Students Want To Experience American Way Of Life

Three students at Santa Anna High School are experiencing the "American way of life" for the first time. That's the way they each explained their reason for coming here as foreign exchange students for the school year. Through the years of growing up in their native lands each had apparently had a fascination for the "American way of life."

All are classified as seniors at SAHS.

Bodil Arnegaard is from Oslo, Norway, a city of 500,000 population. When asked how she was adjusting to life in Santa Anna, she declared, "I love it! Everyone is so friendly and I am accepted just as if I had lived here always." Bodil's sponsors are Gary and Teresa Absher who are the parents of two sons, Dennis, attending Cisco Junior College and Toby, a student at Tarleton State University.

Bodil arrived in town early enough for the family to take her to Six Flags before she settled down to school. Her impression of Six Flags was that the other two exchange students "just have to go. We don't have things like that in our country." Along with her studies, Bodil plans to play basketball and tennis while at SAHS and to become involved in One-Act-Play. She studied drama in her school in Norway.

Although their year's study here doesn't count toward credits for graduation in their home schools,

Bodil plans to try to go to college in the states when she finishes this year at SAHS and that way will not have to return to Norway to finish high school.

Bodil has two brothers and one sister back home in Norway. Her father is a plumber and her mother a home decorator.

Sandra Vobbe comes to Santa Anna High School from Osnabruck, a small town in Germany. Actually her home village is Rulle which, with two other villages, make up the community of Wallenhurst, population of about 7,000. She attended a preparatory school in Osnabruck. Sandra has been to the United States before this trip when she and her parents were here on a family holiday to visit Disney World and other points of interest in Florida. Her dad is a plumber and her mother a kindergarten teacher. She has no brothers or sisters.

Sandra is very pleased with her acceptance in Santa Anna. She says the people here have been very nice to her and made her feel quite welcome. Sandra has become a member of the band, playing the flute. She also intends to participate in basketball and tennis.

Sandra, who arrived in Santa Anna on Sunday before starting school on Tuesday, had heard a lot about America from a next door neighbor who had been a foreign exchange student and through those

conversations, decided she, too, wanted to come to the U.S. Her hosts are Lynn and Gail Loyd who have two sons, William, an 8th grader and Erwin in the 2nd grade, attending Santa Anna schools.

After completing her year at SAHS Sandra will return to Germany to finish her high school requirements there. She will attend a university there and plans to become a teacher. She expects to major in chemistry at the university.

Andy Burghardt is also from Germany and also arrived here on that Sunday before the start of school. His hosts in Santa Anna are Ronnie and Susan Daniel. The Daniels have a daughter, Candi, who is a junior at SAHS and Joshua, in junior high.

Andy left behind three brothers, one of which is his identical twin, his father, an executive sales manager of a textile factory, and his mother who does not work outside the home. Andy also wanted very much to experience the "American way of life." He says being separated from his twin is not bothering him too much. It isn't the first time they have been separated. In fact, Andy spent two weeks in France in an exchange program last year. He says they are close, but realize they have to each find their own way in life.

Andy is very impressed with the

Mountaineers 14-8 Over Cross Plains; Rising Star Next

Mountaineer starting quarterback, Dan Benton, was lost to an ankle injury early in the game against Cross Plains. According to word from Coach Permenter, it is questionable if he will be playing this week. Vicente Frausto filled in last week for a fine job in a tough situation. Photo by Derrell Warnock

The Mountaineers scored two touchdowns, and one 2-point conversion within two minutes after the start of last week's game against the Cross Plains Buffalos, and that 14 points was their total for the night in a game ending with

knowing about the business.

In fact he ran the local gin for several years in the 1960's. He has also ginned on the plains of Texas and in South Texas.

In recent years he and his son Mike Pritchard, who will be assisting him at the gin, have been in the construction business, home building and remodeling. "We will continue in the construction business when ginning season is over," Pritchard says.

The men are busy at the present time doing necessary repairs and getting the facility ready for the expected good turnout come ginning season, probably to start in November, unless an early frost changes plans.

Pritchard says Santa Anna Gin is a member of Telcot Marketing in order to provide the gin and its patrons with electronic marketing services. "That way the cotton can go directly into the loan."

As we know, the Santa Anna gin is the only operating cotton gin in Coleman County. Pritchard states he is looking forward to seeing old customers return this season and certainly will welcome new customers.

the Mountaineers on top 14-8.

Cross plains countered with a quick TD early in the second quarter for their only score of the game. They tacked on a 2-point conversion to make their total scoring at 8 points.

Phillip Hernandez was responsible for Santa Anna's first TD, racing 30 yards to paydirt. The point after kick failed. Only moments later, Tommy Williford picked off a Cross Plains pass and hauled it back for 35 yards for the

Mountaineers' second and final TD. Hernandez carried in the 2-point conversion.

The second half was a stalemate for the season opener for the two Class A schools.

Hernandez ended the game with 98 yards on 12 carries. Paul Morris racked up 15 yards on 4 carries; Billy Thomas one yard for 5 carries; and Vicente Frausto, 14 yards on 10 carries.

In the passing game, Vicente Frausto completed one of five passes. Hernandez caught that one for a gain of 20 yards.

Paul Morris punted 5 times for an average of 34 yards.

Coach Mike Permenter had the following comments:

"Our kids played defense with a great deal of intensity all night long. They had their backs up

against their own goal line all night and just did a great job of holding the Buffalos out of the end zone.

We had a great number of missed alignments on defense and we have to take into account that being unable to have that second scrimmage played a great part in this.

Offensively, when Dan Benton, our quarterback, went out of the game due to an ankle injury, it took most of our offense out of us. We

were very limited after that as to what we could do.

Vicente Frausto came in as the backup quarterback, a position which, until this year, he had never played. With the ball on the wrong goal line, it was not an ideal spot for his first start as a quarterback. But he did a great job then and the rest of the night.

Benton will be listed as questionable for this week's game at Rising Star."

Permenter also says he would like to thank the fans for their great support and hopes to see all of you Friday night at Rising Star. Game time is 8:00.

Senator Dickson Speaker For Chamber Banquet Sat.

Citizen Of Year Will Be Honored

Santa Anna's Citizen of the year will be named Saturday night at the annual Chamber of Commerce banquet to be held at Gary James Memorial Park at Funtier Square. Also to be honored will be the person chosen to receive the Rob Cheaney "Best Dressed" award.

Last year's recipient of the Citizen of the Year Award went to Polly Warnock, editor of the Santa Anna News. The "Best Dressed" award was given to Clint Day, owner of Western Auto.

State Senator Temple Dickson will be the featured speaker for the affair and according to chamber members he will be touching on several issues of importance to us here in West Texas. He will talk about the last session of the legislature, what was accomplished and things that still need to be done. He will be trying to get information to the public on what is going on in state

government by discussing state finances and rural economic development, things that are especially close to the hearts of people in our area of the state.

According to Mike Simmons, president of the Chamber, the strictly informal affair will feature a chuckwagon meal of cowboy stew.

No frills, in keeping with "hard times" in West Texas. Price of the meal will be \$5.00 for adults. Children's portions will be available at a reduced price. For \$20 you can receive two meals and an individual membership in the Chamber of Commerce.

The meal will be served in the park with those attending seated on bales of hay, so come dressed to be comfortable - very casual. Accommodations will be available

SENATOR DICKSON

for those who, for health or other reasons, can not be comfortable sitting on hay bales.

Catch Football Fever; Enter Our Contest

Due to all the time consuming events involved in the change of ownership of the Santa Anna News, we are a week late getting started with our "Football Fever" contest, but you can begin this week play-

ing our game of picking the winners of games of the week for the next nine weeks of regular season play for the Mountaineers and on into the playoffs if that be the case for the local team.

The entry naming the most winning teams from the weekly list will be named winner for that week. There will be a tie-breaker with the closest guess being named winner. In the event there is still a tie, there will be a drawing for the winner.

Second and third place winners will be chosen by the same method.

To enter, circle your picks for winners of each game listed and guess the score of the tie-breaker.

Fill in the blanks for your name, address and phone number. Bring your entry by the Santa Anna News Office by 5:00 p.m. on Friday. Mailed entries must be postmarked

Friday and reach the NEWS office by Monday morning. The Santa Anna News will not be responsible for delayed mail.

You may enter as many times as you wish up to 10 times, please. Only one winner will be named from a family or household in any given week. Entry forms must be original, no copies will be considered.

Entry forms for the contest may be found on page 4. Good luck! We certainly appreciate those

helping to sponsor this contest and we encourage you to patronize their businesses and extend your appreciation also.

New Gin Manager

Announcement was made this week, that the Santa Anna Co-Op Gin has a new manager. Don Pritchard has taken over the position following the retirement of J.T. Avant who had been the gin manager since 1979.

Pritchard is certainly not new to the ginning business. His father, the late Bill Pritchard, was a long-time ginner and Don grew up

City Employee On Call This Weekend

The City Crew member on call this weekend is Thomas Davis, 348-3206.

Watch the Santa Anna News each week for the city employee to call in case of a city utility emergency.

NOTE FROM CITY HALL

You are asked to refrain from calling the City employee on call for the weekend unless in case of a City utility emergency. These people are paid overtime when called out and you can help cut City expenses by not calling unnecessarily. The animal control officer does not work on weekends unless in a dire emergency.

FFA Sale Continues

The Santa Anna FFA chapter began its annual sausage sales Monday, Sept. 9, when members started taking orders for sausage patties, links and rolls, and a new item this year, pork burger, which can be used in much the same way as beef burger meat.

Some of the students will be calling on you to place orders for these popular items. Be ready to support them in this annual fundraising project. Orders will be taken until Monday, Sept. 23 for later delivery.

SPIRITUAL HUNGER AND MENTAL RETENTION

About thirty-five years ago I was privileged to hear a sermon by an Air Force Chaplain at Wheelus Field near Tripoli, Libya. Certainly I do not remember all that was said, but I do remember his three main points. The Chaplain used the alliteration process and I am sure that helped retention. Far more important, I'm sure was my spiritual hunger. There was a deep longing in my heart and soul for the purpose in life. As one theologian put it, "Thou hast made us for Thyself, O, God, and our hearts are restless until we find rest in Thee."

His text that day was from the words of Jesus the Christ, "Follow Me, and I will make you to become fishers of men." From this he elaborated on the Person to Follow, The Power to Form and the Purpose to Fulfill.

Jesus is The person to follow. In life, we tend to follow someone, something, or some philosophy whether we admit it or not. Jesus is the only one worthy to invite us to FOLLOW, and He is the only one who can be trusted absolutely to not only know but also to do what is best for us. We do well to heed His invitation, "Follow Me."

In following Jesus, we soon learn that He also has power to form. "I will make you to become," He said. It is amazing, yes, appalling to see so many people following those other things, people or philosophies that do not have the ability or power to make us what we were born to become. Certainly many have the power to make us become less than God created us to be. In fact, if left to ourselves and our own efforts we will always be less than God intended. Jesus the Christ has the power to form.

Becoming fishers of men is The purpose to fulfill. Many people today either do not know or have not yet found the purpose for which they were created. Any purpose less than what Almighty God designed for the individual has no meaning and no fulfillment. By becoming fishers of men, God intends for us, men and women, boys and girls to share with someone else, what God has done for us in Salvation by faith in Jesus and how He has blessed us, claiming promises from His holy Word, the Bible.

Only three things will make it into eternity as God has promised to burn all else, to melt with fervent heat. God, God's Word and people are forever. Therefore, when we go fishing, we go among people, and we share God and God's Word. Then, and only then can we know, personally, in a rewarding and fulfilling way that Jesus is indeed The person to Follow. HE has the power to form us, and HE gives the purpose to fulfill.

Each week as I prepare sermons I consider the alliteration process that will hopefully increase retention. Beginning each word or phrase with the same letter is helpful in remembering. Far more important, I feel, is time spent in prayer to God to give a deep hunger for God and His word for those who will be in the hearing of the Word proclaimed.

Library Notes
Check It Out

By Betty Key

You never know what you will find when you open a book. Two or three years ago I bought some books at our library book sale. Not long ago I got around to reading another one of them. It is an autobiography of a country doctor, entitled, *The Horse and Buggy Doctor*. Its an old book, copyright 1938, and gives a pretty good account of the practice of medicine from the mid 1880's to the mid 1930's. When reading it, I had to remind

myself that when he spoke of "modern medicine" he was talking about "modern" in the 1930's. It was interesting to read a first hand account by someone who was a doctor 100 years ago, but that was not the treasure hidden in the book.

Between the pages of this book was a hand written copy of a short poem. How long had it been there? I don't know. The book is in good condition—may not have been read many times. The poem could have been there for 40 or fifty years. Who wrote it? That's another good question. It might have been a quote from somewhere although I don't recognize it. Of course there is a world of famous writings that I wouldn't recognize. It might be the original writing of some long ago reader of the book.

Who put it there? Maybe someone out there can answer that one. I'm pretty sure the book was donated to our first big book sale by a local family. A number of people cleaned out book shelves, sheds and garages and donated books.

At any rate, the poem is worth sharing. It has no title and we will list it as author unknown.

There is a destiny which makes us brothers.

One cannot go his way alone. Whatever we put into the lives of others,

Comes back to us within our own.

Do you recognize it? If it is an original - the family would probably like to have the hand written copy. If you would like to see the book or the poem, contact Alice Anna Spillman. I'll be giving the book to her. With a daughter in the truly modern medical school, its a book she should read.

Stenholm FUNday Slated For 21st In Ericksdahl Community

STAMFORD, TX -- Budget Committee Chairman Leon Panetta (California), Martin Sabo (Minnesota), Jill Long (Indiana), and Bob Clement (Tennessee) will join Charlie and Cindy Stenholm for their annual FUNDay in Stamford on Saturday, September 21st. They have been invited to visit part of the 17th Congressional District to better understand the interests of this area.

Stenholm serves with Sabo and Panetta on the Budget Committee which is responsible for overall spending and revenue guidelines for the trillion dollar federal budget each year. Sabo is also a member of the Appropriations Committee which writes the specific annual funding bills for most spending.

Jill Long owns her own farm in Indiana. Stenholm serves with her on the House Agriculture Committee. She is a member of the Conservative Democratic Forum (CDF) which Stenholm coordinates. They are both members of the Rural Health Care Coalition which Stenholm serves as chairman.

Bob Clement is co-sponsor of Stenholm's Balanced Budget Amendment and also is a member of the Rural Health Care Coalition.

"Cindy and I are honored to have these leaders come to our FUNDay," said Stenholm. "Not only will they be sharing their friendship with us, they will have an opportunity to meet my constituents and hear of our interests and concerns."

Everyone is invited to the picnic on Saturday, September 21, at the Ericksdahl community, east of Stamford. The food line opens at 4:30 P.M. The meal will be topped

Two Couples Feted With Anniversary Party

Jack and Evelyn Kingsbery of Crystal City and Tom and Barbara Kingsbery, Santa Anna were honored Saturday, August 31, with a party to honor the 40th wedding anniversaries of the two couples. The Jack Kingsberys were wed on June 30, 1951 and the Tom Kingsberys on September 8 of that year.

Parents of the two couples are C. D. Bruce and the late Mrs. Bruce, and the late Mr. and Mrs. Howard T. Kingsbery, all of Santa Anna.

Children of the couples hosted a barbecue supper at The First Baptist Christian Life Center, followed by an informal get-together of friends of the honorees. Family photo albums were displayed showing pictures of the couples, their parents and children.

Decorations were in maroon and white, carrying out the Aggie tradition of the Kingsbery family. Floral arrangements were fresh flowers in maroon and shades of mauve and pink.

Hosting the party and present for the occasion were the Jack Kingsbery children, Bond and Ann (Kingsbery) Womack of Phoenix, Arizona; John and Kay (Kingsbery) Bell of Whitehouse; and Bruce and Karyn Kingsbery of Santa Anna. Bob and Keri Kingsbery of Seattle, Wash. were unable to attend.

Daughters of the Tom Kingsberys hosting the party were John and Sue (Kingsbery) Porter of Austin and Bob and Carol (Kingsbery) Otto of Lago Vista.

Also present were grandchildren of the two couples and other relatives including a cousin, Mary Lela Clifford of Santa Anna, and aunts, Mae Banister of Austin and W. C. and Ann (Bruce) Winkler of Belton, Mrs. C. E. Kingsbery and Kingsbery of Santa Anna.

The family members remained for the holiday weekend, enjoying visiting and dove hunting at the family ranch.

Having Class Reunion?

Is your class planning a reunion during Homecoming '91? If so, please let us know here at the Santa Anna News, so we can help spread the word.

Write to Box 399, Santa Anna, TX 76878 or call 915-348-3555.

Finishing Touches Being Put On Homecoming Plans

The officers of the Santa Anna Ex-Student association are busy putting the finishing touches on plans for Homecoming '91. Classes ending in 1 (1) will be honored this year. Every ex-student is invited and encouraged to attend all the activities beginning on Friday, October 4. The Saturday morning coffee and registration will begin at 9:00 a.m. at the Elementary School cafeteria with the business meeting to follow in the high school auditorium.

New officers will be elected during the business meeting and

this year's honorees will be introduced. Mark your calendar and plan on having a great time.

Officers of the Ex-Student Association are Gay (Rutherford) Abernathy, president; Kay (Kingsbery) Gray, 1st vice president; Paul Martin, 2nd vice president; Deborah (Aldridge) Long, secretary/treasurer; and Randy Brown and Roberta (Morgan) Tomlinson, directors.

Mary (Ford) Fields is serving as chairman of the entertainment committee.

October 4, 5 Big Days For SAHS Exes

by Mary Ford Fields
Your Entertainment committee, Mary Lee Ford Fields, Chairman and assisted by Barbara Kingsbery and Montie Guthrie...hopes to have everyone in the "fast lane" starting at the Hospitality Room that opens at 10:00 a.m. on Friday, October 4th and will be open until 4:30 P.M. at the Mountain City Community Center (better known as the high-rise)...with all the kissin', huggin' and the remember when' conversations starting. And we promise from then on...you will find they have just left you a web bit of free time with nothing to do for the two day Homecoming.

The Alumni Association furnished postage for 400 letters to be mailed to the Alumni. The letters were not mailed to anyone in Santa Anna, Brownwood or Coleman as there will be notices in the newspapers at these towns. To eliminate the cost and to get accurate mailing addresses this year when you register on Saturday there will be a box of blank envelopes that you can address your own and put 50¢ in the kitty to cover the cost. This way we can get addresses that have not been on some of the previous registration sheets and zip codes that are a must with the post office. We sincerely hope the notices will increase the attendance as those that do not take the Santa Anna News never have anyway of knowing about Homecoming. Any of the classes that are having reunions this year if you will contact Montie Guthrie he will furnish you with a copy of the letter that has been mailed and you can use it for explaining all the events to your classmates.

The excitement that happens in the Hospitality Room is unparalleled...and it is truly a must to attend as you never know who will be walking in the door next. This is where the fun for the Homecoming starts so please try to be a part. Last year we had over 200 alumni register and we are in hopes that there will be many more return besides the ones that attended last year...Yes, IT'S THE IN PLACE OF THE DAY.

Friday night Ms. Ethel Jones Williams has again offered her beautiful home for an OPEN HOUSE for those who do not attend the Football game. from

SR James Culpepper

Completes Basic Training

Seaman Recruit James Culpepper of Santa Anna has completed basic training with the United States Navy at Great Lakes, Illinois.

Culpepper entered the Navy July 1, 1991. He is a 1984 graduate of

Santa Anna High School and the son of Mrs. Jean Culpepper and the late Lacy Culpepper.

His mother tells us he expects to have a leave sometime toward the end of this month, to visit the home folks before reporting to San Diego for 6 months duty aboard ship.

Committee and our cost will be required to be covered by your contribution. I truly am embarrassed that I have to request you to contribute to the Open House and Hospitality Room but these two days of enjoyment can only be available by our responsibility of contributing.

Surely hope to see each of you at Homecoming...and how about some of you hometown people attending these two events...we see very few

Livestock Assoc. Meeting Monday

There will be a Santa Anna Livestock Association meeting Monday, September 16, at 7:00 p.m. at the Santa Anna High School Ag Barn.

Drugs and drug testing in show animals will be the topic of discussion.

Lynn Loyd, president of the local group, encourages everyone who has a child planning to show an animal to please be in attendance.

Taylor Reunion Held Aug. 10-11

Elwayne Taylor reports that the Taylor family reunion was held Saturday and Sunday, August 10-11 beginning at Gary James Memorial Park, but moving to the Lions Club building when rain forced them indoors.

There were 90 in attendance with Clarinda Menges, 105, being the oldest.

Elwayne's daughter and family, Sherry and Gary McWhirter of Dallas and children Cory and Casey, attended, with that being the first time in twenty years Elwayne and his daughter had seen each other. Of course, this was his first time to see the grandchildren.

Class Of 1971 Making Reunion Plans

Plans are now being finalized for the 20 year reunion of the SAHS class of 1971. Roddy and Debbie Dean will be hosts for a get-together at their home, Saturday afternoon, October 5 (Homecoming weekend), beginning at 2:00 p.m. All class members are urged to come and enjoy the fun.

J.V. Beats Cross Plains

The Santa Anna High School junior varsity Mountaineers beat Cross Plains by a score of 14-6 here at home last Thursday night.

Mitchell Guthrie scored the first TD on a one-yard run and Anthony Thomas tacked on the 2-point conversion on a good power play over the right side.

Thomas scored the second TD on a quick pitchout around left end. The 2-point conversion was good but a holding penalty wiped it out. So they tried the second time from the 13 yard line on a pass play which was caught but fell just short of the goal line, leaving the score at 14-0.

Late in the 4th quarter, Cross Plains covered a Santa Anna fumble on our one yard line and ran in a quarterback sneak for their six points.

The JV will play hosts to Ranger JV Thursday at Mountaineer Stadium. Game time is 7:30.

Cheerleaders Promoting School Spirit With Several Projects

High school cheerleaders are promoting spirit for the Mountaineers by selling Spirit Ribbons for 25¢. The ribbons are also available at Debbie Dean's office on Monday and Tuesday of each week. Each ribbon bought on Monday and Tuesday will have a number on the back. A drawing will be held each Wednesday morning in the high school office during announcements. The winning number will receive a free movie ticket.

The cheerleaders will also be awarding the Spirit Stick at the pep rally each Friday afternoon. Football players and coaches, band members and flag corps, faculty, student body, and local businesses will be eligible to win the spirit stick by showing Mountaineer Spirit with a little extra show of support.

The squad will be passing out "gold dots" before each ball game. These are to be waved in the air by the fans when the mascot runs in front of the bleachers. The

School Yearbooks Have Arrived

Santa Anna High School annual staff sponsor, Sandra Guthrie, has announced that the 1990-91 yearbooks have arrived and may be picked up in room 208 of the high school building between the hours of 1:00 to 3:00 p.m. on school days.

You are asked to bring your order receipt. There are a limited number of extra copies which will be sold on a first come/ first serve basis.

opponent will see a big gold something?? across the field. The "dots" will be taken up after each game.

At cheerleader camp at HSU during the summer, our SAHS cheerleaders received honors. Martha Frausto made All-Star Cheerleader and Lana Harvey received the honor of being the best mascot of all the schools represented at camp.

PUBLIC NOTICE

BRIEF EXPLANATORY STATEMENTS
OF PROPOSED
CONSTITUTIONAL AMENDMENTS
SPECIAL ELECTION
NOVEMBER 5, 1991

**PROPOSITION NO. 1
ON THE BALLOT**

House Joint Resolution 114 pro-
poses a constitutional amendment
that would authorize home rule cities
having a population of 5,000 or
fewer inhabitants to amend their
city charters by a majority vote of
a city's qualified voters at an elec-
tion held for that purpose. The
amendment makes clear that home
rule cities that have declined in
population below the population re-
quired to initially adopt a charter
may nevertheless continue to amend
their charters.

The proposed amendment will be
described on the ballot as follows:
"The constitutional amendment al-
lowing home-rule cities with a
population of 5,000 or less to
amend their charters by popular
vote."

**PROPOSITION NO. 2
ON THE BALLOT**

House Joint Resolution 10 pro-
poses a constitutional amendment
that would allow the legislature to
authorize the Texas Department of
Transportation to expend money,
from any source available, for the
costs of the turnpikes, toll roads, or
toll bridges of the Texas Turnpike
Authority, provided that any monies
expended from the state highway
fund shall be repaid to the fund
from tolls or other turnpike reve-
nue.

The proposed amendment will be
described on the ballot as follows:
"The constitutional amendment
mandating the repayment to the
Department of Transportation of
monies expended to assist the
Texas Turnpike Authority in the
construction, maintenance, and op-
eration of turnpikes, toll roads
and toll bridges."

**PROPOSITION NO. 3
ON THE BALLOT**

Senate Joint Resolution 26 pro-
poses a constitutional amendment
that would authorize the Veterans'
Land Board to invest, as authorized
by law, moneys of the Veterans'
Land Fund which are not immedi-
ately committed to the payment of
principal and interest on bonds
issued by the Veterans' Land Board,
the purchase of lands, or the pay-
ment of expenses. Investment of
such moneys would no longer be re-
stricted to investments in bonds or
obligations of the United States. The
proposed amendment would also
authorize the Veterans' Land Board
to invest, as authorized by law,
moneys of the Veterans' Housing
Assistance Fund which are not im-
mediately committed to the payment
of principal and interest on general
obligation bonds issued by the Vet-
erans' Land Board for the benefit
of the Veterans' Housing Assistance
Fund, the making of home mort-
gage loans, or the payment of ex-
penses. Investment of such moneys
would no longer be restricted to in-
vestments in bonds or obligations of
the United States. The proposed
amendment gives the legislature
power to implement the amendment
and to delegate such duties and au-
thority to the Veterans' Land Board
as it deems necessary.

The proposed amendment will be
described on the ballot as follows:
"The constitutional amendment to
authorize the legislature to further
implement and enhance the ad-
ministration of the veterans'
housing assistance and land pro-
grams and to expand the invest-
ment authority of the Veterans'
Land Board."

**PROPOSITION NO. 4
ON THE BALLOT**

Senate Joint Resolution 4 proposes
a constitutional amendment that
would allow the legislature to au-
thorize the issuance of a maximum
of \$1.1 billion in general obligation
bonds. The proceeds of the bonds are
to be used to acquire, construct, or
equip new prisons, and substance
abuse felony punishment facilities,
mental health and mental retarda-

**PROPOSITION NO. 5
ON THE BALLOT**

Senate Joint Resolution 39 pro-
poses a constitutional amendment
that would allow a county, junior
college district, or municipality to
exempt tangible personal property
from ad valorem taxation if: (1)
the property is acquired or brought
into the state in an enterprise zone
to be forwarded outside the state,
(2) the property is assembled,
stored, repaired, maintained, man-
ufactured, processed, or fabricated
in the enterprise zone, (3) the prop-
erty is transported outside the state
not later than 175 days after being
acquired or brought into an enter-
prise zone, and (4) the person who
acquired or brought the property
into an enterprise zone is a qualified
business. A county, junior college
district, or municipality may exempt
such property by entering into a
written agreement with a qualified
business that states the duration of
the exemption and the terms on
which the exemption is granted. Any
action to exempt property must be
taken before April 1 of the first
year in which the property would
otherwise be taxed. The term "enter-
prise zone" means an area that (1)
has been designated as such by a
state agency responsible for econom-
ic development, and (2) has per-
vasive poverty, unemployment, and
economic distress. The term "quali-
fied business" means a business that
meets the qualification established
by general law, and requires that
the qualified business is actively en-
gaged in a new business in the enter-
prise zone or is expanding a business
that is already active in the enter-
prise zone. An enterprise zone is
created to foster economic develop-
ment in an area of pervasive pov-
erty and unemployment.

The proposed amendment will be
described on the ballot as follows:
"The constitutional amendment
authorizing the exemption for ad
valorem taxes of certain property
in an enterprise zone."

**PROPOSITION NO. 6
ON THE BALLOT**

Senate Joint Resolution 8 proposes
a constitutional amendment that
would establish a Texas Ethics
Commission with the powers and
duties provided by law. The com-
mission would consist of eight ap-
pointed members selected as fol-

Senate Joint Resolution 6 proposes
a constitutional amendment that
would allow the board of trustees of
each statewide public retirement
system to invest the funds of the
system in such manner as the board
considers prudent. The board would
no longer be limited to investing the
funds of the system in securities.

The proposed amendment will be
described on the ballot as follows:
"The constitutional amendment
to allow the board of trustees of a
statewide public retirement sys-
tem to invest the funds of the
system in a manner that the board
considers prudent."

**PROPOSITION NO. 8
ON THE BALLOT**

Senate Joint Resolution 21 pro-
poses a constitutional amendment
that would permit the legislature to
create debt by or on behalf of the
state if the legislature submitted the
debt question to the voters, of the
debt in the form of a proposi-
tion and a majority of those voting
approved the proposition. The legis-
lature may call the election, by joint
resolution approved by at least two-
thirds of the members of each house,
during any regular session or dur-
ing any special session if the subject
of the proposition is included in the
Governor's proclamation for that
special session. A proposition must
clearly describe the amount and pur-
pose for which debt is to be created
and must describe the source of pay-
ment for the debt. The amount of
debt stated in the proposition may

members of different political par-
ties appointed by the governor from
a list of at least ten names sub-
mitted by the members of the senate
from each major political party; two
members of different political
parties appointed by the speaker of
the house of representatives from a
list of at least ten names submitted
by the members of the house from
each major political party; and two
members of different political
parties appointed by the lieutenant
governor from a list of at least ten
names submitted by the members of
the senate from each major political
party. A major political party is a
political party required by law to
hold a primary. With the exception
of the initial appointees, commission
members would serve for four-year
terms. A member who has served for
one term and any part of a second
term would not be eligible for re-
appointment. The commission would
be authorized to recommend the
salary of the members of the legis-
lature and may recommend that the
salary of the speaker of the house
of representatives and the lieutenant
governor be set at an amount higher
than that of other members. If the
commission recommends a change in
salary, the voters would be author-
ized to accept or reject the salary
change at the next general election
for state and county officers. If the
voters approve the recommended
salary, that salary would take effect
January 1 of the next odd-numbered
year. If the voters reject the recom-
mended salary, no change in salary
would occur. The commission would
set the per diem of the members of
the legislature and of the lieutenant
governor. The per diem could be
raised or lowered biennially as
necessary to pay members' costs,
but could not exceed the amount al-
lowed as of January 1 that year as
a federal income tax deduction for
living expenses incurred in a legis-
lative day in connection with a mem-
ber's business as a legislator, disre-
garding any federal income tax ex-
ception for legislators residing near
the Capitol. The commission would
have other powers and duties pro-
vided by the commission's enabling
act (Senate Bill 1, 72nd Legislature,
Regular Session). The amendment
would also provide that an increase
in the emoluments of the office of
Lieutenant Governor would not make
a legislator ineligible to serve in the
office of Lieutenant Governor.

The proposed amendment will be
described on the ballot as follows:
"The constitutional amendment
creating the Texas Ethics Com-
mission and authorizing the com-
mission to recommend the salary
for members of the legislature
and the lieutenant governor, sub-
ject to voter approval, and to set
the per diem for those officials,
subject to a limit."

**PROPOSITION NO. 9
ON THE BALLOT**

Senate Joint Resolution 11 pro-
poses a constitutional amendment
that would authorize the commis-
sioner of the General Land Office
to issue patents for certain public
free school fund land for which
there is not a valid transfer of title
from either the State or the Repub-
lic of Texas to a private party. A patent
is a document of title issued by the
state. On application to the School
Land Board, a person is entitled to
receive a patent if: (1) the land is
surveyed public free school fund
land, (2) the land was not patentable
under the law before the adoption of
this proposed amendment, (3) the
person acquired the land without
knowledge of the title defect out of
the State of Texas or the Republic
of Texas and held the land under
color of title, the chain of which
dates from at least January 1, 1941,
(4) the person has a recorded deed
on file in the county courthouse
and, in conjunction with his prede-
cessor in interest, has claimed the
land for at least fifty years as of
January 1, 1991, and (5) the per-
son, in conjunction with his prede-
cessor in interest, for at least 50
years has paid taxes on the land
together with all interest and pen-
alties associated with any delin-
quency. If the applicant is denied a
patent, the applicant may file suit
against the School Land Board in a
district court in the county where
the land is located within 60 days
from the date of denial. The pro-
posed amendment does not apply to
beach land, submerged land, or
islands, and may not be used to
resolve a boundary dispute. The pro-
posed amendment also does not apply
to land found by a court to be state-
owned or to land on which the state
has given a mineral lease that is in
effect when a patent is sought. A
patent under this proposed amend-
ment for land within five miles of
mineral production shall reserve
minerals to the state in the manner
provided by law for reservations of
minerals in sales to claimants of un-
surveyed school land within five
miles of production. An application
for a patent under this proposed
amendment must be filed with the
School Land Board before January
1, 1993.

This proposed constitutional
amendment is similar to the version
of article VII, section 4A, that was
in effect between 1981 and 1990.
The main difference is that under
the earlier version the applicant for
a patent to land had to have a chain
of title that dated back to at least
as early as January 1, 1932.

The proposed amendment will be
described on the ballot as follows:
"The constitutional amendment
authorizing the commissioner of
the General Land Office to issue
patents for certain public free
school fund land held in good faith
under color of title for at least 50
years."

Senate Joint Resolution 15 pro-
poses a constitutional amendment
that would allow the legislature to
pass general laws to exempt prop-
erty owned by a nonprofit corporation
organized to supply water or pro-
vide wastewater service from ad
valorem taxation. A nonprofit cor-
poration would be eligible for the
exemption if its bylaws provide that

on dissolution, the assets remaining
after the discharge of the corpora-
tion's indebtedness will be trans-
ferred to an entity providing water
supply or wastewater service, or
both, which is exempt from ad
valorem taxation. The transferred
assets must be property that is rea-
sonably necessary for and used for
water supply and wastewater serv-
ices.

The proposed amendment will be
described on the ballot as follows:
"The constitutional amendment
authorizing the legislature to ex-
empt from ad valorem taxes cer-
tain property of a nonprofit
corporation that supplies water or
provides wastewater service."

Senate Joint Resolution 34 pro-
poses a constitutional amendment
that would increase the total amount
of bonds that may be issued by the
Texas Water Development Board to
provide wholesale and retail water
and wastewater facilities to econ-
omically distressed areas of the
state. The proposed amendment in-
creases the maximum principal
amount of the bonds from 20 per-
cent to 50 percent of the \$500 million
amount authorized by article III,
section 49-4-7, of the Texas Consti-
tution. The proposed amendment would
increase the maximum aggregate
dollar amount of bonds that the
Texas Water Development Board
could issue from \$100 million to
\$250 million.

The proposed amendment will be
described on the ballot as follows:
"The constitutional amendment to
increase from 20 percent to 50
percent the percentage of Texas
water development bonds previ-
ously authorized by Texas voters
that may be issued for economi-
cally distressed areas."

Senate Joint Resolution 2 proposes
a constitutional amendment that
would allow the legislature to pass
general laws authorizing Texas
Higher Education Coordinating
Board or its successor to issue and
sell up to \$300 million of general
obligation bonds to finance educa-
tional loans to students. The maximum
net effective interest rate to be
borne by the bonds would be set by
law. The amendment would also
authorize the legislature to provide
for the investment of bond proceeds
and to establish an interest and
sinking fund to pay the bonds and
provide for the investment of such
fund. Bonds authorized under this
amendment would be paid from the
first money coming into the treasury
in each fiscal year that is not other-
wise appropriated by the constitu-
tion, less any amount in an interest
and sinking fund established at the
end of the preceding year that is
pledged to the payment of the bonds
or interests.

The proposed amendment will be
described on the ballot as follows:
"The constitutional amendment
providing for the issuance of gen-
eral obligation bonds not to exceed
\$300,000,000 to continue existing
programs to provide educational
loans to students, with repayment of
student loans applied toward
retirement of the bonds."

poration would be eligible for the
exemption if its bylaws provide that

not be exceeded and may not be re-
newed unless the right to exceed or
renew is stated in the proposition.
The legislature may enact laws
necessary to implement the authority
granted by a proposition. A law en-
acted in anticipation of the election
on a proposition is valid if, by its
terms, it is enacted subject to ap-
proval of the related proposition.
State debt that is created following
voter approval of a proposition and
that is approved by the Attorney
General is incontestable for any
reason.

The proposed amendment will be
described on the ballot as follows:
"The constitutional amendment
authorizing the voters of this state
to consider state debt questions in
the form of ballot propositions that
must clearly describe the
amounts, purposes, and sources of
payment of the debt only after

Earl McClintock Family Reunion

(Contributed)

Relatives from California, Florida, and many points in Texas, ranging in age from 7 months to 85 years, celebrated the 15th annual Earl McClintock Memorial Reunion on August 2, 3, and 4, 1991. The gathering of the McClintock clan was held at the Llano County Community Center, in Llano, Texas.

Five generations of the family enjoyed getting together and getting acquainted with the newest member, 7 month old Brittney Sellers. Brittney's mother is Nicole (Nickerson) Sellers. Her grandmother is Glenna (Russell) Nickerson. Her great-grandmother is Yvonne (McClintock) Walls, and her great-great-grandmother is Lena McClintock.

Weekend activities began Friday night with a hamburger and hotdog supper prepared by Lyndon Haynes.

As family and friends gathered for a covered dish luncheon on Saturday, Billy Scott gave the welcome and announcements for the weekend activities. Susan (Scott) Dorsett gave the blessing for the meal.

Following the luncheon, a "White Elephant" gift exchange provided entertainment for everyone with some gifts from years past making appearances once again. There were many exciting (?) gifts exchanged.

A drawing was conducted for arts and craft items made and contributed by family members. The highlight of this event was the drawing for a most unique and beautiful quilt designed, pieced, and donated by Susan (Scott) Dorsett. The blocks in the quilt depicted the beginning years of farm life for Earl and Lena McClintock and memorable events from previous reunions. Yvonne Scott was the lucky winner of the quilt.

Sunday morning's activities began with a Worship Service. Debbie (Leffingwell) Jordan gave the invocation. A "Precious Memories" medley was sung by Becky (Haynes) Widner, LaVelle (McClintock) Haynes, Glenna (Russell) Nickerson, and Debbie (Leffingwell) Jordan. Lendale and Becky Widner brought an inspirational message using Scriptures and diagrams as visual aids.

Shelby and Brady Widner and Deanna Scott presented a children's song. Group singing was led by Becky Widner. Lendale Widner offered the Benediction and the blessing for the brunch following the Worship Service.

Sorority Holds Social At Gary James Park

(Contributed)

On August 17, 1991, Delta Omicron members, their families and prospective pledges enjoyed a family social at Gary James Memorial Park in Santa Anna.

The group was served a dinner of barbecue, beans, potato salad, and strawberry/cherry shortcake. After the meal, everyone enjoyed games of volleyball, horse shoes, and pitching washers.

Those attending were Ken and Jan Brixey, Kenton and Tye; Bruce and Karyn Kingsbery, Emma, Cole and Grant; Eddie and Susie Voss, Austin and Kelly; Ken and Coyita Bowker; Debbie and Danny Wheatley; Red Fellers, Pat Hornback and Lisa; James and Karen Morris, Shamey and Devin; Cynthia Patterson; Kasey Bowman; and special guests, Jim and Felicia Ellerbe, Amy, Maria and Jamie.

by Nick and Glenna Nickerson concluded the reunion activities.

Several family members were unable to attend this year and they were sorely missed. We hope they will be able to attend the reunion next year which will be held at the same place on August 7, 8, and 9, 1992.

Those enjoying a weekend of golfing, fishing, swimming, dominoes, visiting, and viewing videos of past reunions were: From Santa Anna -- Lena McClintock and Earlene (McClintock) Scott; From Gorman -- Lyndon and LaVelle (McClintock) Haynes; From Duncan, OK -- Jesse and Yvonne (McClintock) Walls; From Odessa -- Joyce (McClintock) Leffingwell, Debbie (Leffingwell) Jordan, Crystal Monahan, and Leanne Richman; From Midland -- Durwood and Pauline Richman; From Kermit, TX -- Lendale and Becky (Haynes) Widner and Shelby and Brady; From Wichita Falls, TX -- Billy and Martha Scott; From Scotland, TX -- Deanna Scott; From Leander, TX -- Gene and Susan (Scott) Dorsett; From Austin, TX -- Michael McSpadden; From Bastrop, TX -- Jodie, Mary, Jodi Kay and Gary Wallace; From Burleson, TX -- Marvin McClintock; From Benbrook, TX -- Helen Boydston; From Burnet, TX -- Elmer and Patsy Miller; From Boynton Beach, FL -- Tom

Scott; From Pittsburg, CA -- Nick and Glenna (Russell) Nickerson and Robin; From Concord, CA -- Mike and Nicole (Nickerson) Sellers and Brittney.

Ranger Park Inn

By Dorothy York

Residents at Ranger Park Inn, after having a full day of activities, are now working on their spelling. This is in preparation for the Senior Olympics to be held here in October. The residents are very excited about the Olympics and a very competitive spirit is being felt throughout the home.

We wish to thank the following ladies who came on the first Thursday of the month to do mending for our residents. They are Milly Claiborne, Alice Anna Spillman, Betty Key and Nell Myers.

Sybil Summers and Velma Vinson were visited by Vernon Rowe, Viola Mayble, Fannie Gilbert, Jewiel Hosch, Ollie Pembroke, Felix and Jeany Summers and friends from Tennessee, Donna and Henry Schonalenberg.

Alberto Stamper visitors were Ida Perry, Mary and John Guana and Virginia Stamper.

Iganacia Martinez had visits from Jose and Jr. Alonzo, Walt and

Homecoming Golf Tourney

All the Golf Plans now have been confirmed...and if you golfers don't participate...they tell me you should be sorry.

Mr. Stanley Hartman will be in charge of the tournament and Montie Guthrie will be accepting your reservations. Please mail your name to Montie Guthrie, P. O. Box 416 Santa Anna, Tx 76878. Not only men but women are encouraged to participate.

The tournament players will meet promptly at 8:00 am, Friday morning, October 4th at the Lions Club Building on Main Street. The tournament will be played at the Coleman Country Club Golf Course. The charge for the tournament will be \$15.00 that you may pay when you sign in.

Thanks to Jim Jones (he usually wins) who will again furnish the trophies and they will be presented to the winners on Saturday morning at the Business Meeting.

This will be our third year for this event and for the increase in players...and the stories that are told...maybe you golfers that are not playing may be missing something...

Athena H. Bean

CAP Counselor Opens Own Private Practice

Athena H. Bean, licensed professional counselor, is announcing the opening of her private practice. The office is located in the L&L Plaza, 2700 Hwy. 377 S., Suite 118, Brownwood. Adolescent counseling and counseling for victims of abuse will be part of her practice, as will individual and marriage and family therapy.

Ms. Bean taught at Brownwood High School for 8 years and is in her third year as Counselor at the Cooperative Alternative Program (CAP) in Valera, a school for those with problems that keep them from experiencing success in a regular school setting. She has worked with pregnant teens, teen parents, and victims of abuse.

Ms. Bean received a bachelor's degree from Baylor University, a master's degree in counseling from Tarleton State University, and became licensed by the state of Texas. She has attended numerous drug and alcohol conferences and has received training in child sexual abuse from Tarrant County Junior College.

SAHS Alumni Garage Sale

by Mary Ford Fields

This is a new event...and it is up to everyone to make it a success and a lot of the responsibility of furnishing the items for the sale depend on how well the out-of-town alumni participate.

For the previous two years the PTO and Booster Club have prepared the Friday and Saturday night food. This has not proved to be very profitable...This year we

are promoting a campaign that the alumni bring any resalable item that can be used at a "Garage Sale" and at a later date the Booster Club and the PTO will sponsor an Alumni Garage Sale for their money making project. Arrangements have been made that any merchandise can be left at the Lions Club building. This is very important for each of us to contribute to this cause.

There will be further information on the ALUMNI GARAGE SALE

But please be getting your things together.

Whon News

By Mrs. Tom Rutherford

For some reason, my letters to the county papers is rather hard to write this week. Sometime between Aug. 29, Thursday afternoon, and Monday Sept. 1st, some one picked a small air compressor tank that was in my garage. I used it Thursday afternoon and had no occasion to use it again until Monday. I went to my pickup to check the cows and all four tires were almost flat. When I found out the small pressure tank we carry in the pickup for our needs was missing, and for sure it really hurts. Our son-in-law, Bob Smith, gave the tank to Tom not too long before he passed away. He was so proud and thankful for it. I sure hope whoever took it needs it more than we do. I have always managed to live without stealing from others and it hurts for someone to take what you have worked so hard for from us. Some things are hard for me to understand. A few years back, someone took 150 bales of hay from our hay barn between Saturday morning and the next morning, which was Sunday. And don't forget, things like this hurt.

We are thankful for the nice showers of rain we received. We did not have heavy rain here, but was nice. Never caught water in the tanks.

On Tuesday, Leon Carter and John David Morris drove to the Veteran's Hospital at Temple to see about Leon's brother, Bert Carter, who is a patient there. From their report, Bert is not doing so well. He is awfully poor and can't be up much, but knew Leon and J. David.

On Saturday, Billie Lovelady of Santa Anna, Betty Bearden and Doris Stearns of Brownwood, and Loucille Sorrell of Coleman drove to Midland to see Billie's sister, Juanita Minica, who was quite ill, after accompanying her son to his home in Midland for a visit. They found her much improved.

Thanks to Jody Deal for stopping one morning this week to say hello and to show us his little 6-year-old granddaughter from California who flew in to visit the Deal family. She was here last year. She is a darling little girl. They were enroute to say goodbye to her great-grandparents, Mr. and Mrs. Dick Deal and Johnny Deal before her return home. Her grandparents took her to Midland to catch the plane.

My son, Hilary, of Coleman was with me Thursday.

John David Morris was a patient at Audie Murphy Hospital in San Antonio the past week where he had a growth removed from his leg and also some teeth pulled. He returned home Saturday and reports are he is feeling fine.

I apologize for a statement in last week's paper when I stated Darwin Lovelady visited his cousin, Ruth Dodson in Coleman, and sorry she was not feeling so well following surgery. That was untrue, she is doing fine.

Mr. and Mrs. Bob Watts were dinner guests of Mr. and Mrs. Floyd Morris on Friday. All enjoyed a nice birthday dinner celebrating Mrs. Morris' birthday. Happy delayed birthday wish, Janie.

Jeffery Morris of Fort Worth area visited with his grandparents, Mr. and Mrs. Floyd Morris during the weekend, returning home Monday.

Darwin Lovelady was at the Veteran's Hospital in Kerrville Wednesday for a checkup and did get a good report.

Martha Frost of Brady and Graham Fitzpatrick visited with Mrs. Graham Fitzpatrick in the Brownwood Care Center Saturday afternoon. She is doing pretty good and enjoyed their visit.

Some two weeks back I talked with Mrs. Nettie Vinson in a Coleman store and was so good to see her. I really don't think I have seen her since she moved from our community. She looks well, still
