SANTA ANNA, COLEMAN COUNTY, TEXAS, FRIDAY, SEPTEMBER 30, 1960

NUMBER 40

## Petition to School Board to Be in Circulation Soon

A petition requesting the Santa Anna Independent School District to call an election for the adoption of Senate Bill No. 116, as authorized by the Texas Legislature in 1955, will be in circulation, possibly by the time The News is mailed this week. The petition will be circulated by several groups of citizens throughout the school district.

In order that a person might sign the petition, he or she must be a qualified tax paying voter. In order to be a qualified tax paying voter, a person must be a qualified voter by having paid the poll tax before the past January 31, must also have property rendered on the county tax rolls for taxation, and must be a resident of the Santa Anna Independent School District. Voters whose age exempt them from the poll tax must otherwise be a qualified voter as above, in order to sign the petition.

Actually, in order to be a legal document to request the school trustees to call the election, the petition needs only the signatures of 20 qualified voters. A man and wife represent two signatures, but both must sign the petition individually. These 20 signatures can be obtained very rapidly.

However, the petition is to be circulated in all areas of the district with the hopes of obtaining about 200 signatures. Those who will be circulating the petition understand S. B. 116 and will gladly answer any questions you might have to ask.

The need for the increased revenue in the operation of the local school system was very much in evidence, when the school board held an open meeting recently for the specific purpose of reading the proposed budget for the school year now in progress.

The petition requests to school trustees to call the election on Friday, December 2, 1960. This is the day of the annual Christmas Opening in Santa Anna, and usually more people are in town on that day than on most any other day in the year. The request is being made in order to give as many people as possible an opportunity to vote on the question, with the least amount of trouble to the voter, and the least amount of expense to the school district.

When you sign the petition it does not necessarily mean that you will vote for or against the adoption of the bill. It just means you are one of those who request the board to call the election. When the election is held, then you have the privilege of voting your conviction on the question.

We hope each of you requested to sign the petition will do so. If there is anything you do not understand, we hope you will ask questions about the matter. Better than that, visit the school office and look at the operating cost and the revenue.

We know each of you as adult citizens of the district realize the need for our children and grandchildren to have the best education possible to give them. If they are to get that education, the school must have the money needed to give it to them.

## Mrs. Cora Weeks Buried Sunday

Mrs. Cora Weeks, 90, a patient in the Santa Anna Hospital for several weeks, died at 7:50 a. m. Friday. Funeral services were held in Winters Sunday afternoon, with burial in the Fairview Cemetery.

Mrs. Weeks was born April 2, 1870 in Troy, Miss., and moved with her parents to Texas in 1884. She was married to J. I. Weeks in Burnet County in 1887 and they moved to Coleman County in 1904, settling in the Goldsboro Community. They moved to Lawn, in Taylor County, in 1912.

She is survived by two daughters, one son, 10 grandchildren and 18 great-grandchildren.

## Band News

The bad weather Friday night caused the Mountaineer Band to cancel their part of the half-time activities of the Santa Anna-Bronte game. However, the band will be out this Friday night at the Hamilton game to give the Mountaineer fans a real show.

During the past few weeks there have been several additions to the band. Among these are Kay Haynes, Della Trinidad and Nancy Smith. All are playing tenor drums.

A new addition to the band hall is an air conditioner, given the band by Mrs. Alice Louise Walker. The band wishes to express their sincere appreciation to Mrs. Walker for the nice gift.

## Mountaineers Journey to Class AA Hamilton for Friday Night Tilt

The Mountaineers will take on their most powerful foe thus far this season Friday night when they journey to Hamilton for a clash with the Class AA Bulldogs. The Bulldogs have a backfield that averages 177 pounds per man, and their line runs from 180 to 190 pounds per man. Hamilton has a record of one win and two losses. In the opening game of the season they swamped the Goldthwaite Eagles by a 60-6 score, then rested a week and lost their next two games. They lost to Gatesville by a score of 0-40 and last week lost to powerful San Saba by a score of 36-18.

The Mountaineers won over Goldthwaite by a 12-0 score, and according to reports, the Eagles played a much better game against the Mountaineers than they did against Hamilton. However, there was a considerable difference in the score.

We would like mighty well to see the Mountaineers redeem themselves for the loss last week to Bronte, by playing a well fought game this week. We do not actually expect the local boys to win this game, as they are outclassed to begin with. However, we will feel like they won the game regardless of the score, if they make a good showing all the way through the game.

All the boys were in good shape at the beginning of the week, and if no injuries are suffered during practice, they should be in top condition for the game. Good physical condition means a lot, and as the game moves on, it begins to tell.

Our boys were apparently in good spirits for the first half of the Bronte game, and showed it by the way they played. However, the spirit was somehow lost during the half-time period, and they were definitely "down" for the final 24 minutes. This is something that every team has to contend with, and no one knows when it might happen. We hope the spirits will be good Friday night.

As this is the first time we have ever played Hamilton, there might be some wondering which is the best way to get there. According to the 1960 Texas Highway Map, the distance is 80 miles one way and 75 miles another way.

The best highway by far is going through Comanche, which makes it 80 miles to Hamilton. When you get to Comanche continue through town on the Fort Worth highway, then take State Highway 36 to Hamilton, just on the other side of Comanche.

The 75 mile route is from Brownwood to Zephyr, then Farm Road No. 218 from Zephyr to Hamilton, which is about 43 miles of Farm Road to travel that is rather narrow and has lots of turns in it.

The route through Comanche seems by far the best way to go.

## 4-H Club Boys To Sell Home Name Plates

Travis Herring, Assistant County Agent, announced this week the seven 4-H Clubs in the county have undertaken a selling project, to pay for their 4-H Chuck Wagon. The Chuck Wagon is used by the boys for transportation of lambs to various stock shows, and it also serves as a diner and dormitory while the boys are away from home.

Each boy in the seven clubs will be selling Aluminum Name Plates. These plates may be placed on lawns, on houses or on mail boxes. The standard name plate sells for \$1.50 and the Deluxe model sells for \$1.95. The boys make 40% of their sales, and all the money will be used to help pay for the bus. They hope to put a name-plate on most every home in the county.

## New Book on Game Laws At J. P. Office

Justice of the Peace W. Earl Erick Sr., said recently he had received a new edition of the game laws of Texas. This is a book about twice as large as the previous book of laws used by Game Wardens.

Anyone interested in reading the state game laws is invited to go by Judge Erick's office and study the book.

Typewriter paper at the Santa Anna News.

## Invite Someone You Know to the Homecoming

The annual Homecoming of former students of the Santa Anna schools will be held here Friday and Saturday, October 7 and 8. The more people who attend the homecoming, the more enjoyable it will be for all.

Every person in Santa Anna who knows a former student, or for that matter some former citizen who you think might like to attend, is urged to personally invite them to be here for the activities on Saturday at least. Invite them to come and spend both days if possible.

Invitations have been mailed to all former students whose addresses are available to the Ex-Students Association. However, there are many former students whose address is unknown to the association that others may know. Impress on them that they do not need an invitation from the association to be invited to attend.

All classes (including the Class of 1960) ending in "0" will be honored at the tea given in the school lunchroom on Saturday morning. However, all other visitors are also invited to attend the tea and join others in conversation and refreshments.

A full day is planned for October 8, with registration beginning at 9:00 a. m. and the annual dance to be concluded at midnight that night. During the day a business meeting will be held, a barbecue supper will be served and a variety program will be presented in the early evening.

Everything is planned for the enjoyment of the visitors. All are urged to help get every visitor here possible.

## D. W. Grantham Buried Friday

Funeral services for D. W. Grantham, 89, were held at the Trichham Union Church Friday, Sept. 23, at 2:30 p. m. Mr. Grantham died at his home in Santa Anna at 3:30 a. m. Thursday, Sept. 22.

Rev. Raymond Jones, pastor of the First Baptist Church of Santa Anna was the officiating minister, assisted by Rev. Clifford Sands. Burial was in the Trichham Cemetery, under the direction of Stevens Funeral Home of Coleman.

Daniel Wilson Grantham was born July 7, 1871 in Coryell County, Texas. He was married to Ida Chandler January 10, 1897 at Levita, Texas. They lived in Brown County from 1912 until 1948 when they moved to Santa Anna. They have lived here since that time.

He was a retired stock farmer. Survivors include the wife of Santa Anna; one son, R. C. Grantham of San Antonio; and two daughters, Mrs. Laura Lawrence and Mrs. Ottilie Bennett, both of Abilene.

Pallbearers were Jack Lawrence, Allen Morris, Jerry Winters, Teddy Land, Floyd Bennett and Chester Lawrence.

## Good Rains Cover County

Rains amounting to 1.75 inches fell in Santa Anna from Friday afternoon through Tuesday morning. The largest part of the moisture, 1.25 inches, fell in about 35 minutes Friday afternoon.

Similar amounts fell through most of the county.

The rains were very timely for most of the farmers and ranchers. There is some damage expected to result to the cotton, but the damage will be much more than offset by the good.

A number of farmers report there was not a sufficient amount of water fell to relieve the stock water situation.

## Legion Has Wheel Chair Available

W. Earl Erick Sr., Commander of the local American Legion Post, announced early this week the local post has a wheel chair that is available for loan to any person who might need it.

Persons who are in need of the chair are invited to contact Mr. Erick for further information.

## Prizes to Be Awarded Floats in Xmas Parade

The annual Christmas Opening for Santa Anna has been set for Friday, December 2. The Christmas Opening will signify the opening of the season's shopping period and a big day is planned for everyone.

A big Christmas Opening Parade will be held in the afternoon with bands from a number of surrounding towns participating and it is hoped every civic and cultural organization, as well as all the churches, will have floats in the parade.

Theme for the floats should have something to carry out the Christmas story.

The prize for the first place float will be \$50.00 in cash, with \$35.00 in cash being the prize for the second place float and \$25.00 in cash being the prize for the third place float. Each of the next five places will be awarded \$10.00 in cash.

There is 11 store windows in town for different organizations to decorate in the Christmas theme. Prizes will also be awarded in this part of the Christmas opening. First prize window will receive \$5.00 in cash; the second place window will receive \$3.00 in cash and all other windows will receive \$2.00 in cash. No prizes will be offered for children participating in the parade and no prizes will be offered for home decorations this year. Lack of interest during the past years has resulted in these prizes being discontinued.

All organizations in the Santa Anna trade area are invited to enter floats in the parade. It is hoped that at least one float will come from each of the rural areas surrounding Santa Anna. There should be several floats entered by organizations here in town.

All organizations are requested to discuss the floats at your next regular meetings, and when you decide to enter a float in the parade, have your float committee chairman to notify W. Ford Barnes, at the Community Chamber of Commerce office that your float will be entered. This is needed in order for the parade marshal to designate positions for the floats and bands that will be in the parade. Your cooperation will be appreciated.

## Juniors Take Third Loss

The Junior Mountaineers suffered the third loss of the season Tuesday night, when the Juniors from Early visited the local field. The final score was 28-0.

Next Tuesday night the Junior High boys will journey to Goldthwaite for a non-conference game in their series of games.

## Mrs. Bruce Speaker For FHA Meeting

Mrs. C. D. Bruce was the guest speaker at the regular meeting of the local FHA Chapter, held at the high school Thursday, Sept. 22.

Mrs. Bruce used as her topic, "How the FHA Helps a Community." The meeting was presided over by the president, Laquinn Cooper.

## County Reaches 77.6% of Goal in Savings Bonds

Savings Bond sales in Texas increased 15% in August over the same period of 1959. This report was made today by Mr. Robert Bowen Jr., chairman of Coleman County Savings Bond Committee.

"August Savings Bond sales in our county were \$56,438. Sales for the first eight months amounted to \$364,998 which was 77.6% of our county's 1960 goal," Bowen reported.

Texas bond sales for the first eight months of the year total \$105,607,518 which represents 63.8% of the state goal.

"The role of the Savings Bond Program in light of world conditions cannot be overemphasized. Buying of Savings Bonds is a tangible way that each American can demonstrate his patriotic support of our great Nation," Bowen said in announcing the sales for his county.

When you see a wrecked car beside the road, you can be sure somebody put it there!

## Christmas Program of Santa Anna Merchants to Get Underway Saturday

The annual Christmas program of the Santa Anna Merchants will get underway on Saturday, October 1. Most of the local merchants are participating in the program.

The program will be different this year. Instead of awarding a large number of merchandise gifts on Christmas Eve, and awarding \$25.00 in merchandise coupons on Saturdays, the program will consist entirely of awarding the merchandise coupons each Saturday.

Every merchant in the program will be glad to explain how you may participate in the annual fall program.

The plan calls for \$25.00 in merchandise coupons to be given away, beginning on Saturday, October 22. Then on Saturday, October 29, November 5, 12, 19 and 26, \$25.00 in coupons will be given away. On the first Saturday one name will be drawn from a hopper where all the merchants will put tickets that have been deposited in their store. If the person called is present, they will be given the \$25.00 in coupons. If the person called is not present, the following Saturday two names will be called for \$25.00 in coupons, but if the person called is present on the first Saturday, only one name will be called on the second Saturday. All through the month of November the program will work the same way. The plan is not to call any name for more than \$25.00 in coupons at

one time, but the number of calls build up, if the names called are not present to receive the coupons.

Beginning with the first Saturday in December four names will be called for \$25.00 in coupons each. On each succeeding Saturday any coupons not given the previous Saturday will be called, plus an additional four names. Then on Saturday, December 24, names will be called for \$25.00 in coupons each until a total of \$550.00 in coupons will have been awarded during the entire period.

The drawings will be held at 3:00 p. m. each Saturday through the ten-week period.

Local merchants participating in the program to date are as follows: Santa Anna National Bank, Santa Anna Tile Co., Inc., Santa Anna Silica Sand Co., Inc., West Texas Utilities Co., Coleman Gas Company, Coleman County Telephone Co.-op, Santa Anna Co-op Gin, Piggly Wiggly, Harvey Grocery, Hosh Brothers, Phillips Drug, Moore's Variety Store, Ladies Shop, Purdy Mercantile Co., Western Auto Associate Store, Blue Hardware, Parker Farm Store, Santa Anna Lions Club, Santa Anna Lumber Co., Wristen's Texaco Service Station, Talley Sinclair Service Station, Autrey's Humble Service Station, Truck Harbor Service Station, Elkins Premier Service Station, Clover Grill, Griffin Turkey Farm, L. A. Welch Garage, McKee Cleaners, C. F. Campbell Gulf Oil, O. A. Etheredge Texaco Co., Mathews Motor Co., Linnie's Beauty Shop, Bailey Lumber & Supply Co., S. L. McCrary Premier Service Station, Fred's Mobil Service Station, Les' Premier Service, and The Santa Anna News.

There will likely be a few other merchants added to the list before the final deadline for coming into the program. These names will be published next week.

Several of the above will not be giving the Christmas tickets, but are otherwise cooperating in the annual program.

## Lions Club Light Bulb Sale Set in October

The Santa Anna Lions Club will sponsor a light bulb sale in Santa Anna on Friday and Saturday, October 14 and 15. The sale will be similar to one held two years ago. Plans are for members of the club to canvass every house in Santa Anna on Friday, then on Saturday bulb selling locations will be set up in town where people from the rural areas may purchase bulbs.

Packed in the "Bag-O-Bulbs" will be three 75-watt bulbs and five 100-watt bulbs. The bag will sell for \$2.00.

Proceeds from the sale will go to the Lions Club Charity Fund, to be used on one of the numerous projects the Lions Club sponsors throughout the year.

The aim of the club is to put a light bulb in every socket in town, then ask you to be sure and have several extras on hand for replacements.

## Happy Birthday

"Happy Birthday" to all who have birthdays during the next week. Below are listed the birthdays we have this week.

SEPTEMBER 30  
Ben G. Ewing Jr., Waco

OCTOBER 1  
Mrs. L. L. Bryan  
Mrs. M. R. Simmons  
Jim See

OCTOBER 2  
Kenneth Casey Herring  
Mrs. Mary Gore

OCTOBER 4  
Mrs. E. F. Talley

OCTOBER 5  
L. M. Guthrie  
Mrs. Curtis Bryan  
Mrs. C. T. Moore  
George O. Wells  
Mrs. Patsy Jamison, Coleman

OCTOBER 6  
Beth Irick  
Mrs. Emmulene York

Would you like for your name to be published on your birthday? If so, please be sure to let us know when it is. Next week we will publish names of those having birthdays between Oct. 7th and October 13th.

## Budget for Community Chest Announced

The Budget Committee of the Precinct No. 2 Community Chest met the latter part of last week and announced the names of the organizations who would receive funds from the local organization this year. The committee is composed of William R. Brown, president; W. Ford Barnes, secretary; O. L. Cheaney and Cullen N. Perry.

The amounts each organization will receive are as follows: Red Cross, \$600.00; Boy Scouts, Chisholm Trail Council, \$100.00; Cub Scouts, local, \$50.00; Summer Recreation Fund, \$300.00; Quarterback Club, Little League Baseball, \$400.00; Salvation Army, \$500.00; School PTA Milk Fund, \$50.00; Heart Fund, \$200.00; Cancer Fund, \$200.00; and the Texas Rehabilitation Center, Gonzales, \$200.00. Total for all organizations is \$2,600.00.

It was announced several days ago that there was enough money in the Contingency Fund to take care of the requests for this year, and that no drive would be held in Precinct No. 2.

The Precinct No. 2 Community Chest was chartered four years ago and has held drives during October in the first three of operation. Each year the quota for the drives has been exceeded and this money has gone into the Contingency Fund, with the promise that when enough money was on hand to take care of requests, no drive would be held. The citizens of Precinct No. 2, Coleman County, this year will not be called on for funds as a result of the quotas being exceeded during the three previous campaigns.

All officers, directors and community chairmen are to be complimented very highly for the manner in which they have conducted the affairs of the organization during its beginning and the few years it has been in operation. Very few communities in Texas ever reach the goal of not having to conduct a community wide drive each year.

## New Fords to Go on Display Thursday

The 1961 Ford line of automobiles will go on display Thursday, September 29, at the Berry's Ford Sales in Coleman.

The entire line of new models will be on display, along with the new models of Falcons.

The company extends an invitation to everyone to visit the show rooms during the official first showings.

The penultimate day of the month is the next to the last day.

# State Capitol NEWS

Austin — With all the hoopla over the national elections, many Texans may get to the polls Nov. 8 before they realize they have other important decisions to make that day.

Four proposed amendments to the Texas Constitution will be voted on at the general election. Voting to approve or reject alterations in the state's basic law is one of the most important responsibilities a voter has. It is the average citizen's one and only opportunity to participate directly in the lawmaking process.

Here, in brief, are the proposed amendments, in the order they will appear on the ballot.

and what they would do:

**AMENDMENT ONE:** Would authorize creation of special hospital districts in Lamar County, Hidalgo County and Commissioners' Precinct No. 4 of Comanche County.

Approval of this amendment would not actually create these hospital districts, but would give local voters authority to do so in a local election.

Amendments such as this one, which apply only to the areas specifically mentioned, usually are passed on the grounds that they give local voters authority to take care of local affairs. Since it is permissive rather than mandatory, local voters can decide for themselves whether they want to carry it through.

Some argue against such amendments on the grounds that such details as this should not be added to an already over-long Constitution.

**AMENDMENT TWO:** Would permit a rate of interest not to exceed 3 1/2 percent on bonds issued hereafter for the benefit of the Veterans Land Fund. Present constitutional ceiling is 3 percent.

Veterans Land Board is authorized by law to sell bonds and use the money from these sales to buy land which is re-sold to qualified Texas veterans. Law provided for the sale of \$200,000,000 in bonds, but the Board has not been able to sell the last \$62,500,000 of these bonds because, in today's market, 3 percent interest does not make them an attractive investment.

Financial experts think that raising the permitted interest rate to 3 1/2 percent should be sufficient to make the bonds salable again.

**AMENDMENT THREE:** Would change the pay scale of members of the Legislature to give them annual salaries of \$4,800 plus a \$12 a day for each day in session. It would limit regular sessions to 140 days (present limit is 120 days). Lawmakers would receive \$12 a day for each day of a 140-day regular session plus \$12 a day for each day of a 30-day special called session.

At present, legislators receive no annual salary. They get \$25 a day for each day, up to 120 days, of the regular session plus \$25 a day of a 30-day called session. They receive no pay in years the Legislature does not convene (such as 1960). Under this proposal, they would receive \$4,800 a year base pay whether they spent any time in

## WHAT YOU CAN DO TO FIGHT COMMUNISM

### AND PRESERVE

- A**vert yourself—learn the true nature and tactics of communism.
- M**ake civic programs for social improvement your business.
- E**xercise your right to vote; elect representatives of integrity.
- R**espect human dignity—communism and individual rights cannot coexist.
- I**nform yourself; know your country—its history, traditions, and heritage.
- C**ombat public apathy toward communism—indifference can be fatal when national survival is at stake.
- A**ttack bigotry and prejudice wherever they appear; justice for all is the bulwark of democracy.

J. Edgar Hoover

DIRECTOR, FEDERAL BUREAU OF INVESTIGATION

**PATRIOTISM IS EVERYBODY'S JOB!**

session or not.

Present provisions for travel expenses would not be changed. These provide for the lawmaker to receive \$2.50 for each 25 miles of the round trip between his home and Austin once each session.

This amendment is essentially a compromise between the present arrangement and the constitutional change proposed in 1958. Last time the proposal was for annual salaries of \$7,500 and no per diem. It also provided for annual sessions which many think contributed to its defeat.

Proponents of the current plan say that it will make it possible for better qualified people to serve in the Legislature without having to make so much of a personal financial sacrifice to do so.

Opponents argue that it will create "professional legislators." They contend that it is better for the lawmaker to have another job in private life to keep him closer to the problems of the people.

If the amendment is passed, a Texas legislator would receive for his two-year term of office minimum pay of \$9,600. In other states, the pay for a two-year term ranges from \$200 in New Hampshire to \$15,000 in New York. Average is about \$3,600.

**AMENDMENT FOUR:** Would give the Legislature authority to classify loans and lenders, to license and regulate lenders, to define what part of the charge made on loans should be considered interest and to fix the maximum rate of interest which should be charged.

This is generally known as the "anti-loan shark" amendment and is being supported by a blue ribbon committee of citizens from over the state.

At present the Constitution provides that the maximum rate of interest shall be 10 percent. This is widely, almost universally, violated by the small loan industry, usually through additional charges besides the interest — "handling charges, service charges," etc.

Attorney General's department investigations have turned up cases of flagrant abuses by loan companies, making charges that totaled altogether as much as 300% of the amount loaned. On the other hand, the investigators themselves admit that a loan company making short-term, high-risk personal loans cannot stay in the black on 10 percent.

## NIWOT NEWS

BY THE NIWOT KIDS

Mr. and Mrs. Kenneth Brunsen of Rockwood visited Sunday afternoon with Mr. and Mrs. John Perry.

Mr. Nelson Wells of Dallas, Mr. and Mrs. J. C. Wells of Loraine and Mr. and Mrs. George Wells visited with Mr. and Mrs. Cecil Ellis and family last Sunday.

Mrs. Kenneth Ellis and girls visited Monday morning with Mrs. Eva Nell Bengel and family.

Those spending Friday night with Mrs. Jewell Clifton and family were Mr. and Mrs. Harold Clifton and children of McCamey, Mr. and Mrs. Ted Clifton and children of Andrews and Mrs. Leon Day of Coleman.

Mr. and Mrs. John Perry visited in Austin last Sunday with Mr. and Mrs. Robert Perry and called on Mr. Perry's brother and family, Mr. and Mrs. H. Z. Perry.

Mr. and Mrs. Cecil Ellis and family visited last Saturday night with Mr. and Mrs. Earl Ellis.

Mrs. John Perry received a telephone call Tuesday night stating her uncle, Oliver McHorse of Baytown, had passed away about 8:00 that night.

Mrs. Cecil Ellis and Tammy visited Mr. and Mrs. George Wells in Santa Anna Thursday afternoon.

Mr. and Mrs. C. T. Moore visited with Mr. and Mrs. Horace Phillips in Santa Anna Sunday.

Outside White Paint, \$3.00 per Gallon by the Case, at Reg's Trading Post, Coleman.

GO TO CHURCH SUNDAY.

ment investigations have turned up cases of flagrant abuses by loan companies, making charges that totaled altogether as much as 300% of the amount loaned. On the other hand, the investigators themselves admit that a loan company making short-term, high-risk personal loans cannot stay in the black on 10 percent.

If this amendment is passed, it will be up to the Legislature to decide what is a fair charge. Even those legislators who voted for this proposal admit they dread the prospect of having to decide what rates are fair.

## 5 S. W. Conference Games on Tap Saturday Night

Five Southwest Conference football games will be broadcast Saturday by the Humble Company.

The Texas-Texas Tech game will be broadcast from Austin by Bob Walker and Dave Smith. Radio time will be 7:15 p. m. (CST) over KBWD, Brownwood-1380; KRLD, Dallas-1080; WOAI, San Antonio-1200 and other stations.

The TCU-Arkansas game will be broadcast from Ft. Worth by Kern Tips and Alec Chesser. Radio time will be 7:15 p. m. (CST) over KRBC, Abilene-1470; WFAA, Dallas-820; KGKL, San Angelo-960 and other stations.

The Texas A&M-Trinity game will be broadcast from San Antonio by Dave Russell and Jim Wiggins. Radio time will be 7:45 p. m. (CST) over WFAA, Dallas-570; KITE, San Antonio-830 and other stations.

The Baylor-LSU game will be broadcast from Baton Rouge by Ves Box and Eddie Hill. Radio time will be 7:45 p. m. (CST) over WRR, Dallas-1310; KMAC, San Antonio-630 and other stations.

The Rice-Tulane game will be broadcast by Eddie Barker and John Smith. Radio time will be 7:45 p. m. (CST) over KCUL, Ft. Worth-1540; KPRC, Houston-950; KTSA, San Antonio-550 and other stations.

Humble will also co-sponsor the NCAA telecast of the Syracuse at Kansas game. TV time will be 12:45 p. m. (CST).

### TAX-MAN SAM SEZ:

There are a lot of helpful free publications on taxes available. The Internal Revenue Service sincerely wants to keep you informed on what taxes you owe. Here are a few of the free publications they will be happy to send along to you:

Employer's Tax Guide — Circular E; Farmer's Tax Guide — Publication 225; Tax Guide for U. S. Citizens Abroad — Publication 54; Household Employer's Social Security Tax Guide — Circular H; Agriculture Employer's Social Security Tax Guide — Circular A; Regulations Relating to Annuities — Publication 76; Federal Use Tax on Highway Motor Vehicles — Publication 349; Farmer's Gas Tax Refund — Publication 308; and Federal Gas Tax Refund — Publication 378.

Write the Internal Revenue Service, 2101 Pacific Avenue, Dallas, Texas, for these free booklets.

Read Ephesians 2:1-10.  
Stephen said, Behold, I see the heavens opened, and the Son of man standing on the right hand of God. (Acts 7:56)

Some Christians, like Stephen, have their eyes turned toward heaven. They draw spiritual power from the heavenly places in Christ Jesus. This clears the vision and gives the Christian his power to be a citizen of two kingdoms. He lives in the world by the help of the Unseen.

I have heard of a church in Stockholm that had no windows in the walls, but one big window in the ceiling. The following invitation to worship in this church appeared in a newspaper: "Come" to the church with its window pointing toward heaven." It is a good thing that a church has its window turned toward heaven.

Each person in himself can be like a small church. The light and love and righteousness from heaven can stream down to you and me living on earth. Thus we can mirror something of the heavenly while living the earthly life.

**PRAYER:**  
God, we thank Thee that it is possible for us to turn to Thee for comfort, courage, and spiritual power. Help us to mirror something of the heavenly glory in our earthly life, so that we can help advance Thy kingdom on earth. We pray in the name of our Saviour, Amen.

**THOUGHT FOR THE DAY**  
The Christian church helps us to draw spiritual power from God almighty.  
— Arne-Jacob Kristoffersen (Sweden)

A horse which will stay anchored when the reins are dropped on the ground is said to be "tied to the ground." A horse so trained will stay in place as surely as if he were actually tied.

death records for the State of Texas. (A weekly feature from Public Health Education Division, Texas State Department of Health.)

### FARM PRODUCTION EXCELS

In spite of being caught in one of the most drastic cost-price squeezes in history — lower prices for what they sell, higher prices for what they buy — American farmers have increased their production efficiency at a rate far ahead of workers in industry.

One hour of farm labor in 1960 produces four times as much food and fiber as it did in 1920. Crop production is 56 percent higher per acre. The output per breeding animal is 81 percent greater.

Productivity of the American farmer is now increasing at a rate more than twice as high as the productivity of workers in industry. Since 1950, the output per man-hour in non-agricultural industry has risen two percent per year. In agriculture the increase has been at the rate of five percent per year.

In Russia, one agricultural worker produces for four or five people. More than 40 percent of the total labor force of the Soviet Union works in agriculture and forestry.

If American farmers were no more efficient than those of the Soviet Union, 22,500,000 Americans who now work in manufacturing, construction, mining,

the trades, transportation and other non-farm business would be required to produce the essential needs in food, clothing and forest products.

In spite of all this efficiency, the average per capita income of the farm population is still less than half the income of non-farm population.

The average income per capita of those who live on farms in the United States in 1959 was \$965 for the year — \$644 from farming plus \$321 from non-farm sources such as outside employment. At the same time, the per capita income of the non-farm population was \$2,216.

The net income for one hour of farm work in 1959 was \$1.29. One hour of work in a factory averaged \$2.22. Hourly earnings of food marketing workers, those engaged in food processing, wholesale trade and retail food stores, averaged \$2.10.

Farm incomes have continued to go down steadily during most of the period since World War II, while non-farm workers have had an almost steady increase in income. Since 1945, the farm value of food has risen only 16 percent, but the marketing margin — after processing, packaging and distribution — has increased by 93 percent.

## About Your Health

While the national birth rate is steadily declining, the birth rate for Texas has remained fairly stable according to provisional data for the first six months of 1958, 1959 and 1960.

During the first six months of this year there were 110,996 live births in Texas — compared to 110,774 during the same period last year and 108,395 in the first half of 1958.

The birth rates for 1958 and 1959 were identical — 23.6 per 1,000 population.

However, during the first six months of 1960 it was only 23.2 per 1,000 which is a slight drop but still above the national average.

Another development indicated in the six months provisional statistical data is the upturn in the death rate for Texans.

For the past 15 years, the Texas death rate has declined steadily year after year, but so far during 1960 there has been an increase.

The death rate for the first six months is 8.3 per 1,000 popula-

tion. The total deaths were 39,498.

In 1958 there were 36,630 deaths for a rate of 8.0 per 1,000 and in 1959 there were only 36,033 deaths indicating an all-time low of 7.7 deaths per 1,000 population.

If this rate maintains through the year, it is possible that 1960 will have the highest death rate since 1951, when it was 8.2 per 1,000 population.

Very little change was noted in the number of fatal deaths and fatal death ratios during the first six months of the last three years.

Accurately compiling statistical data for analysis by public health authorities is one of the major duties of the Records and Statistics Section of the Texas State Department of Health.

By noting the decline or increase in certain death figures, health authorities can gauge effectiveness of health programs or spot potential health trouble spots.

The Records and Statistics Section keeps all birth and

### Prison Rodeo

Begins Sunday  
With Top Features

Huntsville — Sharing the spotlight for the opening performance of the 29th Annual Texas Prison Rodeo here Sunday, October 2, at 2 p. m. will be Ricky Nelson, sensational singing star and the toughest gathering of inmate contestants ever to grace the prison stadium rodeo arena.

Indications are that along with the "cream of the crop" riders will be equally, if not the toughest rodeo stock in the history of these colorful events.

In addition to Nelson, inmate riders and a host of other speciality attractions, there will be a girl's barrel race, trick riding, calf roping and features by several inmate groups.

Inmate musical groups will be under the direction of Lee Nor-

ton, well-known Houston singer. He will act as master of ceremonies for western and string bands, singing groups and the Goree Girls, who this year have Candy Barr, a former Dallas entertainer as one of its members.

Net proceeds from ticket sales go for inmate rehabilitative services not furnished by state tax money. This program includes religious, educational and medical needs.

Reserved seat tickets are \$2.40, \$3.75, and \$4.40 each, tax included, by writing Rodeo Ticket Office, Huntsville, Texas enclosing check or money order.

Guest stars on succeeding Sundays include Allen Case (The Deputy), the Crew-Cuts, October 9; Molly Bee, Bo Diddley, October 16; John Wayne, Frankie Avalon, October 23; Jimmie Rodgers, Neil Sedaka, October 30.

Attend church regularly.

**Beautiful New  
1961 FORDS**

ON DISPLAY THURSDAY

**September 29**

The 1961 Ford Galaxie Club Victoria (top), a new model in the Ford line that will be introduced to the public on September 29, features the crisp, fresh appearance that earned a gold medal from an international fashion authority for "functional expression of classic beauty." Ford's station wagon series includes the nine-passenger Country Squire (bottom) and introduces another new model—a six-passenger version of the Country Squire. The new Ford station wagons have a roll-down tailgate window, and the tailgate itself is seven inches wider than in 1960. All 1961 Fords feature new dimensions for greater maneuverability and such major engineering improvements as 30,000-mile lubrication, heavier, self-adjusting brakes, and longer-lasting bright trim and underbody parts.

**Cotton Market News Reports Available**

College Station — Four cotton market news reports of interest to farmers and the cotton trade are available from the Agricultural Marketing Service, according to John L. McCollum, manager, Southwest Area, Cotton Division, Dallas.  
These reports are designed to keep all interests abreast of cotton and cottonseed developments during the market season. They include: The Cottonseed Review, The Cotton Quality Report, The Cotton Classing Report, and the Weekly Cotton Market Review.  
These reports are mailed free upon request. Farmers and others in Texas and Oklahoma should address inquiries to: Cotton Division, AMS, U. S. Dept. of Agriculture, Room 404, 708 Jackson St., Dallas, Texas.

**QUESTIONS AND ANSWERS**

Q. What were the major changes in the 1960 Amendments in the old-age, survivors, and disability provisions of the Social Security Act?

A. Disability benefits can now be paid before age 50; amount of work or social security credit required to get benefits was reduced, about one-third; work restrictions changed for 1961 in a way that will benefit most beneficiaries; survivors of insured workers who died before January 1, 1940 and after March 31, 1938 may now receive monthly benefits; some children of deceased parents will have their benefit amounts raised; dependent widowers of women who died before September 1950 may now get benefits; parents who work for sons or daughters (except household work) may get social security credits beginning in 1961; clergymen who failed to file waiver for social security credits before April 15, 1959 may do so before April 15, 1962; part or all the lump-sum death benefit may now be paid directly to the funeral home.

Q. What does the removal of the age 50 requirement for disability benefits mean?

A. It means that a disabled person who has five years of social security credits out of the ten years before becoming disabled may be paid his social security benefits regardless of any age requirement. Too minor children and qualified wives may also be paid benefits, based on the disabled parent's earnings record prior to disability.

Q. I had my social security record frozen under the old disability freeze provisions. What should I do now?

A. If you have not had a letter from your social security district office by October 31, asking you to file your new claim for monthly benefits, then write that office for information on your rights to a new claim.

Q. When do these under-age 50 disability benefits begin?

A. The first month such new benefits are payable for is November 1960.

Q. What change was made in the amount a social security beneficiary may earn and keep all his social security checks for a year?

A. A person earning over \$1,200 per year will still have some deductions made from his benefits. However, instead of making the deductions by holding up entire checks for one to twelve months of the year, there will be held out 50c for each \$1 of earnings between \$1,200 and \$1,500 in the year, and on a dollar for dollar basis for earnings over \$1,500. For example, if a husband and wife are getting \$150 per month, they will still get \$650 in benefits even if the husband earns \$2,500 in the year. For full details as to how much you may earn and still get benefits, write your social security district office. All beneficiaries will still get a full month's benefits for any month in which earnings are judged to be less than \$100, no matter how high the annual total.

Q. How was the required time to become insured shortened?

A. Heretofore, you must have acquired social security quarterly credits for a period equal to one-half the time after December 31, 1950 (or age 21 if later) and before retirement age (62 for women, 65 for men) or death to be fully insured. Now, you need have only one such quarter of coverage for each three calendar quarters between 1950 for the year you reached age 21 and the year in which you reach retirement age or die. If you reached retirement age before 1957, you need only six quarters of coverage (1½ years) to be fully insured. You will need two years of credit if you reached retirement age in 1958, 2½ if in 1959, 3 if in 1960, 3½ if in 1961, etc.

Q. My claim was turned down last year because I had only 11 of the needed 17 quarters of coverage. Can I now collect my social security?

A. Yes. You should file a new claim as soon as convenient for you to contact your social security district office or a representative of that office when he is in your community.

Q. My minor child was not eligible for benefits when his real father died because he was living with and being supported by his step-father, my present husband. Do the 1960 Amendments change that in any way?

A. Yes. A child can now always be paid on his natural father's earnings record, even though living with and supported by a stepfather.

**Hunters Should Respect Farm and Ranch Property**

College Station — Have you asked, and been refused, permission to hunt on someone's farm or ranch? If you have, you probably could not understand why the landowner refused your request. Ed Cooper, extension wildlife specialist, says that you were probably the victim of some earlier hunter's discourteous or irresponsible actions. You have a chance to prevent this same thing from happening to some other hunter, Cooper continues.

Landowner — sportsman relations need improving, and the next few months — the hunting seasons — are the best time to accomplish this. Cooper offers a few tips on hunting courtesy that will help you and the landowner become friends.

Ask permission to hunt on any land or water.

Respect property. Obey the laws on bag limits, shooting seasons and shooting hours.

Inform the landowner when and where you will be hunting.

Do not invite friends to hunt with you unless the landowner has given permission.

Handle firearms in a safe manner at all times. Make certain that you do not fire toward people, buildings or livestock.

Offer to pay for any damages done to the property of the landowner.

Offer to pay for the privilege of hunting.

Make sure that all gates are closed behind you.

Be courteous and friendly.

Cooper concludes by saying that the hunter should remember that the farm or ranch is a place of business for the owner. He will appreciate your respect and interest in treating his property as a means of livelihood.

**Effects of Centex Cotton Insect Control on Bollworm**

College Station — The current cotton season is well along and many farmers are planning to forget about cotton for a few months. This practice could cost them many dollars, however, because the pink bollworm has already made plans for next year's crop. Instead of forgetting about cotton, the farmer should be starting his insect control program.

Destruction of stalks soon after harvest was one of the first practices recommended for pink bollworm control. Today, stalk shredding is the only operation in the control program that is compulsory and enforced by law in many infested areas of the state. The pink bollworm winters in the larval stage, and the objective of stalk destruction is to kill as many of these larvae as possible.

Stalk shredding should be immediately followed by plowing. The crop debris should be buried as completely as possible to a depth of 6 inches or more.

Drs. Perry L. Adkisson and J. C. Gaines have prepared a Texas Agricultural Experiment Station publication in which they discuss pink bollworm control as related to the total cotton insect control program of Central Texas. This publication, MP-444, may be obtained from the Agricultural Information Office, College Station, Texas.

**Revised Farm Housing Regulations Announced by USDA**

College Station — The U. S. Department of Agriculture recently announced a change in the regulations governing farm housing loans made under Title V of the Housing Act of 1949.

Effective immediately, any farmowner who annually produces for sale or home use at least \$400 worth of commodities (based on 1944 prices), and who meets other eligibility requirements, may be able to obtain a farm housing loan.

To be eligible previously, an applicant had to own a farm that would produce a substantial amount of the operator's income.

Farm housing loans, which are made by the USDA's Farmers Home Administration, are used to construct and repair needed farm houses and service buildings. The USDA said its experience demonstrates that there are farmers who can properly use and repay this type of credit, but whose income from farming operations does not constitute a substantial part of their total income.

Other eligibility requirements for farm housing loans remain unchanged. These requirements are that the applicant must lack the resources needed to obtain credit elsewhere, he must be a citizen of the United States and he must have sufficient income from farm and other sources to pay farm operating and family living expenses and meet payments on his debts.

Local county extension agents can provide publications and standard house plans for anyone desiring to apply for one of the above loans. Ask for B-172.

**"House Plans for Texas," or one of the leaflets showing plans for other buildings.**

**Lots of Veteran Mail Not Properly Identified**

Far too many of the 200-million pieces of mail that flow through the Veterans Administration each year cannot be properly identified, Mr. Mims, Manager of the VA Regional Office in Waco, disclosed today. Too many veterans and their dependents merely sign their names to correspondence, and names are not enough.

Almost all of the 30 million names in VA's master index file are duplicated. As might be expected, there are more than 300,000 Smiths and almost 200,000 Johnsons. Many other names are duplicated scores of times. The veteran's claim number or "C-number" and his insurance number are his alone, Mr. Mims pointed out. Veterans should show these numbers in letters to insure prompt and efficient service, and save the time and cost to additional correspondence.

**Limestone Where Needed Can Boost Fall Crops**

College Station — Many fall-seeded crops, such as vetch, crimson clover and small grains, need limestone in order to produce their best growth. Dr. W. F. Bennett, extension soil chemist, says that fall-seeded crops will derive full benefit from limestone only if it is applied in the areas where soils are deficient in this vital plant food.

Limestone applied now will have time to react with the soil before the crops are planted. This is very important because, if the limestone is to benefit this year's crop, it must have time to correct the soil's acidity and supply the soil with needed calcium, Dr. Bennett explains.

Limestone has a better chance to react with the soil if it can be worked in. If it is impossible to work the limestone into the soil, however, it should be applied as a top dressing, Dr. Bennett says.

One of the best features of limestone is its deferred benefits. Dr. Bennett says that limestone applied now will be of value over a 2 or 3 year period. This makes it a good investment. In order to determine the proper amount of limestone to apply, the chemist suggests that the soil be tested.

**Protection Urged For Youngsters**

Parents who have greeted the starting of school with enthusiasm — and possibly relief — were cautioned to "keep their guard up" for hazards around the room that are a particular threat to younger children not yet old enough to attend school, by J. O. Musick, General Manager of the Texas Safety Association.

With cold weather not too far in the distance, Musick had particular words of caution about the threat of fire. "All heating units should be carefully checked for proper functioning and cleaned before putting into use," he said.

In the kitchen area, cooler weather inevitably brings hotter dishes and mothers should make certain that pot handles be turned away from the front of the stove. Homes using small gas heaters present extra threat to toddlers until they have been taught to respect them.

For the youngsters who are beginning to crawl, Musick reminded parents that these crawlers will poke and probe with their fingers. "Unused light sockets should be taped or capped and dangerous items should be moved from lower bureau drawers to shelves that are out of reach," he said.

Musick urged homeowners to protect youngsters from falls, knives, guns, matches, and sharp instruments.

Mr. and Mrs. Dick Bass spent the weekend with their son, S/Sgt. Bennie Bass and family at Lake Charles, La. Mr. Bass said it rained on them just about all the time they were gone.

Mr. and Mrs. Jim Harris spent the weekend in Odessa with the Eugene Medlin family.

**Mathews Reunion Held Sunday**

The six children of W. D. and Lizzie Mathews met at Trickham Sunday, Sept. 25 for a reunion. Those who could attend church services and then lunch was served at the Community Center.

The six children are: L. G. Mathews of Brownsville, Mrs. Lea Kingston of Haskell, W. D. Mathews Jr., of Brooksmith, Mrs. Carrie Harrison of San Angelo, Mrs. Keefie Haynes of Santa Anna and Mr. and Mrs. John Mullis of Fresno, Calif. The family had not all been together at one time in about 31 years.

After the bountiful lunch was served, the group enjoyed lots of conversation, mostly of the days gone by. Some pictures were taken.

During the afternoon hours a large number of friends dropped by to visit with the family.

Other relatives present were: Mrs. Ollie Gilledand, Mr. and Mrs. Johnnie Earls, and Doddie, Mr. and Mrs. D. M. Kingston, Mr. and Mrs. Wayne Presiser and two children, all of Haskell; Mr. and Mrs. Harry Harrison and two children of San Angelo; Mr. and Mrs. Grady McIver, Gayla and Terry of Trickham.

Among the friends visiting were: Mr. and Mrs. Roy Lintroth and Mrs. Robert Henderson of San Angelo; Mr. and Mrs. Willie Mullis, Mrs. Ruth Lintroth, Mrs. Irene Tripett, Mrs. Ida Miller, Mr. and Mrs. Albert Dean and Ruth, all of Bangs; Mr. and Mrs. Bernice McIver, Mr. and Mrs. Lige Lancaster, Mr. and Mrs. Walter Stacy, Mr. and Mrs. Oscar Boenicke, Gary Laughlin, Mrs. Zona Stacy, Mrs. Beula Kingston, all of Trickham; Mr. and Mrs. Clark Miller of Santa Anna.

A great day was enjoyed by all present.

**Grandson of Local Couples Married In New Mexico**

Emmett Lee Smith Jr., a grandson of Mr. and Mrs. Turney Smith and Mr. and Mrs. J. J. Horner, both of Santa Anna, was married to Miss Kaye Yvonne Webb at the First Baptist Church in Lovington, New Mexico, Saturday, Sept. 10, at 7:00 p. m. Miss Webb is the daughter of Mr. and Mrs. Hugh Webb of Lovington. Mr. Smith is the son of Mr. and Mrs. Emmett

Lee Smith Sr., also of Lovington. The Rev. J. Samuel Phillips read the double ring ceremony. Mrs. Ray Short, organist, played traditional wedding music and accompanied Miss Nancy Short as she sang "I Love You Truly" and "The Lord's Prayer."

David Lynn Horner of Santa Anna, served as ring bearer and Kenneth Wayne Smith of Fort Bragg, N. C., served as best man.

Given in marriage by her father, the bride wore a gown of white chantilly lace over white taffeta, fashioned with a scoop neckline, embroidered with seed pearls and sequins. The full skirt had a lace panel in front and appliques of lace and sequins. The lace panel in the back ended in a chapel length train. Her fingertip veil cascaded from a crown made entirely of seed pearls. She carried a bouquet of white camellias, surrounded by pink and American Beauty roses atop a white Bible, a graduation gift from the church.

She carried out the tradition of something old, something new, something borrowed and something blue. She had a penny, minted in the year of her parents' marriage, in her shoe.

Following the wedding, a reception was held in the Fellowship Hall of the church. The couple are now at home in La Junta, Colo., where he is a student at Otero Junior College. Both are graduates of Lovington High School.

**Self Culture Club Regular Meeting on Friday**

Members of the Self Culture Club met in the home of Mrs. Charles Evans at 3:45 p. m. Friday, Sept. 23 for their regular meeting.

The group is studying Europe this year. Mrs. Byrl Sparkman and Mrs. Nona Woodruff gave travel discussions on England.

During the business meeting, the club voted to contribute \$10.00 to the Mountain City Garden Club's Cemetery Beautification program.

**WSCS and Circle Have Joint Meeting Sept. 21**

The WSCS and the Nitia Daniel Circle of the First Methodist Church met Wednesday evening, Sept. 21, at the church to begin a joint study on Alcoholism. An invitation has been extended to other churches to join the Methodist ladies in the study.

Mrs. Kenneth Bowker of the WSCS, introduced the book, "Stumbling Block", by Douglas Jackson. Mrs. Bowker led the group in the following topics: "Why People Drink"; "Truth About Alcohol"; "Results of Alcohol". Mrs. Wilma Welch discussed "Where Finding on Alcohol." Mrs. Doris Griffin discussed, "The French's Decision on Drinking", and Mrs. Lillian Herndon discussed "Drivers Had Been Drinking." The group was dismissed with a prayer by Mrs. Mildred Galloway.

Others attending were: Mrs. Dorothy Watson, Mrs. Ora Hunter, Mrs. Margaret Crews, Mrs. Dale Smith, Mrs. Hettie Scarborough, Miss Pauline Eubank, Mrs. Willard Cheaney, Mrs. Alice Horne, Mrs. Mabel Craig, Miss Elsie Lee Harper, Mrs. May Allen Blue, Miss Bettie Blue, Mrs. Joe Baker and Mrs. Lucille Dean.

Attending from other churches were: Mrs. Roy Stockard, Mrs. Mollie Gipson, Mrs. Lucile Wylie and Mrs. John Bray.

**Needlecraft Club Regular Meeting**

Mrs. John C. Brown was hostess to the Needlecraft Club on Thursday, September 23. Miss Jettie Kirkpatrick, president, presided over the business meeting.

Conversation furnished entertainment for the afternoon.

The hostess served ice cream and angel food cake to the following members: Mrs. W. E. Wallace, Mrs. Taylor Wheeler, Mrs. M. L. Guthrie Sr., Mrs. Dovie Chapman, Mrs. R. L. Todd, Mrs. Ella Stiles, Mrs. T. H. Upton, Mrs. Will Haynes, Mrs. C. A. Curry, Mrs. Lillian Pettit, Mrs. Virgil Newman and Misses Jettie and Dora Kirkpatrick.

**Jamie Kay Steward Honored on Birthday**

Jamie Kay Steward was honored on her third birthday with a party at the Rockwood Community Center Sunday, Sept. 25, at 3 p. m., when her mother, Mrs. James Steward, entertained young friends.

The party room was decorated with balloons and balloon whistles were favors. The birthday cake, baked and decorated by Mrs. Curtis Bryan, was a doll with a white bodice and the pink cake formed the skirt.

Cake and Kool-aid were served to Jamie Kay, Billie Gaye and Jimmie Gail Rutherford, Leslie and Sharon McCreary, Mark and Hank Wise, David Morrison, Leann and Serena Bryan, grandparents, Mr. and Mrs. Elry Kelly, Mr. and Mrs. Johnny Steward. Others were Rev. and Mrs. David Morrison, Mrs. Bill Steward, Mrs. Jim Rutherford, Mrs. Joe Wise, Mrs. Jake McCreary, Mrs. Bill Bryan and Mr. and Mrs. James Steward.

**Women's Work Discussed at Rockwood Meeting**

The History of Women's Work was the subject of Mission Study directed by Mrs. Junior Brusenhan, when the Women's Missionary Society met at the Rockwood Baptist Church, Monday afternoon, Mrs. Goldie Milberger and Mrs. Ray Caldwell assisted in presenting the book.

A social meeting will be held Monday, October 3, at 2:30 p.

**Rockwood WSCS Regular Meeting**

Mrs. M. A. Richardson brought the devotional when the WSCS held a social meeting at the Rockwood Community Center Monday afternoon. Mrs. Jack McSwane directed recreation. Names were drawn for Secret Pals. Mrs. Richardson and Mrs. John Hunter were hostesses.

Cookies, tea and coffee were served to Mrs. Fox Johnson, Mrs. Tom Bryan, Mrs. Marcus Johnson, Mrs. M. D. Bryan, Mrs. Lefel Estes, Mrs. McSwane, Mrs. Richardson and Mrs. Hunter.

**Shields News**

By Mrs. E. S. Jones

We are thankful for the rains Friday and Saturday, which ranged from 1 1/2 inches to 2 1/2 inches in our community.

Glendon Eppler of Fort Worth spent the weekend with his parents, Mr. and Mrs. A. D. Eppler.

Sandra Fowler and her roommate, Mary Ellen McBride of Port Arthur, visited during the weekend with Sandra's parents, Mr. and Mrs. Bert Fowler.

Mr. and Mrs. Elton Jones and Karen spent Sunday at Camp Colorado with Mr. and Mrs. Bud Elliott and Jane.

Visitors Wednesday with Mr. and Mrs. Glen Scarborough and Sherry were Mr. and Mrs. Buck Jamison and Michele. Sunday

visitors were Mrs. Larry Gilder of Menard, Mrs. Leroy Hicks of Abilene, Miss Vernell Puckett and Mr. and Mrs. Roy McCorkle and children of Coleman.

Mr. and Mrs. A. E. Eppler spent Saturday in McCamey with Mrs. Eppler's mother, Mrs. Charlie Jones, who is a patient in a hospital there.

Mrs. Roy Bledsoe thanks everyone for the birthday cards she received.

Mr. and Mrs. Jack Carroll of Midland spent the weekend with his parents, Mr. and Mrs. A. B. Carroll.

Correction: Mr. and Mrs. Dan Neill Munn and son, Joseph of Seguin visited with Mrs. Bessie Stewardson.

Mr. and Mrs. Audrey Eppler and children, Charles and Elizabeth, Mr. and Mrs. Roy Bledsoe and Mrs. E. S. Jones attended a birthday supper Wednesday at the Rastus McClure home. The honorees were Mrs. Eppler, Mrs. Bledsoe and Mr. McClure, whose birthdays were within the week.

Mr. and Mrs. N. T. Dalton, who recently returned from Japan, Mrs. Mattie Dalton and Marcia Martin were guests of Mrs. E. S. Jones Wednesday. Mr. Dalton, of the Navy, will be stationed at Beville, Texas for three years.

The Quilting Club met Tuesday afternoon at the Community Center and finished a quilt for Mrs. Bill Price, the hostess, who served refreshments of cookies, punch and coffee to Mmes. A. B. Carroll, Edgar Shelton, Aubrey Scarborough, Sam Dalton, Ura Dillingham, Velma Stewardson, Herman Gilbreath and Mrs. E. S. Jones.

A trail cutter is a man employed to stop marching herds and inspect them for cattle which do not properly belong to them.

**Milk Quality Can't Be Taken For Granted**

College Station — To keep milk fresh until used, the consumer needs to cooperate with the dairy farmer and the milk processor, says M. A. Meekma, extension dairy husbandman.

Under today's modern handling methods milk is never subjected to the open air, but kept in a closed system. Milk travels from the milking machine through glass or stainless steel pipelines to a closed, refrigerated farm storage tank, where it is cooled and stored until delivery to the plant. Milk is transported in large, insulated tanks. It is kept cold during its trip to the store or to the home in refrigerated delivery trucks. Every precaution is taken to assure high quality milk, says Meekma, but the consumer must help to maintain this quality after the milk is in her hands.

Meekma says that the following practices will help maintain milk quality: Don't expose milk to sunlight for any extended time. Sunlight causes undesirable flavors, particularly in homogenized milk. Put milk in the refrigerator as soon as possible. Never let it stand at room temperature longer than necessary. Temperatures over 50 degrees hasten spoilage. When serving, pour out the amount needed and return the unused portion to the cooler. Keep containers capped tightly to prevent the milk from picking up flavors from other foods.

When milk is left unused after a meal, don't put it back in the original container. Place this unused portion in the refrigerator in a second container.

He who has a thing to sell  
And goes and whispers in a well,  
Is not so apt to get the dollars  
As he who climbs a tree and hollers.

**NEWSPAPER ADVERTISING**

makes it Easy to Sell

## Mountaineers Take 42-6 Pounding From Bronte Longhorns Friday

Fumble, fumble, fumble, and the Mountaineers took a much worse beating from the Bronte Longhorns than anyone thought possible. It seems the time has approached when the boys should be getting out of the fumble period, as the season is now in the fourth week for us and the fifth week for many teams. In the first two games the boys lost the ball three times in each game on fumbles—and in the Friday night game they lost it four times on nothing but plain old fumbles. On three of the four fumbles, Bronte went on to score TDs.

Although 1 1/4 inches of rain fell on the field from about 3:30 p. m. Friday to 6:00 p. m. the field was in good condition. It could have been termed a "slow field," but it was not muddy. And the Longhorns never actually fumbled once, and all the boy's numbers were visible when the game ended.

The final score was 42 for Bronte and 6 for the Mountaineers, with the Mountaineer score coming midway in the fourth period. Bronte scored in the first period on the second play after recovering a fumbled punt. No scores were made in the second period. Then in the third period the Longhorns opened up and scored three times and crossed the double strip twice more in the fourth period.

### The Game

The Mountaineers kicked to the Bronte 5-yard line with a 20-yard return. A first down quick kick gave the Mountaineers the ball on their 43-yard line. The local boys drove to the Bronte 16-yard line before giving the ball up on downs. An 8-yard penalty put the Longhorns back on their 8 and another first down quick-kick was fumbled and Bronte took the ball on their 44-yard line. It took just two ground plays, one of them for 51 yards, for the Longhorns to score and make the two extra points. The Mountaineers took the kick-off for an 8-yard return, picked up a first down, then had gained enough yardage for another first down when they fumbled near the end of the period.

Most of the second period was an exchange of punts with both teams resorting to the passing attack. Bronte got to the Mountaineer 30-yard line on one occasion and the Mountaineers got to the Bronte 20-yard line on one occasion.

Bronte took the kick-off in the third period and in a wide open brand of ball scored from the Mountaineer 4-yard line in four plays. After recovering a Mountaineer fumble, the Longhorns scored in one play from the 39-yard line and a short

while later scored again from the 39-yard line. After recovering another fumble the Longhorns had pushed to the Mountaineer 6-yard line as the quarter ended.

Early in the fourth period the Longhorns scored. They kicked and the Mountaineers attempted 3 passes, then punted. The Longhorns drove to mid-field and lost the ball on downs. The Mountaineers finally got an attack underway and drove from the Bronte 47-yard line to score, with Walker going over from the 4-yard line. Bronte took the kick-off and getting their passing attack to clicking, scored very shortly.

The Longhorns have a good line that knows how to open the holes for their back field men. Most of their scores were made on the same play, and it seemed to work every time the quarterback called it.

The Mountaineers played the Longhorns fairly even throughout the first half, but just couldn't contain them the last two periods.

### Game at a Glance

Santa Anna	Bronte	
12	First Downs	16
111	Yds. rushing	302
23	Lost rushing	22
22	Passes att.	9
7 for 95	Completed for	6 for 66
0	Intercepted	0
4 for 181	Punts	3 for 101
2 for 26	Penalties	5 for 58
4	Fumbles lost	0

### Other Games

Other teams the Mountaineers will engage this year had the following out come: Hamilton suffered a 18-36 loss to San Saba, giving them a 1-2 season record; Bangs had an open date over the weekend and thus still has a 1-2 season record; Cross Plains won over Rising Star 18-8 and now has a 2-2 season record; Clyde suffered their fourth loss of the year to Baird, and now has a 0-4 season record; Albany took their third win of the year over Winters and now sports a 3-1 season record; Eastland lost to Dublin by a 6-22 score and now has a 1-3 season record; and Early took a 16-8 win over Hico to give them a 3-1 season record.

### Standings

W. H. Jones With Governor Daniel

Pictured on the left, above, is W. H. "Skeet" Jones of Houston, a member of the Houston City Council, with Governor Price Daniel, while the Governor was making a recent visit in Houston. Jones was born and raised in Santa Anna and is well known here. He said he was telling the Governor a "joke" when this picture was taken.

Rockwood News

By MRS. JOHN C. HUNTER

Uless Maness was dismissed from the Brady Hospital last Friday and was admitted again on Monday for treatment.

Mr. and Mrs. Billy Maness of Brownwood spent Saturday night and Sunday with Mr. and Mrs. Maness. Afternoon visitors were Mr. and Mrs. M. A. Ward of Coleman, Mr. and Mrs. A. L. Kline, Mr. and Mrs. John Hunter and Mr. and Mrs. Johnny Stewart.

Mr. and Mrs. Lon Gray spent the weekend at Odessa with Mr. and Mrs. W. E. Routh and boys. Mrs. Routh had surgery on Wednesday at the Medical Center Hospital in Odessa.

Mr. and Mrs. J. A. Hunter and Don visited Saturday evening with Mr. and Mrs. Tommy Briscoe and children, at Waldrip. The Briscoes visited in the Hunter home Sunday afternoon. Mrs. Briscoe had minor surgery at a Brady hospital last Thursday.

Mrs. J. W. Wise spent Saturday night and Sunday with Mr. and Mrs. Hilton Wise.

Mrs. Lee Miller was a weekend guest of her son, Harold Pike and family in Brownwood.

Mr. and Mrs. Hal Haines of Austin visited Wednesday to Sunday with Mr. and Mrs. Hyatt Moore and Mrs. Rosa Belle Heilman. Mr. and Mrs. Sam Estes of Sweetwater were Saturday and Sunday visitors. Joe Estes and Steve of Abilene and Lonzo Moore of Brady also visited Sunday.

Mr. and Mrs. Ted McCarthy of Dallas were weekend guests with Mr. and Mrs. Ray Caldwell. Mr. and Mrs. Bob Stewart were also Sunday dinner guests. Mrs. McCarthy, Mrs. Stewart and Mrs. Caldwell visited the Parker Quail Farm in the afternoon.

Miss Bernice Johnson went to McCombs Saturday, where she is employed.

Mr. and Mrs. Lee McMillan were dinner guests with Mr. and Mrs. W. C. McMillan in Brady last Friday and visited with Mr. and Mrs. L. C. Brock in Coleman on Monday.

Mr. and Mrs. Gerald Sitterle and family and Colleen Acock of Alice were weekend guests with Mr. and Mrs. A. L. King. Mr. and Mrs. Carl Ashmore of Santa Anna visited Friday afternoon with Mr. and Mrs. King.

Mr. and Mrs. E. G. Billings of Monahans spent the weekend with Mr. and Mrs. Jack McSwane and Stanley. Mr. and Mrs. Billings have bought the McSwane house and will move here shortly.

Mr. and Mrs. F. E. McCreary visited Wednesday to Sunday with Mrs. Glenn W. Jones and boys in Killeen and Mr. and Mrs. W. W. Sudderth and family at Lott.

The Rev. David Morrison preached at the Baptist Church at both Sunday services. He and his family were dinner and supper guests with Mr. and Mrs.

BUICK'S NEW LIGHTWEIGHT SPECIAL

Big car comfort and styling are combined with the economy of the small car in Buick's new Lightweight Special four-door sedan, powered by the first American aluminum V-8 engine in the automobile industry. The Special is mounted on a 112-inch wheelbase, is 188 inches long and weighs only 2,700 pounds, some 1,600 pounds lighter than conventional-size Buicks. Its high compression V-8 engine develops 155 horsepower, giving it outstanding performance comparable to the bigger models in the Buick line. The Special comes in two body styles, a four-door sedan and a four-door wagon, with a deluxe version offered in each. A new dual-path turbine drive transmission is offered as optional equipment, along with power steering, and air-conditioning.

Hints Offered on Getting Most From Pastures

College Station — Are you getting maximum returns on your pasture investment? If not, chances are you are violating one or more of the cardinal rules of pasture planning and use, says A. M. Meekma, extension dairy husbandman.

These rules are: Plant a productive forage crop or combination of crops so there will be an adequate pasture all year.

Use the best cultural prac-

tices, including fertilizing, to insure pasture growth.

Keep waste to a minimum during grazing, harvesting and feeding.

Prevent damage from trampling or overuse.

If you don't have a productive stand, then plans for future seeding need to be made, Meekma continues.

Pastures now available can be made more productive by proper use. Strip grazing, which is simply grazing off an area and then allowing it to grow out again, prevents damage to some plants, the specialist explains. Feeding pasture as green chopped forage has a similar advantage, but, under certain conditions, green chopping may be too expensive. Green chopping is, however, beneficial to plants such as alfalfa and oats.

Production of some pasture plants would not be greatly improved by strip grazing or green chopping. In this case, rotation grazing fills the bill, says Meekma. Most of the true clovers fit into this category. Clipping the pasture after the herd has grazed it will remove uneaten forage, promote new, more nutritious growth, and help control weeds.

According to Meekma, the signs of inefficient pasture use are over grazing and spot grazing.

"Remember", he concludes, the best pasture is available when the forage is in its growing state. Once plants begin to bloom, the quality will decrease and milk production will fall.

In architecture, Ionic, Doric, and Corinthian are three orders of Greek Columns.

R. J. Deal.

Mrs. Mena Shuford visited Sunday afternoon with Mrs. M. D. Bryan.

Mr. and Mrs. John Richard Deal visited relatives in Winters during the weekend.

Nikki Johnson visited with Stanley McSwane Sunday afternoon.

Mrs. Claud Box visited Monday in Brownwood with Mrs. Jack Rutherford and Mrs. Vera Lovelady. Mrs. Box and Mrs. Lovelady were business visitors in Comanche.

Enroute home Mrs. Box visited with Mr. and Mrs. J. O. Chaffin and Anita near Bangs. Mr. Chaffin is improving after being seriously ill.

Mr. and Mrs. Frank Bryan have moved to the McSwane house while their house is being torn down to add room to their new house being built in Brownwood.

Mr. and Mrs. Jimmy Frank Smith and family of Iraan visited Monday to Wednesday with Mr. and Mrs. Henry Smith.

Donna Walker of Santa Anna spent the weekend with LaQuinn Cooper.

Mrs. Kate McIlvain was a Sunday dinner guests with Mrs. Roy Blackwell. Mrs. L. L. Bryan was an afternoon visitor.

Mrs. Sid Lawson of Waldrip visited Thursday afternoon with Mrs. A. L. Crutcher. Miss Hix Whitfield of Mereta came Friday to visit in the Crutcher home.

Mrs. Bessie Parker, County Home Demonstration Agent will meet with the Rockwood H. D. Club Wednesday, October 5, at 2:30 p. m. at the Community Center. Mrs. Henry Smith will be hostess.

Mr. and Mrs. Leon Browning of Pear Valley spent Sunday with Mr. and Mrs. Iru Bray. Mr. and Mrs. Wayne Bray, Frankie, Debbie and Kim of Lohn were Sunday supper guests.

Mrs. Evan Wise is in Houston visiting her daughter, Mrs. Bill Mueller and family.

Mr. and Mrs. Don Estes and family of Kermit spent the weekend with Mr. and Mrs. Matt Estes. Friday afternoon Mrs. Hyatt Moore and Mrs. Hal Haines visited with Mrs. Estes and Mr. and Mrs. Lee McMillan were Friday evening visitors.

Help Available For Rat Control Programs

College Station — Rats are one of the most destructive and dangerous pests to have around a farm or ranch. They contaminate stored grain and exposed food and feed, they kill poultry and young livestock, and they start fires. Diseases such as leptospirosis, contagious abortion, trichinosis, distemper, atrophic rhinitis, plague, typhus, salmonella, food poisoning and rat-bite fever are carried from place to place by these pests.

The rat population on your place can be controlled, however, if you will put forth a little time and effort. An extensive sanitation program, coupled with the use of anticoagulant baits, will effectively control the rat population. Once the rats have been eliminated, a small number of permanent baits and continued sanitation will help prevent reinfestation.

As long as there are rats in the area, however, your farm or ranch is in constant danger of becoming infested. The local county agent can help by contacting rodent control specialists of the U. S. Fish and Wildlife Service. These specialists, working with the county agent and you and your neighbors, will help institute a county-wide control program. Such programs are far more effective than localized, one-farm operations.

Whon News

By MRS. TOM RUTHERFORD

Our community was shocked Monday, when the San Angelo papers arrived, to learn of the death of Rev. Miss Nellie Hill Sunday, when stricken in a Mission in San Antonio, while teaching a Sunday School class. She died enroute to the hospital. Services were conducted in Ballinger at the Nazarene Church Monday afternoon. Rev. Hill was pastor of the Nazarene Church here for several years, leaving in 1954 or 55.

Mrs. Floyd Morris and boys, Joe Floyd and Jamie Lee spent the weekend with Mr. Morris in their home here. Mr. Morris and boys are living in Brownwood sending the boys to school. Mr. and Mrs. John David Morris of Coleman were Sunday guests in the home here.

Mrs. Walter Yancy had lunch with Mr. and Mrs. Bert Turney Thursday. The ladies enjoyed a surprise birthday party honoring Mrs. O. C. Yancy in her home in the Shields Community Thursday afternoon.

Mr. and Mrs. Darwin Lovelady and Randell visited Mr. and Mrs. Truman Newsom in Brownwood Sunday afternoon.

Mr. and Mrs. Lambert Abernathy of Millersview were Sunday guests with their son, Mr. and Mrs. Lee Abernathy, Ricky and Linda.

Mr. and Mrs. Rex Turney and children of Santa Anna spent Sunday with his parents, Mr. and Mrs. Bert Turney. Mark Turney remained to visit his grandparents this week. Mrs. Bert Turney reported her son, Rex Turney, went to Abilene Monday, but did not get his foot removed from the cast, after a visit to the Abilene doctor.

Mr. and Mrs. Hilary Rutherford and Rocky of Brownwood

were Saturday night guests with his parents, the Tom Rutherford.

Mr. and Mrs. Darwin Lovelady and Randell visited Guy and Alta Lovelady in Santa Anna Saturday night.

Rev. David Holmes of Brownwood preached at the Baptist Church Sunday morning and was a guest of Mr. and Mrs. Grenham Fitzpatrick and children.

Mr. and Mrs. Kenneth Shields of Coleman were Sunday guests with his parents, Mr. and Mrs. Dave Shields and boys.

Leon Carter of Brownwood visited in the Darwin Lovelady home during the weekend.

### Odd Watermelon

An unusual watermelon is on display on the counter at The News Office. This watermelon was raised by Jess Martin, in the northeast part of town.

When a very small melon, it happened to begin growing in an opening of a net wire fence. The melon grew much larger than the opening and spread the wire as far as possible. Then it grew larger on either side of the fence, but it did not cut into the melon, or break the wire. If interested in seeing this freak, come by and take a look.
