AND NOW MR. JOHNSON...

After the hearty approval practically every Democratic Party Convention, held in the precincts throughout Texas the past Saturday, handed Senator Lyndon B. Johnson, we feel it is high time he made his position as a candidate for the Democratic nomination public. Although he has been running just as fast as he knows how (and apparently he can run pretty fast) for the past several months, he has declined numerous times to make a public announcement that he was seeking the nomination. A large number of his close followers have stated he was waiting to see what the reaction of the people of Texas would be at the grass roots level.

Well, Mr. Johnson, practically every convention held adopted resolutions in your favor and all 254 county conventions this Saturday are expected to follow suite. What more can you ask? We, the Democrats of Texas have handed you the entire state on a silver platter without many, if any, questions asked.

AND NOW MR. JOHNSON... we would like to see you commit yourself and make the announcement.

BUT PLEASE MR. JOHNSON, if something were to come up at the convention in Los Angeles in July that assured you you were not going to get the nod from the convention, do not attempt to hand the Texas delegation to any such person as ones by the name of Kennedy, Stephenson or Humphries. There has been some tough battles fought over the Texas delegations in the past, and if you were to attempt to hand the delegation to one of the above-mentioned, there would likely be another one. We would predict you will be a political has-been so far as Texas is concerned, within a short time.

And Mr. Johnson, we hope you will not accept the dictates of persons such as Mrs. Eleanor Roosevelt, Chester Bowles or Paul M. Butler. These kind of people are not for the Democratic Party as a party, but seem to foster a belief that what is good for the Socialized northern states is good for all. Not so in the opinion of the people of Texas and the South.

Harold Walker Places 5th in State Mile Race

HAROLD WALKER

Harold Walker, a sophomore student in the Santa Anna High School, placed in fifth place in the Class A State Interscholastic League meet Saturday afternoon in Austin. Walker's time was 4 minutes, 45 seconds. He was accompanied to Austin by his coach, Douglas McArthur and his manager-trainer, Raymond Clark.

A Yorktown, Texas boy took first place in the meet in 4 minutes, 35 seconds, setting a new state meet record. The old record was 4:40 flat.

Previously this year Walker had beat the boys who won third and fourth places. Coach McArthur said all he could attribute the fifth place to was inexperience. Walker began his stretch run a little too early in the race and just could not hold the pace. A 10-mile-per-hour wind from the north also had some effect on the race.

The boys who won the first second and fourth places were seniors. The third place winner was a junior.

Coach McArthur said the outcome was a big disappointment to him and Walker. However, it gained him a lot of good experience the hard way, that will be worth a lot to him in future races. Races of this kind include the best boys from all over the state and they are generally in the best condition possible, and usually seasoned veterans. Walker will be more in that class next year.

Lions to Observe 35th Anniversary Friday

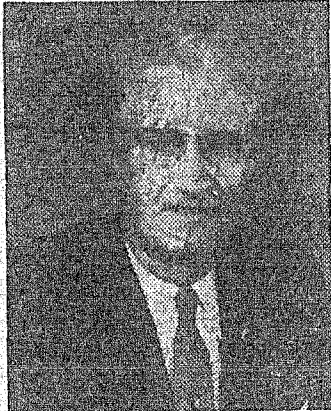

Thirty-five years of Lionism will be observed Friday night, May 13, when the Santa Anna Lions Club observes their 35th year of service to the Santa Anna area in a program combined with the annual Ladies Night observance. The affair will be held in the lunchroom of the Elementary school and will get underway at 8:00 p. m.

Principal speaker for the evening will be Randell D. Watkins of Laramie, Wyoming. Watkins is a director of Lions International and is chairman of the Department of Physical Education and Recreation at the University of Wyoming. He is a graduate of North Texas State College and received his M. A. and Ed. D. degrees at the University of Southern California.

Watkins has served as Director and President of the Laramie Lions Club and as Deputy Governor and District Governor. In 1958-59 he was Chairman of the Board of Governors and an ex-officio member of the Board of Directors. A Key Member, he has five years perfect attendance, has received the Extension Award for assistance in establishing new clubs, and the 100% District Governor's Award.

Elected a fellow of the American Association for Health, Physical Education and Recreation, Watkins was a Fulbright Lecturer at the Higher Institute of Physical Education, Cairo, Egypt, 1952-53. He is a member of the People-to-People Sports Committee, of the Albany County Recreation Planning Board and President of the Laramie Recreation Association.

Bill Jones of San Angelo, District Governor of District 2-A-1 will introduce the speaker, and will also present a number of

RANDELL D. WATKINS

awards and chevrons to members of the local club. Lion Jones will also present each wife present a memento from the club.

The Santa Anna Lions Club was chartered April 21, 1925. At present there is only one Charter member of the club, W. Ford Barnes, who is serving as Club Secretary. There are a few of the Charter Members still living here and a few wives of Charter Members who have passed on. All these former members and wives of former members will also receive special recognition during the evening. This part of the program will also be presided over by the District Governor.

Lion E. C. Grindstaff of Ballinger, will install officers for the coming year. Lion Grindstaff has served in many capacities in promoting Lions during the past years.

Invitations have been extended to many dignitaries of the Lions Club organization throughout the State. Replies from a large number indicate a very large crowd will be present for the occasion. It is expected

the local Club will have a 100% attendance.

The Santa Anna Lions Club is one of the oldest in the Central Texas area. They have sponsored many worthwhile projects for the town and area, other than carrying on the regular duties of the organization. One of the first and foremost projects of the club is to see that no person, regardless of age, who needs glasses has to go without them. Each year the club purchases a number of pairs of glasses. A project now underway is the installation of new facilities at the new football field.

High School Awards To Be Presented Tuesday Morning

Roy B. Mathews, principal of the high school, announces the annual Awards program will be held in the high school auditorium Tuesday, May 17 at 11:30 a. m.

All awards for high school will be presented at this time.

Math Lecturer Here Thursday

Cullen N. Perry, School Supt., announces Dr. Dale Maness, Mathematics Department of Howard Payne College, will present a 2-hour lecture to all the math students in the high school, beginning at 8:30 a. m. Thursday, May 12. The public is invited to attend the lecture, which will be held in the high school auditorium.

Dr. Maness will be here through the cooperation of the Texas Academy of Science and the National Science Foundation.

Honor Graduates Announced

Roy B. Mathews, principal of the Santa Anna High School, announced this week that Reta Jane Ing and Dixie Deal were the honor graduates of the high school this year. Travis Buse is the highest boy in the class of 22 to graduate.

Selection of honor graduates is determined by their average grade for the entire four years they are in high school.

Miss Ing, the daughter of Mr. and Mrs. Charles Ing of Santa Anna, has an average grade of 94.65 for the four years. During her Freshman and Junior years she received the Loving Cup for having the highest scholastic record for undergraduate girls, as well as receiving medals for the highest grades in her class all three years. In her Junior year she received a blue ribbon for her participation in the "Democracy in Action" program. This year she received the DAR Good Citizenship Award.

She has been in the band all four years in high school and participated in many other Interscholastic League events, such as number sense, one act

play, declamation and debate. Miss Deal is the daughter of Mr. and Mrs. Dick Deal of Rockwood. She has a four-year average grade of 91.45, and was Valedictorian of her class when she graduated from the Elementary school. Miss Deal has participated in many Interscholastic League events during her high school career, and has received numerous honors in the local school. She has been a member of the Senior Band for six years and filled several offices in the band. She is Editor-in-Chief of the school annual "The Mountaineer" this year. A very popular girl, she has won several school beauty contests and has held several class offices.

Travis Buse is a son of Mr. and Mrs. Vernon Buse of Santa Anna. His four-year average grade is 87.75. President of his class, Buse has been active in most sports activities of the school since his Junior High School days. He has lettered in track and basketball, and belonged to several clubs in high school.

Other students in the top ten are: Sandra Fowler; Darlene Mercer; Naoma Henderson; Frances Biggs; Sonja Dunn; Eddie Hartman and Kenneth Harris.

School Closing Exercises Announced

Cullen N. Perry, Superintendent of Schools, announces the following dates for school closing exercises:

Thursday afternoon, May 12, all the children who will be students in the First Grade next year are invited to visit the First Grade. Mothers are also urged to come to the school and stay with their children.

Thursday night, May 12, the Homecoming Department will hold their annual Graduates Tea.

Final examinations will begin Thursday, May 19. Examinations will be given on the 19th, 20th and 23rd. Monday, May 23, must be counted as a day of school and all students will have some examinations on that day.

The Graduation Services will be held in the high school auditorium Sunday evening, May 22.

World School graduation will be held Monday morning, May 23, in the high school auditorium.

High School Graduation will be held Tuesday evening, May 24, in the high school auditorium.

Report cards will be mailed to students when they are completed. It will likely be sometime the latter part of the last week of school.

First Primary Leaves Three Races For June Run Off

JOE DIBRELL Jr.

Three races will be listed on the Second Primary election ballot, to be held Saturday, June 4. The First Primary, held the past Saturday took care of the nominations for Democrats for all the other elective offices in the state and this county.

Of primary interest to local voters is the Sheriff's race. The present Sheriff, H. F. Fenton Jr., was put in a run-off campaign with W. J. Smith, who has been seeking the office in the past two elections. Others seeking the office were eliminated Saturday. They were Elroy B. Kilgore, Walter L. Gipson and A. F. Barnett.

Also of much local interest is the race for District Judge, 35th Judicial District. Three men were seeking the office, vacated by Judge A. O. Newman several months ago. Joe Dibrell Jr., Coleman County Attorney; William O. Breedlove, a former Brown County Attorney and Judge, are matched in the run-off election. Mark Calloway, a Brownwood attorney, was eliminated in the race Saturday. Dibrell led the district by 1,115 votes.

The only state-wide race in the Second Primary will be for Judge, Court of Criminal Appeals, District Judge W. T. McDonald of Bryan, who did very little campaigning, forced incumbent Lloyd Davidson into a run-off. Davidson led the ticket, but a third man in the race, Temple attorney Jim Bowmer, polled 288,000 votes to assure a run-off.

In the local contested races, complete but unofficial returns showed the following counts: for Governor, Price Daniel 1,984; Jack Cox 1,842; for Lieutenant Governor, Ben Ramsey 2,440; Don Yarborough 218; Attorney General, Wagner Carr 1,321; Robert Looney 172, and Will Wilson 2,414; Chief Justice of Supreme Court, Robert W. Calvert 1,747; Robert S. Hughes 1,873; Judge, Court of Criminal Appeals, Jim D. Bowmer 1,386; W. T. McDonald 878, and Lloyd Davidson 1,098.

In the race for State Representative, 77th District, J. W. (Bill) Moore of Ballinger defeated the incumbent A. J. Bishop Jr., by a District-wide vote of 4,673 to 4,322. In the county the vote was 1,967 for Moore and 1,738 for Bishop.

H. F. FENTON Jr.

W. J. SMITH

in Coleman County with 2,473 votes to 835 for Breedlove and 557 for Calloway. In Brown County Breedlove led with 2,942 votes, with 2,147 for Dibrell and 1,987 for Calloway. In McCullough County Dibrell led with 1,129 votes, with 857 for Breedlove and 411 for Calloway.

In the County Sheriff's race, the incumbent H. F. Fenton Jr., led with 1,574; W. J. Smith was second with 1,004; Walter L. Gipson received 872; Elroy B. Kilgore received 389; and A. F. Barnett received 199.

Kay Anderson was re-elected as Commissioner of Precinct No. 1 and W. W. Skelton was re-elected as Commissioner of Precinct No. 3. No Commissioners' race was held in Precinct Nos. 2 and 4 this year.

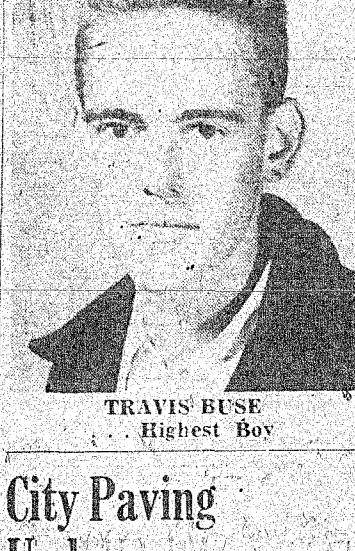

All the unopposed candidates were elected without opposition.

City Paving Underway

Paving of several streets on the north side of Santa Anna got underway Wednesday morning. Preparations for the paving have been underway for several months.

Streets receiving the topping this week are: one block on North First Street; two blocks on North Third Street; two blocks on North Fifth Street; and three blocks on Avenue A, from North Second Street east.

The parking lot at the First Presbyterian Church was paved two weeks ago.

Mr. and Mrs. Jack Allen and Sammy of Midland, spent Sunday and Monday with her parents, Mr. and Mrs. Sam H. Collier.

Mrs. Ruby Markland is in Waco visiting her brother, Mr. and Mrs. Joe McClain.

State Capitol NEWS

Austin — Texas Highway Department soon will come out with a brochure aimed at attracting out-of-state tourists to Texas.

Publication of the booklet with State Highway funds has been okayed by Attorney General Will

Wilson. State Comptroller questioned the legality of using road-use tax revenue for non-highway purposes, and the Attorney General's opinion as to legality was requested.

Actually, the brochure sticks pretty close to the road. It contains a map of the Texas highway system, tells about traffic laws and highway markers and makes a strong appeal for safe driving.

Its publication was declared legal on grounds that to refuse authorization would, in effect, declare unconstitutional the amendment approved by the people to allow advertising of Texas with state funds.

Expense of the brochure, said Wilson's opinion, "will be refunded to the highway program many times due to the great increase in automobile travel and the resultant increase in gasoline taxes."

Tourist spending in Texas dropped by \$100,000,000 last year. This has been attributed by many to the fact that other states have advertised vigorously

while Texas has not.

TEACHER TRAINING STUDIED

State Board of Education is considering proposals for revising requirements for education of public school teachers. Decision is to be made next summer.

Suggestions include:

1. Requiring all teachers to take 18 semester hours in education courses.
2. Requiring elementary school teachers to take 18 hours in subject matter and skills to be taught plus another 18 hours in related areas. An optional plan would be 24 hours in one subject and 18 in another.
3. Requiring future teachers to spend six semester hours of practice teaching. It was suggested this requirement could be set aside for persons with a college degree and three years actual teaching experience.

DON'T TAKE IT EASY

Biggest problem in driving on the new long, straight, controlled-access highways is that it's too easy. Drivers get bored, inattentive, sleepy.

"Rhythmic hum of powerful engines mile after mile... soft rumble of tires can produce a decided hypnotic effect," says the State Health Department Bulletin.

- It suggests these ways for a driver to keep awake and alert:
- (1) Watch for police cars.
 - (2) Chew gum — a full pack at a time.
 - (3) Sing loudly and talk to yourself out loud, or to a passenger.
 - (4) Drive in your stocking feet.
 - (5) Sit on something hard.
 - (6) Keep moving your eyes.
 - (7) Don't overeat before a trip.
 - (8) Make periodic stops.

Finally, says the Bulletin, if you get sleepy, the only real cure is to pull off the road, stop, and go to sleep.

It cautions against artificial stimulants and driving after taking tranquilizers and anti-histamines.

WHAT'S A BOMB?

Anyone who buys a jar of gasoline for his lawn mower could be accused of violating the state's anti-bomb law, a Dallas labor lawyer argued before the Court of Criminal Appeals.

His client was convicted of having assembled materials for a "Molotov cocktail" — a home-made bomb consisting of a jar of gasoline with a rag stuffed in the top for a wick.

In the case at issue, the bomb was exploded in the driveway of a non-striking employee during a Dallas labor dispute.

Dallas assistant district attorney disagreed with the charge that the law involved is unconstitutional. He said the statute makes it clear that possession of gasoline for use as a fuel is legal, but for the use in bomb making it is illegal. He said the law had been upheld seven times by the

Senseless Slaughter On Hiways Continues To Take Heavy Toll

On the cover of The Travelers Insurance Companies 1960 annual statistical report on U.S. highway accidents during 1959, Death's bony fingers clutch a grim record of death, injury and suffering. This year's booklet, the 34th annual edition, is entitled "The Dishonor Roll."

In 1959, more than 2,900,000 Americans added their names to the nation's roll call of senseless slaughter, an increase of almost 50,000 over the previous year. They were added despite the pleadings and warnings of those who try in vain to halt the carnage on our highways.

For those who recognize the evil and battle it with the few weapons at their command, the struggle often seems a hopeless one. Each year the grim reaper emerges victorious, his Dishonor Roll growing even longer with the names of men, women and children, drivers and pedestrians, the careless and innocent alike.

Since the first automobile chugged noisily down cobblestone streets, more than 62,000,000 killed, crippled and maimed Americans have inscribed their names on the Dishonor Roll. More have died on the highways than on our nation's battlefields. More have been injured than in all the world's wars combined.

This roll call of highway fatalities is no secret document hidden from public gaze. In newspapers and bulletins, legal and police reports, in courtrooms and judges' chambers, the names of the Dishonored and their innocent victims are made known to all. And not the names alone, but the catalogue of their deeds; driving while drunk, excessive speed, violating the rules of the road, jaywalking, failure to dim lights. These are a few of their offenses. In an endless roll call the names are read, and the judgments given. Then, more often than not, the dishonored proceed to emblazon their names again on the shameful record.

It is apparent that despite the statistical lists, the courtroom scenes, the newspaper headlines, and the spotlight of publicity, we continue to ignore this great and needless waste of human resources and material values. We shake our heads in sorrow over friends or relatives listed, children killed, lives blighted. Then, as in 1959, we add the names of 37,600 men, women and children killed, 2,870,000 injured, maimed and disfigured, an ever-lasting toll of Dishonor.

What is the solution to this national disgrace? Obviously, no one has found it to date. Statistics, pledges and slogans have had little apparent effect on the American public. None of these have brought about lasting awareness of the needless waste of lives, the untold suffering, represented by the Dishonor Roll. Each year, more and more of us heedlessly forget or intentionally disregard the messages of our safety experts. We refuse to make that personal commitment to greater care which is necessary if we are to survive the holocaust of our highways.

Only through an awareness of the terrible power of the modern automobile and only through the desire of each of us to keep our good names from the pages of the Dishonor Roll, will we begin to lower the deadly toll, and make our highways safe avenues of commerce and pleasure for all.

RESIGNS ...

MISS DORIS BEARD

Miss Doris Beard, head of the local Homemaking Department of the Santa Anna High School for the past 2 1/2 years, offered her resignation to the Board of Education at their last meeting. Her resignation is effective at the end of her contract period, July 1.

Miss Beard's home is in Tyler, Texas. She will go to the University of Tennessee where she will do work on a Master's Degree and at the same time will be an assistant in the university. She said the offer from the Tennessee school was an offer that she just could not turn down. It will give her some necessary experience and at the same time afford her an opportunity to further her education.

Farming Becomes More Competitive

College Station — The financial position of farmers at the beginning of 1959 was favorable. But now the prospects are less encouraging, reports John McHaney, extension economist. Farm income has dropped substantially from 1958 levels and a further decline is likely in 1960.

Farm assets and equities continued to increase in 1959, but by the lowest percentage since 1955. The rise in farm assets and equities may stop for a time in 1960 or 1961. Also, farm debts rose during 1959 and are likely to increase further in 1960, the economist says.

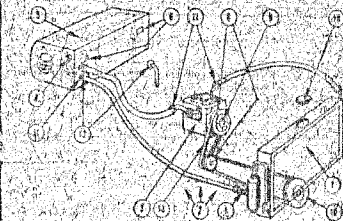

Even though the farm financial outlook is less favorable, it varies considerably by types of farming and by areas of production. The outlook for operators of the larger and more productive farms and of those operators who have been able to expand their volume of business is much better than for the operators of smaller and less productive farms.

The production and marketing of agricultural products is becoming more and more competitive between farmers and areas of production. Agriculture is becoming more commercialized and specialized with larger investments. This is not only true in agriculture, but also in most businesses outside agriculture, McHaney points out.

One way the individual farmer may solve the price-cost squeeze is through the proper amount and use of land, labor, capital and management. Some farmers have the resources to be efficient and others do not, the economist emphasizes. Every farmer should study and evaluate his own resource situation and determine what he should do as a farmer to stay competitive in a business that is getting more competitive every day.

Hot Days Ahead — Auto Air Conditioner Ready?

Well over 40 percent of all cars in the Southwest are equipped with air conditioners. So with Spring here, you owners will be wanting to make certain your auto's air conditioning system is ready for its cooling job — how can you tell?

There is a right way, and the Automotive Air Conditioner Manufacturers Association suggests you tear this out to give your mechanic. Following the diagram: 1 - Check refrigerant charge, 2 - "Leak-check" entire system; 3 - Check compressor oil level, 4 - Check expansion valve, 5 - Check evaporator coil for tightness, 6 - Check evaporator mounting brackets, condense drain lines, etc., 7 - Check condenser for air flow obstruction, 8 - Check compressor and idler bracket mounting points, 9 - Check idler pulley bearing, 10 - Check crankshaft pulley for tightness and alignment, 11 - Check hose clamps, 12 - Check grommets for proper position, 13 - Check and properly tension belt, 14 - Check automobile radiator pressure cap, and 15 - Road test the car.

Dependent on manufacture, certain units must be gauged for performance under certain ambient temperatures, engine speeds, etc. In any event, follow the manufacturers instructions, although the above apply to all models.

Peach Leaf Curl Hits Home Orchards

College Station — Leaf curl of peach occurs in all peach growing areas. The fungus disease is more commonly found in the northern half of Texas. Records show that the disease is noticed more in April and May during years of above average rainfall. Young trees from nurseries in northern states often carry the disease. Nectarines and peach-almonds are susceptible.

The leaves become curled, thickened and distorted. Affecting leaves appear white or pink in color. Fruits are misshapen with smooth areas. The entire tree may lose its leaves early in the season.

Loss of leaves prevents normal manufacture of true plant foods such as carbohydrates, fats and proteins. Without a normal supply of true plant food the tree produces a poor crop of fruit. Too, the tree is weakened so that it is unable to withstand damage by drought, cold weather and other pests.

No cure is available. Damaged trees should have proper care through the remainder of the year. Fertilize, cultivate and water, if possible, so as to obtain optimum growth. Control other pests. A Bordeaux mixture or fixed copper spray during the winter will prevent the disease from damaging the tree next year.

For additional information contact your county agent. Ask for copies of "Texas Guide for Controlling Insects and Diseases on Fruits and Nuts" and "Peach and Plum Diseases."

Want to See California?

The US Army Recruiting Station in Abilene has announced that beginning April 1st, all young men enlisting in the regular Army for a period of three years will be flown to Fort Ord, California for their eight weeks of basic training.

Fort Ord is located 150 miles south of San Francisco and is 5 miles north of Monterey. It is situated near the Pacific Ocean — in fact the million dollar Service Club at Fort Ord is located on the beach. Temperatures range from 40 degrees to 80 degrees during the summer months. The evenings are cool and most of the time require a coat or jacket for evening wear.

Take that California vacation now! Enlist in the US Army today. For more information, contact your local Army career counselor. Your counselor is Master Sergeant Leonard M. Evans and he is located at 900 North Third Street, Abilene.

Magazine Tells Of Good Spots For Vacations

Austin — If you are planning a vacation this summer to the Texas coast you'll be interested in two articles in the May issue of the Texas Game and Fish magazine, according to the director of information and education of the Game and Fish Commission.

One of these articles was written

by Roy Swann, outdoors editor of the Corpus Christi Caller-Times. In it he describes the use of spoil banks by persons who want to build hideaway fishing shacks along the intra-coastal canal in Laguna Madre.

These spoil banks were created when the canal was dredged many years ago. The surplus sand and mud from the canal was piled high to create what now is known as the spoil banks. Some of these hideaway fishing shacks have such modern conveniences as running water and television. They also are in the center of good trout and red waters.

Dr. Louis S. Kornicker of the Institute of Marine Science, also has written an interesting article on treasure hunting among the sand dunes on Padre Island. As a marine biologist, he spends his spare time following a beachcombing hobby.

Dr. Kornicker describes many of the interesting finds he and his friends have made along Padre Island, south from Corpus Christi.

Another interesting article in the May issue deals with bone hunting in the South Plains country. It was written by Leo Healer, outdoors editor of the Lubbock Journal.

TAX-MAN SAM SEZ:

Very few people will argue with you that the United States is a great country. Neither will most people argue with you that Americans are great people (except for a few soreheads). The factor that proves the greatness of the American people, more than any other thing, is the voluntary self-assessment income tax system we have in the United States. When nearly all of our taxpayers voluntarily pay a large part of their income to support the necessary activities of our government it proves that our people are law-abiding, worthy citizens. April 15 should be set aside not as a day to call IRS vixen names but as National Taxpayer Day to honor our millions of taxpayers who voluntarily do their part to maintain our great country.

MORE ACREAGE IN CONSERVATION RESERVE IN 1960

New acreage placed in the Conservation Reserve of the Soil Bank in 1960 has surpassed the announced acreage goal for the program by more than one million acres.

The larger acreage accepted for contracts is chiefly the result of two factors: conservation practices are being established more economically than in the past, and per-acre annual payment rates under 1960 contracts are lower than anticipated.

Approximately 80 percent of the farmers placing new land in the program for 1960 elected to come on a "whole farm" basis, that is, to place all their eligible cropland under contract. This is of maximum effectiveness in checking surplus production, since the entire farm is withdrawn from crops and usually from livestock production as well.

Under a whole farm contract, the family may continue to live on the farm, and recent field studies indicate that most of them are doing so. In some instances farmers who would have

sold and moved off their farms are retiring and continuing to live on them. Some who have shifted to non-farm work and are continuing to live on their farms said they would have moved to towns or cities if they had not had the opportunity to obtain a reasonable return from their farm property.

Participation in the program will be particularly heavy in the wheat-producing areas. The five leading states in new acreage, accounting for more than a third of the total, are Texas, Kansas, North Dakota, Oklahoma and South Dakota.

Under the Conservation Reserve Program farmers voluntarily sign contracts with the government to retire cropland from production and devote it to conservation uses, such as grass and tree cover and wildlife shelter. The contracts provide that the government will make an annual rental payment to the contract signer and will assist in establishing the conservation use on that land.

Contracts may be for three to 10 years, depending upon the conservation use to be established and the wishes of the farmer.

About Your HEALTH

A weekly public service feature from the Texas State Department of Health. HENRY A. NOLLE, D. D., Commissioner of Health.

The Division of Sanitary Engineering of the Texas State Department of Health has carried on a Vacation Camp Sanitation Program for many years. During 1959, an effort was made on the compilation of vacation camps into an up-to-date directory. At present, 140 camps have been located.

Seventy of these camps were inspected. Total attendance at the camps was 140,000 children according to inspection reports.

A safe, properly protected water supply is the major problem faced by camp directors. The director must know that the camp water supply is bacteriologically safe.

Water samples are sent to Health Department or commercial laboratories at regular intervals to be tested for the presence of contamination possibly harmful to human beings.

Other vacation camp sanitation problems confront the operators. High on the responsibility list is safety involving water front activities. In some instances, a modern swimming pool or natural bathing area is available, where sanitation is equally important.

Proper food sanitation and adequate insect control must be carefully planned by camp authorities.

Extensive precautions concerning the disposal of human wastes and garbage disposal need to be taken to guard against the pollution of nearby streams and to prevent fly breeding.

Various camping associations call upon the Division of Sanitary Engineering and local health authorities for assistance and counseling as needed.

While in most instances camp owners, camp directors and camping associations voluntarily endeavor to attain a high degree of sanitary perfection, the regulatory basis for sanitary practices are found in the Texas General Sanitation Law of 1945.

The Division of Sanitary Engineering will continue its Vacation Camp Sanitation Program this summer.

Visiting with Mrs. M. D. Eubank on Mother's Day were D. W. Eubank of San Antonio, Mr. and Mrs. Elmo Eubank of Temple, Mr. and Mrs. Ira Hudler of Rising Star, and Mr. and Mrs. Ozro Eubank, Mrs. Mildred Galoway and Miss Pauline Eubank of Santa Anna.

Elevator to Be Ready for Grain Crop

Pierre Rowe, manager of the Santa Anna Co-op Grain Elevator, said early this week the Co-op's grain elevator would be ready for the grain by the time it will be ripe. Work on repair and remodeling the elevator will get underway on Monday.

Rowe said he expected a part of the small grain crop to be ready for harvest about the first of June. By the middle of June the harvest should be in full swing.

Army Needs Young Men in Military Police Force

Sgt. Leonard M. Evans, local US Army Recruiter said today his service is interested in contacting young men, who are interested in the US Army Military Police Corp.

Young men who enlist for the Military Police Corp are trained in law, methods of apprehension, search, judo and techniques of investigation. The Military Policeman must know rules and regulations governing conduct and behavior of military personnel, according to the Sgt.

The physical and mental requirements to join the Army Police corp, in addition to the normal requirements are, be at least five feet seven inches tall and be effective in meeting emergency situations.

The Military policeman gains complete knowledge of the operation of law enforcement agencies. This would greatly assist a young man interested in becoming a civilian law enforcement officer, the Sgt. said.

Young men interested in the corp are invited to contact Sgt. Evans at 900 North Third Street, Abilene for more information, or call collect OR 2-5665.

20th Century Club Has Mother's Day Program at Meeting

Mrs. Clifford Stephenson and Mrs. B. L. Parks presented a Mother's Day program at the regular meeting of the 20th Century Club Friday, May 6, in the home of Mrs. Sam Rutherford. Mrs. Warren Aldridge was hostess.

The group sang several songs and enjoyed having Mr. Rutherford present to lead them. Among the songs was Mr. Rutherford's favorite, "Eternity is Just a Heart-Beat Away."

During the business meeting it was voted to meet only once a month during the summer months. Secret pal girls were exchanged, and new names were drawn. Cards were sent to Mrs. John Lowe and Mrs. Charles Bengel, who was unable to be present.

Mrs. Bengel resigned as chairman of the Flower Fund and Mrs. Aldridge was appointed to take her place.

The club was happy to have Mrs. A. L. Oder back with them. She has been unable to attend for several meetings.

Mrs. Aldridge served refreshments of ice cream, cake, coffee and punch to the eight members and one guest present.

Time and place of the next meeting will be announced later.

Rockwood H.D.C. Regular Meeting

Mrs. Curtis Bryan said jelly and jam add color and variety to meals, as she gave a demonstration on cooked and uncooked jelly to the Home Demonstration Club at the Rockwood Community Center, Wednesday afternoon, as each "sampled" the jelly on buttered toast.

Little League Ball Clubs Organized

Three Little League age ball clubs were organized at a called meeting of the Quarterback Club Tuesday night. In connection with the three local clubs, Rockwood will have a Little League club, making four teams in the League.

Team rosters will be published the last week in this month. League play is scheduled to get underway on Tuesday, June 7th.

The Orioles will be managed by Bobby Joe Densman; the White Sox will be managed by Garland Morgan; and the Athletics will be managed by Ray Swindell. Jim Rutherford and Rodney Dean will manage the Rockwood Indians.

If we are to have a Minor League, three managers must offer their services. A. D. Donham, Secretary of the club, said they would accept women or men as managers for the minors. If you are interested you are urged to contact Mr. Donham as soon as possible.

Another called meeting of the managers will be held Tuesday night of next week. All interested persons are urged to be present.

Apparently there will be no county-wide Pony League clubs this year. There has been some difficulty in getting managers and sponsors in some areas. However, the local Pony League age boys will be matched with other teams when and where possible.

Mrs. Floyd Herring of Austin and Mr. and Mrs. Harry M. Oder and children, Paul and Lee Beth of Abilene, visited during the weekend with their mother and grandmother, Mrs. A. L. Oder.

ANOTHER BIG'UN

J. B. Weathers reports he caught another large catfish in Home Creek last week. In all he caught one weighing 19 1/2 pounds, another weighing 10 pounds, then another weighing 7 1/2 pounds, plus one of the biggest gars he had ever seen.

Mrs. Frank McCarthy and Mrs. Charm McCullum of Dallas are visiting their sisters, Mrs. R. L. Steward and Mrs. Ray Caldwell.

Flags to Be Placed on Vets Graves May 29

Plans were made for the Memorial Service program and other arrangements when the American Legion held a called meeting in the club room of the City Library Tuesday night, May 3.

Richard Bass, Post Commander, presided, with Earl Trick, Post Adjutant, serving as secretary of the meeting.

The Memorial Day service is planned at the City Cemetery and will be an annual project of the Legion. Flags will be placed on the graves of all veterans of all wars at sunrise on the morning of the program, which will be on Sunday, May 29. The service will be held at 3 o'clock that afternoon, with Santa Anna pastors and members of the Santa Anna school bands taking part.

Any person knowing of a veteran's grave in the cemetery here is requested to notify Mr. Bass or Mr. Trick, as it is desired that flags will be displayed on every such grave and none be overlooked.

Bible School Parade Plans To Be Discussed

Plans for the North Side Baptist Church Vacation Bible School parade will be discussed at a meeting of the school workers at the church Thursday evening, May 12, at 7:30 o'clock. All workers of the school are urged to be present and others who are interested are invited to attend.

The parade will be held in downtown Santa Anna Saturday afternoon, May 28, at 2:00 p. m. Those who wish to participate in the parade are urged to meet at the church early enough to get the parade underway at the appointed time. Mrs. Hazel McCrary is Parade Chairman.

Also at the meeting Mrs. James Rogers and Mrs. Zuda Henderson will present the Vacation Bible School music to the workers. The workers will also be given instructions concerning departmental enrollment for the school, which will be held May 28 immediately following the parade.

The Vacation Bible School will be held from May 30 through June 10th. All children in this area between the ages of 2 years and 16 years are invited to attend the school. Classes will be from 8:30 a. m. to 11:00 a. m.

Mrs. Vernon Campbell, Carole and Buddy visited their husband and father in the Shannon Hospital in San Angelo Sunday. Mr. Campbell has been a patient there since Wednesday of last week.

Mrs. W. C. Spencer and boys of Dyess AFB, Abilene, spent Sunday with her parents, Mr. and Mrs. Tom Mills. Miss Betty Blue returned home with them for a visit.

COMPULSORY HEALTH INSURANCE, to be financed by an increase in social security taxes, is unpopular in the 21st district, according to tabulations of returned questionnaires. By a nearly 3-to-1 margin — 69% — the answers said, "no."

Another issue, decisively decided is on the subject of Federal Aid to Education. Sixty-four percent are against construction aid and 69 percent want no part of aid for teacher pay.

By a ratio of 9-to-1 the people think organized labor is becoming too powerful, and 85% want

legislation to put unions under anti-trust laws and make both the unions and industry bargain on a company-by-company basis.

Foreign economic aid should be continued but reduced, according to the tabulated views, and they think there should be restrictions on imports of products that adversely affect the well-being of local competitive enterprises.

A substantial majority doubt the wisdom of increasing the minimum wage and expanding coverage. And nearly 3/4 want the soil bank discontinued.

Two-thirds think agriculture price supports should be reduced.

Copies of detailed tabulations are being mailed to each of those who sent in their views.

THE HOUSE HAS GONE on a recent election-year spending spree that could jeopardize chances for a balanced budget during the next fiscal year. A billion-dollar housing bill which the Federal Housing Administration insists it does not need and does not want sailed through the House. It was followed by a quarter-billion dol-

LOIS ANN SHIELDS TO GRADUATE FROM SUL ROSS COLLEGE

Alpine — Sul Ross College officials have announced that a total of one hundred two candidates have met the requirements for the Bachelor or the Master degree.

Among those scheduled to graduate in May is a student from Santa Anna, Lois Ann Shields. Majoring in music education, Miss Shields will receive the Bachelor of Music Degree. She is a graduate of Santa Anna High School. She is the daughter of Mrs. Virginia Shields of Midland.

Mr. and Mrs. Earl Eaton of Fort Worth visited Sunday with Mr. and Mrs. W. E. Vanderford and Mrs. Maud Smith. Sunday afternoon they visited Mr. and Mrs. Rip Mayo in Coleman and spent Sunday night with Mr. and Mrs. Warren Aldridge and Van. They returned home on Monday.

Kelly Air Force Base to Host Gigantic San Antonio Military Exhibit

Representatives of local military installations are busy at work planning for the greatest aerial and ground display of military might ever assembled in San Antonio when the Armed Forces Day Open House is held at Kelly AFB May 22.

More than 100,000 persons are expected at the Open House where the strength of all the armed services will be on display from noon till 5 p. m. All of the exhibits will be designed to show the "Power for Peace" theme of Armed Forces Day, 1960.

Multi-jet bombers and super-sonic fighters of the Air Force will be seen side by side with some of the Army's latest and most powerful weapons. Many of the exhibits will be on public display for the first time.

Two large hangers at Kelly will be filled for the Open House with exhibits portraying the missions of the various Army, Navy, Marine and Air Force organizations in San Antonio.

Feature of the event will be an air show of the latest aircraft in the military service. Also, al-

most every type of Air Force and Army plane will be on static exhibit.

Also available for the viewing public will be the 23-acre aircraft maintenance hangar at Kelly where San Antonians can see rows of B-52 bombers being overhauled, the new mechanized air freight terminal, and electronic data processing equipment center.

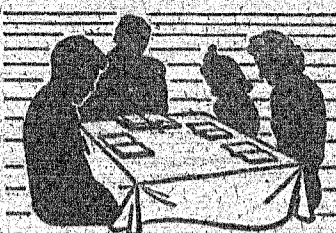

Officials at Lackland, Randolph, Kelly and Brooks AFBs, Fort Sam Houston, Brooke Army Medical Center, and the Navy and Marines, are cooperating to make the 1960 Armed Forces Day Open House the best in San Antonio history. Nothing is being overlooked in the planning for the comfort of visitors.

Refreshment stands, adequate restrooms and plenty of parking space will be available to accommodate the huge throng which is expected to attend.

Col. Curtis L. Frisbie is the project officer for the San Antonio Armed Forces Day celebration, while Lt. Col. John L. Williams is serving as the project officer for the Open House.

Today's MEDITATION

The Upper Room

THE UPPER ROOM, NASHVILLE, TENNESSEE

Read Matthew 6:27-34.

Take therefore no thought for the morrow: for the morrow shall take thought for the things of itself. Sufficient unto the day is the evil thereof. (Matthew 6:34.)

While learning to drive an automobile, I often looked far ahead and sometimes saw traffic problems. I then began to worry about how I would manage to drive when I got to that place.

My husband, who was my teacher, always said, "Don't worry about the traffic ahead; watch what you are doing here. Those problems you see ahead will usually clear up before you get there."

How true that fact is in the life of a Christian! Jesus always counseled against worrying about what may lie ahead. The psalmist tells us to cast our burdens on the Lord.

We become concerned with the things that may happen tomorrow instead of doing all we can today. Too often we forget that God is present with us today and will be with us each tomorrow. Everything will work out all right if we have faith and exercise patience.

PRAYER:

O Father, teach us to be calm, trustful Christians, not anxious over something that may happen in the future. Help us to be busy in doing Thy will today. Sustain our faith that we may use every moment as a shining one for Thee by doing good in the Master's name. Amen.

THOUGHT FOR THE DAY

Those in whom Christ lives never walk alone.

A "weaver" is a horse that employs a peculiar weaving motion and whose feet never strike the ground in a straight line when bucking. This motion is most disconcerting to a rider.

ARE YOU GUILTY?

No business man or woman in any town should allow a newspaper to go to press without his or her name and business being mentioned somewhere in its columns. This does not mean that you should have a whole, half or even a quarter page advertisement in each issue of the paper but your name and address should be mentioned even if you do not use more than a two line space.

A stranger picking up a newspaper should be able to tell what business is represented in a town... it is the best possible town advertiser. The man or woman who does not advertise does an injustice to himself or herself and definitely to the town.

Whon News

By MRS. TOM RUTHERFORD

Don't forget the community supper at the Community Center Saturday. Everyone is invited to enjoy eating and a visiting hour together.

We are sorry to report Mr. D. T. Perkins is not feeling so well, and is in the home of his daughter, Mr. and Mrs. Floyd Morris. Weekend guests with Mr. Perkins and the Morris family were Mr. and Mrs. C. A. Perkins and children, Elaine and Billy, Mr. and Mrs. Charles Burkett and children, Gayle and Rickey, Mr. and Mrs. Elwyn Perkins of Grand Prairie.

Sunday guests in the Morris home were Mrs. Letha Hendrick, and Mrs. Clara Martin of Coleman, Mrs. Edna Perkins and Barbara of San Angelo and Mr. and Mrs. J. D. Morris and family of Iraan.

Mrs. Ester Burkett of Grand Prairie is spending this week with her father, Mr. Perkins, in the Morris home.

Jamie Lee Morris spent the weekend with Archie Morris of Camp San Saba. Mr. and Mrs. Raymond Morris and Archie brought Jamie Lee home Sunday afternoon and visited.

Mr. and Mrs. George Jenkins of Melvin were Sunday guests of Mr. and Mrs. Babe Gardainer. Dixie Deal, Frances Bryan, Loyd Rutherford and Joe Floyd Morris were the Seniors from our community to go on the Senior trip over the past weekend, to Colorado Springs. Mrs. Johnnie Deal, mother of Dixie, was one of the mothers to accompany the Seniors. They reported a wonderful trip, but was one more group of tired people when they returned to Santa Anna late Monday evening.

I think this would interest a few. Mrs. Deal called Mrs. Joe C. Barnes over the phone. Bobbie Barnes answered. When Mrs. Deal told her where she was and why, Bobbie replied, "I can't feature any Senior wanting to come to Colorado on a Senior trip. I want to go to Whon, Texas." The Barnes family are former residents of our community.

Mr. and Mrs. Raymond Brooks, Mr. and Mrs. Tommy Brooks and Mr. and Mrs. Robert Low and family of Coleman, were Sunday guests of Mr. and Mrs. Don Rodgers on the Taylor Ranch.

Mr. and Mrs. Joe Harvey and children of Santa Anna and Mrs. Harvey's sister, Lillian and family of California, visited Sunday afternoon with Mr. and Mrs. Zack Bible. The ladies are the daughters of Mr. and Mrs. Roy Bible.

Mrs. Dr. Charles Amhurst of

Miller were Mr. and Mrs. C. N. Davenport and Steve Davis of Coleman.

Mr. and Mrs. Frank Brusenhan and Sue of Eden, Mrs. Bill Polk and Candy of Salt Gap and Mr. and Mrs. L. Brusenhan Sr. were all Sunday guests in the Junior Brusenhan home.

Mr. and Mrs. Pat Patterson and Paige of Irving were weekend guests with Mr. and Mrs. Bill Steward and Sonsy.

Mother's Day guests with Mrs. J. W. Wise were Mr. and Mrs. Howard Pearson and boys of Calvert, P. L. Wise of Brownwood, Mr. and Mrs. Hilton Wise, Evan Wise, the Pattersons and Bill Stewards. Afternoon callers were Mrs. Gussie Wise, Mr. and Mrs. Jesse Eckles and Dawn and Mrs. Evan Wise.

Mrs. Evan Wise was a dinner guest with her son, Joe, and family.

Houston, the former, Neewah

Turney, called her Mother, Mrs. Bert Turney Sunday, sending her Mother's Day greetings.

Mr. and Mrs. Earl Cozart visited her mother, Mrs. Bob Johnson Sunday. Mrs. Johnson returned home with them for a few days' visit. Mrs. Johnson lives in Coleman.

Mr. and Mrs. Hilary Rutherford and Rocky of Brownwood, spent Saturday night with the Tom Rutherford. Hilary is working with the telephone company and was in Irving last week and this week.

Mr. and Mrs. Bert Turney were Sunday dinner guests of Mr. and Mrs. Walter Yancy and family, Sandra and David. Mrs. Turney was celebrating her birthday with a delicious dinner. Mr. and Mrs. James Avants and children, Mr. and Mrs. Bean Raddle of Santa Anna were Sunday guests of Mr. and Mrs. Aaron Avants.

Mr. and Mrs. Bert Turney were notified of the death of Mr. Chilton in Dallas. Their son-in-law, Mickey Chilton of California has been in Dallas at his father's bedside and attended memorial services.

Mrs. Earl Cozart received a nice Mother's Day remembrance, when her daughter, Mrs. Joe Will Fowler and her family, called Sunday sending Mother's Day greetings. The Fowlers live in Kansas City, Mo.

Mrs. Bert Turney was pleasantly surprised Friday night when her sisters, Lily and Nora, called her from California. The sisters hope to come to Texas this summer.

Mr. and Mrs. M. K. Derrick of Dallas, Mr. and Mrs. Snowden of Lohn and Mr. and Mrs. Wright of Brady were weekend and Sunday guests in the Fitzpatrick home.

Mr. and Mrs. Bill Harvey and children of Houston visited during the past week with his mother, Mr. and Mrs. Gus Ful-

W. J. McClure Buried Sunday

Funeral services were held at the First Methodist Church Sunday, May 8, at 2:30 p. m. for W. J. McClure, who died in the Santa Anna Hospital Friday morning, after being a patient there for two months. The pastor, Rev. Ray Elliott, officiated. Masonic graveside rites were conducted in the Santa Anna Cemetery. Hosh Funeral Home was in charge of arrangements. Warron John McClure was born June 20, 1889 in Williamson County, Texas. He came with his family to the Santa Anna area at the age of 18 months and has made his home here since. He was married to the former Miss Adra White in Santa Anna, December 6, 1908. A retired farmer, Mr. and Mrs. McClure had lived in town for the past several years.

He was a member of the Methodist Church.

Survivors include his wife; two daughters, Mrs. Thelma Upchurch and Mrs. Laura Carpenter of Santa Anna; and one brother, Wade McClure of Lockney. Six grandchildren and two great-grandchildren also survive.

Pallbearers were Jack Mobley, Lige Gober, Roy Bledsoe, Henry Pittard, Roy West and Add T. Walker.

FFA-FHA Chicken Fry Scheduled Tuesday Evening

The annual FFA-FHA chicken fry will be held in Ranger Park in the late evening, Tuesday, May 16. All members of both organizations are invited to attend. All members of the high school faculty will also attend.
