National and International News Hi-Lights of the Week

Gov. Coke Stephenson proclaimed Saturday, September 7 as Air Day in Texas. The first annual Air Day in Texas will be directed by John Vancronkhte and will be at Harlingen, Texas. The day would pay tribute to the part Texas played in the air war of World War II. Gov. Stephenson said that Texas has more airports and runways than any other state in the union.

The middle of next week was tentatively set as the adjournment date of the weary 79th congress after a conference July 23 of legislative leaders and President Truman.

Barkeley listed these measures on the must calendar before adjournment. OPA renewal, domestic atomic energy control, enlisted men's terminal leave pay, expansion of railroad retirement benefits and a civil aviation treaty. The legislation and unification of the army and navy and also the proposal for compulsory health insurance will probably have to wait until next year.

Revolutionists who took over the government of Bolivia after killing President Gualberto Uil-larrel and many of his collaborators pledged themselves Monday to call democratic elections and turn the nation over to a government "chosen by the people."

The new government is composed of leaders of labor union groups, university students and professors and a number of persons prominent in Bolivia's public life.

The American veterans' committee has asked President Truman to revoke last week's order by the war department suspending enlistment of negroes.

Charles G. Bolte, national chairman, said AVC challenged the department's statement that the suspension was based on the army's policy of limiting negroes in the army to the ratio at which they occur in the civilian population at 10 to 1.

Infantile paralysis cases have been more numerous so far this year than for any comparable period since 1934, but the U. S. public health service officials have offered hope that the outbreaks would not develop into a major epidemic.

Up to July 13, there were 2,596 cases throughout the country, compared with 1,679 for the same period last year, 1,752 in 1944 and 1,626 in 1943.

The senate passed legislation July 23, granting an estimated two to three billion in terminal leave pay to enlisted men in the armed forces and those already discharged.

Enlisted men now discharged would receive compensation up to 120 days pay, on the basis of two and one half days leave for each month of service. Officers are already entitled to terminal leave pay.

An amendment to pay the amount in cash or in bonds cashable in six months was voted down. The senate voted to provide payments in interest bearing non-transferable bonds.

A price and rent control bill, materially relaxing the grip that the OPA has held on the nation's economy galloped Tuesday over the first lap of a second journey to the white house with the house adopting a conference report, 210 to 142.

The house has been assured by democratic leader John W. McCormack of Massachusetts that President Truman would sign the bill.

Immediate restoration of controls of manufactured products, patents and on foods not specifically exempted, is permitted. OPA could roll back to their June 30 levels any rent increases made by landlords since that date.

On July 12 senate voted 44 to 34 to give the state clear title to the oil rich tidelands extending

Whon and Queen Tie For First Place

According to Rubin Fulton, scorekeeper, Whon now shares top honors with the Queen Theatre in the league standing. There was a conflicting tie in the game on July 9 between Whon and Cleveland but at last the official decision has been announced as 5 to 4 in favor of Whon. The league standing up to date follows:

Team	W	L	T	Pct.
Whon	5	0	0	1000
Queen	5	0	0	1000
Piggly Wiggly	3	2	0	600
American Legion	2	2	1	500
Trickham	2	3	0	400
Shields	1	3	1	300
Cleveland	0	5	0	000

The batting averages, which are still lower this week than the preceding week, are shown below:

Lewellan, Piggly Wiggly, 700; Jack Rowe, American Legion, 550; R. Deal, Whon, 523; J. Stafford, Whon, 523; C. Moore, Cleveland, 523; D. Rice, Trickham, 523; O. Horton, Piggly Wiggly, 500; Blake, Piggly Wiggly, 500; E. Cozart, Whon, 500; D. Moore, American Legion, 500.

On Friday night, July 19, the crowd witnessed games between Whon vs. Piggly Wiggly and Trickham vs. Cleveland. Whon won over Piggly Wiggly with a score of 13 to 2 and Trickham defeated Cleveland 11 to 0.

On Tuesday night, July 23, the Queen Theatre defeated Liberty 23 to 0 and the American Legion and Shields tied with the score 4 to 4.

Mrs. Barney Lewellen is visiting this week with her parents, Mr. and Mrs. W. L. Alford in San Angelo. Mrs. Alford is quite sick in a hospital.

Mr. and Mrs. Leland Thompson left Wednesday morning for Osborne, Kansas for a visit with his relatives. Mr. Thompson was born and partly reared there. They also plan to visit with friends at Chanute, Kansas.

Buddy Lovelady and Bill Mitchell came in last week from Texas Tech, having finished the summer school work there.

FLOYD GOODGION

Floyd Goodgion has recently returned to civilian life and is at present living with his parents, Mr. and Mrs. Homer Goodgion in Santa Anna. Floyd served overseas with the 28th infantry division through three major campaigns. As a rifleman, he fought in France, Holland, Belgium Luxembourg and Germany. After returning to the states, he became a member of the 2nd infantry division and received his honorable discharge at Ft. Lewis, Washington on the 27th day of June, 1946. Floyd says he has seen quite a lot of this country and of Europe but nothing looks as good as Texas.

Shield Youth Heads FFA Chap.

Stanley Cobb, son of Mr. and Mrs. George Cobb of the Shields community, assumed his duties as president of the Santa Anna FFA chapter July 1. He succeeds Maurice Kingsberry who has been president for the past two years. Stanley came to Santa Anna High from Shields Grammar school and although he has completed only one year here his leadership ability is best recognized by the fact that his fellow future farmers have elected him to the position. Not only has Stanley been active in future farmer work but he has likewise been active in both class leadership and extra curricular activities, having been a member of the football team last year.

Stanley recently added to his present farming program of three grade cows and calves, three Delaine-Southdown cross mutton which he selected from the Boyd-J. L. Stewardson flock. These will compete for the champion lamb in the January Santa Anna Livestock Show.

Queen Theatre Staggers Seats

"Last Friday," states Mr. Bill McDavid, manager of the local theatre, "a crew of men arrived here to stagger the seats in the theatre. I have been trying to get this crew here ever since I have been here and had just about given up hopes of getting it done, but now the job is completed and we are proud of it."

The seats in the center section of the theatre have been rearranged so that a person may sit and see the show without having to look over or around some one else. This is another one of the many improvements that the theatre has had in the past few months.

Savings Bonds High In July

America bought \$139,057,000 more of U. S. savings bonds during the first half of July than in the first half of June, National Savings Bonds Director Vernon Clark reported. Sales surged up 45.7 per cent above the mid-June figure to reach \$443,514,000, the best half month's volume since January, he said.

"This marked increase resulted from the treasury's 'Back Your Future' June-July savings bonds promotion which stressed investment in bonds as security for the future and their purchase as a check against inflation," Mr. Clark said.

The half month report for the nation showed E bond sales up 28.5 per cent, from \$175,334,000 in the first half of June to \$225,237,000 in the comparable July period. In all series, sales were at the highest rate since January 1946 and E bond redemptions at the lowest since July, 1945.

Mrs. R. L. Lovelady and Miss Mary Lela Woodward entertained with a gift shower at the home of the latter on Friday night, July 19th, honoring Mrs. Odell Collins. Seasonal flowers were used in the decorations with zinnias predominating. Two games were played. Guests had been asked to bring their pictures as babies and identifying the was difficult and furnished entertainment and amusement.

About 30 friends from Coleman and Santa Anna were present. The honoree received a large number of useful and lovely gifts.

The hostesses served refreshments of ice cream and cake.

Mr. M. D. Eubank and Mr. and Mrs. Chester Galloway, are attending to business in Odessa this week.

Democrats Urged To Attend Precinct Conventions 27th

Coleman county democrats are urged to attend the precinct conventions slated for the afternoon of the approaching primary election — July 27.

It was pointed out that delegates to the county convention would be selected and other important business attended to at the meetings staged at the various polling places of the county. Time for the conventions has been suggested at 2 p. m. Saturday, July 27.

Chairmen Named For Boy Scout Finance Drive

John E. McDaniel of Coleman, Jack Gorman of Novice and Rex Golston of Santa Anna were named Monday as community finance chairmen for the finance drive of the Boy Scouts of America, Chisholm Trail Council, said John B. Howell, Coleman District Finance, Chairman. The campaigns will take place early in September.

Attending a council wide meeting of campaign chairmen in Abilene Monday night were John B. Howell, B. B. Nunley, Coleman District Chairman; John E. McDaniel, Coleman Campaign Chairman; and Dale Hewgley, Field Scout Executive, all of Coleman. At this meeting the Chisholm Trail Council budget for the next fiscal year, amounting to \$27,041.60, was discussed as to why and how it should be raised. Others attending the meeting were from Jones, Haskell and Taylor counties.

Election Notice

The election for the south side voters will be held in the Shield building, the last building on the block west of the post office and south across the street from the Santa Anna Gas office, Saturday July 27, 1946.

L. F. Buchanan of Pecos, a brother to Mrs. Gregg, spent the night Sunday in the J. J. Gregg home. Mr. Buchanan was en route to northern Arkansas, after his children, who are visiting with their grandparents.

W. E. Wilson has returned to his home at Midland after visiting several days with his sister, Mrs. Willie Mae Blevins and Mrs. John Githrie.

Mrs. Iar Hudler of Monahans and Mr. and Mrs. Chester Galloway of San Angelo have been visiting with their parents, Mr. and Mrs. M. D. Eubank.

Notice To All Users Of City Water

Due to the fact that the main pump at the city lake is out of order and the emergency pump cannot furnish as much water as the city has been using, we urgently request that all persons using city water only use such amount that is necessary and cooperate fully by not watering flowers, shrubs or gardens until further notice. Anyone hauling water may get it at the well just south of Matthews Motor where the city is securing water for the street paving.

The city has just been notified by telephone from the Fairbanks Morse Company that due to the fact that their plant has been on strike and have just gone back to work this week, it will be ninety days before they can make delivery of any parts. The City Commission.

There is no substitute for experience. Better vote for Williamson for county attorney and take no chances.

James C. White, Brownwood Editor Claimed By Death

Brownwood and the heart of Texas, lost a valuable editor last Wednesday morning, when James C. White, 59, who has been with the Brownwood papers for over forty years, starting in as a helper on the floor and building himself up to become editor and publisher of the Daily Bulletin for 35 years, and spending the remainder of his life on the Brownwood Banner, a weekly publication, answered the final call.

Editor White died in a Waco hospital last Wednesday, where he was carried earlier, following a heart attack complicated with asthma Saturday. Funeral services were held from the First Presbyterian church in Brownwood Thursday morning, and his remains carried to Corpus Christi for final burial.

James C. White was a very active and useful man, and enjoyed the friendship of a large circle of friends throughout central Texas.

Maj. J. E. Pinney In Colorado

The Denver Post of recent date has a very interesting article about Major James E. Pinney, a Santa Anna boy. He is the commanding officer of the Fifth Repair Echelon at the Rocky Mountain arsenal at Denver. At this plant chemical warfare equipment from every combat zone in the world, including flame throwers, smoke generators, and 42 inch mortars are being reclaimed for use in the event of another war. Two other army officers and 80 civilian employees, mostly veterans of World War II, work at the plant. Maj. Pinney says the plant has reclaimed 1600 complete units and has overhauled and repaired \$800,000 worth of equipment.

The article contained a good likeness of Maj. Pinney and four pictures of the work and some of the workers at the arsenal. This is a worthwhile work, and Maj. Pinney seems to be making good in a very responsible position.

The Lions Roar

The regular meeting of the Lions Club was opened with the singing of two songs, followed by one verse of America and all members giving the Pledge to the flag.

The regular meeting of the Lions Club was opened Tuesday July 23 with the singing of two songs.

Dr. Joe Green, Coleman veterinarian, discussed the dangers of disease transmission from animals to human beings.

Taking the most prevalent diseases of this territory, Dr. Green gave an account of symptoms, cause and methods of transmission to mankind and the possible cure.

There were 52 members present and two visitors. Fox Johnson of Rockwood was a guest of Carl Ashmore and Dr. Green was a guest of the program committee.

Mr. and Mrs. G. W. Howard had as visitors last week-end Mr. and Mrs. W. M. Howard and daughter, Gerry Rea of Odessa and Mrs. Milton Howard and two daughters from Houston.

Mrs. Jack Howard and two sons of Lorenzo are visiting them and Jack will arrive this week. Mrs. Howard's mother, Mrs. E. J. Long of Iowa is also here for an extended visit. George Howard, M 2-c on the U. S. S. Moale was present for the previous atomic bombing at Bikini and will take part in the present bombing. In the previous bombing his crew was the first to arrive and take the water sample test.

First Primary Ballot To Be Cast Saturday, July 27

Next Saturday, July 27 is an eventful day in Texas. Every man and woman who are affiliated with the democratic party should go to the polls and cast their vote. This is an off year in politics, according to the way some term it, being an off year from the general election including the president, but it is a very important election, and nominees of the democratic primaries are tantamount to election in Texas.

A United States senator, a governor, 21 congressmen, supreme judges, district judges, and on down the line to constables are to be nominated in the July and August primaries, and elected in November. This is almost as important an election as the general election so far as Texas is concerned.

We are not advising you who to vote for, but we do advise you to go out to the polling places and vote for your choice of the several candidates for office. No doubt, more people will cast their votes in the first primary Saturday than ever voted in one day in Texas. We are expecting the number to crowd the two million mark. Be one of them if you are a democrat.

Elsewhere in this issue of the News is a sample ballot. Study this ballot. The one you receive at the polls will be almost the same as this. The only difference is the one at the polls will be an official ballot. The Editor.

Transfer Your Children Now

All children who intend to go to school in Santa Anna the ensuing year must be transferred during July unless they reside in the Santa Anna School District. This applies to high school students, even though they may have been attending Santa Anna High School. So far there have been very few parents who have transferred their children. Mr. Byrne will be glad to transfer your children through Monday, July 29th. After that date you will have to have them transferred in the county superintendent's office in Coleman. Since Santa Anna is a salary aid school, it is imperative that all children be transferred here from other districts if the intend to go to school here.

COMMUNITY SINGING

The regular 4th Sunday community singing will be held at the Christian church next Sunday afternoon at 2:30 o'clock. All singers and those who love good singing are invited.

Senator Allan Shivers is the only candidate for lieutenant governor who has the experience and qualifications that are so badly needed to properly preside over the Texas senate, the lieutenant governor's chief function. Allan Shivers gained this experience through 12 years of service as a senator, interrupted only by two years overseas duty with the army. He is also the only war veteran seeking the lieutenant governor's office.

**Editor To Pass Up
Family Reunion**

Next Sunday, July 28th, the Gregg family will assemble at the little country church at Barfield, Alabama, for their annual reunion.

The last reunion this writer attended was held in 1940, at which time the fifteen surviving children were all able to attend, together with several hundred relatives and friends. Since that time, one sister has answered the final call, one brother is now reported to be in very poor physical condition and may not be able to attend. The writer is the eleventh child of the family by number, and we are no spring chicken. In all probability, this will be the last reunion for some more of the family as several of them are approaching their last stage of life. We regret more than we have words to express, our inability to attend, but being confined to our home for over five months, not being able to leave the premises except on occasions when we are carried to the barber shop for a haircut, we will have to pass up this one, but we hope and pray that we will be able to attend at least one more family reunion before we are called from this world. We will not be there in person, but in mind and heart.

May God continue his richest blessings upon them according to their needs and his divine will.

Vote for Williamson for County attorney and be sure. He has had experience and will know how to deal with criminals of all classes.

A son was born Saturday night, July 20 to Mr. and Mrs. Jesse Carl Oakes at Corpus Christi, so the grandparents, Mr. and Mrs. Arthur Talley, have been informed. The mother is the former Miss Mary Frances Talley. The infant has been given his father's name.

Trickham News

By Mrs. Beula Kingston
Our revival meeting closed last night and after a hard fought battle, God came and gave victory. With 14 or 15 conversions, these with three others (who came by letter) were received in the different churches. The wind and rain storm which came up Saturday afternoon blew most of the hay off the arbor, turned the piano over, seemingly ruining it but the men gathered as soon as the rain was over, moved the benches back to the church house, borrowed the school piano and by time for the night services everything was ready and Bro. Brown seemed to have a special anointing for the service and how God did bless and give victory. Sunday was a great day with the house crowded at night and five conversions. Again may I thank each one who came from other communities. In unity there is strength. Brother

Brown goes into another revival today, Monday, at Winchell. Friends here have heard that Mr. Bunyan Norris was hurt in a car wreck near his home last week. Mrs. Howell Martin talked with his daughter, Mrs. Bowden today and she didn't think he was seriously hurt. Sure sorry to hear this, Mr. Norris. We had wondered why you had not come back to the meeting. Hope you will be able to attend the Mt. View meeting which begins on August 2.

Mr. and Mrs. Albert Dean and family, also their grandsons, Ray and Jesse Haynes were guests of Mr. and Mrs. Rex Herring of Brownwood at the Herring family reunion at Lake Brownwood Saturday night and Sunday. The occasion was a happy one as the Herring family are among the dearest and oldest friends of the Dean family.

Mr. and Mrs. Ernest Wagner and family of Monument, N. M., Mrs. Gordon Perry, Clyde and Mary of De Leon visited in the Silas Wagner home last week.

Mr. and Mrs. Thomas Bowden were supper guests of Mr. and Mrs. Albert Dean on night last week.

Mr. and Mrs. Dayle Nolan visited his uncle and aunt, Mr. and Mrs. Merle Reed of Sweeney last week-end.

Miss Vivian Tucker, who has employment in Brownwood, spent Sunday with her parents, Mr. and Mrs. S. F. Tucker.

Mrs. Mayme Fivash Gray and son, Raymond, who spent three weeks or more here with her sisters, Mrs. Leta Price and Mrs. Bill Downs, returned to her home in Oklahoma City last Wednesday.

Rev. Jewell A. Weaver from Shiner, Texas, attended the revival here last Wednesday morning. He is a cousin of Lewis Newman, and was down for the Newman reunion, and as Mr. Newman was leading the singing for our revival, he came with him, and as he led us to the throne of grace in prayer we could feel that fellowship that God's people have when they meet together.

Following the great heat wave which was so hard to bear, about 5 p. m., Saturday, a cloud quickly gathered and for a short time how it did rain, hailed some and the wind blew. Well it was almost a little storm. A large China tree in Mr. Key Bradley's yard was blown down. We had 98 inch of rain with a little more during the night. Thank God for the rain.

Mr. and Mrs. Tommy Mnstain from Kermit spent Saturday night with his parents here.

Mr. and Mrs. Glenn Haynes and Nancy Jo visited each if their parents Sunday.

Mrs. Ethel Johnson and daughter, Joyce returned to their home in San Antonio last week after visiting her parents Mr. and Mrs. Ben McIver.

Relatives and friends here are sorry to hear that Mrs. John McClatchy of Coleman had fallen last Saturday afternoon and broken a bone in her leg. She was alone for an hour after falling before Mr. McClatchy returned and got help and took her to the hospital but she is home now and doing nicely and we hope for her a speedy recovery.

Mr. and Mrs. Rodney Spence of Van Nuys, Calif., are here today, Monday, visiting his aunt and uncle, Mr. and Mrs. Otto Lange.

Rev. and Mrs. Otis Brown and two children were dinner guests of Mrs. Kingston Sunday.

Mrs. S. E. Reed of Brooksmith as improved enough from her stroke of paralysis that she can use her limb enough to sit on the side of the bed some. She has now gone to her daughter's in Brownwood, so reports her daughter, Mrs. Jess York. Mrs. was rejoicing in the news received that her niece, Miss Billie Irene Smith has consecrated her life to go as a missionary.

Mrs. Geo. Haynes and children from Fairbanks, Texas, are visiting her mother, Mrs. G. D. Welch, who fell and broke her leg some time ago. We are glad to hear Mrs. Welch can now be up some and came with her daughter to visit in the Elmer Haynes home Sunday.

Rev. Brown and family were supper guests of Mrs. Zona Stacy Sunday.

Mrs. Key Bradley visited with Mrs. Lela Bell in the Harold Pierce home in Brownwood on Thursday. Mrs. Bell is here from Carlsbad, N. M.

Mrs. Kit Douglas, Zona and Craig spent one day last week here with her sister in law, Mrs.

Leo Driskell, Ruth and children have been here with her mother, Mrs. C. F. Shield since the Shield reunion but will leave tomorrow for their home at Waller.

Mrs. Rachel Limmerman from Pleasanton and Mrs. H. B. Featherston from Floydada are here visiting Mrs. Jim Featherston, John and Lou and attended church here Sunday night.

Mrs. W. M. Hancock of Zephyr, Mr. and Mrs. Bill Heidbrier of Brownwood attended church here Sunday and were dinner guests of Mrs. Zona Stacy, so were Mr. and Mrs. Walter Stacy and Delray.

Mr. and Mrs. Ike Vaughan and his mother, Mrs. Bob Patterson, her mother, Mrs. Denny, all from San Antonio, visited with Mrs. Lee Vaughan last week.

Mr. and Mrs. Otto Lange received a message from their son, Darrell Downs last week saying he and Miss Lois Humphreys of Murphysboro, Ill., were married. Miss Humphreys visited in the Lange home last winter and Mr. and Mrs. Lange said she seemed to them as a very nice girl and they are very happy to have her as a daughter in law and may I add my congratulations to you, Darrell.

Mr. and Mrs. Hollis Watson returned from a visit in El Paso the first of last week and rented an apartment in Brownwood and have moved down there. When his leave is up Doris will continue to live there until she can go where he is stationed.

Mrs. Carrol Bowden is visiting her daughter, Mrs. Fred Haynes.

Mrs. Jack Laughlin got a call this morning (Monday) from her husband who landed at Seattle, Wash., Saturday. He will be discharged at San Antonio.

The Laughlin-Miller reunion came off as scheduled with 60 relatives and friends present from Melvin, Brady, Cherokee, Doole, Waldrip, Brownwood, Trickham, Bangs, San Antonio, and Ft. Worth with lots to eat and a nice, cool day. All seemed to have a good time.

Lois Haynes is visiting in Cherokee with her granddad.

The singing school will start Monday, July 29. Most all the money was raised Sunday and all from the community are invited to come. It won't cost you anything. If you can't come every day, come what time you can.

The political rally and ice cream supper held under the tabernacle Monday night was well attended. Some 20 or 25 candidates were there to speak. Ice cream and punch were served. The proceeds go to the school lunch room. Everyone seemed to be having a good time.

Mr. and Mrs. Grady McIver have a new baby boy this morning (Tuesday). Have not learned his name or weight.

Mr. and Mrs. Walter Stacy are leading the singing for the meeting going on at Winchell.

FRANK MILLS

The number of convictions in District Court for various offenses from 1929 through 1937 while Frank Mills was sheriff, shows 261.

These convictions could only be obtained by the evidence worked up by Frank Mills as sheriff.

During this time, the records show that \$86,950.00 in kidnaping, bank and other robberies was recovered and returned by Frank Mills, while he was sheriff.

Some nationally known criminals operated through this county in the above time, and through the efforts of Frank Mills, they are today either dead or spending their time in the penitentiary for the balance of their lives.

While Frank Mills was sheriff, it was possibly the most lawless time in the history of this nation, but J. Edgar Hoover states that we can expect a much heavier crime wave in the next five years.

Frank Mills has an outstanding record as sheriff and for the past few years has been in the Ranger Service, which qualifies him as a more experienced officer than ever.

Frank Mills as a man through all these trying times supported his family and schooled his children, never letting them worry over financial support.

Frank Mills should be elected as being a man.

Frank Mills should be elected on his record of the past as being one of the most fearless and capable officers in Texas.

Frank Mills should be elected because he is today the most qualified man for sheriff of any county in Texas.

The next five years will require the best there is in a sheriff, that is why Frank Mills should be elected your next sheriff.

(Political ad paid for by friends of Frank Mills)

Mr. and Mrs. Will Howard and Mr. and Mrs. Vanderford visited Mrs. Howard's sister in Waco last week. Mrs. Vanderford also visited her brother in Oglesby. Mrs. Howard's mother, Mrs. Long returned home with them for a visit.

Mr. and Mrs. D. S. Waller and Weldon of Albany visited Mr. and Mrs. Payne Henderson last week-end.

H. D. C. Met Friday, July 19

some valuable information. In keeping with the program of the afternoon the hostess served congealed fruit salad, cookies and iced grape juice. Plans were made for the picnic supper for the club members and their families to be held at the Ranger park Friday, August 2.

Improved Uniform International SUNDAY SCHOOL LESSON

By HAROLD L. LUNDQUIST, D. D. of The Moody Bible Institute of Chicago. Licensed by Western Newspaper Union.

Lesson for July 28

Lesson subjects and Scripture texts selected and copyrighted by International Council of Religious Education, used by permission.

JESUS AND REVERENCE FOR SPIRITUAL VALUES

LESSON TEXT—Exodus 20:7; Leviticus 19:12; Matthew 5:33-37; Mark 7:5-8, 33-36. MEMORY SELECTION—But seek ye first the kingdom of God, and his righteousness, and all these things shall be added unto you.—Matthew 6:33.

Reverence is not an incidental thing which we may or may not choose to have in our lives. It is vital. Reverence toward God and the things of God will result in respect for all values in life. It will balance our thinking, speaking, and our acting toward our fellow men as well as toward our God. Our lesson calls for:

I. Reverence in Worship (Exod. 20:7; Lev. 19:12).

The Lord rightfully expects from us a proper attitude toward him. If we worship him as we should, we shall find that other matters fall into their proper relationships.

Essential in true worship is reverence for the name of the Lord, for that name stands for all the qualities and characteristics of God. This means that there must be no taking of the name of the Lord "in vain." Our use of the word "vain" carries the meaning of "useless, without purpose or meaning." This is part of what is in mind in this commandment, for the name of Jehovah is sacred and is to be revered as standing for the eternal God.

It is never to be used carelessly, or for a frivolous purpose. All too often we tell jokes or stories which have no real purpose or meaning except to elicit a laugh, and in them we use the name of God. We all need to exercise care at that point.

The Hebrew word translated "vain" has the additional meaning of "evil" and "falsehood." Men are so bold that they may even use the name of God to support themselves in a lie. God hears and will in no wise hold them guiltless.

II. Reverence in Words (Matt. 5:33-37).

The Sermon on the Mount (so-called), from which this portion of Scripture is taken, is difficult to interpret to the satisfaction of all. Some disregard its evident application to the kingdom and, attempting to apply it in the midst of an ungodly generation, fall into such inconsistency that they abandon the effort and regard the teaching of the passage as impossible idealism.

Others, who rightly interpret the passage as presenting the laws and principles of life in the kingdom of God, when it shall be fully set up on earth with Jesus as King, fail to make any application of those principles to life. This is also an unfortunate error.

We who follow the Lord Jesus are not to swear by either things sacred or things that might be called secular. Perhaps he has in mind that our lives should be so true that men will not need to have any kind of oath to be assured of our sincerity and honesty.

Swearing should be entirely beyond the pale with Christian men and women. It is all too common with both men and women. One fears that this is true not only in the world, but among professed believers in Christ. Let us stop it!

III. Reverence in Works (Mark 7:5-8).

Words which do not issue in works are worse than meaningless. They lead to acceptance of a formal religious system which is dangerous. It gives a sense of religious satisfaction which is very superficial, but of some apparent value. It carries with it no high ethical demands. It helps a man to feel religious without being either ethical or moral. It does not probe or arouse. It soothes and calms" (W. R. White).

Who will deny that much of the church life of our day has reached that same sad state of "much ado about nothing"—talk, talk, talk, and no honest disposition to deal with sin, or to seek holiness of life. The Lord hates it, and it is a vain exercise as far as spiritual results are concerned.

IV. Reverence in Will (Mark 8:34-36).

True reverence shows itself in recognizing that God's will is "good and acceptable and perfect" (Rom. 12:1).

Following the Christ of Calvary calls for a willingness to say no to self (literally to deny any connection with self-life) and to follow through with him on the path of sacrifice and crucifixion. No self-interest or compromise are per-

missible to Christ's disciples. Foolishly to attempt to hold one's life for self is to lose it. That painful loss has left brokenhearted, wrecked lives all along the path of man's history. But why should anyone do it? Equally foolish is the one who supposes that this world has anything to satisfy the human soul. Assuming the possibility of the impossible—that is, attaining the whole world as one's own possession—to do so at the cost of one's soul would be an indescribably poor bargain.

State Dept. of Health Letter

With a shary increase in the number of persons being bitten by rabid animals in East Texas, and similar occurrences reported in other sections of the state, Dr. Geo. W. Cox, state health officer, recently warned all Texans to be on the alert for symptoms of this disease when around domestic or wild animals.

The 2,166 animal heads received for examination by the state health department during the past year have shown 687 positives, including incidence among cats, dogs, horses, rabbits, squirrels, skunks, guinea pigs, coyotes, gophers, raccoons, hogs, sheep, and prairie dogs.

Rabies is transmitted to man through a bite or having a cut exposed to the saliva of a rabid animal. Bites through clothing are not as dangerous as bites on exposed surfaces, because the saliva is wiped off as the tooth passes through the cloth.

If a person is bitten, the offending animal should be penned, if possible, for a period of ten days observation. If the animal is normal at the end of that time, the case can be dismissed. If it is necessary to kill the animal, this should be done in such a manner that the brain is not destroyed, otherwise, an examination to determine if the

Rockwood News

(Mrs. Ray Caldwell)

We are so thankful for the showers and this nice, cool breeze. The nights have been wonderful the last few days.

The Methodist revival closed Sunday evening. The results were not what we had hoped for but we received hope and inspiration from each message. Just to hear the Booster Band sing under the direction of Bro. Cooper of Brownwood and Mrs. Tom Bryan and the heart stirring messages of Bro. Grady Peters of Eden would have been an inspiration to anyone present.

Miss Marjorie Ruth King of Ft. Worth is spending her vacation with her parents, Mr. and Mrs. A. L. King and grandparents, Mr. and Mrs. J. C. King.

Mr. and Mrs. B. E. Fowler spent the week-end in Ft. Worth with their son, Mr. and Mrs. B. B. Fowler and new granddaughter who is a very recent visitor. She plans to make her home there.

Mrs. Al Davis is at the home of her parents, Mr. and Mrs. Sam Rutherford with her baby daughter, Sandra Jean.

Mr. and Mrs. Dink Snider and girls of Brownwood, Mr. and Mrs. Lewis Bryan and son and Mr. and Mrs. E. D. Black of San Angelo were luncheon guests Sunday in the home of Mr. and Mrs. Tom Bryan. Mrs. Black remained

for a longer visit. Mr. and Mrs. Renfro of Whon attended church here several times during the meeting.

Mr. and Mrs. Bob Smith and children of San Saba spent the week-end in the home of her sister, Mr. and Mrs. Jack Bostick.

Mr. and Mrs. W. T. Bowers and Cora of Ft. Worth spent Tuesday night of last week in the home of Mr. and Mrs. Boss Estes.

Mr. and Mrs. F. E. McCreary spent the week-end in San Antonio with their son, Capt. and Mrs. Frank McCreary and son. Upon their return home they had a message awaiting them telling them of the serious illness of Mrs. McCreary's father, J. D. Ingram of Eddy, Texas. They went to him immediately.

We extend our deepest sympathy to the entire family and relatives of Mr. and Mrs. A. N. McSwane at the death of their son, Lee who passed away at Abilene early Sunday morning.

Mr. and Mrs. Hary Livingston of Coleman attended the funeral of Lee McSwane here Monday.

Mr. and Mrs. Polk Lankford, Doris and Margaret of Brownwood visited Sunday afternoon with his mother, Mr. and Mrs. R. L. Steward and sister, Mrs. Ray Caldwell.

Mr. and Mrs. R. L. Steward honored their grandson, Talmadge Caldwell with a birthday dinner Sunday. Other guests present included Mr. and Mrs. Ray Caldwell.

Dear Friend,

By now you probably know that I am running for the office of County Clerk of Coleman County. It has been my intention to see each of you who have it in your power to either elect or reject me. As I go from place to place I realize that I am missing many of you that I would like to see and talk with.

Four years ago when I was running for the office of District Clerk I promised you that I would keep the office two terms only. I am keeping that promise but at the same time I am trying to better myself by asking for another office with more responsibilities. I feel that I am qualified to perform the duties of the County Clerk and I know that in that office I can serve each of you more than I have ever been able to in the past.

If I have not seen you to ask for your vote, support and influence, please accept this as my personal request for same. If I have seen you I would again like to thank you for your encouragement and consideration.

Very truly yours,
BOB PEARCE.

Candidate For County Treasurer

If I have failed to see you personally, will you please accept this as an earnest solicitation for your support?

If elected, I will handle the office honestly, efficiently and courteously. I will be on the job at all times.

Will you please favor me with your vote? I need the job.

My sincerest thanks,

To The Voters Of Precinct 2:

I want to thank you for your consideration and help in my race for County Commissioner.

If I have failed to see you, I hope you will take this as a personal visit with you.

I have lived in the precinct nearly forty years and have tried to be an average citizen. I believe in equal rights for all. I favor better farm to market roads and better school bus roads.

If elected I shall cooperate with the Court in matters which will benefit the precinct and the entire county.

Sincerely,

T. Homer Goodgion

Hendrick Wills Three Million To Religious Humanitarian Causes

Abilene, July 17 — More than three million dollars will be left to humanitarian and religious causes by terms of a joint will of the late Thomas Gould Hendrick, wealthy west Texas oil man, rancher and philanthropist and

his wife. The will was filed here yesterday. Hendrick died July 8. He began his career as a 16 year old stage coach driver from San Antonio to the Mexican border. At his death, he was owner of a 32,000 acre ranch in Winkler county, upon which the Hendrick oil field was discovered. His wife survives.

The bulk of the estate will go into trust for the perpetual endowment of the Hendrick Home for Children, built here seven years ago by Mr. and Mrs. Hendrick. A trust of \$600,000 is set up

for the Hendrick Memorial Hospital here. A total of one million dollars will go in trust to the Baptist Foundation of Texas to aid ministerial students, retired preachers, foreign and home

missions and other activities of the church. You can depend upon Williamson to make a good county attorney. He knows how.

Mrs. T. L. Parrish and daughter, Mrs. C. R. Anson and her daughter and son, all from Brady, visited with Mr. Parrish Tuesday, who is a patient in the Sealy Hospital.

Vote For **E. J. MILLER** of Brownwood. A man you know and know is qualified. With 25 years active private practice in State and Federal Courts, 12 years as District Judge with a record above the average, asks promotion to the **COURT OF CIVIL APPEALS**

Two members of the Court are from the West and Northwest half of the district, which might suggest that distributive fairness would be served by electing one member from the South and East part of the district. Why not make it unanimous for Miller?

BROWNWOOD BAR ENDORSEMENT: We have known Judge E. J. Miller, both as Judge of the 35th District Court, where he served for twelve years and as an active lawyer in private practice, in which he was engaged for many years. He was an able judge, diligent, industrious, learned in the law, and painstaking in his consideration and decision of the matter involved. We commend him as having the qualities that eminently fit him for the position which he seeks, that of Associate Justice of the Court of Civil Appeals.

And Explanation

Many people have asked me the past few days where I have been. I am like most of you. I have to work for a living. Unfortunately my job forced me to be out of the district for several days at a time. For this reason, I have not been able to contact all the voters. I would like at this time to ask each and everyone of you to vote for me and send me to Austin to be your representative.

Santa Anna Story In Saturday Evening Post

The people of Santa Anna, Texas, struck a strong blow for the cause of tolerance when they provided a funeral for Rosa Rodriguez, infant daughter of a migrant worker of Mexican descent, according to this week's July 27th Saturday Evening Post.

The baby died at the migrant workers' shelter in Santa Anna. Lewis Nordyke reports in the Post article, "Texas Cleans Up a Mess." When he reached Santa Anna, Mr. Nordyke says, he found that "several town-people had provided a basket for the child and had cut flowers in their yards and brought them to the shelter."

"The migrants have a mysterious grapevine telegraph, which bears good or bad tidings with amazing swiftness to camps," the writer says. "Small as it was, what happened to Rosa's folks in Santa Anna... seemed to have received special clearance on the grapevine. An extension service man up the road more than 100 miles heard it the next day; so did a county agent in the Rio Grande Valley. Before long, the best field workers in Michigan knew about it. The reason was that Rosa's funeral was so vastly different from that of hundreds of men whose graves are scattered along the labor routes in unmarked spots beside the highway."

A picture of Rosa's grave, with flowers and a toy on it, is one of the illustrations carried with the article. The Post piece tells how improved treatment of the migrant workers has saved Texas crops, increased the earnings of farmers and Latin American workers, and improved touchy border relations.

County Scouts Hold Meeting

Tuesday afternoon several Boy Scouts from the Chisholm Trail Council in Coleman county went to the Bailey Barton ranch for a few days outing. This outing is known as the Coleman County Fishing Camp. There were no boys from Santa Anna who attended this meeting, because of the fact that last week they had an outing of their own. Boys from Coleman, Novice, Glen Cove and some from Winters had been invited, attended this meeting.

Wednesday afternoon Expert John O. Harrison of Stamford visited the camp and gave the boys demonstrations and instructions on fly and bait casting.

Mr. Dale Hewgley, Field Scout Executive of Coleman was in charge of the camp and during the meeting other Scout executives from the county attended at different times. "Texas Week" To Be Published Soon

For the first time in its journalistic history, Texas will have its own weekly new magazine when "TEXAS WEEK", published in Austin, makes its initial appearance on the newsstands throughout the state, August 9.

Editor and publisher of the new publication is Raymond Holbrook, a University of Texas alumnus, class of 1936, who, prior to his enlistment in the Marine Corps in 1942, was state editor of the Amarillo Globe-News.

"In 'Texas Week' we plan to cover every phase of the economic, governmental and cultural life of Texas and evaluate the effects of Texas' activities upon the rest of the nation," Holbrook said. Local government, labor, industry, business, ranching, books, art and the theatre, plus news from the surrounding states and Washington that affects Texas, will also be published.
