Holiday Opening Friday

The Christmas season is fast approaching and residents of Santa Anna will soon realize that fact if they have not already, as Santa Anna will have their annual Christmas Opening this Friday. Several events and activities are planned during the day, sponsored by the Santa Anna Chamber of Commerce.

A downtown parade will be held at 4:00 p.m., headed by the Mountaineer Band. Decorated floats and vehicles will be in the line-up, with floats competing for cash prizes of \$100 for first; \$75 for second; and \$50 for third. Santa Claus will be in the parade Friday, making his first appearance in town this season.

The Chamber of Commerce is encouraging groups and organizations to decorate downtown windows and compete for cash prizes of \$35 for first; \$30 for second; and \$25 for third. The window decoration contest was not held last year, and the

Chamber had many complaints, so they are once again sponsoring the event. The contest is open to non-profit organizations, but business are also encouraged to decorate their windows for the holiday season.

The Chamber of Commerce is also sponsoring three drawings that will be held during the parade Friday. Each drawing will be for \$50 worth of "Santa Anna Dollars" and registration for the drawing will be open all day, December 5, at a booth set up in front of the Lions Club Building. The drawings will be held DURING THE PARADE from the Santa Claus float, and winners MUST be present to collect their prize.

The "Santa Anna Dollars" can be spent with any Santa Anna business within the City Limits.

Several merchants will have their stores open until the evening hours

for the convenience of local shoppers.

A major attraction on Friday will be the Lions Club Pancake Fiesta, with serving from 10 a.m. through 7 p.m. Pancakes, ham and all the trimmings will be available, along with the "Best-danged strawberry shortcake this side of the North Pole". Door prizes will be awarded at intervals during the day. Gary Absher, Lions Club president, is general chairman of the event, with club members and other volunteers taking on the cooking and serving chores.

There will be several bake sales held by different organizations downtown on Friday morning and afternoon.

Area people are invited to join the festivities Friday as the holiday season opens in our community.

ESA Christmas Pageant

The 1986 Christmas Pageant will be held Sunday, December 7 at 2:30 in the afternoon in the Santa Anna High School Auditorium. The pageant is sponsored by Delta Omicron Chapter of ESA International.

Winners will be selected by the method of penny a vote. Admission will be \$1.00 for adults and \$.50 for students, and can be added to the contestants jars on display. All proceeds will be used to help needy families in our community during the Christmas season and throughout the year.

Entries from 3 years old thru kindergarten, Christmas Belle and Beau category include: Heather Bradley, escorted by Steven Donham; Buffy Martin, escorted by Brent Beal; Shayla Guthrie, escorted by Bo Morgan; Brandi Wristen, escorted by Philip Wristen; Maegan Jewell pape Lishka escorted by Jacob Pritchard; and Charisse Felty, escorted by Dirk Little.

Entries for the first thru fourth grades, Little Miss Christmas and Mr. category include: Lisa Lynn Hernandez, escorted by Justin

Oakes; Darbi Neff, escorted by Chris Cheaney; Rachael Jean Guerrero, escorted by Devin Brand; Shamey Brand, escorted by Elijah Hardin; Amy Ellerbe escorted by Joey Cheaney; Nicole Loper; Misty Bradley, escorted by Corey Brown; and Brandi Martin, escorted by William Loyd.

Entries for the fifth thru eighth grades, Jr. Miss Christmas and Mr. category include: Karen Lewis, escorted by Casey Moore; Julie Dean, escorted by Dan Benton; Brandi Horner escorted by Jason Dean; Sandi Watson escorted by Manuel Lugo; Christi Beal escorted by Daniel Beal; Shirley Taylor escorted by Benny Joe Guerrero; Glenda Taylor, escorted by Philip Hernandez; Kristi Morrow escorted by Grady Clay McIver; and Leanda Kellar.

Contestants for the 9th thru 12th grades, Miss Christmas and Mr. category include: Deanne Simons escorted by Scotty Anderson; Jetta Rutherford; and Christy Casey.

Entertainment for the program will be provided by Sally McIver, Briana Horner and Amy Beal, and the Graded Choirs of the First Baptist Church. A Christmas Medley will be presented by a Ladies Trio: Orabeth McIver, Gail Horner and Lois Ann Harper. Paul Martin will conclude by reading "Twas the Night Before Christmas". Santa Claus will also be on hand for a visit.

Everyone is invited to attend!

PAGEANT REHEARSAL

Rehearsal for the ESA Christmas Pageant will be Saturday morning, December 6, at 9:00 a.m. in the High School Auditorium.

All contestants are encouraged to be present. Jars should be collected from local businesses and turned in at this time. Two jars will be needed to display for collections on the afternoon of the pageant.

Ralph Terry will be available for taking pictures at the close of the pageant. He will be offering a packet which will include (2) 5 x 7's and (4) Billfold size portraits. The price of this packet will be \$6.00.

Santa Claus will also be on hand, and the same portrait package will be offered for anyone wishing to have their picture made with Santa.

Packets must be paid for at the time the portrait is taken. We encourage everyone to be on time for the rehearsal.

For further information contact Debbie Dean at 348-3362.

Parents are asked to be at rehearsal and tend to your children at the close of their rehearsal section.

All entries are asked to decorate cars and enter the parade on Friday.

John Stanislaw, representing "Concerned Citizens" was interviewed on Tuesday by Tobin Vaughn of KTXS-TV, Abilene. The "Concerned Citizens" are a group who are outwardly op-

tion to be held Saturday. Cameraman shown in the picture is Bage Anderson of KTXS. (SA NEWS PHOTO BY POLLY WARNOCK.)

Election Creates Interest

Tobin Vaughn, a reporter for KTXS-TV, Abilene was in town Tuesday interviewing citizens on opposing sides of the liquor option issue. The interviews were to have been shown on KTXS 6:00 and 10:00 news on Tuesday evening.

The first of the two interviews was with John Stanislaw who represented the "Concerned Citizens" group.

Stanislaw quoted facts and figures that he felt would back up the groups stand that alcohol benefited no one except possibly those who sell it. He says the group feels that the added cost in law enforcement, clean up and repair to the city would outweigh any revenue the city might receive from the sale of alcoholic beverages.

Stanislaw stated that he did not feel persons would travel to Santa Anna to make purchases when the alcoholic beverages are readily available in both Coleman and Brownwood and that the revenues derived from within the city would not be enough to make a difference. When asked if he thought it was a moral issue, Stanislaw stated that the group was looking at it as an issue of facts and figures. He said that in no community he knew of where alcohol was sold, was it a positive factor, that statistics showed a negative influence. He could think of no instance where alcohol was a positive factor.

He did say that as a minister he had counseled many persons and

families after they had felt the destruction of alcohol.

Mike Makuta, representing the group, "Citizens for Community Improvement" was also interviewed. He stated that he was concerned about the number of poor people in Santa Anna and that he felt the revenues derived from the liquor sales would be of benefit to the community, in areas of jobs and progress.

He also felt that the added revenue to the city might eventually lead to the lowering of water bills as well as provide additional money for better roads within the city.

Makuta also feels that the option is one that should be brought before the public simply because it has been discussed for some time and is something the citizens need to express themselves about.

Lions Club Pancake Fiesta

The Santa Anna Lions Club Pancake Fiesta will be held Friday, December 5, with pancakes and all the trimmings being served. Serving will begin at 10:00 a.m. and run thru 7:00 p.m. Adult plates will be \$3.00 and children under will be \$1.50. Also they will serve what has been termed "the best-danged strawberry shortcake this side of the North Pole" for \$1.00.

New Owner For Goodyear

Duane McCoy is the new owner of the Goodyear dealership—formerly known as Powell Supply in Coleman. They will continue to sell Goodyear tires of all sizes and styles. They will also handle other brands such as Kelly Springfield, which is a cheaper brand of tires.

McCoy has also brought in to the company a new front end alignment machine capable of doing anything from small cars to super cabs.

McCoy has been employed by both Goodyear and Firestone Tire Companies, for eight years of combined experience.

He has attended both Angelo State University and TSTI in Sweetwater. His wife, Shirley, and his four-year-old son, Jacob, will reside in Coleman with him. McCoy comes here from Snyder, Texas.

Wet-Dry Election Saturday

The Local Option Election for the Legalized Sale of All Alcoholic Beverages For Off Premise Consumption Only will be this Saturday, December 6. The election has been called as the result of a petition circulated which secured the required number of signatures of qualified voters. The election place will be the Coleman County Telephone Coop. Building, with voting time being from 7 a.m. to 7 p.m. Glen Copeland will be election judge.

Livestock Judging Team To Meet

All 4-H members interested in livestock judging need to meet on Wednesday, December 10th at 7:00 p.m. at the Extension office in the Coleman County Courthouse.

WTU Christmas Open House Set

West Texas Utilities Company welcomes everyone to join us for our annual Christmas Open House. Holiday decorations and food gift ideas will be displayed at our local WTU office from 10:00 a.m. until 3:00 p.m. on Friday, December 5, 1986. The 1986 "Holiday Delights" cookbook

Deaths

Mabel Belvin, 91

Graveside services were held in Zephyr Tuesday, December 2, 1986 at 2:00 p.m. for Miss Mabel Belvin, R.N., age 91 of Zephyr, a former Santa Anna resident.

Miss Belvin died November 29, 1986 in a nursing home in Zephyr. Davis-Morris Funeral Home of Brownwood was in charge of arrangements.

She was born November 13, 1895 in Brownwood. She was a member of the Methodist Church, a retired nurse and teacher.

Miss Belvin was employed at the Sealy Hospital in Santa Anna for a number of years, later moving to Abilene where she was employed at Hendrick Memorial Hospital. She returned to Brown county in 1963.

Survivors include two sisters, Vivian George of Zephyr and Lorena Spurlock of Brownwood and a number of nieces and nephews.

Gilbert Visitors

Mr. and Mrs. R. J. Ready and daughter, Teresa Smith, and grandchildren, Casey and Heather Smith, of Waco were guests of Mr. and Mrs. C. C. Gilbert on Thanksgiving day.

Fire Aux. Meeting

The Santa Anna Volunteer Ladies Fire Auxiliary met Monday, December 1 for their regular monthly meeting with President Gail Horner presiding. Other members present were: Syble Huggins, Edith Dodson, Sharon Guthrie, Nikki Donham and Janette Strickland.

Plans were made for their annual Christmas party at Ranger Park Inn to be held on December 10; also plans were made for their annual Christmas Party for all Firemen and their families. It will be December 15 at 6:00 p.m. at the First Baptist Church CLC.

Sharon Guthrie brought the door prize and refreshments and Nikki Donham won the door prize.

Elections of new officers were held. New officers are: President-Gail Horner; Vice President-Nikki Donham; Secretary-Treasurer-Edith Dodson; Chaplain-Donna Bradley; and Reporter-Janette Strickland. The Auxiliary's new sweetheart is Shala Guthrie and our Honorary mother is Ruby Hartman.

The next regular monthly meeting will be Monday, January 5, 1987.

Thoughts From Our Pastor

By Linwood Bishop
Pastor of Northside Church of Christ

THE MATTER OF RIGHT AND WRONG

Ever since our first parents sinned in the Garden of Eden there has been a major conflict going on between the forces of good and evil, righteousness and wickedness, and of right and wrong. These two forces are diametrically opposed to each other and therefore completely incompatible. God is the author of all that is good and right, but the devil is the author of that which is wrong and evil.

It is always right and never wrong to love, honor and obey God: To faithfully follow the precepts and principles clearly revealed to us in His will, the New Testament. On the other hand, it is always wrong and never right to honor and obey the will of the devil. One cannot honor and obey the will of the devil. One cannot honor and obey both at the same time. Jesus said, "No man can serve two masters; for either he will hate the one and love the other; or else he will hold to the one and

despise the other. Ye cannot serve God and mammon." (Matthew 6:24) And Paul said, "Know ye not that to whom ye yield yourselves servants to obey, his servants ye are to whom ye obey: whether of sin unto death,

or obedience unto righteousness?" (Roman 6:16). The child of God has absolutely no business allowing himself to become involved with or be identified with something that is basically wrong. Personally, I would

be ashamed and afraid to be caught on the wrong side of any moral or spiritual issue. Furthermore, I would be ashamed to be afraid and afraid to be ashamed to stand up and be counted on any and every issue of right and wrong. The devil and evil win when good men are silent and do nothing.

Wylie Visitors

ISSUES AND ANSWERS IN LOCAL ELECTIONS

QUESTION: WILL OUR WATER BILLS BE LOWER?
ANSWER: Think of how much liquor sales it would take to bring in that much revenue. One percent of every dollar in liquor sales. Plus liquor never pays its way, it brings more costs. It will have very little effect on our water bills.

QUESTION: WHERE DOES THE MONEY SPENT ON ALCOHOLIC BEVERAGES GO?
ANSWER: The first thing to remember is that very few jobs (if any) will be required if beer and wine is legalized in our town. For instance, any business in Santa Anna can use their present employees to sell liquor. No additional employees will be needed.

According to research by the American Business Men's Research Foundation, 72 percent of the dollars spent on alcoholic beverages does not stay in the city where alcoholic beverages are sold, but goes to wholesaler and the manufacturer (most of these live outside Texas), and to pay the state and federal taxes.

QUESTION: HOW ABOUT EXTRA CITY TAX INCOME FOR OUR TOWN?
ANSWER: State law prohibits Santa Anna or any other city to collect any other tax than the 1 percent sales on alcoholic beverages. (Texas Liquor Control Act, Articles 666 and 667)

QUESTION: WON'T DWI'S DECREASE BECAUSE PEOPLE WON'T BE DRIVING TO GET THEIR DRINKS?
ANSWER: The truth is: DWI'S will increase. In every study made in cities which voted WET, DWI'S have increased. Examples:
1. Denton- the 1st year a 34 percent increase
2. Denison- in 3 years a 66 percent increase
3. San Antonio- in 6 months 400 percent increase
Plus it is very rare if the city receives any money from DWI'S.

QUESTION: WILL SANTA ANNA BE ABLE TO GET BY WITHOUT HIRING ANOTHER POLICE OFFICER?
ANSWER: Of course not. In research after research studies made in the past where alcohol is legalized, it leads to greater consumption. This in turn adds up to: Increased crime, increased police cost, increased burglaries.

QUESTION: DOES LEGALIZATION OF THE SALE OF ALCOHOLIC BEVERAGE PAY?
ANSWER: The Texas Commission on Alcoholism reports that alcohol costs the state \$5.5 billion in 1984. Alcohol tax revenue amounted to \$275 million for the same year. Will Santa Anna be an exception? Liquor sales doesn't pay its way.

Letter To The Editor

Dear Editor and Citizens:

After much thought, I will speak out concerning the upcoming dry-wet election. I am very concerned. I have pondered about the good (if any) or bad benefits. I've disregarded my own feelings and think of what is best not for me but what is best for our community. I truly believe it will hurt us more than what it will help dollars wise. Therefore as mayor, I cannot in good conscience support it. I will vote NO.

Overflowing Mailbox Invitation To Burglars

An overflowing mailbox is, at best, a way to damage or destroy mail and, at worst, an invitation to burglars, Santa Anna Postmaster Gary Absher today warned residents throughout the area.

"Before you pack up and leave for vacation, contact your post office and ask them to hold your mail while you are away," Absher said.

Absher said arrangements can be made with your post office to hold your mail up to 30 days by contacting your postmaster or rural carrier, giving the dates that you want your mail held at the post office, or simply writing a note to your postal service stating the dates to hold your mail. The request must be sign-

ed by the requester.

If you return from your vacation early, notify your post office to resume delivery of your mail. Otherwise, delivery will resume the day after the ending date of your request.

Absher said the post office provides this service to prevent earmarking a home as a target for possible burglary and to safeguard the mail for the customer.

The alternative may be letting mail overflow from a receptacle, possibly to be damaged by vandals, animals or weather conditions, or to be a clear signal that no one is home.

The Christmas holiday season is approaching when many postal customers are away from home. Take precautions to protect your mail and home.

Shearing Date Set

Any 4-H or FFA members showing lambs remember they must be sheared between December 1 and 15th in order to be exhibited at the county show. A county shearing day will be held on Saturday, December 6 at the Coleman Rodeo Grounds. Shearing will start at 8 a.m. and will be on a first come, first serve basis. The cost for shearing will be \$3.00 per lamb.

Bradley Wise, son of Mr. and Mrs. Joe Ed Wise, showed the Champion Finewool and Reserve Champion Medium Wool lambs at the Dublin Lamb Show on November 15, 1986. Helping

Bradley with his lambs is FFA sponsor, Bill Hightower, and younger brother, Nathan. Nathan had the third place southdown.

All-Region Band Auditions Held

All-Region Band Auditions were held Saturday, November 22, at Mason High School. Over 150 students from 13 area high schools competed in the annual event, with Santa Anna being represented by Rachel Phillips and Belinda Deal.

Miss Phillips placed fifth chair in the nine member trumpet section while Miss Deal was named alternate. After the auditions were complete.

the students rehearsed for over four hours in order to prepare for the concert which was held that same evening.

The next competition will be the All-Region Band Auditions held at Brownwood High School on

December 13. This contest will involve students from 33 different school districts auditioning for a 100 piece band.

VA News

(EDITOR'S NOTE: Following are representative questions answered daily by VA counselors. Full information is available at any VA office.)

Q-Why is it necessary to have the property appraised when applying for a VA loan?

A-The law requires that the amount of the VA loan may not exceed the reasonable value of the property, construction, alterations, improvements, or repairs as determined by the VA. In order to reach this determination the VA requires an appraisal of the property by a designated appraiser.

Q-I understand that a recently passed law will subject veterans seeking care in VA facilities to new eligibility assessment procedures. Does this income-based assessment apply to VA programs such as the Vietnam Veterans Outreach Centers (Vet Centers), halfway houses and hospital-based home care?

A-Veterans receiving care in halfway houses and in the hospital-based home care program are subject to the eligibility assessment procedures. Veterans receiving counseling at Vietnam Veteran Outreach Centers (Vet Centers) are not.

Q-I own a manufactured home on a rented lot. I would like to purchase a lot for it. Can I do this using the VA guaranteed loan program?

A-Yes. A VA guaranteed loan may be used to buy and improve a lot on which to place a manufactured home you already own and occupy.

LEGALIZING LIQUOR IN SANTA ANNA

(Excerpts from Brother Ford's Comments) on the matter at our November 23rd A.M. service.

"All that is necessary for the triumph of evil is that good men do nothing." Edmund Burke. There is a group of people who feel if a thing is legal it's alright. That's a false attitude. It's wrong. One can't legalize sin...things that are a detriment to our bodies. 1 Cor. 3:17 warns us about defiling our bodies.

Some ads in our paper are saying "more jobs". There is some truth in that statement. I wholeheartedly agree. I feel it will take more law enforcement officers, more nurses, more body shops, more funerals. Jobs we're not looking for. I feel sure that the majority of people in Santa Anna don't want it. But if people don't get out and vote we'll get it.

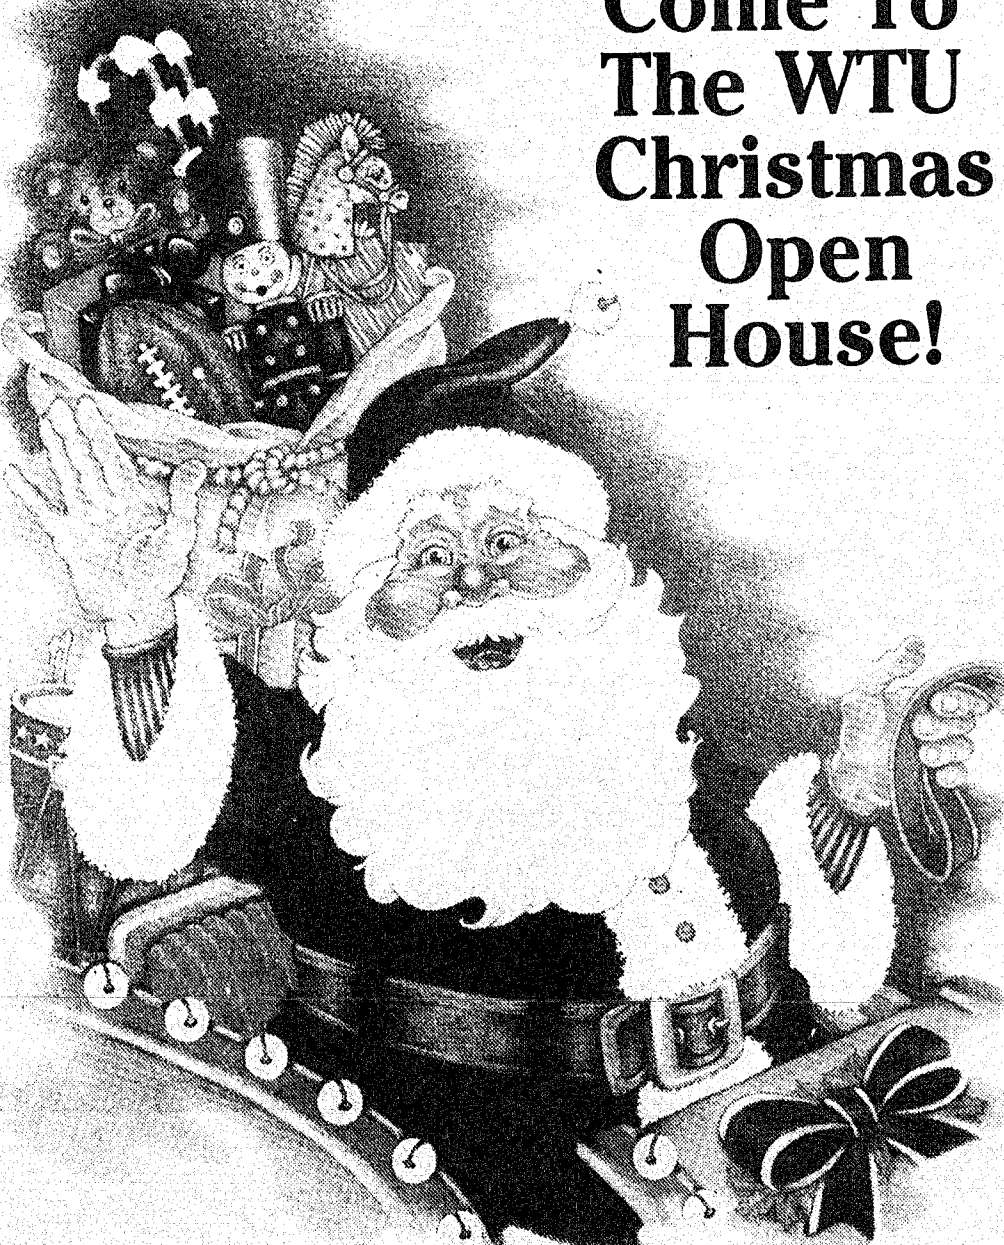

STAND UP AND BE COUNTED.

On a TV commercial a college says, "A mind is a terrible thing to waste." I say, "A life is a terrible thing to waste." Not all lives are wasted but whatever the percent is it's too many. In Jesus' parable of the lost sheep He shows us that just one was so important that the shepherd left the ninety-nine to seek the one. He sums it up in Matthew 18:14 by saying, "It is not the will of your Father in heaven that one of these little ones should perish." How would you feel if the one was your son, daughter, grandchild, husband or wife. Think it over and pray much. The vote you cast may spare your loved one.

New books at the Santa Anna City Library include the following:

CAPTAIN BILL McDONALD TEXAS RANGER by Albert Bigelow Paine was given in memory of Mrs. C. D. Bruce by the Self-Culture Club.

Published this year by State House Press in Austin, out-of-print since 1909, this tale of one of the most famous Texas Rangers of them all has been brought back into print. The reader will feel like he has been handed the script for a western movie, but the real life story of this Texas Ranger outdoes the Hollywood writers. This biography describes such events as the Brownsville Riot, the pursuit and capture of the Brooken gang, and the Fitzsimmons-Maher prize fight. McDonald's ongoing conflicts with cattle thieves and train and bank robbers are told in all their colorful detail. It is a memorable Texas story well told.

THE GRAND PRAIRIE YEARS, A BIOGRAPHY OF W. C. PERRY by Ron Arnold was presented to the library by W. C. Perry.

The Grand Prairie Years is a book about striving, restless generations beleaguered by storms, ruined crops and killer plagues, generations who refuse to be defeated by the forces of nature. Dr. W. C. Perry, formerly Dean at Baylor University, is beloved today by many thousands of alumni and fellow Texans as a man of selfless dedication to others.

The everyday life of the little cotton town of Hico, Texas and its rural surroundings will come to life. Perry's story is captured in priceless glimpses into the Central Texas Grand Prairie of 1910-1950. Read it now for the yarn it spins. Years from now, you'll still return to its pages for a chance to live in such a world again.

Coleman Health Clinic To Collect Fees

The Texas Department of Health Clinic in Coleman announced recently that the clinic, as well as all public health clinics in the forty-four county Texas Public Health Region 4, will begin collecting fees from patients December 1, 1986. Payment will be based on the patients abilities to pay, allowing for income, family size and types of treatment needed.

Because the Texas Department of Health's funds for distribution to public health clinics have been limited, and because the number of patients has increased while health care costs have soared, those patients who can afford to contribute to the costs of their services will be asked to do so.

Charging small fees for clinic services is a way patients can help the state pay for the minimum costs of services, and it is a means of ensuring continued service to all who need health care.

No one will be denied service at the clinic because they do not have money. Those who do have some resources need to help pay for the services they receive, and allow us to use the limited funds available to keep on serving everyone. Anyone who can afford private health care is urged to see a family physician.

Fees will be collected using a sliding scale. Many patients are

Traffic Deaths Down

Traffic deaths on Texas roads has decreased 2 percent for the first eight months of 1986 compared to the first eight months of 1985. Comparable reports for the past five years are:

- Oct. '82-3376 deaths
- Oct. '83-2968 deaths
- Oct. '84-3034 deaths
- Oct. '85-2882 deaths
- Oct. '86-2836 deaths

There has been a 13 percent decline from 1982 to 1986.

The Record Shows.

Safety in the natural gas industry is excellent. And, Lone Star Gas assures safe operations through its monitoring, inspection and maintenance programs. Safety is also a priority consideration in the design and construction of its pipeline and facilities.

Another safety step is the harmless chemical Lone Star adds to natural gas to give it a distinct odor. It's this odor and knowing what to do when you detect it that helps keep gas safe.

The Nose Knows.

If you're outdoors and smell gas, you should call your local Lone Star Gas office. If you're indoors and detect faint whiffs check to see if a pilot light has gone out or a burner valve has been left partially open. These are correct steps you can take yourself.

If your equipment is working properly and you still smell gas, please follow these precautions:

1. Don't switch anything electrical on or off. Don't strike a match or do anything that could cause a spark.
2. Have everyone leave immediately, leaving door open to help ventilate.
3. Go to a nearby phone and call Lone Star.

Another precaution: Before you do any digging, call your local Lone Star Gas office so we can inform you on pipe locations.

Help keep natural gas one of the safest energies available. Use your nose. Then use your head... and follow the proper precautions.

Planning To Retire? Apply For SS Soon!

People in the Brownwood area who are planning to retire early next year should apply soon for Social Security retirement benefits if they have not done so already.

It is best to apply about 3 months before a person retires so Social Security checks can start shortly after a person's income from work stops. This way, a person can avoid a break in income.

Before a person actually applies, he or she should gather certain information and evidence to support his or her claim. This includes:

+The person's Social Security card or a record of the number.

+Proof of date of birth. The best evidence is an official or religious record of birth or baptism recorded before age 5. Only original records or copies certified by the issuing agency can be used. If this record is not available, the person should submit the best evidence available. The best is often the oldest.

+Evidence of earnings for the last year. Form W-2 can be used by wage earners. Self-employed people should submit a copy of their self-employment tax return along with evidence showing the return was filed (a cancelled check, for example).

A person applying as a husband or wife will need his or her Social Security card and evidence of is or her date of birth. It is a good idea to also have the marriage certificate available.

These documents will be enough in most cases, but sometimes addi-

tional evidence is required. The people at the Brownwood Social Security office can tell you if additional evidence is needed.

Almost all Social Security matters can be handled by phone. Medicare questions or filing of medicare claims can be taken care of by calling toll free 800-442-2620. You may file an application to establish your eligibility by calling 915-646-7533 in Brownwood.

A representative of the Brownwood office visits Santa Anna once a month on the first Wednesday from 10 a.m. to 12 noon at the Housing Authority office.

WHAT ALCOHOL CAN DO FOR US

- Rent a building
- Give employment to a liquor store clerk
- Pay a gas bill
- Pay an electricity bill
- Pay a water bill
- Pay some taxes

WHAT ALCOHOL CAN DO TO US

- Clutter the landscape with cans and bottles we (not the seller) pay to have picked up
- Clutter the cemetery with bodies we (not the seller) pay the hearse to scrape up, the undertaker to box up, and the gravedigger to cover up
- Clutter the hospital with crippled and suffering citizens we (not the seller) pay the ambulance to pick up, the surgeon to sew up, and the nurse to clean up

Clutter the junkyards with the wrecks of countless automobiles we (not the seller) pay to have hauled away to rust or recycle

Pollute the human mind in such a way that a fellow who loves his wife and kids will "go into a corner" with a bottle or a glass and neglect his family and his work and lose his self-respect and turn into an object of pity. This leaves the sort of human wreckage that the package store clerk (whose wages continue uninterrupted) despises and the rest of us are left to feed and support, sometimes for generations.

Pollute American society with more and more people who "just can't face it" without a psychological crutch and, to a greater or lesser degree, turn over the operation of their minds to the Twentieth Century Facilitator, Alcohol.

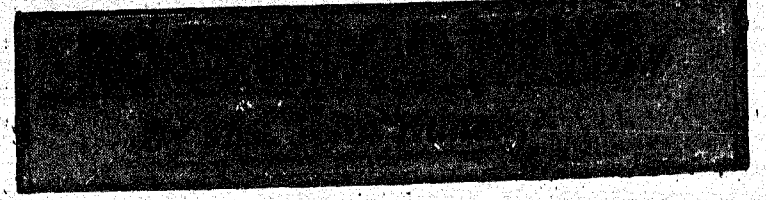

Fill the newspapers, radio, and television with endless arguments about all the "good" things alcohol by the drink, the bottle, or the bucket can do for us.

DON'T GUESS STOP AND THINK ALCOHOL DOES THIS

It makes a rich profit for those who sell it, and pays some money (charged to the drinker) in taxes.

It has some harmful effect on everyone who drinks it, and directly or indirectly costs us more in dollars and cents than it "brings in" and more in lives, property, and long and short term misery than we can tolerate.

FACT OR FICTION?

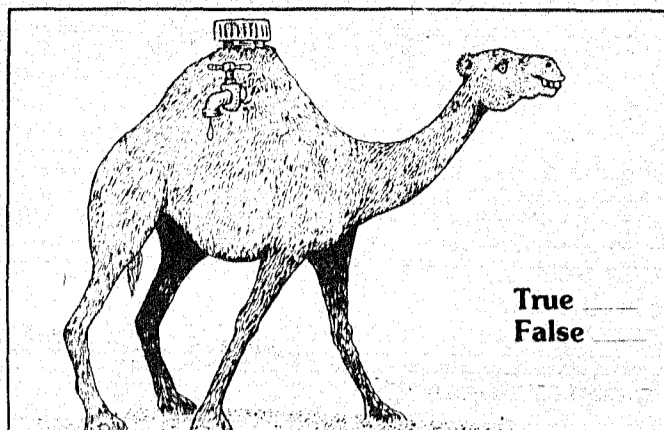

Everybody knows that bats are blind. Right? Wrong! While most bats don't have great eyesight, all bats can see. And a few can see better than you do. Now that you have this bat fact straight, can you tell how many "facts" below are really fiction?

3. Bulls get angry when they see red.

True _____

4. Porcupines shoot their quills.

True _____
False _____

5. Chimpanzees are vegetarians.

Answers:

1. False. This "reaction" probably got started when people saw wild raccoons do through the motions of finding their food in the water the way captive raccoons do during their food in their water dishes. But the raccoons weren't really washing their food. They were just going through the motions of finding their food in the water the way wild raccoons do.

2. False. The humps hold fat, not water! Often camels must go a long time in the desert without eating. Then they live on the fat stored in their humps.

3. False. Bulls are color blind. When a bull charges toward a matador's red cape during a bullfight, it's reacting to the cape's waving motion—not its color.

4. False. A porcupine can't take aim and shoot its quills at an attacker. But when a porcupine is bothered, it may smack the enemy with its tail. The quills are attached very loosely to the porcupine's skin. And they come out very easily when their pointed ends stick into another animal.

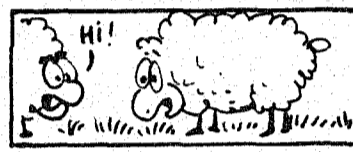

5. False. Chimpanzees eat so many fruits and leaves that people used to think that all the chimps ate. But in the 1960s scientists discovered chimps sometimes kill and eat animals such as young wild pigs and baboons.

VIDEOTAPE: DRINKING AND DRIVING: THE TOLL, THE TEARS. 1/2" VHS, 58 min. Outstanding presentation narrated by Phil Donahue. A series of events showing the tragic effects that driving and drinking has had on innocent victims, their families, and the drivers involved in DWI's.

Kids 'N Cars

Despite laws in all 50 states plus the District of Columbia, observational surveys show that only 68 percent of children under 1 year and 62 percent of children between the ages of 1 and 2 years old are buckled into child safety seats.

As they grow older, even fewer ride buckled up. Child safety seat usage rates drop to 51 percent for two year olds, 27 percent for three year olds, and only 17 percent for four year olds. Only 25 percent of 5 to 12 year olds and 12 percent of teenagers use their safety belts.

The death rate confirms this disturbing trend. Of the 424 children under 4 killed in 1984, 70 percent were unrestrained. Another 278 children between the ages of 5 and 9 died in car crashes, 73 percent of them were not restrained.

While there will be unsurvivable collisions in which a child safety seat or a safety belt cannot provide enough protection, your child's (and your) best chance to survive an accident uninjured is to be buckled up. Safety belts save lives. (National Passenger Safety Assoc., Feb. 14, 1986.)

Get a Texas-Grown Christmas Tree

Why not top off the state's Sesquicentennial with a genuine Texas-grown Christmas tree.

Displaying a Texas Christmas Tree would be an excellent way to commemorate our Sesquicentennial.

In addition to being genuinely Texan, Christmas trees grown in our state offer a number of advantages. They are fresher, more fragrant and usually less expensive than those shipped in from other states. Most are cut around Thanksgiving while those shipped in from northern states are cut in October.

Most Texas Christmas trees are grown in eastern counties, but consumers should find them in retail lots over most of the state.

More than four million Christmas trees are sold in Texas each year, imported mainly from northern and western states. Nearly 500,000 Texas-grown trees should be harvested this year, representing sales of about \$7 million by producers.

Texas boasts more than 3,000 acres of Christmas trees, with some 1,000 trees per acre. Most of these are Virginia pines native to the Appalachian area of the southeastern U.S. Another species, the Afghan or Elderica pine, is now being grown in central, western and southern areas of Texas. The trees are generally ready to harvest in about four

years.

"Choose-and-cut" operations are popular in a number of locations. Such operations allow the shopper to select the tree, cut it and take it home. This restores the old-fashioned idea of making the selection of a Christmas tree an outing the entire family can enjoy.

Most county Extension offices have listings of Christmas tree farms and "choose-and-cut" operations.

Play It Safe With Your Holiday Lighting!

Inspect lights before decorating.
Be sure to discard strands of lights with frayed wiring, and burned out bulbs BEFORE you decorate. Also, never leave your Christmas tree lights or outdoor decorative lights unattended. Be sure to unplug them when you go to bed or leave the house.

Hang ornaments away from lights.
Make sure paper ornaments and tinsel do not touch light bulbs. Also, never adjust outdoor or tree lights while they are turned on or connected to a power circuit. Always use a wooden ladder or a metal one with rubber-tipped legs when installing outdoor lights. Be sure to stand on a dry surface.

Watch for the U.L. seal of approval.
Only buy lights that have been checked for safety. The Underwriter's Laboratory's seal of approval is your guarantee that lights and wiring have been properly safety checked.

Make sure you don't overload circuits.
Avoid overloading electrical wiring by using more than one circuit for your tree lights. Use heavy-duty extension cords to run to other circuits.

TMA Health Tips

Brown Bag Lunches Can Be Nutritious

You may think they're only for kids. But "brown bag lunches" can be a nutritious and tasty alternative to your usual lunch routine.

The Texas Medical Association suggests using brown bag lunches packed with good nutrition to trim excess sodium or unwanted calories from your diet.

A good lunch should include selections from the basic four food groups:

-A protein food such as meat, fish, cheese, eggs, nuts, dried beans, or peanut butter. These foods supply fat, iron and other minerals, some B vitamins, and protein.

-A grain product—bread or crackers (preferably whole wheat) or cereals. Grain products provide B vitamins and iron.

-A fruit or vegetable, preferably one of each. Citrus fruits are good sources of vitamin C while deep green and yellow vegetables are especially good for vitamin A.

-A dairy product such as milk, yogurt, or cheese—all good sources of calcium.

A typical lunch consists of a sandwich with a meat, cheese, or peanut

butter filling, an apple and some carrot sticks. But what goes into your lunch box or bag is limited only by your imagination and likes and dislikes.

If you usually eat meat at your evening meal, you may want to eat a meatless lunch. Instead of a sandwich, try a fresh fruit or vegetable salad in a plastic container and enjoy it with a bran muffin, or rye or wheat crackers.

When you do prepare a sandwich with meat, go easy on processed meats such as salami, bologna and other cold cuts. They are tasty and convenient, but usually are high in salt and fat.

More and more offices now have small refrigerators and microwave ovens, opening up a wealth of luncheon possibilities, especially those made from leftovers.

If you don't have access to a refrigerator, pack only fresh or thoroughly cooked foods that won't spoil easily. In hot weather, put something cold in your lunch bag—a cold drink, or a small plastic dish filled with water and frozen.

Child Restraints

One of the greatest threats to your child is being injured in a motor vehicle—and not just in a crash.

Researchers at the University of California Medical Center at Irvine conducted a 21 month study of children treated in emergency rooms after motor vehicle incidents. They found that nearly one-fourth or 25 percent of the injuries occurred from sudden stops, swerves, turns or when a child moved around inside the vehicle. Protect your children! Putting children in a safety seat can begin a lifetime habit of safety belt use.

Our small community enjoyed a very nice Thanksgiving season. The weather was perfect and no sadness came our way. We are wishing that each of you everywhere enjoyed a nice Thanksgiving Day.

My daughter, Mr. and Mrs. Bob and Patsy Smith arrived at our home here near 11 p.m. Wednesday night. They came from Laredo and were with us here for Thanksgiving day. They went to their home near Abilene Friday afternoon and were near Dallas on Saturday for Thanksgiving dinner for Bob's family in the home of a brother and family there.

With me for Thanksgiving dinner were: Mr. and Mrs. Bob Smith of Laredo and their son, Barry of San Angelo; Mr. and Mrs. Hilary Rutherford of Coleman, Mr. and Mrs. Bobbie Boatright and girls of Brownwood, Mr. Loyd Rutherford and son, Todd, Mr. Rocky Rutherford and Loy Vaughan of Coleman came and was with us for a time during the morning going to Brownwood for Thanksgiving dinner with Loy's parents.

Susan Alvarado and children from May were Sunday guests in the home of Mr. and Mrs. Floyd Morris.

Leon Carter was with his sister, Lorene Black in Brownwood, Thanksgiving day and also on Sunday.

On Wednesday afternoon Mr. and Mrs. Amon Ott were with her parents, Mr. and Mrs. Leon and

Billie Griffin in their home at Goulbusk; an afternoon of eating refreshments and visiting was enjoyed by each one present. At this time of year, we are all counting our many blessings, I thought I'd share a thought with you:

GOD SENT US A SAVIOUR
If our greatest need had been information
God would have sent us an educator.
If our greatest need had been technology
God would have sent us a scientist.
If our greatest need had been money
God would have sent us an economist.
If our greatest need had been pleasure
God would have sent us an entertainer.
But our greatest need was forgiveness
So God sent a Saviour!

THE REVENUE IS BEING SPENT IN THE SURROUNDING COMMUNITIES FOR ALCOHOLIC BEVERAGES... SHOULDN'T OUR TOWN BENEFIT, TOO!!!

GROSS SALES ON ALCOHOLIC BEVERAGES COULD EASILY EXCEED \$5,000 PER WEEK AND THIS MONEY WILL CIRCULATE MANY TIMES IN OUR TOWN, WITH A LOT OF IT STAYING IN OUR TOWN.

VOTING WET COULD ALSO CREATE AT LEAST 8 NEW JOBS. EVEN AT MINIMUM WAGE THIS WOULD BE OVER \$56,000 IN PAYROLL PER YEAR. THESE PEOPLE WOULD ALSO PAY TAXES, SHOP, BANK AND DO OTHER BUSINESS IN OUR TOWN.

REMEMBER TO VOTE FOR!
