grades.

Loveless points out that a County Vocational School for Veterans may be organized under the sponsorship of an interested independent organization under the direction of a committee, or may be created by the County Board of Education. Loveless is calling a special meeting of the County Board this week for the purpose of establishing the school, that is, should the Board desire to do so. When the school is created, the next step will be for the County Board to name a Board of Directors for the school, and they in turn will select a co-ordinator to assume the responsibility of setting up the program and putting it into operation.

Santa Anna is also making plans for a school of this kind. Veterans interested in attending a school should contact Mr. Cheaney at the Bank or Mr. Barnes in the Chamber of Commerce office.

Mrs. Iola Smith and family from California visited last week with her brother, Garland Morgan and family. The Morgans have an apartment at Mrs. J. R. Gipson's.

Mr. and Mrs. J. Edd Bartlett returned home Thursday from an extended trip including Dallas, Texas and Baton Rouge, La.

Mr. W. M. Riley, who has been sick so long, has been able to come down town twice in the last few days. It had been more than a year since he had been in the stores. Mr. Riley is looking real well and is glad to be getting around and his friends are glad of his improvement.

Mrs. J. D. F. Williams, who is the district director of childrens work, attended a conference training institute on vacation church school, Thursday, March 14 in Stephenville. She was accompanied by several workers from this district. Mrs. Williams will conduct a similar institute for the Brownwood district Mar. 25.

Mrs. Tom Mills returned home last week-end after spending a few days with her daughter, Mary Mills, who is a student at Sul Ross College, Alpine.

Mrs. W. E. Bault from Temple visited her sister, Mrs. Lon Gray and family last week-end.

Stuart Williams Accepts Position As Ball Player

Walter Stuart Williams, 26, of Santa Anna has accepted a position with the Beaumont Baseball Club. He was signed to the club by Lon Gray, a ball player for the past 12 years.

Stuart comes from a family of ball players. His father, Carl Williams, being a professional and paying with the Pacific Coast and the Texas League teams for several years. Stuart has played ball all his life, so to speak. In high school he played short stop and in the summer leagues in and around here he played as short stop and on the bases. After he entered the University of Texas he played as the first baseman for them and there he made a very fine record for himself. He had the highest hitting average for the freshmen in 1939. After that he joined the professional team at Borger and played in the West Texas-New Mexico League. There he made another record for himself by leading in the total of bases in 1941.

He leaves soon to join the Club at Beaumont.

Methodist Church Honors Members With A Supper

About eighty guests attended the supper given on Wednesday evening, March 6th, at the Methodist Church, honoring the thirty-three members who have been received into the membership of the Church this conference year. Several prospective members were also in attendance.

The Pastor, Rev. J. D. F. Williams, presided at the program which followed the meal served by the Woman's Society of Christian Service. Mr. O. L. Cheaney, the Chairman of the Official Board, welcomed the new members and spoke concerning importance of regular attendance at the worship services of the church. Blake, President of the Woman's Society of Christian Service, and Miss Mary Gladys Pope, President of the Wesleyan Service Guild, told of the work of these two organizations. The pastor, in the absence of Mr. O. A. Etheredge, Chairman of the Finance Committee, explained the financial program of the church.

This supper was one of the events of March, which looks forward to the Revival program, which begins March 31st and continues through April 10th, when the Rev. C. C. Sessions of Waco, and the Rev. Thos. B. Grainger of Bangs, will assist in the revival services at the Methodist Church.

Boy Observes Birthday By Exhibiting Steers

Star Telegram
By Frank Reeves

Burgess Stewardson, 10, celebrated his birthday Saturday by showing steers in the Southwestern Exposition and Fat Stock Show. He had three steers and all of them got past the sifting committee. This is his first year to be an exhibitor.

His father, W. T. Stewardson, Santa Anna rancher and farmer was at the ringside. Stewardson was impressed by the way the sifted calves sold Friday afternoon, making an average of more than 25 cents on 200 calves.

"The significant thing to me," Stewardson said, "was the fact that the buyers were men who wanted the beef for their customers. This convinces me that we have never known such a demand for beef and if government regulations were removed there would be a big upswing of prices."

J. M. Rouse Injured Wednesday

Wednesday afternoon Mr. J. M. Rouse and Mr. W. D. West were out on a fishing trip a few miles south of town and in handling a .22 rifle it was accidentally discharged. The bullet entered the stomach of Mr. Rouse resulting in a very serious injury to him. The gun was dropped, apparently by Mr. Rouse as he was removing it from the car. Mr. West rushed him to the hospital, and he was operated on.

At this writing Mr. Rouse is getting along as well as could be expected.

Coleman Gets New Oil Pool

A new Gray sand pool was opened in Coleman county Saturday as operators swabbed in the Fulwiler and Hughes Drilling Company No. 1 Templeton three and a half miles southeast of Novice.

The well topped the Gray at 3,457 feet and drilled to 3,487 feet without drilling through the formation.

GARDEN REMINDERS

Get ready for the annual flower show in May, by planning planting and working to that effect now.

Early March is often mild enough to tempt gardeners into great activity, while late March may be cold and rough; if you do a lot of transplanting during the first weeks of the month be prepared to protect the plants from wind and cold with a light covering.

If the dahlia roots were left in the ground for the winter, watch them closely and when the first sprouts peep out dig around the clump and lift it carefully with a spade in order not to break off the young sprouts. In dividing the clump split the old stem in such a manner that a section of it remains with each tuber, as it is from the junction of the tubers and the stem that the plant grows. If an eye or a sprout is broken off, another will not grow and that tuber is worthless.

**MOM'S
BACK
IN THE
KITCHEN**

Yes, she's back at her old job of home-making—that 24-hour-a-day job with no overtime pay.

Mom learned a lot about electric service during the war. She found that stitching up a cruiser and stitching up a curtain are both done more easily and quickly when electricity lends a hand.

And when home-making had to be sandwiched in after war-plant hours, Mom learned that the touch of a finger-tip brought her a dozen willing servants for the cost of a candy bar.

Mom's back in the kitchen. And electric service—always ready, dependable and cheap—is there with her, making her tasks easier, her life more comfortable. Service like that just doesn't happen. It takes hard work and good business management. The men and women in Mom's electric company—and yours, too—make it possible.

SENIOR NEWS

Four weeks of play practice were brought to a conclusion Friday night, March 8, with the successful production of "Balmy Knights," the Senior play. More than \$180 was taken in.

Although it was the cast that gave the play, here were other indispensable members of the class who helped put it over. The members of the advertising committee, the faculty and those who chose the cast are due a vote of thanks from the class. Also, the directors, Mrs. Williamson and Willie Calcote, the promoter, Calice Jane Overby, and the general manager, Wayne Horton.

The seniors have been discussing plans for Senior Day for several weeks and have at last made all arrangements. Senior Day will be March 22. We are going to San Angelo on a Bowen Bus leaving at 6:00 o'clock in the morning. Attention Juniors! We are going to stay three days and one night. Doesn't everyone wish they were going.

Minola Martin was elected secretary of the Student Council and Evelyn Bruce was elected class representative to take her place.

I'm sure everyone noticed how clean the school grounds were last week. It was the Senior's week to pick up paper and you know how industrious we Seniors are.

The committee appointed to select a speaker for commencement met Monday afternoon and discussed a speaker. There are several prospects which will be decided on later.

Four Seniors are gone this week. They are Willard Allen, Tommy Newman and Pat McClatchey, who are in Fort Worth and Nell Ralstin, who is visiting in Port Arthur.

SOME OUTSTANDING BOYS IN OUR SCHOOL

We have some boys in our school that we should be very proud of. They are five boys who are exhibiting stock at Fort Worth Stock Show.

The boys, Boyd Stewardson entered two calves and three sheep. He won 1st and 2nd prize on his sheep; Willard Allen entered two calves; Maurice Kingsbery entered two calves; Tommy Newman entered two sheep, and Pat McClatchey entered a calf. The calf which McClatchey entered was Reserve champion prize at San Angelo Fat Stock Show.

Most of the boys stayed to see the rodeo and Gene Antry at Will Rogers Memorial Coliseum.

FRESHMAN NEWS

Noticed all the smiles this week? Look close and you will find most of them belong to Freshman.

Our biggest smile is because we won the half day holiday for best attendance. It was a very close race and when we had our class meeting last week, March 4, all we knew was that we were ahead.

Our class meeting was called to order Monday morning, March 11, to discuss plans for a party Friday night and our hol-

iday. For the holiday it is undecided where we go but we are going Wednesday afternoon, March 20. The Freshmen sponsors, Mr. Burgett and Mrs. Williams will go with us. The meeting was adjourned.

ROVING REPORTER

Question: What do you think of most?

Stanley Cobb—Ha! Ha! a girl. Olin Horton—Being alone with a certain Sophomore girl. King Auestead—Being alone with any pretty girl. Ruby June Humphries—A great big hunk-o-man. Johnnie Ethel Steward—A certain boy, of course. Jo E. French—A wonderful boy.

Virginia Lewellen—I couldn't tell you now, because I'm all mixed up. Arthur D.—A certain senior girl.

Coyita G.—A certain boy. Bob Henderson—Betty Ann McCaughan.

Jean Rowe—That's easy. A certain Junior student! Guess who?

Ray Dean—Getting away from this school.

Bengene Tatum — Passing English, of course.

WHO'S WHO

My, my you could never guess who this black headed, brown eyed girl is of this week. Although if you would think, I am sure you could guess with that black hair. Why of course it is! Minnie Jean Bryan!!

This five feet six inch, seventeen year old girl weighing 130 pounds is another of those fine ones Rockwood sent us as a freshman. She has attended the Rockwood and Santa Anna High School.

When asked her likes she says, "eat, go and have lots of fun." (Don't we all?) Her dislikes, there is one and only one, school (period). For her favorite teacher and subject she replies, "I don't know just now." Her favorite actor and actress are Dick Haymes, Dana Andrews and Betty Hutton. Her ideal persons are her family and her best friends.

She has been a member of the Home Making Club for four years; a member of the Pep Squad for two years.

Minnie's greatest ambition is to finish school and take a long vacation.

Her plans for next year haven't quite been decided, but she intends to enter a business school in a later year.

Well, here's wishing to you, Minnie Jean, good luck and best in the coming future.

Stop! Here we come with that tall, dark and handsome senior boy of the week—you bet it is—none other than W. H. Blake.

He is seventeen years old, six feet, two inches tall, weighs one hundred sixty one pounds, has brown hair, blue eyes and is good looking.

W. H. has attended the Santa Anna schools all of his life.

For his likes he says, "Chocolate milkshakes, girls and football."

He likes everything because he says there is nothing he doesn't like. What's wrong with him?

Standing first place among his favorite teachers is Mrs. I. Williamson, and says he doesn't like any certain subject very much. His favorite actor and actress being Spencer Tracy and Betty Grable.

He has been a member of the Press Club for three years and a member of the S Club this year, a member of the Spanish Club for two years. He is president of the Press Club this year, and secretary of the Sophomore class. He represented the Sophomore class a duke in the coronation of the Queen. W. H. played

left end on that "grand ole Mountaineer team." In the senior play he played the part of Dave Adams.

His greatest ambition is dating Betty Grable. (W. H. we will keep our fingers crossed for you.)

He plans to enter Texas Tech when this years work is over.

From the Senior class we are wishing you the greatest future in time to come.

Well, well, here we are with another of those Rockwood kids. This happens to be a girl too.

She is sixteen years old, five feet six inches tall and weighs one-hundred six pounds. She has brown hair and blue eyes. Now do you know? I am sure you do. It is Norma Hunter.

To start off with Norma has attended the Rockwood grammar and Santa Anna High schools. She says Mrs. I. Williamson is her favorite teacher and typing her favorite subject. (Seems as if all the Seniors have Mrs. I. Williamson as their favorite teacher. Wonder why?) She says eating, going and swimming are all of her main likes, with school and people who don't mind their own business being her dislikes. Her ideal persons are "A sailor or sailors" and Minnie.

Norma has been a member of the Home Making Club for four years and in the pep squad two years with this last year, being one of our assistant pep leaders. She was also a nominee for the duchess of the senior class. Her favorite actor and actresses are Tyrame Bay, Humphrey Bogart and Loren Bacall. She says her most thrilling experience was the morning of February the fourteenth.

Her greatest ambition is to go to New York.

Her plans for the next year are entering a business college. She hasn't decided which one.

Norma, here we are wishing you the best of everything in time to come.

SPORTS ROUND-UP

Improvements were made on the play ground last week. The ground was leveled off and can now be used for other game courts.

This year we have two tennis courts, a basketball court, room for track and a baseball diamond.

A girl basketball team plays the sixth period. Some girls, who had never played before are learning to play and may someday be on the team.

The boys team plays the seventh period with Coach Burgett directing. There is also a girls baseball team that plays the seventh period under the direction of Miss Taylor.

We, the students appreciate Physical Education period which we never had before this year.

BARBECUE SUPPER

If you were not an Ag boy or his father, Tuesday night, March 5th, you really should have been. The Santa Anna Agriculture Department for 1945-46 had a father and son barbecue supper on that night.

The supper was held out on the campus and it consisted of barbecued goat, beans, onions, pickles, pies and coffee. After eating, a very interesting program was given in the auditorium. The program was based on George Washington. A group of girls sang and several numbers were played by a string band. Del Ray Stacy, a second year student, gave the History of the Chapter. Fern Bengé also gave a report on project work done by the boys.

Everyone seemed to have enjoyed the occasion.

MRS. TERRY SANDERS TO VISIT CLASSES

Mrs. Terry Sanders, who recently returned from London, England, will talk to Mrs. Singleton's classes in the near future. She will talk on her adventures in London during the war and a visit to Mexico City. I am sure her visit will be enjoyed by the classes.

Did you ever hear of a stampede? Well a stampede takes place every school day at 12:10 p. m. In the halls of SAHS. This is the time when we forget our manners and act like "six year olds."

It is very dangerous for us to run and push near the stairs, and if one isn't careful they might get smashed.

We all want to be first in line at the lunch room so let's take our time while in the building and get out safe and alive.

Improved Uniform International SUNDAY SCHOOL LESSON

By HAROLD L. LUNDQUIST, D. D., Of The Moody Bible Institute of Chicago. Released by Western Newspaper Union.

Lesson for March 17

Lesson subjects and Scripture texts selected and copyrighted by International Council of Religious Education; used by permission.

THE EVERYDAY LIFE OF A PEOPLE

LESSON TEXT: Ruth 1:8-17. MEMORY SELECTION: Intreat me not to leave thee, or to return from following after thee: for whither thou goest, I will go; and where thou lodgest, I will lodge: thy people shall be my people, and thy God my God.—Ruth 1:16.

A good life in the midst of a corrupt and confused age—such is the life of Ruth in the awful chaos of the time of the judges. One is reminded of the poet's words:

"How far that little candle throws its beams! So shines a good deed in a naughty world."

It is refreshing to have a glimpse into the home life of God-fearing people who live right in spite of the low standards around them.

Ruth knew life's sorrows and its bitter disappointments. She was a widow, destitute of all she held most dear. Yet she, because of the sweet purity of her life and her devotion to God and those she loved, became an example for others.

As we read our lesson we first hear how logic speaks, then love replies, and finally a life, says the final word.

I. Logic (vv. 8-13). Tragic misfortune had visited Naomi, who with her husband and two sons had gone from Bethlehem to Moab in a time of famine. Not only had her husband died but also her two sons, who had married Gentile women, leaving three widows in one family to mourn together. Naomi craved the fellowship of her own people in her hour of trial and she arose to return to her own land.

Her departure brought out in the two daughters-in-law the expression of kindness and loyalty which should exist in every family, but which is all too often lacking. Her own testimony concerning these girls of Moab is that they dealt kindly with her and with the dead. That word speaks volumes. There is so little genuine kindness in the world.

Both Orpah and Ruth went with her on the way, protesting their loyal purpose to go with her all the way.

Naomi met their kind offer with the only sensible answer. There was no point in leaving their homes and loved ones and going with her to another country.

Logic is so conclusive and so final. Yes, and sometimes it reaches the wrong conclusion. Love has something to say about the matter. Let us listen to its voice.

II. Love (v. 14). Orpah loved her mother-in-law. That is evident. She wept at the thought of parting, and was affectionate in her final farewell. We must not be too quick to censure her. She did what Naomi told her to do. She responded to her love for home and kinfolk. She gave up reluctantly, but she did give up and turn back.

How glad we are that Ruth showed a deeper love. "Orpah kissed her mother-in-law, but Ruth clave unto her." There is a difference. Such love cannot be denied. It is the most precious possession that a man can have, apart from his fellowship with God. The love of a devoted father or mother, of a noble helpmate, or of a little boy or girl, these are the things that really make life worth while.

Life has put into the hands of many of us the opportunity of showing just that kind of love in these postwar days. A boy comes home crippled and disabled and a loyal sweetheart shows her undiminished love for him, even though he can never again be what he had expected to be. That is love. A mother and a father take to their hearts a promising young son who returns from overseas with a shattered nervous system, and give their lives anew to him. One could go on and on with such illustrations, but what we are saying is that it takes more than a kiss and some tears to express real love. "Ruth clave unto her." Such love expresses itself in a

III. Life (vv. 15-17). Literature knows no more beautiful declaration of faith and devotion than these words, and nothing could improve on it. Lord Tennyson said of the book of Ruth that "no art can improve on it." And of these verses another said, "We cannot hope to contribute to literature a sentence so exquisite and thrilling as that into which Ruth poured the full measure of a noble heart, but

"We can dilute her devotion" (William Jennings Bryan).
The conclusion of the story finds Ruth married to Boaz, her kinsman-redeemer, and "living happily ever after" as a true romance should end. God gives happy endings.

Here we find the right attitude toward marriage, something which needs emphasis in our day. Above all, as we remember that Ruth was an ancestress of Jesus, we see anew the importance of clean, noble, godly living. What will the generations to come be able to say about our lives?

Bob Pearce Is Candidate For County Clerk

TO ALL THE VOTERS, AND PEOPLE OF COLEMAN CO.:

I have made a previous announcement that I did not intend to run for the office of District Clerk of Coleman County, as I promised some of you that I just wanted this office for two terms. All the people of Coleman County have been awfully nice to me, and for this I am extremely grateful. Hundreds of my friends really don't see why I am taking out of politics. They have come to me personally and have requested that I run for some office, mainly County Clerk.

I am hereby announcing that I will be a candidate for the office of County Clerk of Coleman County, Texas, subject to the action of the Democratic Primary, July 27th, 1946.

I can say that the present Clerk has had more political experience than I, but at the same time with my experience as District Clerk, and without any paid help, I have managed to keep this office going and in good condition. This, however, is according to everyone that has been connected with the office of District Clerk, and the people that have been most vitally interested in the services rendered by it.

I can sincerely say that if you see fit to elect me to YOUR office of County Clerk, that office will receive my undivided attention and all the courtesies while waiting on the public, and

BAPTIST CHURCH NOTES

There was a large attendance at the services Sunday, with a number of visitors present. The Sunday School report showed the largest attendance for many months.

There were about twenty-five young people in the fellowship period following the preaching service. Some interesting things are planned for this period next Sunday night.

The Men's Choir sang an old favorite hymn as a special number Sunday night. Our men's choir is a special feature every Sunday night.

The monthly Brotherhood meeting Tuesday night went over big. This meeting was planned for the men and boys

of the church. There were twenty-seven boys and forty men present. Mr. H. A. Stephens and Major Forestor of Brownwood were visitors and each one delivered a helpful message.

We are announcing a special series of revival services March 24-31. We will have two services daily, 10 a. m. and 7:30 p. m. Mr. Ernest Townsend of Coleman will direct the singing. Mr. Townsend is a very pleasing personality and has a good voice for solos. We invite the public to attend all these services.

You can take
General MacArthur's
word for it!

"The Red Cross has done a 100 per cent job in this theatre. Mathematical limitations alone prevent my saying the Red Cross services here have been more than 100 per cent."

—General Douglas MacArthur

SO speaks a distinguished eye-witness of your Red Cross in action. General MacArthur saw the Red Cross at your fighting man's side, all through the gruelling months of the Pacific campaign. He saw Red Cross huts in the sweltering jungle, bringing a touch of home to homesick, heartsick boys. He saw Red Cross men under fire on D-Day beachheads—sweat it out in foxholes—follow the men with candy, cigarettes and other comforts right up to the firing line.

He knows that wherever your fighting man went, your Red Cross went, too—that wherever, whenever he

needed respite and recreation, help with a personal problem, or just someone to talk to, the Red Cross was there.

He also knows, as you do, that your Red Cross cannot yet say, "Mission accomplished." It still has an enormous task to do. With your help it will carry this task to a successful completion.

*One War is over . . .
 but another War has begun*

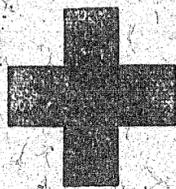

Your Red Cross must now fight on three new battlefronts. The thousands

of our men still in veterans' hospitals and in alien, faraway lands overseas need its comfort and cheer now, as they did when the bombs were bursting. And as our servicemen return to civilian life, your Red Cross must lend them a helping hand.

And when disaster strikes here at home—fire, flood, tornado—your Red Cross must be ready with aid for the victims. Its war against human misery is never wholly won.

But remember—it is *your* Red Cross. It depends on you for its very existence. So give from your heart. Give generously. Give *today!*

YOUR Red Cross MUST CARRY ON

GIVE!
