Brother and Sister Drowned Near Olney

OLNEY, Texas, May 7 (AP).—Pauline Andrews, 13, and her brother, Sam Andrews Jr., 10, were drowned Monday in an earthen tank near their home on an oil lease five miles north-west of Olney.

The boy fell off a raft and his sister tried in vain to save him. A third child, Clifford, 12, went to a ranch near by for help and cowboys recovered the bodies. Efforts to revive the youngsters failed.

MOTHERS' DAY

Next Sunday, May 13th has been designated Mothers Day. No one has the language at their command to pay adequate tribute to Mother.

It has been twenty-one years since the writer had the pleasure of enjoying the company and comforting caresses of mother, but our great love and sympathy for all mothers dips deep into our bosom. Regardless of the love, respect and affection you may have for your mother, or the tender care you may devote to her, you will scarcely ever repay what your mother has done for you.

There is an old saying, often repeated and should be true: "God could not be everywhere, so He created Mothers." A true mother is one of the most precious things in the world. This writer only thinks of a mother as a perfect one, forgetting all short-comings.

Baccalaureate Sermon Is To Be Held Sunday Night

The annual baccalaureate sermon for the juniors and seniors will be held at the high school Sunday night, May the thirteenth. The Reverend M. L. Womack of the Presbyterian Church will preach the sermon.

Mr. Maurice Bell was in San Angelo Tuesday, doing jury service in the Federal Court.

Miss Frances Jones returned from Dallas last week where she has been visiting for several weeks with her brothers.

Salesman Takes First Place In Sales Contest

Wilbur Nabours, salesman for Southern Ice & Utilities Company here, won first prize of \$10 in a refrigerator sales contest conducted by the company recently.

Salesmen in over 40 cities served by Southern Ice & Utilities Co. competed in the contest; yet, Mr. Nabours sold more refrigerators than any other person participating.

Not only was Mr. Nabours first, but the Nacogdoches force as a whole set a good record. Seventeen percent of the refrigerators sold in the 40 cities during the contest period were sold in Nacogdoches.

"Our entire force cooperated in establishing this record," L. W. Scott, manager of the local plant, stated.—The Redland Record, Nacogdoches, Texas.

Wilbur Nabours is the son of Mr. and Mrs. J. D. Nabours of the Cleveland community and a graduate of the Santa Anna High School.

SENIOR FLAG WAVES PROUDLY

A new record was set this year by the seniors of '34. The senior flag was hoisted high upon the pole by seniors Monday night—and there it remained until the seniors removed it Wednesday night.

That the senior flag waved proudly throughout senior day may be attributed to the fact that the chain holding the flag was locked and he key safely put away and that the entire pole was greased with lard so that climbing was made impossible. To make it even more safe and sound, the highest ladder in town was borrowed and hidden until Wednesday night.

Each year there is competition between seniors and underclassmen about whose flag remains on the pole all day. This is the first senior flag to hold this honor.

Several from here are planning to attend the annual convention of the West Texas Chamber of Commerce Convention in San Angelo next week.

N. E. Atkinson For Commissioner

N. E. Atkinson this week places his announcement with the Santa Anna News for Commissioner of precinct No. 2, Coleman county.

Mr. Atkinson has made this county his home the greater part of the time for the past 32 years, having moved here early in January, 1902. He has been doing road, bridge and drainage work for the past 12 years, and carries with him letters of confidence and approval from resident engineers of the State Highway Department under whom he has worked.

Mr. Atkinson made the race for commissioner six years ago, and took second place with five in the race. He withdrew after the first primary and went to Foard county, where he was offered a long time job at fair wages to help build roads in Foard county. He worked through the entire building campaign recently completed in Brown county, and is now employed as part time helper on the big bridge under construction across the Colorado river.

Mr. Atkinson states that, if he is elected, he will be his own foreman on the job, and look after the spending of the county funds as judiciously as possible, and will see that every dollar spent for road work brings a dollar's worth of service.

Mr. Atkinson will be out renewing his acquaintance with the voters soon, and expects to make a close personal campaign over the district before the primary in July.

BLOWN TO BITS IN NITROGLYCERIN BLAST

AMARILLO, May 7. (AP)—Bill McKinney, 30, Odessa, was blown to bits near Kress late today when a truck load of nitrolycerin exploded.

The driver's identity was established through a motor license plate, one of the few clues to escape the terrific blast.

McKinney's employer, V. A. Koons of the Independent Eastern Torpedo company, furnished the information.

Except for the license plate, found a quarter of a mile away, there is no piece of wreckage larger than a man's hand.

The explosion tore a hole 10 feet deep and 15 feet across in the middle of the highway.

The truck load of high explosives went north through here shortly before 8 o'clock and was six miles out of Kress when the blast occurred.

Jim Baker, a motor car dealer at Tulla, driving south, had met the truck only a few seconds before the blast. He was about 200 yards down the highway.

"It lifted my car off the ground," Baker said.

The Tulla man said wreckage rained over a wide area.

Windows in houses within a radius of two miles were shattered.

The shock was felt distinctly in Kress.

Only a few bits of the man's body were found by searchers over a half mile area in each direction.

McKinney, according to information furnished to the sheriff's office at Tulla, was married only a short time ago. A brother works for the same company at Wink.

Although Baker did not observe when he met the truck, he said, it is believed McKinney was alone.

McKinney was headed for the Borger oil field with the load of explosive.

HOSPITAL VISITATION DAY

Saturday, May 12th, has been designated Hospital Day throughout the United States and Canada, and the Sealy Hospital has been distributing invitations to the public to visit the institution some time during that day.

This notice has not been authorized, but one of the invitations has been placed with the editor, and we assume full responsibility for publishing this as a news item for our paper.

Miss May Blue, owner of the Blue Mercantile Company Store is taking a few days rest and recuperation at her home. She will likely be back on the job in a few days much improved.

Track Boys Go To State Meet

The Santa Anna High School track and field team of six men made 2 points at the Class A State Meet in Austin last Friday and Saturday. Four of the boys qualified for the finals but only one placed. Jack Price, freshman on the team, scored 2 points by taking third in the Shot Put.

Port Arthur won the meet with 14 points. Denison and Brownsville tied for second with 8 points and Happy was fourth with 7 points.

Those to make the trip were: John David Harper, Auby Murrell, Willis Burney, Jack Price, Augustus Lightfoot, Bob Cabiness, Supt. J. C. Scarborough, and Coach J. M. Binlon.

SENIORS ATTEND DANIEL BAKER PROM

Friday night, May the fourth, proved to be a memorable night to seniors who attended the Daniel Baker Prom, which took place in the Daniel Baker gym in Brownwood.

Blue and white, Daniel Baker colors, was the color scheme used in the decorations. Strips of blue and white crepe paper were strung across the gym. A rock well formed the center attraction and around this were green trees and arched gateways adorned with foliage. A yellow moon crescent and colorful Japanese lanterns completed the scene.

Upon entering, each was given a white paper basket, on which he wrote his name, and a rose. The program consisted of welcome speeches from the student-president, the student-president-elect, the dean, and the coach of Daniel Baker; a Hello Prom; tap dances; a Hi-Hat Prom, in which favors were blue and white crepe paper hats; whistling numbers and dance numbers; a prom, in which favors were suckers of multifarious colors; songs; a Confetti Prom; solo with orchestra accompaniment; a prom, in which refreshments of ice cream and cake were served; music by the orchestra; and the Good-night Prom.

Those attending the prom were: Edna Shamblin, Juanita Riordan, Nell Bell, Mary Oakes, Irene Rountree, Jim Bob Gages, Thelma Lowe, Lena Jane Barlett, Virgil Sewell, Louise Wilford, Annie Louise Watkins, Russell Hale, Vivian Wristen, Samuel Everett, Carmilla Flores, Golda Hardy, Cleo Thompson, Ruth McCahey, Armenta Ragsdale, Ruth Niell, and Miss Land.

MORTUARY

Walter F. Kirkpatrick, 41, passed away at the Sealy Hospital last Friday at noon, after an illness of several weeks duration, of complications that refused to respond to medical treatment.

Mr. Kirkpatrick was a member of a pioneer family, born on the old Kirkpatrick homestead, six miles south of Santa Anna, December 25th, 1892. He grew to manhood here and was married on January 16, 1917, to Miss Theo Hunter, daughter of Mr. and Mrs. L. W. Hunter, another of the pioneer families of Santa Anna. Mrs. Kirkpatrick was also born and raised in Santa Anna.

Funeral services were conducted at the residence Saturday, May 5th at 4 p. m., by Rev. Hal C. Wingo, assisted by Rev. Lynn, pastor of the Presbyterian church at Coleman. Interment was made in the local cemetery.

Deceased is survived by his widow and two young daughters, Anita, 13, and June, 11; his mother, Mrs. R. D. Kirkpatrick; one brother, R. D. Kirkpatrick of Zephyr; and three sisters, Mrs. Della Means of Ballinger, and Misses Jettie and Dora Kirkpatrick of Santa Anna.

Until recently Mr. Kirkpatrick, in the prime of life, was robust, and apparently enjoying good health. The many friends will join in extending sympathy to the bereaved.

Mrs. J. E. Banister and daughter, Mrs. O. D. Price and little daughter, C. O. Watkins and family were among those from here in Brownwood Sunday to attend the annual state convention of the Spanish American War Veterans. The editor also took in the convention and greatly enjoyed it.

Dramatic Club Donation to School

The Santa Anna High School Dramatic Club, sponsored by Miss Harvey and Mr. Green, has made a much needed donation to the school. Red, white and blue light bulbs were donated for the stage footlights, which were badly needed.

Next year the club will endeavor to buy new stage scenery and equipment for dramatics. The club also hopes to study Stagecraft and Make-up.

IF I WERE...

By G. A. Morgan

If I were the City Commission I would enforce laws already enacted and, if necessary, pass more laws regulating traffic in our city, especially on the highway street, our main street. Double and triple parking congests traffic. Often people who have parked their cars at an angle pointing toward the curb have to wait several minutes before they can move their cars because some one has parked a car immediately behind them. There is altogether too much speeding through our city. Some day, after someone has been run over and killed or maimed for life we will probably wonder why we did not do something to prevent such a tragedy.

If I were the City Commission I would reduce the water rate so that our citizens could use enough water to raise vegetables and flower gardens, not only that our city may become more beautiful, but also that our citizens may reduce their living expenses by raising vegetables, and thus have more money with which to pay their water bill. It occurs to this writer that the increase in the amount of water used under reduced rates would bring into the city treasury an income as large if not larger than the present income under the present high rate.

NOTE: O. K., Bro. Morgan, furnish us an article every week. The City Commission and the reading public like to know what others have in their minds, whether they agree with you or not. We think you are right.

WILLIAMSON-SCHWARZ

Mrs. Pearl Williamson of Santa Anna and Mr. Joe Schwarz of Homewood, Ill. were united in marriage on Friday, May 4th at 4 o'clock at the home of Rev. and Mrs. G. A. Morgan.

The bride is the eldest daughter of Mr. and Mrs. S. H. Duglins, pioneers of this section. She is favorably and well known here, having been reared here and was a saleslady in one of the prominent dry goods stores for a number of years. She also was a very faithful worker in the First Baptist Church.

Mr. Schwarz is mayor and a prominent business man of Homewood, a suburb of Chicago. The bride was very beautifully attired in brown lace over pink satin with accessories of white.

After a brief visit with relatives, the couple left Sunday for Homewood. They planned to stop in Tulsa, Springfield and St. Louis.

The bride's going away costume was a brown swagger suit with accessories to match.

Mr. and Mrs. Schwarz will be at home after May 15th at 1629 Ridge Road, Homewood, Ill.

APPRECIATION

I wish to express my sincere thanks to my many friends for the kind words, cards, letters, and the many beautiful flowers received during my recent illness, also thank Bro. Wingo for his words of comfort. Especially do I thank Dr. Sealy and the nurses for their efforts in trying to make me stay and comfortable during my stay in the Hospital. May God bless each and every one, and may you, too, have such true friends in your hour of need, as my prayer.

Mrs. W. L. Moseley.

Mr. Charles Evans and Miss Pauline Horton of the Fry community were united in marriage here late Tuesday evening. Rev. M. L. Womack officiating. The ring ceremony was used.

Park Association Is Organized

The several clubs in Santa Anna have joined in an effort to build a park somewhere near the city. The name of the newly organized club is The Centennial Beautification Club. Mrs. R. C. Gay is president, Rev. G. A. Morgan is vice-president; Miss Ruby Harper is secretary; Rev. M. L. Womack is treasurer and Mrs. C. P. Petty is the chairman of the promotion committee.

It is the purpose of the organized movement to procure a tract of land suitable for a park, near the city of Santa Anna, and procure state aid from the State Highway department in establishing and beautifying the premises.

Much of the work is in the form of speculation or prospect, as the data as to what can be done and what we may expect in the way of aid, is not clearly known.

Parks are being constructed in various places, and Santa Anna is not complete without a beautiful park. Nature did plenty for the premises here in Santa Anna and it could be made one of the beauty spots of Texas. We heartily endorse the plans of the newly organized club, and hope they succeed in their efforts. A membership committee will soon be appointed, and every citizen in the community will be solicited to join the club.

SENIOR DAY PICNIC IS HAPPY EVENT

Despite heavy rains Tuesday, May the first, was a happy senior day. It was the culmination of four long years of waiting and of pent-up energy.

Forty-four seniors departed for George Hunter's place on the Colorado river at about eight-thirty o'clock Tuesday morning. Upon their arrival, swimming was enjoyed and afterwards three freezers of ice cream in cones and several cases of soda pop were consumed. The rain, however, soon made it necessary to change the picnic grounds to the arbor at Whon, where a large lunch of sandwiches, pickles, potato chips, marshmallows, cakes, and various kinds of fruit was spread. Later the picnic was moved to the bridge north of Whon, where pictures were taken whenever a ray of sunshine permitted.

The happy group returned about four o'clock.

MOTHER

Oh, how I love you, Mother, I love you more each day. My heart will grow fonder ever, When from you I'm far away.

Your love is a cherished blessing That keeps me all the while, From straying from you, Mother, Into some forbidden aisle.

How sweet it is to have you, Mother! You're the dearest one I know, For all your beckoning counsel, To my years I will bestow.

Mother, you've helped me to sanction A seraph's life that's serene, That is blessed with chase mortality, That makes life an enlightened scene.

So, I'll live for you always, Mother, In the paths you so desire. I'll live as a truer mortal, As your loving words inspire.

Take this as a token, Mother, From a loving child so dear, And from one who'll regard you forever, As a true, loving Mother, sincere.

By Eleanor Ridings.

Mathis Asks Re-election

Prosecutor in 119th District Announces For Office

Eugene F. (Gene) Mathis, appointed district attorney of the 119th Judicial district with its creation late in 1931, today announces his candidacy for a second elective term.

Mr. Mathis is opposed in the July primaries by W. A. Stroman whom he defeated in 1933, and Dave Snodgrass of Coleman.

The 119th District includes Coleman, Runnels, Concho and Tom Green counties.

Mr. Mathis is 35 years old, a native of Texas and has been practicing law for the last nine years. Most of his practice has been devoted to criminal cases and this, coupled with the more than two years he has been district attorney, has given him experience of value toward filling the office. He has devoted his entire time to the office and promises, if elected, to continue to fulfill his duties to the best of his ability.

ON TEXAS FARMS

By W. H. Darrow,

For reducing market hog and corn acreage, 222 Williamson county farmers will receive about \$48,000 this year in Government benefit checks.

Going in strong this year for farm beautification, 20 Young county home demonstration clubs have planted 5 yards each according to landscape plans.

Badly needed feed crops are being planted on rented cotton acres in Morris county, with half the plantings devoted to peas or other legumes which will enrich the soil and at the same time give some feed.

The proceeds from 1 1/2 acres of sweet potatoes paid the farming expenses of J. H. Gonzales in Jim Hogg county last year, the county agent says. He harvested 465 bushels which sold for 50 cents per bushel, and had several hundred pounds of culls left for pig feed.

To meet the need of fruit twice a day to give an adequate diet, home demonstration club women in Lamar county put out 1380 fruit trees and 1809 grape vines early this spring.

Ninety percent of the feeder calves produced in Menard county are dehorned in the same manner as the 4-H club calves that were exhibited in livestock shows this spring. Club boys made an average net return of \$71.40 per calf on 27 animals exhibited and sold at San Angelo and Fort Worth. The calves averaged 88 1/2 pounds.

To develop a supply of high quality turkeys for dressing and selling on the best markets, the county agent of Cochran county has three turkey demonstrators co-operating with him to show what can be done with farm turkey flocks.

ROBY—Five hooked rug demonstrators of Fisher county have developed the art of making hooked rugs in their homes for market purposes and find it to be a very pleasant and profitable home industry, valuable to them and their families, according to the report of Miss Velma Heald, Fisher county home demonstration agent. These women have organized a hooked rug and mat association for the purpose of improving the quality of rugs and to further the marketing of the products. Since organizing the association they have made 61 rugs valued at \$488. Thirty-one of these rugs have been sold for \$263.50, 18 have been given as wedding and Christmas gifts, 10 rugs have recently been completed for sale, and 4 other rugs are under construction. New markets are being located by the association at local furniture and department stores. Up-to-date rugs have been sold to department stores and to individuals in Abilene, Anson, Roby, Brownwood and Longworth.

Mrs. Robert Scott of Newman has made and sold 16 rugs at a \$112 profit which she used to buy a washing machine, to pay a dental bill and to buy part of her daughter's graduating clothes.

Mrs. G. F. Hood of Sylvester has sold 14 rugs at \$93 profit and used it to buy bed linens, clothing, permanent hair waves for herself and her daughter and to pay for a set of teeth. She also financed a trip to the College of Industrial Arts with

rug profits. Mrs. Slim Chapman of Sylvester says, "I find rug work to be very fascinating. Since I have been studying color harmony and designs for my rugs I find beauty in everything about me. I even have my family interested in looking for designs and they often help me criticize my rugs." Mrs. Chapman has made 10 rugs. She used the profit from 3 of them to pay fare for a trip to visit her daughter and her only grandson. She has bought clothing with other profits from her rugs.

FRANKLIN—Another peach crop is expected this year by Calvin Petty, a Robertson county orchard demonstrator in the Henry Prairie community who now has 500 bearing trees. Developed from a small start several years ago in cooperation with the county agent, Mr. Petty prunes and sprays his trees regularly. "Many failures that are ascribed to unsuitable soil, nematodes and other so-called incurables are really the results of farmer neglect," he says. "Failures due to freezes and other weather conditions can often be avoided by using an assortment of varieties, so that at least a part of the fruit will reach maturity each year," he adds.

MEMPHIS—Three Hall county farmers are reported by James A. Jackson, county agent, to be developing a system of level terraces turned up slightly at each end to catch and hold runoff water from adjoining pastures, fields and roads. The idea is to avoid the danger of damage from flood waters and also to give the fields free irrigations to insure crops in dry years.

FALFURRIAS—Cull market beets fed to a herd of 40 Jerseys increased butterfat production 8 pounds per day and saved two-thirds of the ensilage ration furnished the cows by Clarence Burdett, Brooks county dairyman. He grew a field of beets for market and after picking it over found that many beets remained. The beet ration is good in every respect, the county agent reports.

FREDERICKSBURG—Preparing wax cloth for distribution to Gillespie county farmers who bud native pecan trees to improve varieties has been a hobby of County Judge Herman Usener of Gillespie county for ten years. Every year he has prepared enough cloth to protect 25,000 buds. As a result of this service in connection with county agent work, every community in the county has improved pecan trees coming on. The total runs into the thousands.

STATE HEALTH OFFICER ENDORSES MOTHERS DAY

AUSTIN, Texas, May 10.—Provision for adequate care for mothers-to-be, as a practical means of putting into effect the honor and reverence due all mothers, is urged in connection with the nation-wide observance of Mother's Day. The day will be celebrated on Sunday, May 13. "Because of the precious memories the day arouses, each of us wishes to pay our own tribute of homage to the mothers of the past and present," Dr. H. N. Barnett, Director of the Bureau of Child Hygiene, said, "for their unflinching love and devotion, their self-sacrificing service, and their never ending influence on our lives. But those of us who are engaged in public health activities are thinking of the third group, also—the mothers-to-be—when we urge that Mother's Day be used as a starting point for efforts to make motherhood safer for all expectant mothers—the mothers of tomorrow.

"When we talk about safeguarding the health of the mother-to-be and speak of adequate care for her, we mean she should have regular, medical supervision before, during and after the baby's birth. The life and health of both mother and child are safeguarded by such care. "The doctors throughout Texas are glad to give care of this kind to expectant mothers in their own practice, but many mothers and fathers do not realize the importance of such supervision during the period before the baby arrives, and neglect to secure it. And often both mother and baby suffer the consequences of this neglect."

That afterwards and on the 1st day of December, 1933 and while plaintiff was in possession of said lands and premises and entitled to such possession, owning and claiming the same as aforesaid, the defendants unlawfully entered in and upon said premises and unlawfully ejected and dispossessed plaintiff therefrom and unlawfully withheld from plaintiff the title and possession of said land and premises to plaintiff's damage in the sum of \$10,000.00.

That plaintiff was entitled to recover said land and from said defendants, J. W. Gates and T. T. Roberts, trustees, and said Milroy Memorial Fund in that by deed dated April 21, 1932, duly signed and acknowledged by the said J. W. Gates, T. T. Roberts, and said John W. Tyndall, now deceased, trustees of said Milroy Memorial Fund, said trustees conveyed said land and premises to Temple Trust Company by trustees' deed, duly recorded in Vol. 193, page 521, Coleman County Deed Records, which said deed and the record of same are here referred to and made a part hereof; and that the plaintiff H. C. Glenn is the receiver of said Temple Trust Company as hereinabove alleged and has succeeded to all the right, title and interest of the said Temple Trust Company conveyed by said deed, which said deed was duly made under and by virtue of authority conferred upon said trustees by deed by A. D. Milroy grantor to the said trustees as grantees dated August 12, 1930 of record in Vol. 192, page 468 Coleman County Deed Records, conveying said land to said trustees and conferring upon them authority and power to sell and convey the same. By reason of said facts pleaded in this paragraph a plaintiff is entitled to recover said land and from said trustees in addition to the matters and facts hereinabove set out as against the other defendants herein, and as against said trustees and said Milroy Memorial Fund.

WHEREFORE premises considered plaintiff prays the court that the defendants be cited to appear and answer this petition and that upon hearing hereof plaintiff have judgment against all of said defendants for the title and possession of said lands and premises, that all right, title and claim of the defendants and each of them in and to the same be cancelled and held for naught, and that plaintiff have his writ of possession and redhibition for the same, and for such other and further relief, general and special as plaintiff may be entitled to in law, equity.

Herein Fail Not but have before said Court, at its next regular term, this writ with you return thereon, showing how you have executed the same, and said given under my hand and seal of said Court, at office in Coleman, Texas, on this 10 day of April A. D. 1934.

J. B. HILTON, Clerk District Court Coleman County Texas.

SCHOOL NEWS TENNIS PLACQUE TO BE GIVEN

A metal plaque which is 4 1/2 x 5 1/2 inches large is to be given to the girl in Santa Anna High School who wins the contest in tennis that is now taking place. This plaque is given by the Scholastic Coach. There are 1,000 trophies to be awarded. To win this plaque the person must challenge every girl in the tennis club to a match. The girl winning the most matches will be awarded the plaque. A similar plaque will also be given to the boy in school who fulfills this qualification.

CHAPEL IS HELD WEDNESDAY AND FRIDAY

Wednesday morning the school body assembled in the auditorium for regular chapel period. Announcements were made and everyone joined in singing songs. The students and teachers were entertained Friday morning, chapel period, with a preview of the May play to be given by grammar school children Friday night in the High school auditorium. The choral club also entertained with singing Friday in chapel.

SCRIBBLER NOTEBOOKS ARE JUDGED

Friday, April the twenty-seventh, the scribbler notebooks were turned in to be judged. Each book was so good that it was hard to decide which was the best. Finally the judges agreed to call it a tie and May Campbell and Beth Barnes were chosen. Both May and Beth will be awarded sweaters on class night.

ANOTHER JUNIOR POET IS DISCOVERED

The statement that still another junior has been found to write poetry cleverly may sound incredible. However, it is absolutely true! Dora Davis, known as one of the Line twins and a loyal and cooperative Junior, has shyly admitted that she has tried her art at writing poetry. The following poem was written before the Junior-Senior Banquet.

The Banquet! There is a banquet near at hand And oh, what a happy band Of juniors and seniors there will be For the teachers, parents, and all to see!

At last, banquet time is here, And there is nothing for us to fear. See that boy! I wish you would look! He seems to think that the golden-haired girl slipped from a fairy book!

Just take one look down this long tale, And then tell me, if you are able.

Richard Polk, son of Mr. and Mrs. E. E. Polk, formerly of Santa Anna, now living in Abilene, according to information reaching this office, broke the records in one of Abilene's High Schools, with an average of 98 1/2 for the school year, and is valedictorian of the graduating class. Baxter Polk, an older brother in Simmons University, has a record of straight A's on all grades for the year. That is mighty good work, boys, keep it up. Mr. S. H. Duggins and daughter Mrs. Jess Howard and son Donald Ray returned Wednesday from a visit with their daughter and sister, Mrs. Cyrus Addison of Longview. Mrs. I. D. Ewing is visiting her son in Waco.

Whon News

Whon's baseball team is having lots of fun and getting plenty of practice. They are expecting to get started in their winning ways one of these days. Trickham came back with a new lineup Sunday to get even

with Whon by a score of 14 to 7. This game was followed by a practice tilt with Rockwood. We can't give you the score of this game, as it seems no one was able to count fast enough to keep track of the runs. Other games of the past week or so were: Cleveland 7, Whon 5; Whon 14, Trickham 4; Concho Peak 8, Whon 4 (12 innings). Rains have been plentiful recently, but a little too often and too hard for some of the newly planted crops. There has been a little scattering hail, but not enough to cause any noticeable damage. Frances Willene is the name of the new daughter of Prof. and Mrs. Homer Schulze. Father, mother, and child are all reported as resting well after returning to their home at the teacherage Sunday. Mr. and Mrs. Edgar (Jack) Shields, recently of Whon but now living in Santa Anna, also are celebrating the arrival of a new boss. The new Miss Shields has been named Sandra Leal.

Presby'rian Church

It gives us joy to invite you to church. Our joy is greatly increased when we can have the pleasure of greeting you at the services. There was a goodly number last Sunday. Let us increase the number next Sunday. Your presence will add much to the service. Most all the members of the church are able to come. Think about your church first Sunday morning. May you find in it your greatest joy. If you come to be entertained you will be disappointed. If you come to hear a great sermon there is no assurance of that. But if you come in the Spirit of the Lord and in His Spirit worship you will not go away disappointed. Sunday evening we will go to the High school Baccalaureate service at the high school building. M. L. WOMACK, Minister.

Methodist Church

Next Sunday is Mother's Day. Honor Mother by attending church. Appropriate services will be observed by different departments in the Church School. The senior department will observe the day with appropriate services at the Sunday school hour; the intermediate department will observe the day at the Epworth League hour, 7 p. m. These young people are inviting their mothers to be present. The pastor will bring a Mother's Day message at the morning service, 11 o'clock. There will be no evening services. The pastor and congregation will attend the baccalaureate services at the high school auditorium at that hour. G. A. MORGAN, Pastor.

Christian Church

There was a very good attendance at Sunday School and a better than usual attendance at the night service. More young people were present than had been attending. Bro. Forrester brought one of his usual great sermons. The congregation is preparing for and expecting a great Mothers Day Service next Sunday morning. Every member is urged to be present and visitors are always welcome at the church "where you are a stranger but once." Virginia Hart Organdie dresses. \$1.95. Gehrett Dry Goods. Ernest Lee Womack, student in the Trinity University at Waxahachie, spent last week-end here with his parents, Rev. and Mrs. M. L. Womack.
