

Wider Age Range Is Approved

Bill To House After Senate O.K. Given

WASHINGTON, Aug. 29 (AP) — The house military committee approved today a Burke-Wadsworth conscription bill calling for drafting of men from 21 to 44 years of age, inclusive—a much wider age range than that provided in the bill which the senate passed last night.

The house committee acted quickly after senate passage on a 55 to 21 vote so that its version of the legislation might be brought to the floor Tuesday for possible final house passage late next week.

Chairman May (D-Ky) said the house committee vote was 17 to 4 with four committees absent.

Before the final vote, May reported the committee "decisively defeated" a proposal to make the age brackets conform to the senate figures of 21 through 30.

Another point of difference in the two bills is that while the senate provided a limit of 900,000 on the number of conscripts who might be serving at any one time, the house committee wrote in a 1,000,000 limit.

Members said that figure was necessary to provide also for conscripts for the navy.

After three weeks of stormy debate, the senate gave its approval to conscription last night at the close of a tense, 9-hour session.

The bill was substantially unchanged in its essentials from the version recommended by the senate military committee. One major addition would give the government the power to "conscript" industry for defense, if necessary.

House debate is tentatively scheduled to start Tuesday. Proponents of conscription were optimistic the bill would be passed, and opponents privately conceded that chances of defeating it were slim.

The bill, as passed by the senate, contained the following major provisions:

- 1—All male citizens or prospective citizens from 21 through 30 would be required to register, with few exceptions.
2—Registered men would be subject to call for a year's compulsory military service.
3—The men called for service would be selected in an "impartial manner," and in such numbers as the president specifies. The maximum number of trainees at any one time is limited to 1,000,000.

The bill provided for an increase in the basic army pay from \$21 to \$30 a month.

Exemption from service would be granted registrants who are physically or mentally unfit, who are dependents, or who are employed in necessary agricultural or industrial jobs.

PETE JOHNSON SUCCEUMBS TO LONG ILLNESS

One of Big Spring's most honored pioneer residents answered death's summons Wednesday night, as Peter Johnson, former county official and railroad man, passed away at his home after a long illness. News of his death, though not unexpected, cast a shadow of sadness over the city which had been his home for more than 40 years.

At the bedside when death came were his wife and children, all popularly known residents of Big Spring, and close friends who had been in almost constant attendance during an extended illness which had become more critical with each passing day.

Mr. Johnson succumbed at 9:15 p. m. A native of Scotland, he was 75 years old, his birth date being January 1, 1875.

The funeral service will be held at the First Methodist church at 4 o'clock Friday afternoon, with three ministers conducting the rites: Dr. J. O. Haymes of the Methodist church, Rev. Ben Hardy, pioneer Methodist minister of Tahoka, and Rev. C. E. Lancaster, pastor of the First Baptist church here.

Mr. Johnson was a member of the Masonic lodge, the Shriner and the Knights Templar, and members of the last named order he in charge of rites at the graveside. The Methodist choir will furnish music.

Mr. Johnson leaves his wife, Mrs. Zora Ann Johnson; three daughters, Mrs. Eb Hatch, Mrs. Hilo Hatch and Mrs. W. B. Hardy; two sons, Jay Johnson and Monroe Johnson, and three grandchildren, Martha Ann Johnson, Wofford Hardy, Jr., and James Monroe Hardy, all of Big Spring.

Other relatives include J. D. Patterson of Mineral Wells, a brother-in-law.

Nazi Capital Subjected To Worst Attack

Ten Killed Within City, One Enemy Plane Downed

BERLIN, Aug. 29 (AP)—The German high command reported receiving as well as giving blows in the aerial war with Britain today.

Berlin residents swept up glass and debris from scores of British bombs which killed 10 persons, injured 30, set a string of fires and dug craters in parts of the capital in a three-hour attack last night.

It was Berlin's worst air raid. British planes crossed and recrossed the heart of the city as they dropped thundering charges only two miles from Adolf Hitler's chancellery.

But German reporter-fighters returning from early morning attacks on Britain used such phrases as "a sea of flames" to describe the effect of a surprise dive bomber onslaught on Britain's great Portsmouth naval base, and "a desert full of craters" to indicate the damage done to nearby airfield.

Great clouds of smoke were described as floating over Liverpool harbor, Chatham, an important Thames side naval center, and other harbor objectives attacked last night.

The high command, admitting for the first time a British attack on the important synthetic gasoline production plant at Leuna, near Leipzig, said "slight damage" was caused.

British planes "intentionally attacked residential sections of the reich's capital," the daily communique said and incendiary and explosive bombs "killed or injured numerous civilians and caused damage to several apartment houses with attic fires."

One British plane was brought down in the attack, the high command said, bringing to 44 its reports of Britain's total losses yesterday and last night. Germany admitted losing 15.

Effective Attack Besides Liverpool and Chatham, the ports of Cardiff, Bristol, Middlesbrough and Thameshaven were "effectively attacked" by the German air force, the high command said, as well as armament plants at Sheffield, Norwich and the airplane manufacturing center of Coventry.

Two airports in southeast England cut out for particular attack were named as much-bombed Eastchurch and Southend.

Most of the British bombs in Berlin fell in a workers district. The high command reported continued mining of harbors by Germany's flying mine-layers and said that a single submarine, commanded by Lieutenant Commander Schepke, had reported sinking seven armed British merchant ships totaling 43,000 tons.

Five of them were said to have been "shot from a strongly projected convoy."

Nerim Guen, Berlin representative of several Turkish papers, and three Turkish business men resident here, were taken handcuffed to central police headquarters as a reprisal for the recent arrest of a German book and newspaper dealer in Istanbul.

While an early-morning automobile inspection tour appeared to bear out the authorities' claim that no military objectives of consequence were hit, army officers, firemen and police hastened to Kotbusser street, in the southeastern part of Berlin, where the chief damage was done.

Dismissed Red Suit CLEVELAND, Aug. 29 (AP)—Judge Jay Seth Hurr ruled today newspaper publication of signatures to communist party petitions does not constitute invasion of right of privacy.

He dismissed a state court suit of Arnold Johnson, communist candidate for governor of Ohio, and Joseph Brant, party organizer, who sought an injunction against the Cleveland Press. They also had asked \$100,000 damages.

Peace Talks In Vienna Opened

Ribbentrop, Ciano Confer With Hungarian Leaders

By EDWIN SHANKS VIENNA, Aug. 29 (AP)—The axis-supervised discussions looking toward a solution of the territorial dispute between Hungary and Rumania opened today as Hungarian Premier Count Pal Teleky and Foreign Minister Count Istvan Csaky were received by the German and Italian foreign ministers.

Joachim von Ribbentrop and Count Galeazzo Ciano, the German and Italian ministers, planned to follow up their talks with the Hungarians by holding separate discussions with Rumanian representatives later. Foreign Minister Mihail Manollescu and his aides arrived by train from Bucharest this morning.

The preliminary discussions were held at the Imperial hotel, headquarters of Ribbentrop and Ciano.

Old Belvedere palace was in readiness for more formal conferences if it is decided to bring representatives of all four nations together around a single table.

A German spokesman said the talks would be conducted "in a spirit of comradely cooperation." He declined to discuss the possibility that arbitration might be necessary.

"No hard and fast program has been laid down," said the spokesman, but the following objectives were summarized:

- 1. Quiet.
2. Peace.
3. Order.
4. Contentment.
5. Lasting stability.

Such a solution is uppermost in the minds of Germans and Italians because, one spokesman said, "these discussions cannot be separated from the fact that war is being waged" and Germany wants peace at her back so she may draw upon Balkan raw materials without interference.

The naz press stressed the four-point meeting "will be of importance not only for the future fashioning of the southeast, but also of Europe and the world. Here great English intrigues of the post-war period is being liquidated."

But, even as the delegates converge here, Rumania formally accused the Hungarian air force of "real acts of hostility" in air clashes over their border and announced officially she was adopting a policy of "force" to repel any Hungarian incursions.

Hungary countered with charges the Rumanian air force was sending planes on reconnaissance flights over her territory.

Exempt Howard Fields In State Shutdown Order

AUSTIN, Aug. 29 (AP)—The Texas railroad commission today issued a 90-day oil order, effective Sept. 1, which set the average daily allowable production at 1,398,528 barrels.

While full details of the order were not immediately available, commission engineers explained the total Texas yield, including assigned but unproduced allowances, would approximate 1,266,065 barrels daily as compared with the U. S. bureau of mines forecast of market demand for September of 1,390,306 barrels.

The order, signed by all three commissioners, decreed nine statewide shutdown days each for the months of September, October and November.

As explained, the order exempted a large number of fields from the shutdown. These fields, together with marginal wells whose flow cannot be halted without physical damage, totaled about 145,120 barrels daily production.

The engineers said relatively few fields received drastic allowable slashes.

The new total average daily allowable, not including under-production, showed an increase of approximately 50,994 barrels over allowances of last week. The new basic allowable figure, from which various deductions were made, was 1,647,728 barrels daily.

Statewide shutdown days were ordered for Sept. 1, 2, 8, 14, 15, 21, 22, 29, and 30; October 5, 6, 12, 13, 19, 20, 26, 27 and 31; and November 2, 3, 9, 10, 16, 17, 24, 25 and 30.

The giant East Texas field also was subjected to nine closing days and given a basic daily allowable of 523,000 barrels which the shutdowns will reduce to an average over 30 days of approximately 375,000 barrels.

The new basic allowables by districts, as compared with those of June 1, at the start of the 90-day order which expires Saturday, and Aug. 23, the latest figure available, were as follows:

- Southwest Texas, June 1, 244,396 barrels daily; Aug. 23, 256,238 and Sept. 1, 270,942; Gulf Coast 227,682, 236,671 and 247,555; East Central Texas 52,673, 53,693 and 53,693; East Texas field 680,000, 522,712 and 523,000; West Central Texas 51,126, 54,873 and 57,544; West Texas 216,447, 232,508 and 232,096; North Texas 111,503, 124,582 and 127,297; and the Panhandle district 64,145, 65,587 and 65,588.

The fields exempted from shutdown days include: District 8—Church Fields, Estes, Goldsmith, Gulf-McElroy, Hendricks, Howard-Glassecock, Istan-East Howard, Keystone (Colby Sand), Keystone (Lime), Lehr, McClintic, Penwell, Sharon Ridge, Snyder, Taylor-Link, Waddell, Ella Waddell, North and South Ward, Seminole, Sand Hills (Perman), Sand Hills (Ordovician).

HEARINGS SET AUSTIN, Aug. 29 (AP)—The highway commission today announced public hearings Sept. 30 and Oct. 1 on petitions for road improvements sought by county delegations and civic organizations.

Army Ready To Take On More Men

WASHINGTON, Aug. 29 (AP)—The army was ready with tentative timetables and plans today to start building the largest peacetime force in the nation's history.

An order from President Roosevelt for the progressive mobilization of the national guard would start the program through its first phases.

House passage of the conscription bill, approved last night by the senate, would clear the way for the second part of the program.

The guard mobilization, army officers have told congress, was an essential preliminary to the training of conscript levies.

Assuming a presidential order is forthcoming, tentative plans provide for calling up the first contingent of 50,000 guardsmen for a year's active training on Sept. 15 and 175,000 more by Dec. 1. Other contingents would be No. ARMY, Page 3, Column 3

LAST RITES FOR BAILEY FRIDAY

AUSTIN, Aug. 29 (AP)—Funeral rites for former State Senator John H. Bailey, 76, of Austin who died in Dallas Tuesday will be held in the senate chamber at 4 p. m. Friday.

The body will lie in state for two hours before the funeral services at which Rev. Charles Summers of St. David's Episcopal church will preside. Burial will be in the state cemetery here.

Senator Bailey served in the legislature from Dewitt county first as a member of the house in the 24th, 25th and 26th legislatures and then as senator in the 33rd called session through the 40th.

Pact Reached For Manufacture Of Plane Engines

WASHINGTON, Aug. 29 (AP)—An agreement was reached between the navy and United Aircraft Corporation today for the manufacture of 17,000 airplane engines for both the army and navy at a cost of \$165,000,000.

Announcing the agreement at a press conference, Secretary Knox said it had the full approval of the war department and would cover the entire requirements of both army and navy from United Aircraft for the 1941 and 1942 fiscal year.

A formal contract covering the agreement, Knox said, will be negotiated as soon as funds for the engines are provided in the \$5,000,000,000 defense appropriation bill pending in congress.

Meanwhile, Knox said, United will proceed immediately with a \$2,500,000 expansion of its plant at Hartford, Conn.

Rear Admiral John H. Towers, chief of the navy's bureau of aeronautics, added that the navy would purchase and retain title to \$7,000,000 worth of machine tools to equip the expanded plant.

All Parts Of England And Wales Bombed

Enemy Craft Return After Extended Night Offensive

LONDON, Aug. 29 (AP)—Nearly 300 German planes came over the southeast coast in waves at a great height late today. Some of them penetrated inland but fled when engaged by fighters, without dropping any bombs.

LONDON, Aug. 29 (AP)—German air raiders following up their greatest night attack of the war, in which thousands of incendiary and high explosive bombs were rained on all parts of England and Wales, returned to the assault this afternoon with a thrust into southeastern England.

The night had shielded countless bombers in their shuffling forays over England and Wales. Reported southern coast towns reported sighting naval planes this afternoon.

Civilians were killed in all of some 30-odd areas which were hardest hit last night. Reports from around the country spoke of "hundreds of bombs" being dropped, of "twenty bombs" dropped in quick succession and of "fifty bombs" dropped quickly.

The naval bombers stalked the longest sustained attack of the war on London itself, lighting the night sky at times to a daylight brilliance with their fire warfare and blasting their high explosive bombs in many sections of the capital's ring of outskirts in a seven-hour attack which lasted practically from darkness to dawn.

Some sections of the country were attacked by single planes, while others apparently were rained by successive waves of 15 and 20 bombers.

Meanwhile, Britain's own bomber force was at work during the night in enemy territory.

The admiralty announced its dive bombers destroyed the only two remaining oil tanks at a depot on the Norwegian coast previously attacked, set fire to a patrol vessel and scored two direct hits on a 2,000-ton supply ship.

Despite the great number of attacking planes, only one of them was reported shot down during the night's operations.

This bomber was caught in a searchlight beam over a southeast area and held there until a British fighter climbed to attack.

In the London area, where the raiders seemed to mean business—this was no mere nuisance raid—bombs were dropped both by single planes and by small waves of planes.

The government announced the British had shot down 28 of yesterday's German daylight raiders while losing 12 planes themselves.

One Midlands town was attacked last night by raiders who cut out their motors to avoid drawing searchlight beams, gliding down to their attack.

Two persons were killed and several injured when a raider dived over a town in the Midlands and dropped five bombs.

Last "Amateur Night" Show Is Slated Tonight

The popular series of "amateur nights" at Big Spring's new amphitheatre—there have been eight held this summer—comes to a climax this evening, when the "stars" of previous programs compete for prizes.

The program, starting at 8 o'clock and due to be concluded before 10, is expected to draw a record crowd, and the giant outdoor bowl may be filled to capacity for tonight's "all star" presentation.

Entertainers appearing this evening are those which have won prizes in previous programs.

Ted O. Grobb, president of the chamber of commerce, will preside for the program, and O.C. Manager J. H. Greene will be master of ceremonies. Tonight's prizes are double those of previous weeks—\$10, \$6 and \$4. Those to appear on the program include:

Colorado City square dancers, Doyle Turney orchestra, Arnold Marshall, Joe Fowler Brooks, Barbara Barber, the Troubadours, Center Point, Berenaders, James Hill, Rupert Phillips, the Williams Family orchestra, Helen Blount, Sue Nall, Gerald Anderson, Cornelia Frasier, Dave Wright, Jane Read, Vivian Giddins, Hooper Sisters, Wanda Lou Petty, Martha Lee Hale, and girls' quartet composed of Joyce Jones, Wanda Don and Dauphine Rees, Dorothy and Deveda Moore.

The entertainers come from Big Spring, Stanton, Coahoma and Colorado City, and will offer a variety program including song, dances, instrumental numbers and readings.

MEMORY OF THE MOON by Jeanne Bowman

Chapter One THE THROWBACK Constance Cabrillo knew something unusual was underway the very moment Lamson opened the street door. The butler's carefully acquired mask of British indifference had slipped, revealing a frankly Irish twinkle in his eyes. "Lammy," the girl accused, "you look as though you'd been paid your back wages."

"You've paid them back to 'M. Miss Constance," he reproached, "and if you'll pardon my saying so, you look happy yourself."

last time he backed a horse, I hooked my car. What else?" "Mrs. Cabrillo wishes you to come to the library at once. Mr. Raskiborne is calling. And... there is a person waiting for you in the solarium."

WHOWIT?

Today's Mr. Whosit was a mechanic up until eight years ago when he opened one of Big Spring's most popular drive-in eating places, one which attracts both Big Spring and tourists. The place is known for good food and good drinks, and its fancy neon lighting also attracts attention. Mr. Whosit was 'Ernie' Cutler, who attended school here and is proud of his native town. He never says "Ohio," but "the Buckeye state." His business is famous for its pig sandwiches. Mr. Whosit and his associates may be found on The Herald's "Get Acquainted" contest page. Entries in the 525 contest are rolling in, and many others are expected. Contestants are reminded that their pages will be judged on the basis of correct answers, neatness and originality. They will be received at The Herald office by 5 p. m. Saturday, August 31. Yesterday's Whosit was Frank Williams.

HOWARD CO. COTTON CROP MAY BE LARGER THAN IN '39

Big Spring ginners expected to start receiving the first loads of the 1940 cotton crop within the next few days. Although they point out that they are not counting on as large a volume as in the bumper year of 1937, they are looking forward to as much or more than was produced last year. Eighteen thousand bales of cotton were ginned throughout Howard county during the 1939-40 season. The ginners go all agreed that the amount of cotton produced in this county depends mainly on the number of bollworms and the time of the first killing frost. Alvin Bates of the Co-Operative gin said there is liable to be a slight infestation of cotton pest in the latter part of September.

"It won't be a capacity year but it stands a chance of being a good one," W. S. Satterwhite, Farmers gin manager, pointed out. "Last year we ginned 5,591 bales and we should do as well, or maybe better, this year," he added. Estimates of the crop ranging from 18,000 to 22,000 bales. See COTTON CROP, Page 3, Col. 5

### Dawson County Couple Observe Their Golden Wedding Anniversary

By HELEN POOL  
Mr. and Mrs. W. T. Childress of Lamesa, pioneers of Dawson county, renewed their marriage vows in a ceremony at the city park, Wednesday at noon, as a part of their golden wedding anniversary celebration. Mrs. Childress' 86-year-old mother, Mrs. J. J. Childress, was present to see the couple re-married. Approximately 100 relatives and friends from various parts of Texas and California were present. The elderly couple, both are 87 years old, stood between two floral baskets of marigolds, and Mrs. Childress carried a bouquet of golden gladioli. Her dress and hat were teal blue with black accessories, and she wore a string of pearls. For something old she wore an antique brooch given to her by her father when she was 16. The ceremony was performed by the Rev. Noel Bryant, pastor of the Methodist church in Spartenburg, Texas, and a violin solo, the "Bridal Chorus" from "Lohengrin" by Wagner, was played by Mrs. Joe Hardealy of Lamesa. Mr. and Mrs. Childress were married in Hillsboro, August 28, 1890, by the Rev. J. M. Hunt when both were 17 years old and Childress was a farmer. Their eleven children who were present are Mrs. Carl Garrett of Lamesa, Jim Childress of Clovis, Mrs. Earnest Jones of Lamesa, Mrs. Raymond Young of Abilene, Mrs. Ray Compton of Dallas, John Childress of Lamesa, Mrs. Oran Foote of Hamlin, Mrs. Ose Grand of Pampa, Calif., Mrs. Willie Lee Tinsley of Lamesa, Tom Childress of San Antonio, and Mrs. George Hardealy of Lamesa. After the wedding ceremony the picnic group gathered about the picnic table to see Mr. and Mrs. Childress cut the golden wedding cake which was decorated with golden candles and a miniature bride and bride groom. During the picnic meal which followed, Judge Garland of Lamesa, who has known the couple ever since they attended school together in Red River county, gave a talk on their life. He told about the time they attended the little red school house which boasted fifteen students, and the judge pointed out that five of the fifteen students were present at the picnic Wednesday. Following the celebration at the city park, an open house at Lamesa was held in the Childress home at Lamesa.

### Johnson

(Continued From Page 1)

er of Mrs. Johnson, and Mrs. Cliff Talbot of Big Spring, a sister; and two nieces, Mrs. Y. C. Gray of Garden City and Mrs. M. A. Cook of Big Spring.

Mr. Johnson came to Big Spring in 1898 with the T. & P. when the town was sprawling over most of the flat which now constitutes the business district.

A section foreman, he served in this capacity for 20 years when his work won him promotion to the position of roadmaster. He held this for years until he retired from active service.

Always interested in the up-building of the community and county, he was drafted to run for county commissioner in 1905 but refused on the grounds he could not give his job and the commission each the attention they deserved. However, after a talk with the late John Ward, then superintendent, he decided to make the race and was elected.

Mr. Johnson was a member of the commission court when the present courthouse was built in 1907. During his tenure, one of his strong characteristics as a public servant was revealed—that of refusing to budge from a course of action he believed to be right. He held firm when criticism mounted after the court had raised valuations on town lots from \$5 to \$20. As a member of the city council in 1910 he stood his ground on an ordinance replacing board walks with concrete structures, and in another measure designed to improve sanitary conditions.

As a leader in the Masonic lodge, he helped build the order's building at 3rd and Main, although many thought it was "out in the country" and that it was too pretentious.

After retiring to private life for a score of years, he ran for county commissioner from precinct No. 2 in 1928 and was elected, serving three terms in office. He was a member of the court which committed the county to an expansive highway program and which guided affairs during boom periods and eventually established the current 50 cent tax rate.

### SARAZEN HOLDS OWN IN PGA

HERSHEY, Pa., Aug. 29 (AP)—Gene Sarazen, doughty little fairways veteran, matched Henry Picard shot for shot in their third round match of the P. G. A. championship today and at the half-way mark in their 36-hole tussle was leading the defending champion 1 up.

Sarazen scored a par 73 over the muddy course. Picard drove into the trees on the 14th and picked up, hence did not have a complete score.

Walt Hagen, the 48-year-old five-time former winner, took a two-up lead over Harold (Jug) McSpaden. The Haig fired a 72, one under par, to McSpaden's 74.

Paul Runyan was 4 up over Ed Dudley; Sam Snead led Jimmy Hines 3 up, and Dick Metz was 1 up on Byron Nelson after shooting aizzling 70.

Ralph Guidahl shot a 71 to take a four up lead over Jim Foults of Hinsdale, Ill. Ben Hogan cored 71 to lead Al Broch of Farmingdale, N. Y., two up and Eddie Kirk of Farmington, Mich., went to lunch five up on Art Clark of Uniontown, Pa.

## "BIG BUSINESS" GROUPS SAID BACKING APPEASEMENT MOVE

WASHINGTON, Aug. 29 (AP)—Representative Patman (D-Tex.) told the Dies committee today he believed there was "a deliberate attempt" on the part of certain "big business" groups in this country to force adoption of an appeasement program toward Hitler. The Texan, urging the commit-

tee to investigate what he said was "an unholy alliance" between certain parts of "big business" and the distribution of Nazi propaganda in this country was told by Chairman Dies (D-Tex) that committee agents already were doing so but had "found nothing so far." Patman testified at a hearing accorded him to enable him to submit evidence which he said would substantiate his allegations that Carl Byoir, New York publicity man and army reserve officer, had been employed as a Nazi propagandist.

Byoir denied the charges and a sub-committee of the Dies committee headed by Rep. Dempsey (D-NM) recently exonerated Byoir, but Patman demanded an opportunity to present his case. The justice department also exonerated Byoir after an FBI investigation. Patman told the committee that Byoir was once employed by the German tourist information service and was the highest paid representative of the German government in this country. He said Byoir was paid \$108,000 over an 18-month period shortly after Hitler came to power and in return distributed Nazi propaganda "including anti-semitic and church and state propaganda."

Seated nearby, Byoir, who has said Patman's charges are in retaliation for Byoir's aid in defeating the Patman chain store tax bill, shook his head in negation of the testimony.

Registration over, local boards provided for in the law would take up the task of classification and selection assigning to each registrant a serial number chosen by lot.

A national drawing of serial numbers would then be held, and the sequence in which the numbers were drawn would determine the order in which each man was subject to call for possible service.

Thus if number 283 happened to be the first drawn in the national drawing, it would mean that the man holding that number in each of the conscription districts was liable for service.

From questionnaire information previously obtained, the local boards would be able to determine the classification of those whose numbers had been drawn. The questionnaires would show employment, dependents and other information.

Those found to be in class I-A—that is, those whose questionnaires disclosed no apparent reason why they should not be called up—would be notified to report. If the local board found that the man called could not show cause for deferment of training or exemption, he would be given a medical examination and, if he passed that, inducted into army, navy or marine corps.

The number of men from any one area, however, would be limited by the quota that district was given. Quotas would vary, and the number of men already in the armed services or national guard from an area would be deducted from its quota.

The first conscripts would start arriving at army training centers the fortieth day after the bill became effective.

### Markets Wall Street

By VICTOR EUBANK  
NEW YORK, Aug. 29 (AP)—Selected stocks kept on the rallying route in today's market but many leaders were side-tracked. Hesitant at the start, the list shifted over an irregular range. Dealings slackened on the failure to extend Wednesday's recovery and transfers were around 275,000 shares, against 381,000 yesterday. Final gains and losses mostly were in fractions, although scattered variations of a point or so were to be seen.

Prominent among reasons given for the uneven performance was that a number of traders lightened accounts in preparation for the lengthy Labor Day recess.

## Five Killed In Sooner Blast

BUFFALO, Okla., Aug. 29 (AP)—Five men were injured fatally and ten others burned in a thunderous explosion at a nearby Phillips Petroleum Co. pipeline project last night just ten minutes after the men accepted temporary jobs.

Company officials worked on a theory that a blow torch being used in repairing a leak touched off the blast.

Two horses also perished. The animals as they died in the fire made "the most terrifying sound I ever heard," said Clyde Storer, 45, one of the four men who suffered critical burns in fleeing the scene.

The dead (all of Oklahoma): Donald King, 22, Buffalo. Warren Hendrix, 39, Cedarvale. George Voaman, 20, Selman. Pat Cummings, 29, Laverne. Vernon Harding, 21, Laverne.

King and Hendrix were trapped in a raging fire which broke out after the blast. The other three died later in hospitals.

Storer, who had gone to the scene in search of work, was only 100 yards away when the pipeline blew up. A wall of flame swept across the sagebrush in the field. "I turned and ran out of danger, then looked back," he related. "There was a great cloud of smoke and men were running madly out of it."

The fire, which covered 30 acres, was brought under control shortly after midnight.

Buffalo is in the northwestern corner of Oklahoma.

50 Enrolled For Sales Course Here  
Fifty enrollments have been received in the sales course to be conducted here next week by Jack D. Brown, head of the department of salesmanship at Texas Christian university. It was announced Thursday. Additional enrollments—at \$5 for the entire course—are being received at the chamber of commerce.

The chamber of commerce is co-operating with TCU in sponsorship of the course, and all persons interested in modern sales methods and personal development are invited to attend. The course will be for three nights—Tuesday, Wednesday and Thursday, September 3-5—with two classes each night. Sessions will be at the Crawford hotel.

## Cotton Crop

(Continued From Page 1)

from around eighteen to a little better than twenty-five thousands are made by ginners. Ray Smith of the Gular gin is of the opinion that the crop will be as good as acre as it was in 1937, although the decreased amount of land in cotton will give Howard county little more than last year. Approximately 135 pounds, a little over a quarter of a bale, is anticipated by most of the ginners and cotton farmers.

Gins can only expect a dribble of cotton in the beginning of the season but by September 20 the volume coming in should be gathering momentum and be in full blast by October 15. All sections, with the exception of the Center Point area, will be pulling bolls by that time, according to Bates. He anticipates a late crop at Center Point. J. H. Rosamond, Planters gin manager, looks forward to a ginning season that will last for six months. M. E. Allen of the Big Spring oil mill concurs in this opinion.

AN ANALYSIS OF THE WAR DEVELOPMENTS

By DEWITT MACKENZIE

Bombs raining on England and Germany almost drown out other operations but there are two matters of great importance to the battle of Britain which at the moment fall within the field of words rather than bullets—(1) the anxious efforts of the Hitler-Mussolini brotherhood to prevent a Balkan war, and (2) the growing Franco-British animosity.

the Balkans, and the great potentialities of damage to the axis cause, undoubtedly have had considerable to do with Hitler's delay in his major attack on England.

Confetti Used By German Fliers

LONDON, Aug. 29 (AP)—German bomber crews now throw confetti of British fighter planes as an escape tactic, British airmen reported.

When a fighter gets on the bomber's tail, the Britons said, the Germans empty confetti into the slipstream of their propellers, hoping to blind the pursuer.

One pilot said the British pay no attention to the new defense and cracked: "If they want to turn the blitzkrieg into a paper chase it's O.K. by us."

# Wood, Demaret, Thompson, Cooper Upset At Hershey

By TOM REEDY  
HERSHEY, Pa., Aug. 28. (AP)—The boys with the power and the class were in control of the 1940 professional golf championship tournament today as the field narrowed to 16 contestants.

Eighteen-hole matches yesterday cut down three-fourths of the 64 qualifiers. The survivors, excepting little Paul Runyan, represent the longest hitters in golf. Runyan has learned to use his short clubs so well he manages to get around with the blasters.

The only top-notchers who failed to get by yesterday were Craig Wood and Jimmy Demaret, who hasn't been so successful since his big winnings on the last winter tour. Also knocked out were Jimmy Thompson and Harry Cooper, but this is not a parity for either.

For the first time, Ralph Guldahl, twice open champion, had the opportunity to play a 36-hole match in the P. G. A. Always before, he lost in one of the shorter distance contests, but his six under par exhibition yesterday against two competitors was just about the best of the day.

Walter Hagen, five-time P. G. A. titlist, and Gene Sarazen, who won it three times, kicked the old adage of youth-being-served out the window. Both hustled around in just about par against opponents who were unable to match their skill and experience.

To this point, none has played better than the defending champion, Henry Picard, who takes on Sarazen today. Picard has been eight under par for the 50 holes he played this week.

Dick Metz, the medalist at 148, went up against former Open Champion Byron Nelson.

Hagen, confronted by Harold (Jug) McSpaden, has been only one over par in his matches.

Jimmy Hines meets Sam Snead; Al Brooch has a nifty assignment in Little Ben Hogan; Guldahl has Jim Foulis, conqueror of Craig Wood; and the two "unknowns" of the top flight, Art Clarke of Uniontown, Pa., and Eddie Kirk of Detroit, tangle.

# Johnny Riola Watched In Midland Tilt

MIDLAND—Scorer of the only North Texas State Teachers college touchdown in two seasons of play against the Abilene Christian College Wildcats, James McDaniel, senior halfback from May, will return to West Texas this year for his final test against the Wildcats, the September 21 meeting at Midland between A. C. C. and N. T. S. T. C.

By snaring a 10-yard pass from Johnny Riola in the second quarter of last year's tilt for the six-pointer, McDaniel gave North Texas her first victory over A. C. C. on West Texas soil in ten years. The Eagles' only other win against the Wildcats on foreign terrain was in 1930 when they downed the West Texans 20 to 13 in Abilene.

McDaniel, a regular throughout the 1939 campaign, carries the ball very little and in all probability will hold down the blocking back position in the September 21 fray.

### Henninger Still Active In Athletics . . .

Claude E. "Spike" Henninger, the former Big Springer who has been reported dead to this department, seems to be very much alive.

Spike, who managed all the great Cosden athletic teams of other years and who moved on when deprived of that privilege, is now of Pocatello, Idaho.

He writes he is managing a softball team that will represent that state in the national tournaments next month, is very positive in that statement, although his club must still compete for the state title.

### Frogs All-Time Grid Champs . . .

The TCU Horned Frogs, according to statistics compiled by J. Willard Ridings, demon press agent of the Fort Worth school, are the all-time champions of Southwest conference football. The Frogs admitted to the conference in 1923, have completed 17 years of circuit play. During those years they have amassed the best percentage figure of any of the seven members in conference games. The following table gives the statistics for the 17 seasons during which the present seven schools have been members of the league:

Team	W	L	T	Pct.	Chp.
TCU	54	28	10	.641	3
SMU	53	27	14	.638	4
Texas	4	43	7	.489	2
Arkansas	38	41	5	.482	1
Baylor	39	43	11	.478	1
A&M	35	41	14	.467	3
Rice	30	58	3	.346	2

### German Girls Swim Stars

SEATTLE, Aug. 29. (AP)—Two human dynamos—Hilde and Lore Mayer, refugees from Hitler's Germany, are rapidly becoming the toast and the talk of the town which gave Heleine Madison and Jack Medina to the swimming world.

The 17-year-old twins exclaim jubilantly that they're simply superb when it comes to swimming.

This swim-conscious city rubbed its eyes when the girls, complete strangers except to their Broadway high school mates after five months in the United States, won 15 of their school's 20 points in a recent Seattle prep carnival.

They're so exactly alike they use the same words, the same facial expressions, the same mannerisms.

Says Hilde: "We're just the same. We always answer the same, except giving our names. We've both got brown eyes and we talk too much."

Says Lore: "I weigh 138 pounds—three pounds more than Hilde. We've got no brothers or sisters. We are quite enough. Poor Mummy!"

The Mayer twins, who have gathered, are quite a handful.

The history of their past two years is not enviable. Their father, Harold, a Jew, was a busy, brilliant lawyer in Frankfurt-am-Main. Their mother was the daughter of a well-to-do family.

Suddenly Daddy Mayer and 49 other Jewish lawyers were swept into a concentration camp. After 15 days, he and another were freed to handle lawsuits for Jews. Mayer promptly gathered up his brood and departed for Seattle ("because Mummy had read in a book about the city of the beautiful mountains and lakes") via London.

Today, expert accountant—makes a living as a "collector" for a small newspaper. His wife has become a physio-therapist to eke out the family's earnings.

### Rebels Clash With Tribe

By The Associated Press

The showdown battle for fourth place and a spot in the Texas league play-off comes tonight when the stumbling Dallas Rebels tackle Rogers Hornsby's streaking Oklahoma City Indians.

The Redskins move into Dallas for three games and unless the Rebels can take them all, they will just about write "finis" to their chances of joining Houston, San Antonio and Beaumont in the play-off.

Oklahoma City leads Dallas by six and one-half games.

Dallas snapped a nine-game losing streak by beating Dizzy Dean and the Tulsa Oilers 9-5 last night.

Dean, has just been recalled by the Chicago Cubs.

Oklahoma City beat Fort Worth 7-6; Howard Kriet won his twenty-second pitching victory of the season with a 2-1 decision for Houston over Shreveport and Les Mueller pitched San Antonio to a 2-1 win over Beaumont.

# Golfers Of Four Cities Play On Forgy's Team

H. S. Forgyon this morning announced a tentative lineup that will test Obie Bristow's local forces in the Friday Hall & Bennett trophy matches at the country club, prelude feature of the tenth annual Big Spring invitational golf tournament.

The Midland veteran's lineup is to be a representative one, the players hailing from four West Texas cities. Forgyon nominated E. C. Nix, Colorado City, to complete his lineup previously named. Others who are expected to play are Morgan Neill, Bob Farmer and Raymond Stoker, all of Odessa, and Harry Sidorof and Elton Dodier, Midland.

Farmer was captain of last year's winning team while Dodier was his 1939 champion of the tournament, having topped Nix in the finals.

Bristow's lineup will consist of Doug Jones, Jake Morgan, D. P. Watt, Sam Sain, Bill Barker, Shirley Robbins, Herman Stewart and Guy Rainey besides himself.

Obie has had his team drilling throughout the week.

Singles play will be conducted Friday morning while the four-somes will line up for competition during the afternoon.

As in years past, team winner will be decided on the point system.

Regular qualifying day for the tournament is Saturday but 33 players had already posted entries with Manager Robins this morning.

Finest qualifying score contributed was Ira Thurman's 79. C. L. Rowe had an 83. Dave Duncan and Harry Jordan 84's, Carrol Sipe 88, Tommy Jordan 89, E. H. Phillips 95 and R. C. DeBerry 99. DeBerry hails from Stanton while the others are from Big Spring.

Others who have entered but not played toward the medal are Hollis Parker, Forsan, Harry Stalcup, B. T. Cardwell, Travis Reed and Jim Zack.

Robins predicted that a 73 or 74 would be required to rate in the title flight. Par for the course is 71.

### Local Bowling Team Invades San Antonio

A Big Spring bowling team, playing under the Douglass Hotel colors, will journey to San Antonio to compete in the sixth annual bowlers day there Saturday.

Jake Douglass, W. E. Ramsey, Pete Howze, Harry Hoeckendorf and Gus Hepper are the keylers who will meet entries from all over the state at the set 'em-up and knock 'em down tournament. San Antonio is the only city that has designated a particular day for a state-wide meeting of bowlers.

# Collegians, Pros Seek Series Edge In Chi Grid Bout

### Packers' Passing Combination Is Outstanding

By ARNOLD DERLITZKI

CHICAGO, Aug. 29. (AP)—Two of the nation's greatest collections of football stars will be looking for a break tonight—a break in the deadlock existing between the collegians and the professional champions, clash in the seventh annual charity game at Soldier Field, with a record crowd of 85,000 expected. Since 1934 the collegians and the pros each have won two games, lost two and tied two. Last year the New York Giants defeated the all stars 9 to 0.

Showers were forecast, but in the event of dry footing, observers predicted a wide open game replete with running and passing.

Outstanding for Green Bay is its stellar passing combination of Arnie Herber to Don Hutson or Cecil Isbell. The all stars offer such passing experts as Nile Kinnick of Iowa, Kenny Washington of UCLA and Ken Heineaman of Texas Mines.

### Angeloans Win Over Lubbock

ABILENE, Aug. 29. (AP)—The first round will be finished tonight in the state tournament of the American Softball Association with McNutt Oilers of El Paso meeting Kraft Cheese of Denton.

These are the only teams that have not yet seen action.

Opening the second round, Marr Pipeliners of Corpus Christi will play Davis Lysaught of Fort Worth and American Liberty Pipeliners of Dallas will tangle with Lindale Park of Houston.

Nathan's Jewelers of San Angelo defeated the Dabry Motor company of Lubbock and the Magnolia Oilers of Amarillo downed Graham in games last night.

### BING CROSBY TO TRY FOR NAT'L AMATEUR TITLE

HOLLYWOOD, Calif., Aug. 29. (AP)—Crooner Bing Crosby found himself an entrant today in the national amateur golf championships to be held in New York Sept. 9 to 14.

Four Southern Californians qualified in Tuesday's play, Crosby placing No. 5 with a 36-hole total of 152. The No. 4 man, Stan Moss of Riviera, withdrew, giving Crosby first shot at the berth. Crosby flew to New York Tuesday night, but his friends here said he would delay a South American vacation jaunt to compete in the Mamaroneck meet.

### Brooklyn Boss Is Conceding Nothing

CINCINNATI, Aug. 29. (AP)—Just as a cheering word to the folk back home, Leo Durocher firmly announced today that the Cincinnati Reds may have a 7-1-2 game lead over his Dodgers but "nobody's concedin' nothin'!"

Amushed in his hotel room and raked with a cross-fire of "are the Dodgers still in there pitching or are they building for next year already?" the fiery manager of the boys from Brooklyn snapped back: "This is still 1940 as far as I've heard. You Cincinnati fans got a right to your opinions and I got a right to mine and I say you got to play the season out. I'm not concedin' you the pennant and maybe you're goin' to get the surprise of your lives yet!"

The remarks are pertinent because the Dodgers and Reds open a delayed, semi-crucial two-game series today, providing the Ohio weather situation improves.

"I got a great ball club with me," Lippy added. "Anything you get from us you'll work for."

The shrine of Ste. Anne de Beaupre near Quebec was erected by Breton sailors saved from a storm in 1650.

# Detroit's 1940 Murderer's Row' Is Mean-But Oh, Those '27 Yanks

DETROIT, Aug. 29. (AP)—The pennant-hopeful Detroit Tigers boast baseball's "murderer's row" for 1940 but even their powerful array doesn't compare with the New York Yankees' fearsome fullers of 1927, the original "murderer's row."

In Barney McCoskey, Charles Gehring, Hank Greenberg, Rudy York and Pinky Higgins the Tigers present a big-end batting order dangerous enough to bring nightmares to any rival pitcher but just take a look at that old Yankee gang.

Cleveland, now leading the league, hasn't power to compare with either Detroit or Boston but the Indians have some healthy hitters and may win the flag because of a better rounded pitching staff, headed by the great Hob Feller.

**Cards Top National**

None of the National league clubs can offer a batting group of regulars who collectively can produce the average, runs-batted-in or home run totals of any of these three American league squads.

A year ago the Cardinals could have offered a challenge with Medwick, Mize, Slaughter and Padgett. But Slaughter and Padgett have sloughed off and Medwick has gone to the Dodgers.

# Texas Teams Survive In Nat'l Meet

WICHITA, Kas., Aug. 29. (AP)—It's "do" or "die" for the 1939 champion and runner-up in the national semipro tournament tonight. Duncan, Okla., last year's titlist, puts its crown on the block in a fourth round clash with Natrona, Pa., while Mt. Pleasant, Tex., which finished No. 2 a year ago, meets Chicago. The four teams have lost one game each. The losers will drop out of the tournament.

Mt. Pleasant paraded the field to seven teams last night by annihilating Worcester, Mass., 4-5, after Enid, Okla., handed Banford, N. C., its first defeat, 11-0. Houston is the other team still in the running.

Twenty-four state commissioners were re-appointed today by Ray H. Dumont, president of the national semipro congress. They included A. H. Kirksey, Waco, Tex.

# Lain Released By Washington

SPOKANE, Wash., Aug. 29. (AP)—Ernie Lain, the pudgy halfback whose brilliant work in the Rice Institute backfield made him a football headliner for three seasons, failed to make the grade with the Washington Redskins of the National professional football league.

Lain was one of six men lopped from the squad of 45 used by Coach Ray Flaherty as the Redskins wound up their pre-season training program and entrained for Milwaukee, Wis., to meet the Green Bay Packers Monday in an exhibition tilt.

# BILL RODEN IN SEMIFINALS AT SAN ANTONIO

SAN ANTONIO, Aug. 29. (AP)—Defending Champion Joe Moore, Jr., of San Antonio clashed with Tom Miller of Austin and medalist Bill Roden of Glen Rose played Jimmie Chase of San Antonio today in the semi-finals of the state junior golf tournament.

Moore downed Chester Drake, Jr., of Austin 4 and 3 and Miller took out James Beardsley of Be-fugio 3 and 2 but the other quarter-final matches yesterday were extra-hole affairs.

Roden went 19 before overcoming Ed Brady, Sr., of San Benito and Chasey defeated Jack Heim of De-catur over the same route.

### Moore Area's Crops Are In Top Condition

MOORE, Aug. 28.—Crops in this area are in excellent shape, as a result of the rains Sunday afternoon. The condition was good before the rain, but a bumper yield is in prospect with the additional moisture. Farmers, however, are on the lookout for leaf worms, and ready to use poison if infestation develops.

Members of the Phillips family gathered at the city park Sunday afternoon for a picnic supper. Those enjoying the occasion were: Mr. and Mrs. J. W. Phillips of Moore; Mr. and Mrs. Earl Phillips and children, Hazel Ruth, Brooxie Nell, and Bobby of Big Spring; Mr. and Mrs. Johnnie Phillips and children, Donald and Twila of Knott; Mr. and Mrs. Ted Phillips and son, Everett Doyle of Big Spring; Mr. and Mrs. Elva Phillips of Big Spring; Mr. and Mrs. Arby Reese and children, Jimmy Kate, Joyce, Sibilly, and Soule of Westbrook; Mrs. Edd Phillips of South Bend; Mrs. W. R. Morris of Big Spring; Mr. and Mrs. Truett Thomas and son, Coy, of Big Spring; Mr. and Mrs. Lee Castle and son, Floyd, of Brown; and Misses Arah Phillips and Anna Smith of Moore.

Mr. and Mrs. R. V. Fryar are the parents of a son, born Saturday at the Big Spring hospital.

School doors will swing open Monday when the new term begins. Parents and others are invited to the opening exercises at nine o'clock.

Mr. and Mrs. Doyle Turney entertained a group of friends Saturday night with a musical. Those present were Mr. and Mrs. J. D. Rowland of Lubbock; Mr. and Mrs. M. L. Rowland of Moore; Mr. and Mrs. Jack Daniels and children, Helen May, Murphy Lee, Wanda Jo and Sheran Jane; Mr. and Mrs. Bill Barber and children, Billy Jr., Ramona Fay, and Donald Ray; Bill Rowland of Moore; Pete Queen, Jr. of East Texas; Mr. and Mrs. George Demichio of Big Spring, and Mr. and Mrs. Marvin Hayworth and daughter, Patsy, of Big Spring.

Mr. L. H. Thomas, Coy Thomas of Akron, Ohio, Truett Thomas of Big Spring, Fred Thomas, Lester Newton, and R. C. Thomas spent part of last week on the Devil's River fishing. They reported real luck and entertained friends and relatives with a fish fry after returning home.

Mrs. Henry Long entertained a group of friends last Thursday with an all-day quilting. Those present were Mrs. W. H. Ward, Mrs. Ella Hammack, Mrs. Carl Hammack, Mrs. Edgar Johnson, Mrs. Jess Henderson, Mrs. Gabra Hammack, Mrs. Joe Williams of Coahoma, Mrs. Buster Broughton, Mrs. Chess Anderson of Elbow, Mrs. Fannie Moore of Chicago, Mrs. Allen Davidson of Big Spring, and Mrs. M. E. Broughton.

Agnes Davidson and children, Rex and Phoenix, spent Sunday at San Angelo visiting Mrs. Davidson.

who is enrolled in a beauty school there.

Residents of this community are reminded that a good time is in store for all attending the recreation roundup party at the gymnasium on Friday night, Aug. 30. Doyle Turney and his string orchestra will furnish music during the evening.

Mr. and Mrs. Robert Posey have gone to Bowie for a week's visit with relatives. Her parents will accompany them here next week.

Mr. and Mrs. Jack Daniels and children, Murphy Lee, Wanda Jo, Heleena May and Sheran Jane, Mrs. W. H. Ward and sons, Billy and Madison Smith, Evelyn Ann Mitchell and Misses Arah Phillips and Anna Smith enjoyed a picnic supper at the city park Thursday evening.

### Jimmy Dykes, The Chisox's Master Mind, May Have 1st Division Club

By SID FEDER  
Associated Press Sports Writer

The only thing missing when Jimmy (Do It With Mirrors) Dykes opened his new bowling and soda emporium in Philadelphia the other night was for the International Society of Magicians to present him with an engraved card as an honorary member.

If ever a fellow rated it for reaching into hats and pulling out surprises, to the confusion of most of the American league's first division, Jimmy is the lad.

He's been doing it for years, too, with his Chicago White Sox. He's winding up his sixth full season as Sox boss, and he stands a good chance to finish in the first division for the fourth time. He's only a game away as a result of his 3-2 victory over the Boston Red Sox yesterday in the only American League game to get by the rain.

Jimmy has been doing his tricks year after year with a collection of baseballers which at best is nothing to go into ecstasies over. Five of his seven regular pitchers and five of those seeing most action in other spots are over 30. Jimmy, himself, is a mere 43 and still on the active playing list. This year, the Sox took two straight from Detroit when the Tigers were fighting to keep Cleveland out of first place, and knocked off Boston five out of six just when the Red Sox were in third place and trying to climb.

He's even up with the Bostonians as a result of yesterday's win, which was turned in by the five-hit pitching of Bill Dietrich, who wasn't even good enough to stay with the Athletics, and an eighth-inning run-making double by Larry Rothenbush.

In the National league, the pen-

### Howell Is Named To Legislature

LONOKE, Ark., Aug. 28 (AP)—Big Jim Lee Howell, the past manager of the 'New York Giants' pro football team and former all-Southwest conference player at the University of Arkansas, will represent Lonoke county in the Arkansas legislature next year.

The 26-year-old Howell, who makes his home here with his parents, Mr. and Mrs. H. Howell, won the democratic nomination as representative in yesterday's primary while he was in the Giant training camp at Orangeburg, N. Y. He defeated Harry Griffin of Carlisle 2,438 to 2,800. Democratic nomination is tantamount to election.

Mrs. Wayne Pearce and Jean returned Wednesday from Brownwood where they attended funeral services Tuesday for her nephew, Toby Wayne, diptheria victim.

### Garden City Schools Open Next Tuesday

GARDEN CITY, Aug. 28.—Next Tuesday, September 3, is the opening date for the Garden City schools. It is announced by Supt. N. P. Taylor, who said that work would continue throughout the day and students should come prepared accordingly. The system's six buses will be in operation on the opening day.

A brief program will be held to mark the start of new year's work, then books will be issued and assignments made Tuesday afternoon.

Taylor emphasized that vaccination against smallpox is being required of all pupils this year.

There will be five new teachers on the Garden City faculty this year: Jess C. Young, vocational agriculture; Ray Morris, third grade; Gracia Ross, fourth grade; Effie Mae Hammonds, commercial subjects and physical education; and Elizabeth Richardson who will fill the English and Spanish post.

Teachers returning this year include Ruth Appleby, Herschel Wheeler, Howard Martin, J. W. Patterson, Lofton Bragg, Hazel Martin, Mrs. Walter Teale and Ruth Johnson.

Editorial

Results of research made by the Brookings Institute are greatly accepted as reliable, because they are based on facts that are easily obtained and proved if necessary. So when that reliable organization states that American high tariff policies since the World War have not only increased farming difficulties at home but have contributed to the growth of political tension and the lessening of international trade, it should be considered as true and something should be done about it.

Washington Daybook

WASHINGTON—There's been a lot of talk about tin since the national defense program got under way, but if you'll believe department of commerce officials, much of the talk is hokey. There's no doubt that if the United States tin supply were cut off, there would be a fine mess.

But for that to happen, England would have to lose the war, and Japan would have to seize British Malaya and the Dutch East Indies, and blockade our trade with those settlements or refuse to sell us any tin. Furthermore, it would have to be proved that Bolivia step up its tin supply to 50,000 tons. It was almost that high in 1929 but had dropped to a little more than half that by last year. There is the possibility we could cut our consumption to get along on what we could get from Bolivia plus the small amount of tin that could be reclaimed.

Man About Manhattan

NEW YORK—Sally Rand the bubble and fan dancer, who has been barred from the New York World's fair but who is doing business every night at a hotel on Broadway, is a demure miss in all moments except those when camera flashes in the audience are spotted framing their candid cameras on her dance. Then she becomes an indignant tigress and she will scratch your eyes out quicker than you can snap a finger.

Hollywood Sights And Sounds

PARAMOUNT CONTRACT WRITER (Narrated for vacationing Robbin Coons) HOLLYWOOD—There's no more annoying and dangerous a peat in the world than a matchmaker. They always bring the wrong people together, and generally the reason they're matchmakers is because they're frustrated themselves and live and love vicariously through their insistence on bringing other men and women together, and hang the result.

The Big Spring Herald

Published Sunday morning and weekday afternoon except Saturdays by BIG SPRING HERALD, Inc. Entered as second class mail matter at the Postoffice at Big Spring, Texas under act of March 3, 1979.

Had there been no tariff increase after the war, the Institute asserts, imports of some foreign manufactured goods would have been larger and some industries would have had to sell at lower prices, but other industries would have increased their business and foreign sales, especially of automobiles and machinery, in which this country excels, would have been larger. Consumers here would have had the benefit of lower prices and farm exports would have been larger and the farmer able to buy more for his dollar and have had more dollars.

Farmers And Tariffs

The United States uses about 70,000 tons of it, 45 per cent of that for tin cans and tin linings for canned goods. The amount that goes into basic defense materials is small.

PRIMA DONNA OF METALS There would be problems, however, even if we should quit using cans and begin to wrap our candies in paper, substitute something for tin roofings and give the kids rag dolls and wooden wagons for Christmas instead of tin soldiers and tin autos.

DEFENSE HANDICAP UNLIKELY

The day may come when American newsweds will have to quit eating out of cans, but there is little likelihood that the tin situation will become so acute that we can't turn out beatings and bushings for defense. At least, that's what the men at commerce department tell me.

TOMORROW: The Rubber Situation.

You like golf stories like the one Larry Clinton sent in last week? Here's another of the old Dippy-blonder anecdotes of a wayside tee which concerns Joe Venuti, who at one time played an amazingly hot fiddle for Mr. Paul Whitman, the action take place at the 18th hole.

By Robbin Coons

Forgetting that the characters are played by such attractive people as Madeline and Fred, if you can, the characters themselves are and must be attracted to each other, and so right for each other that the audience must be rooting from the beginning for them to get together at the finish. So in the creation of these characters, they must be shaped with an eye to complementing each other.

Trouble In India
BOMBAY, Aug. 29. (AP)—The first move on a new civil disobedience campaign against Great Britain for refusing to grant India immediate independence was begun today at Cawnpore, home of the Indian nationalist leader Jawaharlal Nehru. Defying the government's ban against organized drill by volunteer societies, volunteers of the all-India Congress, which Nehru heads, decided to offer themselves for arrest in groups.

### Four New Movies Released By Ford

Four new movie features ranging from a symphonic fantasy in technicolor to a picture tour of the 1940 World's fair have just been released by the Ford Motor company.

These productions are available without charge, for showings before school and church groups, service clubs and various civic organizations and private clubs requesting them.

"Symphony in F," one of the first "stop action" movies made in technicolor, sets a new pace in screen technique and screen entertainment. With Linton Wells famed CBS news analyst as narrator, the 15-minute feature traces in an extraordinary manner the far-reaching influence of the motor car industry throughout the world in gathering raw materials for the automobile.

Doll-like figures which animate the Ford Cycle of Production exhibit at the New York fair step into the same characterizations for "Symphony in F." The farmer, chemist, lumberjack, miner, cotton picker, rubber man and transportation worker all dramatize—in song and action—their parts in producing raw materials from all points of the compass into the Rouge plant, world's greatest industrial unit.

Other new Ford movie releases include "While the City Sleeps," showing some of the amazing but little-known tasks performed by night workers in a big city; "Keep This Under Your Hood," an animated cartoon drama of what occurs inside an automobile engine, and "Scenes From the World of Tomorrow," a six-minute pictorial whirl over, around and through the New York World's fair.

The films are distributed through Ford dealers and Ford Motor company branches. Showings can be arranged upon request to dealers.

### Nicotine-Free Tobacco Found

LEXINGTON, Ky., Aug. 29 (AP)—A type of tobacco that looks, smells and tastes like burley but is almost free from nicotine has been developed by the Kentucky agricultural experiment station here.

The new type, according to the chemistry department of the University of Kentucky, contains on the average only about .02 of 1 per cent nicotine.

Ordinary burley, the department reported, contains about 2 per cent while dark tobacco such as that grown in western Kentucky averages from 3 to 4 per cent and runs as high as 7 per cent.

The development was accomplished by plant breeding and the crossing of types of tobacco.

### NORWAY'S ROYAL FAMILY VISITS THE ROOSEVELTS

HYDE PARK, N. Y., Aug. 29 (AP)—President and Mrs. Roosevelt opened their rambling country home again today to Crown Princess Martha of Norway.

A year ago last April, the crown princess and Crown Prince Olav were weekend guests at Hyde Park House during a visit to this country.

Today, with her children, the crown princess came as a refugee from a land which fell under German domination. Members of the Norwegian royal family are expected to remain at the family home of the Roosevelts until they can find quarters elsewhere.

### Newspapers Aid In U.S. Campaign For Recruits

PHILADELPHIA, Aug. 29 (AP)—The U. S. army is going out after recruits next week through the medium of newspaper advertising with a campaign playing up a change to "earn and earn."

The war department has earmarked \$250,000 for the national program, designed to supplement recruiting activities to bring the army's enlisted strength up to its full authorized strength of 375,000 by January 1.

Planning the campaign, N. W. Ayer and Son, of Philadelphia, an advertising agency, delved into army recruiting statistics.

"It showed us," said an executive, "that a majority of men join up because they want a chance to learn some skilled trade, and improve their earning power."

### LEMONS COME HIGH

LONDON, Aug. 29 (AP)—Lemons which were imported principally from Italy before the war, are selling here at one shilling (20 cents) each, and each purchaser is permitted to buy only one lemon.

### COWELL DIES

DOVER, N. H., Aug. 29 (AP)—William H. Cowell, 52, a founder and former president of the American Football Coaches association, died last night after being in ill health for two years.

He also had been chairman of the national collegiate rules commission for 15 years. He was faculty director of athletics at the University of New Hampshire until he retired two years ago.

### Charges May Soon Be Filed Against Trotsky's Killer

MEXICO CITY, Aug. 29 (AP)—Frank Jackson, held for the killing of Leon Trotsky, has been formally "consigned" under Mexican procedure to the Coyoacan district court which will decide by Saturday whether he is to be prosecuted on a charge of homicide.

Sylvia Ageloff of Brooklyn, N. Y., a friend of Jackson, also was consigned to the court for investigation of legal questions to determine whether there is basis for any prosecution in her case.
