THURSDAY, FEBRUARY 26, 1987

This photo was taken Monday morning showing the Brent Hamlin home still burning after an early morning blaze was

reported. The house, located south of the railroad tracks on the Brady Highway, was a total loss.

Hamlin Home Destroyed In Early Morning Fire

The home of Brent and Sheils Hamlin was still burning during the day on Monday after the volunteer fire department had been called at 3:15 a.m. Monday when the young family was awakened by dense smoke and found the house engulfed in flames.

The couple had barely enough time to rescue their two small sons and escape in only their sleep wear, before the flames totally engulfed the house destroying all its contents. The family dog was a victim of the fire, loosing its life in the flames. According to a fireman, the family was fortunate to escape without injury.

The two story frame house located on the Rockwood highway just south of the railraod tracks, was deemed a total loss. No cause for the fire had been determined.

All, of the Santa Anna volunteer fire department responded to the call except for one who was ill. They were on the scene in a matter of minutes after receiving the call, but the flames had already taken their toll. The firefighters were at the

scene until about 7:00 a.m. and fireman Freddie Dodson expressed the appreciation of the crew to Willis Morris and Annie Meryl Morris for preparing and furnishing them with food and also to Glenda Cook and Thelma Brooker who kept them supplied with coffee.

The home and contents were insured, but the family has immediate needs to be met. Friends and coworkers responded Monday morning with some clothing for the family. Clothing sizes are as follows: Hamlin wears a size 36-42 shirt, 29-36 pants and size 9 shoes. Mrs. Hamlin wears dress size 12 and slacks size 11. Her shoe size is 6½ medium. Three year old Steven wears size 3 to 4 and one year old Derrick wears size 2 to 3.

The family will be staying with Hamlin's grandparents, Mr. and Mrs. Frank Taylor, until they can make other living arrangements.

Brent Hamlin is employed with Dry Mfg. of Coleman and Sheila is an employee of Ranger Park Inn.

Open House At School March 5

The Santa Anna Elementary School and the PTO will be hosting an Open House for the grade school, grades Kindergarten thru fifth, on Thursday, March 5, 1987 from 7:00 to 8:30 p.m.

The Open House will be held in conjunction with the Texas Public School Week March 2-6.

The PTO will have a meeting at 7:00 p.m. with the first grade classes of Coyita Bowker and Dorothy Harris presenting the program. Following the meeting the classrooms will be opened for the parents to visit with the teachers.

The annual Book Fair sponsored by the PTO will also be held during Texas Public School Week. Children will be able to purchase books on Wednesday, Thursday and Friday mornings. The book fair will also be open during the open house for those wishing to purchase books at that

Refreshments will be served by the PTo during the Open House. All parents are urged to attend the Open House as well as all other interested persons.

City Races Finally Shaped Up

Citizens of Santa Anna were concerned for a time when no one had filed for office a week from the deadline. The situation changed rapidly on the deadline day, Wednesday, February 18, and now every single race is contested.

For the position of mayor, oneterm incumbent Joe Guerrero will be challenged by city employee Thelma Brooker and city councilman Joe Taylor. Former city council candidate Norman Asher, signed up to run for mayor, but withdrew his name Friday morning from the list.

The city council race for two atlarge seats has attracted J. T. Avants, an incumbent seeking a second term; James Spillman, an incumbent seeking a first elected term; Pearl Wilson; James Ford, James Keeney, Alex DeLeon, and Mike Makuta. The two candidates with the most votes will be seated on the council.

A more detailed profile of each candidate will appear in this paper in the weeks before the election, which is set for Saturday, April 4.

Two Sign Up For School Election Race

The Santa Anna School Board set the School Board Election for Saturday, April 4 at their last meeting. Deadline for filing as a candidate in the school trustee electin is 4:00 p.m. March 4.

Polly Warnock and Terry McIver currently hold the two seats up for election. Mrs. Warnock has served two 3-year terms and McIver is concluding his first 3-year term. Mrs. Warnock has indicted that she will not seek another term. Incumbent Terry McIver has signed up for reelection. Also signing up for the election is Robert Pritchard.

Chamber of Commerce To Nave Meeting Tonite

The Santa Anna Chamber of Commerce is planning to have a meeting Thursday (tonight) to make final arrangements for the annual Chamber of Commerce Banquet to be held on March 7. The meeting will take place in the Coleman County Telephone Cooperative Building Meeting room and all members and interested persons are invited and encouraged to attend.

The Delta Omicron E.S.A. members are pictured here under the sign designating that they have adopted a two-mile stretch of highway along Highway 67-84 just east of Santa Anna. The Sorority was out picking up trash along the highway on Saturday, February 14. Pictured here are members participating, left to right, Betty Martin, Judy Hartman (Back), Coyita Bowker, Gay Nell Martin, Maribee Pritchard, Becky Martin, Gail Horner, Sharon Greenlee, Geneva Garrett, and Debbie Dean. (Photo Courtesy of Debbie Dean)

Fire Dept. Associate Membership Drive

The Santa Anna Volunteer Fire Department is once again sending out letters and extending an invitation for citizens to become an associate member of the association for the year.

Through support from citizens and the community the fire department is able to accomplish a great deal. Last year the department used donations to buy and equip a new equipment van and are getting close to suiting out all of the firemen in good protective equipment, which is important for the safety of the men.

The department tries to begin a new project each year and this year they are seriously considering building on to their present metal building to store their equipment. Also planned is to update some of the firemen's protective equipment.

Officers for the Volunteer Fire Department are: Fire Chief-Donald Strickland; Asst. Chief-Lee Ray Huggins; Sec.-Treas.-Freddie Dodson; President-Clint Day; Vice Pres.-Scott Patterson; Captain-David Huggins; Asst. Captain-Lane Guthrie; and Chaplain: John

Stanislaw. Members include Dale Bradley, Gerald Brister, Donald Carter, Edith Dodson, Lane Guthrie, Dickie Horner, Marty Donham, Gary Cannon, Terry Taylor, Roddy Dean, Danny Cook and J. T. Avants.

The Fire Department knows that to better serve the people of the county and our community, they must continually improve and maintain their equipment, so again they need our help to do that. Let's support our fire department.

Dalta Gasterea E.S.A. members were cut picking up trash closed Rightest 67-bit east of Sente Anna on Saturday, February 14 as part of the Tours Department of Highways and Public Transportation Adopt Artifichurg Litter Control Program. The Dalta Gasterna E.S.A. recently adopted the highway as one of

their projects. The group is pictured here with all the trash that they collected. Pictured, left to right are: Debbie Dean, Coyite Souther, Betty Martin, Judy Hartman, Geneva Gerrett, Gell Harner, Sharna Grounder, Minstee Princherd, Backy Martin, and Gay Hell Martin. (Photo courtney of Debbie Dean)

These three man assisted the Delta Conicron E.S.A. Sarovity on Saturday, February 14 when the todies picked up trash along Hijimmy 67-94 east of Santa Atms as part of the Tesso Department of Highways and Public Transportation Adopt-A-Highway Littor Control Program. The ledder recently adopted

the transmite stretch of higheray as one of their projects. The men explains the laden were left to right, Ean Bowles Chartes Greenies and Dichia Berner. (Plate courtney of Del

Presbyterian Ladies Have Monthly Meeting

The ladies of the Presbyterian Church met Wednesday, February 18 at their regular monthly meeting. The pastor, Jasper McClellan led the study of the last chapter of "Your Life In Christ." Each one came away blessed.

Those in attendance were Veva McClellan, Era Walters, Janet May, Mary Lela Clifforn, Nell Myers, Claudine Brown, Pat DeWitt and Lera Guthrie.

At 6:30 p.m. the regular family night dinner was enjoyed by about 45

people with visitors from Cross Plains and Santa Anna attending. There was a Sing Song led by the

pastor with Sandra Guthrie accompanying on the piano. The evening was enjoyed by all attending.

"T" Eddins To Be Guest Artist For Porcelain Art Club

"T" Eddins from Waco will be the guest artist for this Saturday's meeting of the Porcelain Art Club in Brownwood. The demonstration will begin at 9:00 a.m. in the Adams Street Community Center. Mrs. Eddins will be demonstrating pink and eldabaerry poppies. Mrs. Eddins has been china painting for 18 years and has taught for 14 years. Her other art interests include oils. water colors and acrylics. An active member in the Waco Porcelain Art Guild, she also belongs to the Texas Teachers and International Porcelain Artist, Inc. "T" has won awards for Best of Show and Best of Professional Awards in china painting. Last year a vase she had painted was presented by mary Nokes of Oklahoma to the International Porcelain Art Teachers Museum in Dallas

Hostesses for the meeting will be Leween Cartwright, Johnnie Beth Pitts, Bettis Scott and Gladys Looney. Deaths

Mae Etta Watts, 79

FORT WORTH-Services for Mae Etta Watts, 79 of Fort Worth were held Saturday, February 21, 1987, at 3:30 p.m. at the Gause-Ware, Owens & Brumley Memorial Chapel with the Rev. Herbert Price officiating. Burial was in the Bluebonnet Hills Cemetery under the direction of Gause-Ware, Owens & Brumley Funeral Home.

She passed away Thursday,

February 19, 1987 at a local hospital. She was born in New Waverly and was a member of the Alta Mere Baptist Church. She moved to Santa Anna at the age of 15 and married Frank W. Watts at Baird in 1927, then moving to Cisco. They returned to Santa Anna in 1931 and stayed approximately three years. She lived in Abilene from 1937 until 1946. Mr.

Watts preceded her in death.

Survivors include three sons, George A. Watts and Alfred J. Watts, both of Fort Worth, and the Rev. Frank W. Watts Jr. of Alvarado; three daughters, Lodema Jones of Sidney, Joy W. Allen of Lusaka, Zambia, Africa, and Dorothy Williamson of New Caney; a stepson, S. M. Watts of Lueders; a stepdaughter, Prudy Cochran of Ballinger; two sisters, Velma Belts of Manville and Carrie Wells of Killeen; 25 grandchildren; several great-grandchildren; and numerous nieces and nephews.

Some of items of interest connecting Mrs. Watts to Santa Anna are that she had a cousin who was married to Carl Brown, who was the first water superintendent of Santa Anna. In 1960 Mrs. Watts' son-in-law, Rev. Raymond Jones, became pastor of the First Baptist Church of Santa Anna. He is married to her daughter, Lodema. Raymond's and Lodema's sons, Eddie, Wade and Bubba now live in Santa Anna and their daughter, Darlyne, lives in Plainview. Mae Etta Watts and her sister, Carrie, were one of the first ones baptized in the baptistry in the "new" church building (First Baptist, Santa Anna), which is still in

Watts Creek, Watts School and Barefoot Mountains are reminders of the family place in Coleman County History.

What You Can Do For You!

Georgia Hughes of Santa Anna will be conducting a workshop this Saturday, February 28, in the Coleman County State Bank Club Room on mental awareness. The fee for the workshop will be \$20 and registration will begin at 6:30 p.m. and last until 7:00 p.m. The workshop will deal with self-motivation. The four areas of self-motivation to be covered will be (1) self esteem; (2) positive mental attitude; (3) wholism; and (4) peace of mind. The title of the workshop is "What YOU Can Do For You!"

Anyone interested in in their own self and self-motivation is invited to attend this workshop.

Butch Cooper Places 2nd At Pinewood Derby

Butch Cooper, a Santa Anna 10 year old, won second place in Best Design in the 10-yr. old division at the Cub Scout Southern District of the Chisholm Trail Council Pinewood Derby held at the Mall of Abilene on Saturday, February 7th.

Butch is a member of the Cub Scout Pack 230 in Santa Anna. His car, one of over 2,000 cars entered in the derby was characterized for best design because of the addition of headlights.

Other divisions in the derby were: fastest car, most original, and most unusual.

Butch is the son of Kay and Corky McGee and is a student at Santa Anna Elementary School.

Brittany Guerrero Born Feb. 21

Brittany Allene Guerrero was born to Robin and Danny Guerrero Saturday, February 21, 1987 in a San Angelo hospital. The baby girl weighed 6 lbs., 7 oz. at birth.

Grandparents welcoming the baby are Mr. and Mrs. Stanley Hartman and Mr. and Mrs. Joe Guerrero, all of Santa Anna.

Great-grandparents are Mr. and Mrs. Edd Hartman of Santa Anna, Mr. and Mrs. Bud McClellan and the late Doris McClellan of Voss. Mrs. I. E. Hartman of Midland, Mrs. R. S. Sanders of De Soto and Mrs. Walter McClellan of Coleman are greatgreat grandparents.

Robbie Buse Of Early Is Sweepstakes Winner

Robbie Buse, son of Karol and Travis Buse of Early and grandson of Daisy Buse and Mr. and Mrs. Clyde Pittard of Santa Anna, had the sweepstakes winner in the biological division of the regional science fair held in Abilene on Friday, February 20.

Robbie, a sophomore student at Early High School, won with his entry of "Roat Orientation in Space."

The physical and biological sweepstakes winners receive an expense paid trip to the International Science Fair to be held in Puerto Rico in May. They will also receive a \$750 scholarship to the college of their choice.

Thoughts From Our Pastors

By John Stanislaw
Pastor of First Baptist Church

LIFE: LOVE!

LIBERTY

LIFE: John 3:15—"That whosoever believeth in him should not perish, but have eternal life."

Notice it not only says life, but eternal life. Reason says, surely God has more planned for humans than 70 to 90 years as we experience on earth? We are his supreme creation in the universe. Furthermore, faith says that God does have more planned for us and it goes on for eternity. The minute a person accepts Christ as his personal Lord and Savior, eternal life begins for that person. And that person begins an eternal relationship with God as his son or daughter. And it is all because of what Jesus Christ has done upon the cross.

LOVE: John 3:16—"For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life."

What a great verse because it talks about love. Love is the greatest experience a person can have upon planet earth. Now I am not talking about a conditional kind of love, but true unconditional love in its perfection. Not a love that is based on outward appearances. Love in its perfection is found in God through Jesus Christ. In John 15:13, "Greater love hath no man than this, that a man lay down his life for his friends." Also see I John 3:16. So it is through Jesus Christ we find perfect unconditional love.

LIBERTY: 2 Corinthians 3:17—"Now the Lord is that Spirit: and where the Spirit of the Lord is, there is liberty."

Liberty is an important word for us as christians. In Christ we have been freed from the penalty of sin. "There is therefore now no condemnation to them which are in Christ Jesus" (Romans 8:1). That verse gives us the assurance that we can serve him and if we do sin, it doesn't mean that we have lost our relationship with him because of some sin. However, it does get us out of fellowship with him. And there is a difference. One of the many verses that gives us liberty from our sins is I John 1:9, "If we confess our sins, he is faithful and just to forgive us our sins, and to cleanse us from all unrighteousness.

Life, Love, and Liberty is found through a personal experience with Jesus Christ. To God be all the glroy for these wonderful gifts. Jesus Christ on the cross was God for us when we were against him. "For if, when we were enemies, were were reconciled to God by the death of his Son, much more, being reconciled, we shall be saved by his life." (Romans 5:10)

Full Gospel Fellowship Church To Have Guest Speaker

The Full Gospel Fellowship Church, on the corner of No. 2nd Street and Santa Fe, will have a night of music, singing, spirit filled preaching and fellowship including supper on Saturday night at 7:00 p.m. Bro. Boatright, who is president of the P.Y.P.A. and who works with young people will be special speaker that night. The Full Gospel Fellowship Youth Group invites everyone in the community, especially the youth, to come and hear the good word.

This has been youth month for the Full Gospel Fellowship Church and the youth have taken over the services and some have even preached.

The Full Gospel Fellowship Church is a non-denominational church and everyone is welcome. Frank Taylor and Virginia Deal are the pastors of the church.

The members of the Full Gospel Church are looking forward to seeing you there Saturday evening, so come on out and fellowship with them.

Letter To The Editor

Dear Editor:

Is this happening in your community?

Due to recent circumstances in

our rural community, Archer City, Fexas, our attention has been drawn to the questionable sanctions imposed upon the doctors of rural areas, in particular, by the Texas Medical Foundation's Peer Review Organization. The criteria set down by this organization is so stringent that no physician could possibly be in compliance with all aspects included.

These sanctions in many cases will result in the closing of many rural hospitals, leaving a large percentage of our population without immediate medical care.

I am interested in finding out how many other communities share our same problems.

Only by cooperation of all Texans and their legislators can something be done to rectify this situation. Many of the legislators are aware of the problem and are investigating the workings of the Federally Funded Texas Medical Foundation.

Due to the stigma this imposes upon the physician the public is not always aware of the situation until it is too late.

We're fighting for our doctor, R. D. Schlomsch, M.D. and our hospital, Archer County Hospital. I hope you will be equally as concerned because this could also be pertinent to you, your physician and your hospital(s).

The number of hospitals closed January 1, 1995 through December 31, 1995 is 25. A large number of Texas dectors have been sanctioned and many more are waiting official sanctions. If the hospital are baspitals in your county and or town are presently being threatened, or any of the doctors are being investigated and or sanctioned I would like to hear from you.

like to hear from yea.

This inter could be written about "Year Doctor and Year Haspital," so gloses let year voice be heard by welling your legislators in both Texas and Westington slong with

More Permanent Weight Loss

A 140-pound woman will lose more weight and keep it off on 1,400 daily calories than she will on 700 to 1,000 calories according to a leading obesity expert.

Outlining a new concept in weight management at an American Dietetic Association news conference, C. Wayne Callaway, M.D., said the key is for women to consume no fewer than 10 calories per pound of body weight each day.

"While it's true the low calorie diets popular today will result in initially greater weight loss, much of it is water and in the long run that kind of severe regime predisposed you to binging. Most women end up going off the diet and gaining back more weight than they lost," said Callaway, who runs the obesity clinic at George Washington University Medical Center.

"Using the 10-calorie rule will lose more gradually, about a half pound of fat per week, which is just about right," said the physician. "Exercise and a balanced diet without depriving yourself of the foods you like is the best way to keep weight at reasonable levels.'

In following the 10-calorie rule, women should eat three meals a day, choosing from a wide variety of foods, including vegetables, fruits, breads, cereals, low fat meat and meat alternatives.

They should also consume three to four servings a day of calcium-rich foods, such as milk, yogurt, lowfat cheeses and dark green leafy vegetables to reduce the risk for osteoporosis.

Extremely low calorie diets fail because they cause a person's metabolic rate to drop 10 to 30 percent, which in turn causes the body to burn calories more slowly,

humans and animals show the metabolic rate drop is an adaptive reaction that probably evolved as the body's innate way of surviving famine.

"There's more and more evidence that extremely low calorie diets lead to eating disorders such as anorexia nervosa and bulimia. They also appear to predispose women to further weight gain because the body becomes more efficient at adapting to low calorie intake each time you diet," Callaway said. "Every time you diet you lose less and gain back more.'

Before beginning a weight reduction plan, women today should first determine if they even need to diet, said Callaway, noting that cultural expectations have put unrealistic pressure on women to be thin.

"Our cultural definitions of what is an appropriate weight for women are grossly distorted on the low side," he said. "If you look back 20 years ago, professional models and Miss America contestants were five to ten percent below average weight for women their height. Now they're twenty to twenty-five percent below average weight."

That has been reflected in the recommended weight tables, which over the years have dropped for women but remained fairly constant for men. The Metropolitan Life Insurance tables were revised upward slightly in 1983.

"Yet it's men, not women, who are dying in the greatest number from weight-related diseases," Callaway

Women whose weight is in their hips or thighs-the location most females carry extra pounds-do not run as much of a health risk as those who have excess weight around their abdomens

Delta Omicron Adopts- A-Highway

The Santa Anna Delta Omicron E.S.A. Sorority is one of some 850 groups who have responded to the highway department's Adopt-A-Highway Program. About ten months ago, the State Department of Highways and Public Transportation inaugurated a statewide program that encouraged local groups, including civic organizations, garden groups, high school and college clubs, organizations within the military, volunteer fire departments and employee associations, to adopt stretches of highway for litter

"What we've seen is a tremendous grass-roots effort to keep the bottles out of the bluebonnets." said Ravmond Stotzer, engineer-director of the highway department.

"It's exciting to see people so enthusiastic about keeping Texas clean. At Texas A&M, they've got a tradition they call 'the twelfth man.' It started on the football field. It means that everyone can be a part of activities, either as an active participant or as an enthusiastic sup-

porter of the program. These Adopt-A-Highway groups are the highway department's twelfth man," Stotzer

Under the program, groups select a stretch of highway-usually two or three miles in length-and take responsibility for picking up the litter along that section at least twice a year. The highway department provides plastic bags for trash and a truck and driver to take the collected trash to the dump. The group is required to hold a safety meeting before each cycle of work.

Once an organization has adopted the roadway, the highway department places signs at each end of the section, giving credit to the adopting group. After the group has maintained the roadway for a year, the department presents them with a certificate of service.

Thus far, over 1,500 miles of statemaintained roadway have been adopted.

The Adopt-A-Highway Program started early last year in East Texas. The department's district

Mountaineers Lose shot continuously outside the defended area successfully. The first **Bi-District Game**

The Santa Anna Mountaineers lost their bi-district playoff game Tuesday evening when they played against Bronte. Bronte took a giant lead during the first quarter, leading 19 to Santa Anna's 7. Bronte kept the lead through halftime, making the score Santa Anna 19 and Bronte 41. The Mountaineers came back strong after halftime, using an agressive man-to-man defense to pull within 13 points of Bronte. At the end of the third quarter Santa Anna's score was 35, Bronte's 56. Bronte settled down and pulled away again in the fourth quarter of the game, with the final score being Bronte 78, Santa Anna 45.

Santa Anna could have perhaps made a game of it if the Mountaineers had been able to hit their free throws. The District 24-A runners'up managed to sink only 13 of 29 at the charity stripe, however, missing the front end of numerous oneand-one opportunities.

Bronte made 20 of 30 at the freethrow line in a game that featured 47 fouls whistled against the two squads.

Santa Anna had a total of 24 fouls, with James Hartman fouling out in the 4th quarter.

Those scoring for the Mountaineers were Reece McIver, 12; Kendall Davison, 9; James Hartman, 6; Eddie Tomlinson, 13; Joey Anderson, 2; Robby Pritchard, 1; and Rex Harper, 2. Those playing but not scoring were Fernando Castillo, Bobby Pritchard, Dennis Absher, Alonzo Hernandez. Scotty Anderson, Buddy Hardin and Clarence McDowell.

Bronte will face Robert Lee Friday in the area round of the playoffs, with the site not yet determined at press time.

Congratulations Mountaineers on a good season.

On Friday, February 20, the Santa Anna Mountaineers met up against Asperment for a scrimmage at the McMurray Gym in Abilene. This was a treat for Santa Anna fans as the seating availability covered three sides of the court. Several of the players commented on the plastic sealed court giving traction different thatn they were used to and that, combined with new tennis shoes, left our players out of the mold.

The first appraisal of the Hornets at the pregame warm up showed them to have a definite edge on average height.

The Mountaineers started off with great style. Santa Anna got possession of the jump ball allowing McIver to draw first blood. During the first three minutes possession of the scoreboard traded between the Mountaineers and the Hornets. The last three minutes of the the first quar'er showed the ineffectiveness of the Hornets to use a good defense

against the Mountaineers. Our boys quarter ended Mountaineers-20, Hornets-19.

The Hornets came back with second wind closing out the second quarter leading 42-31. They continued their success leading the third quarter 59-39. Even though the Mountaineers played superb ball, the final score was Hornets-82, Mountaineers-65.

Those scoring for the Mountaineers were James Hartman, 16; Reece McIver. 20: Eddie Tomlinson, 9; Kendall Davison, 10: Alonzo Hernandez, 2; Fernando Castillo, 4; and Joey Anderson, 4.

Never use chlorinated products for soil or stain removal. They can cause fabric to deteriorate. Before washing, separate light and dark fabrics by color. Some synthetics, such as light and white nylon, will absorb other colors in the wash.

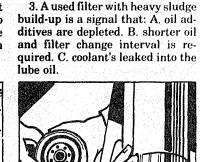

Another tip that's not washed up: wash out bathing suits in a detergent such as Surf. It's specifically formulated for popular synthetic fabrics to combat lingering odors and remove ground-in dirt and stains. Rinse suits after every swim to remove all traces of chlorine, sea salt, oils and sand particles-all of which can speed up fabric deterioration. Free booklets with cleaning tips are available by writing to Surf's Activewear Cleaning Tips, P.O. Box 3381, Grand Central Station, New York, N.Y. 10163.

"There is no excellent beauty that hath not some strangeness in the Francis Bacon

How far are you along the road to knowledge of car care? Taking this little test can help you tell. Ladies and gentlemen, start your engines!

1. The oil pressure warning light is there to: A. alert the driver to the absence of oil. B. alert the driver to the presence of too much oil. C. tell the driver to slow down.

2. It's always good practice to examine used oil filters after removal from the engine. A. True. B.

4. Spin-on filters are designed to withstand pressures --- times greater than normal. A. two. B. four. C. five.

ANSWERS:

1. A. If the light doesn't go out after changing the oil and filter have the engine checked by a qualified mechanic. 2. A. The condition of the used filter may indicate a potential problem in the lubrication system. 3. A, B, C. Analysis of the used engine oil will determine the cause of premature filter plugging. 4. C. These types of filter withstand pressures

five times greater than normal. A variety of replacement filters are available at NAPA AUTO PARTS Stores and service dealers. Considered by many mechanics to be superior technical products, these filters cost the same as most others.

Suspect No. 2 described as a male wearing a white T-shirt, tan pants and brown shoes.

1986-87 a read and white bandana on his Metallic brown 1980 or later Work At Home Schemes-Put Money In Someone Else's Pocket-And Could Earn You Time In Jail

Each year the American public loses millions of dollars through fraudulent schemes operated through the United States Mails. With the increase of unemployment, especially in the oil related in-

dustries, work at home promotions have become more prevalent. These promotions are aimed at the elderly, shut-ins, the unemployed and housewives who want to supplement their family income.

Work at home fraud schemes such as envelope stuffing, home addressing, and multi-level marketing sales distributorships always include "opportunities" to earn an unusually high income with relatively small investment and with little or no effort on the parat of the customer, and in most cases, by someone they've never even met. They are usually schemes to sell the plan to do the work rather than doing the work itself, and no one has ever become wealthy through such schemes.

Any promotion where the success of any operator (regardless of whether "A product" is offered) depends on recruiting people to recruit more people, etc., to participate in the program is an endless chain or pyramid. These are forms of lottery and violate the Postal Lottery Statute.

There are three elements of a lottery-consideration, prize, and chance. In typical work at home promotions involving stuffing envelopes, the consideration is usually called an "application or introduction fee" or could be the price of a "start-up kit." Consideration in multi-level marketing schemes is the money paid to a promoter in order for the participant to become a distributor and to recruit new distributors. The prize is always the promised "big money" that can be made quickly after the promotion

has progressed several levels, and the chance is that investors will not recruit all the people necessary to fill the pyramid and recoup the initial investments much less earn the "big money" prize. In fact, the chance that all participants will receive mail is mathematically impossible. If a scheme requires particinants to mail to six new participants, who inturn must mail to six, etc., by the eleventh level of mailing, the entire United States population would be exhausted; and by the thirteenth level, the world population (Over four billion) would be exhausted.

The U.S. Postal Inspection Service, who investigates mail fraud and Postal Lottery Statute violations, says that promoters as well as participants in work at home fraud schemes can be found in violation of Federal law even if they did not realize the promotion was illegal when they first got into it. If you receive information about a work-athome promotion you feel may be in violation of the law, turn it in to your Postmaster or mail it to the Postal Inspector in Charge, P.O. Box 162929, Fort Worth, TX 76161-2929.

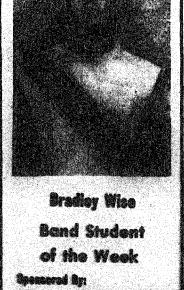

Remember, if it sounds too good to be true-it probably is.

Sunday visitors with Mr. and Mrs. C. L. Davis were Mrs. Lens Pitts and Mrs. Lee Bolen of Coleman.

SOME OUT-OF- TOWN

SPECIALS ARE REALLY NO BARGAIN

The next time you're tempted to travel to the city or out-of-town shopping mall, stop and think of the real cost. Be sure to add mileage, cost of meals, babysitter expense, time and other incidentals.

Money experts say that each dollar will turn over as many as four or five times in a community like ours, which means that a dollar spent somewhere else will take away \$4 or \$5 in trade, wages, local taxes, etc.

Your friendly merchants probably have what you want anyway....and often cheaper than stores in the city. Shopping at home is easier and quicker.

Keep part of the dollars you spend...

Billie Haught and two grand-

Those visiting Mrs. Ruth Hibbits Sunday were Charlie and Kathleen Avants and Joe Wallace. Might have been others who dropped in over the week.

Charles and Tallion Taylor of Abilene were dinner guests of the C. E. Wises Sunday; recent visitors were Mrs. Ruby Stephenson of Abilene and Billy Williams.

Those visiting the Casey Herrings over the weekend were the Jimmy Schulles, Pam Morgan and boys of Stephenville, Joan Lunsford and children, and Kenneth Herring all of Odessa; all were dinner guests Sunday. Jimmy visited Mrs. Davis at Santa Anna Sunday evening. Peter and Jeff of Brownwood also spent the weekend. Dale Herring and Casey were in and out. They all went to Abilene Saturday to sing songs at ACU College.

Mr. and Mrs. Bill Lowry had supper with the Lonnie Lowry and children last Monday night.

Mrs. Byrdie Miller went to Brownwood Sunday and spent the day with the H. B. Dockery's; it was H. B.'s and Byrdie's birthday; Lou came by for her.

Mr. and Mrs. George Teeters visited the R. W. Cupps late Saturday evening. I dropped by Thelma's one evening; I visited Bee Cupps one

Here's a tip... a tax tip.

If you work for yourself and you make at least \$400 a year, you must file a tax return. Don't get knocked for a loop on this one.

Fannies Funnies

BY FANNIE GILBERT

A woman waited until her husband had finished supper and was seated in front of the television set. Then she changed into a party dress and paraded before him. "How do you like my new dress?" she asked. "I think it will be just the thing to wear to the party next week don't you?" "Take it BACK!" he yelled. "it's terrible! I wouldn't want to be seen there with you if you wore that." "That's what I hoped you would say." she agreed. "This is my old dress. I'll go buy a new one. Thanks Darling."

A woman about to leave a doctor's office gave him a quizical glance. "Is something the matter?" he asked. "I'm not sure," she replied, "I arrived five minutes early for my appointment, you took me right away, you spent a lot of time with me, I understood every word of your instructions, I can even read your prescription. Are you a real doctor?"

A man who had goen into business for himself was asked the age-old question. "How does it feel to be your own boss?" "Just fine," he said sarcastically. "The police won't let me park in front of my place of business; the tax collector's tell me how to keep books; my banker tells me how much balance I've got to maintain; freight agents tell me how my goods must be packaged: customers tell me how my goods must be made; federal, state, county and local agencies tell me how to keep records; the union tells me how to handle my employees, and on top of all that, I just got married."

The fellow with the closed mind is usually the one with the open mouth.
