## For Your Information

### PO & Bank Closed Monday

The Post Office and bank will be closed Monday, Feb. 19, in observance of Presidents' Day as will most other federal government agencies.

### Time To Purchase School Annuals

Now is the time to order your school annuals, says annual staff sponsor, Sandra Guthrie. The yearbooks are priced at \$20, a real bargain; the only thing we can think of that has gone down in price from last year. They may be purchased from any annual staff member or you may contact Mrs. Guthrie from 8:00 to 8:45 a.m. at the high school or from 1:30 to 3:30 p.m. She may be contacted at home after that time.

### Voter's Rights

Some Coleman County candidates filed for office by petition rather than pay the filing fee. Voters who signed a petition are under no obligation to vote for that candidate, according to Baker Rudolph, County Democratic Chairman. However, those voters who did sign the petitions are obligated to vote in the Democratic Primary, Rudolph explained. The primary election will be held March 13, 1990.

CELESTE SIMMONS

### Congratulations!

Celeste Simmons, daughter of Barbara Simmons of Santa Anna and the late Earl Simmons, was a December graduate of Texas A&M University, receiving a Bachelor of Science Degree in Civil Engineering.

A 1979 graduate of Santa Anna High School, Celeste had earlier obtained a degree in Engineering Technology, also from A&M. She was employed by an engineering consulting firm before returning to school for her second degree. She is presently employed in the engineering department at the university.

## Freese Dam Has Been Completed Impoundment Begins In About A Month At Lake O.H. Ivie

Ivie Reservoir, better known to most of us as Stacy Reservoir and dam, a name that has been used since construction began, will soon be a reality.

The Freese Dam at Lake O.H. Ivie was officially topped of last Tuesday with several dignitaries on hand for the historical event which marks a major accomplishment for this parched West Texas area.

O.H. Ivie, general manager of the Colorado River Municipal Water District, the man for whom the 554,00 acre ft. lake was named and other district officials were there

for the big day. Included among the officials were Lee B. Freese of Fort Worth, son of S.W. Freese, for whom the dam was named.

A hefty mountain cedar was plunked in the hole at the control tower in the center of the dam near the old river bed to signify the last load of more than eight million cubic yards going into the two-mile long structure spanning the Colorado River.

Warren Samuelson, Austin, head of the dam safety division for the Texas Water Commission,

checked the facility, including raising and lowering the six gates, and gave a verbal approval of the project.

Only shape-up and clean-up work remains to be done for final completion, according to Bob Laursen, project manager for Brown & Root, USA, general contractors for the \$65,000,000, plus, job. Laursen estimated that this will be finished by the end of the month, and within the first fortnight of March all equipment will move out. Impoundment is set to begin March 15.

### Practice Games On Tap For Boys

## SAHS Girls Play Cherokee Friday For Bi-District

The Lady Mountaineers of Santa Anna will meet Cherokee at Brownwood High School Gymnasium Friday night in a bi-district clash. The game is set to begin at 7:00. Admission will be \$3 for adults and \$1 for students.

The Ladies earned their berth in the playoff by downing Panther Creek last Tuesday night and avoiding a possible playoff for the first place spot in the girl's division.

The SAHS boy's team will play a practice tilt against Throckmorton Thursday night of this week at Cisco, 6:30. A practice game with Lingleville at 7:00 Monday night will also be at Cisco. Their bi-district game is scheduled for Friday of next week. The Mountaineers are presently awaiting the outcome of playoff games between Lometa, Cherokee and Lohn who

are in a three-way tie for first place. The Mountaineers will meet the eventual district champion who emerges from those playoffs.

In practice games against Knox City last Friday night the Mountaineers pulled out a victory by outscoring their opponents 21-12 in the final period and took a 59-52 win. Alex Frausto led Santa

Anna in scoring with 23 points. Adding double figure support were Johnny Betts with 11 and Scotty Anderson with 10.

Knox City downed the SAHS girls 49-40. Shannon Brown was the leading scorer for the Lady Mountaineers with 12 points. Delia DeLeon was also in the double figures with 10 points.

Results of last week's championship games against Panther Creek may be found on page 4.

## Business Here Was Up In December

### According To Sales Tax Figures

According to a report received this week from State Comptroller Bob Bullock, business in Santa Anna was better this last December than in the same month of 1988. This is reflected in the sales tax figures reported for December. Santa Anna showed an increase of 20.39%.

Coleman's rebate was down from last year by 11.54% and the county figure was down by 8.56%. Bullock

last week sent out checks for sales tax rebate to cities and counties across the state, and commented, "This month's total is the second highest rebate in the state's history with last February's payments setting the state's record."

The rebates sent out reflect sales tax collected in December and reported in January. The state keeps its 6% share each month and sends counties and cities their share.

WILLIAM (BILL) MARTIN, left, of Santa Anna, a consultant in dairying and grain farming is shown as he recently received an achievement award from Dr. Zerle Carpenter, director of the Texas Extension Service. The award was presented for the successful completion of the Texas Agricultural Leadership (TALL) Program, which provides two years of special leadership training in agriculture.

### Absentee Voting Begins Wednesday

Absentee voting will begin February 21 and run through March 9 for the primary election. You may cast absentee ballots at the County Clerk's office or write for a ballot to be sent to you.

According to County Clerk Glenn Thomas, only those 65 years

of age or older, disabled, ill, or who plan to be absent from the county at election time may cast an absentee ballot by mail in the primaries.

Elsewhere in this paper is a form you may send in for obtaining a ballot by mail.

### James Ford Assembly of God Church

#### THE BIG LIE

Gen.:3-1-5—"Now the serpent was more subtle than any beast of the field which the Lord had made. And he said unto the woman, Yea, hath God said, Ye shall not eat of every tree of the garden? And the woman said unto the serpent, We may eat of the fruit of the trees of the garden; but of the fruit of the trees which is in the midst of the garden, God hath said, Ye shall not eat of it, neither shall ye touch it, lest ye die. And the serpent said unto the woman, Ye shall surely die; for God doth know that in the day ye eat thereof, then your eyes shall be opened, and ye shall be as Gods, knowing good and evil."

The serpent, or the devil, tried from the very beginning to misdirect man and keep him from doing God's will. He used the tactic of the 'Big Lie'. He has never been ashamed to tell a lie. Eve knew what God had said but he changed her thinking by changing God's Word. Just a little but enough to change the whole meaning. He made it sound too good. He made Eve desire to do what God had said not to do.

He has used the same tactic ever since. He tried to get Jesus to fall for the same tactic by coming to him when he was hungry and tired, by telling him, "If thou be the Son of God, command these stones to be bread." But Jesus came back with the Word of God, "It is written, Man shall not live by bread alone, but by every Word that proceedeth from the mouth of God."

Next he tried to tempt Jesus with the challenge to prove what Jesus already knew, that He was the Son of God. He told Jesus to cast himself down from the pinnacle of the temple so the angels could catch him. Again Jesus answered with the Word, "It is written thou shalt not tempt the Lord thy God."

Next he tried to tempt Jesus with power and prestige. He showed Him the whole world and promised Him it, if he would only fall down and worship him, but Jesus answered him by saying, "It is written, Thou shalt worship the Lord thy God and only Him shalt thou serve."

I really liked the way Jesus said, "Get thee hence." When we are tempted we need to learn to get away from the things that are bothering us. Do not allow him to continue to tempt you. We need to learn that Satan still uses the 'Big Lie'. He use it on Eve. He used it on Jesus. He will use it on you. The devil is a liar and the father of liars but God is Truth. We have a choice. We can listen to the lies or we can listen to the truth. Most, if not all of our problems in town, country, and the world are caused by listening to the lie.

John 10:10 says, "The thief (or devil) cometh not but for to steal and to kill and destroy. I come that they might have life and have it more abundantly."

Who are you listening to today? One is a lie. One way is the truth. God's Word is truth. Let us all get in the Word and go to church and show others we will not swallow the Big Lie but live for Jesus, our Saviour.

## Around & About

Tom and Barbara Kingsbery were in Mineral Wells Saturday to visit his aunt, Mrs. Lee Woodward, and with Janet and Mike Holland.

A new resident in our community is Rev. Don Elrod's aunt, Vauda Hill. She recently moved here from Coolidge where she had lived the past 60 years. She is residing in an apartment on Ave. B.

Derriel and Polly Warnock spent the weekend at Abilene State Park, camping and hiking, enjoying the beautiful weather and their hobby of photography.

David and Betty Key recently spent a weekend visiting their daughter and family, Linda and Gary Miller, Alesha, Jeremy and Michelle, in Snyder. Returning home they stopped off in Abilene to visit Betty's father, Clarence Jordan.

### Nutrition Program Menu

The Nutrition Program of Santa Anna serves lunch every Monday, Wednesday and Friday at 11:30 in the Civic Center (Armory). Everyone over 60 years of age is invited. Meals are paid for by voluntary donations. Cost of serving each individual meal is approximately \$1.25.

Library Notes  
Check It Out

by Alice Anna Spillman  
Did you forget someone on Valentine's Day? Now is a good time to buy a book. A check at bookstores turned up more ideas. There are lots of book sales! Special little books for 'your love' would be treasured forever.

If the recipient of your gift is too busy to sit and read, travels a great deal, or has poor eyesight, consider one of the newest cassettes. These cover the very latest books and are read by well known actors. Three titles that sound especially interesting are: **The Pillars of the Earth** by Ken Follett, **The Oldest Living Confederate Widow Tells All** by Allen Gurganu, and **California Gold** by John Jakes. Costs run about the same as hardback books.

The library has received more gifts of books. What fun it will be to search the shelves of the new library, thanks to our generous friends.

The San Antonio Connection has been busy again. Dr Carol Ledbetter and Ms Joan Ledbetter sent many boxes of books. One little jewel was **Sonnets Form the Portuguese** by Elizabeth Barrett Browning. Last week this was a suggested valentine. I just read it again and I believe everyone should do themselves the same favor. One of the most complete collections of Brownings works is at Baylor University. You should visit it someday.

Other books among these gift boxes are beautiful art books. We hope to frame some of the prints. There are history books from Christopher Columbus to the Kennedys. There are craft books, cook books and medical titles. If you need something on hypertension, diabetes, or drug addiction, we will have it available.

Mrs Edna Garza of Escobedo sent the last couple of years of the National Geographic. Our local friend Anita Beal also brought us this years copies of these. Our library has many years of Geographics. Some cold day spend some time traveling the earth with these magazines.

From the Gary Miller family in Snyder comes cook books, art books and children's books.

Our friend Carol Herring continues to pass along paperback books. Many of our readers prefer these because of ease in handling. The library appreciates new ones for our regular readers.

If you have taken books to the library or even given them to me in one of my unconscious moments, I may not have written them up. Please remind me so I can pass the word to our readers.

### Public Is Invited To Political Forum At Courthouse Thursday

The Coleman County Chapter of MADD (Mothers Against Drunk Drivers) is holding a candidate forum Thursday, February 15, at 7:00 p.m. in the second floor courtroom of the Coleman County Courthouse.

Candidates for the offices of County Judge and Justice of Peace have been invited to participate in the question and answer session pertaining to the issues of DWI, public intoxication, and other

related offenses. Questions will be furnished by the audience to a panel made up of members of the news media of Coleman County. The panel will address the questions to the candidates.

MADD feels this forum will give the candidates an opportunity to let the public know where they stand on these vital issues which effect so many lives on a daily basis, and sincerely urge the candidates and the public to attend this informative event.

### Local People Attend District-wide Methodist Church Growth Conference At B'wood

Methodists from over the Brownwood District of the Central Texas Conference met recently at Brownwood Central United Methodist Church for a district-wide Church Growth and Development Conference.

The purpose of the Church Growth and Development program is to raise funds for developing new churches and to help existing churches in revitalization programs. Fifteen thousand members were gained in the Central Texas Conference during this past decade.

During the meeting Bishop John Russell said, "We live in one of the growing areas of our country and the persons represented in this growth pattern need to hear the Good News of Christ and experience spiritual growth if life is to be meaningful. Our church has responded by starting new churches. Now, we celebrate a remarkable growth. We must continue the splendid ministry we have begun."

Rev. Charles McClure, district superintendent of the Brownwood District introduced speakers for the program. Two pastors from a couple of the new churches started through help from the Church Growth and Development Program told of some very interesting experiences. They were Rev.

### Pastor Leads Program For Presbyterian Women's Study

The Presbyterian Women's Study group met on Wednesday, February 7 for their regular monthly session of study in "Design For Discipleship."

Jasper McClellan, pastor of the Presbyterian church led the study of the chapter on "Our Hope in Christ."

Those in attendance were Veva McClellan, Claudine Keeney, Era Walters, Nell Myers, Joan Allen, Pat DeWitt, Louise McCaughan, Gayle Stewardson, Janet May, Lera Guthrie, Jean McClellan, Mary Lela Clifford, Alice Anna Spillman, Charlotte Wojcek and Mary Frances Williams.

Richard Hetzel from Lake Brownwood United Methodist Church and Rev. Vaughan Baker of St. Andrews U.M.C. of Arlington. Baker pastored the Santa Anna Methodist church about seven years ago.

The group was entertained by the Jordan River Jubilee of First U.M.C., Brownwood.

Local people attending the conference included Rev. Don Elrod, Faye Mobley, Margaret Ann Mobley, Mr. and Mrs. Thomas M. Hays, and Mr. and Mrs. Jerry Ellis. The group met at a Brownwood restaurant for dinner before attending the conference.

### Fideles Class Meets In McCary Home

Mrs. Frank McCary was the hostess for the February meeting of the Fideles Sunday School class of First Baptist Church on Wednesday, February, at her home.

Carmen Donham, a guest from the Dorcas Class, presented the program and also shared project ideas and goals from her class group.

Cards were sent to members and others who are ill, and the ladies enjoyed refreshments and visiting during the afternoon.

Attending the meeting were the ones mentioned and also Rose Bass, Delinda Smith, Wilmoth Russell, Bettie Henderson, Lora Russell, Linnie Bartlett, Gladis Barnes and Alta Bengé.

### Coleman County Literacy Council Is Formed

It has been determined that one in five people living in Coleman County is functionally illiterate.

The Newly formed Coleman County Literacy Council has set its goal to help alleviate this situation by promoting, expanding and coordinating literacy efforts in existence in the county by identifying, recruiting and tutoring adults who need help with reading skills.

A bake sale on February 2nd raised funds to help the council support these goals. The sale was a success due to valuable assistance appreciated and from individuals, clubs and businesses.

County officers are: Vena Bob Gates, chair-person; Scott King, vice-chairman; Athena Bean, secretary; Karen Morris, treasurer.

Members of the council include Thelma Brooker, Adela Flores, Clem Autry, Lena Scott, Andres Gonzales, James McSwain, Dr. Skip Casey, and Connie Jaurequi.

### County ASCS Committee Named

The County ASCS office has announced that positions on the County Committee remain the same with Tommy Connelly, chairman; Barry Wilson, vice-chairman; and Wendell Rice, member.

Community B committee members recently elected are Rankin McIver, chairman; Joe W. Wise, vice-chairman; and James Steward, member.

### Successful Rockwood Rally Brings Out Politicians

Reporting from Rockwood, Bettie Duus says a very good crowd was on hand Saturday night for the big candidate rally held there at the community center. "There was an abundance of good food, fellowships and politics," she added. Mayor Pro-tem Roy Gardner of Coleman began the evening with a welcome and a prayer.

Following the covered dish meal, Baker Rudolph, county Democratic Party Chairman, served as master of ceremonies. County officials recognized, although not running for office this year, were Sheriff Wade Turner, County Tax Assessor Billie Baker, County Commissioner Precinct 1 Jack Strickland, and Commissioner Precinct 3 Vernon Slate.

Each candidate for office was then introduced to the audience. Those candidates attending were: for District Clerk, Louise Thompson; County Treasurer, Barbara Freeman; County Judge, W.W. (Pete) Skelton and Charlie Hunter; for County Clerk, Glenn Thomas and Jo Dean Chapman; County Commissioner Precinct 4, Max Horne and Gerald Wilson; Justice of Peace, Jaunita Jackson, Bob Burleson, Tim Walker, Rodney Musick, and Wally Dobbins; County Commissioner Precinct 2, Eddie Jones, Billy McCrary, Don Bble, Jerry Ellis, D. Carroll Holt, W.F. Fenton III, and Bruce Estes.

Everyone enjoyed meeting the candidates and hearing their comments.

ENGAGEMENT ANNOUNCED: Marylene Michele Haynes and Bobby Ray Simpkins, Jr. plan to marry Saturday, February 24 at Temple Baptist Church in Odessa, Texas with the Rev. Jerry Thorpe officiating. The bride-elect is the daughter of Jerry & Donna Haynes of Odessa and the granddaughter of Ilene Haynes of Hermleigh, formerly of Trickham, and the late Fred Haynes. She is a graduate of Permian High School in Odessa and attends the University of Texas of the Permian Basin. She is employed by Scott Sanford, M.D. Her fiance is the son of Bob and Joy Simpkins of Odessa. He is a graduate of Permian High School and is employed by Phillips Petroleum Company.

### MY STATEMENT TO ALL COLEMAN COUNTY CITIZENS

Coleman County is my home and I am very much interested in doing my part to help Coleman County. I feel that I can do this best by serving the public of this great county in its government. Since I have 6 1/2 years experience at the District Court level, I have acquired some familiarity with county government operations.

After giving it much thought and careful consideration, I decided to become a Democratic candidate for County Clerk of Coleman County. This is my first time to ask for a political office. I would not ask if I did not have full confidence that I could manage the job as efficiently as possible, to serve the needs of anyone that has business or interest in this office.

I am not running "against" anyone. I NEED THE JOB and the future it offers. I do not ask you for a "position," but I do ask you for the opportunity to be your "working" County Clerk, so that I can help you when you need this office. This would be my responsibility to you as YOU are the employers. I will not ask a co-worker to perform any job that I would not be willing to do myself.

This is YOUR office and you deserve COURTESY, CONCERN, PROMPTNESS, CONFIDENTIAL and QUALITY SERVICE. You DESERVE your tax dollars to be spent in the most economical manner, to serve you, which would be my goal and obligation to you.

I can work with the Commissioners' Court (all elected officials) and employees of the various offices. An elected official has a responsibility to represent the County in a manner that all citizens can be proud of their county government.

I am a high school and vocational college graduate and have taken continuing adult education courses. I have been a secretary, bookkeeper, accountant and involved in various phases of farm and ranch operations since I was a teenager.

My last 6 1/2 years EXPERIENCE working with District Judges, the public in their many needs with the District Clerk's office (as the only deputy in this office) in routine, happy and sad situations, confidential matters, working both civil and criminal cases, petit juries and grand juries, reports, banking, many attorneys, etc., and all the many varied duties with the District Court, will be an added benefit in performing many of the County Clerk's duties.

Our grandchildren are our families' fifth generation to live in Coleman County. I was born in the rock house on the curve at the foot of the Santa Anna Mountain. My parents are Cecil and Myrtle Jo Smith of Coleman. Coleman has been my lifetime choice as the #1 place to live.

My husband, Corky Chapman, and I, being lifetime residents of Coleman County, are very interested in doing our part for our County. Corky served as Coleman County Sheriff for 8 years.

I humbly ask you for the opportunity to serve you as your next County Clerk. I need the job and in return for your support in electing me, I have much to offer in public service. If I miss contacting you personally to ask for your vote and consideration, please accept this as my personal plea for your vote to employ me as your County Clerk.

My most sincere thanks and appreciation,

## Time To Purchase School Annuals

Now is the time to order your school annuals, says annual staff sponsor, Sandra Guthrie. The yearbooks are priced at \$20, a real bargain; the only thing we can think of that has gone down in price from last year. They may be purchased from any annual staff member or you may contact Mrs. Guthrie from 8:00 to 8:45 a.m. at the high school or from 1:30 to 3:30 p.m. She may be contacted at home after that time.

## SAHS Takes District 29-A

A couple of basketball thrillers took place at Panther Creek last week in the games that ultimately decided the championships for District 29-A. The SAHS girls and boys took it all and were both declared undisputed champions of their divisions in 29-A basketball. The girls finished district play with a 4-2 record and the boys with an unblemished 6-0. The Panther Creek boys are the number two team of the district with a 4-2 record. Panther Creek and Novice girls were to meet in a playoff to decide the number two team in the girl's division of the district.

### SAHS Girls 30 Panther Creek 25

Santa Anna girls squeaked by Panther 30-25 in the title match-up. In fact, the teams were tied at 14 at halftime and Panther Creek outscored the Lady Mountaineers by three points in the third period to lead going into the final period, 23-20. Santa Anna was able to come up with 12 points on the board in the final quarter of play while Panther Creek could only find the basket for 2 points. Santa Anna finished with a five

point margin with Shannon Brown leading in scoring with 15 followed by Della DeLeon with 12. Eva Frausto also contributed to the scoring for Santa Anna.

### SAHS Boys 54 Panther Creek 51

It looked for a while like the Mountaineers might be headed for a playoff for the first place spot as Panther Creek finished the first three quarters in the lead in the boys game. They scored 14 points in each of the first three periods to hold a four point lead going into the fourth and final period of play when they added another 9 points. The Mountaineers put 12 points on the board in the first period, 11 in the second, 15 in the third, and managed to outscore their opponents by seven in the final quarter earning the victory and the district title.

Three Mountaineers hit in the double figures. Garry Keas finished with 17 points for the evening, Johnny Betts had 13 and Scotty Anderson 10. The Mountaineers also got some points from Herbert Jackson, Mike Taylor and Charles Dixon.

## National FFA Week To Be Observed 17-24

FFA members all over the country will promote FFA, agricultural education and the food and fiber industry during National FFA Week, Feb. 17-24th.

FFA members in thousands of chapters across the U.S. and in the District of Columbia, Puerto Rico and the Virgin Islands will be having activities to create an awareness of and support for agricultural education and the FFA. This year's theme is FFA—Leading the Challenge.

According to local sponsor Norman Fryar, the SAHS chapter of FFA has not planned anything in particular to observe the week other than to talk about and stress the importance of agriculture in our nation and especially in our area.

Agricultural education classes stress hands-on experience in diverse areas of agriculture. FFA ac-

tivities provide leadership development, career training and award incentives for young people.

Each year FFA Week is held during the week of George Washington's birthday to recognize his leadership and commitment to American Agriculture. The National FFA Center is located on part of Washington's original Mt. Vernon Estate near Alexandria, Va.

FFA is a national organization of 397,115 students in 7,705 local chapters preparing for agricultural careers. FFA activities and award programs complement instruction in agricultural education by giving students practical experience in the application of agricultural skills and knowledge gained in classes. Developing agricultural leadership, cooperation and citizenship is FFA's major objective.

## \$1500 Scholarships Available For High School Seniors

Seniors graduating this spring from public or private high schools in Texas have until Thursday, March 15, to apply for a \$1,500 college scholarship under the Robert C. Byrd Honors Scholarship Program administered by the Texas Higher Education Coordinating Board.

The Coordinating Board will authorize 390 scholarship awards totalling \$585,000 for the 1990-91 school year.

Students who obtain a GED certificate, equivalent to a high school diploma, before March 15th are also eligible to apply.

The federally funded Robert C. Byrd Honors Scholarship Program recognizes students who show promise of outstanding academic achievement in college. Selection is based on high school grade point average, college entrance examination scores and graduating class rank. The \$1,500 scholarships are applied toward the first year of college study and are not renewable.

Students interested in this program should contact their high school counselor or local GED centers. Each high school or GED center can submit a maximum of three applications for Byrd scholarships.

Applications must be postmarked by 5 p.m. Thursday, March 15th and sent to: Robert C. Byrd Scholarship Program, Division of Student Services, Texas Higher Education Coordinating Board, P. O. Box 12788, Capitol Station, Austin, Texas 78711.

In 1989, the Board received more than 1,700 applications and awarded 341 Byrd scholarships.

Students who apply for a Byrd scholarship are automatically considered for the Governor's Recognition Award Program, a state effort to recognize students with high academic credentials who do not receive Byrd scholarships. While the Governor's Recognition Award does not include a scholarship, selected students will receive a certificate signed by the Governor.

## Novice Too Much For Junior High Boys; SA Girls Win

Glen Donham shot through the hoops for 16 points against Novice at Perry Gym Monday night but it along with 10 points from Carlos Garza and other points contributed were simply not enough to overcome the shooting of the Hornets in the last game of the season for the Junior Mountaineers. Novice won the game by a score of 55-34.

Charles Williford, Manuel Frausto and Bryce Ellis also put points on the board for Santa Anna.

Santa Anna scored 7 points in the first quarter, 6 in the second, 11 in the third and 12 in the fourth period of play.

Novice scored 19 in the first, 11 in the second, 12 in the fourth and 11 again in the final quarter to beat the Junior Mountaineers by 21 points.

The Santa Anna Jr. High girls won over Novice 16-13. They end the season with a 5-9 record.

In Monday's game, Santa Anna Jr. Mountaineers scored 2 points in the first quarter, 7 in the second quarter, 3 in the third quarter and 4 in the final quarter. Scoring for Santa Anna were Christy Beal with 9 points, Becky Simmons with 6 points and Lana Harvey with 1 point.

Novice scored 4 points in the first quarter, 4 in the second quarter, 0 in the third quarter and 5 in the last quarter.

Coach Debbie Nichols said, "The girls played the best game of the

season. The offense went to the basket, and the defense moved and rebounded better that we have been."

Junior High will take to the track field now with their first meet against Goldthwaite on March 2-3.

**Beware The "Africanized" Bees If You're Allergic To Bee Stings**

Perhaps as early as March, the first arrivals of the so-called "killer" bees are expected to cross the Rio Grande into Texas. But, according to the Texas Department of Health (TDH), their migration to the U.S. will probably be much less dramatic than some media and fiction writers have depicted.

Bobby Davis, an entomologist and director of the TDH General Sanitation Division, explained that the insects may pose an increased danger to individuals who are highly allergic to bee stings, but should not be considered a hazard to most people.

"We want the public to know what makes the AHB (Africanized honeybee) different from other bees. We also want to caution people who are allergic to insect stings that bee stings can be fatal," Davis said. Two or three Texans, stung by common honeybees, die each year.

Davis explained that the AHB is a hybrid species, a cross-breed between common European honeybees and a more aggressive African species. The African bees were accidentally released in Brazil about 30 years ago. Even to scientists, the hybrids look almost identical to common honeybees, but their behavior can be drastically different.

"What concerns us most about AHB is that it is more likely than other bees to attack and sting in large numbers if anyone threatens its colony or swarm. Although the venom of Africanized bees is no more toxic than that of other honeybees, the number of stings of a person might suffer may be much greater. If the person is already allergic to bee stings, or if he is stung by large numbers of bees in a swarm, it can be fatal." Hence the name, "killer" bees.

Davis said he thinks the name "killer" bee is a misnomer. "They are hard-working honeybees, and if you don't disturb their colonies, chances are they won't bother you."

As many as 10 deaths in Mexico may have resulted from AHB stings in the past four years. Other Central and South American countries have recorded increased bee sting deaths as the AHB swarms have spread northward from Brazil.

Another characteristic of AHB is its tendency to abscond—to separate into new swarms to start new colonies. "Whereas most common honeybees are content in beekeepers' hives, the AHB swarms sometimes seek more unlikely places to hide, such as old barrels, vacant buildings—nearly anything that offers shelter. That creates the danger that someone might stumble upon them," Davis said.

Davis said that the most likely persons to have serious problems with the Africanized bees are beekeepers and farmers, particularly in the Valley, where nearly all crops are dependent upon bee pollination. "Beekeepers are going to have to be wary of having their hives taken over by AHB, and some of them who may be lax in wearing protective clothing are going to have to be more careful. Farm workers are going to have to watch for wild swarms, and take care not to provoke them."

Davis added that young children and the elderly, who might not be able to move quickly, especially should avoid these bees. "We advise that anyone who finds a wild bee colony, should contact the local health authority or an experienced beekeeper to make sure they are removed or destroyed safely."

**ON YOUR FEET**  
Podiatrist DR. GENE NICHOLS

**CAUTIONS FOR DIABETICS**

If you are diabetic or if there is a history of diabetes in your family, physical exams at least once a year are recommended. This should include examination of your feet. One of the most serious hazards of this disease is the decrease in sensitivity to pain and other sensory perceptions. A diabetic may injure him or herself without being aware of it. Any neglected injury (including injuries to the feet) may have serious consequences.

You should examine your feet every day to see if there are signs of bruises or other abnormalities, such as ulcers and other conditions in which infection is present. If you have a corn, callus, or wart, don't try to treat it yourself. Leave foot care to your podiatrist, and see him as often as he recommends. Avoid over-the-counter medications unless your podiatrist has prescribed them.

Many medical advances have improved the care and prospects for those suffering from diabetes. But one thing has not changed, and that is the need for frequent physical exams to protect your body's health, including your feet.

By Mrs. Tom Rutherford

Mr Amon Otts left early this Sunday morning to go to Throckmorton for the day. His wife, Mrs Marcy Otts and son Yancy are with her parents, Mr and Mrs Leon and Billy Griffin of the Gouldbusk area for today. Amon will be checking on his grandparents.

Saturday was a very nice day for Jeffery Morris. His grandmother prepared a nice birthday celebration and birthday dinner for him. His dad, Mr Joe Floyd Morris of Oklahoma City came to the home of his parents, Mr and Mrs Floyd Morris on Friday to be with the family on this date. Present for the day were his sister Jannette, John David Morris and Jeffery's friends, Ken Brixey and Bobby Watts. Also Janet Morris was present during the day.

Doris Ruth Stearnes of Brownwood visited Friday with Mr and Mrs Darwin Lovelady. In the afternoon Mrs Stearnes and Mrs Lovelady visited with their aunt, Mrs Myrtle Roberson at Ranger Park Nursing home.

Mr and Mrs Amon Otts and Yancy along with other members of the Griffin family went to the home of their grandparents, Mr and Mrs Lesly Griffin of the Fisk Community and all celebrated Mrs Lesly Griffin's birthday.

Mr Douglas Avant of Brady was on the Avant farm Saturday afternoon here and drove to Santa Anna to see his mother, Mrs Pearl Avant before returning to Brady.

Mr and Mrs Elec Cooper of Rockwood visited with Mr and Mrs Darwin Lovelady in Santa Anna late Friday afternoon.

Mr and Mrs Floyd Morris attended memorial services for Mr Louis Cowan of Melvin, whose service was held in a Brady Funeral Chapel Wednesday afternoon. Burial followed in the Melvin Cemetery where he lived. Mr Cowan was an old acquaintance of Mr and Mrs Floyd Morris and the father of Mrs Norman Floyd (Alice) Morris of Brownwood.

Todd Rutherford who is employed in Brownwood visited his father Mr Loyd Rutherford Wednesday night. They came over and were with me till bed time.

Mr and Mrs Don Fitzpatrick of Abilene were guest of his parents, Mr and Mrs Graham Fitzpatrick during the week end and they visited with Mr and Mrs Amon Otts and Yancy late Saturday afternoon.

Mr Hilary Rutherford of Coleman

was with me on the past Saturday.

Mr Charles Hill of Blooming Grove and his brother, Mr George Hill of Waldrip visited with Mr and Mrs Graham Fitzpatrick Wednesday afternoon.

Mr Darwin Lovelady was to see his doctor at the Veterans Hospital in Kerrville on Monday and he received a good report.

Mrs Janie Morris was in Brownwood on Thursday. She drove by Bangs and visited with Mrs Clara James, who had the misfortune of breaking her hip and has recently been dismissed from the Brownwood Hospital and is in her home in Bangs. So good to report she is doing real good.

Mrs Morris reports it was a very enjoyable visit. Mrs Morris also visited briefly with Lorene Black in Brownwood.

Mr and Mrs T.L. Hodges of Waldrip visited with Mr and Mrs Graham Fitzpatrick Thursday afternoon. Mr Amon Otts and Yancy have also visited them during the week.

Mrs Cheryl Bullion of Glen Rose came one day during the past week and took her mother, Mrs Graham Fitzpatrick to her doctor in Abilene and visited with her parents.

Mr Watts and Mr Red Cupps visited with Mr Floyd Morris one afternoon during the past week.

## County Youngsters Headed To Houston Livestock Show

4-H and FFA members from Coleman County will be joining other 4-H and FFA members throughout the state for showing competition at the upcoming Houston Livestock Show, Feb. 13 through March 4 at the Astorhall.

These 4-H and FFA exhibitors compete in one of two divisions of the Houston Livestock Show - the junior show division. The other division, the open show, attracts its exhibitors from the world's agricultural industry, primarily professional breeders and ranchers.

Entries in both the open and junior shows combine with horse show entries to make the Houston Livestock Show the world's largest.

The county list includes: Exhibitors - Shea Connelly, Coleman, Market Steer; Jim Bob Edgington, Coleman, Market Steer; Clarissa Henderson, Coleman, Market Steer; Rodney Henderson, Coleman, Market Steer; Scott Hunter, Burkett, Market Steer; Matt Turner, Coleman, Market Steer; Bradley Wise, Wise, Santa Anna, Market Steer, Market Lamb.

Monty Bouldin, Voss, Market Lamb; Cole Dodson, Coleman, Market Steer; Leslie Dodson, Coleman, Market Steer; Michelle Edgington, Coleman, Market Steer; Rob Edgington, Coleman, Market Steer; Chris Ferguson, Coleman, Market Steer; Steven Ferguson, Coleman, Market Steer; Chad Garrett, Coleman, Market Lamb; Mitchell Guthrie, Santa Anna, Market Lamb; Rhett Guthrie, Santa Anna, Market Lamb; Brent Hemphill, Coleman, Market Steer;

Heath Hemphill, Coleman, Market Steer; Beef Heifer, Beef Scramble; Tonya Hipp, Coleman, Market Lamb; Lanham Horne, Coleman, Comm. Steers, Market Barrow; Chad Humphries, Voss, Market Lamb; Jamie Humphries, Voss, Market Lamb; Kim Jeffreys, Coleman, Market Lamb; Darla Jones, Santa Anna, Market Lamb;

Ray Jones, Santa Anna, Market Lamb; Matthew Mayes, Talpa, Market Steer; Payton Mayes, Talpa, Market Steer; Cody Parrott, Coleman, Market Lamb; Trent Parrott, Coleman, Market Lamb; Holly Stephenson, Gouldbusk, Market Lamb; Kristin Watson, Coleman, Market Steer, Market Lamb; Stephen Watson, Coleman, Market Steer, Market Lamb; Alicia White, Gouldbusk, Market Lamb; Miti White, Gouldbusk, Market Lamb.

Texas' own "Big Foot" was last sighted back in 1902 by a group of frightened young people who were fishing and hunting several miles above the old McDonald Dam off Bee Cave Road in Austin. Measurements of Big Foot's tracks showed his feet to be 22 inches long and 7 inches wide, with four toes on each foot. Unsuccessful hunting expeditions never located the eight-foot-tall hairy monster and perhaps Big Foot still lurks in the Bee Creek and Barton Creek valley.

## An Ancient Culinary Discovery

Here is a trivia question for you: What creamy, rich cheese has few calories and is low in fat, cholesterol and sodium?

In India people would answer "dahi" - they have been making it at home for centuries. In the United States we would say "yogurt cheese."

What exactly is yogurt cheese? The Dannon Company's Cultured Cook tells us it is a lowfat alternative to cream cheese, made by thickening yogurt - draining off its liquid or whey.

Yogurt cheese is simple to make in just five easy steps:

1. Start with an all-natural yogurt, like Dannon, that does not contain gelatin. Yogurt that contains gelatin will not produce yogurt cheese.
2. Line a large strainer with a triple layer of paper towels.

3. Spoon plain or flavored nonfat or lowfat yogurt into the strainer.
4. Place a bowl underneath the strainer (but not touching the bottom of it) to catch the liquid that will drain off.
5. Cover and refrigerate for 24 hours.

This cheese is perfect to spread on bagels, toast, muffins or fruit slices. It can be molded into a round ball or log and sprinkled with almonds, black pepper or minced parsley. Whip, sweeten and flavor the cheese for glorious desserts. It can replace cream cheese in any recipe and the results will be virtually the same.
