Thelma Brooker was presented with the "Citizen of the Year" award at the annual Chamber of Commerce banquet held Saturday night. Ms. Brooker, a former mayor of Santa Anna has for a number of years been a driving force behind Funtier Day planning and organizing and the plain old hard. work that goes with pulling off a successful project such as this. In introducing her, past president of the Chamber Montie Guthrie said that Thelma could always be counted on to give 100 percent or. ago, serving one term and elected to

more to any project they asked her to serve on. "You will just as likely find her with a pick or shovel in hand as doing any other type of work on any given project."

Thelma is the type of person who never says, "this can't be accomplished." In fact, you better watch out if you tell her that. She will probably end up proving you wrong, and more often than not has done just that. She was the first woman mayor of Santa Anna when elected to that post several years

a second. She resigned because of family commitments before finishing that second term. She served as mayor preceding present Mayor Gale Allen-Brock.

The Rob Cheaney "Best Dressed" award went to Jasper McClellan. The award traditionally goes to someone who puts forth a lot of effort, working quitely behind the scene, in promoting the causes and projects of the Chamber of Commerce. McClellan has served on the Chamber board of directors and has been very active in Chamber activities.

Senator Temple Dickson was guest speaker for the occasion, being introduced by Carol Kingsbery Otto, a native of Santa Anna who is General Counsel for the Senate Economic Development Committee of which Dickson is serving as Chairman, Ms. Otto is a SAHS graduate, the daughter of Tom and Barbara Kingsbery.

regular monthly meeting last Tuesday, Sept. 10.

Present were school board members Ruth Wise, Roy Joe Harvey, Sharon Guthrie, Marty Donham, Gary Absher and Barbara Simmons. Also present were Principals Bass and Gray, Business Manager, Judy Hartman, and Administrative Secretary Carole Voss. Several teachers were also present for the meeting.

A review of accounts phyable led to a motion by Absher and second by Harvey to approve for payment. Passed unanimously.

Board member Donham made the motion to set the effective tax rate at \$0.36 per \$100 valuation. A second to the motion came from "Harvey voting against it.

The Santa Anna School Board set Harvey. Motion passed with those the effective tax rate at \$0.36 per for the measure being Harvey. \$100 valuation when it met for its Guthrie, Absher, Donham, and Simmons. Voting against the motion was Mrs. Wise.

Motion was made by Harvey. seconded by Absher to adopt the TASB policy update #40 into the local policy. Motion passed

unanimously. After a lengthy discussion concerning the establishing a baseball program, the board agreed to take action on this item which was tabled at a precious meeting. Motion was then made by Harvey. seconded by Simmons to vote on having a baseball program for the 1991-92 school year. Approval of the motion failed with Donham voting for the measure and Wise, Guthrie, Simmons, Absher and

# Mountaineers Outlast Rising Star In Defensive Battle

With neither team being able to come up with a strong offensive game, the matchup between the Mountaineers and Rising Star Wildcats turned in to a defensive Tom Stroud, band director for the battle at Rising Star last Friday

night. It was another close one for the Thomas scoring a touchdown on a 17 yard pass from Vicente Frausto. later Santa Anna caught Rising Star Motion was then made by behind the goal line for a safety and

The Mountaineers had just edged

Cross Plains last week in a defensive battle, winning that one 14-8. Rising Star was coming off a 21-0 win over Ranger.

Both Santa Anna and Rising Star had trouble moving the ball. The mountaineers finished the struggle with 126 yards offense while Rising Star ended with 115 total yards which included one pass for 19 yards.

Head Coach Mike Permenter comments that he was especially proud of his defensive squad and their fine showing in the game. "However," he says, "the offense has some work to do. We plan to

and try to gather some offense in that area for Fridays night's game against Robert Lee, here in Santa Anna." He adds that he and the team appreciate the fans' support and hopes they will be out in large numbers for the first home game Friday at 8:00.

Dan Benton, who received an ankle injury in the Cross Plains game a couple of weeks ago, will be back in the lineup this week, playing some at the quarterback position, although Permenter says, Vicente Frausto will start in that position Friday night. Both are also fine running backs.

ENJOY A LONG, HAPPY LIFE

Do you want the very best life has to offer? The answer comes from the best book ever written, The Holy Bible. I Peter 3:10, "For he that will love life and see good days, let him refrain his tongue from evil and his lips that they speak no guile." Matthew 5:37, "But let your communications be, yea, yea; Nay, Nay: for whatsoever is more than these cometh of evil." Matthew 12:34, "For out of the abundance of the heart the mouth speaketh." Matthew 12:37, "For by thy words thou shalt be justified and by thy words thou shalt be condemned." Proverbs 15:4, "A wholesome tongue is a tree of life; but perverseness therein is a breach in the spirit." Proverbs 13:2-3, "A man shall eat good by the fruit of his mouth; but the soul of the transgressor shall eat violence. He that keepeth his mouth keepeth his life; but he that openeth wide his lips shall have

A truly happy life is one that that is disciplined. Without it we say many things to our own downfall, for we shall give an account of every had not been posted on the idle word. Whatever we sow we will reap. Solomon said, "A word fitly spoken is like apples of gold in pictures of silver."

Christianity is a truly disciplined life. Our tongue must be brought into subjection to the "Word of God." No man can control the tongue without a higher power, the word said no man can tame the tongue. The apostle Paul said that we can do all things through Christ who strengthened us.

We may have this happy life by submitting to Jesus so He can live this life through us. The apostle said, "nevertheless, its not I that live but Christ that liveth in me." Everyone should be slow to speak instead of quick to answer. The Psalmist said, "Let the words of my mouth and the meditation of my heart be acceptable in thy sight, oh Lord, my strength and my redeemer."

In case you are too young to remember Grace Kelly and the movie, Anastasia was the youngest daughter of Czar Nicholas II of Russia. The entire family was killed during the Revolution in 1918. ### Two Local Churches **Vandalized**

There were two cases of vandalism in local churches over, the weekend. The first case reported was at the First United Methodist Church. It was discovered early Saturday morning by the church's pastor, Rev. Don Elrod, Several fire extinguishers had been emptied by spraying the foam on pews and carpet in the sanctuary and through a foyer and in church school classrooms upstairs in the sanctuary building. The building had not been locked in keeping with the long tradition of keeping the sanctuary open for members and visitors for meditation. However church officials say the building will now remain locked when not in use.

The incident was reported to Police Chief Carlos Torres who began an investigation.

About 5 or 6 p.m. on Saturday evening, it was discovered that the same thing had happened at First Baptist Church. There the vandal pried open a window to gain entrance into the locked building.

According to the report we received, a fifth grade student has confessed to the vandalism. Both incidents took place on Friday night.

Junior High Loses To Rising Star In First Game Of Season—Santa Anna Junior High quarterback Bobby Malaer (7) races around the end for yardage against Rising Star Junior High here last Thursday evening. No. 44 is Cecil Ramirez. The Junior Mountaineer in the forefront of the crowd of players is lineman William Loyd. Sorry we could not identify the other Santa Anna players in the picture. The Junior Mountaineers lost the game by a score of 20-0. Coach Ricky Smith had the following comments: " The Santa Anna Junior High had a tough time executing offensively and defensively against a fast Rising Star team. Our boys played well for their first game considering that our plays and formations are all new to them. This team will show much more improvement as time goes is gained and our personnel improves in their positions. You will also enjoy watching our younger Dynomite team which is made up of mostly players with no experience. The pleasure of having this team will be in seeing their knowledge and experience grow as time goes by. A final note is the schedule change of this Thursday's game. The game will be here against Hawley at 6:00 for Photo by Derriel Warnock the Junior High and hopefully a Dynomite game at 5:20.

Mountaineer Rusty Fleeman (77) blocks for running back Phillip Hernandez (25) who has been stopped by a Rising Star defensive player. Santa Anna's Paul Morris (32) moves in to assist.

#### **Pointers** For Parents

What to do when hectic schedules leave little time to cook and staggered meal times tempt you-or the kids—to grab what's hande whether or not it's nutritious? Part of the solution might be dressing up leftovers (from casseroles and stews to meat and tuna loaves) with the wholesome goodness of part-skim milk cheese. such as Jarlsberg.

Mellow and slightly nutty with deceptively "creamy" consistency, one wedge goes a long way. Or opt for a chunk of new Jarlsberg Liteeven lower in fat, calories and sodium, and it doesn't taste like a diet cheese. Thinly sliced, either makes a terrific instant topping, melts readily and protein it brings to the table.

# **Booster Club Projects Announced**

The Santa Anna Athletic Booster Club has announced several fundraising projects it is currently sponsoring. Now available are "Mountaineer" caps which you can purchase for the price of \$4 each.

Arriving about the 23rd of the month will be Black and Gold vinyl stadium cushions and also Black and Gold rain ponchos, which would certainly be in fashion considering the rain that has fallen this month. You will need one to be on the safe side during football games this fall. The ponchos will be arriving about the first of October.

The club is also taking donations for which you will have an opportunity to win a rifle or shotgun, your choice. The gun will be given away during the Homecoming business meeting, Saturday, October 5.

You are encouraged to participate in these projects. Every dollar raised by the Booster Club goes toward helping the athletic programs of all levels in Santa Anna schools.

In their meeting of last week, the members of the Booster Club discussed the building of a filming tower at Mountaineer Stadium. You will hear more on this in the future.

The club meets at 7:00 each Monday evening in the varsity lounge of Perry Gym. All sports fans and parents of athletes are encouraged to take part in these meetings.

Dale Bradley is president of the Club and Donna Bradley is Secretary.

Memberships in the Booster Club are available at \$5 per couple or \$3 individual.

and smoothly when food is heated.

Shred over canned soups or to jazz up frozen entrees and side dishes. Jarlsberg mixed with prepared vegetables or browned hamburger meat turns microwaved baked potatoes into a treat—a healthy, nearly complete mini lunch or dinner. Since main course salads are popular year-round, remember that cooked fish, chicken, lean deli meats-just about anything you toss with greens—benefits from the addition of a rich, flavorful low fat cheese-not to say the calcium

# 5th Quarter Fellowship At Methodist Church Friday

The Methodist Church will host the traditional 5th Quarter Fellowship Friday night following the football game. The fellowship is open to all Santa Anna students, 7th grade through 12th grade.

# Local Youth Participate At West Texas Fair, Abilene

Several Santa Anna youth participated in the West Texas Fair in Abilene the past week. On Sept. 10. Candi Daniel represented Santa Anna FFA in the calf scramble at the rodeo. She was one of 20 FFA and 4-H members chasing 10 calves for prize money.

Calf scramblers lucky enough to catch a calf use the money won for the purchase of an animal bought and cared for by the student. The animal is then returned for showing at the next years fair. Candi, unfortunately, was not one of the 10 winners but she reported she truly enjoyed the experience!

CONSTITUTIONAL AMENDMENTS SPECIAL ELECTION NOVEMBER 5, 1991

#### PROPOSITION NO. 1 ON THE BALLOT

House Joint Resolution 114 proposes a constitutional amendment that would authorize home rule cities having a population of 5,000 or fewer inhabitants to amend their city charters by a majority vote of a city's qualified voters at an elec-tion held for that purpose. The amendment makes clear that home rule cities that have declined in population below the population required to initially adopt a charter may nevertheless continue to amend their charters.

The proposed amendment will be described on the ballot as follows: "The constitutional amendment al-·lowing home-rule cities with a population of 5,000 or less to amend their charters by popular

#### PROPOSITION NO. 2 ON THE BALLOT

House Joint Resolution 10 proposes a constitutional amendment that would allow the legislature to authorize the Texas Department of Transportation to expend money, from any source available, for the costs of the turnpikes, toll roads, or toll bridges of the Texas Turnpike Authority, provided that any monies expended from the state highway fund shall be repaid to the fund from talls or other turnpike rev-

#### PROPOSITION NO. 3 ON THE BALLOT

Senate Joint Resolution 26 proposes a constitutional amendment that would authorize the Veterans' Land Board to invest, as authorized by law moneys of the Veterans Land Fund which are not immediately committed to the payment of principal and interest on bonds issued by the Veterans' Land Board, the purchase of lands, or the payment of expenses. Investment of such moneys would no longer be restricted to investments in bonds or obligations of the United States. The proposed amendment would also authorize the Veterans' Land Board to invest, as authorized by law, moneys of the Veterans' Housing Assistance Fund which are not immediately committed to the payment of principal and interest on general obligation bonds issued by the Veterans' Land Board for the benefit of the Veterans' Housing Assistance Fund, the making of home mortgage loans, or the payment of expenses. Investment of such moneys would no longer be restricted to investments in bonds or obligations of the United States. The proposed amendment gives the legislature power to implement the amendment and to delegate such duties and authority to the Veter ns' Land Board as it deems necessary.

The proposed amendment will be described on the ballot as follows: The constitutional amendment to authorize the legislature to further implement and enhance the administration of the veterans' housing assistance and land programs and to expand the investment authority of the Veterans' Land Board.'

#### PROPOSITION NO. 4 ON THE BALLOT

Senate Joint Resolution 4 proposes a constitutional amendment that would allow the legislature to authorize the issuance of a maximum of \$1.1 billion in general obligation bonds. The proceeds of the bonds are to be used to acquire, construct, or equip new prisons and substance abuse felony punishment facilities, mental health and mental retardation institutions, and youth corrections institutions, to repair and renovate existing facilities of those institutions and to acquire, repair, or renovate other facilities for use as state prisons or substance abuse felony punishment facilities. The \$1.1 billion is in addition to the \$900 million currently authorized by the constitution to be expended on bond issues for facilities of correctional and mental health and mental retardation institutions. The bonds would constitute a general obligation of the state. The bonds and interest on the bonds would be paid from the first money coming into the state treasury that is not otherwise appropriated by the constitution, less any amount in a sinking fund at the end of the preceding fiscal year that is pledged to payment of the bonds or interest.

The proposed amendment will be described on the ballot as follows: "The constitutional amendment authorizing the issuance of up to \$1.1 billion in general obligation bonds for acquiring, constructing, or equipping new prisons or other punishment facilities to confine criminals, mental health and mental retardation institutions, and youth corrections institutions, for major repair or renovation of existing facilities of those institutions, and for the acquisition of, major repair to, or renovation of other facilities for use as state prisons or other punishment fa-

#### PROPOSITION NO. 5 ON THE BALLOT

Senate Joint Resolution . 39 proposes a constitutional amendment that would allow a county, junior college district, or municipality to exempt tangible personal property from ad valorem taxation if: (1) the property is acquired or brought into the state in an enterprise zone to be forwarded outside the state, (2) the property is assembled, stored, repaired, maintained, manufactured, processed, or fabricated in the enterprise zone, (3) the property is transported outside the state not later than 175 days after being acquired or brought into an enterprize zone, and (4) the person who acquired or brought the property into an enterprise zone is a qualified business. A county, junior college district, or municipality may exempt such property by entering into a written agreement with a qualified business that states the duration of the exemption and the terms on which the exemption is granted. Any action to exempt property must be taken before April 1 of the first year in which the property would otherwise be taxed. The term "enterprize zone" means an area that (1) has been designated as such by a state agency responsible for economic development, and (2) has pervasive poverty, unemployment, and. economic distress. The term "qualified business" means a business that meets the qualification established by general law, and requires that the auglified business is actively engaged in a new business in the enterprize zone or is expanding a business. that is already active in the enterprise zone. #### PROPOSITION NO. 6 ON THE BALLOT

Senate Joint Resolution 8 proposes a constitutional amendment that would establish a Texas Ethics Commission with the powers and duties provided by law. The commission would consist of eight appointed members selected as follows: two members of different political parties appointed by the governor from a list of at least ten names submitted by the members of the house of representatives from each major political party; two

a list of at least ten names submitted by the members of the senate from each major political party; two members of different political parties appointed by the speaker of the house of representatives from a list of at least ten names submitted by the members of the house from each major political party; and two members of different political parties appointed by the lieutenant governor from a list of at least ten names submitted by the members of the senate from each major political party. A major political party is a political party required by law to hold a primary. With the exception of the initial appointees, commission members would serve for four-year terms. A member who has served for one term and any part of a second term would not be eligible for reappointment. The commission would be authorized to recommend the salary of the members of the legislature and may recommend that the salary of the speaker of the house of representatives and the lieutenant governor be set at an amount higher than that of other members. If the commission recommends a change in salary, the voters would be authorized to accept or reject the salary change at the next general election for state and county officers. If the voters approve the recommended salary, that salary would take effect January 1 of the next odd-numbered year; if the voters reject the recommended salary, no change in salary would occur. The commission would set the per diem of the members of the legislature and of the lieutenant governor. The per diem could be raised to lowered hiennially as necessary to pay members' costs, but could not exceed the amount allowed as of January 1 that year as a federal income tax deduction for living expenses incurred in a legislative day in connection with a member's business as a legislator, disregarding any federal income tax exception for legislators residing near the Capitol. The commission would have other powers and duties provided by the commission's enabling act (Senate Bill 1, 72nd Legislature, Regular Session). The amendment would also provide that an increase in the emoluments of the office of Lieutenant Governor would not make a legislator incligible to serve in the office of Lieutenant Governor.

The proposed amendment will be described on the ballot as follows:

"The constitutional amendment creating the Texas Ethics Commission and authorizing the commission to recommend the salary for members of the legislature and the lieutenant governor, subject to voter approval, and to set the per diem for those officials, subject to a limit."

#### PROPOSITION NO. 7 ON THE BALLOT

Senate Joint Resolution 6 proposes a constitutional amendment that would allow the board of trustees of each statewide public retirement system to invest the funds of the system in such manner as the board considers prudent. The board would no longer be limited to investing the funds of the system in securities.

The proposed amendment will be described on the ballot as follows:

"The constitutional amendment to allow the board of trustees of a statewide public retirement system to invest the funds of the system in a manner that the board considers prudent."

#### PROPOSITION NO. 8 ON THE BALLOT

Senate Joint Resolution 21 proposes a constitutional amendment that would permit the legislature to create debt by or on behalf of the state if the legislature submitted the debt question to the voters of the state in the form of a proposition and a majority of those voting approved the proposition. The legislature may call the election, by joint resolution approved by at least twothirds of the members of each house, during an regular session or during any special session if the subject of the proposition is included in the Governor's proclamation for that special session. A proposition must clearly describe the amount and purpose for which debt is to be created and must describe the source of payment for the debt. The amount of debt stated in the proposition may

(4) the person has a recorded deed on file in the county courthouse and, in conjunction with his predecessor in interest, has claimed the land for at least fifty years as of January 1, 1991, and (5) the person, in conjunction with his predecessor in interest, for at least 50 years has paid taxes on the land together with all interest and penalties associated with any delinquency. If the applicant is denied a patent, the applicant may file suit against the School Land Board in a district court in the county where the land is located within 60 days from the date of denial. The proposed amendment does not apply to beach land, submerged land, or islands, and may not be used to resolve a boundary dispute. The proposed amendment also does not apply to land found by a court to be stateowned or to land on which the state

has given a mineral lease that is in effect when a patent is sought. A patent under this proposed amendment for land within five miles of mineral production shall reserve

#### PROPOSITION NO. 10 ON THE BALLOT

Senate Joint Resolution 15 proposes a constitutional amendment that would allow the legislature to pass general laws to exempt property owned by a nonprofit corporation organized to supply water or provide wastewater service from ad valorem taxation. A nonprofit corporation would be eligible for the exemption if its bylaws provide that

of title that dated back to at least or interests.

# Whon News By Mrs. Tom Rutherford

I should not have sent a news letter in to the papers last week, feeling as I did. But for sure I was really torn up over the loss of my air tank. I am sorry I accused just any one or some one picking up the tank here at my garage. I did not accuse any certain one. But my air tank was gone. But it has also been found. Seems was Thursday near noon when Ricky Abernathy came' to my door and told me he had read the paper and he was most sure he the past week. found my tank on the side of the road where it had fallen from my pickup. He had contacted several about it when he read the paper he was sure it was mine. No one will ever know how proud I am to have it back. I am sorry if I said anything that made anyone think less of me. I really thank and love Ricky Abernathy for finding my lost item and bringing it home. Thanks again, Ricky..

We are very glad that many places got some good rain during the past week. But as far as our little community, Friday night through Saturday night my rain gage showed 1/2 inch. Possibly others may have had more, but I don't think much more.

On Tuesday of the past week, John David Morris accompanied Leon Carter to the Veteran's hospital in Temple to check on the condition of Leon's brother, Bert Carter, who is a patient there. Each of these thought Bert was feeling better than the week before when they were there. The doctors reported they were running tests to see about surgery.

Douglas Avant of Brady was with his mother, Pearl Avant, in Santa Anna Saturday afternoon.

Mr. and Mrs. Bob Watts visited with Mr. and Mrs. Floyd Morris Wednesday afternoon.

Mr. and Mrs. Darwin Lovelady visited Saturday afternoon with Friday Couch in Abilene.

Ora Rutherford of Bangs came to Loyd Rutherford's house Saturday afternoon and prepared supper for Mr. and Mrs. John Dockery of Trickham and Loyd's son Todd of Brownwood.

Mr. and Mrs. Floyd Morris have had another encounter with a large rattlesnake which their dog found near the house. The snake did get into the garage/ But they had good luck in killing it one night during

Mrs. Floyd Morris visited Friday afternoon with Mrs. Pat Zable near Brownwood, then on to Brownwood to do some shopping.

Dick Deal called me Saturday afternoon late. His wife, Johny Deal, was admitted to the Brownwood Hospital Jate Friday afternoon and was very ill. She is still a patient but talking with their son, Rolan, Sunday afternoon, she is feeling much better. Rolan told me they were going to run a special test on his mother Monday morning. She will probably be in the hospital yet a few days. We all surely wish for her to recover soon. She has been ill for quite some time. Friends are thinking of her.

Juanita Minica of Santa Anna returned to midland with her son over a week ago. She returned to Santa Anna on Thursday and plans to go back to Midland for a few days on Monday.

Hilary Rutherford of Coleman Sunday night.
