Dillingham is Top Winner in Local Stock Show

John Dillingham, sophomore, son of Mr. and Mrs. Jack Dill-ingham of the Shields commu-nity and member of the local nny and member of the local FFA Chapter, took the majority of first places in the annual Santa Anna Livestock Show Wednesday of last week. The show was held at the Santa Anna Show Barn, located near the high school.

Dillipske

the high school.

Dillingham had the top fine-wool lightweight lamb, top trio of finewool wethers, top Corriedale trio, top Suffolk and top 'all other classes" in single entries. He also showed the reserve grand champion finewool lamb.

Dillingham also was awarded the Santa Anna National Bank of the local FFA chapter and 4-H Club members who had entries in the show.

This show is considered the kick-off show in the Central West Texas area. During the next two months local youths will enter most of the major shows throughout Texas. In the Center: Kenneth Baker Alpast many honors have been bany, first team; Kenneth Lambestowed upon youths from San-kin. Early, second team; and shows. From appearances, they will furnish some tough competition at the shows they enter.

Stanley Hartman, son of Mr and Mrs. Edd Hartman, and Collin Steward, son of Mr. and Mrs. Bill Steward of Rockwood, show-ed the two grand champion fat

lambs of the show. Hartman exhibited the grand Hartman exhibited the grand Mertan Tewell of Clyde and champion finewool mutton, a heavyweight lamb that led its Tackles: T. G. Wylie of Albany class. This was the only first place going to a freshman stu-

1959 Farm Census Figures Released

The 1959 Census of Agriculture, conducted in Coleman County last fall, counted 1/105 farms, according to a prelimi-nary report just issued by the Two persons were filed on for Bureau of the Census, U. S. Defighting, one for a loud muffler, partment of Commerce. Total one for no tail light, and 26 cases and in farms was 745,409 acres. The average size of farm was 674.6 acres. The average value of farms (land and buildings) in the county was \$40,539.

Of the county's farm operators, 458 owned their farms, 329 owned part of the land and rented additional acreage, and

314 were tenant farmers.

The average age of farm operators in the county was 53.7 years. There were 250 farm operators 65 or more years of

Of the 1,105 farms in the county, 774 were commercial farms

To Participate in Insurance Refund

More than five million veterparticipating GI life insurance policies will share in regular annual policy dividends totaling \$258,500,000 during 1961, P. J. Mims, Manager of the Veterans Administration Regional Office in Waco said today.

These dividends are primaray a refund to policyholders of part of their premium payments. The refunds are made principally because the death rate anlong GI policyholders continues to be lower than the rate upon which the premiums were established by law.

Dividends totaling \$240,000,000 will be paid to approximately 4,-800,000 policyholders of National Life Insurance which originated in World War II.

Some \$18,500,000 in dividends will be paid to approximately 260,000 policyholders of National originated in World War I.

This is approximately million more in overall dividend payments than the amount being paid during 1960. This increase is in large part due to the expected higher interest earning resulting from a new investment formula developed last year.

different from the 1960 dividend tors.

The dividends will be paid as soon as possible after the 1961 anniversary date each policy was issued, Mims said. Both term and permanent plan participat-

As the payment of dividends is automatic, policyholders will free people. We're being spent, receive their dividends sooner if planned, maneuvered, cheated they do not delay the processing and "neutralized" out of our by making advance individual inquiries, he added.

1961 Poster Child for March of Dimes Is Victim of Two Grave Birth Defects

This likeness of Linda Breese appears on millions of posters and coin collectors

young lady of four, who lives in Columbus, Ohio, was named this week as the 1961 New March of Dimes National Poster Child.

Selection of the vivacious child, a victim of the grave birth defects of an open spine and excess fluid on the brain, was announced by Basil O'Con-nor, president of The National Foundation, parent body of the New March of Dimes. Study and patient aid in birth defects and arthritis, together with continued work in polio, embody the expanded program of the health organization.

In January, during which the New March of Dimes will be held throughout the nation, Linda will probably feel she is facing mirrors everywhere she travels, That's because millions of posters will bear her likeness which, in drawings, and photographs, will also be published in thousands of news-papers and magazines. The blonde and blue-eyed child will also appear on network tele-

Linda's parents are Mr. and Mrs. Dean E. Breese Her father is an industrial engineer. Her mother, Dorothy Lohr Breese, in addition to Linda has an-

Linda Gail Breese, a pic-torial and high-spirited young lady of four, who general physical condition is described as good.

Mrs. Breese has been a Moth Marcher for the annual March of Dimes.

"My husband and I are deep ly grateful that at last some thing constructive is being done about birth defects," she says, "We pray that The National Foundation which, through public contributions to the March of Dimes, financed the development of the Salk polio vaccine, will in time also solve the puzzle of birth defects, which are the largest unmet childhood medical problem in our country today.

Emphasizing the enormity of the problem, Mrs. Breese cit-ed statistics showing that 250,-000 infants in the United States are born annually with significant birth defects. Also, because of these congenital malformations, 34,000 babies a year in the nation are stillborn die in the first four weeks of life.

Linda underwent surgery to close her spine when she was less than a day old. The operation was performed at Chil-dren's Hospital, Columbus, where The National Foundation

Linda Breese

later, she again had surgery for excess fluid on the brain, and the little girl today wears a "shunt" tube to drain off this liquid. Linda also uses crutches but has been able to discard her leg braces.

Recently, while helping her in addition to Linda has another daughter, Susan, 14, and
two sons, Ronnie, 12, and Terry,
six. Tragically, since there is few months ago. Nine months event.

QUESTIONS AND ANSWERS

Q My husband died in 1939. was covered by social security, but I was told that year and several times later that I could not collect on his social security when I reached retirement age. Has that been changed?

A. Yes. Survivors of workers that has been true for death ments are necessary I wish to thank my friends after 1939. A widow who has and neighbors for the nice cards reached age 62, has not remarand packages I received during ried, and has not built up a Your higher payment by her own work, can collect monthly widow's benefits. Also, adult children who have been disabled since before their 18th birthday, may now be paid monthly benefits based on the record of a parent who died after March 31 FOR THE PURPOSE OF 1938. The same is true for de-ELECTING TWO DIRECTORS 1938. The same is true for de-pendent parents of such de-ceased persons. Of course, the deceased person must have had deceased person must have had at least 1½ years of social security credits.

Christmas Gun Lessons Must For Youngsters

Austin — Christmas is a time when hundreds of youngsters are first introduced to firearms. Whether it be with Dad's rifle on that first deer hunt, or when Santa leaves one under the Christmas tree isn't important.

"The important thing to remember," warns the director of handling firearms.

should never overlook.

how to become a safety-conscious hunter. But it's up to Dad to give him this information and help him take those first few steps in the right direction.

"There's nothing wrong with joyous night. Just make certain that he or she knows how to use it safely before going into the field," suggests the director.

"A little encouragement and guidance at the right time may be the greatest gift you can ever give that hunter of tomorrow.

take their minds off Christmas bills by studying Governor Daniel's proposed budget for state government.

It calls for spending \$376,000, 000 from the general revenue fund for the 1962-63 biennium. This is \$54,000,000 more than was appropriated for the present two-year period, but is 49 percent less than the agencies requested. It does not include any funds for public-school-teacher pay raises, a recommendation which the governor said he will present after the legislature con-

Governor Daniel will propose a \$600 a year increase per \$94,000,000 to the state's twoyear costs.

This \$94,000,000 plus the \$54,-000,000 increase above, plus the deficit adds up to a \$224.000.000

MAVERICK TO RUN

Latest to announce for the U

S. Senate seat to be vacated by Sen. Lyndon Johnson is Maury Maverick of San Antonio, for mer member of the Texas House of Representatives.

The former legislator from San Antonio is a member of the State Democratic Executive Committee and son of the late Congressman and Mrs. Maury Maverick of the Alamo City.

His great grandfather was Samuel Maverick, also of San Antonio, one of the signers of the Texas Declaration of Independence.

Other announced candidates for the Senate seat are? Rep. Jim Wright of Fort Worth; Former Senator William A. Blakely of Dallas; State Senator Henry Gonzalez of San Antonio and John G. Tower of Wichita Falls. COLORADO DAM APPROVED

State Board of Water Engineers approved plans to build a \$21,690,000 reservoir on the Colorado River between La Grange and Columbus.

Farmers, ranchers and businessmen from the affected area two weeks ahead of time in order destroy an annual agricultural to be "ready." He defeated the income of about \$1,500,000.

Proposed reservoir would be 22 OME WORK miles long, with 160,000 acre feet While they're still home, mem- of initial water storage space bers of the next Legislature can and 75,000 acre feet of reserve. Lower Colorado River Authority estimated it will save for use some 100,000 acre feet of water that now flows into the Gulf.

be operated by LCRA after construction.

YOUTH PROGRAM GOALS

six-point program to cut down family in the Shields commuon the number of Texas youngs- nity. ters who "turn out bad."
