Mayor & Police Chief Resign In Unrelated Incidents

Mayor, Personal Reasons - Brixey Has Another Job

In totally unrelated incidents both Mayor Thelma Brooker and Policeman Ken Brixey turned in their resignations, effective immediately, at City Hall Monday morning. It was "Monday all day" as City officials began to try to cope with the situation. Mayor Brooker, in an interview with this writer, stated her reasons for resigning were personal. She emphasized there were absolutely no problems with the other city officials or the city employees. "In fact, they have all been very supportive of me," she hastened to add. "I have enjoyed working with each of them, its just, at this time, I feel the need to be free of those obligations," she commented. She also added it had been something she had been thinking about for some time.

She remembered she was hesitant to run for second term re-election in the spring, but was encouraged to do so by many around town, but now simply feels the need to "get out." The Mayor has expressed her appreciation to the citizens of Santa Anna who have been so supportive of her efforts on their behalf and regrets she does not feel she can continue in that position at this time. She adds, "I thank everyone for believing in me." City Officials have expressed their regret at the turn of events regarding the Mayor's resignation and have expressed their appreciation for her and the devotion she held for her position. Mayor pro-tem, Susie Voss will conduct the regular city

council meeting scheduled for Thursday night when the resignation of the Mayor and that of Policeman Ken Brixey will be acted upon and how they intend to go about filling the vacancies. According to city officials, Brixey has accepted a job as deputy with the County Sheriff's department. He asked that his resignation be effective immediately. The move was not totally unexpected as it had been known for a while that he was seeking employment with the Sheriff's department. It was just a matter of doing what he had hoped to do for some time. There has been no indication from City Hall as to how they will handle filling that position. The matter will be discussed Thursday after the council officially accepts the resignation.

School Open House Tuesday

The Santa Anna Schools will hold open house Tuesday evening, September 19, for Kindergarten through 12th grade and all parents and other interested persons are encouraged to attend, meet the faculty and staff and to visit the classrooms.

The events will begin with an assembly in the high school auditorium at 7:00 p.m. The SAHS band will provide musical entertainment and Superintendent Gerald Brister will give a brief welcoming speech. Those attending will then disperse to the three classroom build-

ings on the campus for visiting in their child's classrooms. At the high school, parents will run through a shortened schedule of their student's classes and will meet with the various teachers for 10-minute periods.

Mountaineer quarterback, Johnny Betts, makes yardage before being stopped by Dragons. Santa Anna will be in Rising Star Saturday night, 8:00.

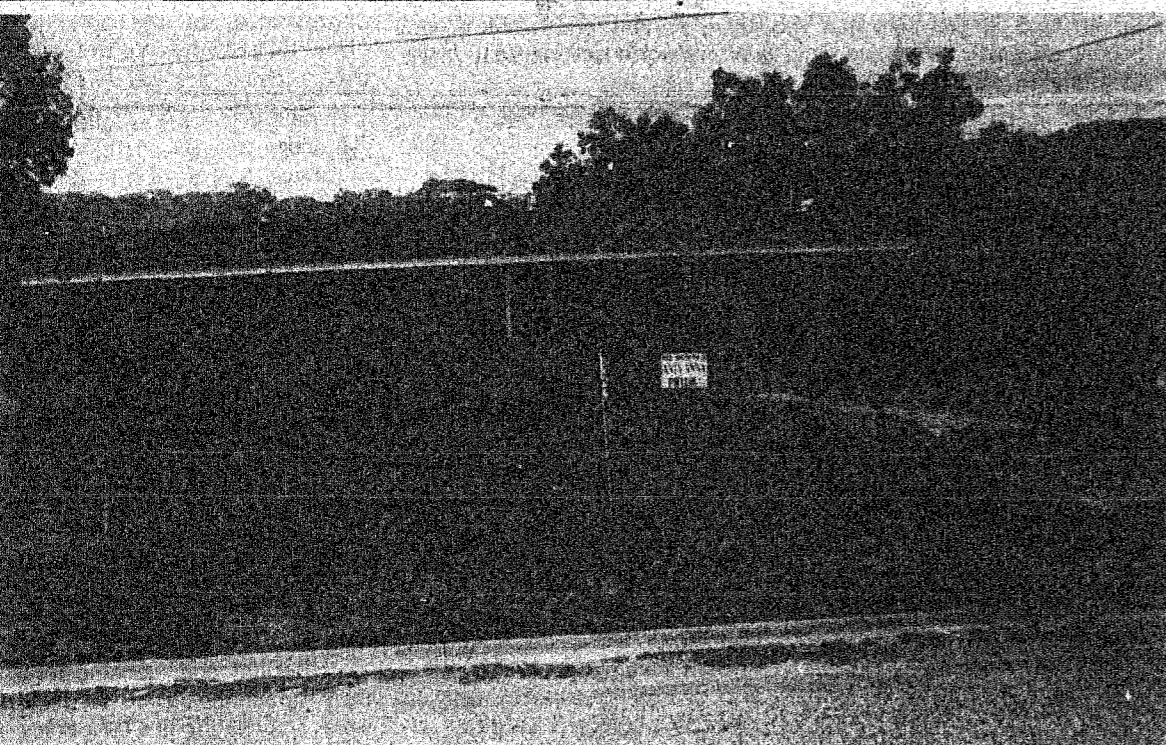

Mountaineers Lose Opener But Look Good; R-Star Next

"We couldn't be prouder of these guys," was Coach Doug Dallas' response when asked how he felt about the Mountaineers after their 21-0 loss to Bangs in their season opener last Friday night here in Santa Anna. An exceptionally large crowd was on hand as the two teams met in their annual traditional opener.

The Mountaineers also did a job defensively, but the Dragon offense managed to avoid the turnovers that seemed to plague Dallas' team. Doug Johnson, 194 lb. senior Fullback, put the first score on the board for the Dragons when he carried the ball in from seven yard out

3:39 into the quarter. The Dragon point after was good. Two minutes later Bangs went to the air for its second TD. Jason Espinoza caught a 18 yard pass in the end zone to rack up 6 more points

Santa Anna's Pride Of The Month

The Glen Pope home, at 1212 Ave. A, has been selected by a committee of the Chamber of Commerce as this month's Santa Anna Pride. The simplicity of the landscaping is enhanced by blooming canna, geraniums and salvia. The neatly mowed and manicured lawn is graced by several blooming Crepe

Myrtle trees across the front of the spacious yard. Nestled at the foot of the mountain, the home is all the more picturesque with the mountain as a background. The premises are always in immaculate condition and a pride of the neighborhood as well as the owner.

New Events For 37th SAHS Homecoming

The 37th annual homecoming for ex-students of Santa Anna High School is just around the corner. Scheduled for Friday and Saturday, October 27 and 28, the usual round of events plus some added attractions are expected to take place. One added event will be an Ex-Student Association Golf Tournament on Friday starting at 10:00 a.m. Tournament entry fee will be \$20, and limited to the first 20 entries received. Lunch will be available at the Coleman Country Club where the tournament will take place. If more information is needed, you may contact Thomas Wristen in Santa Anna at 348-3623. Send your entry fee to Santa Anna Ex-Student Association c/o Gay Abernathy, P.O. Box 363, Santa Anna, Tx. 76878. Mary Fields has been appointed Social Chairman for the Association. She is trying to contact many classes, encouraging them to plan reunions. If you can not attend this

year's Homecoming, please send your name, class year, current address, family information and possible pictures to Mrs. Fields at 819 Praetorian Bldg., Dallas, Tex. 75201, phone 214-741-4511. The association is planning to compile as complete a record as possible on each individual graduating class. Further plans for the project will be discussed at the business meeting October 28. The Santa Anna News would like to hear from those of you whose classes are planning reunions and also from special groups who might be making plans to get together during the weekend so we may help publicize the events. We would like to print pictures of the various classes and groups, if our readers can furnish the pictures. They will be returned. If we can be of help in locating class members, we are most happy to assist. We may even have addresses in our files you may be looking for. Please feel free to con-

tact us for any assistance we can provide. R. E. (Dickie) Horner is current president of the Ex-Student Association. Gay Rutherford Abernathy is 1st vice-president, Eddie Jones is 2nd vice-president, and Deborah Aldridge Long is secretary-treasurer. Roberta Morgan Tomlinson and Randy Brown are directors. Lions Club Changes Meeting Time In order to hopefully gain additional members and to meet at a more convenient time that would allow more to be present, the Santa Anna Lions Club is changing its meeting time and will be meeting at 6:00 p.m. each Tuesday for an evening meal. Prior to this change, the club has met at noon Tuesdays. Danny Wheatly is current president of the Santa Anna Lions and hopes this move will encourage more participation in the Lions Club. If you are interested in becoming a member, contact any Lion.

Partners In Excellence To Pass Out Awards Monday

Partners in Academic Excellence will present awards next week to those students who, as of last spring, have achieved the grade averages for which they will be honored by the group. Students who have maintained an "A" average for a period of three years will receive an engraved plaque. Those maintaining an "A" average for a period of two years will be presented with a medal and those students who have maintained an "A" average for one year will receive a certificate. The presentations will be made during a special assembly Monday, September 18, at the High School auditorium beginning at 11:35 a.m. Everyone is welcome to be present.

Friendship Luncheon

(Contributed)
Bob Ingram, our Indian friend, made it to the Friendship Meal last week after being absent the week before. He brought along two dishes of food this week, a delicious spaghetti dish and a scrumptious peach cobbler. Both of which made a nice addition to all the other wonderful food that was brought by those attending the get-together at the Mountain City Community Center.

The Frank McCrarys were missed. A visitor was Ray Owen's granddaughter, Vickie Owen of Coleman.

The Rev. Don Elrod and his lovely wife, Joyce, were present and he gave the table grace.

The meal on the 14th will be pot-luck. Come join us.

Thoughts From Our Pastors

Jasper McClellan
First Presbyterian Church

A CREED TO LIVE BY

Creeds are good and valuable. Not necessarily essential, but surely useful. Some denominations use them and some do not. Today, however I am concerned with personal creeds. What is your personal creed? Perhaps you prefer to call it your philosophy of life. But, what is it? Have you ever examined yourself enough to know and then verbalized it? Even more important, have you ever written down your own personal beliefs?

The word creed comes from the Latin CREDO which means, "I believe". If someone were to ask you what you believe, how would you respond?

Dr. Clarence Forsberg, a pastor in Columbia, Mo. suggests a starting point in helping Christians formulate their beliefs. What he calls "A Beginners Creed" has three distinct tenets.

First, LIFE IS WORTH LIVING. Many people today are not convinced of that fact. With taxes going up, crime rates on the rise, divorce rates out of hand, banks failing left and right (particularly in Texas FSL's are worse, murder mislabeled as abortion is rampant, medical care costs escalate to the outrageous and the insurance premiums are worse yet, the rate of illiteracy continues to rise, and ALL of these at a time our officials in Washington remind us that we are "at peace" Is life really worth living? Obviously, those increasing numbers of suicides indicate that in the mind of many, life is not worth living.

However, this is about a CHRISTIAN'S creed. Life IS worth living because God in His Holy Word has told us that it is. "I have called you, I have chosen you, I love you, and I have redeemed you from the horrible pit and miry clay for a purpose." The prophet summed it up best in Jere 29:11, "I know the thoughts I think toward YOU, saith the Lord, thoughts of peace and not evil, to give YOU a future and a hope."

Secondly, PEOPLE ARE WORTH LOVING. They really are. ALL people are worth loving, simply because God loves ALL the people of the world John 3:16. And, He has commanded us to follow Him and His example.

We, however, tend to love people by choice and with discretion. That is, we love only the lovable and those that can in some way that we consider appropriate, respond to our love. People are worth loving when we realize God loves ALL people, and as His followers, we must also. We should love Red people, Black people, Brown people and White people. Rich people and poor people. Healthy people and sick people. Christian people and heathen people. Heterosexual people and homosexual people. Nice smelling people and foul smelling people. ALL people are worth loving because God does and Jesus gave His precious blood for them. Lastly, GOD IS WORTH TRUSTING. God in Christ is worthy of our praise, our worship, our trust and service. He is the one, the ONLY ONE who has ALL POWER and ALL AUTHORITY who has ALL POWER and ALL AUTHORITY both in heaven and on Earth. He ALONE is THE Way THE Truth and THE LIFE. He is the Lord of Lords the King of Kings.

These three tenets are worthy of your adopting as your own only because Jesus the Christ is Lord of all. "All your tomorrows, all your past, all your conflicts, and all your thoughts, Jesus is Lord of all. His love wins the battles you could not have fought, Jesus is Lord of all. All your failures, HIS power redeems, Jesus is Lord of all." So says the song by the same title. So says the inspired Word of our Living and Loving God. So you say too, if you BELIEVE that life is worth living, people are worth loving and God is surely worth trusting. May Jesus the Christ be praised!

Around & About

Letha Martin spent Monday in Abilene with her sister. The pair had lunch at the Senior Center at Cobb Park and were visiting with everyone at the table. While talking, the rest of the group found out the ladies were from Santa Anna and one man remarked, "I can tell you something that happened there in Santa Anna back during the depression".

Seems the man lived in Buffalo Gap and had been visiting somewhere beyond here. He was hitchhiking back home and just as he arrived in Santa Anna, an old fashion blue northern hit. "It was COLD", he exclaimed. He hung around a filling station keeping warm until about 10 p.m. The proprietor of the station said, "I have to close up and I can't leave you here, you would freeze. I'm going to call the night watchman and see if he can find you a place to sleep."

The night watchman said there were no blankets at the city jail so the traveler couldn't sleep there. He then decided to unlock the telephone company building, lit the fire and locked the man in for the night. The door could be opened from the inside, but not from the outside. He cautioned the man to be

sure to turn out the fire and "clear out" well before time for the telephone people to come to work the next day..... which he did.

Jean McClellan recently visited for a week in Katy with her daughter and family, Joy, Victor, and Laura Carrillo.

While Jean was away, Jasper had Labor Day weekend visitors; Darwin Watson Sr. of San Antonio, Darwin Jr. and Kathryn Watson of Fort Worth, David, Linda and Katy Watson, Fort Worth and Greg Bird, also of Fort Worth. The men enjoyed watching river rafting on the NEW River. Mary and Jim took a river raft tour.

They also visited the second largest bridge in the U.S. located near Beckley and spanning across two mountains. They also did some sight seeing in Charleston. Carmen emphasizes they enjoyed the comfortable 80 degree days and 60 degree nights.

Betty and David Key were weekend visitors in the home of their daughter and family, Linda and Gary Miller and children, in Snyder.

Othal Warnock visited for a week in Midland in the home of her daughter and family, Glenda and Lawrence Merworth and grandson Lynn before he left for the Marines and basic training in California. She returned home for a couple of days and then went back to Midland this past weekend for another short visit, her sister, Myrtle Davis, accompanying her. They returned home Sunday evening.

Library Notes
Check It Out

by Alice Anna Spillman
Mrs. Letha Martin and Mrs. Ovella Williams, librarians, were in Abilene August 24th attending a day-long catalog workshop. People attending across the Big Country were from Jayton to Mason. All represented their local libraries, either employees or volunteers.

Mrs. Beatrice Takacs, coordinator for the Big Country Library System directed the meeting. Participants learned the basics for the most common types of cataloging books. The most simple is the Dewey Decimal System. Even this is undergoing more simplification. Our librarians are preparing for the eventual move to a new location. Shelves contain many new books and some of the old will be removed. A new catalog system will be needed for keeping track.

Did you know that we have librarians because of a program called "Green Thumb"? The United States Government provides salary for employees of retirement age and employed in the program. We are very lucky to have one full time employee for the Library, Mrs. Martin. Hours of Mrs. Williams are shared with the local Nutrition Program.

There are constant changes in the number of hours the government will fund. The funds allowed determine the number of hours the library can be open each week. Presently, Mrs. Martin is working 20 hours a week at the library. Mrs. Williams is dividing her 20 hours between the Library and the Nutrition Program.

We are hoping to set up a schedule of library hours that will be convenient for the librarians and for those who use the library. There is no substitute librarian, so when either of the ladies is ill or out of town, the library must be closed. When the Library moves to the new location, we will need volunteers to help extend the hours of operation. Volunteers have kept the Library open most of its existence.

If you have any comments for improvement of the operation, please let us know. We would like to cooperate in any way we can.

Current Hours are as follows:
Monday 9-11; 12-5
Tuesday 9-12; 1-5
Wednesday 9-11; 12-5
Thursday 9-12; 1-5
Closed Friday, Saturday and Sunday

A Mountainside Viewpoint

By Polly Warnock

I guess it's only human to seek immortality, enduring fame, in one way or another, whether consciously or unconsciously.

I read about 87-year-old Elizabeth Graber of Alfordville, Md., who has a grand total of 154 great-grandchildren. Seems their ages are 6 months to 20 years, and they are scattered from Indiana to Pennsylvania and from Mississippi to Canada. I guess, in a way, she will gain immortality through all her offspring.

I began to think about that and the fact that I have six children, who, if they all have six children, and then those 36 grandchildren each produce 6 children I can achieve immortality by being able to boast of 216 great-grandchildren.

However after looking over last week's finished product of the Santa Anna News, I believe I have hit upon a much simpler way of gaining my enduring fame.

To begin with there was, on the front page, an article about the Santa Anna Mountaineers going against Bangs in their season opener. In attempting to tell something about the team and their prospects for this football season it became necessary to continue the story on page 4. I knew this...but failed to tell you readers. No doubt, most of you probably finally found the "rest of the story".

Then there was the information about the City officials who attended a conference on garbage disposal and landfill woes. "The 24-hour security ruling" was left dangling in the air with no indication as to how it was to be solved. This was brought to my attention by a member of my family, who shall remain nameless, when he so cleverly asked, "Hon, where can I find the rest of this article?" Page 8, dear.

To add to the "goofs", we misspelled the name of one of our local ministers and then listed two "Northside Baptist" Churches in our *Attend the Church of Your Choice* advertisement. Oh, well, what can I say? Sometimes newspaper people make mistakes. Correction...lots of times, newspaper people make mistakes! Of course, everyone knows we only have one "Northside Baptist Church in Santa Anna. We also have one Northside Church of Christ. But at this time it pleases me to announce I can actually "pass the buck" on those two counts. Those goofs can be attributed to our advertising manager. So, there, girl, this one's for you!

And finally, at least I think so, there was the case of the picture caption that was reversed. I simply have to take credit, or discredit, (however you look at it) for that one. If I were a betting woman, I would have to bet most of you determined that Herbert Jackson was on the run with the football again as he probably will be for the next couple of months or so.

"How does all this merit you immortality?" you ask. Just think about it a minute, and while you're at it, remember that old cliché, "When I do something right, no one remembers; when I do something wrong, no one forgets."

Ahhh, immortality. I have it! Of course, I'm just kidding! We have the nicest readers anywhere and most have been absolutely marvelous with their support of the NEWS staff.

Stork Report

Bobby and Shelly Pritchard are proud to announce the birth of their first child, a daughter, Kelsey LaChelle. She arrived at 1:55 a.m. Sunday September 10, 1989 in the Brownwood Regional Hospital. She weighed 6 lbs. 15 ozs. and measured 19 1/2 inches long.

Grandparents are Mr. and Mrs. Edwin Hipsher and Mrs. and Mrs. Robert Pritchard, all of Santa Anna and Rondoe Smith of Carson City, Nevada.

Great-grandparents are Mr. and Mrs. Claude Langford and Ruby Box, all of Santa Anna, and Fern Taylor of Texarkana, Tex.

SOME PARTICIPANTS IDENTIFIED: The picture above was run in last week's edition of the NEWS, entitled "Followed Carrie's Example" and depicts Santa Anna ladies in the year of 1906 dumping whisky that had been shipped into the city by bootleggers and confiscated by the Sheriff's Department. We are told by Gwendolyn Walker that the picture later appeared in form of a postcard. Her mother, Mrs. Charles (Jennie) Oakes had one of the postcard versions and had made notations on it which identified some of the persons in the picture. They are: the man in the derby hat, Comer Blue, a

jeweler and watchmaker, brother-in-law of Mrs. Hardy (Mae) Blue; matronly lady standing with back to camera was Mrs. Ashley, grandmother of the late Darrell Ashley; the 3rd woman, wearing a white dress and bending over was Eron Boyd, a saleslady for W.R. Kelley Dry Goods, and a sister of Mrs. T.J. McCaughan. Several have mentioned to us they felt some of their kin were probably in on the event but were not identifiable in the photo. Seems there are still some Carrie Nation buttons and cards among the keepsakes of several local people.

Aluminum Cans Needed For "Cans For Cubs"

Help The City Landfill At The Same Time By Keeping Cans Out Of Garbage

You can help the Cub Scouts Pack 230 and your City at the same time when the Cubs begin today with their year-round fund raising project. The "Cans for Cubs" projects is hoping to get all citizens of Santa Anna involved in saving aluminum cans and donating them to the Cub Scouts.

The Pack appreciates the families who have already been contributing to this project and asks for the support of the rest of you in the community.

Cub Scout Registration Scheduled

Cub Scout Pack 230 will hold its annual Cub Scout and Tiger Cub registration night Monday, September 18 at 7:00 p.m. The registration night will be held at the Lions Club Building and all boys and parents are welcome to attend.

For the first year ever, each new boy registering will receive a patch to start his patch collection. It is hoped that all boys, grades 1 through 4, and their parents will be at this very important special meeting.

If you have any questions you may contact Troy Tomme, Cubmaster, at 348-3616.

News For And About Santa Anna Mountaineers

Gold Fever-Catch It!

Mountaineers trip up Bangs ball carrier, Torey Craddock, during last week's season opener. The Mountaineers will be in Rising Star Saturday night. (Photo by Derriel Warnock)

Liz Longoria

SAHS Citizen Of The Week

Liz Longoria, a senior at Santa Anna High School was named Citizen of the Week during assembly Monday, September 11.

Liz has assumed a great deal of responsibility in her role as editor and photographer for the annual staff," states Sandra Guthrie, annual staff sponsor.

During high school, Liz has participated in track, tennis, and band. She is the daughter of Mr. and Mrs. Israel Longoria.

Charles Dixon

SAHS Citizen Of The Week

Charles Dixon, a junior at SAHS was named Citizen of the Week at Santa Anna High School during assembly, Tuesday September 5.

Charles is a very courteous and well mannered young man who is very friendly and helpful to both students and faculty alike.

He is active in all school activities ranging from the County Livestock Show to the U.I.L. One-Act-Play. At the present, he is involved in varsity football.

Arlene Denning, school counselor, says, "We at SAHS are very pleased to recognize Charles for this honor." He is the son of Charles and Shirley Dixon.

Mountaineers Look Good Continued

for the Dragons and once again the extra point kick was good.

With the clock showing 2:44 before the half, Anthony Deal made a one-yard dash into the end zone to add Bang's third and final touchdown. Brian Northcutt Kicked the third extra point bringing the total points to 21 and that is where they stayed for the duration of the game

as the Mountaineer's tightened up on defense in the second half of play.

The Mountaineer's best yardage gainer for the game was junior halfback Herbert Jackson who moved the ball for 54 yards in 16 carries. He also caught three passes from quarterback Johnny Betts for an additional 24 yards.

Bangs finished the game with 220 yards on the ground and 71 in the air. Santa Anna had 123 yards

rushing and 29 passing. Santa Anna will travel to Rising Star Saturday night for what will be the Wildcat's Homecoming game to played beginning at 8:00.

Coach Dallas says the team and the coaching staff are very pleased with the turnout at last weeks game and hopes the fans will show up at Rising Star Saturday night to back the Mountaineers. According to Dallas, the teams are pretty well matched as far as size and capability and it could be anybody's ballgame. Both teams have the same number of men on the varsity squad and,

like Santa Anna, the Wildcats have to go both ways. It's always tough to play at the other school's homecoming and come out the winner, but if the fans will be there to show their support, they can expect to get their "money's worth" and more, from the Mountaineers.

Individual statistics for the Mountaineers show Johnny Betts ran the ball 11 times for 19 yards; Jackson 16 for 54; Michael Betts one for 14 yards; Alonzo Hernandez, 10 for 31; and Brady Rice 1 for 5 yards.

Tackle leaders were Scotty Ander-

son with 9 tackles and 4 assists; Johnny Betts, 8 tackles and 2 assists; Brady Rice 7 tackles and 2 assists, and one fumble recovery; Scot Valdez 5 tackles and 1 assist; Alonzo Hernandez 5 tackles and 3 assists.

Deans Named Boosters Of The Week

The Boosters of the week named by the Santa Anna Athletic Booster Club, are Roddy and Debbie Dean. They are the parents of Jason, a sophomore and member of the junior varsity Mountaineers, and Julie, a freshman and a varsity cheerleader.

The winner of last week's half-time drawing for \$5 was Bubba Jones. The next drawing will be Sept. 29, so get your membership in now. You must be a member to be illegible. Memberships are \$3 per person, \$5 per couple.

Next week only, the Boosters will meet at 7:30 due to open house at the school. Everyone is encouraged to attend the meetings held in the varsity lounge, Perry Gym.

ON YOUR FEET

Podiatrist DR. GENE NICHOLS

TAYLOR'S BUNION

Even if you've never sewn a stitch in your life, you still might find yourself with a painful and debilitating TAYLOR'S BUNION. This is a bunion which forms on the outside of the small toe. In more technical terms, it is an enlargement of the outside of the head of the fifth metatarsal bone. Frequently this occurs because the little toe is pointed in toward the foot, causing irritation to the enlargement. This area may also become red, hot, swollen, and extremely painful. Continued pressure on this area can also lead to the development of an ulcer or an infection.

There are numerous treatments and special footwear which can be used to lessen the

pain and discomfort of a tailor's bunion. However, to actually get rid of a bunion, you should see your podiatrist. In many instances, this can be accomplished through quick and painless office surgery. You will be back at your sewing machine, and working your treadle, in no time at all.

Whon News

By Mrs. Tom Rutherford

Mr and Mrs Thomas Rutherford of New Hampshire returned here Monday night following attending a convention in San Antonio over last week end. Visiting with us during the week were my grand daughter Deborah Smith of Abilene who came and was with us Wednesday afternoon. Her parents, Mr and Mrs Bob and Patsy Smith came and were with us during the week. With us on Sunday was Mr and Mrs Hilary Rutherford of Coleman and Mrs Bob Smith. Mr and Mrs Jack Cooper of Rockwood visited with us Sunday afternoon. Patsy (Mrs Bob) Smith was with us Sunday

night and returned home Monday afternoon. Patsy and Bob are assisting with the Fair in Abilene while in session. Mr and Mrs Thomas Rutherford left here shortly after dinner Monday and are with his sister, Mr and Mrs Rick Wheeler and daughters in La Grange this Monday night. They will leave by plane around 5 o'clock p.m. from the air field in San Antonio Tuesday for their home in New Hampshire. We were at the Loyd Rutherford home on Thursday night where we enjoyed grilled hamburgers.

Our place here in the community received 1 inch and 7 tenths of rain Saturday afternoon and 2 tenths Monday afternoon.

On Labor Day week end a triple Birthday Party was held on Saturday at the home of Mr and Mrs Amon Ots. They celebrated the birthday of Mrs Ots father, Mr Leon Griffin, which was September 1. Amon Ots Birthday was Sept. 3 and Mr Billy Griffin, father of Mr Bill McMillin, of Fort worth was Sept 4th. Others enjoying the day with the group were, Mr and Mrs Jim Reeves of Calleyville, Mr and Mrs Jody Payne of Coleman, Mrs Ots brother, Bryan and Don and Mary Salcide, employees on the Massy Ranch. On Labor Day, Mr and Mrs Amon Ots and Yancy and possibly others were with Mr and Mrs Jody Payne. A group went to the Coleman Lake and enjoyed an afternoon of Skiing.

Mr and Mrs Jamie Lee Morris and daughter were Saturday night guest of his parents, Mr and Mrs Floyd Morris. Mrs Morris reports they talked with their son, Joe Floyd, in Oklahoma city during the week. It was cold, 44 degrees, and raining in that part of the world.

Mrs Billy Lovelady and Juanita Minica visited with their sister Mrs Elva McDaniel in Brownwood on

Thursday, who was not feeling so well. Mr Lovelady was with her today, Monday, briefly.

Mr Danny Wheately was dinner guest of his grand mother, Mrs May McFarlin today.

Mrs Doris Ruth Stearnes of Brownwood has been in and out of the Lovelady home in Santa Anna this past week. They have been going to Hendrick Hospital in Abilene during the week to be with their aunt, Mrs Myrtle Roberson, who is doing very well. We wish her a soon recovery.

Mr Norman Floyd Morris of Brownwood visited his uncle Mr and Mrs Floyd Morris Saturday.

Mrs Chatman and Mrs May McFarlin were shopping and transaction business in Brownwood Saturday afternoon.

Jeffery and Jennifer Morris and Ken Brixey of Santa Anna visited with Mr and Mrs Floyd Morris during the weekend. The boys enjoyed fishing and reported good luck. Others to stop and chat with Mr

Morris during the week were Mr Leon Carter, Mr John Dockery and Mr Elec Cooper. Mrs Morris reports they really enjoyed each visitor.

Little Mr Yancy Ots spent

Wednesday at the "Kids Corner" in Coleman and really had fun.

Mr and Mrs Elec Cooper of Rockwood visited with Mr and Mrs Darwin Lovelady in Santa Anna Sunday p.m.

Mrs Birdie Miller and Mrs May McFarlin were in Coleman Thursday afternoon.

Mr Douglas Avant was on the farm her Saturday afternoon and he enjoyed watching the rain fall at Whon one more time. We received

1 inch 7 tenths during the rain. But the falling rain was very scattered. The Taylor ranch only received 3 tenths.

Alicia Lovelady of Brownwood visited with her grandparent, Mr and Mrs Darwin Lovelady Saturday afternoon. Her mother came for her later in the p.m.

Answering my phone tonight, Monday, I was muchly surprised to hear Mr Pete Rutherford voice who lives in the Dallas area. He was interested in hearing from relatives in this area he told me. Following the writing of the interview with the Abilene reporter at the Rockwood Home Coming, He was telling about little boys of the Rockwood Community riding the donkey. One of the late Mr and Mrs Arthur King daughters sent him a picture of Travis King on the donkey, which he cherished very much.

PUBLIC NOTICE

BRIEF EXPLANATORY STATEMENTS
OF PROPOSED

CONSTITUTIONAL AMENDMENTS

SPECIAL ELECTION

NOVEMBER 7, 1989

PROPOSITION NO. 1 ON THE BALLOT

House Joint Resolution 102 proposes a constitutional amendment that would increase the salary of members of the legislature to one-fourth of the Governor's salary and increase the salary of the Lieutenant Governor and the Speaker of the House of Representatives to one-half of the Governor's salary. The annual salary of members of the legislature, the Lieutenant Governor, and the Speaker of the House of Representatives is currently \$7,200. Under this provision, the annual salary of the Lieutenant Governor and the Speaker would be \$46,716, and the annual salary of members of the legislature would be \$23,358, based on the Governor's current annual salary of \$93,432. The increase for the Speaker and the members of the legislature would take effect when the legislature convenes for its regular session in January 1991. The increase for the Lieutenant Governor would take effect when the term of that office begins in 1991. The salary increase for the Lieutenant Governor would not make members of the legislature ineligible to run for the office of Lieutenant Governor.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment to limit the salary of the lieutenant governor and the speaker of the house of representatives to not more than one-half of the governor's salary and to limit the salary of a member of the legislature to not more than one-fourth of the governor's salary."

PROPOSITION NO. 2 ON THE BALLOT

Senate Joint Resolution 5 proposes a constitutional amendment that would authorize the Texas Water Development Board to issue an additional \$500 million of Texas water development bonds. The additional bonds are to be used as follows: \$250 million of the bonds are to be used for water supply loans and facilities acquisition; \$200 million of the bonds are to be used for water quality enhancement projects; and \$50 million of the bonds are to be used for flood control. The legislature may provide that \$100 million be used for subsidized loans and grants to economically distressed areas of the state for water and wastewater facilities.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment to authorize the issuance of an additional \$500 million of Texas water development bonds for water supply, water quality, and flood control purposes."

PROPOSITION NO. 3 ON THE BALLOT

House Joint Resolution 51 proposes a constitutional amendment that would authorize the legislature to provide for the issuance of general obligation bonds to provide money to establish a Texas agricultural fund, a rural microenterprise development fund, and a Texas small business incubator fund in the state treasury. The Texas agricultural fund would be used to provide financial assistance to develop, increase, improve, or expand the production, processing, marketing, or export of crops or products grown or produced in Texas by Texas agricultural businesses. The rural microenterprise development fund would be used to stimulate the creation and expansion of small businesses in rural areas. The Texas product development fund would be used to aid in the development and production of new or improved products in this state. The Texas small business incubator fund would be used to stimulate the development of small businesses in the State.

The principal amount of bonds outstanding at one time could not exceed \$25 million for the Texas agricultural fund and \$5 million for the rural microenterprise develop-

ment fund. The financial assistance offered by both funds could include loan guarantees, insurance, co-insurance, loans, and indirect loans or purchases or acceptances of assignments of loans or other obligations. To carry out the Texas product development fund, the legislature could authorize loans, loan guarantees, and equity investments, and the issuance of up to \$25 million of general obligation bonds for initial funding. To carry out the Texas small business incubator fund, the legislature could authorize loans and grants of money, and the issuance of up to \$20 million of general obligation bonds for initial funding.

Bonds authorized under this amendment would be paid out of the first money coming into the treasury in each fiscal year that is not otherwise appropriated by the constitution, less any amount in any interest and sinking account at the end of the preceding fiscal year that is pledged to payment of the bonds or interest.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment authorizing the legislature to provide for the recovery and further development of the state's economy, with goals of increasing job opportunities and other benefits for Texas residents, through state financing of the development and production of Texas products and businesses."

PROPOSITION NO. 4 ON THE BALLOT

House Joint Resolution 13 proposes a constitutional amendment that would authorize the legislature, by general law, to exempt from ad valorem taxes property owned by nonprofit veterans organizations that are chartered or incorporated by the United States Congress.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to authorize the legislature to exempt property of nonprofit veterans organizations from ad valorem taxation."

PROPOSITION NO. 5 ON THE BALLOT

Senate Joint Resolution 11 proposes a constitutional amendment that would provide an exemption from ad valorem taxation for goods, wares, merchandise, other tangible personal property (including aircraft), and ores (other than oil, gas, and petroleum products) if the property is acquired in or imported into the state and is destined to be forwarded out of the state, regardless of whether the intention to forward the property existed when the property was acquired or imported into the state, if it remains in Texas for 175 days or less for assembly, storage, manufacture, processing, or fabrication. The proposed amendment would authorize the governing body of a county, municipality, school district, or junior college district to prevent the exemption of this tangible personal property from taxation by taking official action before April 1, 1990. A county, municipality, school district, or junior college district could rescind a decision to tax the property, in which case the exemption would become effective in the year of the rescission and the property could not thereafter be taxed.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment promoting economic growth, job creation, and fair tax treatment for Texans who export goods to other states and nations by restoring and allowing, on a local option basis, an ad valorem tax exemption for certain personal property that is in Texas only temporarily for the purpose of assembling, storing, manufacturing, processing or fabricating."

PROPOSITION NO. 6 ON THE BALLOT

House Joint Resolution 4 proposes a constitutional amendment that

would enable the legislature to provide, by general or special law, that members of a hospital district board may serve terms not to exceed four years. Currently, hospital district board members' terms are two years.

The proposed amendment will appear on the ballot as follows:

"Authorizing the members of a hospital district governing board to serve four-year terms."

PROPOSITION NO. 7 ON THE BALLOT

House Joint Resolution 40 proposes a constitutional amendment that would change the format of the oath of office for officeholders in this state. All elected and appointed officers would be required to take an oath or affirmation swearing to faithfully execute the duties of office and to preserve, protect, and defend the constitution and laws of the State and the United States. In addition, each elected and appointed officer would be required to sign a sworn statement that he or she had not paid, offered, or promised anything of value for a vote or to secure appointment to an office, as applicable. The written, sworn statement would be filed with the secretary of state. The information in the statement is currently contained in the oaths of office taken by elected and appointed officials.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to require that a member of the legislature, the secretary of state, and an elected or appointed officer, before assuming office, sign a written oath stating that the member, the secretary of state, or the officer did not engage in bribery to obtain the office."

PROPOSITION NO. 8 ON THE BALLOT

Senate Joint Resolution 24 proposes a constitutional amendment that would allow the legislature to authorize the issuance of up to \$400 million in general obligation bonds. The proceeds of the bonds could be used to acquire, construct, or equip new corrections institutions, mental health and mental retardation institutions, youth corrections institutions, and state law enforcement facilities and to repair and renovate existing facilities of those institutions. The bonds would constitute a general obligation of the state. The bonds and interest on the bonds would be paid from the first money coming into the treasury that is not otherwise appropriated by the constitution, less any amount in a sinking fund at the end of the preceding fiscal year that is pledged to payment of the bonds or interest.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment authorizing the issuance of general obligation bonds for projects relating to facilities of corrections institutions, youth corrections institutions, and mental health and mental retardation institutions and for the expansion of statewide law enforcement facilities."

PROPOSITION NO. 9 ON THE BALLOT

House Joint Resolution 101 proposes a constitutional amendment that would authorize the legislature to pass laws to organize and combine state agencies that perform criminal justice functions. The legislature could combine into one or more agencies all agencies that have authority over the confinement and supervision of convicted criminals, that set standards for or distribute state funds to political subdivisions with authority over the confinement and supervision of convicted criminals, and that gather information about criminal justice administration. Agencies that could be combined would include the Texas Department of Corrections, the Board of Pardons and Paroles, and the Texas Adult Probation Commission. The amendment would also authorize the legislature to pass laws authorizing the appointment of members of more than one department of government to serve on the governing body.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment authorizing the legislature to organize and combine various state agencies that perform criminal justice functions."

PROPOSITION NO. 10 ON THE BALLOT

Senate Joint Resolution 6 proposes a constitutional amendment that would authorize the legislature to enact laws requiring or permitting judges to advise juries that a defendant convicted of a criminal offense can receive credit for good conduct that results in a shorter prison term and that eligibility for parole or mandatory supervision can also affect the length of time a convicted criminal serves in prison.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment authorizing the legislature to require or permit courts to inform juries about the effect of good conduct time and eligibility for parole or mandatory supervision on the period of incarceration served by a defendant convicted of a criminal offense."

PROPOSITION NO. 11 ON THE BALLOT

House Joint Resolution 102 proposes a constitutional amendment that would increase the per diem of members of the Legislature. The amount of per diem allowed during a calendar year would be equal to the maximum amount allowed for federal income tax purposes as of January 1 of that same year as a deduction for living expenses incurred by a state legislator. The per diem of \$30 would increase to \$81, which is the current maximum living expense deduction.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to set the amount of per diem received by a member of the legislature at the amount allowed for federal income tax purposes as a deduction for living expenses incurred by a state legislator in connection with official business."

PROPOSITION NO. 12 ON THE BALLOT

Senate Joint Resolution 53 proposes a constitutional amendment that would authorize the legislature to provide for the use of the permanent school fund and the income from the permanent school fund to guarantee bonds issued by the state for the purpose of providing loans or purchasing the bonds of school districts to acquire, construct, renovate, or improve instructional facilities. If the permanent school fund were required to make payment as a result of its guarantee of bonds issued by the state, the fund would have to be reimbursed immediately from the state treasury. The amount of bonds guaranteed by the permanent school fund could not exceed \$750 million unless a higher amount was authorized by a two-thirds vote of both houses of the legislature. If a school district were to become delinquent on a loan, the amount of the delinquency would be offset against other aid to which the district was entitled.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to provide for using the permanent school fund and its income to guarantee bonds issued by the state for the purpose of aiding school districts."

PROPOSITION NO. 13 ON THE BALLOT

House Joint Resolution 19 proposes a constitutional amendment that would provide a bill of rights for crime victims. This constitutional amendment would give crime victims the right to be treated with fairness and respect and to be reasonably protected from the defendant. On his request, the crime victim would have the right to notification of court proceedings, the right to be present at all public court proceedings unless a court determines that the victim's testimony would be affected by hearing other testimony, the right to confer with a representative of the prosecutor's office, the right to restitution, and the right to information about the conviction, sentence, imprisonment, and release of the defendant. The legislature would be authorized to enact laws to define the term "victim," to enforce the rights of crime victims, and to provide that certain public officers and agencies are not liable for a failure to protect a victim's rights.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment

providing a bill of rights for crime victims."

PROPOSITION NO. 14 ON THE BALLOT

Senate Joint Resolution 71 proposes a constitutional amendment that would require the district attorney in Fort Bend County to be elected and serve terms at the same times as criminal district attorneys in the state. Currently, criminal district attorneys are elected in gubernatorial election years and district attorneys are elected in presidential election years.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment requiring a district attorney serving in Fort Bend County to be elected and serve a term in the manner provided by general law for criminal district attorneys."

PROPOSITION NO. 15 ON THE BALLOT

House Joint Resolution 32 proposes a constitutional amendment that would authorize the legislature, by general law, to permit charitable raffles conducted by qualified nonprofit organizations. The amendment would require that the raffles be conducted, promoted, and administered only by members of the qualified nonprofit organizations and that the proceeds from the sale of raffle tickets must be spent for the charitable purposes of the organizations.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment authorizing the legislature to permit and regulate raffles conducted by certain nonprofit organizations for charitable purposes."

PROPOSITION NO. 16 ON THE BALLOT

Senate Joint Resolution 34 proposes a constitutional amendment allowing the legislature to pass general laws authorizing the creation of hospital districts upon approval of a majority of the qualified voters of the district. The amendment would also permit the legislature to authorize the creation of hospital districts by general or special law in counties with populations of 75,000 or less and to authorize the commissioners courts of such counties to levy ad valorem taxes and issue general obligation bonds for the support and maintenance of such districts.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment granting to the people the right to decide whether to create and maintain hospital districts to protect the public well-being in a manner independent of the legislature."

PROPOSITION NO. 17 ON THE BALLOT

House Joint Resolution 33 proposes a constitutional amendment that would allow the legislature, by general law, to authorize the use of public money to provide local fire departments and other public fire-fighting organizations loans or other financial assistance to purchase fire-fighting equipment and to aid in complying with federal and state law. The legislature would also be allowed to authorize the use of public money for scholarships and grants to educate and train members of these organizations. Part of the money could be used for administrative costs of this program. The legislature would provide for the terms and conditions of all such scholarships, grants, loans, and other financial assistance.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment authorizing the state to provide scholarships, grants, loans, and other financial assistance to local fire departments and other public fire-fighting organizations to purchase fire-fighting equipment, to aid in providing necessary equipment and facilities to comply with federal and state law, and to educate and train their members."

PROPOSITION NO. 18 ON THE BALLOT

Senate Joint Resolution 44 proposes a constitutional amendment that would repeal subsection (e) of Article III, Section 50-d of the constitution. Article III, Section 50-d currently allows the Texas Water Development Board to issue and sell Texas agricultural water conserva-

tion bonds in an amount not to exceed \$200 million, if two-thirds of the members of each house of the legislature approve. Under subsection (e), this authority will expire in November, 1989. Repeal of subsection (e) by passage of this amendment would continue in effect the authority to issue and sell the bonds.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to eliminate certain time limitations relating to the issuance of Texas agricultural water conservation bonds."

PROPOSITION NO. 19 ON THE BALLOT

Senate Joint Resolution 59 proposes a constitutional amendment that would allow local governments to invest their funds as authorized by the legislature. Currently, the constitutional prohibition against a grant of public money to an individual, association, or corporation or against becoming a stockholder in a corporation, association, or company prevents local governments from making some kinds of investments. This proposed amendment would allow local governments to make any investments authorized by the legislature.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to authorize local governments to invest their funds as provided by law."

PROPOSITION NO. 20 ON THE BALLOT

Senate Joint Resolution 16 proposes a constitutional amendment which, if passed, would abolish the office of county surveyor in Cass, Ector, Garza, Smith, Bexar, Harris, and Webb Counties. A majority of the voters in an affected county must vote in favor of this proposed amendment before the office is abolished in that county. If the office of county surveyor is abolished in any of these counties, the powers, duties, and functions of the office are transferred to a county officer or employee designated by the commissioners court of the county in which the office is abolished.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to abolish the office of county surveyor in Cass, Ector, Garza, Smith, Bexar, Harris, and Webb Counties."

PROPOSITION NO. 21 ON THE BALLOT

Senate Joint Resolution 74 proposes a constitutional amendment that would authorize the legislature to enact laws authorizing the Texas Higher Education Coordinating Board or its successor to provide for, issue, and sell an additional \$75 million in general obligation bonds as college savings bonds. The form, terms, and denominations of the bonds would be prescribed by law. The interest rate and installments would be prescribed by the Texas Higher Education Coordinating Board or its successor. The maximum net effective interest rate would be set by law. Proceeds from the sale of the bonds would be credited to the Texas opportunity plan fund, which is used to make loans to students to attend institutions of higher education in Texas. The bonds and interest on the bonds would be payable from the first money coming into the treasury in each fiscal year that is not already appropriated by the constitution, less the amount remaining in the sinking fund at the close of the prior fiscal year.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment providing for the issuance of general obligation bonds as college savings bonds to provide educational loans to students and to encourage the public to save for a college education."
