Dear Editor

From somewhere in the land of blowing sand.

Everyone has heard that the desert is a very cruel place. That happens to be very true. It is blistering hot during the daytime, with sun that looks like a ball of fire, and freezing cold at night. There is a wind that never stops.

It it were not for the little things that make you laugh, being here would drive you insane. Leave it to the American G.I.'s to find those "little things." Yesterday as we were patrolling a deserted Beduin (nomad) village we heard a small animal sound. After searching we found a wild puppy that had gotten caught in some wire. He looks a lot like our American collie. After freeing him we took him to the medics for treatment of cuts. He appears to be about three months old and he took to us humans very quickly, especially after he found out what soft touches G.I.'s are. He has started to roam the camp like it belonged to him. Needless to say, everywhere he goes, he gets a friendly pat and most likely something to eat. This puppy has become very American very quickly. Plus, he has brought a lot of happy smiles to a bunch of G.I.'s serving in a country a world away from the U.S.A.

Please continue your support and prayers.

(EDITOR'S NOTE: The letter above arrived at the NEWS office last Thursday, Feb. 28. Since the letter was written on Feb. 7, Baker and his buddies were most likely involved in the Desert Storm ground war. We pray that he and the others from our area can be counted among those who are safe and free from wounds).

Homecoming Date Is Set

Several have contacted the news office to inquire about a date for Homecoming. According to information received from the school this morning, the date has been set for October 4 & 5. The football game on that Friday night will pit the Mountaineers against the Gorman Panthers.

Santa Anna Native Squadron Commander In Desert Storm

EDITOR'S NOTE: During Operation Desert Storm, we have tried to keep you abreast of who from Santa Anna is serving and also passing on news of their activities as it comes to us.

Santa Anna native, Lt. Col. W.J. (Bill) Horne, is Squadron Commander of the 3rd Marine Air Wing in Bahrain. He recently appeared on CNN and his interview was also heard on KVIL and KERA radio stations in Dallas. Last week we published quotes he had made in interviews with "Time" and "U.S. News and World Report".

As we now know, the Gulf War is over, but we are grateful for

any news from our people there. The following is a letter written by Horne just before the ground war started to one of his SAHS classmates, Karen (Jones) Glidwell of Lewisville.

As you can imagine, things are pretty busy over here. We have been going non-stop since January 16. We have been busy with mission planning and I fly once each night. When I am not flying I am usually waiting on my men to return. We have been working 14 hours a day.

> SEVEN SINS THAT BRING GOD'S WRATH ISAIAH 5:25

"Therefore is the anger of the Lord kindled against His people, and He hath stretched forth His hand against them, and hath smitten them; and the hills did tremble, and their carcasses were torn in the midst of the streets. For all this His anger is not turned away, but His hand is stretched out still."

Chapter five of Isaiah tells us about the woes that are to come upon the wicked and disobedient of God's people. God is clearly disappointed with His people because they have been more concerned about worldly pleasures than devoted service. He pronounces them guilty on seven counts.

(1) Guilty of selfish greed. (v. 8,9)

They foreclosed mortgages, buying up property and building great

estates on them. For this sin, their mansions would be left

smoking ruins.

(2) Guilty of selfish greed. (v.11-17) You have one grand party after another with orchestras to entertain you, but give no thought to the Lord.

(3) Guilty of cynical materialism. (v 18,19)

(4) Guilty of reversing the standards of morality. (v. 20) Impurity is looked upon as right, sexual purity as "old fashioned."

What the scriptures condemn, they condone as correct. (5) Guilty of self-sufficiency. (v. 21)

They believed themselves wiser than God and wiser than

experiences of those who lived in past generations. (6) Guilty of alcoholic indulgence. (v. 22)

They boast about how much liquor they can hold and think

drinking is a sign of achievement.

(7) Guilty of corruption. (v 23) They took bribes to pervert justice, letting the wicked go

putting innocent men in jail.

that

As we read this indictment, one can see that not only Israel then but today also, and all the world is guilty of these same sins, as we proclaim drug-free and yet see beer and whisky cans and bottles thrown on our street and highways along with all other vices available. God instructs us to be balanced in our lives, give unto Caesar what belongs to him and unto God what belongs to Him, but we are far from giving God His share or else our churches would be full on Sundays and Wednesdays and other occasions. Is it any wonder God's wrath in the Tribulation Period is not far off, but His hand is stretched out still.

AUSTIN -- Federal Land Bank Association stockholders with variable rate loans will pay less interest beginning April 1. The new variable interest rate will be 9.75 percent, down from the current 9.95

As we told you in last week's edition of the Santa Anna News, new subscription rates and newsstand rates are now in effect. The single copy price of a newspaper from a store rack is now 50 cents. Subscribers who reside within Coleman County will now pay \$15.00 per year while those outside the county will pay \$18.00. The \$15.00 in-county rate translates into 29 cents per copy and the \$18.00 rate is 35 cents per copy mailed to subscribers. The rate increase is necessary due to the latest postage rate raise by the U.S. Postal Service and the constant increased cost of printing.

Flag Stamp Pins Available Again

Postmaster Gary Absher tells us that Flag Stamp pins are once again available at the local post office. According to Absher the present shipment depletes the supply of the \$1.50 pins and no more will be available from the Postal Service. Mr. Absher notes that the pins have already become collector's items nationwide and will continue to be popular until "Desert Storm" operation is complete and all our troops are home.

City Council Meeting Tues

The City Council will meet Tuesday, March 12 at 6:30 p.m. for their regular monthly session. Agenda items as of press time include the official setting of the city election for May 4; Appointment of members to Santa Anna Housing Authority Board; appointment of Park Board members and Library Board members. The council will also consider the proposed rate increase sought by Lone Star Gas. Other items may be added to the agenda later.

Legislative Session Report

Looking back on the month of February, it's apparent we could use more than 28 days in Austin. Members of the Legislature may be accustomed to a gradually quickening pace during a typical session. The 72nd session isn't typical. And, the pace hasn't been gradual.

Ethics reform has resurfaced as one of the Legislature's top priorities. Wednesday, a unanimous Senate voted in favor of landmark legislation which would create a watchdog commission to oversee the new ethics law. The bill would limit the amount of money political action committees and individuals may contribute to candidates for the legislature and would also tighten restrictions on the activities of the lobbyists who work the halls of the Capitol.

On a personal note, I was pleased to learn that my amendment to the Texas Workers' Compensation law, approved last session, has saved an estimated 40,000 jobs and 50 businesses statewide. The provision gives employers the option to cover their businesses through self insurance.

I was also gratified to learn that my amendment to last session's education bill resulted in savings of approximately \$2 million to the Killeen Independnet School District and at least \$half-a-million for Copperas Cove. The amendment insures that school districts experiencing declining enrollments due to military relocations or reductions in force will not suffer similar

cuts in state funding. My appointment to the position of Chairman of the Senate Economic Development Committee has enabled me to begin work on a number of the most important issues on my agenda. Two weeks ago, we created the Economically Distressed Communities Program. It has begun the process of trying to help the thousands of people living

in and around the Fort Hood area in the aftermath of Operation Desert Storm and the Pentagon's base reduction plan. This Thursday, Governor Richards will join me on my second trip to Killeen in the past three weeks to get a firsthand look at the problem. Given the sacrifices their families have made for the nation, I could not be more pleased with the Governor's response to our

Also coming from the Economic Development Committee is a bill to create a Rural Economic Assistance Clearinghouse. It would provide toll free information to rural Texans throughout the state who are interested in seeking govern-

ment help for themselves and their communities.

Most recently, I have filed a 1991 Crime Package which, among other things, expands the death penalty to include anyone convicted of murdering a child; lengthens the amount of time our most violent criminals must serve in prison before they are released on parole; and mandates life sentences for repeat sex offenders. I am committed to creating additional cells to house these violent offenders. I am also sponsoring legislation to mandate substance abuse treatment for anyone convicted of driving while

It is a long list of items. There are a lot of balls up in the air. Fortunately, there are another three days in the month of March. You can be sure I will take full advantage of them.

Sunday, March 24

afternoon Mrs. Vaughn and Mrs. Martin attended a birthday celebration for Mrs. Sylvia Perkins at the First Baptist Church annex in

Ranger Park Inn By Dorothy York

Residents at Ranger Park Inn are enjoying the new volunteer Gospel singing group, Mr. and Mrs. Brenan, Neal Smith, Rosanna Copeland and Gladys Creek. The group will be singing the second and fourth Tuesday afternoon of each month at 3:00.

The Wednesday afternoon ceramic activity has now started a group of beginners that are enjoying showing their special talents. Mrs. Nell Myers is teaching this class and we are very proud of the ceramic class. We have some residents who have been invloved in the craft for a long time and our beginners are looking forward to each

The residents, like everyone else, are following the war situation and show support of our service men and women and decided they wanted to become involved. Mrs. Vickie Green, one of our nurses shared with our residents that in the platoon her son is in, there are 7 young men who have not received any mail/ Several residents sat down Tuesday afternoon and wrote letters to these young men. It was a joy to watch and listen as they decided what to say. They decided to tell them something about themselves and how much they support and pray for them each day. They felt it was important to let the young men know we do care and support them 100%.

Thanks to Mrs. Patricia Cox for her donation this week. Mrs. Inez Moseley is a new

resident at Ranger Park.
