VOLUME 49

SANTA ANNA, COLEMAN COUNTY, TEXAS, FRIDAY NOVEMBER 23, 1934

NUMBER 47

"He Profits Most Who Serves Best"

## Thanksgiving, November 29th

Next Thursday, November 29, is Thanksgiving Day, and the news force would like to celebrate the day along with the other business people by observing it as a holiday.

May we urge that all who want advertising in our paper next week prepare the copy early and turn it over to us by not later than Tuesday, so we can print the paper and mail it out Wednesday night or early Thursday morning, and take the day off from work.

All the stores and main business houses will be closed for Thanksgiving, as is the custom in Santa Anna.

## Early Edition Next Week

We plan to publish our Thanksgiving edition Wednesday of next week, and must have copy by Tuesday, Monday would be better.

We were disappointed this week in the number of ads for this issue. We planned a much larger paper, but learned long ago to take things as they come and not worry about it.

Please let us have copy early next week, as it is a long way between Casey and print.

Joe Casey, 52, of Norton, Texas, who formerly lived on the Tom Mills farm north of the Santa Anna Mountain, was here this week visiting. On November 15, 1904, thirty years ago, Dr. T. Richary Sealy performed his first surgical operation for appendicitis on Mr. Casey, on the dining table in the Casey home, using kerosene lamps for lights. Mr. Casey was told at the time that seven years would be as long as he could expect to live if he recovered from the operation, however the doctor was not the one to impart the information. When he moved from this part of the country he promised to visit Dr. Sealy every five years as long as he lived. He has kept his promise, and is still enjoying fairly good health, after thirty years. Dr. Sealy is delighted to have his first appendicitis patient visit him, and looks forward to the visit every five years.

Mr. and Mrs. A. E. Lowe and children of Rusk came Sunday for a visit in the Clinton Lowe home. They returned home Thursday.

## Land-Carrell

Miss Olivia Land and Mr. Wesley Carrell were quietly married in the parlor of Trinity Methodist Church, San Francisco, California, Saturday afternoon at two o'clock. Rev. Robert L. McArthur officiated, using the impressive ring ceremony.

Miss Land is the daughter of Mr. and Mrs. E. F. Land of Santa Anna, Texas, having made this place her home all of her life. She received her public school education in the local schools, graduating as an honor student with the class of 1926. The next three years she attended Daniel Baker College of Brownwood, Texas, where, through her diligence and skill, she completed the prescribed four year course in three years. She received her A. B. Degree in 1929, again graduating with honors. The next five years Miss Land taught in Santa Anna High School setting an enviable record in efficiency and dispatch. She founded the Scribblers and Spanish Clubs for the purpose of encouraging journalistic work and Spanish conversation. During vacations, Miss Land spent two summers in the University of Texas, doing graduate work toward her M. A. degree.

Mr. Carrell is the son of the late Mr. and Mrs. John Carrell, of Richland Springs, Texas. He is a graduate of Daniel Baker College of Brownwood, Texas, later doing graduate work in the Harvard Law School, Boston, Mass. For several years he was in charge of the typewriter department of Dublin and Cannon, Brownwood. At present he is manager for the Underwood, Elliott, Fisher Company of San Francisco, California, with branch offices in Oakland and Berkeley.

The bride wore a three piece blue and gray tweed swagger suit with blue accessories. Sure-ly California could not annex a fairer, more charming section of Texas Land, for those favored with her acquaintance realize that she is indeed fairest among thousands, altogether lovely.

Mr. and Mrs. Carrell are at home at 30 Grand Avenue, Oakland, California.

We intend to have an interesting story about the park in our next issue. We think every requirement has been met and work will begin toward beautifying and building the park immediately. Thanks to every one who cooperated and helped to make the park a reality.

Misses Mary Hoopes, Mary Dellinger, Carlene Ashmore and Ora Alice Newman attended the meeting of Home Economics Students of District Eight, which met in Brownwood Saturday.

## Gregg County Oil Pair Fined \$5,000

LONGVIEW, Nov. 20.—Judge E. J. Miller, visiting jurist from Brownwood, of the 35th district court, Monday imposed the state's maximum punishment for recalcitrant oil operators on Benny Roosth and Sam Roosth of Gladewater in a ruling holding them guilty of operating a by-pass and overproducing on one well in the Gladewater township, Dillard survey, and fined them \$5,000.

The state alleged the Roosths committed the offenses on five separate days and the court imposed a fine of \$1,000 a day for each day, set out as separate offenses.

The maximum penalty, according to Bailey Sheppard, assistant attorney general of the Longview office, was the first ruled in court here and served warning of the department's renewed warfare on violators.

F. W. Fischer, counsel for many East Texas independent refiners, represented the Roosths with his assistant, Ronald Smallwood.

Judge Miller's court is expected Tuesday to take default judgments on other cases, although the local attorney general was uninformed of their nature.

Thursday George L. Culver, doing business at the Linzie Refining company, will face charges of receiving, handling and transporting untaxed oil, and in a separate count, failure to make daily reports to the Texas railroad commission as required by law.

Judge Miller will sit here all this week to try penalty cases, Sheppard said.

## MISCELLANEOUS SHOWER FOR RECENT BRIDE

On Wednesday afternoon, November 14, a group of friends honored Mrs. Marvin McAden, formerly Miss Eulalia Grady, with a miscellaneous shower at the home of Mrs. W. R. Kelley, Sr.

The receiving line was composed of: Mrs. W. R. Kelley, Sr., Mrs. Clinton Lowe, Mrs. M. A. Edwards, Mrs. J. C. Scarborough, Mrs. Hardy Blue, and Mrs. Leroy Stockard.

As the guests arrived, each registered in the Bride's Book and left a favorite recipe.

The house was beautifully decorated with bouquets of chrysanthemum and fern. A bride's bouquet of roses added to the arrangement.

Promptly at 4:30 the bride was ushered into the seat of honor. She wore a beautiful tunic of olympic blue with navy blue accessories.

When the guests were assembled Mrs. Della Glasscock announced that Mrs. McAden's former pupils would entertain. When the sweet and impressive voice of little La Delle Loudamy was heard as she sang, "I Love You Truly," the listeners were moved almost to tears, but Mary Joyce Hill came to the rescue with a snappy reading entitled "When Mr. McAden Courted Miss Grady." This was followed by a lively dance number by Fredna Watkins.

A unique feature of the afternoon was a greeting to the bride from Little Bonnie Gene and Rodney Balke. The little boys were dressed as Pilgrims. Master Rodney carried a gun and they presented a "bag of game" which was found to be lovely gifts. A large basket of gifts was then presented to the honoree.

The bride's response was charming and effective. Each donor was made to share Mrs. McAden's true appreciation as she concluded with these touching words: "You may shatter, you may break the vase if you will—But the scent of the roses will linger round it still."

A delicious plate lunch and coffee adorned with favors of small white chrysanthemums was served to the following guests: Mesdames W. R. Kelley, Sr., Clinton Lowe, M. A. Edwards, J. C. Scarborough, Hardy Blue, Leroy Stockard, J. R. Lock, Della Glasscock, D. L. Pleratt, Emmett Day, Rex Golston, Clifford Verner, E. D. Kelley, Ross Kelley, Jr., Melvin Lamb, Frank Turner, L. O. Garrett, Andrew

## Wagstaff Explains Delinquent Tax Relief Measure

Those who owe taxes which were delinquent on August 1, 1934, will now have the opportunity to pay them without the penalties and interest which have heretofore accrued on them, according to advisers from Representative R. M. Wagstaff at Austin.

The Pope law which was passed in the closing days of the fourth called session, will be effective 90 days after the act is signed.

The law provides that all penalties and interest on ad valorem taxes which were due on or before August 1, 1934, are released if the taxes are paid on or before March 15, 1935. If the taxes are paid between March 15, 1935, and April 1, 1935, there will be added a penalty of 2 per cent. If the taxes are paid during the month of April there will be added a penalty of 3 per cent. If the taxes are paid during the month of May there will be added a penalty of 4 per cent. If the taxes are paid during the month of June there will be added a penalty of 5 per cent. If the taxes are paid after June 30, 1935, there will be added a penalty of 8 per cent, together with interest at the rate of 6 per cent per annum.

The law is mandatory on all cities, school districts, water districts, etc., up until March 15, 1934. After that date the law is optional and the governing bodies of political subdivisions of the state may adopt the provisions of the law by passing an ordinance or resolution to that effect. —Abilene Times.

## All Time SAHS Football Team

Last week twenty-five football fans voted on an ALL TIME SAHS FOOTBALL TEAM since the time the State Interscholastic League has sponsored football, beginning in the fall of 1920 and extending through the present time. From the selections of the fans three teams were compiled according to the votes received. Buster Turner, captain of the '29 team polled the largest number of votes for any position and James Hays, a guard in 1933 was runner-up. The balloting was very close for all positions.

The earliest member of the first team is Joe Bailey Cheaney of the 1920 team, also star athlete of Howard Payne and now Head Coach of that institution. The latest members are Scott Wallace and the Price brothers, Max and Jack of this year's team.

A few of these athletes entered college and made good records. Among these are Joe B. Cheaney at HPC; Charlie Burris at Sam Houston Teachers; Clovis Fletcher at HPC; James Hays at HPC; Buster Turner at Okla. U.; Albert Lowe at Trinity U.; Polly Wise at DBC; Wilbur Simms at Randolph; Rader Dick at Victoria; Edwin Rollins at Brooks Field; and Leonard Gipson at Rice, Emporia and Kelly Field. Cheaney, Wise, Burris, Lowe and Simms were captains at their respective schools.

Others of the compiled team undoubtedly would have made good had they attended institutions of higher learning.

## FIRST TEAM

Scott Wallace, 1934, left end; Max Price, 1934, left tackle; James Hays, 1933, left guard; Gordon Harrell, 1926, center; Edwin Rollins, 1931, right guard; James Gipson, 1930, right tackle; Harris Greer, 1923, right end; Buster Turner (c) 1929, quarterback; Rader Dick, 1926, left half; Joe Bailey Cheaney, 1920, right half; Jack Price, 1934, full back.

## SECOND TEAM

Clifford Wheeler, 1933, left end; Charlie Burris, 1925, left tackle; Dillard Freeman, 1927, left guard; Leonard Gipson, 1920, center; John E. Smith, 1929, right guard; Virgil Fulton, 1925, right tackle; Joe Hoover, 1929, right end; Byron Joiner, 1927, quarterback; Clovis Fletcher (c), 1932, left half; Albert Lowe, 1920, right half; Paul Jennings, 1933, full back.

## THIRD TEAM

Bowden Cheaney, 1927, left end; Presley Atkinson, 1927, left tackle; Nowlin Myers, 1931, left guard; Charles Turner (c), 1930, center; Noel Campbell, 1931, right guard; Polly Wise, 1928, right tackle; Eddie Paul Voss, 1930, right end; Jerry Simpson, 1921, quarterback; Burgess Sealy, 1926, left half; Wilbur Simms, 1923, right half; Ernest Harrod, 1931, full back.

## Best Performers

Best Punter—Buster Turner. Best Passer—Dexter Walthall. Best Pass Receiver—Clifford Wheeler. Best Place Kicker—Leonard Gipson. Best Lineman—Gordon Harrell. Player with most natural ability—Paul Jennings.

## Yancy—Williams

Friends will be pleased to learn of the wedding last week of Miss Pearl Yancy and Mr. Glen Williams. The ceremony was read by Rev. Hal C. Wingo, Baptist pastor, at his home Friday morning at ten-thirty, in the presence of Mr. and Mrs. Lovell Richardson, friends of the couple. Immediately following the ceremony the happy couple left for parts unknown. They returned this week and will make their home here.

Mrs. Williams, a daughter of Mr. and Mrs. O. B. Yancy, graduated from the local high school with the Class of 1930, and from the Sealy Hospital School of Nursing in 1933. The groom is the son of Mr. and Mrs. P. H. Williams and is employed by the Knappe-Coleman Glass Co.

The News joins other friends in wishing for the two a happy and prosperous future.

## FRONTIERSMEN OF 1934

Camp Taylor, Ky., Nov. 16.—Today I had the good fortune to see and hear President Roosevelt. He dedicated the monument here at Harrodsburg, Kentucky to the northwestern frontiersmen.

As he alighted from his train here in this small Kentucky town he had his usual warm smile behind which there is unquestionably a warm heart. He did not appear to overlook a single smile or nod from one of his fellow frontiersmen of 1934.

"Like those early frontiersmen, the people today are hewing a new commonwealth and it is my hope that it will be such a one as will give to its people more truly than any that has gone before, the fulfillment of security, freedom, opportunity, and of happiness which America asks and is entitled to receive." In this statement and others in his address he calls us "the frontiersmen of 1934."

The early frontiersmen had many more reasons to fall short of their desires and their goals than we have today. They staked their very lives against hardships and trials in order to attain financial, economic, and social welfare with no necessity for the loss of a life. We have a leader in our President who is capable and willing to lead us in our fight. With his personality and ability we need not stop, for eventually we will attain our goal.

Many people are skeptical about the possibilities. Also, many people were skeptical in early frontier days. Those people who turned back in earlier days usually turned to a sad plight. Likewise, the people who turn back now will not be rewarded. Let us have that dauntless courage had by our President.

## Mountaineers to Meet Bluecats

The Santa Anna Mountaineers will invade the left of the Coleman Bluecats Friday night, November 23, on Hufford Field.

The game promises to be one great tussle. The Bluecats will be struggling to keep their record clear with the Mountaineers on Hufford Field, as well as the Mountaineers fighting to give the Bluecats their first defeat by Santa Anna on Hufford Field. Also, this will be the last chance that many of the Mountaineers will have to see action against the Coleman Bluecats, and probably the last time they will see action against any team in high school competition; because the graduation plank will take many of the Mountaineers. Those who will probably be seen in action against the Bluecats for the last time are: Capt. Cheaney, quarterback, and two year letter man; Burney, halfback and two year letter man; Wallace, end and four year letter man; Hall, guard, who is playing his first year as a regular; Golston, utility man, who is sure to earn his first letter this year.

These men are sure to lead their team to victory, because they want to win their last game with the Coleman Bluecats. Also, they want their coach, J. M. Binion, to have the reputation of winning his last game with the Bluecats.

The following is the probable starting lineup:

Santa Anna	Coleman
Oakes	L. E. Childs
Forehand	L. T. Miller
Jackson	L. G. Stuart
Jones	C. Stuart (c)
Hall	R. G. Evans
M. Price	R. T. Walker
Wallace	L. H. Kelley
Burney	R. H. Neville
See	F. Henning
J. Price	Q. Snodgrass
Cheaney (c)	

## MORE RAIN; COOLER WEATHER

The weather man has been nice to us again this week, about two inches of moisture fell here first of the week, and a pretty strong norther followed Wednesday.

The mercury dropped down to about 40 here, instead of reaching the freezing point as was predicted. No doubt a few meat hogs were butchered and some people are feasting on pork chops and sausage over the week-end.

Mrs. W. J. Long and Miss Ouida Vanderford of San Antonio are visiting in the W. E. Vanderford home this week.

Santa Anna News

FRIDAY, NOVEMBER 23, 1934

A. J. GREGG, Editor & Publisher

Entered as second-class matter at the postoffice, Santa Anna, Tex.

As We Sit and Think (Sometimes Just SIT)

This is Monday afternoon, but not "Blue Monday." We've seen several blue Mondays here or late, but this one is different.

A fine rain began falling about three this morning, continuing at intervals throughout the forenoon, and since noon it has been pouring down like it did here in this country fifteen years ago.

There's nothing wrong with this country when its wet except usually, when its wet it is just following a drouth and feed bins are bare, the pastures are bare and pocket-books are empty.

But no matter how hard we are hit out here by drouth and other calamities we always come back. This time drouth, politics, depression and such-like just about got the best of us, but we will come back again and the coming will be better than ever.

These fine rains are a God-send to bless mankind and all should be grateful to the Great Giver of all things for the moisture that has blessed this country the past few days.

There is now in store a good prospect for a grain crop, at least oats will be up and growing soon, and some winter grazing will yet be realized.

When we have late summer and early fall rains, by this time the winter grain furnishes lots of grazing for livestock. All pastures and most of the fields have been grazed out this fall, and many barns and bins are bare of feed, but the Almighty always looks down in mercy in plenty of time.

The thing to do is to take what we have at hand and make the best of the situation we can, and trust in Him who hath all power and we will always win.

So long as things are running along nicely we fall to consider Him, but when we cannot go backward, sidewise or forward without help, then we come to our proper senses and realize where blessings come from.

Come to think of it we have much to be thankful for, and next week we will have Thanksgiving Day. No one has offered that National Bird of the bronze

variety for a Thanksgiving dinner yet, but we are still living in faith, and trusting that some good subscriber will think of this scribe and bring us a big turkey for Thanksgiving.

Many of our subscribers raise turkeys, and we will allow as many years on your subscription as will be necessary to pay well for the turkey, so some one bring it in.

The editor and Mrs. editor drove over to Shackelford county last Friday afternoon, spent the night in Albany, returned home Saturday by way of Abilene. People generally are more optimistic than they were in the summer and early fall. Most every one seems to think there is a chance for them to live now without having to resort to the breadline, and here's hoping.

We have recently visited in most all towns in central and west Texas, and are not exaggerating when we say that Santa Anna has the brightest prospects for the future of any town in this part of the country. We fear some people who live here fall to realize or appreciate the possibilities of the town. Nature smiled in untold fortunes in creating the natural formations and resources given this section, but the people have been slow to grasp it.

It is possible that some day Santa Anna will be the best town in the heart of Texas, for no other place has the natural surroundings as Santa Anna.

It is now clear overhead and the sun is shining beautifully. It sure looks good to see water standing most every place. We believe the drouth is broken.

Several thousand dollars in cotton checks were received by the County Agent in Coleman first of the week, being part payment to those who signed up on the 1934 cotton program. The checks are being delivered in Coleman, each one receiving a check having to call at the County Agent's office and sign a receipt.

Beware of him who promises much.

—THANKSGIVING—  
In the United States and Canada, a day is set apart annually for the giving of thanks to God for the blessings of the year. This day is everywhere known as Thanksgiving Day. Originally, it was a harvest thanksgiving and still takes place in the late autumn, after the harvest. It is probably an outgrowth of the old harvest-home celebrations of England. Thanksgiving Day in America

was begun by the Pilgrims. Their first dread winter had passed and renewed hope came with the summer. In the fall of 1621, when the abundant crops had been gathered, Governor Bradford decreed a day of thanksgiving. The few women in the colony spent days boiling and baking and roasting the good things to eat. When the promised day finally arrived, more than eighty Indians came as guests, bringing wild turkey and venison with them. Tables were set out of doors and the company sat about them as one big family. There were prayers and sermons and songs of praise; and three days had passed before the Indians returned to the forests and the colonists to their tasks.

The custom spread from Plymouth to other colonies, until the governor of each issued an annual Thanksgiving Day proclamation. In 1789, President Washington issued a general proclamation for a day of thanks.

For many years there was no uniformity. Some states had an annual thanksgiving, others did not. Mrs. Sarah Josepha Hale took an interest in the subject; and in 1864 her efforts were finally rewarded, for President Lincoln appointed the last Thursday in November as Thanksgiving Day.

Since 1864 the same day has been regularly set apart. Throughout the country the day is looked upon with great reverence. It is a family day and the very sound of the name brings back happy memories of the years past.

**SCRIBBLERS EDIT SPECIAL EDITION OF "MOUNTAINEER"**

A Football Edition of the Mountaineer was published this week by the staff and Scribblers Club to boost the Mountaineers in the game with the Bluecats today.

The papers, which had been announced to sell for a penny each and carry a picture of the team, were given away because of the inability to obtain a snapshot of the team early enough.

**RACKET CLUB MEETS**

Members of the Racket Club met November 7th. The girls drew for places on the ladder, and games were scheduled. They are to play at the scheduled times and the final girl winning will receive a gilt tennis plaque for the year 1934.

Christine Zachary was elected song and yell leader.

**DEBATE CLUB MEETS**

Advice to the Lovelorn

It seems that Mr. Lock feels the need of advice for the lovelorn students of high school. In order to decrease his detention list, a few pointers have been submitted to the "Mountaineer."

Advice to Faye Routh from Mr. Womack is to see Sam Forehand before school and save her alibis given in American history class to leave the room.

It would be prouder of Tub and Mary B to change their tactics, as every one has observed their little arguments are just carasses.

Winston and Mary D must be very tired on their way to school every day because of their slow pace.

Advice to Vesta from Era is to publish some of her love letters from her absent beau to stop advances made from present admirers.

Probably Max could arrange for his history class to be the third period so as to be with Evelyn more.

Leon DuBois: "Do you know who started the jigsaw puzzle?"  
Weldon: "No."  
Leon: "A navy doctor who tried to put a tattooed sailor together after a train accident."

to check out a book during the second period study hall.

WHEN: Ben Parker comes to school with his hair combed.  
WHEN: Elizabeth Morris fails to wear red.

**OVERHEARD ON BUS**

Mr. Moore: "Burney, cross over."  
Willis Burney: "I'll never live over it."

Mr. Moore: "I smell smoke."  
Robert Haynes: "It's me."

H. M. Dockery: (Interested in playing with some wild berries) "Well, they've all went out of sight."  
Mr. Moore: "Well, they'd better stay out of sight."

Leslie McCartney: "If Mr. Moore puts me off this bus, I'll ride another one."  
Madge Phillips: "If he does, I will too."

Ruth Marie Moore: "Let Madge alone!"  
Madge Phillips: "That's what I say."

**SCRAPS**  
Blondy

Mr. Prescott: (In general science class) Augusta, what do you know about nitrates?  
Augusta: They're a lot cheaper than day rates.

Mr. Lock: Can you drive thirty in your car?  
Mr. Scarborough: It's only a coupe.

A word to the freshmen—it is better to be silent and be thought dumb than to speak and remove all doubt.

Then there is Winston who thought he would play a joke on the post office department by addressing a letter to "Mars," and sticking a two-cent stamp on it, but it was returned to him marked "Insufficient Postage."

Anita: What makes the leaves turn red in the fall?  
Ted: They are blushing to think how green they have been all summer.  
Faye: Do you know the Scotch football yell?  
Evelyn: Yes, "Get that quarter back!"

Mr. Womack: Why did Thomas Jefferson write the Declaration of Independence?  
Mary D: Because he couldn't afford to hire a stenographer.

Speaking as an artist one would say that the golden fruit of the grapefruit is beautiful, but speaking as a practical person one must admit that it is usually the juice that catches the eye.

**MOUNTAINEERS BATTLE ARMADILLOS TO 6-6 TIE**

The Santa Anna Mountaineers fought the San Saba Armadillos to a 6-6 tie on a muddy field at San Saba last Friday.

San Saba scored early in the second period, after a series of passes advanced the ball to the Mountaineer 4 yard line. On the fourth down Roberts went over on a reverse around left end. McDaniel's pass for the extra point was blocked by Cheaney.

After a seesaw battle for the rest of the 2nd, 3rd, and part of the 4th quarters, Santa Anna advanced the ball to the Armadillo 20 yard line from their own twenty on a series of passes. On the final down, J. Price passed directly over the line, to Cheaney, who ran the remainder of the distance untouched. Price's pass to Cheaney for the extra point was short.

After San Saba punted, Santa Anna advanced the ball from 35 on passes as the game ended.

THE Coleman Automatic Iron saves \$2 to \$5 a year on electric current.

When it reaches the temperature at which the thermostat is set, the current is automatically cut off. It "coasts" on "free wheels" on stored heat. 40% of the time it is in use it consumes no electricity. This saving on your electric bill goes on year after year, as long as you use your Coleman! This same automatic action of the thermostat eliminates fire danger, the scorching of clothes. Saves water. Does more than the washing.

The Coleman is beautifully designed and finished in super-chromium. Has long tapering point, button bevel and plan smooth ironing surface.

Come in and see this beautiful iron. Let us prove our statements about the money it saves you.

**Presby'rian Church**

We cordially invite you to worship with us next Sunday morning. There is spiritual strength in sincere worship of God. Perhaps you will find a more peaceful hour in God's house than any other place you might go.

"Therefore, we feel that we can sincerely in the name of our common Lord bid you welcome to the place of our association and worship where we seek Him and where perchance you yourself may find Him anew."

M. L. WOMACK, Minister.
