FACE LIFTING

Spring and cleaning. These are two words which have become practically inseparable. The mop, the bucket, the scrub brush are as symbolic of this season as the crocus and the daffodil. Nothing is quite so satisfying as the wakening from winter doldrums to the constructive action of cleaning, scrubbing and polishing.

If we add to this basic spring mixture the further ingredients of repairing steps, roof, electrical appliances, painting interior and exterior surfaces, planting flowers, our community will reflect Nature's reawakening.

Clean Up-Paint Up-Fix Up today for a sparkling tomorrow.

PUBLIC SCHOOLS WEEK

The need for the public school never changes, but times and conditions may change or require to be changed methods and practices of public education. This is inherent with anything that grows, for growth is the result of change.

Our Texas public schools were created 106 years ago. In 1854 the first law was passed establishing the public school.

It is a healthy thing in our democratic way of life to have intelligent understanding of the important functions of our basic institutions. This is especially true of the schools. The initiative and resourcefulness and the wisdom and leadership that our schools are inculcating in the youth of today are the answer of the problems of citizenship in the years ahead.

Yes, "bring me men to match my mountains." That is the need of our times and must come from the public schools—schools that are strong in virtues required for building strong men and women.

We can be assured of this and do our part in understanding and helping the public schools to fulfill their great obligation to our times by being a participant in the annual Public Schools Week, February 28 through March 4. Schools will hold open house; accept their hospitality, and you will enjoy the experience of going back to school — if but for a day.

Ward School Completes Basketball Season

The basketball season was completed Monday night for the Santa Anna Ward School when both teams went to Rising Star for the final game. The boys won over Rising Star 33 to 18, while the girls lost by a score of 10 to 24.

Last Monday night the Santa Anna boys won over Bangs in the first game of the Blanket Tournament. Friday afternoon they won over Rising Star in the second game and in the final game Saturday night, they won over Blanket by a score of 35 to 33 to win the tournament.

In the girls division, the local girls won over Bangs, then lost to Rising Star Friday afternoon. Sharon Gilbreath was presented the Sportsmanship Award in the girls division of the Blanket Tournament.

Brother of Local Woman Buried Here Friday

Homer Thomas Fletcher, 67, of Austin, was buried in the Santa Anna Cemetery Friday afternoon. Fletcher, a former resident of Santa Anna, died in an Austin hospital Monday, Feb. 15, at 9:30 p. m. He was stricken ill on Sunday afternoon.

Fletcher was born in Milam County, May 27, 1893 and moved to Santa Anna with his family before 1900. He continued to make his home here until about 20 years ago, when he moved to Austin. He had been retired for several months. During the past year he had worked for the State Senate, worked in a Mission and operated a rest home in Austin.

Funeral services were held at 10:00 a. m. in Austin, then the body was brought here, where grave side rites were held in the Santa Anna Cemetery, with the Rev. Ray Elliott officiating.

Survivors include his wife, two sons, Clovis Fletcher and John Fletcher; one daughter, Mrs. Elizabeth Zachary of Corpus Christi; two step-sons and two step-daughters; one sister, Mrs. Lola Lightfoot; and one brother, G. E. Fletcher of Arkansas.

Cook Funeral Home of Austin was in charge of arrangements, assisted in Santa Anna by the Hoch Funeral Home.

District 9-A Champions

The Santa Anna Mountaineer girls defeated the Llano girls 63 to 48 in the Goldthwaite gym Friday night of last week, to become the champions of District 9-A. Pictured above are, left to right: Glenda Vineyard, Peggy Hawkins, Donna Walker, Mary Rehm, Patsy Clifton, Judy Bryan, Elaine White, Gayla McIver, Barbara Allen, Roberta Morgan, Ellen Lewis, Anita Broadway, Carolyn Bates and Dixie Baugh. Seated in front, left to right are: Jane Horne, manager, Douglas McArthur, Coach and Sue Wise, manager.

The girls lost only one conference game during the season, and that was the first game of the conference season to Llano. On Friday night the local girls won handily in the fourth period, after wearing the Llano girls out in the first three periods.

The local girls will play Clyde in the bi-district game. The time and location of the game will be determined Wednesday night when Coach McArthur and Supt. Perry meet the Clyde officials at Cross Plains. Perry said the game would likely be played either Monday or Tuesday night of next week. The bi-district winner must be certified before midnight Tuesday, March 1.

The winner of the Santa Anna-Clyde game will go to Denton the weekend of March 5, to enter the Regional Tournament, which will have four teams in it. Only one team will go from the Regional meet to the state meet.

Mr. Perry said none of the girls who make up the first team graduate this year. He feels there is a good possibility of the girls advancing to the state meet this year, and if by chance they do not, there is a very good likelihood they can look forward to going to the state meet next year.

In the Friday night game Judy Bryan was high point girl with 27 points and Gayla McIver was a close second with 26 points. These two girls have been consistent high scorers through the season. Mary Rehm has also been consistent in making good scores.

In the All-District teams, released after the Friday night game, Santa Anna placed one girl in the six guards and two girls in the six forwards. Roberta Morgan was selected as one of the all-district guards, and Gayla McIver and Judy Bryan were selected all-district forwards. Dixie Baugh and Carolyn Bates received honorable-mention as guards and Mary Rehm received honorable-mention as a forward.

Other selections were: Guards, Jackie Ligon and Shirlene Baum of Llano, Pat Baker of Burnet, Mary Kothman of Mason and Johnny Elliott of Goldthwaite; Forwards, Maria Eubanks of Goldthwaite, Frances Strayhorn of Llano, Christie Schmidt of Mason and Donna McDonald of Burnet.

Brucellosis Program Nears Completion

According to reports received Wednesday morning, a total of 11,655 cattle in 867 herds have been tested for Brucellosis in Coleman County. Only a few herds remain to be tested.

On the total number of head tested, only 46 reactors have been found, and 650 heifers have been vaccinated.

Any herds that have not been tested, or arrangements made for testing, should be reported now in order to get the testing program complete. If you own cattle that should be tested, you are requested to get in contact with Dr. Post, telephone 8882, or contact the men doing the testing.

Adverse weather conditions this week have slowed the program down.

The infection rate thus far discovered is well below the tolerance allowed for the area accreditation.

GO TO CHURCH SUNDAY.

City Fire Chief Gives Hints on Fire Prevention

"Clean Up is not just a slogan, it's a vital way to prevent fire from threatening your home and loved ones," Chief W. B. Griffin of the Santa Anna Volunteer Fire Department said today in conjunction with the beginning of the annual Clean Up-Paint Up-Fix Up campaign.

Chief Griffin urges all residents to check that their homes meet these standards: Furnace and heating system checked spring and fall. Determine if wiring system meets today's electrical demands. Fuses blowing out often, flickering lights, appliances operating slowly are warning signals that wiring is out of date.

Old clothes and furniture and newspapers are removed from the attic, basement and garage. Only rags and paint-stained cloths are disposed of or kept in closed metal containers. Only mops should be hung up so air can circulate around them.

No leaves or grass cuttings are near building foundations. Periodic home fire drills are held with instructions on what to do should fire start from an uncontrollable cause.

"The one sure way to successfully fight a fire is before it starts — so take advantage of the current campaign and Clean Up now," Chief Griffin advised.

Service For Mrs. Sam Everett Held In San Saba Sat.

Funeral services for Mrs. Sam M. Everett of San Saba were held at the Funeral Home Chapel Saturday afternoon at 2:00 p. m. Mrs. Everett died in the San Saba Hospital Friday morning. She had been ill for about five weeks and in the hospital two days. Burial was in the San Saba Cemetery, beside the body of her husband who predeceased her in death about two years ago.

Mrs. Everett, the former Nellie Parker, was a native of Santa Anna. She was married to Sam Everett here and they raised their family here before moving to San Saba about 20 years ago. She was 78 years of age.

Survivors include three daughters, Miss Alealia Everett and Mrs. Don Peister of Dallas and Mrs. Jennie Spier of San Saba; three sons, W. A. and Sam Everett of Victoria; four sisters, Mrs. Jennie Hobson, Mrs. Minnie Burr and Mrs. Fannie Faulkner, all of Dallas and Mrs. Essie Lowry of Fort Worth; four brothers, Will Parker of Santa Anna, Ben and Jim Parker of California and Henry Parker of Odessa. Nine grandchildren and five great-grandchildren also survive.

Mr. and Mrs. Will Parker and Mr. and Mrs. Vernon Parker of Santa Anna attended the services. Henry Parker and his son, Leland Parker, of Odessa, attended the services and visited Saturday night and Sunday in the Will Parker home.

All six of the children were at the bedside of Mrs. Everett when she passed away.

Second Grader to Observe Second Anniversary Sun.

VICKI JO NEFF

Little Miss Vicki Jo Neff, daughter of Mr. and Mrs. Buddy Neff, is making plans to observe the second anniversary of her birthday with a party in the home of her parents Sunday afternoon. She has invited all the students of the Second Grade to their home north of town for the observance. On the agenda is horse back riding, refreshments and games. Hours for the party are from 3 to 5 p. m.

Actually her birthday anniversary is Monday, February 29, and she will be 8 years old. She was born in the Coleman Hospital, February 29, 1952, being the only baby born in the county on that day.

Now the bright-eyed youngster is a Second Grader in the Santa Anna Schools. She enjoys being outdoors and (as Mrs. Neff said) does not care much about wearing dresses. She much prefers her western type clothing.

Her grandparents are Mr. and Mrs. I. H. Neff of Burkett and Mr. and Mrs. Lee Clanton of Houston.

Son Born to Dr. and Mrs. Henner Monday

A son weighing 4 pounds and 8 ounces was born to Dr. and Mrs. Charles M. Henner in the Santa Anna Hospital at 2:45 a. m. Monday, February 22. He has been named Chancellor Charles.

Dr. Henner said the baby was about two months pre-mature and artificial respiration had to be administered several times during the first hours of his life. He has been in an incubator since birth and the report on Wednesday was he was progressing nicely. However, he is still in the incubator.

The Henners have three other children, Abbe, 5½ years; Von-deane, 2 years; and Barron, 10 months. Mrs. Henner's mother, Mrs. Hettie Lancaster of Sacramento, Calif., is staying with the other Henner children in Waco.

Other grandparents are H. P. Henner of Vancouver, British Columbia, Canada and Mrs. Lynn Henner of Los Angeles, Calif.

Public Schools Week to be Observed In Local Schools All Next Week

Firemen Complete Study Course

The Santa Anna Volunteer Fire Department completed a five-night study course last week. The course was taught by John R. Rauch, of the Firemen's Training School, Texas A & M College.

The local firemen attended the school one night each week. During the course they covered many fields including new and better methods of fire prevention, detection of arson, fire inspections and public relations.

Average attendance at the meetings were 88%, which was the highest percentage of any department taking the course in this area.

Civil Defense to Be Topic at 5th Monday Meeting

Civil Defense will be the principal topic at the regular meeting of the Council of Church Women, to be held at the Seventh-day Adventist Church Monday, February 29, beginning at 7:30 p. m. The council meets each Fifth Monday in various churches in town.

Mr. and Mrs. H. M. Jensen of Fort Worth, will be here for the special meeting. All the community is invited to attend the meeting, as well as all members of the council.

The meeting is to inform citizenship on how to prepare to protect homes in the event of an atomic or hydrogen bomb attack, or any other serious disaster. The Jensens are specialists in this field and work closely with the State Civil Defense authorities in Austin.

Among the several topics and demonstrations will be such items as: (1) how to prepare and have an emergency first aid kit in your home; (2) how to prepare your home for emergency sanitation in the event water and sewage lines become unusable; (3) how to protect yourself from atomic fall-out and blasts by preparing shelters in your home or nearby; (4) how to prepare food and water storage for emergency; (5) how to fight fire in the home and the simple equipment needed; and (6) how Santa Anna can organize its city best to help its people prepare for evacuation, mass feeding and medical care for those who have been injured.

Dr. Charles M. Henner and Dr. J. Phillip Rehngrren, together with other medical personnel will be in attendance. A motion picture showing actual disaster scenes, prepared by the Federal Government, will be shown.

All civic leaders, educators and those interested in the preparedness of their homes are invited to attend, as well as the Ladies of the Council of Church Women.

Quarterback Club Chili Supper Ticket Sale to End Fri.

Tickets to the Santa Anna Quarterback Club Chili Supper, to be held Friday night, March 4, may be purchased through Friday, Feb. 26. All sales will end then. You are urged to make plans to be present at the Chili Supper and purchase your admission tickets now. They are available from most school students and members of the Quarterback Club.

Coach Bennie Williams of Howard Payne College will be the guest speaker and will bring a film of one of the Howard Payne football games.

The Chili Supper will be held in the Elementary School lunchroom.

DAUGHTER BORN TO MR. AND MRS. ROY MATHEWS FRIDAY

A daughter weighing 6 pounds, 5 ounces, was born to Mr. and Mrs. Roy Mathews, Friday, February 19 at 11:20 p. m. in the Brownwood Memorial Hospital. The little girl has been named Melody Lynn. Mrs. Mathews and baby are expected home about the middle of the week.

Mr. Mathews is principal of the Santa Anna High School. The child's grandparents are Mrs. M. E. Taylor of Santa Anna and Mr. and Mrs. Hollis Mathews of Bangs.

The 10th annual observance of Texas Public Schools Week will be observed next week, February 28 through March 4. The local schools will observe open house all during the week and every citizen of the area is invited and urged to visit at least one class room during the week. You are invited to visit as many classes as you desire to, but are urged to make a special effort to visit at least one class period.

With this article is a complete schedule of the teachers' and classes beginning with the Sixth Grade through High School. You are invited to attend the class you prefer. In the high school listing, the room numbers where the classes are taught are listed with each subject.

Plans for the local observance include a musical program to be presented on Thursday night, beginning at 6:30 p. m. Thursday, March 3; all the teachers in the Elementary and High School will be in their home rooms, where open house will be held for those wishing to visit rooms and talk with the teachers. Then at 7:30 p. m. the musical program will begin in the high school auditorium. No charge of admission will be made.

Included on the program will be the Senior Band, Stage Band and the Junior High Choral Club.

The regular monthly meeting of the Parent-Teachers Association will be held Wednesday afternoon in the Elementary School Cafeteria.

The slogan for Public Schools Week is "Texas Public Schools—Democracy in Action." The purpose of the week is to get the general public better acquainted with the school programs and the accomplishments. It recognizes the importance of education in the function and operation of a democracy, our forefathers established the public schools to make education available to all. Education 106 years ago may have been somewhat a debatable subject, but today its importance is far from being debatable. Our job now is to see that every child gets the best education possible.

Evaluating the schools and familiarizing ourselves with the problems of teachers and students, we become more competent to safeguard and advance the institution that is so American — the public school.

Following is the complete schedule of teachers and subjects for you to select your visiting time from.

Happy Birthday

"Happy Birthday" to all who have birthdays during the next week. Below are listed the birthdays we have this week.

- FEBRUARY 26
Mrs. Loy Banta
- FEBRUARY 27
Donnie Campbell
Eugene White
Mrs. Minnie Lane
- FEBRUARY 29
Bettie Blue
Off Martin
Vicky Mills
Vicki Jo Neff
Dr. J. Phillip Rehngrren
- MARCH 1
Mrs. Payne Henderson Sr.
Mrs. Jim Tucker, Brooksmith
- MARCH 2
Warren Bruce Wallace
H. D. Speck

Would you like for your name to be published on your birthday? If so, please be sure to let us know when it is. Next week we will publish names of those having birthdays between March 4th and March 10th.

State Capitol NEWS

Austin, Tex. — With an eye on the growing cost of government and need for new taxes, a committee from the Texas Senate has launched an economy study. Overall state budget for the present two-year spending period is \$328,000,000 more than for the previous two-year period. It was an increase of about 11 percent. There is every indication that the next Legislature will be faced with demands to raise salaries and expand and improve state services in approximately the same proportion. Some of the cost increase is attributed to sheer quantity. With Texas population increasing an estimated 26 percent from 1950-60, there are more youngsters to educate, more patients for state hospitals, more cars wearing out the roads. More significantly, the percentages of oldsters and youngsters is increasing faster than the percentage of middle-aged people. Older and younger people generally up revenue needs — for welfare benefits and schooling — but contribute less in taxes than income-earning middle-agers. Some of the increase in costs results from a drive for quality — better schools, hospitals and highways. With undeniable money needs so great, the Senate committee was set up to seek out any indications of extravagance or waste

and "see if we are getting our dollar's worth for the money we're spending."

As a starter, the committee, headed by Sen. Ray Roberts of McKinney, agreed to hold its own expenses to the bare minimum.

BRIDGES TOO LOW

State Highway Department Engineers are faced with the task of re-designing bridges for the interstate highways to conform with a U. S. Defense Department requirement for a 16-foot clearance.

Texas has 254 bridges in the interstate system which do not meet the newly announced overhead clearance requirement.

U. S. Bureau of Public Roads, which works with the Highway Department in planning the joint federal and state road system, has specified only a 14.5 foot clearance.

Bridges cost approximately \$140,000 apiece, and re-designing to meet the new standards would cost about 55 percent of the original cost. By-passes for transport of missiles and other defense equipment are being considered.

MARATHON WATER HEARING

When the subject is water development, Texans always seem to have a few million well-chosen words to exchange.

Hearing before the State Water Board over whether Houston and the Trinity River Authority shall receive a permit to build a new Trinity reservoir is one of the longest ever held. It has been in progress off and on since November.

Main opponent is the San Jacinto River Authority which wants Houston to use its money developing the San Jacinto rather than the Trinity.

SJRA witnesses contend the Trinity water will be inadequate in amount and unsuitable for domestic use.

OIL FLOW CUT

Texas Railroad Commission set the March oil allowable at 2,900,568 barrels a day.

This is 120,498 barrels a day less than the February allowable. It continues February's 10-day production pattern.

Most of the industry testimony before the Commission was gloomy. There is an over-supply of oil now, said some spokesmen, and another month of over-production would be "disastrous."

CITIES DUE RECOGNITION

Cities of Harlingen and West University Place (Harris Co.) are to receive awards for their water and sewage plants on March 2.

Dr. J. E. Peavy, State Health Commissioner, will present cups to representatives of the cities at a banquet sponsored by the Texas Water and Sewage Works Association.

Harlingen will be recognized for having the "most attractive water treatment plant in the

state" and West University Place for the "most attractive sewerage treatment plant."

Presentation will be made during a short course for city water and sewage plant personnel to be held Feb. 23 to March 5 at Texas A&M College.

CARE FOR OLDSTERS

Texas' need for more mental hospital space has focused attention on the number of state mental hospital beds, occupied by persons not mentally ill.

In a talk before the Texas Association for Mental Health, Gov. Price Daniel said, "One of our toughest problems now involves those 5,000 hospital patients whose only illness is advanced age."

"Senility is not insanity," said the governor, "and a concerted effort must be made to enable these aged citizens to be cared for in nursing homes or in their own homes."

State Hospital Board Chairman French Robertson called it "a sad thing that people send their old people to mental hospitals when they don't want to take care of them."

PATROL EXAMS SET

Young men between 21 and 35 years of age will have an opportunity in April to seek admission to one of the nation's most highly regarded law enforcement agencies.

Col. Homer Garrison Jr., Director of the Department of Public Safety, announced that entrance examinations will be given April 12, 13 and 14 for candidates for the State Highway Patrol.

Applicants must be high school graduates, in good physical condition and of high moral character. They must be not less than 58 inches nor more than 76 inches tall and weigh not less than two pounds nor more than three pounds per inch of height.

Applicants should contact regional or district DPS offices or write the Texas Department of Public Safety, Austin.

GAS HIKE OKAYED

Texas Railroad Commission has granted Lone Star Gas Co. permission to raise its rates from 30 cents to 35.4 cents per 1,000 cubic feet.

Lone Star, which sells to 328 Texas cities, had asked for an increase to 40 cents.

Twenty-eight cities vigorously opposed the company's request, keeping the matter in heated controversy before the Commission for more than a year.

NO COMPETITION

Several legislative races have been "won" without a shot fired.

Texas Legislative Service reports 20 announced candidates for legislative posts have with drawn.

More on Egg Facts

College Station — Are fertile eggs more nutritious than infertile ones? No, says F. Z. Beanblossom, extension poultry marketing specialist, as he discusses facts relating to eggs. Since nothing of nutritional value is added by fertility, there would be no difference in the nutritional value of fertile and infertile eggs. Nutrients in the feed are largely responsible for nutritional value of the egg, he adds.

"Egg albumen doesn't contain any food value." That is not

true, says the specialist. Research shows that the albumen (egg white) contains over 50 percent of the protein in the egg and about 75 percent of the riboflavin. Don't waste the albumen.

"A prominent chalaza (thick twisted portion of albumen) indicates poor quality." Not true, says Beanblossom for prominent chalazas usually are associated with eggs of highest quality. They are composed of high quality protein and they help keep the egg yolk centered in the shell and anchor the yolk to the remainder of the thick albumen. All eggs have chalaza and they are no indicator of either fertility or infertility.

TEXAS ANNUAL
PUBLIC SCHOOLS WEEK
February 28 thru March 4

Public Schools Week is here again. For 10 years, public spirited citizens of Texas have sponsored this week. Its purpose is to bring to the attention of everyone the fact that the Public School is "Democracy in Action." All the schools are holding open house. Take advantage of this opportunity to see just what the schools are doing.

Interest on United States Savings Bonds

"Interest on U. S. Savings Bonds must be considered taxable income," Virgil W. Newman of Internal Revenue Service, Brownwood advised taxpayers today.

"If you are on the cash basis, you have an option as to when you may report the interest on your income tax return. You may want to report interest yearly. If you do it this way, the amount of interest to be included in income each year is given in the table on the bond."

The taxpayer may wait until the bonds are matured or cashed before reporting the interest earned. In this case the interest must be included as income for that year. Also, once the taxpayer begins to report interest yearly, he must continue with this plan, unless he is given permission to change to another method.

"Accrual method taxpayers must report interest on U. S. Savings Bonds each year as the interest accrues. They are not permitted to defer the reporting of interest until the bonds are cashed or matured," Mr. Newman concluded.

Novelty of Auto Passes With Time

The automobile was such a novelty in 1896 that the Barnum and Bailey Circus displayed one as its main oddity.

Today there are more than 80 million passenger cars traveling on the world's roads, according to World Book Encyclopedia. And about 56 million are owned by Americans.

That's enough cars to take every man, woman and child in the U. S. for a Sunday drive at one time... with room left over for all the people of Great Britain and France. And even then, there would be 15 million empty seats.

Here are some interesting facts about automobiles: England tried to discourage the use of cars in 1865 by passing the Red Flag Law. The law required that someone carrying a red flag in the daytime and a lantern at night walk ahead of any steam carriage traveling on the highways.

The first president to ride in a car was William McKinley. He was taken to a hospital in an electric ambulance after being shot by an assassin in 1901.

ton, D. C., in 1905 to prove the car's power.

The average car lasted 6.5 years in 1925. Today it lasts more than 12 years. The average 1925 car traveled 25,750 miles before it was scrapped. The average car today travels 110,000 miles.

Private passenger cars in the U. S. travel more than 500 billion miles a year... a distance greater than 2,700 round trips to the sun.

Widows & Children Of War Vets May Check Pension Status

Widows and children of World War II and Korean conflict veterans whose pension applications have been refused in the past, should investigate the feasibility of refiling under the new pension system. P. J. Mims, manager of the VA Regional Office in Waco said today.

The News, Santa Anna, Texas, February 26, 1960

Page 3

Mr. Mims pointed out that the old pension law required that the veteran have had some serious disability before his dependents were eligible for pension benefits.

The new law becoming effective July 1, 1960, wipes out this restriction and makes it possible that some rejected applicants may now become eligible.

Predatory Animal Group Join in County Program

A group of local stock farmers and ranchers met Friday night in the Community Room of the Santa Anna National Bank to organize a "Predatory Animal" program for Precinct 2.

A number of those present have already lost lambs and kid goats to red foxes and other small predatory animals.

It was decided to join the county-wide program of hiring a government trapper for each precinct for six months, and two in the county for the following six months. This is an effort to control all predatory animals, and to protect sheep, goats, poultry, quail, wild turkeys, etc., and also to prevent an outbreak of rabies.

To finance this program, sheep and goat raisers who attended the meeting agreed to pay three cents a head per year on all grown sheep and goats, and a number of other interested persons made cash donations to this much needed program.

All land owners will be asked to share in the cost of this program, and will be contacted by men in each community who are: Santa Anna, Pat Hosh, O. L. Chaney, Ben Yarborough and Calvin Campbell; Buffalo, William Brown, Neely Evans and Lester Newman; Cleveland, Elmer Cupps and G. K. Skarnes;

Trickham, Rankin McIver, Felton Martin, Lige Lancaster and Dink Taylor; Whinn, Roy England, Warren Gill and Babe Gardanier; Rockwood, Jake McCreary, C. H. Wise, Johnnie Steward and R. A. Milligan; Shields, Jack Dillingham, A. B. Carroll, Elton Jones, John Heasley and Burgess Stewardson; Leedy, Tom Kingsbery, Carroll Kingsbery and Virgil Newman; Red Bank, Arthur Casey, James Eubank and C. D. Bruce.

W. T. Stewardson was elected chairman of the Precinct 2 organization and Allyn Gill was chosen Secretary-Treasurer.

Regulations on Cattle Entering Coleman County

During the past several weeks Coleman County has been undergoing a program to become a Brucellosis Free County. The program is just about completed in Precinct No. 2 and will be completed in the other precincts in the near future.

In order to continue to be a Brucellosis Free County, the following regulations have been set up, governing the entry in the county of cattle. These regulations will be strictly adhered to.

The following cattle may enter without an official blood test:

1. Cattle coming from Certified Brucellosis Free areas or counties.
2. Calves under six months of age.
3. Steers of any age.
4. Official Brucellosis vaccinated heifers under 30 months of age.
5. Cattle from Brucellosis Certified herds.

All other cattle are required:

1. To be negative to an official blood test within 30 days prior to entry.
2. After arrival in the county, they must be separate from native cattle for 30 to 90 more days and then be negative to a retest before adding them to the regular herd.

All county residents who work with and deal in cattle are urged to cooperate to the fullest in the carrying out of these regulations.

Summary of Scholastic Census

Cullen N. Perry, Superintendent of the Santa Anna Schools, reports the summary of the school census for the 1960-61 school year, taken in January, shows a total of 462 students enumerated for the coming year. Of the total there are 242 white male students, 209 white female students, six Negro male students and 5 Negro female students.

In the breakdown of ages, the census shows a total of 31 students will be 6 years of age on or before September 1, 1960; to be seven years old will be 38 white and three Negro students, to be eight years old will be 30 white and one Negro students, to be nine years old will be 29 white and one Negro students, to be 10 years of age will be 35 white and two Negro students, to be 11 years of age will be 42 white and two Negro students, to be 12 years of age will be 37 white and 2 Negro students, to be 13 years of age will be 39 white students, to be 14 years of age will be 49 white students, to be 15 years of age will be 34 white students, to be 16 years of age will be 39 white students and there will be 48 students 17 years of age.

MRS. FORD BARNES IN HOUSE PARTY

Mrs. Ford Barnes was a member of the house party at a Silver Spoon Coffee, given by Mrs. James Q. Barnes of San Antonio, at the Oak Hills Country Club, Saturday morning, Feb. 20, honoring Miss Ruth Gene Simpson, daughter of General and Mrs. William H. Simpson of San Antonio.

Miss Simpson's marriage to Lt. Harold Vinson will take place in San Antonio, April 5th.

Mr. and Mrs. Barnes drove to San Antonio Friday afternoon and returned Sunday.

Harper Hunter of Midland, spent the weekend with his mother, Mrs. Ora Hunter.

Mr. and Mrs. Lee Ray Huggins and sons and Lee and Hardin Phillips visited in the home of Mr. and Mrs. Leon Phillips and family in San Angelo, Sunday afternoon.

Mr. and Mrs. Oran Woodfin of Joaquin, Texas, spent Tuesday night with Mrs. Ella Stiles and visited in the John Gregg home.

Shipbuilding got off to an early start in New England. World Book Encyclopedia says the first ship built by English colonists in America was launched on the Keenebec River in Maine in 1607.

There are about 100,000 unknown active cases of tuberculosis in the United States.

For one who never knows what she wants, her woman is quite apt at getting it.

Don Davis of Childress, spent the weekend with his father, M. R. Davis, and other members of the family.

Mrs. Oran Henderson and Orabeth of Snyder, were weekend visitors with her parents, Mr. and Mrs. Hardy Blue.

Mr. and Mrs. Bill Pritchard, Robert and Sue, of Post, spent the weekend with her parents, Mr. and Mrs. W. E. Vanderford. Mr. and Mrs. Pritchard went to Temple, Saturday to visit his

mother, Mrs. M. A. Pritchard, who is in a Temple hospital for surgery. On Sunday Mr. and Mrs. Audrey Robbins and Walter and Glenda of Midland visited with the Vanderfords.

Mrs. E. M. Critz of Coleman returned home from the Dallas Market last week where she purchased new merchandise for her store.

Mrs. S. L. Cannon of Brownwood, spent a few days last week with Mrs. Annie Munger.

Deputy Grand Matron Visits Local Chapter

The Santa Anna Chapter No. 247, Order of Eastern Star met Monday, Feb. 22 at 7:30 p. m. for its regular meeting. Mrs. Add T. Walker, W. M., and Add T. Walker, W. P., with the assistance of 15 officers, presided during the meeting.

Mrs. Lillie Krohn, Deputy Grand Matron of District 3, Section 5, was presented and gave the Worthy Grand Matron's instructions and Welfare Program.

Mrs. Charlotte Scott, Associate Matron, presented the chapter gift to Mrs. Krohn. After the chapter closed, the group met in the Fellowship Hall for a social hour.

The hall was decorated with Azalea, chrysanthemums, hyacinths, gladiolus, American Beauty Roses, candles and other spring flowers.

The table was laid with pink damask cloth, American Beauty Roses and silver candles were used for the center piece.

Mr. and Mrs. Jack Mobley, Mrs. Emma House and Mr. and Mrs. R. L. Todd served cherry pie a la mode and coffee, to the above mentioned and Mr. and Mrs. M. L. Guthrie Jr., Mrs. Cliff Herndon, Mrs. Blanche Grantham, Mrs. Viona West, Mrs. Zuda Henderson, Miss Joyce Smith, Mrs. Frances Everett, Mrs. Bertha Allen, Mr. and Mrs. Dick Bass, Earl Hardy, Mrs. Myrtle Taylor, Mrs. Jack Bostick, all of the Santa Anna Chapter, and John Krohn, Mrs. Lola Carter, Mrs. Lurah Kelly, Mrs. Lois Lockhart, Mrs. Gertrude Barnett, Mrs. Evelyn Myrick, Mrs. Mae Fuller, Mrs. Overta Poss and Mrs. Bettie Scott, all of the Brownwood Chapter.

Walkers Entertain Deputy and Officers

Mrs. Lillie Krohn, Deputy Grand Matron of District 3, Section 5, Order of Eastern Star and the officers of the Santa Anna Chapter No. 247, Order of Eastern Star were honored Monday evening, Feb. 22, with a buffet supper in the home of Mr. and Mrs. Add T. Walker.

The guests were greeted and directed to the table where they were served baked ham, potatoes, English peas, buttered carrots, tossed salad, pear cottage cheese salad, pickles, olives, hot rolls, coffee and pie.

Quartet tables were laid with white cloths, centered with blue ceramic vases filled with Dutch iris. Place cards were blue ribbons with gold names.

Arrangements of gladiolus, roses, carnations, chrysanthemums and jonquil were used at vantage points throughout the home.

Others attending not mentioned above were: Mr. and Mrs. Dick Bass, Mrs. Montie Guthrie, Miss Joyce Smith, Mrs. Bertha Allen, Mrs. Viona West, Mrs. Lora Rollins, Mrs. Blanche Grantham, Mrs. Lillian Herndon, Mrs. Charlotte Scott, Mrs. Frances Everett and Mr. John Krohn.

The Walker children furnished music for entertainment: Mrs. Lela Hays and Mrs. Emma House assisted Mrs. Walker during the evening.

Carbon paper and sales pads at the News office.

YWA Observe Focus Week

The Young Women's Auxiliary of the First Baptist Church observed YWA Focus Week, February 14-21. This is an annual observance.

On Monday, Feb. 15, the girls met in the church auditorium at 5:30. "A Call to the Country," the Home Mission Study Book was taught by Mrs. Barbara Kingsbery. A covered dish supper was served to the 16 members of the local organization, several ladies of the local church and members of the YWA of the First Baptist Church in Coleman.

Tuesday and Wednesday activities were cancelled, due to illness.

Thursday afternoon the girls met in the home of Mrs. Elgean Harris at 5:30 p. m. for a "Coke Party." Games were played and refreshments served. The YWA girls from the First Baptist Church in Coleman were also present.

Sunday morning during the worship service Miss Jean Smith, a student at Tarleton State College and former member of the local organization, spoke on "What YWA Has Meant to My Life."

Sunday night the YWA honored Miss Clois Cullins with a White Bible Ceremony. The girls wore white dresses and accessories, and carried white candles entwined with English ivy. The presentation was made in a candlelight ceremony. Candle lighters were Reta Ing and Ruth Radle. The presentation of the Bible was made by Mrs. B. A. Parker, president of the parent organization, the Women's Missionary Union.

The YWA girls will attend the annual Houseparty at Hardin-Simmons University in Abilene this weekend. About 15 of the girls plan to go. They will leave Santa Anna immediately after school is out Friday afternoon.

Rockwood H. D. C. Regular Meeting

Mrs. Curtis Bryan presented the program, "What to Wear — And When," at the H. D. Club meeting at the Rockwood Community Center, Wednesday, February 17. Mrs. Bryan modeled a basic dress, changing accessories, making an "around the clock" dress.

Mrs. James Steward gave the Council Report. Mrs. Aubrey McSwane directed recreation.

Mrs. Tom Bryan served Ritz cracker sandwiches, potato chips, cup cakes and coffee to Mrs. Hilton Wise, Mrs. Johnny Steward, Mrs. James Steward, Mrs. Harold Straughan, Mrs. Jake McCreary, Mrs. Jim Ruth-erford, Mrs. Evan Wise, Mrs. Ray Caldwell, Mrs. Jack Cooper, Mrs. Curtis Bryan, Mrs. Henry Smith and Mrs. Aubrey McSwane.

Rockwood WSCS Present Love Gifts At Meeting

Love gifts were presented to Geneva Estes, daughter of Mr. and Mrs. E. L. Estes at the regular social meeting of the WSCS at the Rockwood Community Center, Monday afternoon. Mrs. Tom Bryan, Mrs. M. A. Richardson and Mrs. John Hunter were hostesses. Mrs. Jack McSwane

directed recreation. Washington's birthday theme was carried out in appointments. Cherry punch and cherry decorated cake squares were served to Mrs. E. L. Estes, Mrs. Bill Bryan, Mrs. Kate McVain, Mrs. Drury Estes, Mrs. Boss Estes, Mrs. Mena Shuford, Mrs. Fox Johnson, Mrs. Aubrey McSwane, Mrs. Sherman Heilman, Mrs. Evan Wise, Mrs. Harold Straughan, Mrs. Jack McSwane, Mrs. Matt Estes, Mrs. James Estes, Mrs. L. Bruzenhan, Mrs. Jake McCreary, the three hostesses and four children, Kathy and Sarah Estes and Leslie and Sharon McCreary.

Needlecraft Club Regular Meeting

The Needlecraft Club met in the home of Mrs. R. L. Todd, Thursday, Feb. 18. Fourteen members and one visitor were present. Several members were absent due to illness.

A work project was discussed but no decision was made. It was decided unanimously that the club would meet at the regular time unless the officers decided it should be changed for some special reason.

The hostess served cherry cream pie and coffee to the following: Mrs. J. E. Bartlett, Mrs. John Dillingham, Mrs. Jess Griffith, a visitor, Mrs. Lona Merrit, Mrs. Lillian Pettit, Mrs. John C. Brown, Mrs. Ella Stiles, Mrs. C. A. Curry, Mrs. T. H. Upton, Mrs. Will Haynes, Mrs. M. L. Guthrie Sr., Mrs. W. E. Wallace, Mrs. R. L. Todd and Misses Jettie and Dora Kirkpatrick.

Governor Proclaims March 5-12 as 4-H Club Week in Texas

College Station — Governor Price Daniel has by official proclamation designated the week of March 5-12 as 4-H Club Week in Texas and has asked all citizens to participate in the observance being planned by 4-H members in the communities and counties of Texas.

The Governor in his proclamation said, "Learn, live and serve through 4-H is the challenge to Texas 4-H Club members. Since the 4-H program was inaugurated by the United States Government in 1914 more than a million young Texans have received its benefits.

"An expanding 4-H program not only teaches the latest practices in agriculture and home economics, but emphasizes character, development and good citizenship. Club members learn by conducting demonstrations and participating in 4-H activities. By putting into practice in their home communities what they learn, club members live and serve through 4-H.

"County extension agents work with voluntary 4-H adult leaders, 4-H members, their parents, and friends of 4-H in developing a program which provides education and leadership opportunities for the youth of Texas. The 4-H program is under the direction of the Agricultural Extension Service of the Texas A & M College System.

"Any boy or girl from the ages of 9 to 21 can take part in 4-H Club work. The opportunities offered to 4-H Club members to grow in citizenship and in practical skills are especially valuable to them, the State of Texas and the Nation."

In a letter to all Texas 4-H

Club members the Governor said, "Please accept my best wishes for 1960 and the years ahead. May you continue to build yourselves, your homes and communities, and thus help build our State and Nation. The future holds bright promise for our land, and you as 4-H Club members have a vital share of this future. I join the people of Texas in saluting you and the parents, adult leaders and friends of 4-H who make this program possible."

Stage Band to Contest, Friday

The "Skyliners", Santa Anna Stage Band will go to Brownwood, Friday, Feb. 26th to participate in the 9th annual Stage Band Festival held in the Brownwood High School Auditorium. Santa Anna is competing against nine other bands in its class. The public is invited to

the festival and there is no admission. Some forty stage bands representing every part of the state will perform through Friday and Saturday. Friday night at 8:00 p. m. the North Texas State College Lab Band will give a concert. They are considered tops in the nation.

If local patrons will tune their radios to KBWD it is possible the festival music will be broadcast. The Skyliners are scheduled to play at either 8:00 a. m. or 10:20 a. m. The final schedule has not been set.

Last year Santa Anna took 2nd place in its class "A" division and received a very beautiful trophy which stays in the Band room as a reminder of their hard work. The Stage Band rehearses strictly after school hours.

Elaine White and Juanel Mer-cer; Trombones, Dixie Deal, Glen Glibreath, Linda Evans, Nelson Perry; Drums, Frances Bryan; Bass, Freddie Cullins; Piano, Carol Campbell and Arlene Welch; and Vocalist, Carol Campbell.

Grandson of Mrs. M. E. Waller Killed Saturday Morning

Howard Waller, 30, of Tucum-cari, N. M., was killed about 8:00 a. m. Saturday at his home when a pick up truck he was working on fell off a jack and crushed his chest. He had been ranching in New Mexico for several years, moving there from Breckenridge. He was the son of Mr. and Mrs. Charles B. Waller of Brecken-ridge and a grandson of Mrs. M. E. Waller of Santa Anna. Survivors include his wife, three sons, one daughter, his parents, one brother and two sisters. Burial was in the Brecken-ridge Cemetery, Tuesday.

Shortage of Nurses In Dallas VA Hospital

A shortage of nurses at the Veterans Administration Hospital in Dallas, Texas, is seriously hampering care of sick and disabled veterans in that area, VA has revealed.

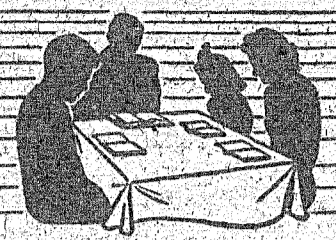

In a recruiting campaign to bring its nursing personnel back to full strength at the Dallas hospital, VA pointed out many career advantages for nurses in the Veterans Hospital system.

Annual base pay ranges from \$4,425 to \$9,320, with regular raises. Nurses also receive 30 days annual vacation, 15 days sick leave, free laundry and uniforms, low cost insurance and retirement pay.

Nurses interested in career opportunities at the Dallas hospital should contact the Personnel Officer or Chief Nurse for further information.

Maine was once the property of Massachusetts. According to World Book Encyclopedia, Massachusetts bought the other state for about \$6,000 in 1677 from the heirs of Ferdinando Gorges, who had received the land as a gift.

Today's MEDITATION
From: The World's Most Widely Used Devotional Guide

The Upper Room
© THE UPPER ROOM, NASHVILLE, TENNESSEE

Read 1 John 3:1-11. This is the message that ye heard from the beginning, that we should love one another. (1 John 3:11.)

Tradition gives us this story about one of the early saints. As he walked along the streets of his city, a beggar lifted his hands to him and asked for charity. The saint replied, "My brother, I regret that I have no coin to offer you."

Whereupon the beggar, with tear-filled eyes said, "But you have just given me the greatest gift you could have bestowed upon me. You called me Brother."

What a glorious day it will be for this old war-weary world when we shall learn to look upon our fellow man in his hunger, suffering, frustration, and rejection, and in answer to his outstretched hands and pleading eyes, say, "My brother!"

Curtains of race, creed, religion, position and ideology will then crumble into rubble. We will push it aside to make room for the foundation of the bright new world of tomorrow.

PRAYER:

Father, I remember the question Cain asked of Thee, "Am I my brother's keeper?" When I am tempted to ask the same question, may the answer be so obvious as to shame me. For Jesus' sake Amen.

THOUGHT FOR THE DAY

Because as a Christian I believe in God as Father, I think of all persons as my brothers.

— Rufus F. Sorrells (Arkansas)

Mr. and Mrs. Allen Pierce and daughter, Paula Sue, of San Diego, Calif., visited over the weekend with her parents, Mr. and Mrs. J. W. McClellan. Mrs. Pierce is the former Frances McClellan.

Mrs. S. D. Harper and Mrs. Norman Cash of Eldorado, spent the weekend here with Elsie Lee and Ruby Harper and other relatives.

About Your HEALTH

A weekly public service feature from the Texas State Department of Health.

HENRY A. HOLLE, D. D., Consultant of Health

Two months from now a thin black line on a graphic chart at the State Department of Health will begin an inexorable climb upward, getting higher and higher each week as summer progresses, then turning into a slow downward curve in mid-September.

The chart is the department's way of keeping a weekly tally on polio. By referring to charts for previous years, Dr. H. E. Smith can predict when the line will begin its upward swing.

The last week in April is when polio starts to increase in Texas," says Dr. Smith, chief of the department's preventive medicine section.

The line reached its high point during August last year when 145 cases were charted. At the year's end 526 cases had been tallied, a high toll but still a fine testimonial for polio vaccine when contrasted to the 3,984 cases during pre-vaccine 1952.

Extending the line each week is a painful chore for statisticians. Each time it advances one square on the chart they mentally hear a physician speaking to someone somewhere in Texas and making his diagnosis: "Polio."

That someone thus becomes a statistic, with his name and facts surrounding his illness filling blank spaces on Form No. 68-R5732, the department's cold and impersonal polio case record.

An analysis of 273 case record forms, completed with a clinical thoroughness during the polio season last year, is a dramatic study in human frailty.

It shows that nine of every ten cases had had less than the basic three vaccine shots recommended for maximum protection. It shows that three of every four cases had not received a single dose of the vaccine proved effective beyond all expectations.

More than half of last year's victims of paralytic polio were under five years of age, the analysis reveals. And among these youngsters as many as among other age groups, nine of ten had not received the recommended three shots.

Now they're part of a black line on a sheet of graph paper. "It would only add hurt to in-

black line will begin its seasonal climb.

"We hope it won't go as high this year," Dr. Smith says. "But we've got plenty of case record forms on hand, just in case..."

Why Fewer Babies Die Today

Fifty years ago, one out of every 10 babies died during its first year of life. Today, infant mortality during that first year has declined to only one out of 40 babies. Much of the credit for this huge drop belongs to the potent drugs that help defenseless infants to fight the diseases that once meant certain death. That's why we say...

Today's Prescription is the Biggest Bargain in History

Keep Children Out of Street and Mischief With a Home Play Yard

Worries about your children will be reduced if you put a home play yard high on your list of Clean Up-Paint Up-Fix Up activities.

After you have given the yard a thorough cleaning, assign each child a small garden plot to cultivate and plant easily grown flowers and vegetables. This not only gives "Plant Up" a boost but provides pleasure and responsibility training for the children.

A croquet set or badminton court are inexpensive but can provide entertainment with little work in setting-up. A basketball net or an improvised bushel basket placed on the garage will give practice and fun in this team sport. Also, a shuffleboard

court can be painted on a concrete driveway and will be fun for the youngsters and the adult family members, too.

A grape arbor or corner of the yard can be adapted to a play house for the younger members of the family. In addition to their toys, two or three chairs and perhaps an old table discarded from attic clean-up can be gaily painted to provide props for junior housekeeping.

Lawn bowling, horseshoes, and in fact, many other activities that meet your family's interests and ground facilities will make your yard an appealing place to play and the streets and alleys far less alluring.

During Clean Up-Paint Up-Fix Up time, heed the campaign's safety message and make your yard a play haven.

Biologists Kept Busy Last Year

Austin — Last year was a very busy year for the Texas Game and Fish Commission, according to the director of wildlife restoration. Biologists worked with everything from bighorn sheep in the Trans-Pecos Mountains to white-winged doves in the Rio Grande Valley and Mexico, and turkey in East Texas. Some 38 restoration and wildlife research projects were in operation.

These included trapping bighorn sheep on the Kofa Desert Game Range in southwestern Arizona, developing brood stocks of deer and turkey in many Texas counties, trapping deer, turkey, and javelina on the Aransas National Wildlife Refuge, surveying coastal waterfowl, and determining the status of the white-winged dove in Texas.

In 103 Texas counties technicians recorded game population trends. They made covey courts and studied wings sent in by hunters for quail estimates. Deer populations were estimated through herd counts and check stations.

A program of trapping in areas where surplus exists and transplanting to suitable locations where brood stock is needed, was carried out in nearly every part of the State. Some 287 deer, 46 turkeys and 13 javelinas were trapped on the Aransas National Wildlife Refuge and transplanted elsewhere. In addition, 236 deer, 197 turkeys, and 25 javelinas were trapped on the King Ranch. About 140 turkeys were trapped on other private ranches, and used for restocking purposes.

GO TO CHURCH SUNDAY.

Whon News

MRS. TOM RUTHERFORD

A nice crowd attended the Community Supper Saturday night at the Community Center. A delicious supper was served, and the group enjoyed visiting together for a while. We always welcome visitors and friends from other locations to our community get togethers.

Mrs. Florence Carter and son, Leon, of Brownwood visited Sunday afternoon with Mr. and Mrs. Floyd Morris and boys.

Jana England spent Monday night with Billie Gay Rutherford at Rockwood. Cindy England spent Monday night with Sue Kingsbery.

Mr. and Mrs. Joe Will Fowler and boys, Joe Earl and Jeff, of Kansas City, Missouri, arrived Friday to visit her mother, Mr. and Mrs. Earl Cozart. Saturday they visited Joe's mother in Bangs. Mr. and Mrs. Cozart met them in San Angelo Friday, and accompanied them back to San Angelo Monday where they boarded a plane for their home in Missouri.

Jamie Lee Morris visited with Billy James Sunday.

Lynda Sue Rutherford visited Cheryl Fitzpatrick Sunday afternoon.

Roy England and son, Mike were in San Antonio Friday attending the Fat Stock Show. Mike reported he was well pleased with the place and price of his calf.

Mr. and Mrs. Henry Smith visited with Mr. and Mrs. Tom Rutherford Sunday afternoon. Mrs. Lee Abernathy and Mrs. Darwin Lovelady have employment in Coleman.

Mr. and Mrs. Dave Shields and boys, Curtis Ray and Randy visited with relatives in Cross Plains Sunday.

Bob Rutherford of Rockwood spent Monday night with Mike England.

Mrs. Floyd Morris visited with Mrs. Dave Shields Thursday afternoon.

Sammie Shields was in Brown-

wood, Sunday attending church services.

Results of 1959 Corn Tests Available

College Station — Texas 30, Harper 3 and Texas 28 produced average yields of about 70 bushels per acre to lead all hybrids in the 1959 Texas corn performance tests conducted by the Texas Agricultural Experiment Station.

These hybrids showed a wide range of adaption by ranking at or near the top in each of the individual tests.

The highest yielding white hybrid was Texas 17W. Among the yellow hybrids, Texas 34 and 30 were more resistant to insects and diseases and are therefore,

recommended particularly for areas where insects and diseases cause serious damage to corn.

In the tests corn was planted at 20 locations under dryland and 2 locations under irrigation. Four of the dryland tests were lost because of unfavorable weather conditions.

Growers should consider the performance of the hybrids at the nearest test location, and also the average yield for their area. Recommendations for the

various areas are based on previous years' results as well as those during 1959.

Progress Report 2117 contains a complete summary of the tests and is available free of charge from the Agricultural Information Office, College Station, Texas. The report contains charts showing the performance of the varieties tested at various locations and gives recommendations for each area of Texas, based on the tests.

**Good at Sewing?
You Might Win
Big Contest**

Ever long for a magic carpet? Now you have a chance to make your own — from ordinary cotton feed and flour sacks. Outstanding entries in the 1960 National Cotton Bag Sewing Contest will win exciting vacations in Los Angeles for two American women this fall — and one of them can be you.

If you're chosen as a national sewing champion, an unforgettable expense-paid trip is in store for you. Accompanied by a companion of your choice, you'll attend top-ranking television and radio programs, dine in famous restaurants, see the homes

of Hollywood celebrities, and tour a major movie studio. Accommodations will be reserved for you at a luxury hotel in the heart of Los Angeles.

You can enter the event through one of 50 participating state and regional fairs. Awards totaling \$100 will be given at each fair, and the woman receiving the greatest number of first-place ribbons will receive a portable sewing machine and become an automatic finalist.

In addition to the California vacation, the two top winners also will share in several thousand dollars' worth of valuable merchandise gifts, ranging from large home appliances to sewing notions and accessories.

The cotton bag sewing contest is open to any woman who sews, and there is no age limitation. All articles entered must be made from print or plain cotton sacks, with the exception of minor trimmings.

Further information is available from the National Cotton Council, P. O. Box 9905, Department W, Memphis 12, Tennessee.

The city of Camben, Maine, built a monument to the doughnut hole. World Book Encyclopedia reports that the status honors Captain Hanson Gregory, who invented the doughnut hole in 1847.

NIWOT NEWS

BY THE NIWOT KIDS

There was a good attendance at Sunday school, Sunday, Next Sunday, being the 4th Sunday, there will be a 9:30 a. m. church service. Everyone keep that in mind.

Mr. and Mrs. Dick Baugh and Nancy Lee went to Goldthwaite, Friday night to watch the Santa Anna girls play basketball with Llano. The Santa Anna girls won district.

Pete Battles of California, was visiting his uncles, Mr. Elmer Cupps and Mr. William Cupps last Monday.

Mr. and Mrs. Bruce Hibbets visited with Mr. and Mrs. Charlie Avants and children last Sunday.

Mr. Clarence Petty of San Angelo visited his sister, Mrs. Jewell Clifton and family Saturday.

Mrs. John Perry called on Mrs. Mildred Cammack Saturday afternoon.

Mr. and Mrs. Leon Day of Coleman visited her mother, Mrs. Jewell Clifton and children Tuesday evening.

Supper guests of Mr. and Mrs. Bruce Hibbets Sunday night were Mr. and Mrs. Joe Wallace and children and Mr. and Mrs. Buddy Bengel and Timmy.

Bill Watson spent Friday night with Kippy Clifton, then on Saturday evening Roy Joe Harvey visited Kippy.

Mrs. John Perry and Robert attended the ballgame at Goldthwaite last Friday night.

through on the annual "Swift Tour," a trip sponsored each year by Swift and Co., to eastern markets, stockyards, packing plants and the like. The group is by invitation, made up of leaders in livestock circles from all over the nation.

**Clean Up Leader
Praises Community**

Robert A. Roland, Director of the National Clean Up-Paint Up-Fix Up Bureau, Washington, D. C. has praised Santa Anna's Clean Up plans and projects for 1960.

"It is gratifying to learn that Santa Anna will join the more than 6,000 communities participating in this civic betterment

The News, Santa Anna, Texas, February 26, 1960

Page 9

and beautification program," Mr. Roland said. The Clean Up leader pointed out that a comprehensive Clean Up-Paint Up-Fix Up campaign is an all-out attack on blight, slums, fire accident and disease.

"Furthermore," Mr. Roland continued, "the Clean Up program helps cure civic ills in the American tradition of local initiative and individual responsibility."

Mr. Roland has offered the assistance of the National Clean Up-Paint Up-Fix Up Bureau to Santa Anna should any problems arise. The Bureau was organized in 1912 and has aided communities conduct Clean Up campaigns in every state in the nation.

**Our
WASHINGTON
Letter**

By Congressman
O. C. FISHER

WHILE THE SENATE argued over the issue of Civil Rights or Civil Wrongs, the House coasted along with annual appropriation bills last week, and maneuvered for a test on the civil rights issue in early March.

The House debate will begin on March 10, and a bill is certain of passage, though probably milder than the Senate version. It all boils down to the big battle for the Negro vote in 1960. While all sorts of pretensions are advanced, every one knows what the real objective is. In calmer, more objective moments most politicians will admit that special laws are not needed for any minority group, racial, religious or otherwise. But not so on election years.

IN WASHINGTON last week as one of four delegates to a national Citizenship Seminar sponsored by the Methodist Church, was Miss Sue Mims, daughter of the Elton Mims of Water Valley Miss Mims, a student at Texas Tech, also visited the United Nations in New York, spent several days in Washington where briefings by State and Defense Department experts were given.

CHAS. SCHREINER III, Vice-President of the Texas Sheep and Goat Raisers, was allowed only a half-hour between trains in Washington as he passed

Cattle Sales

Subject to Income Tax

The sale of cattle is subject to income tax, no matter what use the proceeds are put to, according to Ellis Campbell, Jr., Dallas District Director of Internal Revenue Service.

Numerous questions at farm tax schools have pointed up misunderstanding on the part of some farmers. The sale of cattle, land, and other farm capital assets are taxable no matter whether the proceeds are reinvested in similar property or not.

There is one exception in the case of condemnation proceedings or other involuntary conversion. Farmers having a problem in this area were advised to get a free copy of the "Farmer's Tax Guide" from their County Agent or the Internal Revenue Service.
